Chapter 2721

Three days later, Su Chen was walking casually in the mountains. He never thought of a way to deal with his fragile mind. Su Chen didn't dare to think about some things. He was afraid that he would fall into the aura riot again.

"Huh? Military camp! Qin army?"

Su Chen suddenly found a military camp in the mountains ahead, and there were tens of thousands of Qin troops wearing black armor.

In the mountains?

Qin troops?

Mohist government city?

Are these Qin troops going to attack the Mohist government city?

Su Chen touched his chin to check. After a while, he guessed that the Qin army came to overthrow the Mo family's organ city.

Whoosh!

Su Chen disappeared instantly, and the Qin army appeared here.

He guessed that the Mohist organ city should be near -, and the yin and yang in the Mohist organ city The Phantom Sound Treasure Box is still in the forbidden area of the Mo family. Su Chen wants to get the Phantom Sound Treasure Box first.

"Juzi, the Qin army and Liusha will attack Guancheng in the next few days. We need to rush back and arrange it."

"I understand, Zhang Liang, Xiaoyaozi, thank you for coming to help the Mo family"

"You are so polite, the Mo family are allHow could such a chivalrous person not help the Mohist family?"

"Yes, Juzi, the Qin army and Liusha are attacking Guancheng. We will help the Mo family stop the Qin army and Liusha's attack."

"Hahaha, we are all anti-Qin alliance, we will not stand idly by when dealing with the Qin army"

"You are right. Da Qin destroyed our six kingdoms. As long as we confront the Qin army, we will be obliged to do so."

"The Mohist family would like to thank all the martyrs for their help."

In the mountain forest, dozens of people gathered together to rest and talk. Some of these people were strong men from hundreds of schools of thought, and some were anti-Qin righteous men and nobles from the six countries. They all rushed to the Mohist government city to help the Mohist family resist Qin. The Mo family's attack.

The giant of the Mo family wore a cloak.

He looked at the dozens of people next to him and was a little happy. These people were all very powerful. With the help of these people, the Mo family, plus the agencies in the city, the Qin army wanted to break through the agencies. The city is impossible

"King Qin Yingzheng, I, Yan Dan, will definitely restore Yan State, and Qin State will also be destroyed."

Mojia City, the Mohist disciples in the city are ready to fight.

Tens of thousands of Qin troops appeared ten miles outside the city. The war in the city will break out in a few days. The leaders and disciples of the Mohist family are being careful these days. Be on guard.

In the meeting hall of Guan City, the Mohist leaders Gao Jianli, Xue Nu, Tuo Tuo, Xu Fuzi, Duan Murong, Master Ban, and Big Iron Hammer sat together to discuss preventing the Qin army from attacking Guan City.

"I don't know when Juzi will come back. The Qin army and Liusha will attack Guancheng in the next two days."

"Tao Tuo, you go check it out later. The boss and the invited people should be arriving soon."

"Okay, I am very light and quick. As long as Juzi appears in the mountains, I will definitely tell him about the news about the machine city."

"We need to send more disciples to guard the agency city. All defense mechanisms in the agency city must be activated."

"Well, this will trouble Master Ben."

"This is a matter of duty. By the way, what should Gai Nie and the Xiang family do? Should we drive them away?"

"No, Gai Nie is powerful and he will help us deal with Liusha. The Xiang family is the backbone of the Chu State. In the future, the Xiang family will be a powerful helper in the fight against Qin."

Duan Murong didn't speak as she listened to the words of several people. She was still thinking about Su Chen.

Five days ago,

Brother Qilin came to Jing Lake again to look for Su Chen, and four powerful people also came. After learning that Su Chen had left, they left one after another. Duan Murong had been thinking about Su Chen's identity.

Whoosh, Su Chen appeared by the small lake in the agency city in an instant. He looked around and looked to one side. Go to the forbidden area of the Mohist government city. Su Chen wants to arrest

a Mohist disciple and find out where it is. A quarter of an hour later, Su Chen arrived at the entrance of the forbidden area of the government city. He looked at the forbidden area and walked in directly. In the forbidden area, Tianming and Xiang Shaoyu and Yue'er appeared in the forbidden area. (To read Baoshuang novels, go to Feilu Novel Network!) They encountered many dangers in the forbidden area, but fortunately they survived the crisis without any danger. Yue Yue'er followed Tianming and Xiang Shaoyu helplessly. She took Tianming and Xiang Shaoyu around the city, but she didn't expect Xiang Shaoyu and Tianming to enter the Mo family's forbidden area. When Yue'er wanted to stop them, it was too late. The entrance to the forbidden area of the city can only be entered but not exited. If they want to go out, they can only break through the forbidden area. Tianming asked doubtfully,

"Shaoyu, are you sure there are some formation-breaking overlord spears and non-attack weapons in the forbidden area?"

0 Asking for flowers.

Xiang Shaoyu nodded and replied,

"Of course, what my uncle said is not wrong. We only need to find the formation-breaking Overlord Spear and the non-attack. I want the formation-breaking Overlord Spear, and you get the non-attack. After we become stronger in practice, we can kill that Su Chen together."

"good!"

Tianming looked at his robot hand angrily,

Su Chen?

That bastard who chopped off one of his hands.

If it weren't for Su Chen, he wouldn't be able to use a robot hand now. After Tianming becomes stronger in cultivation, he will definitely go to Su Chen. Revenge. Su Chen arrived at the Dragon Throat location in the forbidden area. After searching for a while, he found a treasure box on the stone platform. The Phantom Sound Treasure Box? He walked over and put away the Phantom Sound Treasure Box. Su Chen discovered that Tianming and Yue'er, Xiang Shaoyu, the three of them still entered the forbidden area of the Mo family as in the plot, and used the Overlord Spear to break the formation? Non-attack? Tianming and Xiang Shaoyu want to get it? Is it possible? Su Chen is not interested in those rubbish, but he will not let it go Tianming and Xiang Shaoyu got it.

Half an hour later, Su Chen found the formation-breaking Overlord Spear and Fei Gong respectively. Suddenly, the sound of fighting came from the forbidden area passage. Su Chen thought of the Moon God of the Yin Yang family. The Moon God seemed to be in the forbidden area. After grabbing Yue'er, he quickly moved towards the place where the fight was taking place. At this moment, in the passage of the forbidden area, the Moon God of the Yin-Yang family caught Yue'er, and both Tianming and Xiang Shaoyu were beaten to the ground. Tianming fell to the ground and shouted. road,

"Bad woman, let go of Yue'er!"

"Ridiculous!"

The Moon God wore a gauze and looked at Tian Ming without making any move.

As a man of destiny, the Moon God cannot kill Tian Ming. Canglong Qisu still needs Yue'er and Tian Ming to solve it.

Whoosh!

Su Chen appeared silently. Beside Luna, he patted Luna on the shoulder and said,

"Beauty Luna, let go of the moon!"

"Who are you?"

Yue Shen was suddenly tapped on the shoulder.

She quickly dodged and appeared on the other side. A person appeared silently. Yue Shen didn't notice it at all. She guessed that Su Chen might be stronger than her.

"Who am I? Moon God, you will know who I am in the future. Let Yue'er go. I don't want to do anything to you."

Chapter 2722

Su Chen looked at the plump Moon God and smiled.

The Moon God was still the alluring Moon God, with her beautiful face, uneven figure, proudly standing mountains, and especially the alluring red lips of the Moon God. Su Chen Chen couldn't help but want to taste it.

Luna asked expressionlessly,

"Do you know me?"

Know?

Su Chen not only knows the Moon God, but

Su Chen knows everything about the Moon God. They have been married for almost ten years. If the time in the time barrier is included, they have been married for thousands of years. Su Chen is familiar with the Moon God. can no longer be familiar with

"How could I not know about the moon god of the Yin Yang family."

Moon God threatened Su Chen coldly,

"Since you know me, you should also know that I am from the Yin Yang family. Aren't you afraid of being hunted down by the Yin Yang family?"

"Don't be afraid, Moon God, do you still think about squeezing Concubine Yan every day when you go to bed? Also, do you feel uncomfortable at your Shenfeng point every few days?"

"How did you know?"

Yue Shen looked at Su Chen in surprise.

No one knew about her 01 secrets. How could Su Chen know this? Especially the Shen Feng point on her chest, it was even more impossible for anyone to know about it. At this moment,

Yue'er looked surprised. Looking at Su Chen, she did not expect that Su Chen would appear in the Mo family's forbidden area, and also appear to save her, but why did Su Chen appear here? Could it be that Su Chen had been secretly protecting her?

Tianming and Xiang Shaoyu's expressions They looked at Su Chen ugly.

They did not expect that Su Chen would appear in the forbidden area. Why did Su Chen appear in the Mo family's forbidden area? Tianming and Xiang Shaoyu guessed that Su Chen had been following Yue'er.

Su Chen heard what Yue Shen said. He smiled.

The Moon God had these secrets, so it would be easy to handle. The plump and alluring beauty couldn't escape.

Su Chen sent a message to the Moon God,

"Luna, you can take Yue'er away, but you can't use the mind-control spell on her, otherwise I will tell you the secrets on your chest, the secrets on your butt, and the sensitive places on your ears."

"you....."

Luna looked at Su Chen and was speechless in shock.

She didn't expect that Su Chen would know everything about her. Su Chen actually knew all the privacy of Luna.

Who is this shameless person?

Su Chen took out the phantom sound treasure box and continued to transmit the sound,

"This is the phantom sound treasure box of the Yin and Yang family. You teach Yue'er how to use it. By the way, your cousin Yan Fei, you tell her that I am here. My name is Su Chen and I am your future husband."

Yue Shen numbly took the Phantom Sound Box. She became more and more confused about Su Chen.

Is Concubine Yan a cousin?

Only Donghuang Taiyi of the Yin Yang family knew about this. How could Su Chen also know about this? ?

Future husband?

Is this shameless man talking nonsense? Or has he calculated something? Doesn't Su Chen also know how to watch stars?

Su Chen said to Yue'er

"Yue'er, you and Luna are leaving together. Luna is your aunt and she won't hurt you. Yue'er asked in surprise,

"Aunt? This is real?"

This bad woman is her aunt?

How is this possible?

Yue'er has never heard her mother say that she has an aunt. How could Yueshen be Tian's aunt?

However,

Su Chen has no need to deceive her, and Yue'er believes that Su Chen doesn't. Will deceive her? Could it be that the Moon Goddess of the Yin Yang family is really her aunt?

Su Chen nodded and replied,

"It's true. I won't lie to you. Your aunt can also do stargazing. Yue'er, you can learn from your aunt."(To read Baoshuang novels, go to Feilu Novel Network!)

Luna looked at Yue'er with complicated eyes, aunt?

She and Concubine Yan have never dealt with each other and have been competing with each other. Luna has never called Concubine Yan cousin,

As for Yue'er, the Moon God has never cared about Yue'er, a person who shouldn't have appeared, a person of destiny who opened the Canglong Qisu.

At the beginning, the Moon God wanted to control Yue'er with a mind-control spell, but she has no such plan now..

Moon God said to Su Chen coldly,

"Su Chen, I don't care who you are, above the mirage, I will wait for your arrival, and I will shine on her with the moon."

Su Chen took out some spiritual fruits and reminded the Moon God,

"Moon God, be careful of Xinghun. If you have a chance, kill Xinghun and Yun Zhongjun. You and Yue'er eat these fruits on the way. Purple fruits can improve your strength."

"good!"

The Moon God saw the spirit fruit and hurriedly put it away.

Is this the Heaven and Earth Spirit Fruit?

The Moon God didn't expect that Su Chen would have the Heaven and Earth Spirit Fruit, and he suddenly transformed into five or six Heaven and Earth Spirit Fruit.

As for Xinghun and Yun Zhongjun,

She has wanted to kill her for a long time.

If the purple heaven and earth spirit fruit can improve her strength, the moon god will kill Xinghun and Yunzhongjun when he returns to the mirage.

"Moon God, we'll see you on the mirage after the Mo family's organ city."

Su Chen waved his hands to Yue Shen and Yue'er, and he disappeared instantly.

Su Chen was worried that if he stayed with Yue'er for too long, he would lose control of his fragile mind and go crazy again.

Yue'er saw Su Chen instantly She was not surprised when he disappeared.

She was already used to it.

Su Chen always appeared and disappeared suddenly. Yue'er had seen it several times before.

"Are you really my aunt?"

Moon God nodded and replied,

"Yes, Yue'er, don't tell anyone about this. You can call me aunt when no one is around.

Yue'er asked happily,"Aunt 913, do you know where my mother is?"

"I know, Yue'er, you can't see your mother yet, but as long as Su Chen goes to the mirage to find us, you will see your mother."

"Auntie, I'm waiting for Uncle Su on the mirage."

The Moon God hugged Yue'er and quickly ran away. She was very confused.

The appearance of Su Chen broke her long-term calm state of mind. Su Chen's sudden appearance and sudden disappearance, and the Heaven and Earth Spirit Fruit. The Moon God could not guess that Su Chen Who is Chen?

In Xianyang of the Great Qin Dynasty, the four Qilin brothers looked at each other in a tea shop.

They could not see the young master Fusu.

The one-year protection period was about to begin. Fusu was about to set off to Xiaoshengxian Manor to assassinate Fusu. The incident is about to begin, and they can't protect Fusu without getting close to him.

Mu Ningxue:"The mission will start in about ten days, how are we going to protect Master Fusu?

Maximus:"We can't break into Fusu's mansion, otherwise it will be counterproductive. We must find an opportunity to get close to Master Fusu." Alice

:"I don't know where that bastard Su Chen has gone. If Su Chen is here, he must have a way to help us.""

Qilin:"According to the development of the plot, Su Chen may have gone to the Mohist government agency city. Time is tight. It is impossible for us to go to the Mohist government agency city to look for Su Chen."

Chapter 2723

The four of Mu Ningxue were very helpless.

The mission was about to begin.

The four of them had not yet contacted Fusu. If they could not get close to Fusu, it would be very difficult for them to protect Fusu's safety.

Alice frowned and reminded,

"How about we go to Haiyue Xiaozhu first? Wasn't Fusu's first assassination in Haiyue Xiaozhu? We can rescue Fusu in Haiyue Xiaozhu, so that we can also get close to Fusu. Maximus shook his head and said,

"No, we have to protect Fusu for a year, and the plot may change. We can only refer to the plot, but we cannot rely on the plot to protect Fusu."

Brother Qilin said expressionlessly, "It's not bad, the plot can only be used as a reference. This world is a real world after all, and we cannot take it lightly."

Mu Ningxue said helplessly with a headache,

"Trouble, in this case, we can only keep an eye on Master Fusu all the time."

After the four Alices talked for a while, they decided to keep an eye on Fusu at all times.

They could not approach Fusu, nor could they rush into Fusu's mansion.

The four Alices had no choice at all. They could only secretly protect Mr. Fusu.

Two days later, the Mohist army and Liusha began to attack the government city. People from Liusha sneaked into the government city and poisoned them.

Two-thirds of the Mohist disciples in the government city were poisoned.

Thousands of Mohist disciples were massacred by the Qin army without the power to resist. The city was captured by the Qin army and Liusha within a day.

From a tower on the city,

Su Chen looked at the fighting in the square and shook his head.

Once the easy-to-defend but difficult-to-attack organ city is breached, the Mohist disciples will only be massacred when faced with the Qin army and Liusha.

Jiuye Qianyu?

This poison is a bit weird and will explode when exposed to sunlight.

Princess Honglian is really a The poisonous master, no wonder he is called Chi Lian

"Senior brother!"

"Xiaozhuang!"

In the square,

Wei Zhuang and Gai Nie faced each other. The two of them looked at each other and their momentum became stronger and stronger.

Wei Zhuang looked at Gai Nie and mocked,

"Senior brother, you are a bit miserable. The dignified personal guard of King Qin Yingzheng, you turned into a fugitive for the sake of a child."

Gai Nie said expressionlessly,

"Xiaozhuang, take the quicksand and retreat. The Mo family and many chivalrous people are all righteous people who resist Qin."

"Hum, Liusha uses money to do things, senior brother, be careful."

Bang bang bang.....

Wei Zhuang and Gai Nie started fighting quickly, and the Toothed Shark Sword and Yuan Hong Sword collided violently. The Qin army and Mohist disciples around them fled one after another. They did not want to be accidentally killed by Wei Zhuang and Gai Nie.

Gao Jianli saw Xue Nu and Duan Murong being surrounded and killed by the Qin army. Their situation was in danger, especially the Qin army's crossbows. Xue Nu and Duan Murong were in danger every time.

Gao Jianli looked around and shouted,

"Snow Girl, Duan Murong, please retreat quickly. Leave this place to us and Juzi."

"Yi Shuihan!"

Boom!

Gao Jianli used the cold water sword to attack the surrounding Qin army with a special move. He wanted to help Xue Nu and Duan Murong escape from the siege.

At this moment, more and more Qin troops invaded the city. The Mohist disciples suffered heavy casualties. If this continues, the Mohist disciples and many chivalrous people will be destroyed in less than an hour.

Master Xu shouted to Yan Dan next to him,

"Big brother, more and more Qin troops are attacking Guancheng. Our disciples can't hold on any longer, so withdraw!"

"damn it!"

Yan Dan, who was wearing a cloak, was very angry. The Mohist government city was his last capital against Qin.

If the Mohist family was destroyed, how could he fight against Qin in the future?

How could he restore the country?

How could he destroy Qin?

"Giant, exit the machine city first, it's important to preserve your strength"

"Yes, Juzi, there are too many Qin troops, and with the help of quicksand, the government city cannot be defended, so retreat quickly!"(To read Baoshuang novels, go to Feilu Novel Network!)

Zhang Liang and Xiaoyaozi also reminded Yan Dan that the Mohist disciples were almost dead, and many chivalrous people also suffered heavy casualties. If they don't retreat (abea) , after being completely surrounded by the Qin army, it was impossible for them to retreat.

Yan Dan shouted to the surroundings,

"Evacuate, we evacuate the government city, everyone evacuates the government city."

Yan Dan knew that nothing could be done.

The city could not be defended. If they did not retreat, everyone would be massacred in the city.

Meng Tian saw the Mohist disciples and others trying to escape.

Escape?

Can all the rebels escape? ?

The Mohist government city invaded tens of thousands of Qin troops, and all exits were blocked by the Qin army. With the help of Liusha and Gongsun Shu, the rebels in the Mohist government city will be massacred.

Meng Tian waved an order with disdain road,

"The military crossbow is ready to shoot all the rebels who escape."

"kill!"

Swish swish swish.....

The Qin army's crossbows quickly shot down the fleeing Mohist disciples and anti-Qin righteous men.

For a time, hundreds of Mohist disciples and anti-Qin righteous people who were trying to escape were shot dead. Less than a hundred Mohist disciples and anti-Qin righteous people were left, and they were surrounded by Qin troops and quicksands.

Meng Tian looked at everyone and shouted,

"You have nowhere to escape, surrender immediately."

Big Iron Hammer shouted at Meng Tian, "Meng Tian, don't even think about it, we can't surrender even if we die."

The fighting in the square temporarily stopped.

Except for Wei Zhuang and Gai Nie who were still fighting next to them, the Mohist disciples and some anti-Qin righteous men gathered together. Everyone stared at the Qin army around them as if they were dead. No one wanted to Surrender to Daqin

"Crossbow preparation."

Whoosh!

Suddenly,

Su Chen appeared in the square, and also appeared in front of everyone in the Mo family. Su Chen looked at everyone in the Mo family expressionlessly.

The man in black wearing a black cloak,

Yan Dan?

He should be the former prince of the Yan Kingdom. Yan Dan.

When Qin Jun and the Mo family saw the sudden appearance of Su Chen, everyone was very surprised.

A man appeared silently, and there was a powerful aura on his body. Everyone in the Qin Jun and the Mo family wanted to know about Su Chen. Enemy or friend.

Su Chen looked at the cloaked man and said coldly,

"Yan Dan, do you want to continue to hide your head and show your tail?"

"Who are you?"

Yan Dan looked at Su Chen in surprise. He didn't expect that Su Chen would know his identity.

Yan Dan is the identity of a giant of the Mo family.

There are no more than ten people who know this secret, and it is impossible for everyone who knows to expose his identity. Identity.

How could a stranger know his identity?

And also want to kill him?

Su Chen pulled out the Falling Snow Sword and sneered,

"Kill your person!".

Chapter 2724

In the square, everyone, whether they were Qin Jun or Mohist disciples, looked at Yan Dan.

The Mohist giant was actually Yan Dan, the former prince of the Yan Kingdom?

No wonder Yan Dan has been wearing a cloak. It turns out that Yan Dan is hiding his identity.

The leaders of the Mo family looked ugly.

Yan Dan's identity was exposed, and the Great Qin Empire would not let the Mo family go. They understood that after Yan Dan's identity was exposed, the Great Qin Empire would kill the Mo family, and it would be impossible for the Mo family to surrender even if they wanted to.

Zhang Liang and Xiaoyaozi were very surprised. Yan Dan's identity was exposed, and the Mo family was about to be doomed.

Jing Ke assassinated Qin, and Yan Dan was the mastermind behind it.

Emperor Ying Zheng of Great Qin hated Yan Dan deeply.

If Ying Zheng knew that Yan Dan was not dead, all the killing organizations in Great Qin would spare no effort to hunt down Yan Dan, and anyone who dared to hide Yan Dan would Hundreds of schools of thought in "Zero One Three" will be wiped out

"Yandan?"

After Meng Tian heard what Su Chen said, his eyes lit up when he looked at the Mohist giant.

Prince Yan Dan of the Yan Kingdom actually faked his death? And he secretly became a Mohist giant?

This news is very important.

If the First Emperor knew that Yan Dan was not dead, Da Qin's killing spree will begin, and Shadow Secret Guards and Luo Wang will spare no effort to hunt down Yan Dan and everyone in the Mo family.

"Suchen?"

Duan Murong was very surprised when she saw Su Chen appearing.

Yue'er was kidnapped by the Moon God of the Yin Yang family.

Su Chen failed to save Yue'er in the forbidden area at that time. Duan Murong wanted to know why Su Chen didn't save Yue'er.

Also. Why did Su Chen kill Yan Dan and Yue'er's father? What was the purpose of this?

When Xue Nu heard Duan Murong whisper, she asked doubtfully,

"Sister Rong, do you know that person? Duan

Murong nodded and replied,

"Snow Girl, I met him once. His name is Su Chen. I don't know the rest."

"Suchen? Why did he want to kill the giant? Want to kill Yan Dan?"

"Not sure!"

At this moment, after Su Chen pulled out the Luoxue Sword, he walked towards Yan Dan step by step indifferently. A despicable hypocrite, he would make Yan Dan die even more miserably than Tian Meng.

Yan Dan took off his cloak and shouted to Su Chen ,

"who are you? Have I ever offended you?"

Su Chen said indifferently,

"who I am? Yan Dan, do you still remember Concubine Yan? No, do you remember non-smoking?"

"What do you mean?"

When Yan Dan heard Su Chen talking about Concubine Yan of the Yin Yang family, he had a bad premonition. Concubine Yan was discovered by the people of the Yin Yang family because of him. Is this person a friend of Concubine Yan? Or did Concubine Yan come from Yin Yang? Escaped from home?

Su Chen said expressionlessly,

"What's the meaning? Feiyan helped you kill the Six-Fingered Black Man. How did you treat Feiyan? Betrayed her? Are you worried that the cause of Six-Fingered Black Man's death will be exposed and you won't be able to become a Mohist giant, or are you, the chief culprit, worried about being hunted down by the Mohist family? Yan

Dan heard Su Chen's words and shouted,

"Nonsense, you are talking nonsense, I have no idea about the non-smoke-killing Six-Fingered Black Man."

Su Chen said nonsense with disdain,

"Hypocrite, do you think others will believe what you say?"

"Yan Dan, since you passed the news about Feiyan to the Yinyang family and Feiyan was captured by the Yinyang family, you have successfully become a Mohist tycoon, and the Mohist family has also become a tool for national restoration in your hands."

"All your plans are very good, but you dare not provoke Feiyan, Dongjun of the Yin and Yang family. If you want to die, you will be executed by my cruel Lingchi."

Su Chen is talking nonsense at this moment.

He wants to completely discredit Yan Dan. He is a despicable hypocrite.

Su Chen will not only kill Yan Dan cruelly, but also discredit Yan Dan and become a person who everyone calls for beating. The scum.

When everyone around heard Su Chen's words, they all looked at Yan Dan in surprise, especially the people from the Mo family.

They did not expect that the Six-fingered Black Man was killed by Feiyan, who was also Dong Jun of the Yin and Yang family. This incident was planned by Yan Dan, and he later betrayed the Crown Princess Feiyan to the Yin and Yang family.

Everything (for Baoshuang novels, go to Feilu Novel Network!) was because Yan Dan wanted to control the Mo family and take advantage of it. The Mohist family came to rebel against Qin.

The leaders of the Mohist family had different ideas.

Master Ban, Master Xu, Duan Murong, Xue Nu, and Tuo Tuo looked at Yan Dan with deep hatred. Gao Jianli and Da Tiechui stared at Su Chen angrily..Zhang

Liang and Xiaoyaozi, the anti-Qin righteous men, were all stunned.

They did not expect that Yan Dan had done these things. The former tycoon of the Mo family was actually designed to be killed by Yan Dan, and Yan Dan also betrayed his wife. No wonder Yan Dan would become the Yan Dan , the giant of the Mohist family, shouted angrily,

"You are talking nonsense. Everything you said is false. I have never done these things. You are deliberately saying these things to ruin my reputation."

"It doesn't matter whether it is yes or no, Yan Dan, you hypocrite, prepare to die."

Whoosh!

Su Chen quickly swung his sword to kill Yan Dan. Yan Dan quickly blocked Su Chen's attack with Mo Mei.

Bang!

After the Luo Xue Sword and Mo Mei collided quickly,

Mo Mei was directly cut off by the spiritual sword Luo Xue Sword. Mo Mei Although it is a magic weapon in this world, in front of the spirit sword Luoxue, Mo Mei is like paper.

"how so? how so?"

Yan Dan looked at the cut off Mo Mei Sword in his hand.

He was very surprised.

How could the Mo Mei Sword be cut off in one blow?

Even the top-ranked Tianwen Sword couldn't cut off Mo Mei. How could Mo Mei be cut off? Will it be easily cut off by Su Chen's sword?

Whoosh!

Kacha!

After Su Chen deliberately cut off Mo Mei, he instantly appeared beside Yan Dan and quickly cut off one of Yan Dan's arms with his sword.

"ah....."

Yan Dan screamed in pain as one of his arms was cut off, and he swung his severed black eyebrow towards Su Chen.

Yan Dan wants to kill Su Chen, and he will not let Su Chen talk nonsense in front of him. boom!

"ah....."

Su Chen swung his sword and cut off Yan Dan's 4.4 other arm. He was a scumbag.

It would be easy for him to kill Yan Dan, but Su Chen would not let Yan Dan die easily.

"Yi Shuihan!"

Gao Jianli quickly drew his sword and attacked Su Chen. He would not watch Su Chen kill Yan Dan.

"court death!"

Su Chen discovered that Gao Jianli had sneaked up on him and disappeared instantly.

"cut!"

Su Chen appeared silently in the air. He swung his sword and sent out a blade attack towards Gao Jianli.

"No...."

Gao Jianli saw a sword attacking quickly.

He jumped up to avoid it, but as soon as he started to use Qinggong, the sword instantly cut Gao Jianli in half. The two halves of Gao Jianli's body fell from the air.

"Scumbag!".

Chapter 2725

After Su Chen quickly killed Gao Jianli, he looked at everyone around him indifferently. If there were still people desperate to save Yan Dan, Su Chen wouldn't mind sending them to hell.

"Xiao Gao!"

"Xiao Gao!"

"Gao Jianli!"

"High leader!"

When Xue Nu and Da Tie Hammer saw Gao Jianli being killed, they all became angry.

"kill!"

Big Iron Hammer raised a huge hammer and attacked Su Chen. Xue Nu, Xu Fuzi, and Tao Tuo also killed Su Chen one after another.

"Kill, take revenge for Gao Jianli!"

"kill! Revenge for the high leader"

"kill!"

The dozens of Mohist disciples around also rushed towards Su Chen.

The Mohist disciples did not want to avenge Yan Dan. After all, the death of the Six-fingered Black Man was related to Yan Dan.

But Gao Jianli was the leader of the Mohist family, and the Mohist disciples saw the big hammer. Leaders like Xue Nu and Xu Fuzi all rushed towards Su Chen.

Zhang Liang and Xiaoyaozi, the anti-Qin righteous men, did not take action. They looked at Su Chen with fear.

Yan Dan was a big man. Grandmaster,

Gao Jianli is the pinnacle of grandmasters.

The two of them had their arms disabled in Su Chen's hands in an instant, and were killed in two in an instant. Anti-Qin righteous men like Zhang Liang and Xiaoyaozi did not dare to act rashly.

"cut!"

Su Chen stood in the air and looked at the Mo family who were charging towards them. He raised the Snow Sword and quickly slashed at the Mo family disciples. Boom, boom, boom!

Su Chen slashed out sword blades one after another and attacked the Mo family disciples.

"ah....."

"my leg....."

"Save me, quickly..."

"Too powerful, we are no match!"

"Retreat, everyone, retreat quickly!"

The Mohist disciples were attacked and killed by sword blades one after another.

In just a moment, dozens of Mohist disciples were slaughtered and less than ten were left. The head of Master Xu was cut off by the sword blade with a big hammer, and one of Master Xu's legs was cut off. Several other people were injured and fell to the ground.

When Su Chen saw the remnants of the Mo family trying to retreat, he raised the Snow Falling Sword to kill them all.

"Want to quit? Now that you want to take action, none of you will survive.."

"Stop it, Su Chen, stop it!"

Duan Murong quickly came over with Qinggong and shouted to stop her.

She didn't expect that in just a moment, Su Chen and the Mo family would fight.

Almost all the disciples of the Mo family were dead. There were less than ten of the sixty or seventy disciples of the Mo family, and every one of them was dead. Missing arms and legs, another leader of the Mo family died, and others were seriously injured. The surrounding Qin soldiers and anti-Qin righteous men looked at Su Chen in fear one by one.

Attack with a sword?

Almost destroyed the Mo family in an instant?

Too It was incredible, it was like an immortal attacking.

Wei Zhuang and Gai Nie stopped fighting, and they both came quickly to check the situation.

Gai Nie was surprised when he saw Su Chen in the air,"Su Chen? How could it be him? Why did Su Chen come to the Mo family?

Wei Zhuang frowned and asked,"Brother, do you know that person in the sky?"

Gai Nie nodded and reminded with a serious face,

"Xiaozhuang, his name is Su Chen. Don't provoke him. Su Chen is very powerful. We may not be able to withstand his sword. Moreover, the sword in Su Chen's hand is still a spiritual sword."

Weizhuang was a little surprised when he heard Gai Nie's words.

He and Gai Nie couldn't withstand Su Chen's sword? Su Chen's sword or the spiritual sword? Who is Su Chen?

Wei Zhuang is interested in Su Chen in the sky.

Whoosh!

Tian Yan was wearing a fishnet outfit and a mask. She appeared on the big tree next to the square.

Tian Yan looked at Su Chen in confusion and whispered,

"Sure enough, we are here, what is the situation now? Su Chen wants to kill people from the Mo family?"

At this moment, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen saw Duan Murong coming quickly, and he frowned.

Su Chen's previous attack could kill all the people of the Mo family.

Su Chen wants to If you are not worried about killing Xue Nu, none of these Mo family members will survive.

Su Chen shouted with a cold face, "Get out of here, if you dare to attack me again, none of you will survive."

Duan Murong looked at Su Chen unexpectedly.

She didn't expect that Su Chen really let go of the remaining members of the Mo family. Didn't Su Chen intend to kill the people of the Mo family?

"Snow girl, you....You are not injured?"

Duan Murong hurriedly checked on Xue Nv who fell to the ground.

She checked and found that Xue Nv was just a little embarrassed, but Xue Nv was not injured at all.

Duan Murong looked at Xue Nv in surprise.

Others in the Mo family were either seriously injured or missing arms and legs. , how could Xue Nu not have any injuries?

Xue Nu shook her head and replied,"I'm fine, Sister Rong, go and save the others.""

"good!"

When Xue Nu saw Duan Murong going to save other people from the Mo family, she raised her head and looked at Su Chen in the air.

Why?

Why didn't Su Chen kill her?

When Xue Nu rushed towards Su Chen, she clearly saw several sword blades about to penetrate her. body, but how could those sword blades suddenly dissipate?

What's going on?

Su Chen appeared next to Yan Dan instantly. He clicked on Yan Dan's acupuncture points and sealed Yan Dan's cultivation.

Su Chen was right Meng Tian in the Qin army shouted,

"` .Meng Tian, let the executioners in your army torture Yan Dan with a thousand cuts and cut off a thousand pieces of flesh. As long as Yan Dan can survive a thousand cuts, you can take Yan Dan to see Ying Zheng."

Su Chen discovered that Tian Yan appeared in the government city, and he was too lazy to deal with Yan Dan personally.

Tian Yan appeared in the government city.

Did she secretly come to the government city on her own? Or was she sent here by that dead eunuch Zhao Gao? Su Chen thought Go ask Tian Yan

"OK, I'll make arrangements right away!"

Meng Tian hurriedly agreed after hearing Su Chen's words.

He saw that Su Chen was a top strong man, a strong man who had a grudge against Yan Dan. Although Meng Tian controlled tens of thousands of troops, he was not willing to provoke Da Qin unless it was necessary. A powerful enemy. (Okay, Zhao)

Yan Dan had a look of horror on his face when he heard Su Chen's words.

A thousand knives?

Cut off a thousand pieces of his flesh?

This is a punishment of late death.

Yan Dan can't even commit suicide at this moment.

His acupuncture points were tapped by Su Chen, and his cultivation realm was sealed. Yan Dan wanted to speak and beg for mercy, but he couldn't.

Whoosh!

Tian Yan quickly appeared next to Su Chen.

She saw that Su Chen noticed her arrival, but Tian Yan didn't. It was necessary to hide around.

Su Chen took out a spiritual fruit and handed it to Tian Yan and said, "My dear daughter, why did you come to the Mo family's organ city?"

"I'm not your daughter!"

Tian Yan took the spirit fruit and glared at Su Chen,

Good girl?

Damn it, is she still a child?

What kind of bullshit, good girl,"

Su Chen smiled and said,

"Yan'er, I will kill Zhao Gao for you. Zhan Ri is Wang Jian's son Wang Ben, and I will also kill him for you."

Chapter 2726

Tian Yan was very surprised when she heard Su Chen's words.

She knew that Zhao Gao was a powerful dead eunuch.

It was because of Zhao Gao that she was able to join the trap, and it turned out to be Wang Ben who was hiding the sun?

How can this be?

Three generations of the Wang family were generals of the Qin Dynasty. Wang Ben was a general. How could he join the assassin organization Luo Wang?

Tian Yan asked doubtfully,

"Is it really Wang Ben who hides the sun?"

"good!"

Su Chen nodded and replied.

When he saw the executioners of the Qin army beginning to torture Yan Dan, a despicable hypocrite was about to be brutally killed. Su Chen felt relieved and his mood improved a lot.

Great Qin World Here,

Tian Meng and Yan Dan, who Su Chen wanted to kill the most, were solved, and the other scumbags were dispensable.

The road to refining the heart?

How can it be considered the "three-nine-three" road through refining the heart?

Su Chen She didn't have a clue yet.

Tian Yan looked at Yan Dan being tortured.

She couldn't understand why Su Chen wanted to kill Yan Dan and use the same torture as Tian Meng.

"Yan Dan has a grudge against you?"

"have!"

"What grudge?"

Su Chen touched Tian Yan's hair and said,

"Yan'er, you will know this later. What's the reason for your coming to the city this time? Luo Wang also wants to take action against the Mo family?"

Tian Yan slapped Su Chen's hand away and said angrily,

"I came here to find you. You were missing for more than ten days and I thought you were killed."

Tian Yan didn't expect that Su Chen would touch her hair. She felt Su Chen's love and concern for her.

Father?

Tian Yan has never felt his father's love. Su Chen is really her father.? A father who looks young?

Su Chen smiled awkwardly and said,

"Haha, how could I be killed? No one in this world can kill me."

"Tsk, I almost killed you with a sword piercing your chest."

"Ahem, good daughter, this is because you are my daughter. If anyone else dared to attack me, I would have turned them into scum long ago."

The people around saw a woman with a perfect figure appearing and talking with Su Chen. They looked at the woman with a perfect figure in confusion.

"Look at that woman's sword, it's the Frightened Salamander Sword, that woman is the Frightened Salamander in the Snare"

"Amazing salamander? Luo Wen is a famous killer, is Su Chen also a Luo Wen person?"

"I don't know, but he is with the Luowang people. I think he should be from Daqin."

"Well, we have to be careful about this person in the future, he is too powerful"

"We still think about how to escape. We are surrounded by the Qin Army, Liusha and the powerful Su Chen. If the Qin Army and Liusha attack us soon, none of us will be able to escape."

"Yes, if Su Chen takes action against those of us, we will definitely be dead."

After Zhang Liang and other anti-Qin righteous men saw Tian Yan appear, they talked and guessed Tian Yan's identity.

The Qin Yishi were a little desperate.

Not only were they surrounded by the Qin army, but there was also a powerful Su Chen who didn't know whether he was an enemy or a friend.

Wei Zhuang and Gai Nie also saw that Tian Yan was Luo Wang's frightened salamander.

They watched Su Chen and Tian Yan talking. Wei Zhuang and Gai Nie were even more confused about Su Chen's identity.

Wei Zhuang asked Gai Nie,

"A frightened salamander in a snare? Senior brother, is Su Chen a trap?"

Gai Nie replied with a serious face, "I don't know, but I guess he is not a trap."

"Senior brother, let's go meet Su Chen, a strong swordsman. I'm very interested in him."

"Okay, let's go meet Su Chen."

Su Chen and Tian Yan were talking. He felt someone walking towards him and Tian Yan,

Wei Zhuang and Gai Nie?

Why are these two gay friends here?

Tian Yan said indifferently,

"Sword Master Gai Nie, Liusha Wei Zhuang, why are they here?"

"have no idea!" (To read exciting novels, go to Feilu Novel Network!)

"Don't you know them?"

Su Chen rubbed his forehead and said

"Yes, but they probably don't remember me."

He knew Wei Zhuang and Gai Nie from another world.

In this world,

Su Chen only met Gai Nie once in Jinghu Lake, and Wei Zhuang met Wei Zhuang for the first time today.

Gai Nie came and clasped his fists at Su Chen,

"Mr. Su Chen, we have met again. This is my junior brother Wei Zhuang."

Su Chen nodded and said, "Gai Nie, I know Wei Zhuang."

"you know me?"

Weizhuang looked at Su Chen with some confusion.

This was the first time he met Su Chen in the government city. Wei Zhuang had never seen Su Chen before. When had Su Chen met him?

Su Chen shook his head and asked. He said, "Weizhuang, where is your sister Zinu?"

"you.....0."

Wei Zhuang was so surprised that he couldn't speak.

How could Su Chen know that Zi Nu was his sister?

Even Gai Nie didn't know about it. Only he and Zi Nu knew about it in the whole world, and they couldn't tell anyone. How could Su Chen know that Zi Nu was his sister?

Su Chen frowned and continued,

"Wei Zhuang, don't tell me that your sister is dead. Although Princess Honglian used your sister's chain sword, I don't believe that your sister will die.

Wei Zhuang asked coldly and arrogantly, "How do you know Zi Nu is my sister?"

Su Chen touched his chin and reminded Wei Zhuang and Gai Nie,

"There is nothing in this world that I don't know. Wei Zhuang, Gai Nie, be careful of your masters. Gui Guzi is not the Gui Guzi you imagined. You two are just Gui Guzi's pawns. There is another person. If you meet him, kill him."

"who?"

Weizhuang and Gai Nie looked at each other in surprise.

They had known about Guiguzi's fake death for a long time. As for whether their brothers were chess pieces, would they be chess pieces?

Su Chen nodded and replied,

"Liu Ji from the farm family is a shameless gangster. He is the one your master likes.

Gai Nie asked doubtfully, "Liu Ji?" A shameless gangster? Why did our master take a fancy to him?"

Su Chen reminded them,

"A man of destiny, a man of imperial aura, for Liu Ji, your master, all the talents he has cultivated in the past 2.1 years will help Liu Ji. The star of Yinghuo is coming soon, and the Great Qin will be at war soon. You should understand, right?."

Su Chen touched his chin and thought about whether he should help Ying Zheng.

Liu Ji is a shameless gangster, a shameless person who is arrogant. Su Chen can't stand Liu Ji very much.

If according to the development of the plot, Liu Ji should still be able to be the emperor in the future.

Damn it, can he help win the government?

Wei Zhuang and Gai Nie were very shocked.

Is Liu Ji a man of destiny?

Does he still have imperial energy?

Yinghuo Shouxing?

The Qin Dynasty will soon be at war. ? Will Ying Zheng, the first emperor of the Qin Dynasty, die soon?

Wei Zhuang asked with a serious face, "Su Chen, who are you? Why do you know so much?".

Chapter 2727

Tian Yan listened with great interest.

She found that Su Chen knew a lot of things, which made her feel very confused.

Su Chen didn't know anything about Zhuzibaijia and Daqin at the beginning.

How come after more than ten days? ,

Su Chen seems to know everything, and can even guess some things that are about to happen.

It was a bit strange and a bit unbelievable.

Tian Yan decided to ask clearly when there was no one around.

Su Chen rubbed his forehead and said,

"who I am? Wei Zhuang, you can call me brother-in-law. You don't need to be angry. What I said is true. It's just hard to explain. I can't explain it now. If you have the chance, you will understand the cause and effect of everything."

"you...."

Wei Zhuang clenched his fists tightly and glared at Su Chen angrily, brother-in-law?

Zi Nu is not married, how could Wei Zhuang have a brother-in-law?

Hard to explain?

Don't you want to explain now?

What answer is this?

Are you kidding him?

Tian Yan stared at Su Chen indifferently and asked, "Are you Sister Wei Zhuang's husband?" Damn it,

I forgot about Tian Yan. Tian Yan thought he had abandoned her mother? I have a headache and can't explain it. Su Chen said hurriedly in embarrassment,

"Ahem, good daughter, your mother will tell you about this. You can ask your mother later."

"snort!"

Tian Yan glared at Su Chen coldly.

How many months?

Su Chen said that her mother would arrive in a few months.

If her mother arrives,

Tian Yan must ask everything clearly and ask this bastard to abandon him. Her mother, Tian Yan, wanted to kill Su Chen regardless of whether Su Chen was her father or not.

Wei Zhuang and Gai Nie looked at Su Chen and Tian Yan in shock, daughter?

Tian Yan is Su Chen's daughter?

Su Chen looked like How old is Tian Yan?

Are they father and daughter?

Su Chen introduced Wei Zhuang and Gai Nie,

"Wei Zhuang, Gai Nie, this is my daughter Su Yan. Wei

Zhuang asked doubtfully,

"Is Su Yan really your daughter? Biological daughter~?"

"good."

Su Chen nodded and admitted, biological daughter?

He treats Su Yan better than his biological daughter.

In Xuantian Realm,

Su Chen used his luck to have a blood connection with Su Yan.

Su Yan not only inherited his Xuantiao He also inherited his law of chaos. Su Yanhao is Princess Changle of the Xuantian Realm. Su Chen and Su Yan have a real biological father-daughter relationship.

Tian Yan did not speak when hearing Su Chen's introduction, and she did not deny it. ,

Su Yan?

Su?

Is this her last name in the future?

Tian Yan has some faith in Su Chen.

She can see Su Chen's care and love for her. Father? Su Chen may be her biological father.

Gai Nie and Wei Zhuang They are all going to faint.

How many years apart are father and daughter?

Could it be that Su Chen is an old man of several decades? Su Chen just looks young?

Wei Zhuang and Gai Nie looked at each other in confusion. They stopped asking Su Chen. The matter between Chen and Tian Yan, and whether Su Chen and Tian Yan are father and daughter, have nothing to do with him.

Gai Nie rubbed his forehead and asked, (To read Baoshuang novels, go to Feilu Novel Network!)

"Su Chen, why is your daughter so frightened by the trap?"

"Gai Nie, I just found my daughter more than ten days ago. I will handle this matter. I will kill Zhao Gao who caught her in the trap. Su Yan will never be caught in the trap again."

At this moment,

Yan Dan had been cut with a thousand knives and had a thousand pieces of flesh cut off. Except for his head, no part of his body was intact.

Da Qin's executioner's technique was good, and Yan Dan was almost cut into a skeleton. But he is not dead yet. If the injury is treated properly, Yan Dan can live for at least ten days.

At this time,

Meng Tian came to Su Chen and said,

"Mr. Su Chen, Yan Dan's punishment has been completed. Can I take Yan Dan away?"

Meng Tian was very confused about the appearance of Tian Yan and Gai Nie here. One was a Jingyu from Luo Yu, and the other was a wanted criminal in Da Qin. He didn't know what the relationship between Su Chen and them was.

Su Chen nodded and replied,

"Meng Tian, you can take Yan Dan away. Except for Duan Murong and Xue Nu from the Mo family, you can do whatever you want with everyone else in the city."

"this....."

Meng Tian was in a bit of a dilemma.

His order was to kill all the Mohist rebels.

If the Mohists escaped, he could tell him that the Mohists had escaped.

But the Mohists were surrounded and Qin's laws were strict. Meng Tian was a great general, and he cannot violate Qin law.

Su Chen took out a jade box and handed it to Meng Tian and said,

"Meng Tian, please give this to Ying Zheng. Ying Zheng will not blame you after seeing this. Good news. Ge Nie's wanted order has also been withdrawn."

"Okay, I will explain it to His Majesty the First Emperor."

Meng Tian was very shocked.

Su Chen actually turned out a jade box in an instant, and this jade box didn't look like a mortal object. Could the items inside be immortal objects? Is Su Chen an immortal?

Meng Tian must rush back to Xianyang City as soon as possible. , he wanted to hand over the jade box to His Majesty the First Emperor as soon as possible. As for the war in the city, he could just leave it to the deputy general.

Su Chen suddenly stopped Meng Tian who was about to leave and said,

" ` .Meng Tian, I have four friends. They have been bored recently and have to protect Fusu. Their names are Qilin, Alice, Mu Ningxue, and Maximus. Two of them are from the Central Plains and two are from foreign races. You You can look for them in Xianyang City"

"Especially Maximus, he is an outstanding general. When you go to Jiuyuan, you will encounter a Roman army. Maximus is the general of a Roman legion. Meng Tian, you can ask Maximus how to deal with Rome. army."

Meng Tian looked at Su Chen in surprise,

Jiuyuan?

Only the First Emperor and him knew that he was going to Jiuyuan. How could Su Chen also know about this?

Four friends?

Want to protect Mr. Fusu?

There are two aliens among them. ?

Will a Roman army appear in Jiuyuan? Maximus will be the general of a Roman legion?

Meng Tian has remembered it all.

He will look for Su Chen's four friends after returning to Xianyang City

((Yeah) Tian Yan asked Su Chen,

"What did you give to the First Emperor Ying Zheng?"

Su Yan took out a pill and handed it to Tian Yan and said,

"Pills that increase life span. Ying Zheng cannot die. Once Ying Zheng dies, the world will be in chaos. The seven kingdoms are finally unified. The Central Plains should not be at war again. Ying Zheng is a good person. If Qin's laws are no longer strict, Great Qin will make everyone The Central Plains Empire was feared by foreigners."

Gai Nie said seriously to Su Chen,

"Su Chen, Ying Zheng is cruel and cruel. If you do this, the people of the world will live in dire straits forever."

Su Chen disdainfully mocked Gai Nie,

"Idiot, there were wars every day during the Seven Kingdoms period. Aren't the people living in dire straits?"

"Anti Qin?"

"Ge Nie, have you seen the people rebel against Qin?"

"Who are the people who are against Qin? Those who oppose Qin are all the remnant nobles of the Six Kingdoms. Think of Yan Dan and the Xiang family. Their goal is to restore the country. Will they care about the life and death of the people?"

Chapter 2728

Su Chen was very speechless towards Gai Nie.

Gai Nie had been with Ying Zheng for many years and had been protecting him since Ying Zheng had no pro-government. After Ying Zheng unified the six countries, Gai Nie actually rebelled against Qin for Jing Ke's son. Is this him? No matter what, it can't be justified.

Yingzheng is cruel and unkind?

Damn it, if the remnants of the Six Kingdoms don't rebel, will Ying Zheng be cruel?

If Su Chen wins the government, he will kill more people and be more cruel.

Gai Nie fell silent after hearing Su Chen's words, but he still had prejudices against Ying Zheng. Since Ying Zheng had pacified the Six Kingdoms, why did he waste time and money on building the Great Wall? Why do we need to increase the number of corvees and build official roads?

The war has lasted for more than ten years. Isn't it time for the unification of the world to rest and recuperate? Shouldn't the common people live in a peaceful world without war, corvee, or exploitation?

Wei"710" Zhuang looked at Su Chen unexpectedly. What Su Chen said was correct. Those who rebelled were the remnants of the Six Kingdoms.

Those nobles were unwilling to accept their power and wealth and land. They rebelled to regain their power and wealth.

Will the people live or die?

Will the remaining nobles of the Six Kingdoms care?

After Tian Yan looked up at Su Chen, she checked the elixir in her hand. A life-extending elixir? An elixir? Who is Su Chen? How come he even has elixir?

Su Chen saw that Gai Nie was silent, and he still had an expression of disapproval of his words. He was a pure idiot.

Gai Nie and Wei Zhuang in Guigu were both useless.

They were originally military strategists and strategists. There will be a long-term strategic vision, but Gai Nie has become a short-sighted knight and Wei Zhuang has become a killer.

Are they disciples of Guigu? Gai Nie and Wei Zhuang really insulted every generation of millet heirs.

Su Chen waved his hand and said,

"Gai Nie, I asked Ying Zheng to cancel your wanted order. If you still don't repent, your future life or death will depend on what you do. You'd better think carefully about what you want to do."

"Gai Nie, don't say anything about Qin's cruelty or its many shortcomings. You can take a look at many places in Qin and think about what if the remnants of the Six Kingdoms start to rebel."

"If the Qin State is destroyed, what will happen to the whole world and the people will not be able to survive? Will the war continue for hundreds more years?"

"This world is not dominated by Qin. The wolf clan is just a stumbling block. There is a Roman Empire as powerful as Qin in the far west. After the Western Regions, there is also the Persian Empire."

"The world is very big, and there are many empires as powerful as Qin. If the Chinese nation is not unified, if it is still scattered, foreign races will one day invade the land of China."

After Su Chen said this to Gai Nie, he took out a jade box and handed it to his brother-in-law Wei Zhuang,

Zi Nu?

It's not time for that imperial sister to see her yet. Su Chen has to go through the road of refining the heart before going. Looking for purple girl,

"Wei Zhuang, leave this to your sister. I will go find her after I finish everything."

Then,

Su Chen grabbed Tian Yan and disappeared in the city. As for what would happen to the Mo family and the anti-Qin righteous people in the city, Su Chen didn't care about their life or death at all.

Wei Zhuang took it with a dark face. The jade box, Su Chen disappeared without giving him time to refuse. He didn't want to accept the jade box, but the jade box looked very precious.

Wei Zhuang felt tired when he touched the jade box, and his inner strength was still there. Quick recovery, a jade box is a treasure, and the items in the jade box will be even more precious

"Senior brother, you should think about it, what Su Chen said makes sense."

Gai Nie nodded seriously and said,

"I get it, maybe I'm just tunnel visioned, the Roman Empire? Persian Empire? These empires are as powerful as Qin. The Chinese nation should not continue to fight among themselves."

"I want to go back, senior brother. I got news that something has changed in Songhai. The remnants of the Six Kingdoms seem to be doing something in Songhai. If you have nothing to do, you can go to Songhai to see those so-called anti-Qin righteous men."

"Okay, Xiaozhuang, I'll check it out"

"See you Songhai!"

Weizhuang nodded to Gai Nie and left the city.

Jade box?

He wanted to deliver this jade box to Zi Nu personally. Wei Zhuang also wanted to ask Zi Nu if she knew Su Chen..

Half a month later, in Songhai, the land of Qilu, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen and Tian Yan arrived at Songhai City.

Songhai City near the sea was still very prosperous, but there was no such thing in the land of Qilu. After experiencing the war, Qi surrendered without starting a war with Qin. The people of Songhai City lived a pretty good life.

"Yan'er, you should smile more and don't keep a cold face all day long."

Su Chen saw that Tian Yan still had a cold expression, and he rubbed his forehead very helplessly.

It's been half a month, although Tian Yan still has a cold expression on his face. He was somewhat close to him, but he hadn't called him father yet. Su Chen was also very helpless towards this arrogant daughter.

"snort!"

Tian Yan ate the spirit fruit and snorted at Su Chen.

Over the past half month, she had regarded Su Chen as her father.

Su Chen's care and love for him in the past half month, the spirit fruit and spirit tea They kept giving her storage rings and powerful immortal cultivation techniques. If her body didn't need to change her qualifications, Tian Yan felt that she could become an immortal cultivator in one step. Su Chen touched Tian Yan's hair and said,

"Stop humming, let's go to the mirage.

Tian Yan pushed Su Chen's hand away and asked doubtfully, "The mirage of the Yin Yang family?"
Where do we go and what do we do?"

"There are some people you need to meet, and you will know when the time comes"

"All right!"

Xianyang of the Great Qin Dynasty, the Royal Palace, the First Emperor Ying Zheng was walking around in the study.

He was much younger and energetic now, as if he had returned to his twenties.

Ying Zheng was always thinking about Su Chen,

Su Chen Who is he?

An immortal?

Otherwise, why would he have the elixir? Ever since Ying Zheng saw the jade box sent by Meng Tian, he felt that it was not a mortal thing, especially the elixir in the jade box.

2.7 After opening the jade box, a fragrance filled the air In the room,

Ying Zheng felt a hundred times more energetic when he smelled the elixir. This elixir was thousands of times better than the elixir refined by Yun Zhongjun for him.

"Zhang Han, have you found those four people?"

Zhang Han immediately replied respectfully,

"Your Majesty, we have found two Daqin people and two foreigners. They have been staying at the Yongfu Inn in the south of the city."

"Notify Fusu and ask him to personally invite the four people in the inn. Three days later, Fusu Qichen went to Songhai Little Sage Villa

"Yes, Your Majesty! Ying

Zheng ordered with a serious face,

"Also, Zhang Han, let the Shadow Secret Guards look for Mr. Su Chen. Remember, Mr. Su Chen is very important to us. The Shadow Secret Guards must protect the safety of Mr. Su Chen."

"Yes, Your Majesty!"

Chapter 2729

Zhang Han did not dare to be careless about Ying Zheng's orders, especially Su Chen.

He felt that Su Chen was an immortal.

Zhang Han and Meng Tian watched Ying Zheng take out the elixir and eat it, and they also saw the changes in Ying Zheng.

Zhang Han and Meng Tian were smelling the fragrance of the medicine beside them. They felt that their bodies were being washed away, and their hidden wounds were completely restored in an instant. Isn't this an elixir?

Ying Zheng waved his hand and said,

"Go for it!"

"Yes, Your Majesty!"

After Ying Zheng left Zhang Han, he put his hands behind his back and began to think.

Ying Zheng returned to the energetic state of more than 20 years old. The undercurrent behind Da Qin was surging. He had a lot of time to deal with the moth.

The Roman army?

Rome What kind of empire is it?

Where is it?

How come there is a Roman army in the wolf tribe?

Ying Zheng is very confused about all this.

In Yongfu Inn, the four Alices are sitting together doing nothing,

Fusu is about to leave for Qilu In Songhai City, they still had no chance to meet Fusu.

Especially Alice and Maximus, they were foreigners in Daqin. The people of Daqin were very repulsive to foreigners. It was even more difficult for them to get close to Fusu.

"Shall we continue to wait?"

"Wait, we have nothing to do but continue to wait."

"Yes, if we break into Fusu's mansion, let alone protecting Fusu, we may be wanted by the Qin Empire"

"In recent days, we have been under surveillance. It seems that people from the Shadow Guard are watching us."

"They will definitely be monitored. Alice and Maximus are aliens. Great Qin is very tough on aliens. If aliens appear in the imperial capital, Great Qin will definitely send people to monitor them."

"Su Chen doesn't know if he will come to Xianyang. If Su Chen comes to Xianyang, he will definitely have a way for us to protect Fusu closely."

After Alice and Mu Ningxue talked, they all drank tea in silence. The one-year protection mission took a long time. The Jianghu people in Da Qin were not weak. He could not complete the protection mission if he was far away from Fusu..

Songhai, mirage!

Su Chen led Tian Yan all the way up to the mirage without any obstruction.

It was a ship as big as an aircraft carrier. Su Chen was very surprised that the Yin Yang family could build such a big ship. This was in ancient times. , the mirages are all made of wood.

Tian Yan looked at the mirage and said in surprise,

"The mirage is really huge, and the Yin-Yang family's magical powers are really not simple.."

"Um!"

Su Chen nodded.

The Yin Yang family is much stronger than the Tao family.

Except for Bei Mingzi and the long-legged Xiao Meng, everyone else in the Tao family is scum.

The Yin Yang family has Concubine Dongjun Yan, Moon God, Xinghun, Big and Little Siming, the twin Ehuang Nvyang, and the scumbag Yun Zhongjun and Xiangjun.

By the way, there is also the scheming Chu Nan Gong. Chu Nan

Gong is also the mastermind of the anti-Qin Dynasty, the Qinglong Project, This is the layout designed by Chu Nan Gong, an old conspirator who wants to restore the Chu Kingdom.

"Su Chen, you are finally here."

At this time, the Moon God came over with Da Siming and Young Siming. The Moon God was a little happy to see Su Chen.

She is now at the Half-Step Heavenly Realm, and in the middle stage of Grand Master, she was promoted to the Half-Step Heavenly Realm. , Moon God has been thinking that he is dreaming these days.

"Moon God, you haven't advanced to the Heavenly Realm? Did you absorb the spiritual fruit and use it to improve your physique?"

After Su Chen checked the plump and attractive Moon God, he was a little confused.

Although the spirit fruit that enhances strength is the lowest spirit fruit, it can also elevate a great master to the heavenly realm. The cultivation level of the Moon God How can the realm be half-step to the heavenly realm?

Didn't Yue completely absorb the spiritual power to improve the realm of cultivation!

The Moon God nodded and replied,

"Yes, I found that spiritual fruit can change the physique. I used half of the spiritual power to improve my strength and the other half to improve my physique."

"Yes, you are indeed the moon god and know how to choose. Were Xinghun and Yunzhongjun destroyed?"

"Those two scumbags, I killed them ten days ago."(To read Baoshuang novels, go to Feilu Novel Network!)

There was a smile on Moon God's lips. Xinghun was a late-stage grandmaster, and Yun Zhongjun was only an early-stage grandmaster. She was going to destroy them all in just one and a half steps to the heavenly realm. It was easy.

Da Siming and Shao Siming looked at Su Chen doubtfully.

After they heard the conversation between Su Chen and Moon God, Da Siming and Shao Siming understood why Moon God's strength increased greatly.

Spirit fruit?

Moon God. Eating the spiritual fruit actually improved his cultivation level, and the spiritual fruit may have been given to the Moon God by Su Chen. Who is Su Chen? What is the relationship between the Moon God and Su Chen?

Su Chen ignored the Moon God and did not attack the Moon God.

The Moon God is arrogant, so be it.

On the mirage,

Xinghun and Yun Zhongjun were killed.

The Moon God has completely taken control of the mirage. He can also rest in the mirage for a while.

Su Chen said,

"`.Big Siming, Young Siming, please take my daughter Su Yan around the mirage. Moon God, let's find a room to sit in."

The Moon God looked at Tian Yan unexpectedly?

Daughter?

A daughter who looks a few years younger than Su Chen? Is Su Chen really an immortal cultivator? An immortal cultivator should be young, right?

The Moon God thought and waved his hand and said,

"Da Siming, you and Shao Siming will take Su Chen's daughter to visit the mirage."

"yes!"

Da Siming and Young Siming were a little confused.

They thought Su Chen and Tian Yan were in a male-female relationship, father and daughter? Two people of about the same age could be father and daughter?

Tian Yan stared at Su Chen coldly and went to sit in the room. ?

How does she feel what will happen to Su Chen and Luna? Could it be that her father thought it was Luna?

Su patted Tian Yan on the shoulder and said, "Yan'er, you go to the mirage, I have something to talk to Luna."

"Can't I listen?"

“(Zhao Zhao Zhao) Yes.”

Su Chen nodded in agreement and said,

Damn it, why would Tian Yan want to hear him talking to the Moon God?

Su Chen was talking to the Moon God.

He was planning to have a romantic affair with the Moon God. If Tian Yan was around, he would
Why are you so close to the Moon God?

After Tian Yan stared at Su Chen for a while, she shook her head and said,

"Forget it, I'll go see the mirage."

Su Chen thought of Yue'er and hurriedly said to Tian Yan,

"By the way, Yan'er, you have a sister in Mirage. Her name is Su Yue. You can go and meet her later."

"Sister Jin?"

Tian Yan looked at Su Chen with an evil look, sister?

How could she have a sister?

Is it the child of her father and another woman?

Su Chen said awkwardly,

"Ahem, Yan'er, Su Yue is the half-sister. You will understand when you see Su Yue."

Chapter 2730

Su Chen didn't know how to explain to Tian Yan that

Yue'er had nothing to do with Su Chen, and Tian Yan and Yue'er had nothing to do with him either.

But the damn ladder sent him to the world of Daqin, where he was tested on the road to refining his heart.

Su Chen guessed that his refining heart was either Tian Yan or Yue'er. The two of them might be the key. Of course, Concubine Yan and the girls should also be possible. ,

Damn it, the more Su Chen thought about it, the more irritated he became.

"snort!"

Tian Yan looked at Su Chen indifferently and turned to leave. She was going to meet her half-sister.

"Is Yue'er your daughter?"

Yue Shen looked at Su Chen in confusion.

How could Yue'er be Su Chen's daughter?

Yue'er was clearly the child of Concubine Yan and Yan Dan, so how could Su Chen say she was his daughter? Is there any hidden secret in the process

? Chen rubbed his forehead and replied,

"Luna, this matter is very complicated. I will explain it to you later."

"All right!"

"Luna, let's go to your room. I have something to talk to you about."

"good."

Sanghai City, the Confucian Little Sage Village,

Zhang Liang, Tian Ming and Xiang Shaoyu sneaked into the Little Saint Village.

Half a month ago, in the Mo family's organ city, the Mohist family and the anti-Qin righteous men were almost wiped out, if not for the last moment. Master Ban activated the mechanism Qinglong, and the Mohist mechanism city collapsed and was destroyed. It was impossible for people like 207 to take advantage of the chaos to escape from the Mohist mechanism city.

Zhang Liang opened his mouth and gave instructions,

"Tianming, Shaoyu, you hide your identities in Confucianism, and Renwan don't let others know your identities."

Tian Ming replied carelessly,

"Got it, Third Master."

Xiang Shaoyu also nodded.

He was a little absent-minded at the moment.

Outside Songhai City, there was no trace of the remaining army of the Chu State. His men had not found the Xiang family's old troops in the past few days.

After Zhang Liang left at dawn, he He patted Xiang Shaoyu on the shoulder and asked,

"Shaoyu, do you think uncle will come to Songhai?"

"meeting!"

"I think so. Confucianism is too dull. Let's go look elsewhere."

"Okay, Tianming, we have to be careful, we are all wanted criminals in Da Qin, don't let other people in Confucianism see it."

"Understand, our identity cannot be exposed."

There is an inn in Songhai City.

Several leaders of the Mohist family are sitting together with sullen expressions.

The Mohist family is doomed.

Thousands of Mohist disciples have all died in (abfc) the government city. They escaped from the government city. There were only a few of their leaders. If it weren't for some Mohist disciples in various places, the Mohist family would have been removed from the list of scholars.

Yan Dan was stabbed a thousand times and taken to Xianyang City.

He was dead.

Yan Dan might He would die before reaching Xianyang City.

Gao Jianli and Big Iron Hammer were killed by Su Chen, and Master Xu had an arm cut off. Only the leaders of the Mohist family, Tao Tuo, Xue Nu, Duan Murong, and Master Ban, were left intact. Master

Xu shouted He took a sip of wine and asked,

"What will we do next?"

Master Ban said sadly,

"I don't know, we are all wanted by Da Qin, the world is so big, there may be no place for us."

Tao Tuo looked at Xue Nu and Duan Murong and asked doubtfully,

"Why aren't Xue Nu and Duan Murong wanted? This doesn't make sense!"

Master Xu and Master Ban also looked at Xue Nu and Duan Murong.

They couldn't understand.

Everyone in the Mo family was wanted, but as the leaders of the Mo family, why were Xue Nu and Duan Murong not wanted? (Watch it cool.) For novels, go to Feilu Novel Network!)

Xue Nu and Duan Murong frowned and said nothing. They had guessed together before that they were not wanted by the Great Qin Empire and should have something to do with Su Chen. Duan

Murong stroked Xiu Fa said,

"Su Chen and I knew each other before. I guess it was because of Su Chen that the Great Qin Empire did not want me."

Tiaotuo asked hurriedly,

"Duan Murong, do you know Su? Who is he? Duan

Murong shook her head and said,

"I only met Su Chen once and only said a few words. Su Chen was very powerful. The sword in his hand was a spiritual sword that could fly up and automatically protect its master."

After Tuo Tuo and the others heard Duan Murong's words, they were all very surprised.

They all knew that Su Chen was very powerful, but the sword in Su Chen's hand was a spiritual sword? It could also fly and automatically protect the master. Spirit sword?

Is this possible?

Xue Nu kept her head down.

She couldn't understand why Da Qin didn't want her.

Xue Nu had talked with Duan Murong, and she guessed it might be because of Su Chen, but why would Su Chen help her?

The agency In the city,

Xue Nu was almost killed by sword blades several times, but the blades that attacked her disappeared inexplicably. Why didn't Su Chen kill her?

Su Chen killed Gao Jianli.

Xue Nu would not let Su Chen go, but Su Chen's series of actions, she couldn't figure out why Su Chen did this. Xue Nu and Su Chen didn't know each other and had never talked to each other. Why would Su Chen treat her differently?

Master Xu thought for a while and said,

"Xue Nu, Duan Murong, you are not wanted by Da Qin. I want you to inquire about the current situation in Songhai City. And Su Chen, you also want to inquire about who Su Chen is. Duan

Murong nodded and agreed, "Okay, Xue Nu and I will go out to investigate the situation later."

Xue Nu also nodded, asking about Su Chen?

She will inquire about Su Chen's whereabouts.

Gao Jianli's revenge must be avenged.

Xue Nu no matter why Su Chen doesn't kill her, she must kill Su Chen to avenge Gao Jianli.

At this time ,

Mirage,

Su Chen walked out of Luna's room refreshed, and the plump and sexy Luna was taken down by him. Ahem, Su Chen was half-forced and sweet-talked to get Luna.

A month of irritability Tangled up in his mood,

Su Chen had just vented his anger. I'm afraid Luna will take a rest for a day and a night.

"It's time to see Concubine Yan."

Su Chen rubbed his forehead and walked like a mirage,

Concubine Yan!

Su Chen's queen in Tianxuan Continent,

Concubine Yan in this world is a little different. Concubine Yan in the world of Da Qin has been married and had children, and she is still married. Gave it to a despicable hypocrite.

Su Chen guessed that the road to heart refining was to break his mind. Although Concubine Yan was not Concubine Yan in Tianxuan Continent, she was still Concubine Yan after all. The ladder to heaven was really dirty. After a while ,

Su Chen appeared in Ying Prison, he looked at the Ten Thousand Years Xuan Ice Formation and shook his head.

Su Chen yelled tangledly at Ying Prison,

"Concubine Yan!"

"Who are you? Sakura Prison is not the place you should come to"
