

Zongwu 271

Chapter 271

Marquis Bai Ruo found out that there were great masters fighting when she went to Xinzheng City, and she wanted to see which great masters were fighting in Hanguo.

When Bai Ruobing came here, she found that the battle was over. Originally, Bai Ruobing didn't want to care about these things. She wanted to solve Bai Yifei's matter as soon as possible, but when she took a look at the people here and was about to leave.

Suddenly she thought of what Su Chen had said to her. Su Chen had said that his army was all in black clothes and black armor, which was somewhat similar to the army of Great Qin, except that the armor on his army was more exquisite and the defense was more perfect.

Bai Ruobing saw that the troops here were also wearing black armor. She wanted to know if these troops were the army of that bastard Su Chen.

Bai Ruobing did not expect that when she took out the blue bird jade pendant that Su Chen gave her, she found that the black armored troops here were all marching towards her. She knelt down on one knee to salute and called herself madam.

This made Marquise Bai Ruobing a little happy when she looked at the blue bird jade pendant. She didn't expect that bastard Su Chen didn't lie to her. This blue bird jade pendant indeed represented her identity as Su Chen's wife, and she could even order Su Chen's works. All legions work for her

"The Nether Guard has met Madam."

At this time, the Nether Guards around King Qin Yingzheng also knelt down and saluted. Although they now belong to Wei Zhuang Liusha, they came from the Nether Iron Cavalry Legion. They are only loyal to Lord Wu Xiang, and Wei Zhuang is just one of their temporary leaders

"Baiyue Tianze met Mrs. Wu Xiangjun."

When Tianze saw the troops and guards kneeling down to salute this powerful woman, he guessed that this woman must be Wu Xiangjun's wife. Tianze also hurriedly bowed to this woman and saluted,

Tianze is now submissive. This time, Mrs. Zi Nu asked him to help Wei Zhuang in Wei Zhuang's quicksand first. After Wei Zhuang's quicksand becomes stronger, Wu Xiang will make other arrangements for him.

Tianze looked at Wu Xiang. Xiangjun's wife was still frightened. He didn't expect Wu Xiangjun's wife to be so powerful. He didn't feel anything just now, but this lady suddenly appeared silently. This shocked Tianze.

""Mrs.

Baidu King and Exorcist Mo, Wushuang Gui saw Tianze saluting this woman, and they also hurriedly saluted the Marquise.

King Qin Yingzheng looked at the cold beauty who appeared and shook his head speechlessly.

He Now we know that this cold beauty should be Su Chen's wife, and she must have come to save him this time.

Although King Qin Yingzheng didn't know the strength of Su Chen's wife, he was frightened when he saw the black and white Xuanjian when this cold beauty appeared. He looked at Su Chen's wife.

King Qin Yingzheng guessed that this cold beauty must be a powerful woman.

King Qin Yingzheng was now a little envious of that bastard Su Chen. Su Chen's women were more beautiful than the other, and they were even more beautiful. Even though he was so powerful, Ying Zheng didn't know how Su Chen managed to deal with those women.

Su Chen's martial arts skills were as scummy as his own, but Su Chen, a bastard, was more trouble-making than himself.

Ying Zheng was also involved in the Sui Dynasty. I heard that Su Chen caused chaos in the Sui Dynasty, and what happened here in the Han Kingdom was all related to that bastard Su Chen.

King Qin Ying Zheng felt that compared to Su Chen, he was a good baby

"Get up, everyone."

The Marquise showed a smile when she saw these people saluting her. These are her lady's men, and they are also her own men.

Now it seems that they are in trouble, and the Grand Master next to them and the others are all She can't handle it. It seems that she will help her future subordinates this time.

""Mrs. Xie,"

Marquis Bai Ruobing looked around at the men in black wearing bamboo hats and asked,

"Were you attacked by these assassins?"

The Thousand Commander of the Netherworld Cavalry Legion hurriedly said to Bai Ruobing,

"Madam, we were ordered to escort the King of Qin back to Da Qin. These are Qin's killers. They want to assassinate the King of Qin this time."

"King Qin?"

Bai Ruobing is a little confused now. That bastard Su Chen didn't tell him that he has a relationship with the King of Qin. But looking at the situation here, Su Chen and these troops are going to escort the young King of Qin back to his country.

Bai Ruobing also thought that that bastard Su Chen was going to leave her. What was Wan Bai Jiajun going to do? Bai Ruobing turned to a young man next to the carriage.

When King Qin Yingzheng saw Mrs. Su Chen looking at him, he took two steps forward and said to Bai Ruobing,

"Madam, I am King Qin Yingzheng. I may need Madam's help this time."

Bai Ruobing's cold face said to King Qin Yingzheng without a trace of emotion,

"King Qin, since you are the person my husband wants to help, I will help you this time"

"Thank you madam."

Wei Zhuang and Gai Nie are relieved now. They guessed from the appearance of this cold beauty that this cold beauty was sent by Su Chen. Otherwise, how could a powerful woman appear so coincidentally at this time.

Ever since this cold beauty took out the Blue Bird Wei Zhuang was completely relieved about the jade pendant. He had seen this blue bird jade pendant before. Wei Zhuang's sister Zinu had such a blue bird jade pendant.

Wei Zhuang looked at this cold beauty and lay down directly and said relaxedly,

"Senior brother, it seems that we will not die today. Gai

Nie also laid down again, holding his stomach and saying with a smile,

"Mr. Wu Xiang, there is indeed an arrangement. This brother-in-law of yours is really not an easy man."

"Maybe, he's just too carefree"

"Xiaozhuang, it seems that each of Wu Xiangjun's wives is more powerful than the other. Take this woman for example, can you beat her?"

Weizhuang looked at Gai Nie with a dark look. Is this his senior brother?

His senior brother would not joke. When this powerful and cold beauty appeared, Black and White Xuanjian looked like he was about to face a powerful enemy. Even Now it looks like Hei Bai Xuanjian is ready to run away.

Can such a powerful woman be able to fight on her own?

Wei Zhuang and Gai Nie have never defeated Hei Bai Xuanjian together, and Hei Bai Xuanjian is afraid when he sees this cold beauty. Look, isn't Gai Nie joking?

Wei Zhuang glanced at Gai Nie and ignored him. Now he wants to recover from his injuries.

At this time, Black and White Xuanjian wants to escape from here.

Black and white Xuanjian is ready to kill When Wei Zhuang and Gai Nie were meeting, they were also frightened by this cold beauty who appeared silently.

Black and white Xuanjian felt a great threat from this cold beauty. This cold beauty was not something he could defeat. This The strength of the cold beauty is much stronger than him.

Black and white Xuanjian now suspects that this cold beauty may be an old monster. She is probably a land fairy in the heaven and human realm.

Black and white Xuanjian now feels that he can no longer stay. Otherwise, he will definitely die in the hands of this cold beauty. When

Black and White Xuanjian saw that the cold beauty was talking to King Qin Ying Zheng, he immediately used Qinggong to escape.

Marquis

Bai Ruobing saw the great master and suddenly fled in one direction. , Bai Ruobing smiled and dodged and kicked Hei Bai Xuanjian back in the air as he was trying to escape. Bai Ruobing suddenly appeared next to Hei Hei Xuanjian and grabbed Hei Hei Xuanjian's neck and said,

"Can you escape while I'm here?"

Clicking in the frightened eyes of Black and White Xuanjian, Marquis Bai Ruobing immediately broke Black and White Xuanjian's neck. From the beginning to the end, Black and White Xuanjian didn't even have a chance to resist. This tyrannical killer was so silent. dead

"I guess, it's too scary, Tianze, I, Old Hu, will never go against Wu Xiangjun again, Wu Xiangjun's woman is too tough."

Chapter 272

Hu Tiehua's heart almost jumped out of his chest when he saw this cold beauty killing Black and White Xuanjian instantly.

Hu Tiehua thought that he was very lucky to be alive now. If he had met Mrs. Su Chen earlier, he might have had his neck broken and died like Black and White Xuanjian.

"Well, I think so too. You must not offend Mr. Wu Xiang in the future."

Tianze is also frightened now. A great master was killed without any resistance. If these people offend Lord Wu Xiang, I am afraid that this cold beauty will destroy them with one palm.

Tianze is very suspicious now. This cold beauty may be a terrestrial deity in the heavenly realm. Are the land gods in the celestial realm some old monsters? Tianze thinks this cold beauty may be hundreds of years old.

Wu Xiangjun is really awesome, He can even handle women who are hundreds of years old. Now if someone says that there is no woman that Wu Xiangjun can't handle, Tianze will believe it.

King Qin Yingzheng also looked at Su Chen's wife with wide eyes. He did not expect that Su Chen His wife is so powerful. What kind of master is Su Chen's wife?

Gai Nie stared at the dead Black and White Xuanjian and was shocked. This Black and White had teased the two brothers and defeated them easily. Xuan Jian died like this? This made Gai Nie feel a little unreal,

"Xiaozhuang, did I read that correctly?"

""No,"

Wei Zhuang said in surprise after taking a breath.

Wei Zhuang was now a little worried about Zi Nu. This cold beauty looked like a murderous woman at first glance.

He saw Mrs. Su Chen breaking the black and white Xuanjian's neck with indifference. With her appearance, you know that this cold beauty must have killed many people.

"Xiaozhuang, this woman is like a land fairy in the realm of heaven and human beings"

"I can see it."

Gai Nie looked at Wei Zhuang with a strange look on his face and asked,"But aren't the land gods in the Heavenly Realm all old monsters?"

Weizhuang's mouth twitched after listening to Gai Nie's words.

He also guessed that this cold beauty must be hundreds of years old, while Wu Xiangjun was only in his twenties. Wei Zhuang couldn't help but want to squeeze Su to death when he thought of this. That bastard Chen.

Su Chen also hooked up with a hundred-year-old woman. If this terrestrial fairy in the heavenly realm is an unscrupulous and vicious woman, I'm afraid Su Chen will be in trouble.

Wei Zhuang is now worried that this woman will dominate Su Chen. Chen, this bastard, would kill all of Su Chen's women. After all, would a terrestrial immortal in the heavenly realm share a husband with other women? This is impossible to say.

After the Marquis Bai Ruobing killed the black and white Xuanjian, she also heard She didn't care about what these people said.

Bai Ruobing also knew that she was much older than Su Chen, but Su Chen didn't mind her age and even liked her very much. This made Bai Ruobing very satisfied with Su Chen.

And Su Chen had told him about those women in advance. If that bastard Su Chen hadn't told her about those women in advance, Bai Ruobing would definitely kill all the women in Su Chen's past.

Now that she knows the existence of those women, Bai Ruobing doesn't plan to Bullying them with her strength.

Bai Ruobing wanted to find some helpers from Su Chen's women. Su Chen's bastard was a bit powerful, but she couldn't deal with him alone.

Boom! Boom! Boom! Boom

Bai Ruobing suddenly saw the people around her. When those Snake Assassins wanted to escape from here, she stretched out her palms to swat the Snake Assassins around her from the air.

Bai Ruobing was just like swatting mosquitoes. She killed all the Snake Assassins here and injured others. Even if some of the slightly more powerful people in the net are not dead, they only have half a life left.

Marquis Bai Ruobing doesn't want to waste time anymore. She has to go to Xinzheng to kill Bai Yifei. Otherwise, if Bai Yifei escapes, Bai Ruobing will still waste time. go find him

"I'm leaving here, and those who are still alive can deal with it on your own."

""Yes, madam."

Hu Tiehua and the others breathed a sigh of relief when they saw Su Chen's wife disappearing. A terrestrial immortal in the heavenly realm was here, but they didn't even dare to take a big breath. Now that Su Chen's wife has left, they These people are much more relaxed

"Kill the Snare Assassins who are still alive."

After Wei Zhuang and Gai Nie helped each other to the side of the carriage, Wei Zhuang looked at the assassins who were still alive and ordered,

"Yes, Sir Wei Zhuang."

When King Qin Yingzheng saw that Wei Zhuang had ordered the execution of those seriously injured Luowang assassins, he thought that Zhenhou was very similar to a person. King Qin Yingzheng wanted to find out if that person was the one he had been looking for. that person

"Wei Zhuang, don't kill that Zhenhou yet. I have something to ask him."

""Okay."

At this time, Su Chen had led 20,000 white-armored troops to the border of Qin and Han. Su Chen discovered from a distance that the Qin army had gathered and was waiting for their arrival.

Su Chen looked at Qin's The army couldn't help but nodded. These armies were indeed powerful. Before he and the Baijia Army reached the border of Qin and Han, the Qin army here discovered them and even assembled troops to prepare for war with them.

Su Chen came with the Baijia Army. When he arrived at the border of Han State, he saw more than 100,000 troops of Qin State standing ready, ready to destroy him and the Baijia Army at any time.

After Su Chen rode a horse to the middle of the confrontation between the two armies, he looked at a white-bearded man opposite him. The old man said loudly,

"General Wang Yi, can you come over and meet me?"

Wang Yi is also brave and talented. He rode over alone without thinking. Wang Yi didn't believe that this young man would take action against him. Wang Yi thought that after all, he was a general of the Qin State, and now the Han State was He was very afraid of the Qin State. Wang Yi believed that even if he borrowed the courage of the Han State General, he would not dare to take action against him.

"Who are you? It seems that you are not here to start a war this time."

Su Chen looked at the mighty General Wang Yi and smiled and said,

"I am just a small character. Of course I am not here to fight a war. I am here to persuade General Wang Yi."

"Oh, you, a little character, are so courageous that you actually came to recruit me for the sake of Han Country?"

Wang Yi pointed his spear at Su Chen and said disdainfully.

Wang Yi still doesn't understand if this young man is here to recruit him? He only guesses that this young man is here to recruit him.

Although Su Chen wanted to recruit Wang Yi now, he knew that Wang Yi was not so easy to surrender. Su Chen could only slowly prepare to deal with Wang Yi.

Su Chen immediately denied it,

"Surrender you? General Wang Yi, I am not here to recruit you to surrender this time. Of course, it is acceptable if you surrender to me."

Wang Yi looked at Su Chen and his army with some disdain and said,

"General Hanguo, your tone is really not small. Do you rely on the 20,000 white-armored troops behind you?"

"Young man, you have to know that I have more than 100,000 Qin troops here. You should take these troops back to the Han Kingdom as soon as possible and don't cause trouble here, otherwise I will destroy you and your 20,000 white-armored troops."

"Really? If your army knew that you were going to assassinate King Qin Ying Zheng, do you think your army would rebel with you?"

Chapter 273

Wang Yi looked at Su Chen in surprise. He was holding a spear in his hand and was about to kill the person who knew his secret.

He also just got the news that King Qin Yingzheng is now in the Han Kingdom, and Wang Yi has already strengthened military patrols on the border between Qin and Han, just to discover that Queen Qin Wang Yi can successfully avenge Bai Qi, Lord Wu'an.

Wang Yi did not expect that his secret would be discovered.

Su Chen was riding on the horse and looked at Wang Yi holding a spear and wanting to kill him, and smiled and said,

"General Wang Yi, do you want to kill me and silence me?"

"Aren't you afraid that I will kill you and silence you?"

Wang Yi is a little confused now. Why is this general from the Han Kingdom not worried at all about killing him? Is this general just an errand? Or does he have a backup plan and is not afraid of him at all?

Su Chen is not afraid of this Wang Yi at all. Su Chen couldn't kill himself, and Wang Yi couldn't kill him. A late-stage congenital Wang Yi couldn't kill him.

Su Chen laughed when he saw Wang Yi's confused look.

"Haha, since I know what you are going to do, I still dare to come to see you. You can't guess that I have a backup plan." After hearing Su Chen's words, Wang Yi knew that this cunning general must have prepared in advance before coming. Seeing that Wang Yi killed this general now, he was afraid that his plan to rob and kill King Qin Yingzheng would be leaked.

Wang Yi looked ugly and said to Su Chen,

"How can you keep this secret?"

Su Chen saw that Wang Yi was a little submissive now and said to him seriously,

"Wang Yi, I think it is wrong for you to ask King Qin Yingzheng to avenge Wu'an Lord Bai Qi. Wu'an Lord Bai Qi was not ordered to be executed by King Qin Zhaoxiang. Your revenge killing has no meaning at all."

Wang Yi was very angry when he pointed a spear at Su Chen.

He wanted to avenge Bai Qi, Lord Wu'an. He had been waiting for more than ten years. This time King Qin Yingzheng secretly returned to Qin from Han State. This was the best time for him to kill King Qin. The timing.

But this bastard actually told himself that King Wu An was not ordered to be executed by King Qin Zhaoxiang. Does this bastard really think that he is an idiot?

"It's impossible. Bai Qi, Lord Wu'an, was ordered to be executed by King Qin Zhaoxiang. This was admitted by him personally."

Su Chen also had some admiration for the sixth king of the Qin State.

The emergence of six wise kings in the Qin State turned the Qin State from a groom who raised horses into a powerful country that frightened the six countries of the Central Plains. This may be God's will. Qin unified the Eastern Continent.

Su Chen admired King Qin Zhaoxiang even more. King Qin Zhaoxiang can be said to have paved the way for Yingzheng. The strengthening of Qin also began during the period of King Qin Zhaoxiang.

Judging from the events of King Wu'an Baiqi, King Qin Zhaoxiang For the sake of the Qin State, he would rather bear infamy than preserve the undefeated myth of Wu Anjun Bai Qi.

Su Chen looked at Wang Yi and felt a little funny for his ignorance.

Wang Yi was a man and general who valued love and righteousness. He may not know anything about politics, and he has not fully understood the murder of Wu Xiangjun Bai Qi.

"Haha, Wang Yi, that's because King Qin Zhaoxiang admitted that Bai Qi, the king of Wu'an, was killed by him in order to preserve the face of Lord Wu'an of Qin State."

"Wu'an Jun Bai Qi was killed by the six elders of the farm with the combined efforts of the twenty-four formations of Dize. You must also know the appearance of the nine-star leaf grass at that time. I don't need to say what the nine-star leaf grass represents. Six masters The master used the twenty-four formations of Dize to kill the great master Bai Qi. These are the facts of that year."

Wang Yi shook his head and said a little crazy,

"How can it be? Did I blame King Qin Zhaoxiang wrongly? Did I blame King Qin Zhaoxiang wrongly?"

Wang Yi is now having a hard time accepting what Su Chen said. He also knows that a nine-star leaf grass was left at the place where Wu'an Jun Bai Qi was killed.

Wang Yi also knows what the nine-star leaf grass represents. At that time, he thought that farmers did not He didn't have the strength to kill Wu Anjun.

Now Wang Yi heard that the sixth elder of the farmer's family had used the Twenty-Four Dize Formation to kill Wu Anjun, which he couldn't accept.

Su Chen looked at Wang Yi's crazy look and drank,

"Wang Yi, it took the sixth generation of Qin Fen to make the Qin State so powerful. If Bai Qi, Lord Wu'an, had not died at that time, have you ever thought that there would still be a Zhao State now?"

"Are the other six countries in the Central Plains willing to see Qin destroy Zhao?"

"If the six elders of the peasant family did not have the support of the other six countries, would they dare to kill the general of Qin?"

"It's not that King Qin Zhaoxiang didn't want to avenge Lord Wu'an, but you have to know that the six countries of the Central Plains were not something that Qin could deal with at that time. Even if Qin made a move to retaliate, it would cause the six countries to join forces and attack Qin."

"King Qin Zhaoxiang had no choice but to make such a decision. This not only preserved the reputation of Lord Wu Xiang Bai Qi, but also prevented the six countries from joining forces to attack Qin."

"It's just that King Qin Zhaoxiang was charged with murdering Wu'an Lord Bai Qi. The sixth king of Qin was indeed a wise king."

Wang Yi looked at Su Chen calmly now. Now he knew the truth of the matter, but he didn't understand why the general of Han State told him this. Could it be that this general of Han State was bribed by King Qin Yingzheng

? It's not right here. This young general doesn't look like a good person. It's impossible for King Qin Yingzheng to start buying off the generals of Han State now. After all, King Qin hasn't crowned himself as the official ruler yet, so he doesn't have any power now.

Wang Yi sees Su Chen, who was smiling, asked doubtfully,

"Who are you? Why do you want to help King Qin Yingzheng?"

Su Chen pretended to be a good person and said to Wang Yi,

"I? I'm just a kind-hearted person. I just don't want to see your Qin country killing each other, so I tell you this kindly."

Wang Yi looked at this bastard and wanted to stab him to death.

Wang Yi didn't believe everything this bastard general said. This bastard general must have done something for him.

Wang Yi also knew that Wu'an Jun Bai Qi Because of the cause of his death, he would not kill Qin King Ying Zheng again, but Wang Yi couldn't understand this general of the Han Kingdom.

Wang Yi pointed his spear at Su Chen and asked him sternly,

"How can you, a general from the Han Kingdom, be so kind? Say, what is your conspiracy?"

"Let me guess, old bastard Wang, do you think you can sit back and relax now that you don't want to rob and kill Qin King Ying Zheng?"

"You have something in my hands. If you are rude to me again, I will let people spread these things. When the time comes, I think King Qin Yingzheng will definitely punish your nine tribes."

"Damn it, how dare you threaten me?"

"Why don't I dare? old....mix....Egg."

Wang Yi has nothing to do with this bastard general, and he is very helpless with this bastard general now.

Wang Yi now has this handle in the hands of this bastard general. If he reveals what he is going to do this time, I am afraid that his family will be in trouble. The whole family would be executed.

Wang Yi subdued and asked Su Chen,

"What do you want me to do to keep this secret? I know that you came to stop me this time to help King Qin Yingzheng. I don't care what your relationship is with King Qin Yingzheng, but I will never agree to some of your unreasonable requests."

Su Chen looked at Wang Yi and said seriously,

"I want you to fully support King Qin's crowning and pro-government this time. Your 140,000 troops here must be ready to support King Qin Yingzheng to suppress the rebels."

Wang Yi looked at Su Chen in surprise. This general of the Han Kingdom must be a fake. He paved the way for Qin Wang Yingzheng.

Who is this bastard? Why did he do this?

"Who are you?"

"I? Lord Wu'an of the Great Qin Dynasty, cough, no, I am Lord Wu Xiang of the Great Song Dynasty."

Chapter 274

In the Qin army's camp on the border of Qin and Han, Su Chen sent 20,000 white-armed troops back to Baijiapu. He and the old bastard Wang Yi came to his camp. Now Su Chen and Wang Yi Having made it clear, Wang Yi also promised to do his best to help King Qin.

Wang Yi took a glass of wine and drank a glass of wine and asked Su Chen doubtfully,

"Mr. Wu Xiang, you bastard, since you have formed an alliance with the King of Qin, why do you command the white-armored army of the Bloody Marquis of Han Kingdom?"

Su Chen is also a little speechless now about this Wang Yi.

Since Wang Yi knew the real reason for Wu Anjun's murder, his knot has been untied. Now this old bastard wants to inquire about his own affairs. Su Chen will not do that. Tell him that Bai Jiajun will be named Su from now on.

"Old bastard, you don't need to know this, you just need to know that the White Armor Army will be my army from now on."

Wang Yi looked at Su Chen and shook his head. This bastard is a bit slippery. I wonder if King Qin and Lord Wu Xiang will conflict in the future?

"Alas, I'm old, I didn't expect that a person like you, who doesn't look like much, would be able to With such courage, aren't you afraid that I will kill you when you come to the Qin Army camp with me?"

Su Chen immediately stood up and pointed at Wang Yi and threatened,

"Old bastard, I am ambushing hundreds of thousands of troops outside your Qin Army camp. As long as I give the order, your Qin Army camp here will be breached immediately."

Su Chen knew that this old bastard was joking with him. Su Chen also wanted to scare this old bastard, otherwise this old bastard would keep asking about the White Armored Army.

"If you don't tell lies, will you die?"

"If you don't threaten me, will you die?"

"Haha, Mr. Wu Xiang, you are a bit angry with me."

"Yes, I don't want to be angry with you. I only like beauties. I want to bring all the beauties in the world into my room."

"Bah, shameless person"

"Haha, that's your fault. If you were thirty years younger, you might be even sexier than me."

"I can not make it? I'm getting older and stronger now, how could I not be able to?"

"oh....."

"Damn you, by the way, Mr. Wu Xiang, there is a Xiaoxiang Valley not far from here. It is said that a beautiful woman lives in it, but everyone who sees this beautiful woman has died. If you are not afraid of death, you can go have a look."

Wang Yi was speechless for this bastard Su Chen.

Wang Yi suddenly remembered the weird Xiaoxiang Valley not far away. He had sent some soldiers to check that Xiaoxiang Valley just to see if there was really a beautiful woman in the Xiaoxiang Valley..

It's just that his soldiers never came out after entering. Even several groups of soldiers entered and didn't come out. Now Wang Yi wants to see if this bastard really likes beautiful women.

"Xiaoxiang Valley?"

Su Chen looked at Wang Yi with some surprise and asked.

Su Chen didn't expect that Xiaoxiang Valley was nearby. There was Queen E of the Yin Yang family in Xiaoxiang Valley. These two twin sisters, Su Chen wanted to meet. Okay.

Seeing Su Chen's surprised look, Wang Yi smiled and said,

"Well, several groups of my soldiers have disappeared there. If you are afraid, don't go."

"Go, I'll go take a look."

Su Chen immediately stood up and prepared to go to Xiaoxiang Valley to visit. He didn't want to wait any longer now.

"Wait, you can't go. I'm just kidding. Mr. Wu Xiang, you can't go to the Xiaoxiang Valley. What I just said is nonsense. There is nothing in the Xiaoxiang Valley. If you like beauties, I can give you some. In the Xiaoxiang Valley, you No need to go."

Wang Yi immediately grabbed Su Chen and refused to let him go.

Wang Yi just wanted to test whether this bastard really liked beautiful women. He didn't expect that this bastard actually wanted to go to Xiaoxiang Valley.

But Wang Yi knew that in Xiaoxiang Valley It's very strange. If Su Chen goes in, he might die inside. This is not what Wang Yi wants to see.

Wang Yi has a good impression of Su Chen, Lord Wu Xiang. Besides, they are also from King Qin's faction now. Wang Yi doesn't want Su Chen. Chen went in to die.

Su Chen smiled, patted Wang Yi on the shoulder and continued walking, saying,

"Haha, old bastard, I'm going to make a reservation this time. You wait here for King Qin and the others to arrive. I'm afraid they will come to you tomorrow. Don't tell King Qin that I went to Xiaoxiang Valley."

Wang Yi is a little anxious now. This bastard is desperate for his life. He has made it clear to him that this bastard is still going to die.

The Xiaoxiang Valley is really inaccessible. Wang Yi is now His head was sweating. If Wu Xiangjun really died inside, I'm afraid Wang Yi would be the one to blame.

"Mr. Wu Xiang, don't be angry.....Damn it, this bastard actually went there."

Wang Yi was about to grab Su Chen and force him to stay, but before he could grab this bastard, Su Chen disappeared. Wang Yi knew that that bastard Su Chen had really gone to Xiaoxiang Valley, which made Wang Yi now He was so angry that he wanted to strangle that bastard to death.

In front of Xiaoxiang Valley

, Su Chen was a little curious when he looked at the beautiful Xiaoxiang Valley. Queen E didn't live in Yin Yang's house, but actually lived here in Xiaoxiang Valley. Why?

Is it to escape ? That Xiangjun? Now I don't know if Ehuang Nvyang has anything to do with Xiangjun? And is that Ehuang dead?

Su Chen thought about it and stepped into the Xiaoxiang Valley. When Su Chen entered the Xiaoxiang Valley, he suddenly discovered It seemed that he had entered a formation. Su Chen looked at Yu Zhu here and was a little speechless.

Su Chen didn't want to continue leaving. Anyway, he didn't know how to break the formation. His own mental power could not be used in this formation. The message couldn't be spread.

Su Chen sat on a stone and screamed,

"Ehuang Nvyang, come out quickly, I am Dongjun of the Yin and Yang family."

"Princess Ehuang, I order you to come out immediately"

"Let me know, Ehuang Nuying, I know you are observing me, come out quickly, otherwise I will let Donghuang Taiyi punish you."

"Two beauties, aren't you at home today? If you're not there, just say something and I'll come back tomorrow."

Su Chen called for a while but didn't see anyone come out. Isn't Ehuang Nvying in Xiaoxiang Valley today?

It's his fault. If Ehuang Nvying is not in Xiaoxiang today, wouldn't it be that he came here in vain? He seems to be here now He couldn't get out either.

Su Chen looked at some of the bones around him, and he knew that those who broke into the Xiaoxiang Valley might have died in this formation. I'm afraid they either starved to death or died of thirst, but he seemed to Don't worry about this. There is a lot of water and food in Su Chen's system space. Even if he is trapped here for a month, Su Chen will not die of hunger or thirst.

And at this time, outside this Xiaoxiang Valley formation, Two identical beauties wearing pink dresses looked at Su Chen in the formation and laughed.

"Haha, sister, this bastard is a bit funny. How can we respond to him if we are not in Xiaoxiang Valley?"

"Sister, who is this person? How did he know that we were Ehuang's female heroes? Do you even know Dongjun and Lord Donghuang? Couldn't he also be someone sent by Xiangjun?"

Chapter 275

In Xiaoxiang Valley, Ehuang Nvying looked at Su Chen who was trapped by the formation. She was a little funny. This bastard was not afraid of being trapped. He was still talking nonsense. This made Ehuang Nvying a little interested in this bastard.

"Sister, this bastard should not be someone sent by Xiang Jun. Those who came to Xiaoxiang Valley before looked scared, but this bastard is not afraid at all. Well, sister, look, this bastard is actually in the formation Fari started eating and drinking"

"This bastard even brought food in. Sister, I'm afraid this bastard won't die in a few days. How about we kill him? We can't take risks. If this person is really sent by Xiangjun, Xiaoxiang Valley will not be safe in the future."

Ehuang doesn't want to take risks. Xiang Jun has been trying to trick her sister. The Supreme Goodness Ruoshui cultivated by Nu Ying can be combined with the Emperor Tian Hou Tu cultivated by Xiang Jun. Xiang Jun has always wanted to practice dual cultivation with his sister Nu Ying.

They are also the same. They didn't want to be harassed by that old man, Xiangjun, so they secretly came to Xiaoxiang to live in seclusion.

They didn't know how Xiangjun got the news and they lived in seclusion in Xiaoxiang Valley, where Xiangjun sent many people to find out about their sisters.

If it weren't for the formation that Donghuang Taiyi had set up here in Xiaoxiang Valley, I'm afraid that old man would have broken in long ago.

"My two wives, Ehuang and Nüying, I am your future husband. Donghuang Taiyi promised to marry your sisters to me. Come out quickly and let me see you. If you are not beautiful, I will not agree to Donghuang Taiyi to marry you.."

Nvying was about to persuade her sister not to kill this bastard who was talking nonsense, but before she could persuade General Ehuang, she heard the bastard's nonsense. This time the bastard actually insulted their innocence, which made her Nuying couldn't help but want to kill this bastard.

Nuying stood up immediately with a cold face and said to Ehuang, "Damn it, sister, let's go and kill that bastard.""

"Um! This bastard deserves to be killed."

Huang E also had a cold face now. She didn't expect this bastard to say that. They couldn't do anything to the old man Xiangjun, but they could hit and kill this bastard who was born at the peak of their abilities.

Su Chen Leaning on the stone, drinking wine and eating some side dishes he took out from the system space, he looked around leisurely. From time to time, Su Chen would shout a few words to the people around him.

Su Chen also hoped that Ehuang Nvying could be in Xiaoxiang In the valley, he doesn't want to be trapped here for a long time. If he is trapped for ten days and a half, he may miss Ying Zheng's crowning as the new president.

When Su Chen was thinking about how to leave here, suddenly these rains The bamboo array began to change. Before Su Chen had time to observe the surroundings, Su Chen found that he had been held hostage. Su Chen turned around and saw Ehuang Nvying and the others controlling his left and right hands with cold faces.

"Damn it, you are at home, Ehuang Nuying, take me out of this formation quickly. Although the environment here is good, I still want to sit in your bamboo house."

Su Chen looked at Ehuang Nvying and found that they were really beautiful. Ehuang Nvying and the others were staring at him with cold faces. Su Chen looked at the identical Ehuang Nvying and smiled.

Su Chen looked at Ehuang Nvying. Huang and Nvying are like looking at themselves in the mirror. Ehuang and Nvying look so much alike. They have the same clothes, the same headdress, the same figure, the same face, and the same size.....cough! cough! cough!

"Do you still want to go to our bamboo house? Wait, how do you know we have bamboo?.....Damn it, you still dare to look at us lewdly, are you really not afraid of death?"

Nüying said to Su Chen angrily.

Before Nüying could finish her words, she noticed that this bastard was looking at her and her sister Ehuang with lustful eyes. This made Nüying want to gouge out this bastard's eyes.

Hong'ehuang She slapped Su Chen directly with her palm.

When this bastard looked at them with lustful eyes, she wanted to teach this bastard a lesson. If she hadn't asked this bastard something, Ehuang would have killed this bastard with one palm. When

Nuying saw Ehuang slapping his palm, she hurriedly checked to see if the bastard was dead. However, she checked around and found no trace of the bastard, which made Nuying a little confused.

"Sister, where is the person? There won't be any bones left, right?"

Ehuang carefully observed her surroundings with a solemn expression. She didn't want to kill that bastard just now. Ehuang would not kill him so happily before she knew whether the bastard was from Xiangjun's faction.

"Impossible, I just used the third level of skills. Even if the bastard was hit by me, he would only be slightly injured. The bastard must have avoided it. Sister, you have to be more careful."

"I know."

Just when Ehuang Nvyng was looking for Su Chen, Su Chen hid in a tree and looked at Ehuang Nvyng speechlessly. Why are women in this mixed martial arts world so irritable.

Fortunately, he had been carefully guarding Ehuang Nvyng. Ying, otherwise I am afraid that I will fall into their hands this time.

When Su Chen saw that they were about to search here, he immediately teleported to the place where they had just searched. Su Chen wanted to follow Princess E this time. After leaving, Su Chen decided to teach Ehuang Nvyng a lesson.

Nvyng searched for a while and then asked in confusion,

"Sister, why can't I find that bastard?"

Ehuang carefully looked around and said to Nuying,

"I didn't find that bastard either, but how is this possible? After our improvements, this formation is much more powerful than before. That bastard will definitely not be able to escape."

Ehuang thought of Su Chen's silent disappearance just now, and her master's cultivation realm was not noticed. Su Chen was an innate peak cultivation realm. Ehuang was absolutely not wrong. Could it be that the bastard just now was hiding? Cultivation realm?

Ehuang is a little nervous now.

If Su Chen hides his cultivation realm, then his strength is either at the same level as theirs, or his cultivation level is higher than theirs, maybe even greater than theirs. At the master's cultivation level,

Ehuang and Nuying checked the Yuzhu Formation but did not find Su Chen. They looked at each other and left the Yuzhu Formation. Now they can only check outside the formation. Is that bastard still in the Yuzhu Formation?

Nvyng controlled the Yuzhu Formation and looked around but couldn't find the bastard, so she angrily said to Ehuang,

"Sister, there is no one in the formation, that person may have escaped."

Ehuang is a little uneasy now. She feels that something will happen soon. It must be related to the person just now.

"Maybe, Nvyng, we have to be more careful these days. The person just now is definitely not simple. I suspect that he is definitely not an innate peak cultivation realm. He may have hidden his cultivation realm."

"Damn it, tell that bastard to run away, sister, that bastard must not have hidden his cultivation level, otherwise he would not be able to escape."

While Ehuang Nvyng and the others were talking outside the formation, Su Chen had already arrived at Ehuang Nvyng's residence.

Su Chen visited Ehuang Nvyng's residence and felt that this place was really good, but it was far away from his aunt. Su City is a bit far away. If this bamboo house is not far from Su City, then this bamboo house and the environment here would be a good place to relax.

"Huh? There is actually a hot spring here. Let's take a bath here first. Ehuang Nvying and the others must be still looking for her, and they definitely didn't expect that they would take a bath here."

Chapter 276

While Su Chen was enjoying the hot springs with peace of mind, Ehuang Nvying and the others were sitting in the room feeling a little worried. The bastard just escaped from the Yuzhu Formation, and now they don't know where he is hiding. If that bastard lives in their house, Here in the bamboo house, I'm afraid they don't even dare to rest.

E Huang gently touched Nu Ying's hair and said comfortingly,

"Forget it, sister, I went to the hot spring. That person must have escaped. We checked here several times and couldn't find him. She must not be here with us."

"Okay, sister, you go ahead and I'll check it again."Nüying nodded to Ehuang and said,

Nüying was very worried about that bastard. She decided to look for that bastard again. If he didn't find it this time, Nüying knew that the bastard must have left. She wanted to Killing that bastard will definitely not work as you wish.

"Well, send me a signal if something happens"

"knew."

Ehuang left the room and walked towards the hot spring. Now Ehuang's practice of Bailu Qishuang has reached the most critical moment. If her technique can break through this time, then her cultivation level can reach the peak of a master.

Even if Xiangjun comes in the future, she doesn't have to worry about her sister being captured by Xiangjun. With her and her sister's strength, Xiangjun will definitely not be their opponent in the future. When

E Huang came to the hot spring, he took off his clothes and entered the hot spring. Soaking in the hot spring with peace of mind while running the exercises to practice her Bailu Qishuang

"Today I will break through to the peak of Grandmaster in one fell swoop, so that I can protect my sister Nuying well in the future."

At this time, Su Chen stared at Ehuang not far away.

Su Chen didn't expect that Ehuang would come here today. It was over this time. Su Chen's clothes were still next to the hot spring, and over there there was Ehuang was very active.

Now Su Chen didn't even dare to breathe, because he was afraid that Ehuang would find out that he was here.

In this way, Ehuang and Su Chen were soaking in the hot spring alone.

At this time, Xiaoxiang Outside the valley, a middle-aged man wearing a cuckold appeared here. He looked at Xiaoxiang Valley and frowned. He had been here many times, and he even arrested some ordinary people to go in, but those He didn't appear again after he entered. He didn't dare to go in directly at that time.

"Ehuang Nuying, you are destined to be the women of my Lord Xiang. If it weren't for the formation arranged by Lord Donghuang in Xiaoxiang Valley, you would have practiced with me long ago. This time I got the order from Lord Donghuang, and this time I also got the entry and exit of this formation from Master Donghuang."

This person is the old Xiangjun Shun, the minister of earth and soil of the Yin and Yang family. Xiangjun has now reached the pinnacle of master cultivation. If he wants to break through to the great master, then his emperor's earth and queen's earth must merge with Nvying's supreme good like water, otherwise he will be It is impossible to break through the realm of cultivation of the great master.

This is why the earth minister has always been in a husband-and-wife relationship with the water minister. It's just that this generation of water minister is a pair of twin sisters, and these sisters are also a pair of very beautiful women.

Xiangjun has been coveting the Nvying of Ehuang for many years, but he has never been able to figure out which of them is Ehuang and who is the Nvying.

Xiangjun's cultivation method must first be practiced with the Nvying who is as good as water. If he finds it first If he is Ehuang who practices Bailu Jishuang, then his cultivation will fall directly below the master level, and he will not be able to advance to the master level even in future cultivation.

Therefore, he did not immediately start training with Nuying, as long as he and Nuying have both practiced , Mr. Xiang no longer has to worry about Ehuang's Bai Lu deceiving him. By then, these two beautiful twins will be his own.

Mr. Xiang laughed lewdly outside the Xiaoxiang Valley for a while and then stepped directly into the Xiaoxiang Valley.

At this time, the female Ying was still looking for that bastard in Xiaoxiang Valley, and Nvying kept nagging her face red,

"Damn bastard, did he really run away? Alas, I finally met an interesting person, and now he has escaped. It seems that the sisters will continue to depend on each other in Xiaoxiang Valley."

In the hot spring, Su Chen's face was red now. He looked ugly when he saw Ehuang practicing naked in the hot spring.

He would definitely be exposed this time. Even if he teleported away, his clothes were Still here.

If Ehuang discovers his clothes later, if he goes to Yinyang's house with Concubine Yan in the future, he will definitely be recognized by Ehuang. Just when

Su Chen couldn't help it, suddenly outside There was a loud noise, and when Ehuang heard the sound, she immediately wanted to get out of the hot spring.

Just when Ehuang walked to the hot spring and was about to go ashore, she suddenly found the clothes beside the hot spring, and Ehuang's face turned red instantly..

She hurriedly put on her clothes and looked towards the deepest part of the hot spring. Through the white mist coming out of the hot spring, Ehuang discovered the bastard waving to her.

Ehuang looked at the bastard soaking in the hot spring with his upper body exposed, and Ehuang He was so ashamed and angry that he wanted to kill this bastard who looked at his body.

Su Chen was a little embarrassed now. When he saw Ehuang seeing his clothes, he knew that this time was over. He didn't know how Ehuang was going to treat him.

Su Chen saw Ehuang looking towards him, and he waved his hand to Ehuang in embarrassment. Just when

Ehuang was about to kill this bastard, he heard another loud noise, and Ehuang was a little worried. When he looked outside, he glared at Su Chen and left quickly.

"Huh, it was so risky, but it was worth it this time. I didn't expect E Huang to have such a good figure."

Su Chen hurriedly came out of the hot spring and was about to put on his clothes and leave.

"Let me go. Where are my clothes? Emperor E? Could it be that Ehuang took away his clothes? Is she worried about escaping?"

Su Chen shook his head and didn't think about these things. Su Chen took out a new set of clothes from the system space, put them on and prepared to leave. This time he also met Ehuang Nvyang, and even saw a good scenery. I hope Ehuang Don't hate yourself.

When Su Chen came out of the hot spring, he heard the sound of fighting in the bamboo house. This made Su Chen a little strange. It was not easy to break into that formation. So who was this person who broke in? It couldn't be Is that Xiangjun coming?

Su Chen thought about it and decided to go and have a look. If that Xiangjun came, then Ehuang and Nvyang would be in trouble.

Su Chen didn't want anything to happen to Ehuang, Nvyang and the others, especially Ehuang, they have a skin-to-skin relationship after all, well! They should be considered to have a skin-to-skin relationship in the hot spring, right?

In front of the bamboo house, Xiangjun looked at Ehuang Nvying with a look of color and said threateningly,

"Ehuang Nuying, you are destined to be the women of my Lord Xiang. This time I have come to marry you on the orders of Lord Donghuang. You'd better not be obsessed with it."

"Mr. Xiang, you old and ugly man, don't have such wishful thinking. Our sisters will not marry you even if they marry the bastard from before. Even if it is the order of Mr. Donghuang, we will not obey it."

Chapter 277

Nvying looked at this disgusting Xiangjun and scolded her unceremoniously. This Xiangjun has been trying to trick her. If her sister Ehuang hadn't been exchanging identities with her, I'm afraid she would have been captured by this disgusting Xiangjun. I forced myself to practice double cultivation with him.

E Huang blushed a little after hearing Nv Ying's words. That bastard had seen him naked at the hot spring. Now Nv Ying is still saying this, is it possible that she and that bastard are destined to be together? The Yin Yang family has always been looking for fate, so they won't have a fate with that bastard, right?

"Are you Ehuang or Nvying?"

"Guess for yourself"

"Damn it, I'll catch you first this time, I don't believe I can't tell who you are?"

"emperor empress soil"

"When Nv Ying saw Xiang Jun take action, she also directly attacked Xiang Jun, but she used Shangshan Ruoshui but said "Bailu Qishuang". This was what their sisters called them on purpose, which could prevent Xiang Jun from finding out. Which of them is the Ehuang and who is the female hero?

""The best is like water."

Ehuang also called Nvyng's skill name and used her Bailu to attack Xiangjun. After she attacked Xiangjun, Ehuang quickly destroyed Nvyng and moved her position back and forth to continue to confuse this disgusting Xiang. Jun.

Boom! Boom! Boom

The powerful impact of the battle between Ehuang Nvyng and Xiang Jun shook the bamboo house to pieces, and the surrounding bamboo forest was also overturned by the impact.

Su Chen looked at Xiaoxiang from a distance. The valley was badly damaged and she frowned. This place was a nice place. Now that it has been destroyed like this, I am afraid that this place will be abandoned in the future. When

Nvyng appeared behind Xiangjun, she kicked him in the back. Back, but Xiangjun seemed to be on guard. He repelled Empress E in front of him and quickly used Qinggong to avoid Nvyng's attack.

But at this time, Nvyng's attack did not work. The bastard Xiangjun now moved towards him after dodging. Attacking, she panicked and hurriedly pushed Xiangjun back with a palm, but her cultivation level was lower than Xiangjun. Xiangjun did not dodge this time and stretched out his palm to fight with Nuyng. Nuyng directly hit her She was knocked away by Xiangjun, and the direction in which Nuyng was hit was the direction where Su Chen was hiding.

Su Chen was a little confused when he saw Nuyng who was hit by Xiangjun.

Su Chen quickly thought that he was To catch Nvyng or not to catch Nvyng?

""Sister"

Emperor E was a little worried when she saw Nvyng being beaten out by Xiangjun, but she still had the sense not to call her sister. If she called Nvyng sister now, I'm afraid Xiangjun would immediately guess who their sisters were. Boom!

Boom! Boom!

Ehuang continued to attack Xiangjun fiercely. Ehuang continued to gather his true energy and hit Xiangjun with a palm. Ehuang waved his palm like a cannonball at the place where Xiangjun was hiding. Exploded.

But at this time, Su Chen still couldn't help but save this beautiful female Ying. This was an easy advantage. Su Chen would not waste this opportunity. If he wasted this close contact with the female Ying, then he is an idiot.

Su Chen teleported directly to Nuying and hugged Nuying who was about to fall to the ground and said with a smile,

"Beauty, are you so moved by my rescue that you want to marry me?"

"It's you? You bastard didn't leave?"

Nvying looked at the person who saved her in surprise. She didn't expect that the person she was looking for actually didn't leave, and even saved her this time. It's just that Nvying felt that this bastard was hugging her and not holding her. To be honest, she immediately got down from Su Chen's arms with a red face and glared at this bastard.

Su Chen looked at Nv Ying with some embarrassment. Su Chen had just measured the difference between her and Ehuang. After his feelings, Nv Ying and E Huang Ehuang was basically the same.

When Su Chen saw Nuying glared at him and got out of his arms, he pretended to cough and said,

"Ahem, beauty, is now the time to talk about this? You two sisters are facing a powerful enemy individually. Why don't you go and save your sister?"

Nvying grabbed the clothes on Su Chen's chest in surprise and said,

"You can actually recognize our sisters, you bastard, don't leave, I'll find you later."

Nvying didn't expect that this bastard could actually tell who the two sisters were. This surprised Nvying, but now her sister is still insisting on fighting Xiangjun, and she also knows that now is not the time to settle accounts with this bastard.

Xiangjun laughed after repelling Ehuang. He could defeat Ehuang's female maiden before he even exerted his full strength. However, he could not let them escape this time.

"Haha, you are no match for me, I will definitely get you this time."

Ehuang said fiercely with blood flowing from the corner of his mouth, "Don't even think about it, even if we die here, you won't let you catch our sisters."

"Haha, if you want to die, you can't die in my hands even if you want to."

"Sister, this time we will kill this Xiangjun. If we cannot kill him, we will die together."

The female heroes flew to Ehuang and did not hide their identities. Now there is no need to hide their identities. This time, either they will die or Lord Xiang will die.

"Female hero?"

Nüying looked at Ehuang and nodded resolutely. If Nüying doesn't want to hide anymore, this disgusting Xiangjun is pestering them like flies. It won't be easy for them to continue hiding like this.

Nüying Now they just hope that the bastard next to them can help their sisters kill this Xiangjun.

"Sister, I'm afraid we won't be able to avoid it this time. Xiangjun is at the peak of his strength as a grandmaster, and we are only in the late stages of the master's stage. His Emperor Heavenly Empress Earth can also restrain our skills."

"This time we have help, sister, look over there, that bastard didn't escape just now. He saved me this time. I believe he can save us. Even if he doesn't save us, we can't fall into Hunan even if we die. In your hands."

Ehuang also discovered Su Chen's bastard. She looked at Su Chen and felt a little blushing. Ehuang decided that if this bastard helped their sisters kill Xiang Jun, she would no longer pursue the matter in the hot spring.

This At that time, Xiangjun also discovered Su Chen, but he looked at this scumbag who was only in the Xiantian realm and said rudely,

"Um? Who are you? This is the Xiaoxiang Valley of our Yin Yang family. Please leave quickly if you are wise enough?"

Su Chen looked at the cuckold Xiang Jun and smiled strangely and said,

"Cuckold man, this doesn't seem to be your home, right? I don't need your cuckold's permission to come here, right?"

Su Chen thought that no wonder Xiang Jun was wearing a cuckold. He must have cuckolded Xiang Jun in the hot spring just now, and he must have cuckolded Xiang Jun when he hugged Nv Ying just now. He had cuckolded Xiang Jun twice in a row. The cuckold should be even greener now, right?

"Cuckold? Damn it, I am Lao Xiangjun, the earth minister of the Yin Yang family. Are you going to leave, you damn boy?"

Xiangjun was very angry when he saw this bastard calling him a cuckold.

Although he didn't know what cuckold meant, when he saw the bastard's expression, Xiangjun knew that the cuckold was definitely not praising his hat.

"This is my wife's place, why should I leave? If you want to leave, you should leave, cuckold, male."

Chapter 278

Su Chen instantly appeared among Ehuang Nvyang and the others, hugged them and said to Xiangjun with a smile. Su Chen not only wanted to make the cuckold Xiangjun angry this time, he also wanted to take the opportunity to tease Ehuang Nvyang.

"Don't hide. If you want to kill this Xiangjun, you must listen to me."

Ehuang Nvying and the others were about to run away when Su Chen hugged them, but after this bastard whispered to them, the sisters blushed and stopped hiding. They were all uncomfortable being held by this bastard.

Ehuang's heartbeat was now beating. It was very powerful. After this bastard said that she and her sister were his wives, Ehuang felt that she was not angry with this bastard this time, which made Ehuang a little at a loss. Nvying was generously treated by this bastard. Hug the bastard. If they can't kill Xiangjun this time, I'm afraid they will all die here. Although this bastard is not a good person, as long as he can save her and her sister this time, letting this bastard hug him will be considered as compensation.

Xiangjun is now He was so angry that Ehuang Nvying and the others actually had husbands, which meant that Ehuang Nvying and the others were now married. Xiangjun thought that if he caught Ehuang Nvying to carry out dual cultivation, the effect would not be that good, or even not at all. It had no effect. This made Xiangjun so angry that he wanted to kill both Nvying and this man to vent his hatred.

"Damn you guys.....Are you actually together? I said why are you hiding here? It turns out you found a pretty boy."

"Ehuang Nvying, you have ruined my future. Not only will I not kill you this time, I will capture you and destroy your martial arts."

"I will capture you and make you my slaves, I will torture you day and night, and I will cut this pretty boy into pieces today."

Su Chen said disdainfully when he heard Xiang Jun's angry threat, "Everyone can talk big words, it just depends on whether you can realize it."

"Boy, tell me your name. I, Lord Xiang, will not kill unknown people."

"Su Chen"

"Okay, you have courage, but you still have to die here"

"Hey, today we will see who will die here. Ehuang and Nvying, please step aside. Today I will kill these arrogant cuckolds with my own hands."

Su Chen let go of Ehuang Nvying and said to them. Su Chen also wanted to see if his current strength could kill this cuckold Xiangjun this time.

Ehuang was a little worried and asked, "You don't need our sisters. help?"

"No need, I haven't put my eyes on Xiangjun, who is just a peak master."

Nvying was speechless when she looked at Su Chen. This bastard is at the peak of his cultivation, and yet he is going to kill Xiangjun all by himself. Is he trying to commit suicide in front of her and her sister?

"Sister, is this bastard crazy? I think a man who is at the peak of his innate cultivation level is going to challenge a master who is at the peak of his master's strength, and even threatens to kill him. I think he is crazy."

E Huang looked at Su Chen who was walking towards Xiang Jun with some expectation. E Huang hoped that this bastard really hid his cultivation level. "Nv Ying, let's take a look first. There is something unusual about this person. Maybe he really is. There is a way to kill Xiangjun"

"Um? Sister, why do you have so much confidence in this bastard?"

"I just hope that he can kill Xiangjun, otherwise we will either be caught by Xiangjun, or we will lose to Xiangjun and commit suicide."

At this time, Su Chen took out Yao Yue's Blue Blood Illuminating Danqing Sword from the system space. Looking at Xiang Jun at his peak as a master, he felt a little aggressive and wanted to fight to his heart's content.

He also fought against the grand master Ning Daoqi last time. He just used one move of Divine Sword and Thunder Control. This time Su Chen wanted to see if he had made any progress in the martial arts he had practiced these days.

Su Chen thought that even if he couldn't defeat Xiangjun, with his teleportation, Xiangjun would be able to defeat Xiangjun. He couldn't kill himself either.

When Xiangjun saw that this bastard actually wanted to fight him, he was very angry. Is this little scumbag trying to show his brave side in front of Ehuang Nvyng and the others? Or does he want to be saved by a hero? beautiful?

"Boy, you are really looking for death"

"Cuckold, be careful, I am going to teach you a lesson for this disgusting man who bullies men and dominates women."

When

Su Chen said that, he teleported directly behind Xiangjun and stabbed Xiangjun with his sword. Xiangjun also reacted quickly. He immediately sensed that Su Chen appeared behind him, and immediately stamped his feet and used Qinggong to avoid it. Su Chen attacked.

When Su Chen saw Xiang Jun dodge, he teleported away again. When Xiang Jun saw this kid disappearing strangely again, he immediately became alert. This bastard's martial arts was too weird. Xiang Jun couldn't do it anymore now. He underestimated this bastard.

Hong

Xiangjun suddenly sensed the appearance of Su Chen, and he immediately slapped a palm directly behind him. Su Chen kept paying attention to Xiangjun with his mental power. He saw that this cuckold man had discovered him. Then he teleported away again. This time Su Chen was consuming this cuckold man to death.

"The sword touches

"Kenpachi" touch

""Sword Twelve"

Su Chen used the Holy Spirit Sword Technique to continuously appear and disappear to attack Xiang Jun. Xiang Jun was very angry now. This bastard's weird movement technique was too fast. He couldn't sense how it disappeared at all. Now Xiangjun was in a hurry to deal with Su Chen's attack.

Nvying looked at Su Chen's weird movements and said to Ehuang in shock,

"Sister, this bastard is so fast that I didn't even see how he disappeared and appeared. No wonder we didn't find this bastard before. He must have avoided this way when we were looking for him."

Ehuang also looked at Su Chen in surprise. She didn't expect that Su Chen could force Lord Xiang into a panic, and Su Chen's sword skills should also be heaven-level sword techniques. This made Ehuang look at Su Chen's eyes. A strange look appeared.

E Huang looked at the battle between Su Chen and Xiang Jun and smiled and said to Nu Ying,

"His Kung Fu is a bit weird. It shouldn't be considered light kung fu, it should be a secret technique. Nv Ying, maybe we can really be saved this time."

"Sister, if we are saved by this bastard this time, let's not embarrass this bastard named Su Chen."

"Sister, do you think that if Su Chen defeats Xiang Jun, we can still embarrass him?"

"Well, that's true."

At this time, Su Chen is fighting with Xiang Jun. He feels more and more that his Holy Spirit Sword Technique is becoming more and more proficient. This Xiang Jun is a good person. This time he can use Xiang Jun to hone his skills. Holy Spirit Sword Technique

""Eighteen Swords" hit

Xiangjun to repel Su Chen's attack with a palm, and found that the bastard disappeared again. Xiangjun now looked even more ugly towards this bastard Su Chen. This bastard's weird skills made Xiangjun somewhat helpless. Xiangjun Now I suspect this bastard has been teasing him

"Emperor Tianhou Tu"

Boom! Boom! Boom!"

"Emperor Tianhou Tu"

Boom! Boom! Boom."

Xiangjun was also fierce now. He kept attacking his surroundings. Xiangjun wanted to force Su Chen out like this. He didn't want to be teased by Su Chen anymore.

Su Chen suddenly Appearing next to Ehuang, he hugged Ehuang directly and said with a smile,

"Ehuang girl, now Xiangjun has been made nervous by me, should you reward me?"

Chapter 279

Ehuang's face turned red when Su Chen hugged her. She didn't expect that this bastard Su Chen would come here to tease her during the battle. Ehuang was about to struggle out of Su Chen's arms, but she hadn't yet. She had time to break free when she heard what Su Chen said to her.

Ehuang looked at Su Chen in surprise. This bastard wanted to reward him, but how could he reward this bastard? Does this bastard want to commit himself to it?

Ehuang said to Su Chen helplessly,

"You haven't killed that Xiangjun yet, I won't reward you or anything."

Ehuang doesn't dare to say anything without rewarding him now. If this bastard doesn't help their sisters, won't she and her sister Nvyang be defeated and caught by that disgusting man Xiangjun? Ehuang can only do it now Stop this shameless person.

Su Chen looked at Ehuang who was blushing and said with a smile,

"Haha, then if I kill that cuckold queen of Xiangjun, how will Emperor E reward me?"

Ehuang was a little panicked when Su Chen stared at her. She is now afraid of Su Chen's shamelessThe disciple is now making some unreasonable demands on her.

Suddenly, Ehuang realized that Xiangjun had seen Su Chen here, so she hurriedly pushed Su Chen who was holding her and said,

"Wait until you kill Mr. Xiang. Mr. Xiang has already discovered you. Go and kill him quickly."

Nvying is a little angry now. She is so angry when she sees this bastard Su Chen hugging her sister. She is right in front of her sister, but this bastard actually reaches over her to hug her sister Ehuang. Am I not as beautiful as her sister?

But this is impossible! She and her sister Ehuang look exactly the same, and even their words and demeanor are exactly the same, but how can this bastard reach over her and hug her sister Ehuang, which makes Nuying feel a little uncomfortable. And this bastard is so mean to him at just one glance. After recognizing her and her sister Ehuang, Nvying found this bastard so unpleasant.

Nvying walked up to Su Chen angrily, pulled Su Chen and said loudly, "Let go of my sister, you bastard shameless."

Su Chen smiled and hugged Nuying again when she was pulled away by Nuying and said,

"Nvying, don't be so angry, maybe we will be a family in the future."

Nvying shook off Su Chen and shouted in embarrassment, "Shameless, who would be in the same family as a bastard like you?"

Nvying also didn't expect that such a shameless person as Su Chen hugged her sister and then wanted to hug herself. This made her think that Su Chen, a bastard, wanted to eat up all their sisters? Nvying was so embarrassed that she wanted to kill this bastard directly..

And at this time, after Xiang Jun continued to kill the people around him, he still didn't force out the bastard Su Chen.

But when he turned around, he suddenly found that bastard Su Chen was holding someone who didn't know whether it was Emperor E or a female. Ying was flirting, which made Xiang Jun furious.

Xiang Jun immediately used Qing Kung Fu to fly towards Su Chen. Before he arrived, he saw that bastard picking up another one who didn't know whether it was Ehuang or a female. Ying, Xiangjun's face suddenly turned green.

Before Xiangjun arrived, he shouted angrily,

"Bastard, let go of Ehuang Nüying"

"Cuckold man, have you seen me holding Ehuang and Nvying now?"

"Damn it, you just hugged me"

"Haha, cuckold, how can I call you a cuckold if I don't hold Ehuang Nvying in my arms?"

Su Chen looked at the cuckold on Mr. Xiang's head and smiled. This Mr. Xiang was a bit pitiful.

Mr. Xiang was attracted by his two future wives who were as beautiful as flowers. There would be nothing to do with Mr. Xiang in the future.

Besides, it's still uncertain whether this Xiangjun can leave today. Su Chen decided to completely deal with this Xiangjun this time to avoid leaving any future troubles.

"Seeking death, the emperor, the emperor, and the queen of earth""

Boom! Boom! Boom!

After Xiangjun took action angrily, Su Chen hurriedly hugged Ehuang and Nuying and disappeared instantly. After Su Chen and the others disappeared, the place where they were just now was occupied by Xiang. Jun Bang was badly damaged.

Xiang Jun looked angrily at Su Chen and Ehuang Nvying who appeared not far away and drank loudly,

"Su Chen, do you have the guts not to hide?"

Su Chen let go of Emperor E and Nv Yingji appeared in front of Lord Xiang and said seriously,

"Cuckold man, since you want to die early and be born early, then I will do what you want."

"Sword Nineteen"

""Emperor, Heaven and Empress Earth" boom cough cough cough

Su Chen was knocked away by Xiang Jun. Su Chen knew that with his current strength, he would definitely not be the opponent of the peak master Xiang Jun.

It seems that he will use his own strength again this time. He hopes that this time he will not be unable to use the Divine Sword and Thunder True Jue like he did against Ning Daoqi. Su Chen also wants to try the weakened version of the Divine Sword and Thunder True Jue.

Xiangjun saw that this time he was defeated by himself. Su Chen, who was knocked away, laughed and said,"Haha, how is it? A little scumbag with an innate peak is no match for me. This time you bastard is dead."

"Su Chen"

"Su bastard,"

Ehuang and Nvyng shouted worriedly when they saw Su Chen being beaten out. Now they had to rely on Su Chen to defeat Xiangjun, but this time Su Chen was defeated by Xiangjun. This made Ehuang and Nvyng Nvyng is a little worried

"Sister, let's go help Bastard Su. The three of us should be able to kill that disgusting Mr. Xiang together."

"good"

"Don't come over, you retreat, I will kill Mr. Xiang myself this time."Su Chen drank hurriedly when he saw Ehuang and Nvyng coming over.

He wanted to use a weakened version of the Divine Sword Yu Lei Zhenjue. If Ehuang and Nvying came over, they might accidentally hurt their sisters. Su Chen didn't want Ehuang and Nvying to come over. Nvying was accidentally killed by herself

"Bastard Su, are you okay?"

"Damn it, why can't I do it? Men can't say no."

"Shameless"

"Stop chirping and stay away from here."

"you? Hum, sister, let's move back. If this bastard wants to die, let him die."

Nüying was a little angry and pulled Ehuang back. She also saw Su Chen's wink at them. Although she didn't know what it meant, Nüying still decided to believe in this bastard Su Chen.

Although Ehuang She was very worried about Su Chen, but she also knew that since Su Chen winked at them, there must be a way to deal with Xiangjun, and she did not continue to help Su Chen kill Xiangjun.

Su Chen saw that Ehuang and Nuying had retreated , he took the Blue Blood Sword and said to Xiang Jun with a serious expression,

"Xiangjun, you have pissed me off this time."

Xiang Jun looked at Su Chen's current appearance and said disdainfully,"What's wrong with you? A congenital scumbag, can you still kill me?"

"Haha, cuckold, you will know if I can kill you in a while"

"Rampant boy, either you die or I die today, you are dead today."

Su Chen didn't pay attention to Xiang Jun anymore. He appeared directly in the air holding the Blue Blood Illuminating Painting Sword. At this time, Su Chen held up the Blue Blood Shining Painting Sword and watched as Xiang Jun began to gather his energy to prepare to activate the Divine Sword Yu Lei Zhenjue.

"Sister, what is Bastard Su doing? Why do I feel that he is in danger now?"

"I don't know, I also feel threatened, Nv Ying, if we retreat again, Su Chen may use his ultimate move."

Chapter 280

Nuying and Ehuang were shocked when they saw Su Chen's aura. They didn't expect that this bastard Su Chen would erupt with such a powerful aura. It seemed that Su Chen was going to use his special move this time.

Xiangjun was a little surprised when he saw Su Chen's aura bursting out. He saw that Su Chen, who was constantly gathering his energy, was about to interrupt the bastard's upcoming trick. He noticed that there was now a cyan halo around Su Chen, and he knew that That aperture should be a protective measure

""Emperor Tianhou Tu" touches

Xiangjun and he can't care so much now. If he doesn't stop this bastard Su Chen, I'm afraid he will be injured or killed by this bastard soon. Xiangjun doesn't want to gamble anymore, he just uses Huang Tian Houtu attacked Su Chen.

However, his attack was deflected by the circle of light next to Su Chen. Xiang Jun's face was a little ugly now. He didn't understand what kind of sword technique this bastard was going to send out. It was just a protective measure for him. It cannot be broken.

At this time, Xiangjun is about to escape from here. He will not just watch this bastard Su Chen use a powerful secret sword to attack him. Xiangjun is not so stupid as to wait for death here.

Xiangjun is going to He turned around to leave, but just as he was about to turn around, he found that he had been locked in by Su Chen's momentum, and it was probably impossible for him to leave now even if he wanted to. Xiang Jun's face was very ugly now. He was forced to pick up Su Chen. Chen's attack from this bastard?

Outside the Xiaoxiang Valley,

Wang Yi, King Qin Yingzheng, and Gai Nie also came to the outside of the Xiaoxiang Valley with tens of thousands of troops.

King Qin Yingzheng and Gai Nie also heard about Wang Yi's words and knew that Lord Wu Xiang had already Wang Yi was recaptured, and the 140,000 troops in Wang Yi also pledged their allegiance to Qin King Yingzheng.

However, when Wang Yi told Qin King Yingzheng about Wu Xiangjun's trip to Xiaoxiang Valley, Qin King Yingzheng and Gai Niweizhuang were both responsible. Risking a black line.

King Qin Yingzheng and the others knew that bastard Su Chen liked beauties, but they couldn't risk their lives. Xiaoxiang Valley was said to be so dangerous by Wang Yi, but that bastard ran in so lustfully that he didn't care about his life. King Qin Yingzheng and others didn't know what to say about that shameless bastard.

When Gai Nie saw Wei Zhuang taking his quicksand into the Xiaoxiang Valley without saying a word, Gai Nie said to the somewhat anxious King Qin Yingzheng,

"Your Majesty, even if Wu Xiangjun goes to Xiaoxiang Valley, nothing will happen. With Wu Xiangjun's methods, if there is a beautiful woman in Xiaoxiang Valley, then Wu Xiangjun will definitely be able to return home with her in his arms."

Qin King Yingzheng is a little anxious now. His previous calmness has disappeared. But whether Wu Xiangjun can successfully take over the throne at the coronation ceremony this time and gain the power of Qin is crucial. If Wu Xiangjun is in Xiaoxiang If something happens to Gu, all his preparations will be in vain.

"Gai Nie, I also have great faith in Wu Xiangjun's ability to pick up girls in this matter, but I'm afraid that if there aren't beauties here, that bastard might end up in Xiaoxiang Valley."

"My coronation ceremony will be in less than half a month. If that lecherous bastard gets into trouble here, I'm afraid his army and men will come here to save the bastard. Even Wu Xiangjun's woman may appear here."

"I'm afraid I won't be able to get help from Lord Wu Xiang's troops and subordinates in my crowning ceremony. Lord Wu Xiang can never get into trouble now. Even if the Xiaoxiang Valley is dug up, we still have to find Lord Wu Xiang."

"Yes, Your Majesty"

"Wang Yi, you and Gai Nie lead the army into Xiaoxiang Valley. This time, even if the entire army is annihilated, you must rescue Lord Wu Xiang."

"Yes, Your Majesty."

Wang Yi is now very curious about Lord Wu Xiang.

Ever since he saw King Qin Yingzheng today, he has been constantly shocked. There are also those black armored troops. Those one thousand black armored troops are bigger than Qin's army. Even after hearing about Wu Xiangjun's accident, the dangerous aura erupted by these troops frightened Wang Yi, a veteran of the battlefield.

The cold-faced Wei Zhuang learned that Wu Xiangjun was in Xiaoxiang Valley. Something happened, and he rushed here with his powerful men without even saying anything.

When he and King Qin Ying Zheng came with the army, they found that Wei Zhuang, his men and a thousand black armored cavalry had already arrived Entering the Xiaoxiang Valley.

Wang Yi now also knows that these people are all subordinates of Lord Wu Xiang. Although he does not know how many such subordinates and troops Lord Wu Xiang has, but with these people and troops, as well as the ten people from Blood Clothes Castle, With thousands of white-armed troops, Wu Xiangjun's strength should not be underestimated.

Wang Yi now didn't know whether to tell King Qin that Wu Xiangjun had a hundred thousand white-armed troops. He thought about the relationship between him and Su Chen after the confrontation. He resisted telling Wu Xiangjun and the one hundred thousand white-armed troops.

After all, Wu Xiangjun not only told Wu An Jun the real cause of Bai Qi's death, but Wu Xiangjun even saved the lives of hundreds of his family. , Wang Yi also felt that Lord Wu Xiang was very suitable for his temper.

Although he felt sorry for the state of Qin by doing so, he was not prepared to say anything about it as long as Lord Wu Xiang did not do anything detrimental to the state of Qin.

Then, Wang Yi and Gai Nie led their troops into the Xiaoxiang Valley. With these 10,000 troops, the Xiaoxiang Valley was turned upside down. Wang Yi and Gai Nie also wanted to find Lord Wu Xiang. Su Chen was already in the Xiaoxiang Valley.

After gathering enough energy, black clouds are rolling in the sky above Xiaoxiang Valley, and black thunder and lightning are constantly striking around Su Chen. Su Chen is standing in the middle of the black thunder and lightning like a thunder god.

Ehuang and Nvyang are now They were dumbfounded with their mouths open. They didn't expect Su Chen to be so powerful. Those black thunder and lightning looked very powerful. What secret technique did this bastard Su Chen use? This made them very curious. At this time

, Wei Zhuang, Hu Tiehua, Tianze and the others also came here, but they were stunned when they saw Su Chen in the sky. Wei Zhuang and the others did not expect that Lord Wu Xiang was so powerful. At this time,

Lord Xiang was about to die He cried. He didn't think about how powerful this bastard Su Chen's secret sword technique was. He thought that if this Su Chen used this sword technique against him, he would probably die without even a scum left.

Su Chen opened his eyes He held up the blue blood-glazed sword and looked at Xiangjun who was already frightened, and said,

"The Nine Heavens Mysterious Temple turned into divine thunder, and the brilliant power of heaven was drawn with the sword."

Boom! Boom! Boom!

Su Chen took the Blue Blood Shining Painting Sword and struck at Xiang Jun. The black thunder and lightning in the air followed the Blue Blood Shining Painting Sword and struck Xiang Jun's body in an instant.

"empress empress....."

When Xiangjun saw that Su Chen was about to take action, he struggled to escape from here, but now he was locked by Su Chen's aura, and Xiangjun couldn't escape even if he wanted to.

Xiangjun hurriedly used all his skills to stop the black lightning that struck him, but before he could use all his strength to stop it, he was directly hit by the black lightning.
