

Zongwu 2551

Chapter 2551

Su Chen was about to have a romantic relationship with Princess Long Ji.

He did not expect that the mother of the saint's disciples would appear outside Sishui Pass. Su Chen felt that the saint's disciples were not good at arriving. Could it be that the saint's disciples were sent to help the Western Zhou Dynasty conquer Sishui Pass?

Princess Longji asked doubtfully,

"Husband, has something happened?"

Su Chen stroked Princess Longji's soft waist and said,

"Some minor troubles, Long Ji, you go back to the Demonic Tower of Desire first. I'll go find you in the Demonic Tower of Desire after I've taken care of these things."

"Well, husband, you have to be careful"

"Don't worry, nothing will happen to me."

At this moment,

Lu Ya and Kong Xuan looked at each other. Outside Sishui Pass, more than thirty disciples of the saint arrived. The lowest cultivation level was Taiyi Golden Immortal, and there were six or seven quasi-sages.

Lu Ya and Kong Xuan felt that the disciples of the saint had arrived. The boys are about to take action, and this time it may not be a small fight.

Kong Xuan said with a serious face, "Lu Ya, it seems that a big war is unavoidable."

Lu Ya took a sip of wine and said speechlessly,

"What you say is all nonsense, but the only quasi-sages are Chanjiao and Buddhism. I will deal with the quasi-sages of Buddhism, and you will deal with the quasi-sages of Chanjiao."

Kong Xuan looked at the quasi-sage who explained the religion and nodded.

"Okay, we have a god in heaven. Even if we die in battle, we will be resurrected. This time we will kill a few more saint disciples. The more we kill, the dead saint disciples will be our subordinates in the future."

"Well said!"

Whoosh!

Su Chen appeared next to Lu Ya and Kong Xuan in an instant. He looked at the disciples of the saint outside Sishui Pass and his expression turned cold.

"Zhang Kui, ask the army to prepare, and ask the immortal cultivators and immortals in Sishui Pass to prepare as well."

"Yes, Your Majesty!"

Zhang Kui hurriedly saluted after hearing Su Chen's order. He guessed that a war might break out soon.

Zhang Kui hurriedly ordered his lieutenants to prepare for war.

He was going to invite the cultivators and immortals in Sishui Pass.

Su Chen said to Lu beside him Yahe Kongxuan said,

"Lu Ya, Kong Xuan, the disciples of the saint will take action in a moment. You can kill them as much as you want. I will take care of the saint for you."

"no problem!"

"good!"

Lu Ya and Kong Xuan both nodded and replied.

They had just discussed it, but

Su Chen just didn't give them orders.

Lu Ya and Kong Xuan would also kill as much as they wanted. After all, the more saint disciples they killed, the more saint disciples they would kill. He will be their subordinate in the future.

Dong Dong Dong Dong.....

After a while, the war drums sounded, and the Western Zhou Dynasty's army of more than one million people was dispatched. The armies of huge phalanxes came towards Sishui Pass.

Woo woo woo....

When the Sishui River was closed, the horn sounded, and

Dashang's millions of troops appeared on the city wall to prepare for battle.

Um?

Su Chen suddenly discovered that something was wrong with the Western Zhou army. The eyes of the Western Zhou army were all red, as if they were bewitched and hypnotized. Could it be that a saint had bewitched and hypnotized the Western Zhou army?

Buddhism?

Could it be that Buddhism transformed the Western Zhou army?

Su Chen frowned and looked at the army of the Western Zhou Dynasty, bewitching and hypnotizing?

Or was he transformed?

Su Chen guessed that he was in Sishui Pass, and the Western Zhou army did not dare to attack him, the human emperor. This must be the saints who confused the Western Zhou army.

Boom boom boom.....

Seven quasi-sages appeared in the sky.

Guangchengzi who explained the teachings, Taiyi Zhenren, Nanji Xianweng, Yuding Zhenren, Maitreya Buddha of Buddhism, Ksitigarbha Bodhisattva, and Medicine Buddha. The seven quasi-sages turned to Lu Ya and Kong one after another. Announce lock

"Su Chen, let's go meet the saint's quasi-sage disciples."

Lu Ya said to Su Chen with a serious face.

He and Kong Xuan disappeared in an instant, and the seven quasi-sages also disappeared in the air. Strong quasi-sages cannot take action in the prehistoric fairyland. They all have to fight in the Nine Heavens. The battle was going on above.

Su Chen looked at the air thoughtfully.

From the time Haotian appeared to the saint's disciples taking action, why was there no movement at all in the heaven?

Where was the Queen Mother and the Turtle Spirit Virgin? It was impossible for them not to notice the people in Si Shui Pass. According to the situation, has the saint blocked the heaven? Or has Hongjun personally blocked the heaven?

Jiejiao Zhao Gongming appeared in the air and shouted, (To read Baoshuang novels, go to Feilu Novel Network!)

"The immortal cultivators and immortals at Sishui Pass, the Yunwu Mountains a thousand miles away, and the disciples of our four major sects are waiting for your arrival."

In the Sishui Pass, a Daluo Jinxian appeared in the air and saluted Su Chen.

He looked at Zhao Gongming and replied,

"Great Shang cultivators, immortals will appear in the Yunwu Mountains"

"Looking forward to welcoming you!"

Zhao Gongming looked at Su Chen and disappeared into the air instantly.

He didn't want to take action against Dashang, but the teacher's orders cannot be violated.

Su Chen and Dashang stood on opposite sides of the four major sects. The cause and effect of everything has been determined, and war is inevitable..

Hundreds of cultivators and immortals at Sishui Pass flew away one after another.

The battle between immortals and immortals,

0Flowers requested00

The battle between mortals, only the Great Shang army and the Western Zhou army were left inside and outside Sishui Pass, as well as some An unconventional cultivator of immortality.

In the Western Zhou army,

Jiang Ziya looked at Sishui Pass with a serious look on his face, and then ordered Wen Zhong next to him,

"Wen Zhong, you lead a million troops to attack the left side of Sishui Pass, and lead the army to attack the right side."

"good!"

Wen Zhong nodded with an indifferent expression.

He looked at Sishui and looked very helpless. He was a veteran of Dashang for three dynasties, but he was also a disciple of Jiejiao. Wen Zhong never thought that one day he would lead an army to attack Dashang.

Everything is fate.

Wen Zhong looked at the Lingbao in his hand and sighed. This was the Lingbao given to him by Su Daji. It was supposed to protect Dashang, but he wanted to use this Lingbao to attack Dashang.

Wen Zhong looked at the Lingbao in his hand. Zhong had an idea, he would die in this war, and he would die without hesitation.

Jiang Ziya waved the command flag in his hand and ordered loudly,

"Attack, capture Sishui Pass, and destroy Dashang!"

Dong dong dong.....

"kill! Take Sishui Pass and destroy Dashang!"

"kill! Take Sishui Pass and destroy Dashang!"

"kill! Take Sishui Pass and destroy Dashang!"

The phalanx troops were dispatched one by one, and all the troops rushed towards Sishui Pass with shouts. Siege engines, huge ladders, and catapults were all pushed towards Sishui Pass.

Zhang Kui held up his spiritual gun and raised it high. shouted,

"Soldiers, Sishui Pass has not been breached for more than ten years. Your Majesty is at Sishui Pass. Sishui Pass is here and we are here. Sishui Pass is broken and we perish. For the great merchants and your Majesty, we have destroyed the rebellious enemies. military!"

Woo woo woo.....

"For the sake of the Great Shang, and for the sake of your Majesty, we will exterminate the rebellious enemy troops, and we will be with Sishui Pass!"

"For the sake of the Great Shang, and for the sake of your Majesty, we will exterminate the rebellious enemy troops, and we will be with Sishui Pass!"

"For the sake of the Great Shang, and for the sake of your Majesty, we will exterminate the rebellious enemy troops, and we will be with Sishui Pass!"

On the wall of Sishui Pass, after the trumpet sounded, millions of merchant troops shouted, one by one, preparing to kill the Western Zhou army attacking the city.

A battle of millions of ethnic troops immediately began, and around Sishui Pass , strong men appeared in the sky one after another. They wanted to see the result of this human war, whether the saint would appear, and also wanted to know whether the Emperor Su Chen would cause big trouble again.

Chapter 2552

Su Chen looked at the war that had started seriously at this moment.

He did not care about the war in the mortal world.

There were garrison generals at Sishui Pass, many generals leading the army, and a large and loyal army. Su Chen had to beware of some immortals and saints. come up with some conspiracy

"The archers are ready, from a distance of 800 meters, to throw!"

Swish swish swish.....

"Rolling logs and boulders are ready!"

On the wall of Sishui Pass, many generals ordered their armies and archers to shoot the advancing Western Zhou troops. The rolling logs, boulders, and kerosene on the wall were also ready to push down the wall at any time.

Whoosh! Suddenly! , two Daluo Golden Immortals appeared in the sky above Sishui Pass. A man and a woman appeared in the air and locked onto Su Chen.

The female fairy in the air said coldly to Su Chen,

"Human Emperor Su Chen?"

"It's me, who are you?"

Su Chen looked at the two Daluo Golden Immortals in the air, a man and a woman, and they were very hostile to him. He didn't remember offending these 30 powerful immortals, a man and a woman. The man and the woman in the air were hostile to Su Chen at the same time. replied,

"Hanba (Yinglong)!"

"Drought? Yinglong? Hanba, are you the daughter of the Human Emperor Xuanyuan?"

Han Bao glared at Su Chen with an angry face and yelled,

"Yes, Human Emperor Su Chen, you killed my father, you must die today!"

Su Chen was confused when he heard Han Ba's words. How could Han Ba and Ying Long seek revenge on him?

Didn't Han Ba know his identity and the powerful woman behind him? Who informed Han Ba and Ying Long to kill him?

Su Chen frowned. Guessing that things may not be simple, Han Ba and Ying Long should be cannon fodder.

No, to be precise, Han Ba and Ying Long should be pawns.

Nuwa and the Queen Mother were cut off from information. They did not know what happened at Sishui Pass. Lu Ya and Kong Xuan were entangled by the quasi-sages of the Sage Sect.

Hanba and Yinglong were both Daluo Jinxian. Those who wanted him dead should think that Hanba and Yinglong could kill him.

Su Chen thought for a while and said with a smile,

"Hanbao, it was not me who killed the Human Emperor Xuanyuan. All the great masters in the prehistoric immortal world know that if you want revenge, you can go to Chan Jiao and Jie Jiao."

Han Bao snorted to Su Chen with a cold face,

"Hum, Human Emperor Su Chen, don't think that we don't know that the reason why Chanjiao and Jiejiao killed all the emperors was because you threatened Chanjiao and Jiejiao to make them take action."

Su Chen spread his hands and pretended to be innocent and said,

"Do I threaten to explain and intercept teachings?"

"I am just a little Taiyi Golden Immortal, Hanba, are you a fool? There are saints in both Chanjiao and Jiejiao, and there are a lot of quasi-sages and Da Luo Jinxian. Can I threaten Chanjiao and Jiejiao?"

"Um?"

Hanba became confused after hearing Su Chen's words.

She and Yinglong had been living in seclusion in the red earth land of the southern continent, but five years ago someone reported that the Eighth Human Emperors of them had been killed, and the person who killed the Eighth Human Emperors was a new one. The Human Emperor.

Han Bao and Ying Long also came to the East of the Wilderness to investigate. It was the disciples of Chan Jiao and Jie Jiao who killed all the emperors. However, it was the Human Emperor Su Chen who threatened Chan Jiao and Jie Jiao.

Han Bao did not think so much at first. , she just wanted to avenge her father.

Now that Han Ba heard what Su Chen said, she also felt that there was something strange in it. How could a Taiyi Golden Immortal threaten Chan Jiao and Jie Jiao?

Ying Long saw Han Ba's confused look, and he He hurriedly reminded Hanbao,

"Hanba, Human Emperor Su Chen is deceiving us. Human Emperor Su Chen should have mastered some secrets. In order to keep the secrets, Chan Jiao and Jie Jiao had to kill everyone."

Han Bao heard Ying Long's reminder, she glared at Su Chen angrily and shouted,

"Human Emperor Su Chen, did you deceive me?"

"Yinglong, it seems you don't want to live anymore."

Su Chen didn't expect that Ying Long would remind Han Ba, the dragon clan?

Zhu Long has a good relationship with him. (To read Baoshuang novels, go to Feilu Novel Network!)

Of course it is not the Zhu Long in this independent prehistoric fairy world,

Su Chen said to the air shouted,

"Zhulong, if he doesn't want the dragon clan to be exterminated in the future, Yinglong must die."

Ying Long heard Su Chen's cry, and his face turned ugly.

Ying Long didn't expect that Su Chen knew about the existence of ancestor Zhu Long, and even threatened the Dragon Slayer Clan in public to ask Zhu Long to kill him. What did Su Chen have? What ability can destroy the dragon clan?

The powerful people hidden around looked at Su Chen in confusion.

At first, they saw two Da Luo Jinxian coming to kill Su Chen, but neither the Nuwa Empress nor the Queen Mother showed up.

This made them very angry. Confused,

Su Chen threatened Zhulong from the dragon clan to destroy Yinglong. Didn't Zhulong fall in the war between the three clans?

Didn't Zhulong fall?

Boom!

A loud old man's voice came over,

"Emperor of Heaven, Yinglong no longer belongs to the Dragon Clan during the Three Emperors period, please let His Majesty the Emperor of Heaven know clearly."

Su Chen curled his lips and threatened,

"Zhulong, I can't control these things."

"I only know that Yinglong is a dragon. If you don't kill Yinglong this time, this is disrespectful to Heaven. Heaven will attack your dragon clan, and the prehistoric heaven will punish you and destroy the dragon clan."

When the powerful people around heard Su Chen's shameless words, these powerful people stopped looking at Su Chen with dark faces. Yinglong is indeed a dragon, but there are tens of millions of dragons in the ancient immortal world. Is it possible that every dragon has been offended? Su Chen, does Su Chen want Zhulong to come and kill him?

At this moment, Yinglong 's body has been trembling after Zhulong made a sound. Yinglong did not expect that Zhulong really responded to Su Chen, and he was still 960 With a low profile, Yinglong knew he was in trouble. Hanba asked Su Chen in surprise,

"who are you?"

"Human Emperor Su Chen!"

Han Bao glared at Su Chen and asked,

"Human Emperor Su Chen? Why does Zhulong, the ancestor of the Dragon Clan, call you Emperor of Heaven? Why did you threaten Zhulong Heavenly Court to destroy the dragon clan? Are you the Emperor of Heaven?"

Su Chen looked at Hanba speechlessly and nodded, saying,

"Answers are accurate, but there is no reward."

Did Han Ba and Ying Long hide in that knotty nest of the Great Desolate World?

They didn't even know that they were the Great Emperor of Heaven. Han Ba and Ying Long were truly chess pieces.

Han Ba felt his eyes darken when he heard Su Chen's answer.

Human Emperor Su Is Chen the Emperor of Heaven?

What about Emperor Haotian?

Isn't the Emperor of the Ancient Heaven Haotian? How could a human emperor be the Emperor of Heaven?

How could a scumbag Taiyi Jinxian be the Emperor of Heaven?

Su Chen looked at the confused Empress Hanba , he shouted into the air,

"Zhulong, in ten breaths of time, you must make a choice, otherwise you understand what the consequences will be."

"Emperor of Heaven, is there no room for maneuver?"

"No, Zhulong, I conquered the demon clan in the Northern Territory more than ten years ago. You have not decided on the time of ten breaths. I will order the demon clan army to dispatch. I think Bai Ze will be willing to visit your dragon clan."

Chapter 2553

Su Chen touched his chin and directly threatened Zhulong.

The Dragon Clan was a powerful force in the prehistoric world, and it also controlled the waters of the prehistoric world. All the rivers and lakes in the prehistoric fairyland were controlled by the Dragon Clan.

This is not the period of Journey to the West.

Su Chen has no interaction with the Dragon Clan, nor does he have any friendship with Zhulong. Yinglong arrives and becomes his enemy. This is an opportunity, an opportunity for the Dragon Clan to surrender to heaven.

"Damn it, I'll kill you."

Boom!

When Ying Long heard that Su Chen was threatening Zhulong with monsters, he burst out angrily and slapped Su Chen with a powerful aura.

Boom!

The archangel suddenly appeared and swung his sword across the air to smash the giant palm in the air.

Su Chen's face changed. He ordered coldly,

"Archangel, kill Yinglong!"

"Yes, master!"

The archangel saluted Su Chen and disappeared instantly.

Space, space and time suddenly became confused in the air.

Yinglong was very vigilant after seeing the archangel appear.

The innate treasure was still a living innate treasure.

Yinglong quickly took it. Using his innate mid-grade spiritual treasure, the Wind and Rain Bead, he felt that the archangel posed a great threat to him.

Swish, swish, swish!

Ah!

When Yinglong was carefully guarding the archangel, four silver wings suddenly appeared and penetrated him. Yinglong's body, Yinglong screamed with blood all over his body.

The silver wings carry the power of space and time, and it is impossible for Yinglong to heal the wounds on his body, nor to stop the bleeding wounds.

In the air , the four silver wings returned behind the archangel, the archangel raised his huge flaming sword and shouted coldly,

"Thousands of thunders are at my disposal!"

Boom boom boom.....

Thunder roared in the nine heavens, and lightning and thunder appeared in the sky. Black and terrifying huge thunder continued to appear above the archangel.

"kill!"

The archangel waved the flaming sword in his hand at Yinglong, and black and terrifying thunder roared and struck at Yinglong.

Boom boom boom.....

Complete darkness fell over the Sishui Pass. Lightning flashed and thunder roared in the sky, as if it was the end of the world. The armies inside and outside the Sishui Pass temporarily stopped fighting.

"Hanba, won't you help Yinglong?"

After Su Chen looked at the battle between Archangel and Yinglong, he turned back to Hanba and asked,

Archangel is an innate treasure, and a Da Luo Jinxian cannot be the opponent of Archangel. Su Chen just wondered why Hanba didn't take action? Hanba Why didn't you and Ying Long take action against the archangel?

"Why should I help Yinglong?"

Han Ba coldly replied to Su Chen, help Ying Long?

Han Ba doesn't have this ability.

An innate treasure, a living innate treasure, and also controls the laws of space and time.

Even if Han Ba helps Ying Long, she can't. Saved Yinglong. Su Chen was a little surprised when he heard that Hanba didn't help Yinglong. Aren't Hanba and Yinglong Taoist companions? Yinglong would be killed by the archangel right before his eyes. How could Hanba be indifferent next to him? And there was no trace of it. What do you mean by helping Yinglong? Su Chen asked Hanba curiously,

"Hanba, isn't Yinglong your Taoist companion?"

"Shameless!"

Han Ba heard Su Chen's words and her chest was about to explode with anger. She and Ying Long were a pair of Taoist lovers.

During the Three Emperors period,

Han Ba only helped Ying Long deal with Yu Bo, the witch ancestor. She and Ying Long didn't know each other at that time. Later , because Han Ba couldn't control her ability, she would travel thousands of miles to the red land wherever she went, and the people were in dire straits. That's why Han Ba went from the eastern human race to the southern Chi Di.

As for Ying Long,

Han Ba knew what Ying Long wanted to do, (read Baoshuang novels, Go to Feilu Novel Network!)

Yinglong is at the peak of Daluo Jinxian, and the dragon clan is entangled in karma. It is impossible for Yinglong to advance to the quasi-sage. Yinglong has been following Hanba, and even wants to become a Taoist couple with Hanba.Han

Ba is the daughter of the Human Emperor, and she also has some luck from the human race. The luck from the human race can offset the dragon karma on Ying Long. After Han Ba figured this out, he always kept the dragon close or not far away.

Su Chen looked at it in confusion. Look at Hanba,

Hanba and Yinglong are not Taoist couples?

Why are they together if they are not Taoist couples? Is there any secret here?

(daah) Su Chen thought about it and felt that he was too curious.

What was the relationship between Han Ba and Ying Long was none of his business.

Han Ba and Ying Long were both enemies.

If Ying Long was to die,

Han Ba would also die.

Hanba took out her spiritual treasure and said coldly to Su Chen,

"Human Emperor Su Chen, although my coming to kill you today is a conspiracy, you are the culprit who killed my father after all. Either you die today or I die."

Su Chen shook his head and replied,

"You can't kill me!"

Han Bao looked around Sishui Pass and said crazily,

"Hum, Human Emperor Su Chen, do you know why I am called Han Bao?"

"As long as I appear in one place, rivers and lakes will dry up, forests, grasslands, and even all plants will wither, and the earth will turn into terracotta. No living thing can survive in terracotta."

"And what if I blow myself up? Tens of thousands of miles around Sishui Pass will be turned into uninhabited red earth."

"you! Human Emperor Su Chen! You are the ultimate cause of all this, and the ancient heaven will rain down karma and thunder punishment, and you will even be struck to death by heaven's punishment because of your excessive karma."

I'm going to go!

Why is Hanba so crazy?

Self-destruction?

They haven't even started fighting yet,

Hanba is about to blow himself up.

This woman is too crazy.

Does Hanba have to drag her down even to death?

Su Chen thought about it and hurriedly dissuaded her,

"Hanba, in fact, you can kill me without blowing yourself up. I am just a scumbag Taiyi Jinxian. You, a Daluo Jinxian, can kill me, aren't you able to catch me?"

Han Bao said with a mocking expression,

"Human Emperor Su Chen, you can become the Great Emperor of Heaven with just a scumbag Taiyi Golden Immortal. Will you be a simple person? I also feel that I can't kill you"

"I'm going, Hanba, look, Yinglong is dying."

Su Chen suddenly pointed at the back of Han Ba and shouted.

When Han Ba turned back to check,

Su Chen immediately took out the Chaos Clock and shouted, "Chaos Clock, suppress it!"

Dang!

The Chaos Clock instantly appeared above Hanba's head and immobilized her.

Hanbao was immobilized by the Chaos Bell and cursed angrily,

"Damn it, you actually made a sneak attack? Shameless bastard, you don't deserve to be the human emperor of the human race, you don't deserve to be the emperor of heaven."

Su Chen saw Hanbao being immobilized by the Chaos Clock. He showed a disdainful expression and yelled,

"Damn it, you are a crazy woman"

"We haven't even started fighting yet, and you're going to blow yourself up. If I weren't shameless, tens of thousands of miles around Bishui Pass would be turned into red earth by you. Do you think I'm a fool?"

Hanba was so angry that he went crazy and cursed,

"Human Emperor Su Chen, you must die a good death!"

"Hanba, let's see who will die a good death. Demon Tower of Desire, accept this crazy woman for me."

Chapter 2554

Su Chen summoned the Demonic Tower of Desire and took Hanba in. He was speechless at Hanba, this crazy woman.

Su Chen did not expect Hanba to explode without saying a word. If Hanba really blew himself up at Sishui Pass, not only Sishui Pass would be blown into ruins, but tens of thousands of miles around would be turned into red earth.

Damn, what a crazy woman,

Su Chen decided to make a good deal with Hanba in the future, and he would not let Hanba die easily.

After Su Chen looked at Ying Long who was tortured by the archangel, he shouted into the air,

"Zhulong, it seems you made the wrong choice."

In the air, an old man suddenly appeared and saluted Su Chen,

"Your Majesty, the Emperor of Heaven, the Dragon Clan is not disrespectful to the Emperor of Heaven, but Yinglong does not belong to the Dragon Clan, so why should His Majesty, the Emperor of Heaven, bother to force him?"

Su Chen snorted when he heard Zhulong's sophistry,

""Four Seven Seven""Hmph, I said Yinglong is a dragon, and Yinglong is a dragon. Zhulong, your choice makes me angry."

"Emperor of Heaven, there are thousands of us dragons, do you really want to take action against them?"

"Zhulong, what do you think?"

"Our dragon clan is willing to compensate"

"It's late, Zhulong, I will give you the last chance for the Dragon Clan. The Dragon Clan will surrender to Heaven. The Dragon Clan will form a million-strong Dragon Clan army above the level of Celestial Immortal and go to Heaven to obey my orders."

"This is impossible!"

"Destruction if impossible!"

"you....."

Zhulong glared at Su Chen angrily.

The dragon clan surrendered to heaven?

Do you want to form an army of millions of dragons who are above the realm of immortals and go to heaven?

Isn't this trying to hollow out the Dragon Clan's heritage?

The powerful people around looked at Zhulong one after another, and they wanted to know what Zhulong would choose.

The Heavenly Emperor Su Chen is different from the Heavenly Emperor Haotian.

Although the Heavenly Emperor Su Chen is a scumbag, the women around the Heavenly Emperor Su Chen are all very terrifying.

Moreover, the demon clan in the northern region also took refuge with the Emperor Su Chen.

What about the witch clan?

Su Chen has a close relationship with Empress Ping Xin of the Six Paths of Reincarnation. The Wu Clan will definitely fight for the Heavenly Emperor Su Chen. If Zhulong does not agree to the Heavenly Emperor Su Chen, the Dragon Clan may really be exterminated by the Heavenly Court. boom!

After a loud noise,

Yinglong's huge dragon corpse fell from the air, and the archangel appeared next to Su Chen with a cold face.

Su Chen looked at the huge dragon corpse in the distance and ordered,

"Zhang Kui ordered the immortal cultivators to collect Yinglong's body."

"Yes, Your Majesty!"

Zhang Kui was very happy in his heart. If the dragon corpse of Daluo Jinxian and the immortal cultivators in Sishui Pass eat the dragon meat of Daluo Jinxian, it will be of great benefit to them. Some cultivators with low cultivation level,

After eating the meat of Daluo Jinxianlong, they will advance to multiple realms

"Aren't you coming out yet?"

Su Chen looked to one side in the air and shouted.

In the air,

Su Chen not only found other powerful people paying attention to this place, but also several unfamiliar powerful auras next to him.

Han Bao and Ying Long were just pawns.

If they could kill him, they would hide. The strong men around may not appear. If Hanba and Yinglong fail, then the hidden strong men will be the second group of chess pieces to kill him.

Swish swish swish.....

Four quasi-sages and six Daluo Jinxian appeared in the air one after another.

They did not expect that Su Chen would discover their existence, but it was not important anymore. Hanbao and Yinglong died, and those who were caught were caught. At this moment, they were also going to When taking action.

Su Chen asked expressionlessly,

"Tell me your name and I will not kill unknown people."

"Old Taoist, Taoist Master Tianyuan!"

"Zombie ancestor, general!"

"Qilian Mountain, Qianyuan Zhenren!" (To read exciting novels, go to Feilu Novel Network!)

"Hell, Yama!"

The four quasi-saints in the sky announced their Taoist numbers one after another. They looked at Su Chen and didn't care at all. The five saints wanted to kill Su Chen, and the four quasi-sages got the benefits of the saints.

A scumbag. The Heavenly Emperor of Taiyi Golden Immortal, it is easy for them to kill Su Chen.

As for whether their luck and merit will backfire?

Their four quasi-sages are guaranteed by the heavenly oath of the saints, and the four quasi-sages are not worried about being destroyed by the prehistoric heaven. Thunder punishment was struck to death.

Su Chen looked at the four quasi-sage queens. He didn't care about the scum of the six Da Luo Jinxian. The saints invited four quasi-sage strongmen. These people were really not afraid of death and wanted to be the saint's pawns..

Su Chen looked to the other side and shouted,

"what about you? Is there someone who wants to kill me? If you have any, you can stand up. Today is a God-given opportunity to kill me. Zhulong, you can also attack me together with these strong men....0"

Su Chen wanted to know how many powerful people in the prehistoric immortal world wanted to kill him.

Four quasi-sages have appeared today.

Where are the other quasi-sage powerful people around? Will they take action against him in order to please the saints?

Zhu Zhu Long looked at the four quasi-sages and the six great Luo Jinxian queens beside him, and said with a serious face,

"Emperor of Heaven, as long as you don't take action against the Dragon Clan, I won't take action against you."

Su Chen shook his head and refused,

"Impossible, Zhulong, I have given you a chance. If you agree, I can let go of the Dragon Clan. If you don't agree, the Dragon Clan will not exist in the prehistoric fairyland in the future."

"Emperor of Heaven, do you really want to fight to the death?"

Su Chen said with disdain and ridicule,

"The fish is dead and the net is broken? Zhulong, the fish will die, but the net will not be broken."

Zhulong was entangled at this moment.

He should not offend Emperor Su Chen for Yinglong.

Emperor Su Chen was too strong.

Emperor Su Chen also had strong capital. There was a Nuwa Empress of Hunyuan Da Luo Jinxian, seven or eight quasi-sage masters. Scary women who can do this.

These are not beings that the Dragon Clan can provoke.

Neither Empress Nuwa nor those scary women appeared today. Zhulong guessed that it might be the work of our saints.

But he still did not dare to take action against Su Chen. Emperor Su Chen Tai was too weird, and the Heavenly Emperor Su Chen looked very calm. Zhulong was also worried that Su Chen had some back-up plans.

Zhulong thought for a while and said to Su Chen,

"Your Majesty, the Emperor of Heaven, the old dragon will not take action. If His Majesty, the Emperor of Heaven, can survive, the Dragon Clan will agree to His Majesty's conditions."

"Old cunt!"

Su Chen curled his lips when he heard Zhulong's words.

Zhulong wanted to see if he could escape the plans of the saints.

If he was killed by the four saints, the threat of the dragon clan would naturally be lifted.

If Su Chen killed the four saints, Even Zhulong, the great quasi-sage, had no ability to resist him. Naturally, this old bastard had to obey his orders. The general taunted Su Chen with a sneer on his face,

"Emperor Su Chen, do you think you can escape death? The four of us don't need to take action, six Daluo Jinxian can kill you."

Chapter 2555

Su Chen smiled when he heard the general's words. Can six Da Luo Jinxian kill him?

The generals are too arrogant.

Nie Xiaoqian's female ghosts and shadow assassins are impossible for Su Chen to summon in this ancient fairyland.

But in Su Chen's Demonic Tower of Desire, Princess Longji and the five fairies Han Zhixian have long been promoted to the great level. Luo Jinxian, plus the archangel, can six big Luo Jinxian kill him?

If Bing Ji and Xue Ji in the Demonic Tower of Desire were not Chaos Demon Gods, they would not be able to appear in the prehistoric fairy world. If they just come out, they can crush all the quasi-sages and Da Luo Jinxian to death.

Su Chen asked with his arms crossed,

"General, these six rubbish Da Luo Jinxian, do you think they can kill me?"

The general mocked Su Chen with disdain,

"Emperor Su Chen, you only have one innate treasure to protect you. Can't six Daluo Golden Immortals kill you?"

"oh? Are you sure there are no other Da Luo Jinxian protecting me?"

After the general and the other three strong men looked at each other, they didn't notice that Su Chen was protected by a strong man.

The general felt that Su Chen was pretending to be mysterious.

"Hum, Heavenly Emperor Su Chen, we have investigated everything about you clearly."

"Nuwa and others will not know what is happening here in heaven. The other people around you are immortals with low strength. Can you still conjure some powerful people like Daluo Jinxian?"

"Yeah? Shiji, come out and show these scumbags."

Su Chen released Shi Ji from the Demonic Tower of Desire with a smile. Su Chen also informed the other girls to get ready.

Whoosh!

Shi Ji appeared next to Su Chen in an instant with a cold face.

The middle-stage Da Luo Jinxian Shi Ji, she has been cultivating in the Demonic Tower of Desire for thousands of years.

Shi Ji has improved three realms compared to her previous cultivation level. She has been promoted from Xuanxian to Daluo Jinxian.

In just a few thousand years, they have consumed With Su Chen's huge cultivation resources and treasures, Shi Ji's five girls were able to advance to the realm of Da Luo Jinxian one by one.

After Shi Ji looked at the people in the air, she smiled at Su Chen and said,

"Husband.～! "

Su Chen hugged Shi Ji's soft waist and asked, "Shi Ji, do you have the ability to destroy the six Da Luo Jinxian in the sky?"

Shi Ji nodded with a blushing face and replied,

"Yes, we are about the same strength as them, but our spiritual treasures have been improved by you. It is not difficult for the five of us to kill six of them."

"Okay, I will let the archangels take action together with you, and don't let go of any of the six Daluo Golden Immortals in the sky!"

"good!"

At this moment, the four generals saw a female fairy who was a Da Luo Jinxian suddenly appeared. They all looked serious. A

Da Luo Jinxian appeared silently. Are there any other Da Luo Jinxian around Su Chen?

Su Chen hugged Zhu Shiji mocked the generals,

"General, do you still feel that there are no strong men around me?"

The general shouted with a cold face,

"There is only one Daluo Golden Immortal. Emperor Su Chen, don't forget that we have six Daluo Golden Immortals here."

"Not enough? Long Ji, Han Zhixian, Huo Ling, Caiyun, you all come out."

Swish, swish!

Princess Longji, Han Zhixian, Madonna of Fire Spirit, Fairy Caiyun, they all suddenly appeared next to Su Chen one by one.

The generals and the ancestors of Qianyuan were all stunned. They had been observing Su Chen. Around them, but the appearance of Princess Longji and the four fairies, the four of them were not aware of it at all.

In the air around Sishui Pass, all the quasi-sage powerful men looked at Su Chen with dark faces.

Female fairies!

Female fairies!

Still female immortals!

They did not expect that Su Chen was surrounded by female immortals.

Although the five female immortals who had just appeared were Daluo Golden Immortals, they were also existences that could not be ignored in the ancient immortal world.

And these powerful people discovered that these five female immortals Among the female fairies, four are disciples of the Jie Cult, and one is actually the daughter of Haotian. (To read Baoshuang novels, go to Feilu Novel Network!)

Did Su Chen catch all the female fairies of the Jie Cult? And And pried away the daughter of his rival Haotian?

Su Chen touched Shi Ji's delicate face and said,

"Shi Ji, take your sisters and the archangels, and you go and destroy the six Daluo Golden Immortals in the sky."

"good!"

Shi Ji glared at Su Chen shyly, and then waved to the four girls of Princess Longji. They disappeared one by one beside Su Chen, and the archangel also disappeared in an instant. Lost followed.

Yama ordered with a gloomy face,

"Disha, the six of you go and kill those female fairies."

"Yes, my lord!"

The six Daluo Golden Immortals in the sky also disappeared one after another.

Sishui Pass is not a place for fighting. The ancient immortal world prohibits strong men above the quasi-sage from fighting.

But this is a sealed battlefield.

Su Chen will not allow powerful immortals to fight here. The five great saints Even more powerful immortals would not be allowed to destroy the Conferred God War.

Yan Luo glared fiercely at Su Chen and shouted,

"Heavenly Emperor Su Chen, you have impressed us with admiration. We didn't expect that there are five Da Luo Jinxian beside you. There shouldn't be any quasi-sage powerhouse around you, right? Do you think it will be a match for one of us?"

Su Chen replied with a smile,

"Who says I don't have a quasi-sage?"

"Um?"

Yan Luo and the four generals hurriedly looked around Su Chen.

They had to be careful at this moment.

Su Chen was too weird.

Originally, six Da Luo Jinxian could easily kill Su Chen, but there were still five Da Luo Jinxian hiding around Su Chen. Luo Jinxian, the four of them were worried that there was really a quasi-sage strongman around Su Chen. The surrounding quasi-sage strongmen also looked around Su Chen, and they also wanted to know if there was a quasi-sage strongman around Su Chen. Long felt very lucky at this moment.

Emperor Su Chen was too weird.

He didn't know if there was a quasi-sage strongman around Su Chen. Zhulong decided that he would never provoke Emperor Su Chen in the future.

After today's incident, as long as Su Chen does not fall,

The dragon clan will completely surrender to Emperor Su Chen of Heaven.

Above the nine heavens, the five saints all looked very ugly.

Han Bao and Ying Long, the first batch of chess pieces, failed.

One of them died and the other was captured.

The second batch of chess pieces The six Daluo Golden Immortals were also intercepted, and they were also the four disciples of Tongtian and the daughter of Haotian.

What the hell, does the Heavenly Emperor Su Chen want to win over all the powerful female immortals in the prehistoric immortal world?

At this moment , the generals and the four ancestors of Qianyuan were frightened by Su Chen's words and looked around.

These idiots, the heaven was covered by the Taoist ancestors, and the quasi-sages like the Queen Mother and the Queen Mother of the West in the heaven, as well as the Nuwa Empress, could not find Sishui Pass. In this situation,

Yuanshi Tianzun angrily said to the four quasi-sage preaching dogs,

"Damn it, the Queen Mother and the Queen Mother of the West are all in the Heavenly Court. They don't know what happened at Sishui Pass. You four, don't be frightened by Su Chen."

Chapter 2556

When the generals and the Qianyuan Patriarch heard the message from Yuanshi Tianzun, they all turned black and were very angry.

They no longer believed the words of the saints.

They had promised that other strong men would not discover what was going on here, and that they had promised that other strong men would be intercepted by the disciples of the saints.

Is Su Chen the only one here?

What happened to the five Da Luo Jinxian who suddenly appeared?

Wouldn't the saint give them an explanation?

Yan Luo looked at Su Chen and shouted indifferently,

"Heavenly Emperor Su Chen, don't be pretentious here. If there is a quasi-sage strongman around you, you can summon him, otherwise you will be dead in a moment."

Su Chen gestured with a middle finger and mocked,

"Tsk, you told me to summon me - just summon?"

"an idiot"

"Yama, since you are a strong man in the underworld, you should understand the relationship between Empress Pingxin and me."

"After today, if you are lucky enough to escape, Xing Tian of the Wu Clan will hunt you down, and it will be impossible for you to perish and reincarnate."

Yam Luo's face became even more ugly when he heard Su Chen's words.

The reason why he agreed to the saints was because the saints promised him that he would become the controller of the underworld in the six paths of reincarnation in the future.

If it is as Su Chen said just now, the four of them If he killed Su Chen today, or if he didn't kill Su Chen, Yama felt that he would be unable to protect himself.

With the strength of a saint, it would be easy for her to kill herself.

Moreover, there are several great witches in the Wu Clan, and Yama Luo Facing the great witches of the witch clan, none of them were opponents.

The general saw Yama showing uneasiness, and he sent a message to Yama,

"Yama, don't believe Su Chen's words. There are five great saints behind us, and there is also Taoist Hongjun. Empress Pingxin of the Six Paths of Reincarnation will not do anything to you."

Yam Luo looked at the general and was speechless.

He felt that he should not believe the words of the five great saints. The four of them may be pawns of the saints. If

Su Chen dies, they will be abandoned to let Empress Nuwa and Empress Pingxin vent their anger.

Su Chen is not dead. , the four of them were probably killed by Su Chen's people, and Yan Luo felt that the four of them would die no matter what.

Taoist Tianyuan touched his beard and shouted,

"Emperor Su Chen, fight in the prehistoric starry sky, if you don't come, we will kidnap you"

"Old guy, do you want to die first?"

Dao Zun Tianyuan mocked with disdain,

"Are you just a scumbag Emperor?"

Zhazha?

Damn that old guy,

" Su Chen looked to the side and ordered,

"Tianfeng, kill Taoist Tianyuan."

Whoosh!"

"Yes, my king!"

A woman wearing a white palace dress suddenly appeared. She saluted Su Chen and then looked at Taoist Tianyuan.

"Dao Zun Tianyuan, you and I will fight in the starry sky!"

Taoist Tianyuan looked at Tianfeng and shouted in surprise,

"Tianfeng, you are the leader of the Feng clan, why do you obey the orders of the Emperor Su Chen? Could it be that the Phoenix Clan has taken refuge in Heaven? Tianfeng replied with a smile on her beautiful face,

"Take refuge in heaven?"

"We, the Phoenix Clan, did not seek refuge in Heaven. Taoist Master Tianyuan, for the sake of our similarities, I can tell you why."

"The Heavenly Emperor Su Chen is not only the Heavenly Emperor of Heaven, but also the only existing king of our Bird Clan. All the Bird Clan in the prehistoric fairy world will obey the orders of the Bird Royal Clan."

After Tianyuan Taoist Master and the four generals heard Tianfeng's words, they were all stunned.

Didn't the three major royal families of the Bird Clan all fall one after another?

The Phoenix Clan's ancestor Feng!

Xuanniao!

Qingying!

Since the Bird Clan has After losing the three major royal clans, it has been torn apart.

The prehistoric fairy world only knows the once powerful races such as the demon clan, the wizard clan, the dragon clan, the Phoenix clan, and the Qilin clan. Are there any immortals there who remember the bird clan that once dominated the sky?

Daoist Master Tianyuan looked at Su Chen Finally, he knew that the saints had miscalculated.

If Emperor Su Chen was not the scum of Taiyi Golden Immortal, (to read Baoshuang novels, go to Feilu Novel Network!)

Emperor Su Chen not only had multiple identities , the human emperor of the human race, the heavenly emperor of heaven, the king of the bird race, and there are many strong people gathered around him, even Empress Nuwa and Empress Hepingxin are closely related to the emperor Su Chen.

Taoist Tianyuan regretted being seduced by the saints,

But it was too late.

He shouted to Tianfeng expressionlessly,

"A battle in the wild starry sky!"

"A battle in the wild starry sky!"

Whoosh!

Tianyuan Taoist Master and Tianfeng disappeared in the sky one after another. In the prehistoric starry sky, two strong men joined the battle this time. The surrounding powerful people looked at the three generals one after another, and asked for flowers. Tianyuan

Taoist Master just now After speaking rudely to Su Chen, Su Chen summoned the Tianfeng from the Phoenix Clan to kill Taoist Tianyuan.

What about the other three people?

If the other three quasi-sage masters also spoke rudely to Su Chen, what power would Su Chen summon? Destroy them?

Su Chen curled his lips and looked at the other three people and mocked,

"how? Are you scared?"

Ancestor Qianyuan asked Su Chen with an ugly face,

"Emperor Su Chen, what else is your identity? Are there any other quasi-sage powers around you?"

Su Chen shook his head and replied, "Why should I tell you? Wouldn't it be better for you to die ignorantly?"

The general shouted to Su Chen with an indifferent expression, "Emperor Su Chen, I don't believe you still have strong people to protect you."

"General, do you want to die next?"

The general shouted to Su Chen angrily,

"Damn it, I don't believe you still have the quasi-sage powerhouse, Heavenly Emperor Su Chen, are you trying to scare me?"

"Chang'e, it's your turn to take action."

Su Chen looked into the air and shouted.

He had noticed Chang'e's arrival early in the morning and had a voice chat with Chang'e for a while.

Chang'e was his woman after all.

How could Su Chen not be familiar with her aura?

As for whether Chang'e could Take action?

Su Chen wasn't worried at all.

He just told Chang'e the secrets about her and Chang Xi. Chang'e was so angry that she almost wanted to kill him.

Whoosh!

Chang'e appeared in the sky at Bishui Pass in an instant. She glared at Su coldly. Take a look at Chen.

This shameless bastard,

Chang'e came here to see the excitement, but she didn't expect that Su Chen knew that Chang Xi was still alive.

Moreover, Su Chen knew all the secrets about her and Chang Xi's bodies, and even This bastard knew all about the sensitive parts of their bodies.

Chang'e also felt that Su Chen was very familiar, as familiar as a Taoist monk. She and Su Chen had lived together for many years, which made her very I can't understand.

The generals saw Chang'e appearing, and Chang'e was a quasi-sage strongman with a cold temperament and the power of Taiyin all over her body.

Is this Chang Xi from the Taiyin Star?

Chang Xi from the Tianyin Star is not dead?

"Taiyin Star Changxi, you are not dead!"

"Wrong, I am Chang'e, not Chang Xi. I am a general and a divination expert in the ancient starry sky."

Chapter 2557

Chang'e didn't have time to chat with the general. She wanted to kill the general as soon as possible and ask the bastard. Why did Su Chen know everything about her and Chang Xi's secrets ? Why is Chang'e so familiar and intimate with Su Chen? What is the relationship between her and Su Chen? Chang'e must understand all this

"Damn it, Chang Xi, a battle in the prehistoric starry sky!"

The general looked at Su Chen angrily and disappeared into the air in an instant,

Chang'e?

Damn Chang'e, this is obviously Chang Xi from the Taiyin Star, or a quasi-sage strongman from the demon period.

The general has no chance of winning against the Taiyin Fairy Chang Xi, but He can't escape this battle either

"Su Chen, after I kill the generals, I will settle the score with you." Chang'e glared at Su Chen coldly and disappeared in the air instantly.

Su Chen curled his lips when he heard Chang'e's words, settling the score?

If Chang'e dares to settle the score with him,

Su Chen will make Chang'e unable to get out of bed for a year.

At this moment,

Bashui After closing the sky, Patriarch 30 Qianyuan and Yan Luo looked at Su Chen with dark faces.

Another quasi-sage strongman appeared.

First, Tianfeng from the Feng Clan faced off against Tianyuan Taoist Master, and then Chang Xi from Taiyin Star faced off against the general..What happens in the future?

Will the two of them also be intercepted by other quasi-sages?

"The four quasi-sages are all going to die. Tianfeng from the Feng Clan and Chang Xi from the Taiyin Star appear one after another. They are all veteran strong men. Tianyuan Dao Zun and the generals are destined to fall."

"Yes, Heavenly Emperor Su Chen is so weird. Queen Mother and Queen Mother Xi did not come, but Heavenly Emperor Su Chen is still protected by Quasi-Saint and Daluo Jinxian."

"Yes, since Heavenly Emperor Su Chen appeared more than ten years ago, he has caused big troubles every time he appeared. This time four quasi-sages, six Daluo Jinxian, plus Hanbao and Yinglong came to rob and kill Heavenly Emperor Su Chen. But can this kill the Heavenly Emperor Su Chen?"

"The strong men who came to rob and kill the Emperor Su Chen this time will all fall. Even if they escape for a moment, the strong ones like Nuwa and the Queen Mother will not let them go."

"Wait and see, only Ancestor Qianyuan and Yama are left in the sky at Bishui Pass. Let's see if there are any strong people around Su Chen."

"Let's take a look. I also want to know if the Emperor Su Chen still has the protection of the Quasi-Saint."

After the surrounding quasi-sage powerful men discussed for a while, they looked at the sky above Sishui Pass. There were only two strong men who came to rob and kill Su Chen today. Are there any quasi-sage masters around Su Chen? They, the quasi-sages, also wanted to know very much.

At this moment,

Yan Luo said to Su Chen with an ugly face,

"Emperor Su Chen, how about just giving up?"

"give up? If you dare to rob and kill me, none of you will survive."

Su Chen didn't expect that Yama Luo and Tian Yuan Ancestor also backed down, but is this possible?

Su Chen won't kill these people today to establish his authority. Other powerful people in the prehistoric fairyland will still be used by the saints.

The saints dare not blatantly Su Chen didn't want to deal with him again and again.

This time he wanted to kill the chicken to scare the monkeys.

Su Chen wanted the powerful people in the ancient world to know that he was respected in the ancient world, and anyone who dared to attack him would die.

Ancestor Qianyuan said helplessly to Su Chen,

"Emperor Su Chen, we are also the quasi-sages of the prehistoric immortal world. We can make an oath of heaven and promise that we will never be enemies with the Emperor of Heaven in the future. How about just forgetting it this time?"

Ancestor Qian Yuan and Yama Luo have no choice.

Su Chen is too strong.

The stronger Su Chen is, which shows that Su Chen still has a quasi-sage power by his side.

Ancestor Qian Yuan and Yama Luo have lived for dozens of hui yuan, and they are doing it step by step. They have cultivated to the quasi-sage realm.

Fall?

None of them want to.

No one among the great masters in the ancient immortal world who have cultivated to the quasi-sage realm wants to perish.

Su Chen touched his chin and shouted indifferently,

"Hand over your soul and I can spare your lives."

Yam Luo shouted angrily at Su Chen,

"Impossible, Emperor Su Chen, we will not hand over our soul to let you control our life and death." (To read exciting novels, go to Feilu Novel Network!)

"If you don't hand over your soul, you will die!"

Ancestor Tianyuan reminded Su Chen with a cold face,

"Emperor Su Chen, do you want to fight us to the death? You are so strong and don't give us a way to survive at all. Aren't you worried that the other great powers in the prehistoric immortal world will resist you?"

Dang Dang Dang.....

Su Chen's Chaos Bell suddenly rang, and all the creatures in the entire Immortal World heard the ringing of the Chaos Bell.

After the ninth ring of the Chaos Bell,

Su Chen's voice spread throughout the entire Immortal World.

"As the Emperor of Heaven, I shall suppress all enemies in the world, and any creature that dares to resist me shall be punished!"

Boom boom boom.....

Suddenly, the entire Immortal World was shaken.

Above the Nine Heavens, the Eye of Heaven appeared in the Immortal World. The cold and ruthless Eye of Heaven stared at Su Chen from the Nine Heavens.

Holy shit!

Why did the Eye of Heaven appear again?

This is his!

Su Chen was confused when he saw the Eye of Heaven appearing.

He was just trying to show off, how could he shock the Eye of Heaven out?

Japan and Europe!

Will the Eye of Heaven appear and kill me again?

Su Chen became anxious at this moment.

He was speechless about the way of heaven.

Wasn't the way of heaven deceived by Hongjun? Why did he say something casually, and the way of heaven appeared in the prehistoric fairy world.

Is the ancient world very idle?

Ancestor Qianyuan and Yama just said the arrogant words of Heavenly Emperor Su Chen,

940 before they could react, the Great Desolate Heavenly Dao actually appeared in the Prehistoric Immortal Realm, and the Eye of Heavenly Dao was still watching Su Chen.

They also looked confused at the moment.

The powerful people around Sishui Pass looked at Su Chen speechlessly one by one. They were so capable of causing trouble.

It was impossible for these powerful people to see the way of heaven once in hundreds of thousands of years or even millions of years, but Su Chen appeared. In just over ten years, these powerful men saw the appearance of the Great Way of Heaven one after another. They admired and felt helpless towards Su Chen.

Swish swish swish.....

Nuwa Empress and the Queen Mother Empress appeared next to Su Chen one after another. They looked at Qian Yuan Patriarch and Yama Luo in the air with indifferent expressions.

The heaven was covered, and they did not expect that Su Chen would be robbed and killed by a powerful quasi-sage. If it had not been for the appearance of the ancient heaven, none of them would have known that something had happened to Su Chen. Su Chen was relieved when he saw Nuwa and the other girls arriving. Su Chen originally owed Patriarch Minghe and Zhen Yuanzi a cause and effect, allowing them to kill Patriarch Qianyuan and Yama Luo. Not anymore! After Su Chen nodded to the Nuwa Empress and the other girls, he said to the Jin Ling Holy Mother and the other girls,

"Jinling, Guanyin, Wudang, Guiling, Yunxiao, you go to the wild starry sky to help Tianfeng and Chang'e"

"good!".

Chapter 2558

After the ladies of Jinling Holy Mother nodded to Su Chen, they disappeared one after another beside Su Chen. They would not let go of any of the quasi-sage experts who attacked Su Chen today. Su Chen pointed to the sky and said to the Queen Mother and the Queen Mother of the West,

"Queen Mother, Queen Mother of the West, killed Patriarch Tianyuan and Yama in the sky"

"Um!"

"OK!"

The Queen Mother and the Queen Mother of the West replied to Su Chen one after another. They looked at the ancestors of Tianyuan and Yama in the sky with murderous intent. The heaven was previously covered, and four quasi-sage powerful men came to kill Su Chen.

It was a blessing that nothing happened to Su Chen. , they will not allow the powerful man who killed Su Chen to still be alive.

The Queen Mother coldly shouted to Patriarch Tianyuan and Yama,

"There is a battle in the prehistoric starry sky, and you cannot escape."

When Patriarch Tian Yuan heard the words of Su Chen and Queen Mother, his face suddenly turned pale.

Queen Mother and Queen Mother of the West are both quasi-sage peaks, and neither he nor Yan Luo are the opponents of these two terrifying women.

Patriarch Tian Yuan regretted it, he Don't be tempted by the saint's promises,

"Emperor Su Chen, we are willing to hand over our souls and ask the Emperor to spare 350 of our lives."

"It's late!"

Su Chen curled his lips and was very speechless.

Damn, you want to hand over your soul now?

Is this possible?

If it weren't for this bastard, he wouldn't have been able to shake the prehistoric heaven.

Su Chen would have to face a psychopath later. Heaven's way, he didn't have the time to care about the ancestor Tianyuan who was about to be killed.

After Yan Luo looked at Su Chen with a gloomy face, he knew that he was going to die today. Empress Nuwa appeared here. Can he and the ancestor Tianyuan escape?

The fairy world is very big. Even if they escape today, where can they escape?

As long as the Emperor Su Chen gives an order, all the creatures in the ancient fairy world will look for them.

They have offended the emperor Su Chen, and there is no longer them in the ancient fairy world. a place of refuge

"A battle in the prehistoric sky"

"A battle in the wild starry sky!"

Ancestor Tianyuan saw that Yama went to the prehistoric starry sky, and he also agreed to go to the prehistoric starry sky to fight.

Even if Patriarch Tianyuan disagreed, there was nothing he could do.

As long as Empress Nuwa waved her hand, he would be sent to the prehistoric starry sky.

Swish swish!

The Queen Mother and the Queen Mother of the West also disappeared one after another around Su Chen.

Patriarch Tianyuan and Yan Luo had already accepted the challenge.

They wanted to kill Patriarch Tianyuan and Yan Luo as soon as possible. That bastard Su Chen was being watched by the eyes of heaven at the moment. They were worried that Su Chen would kill him again. The ancient heaven was angered.

At this moment, the powerful people around saw the arrival of Nuwa and the terrifying powerful women in heaven.

They all understood that Su Chen's crisis was lifted

"Zhen Yuanzi, I have met Nuwa!"

"Ancestor Styx, I have seen Empress Nuwa!"

"Old Taoist Mengshan has seen Nuwa!"

"Zhulong, the dragon clan, has met Nuwa!"

"Lintian, a member of the Qilin tribe, has met Nuwa!"

"Ancestor Lei Ze, I have met Nuwa!".....

The powerful people around Sishui Pass appeared one after another to salute the Nuwa Empress. A Hunyuan Da Luo Jinxian who was in the fifth level of the holy realm. These quasi-saints did not dare to be disrespectful to the Nuwa Empress.

"No gift for you guys!"

Nuwa Empress said to the quasi-sage powerful men around her. She did not complain that the strong men around her did not rescue Su Chen.

The conspiracy of the five great saints and Hongjun is not something that these quasi-sage powerful men can get involved in. (Watch the storm) For cool novels, go to Feilu Novel Network!)

Su Chen looked at the surrounding quasi-sage warriors saluting the Nuwa Empress, he curled his lips and said in amusement,

"Nuwa, you are really majestic. I am a majestic Emperor of Heaven here, but none of these quasi-sages come to pay homage to me."

Mother Nuwa was going crazy when she heard Su Chen's words.

This shameless bastard, does he care about these unimportant things now?

The heaven is covered!

Neither she nor the other girls in the heaven know about Sishui Pass. They didn't know what happened, and Su Chen secretly went down to heaven.

If it hadn't been for the arrival of the ancient law of heaven, they wouldn't have known that Su Chen had caused big trouble again.

Empress Nuwa stared at Su Chen with her beautiful eyes and yelled,

"Shut up, you bastard, didn't we tell you not to leave heaven?"

"Look at you, you have caused such a big thing just by coming out to heaven. If heaven hadn't come to the wilderness, we wouldn't have known that you were killed by some quasi-sages and Da Luo Jinxian."

Su Chen said hurriedly in embarrassment,

"Those scum can't kill me!"

Empress Nuwa asked Su Chen angrily,

"Scumbag? Is Daluo Jinxian a scumbag? Is the quasi-sage a scumbag? What if they are all scum? What are you?"

Su Chen's face was so dark that he didn't want to talk to Empress Nuwa.

He just wanted to say that those quasi-sage strong men couldn't kill him. Empress Nuwa even started to compete with him.

What is he?

Did Su Chen answer that he is not even as good as a scumbag? ?

Su Chen shouted into the air,

"Lao Tzu, Yuan Shi, Tong Tian, Jie Yin, Zhunti, why aren't you coming out yet?"

The ancient Heavenly Dao has arrived, and the eyes of Heavenly Dao have been watching him.

Su Chen doesn't know why Heavenly Dao is going crazy again.

Is the Ancient Heavenly Dao going to reward him?

Or is he going to kill him?

Su Chen can't guess, but he wants to settle the accounts of the five great saints first..Swish swish swish.....

The five great saints of Lao Tzu appeared in the sky one after another, and they were each more miserable than the other at this moment.

After more than ten years of preparation, they still failed to kill Su Chen.

Yuanshi and Tongtian could not take action against Su Chen, while Jie Yin and Zhunti had to protect Su Chen for a hundred years.

Although I can take action against Su Chen,

Jie Yin and Zhunti have sworn an oath of heaven, and they cannot let me take action.

Otherwise, their senior brothers would also be finished together with Su Chen.

Su Chen looked at the five saints in the sky and mocked,

"You five great saints are really evil-minded. How do you think I will punish you this time? Are some of your secrets exposed? Or expose some of your calculations?"

After I heard what Su Chen said, the five great saints were extremely angry!

Punish them?

This shameless Emperor!

The five of them are all saints, and a scumbag Taiyi Golden Immortal still wants to punish them?

Su Chen Do you think he is Taoist Hongjun?

However, they heard that Su Chen was going to expose their secrets and calculations, and the five saints were a little panicked.

Su Chen knew too many secrets of the ancient world, and they didn't know how much Su Chen knew about them. Secrets and calculations.

Zhunti hurriedly explained to Su Chen,

"Emperor Su Chen, we can't help ourselves, you should understand"

Chapter 2559

Su Chen smiled disdainfully when he heard Zhunti's words.

Of course he knew that the five saints were forced by Hongjun, but the five saints also wanted to eradicate him.

The Great Desolate Immortal Realm does not need a strong Heavenly Emperor.

If Su Chen completely controls the Great Desolate Immortal Realm, how can the five great saints still be so superior in the Prehistoric Immortal Realm? How can their respective sects still preach in the prehistoric immortal world?

Saints are all selfish beings, and Su Chen has no good impression of these saints.

If given the chance,

Su Chen would pull these saints off the altar.

However, now is not the time to deal with these saints.

Hongjun is a big trouble.

Su Chen's main enemy is Hongjun, that old bastard. These saints will also be a help in the future.

Su Chen thought for a while and said to Zhunti,

"Zhunti, you and Jieyin will compensate me for a top-grade innate spiritual treasure"520". This matter can be over, otherwise you should understand the consequences."

Zhunti's face turned dark when he heard Su Chen's words.

Shameless Emperor, this is taking advantage of the situation.

Su Chen had previously extorted a top-grade innate spiritual treasure and a top-grade innate spiritual root from their brothers. Zhunti did not expect Su Chen. They still want to rob their top-quality innate spiritual treasure.

When will a saint be robbed by a scumbag? Are they still aloof saints?

But Su Chen's status is special.

Within a hundred years, it is impossible for the five saints to kill Su Chen. If the saint wanted to kill Su Chen, he would have to wait a hundred years later

"This is impossible, Heavenly Emperor Su Chen, top-grade innate spiritual treasures are not cabbage. Our brothers and sisters can compensate Heavenly Emperor for two top-grade innate spiritual treasures. What do you think?"

Su Chen shook his head and refused,

"No matter what, Zhunti, I only want the best innate spiritual treasure."

At this moment,

Jie Yin said to Su Chen with an ugly face,

"Emperor of Heaven, you are making things difficult for others."

Su Chen crossed his arms and said through the voice transmission,

"Jie Yin, do you want me to expose the secrets of Huaguo Mountain?"

"Emperor of Heaven, a top-grade innate spiritual treasure, our brothers and sisters have agreed. Within three days, the top-grade innate spiritual treasure will be sent to heaven, but you must ensure that the secret is not told to anyone."

Jie Yin looked at Su Chen and was very helpless. He didn't expect that the secrets of Huaguo Mountain would also be learned by Su Chen.

The secrets of Huaguo Mountain are very important to Buddhism.

A top-quality innate spiritual treasure?

Even if it costs two top-quality innate spiritual treasures, Innate spiritual treasures, even if they are introduced, Su Chen will not be exposed to the secrets of Huaguo Mountain.

"Can!"

Su Chen nodded and agreed. He is a scumbag Sun Wukong.

He is now the emperor of the ancient immortal world. If Buddhism wants to flourish in the future, it depends on his face. If Su Chen doesn't want Buddhism to flourish, he has countless ways to destroy it. The great rise of Buddhism.

When the Sanqing saints saw Jie Yin, they immediately agreed to Su Chen's blackmail. They guessed that Su Chen had threatened Jie Yin.

But what secret made Jie Yin so nervous? The Sanqing saints all started to guess. The people around them started to guess.

The powerful people looked at Su Chen in confusion, blackmailing the saint?

And also blackmailing the saint upright?

A scumbag Taiyi Golden Immortal blackmailing the superior saint? The quasi

-sage powerful people all thought it was very ridiculous, but this It was Su Chen, the Emperor of Heaven, who was blackmailing the saints, and they thought it was very normal. This was not the first time that Su Chen had blackmailed saints' spiritual treasures.

Empress Nuwa looked at Su Chen with her beautiful eyes and said,

"Little bastard, you are becoming more and more of a bastard."

Su Chen said to Nuwa Empress with a dark face,

"Nuwa, am I not doing this for those women of the Golden Spirit Virgin? None of these girls have powerful spiritual treasures, otherwise why would I blackmail the saint for his spiritual treasures?"

"Humph, you are an shameless bastard"

"I'm too lazy to care about you"

"Little bastard, after what happened today, you are dead"

"I'll do it!"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen heard Nuwa Empress Feng's threat.

He knew that after today's incident,

Nuwa Empress and the Queen Mother would not let him go. Su Chen felt that they would. They were completely imprisoned by Nuwa Empress and the other girls.

Boom boom boom.....

Above the nine heavens, bursts of roaring sounds suddenly sounded, and the Eye of Heaven was still watching Su Chen from the nine heavens.

Damn it, what the hell is going on?

What is the prehistoric heaven doing? Isn't it true that Prehistoric Tiandao is a lunatic?

Su Chen raised his head and looked at the Eye of Heaven.

The cold and heartless Eye of Heaven continued to ignore him.

What happened to the sudden shock above the nine heavens? What does Primordial Heavenly Dao want to do?

Su Chen asked the Nuwa Empress beside him,

"Nuwa, what does this mean?"

Nuwa Empress asked with her eyebrows raised.

"I don't know, little bastard, what did you just do to anger Tian Dao?"

Su Chen hurriedly shook his head and replied,

"I didn't do anything before, Nuwa. I just pretended that I was the Emperor of Heaven and should suppress all enemies in the world. I didn't do anything else....0"

"real!"

Nuwa Empress stared at Su Chen in disbelief.

If Su Chen had not offended the Great Heavenly Dao, why would the eyes of Heaven be fixed on Su Chen.

Could it be that the Heavenly Dao would find trouble for nothing?

Su Chen said to Nuwa Empress," Of course it's true. If you don't believe it, you can ask the many powerful people around you. I really didn't provoke the prehistoric heaven this time."

Empress Nuwa looked at Su Chen in confusion.

If Su Chen really didn't challenge the ancient way of heaven, why would the Eye of Heaven keep looking at Su Chen?

Today's way of heaven is very abnormal.

After Su Chen looked at the Eye of Heaven , he doesn't care about the crazy Heavenly Dao. As long as the primitive Heavenly Dao doesn't attack him like crazy, the eyes of Heavenly Dao can look at him if they want.

Su Chen looked at Yuan Shi in the air and said,

"Yuanshi, you also hand over a top-quality innate spiritual treasure. If you dare to refuse, I will immediately reveal one of your secrets."

Yuanshi Tianzun looked angry when he heard Su Chen's words.

He originally wanted to know what secrets Su Chen controlled in 2.7, but Su Chen didn't give him a chance to refuse.

Yuanshi didn't want to agree to Su Chen, but he was also worried about Su Chen. The morning meeting revealed his secret

"Damn it, I agreed. Within three days, the best innate spiritual treasure will be sent to heaven."

Su Chen said to Yuanshi Tianzun with a smile,

"Yes, Yuanshi, within three days I saw the best innate spiritual treasures delivered to heaven."

"snort!"

Yuanshi Tianzun stared at Su Chen and wanted to slap this bastard to death.

Damn it, he is a scumbag.

Yuanshi did not expect that one day he would be blackmailed by a scumbag, and he was blackmailed by a scumbag more than once.

"Tongtian you.....Well! You are just a pauper. In addition to the Four Swords of Zhu Xian, you have no other top-quality innate spiritual treasures in your hand. So be it, the four girls of Shiji will leave the Jiejiao from today on."

Chapter 2560

Su Chen originally wanted to blackmail Tong Tian,

but Tong Tian was a pauper. Even if Tong Tian had the spiritual treasure in his hand, it would be no good. After thinking about it, Su Chen still thought that Tong Tian should admit that the four girls of Shiji had left Jiejiao.

"Damn it!"

Tongtian's face turned dark when he heard Su Chen's words.

Why is he a pauper? How come one of his dignified saints is a pauper?

Ugh!

Tongtian thought that he did not have the best innate spiritual treasure in his hand. Last time he asked Su Chen for his secret, He still snatched Kunpeng's Hetu Luoshu.

This shameless Heavenly Emperor,

Tongtian thought of the female disciples in Jiejiao, this bastard basically wanted to catch them all in one go.

Three Holy Mothers, Three Xiao Empresses, as well as Shi Ji and Huo Ling who appeared this time , Han Zhixian, Caiyun and the four fairies, Tongtian couldn't help but want to kill this shameless person at this moment.

Su Chen clapped his hands and shouted to Tongtian,

"Bongtian, that's what we've decided."

Tongtian glared at Su Chen angrily and cursed,

"Su Chen, you are so shameless!"

"cut!"

Su Chen didn't care about Tongtian at all. He was an impulsive saint and a fool without his own opinion.

Su Chen was originally very optimistic about Tongtian, but he thought of what Tongtian did during the Journey to the West, and even the invasion of demons from outside the territory. As he did in the prehistoric immortal world, he had no hope for Tongtian.

In the sky, the only saint left was Saint Laozi who had not been blackmailed by Su Chen.

The quasi-sage strongmen around him all looked at Su Chen. They wanted to know how Su Chen was going to blackmail Saint Laozi..

I am also preparing to face Su Chen's blackmail. He doesn't think he will escape Su Chen's blackmail.

At this moment,

Su Chen does not continue to blackmail me, and he cannot blackmail me. Although Su Chen knows some of my secrets, those secrets are very important to other saints. It doesn't matter.

And I am the only one who has not promised not to attack him for a hundred years, nor to protect him for a hundred years.

Su Chen offended me a bit before, and he doesn't want to push me into a hurry. Zhunti and Yin are not reliable. , Su Chen didn't expect Zhunti and Jieyin to protect him.

After a while,

Su Chen and Nuwa Empress were talking to each other through sound transmission.

The quasi-sage powers around them all looked at Su Chen in confusion. Yuan Shi and The four great saints of Zhunti also looked at Su Chen in confusion.

Where is I?

Why didn't Su Chen blackmail me? They are all saints, and all four of them were blackmailed. Why was I left alone and not blackmailed?

At this moment,

Su Chen looked at the Eye of Heaven above the nine heavens and asked,

"Nuwa, when do you think the Eye of Heaven will retreat?"

"How could I know!"

Nuwa Empress frowned and shook her head and replied.

The Eye of Heaven has been staring at Su Chen. The ancient way of heaven is not a reward or a thunder punishment. Nuwa Empress couldn't understand it at the moment.

Nuwa looked at the Eye of Heaven and thought. After thinking about it, she thought that Su Chen hadn't blackmailed me yet.

This bastard couldn't have forgotten me. But why didn't Su Chen continue to blackmail me?

Empress Nuwa asked doubtfully,

"Su Chen, why didn't you blackmail me?"

Su Chen shook his head and replied,

"I can't blackmail you. I know that some of my secrets are irrelevant. Besides, I offended me a lot before, so this old cunt will let him go this time."

Nuwa Empress nodded when she heard Su Chen's words.

Su Chen was right.

This bastard had offended me very deeply before, and Yuan Shi and Tongtian also killed me once.

If it was not necessary,

Su Chen could not anger me. I'd better not get irritated. (If you want to read violent novels, go to Feilu Novel Network!)

"Emperor, what do you mean?"

At this time,

I couldn't help it.

Su Chen never said anything to blackmail him, which made him feel that Su Chen was deliberately targeting him and even had some conspiracy to deal with him.

Su Chen was confused when he heard what I said.

What did he mean? ?

He doesn't even intend to blackmail me, what do I mean by this?

Well,

Su Chen was also a little confused by my words at this moment. He couldn't figure out what I meant.

Su Chen sent a message to Nuwa Empress and asked road,

"Nuwa, what do you mean?"

"Not sure."

Nuwa Empress looked at me in the air and couldn't understand.

Su Chen told her not to blackmail me.

At this moment, I opened my mouth to angrily reprimand Su Chen. It seemed that I looked down on him if I didn't blackmail him.

Hong Hong.....

Suddenly, the Nine Heavens shook again, and the Eye of Heaven was now locked on me, and the thunderclouds above the Nine Heavens began to gather.

Seeing all this, Su Chen hurriedly sent a message to Nuwa Empress,

"I guess, Nuwa, I understand why the Eye of Heaven has never retreated."

Empress Nuwa asked doubtfully,

"Why?"

Su Chen looked at the Eye of Heaven above the Nine Heavens, and he told Nuwa Empress about her guess.

"This is because the five great saints, the Great Luo Jinxian who kidnapped and killed me today, and the quasi-sage strongman were all arranged by the five great saints. The prehistoric heaven knows that the five great saints are the masterminds."

"I had previously blackmailed all the four saints in Zhunti, but I was the only one who did not blackmail me. The Great Ancient Heavenly Dao thought that I was forgiving the other four saints, but I never blackmailed me."

"The ancient Heavenly Dao felt that I had not forgiven me, and the Eye of Heavenly Dao was preparing to punish me with thunder."

The Empress Nuwa was confused when she heard Su Chen's explanation.

Is this possible?

Why did the ancient heaven punish the five saints?

Su Chen was just an emperor.

Even though he had a lot of luck and merit, Su Chen was not killed. , How could the prehistoric heaven punish the five great saints?

I shouted angrily at Su Chen at this moment,

"Su Chen, what are you going to do to me? Su

Chen replied speechlessly to Laozi,"Uh, Laozi, do you believe it when I say no (the king's) was done by me?"

I scolded Su Chen with a dark face,

"I believe you ghost"

"Su Chen, you didn't blackmail me. Heaven is going to strike me with thunder. How could it be that you didn't do all this?"

"The old man agreed"

"Isn't it just a top-quality innate spiritual treasure? The old Taoist will give it to you now. You should quickly let the Eye of Heaven relieve the thunder punishment."

As I said this, I sent a top-quality innate spiritual treasure to Su Chen.

He was scared.

This bastard Su Chen was so weird.

No wonder Su Chen never blackmailed him. It turned out that this bastard wanted to strike him with thunder.

Su Chen was speechless looking at the top-quality innate spirit treasure in front of him.

It's his fault. If he doesn't blackmail him, he will give away the spirit treasure.

I won't be waiting for him to blackmail me, right?

"Lao Tzu, if you make an oath to Heaven not to take action against me for a hundred years, I can let Heaven lift the thunder punishment."
