

Zongwu 2661

Chapter 2661

Su Chen didn't expect to meet Bai Yuekui in this world, but why was Bai Yuekui the only one? Where are Brother Qilin, Wenina, Mu Ningxue and the others?

Whoosh!

Su Chen suddenly appeared next to Bai Yuekui.

He hugged Bai Yuekui and asked with a smile,

"White beauty!"

"Su Chen, why are you in this world?"

Bai Yuekui was about to kill the person hugging her. She didn't expect that it would be that bastard Su Chen.

How would Su Chen appear in this world like this?

Wasn't she allowed to invite her teammates to her personal trial?

Su Chen kissed her. Bai Yuekui said after a moment,

"There was something wrong with my coming to this world. Why are you also in this world? What about the rest? Are they all in this world?"

Bai Yuekui leaned in Su Chen's arms and replied,

"No, Venina and the others are not in this world. This is my solo promotion mission."

"White Beauty, what promotion mission is it?"

"My realm has broken away from the warrior level. To become an immortal cultivator, I must participate in a trial."

"What is the mission?"

"Split Huashan, or helpThe fragrance splits Huashan."

Holy crap, this is a hodgepodge world?

Nezha?

Agarwood?

Yang Jian?

East China Sea Dragon Clan?

Huashan?

No wonder the immortals and demons are so weak.

It turns out that the immortal world is declining. Immortals and demons have no magic power. They can't call the wind and rain, and they can't ride the clouds. Unable to change freely, except for the soul, immortals and demons seem to be no different from warriors.

Su Chen stroked Bai Yuekui's bumpy figure and asked,"Bai Yuekui, can you complete it alone?""

Bai Yuekui rolled his eyes at Su Chen and said,

"Su Chen, I've seen this plot. Don't worry, this trial task is very simple for me."

Su Chen didn't expect Bai Yuekui to have read the plot, but that's fine.

Bai Yuekui knows the plot. This trial for her should be very simple.

Huh?

Wushan Goddess?

There seems to be a Wushan Goddess in Yang Jian's plot. Is this possible? Is it the Wushan goddess from Taoshan?

Su Chen thought for a moment and reminded Bai Yuekui,

"Beauty Bai, after you go to the fairy world, find a goddess from Wushan. Try mentioning my name."

"I know a Wushan Goddess, but I don't know if she is the same person as the Wushan Goddess in this world. You have to be careful about her. Although the immortal has no magic power, the Wushan Goddess is not weak."

Bai Yuekui was a little surprised when he heard Su Chen's words,

Wushan Goddess?

The woman who killed Shen Gongbao with silk thread?

Could the Wushan Goddess that Su Chen knew be this Wushan Goddess?

One is a terrifying fairy world, and the other is a collapsed fairy world that has declined and has no magic power. How could the Wushan Goddess be the same person?

"I will go find the Wushan Goddess and ask."

Su Chen nodded and said,

"Bai Mei, I will come to you after I finish handling the matter in Donghai. If you have any difficulties, come to Donghai to find me."

"good!"

Su Chen and Bai Yuokui talked for a while, and he took advantage of Bai Yuokui a lot.

Bai Yuokui left in a hurry with a blush. She was worried that Su Chen would eat her if she didn't leave.

After Su Chen left, he touched her. He put his chin in thought and thought,

"Interesting world, Wushan goddess? Could this be the same person? And Xingshu, will she appear in this world? The little apricot tree has its own essence and blood. What will the apricot tree look like?"

At night,

Su Chen appeared next to the railway.

Li Yunxiang will meet Prince Long San this evening, and they will also fight over the locomotive. The little beauty Kasha seems to have lost a leg tonight. The little beauty is not bad. , Su Chen planned to save the little beauty once. After a while, a chase started.

Su Chen watched all this with interest.

The little demon from the East China Sea actually rode a motorcycle to chase down a mortal. Oh no, it was a chase that had not yet awakened. Nezha. (To read Baoshuang novels, go to Feilu Novel Network!)

The fairy world is really in a pitiful decline.

Except for their long lives, the immortals and demons may have lost almost all their other abilities.

Whoosh!

"ah....."

"Little beauty, there's no need to scream, you're fine."

Su Chen saw that the motorcycle was about to hit Kasha, so he moved over and rescued the little beauty. Kasha's scream left him speechless. The little beauty in the plot didn't seem to scream, right? Uh! Kasha seemed to be dizzy. It passed.

When Kasha saw Su Chen holding her on the building, she shouted in surprise,

"It's you? Thank you for saving me."

Su Chen touched Kasha's little face and said, "Little beauty, I saved you once, are you going to pledge yourself to me?"

0request flowers

"Promise yourself? If you dream, I will repay you in the future."

Kasha hurriedly clapped Su Chen's hand away and promised her her body. Are you kidding

? How could she promise her body to this stranger? Su Chen let go of Kasha and laughed,

"Hey, little beauty, if I hadn't saved you just now, you would have either been hit to death by the locomotive, or you would have been paralyzed by the locomotive."

"Hum, I thank you very much, but I don't know how to promise anything. My name is Kasha, what's your name?"

"Suchen!"

Boom!

At this moment, the soul of the Third Prince Long pinned Li Yunxiang to the ground, and the ice picks penetrated Li Yunxiang's body one by one. Li Yunxiang screamed in pain.

The Third Prince Long looked at Su Chen and asked proudly,

"who are you?"

Whoosh,

Su Chen hugged Kasha and instantly appeared in front of Prince Long San,

"Little Loach, even your father would not dare to speak to me like this when he met me. You are very courageous."

"Do you know my father?"

Prince Long San saw Su Chen appear instantly, and his eyes widened in shock. Didn't the immortal have no magic power? What happened to this person?

Teleport?

Or did he have immortal power?

Su Chen curled his lips and said disdainfully ,

"Ao Guang? Ao Guanglian, the Dragon King of the East China Sea, is not qualified to see me. Among the dragon clan, only Zhulong is qualified to see me."

Prince Long San exclaimed in surprise,

"who are you?"

"Little Loach, my name is Su Chen. Go back and ask your father if he still remembers me."

"Suchen?"

Prince Long San was a little confused when he heard this name,

Su Chen?

How come he has never heard of this name? There seems to be no immortal named Su Chen in the fairy world.

Kasha was originally worried about Li Yunxiang's situation, but she heard Su Chen and After the Third Prince Long's words, she covered her mouth and was very shocked.

Little loach?

Ao Guang, the Dragon King of the East China Sea?

Zhulong?

Isn't this a character in a mythical story?

Kasha thought of the huge soul of the Third Prince Long. Could it be that these people Is he a fairy from mythology?

Boom!

Suddenly,

Li Yunxiang's soul came out of his body, and a huge Nezha soul with three heads and six arms stood in the sky.

"Get back in!".

Chapter 2662

When Su Chen saw Nezha's soul appearing, his face turned ugly.

Nezha was a lawless idiot.

Su Chen couldn't stand Nezha.

Well, speaking of it,

Su Chen was Nezha's. Stepfather, what a fuck, he doesn't want to have such a lawless son. Su Chen still thinks his three daughters are cute.

"Emperor Su Chen, die!"

Nezha's Yuan Shen suddenly looked at Su Chen. After a while, Nezha's Yuan Shen attacked Su Chen with a spear.

Boom!

Su Chen instantly appeared aside holding Kasha. He didn't expect Nezha's Yuan Shen. Really know him.

What kind of world is this?

The world in the Conferred Gods Period cannot be declined and broken, but how can Nezha in this world know him?

Boom boom boom.....

Balls of flames kept attacking Su Chen, and Nezha's soul kept chasing Su Chen.

Kasha was confused at this moment, 01 Emperor Su Chen?

Suchen?

Su Chen is the Emperor of Heaven?

Where is Nezha?

Isn't Nezha a god in heaven?

How could a god hunt down the Emperor of Heaven? And isn't the Emperor of Heaven in the legend the Jade Emperor?

Prince Long San was confused,

Nezha called the Emperor Su Chen?

Emperor Su Chen?

Is there such a thing as Su Chen, the Emperor of Heaven?

Why has he never heard of an emperor named Su Chen?

The Third Prince Long watched Nezha keep chasing the Heavenly Emperor Su Chen, but the Heavenly Emperor Su Chen kept teleporting without taking action.

He didn't understand what was going on.

Prince Longsan waved his hand and hurriedly left with his men. He wanted to tell his father about this.

Who is the Emperor Su Chen?

Prince Long San also needs to find out.

After Su Chen appeared on a telephone pole, he looked ugly and shouted,

"Idiot, if you dare to attack me again, I will destroy your soul."

Boom!

Nezha's soul burst into flames and disappeared.

"Sun Wukong, come out!"

Su Chen saw Nezha's soul disappearing. He looked to one side and shouted expressionlessly.

A masked monkey appeared on a car.

He looked at Su Chen and said teasingly,

"Yo yo yo, Emperor Su Chen? Isn't the Emperor of Heaven the Jade Emperor? Why would Nezha Yuanshen call you Emperor Su Chen?"

Bang!

Su Chen hugged Kasha and instantly kicked Sun Wukong away, a hairy monkey.

Is this him Sun Wukong?

The Sun Wukong in this world cannot be weaker. Is this still the majestic Monkey King?

Sun Wukong came out of the ruins and threatened,

"Emperor Su Chen, I don't care whether you are the real Emperor or the fake Emperor. Li Yunxiang, you must not move, otherwise I will destroy you."

Su Chen mocked disdainfully,

"Monkey, I'm right here, come here and try to kill me?"

"you.....Hey, it's getting late today, let's talk about it later."

Sun Wukong quickly hugged the unconscious Li Yunxiang and left.

Emperor Su Chen?

This was the first time he heard that there is no Emperor Su Chen in heaven. Who is Emperor Su Chen?

Why did Nezha's soul take action against Emperor Su Chen? ?

How come the Emperor Su Chen threatened Nezha's soul, and Nezha's soul was frightened and disappeared?

Sun Wukong had to figure this out.

When Su Chen saw Sun Wukong leaving, he became confused.

Sun Wukong didn't recognize him. Nezha's soul actually knows him. What's going on?

Kasha asked with wide eyes,

"Are you the Emperor of Heaven?"(To read exciting novels, go to Feilu Novel Network!)

Su Chen said with a smile,

"Do you believe me when I say I am the Emperor of Heaven?"

"believe!"

"Um? How could you believe that?"

Kasha said with a serious face,

"The giant Nezha just now, and the monkey who left, you called him Sun Wukong, you called him Ao Bing, Little Loach, and you said his father was Ao Guang, the Dragon King of the East China Sea, all of these may be true."

Su Chen touched his chin and replied,

"I am Su Chen, the Emperor of Heaven!"

"Su Chen, isn't the Emperor of Heaven the Jade Emperor?"

Kasha rubbed her forehead in confusion.

She was confused by the mythical stories.

Nezha appeared, Sun Wukong appeared, and the dragon clan appeared. These legendary gods were all real.

But what about the Emperor of Heaven?

The Emperor of Heaven in the myth is not The Jade Emperor? Why is Nezha's soul called Emperor Su Chen?

"Kasha, you will understand later."

Su Chen smiled and hugged Kasha and disappeared.

He felt that this world was not simple.

The trial of the ladder to heaven sealed his cultivation realm twice. If this world was just people like Li Yunxiang and the Dragon King of the East China Sea,

Su Chen would be With his strength sealed, these people are no threat to him. There must be more dangerous existences in this world.

Three days later,

Su Chen has been living in Kasha's house.

For three days,

Su Chen has been checking the world.

He didn't find anything wrong. Su Chen guessed that something would be discovered in the declining fairy world.

Bang!

Kasha quickly opened the door and ran in and shouted,

"Su Chen, something happened in the hospital."

Su Chen sat on the window sill and turned around and asked,

"What happened?"

Kasha hurriedly replied,

"Li Yunxiang....His brother was injured, and Li Yunxiang was also injured and admitted to the hospital."

Li Yunxiang was 347 injured again?

Could it be that the East China Sea Dragon Clan took action again?

Ao Guang didn't send anyone to look for him. Su Chen guessed that Ao Guang might not know his existence.

The world is too weird.

He doesn't have the strength of an immortal now.

Su Chen I can't figure out what's going on.

"Don't worry, Li Yunxiang is the reincarnation of Nezha. No matter how serious his injury is, he will recover."

"Su Chen, please go to the hospital with me. I want to see Li Yunxiang."

"All right!"

Su Chen thought for a while and agreed.

Li Yunxiang should also solve the problem of water shortage in Donghai City. Su Chen can be lazy if he can. With Li Yunxiang as the cause of the problem, the problem of water shortage in Donghai City should be solved.

Donghai Hospital is currently suffering from During the attack, spherical bombs were thrown towards the hospital one by one.

The hospital built on the mountain was blown to pieces. The panicked civilians were hiding from the collapsed buildings everywhere.

Whoosh!

After Su Chen appeared in the hospital holding Kasha, he did not think of the hospital. under attack

"It's better to come early than to come by chance, Kasha, there is something good to watch."

Kashakai hurriedly said to Su Chen,

"Su Chen, can't you save the civilians here?"

Su Chen shook his head and replied,

"Kasha, my strength has been sealed. Now I can only protect myself and I don't have the strength to save the civilians here."

Chapter 2663

Su Chen has no intention of saving these civilians.

In addition to the ability of a warrior in this world, he can only teleport. If Su Chen uses teleportation to save hundreds of civilians here, he will be exhausted to death.

"Suchen, you...."

Kasha originally wanted to persuade Su Chen, but she gave up after thinking about it.

She thought that Su Chen would teleport.

There were too many people in the hospital. Su Chen couldn't save hundreds of civilians in the hospital even if he tried to save them. How many people, and Su Chen's strength was sealed, Kasha was also worried that something would happen to Su Chen while rescuing people. bang bang...

Suddenly, there was the sound of fighting outside the hospital, and Su Chen appeared in the square in front of the hospital holding Kasha.

In the square,

Li Yunxiang was fighting with some East China Sea monsters. He was wearing simple armor and holding a homemade spear in his hand. At this moment, Li Yunxiang was beating the East China Sea monsters majestically and hiding everywhere. Boom!

A fat giant toad demon launched an attack on Li Yunxiang. The toad demon's long tongue attacked Li Yunxiang like a sharp arrow, and each attack shattered the ground.

"Li Yunxiang, be careful!"

Kasha saw Li Yunxiang hiding everywhere after being attacked by the toad demon. She was very worried.

Su Chen saw Kasha 393 going to the stairs of the hospital. He sat and watched Li Yunxiang's battle.

These were the same as in the plot. , Li Yunxiang can burn the toad demon to death. There seems to be a traitorous human being in the hospital. Su Chen doesn't know if he will appear again.

Huh?

Sun Wukong?

Su Chen suddenly found that Sun Wukong appeared next to him, and Sun Wukong had been secretly checking. Looking at Li Yunxiang, why does Sun Wukong want to help Li Yunxiang? When will Sun Wukong, who has always been stupid, play tricks? Will Sun Wukong be humble to Ao Guang, the Dragon King of the East China Sea?

Su Chen felt that everything that happened in the plot was wrong, a rebellious man Sun Wukong turned out to be a conspirator.

Is this him?

Is this the same Sun Wukong who only knows how to fight and kill?

"Get out of here, didn't you see the fighting in the square?"

While Su Chen was thinking about Sun Wukong, a female doctor quickly ran over and pulled Su Chen to leave the square.

"I go!"

Before Su Chen had time to object, the female doctor pulled Su Chen and left in a hurry. Su Chen looked at the female doctor who pulled him away speechlessly.

Su Junzhu, the heroine in the plot, boom!

Suddenly, a man in ancient costume wearing armor came from He jumped down from the mountain, pointed his spear at Su Chen and yelled angrily,

"Emperor Su Chen, I didn't expect that we would meet again"

"Huang Feihu?"

Huang Feihu laughed angrily and said,"Haha....."I didn't expect that the Emperor of Heaven would still remember me, a little person like me,"

Su Chen frowned and looked at Huang Feihu, how could Huang Feihu appear in this world? How could he remember that he was the Emperor of Heaven?

"Huang Feihu, do you know me? Huang

Feihu stared at Su Chen coldly and said,

"Emperor Su Chen, don't you think I should know you? Or do you think I have been killed and my soul is gone? Su

Chen thought for a while and asked, "Huang Feihu, do you remember your wife and sister?"

Huang Feihu yelled angrily,

"Damn it, you are not worthy of being the Emperor of Heaven. My wife and sister were imprisoned and humiliated by you in the Great Shang Palace. You have lost all your magic power at this moment. This world is not a prehistoric fairyland. I came here to kill you."

Female doctor Su Junzhu was stunned.

The man in ancient costume and armor is Huang Feihu?

The Heavenly Emperor Su Chen?

The Dashang Palace?

Is this Huang Feihu from the list of gods?

The person next to her is called Su Chen? Or is he an Emperor of Heaven? And he even insulted Huang Feihu's Madam and sister?

God, is this true?

Or is she dreaming? (To read Baoshuang novels, go to Feilu Novel Network!)

"Understood."

Su Chen understood at this moment that

Huang Feihu was Huang Feihu in the Conferred Gods period.

He thought about it intentionally (abcd).

The fairy world in this world seems to be a deviated world, like a pseudo fairy world opened up by others. Those who died in the prehistoric fairy world It seems that people have once again become gods.

Who did this?

Who has such powerful means?

Hongjun?

Or the five great saints?

Su Chen guessed that those saints could not return to the prehistoric fairy world. They had opened up a new world. The pseudo-immortal world is a declining immortal world without aura, but do those saints have such powerful means?

Huang Feihu burst out his soul and attacked Su Chen,

"Emperor Su Chen, die!"

"Bianhua, killed Huang Feihu."

Su Chen took out a pair of white flowers and threw them into the air and said,

"Yes, master!"

The shore flower on the other side of the sky replied in a woman's voice, and then, a white light instantly enveloped Huang Feihu.

"Flower of the other shore? How can this be? ah.....My soul, the damn Emperor Su Chen, ah ah ah...."

After a while,

Huang Feihu completely disappeared in front of Su Chen, and the flower of the other shore flew to Su Chen's shoulder again.

Huang Feihu was a piece of rubbish.

Su Chen could kill him without taking any action.

Fortunately, Tianlai did not prohibit him from using Ling Bao, otherwise Su Chen would have wasted some means to kill Huang Feihu.

Bianhua rubbed Su Chen's face and said, "Master, I did a good job, right?"

"Well enough!"

"Master, will you reward me with a few more drops of the water of life?"

"All right!"

Su Chen nodded speechlessly,

The Flower of the Other Shore,

" this is the Flower of the Other Shore. When Su Chen and Po Meng were in the sea of flowers on the other shore, under the moonlight, this Flower of the Other Shore stuck to his and Po Meng's breath and gave birth to spiritual wisdom. Su Chen advanced with the water of life. The flower of the other shore.

Although the flower of the other shore is still a garbage acquired treasure, in this declining world, her role is comparable to that of an innate treasure.

"Thank you master!"

After Su Chen put a few drops of water of life into the Bianhua flower, he collected the Bianhua flower.

How did Huang Feihu know that he came to this world? The only people who knew about his coming to this world were Sun Wukong and Longsan Prince.

Sun Wukong didn't know him, so There is only Ao Guang, the Dragon King of the East China Sea.

Ao Guang?

Is he looking for death?

"Are you the Emperor of Heaven?"

Su Junzhu's heartbeat is very obvious at this moment.

A flower that can talk?

Or a very powerful flower, the flower of the other side?

Isn't this the flower of the underworld?

The man next to her is really the emperor of heaven in the fairy world? The emperor of heaven is named Su Morning?

"no!"

"You are lying. Huang Feihu just called you Emperor Su Chen. How could you not be Emperor of Heaven?".

Chapter 2664

Su Junzhu didn't expect that Su Chen wouldn't admit it.

Was she a fool?

Or is she an idiot?

She heard clearly the conversation between Su Chen and Huang Feihu Er. How could Su Chen not be the Emperor of Heaven?

"Beauty, do we know each other well?"

Su Chen didn't expect that Su Junzhu was still a stranger.

Did he know Su Junzhu?

Have they ever said a word?

Su Junzhu is very beautiful, but can being beautiful make him answer?

"Well!"

Su Junzhu patted her forehead and was very speechless.

She was just very curious about Su Chen.

What happened today shocked her.

The image of the giant Nezha appeared in Li Yunxiang's body, the toad demon, the legendary fairy Huang Feihu, and There is the mysterious Su Chen, how could these legendary gods appear?"Six Seven Seven""Heavenly Emperor Su Chen?" This is actually true. The Heavenly Emperor Su Chen has never been heard of in Heaven. Why do Nezha's Yuanshen and Huang Feihu call that boy the Heavenly Emperor Su Chen?"

On a roof of the hospital,

Sun Wukong scratched his head and couldn't figure it out.

Nezha's soul is called Emperor Su Chen, and Huang Feihu is also called Emperor Su Chen. He has never heard of Emperor Su Chen in heaven, but Emperor Su Chen It can't be fake

"No....."

In front of the hospital square,

Li Yunxiang grabbed the tongue of the toad demon. He got close and burned the toad demon with the blazing fire in his body. This time, without Su Junzhu's persuasion, the toad demon was directly burned into toad meat.

The other East China Sea monsters fled one after another. In addition to the wailing of civilians and the sound of fire burning, people around the square were either looking at Li Yunxiang or Su Chen.

Su Chen looked at Kasha in the distance and shouted,

"Kasha, I'm leaving"

"Su Chen, where are you going?"

Kasha was about to check on Li Yunxiang. She heard Su Chen's words and ran over quickly.

Su Chen was leaving?

Where was he going?

Back to the fairy world?

Su Chen touched Kasha's short hair and said,

"Kasha, I'm going to the East China Sea Dragon Palace."

Su Chen plans to solve all this with his own hands.

Ao Guang, the Dragon King of the East China Sea, why did he tell Huang Feihu about his arrival?

The Dragon Clan is considered a force under him. Could it be that the Dragon Clan in this world has rebelled? Or for some reason,

Su

Chen We must find out as soon as possible.

After the water shortage problem in Donghai City is solved, Su Chen is going to go to the fairy world in this world. All the reasons come from the fairy world. He wants to know who has the ability to create a fake fairy world.

Kasha asked doubtfully road,

"East China Sea Dragon Palace? Su Chen, why did you go to the East China Sea Dragon Palace?"

"Kasha, the water shortage in East China Sea City was caused by Ao Guang, the Dragon King of East China Sea. I will solve this matter."

"So that's it, Su Chen, isn't your strength sealed? Can you defeat the Dragon King of the Sea?"

"no problem!"

Su Chen nodded and replied, he can't defeat the Dragon King of the East China Sea, but he has spiritual treasures. Any of Su Chen's spiritual treasures can destroy the Dragon King of the East China Sea into scum.

Kasha felt relieved after hearing Su Chen's words. ,

Su Chen could defeat the Dragon King of the East China Sea, she had nothing to worry about. Kasha waved her hand to Su Chen and ran to find Li Yunxiang.

After Su Junzhu heard the conversation between Su Chen and Kasha, she asked in surprise,

"Are you telling the truth? Is the water shortage problem in East China Sea City really caused by the Dragon King of East China Sea?"

"Yes!"

After Su Chen glanced at Su Junzhu, he looked to one side.

Someone was hiding next to him.

If Su Chen hadn't felt the fluctuations in the space, he didn't expect that someone would still be hiding here.

Who could it be? (Read Baoshuang novels, Just go to Feilu Novel Network!)

"Come out!"

Whoosh!

A phantom appeared quickly.

A one-eyed woman appeared next to Su Chen and saluted,

"The Shiji empress sat down with a virgin, and the colorful clouds saw the Emperor of Heaven."

Su Chen didn't expect Caiyun to be hiding next to him.

Caiyun is one of the two virgins in Shiji.

Since Caiyun knows him, it means that many people in this world may know him.

"Caiyun? How are you in this world? Caiyun replied respectfully,

"Reporting back to the Emperor of Heaven, I didn't know that after I woke up from cultivation, I appeared in the fairy world of this world, a fairy world that has declined and has no aura. The immortals in the fairy world have no magic power, and more than 80% of the dead immortals have been resurrected."

Caiyun She was very excited.

Emperor Su Chen.

She thought she had seen it wrong before.

Emperor Su Chen really appeared in this world. Empress Shiji was the woman of Emperor Su Chen. She was also Su Chen's virgin. It has been five thousand years. ,

Caiyun has been in this auraless fairy world for five thousand years. She has been looking for a way to return to the ancient fairy world, but for five thousand years, Fairy Caiyun has not found out even a single bit of information.

Su Chen frowned and asked,

"Is the world going to become a god again?"

Caiyun nodded and replied,"Yes, Emperor of Heaven, the Conferment of Gods was repeated three thousand years ago."

"Got it, Caiyun, here is a Creation Pill. If you eat it, it will restore your eyes, and you can also regain your mana. You can use some of the best spiritual stones in it first. After I check this world, I will take you out of this world. world"

"Thank you, God!"

Caiyun took the storage ring and thanked her hurriedly,

"You go and recover!"

"Yes, Emperor of Heaven!"

After Su Chen looked at Su Junzhu who was dazed next to him, he disappeared in the hospital instantly.

After Su Junzhu saw Su Chen disappear, she rubbed her forehead and whispered,

"Emperor of Heaven? Is Su Chen really the Emperor of Heaven, and Caiyun, is she the virgin of Empress Shiji? Immortals from mythology all appeared."

On the roof of the hospital,

Sun Wukong also left the hospital quickly. He felt that Ao Guang, the Dragon King of the East China Sea, was going to be doomed. The appearance of Huang Feihu in 2.6 must be the message sent by Ao Guang, the Dragon King of the East China Sea.

In a room in the hospital,

Li Yun watched in detail After his father was killed, he left the hospital angrily.

Li Yunlong wanted to avenge his father. He wanted to destroy the Dragon Clan, the Dragon King of the East China Sea, and the Third Prince Long. Ao Guang was walking around in the East China Sea Dragon Palace very uneasy.

Su Chen appeared in this world and had no magic power. He contacted some enemies who had a grudge against Su Chen.

Ao Guang originally did not want to betray the Emperor Su Chen, but he wanted to survive in this world. The appearance of the Emperor Su Chen would make him If you fall into fluctuations, you may even be killed by those people.

"I hope I can kill the Emperor Su Chen, but I have no way to turn back."

Chapter 2665

Ao Guang checked the time and walked towards the main hall. Those people he informed should have arrived.

Kill the Emperor Su Chen?

This cannot be done by just one or two immortals. Ao Guang notified more than ten immortals in the immortal world. These are all enemies of the Emperor Su Chen, and they all have deep hatred.

In the main hall of the Dragon Palace,

Prince Long San continuously welcomed the immortals.

These disciples of the Saint Sect were received by the Third Prince Long carefully. If he angered these disciples of the Saint Sect, he would be killed. The Dragon King of the East China Sea Dare not say anything more

"Huang Tianhua, I didn't expect you to come too. Where is your father?"

"Tu Xingsun, my father will be here in a moment"

"Li Jing, I didn't expect Ao Guang to invite you. It seems like you and Ao Guang are not getting along, right?"

"That was before, Hong Jin, what big things do you think Ao Guang wants to tell us?"

"I don't know, have you seen it? Chan Jiao, Jie Jiao, Buddhism, Ao Guang actually invited more than ten immortals from our Saint Sect."

"Yes, Lei Zhenzi, Yin Hong, Wu Ji, Yu Yuan, etc., AoWhat are you doing by inviting us to the mortal world?"

In the main hall, the immortals who came from the immortal world started talking one after another.

Ao Guang made an inexplicable invitation and did not say the purpose of inviting them.

Important event?

What important event is it? Will Ao Guang invite the third generation disciples of their saint sect?

Ao Guang came and said to Bao Quan,

"Fellow Taoists, Lao Long has met all of you."

Li Jing asked,

"Old Dragon King, what big deal did you invite us to discuss?"

Ao Guang looked at the dozen people in the hall and said,

"Fellow Daoist Li, this matter I am talking about is very important, and it is even more crucial to you."

"What's up?"

"Emperor Su Chen came to this world."

Boom boom boom.....

More than a dozen people in the hall burst out their souls, and huge souls appeared in the hall one after another.

Li Jing asked angrily,

"Old Dragon King, are you telling the truth?"

Li Jing hated Su Chen deeply.

His wife was occupied by Su Chen, and he was executed by Su Chen's men. Li Jing was the one who hated Su Chen the most among these immortals.

Ao Guang nodded and replied ,

"It's true, Heavenly Emperor Su Chen is in Donghai City. Don't worry, Heavenly Emperor Su Chen has no magic power. I'm afraid his strength is not as strong as the rest of us."

"Ha ha...., the reincarnation of heaven, Emperor Su Chen, he is dead this time"

"Yes, Emperor Su Chen, I will kill him physically and mentally."

"Kill, let's take action together. Emperor Su Chen must die in this world and cannot be allowed to escape."

"We must kill Emperor Su Chen as soon as possible. We cannot delay the time. There are still subordinates of Emperor Su Chen in this world. We cannot let Emperor Su Chen contact his subordinates."

"We want a quick victory, so we set out immediately, and we all worked together to kill the Emperor Su Chen."

Immortals like Li Jing and Hong Jin were very angry. They wanted to kill Su Chen immediately.

They all had a grudge against Su Chen. Some of the immortals here were killed by Su Chen's men, and some were killed because of Su Chen. Su Chen died, and some people were robbed of their wives and mothers by Su Chen. More than ten immortals would not miss the opportunity to kill Su Chen.

A heavenly emperor without magic power, more than ten immortals would definitely be able to kill him. Emperor Su Chen

"Do you want to kill me?"

Su Chen suddenly appeared in the main hall of Dragon Palace. He looked at the more than ten people in the hall with disdain on their lips.

Some were scum.

"Emperor Su Chen?"

The immortals in the hall saw Su Chen suddenly appearing, and they gathered together in a hurry.

It was so weird. (To read Baoshuang novels, go to Feilu Novel Network!)

The immortals had no magic power.

They didn't expect that Su Chen would suddenly appear..Su

Chen looked at Ao Guangda and shouted,

"Ao Guang, you are so brave."

Ao Guang hurriedly knelt down to apologize and said,

"Emperor Tian, Ao Guang also asked the Emperor to atone for his sins in order to survive."

Su Chen said expressionlessly,

"Atonement? Whatever you do, the dragon clan will be implicated. The dragon clan in the prehistoric fairy world will be punished by thunder. All the dragon clan in this world who belong to the East China Sea will be executed, with both body and soul destroyed."

Ao Guang turned pale with fright when he heard Su Chen's words.

Will the prehistoric fairyland rain down thunder to punish the entire dragon clan? All the East China Sea dragon clan in this world will be executed?

It's over.

Ao Guang didn't expect Su Chen to be so cruel.

"No! Emperor of Heaven, this is what I call it. It is a private act of Ao Guang. I ask Emperor of Heaven to raise your noble hand and let go of the dragons in the prehistoric fairyland and let go of the dragons in this world."

"Do you think that's possible?"

Su Chen looked at Ao Guang with a cold face. What does one person say?

This is indeed what Ao Guang says, but who said that Ao Guang is the Dragon King of the East China Sea, one of the four dragon kings in the prehistoric immortal world.

The dragon clan in the prehistoric immortal world just sends thunder punishment, In this world, the East China Sea Dragon Clan will all be wiped out.

Su Chen is the Emperor of Heaven, and anyone who dares to offend him will be executed.

The mortal emperor would lay down millions of corpses in anger. He, a majestic Emperor of Heaven, destroyed the East China Sea Dragon Clan.

This Is it considered heavy?

Li Jing shouted gloomily,

" ` .Emperor of Heaven, you have no magic power now. We have more than ten immortals here. Do you think you can survive?"

Su Chen pouted and said,

"Li Jing, your wife is nice, I like her very much"

"Damn it, I'm going to kill you."

Li Jing's face turned dark when he heard Su Chen's words, madam?

This is the pain of his life.

Li Jing's beautiful and alluring wife was occupied by Su Chen. He never saw his wife again until his death.

Su Chen mocked disdainfully,

"kill me? Even those saints who are above me cannot kill me, how can you scum kill me? (Okay Zhao) If you don't cherish it if you can live again, I won't mind killing you again."

"Everyone, come together and kill the Heavenly Emperor Su Chen, otherwise none of us will survive."

Boom boom boom boom...., the immortals burst out their souls and prepared to attack Su Chen. They didn't know if Su Chen still had any magic power, but if they didn't kill Su Chen, they would really die again.

"Father, what are we going to do?"

The Third Prince Long asked in fear.

He was afraid,

Emperor Su Chen?

Su Chen was actually a Heavenly Emperor, and he was also the Heavenly Emperor Spear in the prehistoric fairy world.

The Third Prince Long couldn't understand why his father Ao Guang wanted to fight with him. The Emperor of Heaven is against him. Is he trying to push the Dragon Clan into a pit of fire?

"Ao Bing, summon all the dragon clans in the East China Sea. If the Heavenly Emperor Su Chen does not die, we in the East China Sea will be completely wiped out, both physically and spiritually. The dragon clan in the prehistoric fairy world will also be implicated."

Chapter 2667

Su Chen saw Sun Wukong using the spirit treasure to attack Bianhua, and a smile appeared on his lips.

Dinghai Shenzhen,

Su Chen came to the ancient fairyland to get the first spiritual treasure, and was inexplicably recognized by Dinghai Shenzhen as its owner.

Su Chen believed that as long as it was the Dinghai Divine Needle, the fate of the Emperor would definitely make the Dinghai Divine Needle obey orders.

Whoosh!

When the Dinghai Needle was about to attack Bianhua,

Su Chen's cry caused the Dinghai Needle to change its direction instantly. In an instant, the Dinghai Needle flew into Su Chen's hand.

"Sun Wukong, do you want to die?"

"Emperor Su Chen, I said, Li Yunxiang cannot move"

"Sun Wukong, did you really see me take action against Li Yunxiang? Sun Wukong, it seems you really don't want to live anymore"

"Nezha is Li Yunxiang, and Li Yunxiang is Nezha. No matter who you attack, I will stop you."

"The Dinghai Divine Needle suppresses Sun Wukong!"

Boom!

The Dinghai Divine Needle quickly grew in size and attacked Sun Wukong.

Sun Wukong had no time to escape. The Dinghai Divine Needle instantly smashed Sun Wukong down from the air. Sun Wukong was suppressed by the Dinghai 01 Divine Needle and could not move.

Su Chen mocked disdainfully,

"Sun Wukong, how do you feel about being suppressed by the Dinghai Divine Needle? Sun

Wukong struggled and shouted, "Damn it, how could my golden cudgel obey your orders?"

Su Chen curled his lips and reminded,

"Your golden cudgel? Idiot monkey, this is the Sea-Dinging Needle, a spiritual treasure of human virtues. You don't even know about the Sea-Dinging Needle. You are such an idiot. No wonder you are being used by Buddhism."

"What? Is the Golden Cudgel the Dinghai Divine Needle? idiot? Buddhist use?"

Sun Wukong's face was ugly.

He knew that he was used as a pawn by Buddhism.

But even if the golden cudgel is the Dinghai Divine Needle, why would Su Chen control the Dinghai Divine Needle?

Su Junzhu and Kasha looked at all this in confusion.

How come in the blink of an eye, Su Chen Sun Wukong was suppressed, and would Sun Wukong's golden cudgel obey Su Chen's orders?

Ao Guang's eyes showed fear.

Sun Wukong was suppressed as soon as he met him.

Can he kill Su Chen?

And the golden cudgel of the East China Sea Dragon Palace Damn, how did Su Chen know that the Golden Cudgel is the Dinghai Shenzhen?

Boom!

"ah....."

After Bianhua annihilated Nezha's soul, Li Yunxiang fainted with a loud cry.

After Su Chen saw that Nezha's soul had been wiped out, he looked at Sun Wukong and said expressionlessly,

"Sun Wukong, you shouldn't be Sun Wukong. There is a huge difference between you and the Sun Wukong I know."

"A Sun Wukong who hides in the dark, a Sun Wukong who wears a mask and dares not show himself to others. You are not liked by me. I don't care why you hide yourself, and I don't care what your plans are. You will be annihilated today, the flower of the other side, annihilated. Sun Wukong"

"Yes, master!"

Bianhuahua quickly enveloped Sun Wukong with white light.

Sun Wukong had no ability to resist. It was easy for Bianhua to annihilate Sun Wukong.

Whoosh!

"Your Majesty the Emperor of Heaven!"

Caiyun suddenly appeared and saluted Su Chen.

She recovered some of her mana.

Although Fairy Caiyun has not fully recovered, she will help Su Chen kill all the enemies.

"Caiyun, destroyed Ao Guang and the third prince Long"

"Yes, Emperor of Heaven!"

After Caiyun saluted Su Chen, she took out her Lingbao fan and killed Ao Guang.

Ao Guang, Dragon King of the East China Sea? (To read Baoshuang novels, go to Feilu Novel Network!)

Ao Guang was stronger than her before, but she After recovering his mana, Fairy Caiyun was able to kill Ao Guang. When

Ao Guang saw Caiyun coming, he hurriedly attacked Caiyun with Nezha's Huntian Ling.

Ao Guang was very frightened at this moment.

Fairy Caiyun actually met Su Chen. Moreover, Fairy Caiyun also recovered some of her mana.

Ao Guang regretted it very much.

If he had continued to surrender to Su Chen, he might have been able to recover his mana.

Bang bang bang bang....

Caiyun smashed the Huntian Ling who attacked her into pieces. Huntian Ling, who had no magic power, posed no threat to her.

"Ao Guang, the Dragon Clan dares to betray the Emperor of Heaven, and there is no need for the Dragon Clan to exist. You should understand the cruelty of Nuwa and the Queen Mother. The Dragon Clan will be slaughtered because of you."

"Damn it, the dragon clan will never be destroyed, ow ow...."

Ao Guang screamed and turned into a huge black dragon.

He wanted to escape.

Facing the magical fairy Caiyun, Ao Guang was no match at all.

"Ao Guang, you can't escape, the universe is bounded!"

When Fairy Caiyun saw Ao Guang trying to escape, she took off her bracelet to convey her mana and threw it into the air.

Bang! Boom!

Ao Guang hit a white barrier from the air and fell down.

At this moment,

Su Chen brought Su Junzhu and Kasha to one In a safe place, two scumbag women secretly came to the East China Sea Dragon Palace. I don't know whether these two women are stupid or they are brave and talented.

Kasha pulled Su Chen and asked in confusion,

"Su Chen, do you want to kill Sun Wukong too?"

Su Chen shook his head and said,

"Do you imagine Sun Wukong to be like this? A Sun Wukong hiding in the darkness, a Sun Wukong wearing a mask and not daring to show himself to others, a Sun Wukong with some conspiracy, is this the Sun Wukong you think of?"

After Kasha and Su Junzhu heard what Su Chen said, they looked at Sun Wukong who was about to be annihilated and shook their heads. The Sun Wukong in 643 their impressions was a man who was not afraid of anything. He was a Qitian who only knew how to fight and kill. Great Sage, will Sun Wukong hide in the darkness?

Will Sun Wukong wear a mask to hide?

Is Sun Wukong a conspirator who plays tricks?

When Kasha saw Li Yunxiang still lying on the side, she hurriedly asked,

"Su Chen, is Li Yunxiang okay?"

Su Chen nodded and replied,

"Nothing happened, Li Yunxiang just fainted, he couldn't die."

Kasha and Su Junzhu breathed a sigh of relief after hearing Su Chen's words. As long as Li Yunxiang didn't die, they hurried over to carry Li Yunxiang to a safe place.

Swish swish swish....

Ten nymphs quickly came to Su Chen's side,

"God King, all those false gods were killed, and their souls were all wiped out."

"Yes, Nymph Fairy, go and help Caiyun quickly kill the black dragon in the sky."

"Yes, God King!"

The Nymph Fairy saluted Su Chen and disappeared instantly.

Su saw Sun Wukong being annihilated by the Flower of the Other Side, and Ao Guang would also be annihilated by Caiyun and the Nymph Fairy in three breaths.

"Things in the East China Sea are coming to an end, is the fairyland in decline and ruin? Yang Jian? Agarwood? Wushan goddess? What will happen to these people? And will Bai Yuekui's trial mission change?"

Chapter 2668

Su Chen touched his chin, thought for a while and shook his head.

A declining and broken fairy world.

The declining and broken fairy world is similar to the world of Gaowu. If the immortals did not possess spiritual treasures and souls, they might not be as powerful as some martial arts masters.

"Su Chen, are you not in Xuantian Realm?"

Su Chen suddenly heard a woman's voice,

Han Ba?

How could Han Ba communicate with him?

Isn't there a ban on people in Lingbao on the ladder to heaven?

If so, even if Su Chen met Hongjun and the five saints when he went to the declining fairy world, he wouldn't have to be afraid, Xue Ji and Bing Ji are also in the Demon Tower of Desire, which is great news for him.

Su Chen hurriedly took out the Demon Tower of Desire and said

"Hanba, have you successfully advanced?"

In the Demonic Tower of Desire,

Hanba stretched her perfect curves. She didn't care that Su Chen saw her naked body. Su Chen lifted the ban on her not wearing clothes, but Hanba did not wear a dress.

Dozens of It's been thousands of years,

Han Ba and Su Chen have been one for a long time, she doesn't care if Su Chen sees her body

"Haha, of course, after 100,000 years, if I still haven't advanced to a quasi-sage, I might as well find a piece of tofu and kill me."

"Yes, you can practice in Xuantian Realm in the future"

"Forget it, Su Chen, I'd better stay with you to practice in 567. By the way, why are you in the mortal world?"

"I have some things to do, Hanba, do you want to come out and play?"

Han Ba said speechlessly, "Su Chen, you are stupid. If a quasi-sage like me appears in the mortal world, the small world will not be able to bear my brokenness."

Su Chen patted his forehead and said embarrassedly,

"Uh, I forgot, Hanba, I will go to the Demon Tower of Desire to find you when I have time. I also want to taste your seductive red lips."

"So shameless."

Han Ba's face turned red when she heard Su Chen's words, seductive red lips?

This bastard would be mean to her and let her eat such disgusting things. Every time Han Ba thought of Su Chen asking her to serve, she couldn't help but think Bite this bastard to death

"Su Chen, let me consolidate my cultivation. If you are in danger, call me."

"good!"

Su Chen put away the Demonic Tower of Desire with a smile.

The ladder to heaven is really good this time. In addition to sealing his cultivation, Su Chen's other items are not sealed.

Lingbao and people in the Lingbao can use it, so It is said that in the declining and broken fairyland, there are either quasi-sages or saints in the holy realm.

Boom! A black dragon fell from the air and lost its life breath. The black dragon's body was cut into two pieces. The dragon.

When the third prince saw Ao Guang being killed, he hurriedly knelt down to Su Chen and begged for mercy,

"Don't kill me, don't kill me, Emperor of Heaven, this is all my father's private behavior. My father imprisoned the freshwater dragon to warm his dragon beads. He was worried that the Emperor of Heaven would find out, so he contacted the immortals to kill the Emperor of Heaven. Please God, don't kill me"

"Caiyun, destroyed the Third Prince Long!"

"Yes, Your Majesty!"

"Nymph Immortal releases the freshwater dragon in the tower"

"Yes, God King!"

Whoosh!

Su Chen appeared next to Kasha and Su Junzhu in an instant.

Huh?

What is Bianhua looking for?

Is there something wrong with the Sun Wukong he killed?

Su Chen hurriedly shouted,

"Bana Flower, what are you looking for?"

Whoosh,

Bian Hua instantly appeared next to Su Chen and replied,

"Master, the Sun Wukong I destroyed should be a clone, a clone cultivated with essence and blood."

Clone?

Sun Wukong is actually a clone?

Interesting! (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen did not expect that the annihilated Sun Wukong would be a clone. Sun Wukong without magic power could cultivate a clone with his essence and blood. Is it possible?

There may be a powerful immortal who helped Sun Wukong. At least it would be a powerful immortal with magic power.

"Bianhuahua, if you go and destroy all the dragons in the East China Sea, I will reward you with ten drops of water of life."

"Wow, ten drops? Master, I will go and destroy all the dragons in the East now. I will destroy them soon (abfe)."

Bianhuahua disappeared after hearing Su Chen's words.

Ten drops of water of life.

If she gets ten more drops of water of life, Bianhua will transform again, and she will advance to the level of innate spiritual treasures in the future.

Su Chen He waved to Kasha and asked,

"Kasha, are you leaving the East China Sea Dragon Palace? Or stay here for a few days?"

"Su Chen, is the East China Sea Dragon Palace in danger?"

"No, the sea monsters in the East China Sea Dragon Palace don't dare to attack you. Do you want to finish playing here?"

"Think, let's stay for a few days."

After Kasha and Su Junzhu looked at each other, they decided to stay and have fun.

The Dragon Palace in the East China Sea is very beautiful. The underwater world. If they leave this time, they will never have the chance to see it again.

The fairy world is a broken and soulless world. In the fairy world, in addition to their permanent life and soul, the immortals cannot use their magic power, call the wind and rain, soar into the clouds, change at will, etc. The immortals will be killed, and they also need to take special airships to go anywhere.

Penglai Fairy Island,

Bai Yuekui arrived for a few days.

She did not find Chenxiang and Yang Jian, nor did she find the Wushan Goddess. Penglai Fairyland was too big, and Bai Yuekui could not search the entire Penglai Fairy Island in a few days.

Boom!

Suddenly,

Bai Yuekui felt When she was in danger, she hurriedly backflips to avoid the attack, and a ribbon shattered a wooden house next to her.

"who is it?"

Whoosh!

A woman in white quickly appeared in front of Bai Yuekui. She looked at Bai Yuekui and said coldly,

"Little girl, your reaction speed is good. Are you looking for me?"

"you....Are you the goddess of Wushan?"

Bai Yuekui looked at the fairy in white who appeared.

She felt that the beautiful fairy should be the Wushan Goddess. The Wushan Goddess in the plot is not as beautiful as this fairy.

As for whether this beautiful fairy is the Wushan Goddess,

Bai Yuekui also wanted to ask clearly.

The woman in white ordered. He nodded and replied,

"OK, who are you? A mortal, why are you looking for me these days?" Bai Yuekui was relieved when she heard Wushan Goddess admit it. Wushan Goddess was of great importance to her trial. If Bai Yuekui found Wushan Goddess, she would be able to find Chen Xiang and Yang Jian. Also, does Wushan Goddess know Su Chen? Bai Yuekui also wanted to ask. She said hurriedly,

"Wushan Goddess, I have something to ask you. Do you know a person named Su Chen?"

"Suchen? Mortal, who are you? Why do you know the name Su Chen?".

Chapter 2669

The Wushan Goddess stared at Bai Yuekui coldly. She did not expect that a mortal would know Su Chen's name.

Suchen?

She appeared in this fairy world inexplicably. The goddess of Wushan has not seen Su Chen for thousands of years. What happened in Taoshan is like it happened yesterday. How could she forget Su Chen?

"Wushan Goddess, I am Su Chen's friend, and Su Chen also appeared in this world."

Bai Yuekui was speechless when she saw the way Wushan Goddess knew Su Chen.

Wushan Goddess was so beautiful. Bai Yuekui guessed that Wushan Goddess must be related to Su Chen.

She originally wanted to say that she was Su Chen's woman, but she and Su Chen Chen He did not have a relationship. Bai Yuekui was also worried that the Wushan Goddess would be jealous and kill Su Chen's woman.

"Su Chen appears in this fairy world?"

The Goddess of Wushan became excited, "Eight-nine-three." When Su Chen appeared in this broken fairy world, Xiao Xingshu would be saved, and she and Xingshu could leave this broken fairy world.

Bai Yuekui nodded and replied,

"Yes, Wushan Goddess, Su Chen is in the mortal world now, and he will come to the fairy world in a few days."

"I see. What's your name?"

"Bai Yuekui!"

"Bai Yuekui, why are you still looking for Chen Xiang and Yang Jian? Bai

Yuekui replied with a smile,

"Wushan Goddess, don't you want agarwood to split Huashan Mountain? I'm here for this too"

"Huashan? hehe! Bai Yuekui, we don't need to look for agarwood. If Su Chen knows about Huashan, he will definitely split Huashan with his own hands."

The Goddess of Wushan smiled and shook her head, looking for agarwood to split Huashan Mountain?

Do you still need it?

The little apricot tree was suppressed under Mount Huashan. She originally wanted to find agarwood to split Huashan Mountain, but with the arrival of Su Chen, the Goddess of Wushan Mountain couldn't help but We need to find more agarwood to split Huashan.

Bai Yuekui asked doubtfully,

"Why?"

The goddess of Wushan said with a serious face,

"Because it was Su Chen's daughter who was suppressed in Huashan. Do you think Su Chen would split Huashan?"

"What? Doesn't Huashan suppress black birds? How could it be Su Chen's daughter?"

Bai Yuekui was confused.

Su Chen's daughter was suppressed in Huashan?

How is this possible?

Wasn't Xuanniao suppressed in the plot? How could she become Su Chen's daughter?

Su Chen's three daughters,

Su Yan, Su Yue , and Elena Su. Who among the three girls was suppressed at the foot of Huashan Mountain?

The Wushan Goddess explained to Bai Yuekui,

"Bai Yuekui, don't you know? Su Chen is Xuan Niao, one of the three royal families of birds, and the only remaining royal family of birds. Su Chen's daughter has the blood of Xu Niao, so she is Xuan Niao."

Bai Yuekui nodded.

She had heard Su Chen say this, but Su Chen was the Emperor of Heaven in a powerful realm. How could his daughter be suppressed in this world?

Xuanniao?

Could it be that Su Chen was really suppressed in Huashan ? Daughter? Which of Su Chen's daughters was suppressed in Huashan?

"Wushan Goddess, is it Su Chen's daughter who is being suppressed at the foot of Huashan Mountain?"

Wushan Goddess asked in surprise, "That daughter? Bai Yuekui, how many daughters does Su Chen have?"

Bai Yuekui held out three fingers and said,

"Three, the eldest is Su Yan, the second is Su Yue, and the third is Elena Su. Su Chen told me that he has three daughters."

Three daughters?

Su Chen actually has three daughters?

What about the little Xingshu?

Will Su Chen recognize the little Xingshu?

The Wushan Goddess is a little worried.

Although the little Xingshu has changed from an apricot tree to a black bird, she After all, she is not Su Chen's biological daughter, and Xiao Xingshu only has Su Chen's bloodline inheritance.

Wushan Goddess rubbed her forehead and replied,

"Bai Yuekui, it is not these three women who are suppressed in Huashan. It is Su Chen's other daughter, her name is Su Yao, who is suppressed in Huashan."

Bai Yuekui looked at the Wushan Goddess in surprise.

Su Chen has another daughter?

How is this possible? (To read Baoshuang novels, go to Feilu Novel Network!)

If Su Chen had another daughter, there was no way that bastard wouldn't tell her Them? Did Su Chen not know that he had a daughter? Or did Su Chen have an illegitimate daughter?

One day later,

Su Chen,

Kasha, and Su Junzhu all stayed in the East China Sea Dragon Palace. Kasha and Su Junzhu were in the East China Sea Dragon Palace. While sightseeing around the Dragon Palace, Su Chen was thinking about things in the fairy world.

In the main hall,

Su Chen drank wine and thought about who opened up this fairy world.

"God King, Li Yunxiang is awake!" A nymph fairy came and saluted Su Chen and said,

"Don't pay attention to him."

Su Chen waved his hand and said,"

Li Yunxiang?

Li Yunxiang doesn't have Nezha's soul. He is just an ordinary person. Su Chen has no interest in talking to an ordinary person."

"Yes, God King!"

Su Chen leaned on his seat and decided to leave for the fairy world tomorrow.

The water shortage problem in Donghai City has been solved, and the trial task has been completed.

Su Chen can stay in this fairy world for a month, and will continue to climb the ladder after one month. He will investigate this world clearly in the future, and he has no time to waste in this world now. At this moment,

Li Yunxiang woke up and found that his body was very weak, and his ability to generate fire had also disappeared, which made Li Yunxiang very uncomfortable.

"Li Yunxiang, are you okay with your health?"

"Li Yunxiang, is your body still hurting?"

After Kasha and Su Junzhu learned that Li Yunxiang had woken up, they both hurried over to see if there was anything wrong with Li Yunxiang.

Li Yunxiang shook his head and said,

"I'm fine, but I'm a little weak. Kasha, Su Junzhu, why are you also in the East China Sea Dragon Palace? Were you captured by the Dragon King of the East China Sea?"

Kasha explained with a smile,

"No, we secretly followed you to the East China Sea Dragon King yesterday, Li Yunxiang. The East China Sea Dragon King Ao Guang and Ao Bing are both dead, and the water shortage problem in East China Sea City has been solved. Li

Yunxiang asked in surprise,

"Are Dragon Kings Ao Guang and Ao Bing dead in East China Sea 5.7? How did they die? Who killed them? Could it be a six-eared macaque?"

Su Junzhu explained with a smile,

"Haha, it's Su Chen's subordinate, Li Yunxiang, Su Chen's nymph....."

When Li Yunxiang heard Su Junzhu's explanation, he was very surprised,

Emperor of Heaven?

Nymph fairy?

The six-eared macaque is actually Sun Wukong? Sun Wukong was also killed?

Li Yunxiang felt a headache coming on.

He couldn't understand.

Su Chen killed Ao Guang and Ao Bing, the dragon kings of the East China Sea, because of rebellion.

What about Sun Wukong?

Why did Su Chen kill Sun Wukong too?

"Kasha, Su Junzhu, take me to see Emperor Su Chen. I have some things to ask."

Chapter 2670

Li Yunxiang is going to ask Su Chen why Sun Wukong was killed?

Sun Wukong was not an immortal in the Dragon Palace of the East China Sea. He was not an enemy of Su Chen, nor did he harm the civilians of Donghai City. Li Yunxiang couldn't understand why Su Chen wanted to kill Sun Wukong.

"Li Yunxiang, what did you do when you saw Su Chen?"

Kasha asked Li Yunxiang with a puzzled look.

She was a little worried.

Li Yunxiang's Nezha soul was destroyed by Su Chen's spiritual treasure. Kasha was worried that Li Yunxiang would conflict with Su Chen.

Li Yunxiang has been her friend since childhood. ,

Kasha doesn't want Li Yunxiang to be killed by Su Chen?

Li Yunlong frowned and said, "Kasha, I just have some questions to ask the Emperor Su Chen"

"Kasha, let's take Li Yunxiang to see Su Chen."

Su Junzhu nodded to Kasha and said, she knew that they could not stop Li Yunxiang.

If Su Junzhu and Kasha did not take Li Yunxiang to see Su Chen, Li Yunxiang would definitely break into the Dragon Palace to find Su Chen.

If Li Yunxiang collided with Su Chen,

Su Junzhu and Kasha would If Sha was not beside Li Yunxiang, Su Chen might kill Li Yunxiang.

Kasha thought for a while and agreed.

"All right!"

In the main hall,

Su Chen was enjoying the massage from the Siren Girl.

She was dressed very revealingly and had a graceful figure. Su Chen would not insult these frail Siren Girls. Besides, these Siren Girls are probably not clean either.

"God King, do you want to conquer this world?"The Nymph Fairy in Su Chen's arms asked Su Chen.

Su Chen stroked the Nymph Fairy's waist and said,

"Aimoka, this fairy world is in decline and dilapidated, there is no need to conquer it."

Conquering this world?

There is no need at all.

It is a fairyland without aura, and it is also very dilapidated. Such a fairyland is not even as good as some fantasy worlds. It is useless for Su Chen to conquer this world.

A nymph fairy suddenly appeared and called road,

"God King, Kasha and Su Junzhu arrived with Li Yunxiang"

"Um?"

Su Chen became confused when he heard Nymph Fairy's words.

Li Yunxiang didn't leave?

Why did he come?

Why did Kasha and Su Junzhu bring Li Yunxiang here?

"Su Chen....."

At this time,

Kasha and Su Junzhu came into the hall with Li Yunxiang.

Kasha was about to call Su Chen when she suddenly saw a cloud of beauties around Su Chen. The sirens were massaging around Su Chen. Su Chen was also holding a beautiful girl. The beautiful nymph was stroking randomly.

For a moment,

Kasha and Su Junzhu were stunned.

Is this the Emperor of Heaven?

Why do they feel that Su Chen is like a foolish king from ancient times?

"Emperor Su Chen, why did you kill Sun Wukong?"

"presumptuous!"

Boom!

Fairy Nymph heard that Li Yunxiang dared to question Su Chen, she burst out with a powerful momentum and directly suppressed Li Yunxiang.

Poof!

Li Yunxiang spit out a mouthful of blood and was suppressed and knelt on the ground.

Fairy Nymph did not want to kill Li Yunxiang, otherwise mortals Li Yunxiang would be directly wiped out.

Kasha hurriedly shouted to Su Chen,

"Su Chen, please let Li Yunxiang go, he just wants to ask about Sun Wukong."(To read Baoshuang novels, go to Feilu Novel Network!)

After Su Chen waved his hand to ask the Siren Girl to step back, he stood up and looked at Li Yunxiang coldly. Li Yunxiang

, a mortal, dared to question him even though Li Yunxiang called him Emperor of Heaven. After all, he is the reincarnation of Nezha, a rebellious person and a lawless fool.

Su Chen said coldly,

"Li Yunxiang, you should be very lucky. If it weren't for the sake of Kasha and Su Junzhu, you would be destroyed and your soul would be destroyed. You would have no chance to be reincarnated. Li

Yunxiang glared at Su Chen and shouted,"Why?" Why do you want to kill Sun Wukong?"

"Nymph Fairy, cut off Li Yunxiang's arm"

"Yes, God King!"

"ah....."

Fairy Nymph reached out and turned into a sword and cut off one of Li Yunxiang's arms. Li Yunxiang screamed in pain.

"Li Yunxiang!"

Kasha and Su Junzhu hurriedly checked on Li Yunxiang. They did not expect that Su Chen would order to cut off one of Li Yunxiang's arms.

Su Chen said disdainfully

"Li Yunxiang, cut off one of your arms to answer your question. Sun Wukong is not dead, only a clone of Sun Wukong is dead."

Kasha and Su Junzhu were stunned. Was it a clone of Sun Wukong who died earlier?

"Please leave."

Su Chen looked at Kasha and Su Junzhu and waved his hands. He took the nymph fairy and left the hall. Kasha and Su Junzhu both had feelings for Li Yunxiang. Su Chen had no intention of finding a mortal woman in this world. There were ten people around him.

There is a beautiful nymph fairy, and there are several Hanba women in the Demonic Tower of Desire. Su Chen will not provoke any more mortal women without strength.

"`.Su Chen....."

Kasha's expression changed when she saw Su Chen leaving. Was Su Chen going to cut off contact with her?

Su Junzhu supported Li Yunxiang and looked at Su Chen who was leaving. She understood that since they came to care about Li Yunxiang, they and Su Chen would no longer interact with each other.

"Kasha, let's take Li Yunlong to the hospital first, otherwise he will bleed to death."

"good!"

Kasha looked at Li Yunxiang who was screaming in pain and nodded.

Su Chen had already left with the nymph fairy.

Kasha couldn't catch up with Su Chen even if she tried to catch up. She couldn't watch Li Yunxiang die.

The next day,

Su Chen Appeared in Penglai Immortal Island, is this a space passage?

What was returned to him was an extremely unstable space passage. When Su Chen came to the fairy world from the space passage, he was almost dizzy.

"Damn it, this bullshit space passage is hundreds of times better than a roller coaster."(Zhao Zhao)
Su Chen checked his surroundings and walked towards a street. This was a town that resembled ancient buildings. There were various large ships flying in the sky. It looked like a fantasy world.

Su Chen stood on a bridge and whispered,

"Where is Caiyun? Shouldn't she be waiting for him in the space channel?"

Boom boom.....

"Get away, get away, people on the street, get away, the spaceship is out of control, the spaceship is out of control"

"Holy shit!"

Su Chen saw a spaceship descending from the sky and crashing into him.

It's his fault!

Su Chen quickly teleported and disappeared on the bridge.

Bang bang bang....

Su Chen appeared on a high wooden building.

He saw people fighting in the out-of-control spaceship, a young man and various monsters fighting.

"Agarwood? Is that young man Agarwood?".
