### Chapter 2701

Zhu Yuyan stared at Xu Ziling coldly. She didn't expect that a scumbag would come looking for death, and he was also a blind scumbag. Was the master concubine caught flirting with the three girls?

Zhu Yuyan's eyes flashed with a cold light and said,

"Xu Ziling, do you want to die?"

"You dare not kill....." boom!

Zhu Yuyan didn't wait for Xu Ziling to finish speaking. She slapped Xu Ziling away with her palm. He was a scumbag.

Didn't Zhu Yuyan dare to kill Xu Ziling? Did Xu Ziling think he was the emperor?

"puff! Cough cough cough.....~"

Xu Ziling hit the wall and fell to the ground, vomiting blood and coughing. He felt as if his chest was about to collapse.

Zhu Yuyan was too powerful.

This was still a casual blow.

If Zhu Yuyan really wanted to kill him, Xu Ziling guessed that he could even resist Zhu Yuyan's palm.

"Su Chen, are you going to kill him?"

After Zhu Yuyan looked at Shi Qingxuan and the three girls, she looked at Su Chen with a smile.

Killing a scumbag was not worth mentioning to her, but the relationship between Su Chen and Shi Fei Xuan's three girls was not simple, and Shi Fei Xuan's three The girl is also acquainted with Xu Ziling.

If Su Chen tells her to kill Xu Ziling, the three concubines and concubines will definitely be resentful of Su Chen and may even leave Su Chen directly.

In this case, the little bastard can only belong to her in the future.

"Let me go, Zhu Yuyan, you are too insidious, what are you asking me to do if you want to kill me? If you want to kill, just kill."

Su Chen didn't expect that Zhu Yuyan would ask him. Killing Xu Ziling is none of his business. Isn't it just a matter of one palm to kill Zhu Yuyan?

However,

Su Chen found that Zhu Yuyan looked at the three concubines and the three girls.

He understood that

Zhu Yuyan was really a A fox-like woman, the beautiful lady wanted him to have a conflict with the three concubines Xuan and kill Xu Ziling. Zhu Yuyan wanted to kill two birds with one stone.

After Xu Ziling checked the injury, he threatened with a pale face,

"Queen Zhu Yuyan, when I come here, my brother Kou Zhong also knows that as long as I don't go back for a stick of incense, the great master Ning Daoqi will come, and the boy next to you, if you arrest Shi Qingxuan and want to humiliate me, I will inform the evil king Shi Zhixuan Coming to kill you."

After Su Chen heard what Xu Ziling said, he waved his hand to Zhu Yuyan who was about to take action.

A stupid idiot who couldn't see the form,

Su Chen planned to kill Xu Ziling himself.

Brush!

Su Chen took out the Falling Snow Sword and walked towards Xu Ziling with an indifferent expression. ,

Falling Snow Sword?

Su Chen has not used it for a long time.

Falling Snow Sword is still a spiritual sword. Ever since Su Yan became an immortal cultivator, the little girl returned the Falling Snow Sword to him.

Falling Snow Sword is no longer useful to him, but Su Yan Chen did not give up the Luoxue Sword, nor did he advance to the Luoxue Sword. Luoxue was Luoxue, and he was the only Luoxue. Su Chen wanted to keep the Luoxue Sword forever.

Zhu Yuyan's beautiful eyes were wide open. Sword? Why did Su Chen suddenly conjure up a sword

?

A sword? And it's a sword that makes people frightened just by looking at it.

The three girls of Master Fei Xuan also opened their eyes from practicing. They all knew about Xu Ziling's arrival, and they all heard what Xu Ziling said just now.

At this moment,

Su Chen was about to kill Xu Ziling, and the three girls, Shi Fei Xuan, wanted to stop Su Chen.

When Su Chen saw that the three girls, Shi Fei Xuan and Shi Fei Xuan, all stood up, he shouted with a cold face,

"Shi Feixuan, don't you all want to come over? Xu Ziling must die today?"

Shi Feixuan said hurriedly to Su Chen,

"Su Chen, Xu Ziling is not a bad person, please let him go for once."

Su Chen frowned and said coldly,

"I said Xu Ziling must die."

Whoosh!

Shi Qingxuan quickly appeared to block Su Chen's opening and said,

"Su Chen, let Xu Ziling go for once."

Whoosh!

Master Feixuan and Shang Xiufang also appeared next to Shi Qingxuan. They looked at Su Chen with expressions of wanting to stop him.

Su Chen shouted with an ugly face,

"Step aside!" (To read exciting novels, go to Feilu Novel Network!)

"If you don't let me, Su Chen, please spare Xu Ziling this time. We will not stop you again in the future."

"Su Chen, can't you let Xu Ziling go?"

"Su Chen, Xu Ziling is my friend, I will not watch you kill Xu Ziling."

The three girls of Shi Fei Xuan persuaded Su Chen one after another.

They didn't want to see Xu Ziling being killed, especially they didn't want to see Su Chen kill Xu Ziling.

After Su Chen looked at the three girls of Shi Fei Xuan coldly, he said coldly road,

"You can leave now, take this piece of trash with you"

"Suchen, you....."

The three girls, Shi Fei Xuan and others, all looked surprised when they heard Su Chen's words.

Please give me flowers.

What does Su Chen mean? leave?

Is Su Chen going to part ways with them?

Seeing Su Chen's cold and frosty look, Shi Feixuan and the three girls didn't know what to do.

Zhu Yuyan looked at Su Chen with bright eyes, the aura of a superior?

And he is also a noble and noble person? emperor?

Even the emperor is not as powerful as Su Chen.

Who is Su Chen? Why does he have such a noble temperament?

Su Chen shouted to Zhu Yuyan next to him,

"Zhu Yuyan, take me away"

"good!"

Zhu Yuyan nodded to Su Chen.

After she looked at Shi Feixuan and the three girls indifferently, Zhu Yuyan grabbed Su Chen's arm and left quickly.

When Shi Feixuan and the three girls saw Zhu Yuyan leaving with Su Chen, they all had expressions on their faces. They looked at each other complicatedly,

Su Chen's cold and frosty eyes, they guessed that Su Chen would never have anything to do with them anymore, a man who had been with them for three days, a man who knew them well, a man who helped them improve their strength, the three of them. The girl just got to know Su Chen a little bit. Because of Xu Ziling, it's over now. There is no way that the three sisters of Master Concubine Xuan and Su Chen will have any relationship anymore. They may be enemies when they meet again in the future. Xu Ziling coughed and shouted to Shi Qingxuan,

"Qingxuan, hurry up....Cough cough cough....Take me away quickly, I just....Cough cough cough....I was just cheating....Zhu Yuyan, the queen of cheating."

Shi Feixuan looked at Xu Ziling's miserable appearance.

Xu Ziling was seriously injured at the moment. If he didn't receive treatment, Xu Ziling might die.

Shi Feixuan said to Shi Qingxuan and Shang Xiufang,

"Let's leave first!"

Shi Qingxuan and Shang Xiufang nodded helplessly.

There was no point for them to stay here. They might as well leave with Xu Ziling first.

The next morning, in a courtyard on the outskirts of Chang'an City, bang!

Su Chen was dressing up while While wearing clothes, he ran out of the room in a panic.

Zhu Yuyan's angry curses suddenly came from the room,

"Su Chen, you bastard, I must kill you shameless pervert today."

Chapter 2702

Su Chen quickly ran out of the other courtyard.

He captured Zhu Yuyan yesterday night and taught Zhu Yuyan a harsh lesson. Zhu Yuyan was also tortured to death by him, and even kept begging for mercy.

If Su Chen didn't run away quickly, and Zhu Yuyan recovered after a while, he would definitely be beaten severely by Zhu Yuyan.

In the room,

Zhu Yuyan showed shame and anger with her fair skin exposed. She held her hands tightly and felt very uneasy.

It's so shameless,

Su Chen is really shameless.

Zhu Yuyan was worried that Su Chen was in a bad mood yesterday night, so she did not avoid Su Chen's hugs to her.

But she didn't expect that Su Chen would take the opportunity to capture her and torture her to death.

Zhu Yuyan's pleas to Su Chen were of no use.

That bastard just took the opportunity to retaliate against her and torture her.

"Shameless pervert, you little bastard is dead."

Zhu Yuyan was lying on the bed and yelling at her angrily.

She was limp and weak at the moment, and her back was sore. Su Chen ran away quickly. Zhu Yuyan would not let him go. She must beat that shameless pervert once.

Chang'an City,

Tian In Yun Inn,

Shi Feixuan and Shi Qingxuan were sitting together with Kou Zhong, Li Shimin, and Song Yuzhi.

"Everyone, we, 01, are three parties working together to open Yang Gong's treasure house. The gold, silver, money, weapons and armor in Yang Gong's treasure house will be equally divided. As for the evil emperor's relic, whoever finds it will get it."

After Kou Zhong looked at Li Shimin and Song Yuzhi, he had a look of helplessness on his face.

Kou Zhong didn't want to share the treasures of Yang Gong's treasury equally with Li Shimin and Song Clan, but Xu Ziling and Shi Feixuan brought news, and he had to join forces with Li Shimin and Song Clan. Song Clan.

Zhu Yuyan of the Yinkui Sect was promoted to Grand Master, Wanwan was also promoted to Grand Master, Xu Ziling was also seriously injured, and Kou Zhong knew that he had no ability to obtain Yang Gong's treasure house.

Li Shimin nodded and replied,

"Okay, I agree."

Li Shimin didn't take Kou Zhong seriously. He was a little gangster.

If Kou Zhong hadn't recognized Du Fuwei from Jianghuai Army as his godfather, Li Shimin wouldn't even bother to talk to Kou Zhong.

"I agree."

Song Yuzhi smiled at Kou Zhong.

She would always support Kou Zhong.

Song Yuzhi's father, Song Que, had already agreed to her engagement with Kou Zhong. She had no reason not to help Kou Zhong.

"I took my leave."

Shang Xiufang stood up and said to everyone that she did not need to get involved in this matter, and Shang Xiufang did not want to find any Yang Gong's treasure house. Shang

Xiufang decided to return to Jiangnan.

Su Chen and her would never have a relationship in the future. She wanted to return to Jiangnan. Continue to live a secluded life

"Xiufang, let me leave with you."

Shi Qingxuan stood up with a complex expression.

She originally wanted to find her father Shi Zhixuan, but after what Su Chen said to her, Shi Qingxuan did not intend to find Shi Zhixuan. Shi Zhixuan, who has always been mentally disturbed, maybe death is a relief for Shi Zhixuan. Shi Qingxuan didn't want to stay and watch Shi Zhixuan be killed.

Kou Zhong stood up in a hurry and persuaded him,

"Master Shang, Master Shi, you are also great masters now. I need you to stay and help me deal with the people from the Demon Sect."

"No need, we don't want to get involved in the right and wrong of the world."

Shang Xiufang glanced at Kou Zhong.

After she nodded to Shi Qingxuan, Shang Xiufang and Shi Qingxuan left the inn.

Helping Kou Zhong?

Is this possible?

They saved Xu Ziling's life yesterday and they have done their best. Shang Xiufang and Shi Qingxuan will not do it again. Do something sorry for Su Chen.

Shi Feixuan reminded Li Shimin with a cold face,

"Li Shimin, I advise you to leave Chang'an City. You can't get the treasures in Yang Gong's treasury.

Li Shimin asked doubtfully, "Shixianzi, what do you mean?"

Shifei Xuan looked at everyone and said,

"Yang Gong's treasure house has been reserved. If you don't want to die, leave Chang'an City, otherwise you will all die."

Kou Zhong said to Shi Fei Xuan, (To read Baoshuang novels, go to Feilu Novel Network!)

"Master Shixianzi, you have advanced to the level of Grand Master. Grand Master Ning Daoqi and Lord Song have also arrived in Chang'an City. Can't the three great masters still protect us? Li

Shimin asked with a frown.

"Yes, Fairy Shi, we have three great masters to protect us, and even the demon sects in Chang'an City may not dare to show up. How could we die?"

"I will not fail to protect you, Li Shimin, Cihang Jingzhai will not help you anymore, our cooperation ends here, farewell."

Shi Feixuan stood up and said coldly to Li Shimin. She turned around and left the inn.

The Evil Emperor's relics in Yang Gong's treasury were attracted by Su Chen.

It was impossible for Shi Feixuan to snatch them from Su Chen, nor would she compete with him. Su Chen snatched the relics of the Evil Emperor, and Shi Feixuan went to Jing Nian Chanyuan to take out the He's Bi. Without the He's Bi, she was worried that Su Chen's mind would be controlled by the He's Bi.

Kou Zhong, Li Shimin, and Song Yuzhi were all confused. , they thought that there were three more Grand Masters to protect them, but the three Grand Masters left one after another.

What happened?

And how did the three girls, Shi Fei Xuan and Shi Fei Xuan, all advance to Grand Master? Why did the three Grand Masters, Shi Fei Xuan and others Not telling them?

Li Shimin's face turned ugly.

Cihang Jingzhai stopped cooperating with him?

Why?

Isn't he the son of destiny? Isn't he the future emperor? Why did Cihang Jingzhai terminate the cooperative relationship?

Chang'an City,

Si Ma On the bridge,

Su Chen stood on the bridge and looked around.

Another day had passed, and why was there still no movement at Si Ma Bridge? Didn't Kou Zhong and Xu Ziling know the entrance to the mechanism?

Xu Ziling was abolished, but what about Kou Zhong?

Why didn't he open it ? Yang Gong's treasure house?

Su Chen rubbed his forehead and whispered,

"Damn it, you are dragging your feet in opening Yang Gong's treasure house. Kou Zhong is really an idiot little bastard. Should you reveal the news that Yang Gong's treasure house is under Si Ma Bridge?"

Su Chen thought for a while and decided to wait and see.

If Kou Zhong still doesn't open Yang Gong's treasure house, he plans to expose the location of Yang Gong's treasure house. There are many traps in Yang Gong's treasure house, and

Su Chen cannot let Zhu Yuyan and Wan Wan risked his life to break into Yang Gong's treasure house.

Beside the Si Ma Bridge,

Su Chen came to a teahouse and sat down.

He didn't dare to go back to the other courtyard outside Chang'an City now. Zhu Yuyan was still angry. It was impossible for Su Chen to go there. Throwing herself into a trap, Wanwan didn't know if she would be able to live up to her promise by killing Bian.

At this time, two beautiful women in gorgeous dresses came up to the teahouse. They sat on the seats by the window and looked towards the direction of Si Ma Bridge.

A plump figure The woman spoke,

"By chance, the scenery here is nice. Let's take a break while drinking tea in the tea house."

The gentle and elegant woman replied,

"Okay, Xiuning, Kou Zhong seems to be interested in you. What do you think?"

"Wu Chuan, Chai Shao and I are engaged. It is impossible for me to be with Kou Zhong, and Kou Zhong is just a little gangster. No matter how handsome he is, it can't change his rogue appearance."

"makes sense!"

Su Chen looked at the two women next to him in surprise,

Wuchu?

Xiuning?

These are Changsun Wuchu and Li Xiuning?

What a coincidence?

Changsun Wuchu and Li Xiuning also appeared in the teahouse

"Two beauties, how about drinking tea and chatting together?".

## Chapter 2703

Su Chen stood up and walked to sit next to Li Xiuning.

He met Changsun Wuchu and Li Xiuning in the teahouse. If Su Chen didn't tease these two beauties, he would be sorry for Li Shimin, who killed his brother and imprisoned his father.

One is Li Shimin's sister. , one is Li Shimin's fiancée.

Although they are not the same as the eldest grandson in Tianxuan Continent, and Li Xiuning has different appearance and bumpy figure, they are still the same person after all.

When Li Xiuning saw Su Chen sitting directly next to her and saying some shameless words, she yelled with a cold face,

"roll!"

Su Chen smiled and teased,

"Beautiful girl, I see you are not young anymore. You are not married at your age. There must be something wrong with your body."

"Boy, do you want to die?"

"Beauty, your ears seem to be red. You must be wearing purple underwear today, right?"

"you wanna die!"

Su Chen took Changsun Wuchu's tea and drank it and continued.

"Li Xiuning, you have a scar on your calf, or an arrow wound. Also, it seems that your menstrual period has just passed six or seven days, and there are still scars on your chest....."

"Shut up, damn it, how do you know this?"

Li Xiuning didn't wait for Su Chen to finish. She interrupted Su Chen angrily and cursed.

Li Xiuning was very surprised.

How could Su Chen know some of her privacy? She and Su Chen had never met. Li Xiuning came to Chang'an. She had only been in the city for more than a day, and she couldn't figure out how Su Chen knew these secrets.

Changsun Wuchu lowered his head with a flushed face.

She didn't expect that Su Chen would drink Tian's tea and tell some of Li Xiuning's secrets. Li Xiuning and Su Chen didn't seem to know each other. How could Su Chen know Li Xiuning's privacy?

"We are husband and wife!"

Bang!

Li Xiuning slapped the table hard and shouted, "Boy, if you dare to talk nonsense again, believe it or not, I will kill you."

"cut!"

Su Chen curled his lips and ignored Li Xiuning.

He looked at Changsun Wuchu and smiled.

Changsun Wuchu blushed and lowered his head. Su Chen guessed that he drank Changsun Wuchu's tea, and Changsun Wuchu was shy. , the eldest grandson Wuchuan, who is more than ten years old, is still a little tender.

"little beauty....."

Su Chen whispered some private words to Changsun Wuchu.

Changsun Wuchu was good.

He would not let Changsun Wuchu marry Li Shimin, who killed his brother and imprisoned his father. If Li Shimin also appeared in Chang'an City, Su Chen would let the Yinkui sect people killed Li Shimin.

Changsun Wuchu looked at Su Chen in surprise.

She didn't expect that Su Chen also knew her privacy.

Although Su Chen only shared some private information, no other person could know these secrets.

Who is Su Chen?

Couples from previous lives?

This is a lie, but how could Su Chen know so much about her? Moreover, even Su Chen knew her most private secret.

Changsun Wuchu asked with a complicated expression,

"Who are you?"

"My name is Su Chen!"

"Suchen?"

Changsun Wuchu frowned and started thinking,

Su Chen?

She has never heard of this name. Why would Su Chen know her so well? Su Chen waved his hand and a cup of tea appeared in front of Changsun Wuchu.

"Changsun Wuchu, drink this cup of tea and your chest tightness and asthma will be cured quickly."

Changsun Wuchu and Li Xiuning looked at Su Chen with wide eyes, a cup of tea?

Su Chen waved his hand, and a steaming cup of tea appeared on the table.

Is Su Chen a god? Or a demon?

"Who are you?"

Li Xiuning asked Su Chen with a serious face. (To read Baoshuang novels, go to Feilu Novel Network!)

She doesn't believe there are gods in the world, nor does she believe there are any monsters. Li Xiuning guessed that Su Chen might be able to do magic, or He knows some tricks used by alchemists to deceive people.

Su Chen took out a purple spirit stone and put it on the table and said,

"Li Xiuning, who do you think I might be? Do you recognize this?"

"This is?"

Li Xiuning looked at the sparkling spirit stone.

What is this?

Why did she feel (bad) a very comfortable feeling on her body, and she also felt that the meridians all over her body were being expanded. Swish, swish, swish..

Su Chen kept taking out some items and putting them on the table, and then put them away again. These items included treasures from various worlds, some spiritual fruits and fairy fruits, and some delicacies made for her by her woman.

Li Xiuning and Changsun Wuchu opened their sexy little mouths and couldn't close them. They were frightened by the items Su Chen took out.

Every item is a treasure, and there are also fairy-like treasures, fragrant and delicious weird spiritual fruits and fairy fruits, as well as all kinds of sparkling treasures, and even delicious food.

"I'll do it!"

Su Chen accidentally took out a white bellyband, and he quickly put it away in embarrassment.

This was Bingji's bellyband, and

Su Chen also forgot to return it to Bingji.

"Shameless!"

"Color embryo!"

Li Xiuning and Changsun Wuchu yelled at Su Chen with blushing faces.

They did not expect that Su Chen would take out a white bellyband, a shameless pervert, and a lecher. Li Xiuning and Changsun Wuchu felt that Su Chen was not a good person.

Whoosh!

An old Taoist priest suddenly came to the teahouse quickly.

After he looked at everyone in the teahouse, the old Taoist priest walked towards Li Xiuning. When

Li Xiuning saw the old Taoist priest walking over, she asked doubtfully,

"Ning Daoqi?"

The old Taoist priest nodded to Li Xiuning and said, "It turns out that she is Miss Li Xiuning of the Li clan."

"Taoist Ning, what's the matter with you?"

"Miss Li, did anything strange happen here just now?"

"The weird thing is? No!"

Li Xiuning's heart tightened when she heard Ning Daoqi's words.

What's strange?

Is it because of the treasures that Su Chen took out? Did Ning Daoqi come over after sensing the treasures?

Su Chen looked at Ning Daoqi, a Buddhist thug, with disdain. A scum in the Taoist sect, a Taoist priest can do this, this is really a shame to the Taoist sect.

"This cup of tea?"

Ning Daoqi suddenly saw the tea in front of Changsun Wuchu.

He felt very relaxed when he smelled it, and his whole body felt warm as if it was changing his physique. This is the spiritual tea, the legendary spiritual tea drank by immortal cultivators..Su

Chen hurriedly picked up the teacup and handed it to Changsun Wuchuan and said,

"Changsun Wuchu, drink your tea quickly, otherwise your tea will be snatched away by shameless people."

"good!"

Changsun Wuchu took the tea and nodded.

She found that Ning Daoqi was looking at the tea in her hand.

This is a certain immortal tea.

Ning Daoqi, the great master, looked salivating. Changsun Wuchu wanted to cure her. If you are sick, drink it quickly

"No, this tea is poisonous. Miss, please don't drink it. Leave it to the old man, who will dispose of this cup of tea."

Chapter 2704

Ning Daoqi saw that Changsun Wuchu was about to drink the fairy tea, and he hurriedly stopped him.

This was fairy tea, a fairy tea that could change one's body and even improve one's cultivation level.

Ning Daoqi had previously sensed the presence of aura in the teahouse. Breath, and breath that is good for cultivation.

Is it because of the fairy tea?

Who brought out the fairy tea?

Su Chen, who doesn't know martial arts, and Changsun Wuchuan? They can't have fairy tea,

Li Xiuning?

She is just a scumbag, and it is impossible for Li Xiuning to bring out the fairy tea. Could it be that the fairy tea is a gift from heaven?

When Li Xiuning and Changsun Wuchu heard Ning Daoqi's words, they both showed shocked expressions. poisonous?

Are they idiots?

The smell of fairy tea makes them feel very comfortable. Is this poisonous fairy tea?

""Zero One Zero" is so shameless, so shameless.

Ning Daoqi is a majestic grandmaster. They didn't expect that Ning Daoqi would be so shameless and shameless.

Whoosh!

Suddenly a man in black appeared in the teahouse, and he quickly snatched him away. The teacup in Changsun Wuchu's hand escaped,

"Looking for death, Bi Xuan, you die."

Ning Daoqi didn't expect that Bi Xuan would suddenly appear, snatch the fairy tea from Changsun Wuchuan's hand and run away. He chased after him angrily. Bi Xuan couldn't take the fairy tea away and drink it.

"What the fuck!"

Su Chen shook his head speechlessly.

Before he could despise Ning Daoqi, another great master Bi Xuan suddenly appeared and snatched a cup of rubbish spiritual tea. All the great masters were shameless existences.

Li Xiuning and Changsun Wuchuo looked out the window one after another. They didn't expect anyone to grab the fairy tea.

Bi Xuan?

Bi Xuan, the great master of the Turks?

A cup of tea actually attracted two great masters.

Li Xiuning turned around and asked Su Chen,

"Su Chen, what kind of tea is your tea?"

Su Chen curled his lips and replied,

"Ordinary tea!"

Li Xiuning was very angry when she heard Su Chen's words.

Ordinary tea?

Damn you bastard, is this ordinary tea?

Can ordinary tea smell good to the body? Can ordinary tea make her feel like her meridians are being expanded? Ordinary tea Will the two great masters compete for the tea?

"Ordinary tea? Are you bluffing us? Will ordinary tea make two grand masters fight over it?"

Su Chen said with a smile,

"What kind of tea do you think it is? Spiritual tea? Fairy tea? If it were spiritual tea or fairy tea, do you think I wouldn't have any cultivation realm?"

"this....."

Li Xiuning couldn't answer for a while, yes, if it was fairy tea, how could Su Chen have no cultivation at all?

Immortal tea is Su Chen's tea.

Su Chen must have drunk a lot of fairy tea. It is impossible for him to have some cultivation realm after drinking fairy tea.

No,

Su Chen can turn into many treasures. Isn't this bastard an immortal?

"Xiuning, forget it, if the fairy tea was robbed, it would be robbed, and we won't be able to get it back."

Changsun Wuchuan shook his head at Li Xiuning. She felt very helpless. A cup of tea was actually snatched away from her hands by two great masters. Changsun Wuchuan could drink the fairy tea quickly, but her After a little hesitation, the fairy tea was snatched away, and Changsun Wuchu was also very depressed about this. (To read Baoshuang novels, go to Feilu Novel Network!) Su Chen touched his chin and said to Changsun Wuchu,

"Little beauty, if you kiss me, I will give you another cup of tea"

"impossible!"

Changsun Wuchu stared at Su Chen and immediately refused,"

Kissing Su Chen?

Is this possible?

Although Su Chen knew her very well, how could she kiss a stranger?

"Tsk, little beauty, it's not like we haven't kissed before. I know your body very well. Even if you kiss me, it won't do anything."

"you.....You are shameless!"

Changsun Wuchuan clenched her fists with shame and anger on her face. It

's so disgusting. She didn't expect Su Chen to be so shameless.

However, when Changsun Wuchuan thought about the secrets Su Chen said, she became panicked.

Su Chen knew her too well. Now,

Su Chen knew all about Zhangsun Wuchu's physical features, her sensitive areas, and even some of the privacy in her private life. Zhangsun Wuchu could n't understand why Su Chen knew all about her. ?

Li Xiuning stood up, glared at Su Chen and shouted,"Asshole, do you want to die?"

Changsun Wuchu is her brother's fiancée. Is Su Chen trying to take advantage of her brother Li Shimin?

A shameless pervert,

Li Xiuning will never let Su Chen have an idea of Changsun Wuchu."

Su Chen curled his lips and reminded , "Li Xiuning, do you want me to tickle you?" I know you are most afraid of being tickled"

"you...."

Boom boom boom....

Suddenly, there was a violent roaring sound from the direction of Si Ma Bridge.

Su Chen hurriedly looked out of the window.

A hole appeared next to Si Ma Bridge, a three-meter-high hole, and hundreds of people from the world appeared around it.

Su Chen frowned and whispered,

"Yang Gong's treasury has been opened, but why is it next to Si Ma Bridge? Shouldn't Yang Gong's treasure house be underwater, or connected to a dry well? Who are those people next to you?"

Li Xiuning and Changsun Wuchu also looked over hurriedly.

When they found Li Shimin appearing next to Si Ma Bridge, Li Xiuning and Changsun Wuchu understood what happened.

Li Shimin came to Chang'an City to compete for Yang Gong's treasure house. They guessed from the roaring sound just now. It was Yang Gong's treasure house that was opened. It turned out that Yang Gong's treasure house was actually here at Si Ma Bridge.

Swish, swish, swish.....

Within a few breaths,

Jianghu people continued to appear on Si Ma Bridge, and many Jiang Hu people left Si Ma Bridge with ease.

Su Chen leaned on the chair and said with a smile,

"0.7 This is interesting. It is impossible to enter Yang Gong's treasure house secretly. The Jianghu people in Chang'an City have been alarmed. A big melee should be about to begin.

Li Xiuning asked with a serious face, "Su Chen, are you also planning on Yang Gong's treasure house?"

Su Chen mocked Li Xiuning,

"Li Xiuning, do you think I, a loser, would take advantage of Yang Gong's treasure house? Or do you think I want to seek death?"

Li Xiuning stared at Su Chen and guessed,

"You are too mysterious, Su Chen. Although you don't know martial arts, I think you are very extraordinary. You must have a purpose in coming to Chang'an City, and you should have known that Yang Gong's treasure house was at Simaqiao."

Su Chen sneered at Li Xiuning disdainfully,

"It's none of your business, Li Xiuning, you're not my wife, why are you asking so much?"

Chapter 2705

Su Chen was a little unhappy with Li Xiuning. Li Xiuning was a woman who was willing to sacrifice everything for her family.

In Tianxuan Continent,

Su Chen even beat Li Xiuning. If Li Xiuning didn't wake up in the end, he wouldn't have accepted Li Xiuning.

Li Xiuning in this world is still a stupid woman.

Su Chen doesn't want to talk to Li Xiuning.

Anyway, the two Li Xiunings have different looks. Su Chen doesn't worry about being cuckolded.

"you...."

When Li Xiuning heard Su Chen's rude words, she was confused for a moment.

Su Chen had been talking to her nicely before, so why did he change his attitude in an instant?

Su Chen looked up at Si Ma Qiao and said,

"Li Xiuning, Mr. Yang's treasury has been opened, aren't you going to help your brother who doesn't even recognize his relatives? Li

Xiuning asked with a frown.

"Disown your relatives? What are you talking about? Why does my brother disown his relatives?"

"Forget it if you don't understand. I'm too lazy to talk to you, a stupid woman."

"Please tell me clearly, why does my brother Li Shimin disown his relatives?"

"I'm too lazy to talk to you."

Su Chen stood up and was about to leave the teahouse.

Yang Gong's treasury has been opened.

The Evil Emperor's relics must be obtained.

Zhu Yuyan and Wanwan should also come to Si Ma Bridge. Su Chen is going to meet Zhu Yuyan and the others.

Li Xiuning pulled Su Chen with a serious expression. said,

"Su Chen, please explain it to me clearly, otherwise I won't let you leave. Changsun

Wuchu also hurriedly asked Su Chen, "Su Chen, why do you say Li Shimin is a person who doesn't recognize his relatives?" I also want to know the reason, can you tell us?"

Disown your relatives?

Why did Su Chen say this about Li Shimin?

Is Li Shimin a person who disowns his relatives?

Changsun Wuchu felt that Su Chen would not lie, and Su Chen had no need to lie to them.

After Su Chen checked Si Ma Bridge, he sat down. He nodded and said

"Well, I can tell you why Li Shimin disowns his relatives and why Li Shimin is a ruthless person. Li Xiuning, who is the future heir of your Li clan?"

Li Xiuning blurted out,

"My eldest brother Li Jiancheng."

Su Chen rubbed his forehead and explained to Li Xiuning,

"Li Jiancheng? Do you think Li Shimin has any ideas about his successor? If Li Shimin wants to be the heir, will he kill Li Jiancheng? Will he kill several other brothers?"

"Don't tell me that Li Shimin would not kill his brothers. Why does Cihang Jingzhai support Li Shimin? Why did Li Shimin win over some generals? Doesn't he have a purpose in doing this?"

"Li Shimin is just a legitimate son, but he is not the eldest son. He wants to compete for the identity of the heir. Li Xiuning, you should guess what the outcome will be in the future."

Li Xiuning and Changsun Wuchu were stunned when they heard Su Chen's words.

They didn't expect Su Chen to say this, but what Su Chen said was very correct.

Li Shimin has always been competing with Li Jiancheng. Li Jiancheng is the eldest son, and he is loyal and honest. The brothers are kind, and among their brothers and sisters, only Li Shimin and Li Jiancheng can't deal with them.

What about Li Shimin? (To read Baoshuang novels, go to Feilu Novel Network!)

He not only won over some heroes in the world, but also some talented generals, and also Deliberately making friends with other members of the Li clan, are these Li Shimin preparing to mutiny against Li Jiancheng?

Su Chen did not disturb Li Xiuning and Changsun Wuchuan. He looked at Si Ma Bridge and began to think.

It seems that the evil emperor's relics are not easy to obtain, and

Su Chen originally had With five great masters, it would be easier for him to seize the evil emperor's relics. However, in order to save Xu Ziling, Su Chen parted ways with the three concubines and concubines.

Zhu Yuyan was very powerful. Wanwan might even defeat Song Que. However.

Ning Daoqi, Bi Xuan, Song Que, three grand masters, and the insane Shi Zhixuan, there are four grand masters.

If Zhu Yuyan and Wanwan are entangled by several grand masters, Kou Zhong and Li Shimin will snatch them away. Evil Emperor's relics.

There are other sects of the Demon Sect.

It is impossible for the Demon Sect to be indifferent to the Evil Emperor's relics.

Trouble!

Beside the Si Ma Bridge,

Kou Zhong, Li Shimin, and Song Yuzhi all looked very ugly.

Yang Gong's Treasure House It was opened, but there was too much movement, and the entrance to Yang Gong's treasure house actually appeared next to Si Ma Bridge.

With such an obvious entrance, the Jianghus and sects in Chang'an City would find out, and their plan to secretly enter Yang Gong's treasure house was ruined..Kou

Zhong said to the others with an ugly face,

"Enter Yang Gong's treasury quickly. We have to get the treasures as soon as possible. The other exit of Yang Gong's treasury is outside Chang'an City. As long as we move faster, we can still get some of the gold and silver treasures, weapons and armor in Yang Gong's treasury."

Li Shimin nodded and said,

"`.Okay, the Jianghu people are not interested in the gold and silver treasures and weapons and armor. They are only interested in the evil emperor's relics. Let's move in first and transport out the gold and silver treasures and weapons and armor. Song

Yuzhi reminded Kou Zhong,

"Without further ado, Kou Zhong, we will immediately lead our men into Duke Yang's treasure house."

Kou Zhong nodded and hurriedly led his men into Yang Gong's treasury. Li Shimin and Song Yuzhi also led their men in. They knew that time was running out. If the gold, silver, treasures, weapons and armor were not shipped out quickly, more and more people would come. The more.

The Jianghu people next to Si Ma Bridge saw someone entering Yang Gong's treasury. These Jianghu people also quickly entered Yang Gong's treasury and the evil emperor's relics.

This is very important to the Jianghu people.

The Jianghu people want to become the king of Jianghu. The most powerful master, all the people in the world want to get the evil emperor's relics.

People from the Demon Sect appeared one after another on Si Ma Bridge, Demon Commander Zhao Deyan, Tianjun Xi Ying, Fat Jia Anlong, etc., except for Yin Queen Zhu Yuyan, all members of the Demon Sect Seven masters appeared one after another

"This time I (good Wang Zhao) will work together to seize the Evil Emperor's relics. You all understand that not one person can absorb the Evil Emperor's relics. I don't want to see anyone making small moves behind his back."

"Zhao Deyan, don't worry, we all know the huge energy in the Evil Emperor's relics, and we will work together to snatch the Evil Emperor's relics"

"Well, let's quickly enter Yang Gong's treasury. Ning Daoqi, Bi Xuan, and Song Que have all arrived. If the evil king Shi Zhixuan appears again, it will be even more difficult for us to obtain the evil emperor's relics."

"Ning Daoqi, Bi Xuan, and Song Que don't deal with each other, so we don't need to worry, but the evil king Shi Zhixuan, we have to be on guard against him."

"Anlong, where is Queen Zhu Yuyan? Didn't we agree to take action together? Why didn't that crazy woman Zhu Yuyan come here at the critical moment?"

"Don't worry about Zhu Yuyan. I guess Zhu Yuyan should have discovered Shi Zhixuan. That's good. With Zhu Yuyan in check on Shi Zhixuan, it will be easier for us to rob the Evil Emperor's relics."

Chapter 2706

In the teahouse,

Su Chen saw the masters of the Demon Sect appear on the Si Ma Bridge, and soon they also entered Yang Gong's treasure house. He shook his head and ignored them. The masters of the Demon Sect were just cannon fodder.

Su Chen touched his chin and thought,

"Song Que hasn't appeared yet. Ning Daoqi and Bi Xuan should be entering Yang Gong's treasure house soon. Where is the Evil King Shi Zhixuan? Could he have sneaked into Yang Gong's treasure house? There is also Queen Zhu Yuyan. Is Zhu Yuyan still sleeping in another courtyard?"

Su Chen patted his forehead and was very speechless.

He caused Zhu Yuyan a lot of harm yesterday night. If Zhu Yuyan was still resting and recovering, or even missed entering Yang Gong's treasury, it would be even more difficult for Su Chen to snatch the evil emperor's relics.

Damn it. ,

It's really his own fault.

Su Chen looked at the entrance of Yang Gong's treasure house and didn't dare to enter. The people who entered Yang Gong's treasure house were all Jianghu people.

Su Chen could deal with some scumbag Jianghu people, but those powerful Jianghu people Su Chen could do well. Chen couldn't deal with it.

Do you want to use the spiritual sword Luoxue?

Changsun Wuchuan asked Su Chen with a complicated expression,

"Su Chen, what you told us, are you guessing that Li Shimin will launch a mutiny to kill Li Jiancheng?"

Su Chen replied without turning around,

"The eldest grandson has no chance. As long as Li Shimin has no chance to be the heir, Li Shimin will definitely launch a mutiny. Killing Li Jiancheng is necessary, and he will also eradicate the roots, and other brothers will also be killed....."

Changsun Wuchu and Li Xiuning turned pale. They felt that Su Chen would definitely happen.

If Li Shimin was not established as the successor of the Li clan, he would have generals, troops, and counselors in his hands. Li Shimin would not be willing to submit to others. Launching a mutiny was his only way out and Li Shimin's only choice.

Su Chen shook his head and continued to mock,

"Li Xiuning, don't believe me when I say you are stupid. Why did you get engaged to Chai Shao? Have you never thought about it? Li Shimin has been wooing the Chai family. It was Li Shimin who brokered your engagement with Chai Shao."

"Stupid woman, you have been taken advantage of by your brother, and you are still helping him like an idiot. Do you think you are a stupid woman?"

"And Changsun Wuchu, you are engaged to Li Shimin. Have you never thought about why Li Shimin wants to be engaged to you?"

"Your brother Zhangsun Wuji, as well as your uncle and the Guanlong family, if you marry Li Shimin, your brother, your uncle, and the Guanlong family will all support Li Shimin. They are two idiot women."

Su Chen also made half-truths and half-false nonsense.

Li Xiuning was really used by Li Shimin. As for whether Changsun Wuchu was used by Li Shimin, Su Chen didn't know. He said these were just some guesses.

Whether it was right or wrong was still important. Is it?

Li Xiuning's face turned cold. She believed what Su Chen said at this moment.

Li Shimin had been wooing the Chai family, and he had a good relationship with Chai Shao. It turned out that her marriage was promoted by Li Shimin. Li Xiuning did not expect that

Li Shimin In order to get financial support from the Chai family, her brother actually sold her.

She is really a stupid woman.

Changsun Wuchu kept her head down. She was very confused.

She couldn't feel what Su Chen said no matter how much she thought about it. Could it be wrong?  
Did Li Shimin have a plan to get engaged to her?

Her brother, her uncle, and the Guanlong family, could these be Li Shimin's real purpose?

Whoosh,

Wanwan quickly arrived at the teahouse, and she saw Su Chen and two strange women Together,  
Yin Queen Zhu Yuyan was not in the teahouse either.

Wanwan asked Su Chen anxiously,

"Su Chen, where is my master?"

Su Chen replied awkwardly,

"Ahem, Wanwan, your master is in another courtyard outside the city. You should quickly send  
someone to inform your master."

"In a courtyard outside the city?"

Wanwan was confused when she heard Su Chen's confusion. (To read Baoshuang novels, go to  
Feilu Novel Network!)

Yang Gong's treasure house has been opened.

Why is her master still in a courtyard outside the city? Why did Su Chen come alone? Chang'an City?

Wanwan doesn't understand this

"Don't run around, and don't enter Yang Gong's treasure house."

"I know!"

"Bastard, don't try to kill me."

Wanwan told Su Chen to leave quickly. She wanted to inform Zhu Yuyan in person.

The courtyard outside the city is more than ten miles away from Chang'an City. It would take at least half an hour for others to inform Zhu Yuyan. Wanwan had no choice but to inform Zhu Yuyan in person. , so as not to delay the fight for the Evil Emperor's relics.

Su Chen was speechless when he saw Wanwan leaving. How could he enter Yang Gong's treasury to seek death.

There are some powerful Jianghu people in Yanggong's treasury, and Su Chen was also worried about the Jianghu people. A fight broke out in Yang Gong's treasure house. If Yang Gong's treasure house collapsed, he would be buried alive in Yang Gong's treasure house.

Boom!

Suddenly, a corner of the teahouse was shattered, and an ugly man wearing alien clothes appeared. In the teahouse,

Su Chen, Li Xiuning, and Changsun Wuyu looked over one after another. An ugly alien? Or a powerful alien. They did not expect that an alien would smash the teahouse and come in. The ugly man came to Su Chen and asked He said, "The tea that Bi Xuan snatched earlier belongs to you?"

Su Chen frowned and said,

"Bi Xuan? Who? Grab tea? Your Excellency, we are all ordinary people. We don't know Bi Xuan, and we don't know what tea is. This is a teahouse. Do you need to rob for tea?"

Su Chen looked at the ugly alien master and thought,

Alien?

Ugly man?

Very powerful?

Damn, the ugly man is Fu Cailin from Goryeo.

Su Chen didn't expect that Fu Cailin from Goryeo also came to Chang'an City. Shuanglong The three great masters in the world have arrived, plus Song Que and Shi Zhixuan, all these powerful people have arrived.

Li Xiuning and Changsun Wuchu were very surprised, and because of Xiancha, this foreigner Who could be the strong one? How could he know about the Immortal Tea?

The ugly man yelled with a gloomy face,

"Boy, how dare you lie to me? I heard clearly the conversation between Bi Xuan and Ning Daoqi during the fight. One man and two women in the teahouse. You are the only ones in the whole restaurant. Do you want to die?"

Su Chen said coldly with an expressionless face,

"Are you Fu Cailin? I didn't expect you to be really ugly. Yes, the tea is mine. What do you want?"

Fu Cailin threatened Su Chen coldly,

"ugly? Boy, you are very courageous. You dare to call me ugly in front of me. It seems that you are tired of living. If you hand over the tea leaves, I can make your death easier."

"Fu Cailin, you can't kill anyone in the Central Plains!" A woman's cold voice came over, whoosh!

Two women quickly appeared in the teahouse, one with a plump and attractive figure, and the other with a cold and beautiful face. They came to the teahouse and looked at the ugly Fu Cailin.

"Fan Qinghui of Cihang Jingzhai, and your brother.....Um? Your disciple Shi Feixuan has actually been promoted to the Grand Master?".

Chapter 2707

Fu Cailin found out that Fan Qinghui and Shi Feixuan were not paying attention. They were two scumbags.

But he found out that Shi Feixuan had been promoted to Grand Master. Fu Cailin was very surprised. Fan Qinghui had not been promoted to Grand Master, and Shi Feixuan was not promoted to Grand Master. How could he be promoted to Grand Master?

"Fu Cailin, this is the Central Plains, not Goryeo. Do you want to be hunted down by strong men from the Central Plains?"

Fan Qinghui looked at Fu Cailin coldly, then she looked at Su Chen.

A little scumbag who didn't know martial arts. With a cup of spiritual tea, her disciple Shi Feixuan was promoted to a grand master.

How is this possible?

Shi Fei Xuan was in the middle stage of master cultivation. She was promoted to the great master in just one day. If Fan Qinghui hadn't seen it with her own eyes, she would never have believed it.

Master Fei Xuan didn't dare to look at Su Chen.

She was worried about Su Chen. She has not forgiven her yet. Shi Feixuan was originally going to Luoyang Jing Nian Chan Academy, but after she met her master Fan Qinghui, Shi Feixuan was brought back to Chang'an City by Fan Qinghui.

Shi Feixuan and Fan Qinghui had wanted to Entering Yang Gong's treasury, they discovered what happened in the teahouse.

Shi Feixuan did not expect that Su Chen would be in the teahouse, and Fu Cailin of Goryeo was also threatening Su Chen. She 01 never thought of coming to save Su Chen.

Fu Cailin disdained and mocked,

"Fan Qinghui, can you stop me? Although your disciple Shi Feixuan has been promoted to Grand Master, I am still in the middle stage of Grand Master. If you don't want your disciple to perish, you'd better not meddle in other people's business. Fan

Qinghui reminded with a smile,

"Really, Fu Cailin, what if Song Que, the Heavenly Sword, is added? Do you think you can escape from my disciple and Heavenly Sword Song Que?"

"damn it!"

Fu Cailin became worried when he heard Fan Qinghui's words.

He didn't care when a master concubine was flirting with him, but it was impossible for him not to care about Tiandao Song Que. Fu Cailin didn't have the confidence to defeat Tiandao Song Que. If he was teased by a master concubine and Tiandao Song Que, Without the siege, he might die in Chang'an City.

At this moment,

Su Chen was speechless as he looked at Fan Qinghui and Shi Feixuan.

He took out the Falling Snow Sword to kill Fu Cailin, but he did not expect that Fan Qinghui and Shi Feixuan would meet. When he arrived, he looked at Luoxue Sword and put it away.

After the Spirit Sword Luoxue was completely repaired, Su Chen believed that Luoxue could be killed by a great master.

Li Xiuning and Changsun Wuchu relaxed. Fan Qinghui from Cihang Jingzhai and Shi Feixuan brought them, they would not be killed by Fu Cailin, and Su Chen would not be forced to hand over the fairy tea.

Whoosh!

At this time,

Ning Daoqi and Bi Xuan arrived at the teahouse at the same time, and they saw Fu Cailin and Fan Qinghui. There was some surprise, but they couldn't take care of Fu Cailin and Fan Qinghui.

The previous fairy tea was broken and they didn't get it.

The fairy tea was discovered by Su Chen and the others. They wanted to ask Su Chen and the others where the fairy tea came from. Got it.

Ning Daoqi threatened Su Chen and the others expressionlessly,

"Where did you get the tea just now? Speak out or die?"

Su Chen mocked Ning Daoqi coldly,

"Ning Daoqi, your shamelessness makes me very surprised. For a great master in the Central Plains, you can just be a dog for Cihang Jingzhai, but I didn't expect that you would also join forces with foreigners. Tea? This is a teahouse. If you want to drink tea, you can ask the waiter to serve it to you."

Boom!

Ning Daoqi threatened with a gloomy expression,

"Damn it, do you want to die?"

Shi Feixuan quickly appeared in front of Su Chen and said coldly, "Taoist Master Ning, what are you going to do?"

"Um? Grandmaster? Shi Feixuan, you actually advanced to Grand Master? How can this be?"

Ning Daoqi was very surprised when he saw Shi Feixuan.

Shi Feixuan was a mid-level master.

He had met Master Shi Feixuan half a month ago. How could Feixuan be promoted to a grand master after half a month?

Fan Qinghui was speechless. He asked with an expression on his face, "Ning Daoqi, you are the great master of the Central Plains, and you made a deal with Bi Xuan? Are you still considered a great master of the Central Plains if you do this?"

Ning Daoqi said calmly, (To read Baoshuang novels, go to Feilu Novel Network!)

"Master Fan, the old Taoist just wants to get tea. Master Fan still needs not to interfere with this matter. Bi

Xuanyin reminded Fan Qinghui with a smile,

"Fan Qinghui, you can't stop us. Although your disciple is a great master, we have three great masters, and each great master is stronger than your disciple. If you don't want your disciple to be killed, you'd better take your disciple with you. leave."

Fu Cailin laughed and mocked,

"Ha ha....., That's right, Fan Qinghui, we must get this boy's tea, you can't stop us"

"damn it!"

Fan Qinghui looked at Ning Daoqi with an ugly face.

Ning Daoqi actually joined forces with a foreign race in order to get spiritual tea. She underestimated Ning Daoqi's shamelessness.

Cihang Jingzhai had previously agreed to let Ning Daoqi read the Cihang Sword Code. Ning Daoqi Qicai was willing to help Cihang Jingzhai, but she did not expect that Ning Daoqi would give up his face for Lingcha.

Su Chen touched his chin and looked at Fan Qinghui.

He wanted to see what choice Fan Qinghui would make. Fan Qinghui Are you taking Shi Fei Xuan away? Or are you protecting him regardless of life and death?

However,

Fan Qinghui is really very attractive.

Although she is not as beautiful as Zhu Yuyan, Fan Qinghui has an earthly temperament and plump breasts. In terms of figure, Fan Qinghui is also a beautiful woman who still has charm.

When Shi Feixuan saw Fan Qinghui thinking, she hurriedly reminded,

"Master, we can't ignore Su Chen. 807"

Fan Qinghui nodded and said,

"Don't worry, the master is from the Central Plains, and I will not let foreigners run wild in the Central Plains."

Su Chen said at this time,

"Old nun, you are just a master, and your disciple is in the early stage of a great master. You are no match for Ning Daoqi and the others. You should leave. I don't need you to save me."

Su Chen is very satisfied with Fan Qinghui.

Although Fan Qinghui has many shortcomings, she is still a good woman.

Whether it is for Cihang Jingzhai's reputation or Wuling Tea, she can say After saying these words, Su Chen still has a good impression of Fan Qinghui in this world.

"Little bastard, what did you call me?"

Fan Qinghui heard Su Chen call her old nun, and her face turned ugly.

This bastard,

Fan Qinghui racked her brains to think of ways to save Su Chen. She didn't think that Su Chen would let her leave, and she also called her She is an old nun.

How many years has passed and no one has dared to call her an old nun. Is she old?

Huh?

Fan Qinghui is a bit old, but does her appearance make her look older?

Su Chen hurriedly changed his words in embarrassment,

"Slip of the tongue, Fan Qinghui, please leave with Shi Fei Xuan, and take these two scumbag women away with you."

"Little bastard, is that what you call Fan Qinghui? You want to call me Master Brahma"

Chapter 2708

Fan Qinghui stared at Su Chen angrily, a little bastard, what kind of old nun?

What is Brahma's pure wisdom?

Is this what a scumbag can call you?

If the little bastard hadn't promoted Shi Feixuan to Grand Master, Fan Qinghui would have wanted to teach Su Chen a lesson right now.

"Yes, Lord Brahma!"

Su Chen curled his lips and didn't want to talk to Fan Qinghui.

She was an arrogant old woman.

Isn't the name Fan Qinghui meant to be called? Does Fan Qinghui think she is the empress?

Fu Cailin called out indifferently, "Fan Qinghui Hui, if you don't leave, don't blame us for being rude."

"Ugly monster, do you want to die?"

Su Chen didn't wait for Fan Qinghui to speak. He stood up and threatened Fu Cailin expressionlessly. He was an ugly old immortal.

Su Chen felt sick just looking at him. If Fu Cailin's "650 Office" wanted to die, he would not mind killing Fu Cailin first.

Fu Cailin shouted angrily with a sullen face,

"Boy, you are looking for death!"

Su Chen raised his middle finger and said contemptuously,

"Tsk, I'm looking for death, ugly monster, do you have the ability to kill me?"

Fu Cailin threatened Su Chen viciously,

"Boy, after forcing you to get some fairy tea, I will slowly torture you to death!"

Su Chen took out the Falling Snow Sword and placed it on the table. He stroked the Falling Snow Sword and whispered,

"Luoxue, kill the ugly monster."

Li Xiuning and Changsun Wuchu looked at Su Chen in surprise.

Su Chen didn't have a sword in his hand before. They didn't expect Su Chen to conjure up a sword again, but who was Luoxue that Su Chen called? Luoxue can kill a great master. Whoosh!

A ray of light flashed past, and whoosh!

Fu Cailin stared at Su Chen with his eyes wide open and covered his neck. He looked at Su Chen with frightened eyes.

After a while,

Fu Cailin spat out a mouthful of blood, and his head fell from his neck. , Fu Cailin also fell to the ground and died completely.

Ning Daoqi and Bi Xuan looked at Su Chen in shock. They just saw a flash of white light. Fu Cailin, a great master, was beheaded in an instant.

Master Feixuan and Fan Qinghui looked at the dead Fu Cailin in surprise.

In an instant,

Fu Cailin was killed silently and his head was beheaded. What on earth was going on?

Everyone looked at Su Morning, when they saw a sword floating next to Su Chen, Ning Daoqi and Fan Qinghui felt incredible that a sword was floating in the air, as if it was protecting Su Chen.

Ning Daoqi shouted with a pale face,

"sword? How can this be?

Bi Xuan shouted in horror, "Is this a fairy sword?" This kid actually has a fairy sword in his hand?"

Fan Qinghui and Shi Feixuan opened their eyes wide. They were shocked when they looked at the Luoxue Sword beside Su Chen.

Fairy sword?

There is a fairy sword beside Su Chen?

No wonder Fu Cailin was killed instantly, no wonder Su Chen looked fearless..

Li Xiuning and Changsun Wuchu both covered their mouths.

They looked at the approaching Luoxue Sword. They felt as if they were dreaming. A great master was killed by a sword. Fairy sword? Is the floating sword really a fairy sword?

Su Chen reached out and touched the Luoxue Sword. He did not expect that the Luoxue Sword, which had restored its aura, would be so powerful.

However, the Luoxue Sword was a spiritual sword after all, a weapon used by cultivators. How could an ordinary warrior avoid being killed by the Luoxue Sword

? buzzing.....

Luo Xue Sword made a buzzing sound as Su Chen stroked it, as if in response to Su Chen.

Su Chen smiled and said,

"Luoxue, I will always take you with me from now on."

Buzz buzz....

"Ha ha....."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen laughed when he heard Luo Xuejian's response. He would not put Luo Xuejian into the system space.

Su Chen will always wear the Falling Snow Sword in the future, and the Falling Snow Sword will also become a symbol of his identity and a symbol of the Xuantian realm.

What about a spiritual sword?

The strong men in the Xuantian Realm, and even the strong men in other realms, will all bow to Luoxue Sword in the future.

Su Chen looked at Ning Daoqi and Bi Xuan and said coldly,

"Ning Daoqi, Bi Xuan, it's time for you to hit the road. Remember not to be greedy or shameless next time."

"escape!"

Whoosh!

Ning Daoqi and Bi Xuan escaped from the teahouse in fear.

With a fairy sword, they were no match at all. They didn't want to die.

Ning Daoqi and Bi Xuan could only quickly escape from the teahouse, escape from Chang'an City, and escape from Su Chen. The farther the better.

"escape? Did you escape?"

Su Chen saw Ning Daoqi and Bi Xuan running away quickly, with a look of disdain on his face. The two scumbags of the great masters, Luo Xuejian, were going to hunt them down. Can Ning Daoqi and Bi Xuan escape?

"Luoxue killed the two people who escaped."

Whoosh!

The Falling Snow Sword disappeared next to Su Chen in an instant.

Su Chen looked at Fan Qinghui and said, "Master Fan, you can leave with your disciples. Fan

Qinghui asked with a serious face.

"Su Chen, who are you? Are you a legendary cultivator?"

Shi Feixuan looked at Su Chen with a pale face. She didn't expect that Su Chen was still worried about what happened yesterday. Did she do something wrong?

Was she wrong to save Xu Ziling?

Poof!

Shi Feixuan suddenly spurted out a mouthful of blood and fell to the ground. fell to the ground.

Fan Qinghui hugged Shi Feixuan and shouted,

"Feixuan, what's wrong with you? Ah, obsessed? How come you are so obsessed with it?"

Su Chen frowned and looked at Shi Feixuan. He did not expect that Shi Feixuan would suddenly vomit blood and fall to the ground.

Obsessed?

How could he suddenly become obsessed?

Could it be that Shi Feixuan was in love?

Su Chen thought that Cihang Sword Code was not ruthless. On the contrary, women who practice Cihang Jingzhai have the ultimate affection and love. Is Shifei Xuan's heartbreak leading to her obsession?

"Bring Shi Fei Xuan over."

Su Chen frowned and thought about it and decided to save Shi Feixuan. He guessed that Shi Feixuan should be 3.7 because he went crazy. Su Chen couldn't watch Shi Feixuan go crazy and lose his beauty.

"okay!"

Fan Qinghui reacted after hearing Su Chen's words.

Su Chen's identity is mysterious, and

Shi Feixuan is possessed.

Su Chen might have a way to save Shi Feixuan.

Fan Qinghui can only rely on Su Chen to save her disciple. Come to save the future successor of Cihang Jingzhai.

After Su Chen took Shi Feixuan and checked it, his face became serious.

Shi Feixuan's true energy was violent, and the meridians were seriously damaged. If he didn't treat her, Shi Feixuan would Even if Xuan is saved, she will become a useless person in the future.

Su Chen shouted to Zhangsun Wuchuan beside him, "Changsun Wuchuan, prepare a bowl of water for me."

"good!".

Chapter 2709

Su Chen took out a five-color spiritual flower, a very beautiful and bright pink spiritual flower.

The five-color spirit flower is a spirit flower in the world of immortality that can enhance spirituality and consciousness, repair wounds to the consciousness, and increase mana.

Shi Feixuan is just an ordinary warrior who has gone crazy. The Five Colored Spirit Flower is more than enough to save Shi Feixuan. If Shi Feixuan is lucky, she might even be able to improve her cultivation level.

When Li Xiuning and Fan Qinghui saw the five-color spirit flower in Su Chen's hand, they both had surprised expressions on their faces.

The rich fragrance of flowers filled the surroundings, and they were almost intoxicated by the fragrance, and their cultivation realm was slowly increasing.

It may not take a quarter of an hour for them to advance to a small realm

"Su Chen, the water is here."

Chang Sun Wu Chuan put a bowl of water in front of Su Chen. She looked at the pale Shi Fei Xuan and was a little worried.

But when she smelled the rich fragrance of flowers and saw the beautiful and colorful five-color spirit flowers, Zhang Sun Wu Chuan said, She opened her sexy little mouth from ear to ear.

Su Chen picked off a petal and put it into the clear water. In an instant, the purple petals melted into the clear water.

Su Chen said to Fan Qinghui beside him, "Fan Qinghui , you feed Shi Feixuan and drink this bowl of water"

"good!"

Fan Qinghui hurriedly took the bowl to feed Shi Feixuan to drink. She was very happy in her heart.

The fairy flower in Su Chen's hand must be an immortal.

Her disciple Shi Feixuan was not only saved this time, but also a blessing in disguise.

Su Chen looked at the five-color spirit flower in his hand, which still had four petals. After one petal was removed from the five-color spirit flower, the other petals would wither and dissipate within three days. Su

Chen looked at Changsun Wuchu and thought for a while and said ,

"Changsun Wuchu, please bring another bowl of water over here"

"okay!"

After a while,

Changsun Wuchuan got the water,

Su Chen picked off a petal and put it into the water, "Changsun Wuchuan, drink this bowl of water~"

"I drink?"

Changsun Wuchu looked at Su Chen in surprise.

Su Chen actually asked her to drink the water fused with fairy flowers?

This is the water of fairy flowers.

Why was Su Chen so kind to her?

He let her drink spiritual tea before, and now he lets her drink it. She drank the water of fairy flowers. Could it be that Su Chen and she were really husband and wife in the previous life? Otherwise, why would Su Chen be so kind to her?

Su Chen nodded and said,

"Drink it!"

"this.....All right!"

After Changsun Wuchu looked at Su Chen complicatedly, she took the bowl and started drinking.

Li Xiuning and Fan Qinghui looked at Changsun Wuchu with surprise. They didn't expect that Su Chen would let Changsun Wuchu drink the fairy. Hua Zhi Shui, could it be that Su Chen has feelings for Changsun Wuchu?

Whoosh!

The Falling Snow Sword instantly flew to Su Chen's side.

Su Chen smiled, took the Falling Snow Sword and inserted it into the scabbard. He hung the Falling Snow Sword on his waist.

Boom! Bang!

"I'll do it!"

Shi Feixuan suddenly burst out with a powerful momentum. Su Chen was knocked against the wall by the powerful momentum.

Fan Qinghui and Li Xiuning also hurriedly retreated.

They were forced to retreat by Shi Feixuan's strong momentum. If they had not reached the realm of cultivation, Li Xiuning and Fan Qinghui would have been blown away by Shi Feixuan's aura.

Fan Qinghui and Li Xiuning did not look at Shi Feixuan anymore. They all looked at Su Chen and were very surprised.

Su Chen was actually beaten by Shi Feixuan. Shi Feixuan's aura flew away, which none of them expected. Didn't Su Chen have any level of cultivation? He was not an immortal cultivator either?

Li Xiuning suddenly thought of Changsun Wuchuan.

She was worried that Changsun Wuchuan would be raped by her master Feixuan. The momentum was shocked, but after she saw Changsun Wuchuan, Li Xiuning found that Changsun Wuchuan was sitting with his eyes closed and it had no effect at all.

Li Xiuning was surprised and shouted to Fan Qinghui, (To read Baoshuang novels, go to Feilu Novel Network! )

"Master Fan, you see, there is nothing wrong with Changsun Wuchuan. She has no cultivation level at all, and Shi Feixuan's aura seems to have no effect on Changsun Wuchuan."

Fan Qinghui guessed in surprise,

"Li Xiuning, Changsun Wuchuan should have drank the water of fairy flowers. He didn't expect that a bowl of water of fairy flowers and Changsun Wuchuo, who had no cultivation realm, would have such a change."

"Yes, with a bowl of fairy water, great changes have taken place in Master Feixuan and Changsun Wuyu. Master Fan, your disciple is already a grand master. What realm are you talking about above the grand master?"

"I'm not very clear either. Among the relics left behind by Patriarch Dini, it is mentioned that it is Shattered Void, but I'm afraid no one knows what realm it is specifically."

Su Chen walked over and said, rubbing his waist.

"It is the heaven and human realm. The realm after the Grand Master is the land immortal of the heaven and human realm. Shi Feixuan will be promoted to the land immortal of the heaven and human realm. The next step up is the golden elixir realm of the immortal world."

Su Chen was very speechless. He had no strength at all.

He was blown away by Shi Fei Xuan's aura.

A majestic Heavenly Emperor of the Realm.

Su Chen never thought that one day he would be defeated by a great master, oh no, by a Heavenly Emperor. The human realm was blown away.

This is really fucked up

"`.A terrestrial immortal in the heavenly realm?"

Fan Qinghui and Li Xiuning were a little stunned when they heard Su Chen's words.

A terrestrial immortal in the heavenly and human realm?

A god?

Is this the highest realm of martial arts cultivation? The golden elixir realm? The realm after the heavenly and human realm is the golden elixir realm in the immortal world. Isn't Shi Feixuan about to become a cultivator?

Su Chen reminded from the side, "The lifespan of land immortals in the heavenly realm will be very long. Shi Feixuan will have a lifespan of at least three hundred years in the future, and he will stay young forever."

Li Xiuning and Fan Qinghui shook their heads speechlessly. They were shocked too much today. They were shocked by a series of surprises. They were all shocked and numb by the news Su Chen said.

Su Chen looked at Fan Qinghui and Li Xiuning speechlessly. He smiled.

Su Chen said this to envy Fan Qinghui and Li Xiuning. He wanted to see if Fan Qinghui and Li Xiuning would be jealous.

Huh?

Zhu Yuyan and Wanwan directly Entered Mr. Yang's treasury? Why didn't they come over to see him? Well, Zhu Yuyan and Wanwan wouldn't help him rob the Evil Emperor's relics, right?

Su Chen rubbed his chin and thought about it and felt that it was very possible. There was something in Mr. Yang's treasury. Heavenly Sword Song Que and Evil King Shi Zhixuan.

However,

Zhu Yuyan is at the peak of Grandmaster's strength. She can destroy Song Que and Shi Zhixuan by herself.

Su Chen is not worried about this either.

"The evil king Shi Zhixuan will be in trouble. Zhu Yuyan will cut Shi Zhixuan's body into thousands of pieces, and Yang Gong's treasure house will be Shi Zhixuan's tomb."

After Fan Qinghui heard Su Chen's words, she asked Su Chen doubtfully,

"Zhu Yuyan? Su Chen, why do you want to improve Zhu Yuyan's cultivation level?"

"Fan Qinghui, Zhu Yuyan is my woman, why can't I improve her cultivation level?"

Chapter 2710

Su Chen glanced at Fan Qinghui.

She understood what Fan Qinghui meant.

Fan Qinghui and Zhu Yuyan had been fighting for decades. Fan Qinghui would have lost to Zhu Yuyan, but for the help of Ning Daoqi and Jingnian Chanyuan. Cihang Jingzhai and Zhu Yuyan had already destroyed Fan Qinghui and Cihang Jingzhai.

Zhu Yuyan has now advanced to the Grand Master level, while Fan Qinghui is still at the Junior Grand Master level. Su Chen guessed that Fan Qinghui is even more dissatisfied, or even very angry.

Fan Qinghui shouted in surprise,

"woman? You actually.....He actually wanted that witch Zhu Yuyan? Su Chen, don't you know Zhu Yuyan's age? Were you tempted by Zhu Yuyan?"

Li Xiuning's eyes almost popped out when she looked at Su Chen. Zhu Yuyan was at least sixty or seventy years old. Su Chen and Zhu Yuyan were actually together. This was so surprising.

Su Chen stretched out his little finger and said with a smile,

"No, Zhu Yuyan was my woman in her previous life, and I know her age clearly, but does it matter? Zhu Yuyan is older than me now, but what about tens of thousands or hundreds of thousands of years later? Zhu Yuyan is only a little older than me."

Fan Qinghui and Li Xiuning were stunned when they heard Su Chen's words.

Tens of thousands of years?

Hundreds of thousands of years? An immortal cultivator?

Su Chen must be an immortal cultivator, or even an immortal. But why doesn't Su Chen have any strength?

Su Chen He took out a bottle of wine and took a sip and said,

"You don't need to ask, I can tell you that I am an immortal in the immortal world, a very, very powerful immortal. If I even blow a breath, your world will be destroyed."

Su Chen has no need to hide it.

Lingcha, Linghua, and Luoxuejian are all things that shouldn't appear in this world. Even if Su Chen doesn't say it or admit it, even Fan Qinghui and the other girls can guess it..

Fan Qinghui and Li Xiuning both showed expressions that were indeed true. They guessed that Su Chen's identity was either an immortal cultivator or an immortal. However, they were still very surprised when Su Chen admitted it personally.

Fan Qinghui asked with wide eyes,

"You are indeed an immortal, but why don't you have any strength?"

Su Chen replied speechlessly,

"My cultivation realm has been sealed. If I don't seal my cultivation realm, when I come to the mortal world, this world will not be able to bear my breath and will break."(abfg)

Li Xiuning asked,"Su Chen, Changsun Wuchu was also your woman in the previous life?"

"good!"

Su Chen rubbed his forehead and admitted speechlessly, past life?

Bullshit past life.

The Changsun Wuchuan he knew was from another world, and she was a woman who looked different. They just had the same name and some similar development trajectories..Fan

Qinghui asked hurriedly,

"Su Chen, where is Master Fei Xuan?"

"Too!"

"Su Chen, did you come down to earth to take away Shifeixuan and Changsun Wuchu?"

"Not entirely, it depends on whether Shi Feixuan and the other girls are willing to leave the mortal world. I will not force them to leave."

Fan Qinghui breathed a sigh of relief when she heard Su Chen's words.

Shi Feixuan is the future of Cihang Jingzhai. She doesn't want Shi Feixuan to leave the mortal world and go to the fairy world now. It will take decades for Shi Feixuan to go to the fairy world. , at least until Cihang Jingzhai has a new successor.

At this moment,

Shi Feixuan has advanced to the Heavenly Realm, and is the first Heavenly Realm strongman in the world of Double Dragons of the Tang Dynasty.

Changsun Wuchu is still advancing at this moment, and there is no one A woman with a certain level of cultivation, Changsun Wuchu is at the innate level, and she has not stopped advancing.

In Yang Gong's treasure house,

Kou Zhong and the others broke through the traps one after another, and the Jianghu people behind them have already started fighting.

Kou Zhong is facing Song Yu asked,

"There is one last mechanism, we are about to reach the innermost level, Yu Zhi, can your father stop the Jianghu people behind? Song

Yuzhi smiled and replied,

"Kou Zhong, don't worry, I just went to see the great masters Ning Daoqi and Bi Xuan. As long as they are not great masters, my father will definitely block the Jianghu people behind."

"That's good, let's quickly crack the mechanism according to the drawings drawn by my brother."(To read Baoshuang novels, go to Feilu Novel Network!)

Li Shimin looked at Su Chen and said,

"Okay, let's crack the mechanism quickly. I feel something is wrong, as if something is about to happen."

In the passage of Yang Gong's treasure house,

Zhu Yuyan and Wanwan fought their way in, and the people in the Jianghu who tried to stop them were killed one after another.

When Anlong saw Wanwan killing his men, he asked with a gloomy face,

"Queen Yin, why did you also kill our Demon Sect disciples? Don't forget, we are allies"

"Queen Yin, you don't want to swallow the Evil Emperor's relics for yourself, do you?"

"It must be, we kill the Yin Queen first, the Evil Emperor's relics cannot be left to the Yin Queen Zhu Yuyan to keep to herself"

"Don't kill me. I have coveted Zhu Yuyan for a long time. I want to destroy Zhu Yuyan's martial arts and enjoy it."

"Hahaha...., I have also coveted Zhu Yuyan for a long time. Zhu Yuyan is stunningly beautiful and has an alluring figure. I don't think any man would let such a beauty go."

You Fengxiang and Zuo Youxian of the Demon Sect said, and they all showed evil smiles.

No one in the Demon Sect would not want to have Zhu Yuyan, who has an attractive figure and beauty.

They are now gathered in Together, this is the best opportunity to catch Zhu Yuyan.

Zhu Yuyan is alone, no,

Zhu Yuyan's disciple Wanwan is also there.

This is a good thing to buy one, get one free, two beautiful and alluring beauties, they want to catch them Zhu Yuyan and Wanwan had a good time.

Zhu Yuyan looked at Zhao Deyan and the others with an indifferent expression.

They were some bastards who would not spare their lives.

In the past, Zhu Yuyan might have run away immediately, but now, does she have to run away? Zhu Yuyan originally seemed to belong to the same magic sect. She doesn't want to kill all the other sects of the Demon Sect. But now, Zhu Yuyan wants to kill all these bastards who don't want to die, and all other sects of the Demon Sect will also be wiped out.

"Wanwan, kill all the other sect disciples of the Demon Sect"

"Yes, master?"

After Wanwan looked at Zhao Deyan and the others coldly, she quickly took action to kill dozens of disciples in the Demon Sect. Her master knew how to kill Zhao Deyan and the others, and they would be brutally killed.

These little minions,

Wanwan will send them on their way

"Die!"

Zhu Yuyan waved her hands towards Zhao Deyan and the others.

She would make Zhao Deyan and the others die in great pain. Zhu Yuyan would not let them die happily due to the disgusting words these people said.

Boom!

"puff! Cough cough cough...Grandmaster? How can this be? How could Zhu Yuyan be the Grand Master?".
