

## Zongwu 2581

### Chapter 2581

The Wushan Goddess looked at the apricot tree and was very surprised. An ordinary apricot tree actually had intelligence?

This is incredible.

A small apricot tree has grown for more than ten years, and it is not even an acquired spiritual root.

The Wushan Goddess cannot understand how an apricot tree can give birth to spiritual wisdom.

At this time, the five saints heard the conversation between Su Chen and the Wushan Goddess, and they all looked at the apricot tree. They didn't care about the birth of spiritual wisdom from an apricot tree, but Su Chen imbued the apricot tree with heavenly virtues. The five saints all felt that Su Chen was too defeated. Even if an ordinary apricot tree is born with spiritual wisdom, its growth will not be better. The apricot tree will at most become an immortal in the future. Su Chen has imbued the apricot tree with merit. Isn't this a waste of money? Yuan Shi shook his head and asked Su Chen, "Emperor of Heaven, what killed us in the Ice Cave?"

"

"Chaos Demon God!"

"It turned out to be the Chaos Demon God. No wonder he was killed without us even seeing him."

I looked at Su Chen and continued to ask,

"Emperor of Heaven, Hongjun accepts us as his disciples. Is this a conspiracy? Is it possible for us to become Hunyuan Daluo Jinxian?"

After Su Chen watered the apricot tree with three drops of Sanguang Divine Water, he touched his chin and thought for a while before continuing to talk nonsense,

"You are all blessed with great luck. Not only you, but Sanren Hongke from Zixiao Palace are also blessed with great luck."

"Hongjun preached three times. You all have a master-disciple relationship with Hongjun, and your luck has been stolen a lot by Hongjun."

"As for whether you will become Hunyuan Daluo Jinxian in the future, I can't say for sure. After all, you have lost too much luck. Hunyuan Daluo Jinxian, this is the state that Daluo Jinxian will advance to in the future."

"Have you ever thought about whether the Chaos Demon God became a saint?"

"Three corpses testify? This is just a way for Hongjun to deceive you. Do you saints have three corpses to prove the truth?"

"Hongjun and Luo Hu fought in the west, and the wild west was shattered by Luo Hu's self-destruction. The spiritual energy was even exhausted for a time, and all living things were destroyed. If Luo Hu died, Hongjun would naturally have to bear the karma."

"As a result, Hongjun lost the opportunity to advance to the Hunyuan Daluo Golden Immortal. He took a shortcut using the Hongmeng Purple Qi and became a saint, a saint governed by the law of heaven."

"And Hongjun did not become the Hunyuan Daluo Golden Immortal. Do you think Hongjun will let other people in the Primordial Immortal Realm become Hunyuan Daluo Jinxian?"

The faces of the five saints became even more ugly when they heard Su Chen's words.

Not only were they extremely angry at this moment, the five saints wanted to destroy Hongjun physically and mentally.

No wonder when Nuwa abandoned her holy position and became the Hunyuan Daluo Golden Immortal,

Hongjun would appear to stop him, and even wanted to expel Nuwa from the ancient world.

Hongjun deceived all the immortals in the ancient world,

Taoist?

What kind of Taoist is this?

A scheming schemer,

Su Chen called Hongjun well , an old bastard?

Isn't Hongjun just an out-and-out old bastard?

The Wushan goddess looked at Su Chen with big eyes,

"Three Lights Divine Water"?

Su Chen actually used the extremely precious Three Lights Divine Water to water the apricot trees?  
She felt very distressed when she saw it.

This is the Three Light Divine Water!

Just one drop can bring any living being back to life. Su Chen just wasted three drops.

The Wushan Goddess felt that Su Chen was too kind to the apricot tree. It seems that in the future  
The apricot tree will grow rapidly, and with Su Chen's help, the apricot tree would not dare to be  
snatched by immortals in the ancient immortal world.

After looking at the other saints, he clasped his fists at Su Chen and said

"Emperor of Heaven, we say goodbye. Three of us have sworn an oath of heaven not to attack you. Two of us have sworn an oath of heaven to protect you. Hongjun's order to us is to restrain each other and not come to rescue you."

"clear!"

Su Chen nodded.

He had guessed all this.

It is impossible for the five saints to take action against him or come to save him. This was the result of Su Chen's calculation early in the morning. He only missed Haotian, one of whom was promoted to the highest level by Hongjun. Haotian in the Holy Realm

"Farewell!"

After the five great saints nodded to Su Chen, they disappeared on Peach Mountain one after another. All the secrets that needed to be asked were asked, and there was no need to ask the remaining secrets. (To read Baoshuang novels, go to Feilu Novel Network!)

Hong Jun?

The five saints hate Hongjun deeply at this moment, but they have no choice.

The Hongmeng Purple Qi in their bodies is controlled by Hongjun. Is it useful to peel off the Hongmeng Purple Qi? The five saints dare to peel off the Hongmeng Purple Qi and escape Hongjun's control. , Hongjun might take action to annihilate them. When Su Chen saw the five saints leaving, he rubbed his forehead and thought for a while. He said everything that needed to be said, the five saints? Hongjun? They will fight to the death in the future and plot everything. It's over, everything will be over in a few days. Su Chen looked at the Wushan goddess who was looking at the apricot tree and asked,

"Little fairy, weren't you afraid of me just now? Why aren't you scared now?"

The goddess of Wushan said to Su Chen in embarrassment,

"I....., I was afraid of the saints just now, but I was not afraid of His Majesty the Emperor of Heaven."

The Goddess of Wushan initially thought that Su Chen was a debauched and immoral Emperor of Heaven, but after thinking about it, she realized that it was impossible.

There are many beautiful female fairies in the Heavenly Court, and the powerful ones like Empress Nuwa are all extremely beautiful. Su Chen Do you want any stunning fairy? How could Su Chen fall in love with Haotian's daughter?

Wushan Goddess felt that Su Chen was deliberately angry with Haotian.

Su Chen looked at the lying Wushan Goddess speechlessly.

He didn't believe it at all. However, Su Chen did not continue to ask about the words of the Wushan Goddess. A little fairy, they would never meet again in the future. The

Wushan Goddess smiled and said to Su Chen,

"Your Majesty the Emperor of Heaven, I think it's not nice to call the apricot tree Xingyao. How about calling the apricot tree Suyao from now on?"

Su Chen asked doubtfully,

"Um? Why is it called Su Yao?"

The goddess of Wushan looked at the apricot tree that was full of vitality, and a trace of Taoism was also revealed on the tree. She felt that the apricot tree might be extraordinary in the future. Besides, the apricot tree was because Su Chen had developed spiritual intelligence. The goddess of Wushan felt that the apricot tree and Su Chen is destined,

"Your Majesty the Emperor of Heaven, it is because of you that the apricot tree gave birth to spiritual wisdom. You not only gave the apricot tree heavenly merits, but also watered the apricot

tree with the Three Lights Divine Water. I feel like you are raising a daughter. Isn't it nice that the apricot tree has your last name? ?"

Me?

Raising a daughter?

Is this his?

Is this considered raising a daughter?

Su Chen just thinks that Xingshu is destined to him, and he also wants to help Xingshu.

The merits of heaven and the three-light divine water are nothing. The goddess of Wushan The little fairy is really a fool.

When the little fairy said this, the connection between Xingshu and him became deeper. After all, Su Chen had different identities. His words and deeds would have a chain reaction.

Do you want to raise a tree as your daughter?

Damn it!.

Chapter 2582

In the next three days,

Su Chen preached to the little Xingshu under the apricot tree every day. He also looked away. Almond trees some opportunities. In the past three days, Su Chen had taught Xiao Xingshu about some martial arts and some magical powers. Moreover, Su Chen had also injected a middle-grade innate spiritual treasure into Xingshu. This was regarded as a companion spirit for Xiao Xingshu. precious. Wushan Goddess often sat next to Su Chen and listened to his sermons. She felt that this was a great opportunity. With Su Chen preaching to her and with the cultivation resources Su Chen gave her, Wushan Goddess had practiced very well in the past three days. It went smoothly, and she felt that it wouldn't take long for her to be promoted to Earth Immortal.

"Little fairy, don't run around for a while."

At this moment,

Su Chen looked at the sky and gave instructions to the little fairy beside him.

The Wushan Goddess asked Su Chen doubtfully,

"What's wrong?"

"The final moment of 31 is coming."

Su Chen stood up and stretched his waist. He felt that the danger was coming.

Three days have passed.

The immortal army of Hongxian Realm should have reached the Western Realm, and Hongjun should also let Haotian take action.

The final step The battle is about to begin,

"Are the saints going to attack you?"

"good!"

"Emperor of Heaven, you are no match for the saint, why don't you escape?"

The goddess of Wushan became nervous at this moment.

Three days ago, she guessed from the conversation between Su Chen and the saints that the saints and even Taoist ancestor Hongjun were going to take action against Su Chen.

But Su Chen has been staying in Taoshan for the past three days.

Su Chen She also had no intention of escaping. The Wushan Goddess couldn't understand why Su Chen didn't escape.

This was because the saint wanted to kill Su Chen, the emperor of the Taiyi Golden Immortal.

Will Su Chen be the opponent of the saints?

Su Chen shook his head and replied, "I can't escape, and there is no need for me to escape."

Swish, swish!

At this time, a branch of the apricot tree hung down and patted Su Chen's shoulder gently.

Su Chen looked at the apricot tree and smiled. The little apricot tree still knew how to care about him, which was very good.

Boom. Boom boom.....

Suddenly, there was a huge roar in the air, and the originally clear sky suddenly darkened, and a powerful aura enveloped the entire Taoshan.

Whoosh!

Su Chen waved his hand to protect Xingshu and the Wushan Goddess. He used space concealment, space barrier, time reversal, and time enchantment. Su Chen arranged several defenses in succession.

Wushan Goddess and Xingshu are both scum. They may not even be able to withstand Hao's powerful aura and will be annihilated. boom!

"Emperor Su Chen, today is the time for your death!"

A loud voice spread throughout the Great Desolate Immortal World, and Haotian appeared in the air with a superior attitude. The

Great Desolate Heavenly Dao stayed away from the Great Desolate Immortal World and paid attention to the war in the realm, and Hongjun blocked the Great Desolate Heavenly Dao to check what happened in the Prehistoric Immortal World. Immortal world prohibits immortals above quasi-sages from fighting, but the Great Desolate Heavenly Dao is not in the Great Desolate Immortal World, and the Great Desolate Heavenly Dao cannot see what happens in the Great Desolate Immortal World. Haotian doesn't care at all about killing Su Chen in the Great Desolate Immortal World.

In the Great Desolate Immortal World, all living beings listen When it comes to Haotian,

Haotian wants to kill Emperor Su Chen?

This news shocked all the creatures in the ancient world. The immortal army of the ancient world went to conquer the western realm. They did not expect that Haotian would kill Emperor Su at this time. Morning. (To read Baoshuang novels, go to Feilu Novel Network!) In

Chaoge City, in the palace,

Queen Jiang and Mrs. Li appeared in the sky above the palace. They all looked into the distance with worried faces.

Haotian wanted to They knew about killing Su Chen early on.

Su Chen was also prepared to face Haotian's attack. However, one was a saint of heaven and the other was just Taiyi Golden Immortal. They were also extremely worried about Su Chen facing Haotian's pursuit.

"Nothing will happen to your husband, right?"

"No, if your husband is not absolutely sure, he will not face a saint alone"

"I am still very worried, Queen Jiang, your husband is just a Taiyi Golden Immortal, how can he face the pursuit of the Saint?"

"Madam Huang, don't worry, your husband has many tricks, and your husband may not take him seriously at all."

"Yes, our husband is a shameless bastard. He will not seek death to face a saint. Let's see after a while. He will definitely find a way to destroy Haotian."

"I hope your husband is safe and well."

Six Paths of Reincarnation,

Hou Tu and Meng Po both had serious faces at this moment.

Haotian was about to take action.

They didn't know what Su Chen had in store, what means Su Chen had to kill Haotian, but Su Chen had to face a heavenly saint. , Hou Tu and Meng Po were not worried that it was a lie.

In Kunlun Mountain, the five great saints were paying attention to Su Chen, and

Haotian took action.

They both wanted Haotian to kill Su Chen, and they also thought that Su Chen could escape this. A calamity.

For Su Chen, the five saints are very entangled.

With Su Chen here,

Hongjun will always deal with Su Chen. If Su Chen falls, the five saints will be very tragic in the future.

"Everything depends on the result this time"

"Yes, Hongjun only has this chance to kill Su Chen. If Su Chen can escape, Hongjun will be in tragedy."

"I do hope.....Ahem, I hope Su Chen can escape this disaster. In this way, it will be much easier for us to face Su Chen in the future than 457 facing Hongjun."

"Yes, at least we don't have to worry about the destruction of the prehistoric fairy world"

"It's difficult, no matter how useless Haotian is, he is still a saint of heaven. How can a Taiyi Golden Immortal escape the saint's killing?"

The five saints looked at Su Chen and Haotian, and they all said that one was a saint of heaven and the other was a scumbag Taiyi Jinxian.

The five saints felt that Su Chen might die today.

Xiqi Palace,

"Hahaha....."

After Ji Fa heard Haotian's announcement, a smile appeared on his face and he laughed.

The former Heavenly Emperor Haotian wanted to kill the Heavenly Emperor Su Chen, which was good news for him.

If the Heavenly Emperor Su Chen was killed, Dashang's army would retreat without a fight. He was indeed the son of fate and the son of heaven.

God's will is in the Zhou Dynasty, the great merchants of the Zhou Dynasty,

God's will cannot be violated, so what if Su Chen is the Emperor of Heaven in the prehistoric immortal world, does he dare to defy God's will?

On Taoshan Mountain,

Su Chen stepped forward and looked at Haotian and mocked,

"Haotian, the scenery here in Taoshan is nice. Your sister Yao Ji has been buried here for hundreds of thousands of years. Your sister must miss you very much. I will let you sleep here with your sister in Taoshan on behalf of your sister."

Chapter 2583

In the air,

Haotian's face turned very ugly when he heard Su Chen's words. He did not expect that Su Chen would dare to speak so brazenly when his death was imminent.

A useless Heavenly Emperor, a scumbag Heavenly Emperor,

Haotian wants to crush Su Chen to ashes, he wants to completely annihilate Su Chen in the prehistoric fairy world. boom!

Haotian shouted to Su Chen with a gloomy face, "Su Chen, you will definitely die today."

Su Chen curled his lips and mocked,

"What a lie!"

"Damn it, die!"

Haotian waved his palm towards Su Chen, and a huge palm that covered the sky and the sun suddenly enveloped Su Chen with a terrifying aura.

Boom!

"Ahhh....."

A black gun suddenly appeared and pierced Haotian's giant palm.

In the air, a voluptuous white woman with a colorful figure appeared next to Su Chen. She looked at Haotian with a cold face, whose palm was pierced by the God-killing Gun.

Haotian looked at the cold woman who suddenly appeared in surprise. He forgot that his painful palms were dripping with blood.

A saint?

No, how could there be a Hunyuan Da Luo Jinxian beside Su Chen. Su Chen said to Xue Ji beside him,

"Xue Ji, hurry up and kill Haotian."

Xue Nu smiled at Su Chen and said,

"Don't worry, he is a piece of trash from the first level of the Holy Realm. I will kill him very quickly. Besides, 673, there is also the God-killing Spear you gave me. Husband, I will definitely kill Haotian in ten breaths of time."

"Well, get started!"

Su Chen nodded to Xue Ji.

Hongjun should be unable to sit still.

Xue Ji is an important part.

As long as she kills Haotian, the prehistoric heaven will return, and

Hongjun will have to pay for all his calculations. Flow, Su Chen can also destroy Hongjun and the five saints.

Whoosh!

Xue Nu summoned the God-killing Spear and disappeared instantly beside Su Chen.

In the air,

Xue Ji's ice law enveloped the area, and snowflakes fell one after another. boom!

"Ahhhhh....."

When Haotian was wary of Xue Ji,

Xue Ji suddenly appeared from a snowflake and shot through Haotian. Haotian was penetrated by the God-killing gun and hurriedly screamed and escaped from the God-killing gun. The

God-killing gun is not only the best innate spirit It is a treasure, and it can also hurt the soul.

Haotian looked pale when he looked at the big hole in his chest. His magic power could not repair the wound at all.

Laws of Ice and Snow,

God-killing Spear,

Haotian did not expect that Xue Ji was not only a Hunyuan Daluo Golden Immortal, but also controlled the Laws of Ice and Snow, and even possessed the ultimate innate spiritual treasure-killing spear that could harm the spirit.

Su Chen looked at Xue Ji after she was killing Haotian.

He looked into the chaos and saw that

Hongjun was coming.

However,

Su Chen was going to cause some trouble for Hongjun. For ten breaths, as long as Hongjun was delayed for ten breaths, this Everything will end.

Whoosh!

A ray of white light instantly shot out from Su Chen's side.

This was Bing Ji's half-step Chaos Spiritual Treasure Ice and Snow Lotus.

Bing Ji suddenly stood next to Su Chen at this moment, holding a small white lotus in her hand.

Bing Ji looked at Chaos and said to Su Chen,

"Husband, I will stop Hongjun."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen nodded and said,

"Bingji, ten breaths of time are enough for you to block Hongjun. You are no match for Hongjun. Come back immediately after ten breaths."

"I see!"

Bing Ji rolled her eyes and Su Chen disappeared in an instant.

Of course she knew that she was not Hongjun's opponent.

Ten breaths of time?

She had a half-step Chaos Spiritual Treasure in her hand.

Bing Ji could block Hongjun for a quarter of an hour, and Bing Ji wanted to Even if she wanted to escape, Hongjun couldn't stop her.

When Su Chen saw Bingji trying to stop Hongjun, he shook his head and whispered,

"Hope everything goes well, ten breaths time, today's ten breaths time is a bit slow."

In Kunlun Mountain, the five great saints are all confused.

Two Hunyuan Daluo Jinxian?

How is this possible?

How come there are two Hunyuan Daluo Jinxian beside Su Chen?

"It's the God of Chaos Demon (dbaf). Those two identical Hunyuan Da Luo Jinxian are both the God of Chaos Demon."

"I also feel that Su Chen actually colluded with the Chaos Demon God. He is seeking his own death. The prehistoric heaven will not let Su Chen go."

"Didn't you hear that just now? The two Hunyuan Daluo Jinxian who just appeared are actually called Su Chenfujun? Oh my god, Su Chen has defeated Nuwa, that bastard has also defeated two Chaos Demon Gods. Is Su Chen trying to defy heaven?"

"Damn, Su Chen is too weird, but we don't have to worry. Su Chen colludes with the Chaos Demon God, and the prehistoric heaven will definitely destroy Su Chen. If both Su Chen and Hongjun are harmed, this will be very beneficial to us."

"Yes, we are just waiting to reap the benefits and let Su Chen and Hongjun suffer losses in the fight."

The five saints started watching the show after talking to each other.

As for Hongjun's order, they didn't care at all.

This time, Su Chen and Hongjun will both lose.

The prehistoric heaven will not only punish Hongjun severely, but even deprive Hongjun of his power. As the spokesperson of Heavenly Dao, after Hongjun loses his identity as the spokesperson of Heavenly Dao, he will no longer pose a threat to the five saints.

And if Su Chen colludes with the Chaos Demon God, the prehistoric Heavenly Dao will also destroy Su Chen. The five saints only need to sit in Kunlun Mountain and watch the results. They will be the final winners

"I, Yuanshi, Tongtian, Jieyin, Zhunti, hurry up and kill the Chaos Demon God next to Haotian!"

At this moment, the five saints all heard Hongjun's message. The five of them looked at each other and laughed.

Hongjun was anxious, but it didn't matter what they were doing.

Hongjun couldn't take action to deal with the five saints at this moment. , as long as Haotian is killed and the prehistoric heaven returns, everything will be over.

The five saints can achieve the fruits of victory without any effort. Why should they listen to Hongjun's orders anymore.

In the air,

Su Chen waved his hand to summon the archangel.

He was worried about the five saints. When the meeting comes,

Hongjun is held back by Bing Ji, and that old bastard will definitely let the five saints come and kill Xue Ji. Su Chen has no choice but to do this.

Although he is not the opponent of the five saints, Su Chen and the archangel use space together. Laws and laws of time, they were more than enough to delay the five saints for ten breaths.

The archangel looked at Su Chen sitting on her shoulders and asked,

"Master, do I want to fight?"

Su Chen touched the archangel's smooth and white neck and shook his head.

"No need, Archangel, pay attention to the surrounding auras. If the five saints arrive, we will use the laws of space and time to trap them for ten breaths."

"Yes, master!".

Chapter 2584

Su Chen sat on the shoulders of the archangel and looked around vigilantly.

As long as there was space fluctuation,

Su Chen would take action with the archangel. Although the saint was extremely powerful, he and the archangel worked together to exert the laws of space and time, and he was a saint. I couldn't get out of trouble for a while.

One breath!

Two breaths!

Three breaths!

Time passed little by little, and in a few breaths,

Xue Ji could kill Haotian. As long as that idiot Haotian died, everything would be over.

Su Chen rubbed his forehead and whispered,

"Damn it, ten breaths passed in the blink of an eye before, why is it so slow this time?"

In the prehistoric fairy world, all the creatures were trembling with fear from the battle of saints in the air.

The entire prehistoric fairy world was constantly vibrating. If it hadn't been for the battle of saints in the air, the "850" in the prehistoric fairy world would have been severely damaged. There may also be countless lives lost or injured.

"Who do you think is fighting Haotian?"

"I don't know, a female saint. In addition to Nuwa, are there any female saints in the prehistoric immortal world?"

"You are right. The appearance of a female saint is indeed very strange. However, this female saint protects the Emperor Su Chen, so all this makes sense."

"It is true that in the past, it would be strange if the Emperor of Heaven had no one to protect him, but who could this female saint be? Queen Mother? Or Queen Mother of the West?"

"Could it be Empress Pingxin from the Six Paths of Reincarnation?"

"Impossible. According to legend, Empress Pingxin is inseparable from the Six Paths of Reincarnation. The female saint in the sky cannot be Empress Pingxin."

"Who could that be?"

"I don't know, we are just lowly immortals, and we can't see the battle in the air at all."

The lowly immortals in the ancient immortal world are all talking about it at this moment.

The appearance of a strange female saint makes them very curious.

There are many powerful female powers around the Emperor Su Chen, but the only female saint is Nuwa. They I couldn't guess who the strange female saint would be.

Six Paths of Reincarnation,

Hou Tu and Meng Po both had surprised expressions,

Chaos Demon God?

And two of them appeared at the same time, and they were even beautiful Chaos Demon Gods.

Later Tu and Po Meng looked at each other and were very surprised. They did not expect that Su Chen would have the existence of the Chaos Demon God. Does that little bastard want to die?

If the ancient heaven discovered that Su Chen had colluded with the Chaos Demon God,

Su Chen would be dead.

"In his true form, Su Chen may have a way to defeat the ancient heaven, otherwise he would not have allowed the Chaos Demon God to appear in the ancient world."

"I also guessed it, but that bastard has the Chaos Demon God next to him, and he didn't reveal it at all. Does that little bastard Su Chen not believe us?"

"Haha, Noumenon, you are thinking too much. Su Chen has been monitored by Hongjun. He may be worried that Hongjun will discover his arrangement."

"That's right, but we can't spare that bastard. After this incident is over, we must settle the score with that bastard."

"Ontology, don't you fail to settle the score then and be bullied by that little bastard again. You are no match for Su Chen."

"Po Meng, isn't there something else like this? If it doesn't work, pull my Houtu clone up too."

After Hou Tu and Meng Po talked to each other for a while, they both felt relaxed.

With the help of two Chaos Demon Gods by Su Chen's side, everything would end safely. However, they were both concerned about Su Chen's concealment of their Chaos Demon Gods. I won't let Su Chen off easily

"No! I am the Saint of Heaven and the Demon God of Chaos. If you kill me, Heaven will also destroy you."

"Die!" boom!

"No....."

After a loud noise in the prehistoric sky ,

Haotian's unwilling shouts came from the air.

Boom boom boom.....(To read Baoshuang novels, go to Feilu Novel Network!)

The prehistoric fairyland vibrated, and blood rain fell from the sky. The saints of heaven fell, and the sky cried and rained blood.

All the creatures in the prehistoric immortal world know that Haotian has fallen.

However, since the saint is immortal,

Haotian will still be resurrected by the prehistoric heaven.

Su Chen breathed a sigh of relief and said,

"Haotian finally died, an important step was completed, and the ancient way of heaven was about to return."

Huh?

The five saints didn't dispatch?

It's impossible for Hongjun not to order the five saints to dispatch. Did the five saints disobey Hongjun's order?

Su Chen looked at Kunlun Mountain and became confused.

He was a little surprised that the five saints did not dispatch this time. But it also saves the means Su Chen prepared for the five saints.....

Su Chen also guessed why the five saints did not take action.

With the appearance of the Chaos Demon God, the five saints may have thought that he would be destroyed by the law of heaven. If Hongjun was deposed again, they would be trying to make a profit.

It's just that the five great saints miscalculated.

If Su Chen hadn't figured out the way of heaven, would he dare to let Bing Ji and Xue Ji appear in the ancient world?

Whoosh!

Xue Ji suddenly appeared next to Su Chen, and she also sat on the archangel's other shoulder.

Xue Ji handed a spiritual treasure to Su Chen and said,

"Here, this is Haotian's spiritual treasure, a top-quality innate spiritual treasure, not bad."

Su Chen took it, looked at it and said with a smile,

"The best innate spiritual treasures, the Qiankun Diagram, the spiritual treasures of the ancestors of Qiankun, Hongjun has quite a lot of spiritual treasures in his hands."

Xue Ji rolled her eyes at Su Chen and said,

"What you say is nonsense. Hongjun appeared when the prehistoric fairy world was born. He has calculated how many powerful creatures, beast catastrophes, dragon and phoenix catastrophes, and lich catastrophes. Hongjun is the winner behind these catastrophes. You Will he have fewer spiritual treasures in his hand?"

"makes sense!"

Boom boom boom.....

In the chaos, violent vibrations could be heard in the prehistoric immortal world. Haotian was killed by Xue Ji, and Hongjun must have gone crazy. swish swish....

Suddenly, the five great saints appeared over Taoshan one after another. They all looked at Su Chen expressionlessly.

Whoosh!

Bing Ji also appeared next to Su Chen at this moment.

She saw Xue Ji sitting on the archangel's shoulders. Bing Ji sat directly into Su Chen's arms. Su Chen and Xue Ji sat on the two shoulders of the archangel respectively. Bing Ji will not stand aside.

Su Chen hugged Bing Ji's sexy waist and asked,

"Bing Ji, are you okay?"

Bing Ji leaned in Su Chen's arms and replied,

"It's nothing major, I just consumed a lot of mana. Fortunately, I advanced to Hunyuan Daluo Jinxian in the Demon Tower of Desire this time, otherwise I really wouldn't be able to stop the terrifying Hongjun."

Xue Nu suddenly looked at Chaos and said to Su Chen,

"Hongjun is here."

Su Chen raised his head and looked up at Jiutian and said,

"The ancient way of heaven has also returned, and everything is about to end"

Chapter 2585

Above Peach Mountain,

Su Chen and the others sat on the shoulders of the archangel and looked up at the nine heavens.

The Eye of Heaven was appearing, the Saint of Heaven, Haotian, had fallen, and the Heaven of Heaven had discovered what was happening in the Immortal World.

The five saints are excitedly watching the return of the ancient heaven above the nine heavens.

Their chance has come.

The ancient heaven will definitely destroy Su Chen and depose Hongjun. When the time comes, the five saints will be the final winners.

Whoosh!

Hongjun appeared instantly. He looked at Su Chen with a gloomy face.

The ancient heavenly way had returned, and he did not dare to take action again.

It was over.

Su Chen was not killed.

His plan failed completely.

From the birth of the ancient world of immortality,

Hongjun had planned everything, but he never thought that he would fail in the Great Tribulation of the Gods. Once he failed, all his calculations from beginning to end would be in vain.

Chaos Demon God?

Hongjun didn't expect that Su Chen would collude with the Chaos Demon God.

With the appearance of the two Chaos Demon Gods,

Hongjun was too late to remedy the situation in time.

Damn the five saints.

If the five saints were to kill them together, Stop a Chaos Demon God, Haotian will not be killed, Hongjun's plan will not fail

"I've met Daozu!"

The five saints saluted Hongjun.

Hongjun has not been abolished as the spokesperson of Heavenly Dao, and they do not want to offend Hongjun at this moment.

The five saints did not obey Hongjun's orders before. They have already broken with Hongjun, and the prehistoric Heavenly Dao After returning, the five saints are not worried that Hongjun will take action against the five of them.

"Humph, five idiots!"

Hongjun glared at the five saints coldly. He knew exactly what the five saints were thinking, but would this be what they wanted? If Hongjun was destroyed by Su Chen, could the five saints escape? Two Chaos Demon Gods? Prehistoric Heaven has returned, but the Chaos Demon God beside Su Chen did not escape from the Prehistoric Immortal World in time. This shows that Su Chen communicated with Prehistoric Heaven and the two Chaos Demon Gods were allowed by Prehistoric Heaven to stay in the Prehistoric Immortal Realm. The five idiots' Saint, haven't they noticed that something is wrong until now? Su Chen hugged Bing Ji and shouted to the saint next to him,

"Everyone, we are all here..~! "

Zhunti threatened Su Chen with a cold face,

"Emperor of Heaven, if you dare to collude with the Chaos Demon God, the prehistoric heaven will not let you go."

"idiot!"

Su Chen curled his lips and didn't want to pay attention to these idiots.

The five idiots must be very happy in their hearts. They all want to wait for the Great Desolate Heaven to dethrone Hongjun and then destroy him. From now on, the five great saints will make the decision in the Great Desolate Immortal World.

But the Great Desolate Heavenly Dao Returning, did Bing Ji and Xue Ji escape?

They didn't escape from the ancient fairy world quickly. Doesn't this mean anything?

Xue Ji looked at Jiutian and asked doubtfully,

"Husband, the ancient law of heaven has arrived, why doesn't the law of heaven come quickly?"

"It should be resurrecting Haotian"

"Resurrect Haotian? Why did the prehistoric Heavenly Dao resurrect Haotian?"

Su Chen touched his chin and said guessingly,

"The prehistoric way of heaven has no selfish motives, and the prehistoric way of heaven is selfless and fair in doing things. Although Haotian took action against me and was killed, Haotian is a saint of the way of heaven after all."

"The prehistoric heaven is selfless, and Haotian will be resurrected by the prehistoric heaven. However, after Haotian is resurrected, he will completely fall into the prehistoric immortal world."

Bing Ji and Xue Ji nodded when they heard Su Chen's words.

They felt that what Su Chen said was right.

Heaven is the existence that protects the world. It is also a selfless, fair and just existence.

"No, we could have made a big mistake!"(To read Baoshuang novels, go to Feilu Novel Network!)

My face suddenly became very ugly. He found that none of the Chaos Demon Gods around Su Chen had escaped. The prehistoric heaven has come, and the Chaos Demon Gods will be annihilated if they don't escape.

When I looked at the two Chaos Demon Gods who were not panicking, I had a very bad feeling in my heart.

Jie Yin hurriedly asked me,

"What's the big mistake?"

I reminded with a pale face,

"Haven't you noticed that the ancient way of heaven has returned, why doesn't the Chaos Demon God beside Su Chen escape?"

"this....."

The other saints were all stunned and stunned.

Yes, the prehistoric heaven has returned, and the Chaos Demon God should escape quickly.

Not only did the two Chaos Demon Gods around Su Chen not escape, but they also did not look panicked.

What exactly is going on?

When did the Chaos Demon God cease to be afraid of the ancient ways of heaven?

Hongjun said to the five saints with a mocking look,

"Five idiots, the Chaos Demon God did not escape. Su Chen must have communicated with the Great Desolate Heavenly Dao, and the Great Desolate Heavenly Dao agreed that the Chaos Demon God should stay in the Prehistoric Immortal Realm."

"Ha ha....."

Su Chen laughed when he heard Hongjun's words,

"Five idiots?"

The five saints are indeed five idiots, five selfish saints, five opportunistic saints, and five idiots who want to take advantage of others.

".Hongjun, what you said this time is right. The five great saints are indeed the five great idiots. If I had not communicated with the ancient world, do you think I would let the Chaos Demon God appear in the ancient world?"

"damn it!"

After the five saints heard what Hongjun and Su Chen said, their faces turned dark. The five saints all understood that they were indeed idiots.

Su Chen was very cunning and very weird.

The Chaos Demon God appeared to help Su Chen. , they should have thought that Su Chen had a way to make the Chaos Demon God appear in the prehistoric fairy world.

Everything was caused by their selfishness, and both sides suffered losses?

Will Hongjun and Su Chen both lose?

No matter how it looks now, Su Chen is the final winner. Moreover, there are two powerful Chaos Demon Gods around Su Chen. (Good luck to De Nuo.) After Hongjun is deposed, will Su Chen let the five great saints go?

Hongjun Zou asked Su Chen with a brow in confusion,

"Emperor of Heaven, the ancient way of heaven has always been under the supervision of the old Tao. How did you communicate with the ancient way of heaven?"

Su Chen said nonsense with a stinky look,

"Hongjun, I have my own way to communicate with the ancient heaven. Don't forget, I am the emperor of the ancient immortal world and the supreme existence in the ancient immortal world. Is it difficult to communicate with the ancient heaven?"

Hongjun blushed when he heard Su Chen's words and wanted to slap this bastard to death.

Emperor of Heaven?

A supreme being?

Even if Su Chen is the supreme being in the ancient world of immortality, does Su Chen have the high status of being the spokesman for the way of heaven?

Su Chen has the foundation to communicate with the way of heaven. There is no way to escape his surveillance.

This shameless Emperor is simply talking nonsense.

"Emperor Tian, the two Chaos Demon Gods beside you, they should be the Chaos Demon Gods in the Ice and Snow Cave, right?".

Chapter 2586

Su Chen nodded when he heard Hongjun's words.

At this time,

Su Chen no longer needed to hide it.

Everything was going to be over.

Hongjun just knew that Bing Ji and Xue Ji were the Chaos Demon Gods in the Ice Cave.

What can he do?

Hongjun asked Su Chen with a puzzled expression,

"I don't understand, how can the Chaos Demon cooperate with you? You are just a scumbag of Taiyi Golden Immortal. What ability do you have to convince the Chaos Demon God to help you?"

Su Chen hugged Bingji and kissed her hard, and then said to Hongjun with a smile,

"Scumbag? I am indeed a scumbag, but my charm is infinitely powerful. Did you see that the Chaos Demon God is my woman, and they are both, Hongjun, do you understand? -"

Hongjun and the five great saints all had dark faces - they didn't want to talk to Su Chen.

This bastard is so shameless.

He hugged and kissed in public.

Is he still an immortal who has no desires and desires? Is he still an emperor in heaven? ?

Bingji blushed and gave Su Chen a white look, but she liked this feeling, especially when Su Chen kissed her without concealment. Bingji felt that Su Chen liked her more.

Xueji looked at the couple in silence. ,

I should have known that she would have sat in Su Chen's arms first, and this time she made Bing Ji proud. Xue Ji decided not to make Bing Ji so proud next time.

Hongjun was very powerless at the moment, and his failure was inevitable, but not inevitable. , with such a strange existence as Su Chen, no matter how careful Hongjun was, he never thought that Su Chen would take down all the Chaos Demon Gods. The

Chaos Demon Gods are all arrogant beings, and each Chaos Demon God will not surrender to others. One Chaos Demon God, how did Su Chen manage two Chaos Demon Gods?

Women?

Su Chen also took in both Chaos Demon Gods. Isn't Su Chen worried that the Chaos Demon Gods will bite him back in the future?

Hongjun looked at Jiutianzhi With the eyes of Heavenly Dao, he understood that when the Great Heavenly Dao resurrected Queen Haotian, that is when it came to liquidate him, the Heavenly Dao of the Great Desolate would at least abolish his identity as the spokesperson of Heavenly Dao, and Hongjun's realm would plummet. If the Great Ancient Heavenly Dao severely punished him, He, Hongjun, may be deprived of his holy status.

At that time, he, a dignified Taoist ancestor, will be hunted down. The five great saints will not let him go, the Chaos Demon God who was plotted by him will not let him go, and the three prehistoric people who were plotted by him will not let him go. The remnants of the Lich clan and the Lich clan will not let him go. Hongjun will hide like a bereaved dog from now on.

Hongjun looked at Su Chen angrily and said unwillingly,

"Emperor of Heaven, I never thought that I would fail in your hands."

"Shenni, Rahu, Yangmei, Qiankun, Yinyang, these powerful chaotic demons, the old Taoists all plotted their fall and their escape from the prehistoric fairyland."

"You are a scumbag! An ant!"

"The old Taoist has been plotting since the birth of the prehistoric fairyland. He never thought that it would be destroyed by a scumbag ant."

"You are much more powerful than the five idiot saints. The five saints were so scheming by me that they obeyed me and did not even dare to disobey every decision I made."

"What a scumbag!"

"An ant!"

"The old Taoist is unwilling to accept it!"

"Tens of millions of years of hard work have come to nothing, and I am still cornered by an ant. The old Taoist is really unwilling to give in!"

Su Chen looked at Hongjun and shook his head.

At this moment, Hongjun understood what was coming, but he could not avoid it, could not escape, and could not turn the tables.

Ever since Hongjun ordered Haotian to take action, everything was irreversible.

Hongjun He won't let him go, and Su Chen can't let Hongjun go.

If he doesn't give in

, what if Hongjun doesn't give in? (To read Baoshuang novels, go to Feilu Novel Network!) Who will those powerful people who were plotted by Hongjun? Are you willing?

The dragons, phoenixes, and unicorns who dominated the period of the three clans are now being bullied at will by other strong men and become mere mounts. The two lich clans are even more miserable.

The witch clan cowers in the six realms of reincarnation and dare not appear in the prehistoric era. In the fairy world, will the monster clan be expelled to the bitter cold land of the ancient northern region

?

Su Chen looked at Hongjun and said with an indifferent expression,

"Hongjun, all this is the reincarnation of cause and effect"

"Your heart is too cruel. In order to transcend, the creatures in the ancient world are treated as ants and pawns that can be killed at will. You even want to control the ancient heaven and devour the source of heaven, destroying the entire ancient world."

"I don't want to be destroyed by you in the future, nor do I want my Taoist companions and friends to be destroyed by you. I have no choice but to be your enemy and plot against you."

"Ha ha....., "

Hongjun laughed when he heard Su Chen's words.

He didn't expect that Su Chen would say that he was cruel.

Is the Chaos Demon God not cruel?

Hongjun is also a Chaos Demon God. Although he has lost the body of the Chaos Demon God, he is still essentially a Chaos Demon God.

It is normal for the Chaos Demon God to destroy the world and kill all living things.

"Cruel? Emperor of Heaven, ask the two Chaos Demon Gods around you. The Chaos Demon God wants to destroy a world or a realm. It is commonplace for the Chaos Demon God to do these things."

"The old man is cruel?"

"The Chaos Demon Gods around you may be more ruthless than the old Taoists, and they may have destroyed many more worlds than the old Taoists."

Su Chen hugged Bing Ji and shook his head.

Bing Ji and Xue Ji were just destroying other worlds and it was none of his business.

Besides, that was in the past.

Bing Ji and Xue Ji are now his women.

Su Chen didn't believe in Bing Ji and Xue Ji. He will still do that. If Bing Ji and Xue Ji destroy other worlds in the future, it will be for him to destroy worlds that are dangerous to him.

"Hongjun, have you thought about your ending?"

After Hongjun looked at the five saints with an angry expression, he looked at Su Chen and nodded and replied,

"The veteran guessed the ending, Su Chen, you won. If it weren't for the inaction of the five idiot saints, you would have died this time."

Su Chen shook his head and reminded,

"Wrong, Hongjun, since I arranged for Xue Ji to kill Haotian, and also arranged for Bing Ji to stop you for some time, do you think the five idiot saints have no precautions?"

"Um? Su Chen, have you prepared any means to deal with the five idiots?"

"Yes, although the five idiots are all saints, it will not be difficult to stop them for a while. However, I did not expect that the five idiots did not obey your orders, which made me feel more relaxed."

The five saints all lowered their heads with dark faces at this moment.

Five idiots?

They heard the conversation between Su Chen and Hongjun at this moment, and they all felt that calling them idiots was not too much.

Just reaping the benefits?

What they thought before was too natural.

Hongjun is an old bastard, and

Su Chen is also an old bastard.

The five saints are nothing in the eyes of Hongjun and Su Chen. They are still arrogant and want to reap the benefits.

What kind of idiots are they?.

Chapter 2587

Hongjun did not expect that Su Chen was even prepared to deal with the five great saints.

He was not wronged this time.

Su Chen was more proficient in calculations than him, and his methods were better than his.

He killed Haotian, intercepted him, and even the five idiots There is a way to deal with it, and Hongjun feels that it is really a tragedy for such an unmissable person to be his enemy.

"Ha ha....."

At this moment,

Haotian was laughing in the air and looking at Su Chen after being resurrected by Tiandao.

He found that Dao Ancestor Hongjun and the five great saints were all there.

This meant that Su Chen was going to face the siege of the Tao Ancestor and the five great saints.

A scum of Taiyi Golden Immortal Scum, it doesn't matter if there is the Chaos Demon God around Su Chen.

The Great Dao of Heaven has arrived, and the Chaos Demon God will either be killed by the Tao Ancestor or killed by the Prehistoric Heaven. Su Chen is left with a little scum, and he can kill it with just one finger. Can kill Su Chen.

Su Chen looked at the idiot Haotian and shook his head and said,

"Hongjun, your taste is really bad 31"

"snort!"

Hongjun looked at Haotian and snorted coldly,

Haotian?

A waste that can't be supported by mud.

If Hongjun hadn't been served by Haotian for many years, and Haotian also had the luck of the emperor, how could he support him? Haotian becomes the Emperor of Heaven

"Well!"

Haotian was frightened by Hongjun's cold snort and stopped laughing. He looked at Hongjun, who had an ugly face and was confused.

Su Chen looked at Haotian and shook his head speechlessly.

A poor chess piece,

Haotian might Even Hongjun's purpose is unclear. He is controlled by Hongjun like a puppet.

"What is to come will always come."

Hongjun looked at Jiutianshang with a worried expression on his face.

How would the prehistoric heaven deal with him?

He couldn't guess.

Hongjun was also worried that Su Chen would add fuel to the fire. If Su Chen added fuel to the fire next to him, his The end may be even more miserable.

The five saints are also worried at this moment.

After the prehistoric heaven has dealt with Haotian and Hongjun, they may be the next ones. As for how the prehistoric heaven will deal with them, the five saints cannot guess.

Boom. Boom boom.....

Above the nine heavens, the terrifying world-destroying thunder calamity quickly gathered, and the Eye of Heaven was also locked on Haotian at this moment.

"destroy.....Destroy the world....The world-destroying thunder catastrophe? No! Daozu save me, Daozu save me!"

After Haotian was locked by the Eye of Heaven, his face turned pale when he saw the world-destroying thunder and punishment above the nine heavens. The world-destroying thunder and punishment!

This is a thunder and punishment that will destroy even the soul in form and spirit, and it is also the ultimate punishment of heaven. Haotian is a saint of heaven, but he may not be able to withstand a world-destroying thunder punishment.

"deprivation!"

Whoosh!

A cold and ruthless voice came out from the nine heavens, and the Hongmeng Purple Qi in Haotian's body broke away instantly.

The Hongmeng Purple Qi stayed in the air for a breath and then disappeared without a trace.

At this moment,

Haotian in the Saint Realm also Falling out of the Saint Realm, to the late stage of Quasi-Saint Realm, this is still the realm that Haotian originally possessed.

"No! Why is this happening? Why is this happening?"

Haotian went completely crazy after being deprived of his holy status. He kept shouting to the nine heavens.

Holy realm?

He was deprived of it after being a saint for more than ten years, and he also faced the world-destroying thunder catastrophe.

If Haotian is killed by the World-Destroying Thunder Tribulation, he will really die.

In a death where both body and soul are destroyed,

Haotian will not even have a chance to be reincarnated.

"Poor thing!"

Su Chen shook his head and looked up to the nine heavens. (To read Baoshuang novels, go to Feilu Novel Network!) The world-destroying thunder tribulation is very terrifying.

No saint can resist the Zixiao thunder tribulation.

The world-destroying thunder Tribulation, will Haotian be killed by the world-destroying thunder calamity, or will his body and spirit be destroyed and be killed into dregs?

Bing Ji said fearfully in Su Chen's arms,

"Husband, the ancient way of heaven is really terrifying."

Su Chen stroked Bing Ji's sexy waist and said,

"What you are saying is nonsense. The Great Desolate Heaven should be at the tenth level of the Holy Realm. If the Great Desolate Heaven had not been downgraded, the Super Realm's Great Desolate Heaven would be at the Twelfth Level of the Holy Realm. Otherwise, why would none of the Chaos Demon Gods dare to invade the Great Immortal Realm?"

Bing Ji grabbed Su Chen's hand and said in a panic,

"Don't move!"

Su Chen kissed Bing Ji and said,

"Haha, Bingji, you are so tempting. After this incident, you will have to dance for me again wearing tulle, and you will also expose your slim waist."

Bing Ji refused to Su Chen with a blushing face,

"Don't even think about it!"

"It's not up to you!"

"You are so shameless!"

"Nonsense, we are Taoist couples, you should dance for me too"

"Dance? Are you asking me to dance?"

"Ahem, same! Same!"

Boom boom boom.

Just when Su Chen sent a message to tease Bing Ji, the world-destroying thunder tribulation from above the nine heavens came down. At this moment, Haotian did not resist the world-destroying thunder tribulation of the prehistoric heaven. He was also unable to resist. Haotian's heart was as gray as death. Looking at Su Chen, he thought of what Su Chen said not long ago.

Taoshan?

This is the place where her sister died.

Su Chen said that he would accompany his sister to rest here. Haotian really wanted to accompany his sister Yao this time. Ji Chang sleeps here

"Yaoji, brother, I'm sorry for you, I'll accompany you....."

Boom boom boom.....

The world-destroying thunder calamity struck down amidst Haotian's screams. Haotian was killed without even a trace of ash left before he finished speaking.

Su Chen saw Haotian's complete fall,

Yao Ji?

Haotian finally wants to accompany Yao Ji? What's the use of a late apology ? Su Chen thought that if anyone dared to attack his sister, the ruthless Empress, he would not wait for a moment to kill that person. Haotian was ruthless enough to kill even his relatives. He was just like an emperor in the world, for power and status, He is a person who does not recognize his relatives

"Expelled!"

Boom boom boom....

At this moment, another cold and ruthless voice came from the nine heavens, and the eyes of heaven in the sky locked Hongjun.

Hongjun was trembling all over at this moment.

The prehistoric Heavenly Dao expelled him from the Heavenly Dao. His identity as the spokesperson of the Heavenly Dao was also abolished. The Heavenly Dao authority that Hongjun had stolen for countless years was also taken back by the Heavenly Dao.

Hongjun's realm is falling. Starting from the eighth level of the holy realm, in just a few breaths, his holy realm has fallen to the fifth level of the holy realm, and it is still falling.

The five great saints were all frightened at this moment.

Hongjun's realm was falling.

What about them?

This is still the beginning.

After Hongjun is deprived of his identity as the spokesperson of Tiandao, how will the ancient Tiandao deal with Hongjun?

The bodies of the five great saints also trembled..

Chapter 2588

Su Chen looked at the deposed Hongjun and thought about it.

During the Journey to the West, after Hongjun was deposed as the spokesman of heaven, his realm fell to the third level of the holy realm.

What about this time?

Will Hongjun still fall to the third level of the holy realm?

Su Chen thought for a moment that it was impossible.

Hongjun during the Journey to the West was stronger than Hongjun at this time. Hongjun in the Holy Realm during the Conferred God Period would definitely fall below the third level of the Holy Realm.

Um?

Did Dashang begin to attack the Western Zhou Dynasty?

Not bad, once the war started, the army of the Western Zhou Dynasty could not withstand the attack of the Shang army for a month. If Xiqi was not far away, after the Shang Dynasty destroyed the army of the Western Zhou Dynasty, it might not take a few months to destroy the Western Zhou Dynasty.

Su Chen looked at Dashang's army after attacking the Western Zhou Dynasty.

He looked at Hongjun.

It's about to end.

The trial mission of the Heavenly Ladder is about to end.

Damn the Heavenly Ladder girl.

I hope the reward won't be the realm of cultivation.

Su Chen really doesn't want to After being promoted to Daluo Jinxian or quasi-sage, it is okay for him to climb ten thousand levels of the ladder, but the girl on the ladder is a big trouble.

Is it an enemy or a friend?

Su Chen didn't even understand at this moment,

Hongmeng World, what kind of world is this that defies heaven?

Boom boom boom....

The Great Ancient Immortal World is vibrating 890 at this moment.

This may be because the Great Untamed Heavenly Dao deprived Hongjun of his identity as the spokesperson of the Heavenly Dao, and the Great Ancient Immortal World experienced huge vibrations.

In the Six Paths of Reincarnation,

Hou Tu and Meng Po have been watching Su Chen.

Haotian was killed by the world-destroying thunder tribulation. Hongjun was deposed as the spokesman of Heaven. His realm has been declining. Hou Tu and Meng Po were completely relaxed. Yes,

Hou Tu said with a relaxed smile.

"It's about to end. Hongjun's dethronement is a key link. None of the five saints are Nuwa's opponents. They are nothing to worry about. Hongjun is deposed now. No one in the prehistoric immortal world can threaten Su Chen in the future."

Meng Po nodded and said, "Yes, the prehistoric fairyland will be stable in the future. Hou

Tu rolled his eyes at Po Meng and reminded,

"Stable? Granny Meng, do you think the prehistoric fairy world will be stable with that little bastard Su Chen here?"

Meng Po was stunned when she heard what Hou Tu said.

That's right!

Su Chen is a troublemaking bastard.

Hongjun was deposed!

The five great saints are nothing to worry about.

This does not mean that the prehistoric immortal world will be stable with the existence of that little bastard Su Chen. , I still don't know what will happen in the prehistoric fairyland.

Po Meng looked back and reminded,

"Ontology, I think you can let Nuwa continue to imprison Su Chen in the heaven. Su Chen is only in the Taiyi Golden Immortal realm. If that little bastard doesn't advance to the quasi-sage realm, you should not let him go to the heaven. Hou

Tu turned pale and glanced at Po Meng and said,

"Do you think that's possible? How about imprisoning Su Chen in the Six Paths of Reincarnation, and you will be responsible for keeping an eye on that little bastard?"

Imprisoning Su Chen?

Can they imprison Su Chen?

Su Chen knows the laws of space and the laws of time. Even if Nuwa is not careful, Su Chen may escape from heaven. Nuwa has no time to keep an eye on Su. Morning.

Po Meng shook her head and hurriedly refused, "Uh! Forget it, I can't stand Su Chen." Everyone was looking at Hongjun above Foo Tao Mountain. Hongjun's realm at this moment had fallen to the second level of the Saint, the middle of the Second Heaven of the Saint, the early stage of the Second Heaven of the Saint, and the peak of the First Heaven of the Saint. It stopped at this time. After coming down, Hongjun's realm dropped from the eighth level of the holy realm to the peak of the first level of the holy realm. Hongjun is really a tragedy. Boom boom boom

.....(To read exciting novels, go to Feilu Novel Network!)

"cut!"

At this moment, the five great saints were locked by the eyes of heaven. The cold and ruthless voice from the nine heavens came out.

The realm of the five great saints also began to fall. In just a few breaths, the realm of the five great saints fell to the first level of the holy realm. At the peak of heaven,

I am the most miserable.

He was originally at the fourth level of the holy realm, but now he is at the same level as Zhunti. Zhunti was originally at the peak of the second level of the holy realm, and he only fell one big level.

The prehistoric way of heaven. The second time was the same (dbei) punishment, all saints were weakened to the peak of the first level of the holy realm

"God's way, I....."

"Emperor of Heaven, please be merciful. I am willing to pay the spiritual treasure. I also ask Emperor of Heaven not to let the ancient way of heaven continue to punish the old way."

When Hongjun saw that Su Chen was about to speak to add fuel to the fire, he hurriedly took out the jade plate of good fortune and shouted to Su Chen.

Hongjun was scared.

He is now in the first level of the holy realm.

If Su Chen continues to let the prehistoric heaven punish him, Hongjun is worried that he will fall out of the holy realm

"Emperor of Heaven, we are also willing to hand over the spiritual treasure, and ask Emperor of Heaven to show mercy."

The five saints also took out their spiritual treasures at this moment, hoping that Su Chen would not add fuel to the fire.

They are still saints after all.

If Su Chen allows heaven to continue to punish them, the five saints are afraid of being deprived of their holy status.

By then,

They are all nothing.

Su Chen looked at the saints and was speechless.

He just wanted to ask the Great Desolate Heavenly Way and whether the God-conferring Tribulation Qi in the Great Desolate Immortal Realm could be wiped out, but Hongjun and the five great saints thought he was going to get angry. To add fuel to the fire, is it necessary for Su Chen to do this?

Hongjun and the five great saints must be restricted from entering the prehistoric immortal world, and the prehistoric heaven will also restrict the saints.

There is no threat to Hongjun and the five great saints, Su Chen has no need to. They killed them all, and no saints would be a threat to him, the women, or the prehistoric immortal world in the future.

"Okay, hand over your spiritual treasures and remember to erase the marks of your soul."

Su Chen nodded and agreed. He would be a fool if he didn't get the spiritual treasures by accident. One half-step chaos spiritual treasure, two innate treasures, and three top-grade innate spiritual treasures. This is a big harvest.

"Thank you!"

Hongjun sent the jade plate of creation to Su Chen, and the five saints also sent Pangu flags, Tai Chi diagrams, the Four Swords and formation diagrams of Zhu Xian, the golden lotus of twelve grades of merit, and the Seven Treasures Second Tree.

Hongjun and the five saints Although they have lost their spiritual treasures, it is more cost-effective than losing their holy status.

If they lose their holy status,

God knows if they can still advance to the holy realm.

After all, spiritual treasures are dead objects.

They just don't have innate treasures and top-quality innate spiritual treasures. , they are still aloof saints.

Su Chen put away these spiritual treasures with a wave of his hand.

Boom boom boom....

At this moment, after a few roars from the Nine Heavens, the Eye of Heaven disappeared from the Nine Heavens.

The expressions of Hongjun and the five great saints changed. They all received the message from the ancient world.

Heavenly saints are not allowed to enter the ancient world in the future, and can only leave a corpse to preach in the ancient world.

Otherwise, you will be deprived of your holy throne!

Kill with the world-destroying thunder tribulation!

"Can we not enter the prehistoric fairyland in the future? this....."

Chapter 2589

The faces of Hongjun and the five great saints turned ugly.

Can they no longer enter the prehistoric immortal world?

How is this different from expelling them?

Although they can have a corpse left in the ancient immortal world, a corpse is of no use. Saints like them will not be able to enter the ancient immortal world in the future. After a long time, who in the ancient immortal world will remember them saints?

"We will no longer be able to enter the prehistoric immortal world. How is this different from expelling us?"

"Alas, one wrong step and one wrong step, we have ended up like this. We are to blame for it. Five idiots. We are really five idiots."

"Damn it, if we can't enter the prehistoric fairyland, what will our respective sects do? Will the quasi-sages of the prehistoric immortal world still care about our respective sects?"

"It has become a foregone conclusion, we have no ability to change it, and there is no 'three, four, three' possibility of the prehistoric heaven to change the decision."

"Everything is over, Su Chen has become the biggest winner, and Su Chen will be respected in the prehistoric fairyland from now on."

"No, Hongjun escaped."

"He can't escape, Huangtian Dao has purified the Hongmeng Purple Qi for us, so Hongjun will no longer threaten us."

After the five saints talked with ugly faces for a while, they disappeared into the air one after another. They knew why

Hongjun left early. Hongjun was afraid. Hongjun was afraid that the five saints would seek revenge on him. A holy realm Hongjun, the Taoist at the pinnacle of the first level of heaven, is currently in the same realm as the five great saints. It is very easy for them to seek revenge on Hongjun. Escape? Unless Hongjun hides everywhere like a bereaved dog, otherwise he will be hunted down by the five great saints when he appears.

"it's over!"

Su Chen saw Hongjun and the five saints leaving one after another. He hugged Bingji and kissed her hard.

His heart also relaxed.

If Dashang's army destroyed the Western Zhou Dynasty, the Conferring God War would be over. Try The refining task will also be completed in advance.

Empress Nuwa, with her army of immortals from the ancient immortal world, should return to conquer the Western Realm in a few years. After

Su Chen and others return, he will have to arrange things in this world and prepare return

"Husband, Xuerou and I went back to the Demonic Tower of Desire to practice."

Bing Ji hugged Su Chen's neck and said coyly, everything in the ancient immortal world has been dealt with,

Hongjun was deposed, the five great saints were deposed, and the saints of heaven were restricted from entering the ancient immortal world.

There will be no more Su Chen in the ancient immortal world. It is dangerous, Bing Ji and Xuerou must continue to practice.

They are only at the first level of the Saint Realm.

Such a level of cultivation is too low.

The Demon God of Desire has the best cultivation resources, rich innate spiritual energy, and the origin of heaven. They must as soon as possible Recovering to the previous realm of cultivation, returning to the sixth level of the Holy Realm of the Ice and Snow Demon God.

After Su Chen hugged Xue Ji and kissed her, he touched the hair of the two girls and said,

"Okay, you go practice first, and I'll come find you in a few days."

Xue Ji and Bing Ji nodded to Su Chen, and they disappeared into the Demonic Tower of Desire.

Whoosh!

Su Chen appeared in front of the cabin in Taoshan, and Xingshu and the Wushan Goddess were also released by him.

"Emperor of Heaven, are you leaving?"

After the Wushan Goddess was released by Su Chen, she hurriedly came to Su Chen and asked.

Everything that had happened before, the Wushan Goddess could clearly see through the space barrier.

She did not expect that Haotian was killed and

Daozu Hongjun was killed.

The five great saints were deposed, and the prehistoric heaven also restricted the saints from entering the prehistoric fairyland. (To read Baoshuang novels, go to Feilu Novel Network!)

There was a Chaos Demon God around Su Chen, or two Chaos Demon Gods, and even The Chaos Demon God is also Su Chen's Taoist companion. All this makes the Wushan Goddess very confused.

Wushan Goddess understands that Su Chen will be respected in the prehistoric immortal world in the future. Taoist ancestor

Hongjun offered his spiritual treasure to beg Su Chen to let him go, and so did the five saints. He offered his spiritual treasure and begged Su Chen to let him go.

In the ancient world of immortality, there were no creatures, no immortals, no great powers, and no saints even dared to disobey Su Chen's orders.

Su Chen looked at the apricot tree and thought for a moment and said,

"Little fairy, I will live in Taoshan for a while."

Wushan Goddess asked expectantly,

"Emperor of Heaven, can you still preach to me?"

Su Chen leaned under the apricot tree and curled his lips and mocked,

"Little fairy, do you still want to have sex for free?"

"I have given you a lot of top-grade immortal fruits and cultivation resources these days. I preached to Xingshu and you listened. I gave Xingshu a spiritual treasure to accompany you. You want it too. You are the first person in the prehistoric fairy world who dares to have sex for nothing. my little fairy...."

Wushan Goddess smiled sheepishly and said,

"Haha, Emperor of Heaven, these are nothing to you. I am just a pitiful little fairy from the lower world, a poor bastard who has no inherited skills. Just take pity on me."

"Emperor of Heaven, I am about to advance to the Earthly Immortal Realm. You will teach me Taoism for a few more days. It is best to teach me some powerful spells."

Su Chen looked at Wushan Goddess speechlessly.

Forget it, he originally wanted to give the sermon to Xingshu for some time. Wushan Goddess can listen if he wants to. She is a silly little fairy. Su Chen doesn't mind if Wushan Goddess listens. He preached.

More than a month later, the army of Dashang defeated the army of the Western Zhou

Dynasty. The army was either destroyed or surrendered. Dashang's army was less than three hundred miles away from Xiqi King City. The ministers of the Western Zhou Dynasty either fled or surrendered. Ji Fa said to Jiang Ziya with disheveled hair,

"Xiangfu, why don't you run away? Dashang's army will arrive in less than ten days, and Xiqi King City cannot stop the attack of Dashang's army. Jiang

Ziya shook his head and replied,

"I can't escape, everyone in the Western Zhou Dynasty can escape, and everyone can surrender, but I can't, Dashang will not let me go. Although the prehistoric immortal world is vast, there is no place for me."

Can Jiang Ziya escape?

Where is he going to escape to?

Emperor Su Chen has even planned to expel the saints from the ancient world.

In the future, the immortal world will be respected by Emperor Su Chen.

No matter where Jiang Ziya escapes, those great powers will find him. Instead of running away like a bereaved dog, he might as well have died in the war of the Western Zhou Dynasty.

Ji Fa laughed when he heard Jiang Ziya's words,

"Ha ha....., God's will is in Zhou? Western Zhou Dynasty Shang? Destined emperor? These are all lies"

"If the saints defeated Su Chen, the Emperor of Heaven, all this would be true, but if the saints were deposed and expelled, all this would be a mirror, everything would be a beautiful fantasy."

Chapter 2590

In Taoshan,

Su Chen was leisurely drinking tea under the apricot tree. He had been staying in Taoshan for more than a month.

It was time to leave Taoshan. Dashang's army was about to attack the Western Zhou Dynasty, and Su Chen was also preparing to go. In the Western Zhou Dynasty, look at Ji Fa and Jiang Ziya. These two people are the key figures in the war of conferring gods. Without killing them, Su Chen's trial mission might not be completed. boom! Suddenly, a breath burst out from beside him. Su Chen looked over and nodded. Wushan Goddess broke through to the realm of immortals. More than a month ago, Wushan Goddess was still a scumbag human immortal. More than a month later, Wushan Goddess used the best cultivation resources. , and under the sermon given to her by Su Chen, the Wushan Goddess broke through two major realms. The realm of heaven! This is still a scumbag, but a slightly stronger scumbag.

"Little Xingshu, I'm leaving. I hope we have a chance to meet again. I have sealed these cultivation resources in your body. As long as you cultivate to a certain level, some of these cultivation resources will be unlocked."

Su Chen casually hit someone and a golden light entered the apricot tree.

Some cultivation resources are nothing to Su Chen, but they are a huge cultivation resource for Xingshu. After all, Xingshu is destined to him, and Su Chen will not be interested in Xingshu. The tree didn't care.

Swish, swish!

The branches of the apricot tree hung down and caressed Su Chen, as if they didn't want to let Su Chen leave.

Su Chen took a sip of tea and said with a smile,

"Haha, Xingshu, Su Yao, practice well. We will meet again after you transform."

Su Chen looked at Wushan Goddess who was still in a stable state.

He shook his head and shot a golden light into Wushan Goddess's body. Wushan Goddess and him were also destined, and Su Chen didn't mind helping the silly little fairy.

Whoosh!

Su Chen disappeared instantly on Peach Mountain.

However, after disappearing, Su Chen forced out a drop of blood and sent it into the apricot tree.

"Destiny comes and goes, Destiny arises and Destiny disappears, Destiny gathers and Destiny disperses, little apricot tree, we meet again by fate."

On Peach Mountain, the apricot trees are undergoing earth-shaking changes at this moment. A golden light envelopes the apricot trees.

"Left?"

At this moment, after Wushan Goddess stabilized her realm, she found that there were many more cultivation resources in the Lingbao, and the apricot tree seemed to be transforming. Wushan Goddess looked at Luo Ji in the air with a very expression on her face.

Be strong!

You must become stronger!

Wushan Goddess Clenching her fists tightly, she wanted to become stronger through practice. A scumbag little fairy was not worthy of staying with the Emperor of Heaven.

"Xingshu, Su Yao, we will be the only ones left on Taoshan from now on."

Heavenly Court, when Su Chen returned to Heavenly Court, he asked Angel Ailan to assemble the angel army and go to Xiqi King City.

Su Chen also wanted to have some respect.

In Pantaoyuan, after Su Chen checked the progress of the Dashang army's attack, he prepared After a short rest, we will go to Xiqi Castle.

"Let me go, Hanba, you actually advanced to a small realm?"

In the Demon Tower of Desire,

Hanba was practicing.

However, she hurriedly protected her body after hearing Su Chen's voice. It had only been a few hundred years, why was that shameless bastard here again?

Su Chen saw Hanba protecting his body. He was very speechless. He had seen Han Bao's body many times. How could she stop Su Chen from looking at her even if she protected her body?

"Hanba, please protect yourself. Is there anything about your body that I'm not familiar with?"

"Shameless!"

Han Ba yelled and cursed in the air angrily, (To read Baoshuang novels, go to Feilu Novel Network!)

This shameless bastard, although Han Ba was relieved of her magic power by Su Chen, she can also practice, but she still can't put on clothes. Even with magic power, her body could not be hidden.

A shameless slut,

Hanba's resentment towards Su Chen could no longer be expressed in words.

Su Chen admired Hanba's figure and said with a smile,

"Hanba, you are now in the late stage of Daluo Jinxian, and your cultivation speed is pretty good. How do you want to thank me for the cultivation resources I gave you?"

"Go away, I won't thank you"

"oh? Hanba, aren't you worried about me confining your magic power again?"

"Shameless person, what do you want?"

Han Ba's heart tightened when he heard Su Chen's words, and he restricted her magic power again?

How is this possible?

Over the hundreds of years in the Demon Tower of Desire,

Han Ba has practiced very smoothly in the Demon Tower of Desire, with rich innate spiritual energy and top-notch innate abilities. Spirit Fruit, she felt that as long as she cultivated in the Demonic Tower of Desire for tens of thousands of years, Hanbao would definitely advance to the quasi-sage realm.

If Su Chen imprisoned her magic power again, how could she advance to the quasi-sage realm? How could she still use cultivation? To pass the time in captivity?

Su Chen teased Hanbao,

".Hanba, if you dance for me, I will not imprison your magic power, and I will always provide you with cultivation resources."

Han Bao shouted to Su Chen with a dark face,

"I can not dance!"

Su Chen touched his chin and thought for a while, then he sent the dancing image of the Pure Land into the Demonic Tower of Desire.

"Hanba, I will provide you with a dance image. You can dance according to the dance in the image."

Han Ba saw a dancing image appear in the sky.

After she saw the dancing image,

Han Ba's chest was about to burst with anger.

Pure Land of Bliss?

Is this dancing?

Is this showing off? Is this a coquettish thing? Do you want her to dance like this?

That's what Han Ba is. It is impossible for him to dance such a seductive dance, and he is still dancing in the Pure Land wearing transparent tulle.

When Su Chen saw Han Ba's ugly face, he smiled and reminded,

"Hanba (Zhao Qianzhao), you have been completely ignored by me anyway. Although there are some things about the dance in the Pure Land of Paradise, it should be acceptable to you. Isn't it just wearing tulle and dancing a seductive dance? Isn't it more embarrassing than being naked by me?"

Han Ba cursed angrily, "Su Chen, you are just a dirty, shameless pervert."

"Hanba, you can think about it, I'm coming again, I hope I can get a good news paper"

"damn it!"

Han Ba sat on the ground holding her legs.

Jump?

Or not?

She couldn't make a decision for a moment.

Han Ba thought that Su Chen, the shameless pervert, was right. She had already been seen by Su Chen, and Su Chen kept looking at her. For her, Pure Land of Paradise is a dance that is hard to watch.

But for her current situation, she can still wear tulle when dancing in Pure Land of Paradise, which is much better than her being naked all the time.
