Chapter 2591

In Xiqi King City, millions of merchant troops surrounded Xiqi King City. The troops in the royal city surrendered one after another. Except for the royal army loyal to the Ji family, the royal city had no troops to defend.

Woo woo woo.....

The attack horn of Dashan sounded, and the Dashang army in each square began to attack each city gate. The unguarded city wall could no longer stop the attack of the Dashang army.

"Attack, break through Xiqi King City, and destroy the rebellious Ji clan."

"Kill, rush into the royal city, and those who dare to resist will be killed without mercy."

"Break through the north gate quickly. We will be the first to rush into the palace. Ji Fa will also be captured by our army on the west route."

"For the sake of the Great Shang and the Human Emperor, enter the royal city and kill the traitors.~"

"The heavy cavalry charged, entered the royal city, entered the palace, and captured Ji Fa alive."

After the attack horn of millions of merchant troops sounded, the generals shouted and ordered the troops to quickly attack the royal city. It was a great achievement to capture Ji Fa and Jiang Ziya of the Western Zhou Dynasty. All the generals did not want to give up this great achievement..In the Xiqi Palace, the palace was completely in chaos.

Many servants and maids fled one after another. The army guarding the palace also took advantage of the chaos to flee for their lives. Dozens of Ji Fa's younger brothers were trying to escape by grabbing gold and silver treasures.

"Your Majesty, the Western Zhou Dynasty is over"

"Father, we are finished too."

Jiang Ziya and Ji Fa looked at the chaotic palace from the high platform.

They didn't stop it, and there was no need to stop it.

Everything was going to be over.

Jiang Ziya and Ji Fa were either killed by the rebel army or by Dashang's army. catch

"Xiangfu, do you regret betraying Dashang and fleeing to Xiqi?"

Jiang Ziya looked into the air and smiled miserably,

"regret? Ha ha....., I am just a chess piece, do you have any regrets?"

"During the Great Shang Dynasty, I was treated with great courtesy by Prime Minister Shang Rong, Uncle Bigan Wang and others. Even Lord Wu Xiang once helped me."

"But if you can't help yourself, who dares to disobey the sage's orders? Who dares to disobey?"

"I am just an immortal cultivator who has failed in cultivation, an insignificant ant in the eyes of saints. I dared to stay in Dashang at the beginning, but what awaits me is the destruction of body and soul."

Ji Fa nodded with a pale face.

He did not blame Jiang Ziya for what he said.

It doesn't matter. There is no need.

They are all chess pieces. Jiang Ziya is the chess piece of the saint, and he is also the chess piece in the hands of the saint.

Boom boom boom boom.....

Suddenly, a roaring sound came from the sky above Xiqi King City, dark clouds rolled in the sky, and powerful breaths came from the air. All the humans in Xiqi King City were overwhelmed by the powerful breath. boom!

After a loud noise in the air, five thousand neatly arranged angels appeared in the sky above Xiqi King City. The angels were wearing silver armor and holding flaming swords. They all looked at the humans in Xiqi King City with serious expressions.

Whoosh!

Su Chen was now wearing the suit of the King of Angels, a silver armor with exquisite patterns, a golden robe underneath, high silver boots on his feet, and a red patterned cloak on his back.

Angel Ailan saw Su Chen appearing in the sky, and Su Chen was wearing the suit of the King of Angels.

She hurriedly saluted,

"Commander of the Angel Legion, Angel Aylan, see Emperor of Heaven, see King of Angels!"

"Angel Legion, see Emperor of Heaven, see King of Angels!"

"Angel Legion, see Emperor of Heaven, see King of Angels!"

"Angel Legion, see Emperor of Heaven, see King of Angels!"

When the five thousand angels saw Su Chen's costume, they all smiled and saluted Su Chen.

In Xiqi King City, Zhang Kui, the commander-in-chief of the Great Shang Army, saw Su Chen appearing in the air.

He hurriedly dismounted and greeted Su Chen. He saluted and shouted,

"The commander-in-chief of Dashang's army, Zhang Kui, meets the Human Emperor! See the king!"

"The army of the Great Shang, see the Emperor, see the King!"

"The army of the Great Shang, see the Emperor, see the King!"

"The army of the Great Shang, see the Emperor, see the King!"

Millions of soldiers from the Great Shang army knelt down and saluted. (To read Baoshuang novels, go to Feilu Novel Network!)

All the soldiers knew who the person who appeared in the sky was.

This was the king of the Great Shang, the king of the human race. The Human Emperor is also the Emperor of Heaven.

In the city of King Xiqi, all the people and the army of the Western Zhou Dynasty were stunned.

In the sky is the King of Dashang, who is also the Human Emperor of the human race and the Emperor of Heaven.

"No gift!"

"Thank God!"

"Thank you, Your Majesty!"

Su Chen looked at Ji Fa and Jiang Ziya on the high platform of the palace. The two clowns still knew themselves and did not escape.

Su Chen shouted to Jiang Ziya and asked,

"Jiang Ziya, do you know your sin?"

Jiang Ziya saluted Su Chen with a serious face,

"Jiang Ziya met the Emperor of Heaven. His Majesty, the Emperor of Heaven, what crime did Jiang Ziya commit? The Western Zhou Dynasty rebelled against Shang. This was the decision of the saints. As a disciple of the saints, am I capable of opposing the decision of the saints?"

Su Chen heard Jiang Ziya's words and mocked disdainfully,

"Jiang Ziya, do you still want to quibble? When the saints agreed to become gods, wouldn't you have known that you were in the form of a flying bear? Don't you know that you are destined to become a god? If you don't oppose Dashang, do you think the saints would dare to kill you?"

Su Chen looked down on Jiang Ziya very much, and Jiang Ziya tried his best to become a god. This was also for himself.

Jiang Ziya had not become an immortal cultivator after decades of practice.

Yuanshi still asked for a three-turn golden elixir from me, and Jiang Ziya just Enter the Immortal Cultivator. Jiang Ziya should have noticed that he was different from that time. Then the Western Zhou Dynasty rebelled against Shang. A low-strength Immortal Cultivator could actually command many immortals and powerful men. Jiang Ziya had already guessed The true purpose of becoming a god

"I...."

"snort!"

Su Chen interrupted Jiang Ziya with a cold snort, and he continued with an indifferent expression,

"Jiang Ziya, the reason why you are anti-business is because you want to become an immortal and have an endless lifespan. You are like a flying bear. It is impossible for you to become an immortal in your lifetime."

"Become a god? This gives you a glimmer of hope. You can't become an immortal through cultivation, but you want to become a god, a righteous god in heaven. Your anti-Shang Dynasty and help to the Western Zhou Dynasty are also for yourself."

Jiang Ziya lowered his head with a pale face. He didn't expect that Su Chen knew everything about him. Jiang Ziya could n't become an immortal through practice.

He could only become a god, a righteous god in heaven, and a person he worked for. He prepared the throne of the Righteous God himself, but in the end it was all in vain. At this moment,

Su Chen looked at Ji Fa and ignored him.

In the city of King Xiqi, all the human people here were sinners. No one from the human race saluted him when he arrived. , when the Human Emperor arrives, there is no human salute? These people are not worthy of being a human being.

"Zhang Kui and Ji Fa were sentenced to death. Jiang Ziya was executed both physically and mentally. The Ji family in the Western Zhou Dynasty was exterminated. All the people in Xiqi King City were made slaves. Those who resisted were killed without mercy."

"Yes, the king has entered!".

Chapter 2592

Su Chen did not watch the massacre of the Dashang army.

The people of Xiqi King City were bewitched by Ji Chang and Ji Fa and could not repent. It would be a disaster for the human race to keep such people.

Being demoted to slaves, his punishment for these humans was already light.

Su Chen said to the angel Ailan beside him,

"Angel Ailan, take the angel army around the prehistoric places and see that we will return soon."

"Yes, Emperor of Heaven!"

After Angel Ailan saluted Su Chen, she disappeared with her angel legion.

Angel

Ailan needs to understand that the realm war will break out in the primeval fairyland of the main world in the future, and the angel legion will also participate in the realm. During the war,

Angel Ailan wanted to know the power divisions of the immortals in the prehistoric fairyland and the areas where each race was located.

Whoosh!

"Husband, why did you come to Xiqi King City?"

At this time,

Po Meng suddenly appeared next to Su Chen. She looked at Su Chen and asked doubtfully.

Su Chen waved his hand to hide him and Po Meng. He hugged Po Meng's soft waist and kissed her and said,

"Po Meng, after destroying Ji Fa and Jiang Ziya of the Western Zhou Dynasty, the Conferred God War will be completely over. I came here out of boredom to see the result."

Meng Po nodded and said with a smile,

"That's it, I'll accompany my husband here to wait for the results."

"Let me go, Po Meng, are you worried about me causing trouble?"

"Haha, what do you think?"

"You and Hou Tu are really speechless. The ancient world of immortality has stabilized, how could I still cause trouble?"

Meng Po leaned in Su Chen's arms and said with a smile,

"Husband, this is the decision of the main body. I just follow the main body's order to watch you."

Su Chen looked at Po Meng speechlessly.

He didn't believe Po Meng's words.

Hou Tu might be worried that he would cause trouble, but isn't Po Meng worried? Po Meng is putting all the responsibility on Hou Tu, the main body. See Lai Mengpo was also afraid of punishing her.

Su Chen suddenly thought of collecting the spiritual treasures from the saints.

These innate treasures and top-grade spiritual treasures could not be taken away. He could only give these spiritual treasures to the girls.

Su Chen then The innate treasure that came out of Yuanshi was handed to Meng Po and said,

"Po Meng, this is the innate treasure Pangu Banner. You will give it to Hou Tu after you return to the six realms of reincarnation."

"OK!"

"Po Meng, do you need a spiritual treasure? I still have many spiritual treasures here. See if you need any."

"No, I don't need a spiritual treasure. Husband, I usually won't be reborn in the six realms of reincarnation. It would be a waste for me to ask for a spiritual treasure."

Su Chen nodded when he heard Po Meng.

Po Meng has been stuck in the six realms of reincarnation. She really doesn't need any spiritual treasures.

"Trialist, you have completed the God Trial ahead of schedule. Do you want to return?"

Suddenly, the voice of the girl on the ladder came into Su Chen's mind.

Su Chen looked towards Wangcheng and found that Ji Fa and Jiang Ziya had been executed. He understood that the task of the God's Trial was completed.

Su Chen replied to the girl on the ladder,

"No return!"

Empress Nuwa and the Queen Mother haven't come back yet, and the war between the realms hasn't ended yet. How could Su Chen return now."

The Tiandai girl shouted angrily at Su Chen,

"Su Chen, you have completed the trial mission. Come back to the ladder to receive the reward."

"Girl, I still have some things that I haven't dealt with in this world. I'll come back after I've dealt with them."

"You are just a lustful person. The creatures in this world and the creatures in the main world are the same people. Is it interesting for you to do this?"

Su Chen sneered disdainfully when he heard the words of the girl on the ladder, (to read Baoshuang novels, go to Feilu Novel Network!)

"What you said is bullshit"

"The God Trial is as difficult as hell. If I don't get rid of my women first, do you think I can complete the trial mission?"

"I might have just stopped the Conferred God War, and the Great Luo Jinxian of the Saint Sect, or even the Quasi-Sage, could have destroyed me. Without the protection of my women, I might have died countless times."

The girl on the ladder ruthlessly mocked Su Chen.

"Color is color, no matter how much you say it, you are just trying to excuse yourself"

"Are the girls from Shiji women from your main world? Are Bing Ji and Xue Ji your women in the main world?"

"And the Hanba who was tortured by you, is she a woman from your main world? Even to the few ordinary creatures in Dashang Palace, you are simply a lustful and hopeless person."

Am I the one?

The girl on the ladder hasn't been peeping on him, right? Otherwise, how could the girl on the ladder know about him?

Su Chen's face turned dark at this moment.

He suspected that the girl on the ladder might have been peeping on him from the beginning to the end after the trial mission began. he

"Little girl, I still need some time. I will return when Nuwa and the others come back from the Western Realm."

The girl on the ladder reminded Su Chen,

"Su Chen, you'd better hurry up. I forgot to tell you that your three daughters are climbing the 10,000-story ladder."

"And they are about to climb to the thousandth floor. I promised that as long as the three sisters climb to the thousandth floor, I will open up a world for the three sisters to play."

Su Chen shouted in surprise,

"Let me tell you, little girl, the three Su Yan sisters are still scum, how could you let them start climbing the immortal ladder?"

Su Chen didn't expect that the Ladder Girl would let the three sisters of Su Yan climb the Ladder. They are all scumbag immortals. Do you want to commit suicide by climbing the 10,000-story Ladder ?

"827 I'm bored!"

Su Chen yelled angrily,

"Holy shit, girl, is your open world dangerous? Is it dangerous for the three Su Yan sisters to enter your open world?"

"Open at random, I don't know if it's dangerous or not"

"Damn it, girl, you can really cause trouble."

Su Chen rubbed his forehead and felt very helpless.

A random world?

This is none of his business. Although the three Su Yan sisters are all immortals, what if the open world is a powerful world?

Just like the world of gods,

If the three Su Yan sisters appeared during the Lich Tribulation Period, the Dragon and Phoenix Tribulation Period, or even the Fierce Beast Tribulation Period, the three sisters would be in great danger even if they were immortals.

Po Meng saw Su Chen rubbing his forehead with a frown,

She asked doubtfully,

"Husband? What's wrong with you? Why do you keep rubbing your forehead?"

Su Chen shook his head and replied,

"It's okay, I just thought of a nasty little girl and felt a little irritated"

"Damn chick?"

Mother Meng was confused by what Su Chen said, little girl? She 's also very hateful?

Who is this?

She basically knows all the female fairies Su Chen met. Are there any hateful people among those female fairies?

"Well, a nasty little girl, and very, very nasty."

Chapter 2593

Su Chen was very angry with the girl on the ladder to heaven.

The three Su Yan sisters went to climb the 10,000-story ladder to heaven. This girl must have been deliberately seduced by the girl on the ladder to heaven.

Bored?

Damn it, the ladder girl has been trapped on the ladder for countless years, how can she not be bored?

Su Chen was also very helpless at this moment.

The three Su Yan sisters had climbed the ladder, and he was unable to stop them at this moment. Moreover, the three Su Yan sisters were very naughty and mischievous, and Su Chen couldn't discipline them even if he wanted to.

Su Chen hugged Po Meng and asked the girl on the ladder,

"Girl, can't you arrange a mortal world for the three Su Yan sisters to play?"

The Tiandai girl coldly shouted to Su Chen,

"Impossible, Su Chen, going up to the 10,000th floor is different from going up to the next 10,000th floor. I have no control over going up to the 10,000th floor. I have no right to control the 10,000th floor."

Su Chen was a little surprised when he heard what the girl on the ladder said.

He didn't expect that the girl on the ladder to the 10,000th floor would have no rights at all. On the next 10,000 floors of the ladder, the girl on the ladder can even decide the rewards.

This is between heaven and earth. There is a huge gap.

Su Chen guessed that the ladder to the 10,000th floor might not be easy to climb.

"never mind!"

The ladder girl asked,

"Return?"

Su Chen replied angrily,

843"Returning is nothing, let's talk about it in a year."

"Little bastard, aren't you worried that something will happen to your three daughters?"

"What a waste of worry. Is it useful to worry? Am I worried that you will not open the world to my daughters?"

"Shameless!"

"You are so shameless, little girl, please kneel down!"

"Su Chen, you are dead. When you return, prepare to accept the punishment of Thunder."

"I'll do it!"

Su Chen became worried when he heard what the girl on the ladder said.

He was worried that the girl on the ladder would really hit him with thunder.

The girl on the ladder just used thunder to warn him last time. This time, the girl on the ladder might be really angry.

Su Chen looked at it The royal city of Xiqi disappeared in an instant with Po Meng in his arms.

The War of Conferring Gods was over, and the war between Dashang and the Western Zhou Dynasty was also over. Now he has to wait for the return of Nuwa and his daughters, so that Su Chen can leave this world and return to the ladder. Years later, in the Heavenly Court,

Su Chen was bored and resting in the Peach Garden.

For more than a year, the immortal army from the Great Desolate Immortal World had swept across the Western Realm. In a few months, the Nuwa Empress and the Queen Mother would return. The Great Desolate Immortal World The immortal army will also return.

Su Chen sat on a peach tree, eating peaches and said to himself,

"The prehistoric Heavenly Way should soon annex the Western Realm, and the completed Heavenly Way should be promoted again. This is good. The stronger the Prehistoric Heavenly Way is, the safer the Prehistoric Immortal World will be."

"Husband, I am going to the lower world today."

Queen Jiang came to the flat peach garden.

She saw Su Chen sitting on the flat peach tree eating flat peaches. Queen Jiang shook her head and shouted,

Whoosh,

Su Chen appeared next to Queen Jiang in an instant.

He hugged Queen Jiang and kissed her,

"Madam, you have only been in heaven for a few days, why are you going to the lower realm so soon?"

Queen Jiang's face turned red when she was kissed by Su Chen.

She shyly said to Su Chen,

"Husband, it has been a year in heaven and a year in heaven. It has been almost five years since I left Dashang. Mrs. Huang, Mrs. Li, and Concubine Huang are all managing Dashang. It is impossible for me to stay in Heaven forever."

Su Chen thought for a while and said to Queen Jiang,

"Forget it, go back and bring more cultivation resources. You haven't become immortals yet. In the future, Dashang will ask those ministers to put more effort into it. You don't have to worry too much. You should spend more time cultivating." (To read exciting novels, go to Feilu Novel Network!)

"I understand, husband, we will practice well."

Queen Jiang nodded to Su Chen.

It doesn't need to be said by Su Chen that they will also cultivate well.

In order to be with Su Chen for a long time, Queen Jiang and the other girls must cultivate and become immortals as soon as possible.

Su Chen stroked Looking at Queen Ginger's plump waist, she said,

"Madam, let's go enjoy the scenery of Pantaoyuan and do some romantic things by the way."

"Husband....."

Queen Jiang lay shyly in Su Chen's arms.

She understood what would happen in a while, but in the flat peach garden, and there was still no obstruction around the flat peach garden. Queen Jiang felt it was ridiculous when she thought about it.

Su Chen smiled and hugged Queen Jiang and disappeared instantly.

White mist suddenly appeared in the nine-thousand-year-old peach forest. The white mist instantly enveloped the nine-thousand-year-old peach forest.

At this time, in the Western Realm, the Nuwa Empress has captured the only saint in the Western Realm. Gaia

, who is in the second heaven of the Holy Realm, cannot resist in the hands of the Nuwa Empress.

If the Nuwa Empress does not want to kill Gaia, Gaia has long been killed by Nuwa Empress with the Chaos Bell.

Gaia was being suppressed by the Chaos Clock at the moment.

She did not expect that the Nuwa Empress did not suppress her, which made her a little confused.

The prehistoric fairy world invaded the Western Realm in a large scale, and the entire Western Realm was conquered in less than a year. The Western gods who dared to resist were all killed. Gaia couldn't understand why the prehistoric fairy world occupied the Western realm of the Dead Realm!

Gaia looked at Nuwa and asked in confusion,

"Nuwa, why don't you kill me?"

Empress Nuwa asked with a cold face, "Gaia, have you heard of the name Su Chen?"

"Suchen? Who is Su Chen?"

"The Heavenly Emperor of the Prehistoric Immortal Realm is also the controller of the Prehistoric Immortal Realm, and the one who ordered this war against the Western Realm."

Gaia was very shocked when she heard what Nuwa said.

She looked at Nuwa and asked in surprise,

"What? Isn't the prehistoric immortal world controlled by a man named Daozu Hongjun? How could a heavenly emperor control the prehistoric fairyland?"

"Forget it, Gaia, I won't kill you. You are the one Su Chen wants. When you go to the ancient world, you will understand all this. Take it!"

Nuwa Empress did not tell Gaia Duo. She used the Chaos Clock to collect Gaia directly.

Gaia seemed to have never heard of Su Chen's name. This may be the fake name Su Chen used when he came to the Western Realm. Let that bastard handle all this.

"The realm war is beginning to end. It will take a month or two to completely conquer the western realm. It has been more than a year, and it will not take long to return to the prehistoric fairyland."

In heaven, Su Chen became even more bored after Queen Jiang went down to the next world. In the Demon Tower of Desire, Han Bao cursed in the Demon Tower of Desire wearing sexy tulle,

"Su Chen, you shameless bastard, you said you would only let me dance in the Pure Land once, is this the one time? You threaten me again and again, how many times do you want me to dance?".

Chapter 2594

In the Demonic Tower of Desire,

Hanba was about to explode with rage.

Over the past few hundred years,

Su Chen had been forcing her to escape to the Pure Land, once or twice. Over the past few hundred years,

Hanba had made Su Chen escape to the Pure Land more than ten times.

Today, that bastard asked her to dance in the Pure Land of Paradise. She had not practiced properly for hundreds of years. Han Bao was thinking about the Pure Land of Paradise. She was about to be driven crazy by Su Chen.

"Hanba, aren't you used to it? You are becoming more and more skilled in the pure land dance, especially when your sexy waist is twisting, which is very attractive."

In the flat peach garden,

Su Chen leaned against the flat peach tree and smiled. For more than a year, although he was a little bored in the heaven, he would tease Hanba every once in a while, which also made Su Chen physically and mentally happy.

Su Chen had no choice."440"

Bingji and Xuerou were about to break through, and it was impossible for him to go find Bingji and Xuerou to have a romantic relationship.

Houtu and Meng Po were reincarnated in six realms, and Su Chen went there several times He was driven back.

Queen Jiang also went down to the lower world to find Dashang.

The other women were not here.

Who would he look for if he didn't look for Hanba?

"Inglorious bastard, this is the last time. I want to practice in seclusion. Don't disturb me in the future."

Han Ba's chest heaved with anger.

She decided to promise Su Chen one more time. She had already danced more than ten times.

Han Ba didn't miss dancing this time.

Damn you bastard.

Han Ba stood up in shame and started dancing.

She Her face instantly turned red.

Dancing in the Pure Land was so embarrassing, especially since she was wearing a transparent tulle. It looked like she was seducing Su Chen.

At this moment,

Su Chen even forgot to eat the flat peach. Hanba's long legs began to swing, and she danced in crystal high heels, and her sexy waist also twisted.

It's so attractive.

Hanba under the transparent tulle is very attractive, especially when she dances Later,

Han Ba's beautiful figure loomed, with her bare waist white and micro-powdered, and the huge mountains rising and falling. Su Chen didn't blink and didn't want to miss every detail.

"Report to the Emperor of Heaven"

"What's up?"

Su Chen saw a Yaochi Fairy coming. He took back his spirit and asked the Yaochi Fairy.

The Yaochi Fairy saluted Su Chen and replied.

"The Emperor of Heaven and the Heavenly Soldiers and Generals found a black mountain range, but I don't know if it is the mountain range that the Emperor of Heaven mentioned."

"where?"

"In the wild west, in the Hengduan Mountains."

Su Chen touched his chin when he heard Yaochi Fairy's words.

The wild west?

Isn't this the territory of Buddhism?

In the Hengduan Mountains?

Su Chen felt that the black mountains should be the mountains he wanted to find. He waved his hand and asked Yaochi Fairy to go down.

Su Chen Decided to check it out.

If the black mountain range is the mountain range he is looking for, he will collect that item first when he returns to the main world.

The smaller half of the body of the Space Demon God.

This is interesting.

After the Space Demon God raises his eyebrows, he should not even think about continuing to advance. , it is impossible for Su Chen to return half of the Space Demon God's body to him.

"Hanba, that's it for today, you can practice with peace of mind."

After Su Chen said something to Han Ba who was dancing in the Pure Land of Paradise, he disappeared in the peach garden in an instant. In the

Demon Tower of Desire,

Han Ba was confused for a moment and refused to let her dance?

What is going on?

Is there something wrong with that bastard ? ? (To read Baoshuang novels, go to Feilu Novel Network!)

No, how long has it been since the Great Desolate Immortal Realm?

One year?

Or two years?

Han Bao suddenly thought that Hongjun and the five great saints had to deal with Su Chen. How many years had passed in the Great Desolate Immortal World? Now, Hongjun and the Five Saints should take action. Is something going to happen to Su Chen?

Hanba's heart suddenly became irritable.

She didn't understand why she was worried.

Didn't Hanba want to kill that shameless bastard? She was worried about that bastard. do what?

"Damn bastard!"

Han Bao rubbed his forehead and felt very helpless.

She didn't know anything in the Demonic Tower of Desire. What's the situation in the prehistoric fairy world now? What's the situation in the Great Tribulation of the Gods? Did Hongjun and the five great saints start a war with Su Chen?

On the ladder to heaven, the three Su Yan sisters have climbed to the thousandth floor. They all cheated and climbed to the thousand floor. The Black Bird bloodline has been opened. Climbing to the thousand floor does not put any pressure on the three sisters of Su Yan at all.

Elena is tired. He said breathlessly,

"Sister, we finally climbed a thousand floors."

Su Yue looked at Elena with her big eyes flashing and asked,

"Elena, your Black Bird bloodline has been activated. With the help of Black Bird, why are you still panting from exhaustion?"

Elena blinked and whispered,

"Ahem, second sister, I was pretending on purpose. I was worried that the Holy Spirit of the Ladder would say that we were cheating. If I pretended to be out of breath, the Holy Spirit of the Ladder would think that I had climbed up a thousand floors with difficulty...."

Su Yan and Su Yue both rolled their eyes at Elena.

They used Blackbird blood to help them climb a thousand floors. Would the Saint Soul of the Ladder know? The Saint Soul of the Ladder did not stop them at first, which shows that they can use the blood of the Black Bird to help them climb the Ladder.

"Su Yan, Su Yue, Elena Su, you have climbed a thousand levels, and the ladder will reward you for reaching a greater realm."

Boom, boom, boom!

The Tiandai girl just finished speaking to the three sisters Su Yan. Su Yan, Su Yue, and Elena's bodies erupted with golden light, and their realms improved by a big level.

Elena shouted happily,

"Eldest sister, second sister, I am a Xuanxian now."

Su Yan felt the realm of cultivation and laughed and said,

"Ha ha...., I am now the Taiyi Golden Immortal, which is the same realm as my father. I can't wait to fight with my father."

For many years, since Su Chen practiced martial arts until he became an immortal,

Su Yan never competed with Su Chen.

She thought that when she lived in Gusu City, her father Su Chen didn't know martial arts at that time. She As long as her father offends her, Su Yan will compete with her father, Su Chen.

She is very funny when she thinks of the scene at that time.

Time flies so fast.

Su Yan misses her life in Gusu City.

Su Yue reveals 2.7 said with a smile,

"Sister, I am a golden immortal. My father will be shocked if he finds out."

The girl on the ladder looked at the three sisters Su Yan on the 10,000th floor and nodded.

Su Yan was promoted to Taiyi Golden Immortal.

This is very good.

She didn't believe that Su Chen didn't want to advance.

The girl on the ladder was very angry when she thought of Su Chen. ,

Su Chen has the merits of heaven, the merits of the great road, and the origin of heaven, but that little bastard has never been promoted, and has always been Taiyi Golden Immortal. The girl on the ladder also guessed why Su Chen did not advance.

Su Chen climbed to Daluo Golden Immortal Su Chen may not want to climb the 10,000-story ladder. That bastard is deliberately delaying his improvement in cultivation.

"Little bastard, your daughter's level has already caught up with yours, I don't believe you still don't want to advance."

Chapter 2595

On the ladder to heaven, the three sisters Su Yan chatted happily with each other for a while.

They thought that after climbing a thousand floors, the Holy Spirit of the ladder to heaven promised to open a world for them to play.

Su Yan looked towards the top of the ladder and shouted,

"Holy Soul of the Ladder to Heaven, our sisters have climbed a thousand levels, and your promise can be fulfilled."

The Tiandai girl reminded the three sisters Su Yan,

"Su Yan, Su Yue, Elena Su, I will open a world, but you must pay attention"

"The world I opened this time is a random world. This world may be a mortal world, or it may be an extremely dangerous world. Do you really want to go?"

Su Yan frowned when he heard the words of the Heavenly Ladder Saint Soul. The Heavenly Ladder Saint Soul unexpectedly opened a world at random.

Could it be a mortal world?

Or could it be an extremely dangerous world?

Su Yan hesitated.

If she was alone, she would not be able to do anything. She doesn't care, but there are still her two sisters.

It is impossible for Su Yan not to care about the safety of her two sisters. She will not put Su Yue and Elena in danger.

What should I do?

Do I want to give up?

Su Yue and Elena looked at Su Yan. This matter must be decided by their eldest sister.

Mortal world?

Extremely dangerous world?

Although they want to go to the new world to play, but if they encounter an extremely dangerous world, the three sisters You may encounter danger, and you may even die in an extremely dangerous world.

Su Yan touched his chin and said,

"Yue'er, Elena, how about you go back to Merlot Heaven? Sister, I will go to the New World alone"

"No, eldest sister, we have to go together. I won't go back."

"I won't go back either. Sister, didn't you say that we three sisters will advance and retreat together?"

Su Yan and Elena hurriedly shook their heads and refused.

They would not let Su Yan take risks alone. If the new world turned out to be an extremely dangerous world, their eldest sister might die in an extremely dangerous world.

"Forget it, I won't go either."

After Su Yan looked at Su Yue and Elena and thought for a while, she decided to give up going to the new world.

This time, she regarded it as coming to improve her cultivation level. The three sisters could improve to a big level, but they didn't. Climb the ladder to heaven in vain.

Elena saw that Su Yan also gave up on entering the new world.

She thought about it and said to Su Yan,

"Sister, how about we try our luck?"

"Besides, our strength is not weak, and we also have powerful and top-grade innate spiritual treasures, and even protective jade talismans given to us by Aunt Nuwa and Aunt Gaia, so we don't have to be afraid even if we encounter danger."

Su Yue blinked her big eyes and said,

"Yes, eldest sister, how about we try our luck!"

"Um?"

Su Yan heard what Elena and Su Yue said.

She thought about it and it was right.

Their sisters all have top-quality innate spiritual treasures, and they also have several protective jade talismans from saint aunts. Su Yan felt that even if they met Danger can also be turned into safety.

Su Yan nodded in agreement and said,

"Okay, we three sisters will try our luck. The Holy Soul of the Ladder can open up the world."

The Tianti girl asked Su Yan firmly,

"Su Yan, have you all thought about it?"

"Think about it"

"Good luck to you three sisters."

Whoosh whoosh!

On the thousand-story ladder, after a white light passed, the three sisters Su Yan disappeared on the thousand-story ladder.

Whoosh, a hazy female figure appeared on the thousand-story ladder. She looked at the disappeared Su Yan. The third sister Yan was a little worried.

The Heavenly Ladder Saint Soul also didn't know which world the three sisters Su Yan had gone to.

The mortal world?

Or an extremely dangerous world? (To read Baoshuang novels, go to Feilu Novel Network!)

She couldn't even find out.

On the 10,000th floor of the ladder, the girl on the ladder has no rights at all. Opening a world is a benefit for every thousand floors. You can refuse or agree, but I am afraid no one knows what world it is.

"well! Hopefully it's not a dangerous world, otherwise that little bastard will go crazy."

In the world of the Conferred God Trial, three months later,

Nuwa and her daughters returned to the Immortal Realm.

Except for a part of the army in the Immortal Realm, the rest of the Immortal Army withdrew to the Immortal Realm.

After the Great Tao of Heaven annexed the Western Realm, , the prehistoric fairy world has been promoted to the super realm, and the prehistoric heaven has also been promoted to the twelfth level of the holy realm.

In heaven, in the flat peach garden,

Su Chen opened a secret realm of time in the flat peach garden. He was preparing to leave the trial world. This time The secret realm is his disguise and the channel through which he will appear in this world in the future.

Su Chen hugged Nuwa and Gaia and said,

"Nuwa, Gaia, you are both saints. From now on, the world of immortality will be left to you."

Nuwa Empress gave Su Chen a white look and said,

"Little bastard, you just stayed in seclusion for thousands of years, time will pass very quickly"

"That's right, Su Chen, thousands of years are just a blink of an eye for us, and you are now as if you are explaining your funeral."

Gaia's whole body went limp under Su Chen's caress.

This shameless bastard,

Gaia has been in the ancient fairyland for more than a month. From the beginning, she became very familiar with Su Chen, and she even slept with the familiar ones. More than a month ago.

Over the past few months,

Gaia has been tortured so much by Su Chen that her whole body will fall apart.

There are still the daughters of Nuwa and the Queen Mother, as well as the daughters of Hera from the Western Realm.

Otherwise,

Gaia would have escaped long ago. I don't want to be tormented by Su Chen anymore when I return to the Western Realm.

".Um! I'm going to retreat. I will be promoted to Daluo Jinxian or Quasi-Sage before I can leave the retreat. You have all divided the source of heaven's way and the spiritual treasure I gave you. It's no big deal. You girls will also retreat and practice separately."

"good! (We get it)."

Nuwa and Gaia both nodded and replied,

"Ladder girl, back!"

After Su Chen (Hao Wang Hao) kissed Nuwa and Gaia respectively, he disappeared in front of them.

Whoosh whoosh whoosh.....

After Su Chen disappeared, the Queen Mother and the daughters of Hera appeared in the peach garden one by one.

Queen Mother Xi frowned and asked,

"Madam Nuwa, why do I feel that Su Chen has left the prehistoric fairyland! Frigga nodded in agreement,

"I also feel that Su Chen left the prehistoric fairyland."

The other girls also nodded.

They all felt that Su Chen had left the prehistoric fairy world, which made them feel very confused.

Gaia said with a surprised look on her face,

"Do you all feel this way? I thought I was the only one feeling this way."

Empress Nuwa shook her head and reminded,

"You don't need to think too much. Su Chen may have some secrets. It's just a matter of thousands of years. When Su Chen appears again, we can ask that little bastard together."

Chapter 2596

When Su Chen appeared on the ladder to the next 10,000th floor, he immediately became vigilant. Su Chen was worried that the girl on the ladder would hit him with thunder. The girl on the ladder must be very boring. Moreover, he had offended the girl on the ladder before and had a grudge. There is no way that the girl on the ladder who must take revenge will let him go.

After a while,

Su Chen looked around cautiously.

Didn't the girl from the ladder come out?

No thunder appeared in the sky to strike him?

Su Chen felt that something was wrong, why didn't the girl on the ladder react at all?

This is not like the style of the Ladder Girl. It would be very strange if the Ladder Girl didn't show up, and the Ladder Girl didn't hit him with thunder, which is even more wrong.

"Holy shit, girl, what world have you sent my girls to?"

Su Chen suddenly thought of the three sisters Su Yan.

The girl on the ladder did not appear and did not hit him with thunder. This made Su Chen look ugly.

Something must have happened to the three sisters Su Yan, in a random world?

Did the three sisters Su Yan go there ? Entering an extremely dangerous world?

The voice of the Ladder Girl came from the air,

"Su Chen, I don't know what world your daughter has gone to."

Su Chen yelled and cursed angrily when he heard what the girl on the ladder said,

"Damn it, you sent them all to a world, why are you still unclear about it now? Ladder girl, tell me quickly, what world has my daughter gone to?"

"Su Chen, I really don't know. I don't have any authority to go up the 10,000-level ladder. Even for people who are sent to other worlds, I don't know what world they have entered."

"damn it!"

Su Chen looked angrily and wanted to beat up the girl on the ladder.

The three sisters Su Yan didn't know what world they were going to, and they were still nothing but holy souls on the ladder.

Whoosh!

A looming woman appeared next to Su Chen, and she spoke to Su Chen comforted,

"Su Chen, don't worry, your eldest daughter Su Yan has been promoted to Taiyi Golden Immortal, your second daughter Su Yue has been promoted to Golden Immortal, and your youngest daughter has also been promoted to Xuan Immortal. They both have top-quality innate spiritual treasures and jade talismans from several saints. , nothing will happen to your three daughters."

Let me guess,

Su Yan has been promoted to Taiyi Golden Immortal?

Is this him?

Is the girl on the ladder trying to cause trouble?

Su Chen didn't expect that Su Yan was promoted to Taiyi Golden Immortal. His current cultivation level is the Taiyi Golden Immortal. Yijinxian.

Although Su Chen has never advanced in cultivation, Su Yan's cultivation speed is a bit fast.

And Su Yue and Elena, their cultivation levels are both good.

I have a headache.

Will that girl Su Yan be able to do it in the future? She also asked him to discuss matters.

Seeing that Su Chen had not spoken, the girl from Tianlai hurriedly assured Su Chen,

"Su Chen, I can guarantee that nothing will happen to your daughter."

Su Chen curled his lips and ignored the Holy Soul of the Ladder.

The three Su Yan sisters have many treasures on their bodies, and they are also very smart.

As long as the three Su Yan sisters do not enter an extremely dangerous world, nothing will happen to them.

Su Yan Chen waved to the girl on the ladder and shouted,

"come over!"

Damn it, the figure of the Tianti girl is really alluring.

Although Su Chen didn't check out the portrait of the Tianti girl, the attractive long legs of the Tianti girl made Su Chen feel itchy just looking at them.

This is a pair that can be played with. Ten thousand years of long legs

"What?"

"I'm telling you, don't you understand human speech?"

The girl on the ladder thinks that Su Chen has bad intentions, and Su Chen is a shameless pervert, so let her pass?

Isn't this a sheep in the mouth of a wolf?

"Su Chen, don't go too far."

Su Chen curled his lips and said mockingly, (To read Baoshuang novels, go to Feilu Novel Network!)

"Too much? How did I go too far? I just asked you to come over, am I going too far?"

Boom!

When the girl on the ladder saw Su Chen staring at her legs, she burst out with some powerful aura and threatened,

"Shameless bastard, if you dare to show your obscene expression again, Su Chen, don't think that I dare not teach you a lesson."

Su Chen was frightened and hurriedly took a few steps back and shouted,

"Ladder girl, I may not pursue your abduction of my daughter, but you have to help me do one thing."

The ladder girl asked indifferently,

"What's up?"

"Bing Ji, Xue Ji, and Drought Demon in the Demon Tower of Desire, you have to help them appear in the main world."

"Can!"

"Um? How come you are so easy to talk to?"

The ladder girl looked at Su Chen and explained with disdain,

"Bing Ji and Xue Ji have long since perished in the main world, and it is impossible for them to revive again. Han Bao is a scum, and she has long since perished both physically and spiritually in the prehistoric fairy world."

0request flowers 0

"Their appearance in the main world will not cause a chain reaction, and the ladder also has the ability to allow them to appear in the main world."

Su Chen was very surprised when he heard what the girl on the ladder said. Bing Ji and Xue Ji died in the main world?

Who killed them?

Could it be that Hongjun killed Bing Ji and Xue Ji after they were discovered in the Ice Cave?

No, although Bing Ji and Xue Ji are not Hongjun's opponents, if they escape from the prehistoric fairy world, Hongjun can't stop them. Were Bing Ji and Xue Ji killed by the Chaos Demon God?

And Drought Demon?

How did she die ? Forget it

, just a scumbag, there are a lot of people in the prehistoric fairy world who can kill Hanbao, and Su Chen can't even guess who killed Hanbao. The

Tiandai girl asked Su Chen,

"Su Chen, do you want to receive the reward?"

"Is it okay if I say not to receive it?"

"What do you think?"

The girl on the ladder is going to be driven crazy by Su Chen.

This shameless bastard, other immortals are eager to advance to the realm of cultivation, but this bastard has never wanted to advance. There are a lot of top-notch cultivation resources, and there are also many heavenly and Taoist merits. , and the very precious origin of heaven.

If Su Chen used these treasures casually, he might have advanced to the quasi-sage realm.

"Get it!

Su Chen rolled his eyes at the girl on the ladder.

He felt that the girl on the ladder was about to explode. Su Chen did not dare to make the girl on the ladder explode with anger.

Boom boom boom.....

A white light fell from the sky and instantly enveloped Su Chen.

Su Chen's cultivation realm was rapidly improving. In just a few breaths, he was promoted to Da Luo Jinxian, but his cultivation realm was still improving.

Early stage of Daluo Jinxian.....The middle stage of Daluo Jinxian.....Late period of Daluo Jinxian.....The peak of Daluo Jinxian. boom!

Su Chen's cultivation level reached the early stage of quasi-sage, and then he stopped.

He directly promoted two major realms this time, from Taiyi Golden Immortal to Quasi-Saint realm, and his cultivation realm was still very stable. Su Chen was promoted from a little scumbag to a more powerful scumbag talent..

Chapter 2597

Su Chen checked his cultivation realm and nodded.

It was quasi-sacred realm, neither above nor below.

But facing his enemies, Su Chen was still a fool, and he still had to rely on his women to fight the battle..

The girl on the ladder said to Su Chen,

"Su Chen, you are already in the quasi-sage realm. You can start climbing up the 10,000-story ladder."

Su Chen rolled his eyes at the ladder girl and shouted angrily,

"Climbing is nothing, girl, I just came back from the trial world, can't you let me rest for a few years?"

The Tiandai girl glared at Su Chen and cursed,

"Bastard, is your trial difficult?"

"Well! Even if your trial is very difficult"

"But did you contribute? In addition to fooling around with those women, your women are doing the fighting. You just talk, and you are tired."

Me?

What kind of fool?

Is he a fool?

Su Chen and Nuwa Empress and the other two girls are in love, and they do those romantic things because they like each other.

Su Chen curled his lips and said,

"My heart is tired!"

Shameless! Su Chen, in one month, you must climb the 10,000-story ladder in one month, or you will bear the consequences."

"Can!"

Su Chen thought for a while and agreed.

After a month of climbing the ladder to heaven,

Su Chen can also drag the Nuwa Empress and the daughters up to the 10,000-story ladder. The Nuwa Empress and the daughters also need to climb. He can also let the Nuwa Empress and the others climb the ladder. The cultivation realm of Empress Wa and the girls should be improved.

When the girl on the ladder saw Su Chen still looking at her, she shouted coldly,

"You are dismissed!"

Su Chen shouted with a black face, "What the hell, little girl, can I leave by myself?"

The girl on the ladder reacted when she heard Su Chen's words.

She patted her forehead and was very speechless.

The girl on the ladder forgot that it was impossible for Su Chen to leave the ladder on his own. She was also confused by this bastard.

"get out!"

The girl on the ladder glared at Su Chen and waved her hand. Su Chen disappeared on the ladder in an instant.

Damn you little bastard.

For countless years, this bastard is the first scumbag to drive her crazy.

Xuantian Realm ,

Merlot Heavenly Court, after Su Chen was sent back by the girl on the ladder, Su Chen was relieved after he learned about what happened recently. Nothing major happened in Xuantian Realm, the Great Desolate Immortal World was still half dead, Demon Ancestor Luohu and Great Desolate Tiandao were fighting. No matter how hard he fought, he could not erase the ancient law of heaven. In Yaochi Immortal Palace, Concubine Yan and Jing Sala were very surprised when they heard Su Chen's story. Jing Sala asked Su Chen worriedly,

"Husband, are you saying that Yan'er and the others all climbed the Ladder to Heaven, and the Holy Spirit of the Ladder sent the three sisters to a world of trials?"

Concubine Yan hurriedly asked Su Chen,

"Husband, is the world of trials dangerous?"

Su Chen hugged Concubine Yan and Jing Salamander and comforted them,

"You don't have to worry, Yan'er's realm has been promoted to Taiyi Golden Immortal, Yue'er has also been promoted to Golden Immortal, and Elena is not bad, she has also been promoted to Xuanxian."

"The three sisters all have top-quality innate spiritual treasures, and they also have the jade talismans of the saints from Nuwa and the other girls, so nothing will happen to them."

Concubine Yan and Jing salamander nodded after hearing this.

They also knew that the three sisters Su Yan all had many spiritual treasures. Aunt Nuwa and several saints from Gaia gave them jade talismans. Nothing will happen to the strong men who come to the Holy Realm.

Su Chen didn't see Sethis coming, so he asked doubtfully,

"By the way, where is Thetis (Elena's mother)? Hasn't she come out of seclusion yet? Concubine

Yan shook her head and replied (To read Baoshuang novels, go to Feilu Novel Network!)

"No, it may take another hundred years for Sethis to come out of seclusion."

Su Chen touched his chin speechlessly.

Ever since Sethis came to the Xuantian Realm, she has been practicing in seclusion and has not left seclusion.

No matter how much Sadis practices, she can't be as high as Elena. I'm afraid she still can't. There is no immortality. After all, Sethis is not qualified and does not have a strong bloodline like Elena.

Su Chen hugged Concubine Yan and said,

"Madam, we haven't been together for a long time. Today we are resting in Yaochi Palace."

Concubine Yan and Jing Salad both had shy expressions.

They hadn't been with Su Chen for a long time. They had been in seclusion before. After they came out, Su Chen went to participate in the ladder trial. Concubine Yan and Jing Sala missed them very much. Su Chen.

Whoosh!

Su Chen hugged Concubine Yan and Jing Salaman and disappeared into the sea of flowers.

After a while, a seductive voice came from the sea of flowers in the Yaochi Fairy Palace.

The world opened by the ladder to heaven.

Swallow the world!

The three sisters of Su Yan are at this moment They looked at the surrounding scenes in confusion, including broken high-rise buildings, abandoned cars, and monsters that were scared to the ground. They didn't understand what this world was.

Su Yue checked the world and said,

"Sister, this world is really strange. This world is somewhat similar to Aunt Kesha's world. Elena nodded and said,

"Sister, there is no aura in this world, and this world is still a doomsday scene, with battles between humans and monsters, and those scum monsters in the starry sky. This world is too fragile."

Su Yan looked at this world and was speechless.

This world is very similar to the super god world, but this world is almost occupied by monsters, and humans can only huddle in steel fortresses.

Su Yan said to Su Yue and Elena reminded,

"Yue'er, Elena, you all seal your realm. This world is too fragile. Don't accidentally destroy it."

"Yes, Sister 787!"

Su Yue and Elena hurriedly sealed the realm of cultivation. They didn't want to accidentally destroy the world.

Su Yan was about to seal her realm of cultivation when she suddenly felt the aura of her father Su Chen.

Su Yan He said in surprise,

"Huh? Dad's breath? How could daddy's aura appear in this small world? Elena asked in surprise when she heard Su Yan's words.

"What? Sister, have you discovered daddy's aura? How can this be? This is a small world. How did dad come to this world where nothing matters?"

Su Yue asked with big eyes flashing,

"Yes, how did dad come to this world? Sister, you didn't perceive a mistake, right?"

"We'll understand after we go over there and take a look."

Su Yan waved his hand and took Su Yue and Elena with him, and instantly disappeared into this dilapidated city.

After the three sisters of Su Yan left, the monsters around them stood up from the ground one after another.

In a luxurious building,

Winina stretched her white thighs and drank red wine. She was thinking about how to get the treasures on Kiri Island, such as the Muya Crystal, the Spirit of Grass and Trees, Moyundeng, and the spaceship of the Fallen Ink Star. She wanted to get all of these.

But Venina also knows that this is impossible, Mo Yunteng is not a being she can deal with.

"A woman? Why does this woman smell like daddy on her body? Is this woman also my father's woman?"

Chapter 2598

In a luxurious building, the three Su Yan sisters appeared in the luxurious living room on the top floor. They looked at Wenina with great confusion.

A scumbag mortal woman, how could this woman have the aura of their father in her body?

"You are.....Huh? Two little girls and a teenage girl, how did you get into my house?"

Venina suddenly heard someone talking in the room.

She thought an enemy had broken in. She turned around and saw two little girls and a seventeen-year-old girl appearing in the living room, which made her very confused..

After Su Yan took Su Yue and Elena to sit down, she said to Wenina,

"We walked in just walking!"

"Little girls, who are you?"

Wenina checked Su Yan, Su Yue, and Elena. She found that the three of them were ordinary people.

They were not warriors, but her place was heavily guarded.

Even a warrior at the God of War level would not be able to break in. This How did the three girls get into the living room on the top floor?

Su Yan looked at Wenina and replied,

"My name is Su Yan, this is my second sister Su Yue, and my youngest sister Elena Su"

"Su Yan? Su Yue? Elena Su? Your last name is Su? What is your relationship with Su Chen?"

Wenina became nervous at this moment. She stood up and stared at Su Yan to hear the answer to 757 questions she wanted to know.

The three sisters were all named Su, and seeing that the eldest Elena was still the younger sister, she thought If the three sisters Su Chen and

Su Yan are Su Chen's daughters, it may be true that Elena is the youngest sister. After all, the speed of time in the fairy world is different.

Elena may live very fast in other worlds, and she is the youngest sister. She looked older than Su Yan and Su Yue.

Su Yan asked with a genuine expression,

"You really know our father, no wonder you have the aura of our father on you. Are you our father's woman? Wenina nodded and asked,

"good! How did you sisters come to this world? Has your father also come?"

The three Su Yan sisters all stood up and saluted Wenina.

Although this woman is a scumbag, she is their father's woman after all, and they still have to respect the respect they deserve.

Su Yan said to Wenina ,

"We sisters came to this small world accidentally. Our father did not know that we were in this small world."

Wenina saw the three sisters Su Yan saluting her, which made her very happy.

The three sisters Su Yan were all princesses in the fairy world. Their noble status was beyond the imagination of Wenina.

Wenina heard that Su Chen He said that the realm he controls is the Xuantian Realm!

The top realm in the chaotic world, the Xuantian Realm controls several subsidiary realms and thousands of small worlds, with probably trillions of living beings.

Su Yan The three sisters did not look down on her because of their noble status or because they were immortals.

Wenina had a very good impression of the three sisters Su Yan. That bastard Su Chen did a very good job in educating the children. Wenina had a very good impression of the three sisters Su Yan. He waved and said with a smile,

"Sit down, I am your aunt too, you feel at home here."

Elena asked Wenina doubtfully,

"Auntie, didn't my father teach you the techniques of cultivating immortals? Venina replied with a smile,

"Haha, your father taught me and gave me a lot of cultivation resources, but the time was too short. I have only practiced for more than three months and I haven't started yet."

"Auntie, let me help you build your foundation. I am a Xuanxian now....."

Boom boom boom.....

Suddenly, (to read Baoshuang novels, go to Feilu Novel Network!) there was a roar outside the building, and the whole building shook.

A man's voice shouted and cursed outside the building,

"Venina, damn bitch, come out here."

When Wenina heard the shouting and cursing outside, her expression changed.

Li Yao, her former husband,

(abdj) After Wenina came back from the Luck War three months ago, she and Li Yao parted ways. Li Yao had not appeared in the past few months, and she did not expect that Li Yao would appear today.

Li Yao came at the wrong time.

Su Chen's three daughters were all here.

Wenina was worried that the three Su Yan sisters would look down on her if they knew she had a man before.

"I'll go take a look. You three sisters can play here."

After Wenina explained to the three sisters Su Yan, she quickly flew out.

Wenina wanted to completely resolve her relationship with Li Yao. If Li Yao didn't know what he wanted to do and came to harass her, she wouldn't mind killing Li Yao. Yao.

The three Su Yan sisters looked at each other and didn't care.

The people who came to cause trouble outside were not as powerful as Wenina. It was easy for Wenina to kill the people outside.

Elena took a sip of red wine and said with a frown,

"Sister, this wine tastes terrible."

Su Yan glanced at Elena and said,

"Idiot, this is mortal wine. Can it be compared with the fairy wine in our Merlot heaven?"

Su Yue looked at the items in the living room and said with a smile,

"Haha, sister, although this small world has no aura, the whole small world is pretty good. These strange and weird items look pretty good. We can have fun in this small world."

"Yes, this small world is not dangerous. We can have fun here."

In Xuantian Realm,

Su Chen called all the women in retreat and women from all over the country. The time to climb the ladder to heaven was coming. He was going to take the girls to climb the 10,000-story ladder together.

In the Palace of the Emperor of Heaven,

Su Chen had just After explaining the matter of the ladder to the heavens with Nuwa Empress and the other girls, the ruthless empress instantly appeared next to Su Chen and asked,

"Brother, where are Su Yan and the others? Why didn't I see Su Yan, Su Yue and Elena?"

Su Chen stroked the ruthless empress' hair and said,

"The three sisters, Nannan and Su Yan, have all climbed the ladder, and they are now playing in a trial world."

The ruthless empress hugged Su Chen's arm and said with a smile,

"Brother, I want to take the Queen Mother of the West and God Liu to climb the ladder to heaven, is that okay?"

"Can I say no?"

"no!"

"Then what else do you ask me to do?"

Su Chen shook his head speechlessly.

The three Su Yan sisters all gave him a headache.

He didn't expect that the ruthless empress, who had always been steady and steady, would also start to give him a headache.

"Haha, brother, aren't I saying hello to you? Besides, Xihuang Mu and Liu Shen are both my friends. I plan to bring them into our Xuantian realm in the future."

Chapter 2599

The ruthless empress smiled when she saw Su Chen's depressed and speechless look.

Since the last war in the ancient starry sky, the ruthless empress also understood what Su Chen was thinking.

She is the eldest princess of the Xuantian realm. Although she is the eldest princess of the wild realm, she The realm where she was born, but the Xuantian realm is her home.

Here are her brothers, her descendants, sisters-in-law who care about her, and the immortal men and immortal army who are respectful and loyal to her. The Human Empress decided not to return to the wild realm.

If a crisis occurs in the Savage Realm in the future, the ruthless empress will still help if she can, but she will also decide whether to take action based on the interests of the Xuantian Realm.

"Nannan, go and prepare. The ladder to heaven will be opened in the next couple of days. Bring the Queen Mother of the West and Liu Shen with you."

Su Chen nodded when he heard the words of the ruthless empress.

Two quasi-sages?

It doesn't matter if they are or not, but the Queen Mother of the West and Liu Shen are friends of the ruthless empress after all. Su Chen also has to do it. The ruthless empress thought about it, he was also worried that the ruthless empress would return to the wild realm in anger.

By then,

Su Chen would have a headache again.

"Okay, brother, I'll inform the Queen Mother of the West and God Liu!" The ruthless empress nodded and disappeared from Su Chen's side instantly.

After the ruthless empress left, Su Chen sat down, rubbed his forehead and whispered,

"well! It's been almost a month, ladder? What are the rewards for climbing the ladder this time? What other trial tasks will there be?"

Whoosh!"

"Husband!"

"Yinji, are you all back?" When Su Chen saw Yin Ji arriving, he happily held Yin Ji in his arms.

Yin Ji leaned in Su Chen's arms and said with a smile,

"Well, the four of us are back. Husband, the space node of the ferocious beast realm has been moved to the space channel of the ancient fairyland. If the space passage of the ferocious beast realm is broken, the ferocious beast realm will be the same as the western part of the primeval fairyland. Niu Hezhou is connected."

Su Chen nodded when he heard Yin Ji's words.

Before he went to participate in the ladder trial, Su Chen asked four saints to move the space nodes of the ferocious beast realm.

The world of super gods is too fragile, and fragile companies are not qualified to become battlefields. None,

Su Chen did it for Kesha and Hexi. After all, the super god world is the world of their girls. If possible, Su Chen didn't want to see their world destroyed by ferocious beasts.

Yin Ji asked Su Chen worriedly road,

"Husband, if the space passage in the ferocious beast realm is broken, it will definitely be connected to the prehistoric fairyland."

"The Great Desolate Immortal Realm is facing the simultaneous invasion of the demonic world and the ferocious beast realm from outside the territory. The Great Desolate Immortal Realm is no match at all. When the time comes, will our Xuantian Realm join the war?"

"We'll see then, I haven't made up my mind yet."

Su Chen stroked Yin Ji's smooth little face and shook his head, the outer world of demons!

The realm of ferocious beasts!

And the space demon raised his eyebrows!

These are terrifying enemies.

That fool Luo Hu may still be fooled, but the Beast King Shen Ni is a lunatic. He is a more cruel and crazy person than Luo Hu.

The space demon Yangmei is also an old cunt.

Does Yangmei rule a realm? Su Chen wonders if Yangmei will summon some chaos demons to take advantage of the opportunity. Invading the prehistoric fairyland? Su Chen still didn't know,

Demon Ancestor Luohu, Beast King Shenni, and Space Demon God Yangmei.

Among these three people,

Space Demon God Yangmei is too mysterious.

Space Demon God Yangmei is also the most difficult enemy to deal with. The more you don't understand, the more you don't understand. The enemy Su Chen has to be more careful.

Yin Ji grabbed Su Chen's erratic hand and asked, "Husband, do all of us have to go to climb the ladder this time?"

Su Chen nodded and replied,

"Yes, this is an opportunity to improve your cultivation level. You should try your best to climb the ladder when the time comes."

"The three Yan'er sisters have only climbed a thousand levels, and they have all risen to a great level. Although you and Nuwa are all powerful saints, you will gain a lot from climbing the ladder, and you may even rise to several great levels. realm."

Yin Ji nodded when she heard Su Chen's words, ladder to heaven? (To read Baoshuang novels, go to Feilu Novel Network!)

This is the most mysterious ladder in the legend.

Although Yin Ji is a saint, she cannot climb it. Ten thousand floors, the test of the ladder is too abnormal.

For countless years, there are countless strong people who have climbed the ladder, but none of them can climb the ten thousand floors.

Su Chen kissed Yin Ji and reminded

"Yin Ji, you and Leng Shuang need to adjust their condition well. In these two days, we may have to climb the ladder to heaven."

"clear!"

"I will go to the starry sky fortress outside the ancient world. If the ladder starts to climb, I will let the ladder open a space passage in the Peach Garden. Then you will all enter and climb the ladder."

Yin Ji asked Su Chen doubtfully,

"Husband, are you going to see the Demon Ancestor Rahu?"

"Well, there are some things I need to ask Rahu."

"You have to be careful and don't let Sister Nuwa go with you."

Su Chen smiled and waved his hand and replied,

"No, Luo Hu will not take action against me, at least he will not take action against me before he has destroyed the prehistoric heaven."

"makes sense."

In the palace of the ruthless empress, the ruthless empress, the Queen Mother of the West, and the three daughters of Liu Shen were sitting together and drinking tea.

They were all thinking about climbing the ladder to heaven at the moment.

It would be very important for them to be able to climb the ladder in a few days. It is an opportunity, an opportunity to become a saint in one fell swoop.

Queen Mother Xi took a sip of tea and asked,

"Ruthless man, if we climb the ladder to heaven, how many levels can we climb?"

The ruthless empress shook her head and replied,

"I am not sure"

"Although I have climbed ten thousand floors of the ladder, the tens of thousands of floors should be even more difficult to climb. It is not difficult to climb the first thousand floors of the ladder, but it becomes more difficult the further back, and the test is very abnormal."

Liu Shen curiously asked Empress Ruthless, "Renren, didn't you ask your brother?"

Liu Shen guessed that Su Chen had an extraordinary understanding of the Heavenly Ladder, and that Su Chen could let his women and men climb the Heavenly Ladder, which was even more beyond her expectation.

Liu Shen couldn't understand how Su Chen could let the Heavenly Ladder The women who agreed with him to climb the ladder to heaven, don't those who climb the ladder have to be selected? The ruthless empress smiled and replied, "No need to ask, my brother will climb the ladder with us this time. If anything happens, my brother will Tell me before you climb the ladder."

Climb the ladder to heaven?

The ruthless empress decided to compete with Su Chen.

Although her brother Su Chen has been promoted to quasi-sage, she is at the pinnacle of quasi-sage. The ruthless empress does not believe in climbing the 10,000-story ladder. She is incomparable. Fuck her brother Su Chen

"Your brother also wants to climb the ladder? Your brother is just a scumbag of Taiyi Golden Immortal. How many levels can he climb? I guess your brother can't even climb three thousand floors."

Chapter 2600

The Queen Mother of the West was very surprised when she heard what the ruthless empress said.

Su Chen also wanted to climb the ladder to heaven?

Where is this happening?

Su Chen is a scumbag.

They and other quasi-sages may not be able to climb the five thousand floors.

Is Su Chen trying to make a joke?

Liu Shen smiled and said,

"The Queen Mother of the West, the brother of the ruthless empress, must have wanted to experience climbing the ladder."

Liu Shen thought that Su Chen's strength was too low. He was a scum of the Taiyi Golden Immortal. Su Chen was indeed not suitable for climbing the ladder.

Even if the first thousand floors of the ladder were very easy to climb, what about the rest?

The ladder after the thousand floors. It may be very difficult to climb. Su Chen should not even be able to climb the two thousandth floor.

The ruthless empress reminded silently,

"My brother is now in the quasi-sage realm. I'm afraid none of you will be my brother's opponent.

"What? Is your brother in the quasi-sage realm? Are you kidding me? It has only been more than a year, and even if your brother takes medicine, it is impossible for him to advance from Taiyi Golden Immortal to the quasi-sage realm."

"Ruthless man, you didn't deceive us? How could your brother suddenly reach the quasi-sage realm?"

The Queen Mother of the West and Liu Shen were so shocked that they didn't believe it. How could Su Chen advance to the quasi-sage realm in just over a year

? Even if Su Chen cultivated in the secret realm of time, thousands or even tens of thousands of people had passed through the secret realm. In ten thousand years, it would be impossible for Su Chen to advance to two major realms in a row

"You will understand as you climb the ladder to heaven."

The Ruthless Empress smiled and didn't say much.

Is her brother a scumbag?

This is indeed true.

Su Chen, the brother of the Ruthless Empress, is indeed a scumbag, but is there such a scumbag who controls a powerful realm?

There are twenty Are there scumbags who serve under multiple holy realms?

Are there scumbags who have climbed the ladder to the 10,000th floor?

When the ruthless empress thought about Su Chen and not becoming an immortal, Su Chen became the emperor of the prehistoric immortal world.

And Su Chen's Many women are powerful saints. Can a scumbag do such a thing? Every time her brother does something very unexpected. The

Queen Mother of the West and Liu Shen looked at each other.

They felt that the ruthless empress did not By deceiving them, Su Chen might have really advanced to the quasi-saint realm.

Outside the realm of the prehistoric fairy world, in the Starry Sky Fortress,

Luo Hu sat in the hall with a cold face and thought about it. The prehistoric heaven was too powerful. If he wanted to kill the prehistoric heaven, Luo Hu might have to use It took hundreds of years to destroy the ancient ways of heaven.

It took too long, and he was worried that something might happen again when he destroyed the ancient ways of heaven.

A demon envoy saluted Luo Hu,

"Demon Ancestor, why don't we send demon soldiers to invade the prehistoric fairyland~? Luo

Hu shook his head and replied,

"No, if we send out demon soldiers, although the prehistoric heaven will not stop us, the saints from the prehistoric fairyland will take action. When the time comes, our demon soldiers will all be killed by those cowardly saints."

Luo Hu looked down upon the saints from the ancient world of immortality very much.

During this time, he has been calling Zhan Hong Saints in the immortal world, but Hongjun and the five great saints cowered and did not respond.

Some saints who are greedy for life and afraid of death, if it weren't for the prehistoric heaven protecting the prehistoric immortal world, Luo Hu could crush those cowardly saints to death with just one hand.

"Report to Demon Ancestor, that Su Chen is here"

"Suchen?"

Demon Ancestor Luohu didn't expect that Su Chen would come to the Starry Sky Fortress.

What was that old bastard doing here?

Is there some conspiracy?

Whoosh! (To read Baoshuang novels, go to Feilu Novel Network!)

Luohu disappeared in the hall instantly, He wanted to know what Su Chen was doing here.

Above the Starry Sky Fortress,

Su Chen looked at the densely packed tens of billions of demon soldiers.

He was very surprised.

Su Chen thought that Luohu would have billions of demon soldiers, but he I didn't expect that Luo Hu would have so many demon soldiers.

Whoosh,

"Su Chen, what are you doing here?"

Luo Hu appeared next to Su Chen in an instant. He asked Su Chen with a cold face.

Su Chen curled his lips and said to Luo Hu,

"Luohu, we are all old friends, can't you show a smile to welcome me?"

Luo Hu mocked disdainfully,

"Old friend? Do you really dare to say that we have only met once, and it has only been a few years. When did we become old friends?"

Luo Hu is very wary of Su Chen.

This bastard is obviously a powerful holy realm.

Su Chen previously pretended to be a scumbag of Taiyi Golden Immortal, and now he is pretending to be a quasi-holy realm.

Old bastard!

Luo Hu thinks Su Chen Chen is even more insidious than Hongjun.

If they didn't have a common enemy,

Luo Hu would have never wanted to have any contact with Su Chen. He was worried that he would be tricked to death by Su Chen accidentally.

Luo Hu was tricked to death by Hongjun once, and he didn't want to He was tricked to death by another old yandere.

Su Chen looked at Luo Hu, who was wary of him, and was very speechless. Is this still Luo Hu, the demon ancestor who is fearless?

He is just a scumbag, oh no, he is now a slightly stronger one. It seems that Luo Hu was deceived by him last time.

After Luo Hu, who was in the eighth level of the Holy Realm, was tricked to death by Hongjun once, Luo Hu was bitten by a snake once and was afraid of well ropes for ten years.

"`.Ahem, Rahu, don't worry about these details. We all have a common enemy. Even if we are not friends, we can still be regarded as allies."

Luo Huan frowned and asked Su Chen,

"Su Chen, what is the purpose of your visit this time? Su

Chen touched his chin and asked,"Luo Hu, space demon Yang Mei, do you want to take revenge on him?"

"Yang Mei? Hum, after I destroy Hongjun and destroy the ancient immortal world, I will not let go of Space Demon God Yang Mei."

How could Luo Hu let go of the Space Demon God Yang Mei?

The people who surrounded Sha Tian all wanted to die.

The Space Demon God was the most powerful existence at the beginning. If it hadn't been for the Space Demon God Yang Mei, Hongjun would not have been able to kill him. Luo Hu The space demon Yang Mei will not be let go. (Zhao's)

Su Chen nodded when he heard Luo Hu's words and reminded,

"I got a piece of news. When Yang Mei and Hongjun surrounded you, a small part of his body was cut off by the Zhuxian Sword Formation. Space Demon Yang Mei has not found the small part of his body to this day.

Luo Hu asked Su Chen hurriedly, "Do you know where Yang Mei's body is?"

Su Chen nodded and replied,

"Yes, I am here to tell you this. If Yang Mei can't get that small part of his body, after his realm reaches a certain level, Yang Mei will never be able to advance again in the future."

Luo Hu looked at Su Chen in surprise.

Would this old bastard know about this?

Yang Mei was cut off a section of her body by the Zhuxian Sword Formation. Luo Hu didn't even know about it. How could Su Chen know about this?

"Su Chen, you are right. Yang Mei's body is incomplete and it is impossible for him to advance to a higher realm. What is the purpose of telling me this?"
