

## Zongwu 2571

### Chapter 2571

The next day, the chaos bell in the ancient heaven was rung, clang clang clang clang clang clang clang clang clang clang clang clang clang clang clang.....

Boom boom boom.....

After the Chaos Bell rang nine times, the Primordial Immortal World shook, and huge sounds resounded throughout the Primordial Immortal.

The creatures in the entire prehistoric fairyland looked up to the sky.

Today is the time when the prehistoric fairyland sends out its immortal army to conquer the western realm. All the creatures want to see the most powerful immortal army in the history of the prehistoric fairyland.

At the Nantian Gate of Heaven, groups of immortal armies appeared from the Nantian Gate. In just a few seconds, hundreds of millions of immortal armies were lined up in the air.

Boom boom boom.....

Half an hour later, more than three billion immortal armies were assembled, and powerful quasi-sage powers appeared one after another - in the air. clang!

Empress Nuwa appeared in the sky with the Queen Mother and her daughters. Empress Nuwa looked at the huge army of immortals and dozens of quasi-sage powers, and she instantly appeared above the army of immortals.

Empress Nuwa said with a cold face,

"Today is the time for His Majesty the Emperor of Heaven to order the conquest of the Western Realm"

"An army of more than three billion immortals"

"You are the most powerful immortals in the prehistoric immortal world"

"You will conquer the Western Realm for the Prehistoric Immortal Realm, you will conquer the rebels of the Western Realm for the Prehistoric Heavenly Way, and you will bring the Western Realm under the jurisdiction of the Prehistoric Immortal Realm."

"For the first time, the Great Desolate Immortal World launched a realm war against other realms. All the creatures in the Great Desolate Immortal World are watching us."

"Tell the creatures in the prehistoric fairyland"

"Can you conquer the Western Realm?"

All the immortals in the sky shouted in reply,

"able! able! able!"

Nuwa Empress looked at the billions of immortal armies with her beautiful eyes, and she continued to ask,

"Can you complete His Majesty's mission of conquest?"

"able! able! able!"

"You will become the pride of the prehistoric fairy world,"

"Prehistoric Heaven will never forget that you contributed to the Prehistoric Immortal Realm. Heaven has responded. For all immortals who participate in realm wars, Prehistoric Heaven will reward Heaven's merits."

"I!"

"Empress Nuwa, the Queen of Heaven, the Holy Mother of the human race, the Hunyuan Daluo Golden Immortal of the prehistoric immortal world"

"I am the commander-in-chief of your army of more than three billion immortals."

"I order now!"

"The Immortal Army from the Ancient Immortal Realm is dispatched to conquer the Western Realm, and those who resist will be killed without mercy!"

Boom boom boom.....

"Trample the western realm, and those who resist will be killed without mercy!"

"Trample the western realm, and those who resist will be killed without mercy!"

"Trample the western realm, and those who resist will be killed without mercy!"

Outside the Nantian Gate, the army of more than three billion immortals was divided into three parts, and they quickly moved out in the clouds and fog.

Queen Mother!

Queen Mother of the West!

Chang'e and Chang Xi!

They each led an army of more than one billion immortals towards the western realm.

Guanyin The Bodhisattvas and other women also joined the three armies one after another. The great masters of the ancient world also joined the three armies as required.

Empress Nuwa looked at the dispatched immortal army.

She looked at Empress Su Chen in the sky of Chaoge City. Nuwa The queen's face darkened and she disappeared into the air in an instant.

Damn you little bastard, today is the time for the army of the Great Immortal Realm to be dispatched. Not only did Su Chen not arrive outside the Nantian Gate, that little bastard was holding a beautiful woman in the air and watching the excitement. The woman Empress Wa wanted to beat Su Chen to death.

In the sky above Chaoge City,

Mrs. Huang said to Su Chen with a worried look on her face,

"Husband, Empress Nuwa discovered us!" Mrs. Huang was very frightened when she saw Empress Nuwa glaring at Su Chen. Empress Nuwa is the superior Hunyuan Daluo Golden Immortal, while Mrs. Huang is just a scummy cultivator of immortality, and she is also an impure one. Woman. (To read Baoshuang novels, go to Feilu Novel Network!) If the Nuwa Empress objected to her staying with Su Chen, she would have no way to stay. Su Chen kissed Mrs. Huang and comforted her,

"Don't worry, Nuwa is just angry that I didn't show up in the army of immortals."

Mrs. Huang asked Su Chen doubtfully,

"Husband, today is an important day. As the Emperor of Heaven, why don't you appear in the army?"

"You do not understand!"

Su Chen shook his head and did not explain to Mrs. Huang.

The reason why he did not show up this time was because Su Chen wanted Nuwa to control the ancient heaven in the future, and the empress Nuwa would be equivalent to the emperor of heaven in the future.

0 Ask for flowers 0

Su Chen wants It won't be long before she leaves the world of trials.

Empress Nuwa will become the ruler of the ancient world in the future. She will become the emperor who is not the emperor of heaven in the ancient world.

Alas! Su Chen will leave the world of trials in more than a year. Although he can He could return to the trial world at any time, but after the boundary war started, Su Chen was worried that he would not have time to return to the trial world.

Su Chen looked in the direction of Sishui Pass and ordered to the commander Zhang Kui,

"Zhang Kui ordered the Shang army to dispatch, and the war to destroy the Western Zhou Dynasty can now begin."

"Yes, my emperor!"

The Realm War has begun, the God-conferring War has begun, and the War to Destroy the Western Zhou Dynasty has begun, and it is about to end.

Hongjun, your good days are numbered, and there are five great saints.

Your good days are also numbered.

For the sake of Nuwa Empress, The safety of women, even if all of you saints are not wiped out, the prehistoric immortal world cannot leave a few of you saints.

Whoosh,

Su Chen hugged Mrs. Huang and disappeared into the air.

The six paths of reincarnation,

Su Chen has to go, the body of Hou Tu is... I haven't seen it yet. Su Chen wants to see the beautiful lady from behind before leaving.

At Sishui Pass, more than seven million merchant troops swarmed out of Sishui Pass.

In seven directions, millions of troops in each direction quickly sent out to destroy the Western Zhou Dynasty, all the generals and armies of the Great Shang were waiting for this day. After more than ten years of defense and more than ten years of patience, the Great Shang was obviously hundreds of times more powerful than the Western Zhou Dynasty, but the Great Shang never took the initiative to attack and destroy them. The Western Zhou Dynasty.

Today, the Heavenly Court dispatched billions of immortal armies to fight the boundary war, and the human race also dispatched millions of troops to destroy the Western Zhou Dynasty.

This is the order of the Emperor Su Chen and the Emperor Su Chen.

The army of Dashang is better than The Immortal Army will first destroy the Western Zhou Dynasty, fight for the Great Shang, fight for the Human Emperor, and fight for the Emperor of Heaven. The soldiers of the Great Shang Army will die on the battlefield, and they will also become heavenly soldiers and generals in heaven.

"Um? Daughter's country? Let me go, Xi He wouldn't have appeared during the Conferred God Period, right?".

Chapter 2572

After Su Chen sent Mrs. Huang back to the palace, he teleported all the way to the sea of blood to enter the six realms of reincarnation.

However, he had just appeared in the sky of a small mortal country. Su Chen was very surprised to see a country full of women.

Daughter's country?

Damn it, how could the Daughter Kingdom exist for so long?

From the period of the Conferred Gods to the period of Journey to the West, there will be more than a million years in between.

Damn, can the Daughter Kingdom exist for such a long time?

"who?"

A woman suddenly appeared in the air. She looked at Su Chen who appeared in the air with an indifferent expression.

An Earth Immortal?

There were Earth Immortals in the Daughter Kingdom during the Conferred God Period?

Su Chen checked the woman's soul. He It was discovered that this woman was not the reincarnation of Xi He, but an ordinary human woman who had become an immortal through cultivation.

Su Chen smiled and replied,

"A person passing by."

The cold woman glared at Su Chen and said mockingly,

"You are a powerful immortal, but you dare to disobey the Emperor of Heaven and not participate in the realm war. You are finished."

"I am doomed? maybe!"

Su Chen shook his head when he heard the cold woman's words.

The order of the Emperor of Heaven?

Does he know the order he gave himself?

But he is the Emperor of Heaven.

Su Chen can do whatever he wants. In the prehistoric immortal world, apart from the way of heaven, there are all saints. There was nothing she could do about him.

The cold woman looked at Su Chen's careless look.

She felt that Su Chen was not a good person, and that this immortal might be a demon cultivator.

The daughter country was full of women.

She was worried that Su Chen would do something to the women of the daughter country.  
Something dirty happened

"Leave the Daughter Country immediately, or you will be dead."

Su Chen curled his lips and looked at the woman in front of him.

This woman was pretty good-looking and had a curvy figure, but it seemed that none of the fairies in the ancient world were ugly.

"oh? Why am I dead? You are just a scumbag earth immortal, how can you still kill me?"

The cold woman threatened with a cold face,

"Hum, there is a powerful formation in my daughter's country. Even if Taiyi Golden Immortal enters, there will be no return. I advise you not to seek death."

"Yes, there is a fairly good formation in the Kingdom of Women. Beauty, let me remind you, there is a reincarnated power in the Kingdom of Women. As for who it is? Then it's up to you to check."

Su Chen nodded to the cold woman and disappeared.

He did not go looking for Xi He's reincarnation. Su Chen wanted Chang'e and Chang Xi to come and check later. When the cold woman saw Su Chen disappear in an instant, she frowned and whispered ,

"Is there a reincarnated power in the daughter's kingdom? This is real?"

"Who could this be?"

"A powerful immortal, why didn't he participate in the realm war? And he looked indifferent. Could it be that he was an immortal from the ancient heaven?"

The Sea of Blood, the territory of Ancestor Styx.

This is also the location of the Six Paths of Reincarnation. Su Chen entered the Six Paths of Reincarnation unimpeded.

Come on!

Su Chen was kidnapped just as he entered the Six Paths of Reincarnation.

In a palace,

Ping Ping Empress Xin said to Su Chen with a smile on her face,

"Su Chen, you are very courageous. Empress Nuwa just led the Immortal Army to the Western Realm, and you are running around everywhere. Aren't you worried that Hongjun will let Haotian kill you?"

After Su Chen checked Hou Tu's palace, he instantly appeared next to Hou Tu.

Su Chen held Hou Tu's small waist with one hand and said,

"Houtu, I know you are powerful. Can you please inform me if you want to catch me?"(To read exciting novels, go to Feilu Novel Network!)

Hou Tumei glared at Su Chen and snorted coldly,

"Humph, why should I inform you, Su Chen, don't think that I don't know what you did to my clone"

"Houtu, isn't your clone still you? If I hadn't been unable to get away, I would have come to the Six Paths of Reincarnation to find you."

"You are a shameless bastard."

Su Chen hugged Houtu and kissed him shamelessly and said,

"No matter how bastard I am, I am still your Taoist companion."

"Shameless!"

Hou Tu was speechless at this bastard.

Although her body met Su Chen for the first time,

Hou Tu could feel what her clone and Su Chen had done at the same time.

Su Chen touched Hou Tu's The little face smiled.

Time is running out.

He can only stay in the six realms of reincarnation for about ten days.

If the army of the ancient immortal world reaches the western realm, Su Chen will be attacked and killed by Haotian at any time.

He must also be prepared. To lure Haotian to appear,

Bing Ji and Xue Ji were already prepared in the Demon Tower of Desire. As long as Haotian appeared, it would be his death.

In the following seven or eight days,

Su Chen lingered with Hou Tu for several days in the six paths of reincarnation. ,

Su Chen also checked in Six Paths of Reincarnation, and Su Chen shamelessly took down another clone of Hou Tu, Po Meng on the Naihe Bridge.

A Po Meng who looked exactly like Hou Tu, if Po Meng hadn't Transformed into an old woman, the ghost cultivators in the Six Paths of Reincarnation may be frightened to death by the identity of Po Meng

"Husband, are you ready to go back?"

In the sea of flowers on the other side,

Po Meng was resting in Su Chen's arms covered in sweat.

Su Chen stroked Po Meng's soft waist and said,

"Well, the Immortal Army of the Ancient Immortal Realm is about to enter the Western Realm. Hongjun should be about to take action against me. I want to remove all hidden dangers in the Ancient Immortal Realm."

Meng Po adjusted her clothes and said,

"Husband, Hongjun may ask Haotian to take action. Can you deal with 703 a saint?"

"Don't worry, I have been prepared. As long as Haotian dares to show up to chase me, he will be completely annihilated. Even the ancient heaven will not resurrect him."

"I'm still worried. Husband, it's better for you to stay in the six realms of reincarnation. With the real body around, Hongjun won't be afraid even if the real body comes."

Su Chen kissed Po Meng and said,

"No, Po Meng, don't forget that there are other five great saints in the prehistoric immortal world."

"If I stay in the Six Paths of Reincarnation, Hongjun will definitely let the five great saints contain Hou Tu. If a saint battle breaks out in the Six Paths of Reincarnation, it may destroy the Six Paths of Reincarnation."

Meng Po thought about it and it was right.

The five saints are a trouble.

Although the five saints swore not to take action against Su Chen because of the way of heaven, the five saints may take action against the main body.

Su Chen held Po Meng and looked at the Bianhuahua around him.

The flower of the other shore symbolizes endless immortality, a sign of annihilation, and the call of the other shore. It also symbolizes endless longing, desperate love, and letters from heaven.

Life and death are separated!

Never meet again!

This is the flower of the land.

"Po Meng, what do you think your body is doing? I haven't seen her all day today?"

Po Meng lay in Su Chen's arms and said with a smile,

"Husband, I am afraid of you. You have tortured me to death these days. If I hadn't been able to stand you, do you think I would have let you attack me?".

Chapter 2573

Su Chen smiled when he heard Po Meng's words.

Was Hou Tu afraid of him?

This is impossible.

Hou Tu has been refining the reincarnation disk when he has time these days. Hou Tu probably wants to refine the reincarnation disk to create six paths of reincarnation to protect him.

However, is the reincarnation disk so easy to refine?

It would be impossible for Hou Tu to refine the reincarnation disk even in a million years.

Su Chen hugged Po Meng and lay among the flowers on the other bank and whispered,

"It's time to leave!"

Mother Meng was lying in Su Chen's arms, enjoying the peace of the moment.

It was time for Su Chen to leave.

There were many things in the prehistoric fairyland that needed Su Chen to deal with, such as realm wars, god-conferring wars, human wars, and those saints. Su Chen needs to pay attention to these things and deal with them.

At the reincarnation disk,

Houtu rubbed his forehead and felt helpless.

The reincarnation disk is a half-step chaotic spiritual treasure. It took her millions of years to refine it to less than 30%. If the reincarnation disk is not After being completely refined, she will not be able to get out of the Six Paths of Reincarnation.

Su Chen is very dangerous during this period, and even Hou Tu can't help Su Chen.

"Alas, I hope the little bastard can survive this crisis."

Hou Tu checked the situation of Su Chen and Po Meng.

She disappeared in the reincarnation disk in an instant.

Su Chen may leave the six realms of reincarnation in a few days. She wants to stay with Su Chen more in these days. In the prehistoric fairy world, boom boom Boom boom.....

The thunderclouds of heaven have been gathering in 727 for the past few days and are attacking everywhere in the prehistoric world, and terrifying black thunder clouds are striking down from the nine heavens.

In the prehistoric fairy world, some of the immortals above the realm of heavenly immortals did not obey Su Chen's recruitment orders and did not go to the western realm to participate in the realm war. The prehistoric heaven sent thunder punishment to punish those immortals who did not obey the orders.

"No, I will be promoted to Daluo Jinxian. It's not that I don't obey the orders of the Emperor of Heaven."

"Damn, why is this happening?"

"Sixty-nine thunder punishments? Why would Heaven send down sixty-nine thunder punishments? Is Heaven's will to destroy the immortals who disobey the recruitment orders?"

"Ahhhhh.....Ancestor, I am unwilling....."

"Tiandao, I will set off to participate in the realm war now.....No!"

"I don't want to perish. I am Taiyi Golden Immortal. I don't want to perish like this. Kuishanta, stop me from the thunder punishment!"

Everywhere in the prehistoric fairy world, immortals are constantly struck by the thunder punishment of heaven.

Some immortals above the heavenly realm are either destroyed by the thunder punishment, or they are struggling to support the thunder punishment of heaven.

However, these immortals cannot support it at all. How long, without the best innate spiritual treasures, these immortals cannot withstand the sixty-nine heavenly punishments of heaven.

The creatures in the ancient immortal world are very afraid.

The ancient heavens have been raining down thunder and punishment for five or six days in a row. This will kill many people who did not obey the summons. Immortals?

A thousand?

Ten thousand?

Or more? In the Western Zhou Dynasty, in the Xiqi Palace,

King Wu Jifa and Jiang Ziya were restless at this time. The great merchants dispatched an army of more than seven million people. How could the Western Zhou Dynasty resist it? Three hundred of the Western Zhou Dynasty How can we resist an army of tens of thousands?

"Father, what should we do? Where is the immortal? Where are the saint disciples who helped me? Jiang

Ziya said helplessly,

"Your Majesty, our Western Zhou Dynasty is about to be destroyed."

"The immortals were all recruited by the Emperor Su Chen to participate in the realm war. Those immortals with low cultivation were afraid of the Emperor Su Chen, so they all left the Western Zhou Dynasty. Without the immortals in the Western Zhou Dynasty, the saints could not save the Western Zhou Dynasty."

Ji Fa shouted with an ugly face,

"how so? Why did Dashang attack? Dashang has been on the defensive for more than ten years. Why is it attacking this time?"

"How can we, Xiqi, resist the elite merchant army of over seven million? Why do those immortals obey the orders of Emperor Su Chen? Aren't they disciples of a saint?"

Jiang Ziya looked at Ji Fa and lowered his head.

War of Conferring Gods? (daaa)

The Great Shang of the Zhou Dynasty? (To read Baoshuang novels, go to Feilu Novel Network!)

God's will is in the Zhou

Dynasty? Destiny determines the great prosperity of the Western Zhou Dynasty?

Destiny determines the Conferment of Gods People?

These are all lies.

Jiang Ziya was panicking at this moment.

He single-handedly provoked the rebellion war between the Western Zhou Dynasty and Dashang. He can be said to be the culprit.

Dashang will not let him go, and neither will Heaven. Jiang Ziya has already thought about his fate.

He will be destroyed physically and mentally, and he will not even have a chance to be reincarnated. The underworld of the Six Paths of Reincarnation is also under the jurisdiction of the Emperor of Heaven. It is impossible for the underworld to be destroyed. Let him reincarnate.

Ji Fa grabbed Jiang Ziya frantically and shouted,

"Xiangfu, go and beg those saints quickly, am I not the Son of Heaven? Isn't God's will in Zhou? The saints will not care about my life or death, and the saints will not let the Great Shang destroy the Western Zhou Dynasty."

"King, I.....Oh, I'll try it!"

"Thank you very much, father. Thank you very much, father."

Five days later,

Taoshan,

Su Chen appeared on Taoshan.

It has been almost a month.

The army of immortals from the ancient immortal world is about to reach the western realm. Hongjun will also send Haotian to kill him.

Taoshan,

Su Chen decided to be here. Waiting for Haotian's arrival

"Haotian's sister Yao Ji was crushed under Peach Mountain before, and Yao Ji also died in Peach Mountain. Haotian, I have found a good home for you. You can sleep in Peach Mountain with your sister."

Su Chen leaned under a tree and closed his eyes.

In a few days,

Haotian will definitely come to

Taoshan!

Su Chen will let Haotian and his sister sleep here together.

"who are you?"

A female fairy in white appeared by the stream. She looked at Su Chen doubtfully and asked,

Peach Mountain!

This is an ominous place.

The spiritual energy on Peach Mountain is thin and there are no spiritual flowers or herbs. It is not suitable for immortals to build caves here.

How could an immortal appear on Taoshan?

Moreover, this immortal seemed to have come specifically to Taoshan. The fairy in white could not understand why an immortal would come to this ominous place like Taoshan.

Su Chen looked at the fairy in white with some confusion.

A woman who had just become an immortal Fairy? How could this frail fairy appear in Taoshan?

Yao Ji?

Couldn't this be the reincarnation of Yao Ji?

No,

Yao Ji should have lost her body and soul after splitting the mountain, and it is impossible for her to be reincarnated.

Su Chen He touched his chin and asked doubtfully,

"Little fairy, who are you? How come you are on top of Peach Mountain?"

The female fairy in white appeared next to Su Chen and replied,

"My name is Wushan Goddess. I have been in Taoshan since I transformed. Of course I will be in Taoshan."

Su Chen asked with a frown.

"Wushan goddess? You are the goddess of Wushan, why are you not in Wushan?"

"Is there Wushan in ancient times? Wushan Goddess is just my Taoist name, who is the immortal? Why did you come to Taoshan?"

Chapter 2574

The Wushan Goddess looked at Su Chen very strangely. Why did a powerful immortal come to Taoshan?

Didn't the Emperor of Heaven recruit all the powerful immortals?

Why didn't this powerful immortal join the immortal army? Why didn't the ancient heaven send down thunder to kill this immortal?

Su Chen looked at the Wushan Goddess speechlessly,

Wushan?

How could he know if there was a Wushan Mountain in ancient times?

The little fairy was called the Wushan Goddess.

Su Chen thought that the little fairy came from a fairy in Wushan.

"Wushan? There should be one in the prehistoric fairy world. Little fairy, if you leave Taoshan for a while, something will happen here in Taoshan. It will be dangerous for you to stay."

The goddess of Wushan shook her head and replied,

"I can't leave, and I can't leave Taoshan"

"Um? You can't leave Taoshan?"

Su Qi<sup>90</sup> heard the little fairy's words in the morning and was confused.

The Wushan goddess can't leave Taoshan?

Is there any formation in Taoshan? The little fairy is not imprisoned in Taoshan. How can the Wushan goddess not be able to leave Taoshan?

Su Chen waved. He waved his hand and looked at the entire Taoshan. He wanted to understand why the Wushan Goddess couldn't leave Taoshan.

Huh?

The Wushan Goddess's spirit was actually bound to Taoshan?

How is this possible?

A little fairy, her spirit and Are Taoshan bound together?

Is it the work of powerful immortals? Or does the goddess of Wushan have an extraordinary origin?

"Land, come out and see me!"

Bang!

A short old man with a long beard appeared from the ground.

He looked at Su Chen and saluted hurriedly,

"The land of Peach Mountain, see His Majesty the Emperor of Heaven."

The Goddess of Wushan looked at Su Chen with her sexy little mouth open,

Emperor of Heaven?

This immortal turned out to be the Emperor of Heaven.

The Goddess of Wushan felt like she was in a dream. His Majesty, the most noble Emperor of Heaven in the prehistoric fairy world, came to Taoshan.

"Why is the earth, the soul of the Wushan Goddess, bound to Taoshan?"

Tudi hurriedly replied to Su Chen,

"Returning to His Majesty the Emperor of Heaven, Xiaoxian doesn't know this either."

"Ever since the Wushan Goddess transformed, she has been inextricably linked to Taoshan. Three hundred years ago, the Wushan Goddess overcame a catastrophe and became an immortal, and her soul was somehow bound to Taoshan."

Su Chen became even more confused when he heard Tu Tu's words.

What is the relationship between Wushan Goddess and Taoshan?

Taoshan?

Yao Ji?

Wushan Goddess?

Are they related?

Or is Wushan Goddess the reincarnation of Yao Ji's soul?

"Go down!"

"Yes, His Majesty the Emperor of Heaven!"

Su Chen looked at the restrained Wushan Goddess and smiled.

The little fairy should have been scared when she heard his identity, but the little fairy's anxious look was really cute.

"Wushan Goddess, do you want to leave Taoshan? I can separate your soul from Momoyama."

The goddess of Wushan hurriedly said to Su Chen,

"Your Majesty the Emperor of Heaven, I don't want to leave Taoshan. I want to ask Your Majesty to separate my soul from Taoshan."

"Can!"

Su Chen activated the Law of Space and the Law of Time. He wanted to cut off the connection between Taoshan and Wushan Goddess.

"Ahhh....It hurts so much.."

The Wushan Goddess suddenly held her head and screamed in pain,

"court death!"

Boom!

There was a loud noise, and

Taoshan suddenly shook, and the entire Taoshan cracked. Huge cracks appeared on Taoshan.

"Don't destroy my intelligence. I don't dare to do it anymore. I ask His Majesty the Emperor of Heaven to let me go." (To read exciting novels, go to Feilu Novel Network!)

"Destroy!"

Su Chen waved his hand and patted it down with a cold face.

A Taoshan with spiritual intelligence, a Taoshan who is not even a mountain god,

Taoshan actually wants to seize the body of the Wushan Goddess. Su Chen hates such monsters very much.

Boom!

Taoshan Completely shattered, a huge Taoshan was now divided into several hills of varying sizes.

The spiritual energy on Taoshan quickly recovered. The spiritual energy of Taoshan, which was originally thin, gradually became richer.

Su Chen saw Taoshan's spiritual energy recovered, and his face became ugly.

What a Taoshan, what a Taoshan land.

For their own selfish interests,

Taoshan land and Taoshan actually gathered the spiritual energy inside Taoshan. No wonder the spiritual energy around Taoshan was thin.

Su Chen looked expressionless. shouted,

"Land, do you know your sin?"

The land instantly appeared and knelt down to plead guilty,

"God, please forgive me! God, please forgive me!"

"As a land of Taoshan, you actually tolerated a wise Taoshan body-taking fairy in order to occupy Taoshan's aura. What qualifications do you have to ask me to forgive you?...0"

"Your Majesty the Emperor of Heaven, Xiaoxian doesn't dare anymore, Xiaoxian doesn't dare anymore"

"Your sin is unforgivable and you will be destroyed!"

Boom!

The land was instantly photographed into nothingness by Su Chen.

Su Chen looked at the unconscious Wushan Goddess and shook his head. Wushan Goddess was also lucky. If he hadn't appeared in Taoshan, Wushan Goddess might have been taken away by Taoshan within a thousand years.

However , , is the Wushan Goddess the reincarnation of Yao Ji?

In the following days,

Su Chen lived in Taoshan.

He also used his magic power to build a beautiful wooden house. The Wushan Goddess has been like a maid since she woke up. He also served Su Chen.

In the past few days, instead of teasing the Wushan Goddess, Su Chen would torture Han Ba in the Demon Tower of Desire.

Su Chen would torture Han Ba to the point of going crazy. In the Demon Tower of Desire for a hundred years,

Han Ba would torture him every once in a while. She will be tortured by the demonic energy of desire for a year. She doesn't know how she got through the past hundred years. She can't commit suicide and has no magic power.

The naked Hanba is now like a woman without a soul.

"Hanba, is it so difficult to hand over the God of Lu?"

Su Chen was also shocked when he saw Han Ba's appearance again.

Not only was Han Ba now naked, but his hair was disheveled. He looked like a fool. Su Chen was worried that Han Ba would go crazy after being tortured by him. He was about to release Han Ba.

Su Chen suddenly thought, could a Daluo Jinxian be crazy?

Is Hanbao pretending to be stupid on purpose?

"Hanba, I was almost deceived by you. Will a Daluo Jinxian go crazy? If you dare to pretend to be crazy or stupid again, I will prepare the demonic energy of desire for you every day."

After Han Ba heard Su Chen's words, she knew that she could no longer deceive him.

A despicable and shameless person is the Emperor of Heaven.

Not only was Han Ba's body completely exposed by Su Chen, but he was also tortured to death every other year for more than a hundred years. , she wanted to kill Su Chen cruelly every moment.

Hanbao hurriedly covered his body and cursed,

"Shameless Emperor of Heaven, you will not have a good death in the future. Heaven will not let you go, this despicable and shameless Emperor of Heaven."

Chapter 2575

Su Chen didn't pay attention when he heard Hanbao's scolding.

What's the way of heaven?

Will Heavenly Dao care about these small things?

Besides, Han Ba wanted to kill him and was caught. No matter how Su Chen dealt with Han Ba, he would not get any karma.

"Hanba, hand over a ray of soul, and I can let you out."

Hanba shouted angrily at Su Chen,

"Don't even think about it, I won't let you control me even if I die."

Su Chen still disagreed when he heard that Han Ba

was a stubborn woman.

Su Chen also admired Han Ba. After decades of torture by the demonic energy of desire, Han Ba actually persisted. Does Han Ba like this kind of torture? Or is it Han Ba

?

Do you like being tortured like this?

Well, isn't Hanba used to the torture of the demonic energy of desire?

"Hanba, it has been more than a hundred years, and you have been tortured by the demonic energy of desire for decades. You are the female fairy who has endured the demonic energy of desire for the longest time. Has your body become very sensitive?"

"Also, don't cover your body. I can clearly see every part of your body."

Han Bao cursed angrily and covered his chest,

"Bastard, I must kill you, Su Chen, you are a despicable Emperor of Heaven. As long as I, Hanbao, escape and go to heaven and earth, I will kill you physically and mentally."

Han Ba is in great pain.

For more than a hundred years, the demonic energy of desire has tortured her to death, and her body has become extremely sensitive.

But in the Demonic Tower of Desire, she has no magic power and cannot escape from the Demonic Tower of Desire. She pretends to be crazy and acts like a fool. Su Chen also found out.

Han Ba didn't know how long she would have to endure this kind of torture, and she couldn't die.

Her hatred for Su Chen was almost obsessive.

"Forget it, Hanba, just think about it again in the Demon Tower of Desire, and I won't torture you anymore."

"One year in the Demon Tower of Desire, one day in the prehistoric fairy world, I will come to see you once every thousand years. If you want to hand over a ray of soul, you can tell me when I come to see you after a thousand years."

Su Chen said to Han Ba that Yuanshen exited the Demonic Tower of Desire.

A woman with one muscle,

Han Ba and Guiling Holy Mother are really very similar, but Han Ba is not like Turtle Spirit Holy Mother.

Guiling Holy Mother was imprisoned in Desire before. In the Magic Tower,

Su Chen could only see a huge turtle and no beautiful scenery.

"Damn bastard, I will not give in, I will never give in."

Han Ba yelled for a while.

After she didn't hear Su Chen's words again, Han Ba knew that Su Chen had left the Demonic Tower of Desire.

Han Ba hugged her knees and buried her head in her legs in frustration.

Although Su Chen no longer used the demonic energy of desire. Torturing her, but in the Demonic Tower of Desire, the surroundings were silent, without any sound, and she couldn't even rest.

Cultivation?

Hanbao had no mana, so it was impossible for her to practice to pass the time.

Boom!

Suddenly, the Demonic Tower of Desire where Hanbao was located In the space, waves of innate spiritual energy poured into this space.

In an instant, the spiritual energy in the space of the Demonic Tower of Desire where Hanba was located was very rich, and it was also innate spiritual energy.

"this.....Is this innate aura? Has your mana been restored? What is that bastard doing? After torturing yourself, are you trying to tempt yourself again?"

Han Ba was stunned for a moment.

The rich innate spiritual energy and her mana had also recovered. Han Ba couldn't understand what Su Chen was going to do.

But if she could recover her mana, she could also practice in the Demonic Tower of Desire. If If Su Chen dares to torture her again, Hanbao can also blow himself up and die.

Bang Bang Bang....

Suddenly, flat peaches hit Hanbao's head one after another.

Hanbao was about to smash the peaches that hit her, but she suddenly realized that the one that hit her was actually the top-grade innate spiritual fruit flat peach. (To read Baoshuang novels, go to Feilu Novel Network!)

Three thousand years of flat peaches, six thousand years of flat peaches,

Hanba was stunned by the flat peaches.

After a while,

Hanba felt dizzy looking at the numerous top-grade innate spiritual fruits around her.

There were numerous flat peaches, ginseng fruits, yellow plums, purple jade grapes, and golden apples. These were all top-grade innate spiritual fruits.

Hanba feels like the sky is in a dream

"Hanba, you have a good figure. These are rewards for letting me see your attractive figure. No need to thank me. If you want to kill me, just practice hard, otherwise you won't be able to kill me."

Han Ba heard Su Chen's voice and hurriedly protected her body.

She cursed angrily with her face flushed,

"Shameless bastard, don't think you can bribe me like this, I will definitely kill you."

On Taoshan Mountain,

Su Chen leaned under an apricot tree and smiled.

Han Ba's dazed look was really tempting, especially Han Ba's sexy little mouth. If Han Ba was dealt with in the future, Su Chen decided to enjoy Han Ba's mouth. Seductive little mouth.

Su Chen looked at the scenery of Taoshan and whispered,

"Another day has passed, three days later, that idiot Haotian will arrive, right?"

"Your Majesty, please have tea!"

The goddess of Wushan placed a table beside her, and handed the brewed Enlightenment Tea to Su Chen.

"Little fairy, do you want to go to heaven?"

The goddess of Wushan shook her head and replied,

"No, there are too many rules in heaven, but I still like an unfettered life."

Su Chen took a sip of tea and said with a smile,

"I understand, little fairy, Taoshan will be under your control from now on, and you can live an unrestrained life on Taoshan."

"Thank you, Your Majesty!"

The Goddess of Wushan was very happy when she heard what Su Chen said.

She is no longer afraid of Su Chen these days. Su Chen doesn't have the majesty of the Emperor of Heaven at all, and he is also very easy to talk to.

The Goddess of Wushan has been trained by Su Chen in the past few days. The resources are overwhelming, the best innate spiritual fruit, the best enlightenment tea, as well as fairy wine and some elixirs. The Wushan Goddess feels that she can advance to Xuan (Dehao Zhao) Immortal or even Golden Immortal in less than a thousand years.

Whoosh!

Hongjun suddenly appeared next to Su Chen.

He looked at Su Chen and nodded and shouted,

"Emperor Su Chen!"

"Daozu Hongjun!"

When Su Chen saw Hongjun coming, he was not worried that Hongjun should take action against him.

Hongjun had sworn an oath of heaven and earth that he would not take action against him. If Hongjun dared to kill him personally, the prehistoric heaven would destroy Hongjun into dregs.

When the Wushan Goddess heard Su Chen and Hongjun calling each other, she stood beside Su Chen in confusion. Was

Daozu Hongjun divided?

How could Daozu Hongjun come to see Su Chen?

And it seemed that Daozu Hongjun and Su Chen The relationship seemed to be bad.

Wushan Goddess looked at Su Chen and became worried. She was afraid that Su Chen had provoked Daozu Hongjun. If Daozu Hongjun wanted to kill Su Chen, Wushan Goddess felt that Su Chen was doomed.

A prehistoric Emperor of Heaven.!

A Taoist ancestor from ancient times!.

Chapter 2576

Su Chen invited Hongjun to sit down.

He wanted to know what Hongjun was doing here this time.

It was impossible for Hongjun to come to have a heart-to-heart talk with him, and it was impossible for this old bastard to come to meet him.

"Little fairy, pour tea for Hongjun!"

"Yes, Emperor of Heaven!"

The Goddess of Wushan hurriedly poured a cup of tea for Hongjun. She was very nervous at the moment.

Emperor Su Chen! Taoist ancestor

Hongjun.

They are both big bosses in the ancient fairyland. A casual word between the two of them may lead to countless consequences. Countless creatures died.

Hongjun took a sip of tea and said,

"Emperor of Heaven, we would never have been enemies.

Su Chen shook his head and said, "Enemy?" No, Hongjun, I have never regarded you as an enemy."

"Um?"

Hongjun looked at Su Chen in surprise, not an enemy?

Was Su Chen afraid?

Or was he ready to beg for mercy?

Su Chen shook his head and said,

"Don't be surprised. You want to be my enemy, but you are not qualified. You are just a stumbling block in my way. If I want to move forward, you must be moved away or even destroyed."

In this world,

Su Chen does not regard Hongjun as an enemy.

He wants to complete the trial mission.

Hongjun is the biggest stumbling block. It is very simple for Su Chen to destroy Hongjun.

But this will not affect his trial. The refining task would have an impact, so Su Chen initially traded his secret for Hongjun, and the five great saints did not take action against him.

However, it was different now.

The ancient law of heaven was already on his side, and Su Chen did not care about ending the trial task early. Terminate the Conferred God War in advance

"Hahaha....., "

Hongjun Tiandao laughed out loud at Su Chen's words, a stumbling block?

He didn't expect that Su Chen would be so arrogant.

He was a majestic saint of heaven, an ancestor of the ancient immortal world, and the most powerful person in the ancient immortal world.

In Su Chen's eyes, he was just a stumbling block?

Hongjun didn't expect that he was not even worthy of becoming Su Chen's enemy?

A scumbag Taiyi Golden Immortal, even if Su Chen had Nuwa's protection behind him, it would be easy for Hongjun to kill Su Chen.

Hongjun smiled and said to Su Chen,

"Emperor Tian, you have impressed the old Taoist. Are you a stumbling block? I didn't expect that the old Taoist was just a stumbling block in your eyes."

Su Chen nodded and admitted,

"Yes, you are just a stumbling block. Hongjun asked with a serious face.

"Emperor Tian, you are just a scumbag of the Tianyi Golden Immortal. I don't understand. What qualifications do you have to say that I am a stumbling block? Am I, a dignified saint, not even qualified to be your enemy?"

"Hongjun, do you still remember the first time we met?"

"Remember, you deposed the Heavenly Emperor Haotian, and robbed me of several spiritual treasures. You also instigated the relationship between saints, and even made the old Taoist swear an oath of heaven not to take action against you within a hundred years."

"Hongjun, aren't you surprised why I asked you not to take action against me within a hundred years?"

"Appreciate further details!"

Su Chen took a sip of tea and explained to Hongjun,

"Hongjun, when we first met, I wanted to destroy you. You should understand that I can destroy you."

"It's just that I still needed to do something at that time, and it would take decades. I had no choice but to make you swear an oath of heaven not to take action against me for a hundred years."

"It's different now"

"What I want to do is about to be completed, and I don't have to hesitate to do what I want to do."

"Hongjun, you, and those saints, you will all be cleaned up by me." (To read exciting novels, go to Feilu Novel Network!)

"Either you will be dethroned and remain in the Immortal Realm, or you will be permanently expelled from the Immortal Realm by the Way of Heaven. You will not be able to enter the Immortal Realm again in your lifetime."

The Goddess of Wushan slumped down on the grass with weak legs after hearing Su Chen's words.

It was too scary, no, it was too scary for the fairy.

She didn't expect that Su Chen looked down on Daoist Hongjun at all.

A stumbling block?

Hongjun even became Su Chen. The enemy's qualifications are not even considered.

A Taiyi Golden Immortal looks down on a Heavenly Saint?

This is simply a fantasy.

The Wushan Goddess thinks that Su Chen is seeking death.

Daozu Hongjun wants to kill the Heavenly Emperor Su Chen. He may Su Chen can be killed.

Wushan Goddess is no longer worried about Su Chen at this moment. She is worried that after Hongjun kills Su Chen, she may also be destroyed by Hongjun.

"God, it's a pity that you don't have a chance."

Hongjun looked at Su Chen with a gloomy face. He didn't expect that Su Chen had such a big heart.

Destroy the holy throne?

Expelled from the prehistoric fairyland?

Su Chen can control the secrets, but the opportunity has been lost, and the prehistoric heaven has been far away from the prehistoric world. The Immortal Realm, and he also blocked the attention of the Prehistoric Heavenly Dao from the Prehistoric Immortal Realm. It was impossible for Su Chen to summon the Prehistoric Heavenly Dao at this moment.

Su Chen said with a smile,

"Chance? I never wait for opportunities. I like to take the initiative and take risks."

"My wife says that I am a bastard who seeks death, and I often seek death, but I am always fine every time, and I even become stronger every time I seek death."

Hongjun nodded after hearing Su Chen's words.

Su Chen is a master of seeking death.

In the more than ten years of the prehistoric fairy world,

Su Chen can be said to have been seeking death every time.

But this bastard is very lucky. The Queen Mother of the West is so accurate. The saints will appear in time to help him.

Hongjun admires Su Chen's ability to deal with women. Su Chen has taken care of every female quasi-sage. Su Chen probably deserves the title of the number one pretty boy in the world.

"Hongjun, why did you come to see me this time? Now you can say it!"

After hearing what Su Chen said, Hongjun asked straight to the point,

"Emperor of Heaven, what was it that killed the five great saints in the Ice Cave in the Northern Territory?"

"Chaos Demon God!"

Su Chen didn't hide anything from Hongjun while drinking tea.

There is no point in hiding it.

In a few days,

Hongjun will be completely no threat to him.

A deposed Hongjun,

Hongjun can only hide in the future. The Chaos Demon God Neither Hongjun nor the five great saints would let go of the deposed Hongjun.

Hongjun shouted to Su Chen in disbelief,

"Impossible, even if the Chaos Demon God appeared in the ancient fairyland, the Chaos Demon God should not have fully recovered. It is impossible for the five saints to be killed without seeing each other."

Su Chen shook his head and mocked,

"Hongjun, those are the five great saints who are too useless."

"You should be very clear about how powerful the Chaos Demon God is. Even if the Chaos Demon God has not fully recovered, do you think the five saints will be the opponents of the Chaos Demon God?"

"What if the Chaos Demon God has a powerful spiritual treasure? Do you think the five great saints will see the Chaos Demon God who killed them?"

## Chapter 2577

Hongjun nodded when he heard Su Chen's words.

The Chaos Demon God is very powerful. During the Dragon and Phoenix Tribulation, if Hongjun hadn't calculated the three demons of Universe, Yin and Yang, and Space, he would not have been able to defeat the Killing Demon God Luohu at that time.

However, in the Ice Cave, the five saints were killed by the Chaos Demon God.

Why was Su Chen not killed? Why were Nuwa and her daughters not killed?

The quasi-sages of Zhen Yuanzi said that Su Chen saved them. How could Su Chen, a scumbag of Taiyi Golden Immortal, save those quasi-sages from the hands of the Chaos Demon God?

Hongjun couldn't figure it out.

He had always had a bad premonition in his heart. He couldn't tell what it was. This was also the purpose of coming to see Su Chen.

Hongjun touched his beard and continued to ask,

"Emperor of Heaven, why didn't the Chaos Demon God kill you? Why didn't those people kill Nuwa?"

Su Chen took a sip of tea, shook his head and refused,

"Hongjun, I can't answer this question for you. Maybe you will know it soon."

Just kidding,

Hongjun will ask Haotian to kill him in a few days.

Can Su Chen expose Bing Ji and Xue Ji?

This old bastard is really thoughtful. More than ten years have passed since the incident in the Ice Cave. , Hongjun actually hasn't given up on exploring what happened in the Ice Cave.

Seeing that Su Chen didn't answer, Hongjun thought for a while and asked,

"Emperor of Heaven, don't you plan to return to the six realms of reincarnation?"

Su Chen curled his lips and said sarcastically,

"The Six Paths of Reincarnation cannot protect me. Although Houtu is powerful, you may not be able to beat Houtu in the Six Paths of Reincarnation, but there are still five great saints in the prehistoric immortal world. As long as you let the five great saints hold Houtu down, your little boy will Take action to kill me"

"Why do I see that you are not worried at all?"

Hongjun took a sip of tea and nodded.

However, he saw that Su Chen was not worried or panicked at all, as if he was not the one who was about to face life and death.

Hongjun was a little confused.

Su Chen should be afraid of death. Man, he clearly guessed that Haotian would come and kill him. Why didn't Su Chen look afraid and panic?

As a Taiyi Golden Immortal, could Su Chen have the ability to escape from a saint?

"Ha ha....., "

Su Chen stood up, looked around Taoshan and laughed,

"Is it useful to worry? What should come will always come"

"Taoshan is a nice place. Haotian should be moved by the scene when he arrives. Maybe Haotian thinks of his sister Yao Ji who was killed by him. Maybe that idiot Haotian will let me go.

Hongjun said coldly, "Haotian will not let you go."

Su Chen rubbed his chin and said nonsense to Hongjun,

"Who can say for sure?"

"Hongjun, people's hearts are the hardest to predict"

"The calculations of the immortals, the calculations of the mighty, the calculations of the saints, all are for their own interests and for their own purposes. Haotian may not see hope in you, and he may seek refuge with me, the five saints said Maybe I'll think so too."

Hongjun didn't expect Su Chen to say this.

People's hearts are unpredictable?

The calculation of a saint?

Hongjun looked at Taoshan.

He now understood why Su Chen appeared in Taoshan.

Did Su Chen want to persuade Haotian?

But this Is it possible?

The life and death of Haotian and the life and death of the saints all depend on his thoughts. Do Haotian and the five saints dare to rebel against him?

"God, take care of yourself!"

Whoosh!

Hongjun nodded to Su Chen and disappeared instantly.

He came to solve some doubts in his heart. Although Su Chen didn't fully explain it, Hongjun also guessed something.

A few days later, (see For exciting novels, go to Feilu Novel Network!)

As long as the immortal army of the ancient world enters the western realm, this is also the time when the emperor of the ancient world falls.

"Do you want to take care of yourself? Hongjun, this sentence should be given to you!"

Su Chen shook his head and sat down again.

In about three days, everything will be over,

Hongjun?

Will he still hide in a small world like the main world?

The Wushan Goddess looked at Su Chen in a daze. It seems that

Hongjun has left?

Why didn't Hongjun take action to kill the Emperor Su Chen?

The Wushan Goddess felt a headache.

She was very puzzled by what she just heard. Su Chen and Hongjun were obviously hostile to each other, and were even on the verge of breaking out. Hongjun Why didn't Jun slap Su Chen to death?

Su Chen looked at the confused Wushan Goddess and smiled.

The Wushan Goddess was so frightened that she slumped down on the grass. The little fairy now looked confused again. This little fairy She's so confused and cute.

"Little fairy, prepare some more futons and tea cups, some more people will arrive soon."

The goddess of Wushan hurriedly replied,

"Yes, Emperor of Heaven!"

Are there other people coming?

Who will come later?

Someone who can be on an equal footing with the Emperor of Heaven.

Could this be another saint?

As the Wushan Goddess prepared the futon, she absent-mindedly speculated.

Su Chen looked at the confused Wushan The goddess asked,

"Little fairy, aren't you curious about who will be coming soon?"

The goddess of Wushan nodded hurriedly and said,

"Curious, Emperor Tian, can you tell me first?"

"Haha, no!"

"Why?"

"No reason, I just think your confused look is a bit silly, but 207 is also a bit cute."

The goddess Wushan's face turned dark when she heard Su Chen's words.

What's stupid?

What's cute?

She felt that Su Chen was starting to be unruly again.

In Kunlun Mountain, the five saints sat together in silence with serious faces.

Hongjun went to Taoshan to look for him. After seeing Su Chen, the five saints did not find out what Hongjun and Su Chen talked about.

The immortal army from the ancient immortal world was about to enter the western realm. What was Hongjun going to Su Chen for at this time?

To threaten?

To win over?

Or for Su Chen. An ultimatum?

"What do you think?"

"It was impossible for Daozu to win over Su Chen. I guess Daozu had some doubts and asked Su Chen."

"Confuse? My fellow Taoist, how could Taoist ancestors have doubts? I guess Daozu gave Su Chen an ultimatum, or maybe he wanted Su Chen to panic."

"Impossible, Zhunti, the army of the immortal world is about to enter the western realm. Dao Ancestor should also let Haotian take action in the past few days. Su Chen came out of the Six Paths of Reincarnation. I guess the Dao Ancestor should be curious as to why Su Chen did not stay in the Six Paths of Reincarnation and let Hou Tu protect him"

"Everyone, it's useless for us to speculate here. How about we go over and ask Su Chen? Su Chen won't live for a few more days. Daozu shouldn't mind us going to see Su Chen."

Chapter 2578

After the five saints talked for a while, they all decided to go find Su Chen.

Su Chen would be killed in a few days. The five saints wanted to know what Hongjun and Su Chen had talked about. They also wanted to find out what happened between Hongjun and Su Chen before he died. I want to know more secrets.

In Taoshan,

Su Chen was drinking tea leisurely.

He guessed that the five saints would definitely come to find him. Hongjun's appearance could not hide the five saints.

In the past few days, not only Hongjun has been checking on him, but the five saints have also been checking on him.

"Heavenly Emperor, will the person you are waiting for come again?"

The Goddess of Wushan looked around.

More than two hours had passed.

Why didn't the people Su Chen was waiting for show up? Could it be that Su Chen had guessed wrong?

"It will come!"

"will come?"

"will come!"

"Will it really come?"

Su Chen looked at the Wushan Goddess speechlessly.

Why is this little fairy endless?

The little fairy is getting more and more cute and stupid. Is this still a fairy?

Whoosh!

At this moment,

Haotian suddenly appeared. Next to Su Chen, he stared at Su Chen with an indifferent expression and said nothing.

The Wushan Goddess saw an immortal suddenly appeared, and it looked very scary. She hurriedly hid behind Su Chen.

Su Chen saw Hao Tianlai didn't pay attention to him, an idiot, a puppet, a chess piece!

Did Haotian think that if he killed Su Chen, he would be safe?

Can Hongjun protect this idiot?

If Haotian really kills him, what will happen to the prehistoric heaven? Destroy Haotian into ashes, even Haotian's soul will not let go, an idiot's stupid chess piece.

After a while,

Haotian said to Su Chen with an indifferent expression,

"Su Chen, leave Taoshan immediately, this is no place for you to stay."

Su Chen curled his lips and mocked disdainfully,

"Haotian, do I need you to take care of where I go? Do you think you are still the Emperor of Heaven? saint? You, the saint, are just a parallel import, a saint who only wants to become a chess piece. You are worse than the five great saints. Haotian shouted angrily with a gloomy face,

"Su Chen, I'm saying it again, leave Taoshan immediately."

Su Chen gestured to Haotian with his middle finger and said,

"No, don't leave. I will stay in Taoshan for the next month. Haotian, do you dare to take action against me now?"

Su Chen didn't expect that Haotian really cares about Taoshan.

Yaoji fell in Taoshan.

Is Haotian afraid of falling in love with the scene? Or does he feel ashamed of his sister Yaoji?

But it doesn't matter anymore.

Haotian will also fall in Taoshan, Su Chen Hui kindly allowed Haotian and Yaoji brother and sister to sleep here together.

Haotian pointed at Su Chen and his whole body trembled angrily,

"you....."

When Su Chen saw Haotian pointing at him, his expression turned cold and he cursed,

"Haotian, do you dare to take action without Hongjun's order? You are a useless stupid dog"

"Su Chen, you are seeking death!"

"Take action, I can't wait for you to take action"

"Damn it, Su Chen, you won't be better for a few days, I will kill you completely."

Haotian was so angry that he was about to burst out, but he didn't dare.

He didn't even dare to burst out even a little bit of the saint's breath.

If Haotian dared to ruin Hongjun's important event, he would be killed by Hongjun. Dropped.

Su Chen looked at Haotian with disdain and sneered, (To read Baoshuang novels, go to Feilu Novel Network!)

"Haotian, I originally gave you a chance for Princess Long Ji's sake, but you didn't grasp it."

"You don't have to refute me if I say you're stupid."

"Look at the other five saints. They all swore the oath of heaven without hesitation. Do you think that with just a secret, the five saints can take the oath of heaven?"

"Think about it, you idiot."

The goddess of Wushan lowered her head and listened to the angry arguments of Su Chen and Haotian.

The immortal who came this time was the former Emperor Haotian, and the former Emperor Haotian also became a saint?

The former Emperor Haotian! (dbci)

The current Emperor Su Morning!

Su Chen actually faced Haotian shouting idiot after idiot. She felt harsh when she heard it, but Haotian actually held back and did not explode. The goddess of Wushan admired Su Chen very much.

"Su Chen, what do you mean?"

Haotian became confused when he heard Su Chen's words.

The five saints swore the oath of heaven.

Weren't they forced by Su Chen?

Is there any hidden secret in this?

Idiot?

Su Chen kept calling him an idiot. Is it possible that there is something hidden in this? And he has no secret? Or is it for some reason?

"Guess it yourself!"

Su Chen drank tea and shook his head.

He was just talking nonsense. Anyway, the five great saints have not arrived. It's good for Su Chen to make fun of Haotian.

Haotian felt very helpless.

If this bastard didn't say anything, he wouldn't be able to force Su Chen. Chen said it,

Princess Longji?

Haotian thought of his daughter, Princess Longji, and shouted to Su Chen with a cold face,

"Su Chen, hand over my daughter."

Su Chen shook his head and said deliberately to make Haotian angry,

"No, your daughter is good, and her figure is very attractive. I like Princess Longji very much, and your daughter is also very good at serving me. I will love your daughter well in the future."

Haotian cursed with a black face when he heard Su Chen's words,

"Shameless person, Su Chen, are you still an emperor? Do you still want to lose face?"

The Wushan Goddess looked at Su Chen with her sexy mouth open.

She didn't expect that Su Chen had snatched Haotian's daughter and said such disgusting words.

The Wushan Goddess quietly took a few steps back.

She felt that Su Chen was a The debauched and immoral Emperor of Heaven,

Wushan Goddess thought that Su Chen was too kind to her, and she was worried that Su Chen would capture her and imprison her as a concubine.

Su Chen noticed that Wushan Goddess retreated and was wary of him, and his face turned black as if he wanted to beat Wu Shan. The goddess' buttocks were slapped a few times. This little fairy is so stupid. Su Chen deliberately wanted to anger this idiot Haotian. What did the Wushan goddess think of him?

A debauched and innocent pervert?

Damn, he seems to be really a debauched person. The shameless sex demon.

Swish, swish, swish.....

Lao Tzu, Yuan Shi, Tong Tian, Jie Yin, Zhunti, the five great saints also appeared under the apricot trees in Taoshan.

Su Chen looked at the five saints arriving and waved his hands and said,

"Everyone, you are here a little late, please take a seat."

The five saints all looked at Su Chen with dark faces.

Su Chen's actions reminded them of every time they went to Zixiao Palace. Hongjun seemed to treat him like this every time. Does this bastard think he is his Taoist ancestor? Or is this him

?

Is the bastard stronger than the five great saints?

"Aren't you going to sit down? Then you go back and forth from there, I have no time to talk to you"

Chapter 2579

Su Chen also acted unintentionally just now.

After he found that the five saints all had dark faces,

Su Chen understood that he was just like Hongjun now. When the five saints arrived, Hongjun might have ordered the five saints to sit down in the same way.

However,

Su Chen also likes to see the five great saints looking deflated.

"Heavenly Emperor, our arrival did not disturb you, right?"

After I waved to the other four people, he sat on the futon prepared by the Wushan Goddess.

The four Yuanshi people also sat down one after another.

They have come.

If they leave like this, the secrets they want to know will be lost in the future. It is impossible to know anymore.

Su Chen glanced at Queen Haotian who was standing next to him, and he replied to me,

"No, I've been waiting for you to arrive for a while"

"Does the Emperor of Heaven know that we are coming"five and seven"? Yuan

Shi asked Su Chen doubtfully.

He understood at this moment that there were five futons in front of Su Chen. They had been prepared in advance.

How could Su Chen know that the five great saints would arrive?

A scumbag Taiyi Golden Immortal,

It was impossible for Su Chen to figure out what the five saints were going to do.

At this moment,

Haotian had a dark face and was neither leaving nor staying. When the five saints arrived,

Su Chen invited the five saints to sit down.

What about him?

Haotian had already arrived. Yes,

Su Chen didn't even invite him to sit down.

Haotian thought of Su Chen sitting and watching him before, and Su Chen drinking tea while he was watching.

At this time, the five great saints had all sat down, but there was no one around them. Futon, is he going to conjure up a futon and sit down?

Haotian looked at the little fairy behind Su Chen.

He hoped that the little fairy would have the look to prepare a futon for him, but he found that the little fairy lowered her head and looked uneasy. It looked like Haotian couldn't help but want to slap the little fairy to death.

At this moment,

Su Chen poured tea for the five saints and said with a smile,

"Of course, after Hongjun arrives today, it would be strange if you five great saints do not come."

Su Chen can't count on the Wushan Goddess at this moment.

The little fairy is wary of him.

He doesn't expect the little fairy to pour tea for the five saints. Su Chen is also worried that the little fairy is afraid of bumping into the five saints.

Zhunti asked Su Chen doubtfully road,

"Emperor of Heaven, do you know our purpose?"

"Make some guesses"

"Can you let me know?"

"Zhunti, there is no benefit, do you think I will say that?"

Su Chen looked at Zhunti with a smile and said, "This is the last time.

This is his last chance to blackmail the five great saints. The blackmail feels very good, especially the blackmailing of the superior saints. This feels even better." I asked with a serious face. road,

"What does the Emperor of Heaven want?"

Su Chen touched his chin and thought for a while and said,

"You don't have any good spiritual treasures in your hands, so let's do this: ten low-grade innate spiritual treasures, five medium-grade innate spiritual treasures, three high-grade innate spiritual treasures, and three innate spiritual roots."

"As long as you leave these to me, I can answer all your questions today."

After a while, after I talked with the five souls, they decided to agree to the Lingbao that Su Chen blackmailed.

"make a deal!"

"make a deal!"

The five saints took out the spiritual treasures and spiritual roots and gave them to Su Chen. These were only temporarily stored in Su Chen.

A few days later, after Su Chen died, (for Baoshuang novels, go to Feilu Novel Network!)

Their Both spiritual treasures and spiritual roots can be recovered.

Wushan Goddess looked at Su Chen with gleaming eyes at this moment, blackmailing saints?

Blackmailing five saints at once?

Lingbao?

So many innate spiritual treasures!

Wushan Goddess is just a pauper, don't What kind of spiritual treasure are you talking about? She doesn't even have a spiritual weapon on her body.

"God, we want to know....."

I was about to ask Su Chen a secret, but

Su Chen hurriedly waved his hand to stop him,

"Wait, there is an uninvited guest here. You five saints don't want this uninvited guest to hear it, right?"

The five saints looked at Haotian one after another. They really forgot about Haotian next to them.

A saint can be forgotten by them, but

Haotian really has no sense of existence.

"Haotian, please leave Taoshan first"

"We have something to talk to the Emperor of Heaven, Haotian, please leave first"

"Haotian, you go back to Zixiao Palace to serve Tao Ancestor. We have something to talk to the Emperor of Heaven....."

"Little boy, this is not the place you should stay. You should go back to Zixiao Palace and obey Dao Ancestor's instructions."

"Haotian, get out of here. You can come back after we leave."

None of the five saints were polite to Haotian.

They also looked down on Haotian very much. He was a boy, an emperor, and a saint. No matter what his identity was, Haotian was a fool who couldn't hold up the wall.

Haotian Yi He stared at the five saints angrily and shouted,

"you....you..., I am a heavenly saint after all, you are all saints like me, why do you still look down on me? Am I still a child?"

Tongtian mocked Haotian with a look of disdain,

"saint? Haotian, do you believe that I can kill a saint like you with one hand? If you are in the holy realm of the first heaven, and it is impossible to advance again in the future, you are a waste among saints."

Haotian looked at the five saints with a cold face. He felt that his life was a tragedy.

When he was a boy, he was looked down upon by the saints. When he was the emperor of heaven, he was still looked down upon by the saints. Even his sister Yao Ji was plotted against. Haotian Tian also disowned his sister and killed his sister.

What now?

He is a superior saint, but he is still looked down upon by other saints.

What about Su Chen?

A scumbag Taiyi Golden Immortal, a shameless Emperor of Heaven, why did Su Chen and Are saints equal?

Haotian 3.2 glanced at Su Chen coldly and then disappeared. He had no face to stay.

All this was because of Su Chen, all because of that shameless bastard.

A few days later,

Haotian wanted to kill Su Chen Tortured to death, he had to repay Su Chen for the humiliation the saints had given him.

Su Chen saw Haotian leaving, and Haotian gave him a cold look.

This was a look of hatred.

Haotian was given all the humiliation given to him by the saints. He was planning to take out these humiliations on Su Chen.

Su Chen didn't care about it.

In a few days, someone would send Haotian and his sister to reunite.

I asked Su Chen with a serious face,

"Emperor of Heaven, I want to know about the Great Tribulation of the Gods. Is this a great catastrophe promoted by the prehistoric way of heaven? Or is Daozu pushing it behind the scenes?"

"Hongjun!".

Chapter 2580

Su Chen nodded without hesitation.

The Great Tribulation of the Gods was an important part of Hongjun's plan to steal the power of Heaven.

The prehistoric fairy world was broken and the spiritual energy became thinner.

Hongjun wanted to weaken the prehistoric Heaven in order to achieve the purpose of controlling Heaven. , and even seizes the origin of Heavenly Dao and achieves the realm of Dao. He doesn't care at all whether the prehistoric immortal world will be destroyed.

Yuanshi Tianzun asked Su Chen doubtfully,"Emperor, why did the Taoist ancestor launch the Great Tribulation of the Gods?"

Su Chen took a sip of tea and explained,

"It's very simple. Hongjun wants to steal the power of Heavenly Dao. He will seize the origin of Heavenly Dao and advance to the realm of Dao in the future. Hongjun doesn't care about life and death in the ancient immortal world."

"Haven't you noticed that after every great catastrophe in the Great Desolate Immortal World, the Great Desolate Immortal World will become weaker and weaker?"

"The pillar of heaven collapsed, and the innate spiritual energy turned into the acquired spiritual energy"

"Have you ever thought about it"

"If I had not appeared during this Great Tribulation of the Gods, Saint Tongtian would have faced the siege of the four great saints of yours. The Immortal Killing Sword Formation was deployed, and the five great saints would have fought in the prehistoric immortal world."

"Will the prehistoric fairy world be shattered?"

"After the shattered prehistoric fairy world, do you think the spiritual energy will become even thinner? If the immortals don't have enough spiritual energy to practice, what will the prehistoric immortal world slowly become in the future? A dead realm like the Western Realm?"

The five saints were shocked and unbelievable when they heard Su Chen's words.

They did not expect that Hongjun would do this.

The prehistoric immortal world was broken?

Stealing the power of heaven?

Seizing the origin of heaven?

Will the prehistoric immortal world eventually become a dead zone?

Hongjun is going to sacrifice the prehistoric world. Come to the immortal world to achieve his goal, transcend the heavenly way and achieve the realm of the great road? Hongjun's calculation is so big that it makes the five saints tremble and restless. The goddess of Wushan covered her small mouth and was about to faint from fright.

What Su Chen said was Is it true?

Hongjun wants to achieve transcendence at the cost of the ancient immortal world?

This is unbelievable.

Zhunti asked Su Chen with an ugly face,

"Heavenly Emperor, if all this is true, what will happen to us saints, and even the immortals in the prehistoric immortal world?"

Su Chen looked at the five great saints and shook his head.

"Haven't you already guessed it? What happened in the Western Realm will also happen in the Great Desolate Immortal Realm in the future, and the Great Desolate Immortal Realm may even be shattered and disappear completely."

"damn it!"

Tongtian yelled with an angry look on his face.

He didn't expect Hongjun to be so vicious. If the ancient world shattered and disappeared, would their saints still be immortal?

The faces of other saints were very angry, but they were also very helpless.

Their life and death are controlled by Hongjun.

Resist Hongjun?

Not only are they not strong enough, but if they resist Hongjun, they may be suppressed by Hongjun in a moment, or even killed.

I suddenly thought of the Meteor Holy Pill,

He hurriedly asked Su Chen,

"Emperor of Heaven, you told us about the Meteorite Pill. Could it be that during the Great Tribulation of the Gods, when our five great saints broke through the prehistoric immortal world, Hongjun would take the opportunity to force us to eat the Meteorite Pill?"

Su Chen said nonsense with a smile,

"It's not you, but the Saints of the Three Purities. You Saints of the Three Purities are the incarnations of Pangu Yuanshen. If Hongjun wants to destroy the prehistoric immortal world, do you think Hongjun will let you continue to exist?"

"As long as Hongjun completes all his calculations, it will be time for you Sanqing to disappear."

I, Yuanshi, and Tongtian all became uneasy when they heard Su Chen's words.

It turned out that the Meteor Saint Pill was prepared for their Sanqing.

Hongjun really deserves to die.

Su Chen drank tea and looked at the five saints.

He was The five saints were deliberately made to hate Hongjun deeply. If Hongjun was deposed, the five saints would pursue Hongjun relentlessly, and Hongjun would hide everywhere like a bereaved dog.

Huh?

Space fluctuations? (see For exciting novels, go to Feilu Novel Network!)

Could it be that Hongjun was angry?

His aura couldn't help but be exposed?

Su Chen checked and continued drinking tea.

Hongjun should be angry, but it doesn't matter. It's bullshit.

Hongjun will let Haotian kill him anyway.

Su Chen still cares about it.

If Hongjun is so angry that he can't stand it anymore, he can take it out on the five saints.

"Emperor of Heaven, what will happen to our Western religion in the future?"

Jie Yin frowned and asked Su Chen.

He had previously thought that the Meteorite Pill had nothing to do with him and Zhunti, but he thought something was wrong. Hongjun had already started to deal with Sanqing. Will their senior brother Hongjun let him go? ?

Su Chen looked at Jieyin and said,

"Destroy the religion! When the religion is completely destroyed, when Buddhism is destroyed, it is also the time when there are no immortals in the prehistoric immortal world, or even when the prehistoric immortal world is shattered and disappears."

Zhunti shouted in surprise, "Destroy the religion? How can this be?"

"Buddhism will flourish for a while in the future, but it will only be temporary. Zhunti, if I name a name, you and Jie Yin should be able to relate to it."

".who is it?"

"Wutian!"

Jie Yin and Zhunti vibrated when they heard Su Chen's words.

They knew that Su Chen was right.

Wu Tian should be the one who destroyed Buddhism, but who was Wu Tian? Why couldn't they figure it out?

"Do you have anything else to ask?"

"Emperor of Heaven, can you escape this disaster?"

"Who can say this accurately? Do you really hope that I can escape this disaster?"

After the five saints heard what Su Chen said, they looked at each other.

Do they hope that Su Chen can escape this disaster?

Of course they hope that Su Chen can escape this disaster.

Although Su Chen is also the enemy of the five saints, Su Chen It is much easier to deal with than Hongjun, and Su Chen will not destroy the prehistoric immortal world, which coincides with their thoughts.

But do they dare to answer?

Hongjun must be checking them, and they are unwilling to do so. Dare to say it.

Su Chen leaned under the apricot tree and smiled.

He understood the thoughts of the five saints. Compared with Hong (Nuo Mo Zhao) Jun, the five saints must hope that he will not die. They would rather deal with him than It was much easier for Hongjun.

Hey!

Xingshu actually has spiritual intelligence?

Is it because of the Taoist charm between him and the saints that Xingshu became spiritually intelligent?

Su Chen touched his chin and thought for a moment, then waved to Xingshu. After gaining some merit, Xingshu was destined to be with him, and Su Chen didn't mind helping Xingshu.

Su Chen put his mark on Xingshu and Houyi,

"Xingshu, you will be called Xingyao from now on. You have my mark. No one in the prehistoric fairyland dares to attack you."

"God, what are you doing?"

The Goddess of Wushan saw that the five saints were all meditating.

She saw Su Chen shining a golden light on the apricot tree. The Goddess of Wushan asked Su Chen in confusion,

"Little fairy, you will have a companion in Taoshan from now on. This apricot tree has wisdom. I named her Xingyao."

"The apricot tree has intelligence?".
