

Zongwu 2541

Chapter 2541

Venina was very shocked when she heard Su Chen's words.

Frigga, the goddess in Norse mythology, and Hera, the goddess in Greek mythology, were both Su Chen's women.

What about Odin and Zeus in the Western God Realm?

Won't both God Kings be killed by Su Chen?

Venina felt that Odin and Zeus might be in trouble. Suchen got the God Queen Frigga and the God Queen Hera. This pervert must have destroyed Odin and Zeus.

Venina looked at Frigga, the Queen of Gods in this world, and she felt that it was impossible for Suchen to let Frigga go.

Frigga, the Queen of Immortals, is his woman. Frigga, the Queen of Gods in this world, it would be strange for Su Chen to let her go.

Su Chen patted Venina on the shoulder and said,

"Venina, go and ask Alice and the others to use Loki's scepter to close the space channel and bring back the space gem."

Su Chen thinks it's better to let Venina leave first.

If Frigga takes out the Reality Stone later, Su Chen still wants to be gentle with Frigga. The plump and seductive Queen Frigga, Su Chen won't let her leave the earth now

Nina nodded in agreement and said,

"Okay, I can also go and fight. I didn't contribute much to this mission."

"Venina, after the space channel is closed, the Chitauri army will lose power. If you want to fight, then the space channel is not closed.....I guess, the space channel is closed."

Su Chen hadn't finished explaining to Venina when he suddenly discovered that the space channel in the sky was shrinking.

The Chitauri army at the black hole wanted to fight back, but as the space channel closed, the Chitauri troops fell in one after another. On the ground, the gunboats and mechanical behemoths in the air also smashed towards the ground.

"I'll go over and have a look."

Wenina left Su Chen's arms and quickly walked towards Alice and the girls.

She was very speechless in her heart.

Wenina hasn't had a good fight yet, and the fate mission war may be over. As for the enemy team, Su Chen's The angels will slaughter them all

"No, King of Angels, I can surrender.....ah!"

Odin was penetrated by the Archangel's flaming sword.

He was about to beg Su Chen for mercy.

The Archangel's flaming sword burst out with terrifying flames. The terrifying flames burned Odin on the flaming sword. In an instant, Odin was struck by the terrifying flames. Burned to ashes

"Killed another Odin."

Su Chen watched Odin die completely. He touched his chin and smiled. The Odin in the God Realm was killed by him, and the Odin in the small world was also killed by him. Odin was also unlucky to meet him.

Whoosh!

Gu Yi appeared next to Su Chen in an instant and said hurriedly,

"Su Chen, I need your angel's help. Dormammu in the dark latitude is difficult to deal with this time.

Su Chen asked doubtfully, "Gu Yi, do you want to completely kill Dormammu?"

Gu nodded and replied seriously,

"Yes, instead of always being on guard against Dormammu, It's better to kill Dormammu. I can't kill Dormammu alone. Your angel artifact can help me kill Dormammu."

"Ancient One, if my angel helps you kill Dormammu, what good will it do to me?"

"What benefit do you want?"

"Ancient One, I haven't thought about it yet, but as long as you promise me, I will let the archangel help you kill Dormammu. Don't worry, I am not interested in the earth."

"OK, I make you a promise."

Gu Yi agreed after thinking about it.

As long as Su Chen doesn't do anything to the earth, she has nothing to worry about.

But she had some bad premonitions in her heart.

Su Chen kept looking at her with lustful eyes. Gu Yi was worried that Su Chen would Do some nasty things to her

"Ancient One, I hope you can keep your promise."

Su Chen smiled when he heard Gu Yi's promise. He had already thought about what he wanted Gu Yi to do. He hoped that Gu Yi would not be angry and pursue him. When

Gu Yi saw Su Chen's hateful smile, she felt It is even more uneasy.

However, as long as Dormammu is destroyed,

Gu Yi decides to avoid Su Chen from now on. As long as Su Chen cannot find her, that promise will be of no use at all. (To read Baoshuang novels, go to Feilu novels Net!)

Gu Yi thought for a while and urged Su Chen,

"Su Chen, if I promise, I won't break the contract. Please let the archangel and me go there. My magic won't be able to trap Dormammu for long."

"Archangel, you and Gu Yi are going to kill an enemy together."

"Yes, master!"

The Ancient One and the Archangel then disappeared next to Su Chen.

Su Chen watched the Ancient One and the Archangel leave and shook his head.

0 Please give me flowers. The Marvel world has been messed up by him, and some plots may not appear again.

"Su Chen, give you the Reality Stone."

At this time,

Frigga took out the Reality Stone and handed it to Su Chen,

【Congratulations to the Earth team for completing mission three, and the reality gem mission is completed.】

Su Chen had just received the reality gem given to him by Frigga, and Luck Tiandao also reminded him that mission three was completed.

After Suchen looked at the unconscious Jane Foster, he asked Frigga,

"Frigga, Hela is coming out, what are you going to do? Frigga rubbed her forehead and replied, "What else can I do?" Hela is also a madman. If Hela wants to destroy Asgard, I can only imprison her again."

Su Chen thought for a while and said to Frigga,

"Let's do this, you take my angel army to Asgard. If Hela dares to lead the undead army to attack Asgard, you let my angel army take action."

Su Chen is also thinking about Frigga.

He will leave this world in the future. Su Chen cannot enter the world controlled by the destiny of heaven.

However, as long as the system is upgraded, he can also enter the world controlled by the destiny of heaven. Asgard Leave it to Frigga. If he comes to this world again, Su Chen can also go to Asgard to find Frigga.

Frigga looked at Su Chen unexpectedly.

She didn't expect that Su Chen would be willing to help her. This bastard Pretty good, but only a little bit good

"Well, this is also a way. As long as Hela sees the Angel Legion, I guess she dare not attack Asgard."

Su Chen then explained about the Angel Legion. Frigga and the Angel Legion were taken away by the Rainbow Bridge. Before Frigga left, she had to take Thor's Hammer.

Another big cabbage was taken away.

Su Chen saw Frigga After leaving, he looked around.

The Chitauri troops around him were finished, and the remaining Asgardian troops were also picked up by the Rainbow Bridge.

There was only one aunt left next to him, oh no!

There was also a unconscious one. Jane Foster

"Aunt, do you have anything else to do if you stay here? If you don't deal with Nick Fury, he might escape."

Chapter 2542

Carol clenched her fists tightly and stared at Suchen,

Aunt?

This bastard, she is a bit old, but Su Chen is probably hundreds or even thousands of years old. What qualifications does this bastard have to call her aunt?

What if she is an aunt?

Isn't Su Chen the uncle?

Pooh!

Carol is going crazy.

What does she think about aunt and uncle? Doesn't this mean that she and Suchen are a couple?

A shameless and lustful angel, even if Carol stayed single her whole life, she would never fall in love with a shameless and lustful scumbag.

Carol glared at Suchen and said,

"King of Angels, this is the earth. Do I need you to take care of me there? Even if Nick Fury escapes, can he escape the earth?"

Su Chen touched his chin and teased Carol,

"That's right, aunt, just keep watching the show!"

"Oh no, the show is over. Asgard's remaining protoss army has left the earth, and the Chitauri army is finished. It seems like we are the only two left here."

"30-year-old mom, did you fall in love with me at first sight? Why don't you want to leave?"

Carol yelled at Su Chen angrily,

"Shameless!"

If Carol hadn't been able to defeat Suchen, she would have beaten up this perverted angel.

Angel?

This bastard is not worthy of being a pure and righteous angel.

Whoosh!

Carol disappeared into the air with flames all over her body. , she didn't want to see Suchen again, Carol was worried that she wouldn't be able to help but take action against that bastard

"She is a woman, she is still an old woman. Does Carol still have her period?"

Su Chen shook his head when he saw Carol leaving.

He didn't like Carol.

If Su Chen didn't want Carol to leave, he wouldn't have said those words to Carol.

【Congratulations to the Earth team for completing mission one and the space gem mission is completed. 】

The first three tasks have been completed, leaving the fourth task to kill the enemy team, and the fifth task to participate in the fate war.

The enemy team will soon be finished, and the fate war will be over.

Su Chen looked around New York City and realized that this fate war was about to end, and he might only have three days to keep this small world.

Su Chen looked at Jane Foster in front of him and shouted,

"Jane Foster, get up when you wake up. Your dress is blown by the wind."

"snort!"

Jian Foster blushed and stood up hurriedly. She straightened her dress and glared at Su Chen fiercely.

"What a fart!"

"Su Chen, can't you speak in a more civilized manner? You are an angel and the king of angels"

"none of your business!"

"asshole!"

Jane Foster's chest was about to explode because of Su Chen's anger. She didn't expect that Su Chen could be so hateful, angel?

Jane Foster now hates angels deeply. The King of Angels is a hateful bastard, and she doesn't know how to do it. Believe in angels again

"Su Chen, we got the Space Stone and the Mind Stone, what about this Loki? To kill or not?"

At this time,

Alice and the three girls arrived one after another, and Maximus was still carrying the unconscious Loki.

Suchen nodded and said,

"What a scumbag, throw him away and let him fend for himself."

"good!"

When Maximus heard Su Chen's words, he casually threw Loki down from the air.

Whoosh whoosh whoosh!.....(To read Baoshuang novels, go to Feilu Novel Network!)

Angel Moi and guard-level angels appeared next to Su Chen one after another. Angel Moi saluted Su Chen and said,

"My Lord, all the aliens in outer space have been destroyed. We have captured six people. They are all the leaders of those aliens."

"Your Majesty, we got two gems from these aliens. These two gems are a bit weird. Otherwise, we would have completed the mission assigned by the king long ago."

"good!"

Su Chen nodded when he heard Angel Moi's words.

The power gem and the soul gem were indeed the missions of the hostile team, as well as the Ancient One's time gem. The time gem may also be one of the missions of the hostile team.

"Angel Moi, the Angel Legion is in the Asgard Divine Realm. I will move you there too. The Angel Legion will obey the orders of Queen Frigga these days."

"Yes, Your Majesty!"

After Su Chen took over the power gem and the soul gem, he moved the angel Moi and the guardian angels to the Asgard domain.

Su Chen looked at the six unconscious hostile teams.

The six members of the hostile team were still quite tall. It's really weird.

The aliens are aliens after all. They are in the form of crocodiles, octopuses, and disgusting cockroaches. Su Chen couldn't help but want to destroy these aliens immediately.

"Alice, torture the six members of the enemy team. If they have no value, then kill them to complete mission four."

"Okay, let's torture them first to see if they have any treasures."

Alice and Bai Yuekui nodded.

They had obtained some treasures from the enemy team before. Su Chen's angels captured six people. They also wanted to see if the six prisoners had any useful treasures..

Su Chen looked at Qin Grei and said,"Qin Grei, within three days I will help you integrate the power of the Phoenix.""

"Thank you!"

"No, this is what I promised you."

Su Chen waved his hand to Qin Gray, but he might be in for a treat when Su Chen helps Qin Gray integrate the power of the Phoenix. After integrating the power of the Phoenix,

Qin Gray's clothes will be turned into ashes by the energy of the Phoenix Force. Gray, naked Jean Gray will also appear in front of him

"Jean Gray, you leave first. I will kill you within three days."

"good!"

Qin Gray, Invisible 367 Girl, and Storm Girl nodded to Su Chen, and they quickly left the air.

The war in New York City is over, and they also need to take a rest.

"Jane Foster, why don't you leave? Jane

Foster glared at Su Chen and shouted,"Damn it, can I leave?" How do I get out of the air?"

"Ahem, I forgot, you are still a scumbag."

Su Chen patted his forehead and was speechless.

The scumbag Jane Foster couldn't leave the air. Su Chen looked at Alice and the others who were interrogating the enemy team next to him. He waved his hand and disappeared with Jane Foster. in the air

"Selina, Suchen left with Jane Foster"

"Damn it, that bastard might do something to Jane Foster."

"No way, Natasha, Jane Foster is just an ordinary woman, and Su Chen was not very kind to Jane Foster before. How could Suchen attack Jane Foster?"

"Venina, who is Suchen? He is a shameless bastard. I guess Su Chen wants to taste the dessert."

"Haha, I think it's possible too"

"Don't say anything anymore. Let's interrogate these people from the enemy team first. If they are of no value, we will kill them."

"good!"

When Alice and Selina saw Su Chen disappearing with Jane Foster, some of them shook their heads. They were too lazy to talk to the bastard Su Chen.

Chapter 2543

Maximus and Qilin heard what Alice and the girls said, but they pretended not to hear.

Each of the Alice girls is more violent than the other, and they will not offend the Alice girls just to say good things about Suchen.

Besides, Su Chen took the beautiful woman to Xiaosu, and they still had to wake up these aliens for interrogation. Maximus and Qilin would not help Su Chen speak.

In the aerospace carrier,

Nick Fury and the superpowers saw the war end, the remaining Asgardian army leaving, and the Chitauri army losing power and dying.

There may be less than 100,000 civilians alive in the entire New York City. These less than 100,000 civilians are still in the area where Su Chen is, otherwise there would be no survivors in the entire New York City.

"Let's leave too!"

"Leave. Su Chen will take revenge on us in the future, and we can't hide."

"Let's go. The war is over. Let's prepare to face Su Chen's revenge."

"well! This war was thanks to Su Chen. If Su Chen and the others hadn't taken action, more than one New York City in the entire Star-Spangled Kingdom would have been destroyed."

"It's useless to say this, let's go!"

"Jean Gray and the others also left, I want to find Jean!"

"At the same time, I also want to find Susan, the invisible woman."

In the command room, the superpowers chatted and left one after another.

As for Nick 947 Fury, they didn't care, and they didn't plan to say anything to Nick Fury.

Nick Fury sat with a dark face and didn't move. After realizing that Suchen was an angel, Nick Fury knew that he was going to die.

Controlling an angel?

Nick Fury never thought that for the safety of the earth,

Nick Fury wanted to control Su Chen and even kill Suchen. He didn't think If you do it wrong, an uncontrolled strong man will be a huge hidden danger to the earth.

Boom!

Carol quickly arrived on the space aircraft carrier.

She looked for Nick Fury in the space aircraft carrier with a cold face. Carol was deceived by Nick Fury and came back. She wanted to find out why Nick Fury did this.

In the evening,

Suchen left Jane Foster's residence instantly.

He didn't capture Jane Foster, but he still managed to capture it. Su Chen didn't expect to joke with Jane Foster

, and he actually angered Jane Foster.

However,

Jane Foster's flaming red lips are really good, and he would like to try Jane Foster in the future. St.'s flaming red lips.

Su Chen instantly appeared outside Hill's villa.

He thought of Jane Foster and said to himself,

"Zhu Yan Dan and Ling Guo also conditioned Jane Foster's body, and also gave Jane Foster some special abilities. There is no problem for Jane Foster to live for hundreds of years."

【Congratulations to the Earth team for completing mission four. All enemy teams were wiped out. Mission four is completed.】

【Congratulations to the Earth Team for completing mission five. The Luck War is over. Mission five is completed.】

【Congratulations to the Earth Team for winning the Destiny War. The rewards will be distributed when the team members return to their respective worlds. The team members can stay in this world for three days and must leave after three days, otherwise they will be expelled. 】

When Su Chen heard that the Luck War was over, he shook his head and didn't care.

The Luck War was just a game to him. If he hadn't wanted to meet Alice and the girls, and to upgrade the system to the source of heaven, Su Chen would not have participated at all. Luck war.

In the villa,

Hill suddenly saw Su Chen appear,

"Suchen?"

Su Chen hugged Hill, kissed him and said with a smile, "Hill, do you miss me?"

Hill stared at Su Chen angrily and shouted,

"I miss you so much!"

"Hill, you don't mean what you say."

"Su Chen, I didn't expect that you are actually an angel, and you are also the king of angels."

Su Chen sat down with Hill in his arms and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"It doesn't matter who I am, as long as you know that I am your man. Hill shouted with an annoyed look on his face,

"How shameless are you, angel? You are nothing like a pure and righteous angel."

Su Chen stroked Hill's long legs and said with a smile, "Hill, just be the alternative among my angels."

"Su Chen(dafj), what are you doing?"

"You are my woman, what do you tell me to do!"

"Bastard, you.....Woohoo!"

In Stark's villa,

Tony looked at Alice and the others helplessly. He did not expect Alice and the others to come to his villa.

In the living room,

Alice and the other girls did not pay attention to the miserable Tony Stark. They sat together and talked, while Maximus and Qilin took the miserable Tony to drink.

Winina suddenly found that the three gems given to her by Suchen were still there, and she asked Natasha next to her ,

"Natasha, why didn't Luck Tiandao take back the mission items this time? The three gems Su Chen gave me are still there.

Alice:"The space gem in my hand is also there."

Natasha:"The Soul Stone is here too, won't Qi Luck Tiandao collect the mission items this time?""

Laura:"Maybe these gems are different to this world, so Luck and Heaven did not collect them."

Mu Ningxue:"What should we do with these gems?"

Bai Yuekui:"Leave it to Natasha. After all, she is from this world.""

Natasha looked at Alice and the other girls speechlessly. These gems all have special abilities. Every powerful person in the universe wants to get these gems. Natasha doesn't dare to stay, but she can't let Alice. The girl took them away.

Luck and Heaven did not take back these gems.

Natasha was also worried that if these gems left this world, something might happen to this world.

Natasha thought for a while and said,

"Forget it, let's give these gems to the Earth Guardian. I'm worried that these gems will attract aliens to invade the earth. Give the gems to the Earth Guardian, and she may be able to deal with them."

When Alice and the girls heard Natasha's words, they all nodded. It is also the best way to give the gem to the guardian of the earth.

Wenina took out a spiritual jade and handed it to Mu Ningxue and said,

"Mu Ningxue, this is for you. Su Chen asked me to give it to you. You can check it out after you return to your world."

Mu Ningxue took the spirit jade and asked,

"What's this?"

Wenina said with a smile on her lips,

"This is what will happen in your world in the future. You will understand after seeing it, Mu Ningxue, Su Chen has evil intentions for you. The childhood sweetheart in your world, he is a time traveler, and he may also be an old man."

Mu Ningxue's expression changed after hearing Wenina's words.

Mo Fan is a time traveler?

She thought of what happened with Mo Fan, and Mo Fan's sudden strength progressed very quickly. Mu Ningxue felt that Su Chen would not cheat. It was impossible for her to deceive her. She had evil intentions?

Mu Ningxue guessed from the expressions of Alice and the girls that they might not be able to escape Su Chen's vicious hands.

Wenina was deceived by Su Chen in less than a day, and Mu Ningxue couldn't Will be as stupid as Venina..

Chapter 2544

Two days later,

Su Chen arranged everything in these two days.

Qin Gray's Phoenix Power was fused to her, and Su Chen also took advantage of Qin Gray.

There was also the Invisible Woman Susan.

Suchen didn't expect the Invisible Woman Susan to be with Qin Gray, so he checked the Invisible Woman Susan carefully again.

Hill will be taken care of by Natasha in the future, and Suchen left items for Hill and also passed on some life-saving abilities to Hill.

As for Jane Foster,

I hope that when I see Jane Foster again in a few years, that chick will not be so angry that she wants to kill him. but!

Gu Yi ran away, and it couldn't be said that he ran away.

The beautiful woman actually hid.

Su Chen searched and couldn't find where Gu Yi was hiding. He guessed that Gu Yi should have gone to other "700" latitudes.

The Angel Legion was taken back by Su Chen.

After Hela learned that Odin was killed and the God Queen Frigga controlled Asgard, she did not start a war, and Hela did not compete with Frigga for power. In this way The result made Frigga very happy

Su Chen returned to Earth after staying in Asgard for less than half a day.

Frigga was too guarded against him and wouldn't even let him get close. Hela was always by Frigga's side. Su Chen just wanted to deal with him. Nothing Frigga could do was impossible.

In Tony Stark's villa,

Suchen has just returned here.

Alice and the others are preparing to leave today, and he can no longer hang out outside.

Su Chen looked at everyone in the living room and asked, "Are you all ready to go back?"

Alice nodded to Su Chen and replied,

"Suchen, we are ready."

Su Chen took out some space rings and distributed them to the girls and said,

"These are the items I have prepared for you. One for each of you. These cultivation resources can allow you to cultivate to the Nascent Soul realm. Next time we meet, I will prepare cultivation resources for you."

"Mr. Su, where are Qilin and me?"

Maximus was drinking and saw Su Chen giving Alice some gifts. He patted Qilin on the shoulder and asked.

Su Chen took out two more space rings and said speechlessly,

"Brother, this is the training method of the ancient dragon clan. I have also prepared training resources for you."

"Qilin can practice the techniques of the Eastern Immortal World. Brother, I have prepared some chalcedony for you in the space ring. You must first absorb the chalcedony to change your physique, and then you can practice the Eastern techniques of cultivating immortals."

Maximus took the space ring and laughed,

"Dragon Clan Kung Fu? Ha ha....., thank you Su Chen"

"Yes, you should call me Su Xiaozi."

Qilin nodded to Su Chen and said,

"Thank you, Su Chen. There is a beautiful woman in my world called Aning. I will get her for you. Since you have gone to my world, I believe you will be interested in Aning."

I guess!

This is the little brother?

Is he a fake Qilin brother?

Su Chen stared at Qilin with big eyes.

He didn't expect that the Qilin brother would find a beautiful woman for him. The little brother has really changed. Qilin Xiao. Although the brother still acted like silence is golden, the little brother actually became sinister.

Maximus looked at Qilin with a confused face. He did not expect that Qilin would find a beautiful woman for Su Chen.

However,

Qilin might want to Unlucky,

Qilin guy with low emotional intelligence. Didn't he realize that Alice and Natasha were all there? Maximus made a cross on his chest and mourned for Qilin.

"Qilin, you are finished"

"Qilin, in the next fate war, I will give you pine skin"

"I have mastered my skills and need someone to practice with me. Qilin, I will find you next time during the Luck War mission."

"Yes, I also need to find a sparring partner!"

"Qilin, prepare more healing medicine, you will have a hard time in the future."

"Haha, Qilin is really going to die."

Alice and Wenina looked at Qilin with evil eyes, and even threatened Qilin one after another.

Alice and the girls did not expect that the honest and sweet Qilin would find a beautiful woman for Su Chen?

Is this a good baby ? Qilin? (To read Baoshuang novels, go to Feilu Novel Network!)

Qilin's face turned pale and he said hurriedly,

"This is what Mark taught me to do."

Maximus heard Qilin's words and shouted,

"Fake, Qilin boy, are you trying to drag me into trouble?"

"I'm sorry, brother, didn't you tell me that we should share the blessings when we have difficulties?"

"I.....Am I him?...0"

Su Chen held Alice in his arms and watched all this. He thought it was really good for everyone to make noise together.

Until the afternoon,

Maximus and Qilin left this world first, and

Su Chen and Alice talked again. After a while, he and the girls hugged each other, including the reluctant little beauty Mu Ningxue.

Alice and the girls also left this world one after another, leaving him and Natasha alone in the villa.

Su Chen hugged Looking at Natasha's sexy and attractive waist, she said,

"Beauty, it's still early, let's do something romantic."

Natasha kissed Su Chen hard and said with a smile,

"Okay, you are mine now"

"You are mine too"

"I am always yours."

Ancient,

Heavenly Court, and

Peach Garden,

Su Chen returned here instantly.

For four days,

Su Chen stayed in the small world for four days.

Although he did not do anything in the small world, it was good to go to the small world to relax.
good

【Congratulations on winning the Luck War. The team mission is 100% completed. You can get one of the following items.】

【1. Part of the Unnamed Kung Fu】

【2. A random channel for luck in the small world.】

【Three 0.3, luck increases by 30%. 】

Su Chen shook his head when he heard the rewards of Qi Yun Tian Dao, these are not good, nameless skills?

What the hell is this?

He needs a fart, a small world channel of luck?

This is not bad.

It is a small world controlled by luck and heaven. Su Chen is not yet able to find control.

Increase luck by 30%?

Does he need it?

Su Chen also had the luck of heaven, the luck of the human race, the luck of the Xuantian Realm, and the luck of all the small worlds under the control of the Xuantian Realm. He had so much luck that he was almost full.

Su Chen thought about it and decided,

"The way of luck and heaven, I choose the passage of the small world of luck!"

【The rewards have been distributed, and the random small world passage is: Devouring Starry Sky Small World】

Chapter 2545

Obtaining the passage to the small world that swallows the stars, he did not expect,

Venina's world?

This is good.

Wenina is a sexy and seductive woman.

If Suchen appeared in her world, would that sexy beauty be scared?

"System girl, where is my victory gift package?"

"Ding, congratulations to the host for winning the Luck War, and congratulations to the host for getting a victory gift pack."

"Open the victory gift pack!"

"Ding, the victory gift pack has been opened. Congratulations to the host for obtaining: 300 acres of great merit, 500 acres of heavenly merit, an army (subordinate) promotion card, and a spiritual treasure promotion card."

I'm going, this time it's really a big deal, great merits?

The system girl is bleeding a lot this time, and all the great merits are rewarded.

Su Chen looked at the items he got in the victory gift bag, and he felt that his participation in the luck war was not in vain.

Rewards It's so rich, the merits of the Great Way!

The merits of the Heavenly Way!

There are also two promotion cards.

Whoosh!

"Su Chen, you are back."

The Queen Mother suddenly appeared in the peach garden. She looked at Su Chen and said with a smile.

Su Chen got down from the peach tree and replied, "I am only in seclusion for a few days, Queen Mother, where are the others?"

"They are all practicing in seclusion."

The Queen Mother rolled her eyes at Su Chen.

This bastard lied with a straight face. He is in seclusion?

Su Chen obviously went somewhere. She and Nuwa Empress and the others saw it.

Forget it!

Su Chen may have some secrets, If this bastard doesn't say it now, he will say it sooner or later.

Su Chen sat down with the Queen Mother in his arms.

"Nothing happened in the battle at Sishui Pass, right?"

The Queen Mother was held by Su Chen without any resistance. Her and Su Chen's fates were already tied together.

Besides, she resisted.

Even if the Queen Mother beat this bastard, Su Chen would still shamelessly go his own way.

"No, in the past four years, the mortal war has been on and off, and the army of the Western Zhou Dynasty has never broken through the Sishui Pass."

"That's fine"

"Su Chen, Conferred God cannot continue to be delayed. Although the saints are unwilling to launch the Conferred God War, those saints will deal with Dashang under pressure. Do you want to continue to help Dashang?"

"Help, I want to delay the destruction of Dashang."

While Su Chen was stroking the Queen Mother's plump and attractive waist, he was thinking about the Conferred God War.

Su Chen might not be able to stop the Great Shang from being destroyed, unless Hongjun was crippled.

However,

Su Chen did not dare to do it. Hongjun's identity as the spokesperson of the Heavenly Way was abolished.

The last time he abolished Hongjun's identity as the spokesperson of the Heavenly Way, the Great Desolate Heavenly Way almost killed him.

It was also because of the weirdness of the Great Desolate Heavenly Way that Su Chen left the Prehistoric Heavenly Way and founded the Xuantian Realm.

"Little bastard, please be honest with me."

The Queen Mother's face turned red when Su Chen touched her, and this bastard wanted to put his hand into her dress.

The Queen Mother grabbed Su Chen's hand tightly, and she wanted to kick this bastard away in shame and anger.

Su Chen heard He stroked the Queen Mother's hair and said,

"Queen Mother, you are so beautiful"

"It's none of your business, Su Chen, let me go, I still have things to do."

The Queen Mother was a little worried when Su Chen looked at her. She was worried that Su Chen would eat her up later.

Leave, you must leave immediately, this little bastard is too horny.

Su Chen kissed her with a smile and said with a smile,

"Hahaha, is this possible? Empress Nuwa and the Holy Mother of the Golden Spirit are all practicing in seclusion. Queen Mother, let us continue to finish what we have not finished in the ice and snow."

The Queen Mother glared at Su Chen angrily and cursed,

"Little bastard, you think!" (To read exciting novels, go to Feilu Novel Network!)

"Queen Mother, your words don't count. You will be mine today. The Queen Mother in the ancient heaven, you will truly deserve your title from today on."

"Shameless, hurry up.....Woohoo!"

Su Chen didn't wait for the Queen Mother to say anything. He hugged the Queen Mother and kissed her.

In an instant, Pantaoyuan was blocked by a barrier. In the mortal world, at Sishui Pass, Lu Ya and Kong Xuan were drinking wine. Honghuang The best fairy wine in heaven, the two of them have never stopped drinking fairy wine and fairy fruit over the years. The Queen Mother in heaven will ask the fairies to send some fairy wine and fairy fruit every other year

"Lu Ya, what do you think Xuanniao has been doing in the past few years?"

"Isn't he in retreat?"

"Retreat? Shut up, now is the period of the Conferred God War, and that bastard wants to help Dashang and the saints fight against each other. Do you think that bastard will retreat into seclusion?"

"I know it's useless, Kong Xuan, I guess Su Chen was put under house arrest by Nuwa Empress and the Queen Mother. Su Chen is too capable of causing trouble. Nuwa Empress and others are probably worried that Su Chen will continue to cause trouble."

"Well! It's possible, very possible."

Kong Xuan and Lu Ya talked for a while and were very speechless. They had helped Su Chen guard Sishui Pass for more than ten years. Su Chen had not appeared for more than ten years.

However, they did not want Su Chen. appeared, that bastard was too capable of causing trouble.

Without Su Chen, the war at Sishui Pass was just a small fight. There was no powerful battle, and there were no strong people to fight to the death with them.

Lu Ya and Kong Xuan were worried that if Su Chen showed up At Sishui Pass, the Conferred God War was originally a small affair.

Su Chen's arrival caused the Conferred God War to break out completely, even involving the saints.

After Kong Xuan stood up and checked the situation at Sishui Pass,

He asked Lu Ya,

"Lu Ya, you said that if the saint comes and asks us to leave, should we leave?"

"leave? Do you dare to leave?"

Lu Ya glanced at Kong Xuan speechlessly.

They are now tied to Su Chen. If they dare to betray Su Chen, Empress Nuwa will crush them to death immediately.

And those powerful women in the prehistoric fairy world , even if they (Qian Li Zhao) escaped, would there still be a place for them in the ancient immortal world?

Kong Xuan shook his head hurriedly and replied,

"Don't dare!"

Whoosh!"

"What dare not or?"

Su Chen appeared in the tower instantly. He sat down, took the wine and started drinking.

"Damn it, Xuanniao, why are you here?"

"Su Chen, what are you doing here at Sishui Pass when you're not in retreat in Heaven? You quickly go back to heaven to retreat."

When Kong Xuan and Lu Ya saw Su Chen suddenly appearing, they all shouted with dark faces.

Lu Ya and Kong Xuan didn't expect that the bastard who just mentioned Su Chen would appear in Sishui Pass.

This disaster star, they Neither of them wanted Su Chen to keep Sishui Pass. Lu Ya and Kong Xuan were worried that Su Chen might cause some big trouble soon.

Su Chen glared at Lu Ya and Kong Xuan and yelled,

"Damn it, I'm just here to have a drink and chat with you, why do you two look at me like a god of plague?".

Chapter 2546

Su Chen was very angry at this moment.

These two idiots,

Lu Ya and Kong Xuan, had been guarding Sishui Pass for more than ten years. Su Chen came here to thank Lu Ya and Kong Xuan, but when these two idiots saw him It was like seeing the god of plague, and he was asked to leave immediately.

Su Chen couldn't help but want to beat these two idiots severely.

Well?

Damn it,

Su Chen seems to be unable to defeat Lu Ya and Kong Xuan~.

Kong Xuan glared at Su Chen and cursed,

"Xuanniiiao, get out of here, we don't want to drink with you, and we don't want to chat with you. We will guard Sishui Pass, and you should continue to retreat in the heaven."

Lu Ya also nodded in agreement.

Su Chen is too dangerous.

If this bastard stays with them, both Lu Ya and Kong Xuan are worried that Su Chen will be involved.

Su Chen curled his lips and said,

"Retreat? Shut up, I'm out of seclusion."

Lu Ya rubbed his forehead and persuaded,

"Su Chen, you are the Emperor of Heaven. Heaven cannot be without an owner for a day, so you should deal with things in Heaven."

Su Chen shook his head and replied,

"If you don't go, the Queen Mother is in heaven. Reason, I am a mascot in heaven. Kong

Xuan looked at Su Chen and reminded him hastily,

"You can go to Dashang. Su Daji hasn't seen you for more than ten years. You'd better go to accompany your woman."

"If I don't go, I prefer to stay in Sishui Pass"

"Damn it, Xuanniao, can't you see that we don't welcome you?"

Su Chen glared at Lu Ya and Kong Xuan and yelled,

"Damn it, I just saw that you didn't welcome me, so I didn't leave. You two idiots, am I so annoying?"

Kong Xuan was helpless after hearing Su Chen's words. He and Lu Ya just wanted to send Su Chen away, this bastard, this disaster star

, but this bastard would definitely come again. Besides, they didn't dare to do anything to Su Chen. Otherwise, what awaits them is the revenge of those horrible women.

Kong Xuan took a sip of wine and said sarcastically to Su Chen, "Who are you? Don't you have a clue?"

"Silly bird, I don't want to tell you that much. I'm just going to stay in Bishui Pass for a few days."

Su Chen was also very helpless at this moment. He secretly ran down to the heaven this time.

After Su Chen tortured the Queen Mother to a coma, he escaped from the heaven.

If the Queen Mother woke up and found that he had gone down to the heaven, Nuwa would be
Several women would come out of seclusion to catch him.

Lu Ya and Kong Xuan looked at each other after hearing Su Chen's words. They were helpless with this bastard at this moment.

How many days will Su Chen stay? I hope nothing will happen to them in these few days.

We should keep an eye on Su Chen for a few days. Lu Ya and Kong Xuan would not let Su Chen cause any big trouble again.

At night,

Su Chen appeared at Sishui Pass and looked at the Western Zhou camp in the distance.

More than three million troops?

Western Zhou The development has been good in the past ten years. No, it should be the Sage Sect that helped the Western Zhou Dynasty.

Whoosh!

Our Lady of Turtle Spirit suddenly appeared next to Su Chen.

She looked at Su Chen and shouted,

"Su Chen, how dare you escape from heaven?"

"Let me go, Holy Mother Guiling, why did you leave seclusion?"

Su Chen was a little confused when he saw the appearance of Our Lady of the Turtle Spirit.

Didn't the Queen Mother say that Nuwa and the Yunxiao girls would stay in seclusion in the time barrier for tens of thousands of years?

In the time barrier, one hundred years a day, how many times would the Holy Mother of the Turtle Spirit be there? The female has been in seclusion for more than a month, and the Nuwa Empress has only been in seclusion for a few days. How could Our Lady of Guiling come out of seclusion?

Our Lady of Guiling clenched her little fists and shouted,

"Why can't I leave seclusion? Su Chen, come back to heaven with me quickly. Queen Mother Xi and my senior sister will both be out of seclusion in a few days."

Mother Turtle Spirit did not expect that after she came out of seclusion hundreds of years in advance, she would find that Su Chen had escaped from heaven. (To read Baoshuang novels, go to Feilu Novel Network!)

She thought this was an opportunity to beat Su Chen,

Mother Guiling could never keep up with the things her fellow apprentices did for Su Chen. There were several times when she was hurriedly trying to imitate what her fellow apprentices did.

Mother Tortoise was going crazy just thinking about it before retreating. She looked like she was very resentful towards Su Chen.

Su Chen looked at the one-bone Madonna of the Turtle Spirit and said speechlessly,

"Guiling, I just came here to see how the war is going. You don't want anything to happen to me in the mortal war, right?"

Mother Turtle Spirit said with a smile on her beautiful face,

"Su Chen, stop talking nonsense. Empress Nuwa has ordered that you are not allowed to go down to the lower world. Come back with me quickly, or I will take you back to heaven."

In the tower,

Lu Ya and Kong Xuan heard what the Holy Mother Guiling said. They did not expect that Su Chen secretly escaped to heaven. They all looked like they were watching a show at the moment, and even hoped that the Holy Mother Guiling would catch Su Chen back..

0 Asking for flowers,

Su Chen stretched out a finger to seduce,

"Holy Mother Turtle Spirit, a top-grade innate spiritual treasure, I have to stay in the mortal world for a year, and one year in the mortal world only lasts one day in heaven. Is this not too much?"

"Top grade innate spiritual treasure? Do you think I am rare?"

Mother Turtle Spirit wants it very much in her heart. The spiritual treasures in her hands are all low-grade innate spiritual treasures and acquired spiritual treasures.

A high-grade innate spiritual treasure will greatly improve her strength.

Su Chen ignored it. He curled his lips and reminded,"Mother Turtle Spirit, don't be greedy."

The Holy Mother Turtle Spirit snorted coldly at Su Chen Lion,

"Hum, Su Chen, a top-quality innate spiritual treasure, I just pretend I didn't see you"

"I'll do it! Turtle spirit, do you think the best innate spirit treasure is just cabbage?"

Su Chen looked at the Holy Mother of the Turtle Spirit with a dark face. Is this female turtle trying to blackmail him?

Damn, the best innate spiritual treasure?

The best innate treasures in Su Chen's hands are all useful. How could he give it to the Holy Mother of the Turtle Spirit.

The Turtle Spirit Holy Mother Spiritual Mother asked with a cold face,

"give or not?"

Su Chen agreed with a dark face.

"Damn, I give it to you, Guiling, you are not a stubborn woman, you are a cunning little turtle."

Su Chen was thinking about who in the prehistoric fairy world had the best innate spiritual treasure at the moment.

He was about to rob him.

The Holy Mother of Turtle Spirits looked angry and grabbed Su Chen's clothes and threatened,

"Su Chen, if you dare to speak ill of me again, I just don't want Lingbao and I will take you back to heaven."

One muscle?

Little turtle?

This bastard, the Holy Mother of Turtle Spirit glared at Su Chen and wanted to take action.

However, she thought that she was about to get a top-quality innate spiritual treasure, and the Holy Mother of Turtle Spirit held back her anger.

Su Chen looked at the people nearby After a while, he hugged the soft waist of the Holy Mother of the Turtle Spirit and kissed her. The

Holy Mother of the Turtle Spirit had already followed him, and it was impossible for Su Chen to let go of the Holy Mother of the Turtle Spirit.

Damn, a turtle,

Japan and Europe ,

Su Chen felt that he was much more powerful than Ning Caichen.

"Woo woo....Fan"

Chapter 2547

Our Lady of Guiling was stunned when Su Chen kissed her.

She did not expect that Su Chen would kiss her.

Our Lady of Guiling had seen Su Chen kiss the girls from Yunxiao many times. If the girls from Yunxiao had not objected to Su Chen's kiss, Guiling would have The Holy Mother didn't know whether she should kick away the bastard who was frivolous towards her, but she thought of the sisters in Yunxiao who had been kissed by Su Chen. If the Holy Mother of Turtle Spirit wouldn't let Su Chen kiss them.

Will this make me out of tune with other senior sisters again?

Su Chen kissed Our Lady of the Turtle Spirit for a while and was a little surprised.

He was ready to escape at any moment, but the Holy Mother of the Turtle Spirit hugged him tightly and even responded to his kiss.

Su Chen was confused and couldn't understand. Shouldn't she be so angry that she wanted to beat herself up?

Why would the Turtle Spirit Mother cooperate with him? Could it be that Holy Mother Turtle Spirit became a fool through cultivation?

Su Chen touched the smooth and delicate face of Our Lady of Turtle Spirit and said,

"Guiling, have you become stupid through cultivation?"

"Go away, shameless bastard!"

Mother Turtle Spirit glared at Su Chen in shame and disappeared instantly.

This shameless bastard,

Mother Turtle Spirit, if she hadn't wanted to be consistent with the other sisters, would she have been scorned by this bastard? Is she stupid because of her cultivation?

Mother Turtle Spirit couldn't wait to see her. Squeeze that bastard to death.

However, it felt really good to be kissed by Su Chen. No wonder several senior sisters were willing to be kissed by Su Chen.

"Let me go, Holy Mother Turtle Spirit must have become stupid in cultivation, eh! Will a quasi-saint become a fool through cultivation?"

Su Chen rubbed his forehead and was very speechless.

He couldn't understand the weirdness of Our Lady of the Turtle Spirit.

But the Virgin of the Turtle Spirit was really good. Every fairy in the prehistoric era was good. Regardless of their figure or appearance, all the fairies in the prehistoric era were... Other goddesses in the fairy world cannot compare.

Su Chen looked at the tower with a mocking expression.

Two idiots, two million-year-old virgins.

In the tower,

Kong Xuan asked Lu Ya with a dark face.

"Lu Ya, is Xuanniao mocking us?"

"should be!"

"Damn it, that bastard must be mocking us for not having a Taoist companion. Do we need a Taoist companion? Which of the great powers in the prehistoric immortal world has a Taoist companion? Xuanniao is a sex bird."

Lu Ya nodded and said,

"Su Chen is so sexy, he has disgraced our bird family."

Kong Xuan heard Lu Ya's words and reminded him, "Lu Ya, you are not included in the Bird Clan."

Lu Ya glared at Kong Xuan and cursed,

"Damn it, Kong Xuan, I have taken refuge with Su Chen, why am I not a bird?"

"Huh? You are right, Xuanniao is the royal family of the Bird Clan, and he has the right to accept you into the Bird Clan."

Kong Xuan looked at Lu Ya and nodded.

However, the Demon Clan's Golden Crow Prince had joined the Bird Clan, which made other Demon Clan's Demon Saints know.

Will this stupid bird be expelled from the Demon Clan?

Lu Ya glared at Kong. Xuan glanced at him and shouted,

"Get lost, I'm annoyed when I see you stupid bird"

"Damn it, aren't you a stupid bird?"

"What I am talking about is the Golden Crow"

"Isn't the Golden Crow a bird?"

"Damn it...."

The next morning,

Su Chen practiced all night at Sishui Pass.

He didn't want to be with stupid birds like Kong Xuan and Lu Ya. Su Chen was worried that he would be infected by the stupid birds and become a fool.

Yesterday night, two idiots were bickering with each other. (To read exciting novels, go to Feilu Novel Network!)

Su Chen's face turned dark when he heard that.

"Zhang Kui (Zhang Guifang) comes to see you."

Sishui closed,

Zhang Kui and Zhang Guifang saw Su Chen appear, they hurriedly saluted Su Chen and shouted,

"See you, Your Majesty!"

"See you, Your Majesty!"

"See you, Your Majesty!"

The soldiers on the wall of Sishui Pass, the soldiers in Sishui Pass, and the people in Sishui Pass, when they learned of Su Chen's arrival, all the troops and civilians saluted Su Chen on the wall.

Su Chen!

Great! Lord Shang Wuxiang, the ruler of the Great Shang, the human emperor of the human race

, the emperor of heaven, all the troops and people of the Great Shang respected Su Chen very much, he was their emperor of the Great Shang, the most powerful of the human race The Human Emperor is also the most noble emperor in the history of the human race.

"All free of charge!"

"Thank you."

Su Chen regretted that he had lifted his invisibility.

Millions of troops and hundreds of thousands of people in Sishui Pass saluted him with great force this time. The Western Zhou army and disciples of the Sage Sect outside Sishui Pass would all be affected. Knowing his arrival.

However, the morale of the Dashang army is unprecedentedly high at this moment. If the powerful Dashang army launches a war, the army of the Western Zhou Dynasty cannot be the opponent of the Dashang army.

"Damn it, Lu Ya, did you see that? That bastard is definitely going to cause trouble."

"Kong Xuan, you are too worried. This is just a salute to Su Chen from the troops and people at Sishui Pass."

"Do not believe? Take a look at it later"

"Don't worry, with us here, Su Chen can't go and cause trouble in front of the Western Zhou army."

"Hope so!"

In the tower, after Kong Xuan and Lu Ya talked for a while, they both stared at Su Chen.

They would not let Su Chen go to provoke the Western Zhou army, nor would they let Su Chen cause any big trouble.

Su Chen flew to Looking at the troops and people at Sishui Pass from the air, he waved his hand and said,

"All the soldiers at Sishui Pass, you have blocked the Western Zhou Dynasty's attacks for more than ten years for Dashang. You may be wondering, why don't we, Dashang, take the initiative to attack? Why are you always defensive?"

"I can only tell you that this is not just a war for our human race. The human race, immortal cultivators, and immortals will all participate in this war."

"We 270 have the ability to destroy the rebellion of the Western Zhou Dynasty, but we cannot do that. The armies and people of the Western Zhou Dynasty are all human beings, and we human beings cannot kill each other."

"I am not only the future emperor of Dashang, but also the human emperor of the human race. For the sake of the human race, I must not do certain things."

"However, if it is absolutely necessary, for the future of the human race, and for the future strength of the human race, we, the human race, must reluctantly clean up the worms and rebels in the human race."

"Human Emperor! Human Emperor! Human Emperor!"

All the troops and people in Sishui Pass were shouting crazily.

They understood why Dashang had not taken the initiative to attack, and they also understood why Dashang had been on defense. All of this was because the Emperor wanted to prevent the people from killing each other..

All the human races in Sishui Pass originally recognized Su Chen, and now all the human races recognized Su Chen's identity as the Human Emperor.

I'm going!

Isn't something going to happen again this time?

Su Chen looked at the people in Sishui Pass. Everyone cheered, and his head was a little big.

Su Chen felt that the army at Sishui Pass had resisted the Western Zhou Dynasty's attack for more than ten years. He wanted to cheer up the army at Sishui Pass and reward the millions of troops guarding Sishui Pass.

But all the people in Sishui Pass cheered loudly. Su Chen didn't know if something would happen.

"His Majesty the Emperor of Heaven, Ji Fa, the King of the Western Zhou Dynasty, invited His Majesty the Emperor of Heaven. An hour later, the two armies met in front of the formation."

Chapter 2548

When Su Chen heard the words of the immortal outside Sishui Pass, he curled his lips and ignored the immortal ant.

Ji Fa of the Western Zhou Dynasty wanted to meet with him?

Is Ji Fa worthy?

A rebel, a self-proclaimed puppet!

Why didn't Ji Fa go and meet the saint when he was so arrogant?

"Your Majesty, do you agree?"

"Get lost, Ji Fa, is he worthy?"

Su Chen didn't expect that Tianxian would ask out of curiosity. He was an idiot.

If Su Chen hadn't wanted to cause trouble, he was a scum of Tianxian. He could have wiped him out easily.

At this moment, in the Western Zhou camp, there were millions of troops from the Western Zhou Dynasty. They all lowered their heads. They didn't know what happened in Sishui Pass, but what the Human Emperor Su Chen just said was heard by millions of troops in the Western Zhou Dynasty. Millions of troops in the Western Zhou Dynasty also understood at this moment that the army of Dashang There are obviously many of them, and they are very elite, and their weapons and armors are even much better than them. Why has the Dashang army never launched an attack, and why has it been defending Sishui Pass for more than ten years.

All this is because of the Human Emperor Su Chen, the Human Emperor does not want to see the human race killing each other or being weakened. The Human Emperor is thinking about the future of the human race and making the human race stronger in the future. 440 The army of more than one million in Western Wednesday was shaken at this moment , they didn't know whether they should continue to work for the rebel Ji Fa.

In the head coach's tent of the Western Zhou Dynasty,

Ji Fa and Jiang Ziya, as well as the generals of the Western Zhou Dynasty, looked very ugly at the moment.

Su Chen arrived at Sishui Pass, which made them They were all on tenterhooks.

Su Chen's identity was not only the future emperor of Dashang, he was also the human emperor of the human race and the emperor of the prehistoric heaven. Su Chen's identity would crush them to death.

"Your Majesty, let us retreat. With the arrival of the Human Emperor Su Chen, it is impossible for our army to take action against the Human Emperor of our human race."

"Yes, retreat. The Emperor's intention of coming to Sishui Pass this time is unknown. Dashang's army is so powerful that even if there is a war, our army cannot be the opponent of Dashang's army."

"If the emperor is here, the war will not start at all. As long as the emperor gives the order, our army of the Western Zhou Dynasty will surrender immediately."

"Your Majesty, withdraw your troops. We simply cannot defeat the Great Shang. For more than ten years, we have not even been able to capture the first pass, Sishui Pass. The Great Shang has four major passes, more than a dozen small passes, and tens of millions of troops. , we are powerless against Dashang"

"Your Majesty, if we withdraw our troops now, we can still save Xiqi. If the Emperor of Humanity becomes angry and the Great Shang changes from defense to offense, we in the Western Zhou Dynasty will not be able to withstand the attack of millions of troops of the Great Shang."

The generals in the big tent saluted Ji Fa one by one.

There is no need to continue the war, and it is impossible to continue.

Human Emperor Su Chen only needs a word, no,

Human Emperor Su Chen only needs to be in Sishui Pass, and the Western Zhou Dynasty None of the troops dared to attack Sishui Pass

"Xiangfu, do we want to retreat?"

Ji Fa looked at Jiang Ziya with a sullen face at this moment.

He wanted to meet the Human Emperor Su Chen before, but he didn't expect that Su Chen didn't like him at all.

Is he worthy?

Ji Fa really doesn't deserve to meet with Su Chen, no matter in the human race Ji Fa's identity is still among the immortals.

Ji Fa is not even as good as a scumbag in front of Su Chen.

Jiang Ziya shook his head hurriedly and replied,

"We cannot retreat, Your Majesty, I will discuss this with the disciples of the Sage Sect first."

Retreat?

Does he dare to ask Ji Fa to retreat?

If Ji Fa retreats,

Jiang Ziya will be destroyed by Yuanshi Tianzun. The

Conferred God War has been going on for more than ten years.

Jiang Ziya is worried every day. The army cannot break through Sishui Pass. The Sage Sect All his disciples are working hard but not contributing.

Jiang Ziya knows why. (To read Baoshuang novels, go to Feilu Novel Network!)

The Human Emperor Su Chen and the Heavenly Emperor Su Chen, the Conferred God War is to recruit subordinates for the Heavenly Court. From now on, they will all be under the jurisdiction of the Heavenly Emperor.

Do the disciples of the Saint Sect dare to take action against Su Chen's men?

(dafa) Ji Fa asked Jiang Ziya with a cold face,

"Xiangfu, when the disciples of the Saint Sect learned about Su Chen's arrival, they all left the camp one by one. Can Xiangfu find them back?"

Jiang Ziya returned helplessly,

"Don't worry, Your Majesty, the disciples of the Saint Sect have not left. They are on the mountain not far from the camp."

"Okay, I'd like to ask my father-in-law to make a trip."

Ji Fa nodded and agreed.

He understood why the disciples of the Saint Sect left the camp.

Those immortals were all afraid of Su Chen. Legend has it that the Emperor of Heaven Su Chen had some powerful female immortals around him, and the human race's Holy Mother, Nuwa Empress Also on Tian Suchen's side.

Ji Fa wanted to give up attacking Dashang more than once, but Jiang Ziya's constant persuasion and the fact that he also wanted to unify the world and the human race, Ji Fa insisted on attacking Sishui Pass.

"Don't worry, your Majesty, God's will is with Zhou, and your Majesty is also the Son of Heaven to whom destiny belongs. The four major sage sects all helped the Western Zhou Dynasty and your Majesty. This explains everything."

"Maybe!"

Sishui Pass, on the city wall,

Su Chen had a conversation with Zhang Kui, the guard of Sishui

Pass. He was about to leave Sishui Pass.

Su Chen made a lot of noise this time.

If the Western Zhou Dynasty retreated at this moment,

Hongjun might be very angry. With anger, the saints will also come hard, and may even help the Western Zhou Dynasty to break through Sishui Pass.

Boom boom boom.....

At this time, the air suddenly shook, and a powerful breath came over.

In the tower,

Kong Xuan stood up with a dark face and shouted,

"Holy shit, a saint has arrived"

"Lu Ya, have you seen it? We have been guarding Sishui Pass for more than ten years, but none of the saints has appeared. Less than a day after this bastard arrived, a saint came to Sishui Pass. Xuanniao is an out-and-out disaster star."

Lu Ya's face was very dark and ugly at the moment.

The arrival of the saint must have been caused by Su Chen. After hearing what that bastard just said, the army of the Western Zhou Dynasty may not sacrifice their lives for Ji Fa. Ji Fa has no army, and the Conferred God War Even a slap in the face.

Lu Ya looked at Su Chen on the wall of Sishui Pass and cursed,

"Damn it, we can never be with Su Chen in the future, that bastard is too evil"

"Lu Ya, I didn't know it was the saint who came this time."

"Silly bird, no matter which saint is coming, this is not someone we dare to provoke."

"You are the stupid bird!"

Lu Ya glared at Kong Xuan and yelled, "Damn it, Kong Xuan, are you talking about who is a fool now?"

"Silly bird, you called it first"

"I gather....."

Chapter 2549

In the sky of Sishui Pass, a powerful aura shrouded the entire Sishui Pass, and all creatures within thousands of miles around were suppressed to the ground.

Su Chen frowned and looked into the sky. He saw the arrival of a saint, and the aura of an unfamiliar saint.

He was familiar with the auras of Lao Tzu and the five great saints of Yuanshi, and he was also familiar with the aura of Hongjun, the sinister old man.

Where did this saint come from? boom!

Suddenly, an angry roar came from the air,

"Emperor Su Chen saw the saint coming, why didn't he pay homage to him?"

"Holy shit, Haotian!"

Su Chen was very surprised when he saw the saint appearing in the sky.

Haotian turned out to be a saint?

How long has it been?

The deposed Haotian turned out to be a saint.

What the hell,

Hongjun, that old "Zero Sanqi" naughty guy? He is really an insidious person.

Su Chen understood at this moment that the Hongmeng Purple Qi that Nuwa gave up was given to Haotian by Hongjun, but in a short period of time, Haotian was able to become a saint quietly, and Hongjun should have spared no effort to help Haotian.

In the air,

Haotian was very excited at the moment.

He did not expect that after Su Chen deposed the position of Emperor of Heaven, Hongjun actually gave him the Hongmeng Purple Qi, and even used luck and merit. Help him become a saint.

Saint,

Haotian didn't expect that one day he would become a high-ranking saint.

Those saints who looked down on him before, Haotian is now on an equal footing with them.

And that bastard Su Chen,

Haotian has not forgotten that Su Chen treated him The humiliation of a scumbag emperor,

"You are bold, Emperor Su Chen. You dare to call the name of a saint. Do you want to be deposed?"

Su Chen looked at Haotian with disdain and mocked,

"Little boy, do you want to be deposed again?"

Boom boom boom.....

When Haotian heard Su Chen's words, he burst out angrily.

Loud noises kept coming from the sky. The sky became dark, and black clouds kept rolling in the sky.

It was as if the end was coming for thousands of miles around Bishui Pass. Ordinary gods were knocked unconscious by the powerful aura, and some immortal cultivators and immortals were also shocked to the point of vomiting blood.

Whoosh,

Archangel Angel Ruoxue suddenly appeared next to Su Chen, and she burst out with a powerful light to resist Haotian's powerful momentum.

The great powers and Daluo Jinxian of the Great Ancient Immortal Realm all looked towards the direction of Bishui Pass.

The saint came to the Great Antique Immortal Realm, and he burst out with a powerful momentum in anger. Who provoked the aloof saint?

"Let me go, it's Heavenly Emperor Su Chen again. Why did Heavenly Emperor Su Chen appear again? Wasn't he placed under house arrest in the Heavenly Court by Empress Nuwa?"

"My God, why did Emperor Su Chen come out again? Why did Empress Nuwa let Emperor Su Chen go down to heaven? The Immortal World has only been quiet for more than ten years. Does the Emperor Su Chen think that the Immortal World is too quiet?"

"It's over, the saint who came turned out to be Haotian, and the Emperor Su Chen was dead this time."

"Haotian should have been given the Hongmeng Purple Qi by Hongjun Daozu. The Hongmeng Purple Qi given up by Empress Nuwa was given to Haotian by Hongjun Daozu."

"Is Haotian coming to kill Emperor Su Chen?"

"Haotian dare not kill the Emperor Su Chen. The Emperor Su Chen is not only the Emperor of Heaven, but also the human emperor of the human race. If Haotian dares to kill the Emperor Su Chen, even if he is a saint, he will be punished by the Heavenly Way and may even be deprived of his power. The sky is filled with purple energy."

The great masters from the ancient times appeared one after another thousands of miles away from Sishui Pass. After they discovered that it was Haotian and Su Chen who were confronting each other, these great masters all started talking with ugly faces. At

Sishui Pass,

Haotian saw Su Chen was protected by the archangel, and he did not dare to increase his explosive momentum.

There were ordinary creatures around Bishui Pass, and the 20% of his momentum that he had just exploded stunned ordinary creatures, but he did not Targeting ordinary creatures, otherwise all creatures within thousands of miles around Bishui Pass would be shocked to death.

Haotian glared at Su Chen with an indifferent expression and shouted,

"Su Chen, I am now a saint of heaven, and you are just a scumbag Taiyi Golden Immortal. I order you to let the human race of Sishui Pass surrender to the Western Zhou Dynasty."

"idiot!"

Su Chen was speechless at Haotian's expansion. (To read Baoshuang novels, go to Feilu Novel Network!)

Even Hongjun did not dare to ask him to order the army to surrender when he arrived, and the five saints did not dare to order him to order the army to surrender.

Hao Tian, this idiot is really a waste.

Surrender?

If Su Chen let the army surrender and let Dashang surrender to the Western Zhou Dynasty, the Conferred God War would be a fart!

By then,

Hongjun would be so angry that he would tear Haotian into pieces....0

When Haotian heard Su Chen call him an idiot, his face instantly darkened.

There were many powerful people around who were checking here, and other saints from the prehistoric immortal world were also checking here.

Haotian was insulted like this by Su Chen.

If he, a dignified saint, did not punish Su Chen, how could he have the face to come to the ancient world in the future?

"Damn it, Su Chen, do you want me to kill you?"

Su Chen sat on the archangel's shoulders. He hugged the archangel's white neck and mocked Haotian,

"You dare?"

"I....."

Haotian was confused for a moment.

Kill Su Chen?

He really didn't dare.

Not to mention the Empress Nuwa behind Su Chen, Su Chen was the Emperor of Heaven and the Emperor of Humanity. If Haotian dared to kill Su Chen, Su Chen's huge luck would backfire and he would fall to the Holy Realm. , and the prehistoric heaven will also send down the punishment to destroy him.

Su Chen touched his chin and said to Haotian,

"Haotian, there is no big hatred between us. Although I deposed you as the Emperor of Heaven, you also became a blessing in disguise and became a saint. This can be regarded as the opportunity I gave you."

God, he doesn't have much hatred, damn scum!

The Emperor of Heaven was deposed, the Heavenly Court changed its owner, and he was also found to have died under the thunder punishment of Heaven.

Doesn't this mean he doesn't have much hatred?

Haotian stared at him Su Chen wished he could kill this bastard into ashes.

Su Chen coughed and said to Haotian Yuanshen,

"Hey, Haotian, we are actually a family. You are a saint now. I will count on you to protect me in the future."

"Su Chen, what do you mean?"

Haotian was confused for a moment when he heard Su Chen's words, family?

How could he and Su Chen be a family? How could Haotian be related to Su Chen, a shameless scumbag ? Su Chen smiled and said,

"Princess Longji!"

Haotian heard Su Chen's words and cursed angrily with his soul,

"Bastard, what did you do to my daughter? Damn bastard, I'm going to kill you."

Su Chen waved his hand to Haotian and sent a message from his soul,

"Haotian, you and I enter the space prison, and then you will understand everything"

Chapter 2550

Su Chen planned to take advantage of Haotian, an idiot.

Princess Long Ji was his woman.

If Haotian knew about the relationship between Princess Long Ji and him, this idiot would not have any plot against him.

Besides, this idiot has become a saint, which is much better than being an emperor of heaven. Hongjun wants to use Haotianlai as a chess piece to deal with him, and Su Chen can also instigate this idiot to rebel.

"Damn it."

Haotian glared at Su Chen fiercely and agreed.

Princess Long Ji was his only bloodline. There was no way he wouldn't care about Princess Long Ji.

Su Chen's lust was heard in the prehistoric fairy world, Haotian He was also worried about what Su Chen would do to Princess Long Ji.

Su Chen nodded and used the law of space to open the space prison.

He released Princess Long Ji from the Demonic Tower of Desire, and even said Hao to Princess Long Ji. Tian and some things about him.

As for how Princess Longji and Haotian talked,

Su Chen didn't care.

If Haotian still wanted to take action against him, and even wanted to be a chess piece that Hongjun could abandon at will, Su Chen would make Haotian The holy realm was destroyed.

In Sishui Pass, after Su Chen sent Haotian into a space prison, he looked at the unconscious troops and people in Sishui Pass, and then he waved his hand and used a drop of the Three Lights Divine Water to turn it into rain. It was scattered in Si Shuiguan.

Whoosh,

Lu Ya and Kong Xuan appeared next to Su Chen in an instant. Kong Xuan looked at Su Chen and asked doubtfully,

"Xuanniao, where is Haotian? Did he leave?"

"Leave the hell. Lu

Ya frowned and asked,"Didn't you leave?" What will Haotian do when he arrives?"

Su Chen took a sip of wine and said nonchalantly,

"A pawn, an idiot, we don't need to care."

Lu Ya and Kong Xuan shook their heads speechlessly after hearing Su Chen's words.

Haotian had proven to be a saint no matter what, but Su Chen actually said that Haotian was a chess piece and an idiot. Only Su Chen dared to confront him in the prehistoric fairy world. Saints are disrespectful.

However,

Lu Ya and Kong Xuan also felt that Haotian was a pawn in Hongjun's hands.

Hongjun promised not to attack Su Chen within a hundred years.

Haotian became a saint with Hongjun's help. This may be what Hongjun wanted. Use Haotian to deal with Su Chen.

Above the nine heavens, the five great saints all appeared here.

From Haotian's appearance was the prehistoric immortal world.

The five great saints were aware of it.

They did not expect that Haotian would become a saint silently, and the prehistoric immortal world. There were no signs of the birth of a saint. The five saints speculated that Hongjun was behind it.

"Nuwa's Hongmeng Purple Qi, Hongjun Taoist should have given it to Haotian, but how could Haotian become a saint in a short period of time?"

"What's so strange about this? As long as the Taoist ancestors help Haotian with his luck and merit, it will be very easy for Haotian to become a saint."

"Yes, but Daozu may lose a lot of luck and merit."

"Daozu cannot take action against Su Chen within a hundred years. Haotian is just a pawn, even just a pawn to deal with Su Chen. Even if Haotian kills Su Chen, he will be finished."

"Well, Su Chen has great luck and merit. Whoever dares to take action against Su Chen will be destroyed by heaven, including saints."

After the five saints talked one after another, they checked the situation at Sishui Pass. Su Chen sent Haotian to the space prison. They wanted to know who was in the space prison? What did Su Chen want to do to Haotian

? Yes,

Haotian came out of the space prison.

He looked at Su Chen who was full of anger, but he didn't take action or scold Su Chen.

Haotian glared at Su Chen and disappeared.

He wanted to think carefully about the future. Should we take action against Su Chen, or should we obey the order of Dao Ancestor to deal with Su Chen?

Princess Long Ji has been harmed by Su Chen.

Who is Haotian now?

Father-in-law?

Damn it, just drive him away from the Emperor of Heaven. Bastard, a bastard who almost let God punish him.

Haotian couldn't afford such a son-in-law.

Kong Xuan saw Haotian glare at Su Chen and leave, and he asked in confusion,

"Haotian just left like this? Su

Chen rolled his eyes at Kong Xuan and shouted, "Silly bird, if Haotian doesn't leave, you still want to drink and chat with him?"

Su Chen also didn't expect that Haotian left without saying a word. (To read Baoshuang novels, go to Feilu Novel Network!)

An idiot.

I hope Haotian can make the right choice.

"Damn it, Xuanniao, you are a stupid bird." Kong Xuan glared at Su Chen angrily and wanted to beat this bastard.

Su Chen pointed at Lu Ya and said,

"Silly Bird, I'm not the only one calling you Silly Bird. Lu Ya also called you that."

"Lu Ya is just a fool"

"Kong Xuan, you are the fool"

"Three-legged stupid bird!"

"Damn it, Kong Xuan, do you want to die?"

"Silly bird, there is not much difference in our strength. Can you kill me?"

Su Chen saw Lu Ya and Kong Xuan arguing with each other again. He shook his head and disappeared instantly. They were two idiots.

Su Chen didn't want to be infected by these two idiots and become an idiot.

In the space prison,

When Princess Longji saw Su Chen appear, she happily threw herself into Su Chen's arms.

"Husband!"

Su Chen hugged Princess Long Ji's waist and asked, "Has your idiot father been dealt with?"

Princess Long Ji rolled her eyes at Su Chen and said,

"Husband, don't talk about my father like this. My father has been very depressed these years. Although he was the Emperor of Heaven before, the saints and saints' disciples looked down upon him."

"Heaven is nothing in the eyes of saints and saint disciples. Even if my father has become a saint, he still knows that he is a chess piece in the hands of Tao Ancestor, a chess piece to deal with you."

Su Chen nodded when he heard Princess Long Ji's words.

Haotian is a tragedy.

His heaven is indeed nothing in the eyes of saints, but Haotian is also an idiot, especially during the Journey to the West.

In order to gain some merit, Haotian Just let a monkey destroy the majesty of heaven.

Haotian is really not the material to be the emperor of heaven.

(Zhao's)"Long Ji, will your father deal with me again in the future?"

Princess Long Ji leaned into Su Chen's arms and shook her head.

"I don't know, my father just said that he is just a pawn and he will carry out his orders to Daozu, but he will not really deal with you. My father will not work hard in the future."

Su Chen touched his chin and thought for a while.

He felt that Haotian would still take action against him.

Haotian had finally become a high-ranking saint. He would not offend Hongjun and lose his holy status.

He did not work hard?

This There is no way to deceive Hongjun.

Su Chen must beware of Haotian in the future.

Su Chen kissed Princess Long Ji and smiled,

"Long Ji, there are only two of us here, should we do something romantic?"

"You are such a pervert"

"Ha ha...., little beauty, your husband will take good care of you today....., holy shit, are the disciples of the saint coming here looking for death?".
