Chapter 26

Just as Su Yan and the others were about to leave, suddenly a burly and honest-looking man appeared in front of the beautiful woman.

Su Yan thought that this big man was going to cause trouble for this beautiful woman. She also saw that this big man was also a charlatan. Su Yan, A'Zhu and the others stood by and watched what this big man was going to do.

"Ronger, I finally found you. Huang

Rong said helplessly when she saw Guo Jing looking for her,

"Guo Jing, what do you want from me? And don't call me Ronger, we are not familiar with each other."

Guo Jing smiled and touched his head and said,

"Haha, that Huang Rong, the Northern Beggar Clan's conference will be held in three days. I came to see you to attend the Beggar Clan conference together."

When Huang Rong saw that the little girl next to her did not leave, and was looking at her and Guo Jing with interest, Huang Rong hurriedly said to Guo Jing,

"I can go by myself, you can leave now."

Guo Jing stood in front of Huang Rong without leaving and said with a silly smile,

"Huang Rong, I have been looking for you for several days. My master has already gone to the apricot forest. You should go with me now, otherwise there will be too many people in a few days and you may not be able to get in."

Huang Rong now wants Guo Jing to leave immediately. Now she has seen that hateful little girl laughing at her.

"No need, I will find a way to get in myself, you'd better leave."

When Guo Jing saw that Huang Rong kept asking to leave, he hurriedly said loudly,

"Huang Rong, do you like that Mr. Wu Xiang? Let me tell you, that Wu Xiangjun is not a good person. He kills people without blinking an eye. You saw what happened a few days ago. He even executed the assassins who surrendered. You don't want to be with that kind of person."

Su Yan couldn't stand it anymore. She originally wanted to see this beautiful woman in embarrassment, but she didn't expect that the two of them would get involved with her father while they were talking.

And this beautiful woman named Huang Rong actually talked to her. Su Yan was related to his father, which made Su Yan look at Huang Rong a little unkindly. Now her mother has not returned her father to be together.

If this beautiful Huang Rong gets involved, her mother's status may be in danger.

Su Yan came to Guo Jing's side with small fists in his hands and said,

"I said you silly man, if you say bad things about Mr. Wu Xiang again, believe it or not, I will have someone beat you up."

Guo Jing looked at the little girl beside him and said honestly,

"Well, little girl, what I said is the truth, I am not lying."

Su Yan looked at this silly big man and reminded,

"Silly man, do you know who owns this Gusu City? Aren't you afraid of being caught when you say bad things about Wu Xiangjun here?"

Guo Jing looked at Su Yan and said confidently,

"Gusu City belongs to Lord Wu Xiang, can't I say bad things about him just because Gusu City belongs to Lord Wu Xiang? Besides, what I said is the truth and I didn't lie to you."

Su Yan covered his forehead and said speechlessly,

"Let me guess, it turns out you are a fool, Huang Rong, right? You'd better take care of your friend, otherwise he will easily suffer."

Huang Rong is very depressed now. She has been embarrassed in front of this little girl this time. She didn't expect that Guo Jing was so persistent. She had already asked him to leave, and he was stupid and talking nonsense next to her.

Huang Rong was a little bit confused. He said to Su Yan gloomily,

"Little girl, I'm not his friend, so don't talk nonsense."

Su Yan didn't believe Huang Rong's words. She looked at Guo Jing and knew that this stupid guy must like this beautiful Huang Rong. If this stupid guy likes Huang Rong, then Huang Rong is no longer a threat to her mother.

Su Yan rolled his eyes. Then he continued to ask,

"That's it, big man, what's your name? What's the relationship with this beautiful woman?"

Guo Jing looked at Huang Rong and replied with a silly smile,

"My name is Guo Jing, little girl. Huang Rong is my friend. We came to Gusu City together."

Su Yan burst out laughing after hearing Guo Jing's words.

"Haha, Huang Rong, what are you talking about now? I didn't expect that you are so beautiful that you would find such a man, hahaha, and he is also a fool."

Guo Jing reminded him when he heard the little girl called him by the wrong name,

"Little girl, I am not Hanhan, my name is Guo Jing"

"Haha, I get it, silly."

Su Yan was leaning against A'Zhu's body while laughing. She didn't expect that Guo Jing could be so funny.

A'Zhu and A Bi were also covering their mouths and laughing. They also saw that this rough-looking man was a little silly. He's stupid, and he's still stubborn. Things he's sure about won't change.

Huang Rong now looks at Guo Jing and wants to strangle this bastard to death. It's enough for him to embarrass himself here, and now it involves himself.

And The little girl next to her, what is her relationship with Wu Xiangjun? Why did the little girl react so strongly when Guo Jing said bad things about Wu Xiangjun?

"Little girl, what is the relationship between Wu Xiangjun and you?"

Su Yan looked at Huang Rong and warned himself,

"Mr. Wu Xiang is my father, Huang Rong. My father has a wife. You must not fall in love with my father. Huang

Rong immediately blushed and retorted,

"Damn, how could I possibly fall in love with that bastard of your father?"

Su Yan breathed a sigh of relief after hearing Huang Rong's words.

"Huh, this is the best, Huang Rong, you have to remember what you just said, I can tell you, my father is about to have a second wife now, you'd better not get involved."

Huang Rong looked at this little girl Su Yan and wanted to tease her.

"Oh, so your dad is quite popular, so I have to think about whether I like your dad or not."

After hearing Huang Rong's words, Guo Jing hurriedly dissuaded him,

"Huang Rong, didn't you hear what Wu Xiangjun's daughter said? Mr. Wu Xiang already has a wife, and his daughter is already so old. You can't like Mr. Wu Xiang."

Su Yan also immediately said to Huang Rong,

"Yes, Huang Rong, my father is a bad person, and he is about to marry a second wife. Don't jump into the fire pit. Huang

Rong smiled, pinched Su Yan's face and said,

"Little girl, I just like your dad, what do you think I should do?"

Su Yan is a little flustered now.

"But no, you are so beautiful, why can't you find a good man? You see, Guo Jing is an honest and kind person at first glance. If you marry him, he will treat you very well in the future, and you don't have to worry about him marrying a second wife. Huang

Rong looked at the anxious Su Yan and patted her head and said with a smile,

"Haha, little girl, oh no, good daughter, I have decided to marry your father, and you will be my daughter from now on. How do you think I will treat you in the future?"

"Who is your daughter? Let me tell you, as long as I am here, I will not let my father marry you, and you should not have any thoughts of marrying my father."
