### Chapter 2711

Zhao Deyan and others looked at Zhu Yuyan in shock. They did not expect that Zhu Yuyan would blow them away with one palm.

Isn't Zhu Yuyan a master?

When they met in Chang'an City seven days ago, Zhu Yuyan was still a grandmaster. Why would Zhu Yuyan become a great master seven days later?

Tianjunxi shouted to the others, "Run away, Zhu Yuyan has been promoted to Grand Master, we are no match."

An Long also shouted hurriedly,

"Escape, we fled into the passage, Heavenly Sword Song Que was inside."

The others quickly fled deep into the passage. Zhu Yuyan blew them away with one palm. Zhu Yuyan obviously wanted to kill them all. If they didn't escape, they would be dead.

"Want to escape? Did you escape? The devil's magic!"

Boom boom boom....

Zhu Yuyan quickly dodged to pursue them. In the past,

You Niaojuan and Zuo Youxian were blasted away by Zhu Yuyan. They hit the stone wall and fell to the ground vomiting blood. Zhu Yuyan dodged and appeared beside them. She stepped on their chests one by one,

Click click click click click.....

Zhu Yuyan's face was indifferent and she stepped on their bones one by one. These people wanted to humiliate her? Zhu Yuyan will make them die in agony one by one

"Ahhhhh...., Empress Yin, let me go, I don't dare anymore, let me go, I will join the Yin Kui sect from now on"

"Queen of Yin, we are all demons.....Ah ah ah, spare my life, I will never go against you again."

You Niaojuan and Zuo Youxian screamed and begged Zhu Yuyan for mercy. It was too cruel and painful.

Zhu Yuyan crushed their bones piece by piece. They all regretted what they said before.

Zhu Yuyan snorted coldly with a cold face. He said,"Humph, you are all going to die, and you are going to die in agony!"

"Zhu Yu.....Yan, I won't be able to do it after.....Good to die"

"Zhu Yuyan, Evil King.....Shi Zhixuan will kill....I'll leave you, you bitch, and you'll be with me.....We are the same....Unbearable pain....Die."

Zhu Yuyan trampled on their bones one by one, evil king Shi Zhixuan?

Is she afraid now?

The reason why Zhu Yuyan did not go to see Su Chen and came into Yang Gong's treasure house was because she wanted to kill evil king Shi Zhixuan.

Zhu Yuyan was worried about Su Chen After knowing about her and Shi Zhixuan,

Su Chen would dislike her.

This matter could not be concealed, but Zhu Yuyan would cut Shi Zhixuan's body into thousands of pieces first, and then she would tell Su Chen about it. At the entrance of Mr. Yang's treasure house,

Su Chen looked around After entering Yang Gong's treasure house, Shi Feixuan and Changsun Wuchu in the teahouse were still advancing. Li Xiuning and Fan Qinghui were respectively looking after Zhang Sun Wuchu and Shi Feixuan.

Su Chen came into Yang Gong's treasure house to see the situation.

Yang Gong There are Zhu Yuyan and Wanwan in the treasure house, so he is not worried about encountering powerful masters. Besides, Su Chen has the spiritual sword Luoxue, a big killer, so he is worried.

It is really miserable.

There are at least three Jianghu people who entered Yang Gong's treasure house. There were more than a hundred people.

Su Chen had just entered Yang Gong's treasure house more than ten meters away. He encountered at least thirty or forty corpses along the way.

"Damn it, these corpses look really disgusting. The passages in Yang Gong's treasure house are not ventilated. If the corpses are rotten, the smell here will be even more disgusting."

Along the way,

Su Chen passed by treasure rooms one after another. There were some weapons and armor in them. He was not interested in these.

Some scraps of copper and iron.

Even if the treasure rooms were full of spiritual weapons, Su Chen would not be interested.

"Run away quickly, the people from the Demon Sect are on a killing spree, and many Jianghu people have been killed."

"Run away, run away quickly, you will die if you don't run away"

"Everyone, get out of the way and leave Yang Gong's treasure house quickly. Several masters from the Demon Sect are killing Jianghu people. Stop killing each other here."

"We can't get the Evil Emperor's relics at all. Junior brothers, leave Yang Gong's treasure house as soon as possible. Several masters of the Demon Sect are killing people in front of them. We will die if we don't leave."

"Escape, the Yin Queen Zhu Yuyan and the Heavenly Sword Song Que are fighting. Maybe Yang Gong's treasure house will collapse after a while, let's leave quickly."

In the passage of Yang Gong's treasure house, some Jianghu people escaped from inside. They shouted to their friends or sect brothers.

After a while, many Jianghu people stopped fighting, and they fled towards the outside of Yang Gong's treasure house.. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen was a little confused when he heard the shouts of the Jianghu people. Are the masters of the Demon Sect massacring the Jianghu people?

The masters of the Demon Sect may want to clear the place.

Some idiots,

Shi Zhixuan Maybe there is another passage to reach the innermost floor, and those idiots from the Demon Sect are still in trouble.

Zhu Yuyan and Heavenly Saber Song Que are fighting?

Heavenly Saber Song Que is going to be unlucky.

If Zhu Yuyan becomes angry and violent, Heavenly Saber Song Que is going to fight. He might die in Yang Gong's treasure house.

Su Chen rubbed his chin and continued walking towards the passage.

He wanted to see if Song Que would kill Zhu Yuyan. As for the masters of the Demon Sect, several masters of the Demon Sect If they dared to provoke him, Su Chen wouldn't mind sending them to hell.

A quarter of an hour later,

Su Chen saw the corpses of many Demon Sect disciples. Some Demon Sect masters were still tortured to death. The devil's true energy?

This was Zhu Yuyan and Wanwan killing Did the master of the Demon Sect offend Zhu Yuyan? Or did he offend the little beauty Wanwan?

Boom boom boom.....

In a treasure room,

Zhu Yuyan and Song Que were fighting fiercely,

Zhu Yuyan was using the magic of the devil.

Song Que asked eight questions about the Heavenly Sword.

They fought in the treasure room for more than a quarter of an hour. Song Que was blown away by Zhu Yuyan several times. He was injured and embarrassed at the moment, but Song Que did not let Zhu Yuyan pass through the treasure room.

Zhu Yuyan threatened Song Que fiercely,

"Song Que, I have shown mercy. If you don't get out of the way, I will kill you."

"kill!"

Song Que raised the Narcissus Sword and killed Zhu Yuyan.

He did not expect that Zhu Yuyan would become so powerful. He is Song Que, the Heavenly Sword. He cannot defeat him. If he does not kill Zhu Yuyan, Song Que will not let Zhu Yuyan enter the final stage. in the passage

"court death!"

Bang!

Zhu Yuyan quickly stepped aside and kicked Song Que away, a smelly and tough old man.

She was going to be cruel to Song Que.

Zhu Yuyan didn't want to delay any longer. She must get the Evil Emperor's relic for Su Chen..

As soon as Su Chen arrived at the treasure room, he saw Zhu Yuyan kicking Song Que away.

He shouted to Wanwan next to him,

"Let me go, Wanwan, is your master trying to kill Song Que, the Heavenly Saber?"

Whoosh!

Wanwan appeared next to Su Chen quickly.

She didn't expect that Su Chen would also come into Yang Gong's treasure house. This bastard, she repeatedly told Su Chen not to come into Yang Gong's treasure house, but Su Chen didn't listen to the advice and came in anyway.

Wanwan Angrily, he shouted to Su Chen,

"Su Chen, why did you get into Mr. Yang's treasure house? Didn't I say you wouldn't be allowed into Yang Gong's treasure house?"

Chapter 2712

Su Chen smiled when he heard Wanwan's angry scolding.

Of course he remembered what Wanwan said to him, but he had the spirit sword Luoxue, so Su Chen would not be in danger if he entered Yang Gong's treasury.

Su Chen hugged Wanwan's weak waist and said,

"Wanwan, with your master and you in Mr. Yang's treasury, can't you two great masters still be able to protect me?"

"Just seek death."

Su Chen kissed Wanwan and said,

"Wanwan, okay, don't be angry, I've been here since I came, you can't let me leave now, can you?"

Wanwan snorted coldly at Su Chen and said,

"Humph, Bastard Su, don't run around and don't leave my side even one step."

"good!"

Su Chen nodded and promised Wanwan. He looked at the battle between Zhu Yuyan and Song Que.

No, it was Zhu Yuyan who was beating Song Que. Song Que had the strength of an early grand master, Zhu Yuyan was at the peak of the grand master, and Song Que No matter how hard Que tried, he was no match for Zhu Yuyan.

Boom!

Zhu Yuyan waved her palm and knocked Song Que away again.

"Song Que, this is your last chance. If you dare to stop me again, you will be dead."

Zhu Yuyan also noticed Su Chen's arrival. 01

She was a little anxious. This bastard Su Chen has no strength at all. Did he come to Yang Gong's treasure house to seek death?

Song Que wiped the blood on his mouth and said,

"Ha ha...., want me to go on the road? Zhu Yuyan, unless you kill me."

Song Que was very angry.

He didn't expect to be defeated by Zhu Yuyan.

Song Que didn't know how Zhu Yuyan improved, but he believed that Zhu Yuyan's strength would not always exist.

As long as he persisted for a while,

Zhu Yuyan's strength would He will definitely fall to the level of Grandmaster.

When the time comes,

Song Que will kill the witch Zhu Yuyan.

"Yu Yan, kill Song Que."

Su Chen looked down on Song Que very much. Zhu Yuyan wanted to kill Song Que with just one or two moves.

Is Song Que a fool?

Didn't he see that Zhu Yuyan kept her hand and didn't kill him?

"good!"

Zhu Yuyan nodded when she heard Su Chen's words. She looked at Song Que with murderous intentions.

With one move,

Zhu Yuyan wanted to kill Song Que with one move. There will be no more Heavenly Sword Song Que in the world in the future.

"The devil's magic!"

"Nine questions about the Heavenly Sword. The ninth question is: The Heavenly Sword is turned sideways. What punishment and blessing!"

Song Que hurriedly launched the most powerful sword style.

He didn't expect that Zhu Yuyan would listen to a boy and kill him. How could a useless boy be called Yuyan? He couldn't understand, and Song Que didn't have time to think about this anymore.

Boom.!

Bang!

A burst of black energy quickly blasted Song Que away.

Song Que's knife style didn't have time to strike at Zhu Yuyan. He was blown away and hit the stone wall, spurting blood and falling to the ground without getting up again. Song Que stared at Zhu Yuyan and couldn't even speak. Unable to speak.

Su Chen moved forward, hugged Zhu Yuyan, kissed her and said,

"Yuyan, there is no need for you to be polite to such a stupid person. You are the Yin Queen Zhu Yuyan, the leader of the Yinkui Sect who kills without blinking an eye. I didn't expect you to show mercy."

Zhu Yuyan glared at Su Chen angrily and threatened,

"Little bastard, I haven't settled the score with you yet. After the incident in Yang Gong's treasure house, I will definitely not let you go."

Zhu Yuyan has not forgotten Su Chen's torture of her. She was tortured by Su Chen so much that she almost missed the important event.

Damn you little bastard,

Zhu Yuyan will not let this shameless bastard go easily. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen touched Zhu Yuyan's delicate face and smiled,

"Yuyan, you have to think clearly. If you dare to teach me a lesson, I will teach you a lesson too. You don't want to lie in bed and rest for another day, right?"

"Shameless!"

"Shameless ass, you are my woman, it is only natural for us to have sex together"

"Shameless bastard, shut up."

Zhu Yuyan was very speechless as she rubbed her forehead.

She never thought that one day she would be threatened by someone, or by a shameless bastard.

Wanwan was speechless as she watched Su Chen and Zhu Yuyan show affection.

No wonder her master would be resting in bed today. , and looked lazy and weak. It turned out that her master was harmed by Su Chen yesterday night, and the harm was serious. At this moment,

Song Que stared at Su Chen and Zhu Yuyan, he did not expect A boy actually kissed Zhu Yuyan. Was he going to be dazzled? Or had he seen it wrong because he was looking back?

Wanwan reminded her from the side,

"Master, Su Chen, let's go to the inner layer quickly. The evil emperor's relic is the most important thing."

"Little bastard, let me go quickly. I'll grab the Evil Emperor's relic first. Wanwan, please protect this little bastard."

"Yes, master!"

Su Chen saw Zhu Yuyan running away quickly. He took Wanwan's hand and hurriedly followed.

Song Que died with his eyes wide open. He didn't even think about the relationship between Su Chen and Zhu Yuyan until his death.

The last one in Mr. Yang's treasure house In the treasure room, more than half of the dozens of guards were killed by the evil king Shi Zhixuan. The crazy evil king Shi Zhixuan's killing was so terrifying that each of the guards was torn in half, and some of the guards had their heads twisted off.

Song Yuzhi versus Kou Zhong He shouted, "Kou Zhong, Shi Zhixuan has gone crazy, let's run away."

Kou Zhong quickly avoided Shi Zhixuan's attack. He was very anxious.

Escape?

The evil emperor's relic, the most precious treasure of the Demon Sect, was approaching. Kou Zhong was unwilling to run away like this.

"Yuzhi, where is your father? Let your father kill Shi Zhixuan quickly"

"I'll call 480 to inform my father, Kou Zhong, please insist.....ah!"

Song Yuzhi said to Kou Zhong and was suddenly caught by Shi Zhixuan. She screamed and was torn in half by Shi Zhixuan.

"Jade....."

Kou Zhong saw Song Yuzhi being killed by Shi Zhixuan and being brutally cut into pieces. He angrily swung his knife towards Shi Zhixuan. Song Yuzhi was his fiancée and the second woman he liked. Kou Zhong wanted to kill Shi Zhixuan. Even if he died, he would repay Song Yu's kindness.

A guard guarded Li Shimin and shouted,

"Second Young Master, let's run away quickly. All the guards are going to die. If we don't run away, Young Master may be killed by Shi Zhixuan."

"Escape, let's escape!"

Li Shimin saw that all the guards were about to die.

He knew that it would be too late if he didn't escape. As for the Evil Emperor's relics, Li Shimin could only watch and give up.

"Shi Zhixuan, die!"

When Zhu Yuyan arrived and saw Shi Zhixuan, she waved her palm towards Shi Zhixuan with an angry face. Zhu Yuyan had wanted to kill Shi Zhixuan for decades. She must break Shi Zhixuan into thousands of pieces this time.

Boom! Bang!

Shi Zhixuan was instantly palmed by Zhu Yuyan Flying away, he hit the stone wall and quickly got up. Shi Zhixuan's eyes were red and he dodged towards Zhu Yuyan.

"Shi Zhixuan, I will tear you into pieces"

Chapter 2713

Zhu Yuyan waved her palms with an evil look on her face and attacked Shi Zhixuan, a person who ruined her life, a person she had loved decades ago.

Zhu Yuyan wanted to make a comeback in Yang Gong's treasury, and she also wanted to completely make a difference with the past. To put an end to it, Shi Zhixuan must die, and he will also die in agony.

"kill!"

Boom! Bang!

Before Shi Zhixuan could reach Zhu Yuyan, he was blown away by Zhu Yuyan again. He hit the stone wall and kept vomiting blood, and several bones were broken.

However,

Shi Zhixuan still shot at Zhu Yuyan with red eyes. past

"Wanwan, kill everyone here!"

When Su Chen Wanwan came into the treasure room, he saw that there were more than ten people in the treasure room. Su Chen didn't care who these people were, and he didn't care who they were, so he asked Wanwan to kill them. Everyone.

Wanwan nodded and replied,

"good!"

Li Shimin heard that Su Chen was going to kill them all, and he saw that Wanwan was about to kill everyone. Li Shimin became anxious.

Zhu Yuyan had come to fight Shi Zhixuan earlier.

He thought he had a chance to get the Evil Emperor's relic, but He didn't expect that a 073 kid was going to kill them all.

Li Shimin hurriedly shouted to Wanwan,

"Stop, I am Li Shimin, the second son of the Li clan, Wanwan of the Yinkui sect, you cannot kill me."

Su Chen asked doubtfully,

"Li Shimin?"

Li Shimin nodded hurriedly and replied, "Yes, I am Li Shimin."

Damn it, it turns out that Li Shimin is really in Yang Gong's treasure house.

He is a ruthless man who does not recognize his relatives. Yang Gong's treasure house is Li Shimin's tomb.

Su Chen laughed and said nonsense,

"Ha ha....., Li Shimin, you are the one I am going to kill. Before you die, I will tell you one thing. Your sister Li Xiuning will be my woman, and your fiancée eldest grandson Wuchu will also be my woman. Li Shimin, you can do it with peace of mind. It's hell."

Li Shimin's face changed drastically when he heard Su Chen's words and he yelled,

"Damn it, what did you do to my sister and my eldest grandson Wu Chuan?"

Su Chen said teasingly,

"I didn't do anything to Li Xiuning and Changsun Wuchu. I just enjoyed them before coming to Yang Gong's treasure house. Li Shimin, your sister is good, and your fiancée is also good."

"I am going to kill you!"

Li Shimin is going crazy.

He didn't expect that Su Chen would insult Li Xiuning and Changsun Wuchu. Li Xiuning is his sister and Changsun Wuchu is his fiancée. He wants to kill Su Chen. He wants to execute Su Chen in the early hours of the morning.

Wanwan was speechless. Looking at Su Chen, she knew that Su Chen was talking nonsense to annoy Li Shimin.

Su Chen was with her master Zhu Yuyan yesterday evening and was still in the teahouse during the day. How could he insult Li Xiuning and Changsun Wuyu? Wanwan didn't believe it. Su Chen still has the energy to insult two women

"Kill, give them all to me, kill that boy."

Li Shimin waved his hand angrily and ordered that he would kill Su Chen. He would kill the scum who insulted his sister and fiancée. If Su Chen did not die, Li Shimin would not feel at ease, and he would not be able to escape from Yang Gong's treasure house.

"court death!"

Boom!

Wanwan saw the guards rushing over.

She waved her palm and slapped the guards who were rushing over. They were some scumbag guards. It was easy for Wanwan to kill them all.

Su Chen didn't care about Wanwan killing these trash.

He saw He nodded to the jade box on the stone platform in the middle. The Evil Emperor's relic was still there and no one had touched it.

"kill!"

Kou Zhong was collecting Song Yuzhi's body.

He saw Su Chen looking at the evil emperor's relics alone. Kou Zhong raised his knife and struck at Su Chen quickly.

He understood. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen is the young man Xu Ziling mentioned.

Su Chen was with Wanwan from the Yinkui sect. Xu Ziling was seriously injured because of this boy. This boy also asked Wanwan to kill everyone. Kou Zhong wanted to If you escape, you will kill Su Chen.

"snort!"

Wanwan saw Kou Zhong killing Su (abag) Chen, and her demon satan thick quickly attacked Kou Zhong.

Although Wanwan was killing the guards here, she had been paying attention to Su Chen's safety. Su Chen, who had little strength, how could Wanwan safely leave him alone?

Whoosh!

Puff! Bang!

Wanwan's devilish silk penetrated Kou Zhong's neck instantly, and Kou Zhong vomited blood and fell to the ground.

Wanwan was arrogant shouted to Su Chen,

"Little bastard, I saved you. Su

Chen waved his fist and replied, "Wanwan, I will love you very much tonight.""

"shameless."

Wanwan cursed in shame and anger when she heard Su Chen's words.

She didn't expect that Su Chen was such a bastard and would say shameless words in public.

Wanwan dodged towards the surrounding guards and Li Shimin. She wanted to hear these words. Wanwan would not allow other men to hear her private words while they were still alive.

Su Chen walked towards the Evil Emperor's relic.

The trial mission of the Heavenly Ladder was approaching, and he had to complete the trial mission of the Heavenly Ladder first.

【Trialist, your trial mission is completed. You can stay in this world for three days, and you must return to the ladder after three days. 】

As soon as Su Chen's hand touched the jade box on the stone platform, the ladder notified him that he had completed the trial task.

Su Chen looked at the Evil Emperor's relics in his hand speechlessly.

The Heavenly Ladder did not take away the Evil Emperor's relics. Could it be that the Evil Emperor's relics were not even appreciated by the Heavenly Ladder?

Damn it,

Su Chen doesn't even look down on the Evil Emperor's relics, and the terrifying ladder even looks down on the Evil Emperor's relics.

"I gather, Zhu Yu is really cruel, Shi Zhixuan is really miserable, but Shi Zhixuan is also bringing it upon himself."

Su Chen saw Zhu Yuyan holding a sword. She cut Shi Zhixuan into a human stick, chopped off both hands and legs, and even Shi Zhixuan's eyes were blinded.

Zhu Yuyan was so cruel.

Su Chen thought that if he did the same If he fails Zhu Yuyan, his end may be even more miserable than Shi Zhixuan's

"Don't kill me, Wanwan, I am the second young master of the Li clan. I can help your Yinkui sect defeat Cihang Jingzhai. Don't kill me....."

Li Shimin saw that the guards were all killed, He hurriedly begged for mercy and promised Wanwan, but before he could finish speaking to Wanwan, Wanwan smashed Li Shimin's head.

"Yuyan, kill Shi Zhixuan, let's leave!"

After Su Chen threw the Evil Emperor's relic to Wanwan, he shouted to Zhu Yuyan next to him. If Su Chen didn't ask Zhu Yuyan to leave, Zhu Yuyan might torture Shi Zhixuan for a day and a night.

Boom!

I'll do it!

Shi Zhixuan is dead without a complete body. ,

Su Chen saw Zhu Yuyan smashing Shi Zhixuan's body to pieces with one palm. He shook his head and hurriedly exited the treasure room. It was so disgusting, especially the treasure room was full of Shi Zhixuan's minced meat. Su Chen didn't want to stay in the treasure room. I was disgusted

"Little bastard, have you seen what happened to Shi Zhixuan? If you dare to let me down in the future, you will be a hundred times more miserable than Shi Zhixuan."

Chapter 2714

Two days later, in the other courtyard outside Chang'an City, there were

Zhu Yuyan, Wanwan, Shifeixuan, Changsun Wuchuan, Li Xiuning, and Fan Qinghui. They had been staying in the courtyard for the past two days.

The remaining four petals of the five-color spirit flower in Su Chen's hand were taken by Zhu Yuyan, Wanwan, Fan Qinghui, and Li Xiuning.

Except for Li Xiuning who was promoted to the pinnacle of Grand Master, Zhu Yuyan and the other three were all promoted to the realm of land gods.

For the past two days, they had been fighting in the other courtyard. Either Zhu Yuyan was fighting with Fan Qinghui, or Wanwan was fighting with Shifeixuan.

If it weren't for Master Zhu Yuyan and Master Fan Qinghui fighting each other, no one in the four heavenly and human realms could do anything to the other.

In the yard,

Su Chen was lying on a chair and basking in the sun. He would return to the ladder in one day. In the small world, Su Chen would also be subsumed under the realm of Xuantian. He could come here to relax physically and mentally when he had nothing to do."Three two three" Whoosh!

Shi Feixuan appeared next to Su Chen. She looked at Su Chen lying on the chair and blushed.

Yesterday night,

Su Chen had harmed her, and Shi Feixuan almost rested for a whole day before she recovered,

Xu Ziling?

Shi Feixuan went to Chang'an City to kill Xu Ziling before.

She didn't want to leave any hidden dangers. Kou Zhong has been killed. Xu Ziling will definitely seek revenge on Su Chen in the future. Shi Feixuan will not put Su Chen in any danger. After all, this shameless pervert is her husband

"Su Chen, I will kill Xu Ziling!"

Let me go.

Shi Feixuan killed Xu Ziling?

Su Chen was a little surprised when he heard what Shi Feixuan said.

Shi Feixuan was not someone who killed innocent people indiscriminately. He guessed that Shi Feixuan was trying to eliminate a hidden danger for him.

In the small world,

Xu Ziling and Shi Feixuan only knew each other, and the friendship between them was not that deep. Su Chen was Shi Feixuan's husband, and Shi Feixuan was only thinking about him now.

Su Chen held Shi Feixuan in his arms and said ,

"Just kill it!"

Shi Feixuan leaned into Su Chen's arms and asked with a blush, "Don't you still forgive Shi Qingxuan and Shang Xiufang?"

"There is no forgiveness or unforgiveness, we will meet again if we are destined."

Su Chen shook his head and replied, forgive Shi Qingxuan and Shang Xiufang?

He didn't care about the two women. Shi Qingxuan and Shang Xiufang went to Jiangnan, and Su Chen couldn't find them in Jiangnan.

If he was destined to meet them in this world, Su Chen Chenhui will accept them.

If they haven't met,

Su Chen will not force them, nor will they look for them. Destiny comes and goes, and if you don't meet them, you won't meet them.

Su Chen kissed Shi Feixuan and said,

"Fei Xuan, since you and Wanwan will not leave with me, I will leave behind the spirit stones and techniques. I will come over to see you every few months. I have set up a spirit gathering array in the other courtyard. You can feel at ease here in the future. Practice in another courtyard.

Shi Feixuan asked shyly after being kissed by Su Chen, "Do you really come back every few months?"

Su Chen nodded and replied,

"Well, the time flow rate in the small world and Xuantian Realm is different. I may come back every three months or so."

After Su Chen classified the small world under the Xuantian Realm, he would adjust the time flow rate of the small world to that of the Xuantian Realm. The time flow rate of the small world would be slower.

Shi Feixuan said with a smile,

"Three months? It's a short time, which is nice, and we won't have to see you for a long time."

Shi Feixuan felt relieved. After she and Wanwan and the girls advanced to the realm of gods, although they had a lifespan of hundreds of years, Su Chen was an immortal. Shi Feixuan was worried that immortals would live in seclusion for hundreds of thousands of years. She was worried that she would never see Su Chen again.

Three months?

This was nothing to her and Wanwan and the other girls. If they practiced the immortal cultivation technique, it would take several months to retreat once, and three months would also be the same. It's gone in the blink of an eye

"Husband!"

Changsun Wuchu came over with a cup of tea.

When Su Chen saw Changsun Wuchu coming, he smiled and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"Wuyu, you woke up."

Chang Sun Wu Chuan blushed and glanced at Su Chen.

She was still weak and uncomfortable at this moment.

Su Chen was too shameless.

Chang Sun Wu Chuan had no way to deal with Su Chen. She thought that Su Chen would let her do it in broad daylight. Serving and doing those disgusting things, Changsun Wuchuan wanted to bite Su Chen hard.

Su Chen held Changsun Wuchuan in his arms and said,

"Concubine Xuan, no chance, I plan to return to the fairy world tonight."

Shi Feixuan said hurriedly,

"Husband, will you come back tonight? Don't you wait for my master, Wanwan, Zhu Yuyan, and Li Xiuning to come back?"

"No wait, I will be back in three months. Your master and Zhu Yuyan have to arrange things for their respective sects. They won't be back for ten days and a half. Li Xiuning is going to be the empress, and she won't have time to come back. I'd better go back in three months. Meet them."

Su Chen shook his head when he thought of Zhu Yuyan and Fan Qinghui. They both wanted to move their respective sects to the vicinity of the other courtyard.

The aura in the other courtyard was rich, and both Zhu Yuyan and Fan Qinghui wanted to think about their respective sects. ,

Su Chen had no objection to this, but men were not allowed to enter the other courtyard, and no men were allowed near the other courtyard.

Cihang Jingzhai was full of nuns, and

Su Chen did not say anything to Fan Qinghui.

In the Yinkui sect, Su Chen let Zhu Yuyan killed those disciples who had done no evil, and other male disciples who had not done any evil, Zhu Yuyan would also expel them from the Yinkui sect.

When Changsun Wuchuan heard that Su Chen was leaving, she was very anxious, but she heard that Su Chen was leaving. When she came back three months later, Changsun Wuchu gave Su Chen a look of relief.

Three months?

It's not a long time.

As long as Su Chen doesn't come back for several years, she can afford to wait in just three months.

Tonight , after Su Chen fell asleep tiredly, he kissed Shi Feixuan and Chang Sun Wu Chuan respectively, and Su Chen disappeared into the room.

After Shi Feixuan and Chang Sun Wu Chuan disappeared, Su Chen

They opened their eyes one after another, but they saw their naked and embarrassed looks. Shi Feixuan and Changsun Wuchu lowered their heads with red faces.

"Three months will pass quickly"

"Well, in just three months, our cultivation will go by very quickly." Ladder to

Heaven, on the 8,000th floor.

When Su Chen appeared on the 8,000th floor, he saw the girl on the ladder waiting for him.

The girl on the ladder laughed at Su Chen,

"Pretty boy, you have successfully completed this trial mission."

Su Chen asked awkwardly,

"Ahem, little girl, you spied on me again?"

"This lady has 80% of the authority over the ladder. Except for some things that cannot be investigated, I am in control of the ladder."

"Eighty percent? There are still 20% left. Girl, do you get all the permissions and can you get out of the ladder?"

"good!".

Chapter 2715

Su Chen nodded when he heard what the girl on the ladder said.

Every time he climbed up to a thousand floors, the girl on the ladder would get 10% of the permissions. When he climbed to the eight thousandth floor of the ladder, the girl on the ladder would get 80% of the permissions on the ladder, and there were still two thousand But the next two thousand floors were probably very scary, and the perverted ladder was still targeting him. Su Chen didn't have much confidence in climbing the next two thousand floors.

The ladder girl patted Su Chen on the shoulder and said, "You little bastard, the eight thousand levels are not that difficult."

Su Chen asked in surprise, "What? The eight thousand levels are not that difficult? Girl, are you telling the truth?"

The ladder girl nodded and replied,

"Of course, how could I deceive you? The eight thousand levels are the road to refining the heart, the road to inner demons, which can also be said to be your tangled heart. There are ten roads to refining the heart on the eight thousand levels. You can pass one On the road to refining the heart, you can climb a hundred levels"

"The road to refining the heart? The road to inner demons? Confused?"

Su Chen raised his eyebrows when he heard what the girl on the ladder said.

Heart training?

Inner demons?

Confused hearts?

What could this be?

What will he encounter?

The girl on the ladder said with a serious face,

"Little bastard, try your best to pass the 8,000th floor. The 8,000th floor is the easiest climb on the ladder, and it is also the hardest climb. If you can't overcome your inner demons, you will fail on the ladder."

"Su Chen, if you pass all the ten ways to refine your mind, you will never have inner demons again in your future practice. This is very important for your future practice."

Su Chen curled his lips and said,

"Girl, I don't have any inner demons at all, and the road to refining my heart will be very easy for me to pass."

Inner demons?

Su Chen is not worried about inner demons at all.

If he has inner demons, the system girl will directly destroy them. Su Chen is still worried about inner demons.

The road to refining the heart seems to be very simple.

"Humph, cultivators will all have inner demons. Some demons are themselves, some demons are enemies, and some demons are relatives. Little bastard, there is no way you don't have demons~."

Su Chen didn't explain to the Tianti girl that he couldn't possibly tell anyone about the existence of the system.

"Forget it, girl, where's my reward?"

The Tianti girl waved her hand, and a sword-shaped stone blank appeared in front of Su Chen.

"Little bastard, your reward this time is good, a growth-type Hongmeng Sword Blank. If you cultivate it well, the Hongmeng Sword Blank will become a Hongmeng Spiritual Treasure, or even a top-level Hongmeng Spiritual Treasure."

"Hongmeng sword blank? Growth type Hongmeng Lingbao?"

Su Chen's heart beat violently.

Hongmeng Lingbao?

Can you still become the top Hongmeng Lingbao?

This trial has made a lot of money.

Suddenly,

Su Chen looked at the falling snow on his waist.

The sword blank?

If The sword blank is integrated into the Luoxue Sword. Will the Luoxue Sword be promoted to the Hongmeng Spiritual Treasure in the future?

The girl on the ladder saw Su Chen looking at the spirit sword on his waist. It was a rubbish spiritual sword.

The little bastard would not want to think of the Hongmeng Sword Blank. Integrate into the spirit sword?

"Su Chen, you don't want to integrate the Hongmeng sword blank into your garbage spirit sword, do you?"

Su Chen touched the Luo Xue Sword and said with a smile,

"Rubbish? Girl, Luo Xue is the first sword I use. Luo Xue Sword is also very important to me. Even if I exchange a Hongmeng Lingbao for Luo Xue Sword, I won't change it."

Buzz buzz.....

Luo Xue Jian responded to Su Chen in shock.

Su Chen stroked the Luoxue Sword and laughed,

"Ha ha....., little girl, help me to integrate the Hongmeng Sword blank into the Luoxue Sword."

"you....."

The girl on the ladder was speechless to Su Chen.

The Hongmeng Sword blank was integrated into a scumbag's spiritual sword? This is like breaking a Chaos Spiritual Treasure into pieces and melting it into a rubbish magic weapon.

It's a waste, it's such a waste.

"Little bastard, have you thought this through?"

"certainly!"

The Tiandai girl rubbed her forehead and agreed, (If you want to read Baoshuang novels, go to Feilu Novel Network!)

"Okay, little bastard, let me help you integrate the Hongmeng Sword blank into the Luoxue Sword."

"Thank you very much, little girl, I'll reward you with a kiss!"

Su Chen said to the Tianti girl, he hugged the Tianti girl's soft waist and kissed her,

"You are so shameless!"

The girl from Tianlai pushed Su Chen away and cursed in shame, a shameless pervert, a reward?

Does she need a reward?

Is this a reward?

The little bastard obviously deliberately took advantage of her.

Su Chen hugged the girl from Tianren and said shamelessly ,

"Shameless fart! You will be my woman in the future. Isn't it natural for me to kiss you?"

The Tiandai girl leaned in Su Chen's arms and laughed,

"woman? Little bastard, when will you be able to beat me? Besides, I am your woman! You are now an shameless bastard who can no longer be scumbag."

Let me get it done!

Beat the girl on the ladder?

Can he beat the girl on the ladder?

A Hongmeng Supreme, an existence that can destroy the chaotic world at will. If

Su Chen wants to defeat the girl on the ladder, how long does he need to practice? One million years! Eleven years! Ten thousand years? Hundreds of millions of years?

Su Chen suddenly said cunningly,

"`.Girl, I could beat you right now."

The ladder girl sneered disdainfully,

"laugh! Are you bluffing me?"

Su Chen defeated her?

Is this possible?

As long as the ladder girl escapes from the ladder, her cultivation level will be completely restored. It will be very difficult for Su Chen to even look at her. She just put away all her momentum. It is impossible for Su Chen to get close to her.

If the girl on the ladder casually glances at Su Chen, Su Chen will be wiped out into ashes, and no residue will be left.

Su Chen said awkwardly,

"Ahem, although my strength cannot defeat you, (Zhao) is another aspect of me that can defeat you."

"Um? Tell me, I want to know how you can defeat me."

"Ahem, little girl, let's spend the first month together..." boom!

"Shameless pervert, little bastard, you....You are so shameless and shameless."

The girl on the ladder kicked Su Chen away in embarrassment, shamelessly,

What a shameless bastard, spending time before the moon?

Damn you little bastard, the ladder girl didn't expect Su Chen to be so shameless. Is this another aspect of bullshit? Hua Qian Yuexia was so incompetent that she really wanted to beat up Su Chen.

Su Chen appeared beside him and asked with a smile,

"Girl, don't you dare?"

The ladder girl yelled angrily,

"Little bastard, you are so shameless and shameless. How could I fall in love with you, such a shameless bastard?"

Chapter 2716

The girl on the ladder leaned in Su Chen's arms and closed her eyes. She didn't want to deal with this bastard anymore.

Su Chen was so shameless and shameless.

The girl on the ladder couldn't understand why she fell in love with this bastard. Could it be that she had been trapped in the ladder for millions of years and was lonely?

Su Chen touched the girl's hair and said,

"Little girl, I'm just saying what I said. Although what those hypocrites said were serious and dignified words, there was quite a lot of dirty intentions behind them."

The ladder girl sneered,

"Hey, those hypocrites at least know how to cover up. You are just an upright and shameless pervert."

"I'll do it!"

Su Chen shook his head speechlessly.

A shameless pervert is a shameless pervert. He is a lustful and shameless person. The Tianti girl was right. After thinking about it, the Tianti girl reminded,

"Su Chen, eight thousand floors shouldn't be too difficult, but nine thousand floors will be very difficult, no, it's very scary."

"I see!"

"You have to be careful when climbing the 8,000 floors. No one has ever climbed the 8,000 floors. The road to refining the heart is also elusive. If you are not careful, the road to refining the heart will also fail."

Su Chen patted 01's chest and said, "Don't worry, I don't have inner demons, and the road to heart refining will not be difficult for me."

"Hum, you'd better be careful"

"Got it, little girl, I'm going to start climbing the ladder. Time is running out. The realm war in the ancient immortal world is about to begin. I don't have time to waste on the ladder."

The Tianti girl hugged Su Chen and kissed her and said,

"Go ahead, I will wait for you on the nine thousand floors."

Su Chen still wanted to hug the girl on the ladder and continue kissing her, but the girl on the ladder disappeared instantly on the ladder.

"He ran really fast!"

Su Chen climbed up to the 8,000th floor of the Ladder to Heaven. There is a 100th floor of the Heart Refining Path.

He has to go through ten Heart Refining Paths on the 8,000th Floor of the Heaven Ladder. What will be the Heart Refining Path of the Heaven Ladder?

"Let me go, what is this place?"

After Su Chen set foot on the 8001st floor, he found that he suddenly appeared on a barren mountain.

His cultivation level was suppressed to that of a warrior grand master. He had no magic power, and his Lingbao and Xuanniao bloodlines were also restricted.

A grand master ?

How could Tiandao retain his realm as a warrior grandmaster? How could the road to refining the heart appear in a small world?

Refining the heart?

What kind of heart was he refining in the small world?

"Huh? Holy shit, Amazing Salamander? No, it's Tian Yan. This is the world of Qin, Yan'er? Will Yan'er be his heart-trainer?" Su Chen was very confused when he saw a woman in a fishnet outfit. Although Jing Salad and Tian Yan looked very similar, Su Chen knew Jing Sala very well. The woman in a fish net outfit was not Jing Sala. This is a small world. Tian Yan. Whoosh! Su Chen disappeared instantly. He wanted to see Tian Yan, no, to see his daughter, a grown-up daughter. Tian Yan quickly shuttled through the mountains and forests. She had just finished Tian Yan didn't show up at the farmhouse for a few days. She wanted to return to the farmhouse as soon as possible. Whoosh! Su Chen blocked Tian Yan's way in an instant. He looked at Tian Yan's perfect and concave figure and was absolutely stunned. With a beautiful face, Su Chen hurriedly patted his forehead. This is his daughter, so you must not think nonsense. When Tian Yan saw a person suddenly appear, she shouted with an indifferent expression,

"who?"

"Yan'er, I am your father"

"court death!"

Tian Yan heard Su Chen's words and attacked quickly,

Yan'er?

This person recognized her identity?

Father?

Her adoptive father is Tian Meng, and he is also the person she must kill. A young man dares to speak rudely to her, Tian Yan was about to kill Su Chen.

Boom!

Tian Yan took the Jing Salamand Sword and sent out a purple sword energy,

"Um? Where are people?"

Tian Yan found that Su Chen suddenly disappeared in front of her. She was frightened and hurriedly checked her surroundings.

It was so weird.

How could a person suddenly appear and disappear suddenly?

Whoosh! Bang!

Su Chen suddenly appeared and tapped Tian Yan's acupuncture points. , (To read Baoshuang novels, go to Feilu Novel Network!)

A troubled daughter,

Su Yan came to him to challenge him at a young age. Tian Yan was already so old, but he still attacked him. Although Tian Yan didn't know him, but this daughter is too worried

"who are you?"

Tian Yan's acupoints were tapped by Su Chen, and she felt a little panicked.

This man was too powerful. Tian Yan was instantly caught by Su Chen, and she didn't even have the ability to resist.

Su Chen said to Tian Yan,

"Yan'er, I am really your father. You should understand that Tian Meng is just your adoptive father, or the person who killed your mother. Tian

Yan said in surprise,

"How would you know? who are you?"

"My name is Su Chen, your name is Su Yan, you are my eldest daughter, I know everything about you"

"Nonsense, daughter? Su Yan? You are a few years older than me, do you think I am an idiot?"

"I...."

Su Chen rubbed his forehead and felt helpless.

He and Tian Yan couldn't explain it at all.

What if Su Chen said he was an immortal from another world? Tian Yan will treat him as a psychopath

"Falling snow!"

Su Chen suddenly saw the Luoxue Sword on his waist.

On the ladder,

Su Chen forgot to give the Luoxue Sword to the girl on the ladder.

However, this was an opportunity.

Girl Su Yan had worn the Luoxue Sword. Su Chen believed that the Luoxue Sword still remembered Su Yan..

Su Chen pulled out the Falling Snow Sword and said,

"Yan'er, look, this is Luo Xue Sword. You wore Luo Xue Sword when you were a child, Luo Xue Sword should still know you."030

"Huh, stop talking nonsense here, I have never admired....How is this going?"

Tian Yan mocked Su Chen.

She suddenly saw the Falling Snow Sword flying up, and the Falling Snow Sword was flying around her.

Tian Yan was confused for a moment.

Su Chen asked with a smile, "Yan'er, you You see, Luo Xue Sword still recognizes you. You have worn Luo Xue Sword for several years, and Luo Xue Sword still remembers your breath. Tian

Yan asked expressionlessly,

"who are you?"

Su Chen rubbed his forehead and said,

"Yan'er, I am really your father. I just look young, but I am not young anymore. There are some things that I can't explain now. You will slowly know everything in the future."

Tian Yan looked at Su Chen coldly, father?

Not young?

Is Su Chen really her father?

Damn it, if Su Chen is really her father, why hasn't he appeared all these years? Tian Yan's mother has been dead for many years. , what's the use of Su Chen showing up now?

"Unlock my holes"

"good!" puff!

"Die!"

After Tian Yan's acupuncture points were unlocked by Su Chen, she wielded the Frightening Salamander Sword and penetrated Su Chen's chest.

Su Chen looked at the penetrated chest and cried out in pain,

"Let me go, Yan'er, do you want to kill your father?".

Chapter 2717

Su Chen was very depressed at the moment.

He had never been stabbed through the chest by a sword before. The first time he was stabbed through the chest by a sword was his daughter.

Damn it, his daughter was really cruel, but Su Chen didn't dare. Beating and scolding Tian Yan, who calls him a daughter slave?

"Why don't you hide?"

Tian Yan looked at Su Chen indifferently and asked.

She felt a little uneasy.

Su Chen was obviously very powerful.

Tian Yan believed that Su Chen could hide from her sudden attack, but why didn't Su Chen hide?

Su Chen covered He shouted into his chest,

"Su Yan, you are finished. If your mother knows that you stabbed me through the chest, your mother will definitely beat you."

"My mother is dead, dead."

Su Chen saw Tian Yan yelling as he lost his cool, and he hurriedly said nonsense,

"Your mother is not dead, the one who died was a substitute, not your current mother."

Su Chen has no choice.

He can only deceive Tian Yan now.

Jing Salamander is in Xuantian Realm anyway. If there is a chance in the future, Su Chen will let Jing Salamander come to this small world to meet Tian Yan.

Tian Yan asked in surprise, "not dead? substitute? Are you telling the truth?"

"There is no need for me to deceive you,"

"You really didn't cheat on me?"

"No, your mother is in another place. She will come to find you in a few months. Yan'er, I will not lie to you."

Damn it, it's really hard to tell a lie to deceive people.

What should I do in the future?

Continue to deceive?

Su Chen was very confused.

The road to refining the heart?

Why did he meet Tian Yan? Refining the heart? Inner demons? Tian Yanhui Is it his inner demon?

Tian Yan still doesn't believe in Su Chen, a substitute?

How could her mother be a substitute?

How many months will it take?

Su Chen said her mother will appear in a few months? How many months will Tian Yan decide to wait? Look.

Su Chen saw Tian Yan thinking.

He took out a spirit fruit from the system space and ate it.

Su Chen's body was now a mortal body. If he bleeds too much, he would fall into coma or die. He didn't want to just start. On the road to heart refining, Su Chen was killed by his daughter and failed.

Tian Yan thought for a while and said coldly, "You and I go back to the farmhouse. Your identity is the bodyguard I invited~"

"Guard? I am your father.....Okay, just protect me!"

Su Chen was about to object, but when he saw Tian Yan's cold look, he reluctantly agreed.

Su Chen thought that it was only natural for his father to protect his daughter, and there was nothing wrong with him being Tian Yan's bodyguard.

Ten days later, at the farmer's Lieshan Hall,

Su Chen Thinking under a big tree, he gained some understanding of the development of this world. King Qin Yingzheng unified the six countries. The plot of this world is the plot of Yinghuo Shouxing, and it is also the battle between the six peasant families to compete for the hero.

The Mohist family The government city was not breached by the Qin army, and the hypocrite Tian Meng was not killed by Tian Yan, which shows that the plot has just begun.

Tian Meng has not shown up at Lieshan Hall for ten days, and Su Chen has to wait for his return if he wants to kill Tian Meng.

"Tian Meng appeared in Xiaohe Town, thirty miles away."

Tian Yan passed by Su Chen and whispered,"

Kill Tian Meng?

" Tian Yan originally wanted to take action personally, but she wanted to test whether Su Chen would kill Tian Meng.

She was very surprised that Su Chen asked about Zhuzi Baijia,

Su Chen seemed to have come out of the deep mountains and old forests. He didn't know anything about the various schools of thought or the Great Qin Empire. Tian Yan couldn't see Su Chen clearly even with his observation skills.

"Xiaohe Town thirty miles away?"

Su Chen watched Tian Yan disappear in an instant as he left.

Now that Tian Meng has appeared, there is no need for him to live anymore.

A despicable hypocrite, a person who deserves death, Su Chen will make Tian Meng die in agony.

"Have you gone?"(To read Baoshuang novels, go to Feilu Novel Network!)

Tian Yan turned around and saw Su Chen disappearing, with a thoughtful expression on her cold and expressionless face.

In the past ten days,

Su Chen had given her many items, each of which A variety of spiritual fruits and spiritual teas, as well as the legendary storage ring.

Tian Yan's cold disease was also cured, and her strength did not increase much.

Improving her roots and aura,

Tian Yan thought of Su Chen said to her that her root bone spirituality was still too low. At this stage, she could only improve the root bone spirituality first, but could not start to improve her strength.

At this time, an extraordinary and heroic woman quickly came to Tian Yan's side. She saw He looked around and asked,

"Miss, where is your guard?"

When Tian Yan saw Mei Sanniang arriving, she was very speechless.

For ten days,

Mei Sanniang competed with Su Chen every day.

Every time, she was not only teased by Su Chen, but also constantly taken advantage of by Su Chen. But Mei Sanniang My mother foolishly went to find Su Chen. Didn't Mei Sanniang come to the door of her own accord and Su Chen took advantage of her?

"`Sanniang, don't challenge Su Chen to compete. Su Chen is very powerful and you are no match for Su Chen."

Mei Sanniang shouted angrily,

"Damn it, that bastard is a pervert, I must teach that bastard a lesson."

Tian Yan shook his head and left.

She didn't want to worry about Mei Sanniang's affairs.

Tian Yan still had a lot of worries. She had no idea whether Su Chen was her father.

At this moment, in Xiaohe Town, thirty miles away,

Su Chen stopped Tian Meng who was wearing a bamboo hat outside the town.

"Tian Meng? Tian

Meng took off his bamboo hat and nodded, saying,

"OK, who are you?"

"The person who killed you?"

"kill me? Your Excellency, I....Oh, damn it, you're looking for death."

Tian Meng was about to ask Su Chen why. He didn't expect Su Chen to cut off one of his arms quickly.

Tian Meng shouted and attacked Su Chen. He wanted to kill this bastard and lose his arm. Tian Meng His strength will be greatly reduced, and he will not let this bastard go.

Bang! Click!

Ah!

Click!

Ahhhhh.....

Su Chen cut off Tian Meng's limbs with one sword after another with an expressionless face. He wanted Tian Meng to die in pain, and he wanted to make Tian Meng regret living in this world.

Tian Meng's limbs were cut off.

He lay on the ground and glared angrily at Su Chen and shouted,

"Who are you? who are you? Why do you want to kill me? Who wants to kill me?"

"Tian Meng, do you still remember the Amazing Salamander?"

"you...."

"I will execute you Ling Chi, and you will regret the things you have done. Remember, Tian Yan's name is Su Yan, and she is my daughter."

Su Chen said and swung his sword to execute Tian Mengzi early. With one thousand swords,

Su Chen had to cut off a thousand pieces of flesh from Tian Meng's body before he could completely kill Tian Meng.

"Ahhhhh....."

Chapter 2718

Half an hour later,

Tian Meng was so miserable that he no longer looked like a human. Except for his head, Tian Meng was covered in blood and looked like a bloody man.

"It's time to end."

Bang!

Su Chen swung his sword and chopped off Tian Meng's head~

It's over.

Tian Meng, the despicable hypocrite, is dead.

There is another one, Yan Dan, the despicable hypocrite in the Mo family's agency city

, is also going to die. Su Chen He would also kill Yan Dan just like he did to Tian Meng.

Whoosh!

Su Chen disappeared in an instant.

He was going to the Mo family's government city to kill Yan Dan.

As for the farmer's Tian Yan,

Su Chen had not been able to deal with Tian Yan for ten days. Tian Yan was too smart and astute. Tian Yan did not believe the lies he told, and Tian Yan was even wary of him.

Su Chen was also helpless. If he told the truth, Tian Yan would treat him as a psychopath, and if he told lies, he would be regarded as a psychopath. Tian Yan couldn't be deceived. Su Chen had nothing to do with his daughter, so he should leave for a while.

Three days later, Tian Meng was brutally killed in the farm hall and was discovered by the farm disciples. Tian Meng, who was not human, was looked at. It was very terrifying. The peasant disciples did not expect that Tian Meng would be executed in a cruel and late manner.

Tian Yan kept frowning in the backyard.

For three days,

Tian Meng was killed, but he was still executed in a cruel and early manner by Su Chen. Tian Yan felt like Very happy.

Where is Su Chen?

Why didn't he come back?

Was Su Chen injured while fighting Tian Meng? Or was Su Chen worried that she would be implicated?

Tian Yan whispered with a cold expression,

"Su Chen couldn't be injured. He was very powerful, but why didn't he come back? Is he really his father?"

Jinghu,

Su Chen teleported to Duan Murong's residence.

He didn't know where the Mo family's government city was. He wanted to ask Duan Murong to take him to the Mo family's government city. As for whether Duan Murong would agree, he had a way to do it. Duan Murong agreed.

Huh?

There was a sound of fighting?

Could it be that Gai Nie and Wei Zhuang were fighting?

Whoosh,

Su Chen quickly teleported to the center of the island

"Holy shit, little brother Qilin? Damn it, why did Brother Qilin get into the Great Qin world? Brother Qilin is a personal trial mission? Or is the team all participating in the Luck War mission?"

Su Chen was a little confused when he saw Qilin fighting with Bai Feng. He didn't expect that Qilin brother would show up.

Damn it,

Su Chen didn't expect that he would always meet members of the team in the trial world and the mission world.

"Xiao Yue'er? What the hell is the road to heart refinement? Tian Yan and Yue'er both appeared. Tian Yan and Yue'er were not his biological daughters yet. What on earth was going on with Tianti?"

Su Chen became agitated when he saw Yue'er, and even wanted to kill someone.

Tian Yan was not his biological daughter. Su Chen didn't pay much attention to this. He still liked Tian Yan as always.

But what about Yue'er?

In Tianxuan Continent ,

Yue'er is his biological daughter. He saw Yue'er very entangled, and he was also irritable and wanted to kill someone.

"withdraw! Chi Lian, retreat quickly"

"good!"

Bai Feng felt that he was no match for Brother Qilin. After he was kicked away by Brother Qilin,

Bai Feng hurriedly shouted to Chi Lian next to him to leave. There was a master helping Gai Nie. It was impossible for them to kill Gai Nie.

After Chi Lian and Gai Nie distanced themselves, she quickly left Jinghu with Bai Feng.

Gai Nie covered her wound and thanked Qilin,

"Thank you for your help."

Qilin asked expressionlessly, "No, which one of you is Jinghu Medical Immortal Duanmu Rong?"

"I am!"

A delicate woman wearing a simple dress and a scarf on her head came over and nodded to Qilin.

Brother Qilin asked hurriedly,

"Miss Duanmu, can you detoxify the moon wolf?"

Duan Murong asked in surprise, "Moon Wolf's poison?" The poison used by the descendants of the Moon Wolf on the grassland?" (To read exciting novels, go to Feilu Novel Network!)

"Yes, can Miss Duanmu detoxify wolfsbane?"

"No, I have never seen the moon wolf's poison, and I don't understand the wolf's poison. I can't detoxify it."

Duan Murong shook her head and replied, she has never seen

Moon Wolf's poison. Duan Murong cannot detoxify it if she doesn't understand the poison.

"Farewell!"

When Brother Qilin heard Duan Murong's words, he turned around and left.

Duan Murong couldn't detoxify the moon wolf's poison, so he wanted to join the others quickly.

Whoosh!

Su Chen appeared instantly and shouted,

"Kirin!"

0request flowers

"Su Chen, why are you here?"

Brother Qilin was very surprised to see Su Chen.

He didn't expect Su Chen to appear in this world.

Their mission was a temporary trigger mission. Two teams arrived with four people. Su Chen discovered that they were in this world. He Did you just arrive?

Su Chen asked Qilin,

"Qilin, are you alone? Or did you come with someone else?"

Brother Qilin replied,

"Su Chen, there are four of us here. Me, Mu Qingxue, Maximus, and Alice, just the four of us are here."

Gai Nie and Duan Murong, as well as Tianming, Xiang Shaoyu, and Yue'er behind them, looked at Su Chen's sudden appearance. Everyone was very surprised.

Su Chen's sudden appearance showed that Su Chen's strength was Very powerful, but now that Brother Qilin knows Su Chen, they all breathed a sigh of relief.

"Shaoyu, who is the person who appeared? Do you know him?"

"I don't know, I've never met this person before!"

"Who could he be? I think he is stronger than his uncle"

"Well, I also think he is very powerful."

Tianming and Xiang Shaoyu looked at Su Chen and whispered. They were frightened by Su Chen's sudden appearance.

After a while,

Qilin left.

Su Chen looked at the leaving Qilin in silence.

The four Qilin brothers arrived here. Is the world because of a triggering mission, or is it a mission to protect Fusu for a year?

Protect Fusu for a year?

Brother Qilin wanted to get the antidote to Moon Wolf's poison in advance.

When Fusu was demoted to Jiuyuan,

Fusu was killed by Moon Wolf. The descendants of the attack, Qilin and the four understood the plot, and they had to prepare in advance just in case.

Tianming and Xiang Shaoyu came to the side of Gai Nie. Tianming looked at Su Chen and shouted,

"who are you? Your friend left, why didn't you leave?"

Su Chen glanced at Tian Ming and ignored him. He walked towards Yue'er,

Xiao Yue'er?

Su Chen didn't know how to face her.

Yue'er is not Su Yue, she is also Su Yue, but Yue'er is not His biological daughter.

The damn ladder to heaven, the road to refining one's heart?

Is this his road to refining one's heart?.

Chapter 2719

Outside the room,

Gai Nie, Duan Murong, Tianming and Xiang Shaoyu saw Su Chen walking towards Yue'er. They all became worried. They couldn't figure out how Su Chen walked towards Yue'er.

Tianming hurriedly shouted,

"Hey, what are you going to do?"

Boom!

Su Chen suddenly burst out with a powerful momentum and knocked back everyone, including some scum.

Su Chen had no time to pay attention to them.

Gai Nie and others were knocked back more than ten meters by Su Chen's momentum.

They looked at Su Chen and said They were very surprised.

Su Chen casually burst out his momentum and drove them away. Gai Nie and the others did not expect that Su Chen would be so powerful.

Tianming hurriedly grabbed Gai Nie and shouted,

"Uncle, go and save Yue'er quickly, that person is going to be harmful to Yue'er."

Gai Nie shouted with a serious face,

"Tianming, shut up."

Gai Nie looked at Su Chen Fei"067" and was very confused.

Su Chen seemed to know Yue'er, and Su Chen seemed to have special feelings for Yue'er, as if a father looked at his daughter. Could it be that Yue'er was Su Chen's daughter?

Duan Murong frowned and looked at Su Chen.

She couldn't figure out who Su Chen was and why Su Chen walked towards Yue'er.

But Su Chen seemed to know Yue'er, and

Duan Murong didn't feel that Su Chen was going to treat her. Yue'er was unlucky, but how could Su Chen know Yue'er? Could it be that Su Chen was from Yan country?

Yue'er asked with her eyes wide open,

"Are you looking for me?"

Su Chen nodded and replied,

"Looking for you!"

"Who are you?"

"My name is Su Chen!"

"Why are you looking for me? you know me?"

Su Chen was confused when he heard Yue'er's words.

Do you know him? Does he know Yue'er? Why does Yue'er look exactly like Su Yue?

The road to refining one's heart? What is his road to refining one's heart? Su Chen He replied with a somewhat pale face,

"know? We know each other. You and my daughter look exactly the same. My daughter's name is Su Yue. If you meet, I think you will become good friends. Yue'er said in surprise,

"Su Yue? Your daughter also has the surname"month". My name is Yue'er, but I don't have a surname."

No surname?

Yue'er seems to have only one title of princess,

Yan Dan.

Su Chen will make his death a hundred times more miserable than Tian Meng's, and he will be reincarnated as a beast for the rest of his life.

Su Chen touched Yue'er's hair Said,"Yue'er? What a nice name. You and my daughter are really destined."

"Can I call you uncle?"

"Can't"

"Why?"

Why?

He is Yue'er's father?

It doesn't seem to be the case, but it is considered true.

Su Chen dare not say that he is Yue'er's father at this moment.

He feels different about Tian Yan and Yue'er.

Tian Yan is not his biological daughter. Su Chen doesn't have too many complex emotions about this. Su Chen will always love and like Su Yan, and the same goes for Tian Yan.

But Yue'er is different.

Su Yue is her biological daughter, but Yue'er is not. They are the same person, the same. They have exactly the same appearance, but Yue'er and Su Yue have different identities and bloodlines. Su Chen is very confused.

"well!"

Su Chen sighed, took out a spiritual fruit and handed it to Yue'er and said,

"Yue'er, you will understand in the future. I have a fruit here. You will not get sick after eating it."

"What a beautiful fruit. Do you really want to give it to me?"

"Eat it!" (To read exciting novels, go to Feilu Novel Network!)

"Don't eat it, Yue'er, don't eat the fruit from strangers."

Just when Yue'er was about to eat the spirit fruit,

Tianming shouted at the side to stop Yue'er from eating the spirit fruit. He felt that Su Chen was going to snatch Yue'er away, and the spirit fruit was very beautiful and bright, so the spirit fruit might be a poisonous fruit

"Tianming, what are you doing? shut up."

Gai Nie didn't expect that Tianming would yell and stop Yue'er from eating the fruit. The smell of the fruit in Yue'er's hand made people feel energetic, and it also made his injuries somewhat better.

Gai Nie guessed that Su Chen's The fruit is the Heaven and Earth Spirit Fruit, a very, very precious spirit fruit.

If he eats the spirit fruit in Yue'er's hand, Gai Nie's injuries will immediately recover.

Duanmu Rong and Xiang Shaoyu looked at Tianming one after another.

They smelled the fruit. The fresh fragrance disappears in a moment. What's wrong with such a fruit?

Whoosh!

"Ahhhhh....., my hand, my hand!"

A white light suddenly flashed, and one of Tianming's hands was cut off and fell to the ground. He yelled in pain.

"Dawn!"

"Tianming, damn it, that Su Chen cut off Tianming's hand!"

"Tianming, don't move, I'll stop your bleeding!"

Gai Nie, Duan Murong, and Xiang Shaoyu all looked at Tianming. They just saw a sword flying into Su Chen's hand.

Tianming's hand was cut off.

This is what Su Chen did just now.

It was too cruel.

Tianming is just a child. If he said something wrong, Su Chen would not cut off Tianming's hand.

When Gai Nie saw Duan Murong bandaging Tianming's wound, he stood up and looked at Su Chen with an ugly expression.

"Your Excellency, you have gone too far."

Su Chen threatened disdainfully,

"Ge Nie, if you don't want to die, don't meddle in other people's business. Otherwise, I can crush you to death without the Qin army killing you. Yue'er glared at Su Chen angrily and asked,

"Why do you want to hurt Tianming?"

Su Chen knelt down and said to Yue'er,

"Yue'er, Tianming has plans for you. Don't be with that stupid boy in the future."

"You're talking nonsense. Tianming is my friend. If you hurt Tianming, I won't eat your fruit anymore."

"Yue'er....."

"Please leave, we don't welcome you in Jinghu."

Su Chen's face became even paler.

Yue'er returned the spirit fruit to him and ran to see the dawn. Su Chen crushed the spirit fruit to pieces in anger.

Why?

Why did Yue'er drive him away?

His daughter Why did you drive him away? No, Yue'er is not his daughter, isn't she? 5.5 Boom Boom Boom.....

"Ahhhhh....."

Su Chen's aura suddenly became violent, and he held his head in pain and screamed.

The spirit sword Luoxue flew to Su Chen's head and made a buzzing vibration, boom boom boom!

Suddenly, the Falling Snow Sword burst out with a white light that enveloped Su Chen.

Gai Nie and the others quickly retreated. The houses on Jinghu Lake were shaken and collapsed. Dust was flying around Su Chen, and the big trees nearby were uprooted by the shock. rise.

Duan Murong asked with fear,

"Ganie, what's going on?"

Gai Nie replied with a serious face, "Su Chen's aura was violent, and his weapons seemed to be protecting him. Duan

Murong looked at Su Chen and said guessingly,

"how so? Why is his aura rioting? Is it because of Yue'er?"

Chapter 2720

Duan Murong looked at Su Chen and was very surprised.

She thought of Yue'er's reprimand to Su Chen just now and how she wanted to drive Su Chen out of Jinghu. Then Su Chen suddenly had a breath riot. Duan Murong guessed that Su Chen's breath riot had something to do with Yue'er. There are relationships

"should be!"

Gai Nie turned around and looked at Yue'er in a panic.

He couldn't figure out what the relationship between a strong man like Su Chen and Yue'er was. Could it be that Yue'er looked very much like Su Chen's daughter?

Yue'er looked at Su Chen and was very flustered.

Su Chen's sudden change seemed to be very painful. She felt that she had done something wrong just now.

"Ding, host, you really don't make people worry."

"Ahhhhh....."

"Ding, host, the ladder to heaven has seriously weakened your mind. Your mind is at its most vulnerable period in this world. A little emotional fluctuation will make you fall into entanglement and pain. You should understand that the road to refining the heart is not an ordinary road to refining the heart. , will the road to refining one's heart on the ladder to heaven be easy?"

"Ahhhhh....."

"Ding, idiot host, forget it, help the little bastard one more time."

Boom!

Su Chen was kneeling on the ground and screaming in pain. A ray of light suddenly burst out from his body. Su Chen, who was screaming for a while, stopped screaming.

Su Chen's hair was disheveled at the moment, his face was very pale, and his riotous aura was restored. Calm.

He rubbed his painful head and frowned.

The system repeated the reminder just now.

Su Chen understood why he fell into entanglement and pain. In this world, his mind was severely weakened by the ladder, and even the slightest mood swing would make him withdraw. It has had a huge impact, damn Heavenly Ladder, no wonder he has been entangled in random thoughts since seeing Yue'er. It turns out that everything is caused by Heavenly Ladder.

The road to refining the heart?

When the mind is weakened to the most vulnerable period?

Damn it,

Heavenly Ladder is going to do it. Will he die?

Su Chen thought that in the world of Da Qin, he seemed to know a lot of people, such as

Tian Yan, Yue'er, Yan Fei, Xue Nu, Zi Nu, Moon God, etc. His mind was at the most vulnerable period. If Su Chen met When meeting these people, his mood will definitely fluctuate.

Damn it, the system only saved him once and did not restore his extremely fragile mind.

What about the future?

Su Chen's mind cannot have huge fluctuations, otherwise he may happen again go Ape

"Thanks, system."

Su Chen took the Luoxue Sword in the air and touched it. The Luoxue Sword automatically protected its owner when it saw something happened to him.

"Ding, it's just this once, it won't happen next time."

Su Chen shook his head when he heard the system's answer.

The system girl has said this many times, but as long as something happens to him, the system girl will still help him, a arrogant girl.

Whoosh!

Su Chen glanced at Yue'er. He disappeared from the spot in an instant.

He wanted to be quiet for a few days.

He wanted to think carefully about what he would encounter in the future. He wanted to avoid this situation happening again.

"Sister Rong, will something happen to Su Chen?"

When Yue'er saw Su Chen disappear suddenly, she felt a little worried. Su Chen had been kind to her before. If Su Chen hadn't cut off Tianming's hand, Yue'er wouldn't have hated Su Chen, let alone drove Su Chen away.

"Yue'er, Miss Duanmu, and Su Chen will not get into trouble again, and his riotous aura has subsided."

Gai Nie felt very uneasy.

Su Chen had a powerful spiritual sword.

A white light erupted from his body just now, and he suddenly appeared and disappeared. Gai Nie felt that Su Chen was not an ordinary person, an immortal?

Impossible, in this world There can't be an immortal,

Su Chen?

Who is he? When

Duan Murong and Yue'er heard what Gai Nie said, they didn't know what to say. A stranger, or a powerful stranger. They felt that Su Chen was very special. Weird.

Tianming was supported by Xiang Shaoyu and walked over.

He looked at Gai Nie and shouted angrily,

"Uncle, why didn't you kill that Su Chen? He cut off my hand and I will become a cripple in the future. Xiang

Shaoyu also said angrily,

"Ge Nie, even if you don't kill Su Chen, you should still catch him. Su Chen cut off Tianming's hand."(To read Baoshuang novels, go to Feilu Novel Network!)

Gai Nie said with a serious face,

"Tianming, it's all your fault. You shouldn't say those things. The fruit Su Chen gave Yue'er should be the Heaven and Earth Spirit Fruit."

"This is a spiritual fruit that is rare to find. Tianming, don't you feel full of energy after smelling the spiritual fruit? Don't you feel that you are no longer tired? You ruined an opportunity for Yue'er"

"I....."

Tian Ming's face was so pale that he didn't know what to say. He had previously thought that Su Chen was going to take Yue'er away, so he stopped Yue'er from eating the spiritual fruit given by Su Chen.

Duan Murong looked at Tian Ming and shook her head.

She did not blame Tian Ming for letting Yue'er miss an opportunity. The spiritual fruit had been crushed by Su Chen. Duan Murong blamed Tian Ming to no avail. Yue'er missed a great opportunity.

Duan Murong said,

"`.Gai Nie, take Tianming and Xiang Shaoyu away, my Jinghu needs peace."

Gai Nie nodded to Duan Murong and replied, "Miss Duanmu, please excuse me, we are leaving now."

"Yue'er, me...."

When Tianming was still about to say something to Yue'er, he saw Duan Murong pulling Yue'er away. Tianming turned back and walked out of Jinghu in a depressed mood.

Ten days later, in the mountains,

Su Chen was sitting by the river with his eyes closed and meditating. He was very calm at the moment. In order to overcome his weakened mind, he had been sitting here thinking for the past ten days.

"well! Or not."

Su Chen opened his eyes.

His mind was very calm.

But as soon as he tried to think of what Yue'er said, Su Chen became irritated and tangled in his heart.

Damn it, how are we going to get through the journey of refining the heart?

Farmer,

Lie In the mountain hall,

Tian Yan's calm and cold face was a little uneasy.

It had been more than ten days, and there was no news about Su Chen. Where did her so-called (dead) father go? Why didn't he come back?

"Miss Qi, there is news that Guard Su appeared at Jinghu Medical Village ten days ago."

"Jinghu Medical Village? Mohist Duan Murong?"

Tian Yan couldn't sit still when he heard that the farmer's disciples.

Su Chen went to Jinghu Medical Village?

Is he really injured?

Su Chen is very powerful. He can't be injured by killing Tian Meng. Tian Yan can't understand. Why did Su Chen go to Jinghu Medical Village?

"Miss, there is another news. The Qin army seems to be attacking the Demon's Agency City. In the mountains where the Demon's Agency is located, our peasant disciples discovered tens of thousands of Qin troops."

Tian Yan waved his hand and said,

"You go down"

"Yes, Miss!"

Tian Yan thought about it with a cold face, and decided to go to the Mo family's organ city.

Since Su Chen went to the Mo family's Jinghu Medical Village, he might also go to the Mo family's organ city. Tian Yan wanted to know what Su Chen was going to do...
