### Chapter 2681

Three days later, at the 6,000th floor of the ladder,

Su Chen came back from the trial and sat on the ladder thinking about things.

Bai Yuekui returned to her world.

Wushan Goddess and the Su Yao girls were taken into the Chaos Clock by him. Kasha and Su Junzhu were still there. their world. only?

Alas, forget it,

Su Chen decided to visit Kasha and Su Junzhu in the future.

Anyway, they will be immortal in the future, and Kasha and Su Junzhu also have some ability to protect themselves.

Whoosh!

The ladder girl appeared instantly and shouted,

"Little bastard, you've been sitting here for a long time, why haven't you climbed the ladder yet?"

Su Chen curled his lips and replied, "I'm here, can't I take a break?"

The Tiandai girl kicked Su Chen and said

"Why don't you take a rest? I didn't seal your spiritual treasure during this trial, nor did I seal the women in your spiritual treasure. You just went to the trial world to have some fun, you're so tired."

Su Chen suddenly realized,

"Girl, it turns out you helped me, you are really good this time"

"Huh, if you refuse the trial three times in a row, I don't have the authority to help you. Otherwise, why would I let you go to the trial in advance?"

"That's it, I thought you didn't know.....Cough cough cough!"

"Bastard, hurry up and climb the ladder"

"I'll do it!"

Su Chen didn't expect to be kicked into the 6,001th floor by the girl on the ladder.

Boom boom boom...

Who the hell!

Three of us?

Each has its own rules?

Let me go.

Su Chen didn't expect that his strength would be suppressed. In the early stage of Daluo Jinxian, he quickly dodged three of his own attacks, three clones of himself in the early stage of Daluo Jinxian, him with the law of universe, him with the law of light, and him with the law of space.

"Damn it, Six Thousand Layers is really abnormal, one VS three, each has its own rules, it's really fucked, I hope the three trial clones will not increase their strength, otherwise they will really be doomed."

Boom boom boom....

After three breaths,

Su Chen used the laws of space to annihilate the three laws to test the clone.

"Keep climbing!"

On the 6002nd floor, there are still three trial clones, and their strength is also at the early stage of Daluo Jinxian. On the 6003rd floor,.....The 6005th floor....The six thousand and thirteenth floor.

Ten days later,

Su Chen climbed to the 6050th floor.

There was no change in the three trial clones. This surprised Su Chen, but this was good. Although the three trial clones were difficult to deal with, it was not difficult. Su Chen It can still be eliminated if you waste some time in the morning.

On the 6089th floor,

Empress Nuwa saw Su Chen's rapid climb. She rubbed her forehead and was speechless.

Su Chen is too perverted.

This bastard has the laws of space and time. The three trial clones can't do anything to Su Chen.

Empress Nuwa clenched her fists and whispered,

"The 6100th floor must be climbed. I will be waiting for that bastard at 6110."

Under the ladder,

Yan Lingji and the little foxes looked at Su Chen's rapid climb, and they all shook their heads in silence.

"Su Chen is really a pervert. It only took him ten days to climb to the 6,050th floor. Maybe in another ten days, Su Chen will catch up with Sister Nuwa."

"Yes, the little bastard is too perverted"

"Do you think Su Chen can climb seven thousand floors?"

"It should be possible, the little bastard's Black Bird bloodline has not been activated, and the little bastard climbed all the way up, he didn't even use the Lingbao"

"Huh? Kesha, if you don't tell me, I haven't discovered that Su Chen's spiritual treasure has always been useless."

After Yan Lingji talked with Kesha and the girls, they all looked forward to Su Chen even more.

Bloodline abilities, innate treasures,

Su Chen's space laws and time laws, and even some abilities that Su Chen had not exposed. (To read Baoshuang novels, go to Feilu Novel Network!)

Yan Lingji and the girls felt that Su Chen could climb the seven thousand floors, and might climb to a higher level.

Thirteen days later,

Su Chen was about to catch up with the girls. Empress Nuwa,

Empress Nuwa was sitting on the 6100th floor of the ladder. She was waiting for Su Chen's arrival.

Empress Nuwa could not climb any further. On the 6100th floor,

Empress Nuwa met three quasi-sages. She, her strength was still sealed in the early stage of quasi-sage. The ladder to heaven was too abnormal, and Nuwa Empress had no ability to continue climbing.

Boom!

Su Chen climbed to the 610th floor, and he met three of him in the middle stage of Da Luo Jinxian. Not only did his strength not increase, but the gravity on his body appeared again.

0 Asking for Flowers

With a million gravity,

Su Chen not only had to kill the three law trial clones, but he also had to face the oppression of gravity

"I'm so damn perverted."

While Su Chen strangled the three law clones, he looked at Empress Nuwa who was resting on the same floor.

If Su Chen didn't pass the test of the 6100th level, he would not be able to talk to Empress Nuwa.

One day later,

Su Chen Chen Mie finished the Three Laws Trial Clone and sat down next to Nuwa Empress.

Nuwa Empress patted Su Chen on the shoulder and said,

"Little bastard, that's good. He destroyed three law trial clones in one day."

Su Chen hugged Nuwa's waist, kissed Nuwa and said with a smile,

"Beautiful girl, I have caught up with you. Is there any reward?"

Empress Nuwa reminded with a blushing face and anger,

"Little bastard, don't go too far, this is the ladder to heaven"

"What happened to the ladder? You are my woman, I kissed myself. What happened to women?"

"Shameless, are you kissing? Don't let me move your hands."

Empress Nuwa was very speechless towards Su Chen.

She shouldn't have waited for this bastard.

Su Chen not only kissed her, but also kept touching her with his hands. This is the ladder to heaven, and there are Yan Lingji and the girls under the ladder. , Empress Nuwa doesn't want to be embarrassed on the ladder to heaven

"Beauty, aren't you ready to climb?"

"I can't climb up. The three law clones are all at the late stage of Quasi-Saint. My strength is still suppressed at the early stage of Quasi-Saint. The spirit treasure cannot be used. How can I beat the three law clones?"

Let me go, three quasi-saint late-stage law clones? Nuwa's strength is still suppressed in the early quasi-saint stage? Lingbao can't be used? No wonder Nuwa can't climb.

This is indeed very abnormal.

However,

Nuwa Empress and Why is his climbing test different? Is it because his cultivation level is different?

Su Chen said doubtfully,

"Nuwa, our tests are different. My strength is suppressed at the early stage of Daluo Jinxian. The clones of the three laws are all at the middle stage of Daluo Jinxian. I am also oppressed to death by one million gravity."

Chapter 2682

Empress Nuwa was a little surprised when she heard Su Chen's words. The difficulty of climbing was actually different between Su Chen's and hers?

Su Chen's cultivation realm was suppressed at the early stage of Daluo Jinxian. Three clones were tested by the laws of the middle stage of Daluo Jinxian. Su Chen was still oppressed by gravity? There is a big difference in the difficulty of their climbs.

Empress Nuwa asked doubtfully,

"Su Chen, could this be because your strength is low?"

Su Chen rubbed his forehead and replied.

"I think it might be, but why do I have an extra gravity pressure? Does Tianlai dislike me?"

Nuwa Empress rolled her eyes at Su Chen and said,

"Haha, you are so shameless, even the Heavenly Ladder can't stand you."

"Forget it, I can't resist on the ladder. Whatever the ladder wants to increase the difficulty, I can only obey."

"Su Chen, how many floors can you climb?"

Su Chen stretched out a finger and said,

"Ten thousand floors!"

"Ten thousand floors? Little bastard, will you die if you don't brag? Ten thousand floors? It is very difficult for us to climb up to six thousand floors. If you can climb up to seven thousand floors, you will be as strong as the sky."

The Empress Nuwa shook her head when she heard Su Chen's words.

Ten thousand floors? 01

Can Su Chen climb it?

They are so perverted when they climb six thousand floors. Seven thousand floors? Eight thousand floors? What about nine thousand floors? This I'm afraid it will be even more perverted. How could Su Chen climb to the 10,000th floor?

Su Chen stroked Nuwa's soft waist and smiled and said,

"Beauty, if I climb ten thousand floors, can you agree to the conditions I mentioned before?"

"Shameless pervert!"

Empress Nuwa's face turned red when she heard Su Chen's words. She didn't expect that Su Chen was still thinking about that matter.

Empress Nuwa lowered her head and looked at her chest.

At this moment, she wanted to kick Su Chen away, such a shameless pervert. He thinks about those dirty things every day.

Su Chen asked with a smile,

"Haha, big beauty, what's going on? Don't you dare to bet?"

Nuwa Empress glared at Su Chen with her beautiful eyes,

Ten Thousand Floors?

Can Su Chen climb to the 10,000th floor?

Bet?

She doesn't care about betting with Su Chen.

Nuwa Empress also hopes that Su Chen can climb to the Ten Thousand Floors. But this hope is too slim,

"You bet, little bastard, if you don't climb ten thousand floors, you won't be allowed to touch me for a hundred years, no, a thousand years."

Su Chen's face turned dark when he heard the words of Empress Nuwa.

He won't touch Nuwa for a thousand years?

How is this possible, ten thousand floors?

Su Chen is not sure about climbing up.

He feels that he can climb up to seven thousand floors, or at most eight thousand floors. It's as high as the sky. If he hadn't climbed to the 10,000th floor, wouldn't Su Chen be able to look at the beautiful woman and not be able to move for a thousand years?

"Beautiful lady, you are my wife and you want me not to touch you for a thousand years. How can this be okay?"

Nuwa Empress leaned on Su Chen's arms and smiled,

"how? Little bastard, don't you dare to bet?"

Su Chen said after kissing Nuwa hard,

"It's a gamble, beautiful lady. If you lose, don't go back on your money."

If he loses, he won't touch Nuwa for a thousand years?

Will he fulfill it? The worst thing is that he will be shameless and rogue in the future.

It is impossible for Su Chen not to touch Nuwa for a thousand years. He decided to break the bet if he failed to climb the ladder. Anyway, Nuwa is It is impossible for Nuwa to care about his woman so much.

Empress Nuwa said in shame,

"Humph, little bastard, you can climb to the 10,000th floor before we talk"

"I will definitely climb to the 10,000th floor, Nuwa, I am looking forward to your passion and special service."

"Go away, shameless."

Prehistoric Immortal World,

Xiniu Hezhou, Hengduan Mountains.

In a valley, more than a dozen demon soldiers were looking for something around them.

"It's been more than three months, why haven't we found it yet? Chief, are we looking in the wrong place?" (To read exciting novels, go to Feilu Novel Network!)

"Impossible. This is the place the Demon Ancestor said. Look for it again. Don't let go of any place with aura."

"Yes, Commander!"

More than a dozen demon soldiers quickly dispersed and continued to search for the spiritual object they were looking for.

In a space barrier in the valley, a woman in white looked at the demon soldiers in the valley with a frown.

Demon clan?

Demon clan from outside the territory are looking for it in the Hengduan Mountains. What?

Could it be?

Did Demon Ancestor Luohu discover his existence?

This is impossible.

She has never left the space barrier since she transformed. Even the saints in the prehistoric fairyland do not know her existence. It is impossible for Demon Ancestor Luohu to discover her existence..

The woman in white smoothed her hair and sighed,

"Alas, Xiniu Hezhou can't stay any longer. Xiniu Hezhou will bear the brunt of the invasion of the ferocious beast realm and become a battlefield. Fortunately, all the saints from the prehistoric immortal world have escaped from the prehistoric world."

The woman in white stood up from the futon. She looked at the space barrier that had lived for millions of years. When she was about to leave, the woman in white also showed a worried expression.

She was the small half of the body of the Chaos Demon God with raised eyebrows.

If something happened Without the space barrier, her aura may be exposed. If the Chaos Demon God discovers her existence, she will definitely be swallowed by the Chaos Demon God with a raised eyebrow. Where to go? Is there anyone in the ancient world who can protect her?

Six paths of reincarnation?

White clothes The woman suddenly thought of the six reincarnations.

Among the six reincarnations was Empress Pingxin. If Empress Pingxin could take her in, Emperor Su Chen would also protect her.

The woman in white thought of the rumors in the ancient world of immortality.

Empress Pingxin seemed to be the concubine of Emperor Su Chen. This may be the only place she can go.

Whoosh!

The woman in white did not hesitate. She was going to try the Six Paths of Reincarnation, hoping that Empress Pingxin could protect and take her in. On the ladder to heaven, the three sisters Su Yan appeared on the ladder in an instant, and they were swallowing The time in the world is up. In three months, the three sisters have played all over the earth.

When Yan Lingji saw the three sisters Su Yan suddenly appeared, she asked curiously,

"Su Yan, why did you sisters show up? How many levels have you climbed?"

When the three Su Yan sisters saw that Yan Lingji and Kesha were there, they all saluted and said,

"I've seen my aunts! asked the little fox,

"Yan'er, how many floors have you climbed? Su

Yue hurriedly replied, "Auntie, a thousand floors, we sisters have all climbed to a thousand floors.""

Kesha said with a smile,

"A thousand floors? Yes, it is somewhat surprising that you can climb a thousand floors."

Hu Ji and Cailin were a little surprised.

Su Yan is the Taiyi Golden Immortal, Su Yue is the Golden Immortal, and Elena is the Xuan Immortal. How could they climb a thousand floors?

However,

Hu Ji and the girls thought The three sisters of Su Yan all have the blood of the black bird. They speculate that the three sisters of Su Yan have used the ability of the black bird.

Chapter 2683

Su Yan looked at the ladder and was shocked.

Six thousand floors?

Her father and Aunt Nuwa were both on the Six Thousand Floor. Where were the others? Were all the troops wiped out?

"I'm going, Yue'er, Elena, look, Dad and Aunt Nuwa have climbed to the six thousandth floor."

Su Yue shouted in surprise,

"Wow, Dad and Aunt Nuwa are so awesome. Elena wiped her eyes and said,

"Dad is so powerful. Aunt Nuwa is a saint. Dad was just a quasi-sage and he caught up with Aunt Nuwa."

Yan Lingji and the other girls all smiled.

They thought that Su Yan and the others might be even more surprised when they saw Su Chen sleeping on the ladder.

Su Yue asked Yan Lingji,

"Auntie, how many floors have you climbed? Yan

Lingji replied awkwardly,

"Ahem, more than two thousand floors! Su

Yan looked at Yan Lingji doubtfully and asked, "Aunt Yan Lingji, you are not at the bottom, are you?"

"Nonsense, how could I be at the bottom?"

"no? Why are you blushing if not you? Hu

Ji hugged Su Yan and said with a smile,

"Haha, Yan , your Aunt Yan Lingji and Aunt Wanwan are connected by the same fate. They are both at the bottom. Yan

Lingji blushed and shouted, "Hu Ji, if you climb the ladder to heaven, you won't be as good as Wanwan and I."

"My strength is low. I will not climb the ladder. Yan Lingji, you and Wanwan should do the rest together."

"Hu Ji, you are just worried about being at the bottom"

"That's what you said"

"you...."

Yan Lingji felt very powerless. She and Wanwan were really connected by fate.

Bottom?

Both of them may have to bear the reputation of being at the bottom of the ladder for the rest of their lives.

Su Yue smiled slyly and said,

"Auntie, don't worry, we three sisters are at the bottom. Yan

Lingji said speechlessly,

"Xiaoyue'er, are you mocking your aunt?"

"No, absolutely not, how dare I mock my aunt?"

"Why don't I believe you."

Yan Lingji didn't believe Su Yue's words at all.

Su Yue looked very cute at Wen Wen Jingjing, but Su Yue was a cunning and sinister person.

Su Yan blatantly did bad things, and Elena was the sister who had to follow her. We, Su Yue secretly teased other people, and she acted well-behaved and quiet afterwards.

Su Yue hurriedly raised her hand and said,

"Auntie, I swear, I really didn't make fun of my auntie."

"Tsk, Xiaoyue'er, you are getting more and more bad-behaved. Just like your sister, you are about to become a little devil."

"hey-hey...."

Su Yue smiled awkwardly.

She was also worried at this moment.

Yan Lingji, Wanwan, Huang Rong and other aunts were all women who loved to cause trouble. Su Yue generally did not dare to offend these aunts, otherwise she would be in trouble. It must be her.

The little fox girls all shook their heads.

They felt that Yan Lingji would punish Su Yue in the future.

On the ladder to heaven, after Su Chen and Empress Nuwa were affectionate for a while, he handed the black bird Su Yao to Nuwa.

Su Chen saw the three sisters Su Yan appearing at the ladder to heaven. He planned to let the three sisters Su Yan take care of them in the future. With Su Yao, he couldn't control whether Su Yao would be led astray by the three sisters Su Yan.

(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen just refused to let the three sisters of Su Yan lead Su Yao. Su Yao would still be led astray by the three sisters of Su Yan in the future.

After Nuwa Empress left the ladder,

Su Chen stood up and continued to climb the ladder. The ladder reached 10,000 floors. Now he was the only one left to climb.

"Xue Ji, Nuwa, the seventh heaven of the Holy Realm, can't climb the seven thousandth floor, and she can't even climb the six thousand one hundred floor."

"The ladder is too scary, Bing Ji, luckily we didn't go out to climb it, otherwise we two dignified Chaos Demon Gods would have been embarrassed."

"Yes, we are the second level of the Holy Realm. Climbing the ladder to heaven, we may climb to five thousand which is the limit."

"Well, the girls Nuwa and Gaia (abac) are pretty good. If we don't need Lingbao, we might not be able to defeat them."

"If we continue to practice, we will not be able to get out of the Demonic Tower of Desire until we advance to the fifth level of the Holy Realm."

"good!"

In the magic tower outside the territory,

Bing Ji and Xue Ji were very surprised when they saw Nuwa, the empress, quit climbing the ladder. Nuwa, the seventh heaven of the holy realm, could not climb more than 6,000 floors.

Bing Ji and Xue Ji were glad that they did not go out to climb the ladder. Otherwise, as Chaos Demon Gods, they might be embarrassed to climb the ladder. Three months later,

Su Chen climbed to the 6681st floor.

At this moment, his whole body was in tatters and in a very embarrassing state.

The three law trial clones were all in the late-stage quasi-sage realm, and the gravity had also increased to six million times. Su Chen would have to waste about three or four days climbing a ladder at this moment.

It was too scary. Now, a Daluo Jinxian in the early stage has to deal with three quasi-Saint late-stage law clones, and he can't use powerful spiritual treasures. If Su Chen didn't know the three laws, he might have been kicked off the ladder long ago.

Su Chen felt very depressed. , it's too difficult.

The Heavenly Ladder is preparing to kill him.

The three trial law clones have increased their strength, and the Heavenly Ladder's gravity has also increased several times.

What about him?

Su Chen's cultivation realm is still in the early stage of Daluo Jinxian. Isn't the Heavenly Ladder trying to kill him? Kill him?

"Phew, Damn, girl on the ladder to heaven, all these sufferings I have are for you, girl, if you don't kiss me a few times as reward in the future, I will stop climbing after I have climbed seven thousand floors."

On the seven thousandth floor of the ladder, the girl on the ladder clenched her fists tightly.

Damn you bastard.

She didn't expect that Su Chen was still thinking about dirty things while climbing the ladder.

He was a shameless pervert.

"Little bastard, I'm waiting for you on the 7,000th floor. If you want me to kiss you again, I'll let you kiss as much as you want on the steps."

On the 6700th floor,

Su Chen looked at the three law clones that appeared and twitched his mouth.

It's over.

It's really going to be over.

Three law clones at the quasi-sage peak. How can he fight them? The gravity is still rising. At seven million times, his cultivation level was still at the early stage of Da Luo Jinxian

"Damn it, could it be that there is a clone of the first level of the Holy Realm on the 6800th floor? Japan and Europe, eight million times the gravity? The legal clones of the three saints? Isn't this letting oneself die?"

Boom boom boom.....

The three law trial clones did not give Su Chen a chance. As soon as Su Chen stepped onto the 76,700th floor, the three law trial clones attacked Su Chen one after another.

The Law of Universe, the Law of Light, the Law of Space, and the three powerful laws of chaos have enveloped Su Chen.

"Time and space are frozen and space is cut!".

Chapter 2684

Su Chen hurriedly used the three laws to attack the clones of the three laws. Even though he was very miserable at the moment, there was nothing he could do. He had to continue to climb what should be climbed. The abnormal trial of the ladder, it was impossible for Su Chen to quit now even if he wanted to.

One day, two days, three days.....

Su Chen was grinding away at the Three Laws Trial Clone. From climbing one level of the ladder in three or four days to now climbing one level of the ladder in seven or eight days, Su Chen's climbing speed was getting slower and slower.

Three years later,

Su Chen climbed to the 6,799th floor.

After he had just destroyed the three laws of trial and cloned himself, Su Chen looked at the 6,800th floor and became frightened.

He was worried that there would be three Saint Realm law trial clones on the 6800th floor.

Three holy realms?

How could he have beaten him?

The Lingbao cannot be used.

Su"Five Nine Zero" Chen is using the three laws to slowly destroy the three holy realms to test the clone.

How long will he use it?

Climb one level a year? is it possible?

There are one hundred floors above the six thousand eight hundred floors. Will it take him a hundred years to climb to the six thousand nine hundred floors?

What next?

On the 6900th floor, the three major law test clones of the first level of the Holy Realm will become the three major law test clones of the second level of the Holy Realm?

"Damn it, you have to climb whether you live or die." Su Chen stepped onto the 6800th floor with a hesitant step, boom boom boom!

"Damn it, space prison!"

Su Chen didn't expect that just after climbing to the 6,800th floor, the Trial Clone of the Three Principles would attack. He hurriedly hid in the space prison to check the Trial Clone of the Three Principles.

Bang!

"I am Fake!"

Su Chen didn't expect that the space prison would be shattered in an instant. One of the three major law trial clones knew the space law. His space prison could not escape the inspection of the space law clone.

"Time and space cage!"

Su Chen was frightened and guarded the three clones in the space-time cage.

Damn, it was almost finished.

The space law clone actually looked into the space prison instantly.

"The clones of the three laws of the first level of the holy realm are in danger."

Su Chen frowned and began to think. He couldn't use the three laws to slowly destroy the three trial clones, and Su Chen didn't have time to slowly destroy the three trial clones.

Under the ladder to heaven, the three sisters of Su Yan were sitting Su Yao was flying around, but they didn't expect that there was a sister, and she was also a black bird sister who had not transformed.

Yan Lingji asked doubtfully,

"Why is Su Chen not moving?"

Nuwa Empress frowned and said,

"On the 6800th floor, Su Chen may be in trouble. Cai

Lin asked doubtfully,

"Sister Nuwa, on the 6800th floor, what trouble will Su Chen encounter?"

"The laws of the three holy realms test the clones."

Empress Nuwa was very uneasy.

Su Chen said that every time you climb a hundred floors, the three law test clones will rise to a higher level, six thousand eight hundred floors.

She guessed that Su Chen encountered the three laws of the holy realm.

It's too difficult to test the clone.

A clone in the early stage of Daluo Jinxian vs. a clone in the holy realm of three laws. Su Chen may not be able to climb it.

"Oh my God, a clone of the Holy Realm? There are still three Saint Realm clones who possess laws. How could Su Chen defeat them?"

"Yes, Su Chen's realm at the moment is still suppressed at the early stage of Daluo Jinxian. He may not be able to climb up."

"This is for sure. How can a Daluo Jinxian defeat three holy realms? Moreover, Su Chen cannot use the spirit treasure. Is the ladder trying to kill Su Chen?"

"Su Chen is too difficult. This is basically trying to kill Su Chen."

"The little bastard should give up climbing. Even a saint from the 12th level of the Holy Realm cannot climb up to the 6800th floor."

Yan Lingji and Little Fox all shook their heads helplessly. Their strength was suppressed, and there was also the terrifying gravity suppression. (To read Baoshuang novels, go to Feilu Novel Network!)

The three holy realms' laws test clones, they guessed that no matter how strong they were, they would not be able to climb down. No wonder Su Chen said that even the twelve heavens of the Holy Realm could not climb up to the seven thousandth floor. The ladder to heaven was too abnormal.

"Auntie, dad will definitely climb the seven thousand floors."

At this time,

Su Yao and the three sisters Su Yan appeared in front of the girls. Su Yan shouted confidently. When the Yan Lingji girls saw the three sisters Su Yan sitting on Su Yao, they all had dark faces. Shaking her head,

Su Yao is the younger sister of the three sisters Su Yan.

What does she count now?

A mount?

Aren't the three sisters Su Yan worried about being beaten?

Empress Nuwa reprimanded the three sisters Su Yan,

"Yan'er, Su Yao is your sister. Your sister hasn't transformed yet, how can you sit on your sister?"

Su Yan patted Su Yao's little head and said,

"Auntie, we are just playing with my sister. My sister also likes us playing together like this."

"Choo Choo Choo!"

Su Yao nodded and shouted to Nuwa Empress and the girls.

Nuwa Empress and Yan Lingji shook their heads speechlessly. They all felt that if Su Yao transformed, there would be another naughty little mischievous child in Merlo Heaven. Princess.

Hu Ji asked Su Yan,

"Yan'er, why do you believe your father can climb the seven thousand stories?"

Su Yan touched his chin and said,

"Auntie, my father's black bird bloodline has not been activated yet."

"Spiritual treasures cannot be used on the 6,000th floor, but there is no prohibition on opening the bloodline. If my father opens the Blackbird bloodline, his strength will increase horribly."

"The three of us sisters have all opened their bloodlines when climbing the ladder. The strength of our bloodlines allowed us to climb up to a thousand levels with ease. The blood of our three sisters all comes from dad. I believe that after dad opens his blood, he will quickly climb the seven thousand floors."

When Nuwa and other ladies heard Su Yan's words, their eyes lit up.

Su Chen has the blood of a black bird.

No,

Su Chen can be said to be a black bird.

On the 6800th floor, will Su Chen become a black bird? Is it the real bird?

Empress Nuwa, the three sisters and the three sisters Su Yan all looked at Su Chen. They wanted to see if Su Chen would turn into a black bird.

"Chirp!"

On the 6800th floor, a huge golden black bird appeared on the 6800th floor.

It had an extremely noble figure, a despising temperament, beautiful golden feathers, and three beautiful feathers at the tail. , each feather symbolizes a law of chaos.

Boom!

The black bird instantly appeared in front of the clones of the three laws. The clones of the three laws had no time to dodge and were torn into pieces.

Empress Nuwa said with a surprised expression,

"Chaos Black Bird, Su Chen's bloodline actually evolved into Chaos Black Bird"

Chapter 2685

Empress Nuwa was very uneasy in her heart,

Chaos Black Bird?

Su Chen's bloodline evolved into the Chaos Black Bird. Could it be that Su Chen also became the Chaos Demonic Body?

Tweet, Tweet, Tweet!

Suddenly, the black birds in Su Yan's three sisters started chirping, and Su Yao also chirped towards Su Chen.

"How is this going? Are the three sisters Su Yan and Su Yao all going to evolve?"

"should be!"

"It's so powerful, even I, the quasi-sage, can't stand the breath of Xuanniao"

"Chaos Black Bird, Su Yan's three sisters' Black Bird and Su Yao will all evolve into Chaos Black Bird"

"Chaos black bird? Sister Nuwa and the four sisters Su Yan, wouldn't they all become Chaos Demon Gods?"

"No, the four sisters Su Chen and Su Yan have become Chaos Demon Gods. The four Su Yan sisters have the qualifications and spiritual roots of Chaos Demon Gods. Their future achievements may be higher than mine."

The Nuwa Empress and the other two sisters looked at Su Yan's four sisters and were very frightened. The four black birds were all evolving, and the explosive momentum was forcing everyone except Nuwa Empress to retreat. Tweet, Tweet,

Tweet.....

Boom boom boom.....

Suddenly, the black birds of Su Yan's three sisters flew into their bodies, and each of Su Yan's sisters turned into black birds.

They flew in the air with Su Yao.

Su Yan's three sisters each had two beautiful feathers on their black bird tail feathers. Su Yao had no tail feathers yet.

After a while, the three Su Yan sisters turned into human bodies again, but their realms improved one by one.

Su Yan was promoted to the Great Luo Golden Immortal, Su Yue was promoted to the Taiyi Golden Immortal, and Elena was promoted to the Golden Immortal. The three Su Yan sisters did not expect that they would suddenly be promoted to a great realm, and they had one more law, the law of fire. , the three Su Yan sisters did not expect that there would be an additional law of fire. Does their father know the law of fire?

Chirp! boom!

Su Yao suddenly burst out with a golden light, and in an instant, a beautiful little girl of three or four years old appeared in front of the girls.

Su Yan looked at the little girl in surprise and shouted,

"Let me go, Su Yao just transformed like this? And also advanced to Xuanxian?"

Empress Nuwa hurriedly stopped Su Yan and the three sisters,

"Su Yan, don't disturb Su Yao. She is passing on the rules now. Su Yao should also inherit one of your father's rules."

"Got it, aunt!"

The three Su Yan sisters stood aside and watched Su Yao's changes. They wanted to know what laws Su Yao would inherit.

Yan Lingji and the other girls looked at the three Su Yan sisters,

Su Yan, Daluo Jinxian, and Su Yue Taiyi in surprise. Golden Immortal, Elena Golden Immortal, in an instant, Su Yan's three sisters have all advanced to a great realm, and there is also an additional law of chaos.

Yan Lingji patted her forehead and was very speechless.

Su Yan's realm and She is also a Da Luo Jinxian.

Can she still tease and teach Su Yan in the future? Yan Lingji feels that she is no match for Su Yan.

Cai Lin raised her head and shouted in surprise,

"Look, how could Su Chen have climbed to the 6,900th floor? It didn't even take a quarter of an hour. How could Su Chen climb so fast?"

Yan Lingji and the other girls looked at Su Chen dumbfounded.

Did Su Chen take medicine?

Is he climbing the ladder to test?

Where are the clones of the three laws test? Did Su Chen kill all three laws in an instant? Refining a clone?

Kesha wiped her eyes and exclaimed,

"No, look at Su Chen's tail feathers. It used to have three feathers, but now it has five feathers?"

Empress Nuwa said doubtfully,

"A tail feather represents a kind of law of chaos. Has Su Chen mastered two more laws of chaos?"(To read exciting novels, go to Feilu Novel Network!)

The little fox said in surprise,

"The law of space, the law of time, the law of space and time, and the extra law of fire from the three Su Yan sisters. What is the remaining law?"

Nuwa Empress and the other girls looked at Su Yao one after another. Su Yao was passing on Su Chen's laws. They wanted to know what laws Su Yao would get from Su Chen and how many laws he would pass on.

At this moment, the girl on the ladder looked at her in shock. Su Chen, she didn't expect that Su Chen would turn into a black bird, and also a chaotic black bird. The girl on the ladder knew that Su Chen had black bird blood, but would the black bird blood evolve into a chaotic black bird?

"The Bloodline Evolution Pill does not have such ability. How did Su Chen evolve into the Chaos Black Bird?"

"Damn bastard!"

The ladder girl saw Su Chen climbing up to the first floor, and he instantly destroyed the three major law clones.

In just a moment,

Su Chen climbed to the 6,900th floor, and he instantly killed the law clones in the second level of the Holy Realm.

"Bastard, damn little bastard."

The girl on the ladder is very angry at the moment.

She saw that Su Chen might fail to climb. After all, he is a clone of the laws of the three holy realms.

The girl on the ladder is still very depressed and depressed, but she did not expect that Su Chen is still hiding Powerful ability.

The girl on the ladder felt that Su Chen had tricked her, and that bastard must have deliberately made her worried.

The girl on the ladder relaxed and whispered angrily,

"`.Damn little bastard, I must teach him a lesson this time."

On the 6935th floor,

Su Chen, who transformed into a black bird, killed the three major law clones with one blow.

He was very happy at the moment.

The black bird bloodline has evolved into the chaotic black bird, and there are two more types. According to the law of chaos, he can also turn into a black bird.

It is so powerful that

Su Chen feels that after he turns into a black bird, even the saints in the fifth heaven of the holy realm can fight.

Chirp!

Six thousand nine hundred and thirty-sixth level,

Su Chen With a cry in the morning, the three major law trial clones were immobilized one after another.

The three law clones of the second level of the holy realm were torn apart in Su Chen's hands without the ability to resist (Qian Zhaozhao).

A quarter of an hour later,

Su Chen quickly climbed up to the 7,000th floor.

He saw the girl on the ladder standing coldly on the 7,000th floor. Su Chen instantly transformed back into a human body.

"Ladder girl, me.....Damn, where are my clothes?"

Su Chen was about to show off to the girl on the ladder, but he suddenly froze in confusion.

Where are his clothes?

Su Chen was standing naked on the 7,000th floor. Did his Lingbao clothes turn into ashes?

Bang!!

"Shameless pervert!"

The girl on the ladder didn't expect that Su Chen would appear naked in front of her. With a black face, she hurriedly kicked Su Chen away.

Damn bastard, a shameless exhibitionist.

"Damn it, you girl on the ladder, I didn't even know that my Lingbao clothes would turn to ashes, what do you mean by kicking me? I don't mind if you look at my body"

Chapter 2686

Su Chen had a dark face and hurriedly put on his clothes. He looked at the girl on the ladder and was very angry.

Damn girl,

Su Chen hadn't even asked the Tianti girl to kiss him a few times to reward him. He didn't expect to be kicked away by the Tianti girl.

"Little bastard, you are a pervert."

The Tianti girl stared at Su Chen coldly. Her good mood was ruined by Su Chen. She had just obtained 70% of the authority of Tianti, and Su Chen appeared naked in front of her and disgusted her.

This bastard It must be intentional, and she was worried about concealing her strength.

The Tiandai girl couldn't help but want to kick Su Chen a few times.

Su Chen shouted with a black face,

"Shameless fart, pervert fart, ladder girl, you used to spy on me, didn't you see me through? At this time, you are pretending to be pure and innocent. Do you think I will believe you?"

"Inglourious bastard, do you want to die?"

"Girl, do you dare to say that you haven't spied on me having sex with other women?"

"you....."

The girl on the ladder turned red with anger, but she really peeked at Su Chen having sex with other women.

Damn bastard

"cut!"

Su Chen was too lazy to talk to the girl on the ladder. He wanted to find a way to get the girl on the ladder to kiss him a few more times.

Damn, he was kicked away naked.

He wanted the girl on the ladder to pay the price.

When the girl on the ladder saw Su Chen sit down, she He calmed down his anger and asked,

"No more rewards?"

Su Chen leaned on the steps and waved his hands and said,

"Why are you so anxious? Wait until I take a break for ten or eight years."

The ladder girl clenched her fists angrily and took a break for ten or eight years?

Damn you little bastard, are you asking for benefits?

"Su Chen, do you still want to rest for ten or eight years? Why do not you go to hell? There are still three thousand floors left, so hurry up and collect your rewards to continue climbing."

Su Chen closed his eyes and said,

"No, I want to rest for ten or eight years. My heart is hurt. I want to rest for a longer period of time to recover my injured heart."

"Damn it, what the hell do you want to do?"

"Girl, you have two choices. One, tell me your name and let me see your face. Two, I want to kiss you."

"impossible!"

"Whatever you want, I'm going to sleep. Ten years from now, you can ask me to get up and climb the ladder to heaven."

"Bastard, you are a shameless pervert."

The girl on the ladder is going to be mad at Su Chen. She has nothing to do with this little bastard.

Name and face?

She will tell Su Chen, and she will also let Su Chen see her face, but she has to wait until she gets out of trouble. Let's talk about it later.

If the girl on the ladder lets Su Chen see her face in advance, she is worried that Su Chen will eat her.

Kiss?

Although the girl on the ladder doesn't mind, she can't agree to Su Chen easily. There are still three thousand floors on the ladder. , if Su Chen puts forward more excessive conditions in the future, she will not even have room to bargain.

The girl on the ladder looked at Su Chen resting with his eyes closed.

She did not say anything, rest.

Su Chen was very tired after climbing six thousand floors.

If Su Chen had transformed into the Chaos Black Bird in advance, it would have been very difficult for him to climb the six thousand-story ladder.

Su Chen was looking at the laws he got after transforming into the Black Bird, the Law of Fire and the Law of Light.

Su Chen didn't expect that the transformation would After becoming a black bird, he will get two kinds of chaos laws.

Chaos black bird? (To read Baoshuang novels, go to Feilu novel website!)

His black bird bloodline will actually be promoted to the chaotic black bird, which Su Chen also unexpectedly expected.

Is the Chaos Black Bird born with two laws? Or did he accidentally obtain two laws of chaos after promotion?

At this time, under the ladder,

Su Yao also completed the inheritance and obtained two laws of chaos, the law of fire and the law of light.

Su Yao Yao opened her eyes and saluted with milky breasts,

"Su Yao, I have met all the aunts, I have met the eldest sister, I have met the second sister, I have met the third sister"

"You're welcome, Yao'er"

"Haha, Xiao Yao'er, come here and let your aunt hug you, you are so cute."

"You're welcome, Xiaoyao'er"

"Yaoer is so cute".....

Nuwa and other ladies waved their hands. They looked at the delicate and lovely Su Yao very much.

Elena laughed and ran over and said,

"Ha ha....., I am finally no longer the youngest, sister, third sister, give you a hug."

Su Yan and Su Yue also ran over in a hurry, asking for flowers. They looked at the cute three-year-old child very much, and Su Yao was still their sister. Su Yan and Su Yue also wanted to hug Su Yao.

Empress Nuwa said to the girls,

"Su Yao actually inherited the law of light and the law of fire. Su Chen's other law should be the law of light."

Kesha:"Well, Su Chen actually got two laws of chaos at once, and that bastard is getting stronger and stronger. Cai

Lin:"Yes, there are five laws of chaos, and Su Chen killed three holy realm law trial clones in an instant. His strength is much stronger than some holy realms.""

Little Fox:"Yes, Su Chen is not yet in the Holy Realm. If Su Chen is promoted to the Holy Realm in the future, his strength will be even more terrifying. Yan

Lingji:"You said that Su Chen has become stronger again. Can we withstand Su Chen's bullying in the future?"

Hu Ji:"Yan Ling Ji, you are so dirty." Yan

Lingji:"What I said is the truth. Aren't you worried?""

As Yan Lingji and the girls spoke, their mood changed.

They also started to worry.

Su Chen was very powerful before.

They were both happy and worried every time they were with Su Chen. They even formed an alliance. Let's deal with Su Chen together. Now that Su Chen is stronger again, will they form an alliance with some more girls?

On the 7,000th floor,

Su Chen checked his changes and found that the girl from the ladder was also sitting next to him. , Su Chen shook his head speechlessly, did the girl on the ladder climb up with him? Isn't the girl on the ladder anxious to let him climb the ladder?

"Girl, where's my reward?"

Su Chen helplessly shouted to the girl on the ladder.

He had no time to waste on the ladder.

The space passage between the beast realm and the ancient immortal world has been connected. He has been delayed on the ladder for several years.

Su Chen didn't want the beast realm to open. After the Realm War, his climb up the ladder was not over yet.

The girl on the ladder rolled her eyes at Su Chen and asked, "What? No rest?"

"Can I rest?"

"snort!"

The girl on the ladder snorted coldly at Su Chen. She waved her hand, and three light balls appeared in front of Su Chen.

"Should I go, or three light balls? Isn't the ladder going to cause trouble again?"

Chapter 2687

When Su Chen saw three more light balls appearing, he felt very helpless. Why were there three light balls every time? Can't you give him a reward directly?

Su Chen fired the ball of light five or six times, but only the treasures from the 6,000th layer were good, and the other treasures were time bombs.

The girl on the ladder looked at Su Chen's depressed look and said with a smile,

"Little bastard, choose your items quickly, I really want to know how you are going to commit suicide."

Su Chen curled his lips and said,

"You are really unreasonable. If I offend too many Hongmeng Supremes, will you be very happy in your heart?"

The ladder girl coldly snorted,

"Huh, why am I unhappy? You'd better be torn into pieces by those Hongmeng Supremes."

"You are so poisonous!"

"Stop talking nonsense and choose quickly."

Su Chen pointed to the middle with a dark face and said,

"In the middle, I also select the ball of light in the middle."

Whoosh!

A silver-white armor appeared in front of Su Chen, and it was also a female armor that was an innate treasure. The 01 Ladder girl looked at the treasure in front of Su Chen speechlessly. It was another treasure of Hongmeng Supreme. , is still a treasure of the Female Supreme. Is the little bastard planning to offend all the Hongmeng Female Supremes?

"Little bastard, you are so lucky. Congratulations on offending another Hongmeng female supreme."

Su Chen shouted with a dark face,

"Damn it, is the ladder trying to kill me?"

The ladder girl smiled and said,

"Little bastard, this innate treasure is not simple."

"The Bright War Armor used to be a powerful Hongmeng Spiritual Treasure, but after it was broken, its level dropped to an ordinary Spiritual Treasure. I thought the Light Armor was a powerful Hongmeng Spiritual Treasure.....Ahem, I thought the Armor of Light was collected, but it turns out that the Armor of Light was obtained by the ladder."

Su Chen asked hurriedly,

"Girl, what did you want to say to Guangming just now? Is it the name of the owner of the Light Armor?"

The girl on the ladder gave Su Chen a blank look and reminded,

"Who am I to tell you? Little bastard, you'd better not know the name of Hongmeng Supreme, otherwise if you call the name of Hongmeng Supreme, Hongmeng Supreme will be able to sense it."

"knew."

Su Chen rubbed his forehead and felt very helpless.

He had already obtained Hongmeng Supreme's light armor. Even if he wanted to return it, it was impossible for him to return it.

Damn it.

Did Tianti not let him go to Hongmeng World in the future?

Tianlai. The girl looked at Su Chen and shook her head.

She didn't know how to comfort this little bastard. She got the Hongmeng Female Supreme's items again and again. There were not many Hongmeng Female Supremes in total. Su Chen almost offended them all.

Su Chen He shook his head and continued,

"Next reward, chick."

The ladder girl said with a smile,

"This reward is of no use to you, little bastard. How about giving it to me?"

Su Chen asked doubtfully,

"What reward?"

"Take a look for yourself?"

"I'll give it to you."

Su Chen looked at the rewards in front of him speechlessly.

Damn, the first one is a time bomb, and the second one is a promotion stone for a woman's dress, and it is also a promotion stone for an innate treasure dress. His women can't even use it. There is no innate treasure of clothes

"Haha, little bastard, thanks.....Woohoo."

Before the Tianti girl finished speaking, Su Chen quickly hugged the Tianti girl and kissed her.

The Tianti girl closed her eyes as she was kissed by Su Chen. She did not push Su Chen away, nor did she kick Su Chen away, little bastard,

Let me take advantage of you this time.

Bang!

"Bastard, do you want to die?"

After a while, the Tianti girl's face suddenly changed and she kicked Su Chen away.

Damn you little bastard.

The Tianti girl didn't expect that Su Chen would reach out and touch her, and Su Chen also put her hand into his skirt. The Tianti girl's face was red. I want to crush this shameless pervert to death

"Ha ha....."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen laughed while lying on the ladder.

He understood that the girl on the ladder had a crush on him and even liked him. Otherwise, when Su Chen forcibly kissed the girl on the ladder, the ladder girl will directly blow him away, or even beat him up.

However,

Su Chen went too far.

He shouldn't have reached into the girl's dress.

If Su Chen touched the girl through his clothes, the girl wouldn't kick him away.

"Bastard, you are laughing your ass off."

Tianti girl stared at Su Chen with a face full of shame and anger.

This bastard,

Tianti girl understood.

Su Chen must have discovered that she fell in love with him. Damn it, she might be eaten to death by Su Chen in the future.

Su Chen stood He stood up and smiled,

"Girl on the ladder, I didn't expect you to fall in love with me. I'm still a man who likes flowers when I see them."

"shameless!"

Su Chen stepped forward and hugged the soft waist of the girl on the ladder and said,

"Ladder girl, what's your name? Let me see your face."

The Tiandai girl pushed Su Chen away and shouted,

"Dream, Su Chen, don't push yourself too far. Before you go to Hongmeng World, I won't tell you my name, and I won't let you see my face."

Su Chen asked with a frown.

"Do you dislike me for being weak?"

The ladder girl shook her head and lied,

"No, it will not benefit you if you see my face now, and I have many enemies in Hongmeng World. If you know my name and face, those people will be detrimental to you. 347"

The girl on the ladder dare not let Su Chen see her face. Su Chen is too shameless and a bastard. If her face is seen by Su Chen, the little bastard will definitely try his best to eat her.

Su Chen nodded silently and said,

"Understood"

"Little bastard, hurry up and become stronger."

"Girl, let me kiss you again, I promise not to move....."

The girl on the ladder didn't wait for Su Chen to continue, she took the initiative to hug Su Chen and kissed him.

Damn it, the ladder girl actually took the initiative?

How could this be possible?

He was a man.

Su Chen couldn't let a woman take advantage of him. He hugged the Tianti girl tightly and kissed her.

For a moment, time passed slowly.

The girl from Tianlai leaned in Su Chen's arms.

She felt a feeling she had never felt before. No wonder Su Chen was so happy when he was with those women.

Is this the feeling of love?

Is this what happiness feels like?

After a while, the girl from Tianlai pushed Su Chen away and shouted,

"Su Chen, have you had enough?"

"Enough, enough!"

"How shameless. Do you want your third treasure?"

Su Chen asked, holding the little waist of the Tianti girl.

"What is the third treasure? Is it useful to me?"

Chapter 2688

Su Chen was a little curious about the third treasure.

The girl on the ladder looked mysterious.

Could it be that the third treasure was different? Or is the third treasure an extraordinary treasure?

The girl on the ladder rolled her eyes at Su Chen and said,

"Little bastard, you have good luck this time, and the third treasure will be very useful to you."

Su Chen asked doubtfully,

"What is it?"

The girl on the ladder waved her hand, and a jade bottle appeared in front of Su Chen.

"Colorless Hongmengdan"

"Colorless Hongmeng Pill? What's the use?"

The Tianti girl grabbed Su Chen's hand and explained,

"Colorless Hongmeng Pill can not only improve your root spirituality, but also improve your law of chaos."

"Su Chen, if you are lucky, after taking the Colorless Hongmeng Pill, your root-bone spirituality will be upgraded to the Hongmeng-level root-bone spirituality. By that time, your cultivation will be smooth."

Su Chen looked at the small jade bottle in front of him in surprise and shouted,

"Let me go, the colorless Hongmeng Pill can actually be upgraded to Hongmeng Root Spirit? Can it also improve the Law of Chaos? Very good. It seems that my luck is very good."

"Su Chen, after climbing the ladder to heaven, you can retreat and take the Colorless Hongmeng Pill"

"I see!"

Su Chen nodded.

The Colorless Hongmeng Pill is very precious. He will find time to take the Colorless Hongmeng Pill after climbing the ladder.

"Su Chen, please continue climbing the ladder to heaven."

Su Chen patted his chest and assured,

"Okay, little girl, don't worry, I will climb the 10,000-story ladder to heaven even if I risk my life."

"Humph, risk your life? Are you willing to let go of your women?"

"Ahem, you are all the same"

"get out!"

When the girl on the ladder heard Su Chen's shameless words, she raised her foot and kicked Su Chen into the 700th floor. How could she like such a bastard for such a playboy

?

"Let me go, little girl, you kicked me again.....What the hell!"

Su Chen had just been kicked into the 7,000th floor.

He suddenly saw Bing Ji and Xue Ji attacking him. Bing Ji and Xue Ji were still in the third level of the holy realm.

Damn it, could it be that the 7,000th floor Are the trials the same as those on the next 10,000 floors? Will all his women appear again?

Boom boom boom.....

"Archangel, you and I take action together, and together we suppress the illusory Bing Ji and Xue Ji."

"Yes, master!"

Su Chen released the Archangel of the Chaos Spiritual Treasure.

Both the Archangel and the Chaos Bell were promoted to the Chaos Spiritual Treasure by Su Chen. He also used two of the Hongmeng Amethyst obtained from the 6,000th level.

However, this is extraordinary. It was worth it.

The Archangel was promoted to the fifth level of the Holy Realm. After the Chaos Bell was promoted to the Chaos Spiritual Treasure, its power increased more than a hundred times. The

Seven Thousand Layers no longer suppressed his realm, nor restricted all his items and abilities.

Su Chen This time we can have a good fight, eh?

Damn it!

Su Chen should have a good fight with his woman.

The archangel faced Bing Ji majestically, and

Xue Ji quickly attacked Su Chen, with terrifying attacks. Ice blades shot at Su Chen from all directions

"Let me go, Xue Ji, do you want to murder your husband? Uh no, are you going to murder your husband?"

"Huh? Existence without consciousness?"

What's going on?

Women on the next 10,000 floors are able to speak after their transformation, and they still remember the relationship between them. How come Xue Ji, who is on the 10,000th floor of the holy realm, is unconscious?"

"Sorry, sexy Mrs. Xueji, time and space are suspended!"

Su Chen quickly used the law of time and space to immobilize Xue Ji.

Before he could wait for the transformed Xue Ji to react, Su Chen strangled Xue Ji through time and space. (To read Baoshuang novels, go to Feilu Novel Network!)

The Archangel also quickly Bing Ji and Xue Ji were annihilated.

Although Bing Ji and Xue Ji had no consciousness, although they were powerful, they had no reaction ability and thinking ability. It was very simple for Su Chen and the Archangel to annihilate them. On the

7002nd floor,

Su Chen still met Bing (abdh) Ji and Xue Ji.

Their strength had not changed, and they had no consciousness. Su Chen and Archangel quickly passed the second floor of Seven Thousand Zero and the third floor of Seven

Thousand and Zero.....Seven thousand and tenth floor.....Seven thousand and thirty-five floors.....Seven thousand and sixty-nine floors.....On the 7099th floor, what Su Chen encountered was exactly the same as on the 7001st floor.

Bing Ji and Xue Ji's strength had not changed, and they had no thinking ability.

Boom boom boom!

"Holy shit!"

Su Chen and Archangel had just climbed to the 7,100th floor when two Bing Ji and two Xue Ji instantly attacked him. The Archangel instantly blocked the attacks of four Bing Ji and Xue Ji.

"Archangel, annihilate them!"

The archangel launched the attack with a cold expression.

"Yes, Master, space is blocked, time is suspended, time and space are strangled!"

Boom, boom, bang, bang!"

"The sharp blade of space, the strangling of time and space, and the reversal of time."

Su Chenyi hurriedly launched a law attack.

The four Bing Ji and Xue Ji from the fourth level of the Holy Realm. Damn, are Tianlai going to give him a large wholesale of wives?

After three breaths, the four Bing Ji and Xue Ji were wiped out. , Su Chen and Archangel continued to climb to the 7111th floor.

He now understood somewhat.

Every time he climbed a hundred floors, there would be one more Bing Ji and Xue Ji each, and their cultivation level would also increase by a large level.

On the 7200th floor, there may be three Ice Queens and three Snow Queens, and their cultivation level will be the fifth level of the Holy Realm.

On the 7300th floor, there may be four Ice Queens and four Snow Queens. The realm will also be promoted to the sixth level of the Holy Realm.

Japan and Europe, what about the 7900th level?

Will Su Chen encounter the Bing Ji and Xue Ji from the 12th level of the Holy Realm? There will be people on the 7900th level How many ice beauties and snow beauties are there?

Damn, it's scary to think about it.

Is the ladder to heaven really so perverted?

On the seven thousand floor ladder, the girl on the ladder to heaven saw Su Chen summoning the archangel, and she felt relieved.

Archangel After being promoted to the Chaos Spiritual Treasure by Su Chen, it would be a waste to use the Hongmeng Amethyst on the Archangel, but Su Chen could only use the Hongmeng Amethyst to the Archangel and the Chaos Clock. Fortunately, Su Chen still left one Hongmeng Amethyst.

"Little bastard, can you defeat the twelfth level incarnation of the Holy Realm? With the two Chaos Spiritual Treasures, Su Chen turned into a black bird again. The incarnation of the twelfth level of the Holy Realm has no thinking consciousness. The little bastard should be able to defeat it."

The girl on the ladder looked at Su Chen with worried eyebrows. Climbing seven thousand floors is so scary. What about eight thousand floors?

And what about the last nine thousand floors?

Can Su Chen really climb to ten thousand floors?"

Chapter 2689

Under the ladder,

Yan Lingji and the other girls were very surprised when they saw Su Chen summoning the archangel.

Su Chen climbed to the 7000th floor, which surprised them all.

But just after climbing to the 7001st floor, Su Chen summoned the archangel, which made them all want to understand.

"What will be the test on the 7,000th floor? How did Su Chen summon the Archangel after climbing to the 7001st floor?"

"I don't know. The test on the Seven Thousand Levels should be even more difficult."

"Something's wrong, the archangel is actually the fifth level of the holy realm? It was still a Chaos Spiritual Treasure. Su Chen actually improved the quality of the Archangel, and also promoted the Archangel from an innate treasure to a Chaos Spiritual Treasure."

"Huh? It's true. I guess Su Chen got the treasure that promoted him to Archangel on the ladder, so Archangel was promoted to Chaos Spiritual Treasure."

""Fifty-seventy""Well, he must have obtained some treasure. On the seventh thousand floor, Su Chen summoned the archangel from the beginning. The test on the seventh thousand floor must be even more perverted."

Ms. Nuwa and the little fox girls talked for a while, and they all looked at Su Chen worriedly.

On the seven thousandth floor, they all wanted to know if Su Chen could climb to the eight thousand floor. The four sisters

Su Yan also They all looked at Su Chen.

Archangel of the fifth level of the Holy Realm?

Chaos Spiritual Treasure?

The eyes of the four sisters were all bright. They all wanted to get a

Chaos Spiritual Treasure. If they had a powerful and terrifying Chaos Spiritual Treasure, Bao, they can go wherever they want, no one can bother them. Su Yue:"Sister, Chaos Lingbao, do we want to trick you? Su Yan:"Archangel can't do it, but Chaos Clock should do it." Elena:"Sister, Chaos Lingbao's Chaos Clock can also be used. After dad climbs the ladder, we will lie to him."

.....Oh no, we asked Dad to play with the Chaos Clock."

Su Yao bit her finger and asked,

"Sisters, is this okay?"

Elena patted Su Yao's little head and said,

"Fourth sister, you have just transformed and don't have a spiritual treasure yet. We will give you a powerful spiritual treasure."

Su Yue said with a smile.

"Not bad, by the way, I asked my dad if he wanted to come to the Chaos Clock to play."

Su Yao said hurriedly,

"Lingbao? Dad gave it to me before, but it was robbed in this small world."

"It's okay, my sisters will get it back for you later."

Su Yan looked at Su Chen on the ladder with wide eyes.

It was seven thousand floors up.

Their father was so awesome.

There would be rewards for every thousand floors he climbed.

Seven rewards.

Su Yan guessed that her father should get a lot. She was looking forward to what kind of treasures Su Chen would give to their sisters. In the prehistoric fairyland, six paths of reincarnation!

In the Reincarnation Hall,

Empress Pingxin looked curiously at the woman in white. The willow tree transformed into a quasi-sage peak. When did the fairy world have such a powerful person?

The woman in white bowed to Empress Pingxin and said,

"Your Majesty, I came to the Six Paths of Reincarnation to seek your protection."

Empress Pingxin asked coldly,

"What's your name?"

"Liu Qing, I am the willow tree incarnation."

Empress Pingxin asked expressionlessly,

"You lied. In the prehistoric fairy world, it is impossible for you to be unknown to a quasi-sage peak power, but you are not the Chaos Demon God. Otherwise, the prehistoric heaven will not allow you to stay in the prehistoric fairy world. Who are you?"

The woman in white hesitated when she heard what Empress Pingxin said. She didn't expect that Empress Pingxin didn't believe what she said. Did she just want to tell Empress Pingxin the truth?

Po Meng looked at the woman in white carefully.

The woman in white was in the form of a willow tree, but The woman in white is very strange. Her Taoist charm is different from that of the immortals in the ancient world. However, the woman in white is indeed a creature in the ancient world. For countless years in the ancient world, no one has discovered the existence of the woman in white. What on earth does the woman in white do? Arrived?

Liu Qing smoothed her hair and said helplessly,

"Madam, I am the remnant body of Yang Mei, the Space Demon God among the Chaos Demon Gods. I have been hiding in the enchantment space to practice, but the realm of ferocious beasts is about to launch a realm war, and I cannot continue to hide."(To read exciting novels, go to Feilu Novel Network!)

Empress Pingxin asked in surprise,

"Are you a fragment of the space demon Yang Mei?"

"good!"

Liu Qing nodded and confirmed that she had no choice.

If Empress Pingxin did not protect her, the space demon Yang Mei would definitely find her and devour her.

Throughout the prehistoric fairy world, saints deposed themselves and fled. In the prehistoric fairy world, there are only six reincarnations, so Empress Pingxin can protect her, and the most important thing is the relationship between Empress Pingxin and Emperor Su Chen. If Liu Qing gets the protection of Emperor Su Chen, it is impossible for Space Demon Yang Mei to protect her. Catch her and devour her.

Empress Pingxin was very surprised.

Space Demon Yang Mei is a very terrifying chaos demon.

Liu Qing turned out to be a small part of the body of Space Demon Yang Mei. Space Demon Yang Mei He will definitely devour Liu Qing.

Otherwise, the body of Space Demon Yang Mei is incomplete, and his wish to advance to a higher realm is wishful thinking.

Empress Pingxin thought for a while and said,

"Po Meng, you take Liu Qing to the Xuantian Realm. Liu Qing's stakes are very important. She cannot stay in the Ancient Immortal Realm."

"Yes, the body! Liu

Qing asked hurriedly,

"Madam, whose realm belongs to the Xuantian Realm?"

Liu Qing became anxious,

Xuantian Realm?

Is this another realm?

Among the realms she knew, there was no Xuantian Realm, the Great Desolate Immortal Realm, the Savage Realm, the Western Realm, the Extraterrestrial Demon Realm, and the upcoming The ferocious beast realm that appeared, the Xuantian realm?

What kind of realm is this?

A low-level realm?

Or a super realm?

Empress Pingxin answered 4.1 calmly,

"Suchen! Liu

Qing said in surprise,

"What? Emperor Su Chen has a realm?"

"Liu Qing, you will understand when you arrive at Xuantian Realm"

"Thank you, empress!"

Liu Qing relaxed at this moment.

Xuantian Realm, the realm of Emperor Su Chen?

No wonder there are many holy realms under Su Chen in the legend. It turns out that Emperor Su Chen actually controls a realm. What will the Xuantian Realm be like? Realm? Is it as powerful as the prehistoric fairy world?

Po Meng took Liu Qing to the teleportation array of six reincarnations. Empress Pingxin rubbed her forehead and was a little worried.

Liu Qing's appearance will only cause trouble again,

Chaos Demon God Yang Mei?

Space If the demon god Yang Mei comes to the ancient world, and even the space demon Yang Mei has a powerful realm, the ancient immortal world will face threats from the three major realms.

Chapter 2690

At the Prehistoric Starry Sky Fortress,

Luo Hu's mood has become more and more irritable over the years. It has been almost five years, and

Su Chen has not arrived.

Luo Hu is not in the mood to continue to destroy the prehistoric heaven. The beast realm is not only the enemy of the prehistoric fairy world, but also his. Enemy.

Luo Hu didn't know what level of the Holy Realm the Beast King Shen Ni was, but he felt that Shen Ni was stronger than him.

"Sloth Demon!"

"Demon Ancestor!"

Luo Hu ordered with an ugly face.

"Lazy Demon Envoy, you send some more demon soldiers to ask the ruthless man. I want to know when that bastard Su Chen will arrive. I want the specific arrival time of that bastard."

"Yes, Demon Ancestor!"

The Lazy Demon hurriedly disappeared into the hall with a grimace.

He was used to it.

Every year, the Demon Ancestor would send demon soldiers to question the ruthless empress.

This year, he had already asked once. Only a few months had passed, and the Demon Ancestor came again. He wanted to send demon soldiers to question the ruthless empress. The lazy demon was worried that the demon soldiers would be destroyed by the ruthless empress.

"damn it!"

Luo Hu was so angry that he wanted to kill people. It has been almost five years.

In three or four years, the ferocious beast realm will launch a war against the prehistoric fairyland. He doesn't have much time to wait.

Luo Hu regrets not forming an alliance with Su Chen earlier.

If he does it again When discussing an alliance with Su Chen, that old bastard will definitely put forward more conditions.

In the wild realm, the ruthless empress and Liu Shen, and the Western Queen Mother are preparing to return to the Xuanxian realm.

It has been five years, and the realm war may be three or four years away. will be opened, and they are also preparing to join the combat legion to prepare for the realm war.

Over the Yaochi Holy Land, the ruthless empress looked at the empty Yaochi Holy Land, and she said to the Queen Mother of the West,

"Queen Mother of the West, the Yaochi Holy Land has been relocated, and it's time for us to leave."

The Queen Mother of the West said with emotion,

"Yes, it's time to leave. Alas, I am reluctant to leave the place where I have lived for tens of thousands of years."

The ruthless empress patted the Queen Mother of the West on the shoulder and said, "We have no choice. If the Great Immortal Realm is destroyed, the Savage Realm will not be able to escape the disaster. We cannot stop the Ferocious Beast Realm, and we are also powerless to stop the realm war launched by the Ferocious Beast Realm. Liu

Shen asked curiously, "Runren, has your brother finished climbing the ladder?"

The ruthless empress shook her head and replied,

"I don't know. Let's go over and have a look later. I want to know how many floors my brother has climbed."

"Yep, your brother is a quasi-sage. He can climb up to four thousand floors, and he can't even climb up to four thousand floors."

The Queen Mother of the West was very angry when she thought of Su Chen. She was a shameless pervert.

She would never forget the fact that she was molested by Su Chen on the ladder. If she hadn't been Su Chen's opponent, she would have Destroy that shameless pervert.

Liu Shen smiled and said, "Haha, Queen Mother of the West, I think Su Chen might be able to climb five thousand floors."

Liu Shen felt that she was very lucky.

Just when Su Chen was about to catch up with her, she happened to be unable to hold on and quit to climb the ladder.

If Liu Shen continued to climb the first level of the ladder, she might also be teased by Su Chen.

Liu Shen thought of the way her dress spread out when climbing the ladder. She was very lucky not to be seen by Su Chen. Queen Mother Xi was unlucky. She was almost naked by Su Chen.

"Okay, after we join hands to seal the Yaochi Holy Realm, we will return to the Xuantian Realm."

"Okay, let's set up a seal formation together."

"Can!"

Ladder to Heaven!

On the 7627th floor,

Su Chen fought with the Archangel and the Bing Ji and Xue Ji of the Nineteenth Level of the Fourteenth Saint Realm.

He also took out the Chaos Bell and two Chaos Spiritual Treasures.

Su Chen still He was constantly injured. If it weren't for the protection of the Chaos Clock, he would have been killed after climbing to the 7,600th floor. (To read Baoshuang novels, go to Feilu Novel Network!) The

Nine Heavens of the Holy Realm transformed into ice. Ji and Xue Ji were so powerful that he couldn't even resist a single blow.

Boom!

After the archangel wiped out the last Xue Ji, Su Chen fell to the ground and gasped.

It was so abnormal.

Seven Ice Ji and Seven Snow Queens,

Tianlai not only gives him wholesale wives, but also wants to kill him.

"Master, are you okay?"

Su Chen waved his hand and said, "Nothing, let's take a break and continue climbing."

"Yes, master!"

The archangel let Su Chen lean on her body to recover. She looked at the ladder above and frowned.

There are more than three hundred floors, and the difficulty will become more terrifying as you go up.

Bing Ji and Xue Ji from the ninth level of the Holy Realm, Archangels can still be dealt with.

After all, Bing Ji and Xue Ji are both puppets. Bing Ji and Xue Ji, who have no consciousness, can only exert three-fifths of their strength.

If they encounter Bing Ji and Xue Ji who are in the Twelve Heavens of the Holy Realm, Xue Ji, even the Archangel cannot deal with it.

Su Chen closed his eyes and thought about how to climb up.

Judging from this situation, the 7900th floor must be Bing Ji and Xue Ji from the twelfth level of the Holy Realm. He Even if he and the Archangel were exhausted, they would not be able to climb on the 7900th floor.

Is this how they failed?

"`.Trouble, it seems that the eight thousand floors cannot be climbed."

Su Chen rubbed his forehead and felt very helpless. The girl on the ladder must be very disappointed.

But he has tried his best.

A quasi-sage has destroyed countless holy realms.

Although the transformed holy realm can only exert three-fifths of its strength, But this is also the Holy Realm.

The ninth level of the Holy Realm is equivalent to the strength of the sixth level of the Holy Realm. Su Chen, a quasi-sage who has surpassed several levels and annihilated the sixth level of the Holy Realm, is already extremely unnatural.

Ahem!

Chaos. Lingbao's Archangel and Chaos Bell were indispensable.

Without Su Chen's Chaos Lingbao's Archangel and Chaos Bell, he might have failed at level 7001.

Half an hour later,

Su Chen stood up and held the Chaos Clock. said,

"Archangel, let's keep climbing!"

"Yes, (Li's) master!"

Seven thousand six hundred and twenty floors....seven thousand six hundred and thirty seven.....Seven thousand six hundred and fifty one.....Seven thousand six hundred and eighty-nine floors....Seven thousand nine hundred and ninety-nine floors. boom!

On the 7700th floor,

Su Chen and Archangel were stunned after climbing to the 7700th floor.

There was only one Ice Lady and one Snow Lady on the 7770th floor. They were still in the realm of the tenth level of the Holy Realm, but only ice. Why didn't Ji and Xue Ji attack? What are they looking at?

Su Chen looked at Bing Ji and Xue Ji and asked doubtfully,

"Archangel, what is going on?"

The archangel protected Su Chen, shook his head and replied, "Master, I don't know either."

Xue Ji stretched her perfect figure, touched her delicate red lips and said seductively,

"Husband, we sisters have been waiting for you for a long time. Your speed in climbing the ladder is a little slow."

"Damn it, you monster!".
