Chapter 2731

In front of the Zibei Water Pavilion,

Su Chen looked at the big fish swimming around in the Zibei Water Pavilion, the thousand-year black ice formation hidden in the innermost part, and the three-legged golden crow outside the Zibei Water Pavilion. He began to feel irritable.

"who are you? You are not a disciple of the Yin Yang family, why did you appear in Sakura Prison?"

After Concubine Yan in Ying Prison checked Su Chen's situation, she was a little surprised. She knew about Zibei Water Pavilion,

Ying Prison, and her existence in the Ten Thousand Years Black Ice Formation.

Who is Su Chen?

Ying Prison Only Donghuang Taiyi and Yueshen knew about it. It was impossible for other people in the Yin Yang family to know, let alone her existence. How could someone who was not a disciple of the Yin Yang family know her existence?

Su Chen asked Concubine Yan with a tangled face,

"Concubine Yan, do you know what I'm thinking about now?"

Su Chen did not dare to enter"383" and enter the Zibei Water Pavilion.

He also did not dare to enter the Ten Thousand Years Black Ice Formation to see Concubine Yan. Su Chen was afraid and could not help but kill Concubine Yan,

Concubine Yan and Jing Sala immediately.

They are the two most important women to Su Chen.

In the Great Qin World, although Concubine Yan is still Concubine Yan, she is not his Concubine Yan. Su Chen does not want her to live.

Concubine Yan in the Great Qin World will bring shame to his wife, Concubine Yan. ,

Su Chen didn't want her wife, Concubine Yan, to know the existence of Concubine Yan, and she also didn't want Concubine Yan to know that there was another Yue'er who existed like Su Yue in the world of Great Qin.

"what's on your mind?"

"Kill you!"

"kill me?"

In the Ten Thousand Years Xuan Ice Formation of Zibei Water Pavilion,

Concubine Yan looked surprised.

The man outside wanted to kill her?

Would she still use people to kill her?

Concubine Yan might not survive a few years in the Ten Thousand Years Xuan Ice Formation, and she would He will be eroded to death by the cold air of the Ten Thousand Years Black Ice Formation.

Su Chen hissed with a cold face,

"Yes, your existence brings shame to my wife. You should not exist, you should not marry Yan Dan, and you should not give birth to Yue'er with Yan Dan. Your existence is a mistake, an intolerable mistake. Concubine Yan said coldly,

"You are too lenient. No one needs to control who I am with, right? I don't feel like my existence is a mistake."

Su Chen was full of evil spirits and had blue veins on his forehead. He clenched his fists tightly and gritted his teeth and said tremblingly,

"Forget it, after all, you and the Concubine Yan that I know are not from the same world, and you are not my wife, Concubine Yan. Concubine Yan, do you have any last words?"

"What do you mean by saying this? What is not a man of the world? Is your wife also called Concubine Yan? What exactly do you mean?"

Concubine Yan heard what Su Chen said, and Su Chen's voice was still trembling. What does this mean? What is not a person in the same world? Is there another her?

Su Chen gritted his teeth and blood flowed from the corner of his mouth. He His mind began to become unstable, and his aura also began to riot. Su Chen forced the aura to suppress the riot. He wanted to make Concubine Yan understand how to die. Su Chen had also been holding back to kill Concubine Yan.

Su Chen's whole body was covered with blood. Sitting on the ground tremblingly, he leaned against the crystal wall and said,

"Concubine Yan, before you die, let me tell you a story."

"You speak!"

"There is a world called Tianxuan Continent. Wu Xiangjun of Yangzhou City met a peerless beauty at the martial arts conference. The peerless beauty helped him at the martial arts conference. The peerless beauty helped Wu Xiangjun for a purpose. Later, an accident happened. Xiangjun accidentally took off the dress of a peerless beauty....."

Su Chen leaned against the crystal wall and thought about it, while telling Concubine Yan in the Ten Thousand Years Xuan Ice Formation that after more than ten years of getting along day and night,

Concubine Yan had been managing their home, Xuantian Empire, Tianxuan Continent, and Shenyu Continent. Even the Xuantian realm.

Since Su Chen was able to go to other worlds, he spent very little time with Concubine Yan. (To read Baoshuang novels, go to Feilu Novel Network!)

Especially in the fairy world, Su Chen is often not in Merlot Heavenly Court, and Concubine Yan sometimes spends thousands of years in seclusion in the time barrier, so they spend even less time together. Su Chen was very indebted to Concubine Yan and other women. In particular, Concubine Yan was the most owed. His wife was Concubine Yan, his queen was Concubine Yan, and his queen was still Concubine Yan. Concubine Yan always worked silently for him behind his back, and even once her cultivation level was lower than that of other women.. Su Chen has the deepest feelings for Concubine Yan. Concubine Yan and Jing Salamander, two women who silently devoted themselves to him, are irreplaceable in Su Chen's heart. In the ten-thousand-year black ice formation, Concubine Yan listened to Su Chen's narration. She was very surprised. Tianxuan Continent, Shenyu Continent, the ancient immortal world, Xuantian Realm, a peerless beauty? Mrs. Jun, the empress of the empire, the queen of the Xuantian realm, Su Yue? Princess Gaoyue? Why do you have the same title as her daughter? Is Wu Xiangjun a man outside Ying Prison? Is she the most beautiful woman? Is there really another world? There is also a Concubine Yan in Tianxuan Continent? Concubine Yan is still the concubine of Wu Xiangjun Su Chen. The daughter of Su Chen and Concubine Yan is named Su Yue, and her title is also Princess Gaoyue? Concubine Yan's mind was very confused. She understood a little. No wonder Su Chen wanted to kill her. If what Su Chen said was true, Concubine Yan's existence had indeed brought shame to Su Chen and was also an insult to the other Concubine Yan. But she is who she is, and Concubine Yan doesn't think her existence insults other people. Concubine Yan asked Su Chen,

"You are Wu Xiangjun Su Chen, the emperor of the Xuantian Empire, and the Heavenly Emperor of the Xuantian Realm. The peerless beauty is Concubine Yan, a Concubine Yan who is exactly like me, right?"

Su Chen replied tremblingly,

"good! Concubine Yan asked in shock.

"Since you are the supreme emperor of heaven, why do you appear in this world?"

Su Chen stood up holding the crystal wall of Zibei Water Pavilion.

He touched the crystal wall and replied,

"I appeared in this world to take a journey of refining my heart. My cultivation realm has been sealed, and my mind has been weakened to the most vulnerable period. You and Yue'er may be the place where I can refining my heart."

"You can kill me, but please don't kill Yue 5.5er."

Concubine Yan became anxious when she heard Su Chen's words.

She understood that

Concubine Yan and Mrs. Su Chen were the same person, and their daughters should be exactly the same.

Su Chen's heart refining should be her and Yue'er. Concubine Yan guessed that Su Chen To pass the path of heart refining, Su Chen would kill her and Yue'er. She could die, but Concubine Yan didn't want Yue'er to be killed.

Su Chen didn't answer Concubine Yan.

He looked at the pillar on one side and shouted,

"Yan'er, Yue'er, you've been eavesdropping for a long time, come out!"

Since Tian Yan and Yue'er appeared next to him,

Su Chen noticed that he didn't drive them away. There are some things they really need to know. All the cause and effect must be solved. The road to heart refining is a kind of love for Su Chen. The road of torture..

Chapter 2732

In Zibei Water Pavilion,

Tian Yan and Yue'er were very surprised when they hid behind the pillars. They felt incredible when they heard the conversation between Su Chen and Yan Fei. Tian Yan pulled Yue'er tightly and didn't let her go out or speak.

Yue'er didn't expect that her mother would be imprisoned in the Sakura Prison of Zibei Water Pavilion, and she didn't expect that Su Chen would kill her mother and her.

In another world?

Her mother and she also exist in Tianxuan Continent~,

Su Yue?

Princess Gaoyue?

Su Yue is a princess of a continental empire and a princess of a huge realm. There is no comparison between Yue'er and Su Yue, and there is no comparison between her and Su Yue at all.

Yue'er thought that Su Chen wanted to kill her mother and her, she asked Tian Yan,

"Sister, why did Uncle Su kill my mother? Why are you still killing me? Tian

Yan shook his head with a complex expression and said comfortingly,"Yue'er, Su Chen will not kill your mother, nor will he kill you.""

Tian Yan completely understood at this moment that

Su Chen is not from this world, but from another world? There is also the fairy world? She did not expect that Su Chen would be from another world, or the emperor of the fairy world.

Su Yan?

Princess Changle,

The eldest princess of Xuantian Empire, or the eldest princess of Xuantian Realm, a huge fairy world, a terrifying realm that manages thousands of small worlds.

Who is she?

A replica?

Or a dispensable shadow double?

Su Chen wants to kill Concubine Yan and Yue'er because the existence of Concubine Yan and Yue'er has brought shame to Su Chen and a huge and terrifying fairy world.

What about her?

Has Tian Yan's existence also made Su Chen ashamed ? Ashamed? Will Su Chen kill her too?

"Yan'er, Yue'er, you've been eavesdropping for a long time, come out!"

When Tian and Yue'er heard Su Chen's words, they looked at each other and walked out from behind the pillar. Beside the purple shell crystal wall,

Tian Yan and Yue'er saw that Su Chen's face was pale and his whole body was trembling, with blood flowing from the corners of his mouth, and on his forehead. He was still sweating, and his white clothes were stained with blood.

Tian Yan looked at Su Chen and was very worried.

Su Chen was at his most vulnerable moment. The road to heart refining? She guessed what Su Chen should be enduring. He Did he not want to kill Concubine Yan and Yue'er? Or was he insisting on enduring something?

Yue'er hurriedly patted the crystal wall of Zibei Water Pavilion and shouted,"Mother, mother, I am Yue'er, I am Yue'er!"

"Yue'er? How did you come? Leave quickly."

Concubine Yan did not expect that Yue'er would appear in the mirage.

She became panicked and worried.

The mirage was full of disciples of the Yin and Yang family, and there was a terrifying immortal outside the Zibei Water Pavilion. Concubine Yan was worried that Su Chen would kill Yue'er.

"Mother, I won't leave. I haven't seen you for many years. I won't leave. I want to see my mother."

"Yue'er....."

Whoosh!

Su Chen grabbed Yue'er and disappeared instantly. After a while, Su Chen appeared again. He sent Yue'er into the ten thousand-year black ice formation. When

Su Chen heard the conversation between Concubine Yan and Yue'er, his mind It was even more chaotic, evil spirits kept pouring out of the body, and the aura was so violent that it could not be suppressed. Su Chen didn't want to cry in front of Yue'er, and he didn't hear Concubine Yan's pleading.

Tian Yan saw Su Chen twisting and struggling, and she hurriedly stepped forward and took Su Chen's hand.

Yue'er was sent to Ying Prison by Su Chen.

Tian Yan guessed that Su Chen was trying to control his fragile mind, trying to suppress the killing, trying to control the violent aura.

Tian Yan took Su Chen's hand and asked,"What did you just say? Are all the words true?"

Su Chen nodded with a painful expression on his face,

"real!"

"My mother is dead in this world? Are you not my biological father?" (To read exciting novels, go to Feilu Novel Network!)

"good! Yan'er, although you are not my biological daughter, Su Yan from Tianxuan Continent is not my biological daughter either. When I met Jing Salamander, Su Yan was already four or five years old. Tian

Yan said in surprise,

"What? Su Yan is not your biological daughter either?"

Su Chen sat down again leaning against the Zibei Water Pavilion and nodded.

"Well, this matter is a long story, Yan'er, I will explain it to you later, and your mother in the other world will also explain it to you. As long as you know that you are my daughter, there is no difference between you and my biological daughter. Tian

Yan asked,

"You won't kill me?"

"how could i.....Cough cough cough!"

Su Chen suddenly vomited blood as he was talking.

The violence of his breath caused his blood to surge. Su Chen suppressed the violence of his breath, causing severe damage to his internal organs.

Tian Yan asked hurriedly,

"What's wrong with you?"

"nothing!"

"Your aura is turbulent. Quickly stabilize your turbulent aura."

"No, I can still suppress it. Yan'er, you know, Su Yan is only thirteen years old. She will be as beautiful as you when she grows up."

"Thirteen?"

"Su Yan is thirteen years old, but she has been practicing in the time barrier for thousands of years. The time in the time barrier will not affect reality. Although Su Yan has passed thousands of years, she is still a naughty little girl. The lawless little witch."

At this moment, in the Wannian Xuanbing Formation,

Concubine Yan was holding Yue'er and talking.

After Yue'er was sent into the Wannian Xuanbing Formation by Su Chen, the Wannian Xuanbing Formation was also closed by Su Chen.

Wannian There was no cold air in the Xuan Ice Formation, no biting cold torture, and no more imprisonment of her by the formation. Concubine Yan took Yue'er to break through the Zibei Water Pavilion and left Ying Prison, but there was Su Chen outside, and

Yan Fei It was impossible for the concubine to escape from the mirage with Yue'er.

After Concubine Yan and Yue'er talked for a while, they listened to the conversation between Su Chen and Tian Yan outside the Zibei Water Pavilion.

Yue'er leaned into Concubine Yan's arms and asked, "Mother, is Su Chen my father? Are Su Yue and I the same person?"

Concubine Yan touched Yue'er's hair and said,

"Yue'er, Su Chen is not your father, you are you, you are not Su Yue, you just look exactly like Su Yue"

"But.....But....."

Yue'er didn't know what to say for a moment.

She thought of Su Chen's painful and bleeding appearance outside Zibei Water Pavilion. Yue'er felt Su Chen was in great pain and confusion. She also felt that Su Chen seemed to be enduring something.

Kill her and her mother?

Is Su Chen controlling his murderous intention?

"Yue'er, were you captured by Su Chen?"

Concubine Yan looked at Yue'er's confused look. She was very confused and helpless. The existence of Concubine Yan and Yue'er was difficult for Su Chen to accept. It also brought shame to Concubine Yan from another world. The entire fairy world is ashamed, but their mother and daughter are real.

Yue'er shook her head and replied, "No, mother, I was brought here by my aunt.""

"Aunt? Moon God Corpse?".

Chapter 2733

Concubine Yan hurriedly looked at Yue'er.

She was worried that the Moon God would cast a curse on Yue'er.

Wouldn't the Moon God capture Yue'er for no reason, a destined person?

When Concubine Yan thought about how she used stargazing to calculate Yue'er's fate, she found that Yue'er was a destined person and the key to unlocking Canglong Qisu. She was even more worried about Yue'er.

Yue'er saw Concubine Yan checking her body in a panic, and she hurriedly said,

"Mother, my aunt did not cast a mind-controlling spell on me, and she did not do anything to me. My aunt was very kind to me. I can walk around the mirage at will. By the way, mother, this is the spiritual fruit my aunt gave me. You Eat it, these spiritual fruits are delicious."

Yue'er said as she took out more than ten spiritual fruits from the storage ring.

These spiritual fruits were snacks given to her by the Moon God.

The spiritual fruits were very delicious, and "Wu Wu San" was covered in blood after eating the spiritual fruits. It was warm and very comfortable. Yue'er also wanted her mother to taste the delicious spiritual fruit.

"you....Yue'er, why did you suddenly transform into a spiritual fruit? And these are still heaven and earth spiritual fruits?"

Concubine Yan was very surprised when she looked at the spirit fruits in front of her.

Heaven and earth spirit fruits?

How could Yue'er have so many heaven and earth spirit fruits? Why did Yue'er suddenly transform into more than ten heaven and earth spirit fruits? Yue'er stretched out her hand and explained with a smile

"Mother, this is a storage ring from the fairy world. My aunt also gave me a storage ring. The space in the storage ring is very large. I can store a lot of items."

Concubine Yan understands, the spiritual fruit and the storage ring?

These should be the treasures Su Chen gave to the Moon God.

Has the Moon God accepted Yue'er's existence?

Didn't she ignore Yue'er very much before?

The Moon God and Su Chen What's the relationship? Why did Su Chen give the Moon God the Heaven and Earth Spirit Fruit and the storage ring? Concubine Yan's mind was in chaos at the moment, and she couldn't figure it out.

Whoosh!

Tian Yan suddenly appeared in the Ten Thousand Years Black Ice Formation , she said with a cold face,

"You can leave, Concubine Yan. The further away you take Yue'er, the better. I don't want you to appear in front of my father in the future, otherwise I will kill you."

Tian Yan has accepted Su Chen.

After she heard what Su Chen said about Su Yan, Tian Yan understood that Su Chen really loved Su Yan.

She was a little envious that Su Yan had a good father and a happy life when he was a child. Growing up in childhood, but it won't be long before Tian Yan will also receive his father's care and love in the future.

After hearing Tian Yan's words, Yue'er hurriedly shouted, "Sister, are you going to drive me and my mother away?"

"Yue'er....."

Tian Yan didn't know what to say when facing Yue'er.

Although she and Yue'er had known each other for more than an hour, she liked the quiet and lovely Yue'er very much.

However, the existence of Yue'er and Yan Concubine will make Su Chen's mind collapse and his aura riot. Yue'er can't stay, and Yan Concubine can't stay either. Tian Yan doesn't want to let Su Chen's refining because of Yue'er and Yan Concubine. The path of the heart is a complete failure.

Concubine Yan nodded to Tian Yan,

"I understand that I will leave with Yue'er and will never appear in front of Su Chen in the future."

Concubine Yan didn't expect that Su Chen would let her go.

She couldn't understand that

Concubine Yan's existence was an insult to Su Chen. It would make the other Concubine Yan feel ashamed, and it would also make the Xuantian realm feel ashamed. How could Su Chen Will she let her and Yue'er go?

Is it because of their mother and daughter's looks? They look exactly like Concubine Yan and Su Yue in the other world. Does Su Chen not have the heart to kill her and Yue'er?

Yue'er holds Tian Yan back. asked,

"Sister, won't you leave?"

"Yue'er, Su Chen is my father. My name will be Su Yan from now on. I will never leave. Please take care of yourself and save some of these spiritual fruits in the future."

Tian Yan touched Yue'er's little head, and she took out dozens of spiritual fruits and placed them in front of Yue'er. They may not have the chance to meet again after this farewell. Tian Yan hopes that Yue'er will live well and be happy in the future. grow up happily

"elder sister....."

"Yue'er, take care of yourself in the future!"

Tian Yan nodded to Yue'er. (To read Baoshuang novels, go to Feilu Novel Network!)

She quickly disappeared into the ten thousand-year black ice formation. Su Chen's situation was not optimistic. Tian Yan wanted to help Su Chen stabilize Breath of violence

"Su Yan? Why did Su Chen accept Su Yan?"

Concubine Yan was a little confused when she heard Tian Yan's words.

Tian Yan and Yue'er should be the same. They are not Su Chen's daughters. Why can Su Chen accept Tian Yan but not Yue'er? Is it because of her?

Yue'er He asked depressedly,

"Mother, shall we leave?"

Concubine Yan touched Yue'er's hair and asked,

"Does Yue'er want to leave? Yue'er hurriedly shook her head and said

"I don't want to leave, mother, the aunt on the big boat is very kind to me, and sister Su Yan, she is also very kind to me, and Su....I feel that he cares and cares about me very much and I don't want to leave0."

"I understand, Yue'er, we stay on the big ship, we won't leave."

Concubine Yan decided not to leave the mirage.

She had to figure out some things. As for whether she would be killed by Su Chen, Concubine Yan felt that Su Chen did not kill their mother and daughter this time, and Su Chen would not kill them in the future..

Exactly the same existence?

Concubine Yan did not believe that Su Chen would have the heart to kill the same existence as his wife and daughter.

Five days later, Su Chen was lying on the top of the mirage to bask in the sun.

Within five days,

Su Chen was completely stable. His mind collapsed, and he also calmed down the riot.

Concubine Yan and Yue'er did not leave the mirage, nor did they leave the Ten Thousand Years Black Ice Formation in Zibei Water Pavilion. Su Chen couldn't figure out why. Could it be that Concubine Yan wasn't worried about it? Was he killed?

Su Chen rubbed his forehead and whispered,

"I can't let it go, how on earth can I pass the road of heart refining? killed? Or use other methods?"

The road to refining the heart?

Su Chen doesn't have a clue yet.

How does 0.2 pass the road to refining the heart? How long will his road to refining the heart take?

Su Chen doesn't know anything about it.

Huh?

Tianming and Shao Xiang Yu?

Are they really going to break into the mirage? Two idiots who don't know whether to live or die. The other woman in black must be Xiao Yu.

Su Chen found Tianming, Xiang Shaoyu, and Xiao Yu, and the three of them secretly entered the mirage.

He shook his head and didn't care.

The three of them were scumbags.

The mirage was heavily guarded.

The world of Daqin was a real world. Tianming and the others might have been discovered by the disciples of the Yin Yang family long ago.

"Why didn't the Moon God order the disciples of the Yin Yang family to kill them? They were not expelled. Is it because Tianming was a destined person? Or does Luna have other ideas?"

Chapter 2734

Su Chen rubbed his chin and thought for a while. He stopped thinking about these things. He wanted to think carefully about the road to refining his heart.

Of the ten paths to refining the heart,

Su Chen made him very embarrassed when he encountered the first path to refining the heart. What about the remaining nine paths to refining the heart?

At this moment,

Tianming, Xiang Shaoyu, and Xiao Yu sneaked into the mirage, dodging guards one after another without any danger along the way, and finally entered the attic of the mirage.

"Shi Lan, are you sure your brother was arrested and brought to Mirage?"

"Well, I have been investigating for a long time. Yun Zhongjun of the Yin Yang family captured my brother. My brother must be imprisoned in a mirage."

"Shaoyu, the moon god of the Yin Yang family is also in the mirage. Yue'er must have been captured in the mirage as well. I want to save Yue'er and escape from the mirage."

"Okay, let's be careful. The mirage is full of Yin Yang family disciples. We must not be discovered."

"good!"

Tian Ming and the three of them walked carefully in the passage while whispering to each other.

Xiao Yu came to the mirage to save his brother. Xiang Shaoyu fell in love with Xiao Yu at first sight. came to the mirage with Tian Ming to help Xiao Yu. Yu, also wanted to rescue Yue'er by the way.

Yue Shen appeared in the passage with Da Siming and Shao Siming. They looked at the sneaky Tianming and the three of them but did not take action.

Da Siming asked doubtfully,

"Right Protector, don't we catch them?"

Moon God shook her head and replied,

"No need, you three little scumbags. Tianming is crucial to unlocking Canglong Qisu. Now is not the time to take action against him."

"Should we just let them wander around in the mirage?"

"Da Siming, some important attics are closed, let them break into other places."

"Yes, right protector."

After Da Siming saluted the Moon God, she and Shao Siming left to issue orders to the Yin Yang family disciples.

Da Siming and Shao Siming were increasingly unable to understand the Moon God.

The Moon God had changed too much in the past month. , the originally noble and mysterious Moon God became more and more beautiful and glamorous. The Moon God exuded the charm of a mature woman all the time.

And that Su Chen, the Moon God turned out to be Su Chen's woman. How could the Moon God who had always been uninterested in men do so? With a man?

Spiritual fruits of heaven and earth?

The Moon God actually gave her and Shao Siming ten spiritual fruits each.

Although Da Siming and Shao Siming did not advance to the realm of cultivation, their physical fitness and cultivation talents have been greatly improved. The amplitude increased.

Especially the physical changes.

They felt like they had been washed again, and their whole bodies felt much more relaxed. Their cultivation speed was more than ten times faster than before.

Da Siming couldn't help but asked Shao Siming,

"Shao Siming, where do you think the Moon God got the Heaven and Earth Spirit Fruit?"

Shao Siming opened his eyes and shook his head. How could she know where the Moon God got the Heaven and Earth Spirit Fruit?

However,

Shao Siming felt that Su Chen was different, and Su Chen looked at her and Da Siming strangely. Strangely, she even felt that Su Chen knew her and Da Siming

"You are so boring."

Da Siming shook his head at Shao Siming.

Shao Siming did not speak.

Da Siming was very speechless towards his partner Shao Siming. She was the one who talked all the time. Shao Siming listened. Shao Siming could only shake his head. Just nodded, Da Siming felt helpless and had no choice.

Outside Songhai City,

Haiyue Xiaozhu!

An assassination had just happened.

Fusu was protected by the four secret guards and Qilin, and he survived the assassination safely. , dozens of assassins, three grand masters, and more than ten assassins hidden in disguise in Yue Xiaozhu.

If Fusu hadn't been protected by Qilin and Alice this time, he might have been killed.

"Thanks to the four of you for your protection, Fusu is very grateful."

Fusu looked at the corpses of the assassins lying on the ground. He was angry and frightened. If it weren't for the protection of Qilin and Alice, he might have been killed like the stand-in. Fusu had always been confused about

Qilin and the others. He couldn't understand why his father would let these four people protect him, and there were two aliens among the four, Qilin and Alice.

After what happened today, (to read Baoshuang novels, go to Feilu Novel Network!)

Fusu felt that someone was starting to care about him.

Maximus waved his hand and said,

"You're welcome, Mr. Fusu, we are only protecting you for one year, and you may have more troubles in the future. Fusu nodded and said,

"I understand that as the eldest son of the Qin Empire, I have never stopped assassinating people."

Alice asked Fusu,

"Mr. Fusu, I have something unclear."

"Miss Alice, please!"

"Mr. Fusu, how did you know about the existence of the four of us? And you personally invited us to protect you? Aren't you worried that the four of us are your assassins? Fusu shook his head and replied,

"Miss Alice, my father personally informed you of your existence, and asked me to personally go to the inn to invite you for protection. As for the reason, I don't know anything about it."

Fusu also couldn't understand why his father asked him to invite the four Alices to protect him, and judging from the expressions of the four Alices, they seemed to know nothing about this matter and had never even met his father. Ying Zheng,

Alice and Qilin looked at each other.

What did the Emperor of Qin say?

How could they be paid attention to by the Emperor of Qin? 073 And Fusu personally invited them to protect them?

"Four of you, I can tell you the answer."

At this time,

Zhang Han, who had arranged the guards, walked into the hall. He looked at Alice and the four of them and decided to tell the news about Su Chen. It had been more than half a month.

Zhang Han had not found any news about Su Chen. He hoped The four Alices knew Su Chen's whereabouts.

Fusu asked doubtfully,

"General Zhang, do you know?"

Zhang Han saluted Fusu and said,

"Young Master, the reason why Your Majesty asked you to invite the four Qilins to protect you is because of one person."

"who?"

"Suchen!"

"Suchen?"

"What? Is it Su Chen?"

The four Alices looked at each other in surprise.

They didn't expect that Su Chen was helping them behind the scenes. No wonder the Emperor of Qin asked Fusu to invite them personally. If it was Su Chen's arrangement, all this would make sense.

"Mark, do you know Suchen?"

Fusu saw the surprised expressions of Maximus and the others. He felt that Maximus and Su Chen were related.

Maximus smiled and replied,

"Mr. Fu Su, Su Chen and we are life and death friends who share weal and woe. Alice is still Su Chen's woman, oh no, you should call her Madam here!".

Chapter 2735

Alice smiled awkwardly.

She was a foreigner in the Great Qin world. Foreigners who appeared in the Great Qin were all slaves. The status of foreigners in the Great Qin Empire was very low. They were either female slaves or slaves. woman? lady?

Even if Alice and Su Chen are husband and wife, the people of Daqin will regard her as Su Chen's slave, or even as a slave girl's plaything around Su Chen.

"Four of you, do you know where Mr. Suchen is?"

Zhang Han looked at Alice unexpectedly, a foreigner?

How could Alice be Su Chen's wife? Zhang Han didn't believe what Maximus said. Alice was either Su Chen's foreign concubine, or she was a slave girl's plaything.

Maximus shook his head and replied,

"We also don't know. Qilin met Su Chen in Jinghu Lake a month ago, but when we went to Jinghu Lake to look for Su Chen, Su Chen was no longer in Jinghu Lake."

"Mirror Lake?"

Zhang Han shook his head when he heard the name.

A month ago?

A month ago, Meng Tian led the army to destroy the Mo family.

Meng Tian met Su Chen in Guan City. Su Chen might have left the mountains long ago.

Mu Ningxue was cold. He opened his mouth and reminded,

"General Zhang, there is a 617 chance that Su Chen will appear in the Confucian Little Sage Village and the mirage of the Yin Yang Family. You can send people to the Little Sage Village and the mirage to look for Su Chen."

Zhang Han nodded and said,

"Little Sage Village? The young master will go to Little Sage Manor in a few days, and we can look for Mr. Su Chen then. As for the mirage of the Yin Yang family, I will order the Shadow Secret Guard to inquire about it. Fusu told Zhang Han,

"General Zhang, please immediately arrange for someone to look for Mr. Su Chen. I also want to see Mr. Su Chen."

"Yes, sir!"

Maximus and Alice relaxed.

Su Chen was able to help the four of them, which meant that Su Chen had always known about them. If the four of them encountered trouble in their mission, Su Chen would not be able to ignore the four of them.

Mirage!

In the Zibei Water Pavilion,

Concubine Yan and Yue'er were a little surprised when they looked at Tianming and the others outside.

Concubine Yan did not expect that the three scumbags would break into the mirage. Is the defense of the mirage so weak? The three little scumbags just Can you break in at will? Or did the Moon God deliberately let three scum into the mirage?

Yue'er took Concubine Yan's hand and said,

"Mother, outside (abcj) are Tianming and Xiang Shaoyu. I met them at Sister Rong's Jinghu Medical Village. One of Tianming's arms was cut off by Su Chen."

"Let's go meet them."

Concubine Yan thought for a while and decided to go see Tianming and the others. She was a little curious as to why the Moon God didn't kill these three people.

Outside the Zibei Water Pavilion, Tianming and the others looked at the Zibei Water Pavilion in surprise.

They had never seen the big fish in it, and the beautiful purple shell crystal also surprised them.

Whoosh!

Concubine Yan and Yue'er suddenly appeared in front of Tianming and the others. The three of Tianming saw the sudden appearance of Concubine Yan and Yue. The children were very surprised. They did not expect that two people would appear in an instant.

"Yue'er?"

Tianming was very happy to see that it was Yue'er, but who was the beautiful and noble woman beside Yue'er? Why was she pulling Yue'er?

Xiang Shaoyu and Xiaoyu were wary of Concubine Yan. They all felt how powerful Concubine Yan was, and The woman who appeared in the mirage, they guessed that Concubine Yan must be from the Yin Yang family.

Yue'er asked doubtfully, "Tianming, Shao Yu, why did you come to the mirage?"

"Yue'er, we are here to save you and Shi Lan's brother." After Tianming answered Yue'er, he pointed at Concubine Yan with a long sword and shouted,

"Bad woman, let go of Yue'er quickly, or Uncle Tianming will be rude to you. Yue'er shouted angrily,

"Tianming, this is my mother, don't talk nonsense"

"ah! Your mother?"

Tianming was confused for a moment. (To read Baoshuang novels, go to Feilu Novel Network!)

He didn't expect that Concubine Yan would be Yue'er's mother.

He felt that he was going to be doomed.

If Yue'er's mother didn't like him, Tianming felt that Concubine Yan would be Yue'er's mother. It is impossible for him and Yue'er to be together.

Concubine Yan asked coldly,

"How did you get into the mirage? Xiang

Shaoyu explained,

"Auntie, we took advantage of the Yin Yang family disciples to relax their vigilance, and the three of us sneaked into the mirage. We only arrived with no dangers along the way....."

At this moment, beside Zibei Water Pavilion,

Tian Yan looked at Concubine Yan and Tianming with an indifferent expression. She came to Zibei Water Pavilion to deliver some food to Yue'er, but she did not expect to find someone sneaking into Zibei Water Pavilion..

Moon God appeared next to Tian Yan and whispered,

"Yan'er, don't worry about them. I let them into the mirage on purpose. Tian

Yan asked doubtfully,

"Why?"

Moon God pointed to Tianming and said,

"Yan'er, have you seen that boy with a broken arm? His name is Tianming, and he is a man of destiny. Canglong Qisu wants to solve the problem, and Tianming is an important factor. Tian

Yan reminded the Moon God speechlessly,

"Canglong Qisu? Do you still care about Canglong Qisu? My father is the Emperor of Heaven in a huge realm and a rubbish Canglong Qisu. Why do you care about this?"

The Moon God shook his head when he heard Tian Yan's words,

Canglong Qisu?

The secret that the Yin Yang family has spent more than a hundred years trying to know, seven stars, seven countries, seven secrets, seven copper boxes, and the last copper box is still missing. The secret of Canglong Qisu can be solved.

Moon God has been waiting for decades.

She is very curious about the secret of Canglong Qisu. If Canglong Qisu is the secret to becoming an immortal, she will be very disappointed.

Su Chen is a Will the powerful Emperor of the Immortal Realm, the Moon God, still care about the secret of becoming an immortal?

"Haha, I have been studying Canglong Qisu for decades. Although Canglong Qisu is a piece of garbage, I still want to know what the secrets of Canglong Qisu are." boom!

"Yan Dan is dead? Or was he killed by Su Chen?"

Suddenly, a powerful aura erupted from Concubine Yan. She asked Tian Ming and the others with an angry look on her face.

Tian Ming hurriedly replied,

"Yes, Yan Dan was killed by Su Chen, and he was also killed by the capital punishment, which was executed at an early hour."

"Suchen! I am going to kill you!"

Concubine Yan was furious and quickly disappeared from the Zibei Water Pavilion. She was going to kill Su Chen and avenge Yan Dan.

Bang bang bang!

Tian Yan appeared next to Tian Ming and the others. She waved her palm and instantly killed the three of them. They were all shot away.

Tian Yan threatened coldly,

"Damn you! Yue'er hurriedly grabbed Tian Yan and shouted,

"Sister, go and stop my mother. My mother is going to kill your father."

Chapter 2736

Yue'er didn't expect that her mother, Concubine Yan, would be so angry,

Yan Dan?

There is no Yan Dan in her memory, and she does not have Yan Dan as her father.

Is Concubine Yan going to kill Su Chen?

Yue'er was worried that Su Chen would be killed by her mother, and she was also worried that her mother, Concubine Yan, would be killed by Su Chen.

Yue'er was very anxious.

She didn't want anything to happen to her mother, Concubine Yan, or Su Chen.

Tian Yan shook his head at Yue'er and said,

"Yue'er, don't worry, your mother can't kill my father yet."

Yue'er asked hurriedly again,

"Sister, will something happen to my mother?"

Tian Yan was stunned when he heard Yue'er's words.

Will Concubine Yan know it?

She couldn't tell.

If Su Chen's mind collapsed again, she guessed that Yue'er's Concubine Yan was dead.

Damn it,

Tian Yan became worried.

If Su Chen's mind collapses again and his aura becomes violent again, Tian Yan is worried that something will happen to Su Chen

"You all deserve to die!"

Tian Yan angrily took out the Frightening Salamander Sword and wanted to kill Tianming and the others. If it weren't for what Tianming and the others said to Concubine Yan, Concubine Yan would not have been so angry that she wanted to kill Su Chen. She wanted to kill these three scumbags..

Tianming, Xiang Shaoyu, and Xiao Yu, the three of them looked at Tian Yan in fear. A woman suddenly appeared and knocked them away, and she was also a powerful woman.

"Yan'er, leave them to me. You take Yue'er to see your father and Concubine Yan."

At this moment, the Moon God appeared next to Tian Yan and persuaded her.

She did not expect that Su Chen would kill Yan Dan, and Concubine Yan was so angry that she wanted to kill Su Chen.

The Moon God was not worried about Su Chen's safety. Although Su Chen was strong She was sealed to the Grand Master realm, but she felt that even Donghuang Taiyi in the Heavenly Realm was no match for Su Chen. When

Yue'er saw the arrival of the Moon God, she hurriedly shouted,

"Auntie!"

Yue Shen patted Yue'er's back and comforted, "Don't worry Yue'er, nothing will happen to your mother or Su Chen."

"Really?"

"Really, I promise you."

The Moon God smiled and nodded to Yue'er.

Over the past few days, the Moon God had gained some understanding of Su Chen.

She understood that Concubine Yan was very important in Su Chen's heart. It was impossible for Su Chen to kill Concubine Yan. Even if Su Chen's mind breaks down again, that bastard will not kill Concubine Yan.

Bang bang!

Tian Yan quickly wields the Jingshao Sword to kill Xiang Tianming and Xiang Shaoyu.

Leave?

She will leave to find Su Chen and Concubine Yan. , but Xiang Shaoyu and Tianming had to pay some price. Xiang Shaoyu and Tianming told Concubine Yan about Su Chen's murder of Yan Dan. Even if Tian Yan didn't kill them, he would also destroy them.

"Ahhhhh...."

"Damn it, my arms, ah!"

In an instant,

Tian Yan cut off the arms of Tianming and Xiang Shaoyu respectively. Tianming and Xiang Shaoyu screamed in pain. First, one of Tianming's arms was cut off by Su Chen, and now another one was

cut off by Tian Yan. Arms, his arms are completely disabled, and he will be completely reduced to a useless person in the future.

Xiang Shaoyu lost his right arm.

Whether he fights or goes on the battlefield in the future, Xiang Shaoyu will be affected if he is disabled.

"Shaoyu! Dawn!"

Xiao Yu saw that Xiang Shaoyu and Tian Ming had one arm cut off each. She hurried over to check on their situation.

Xiao Yu didn't expect Tian Yan to be so ruthless.

She also couldn't understand.

Xiang Shao Yu and Tian Ming just said Yan Dan was killed by Su Chen. Why was Concubine Yan furious? Why was Tian Yan so angry? Concubine Yan and Su Chen? What was their relationship?

"Yue'er, let's go"

"Ah, good sister!"

Tian Yan took Yue'er and left Zibei Water Pavilion. (To read Baoshuang novels, go to Feilu Novel Network!)

Tianming and Xiang Shaoyu were crippled by her.

Moon God can do whatever he wants.

Tian Yan wants to take them Zhu Yue'er went to see how Su Chen and Concubine Yan were doing. She didn't want Su Chen's mind to collapse again.

Yue Shen looked at Tian Ming and the others and said coldly,

"You did something you shouldn't have done, and today is your punishment. If there is a next time, you will all be killed. Little girl from Shushan, you will be imprisoned in Ying Prison. As for you two scum, I will let you People throw you into a mirage."

The Moon God plans to give Tianming another chance. She is still a little curious about the secret of Canglong Qisu.

However, if

Tianming continues to be ungrateful, the Moon God will kill Tianming with her own hands.

As for the Canglong Qisu, the Moon God thinks that Su Chen only needs to resume his cultivation. Because, it would be very simple for her to know the secret of Canglong Qisu. When

Tianming, Xiang Shaoyu, and Xiaoyu heard Yue Shen's cold words, the three of them were unable to resist. The aura that erupted from Yue Shen made them feel frightened.

At this time, Su Chen was basking in the sun on the mirage. He sensed that Concubine Yan was looking for him angrily. Su Chen rubbed his forehead and sat up. He guessed that Concubine Yan knew about the murder of Yan Dan.

A Stupid woman.

Damn, stupid woman?

Isn't this also calling his wife Yan Fei again?

"`.Su Chen, I'm going to kill you!"

After Concubine Yan discovered Su Chen on the roof of the attic, she screamed and quickly flew to kill Su Chen.

"trouble!"

Su Chen frowned and disappeared in the mirage instantly.

"damn it!"

Concubine Yan just arrived at the top of the attic.

She found that Su Chen suddenly disappeared without a trace. Concubine Yan looked around and found no trace of Su Chen.

Concubine Yan was stunned for a moment, and her angry heart calmed down. The concubine thought that Su Chen was an immortal or an emperor in the immortal world. Su Chen's cultivation realm was sealed. Can she kill Su Chen? Can she kill an immortal? After a while,

Tian Yan looked expressionless. With Yue'er appearing next to Concubine Yan, they saw that Concubine Yan was the only one in the attic. Concubine Yan was still thinking and dazed. Su Chen was not in the attic.

Tian Yan guessed that Su Chen was avoiding Concubine Yan.

"Concubine Yan, it would be easy for my father to kill you. If I want to kill you now, you can't escape. You should understand why you are still alive. If there is another time, my father just can't bear it. If I take action to kill you, I will also take action to kill you. Yue'er also hurriedly said to Concubine Yan,

"Mother, Yan Dan is a hypocrite. You shouldn't still think about him. Sister Yan's father killed Yan Dan. There is no fault in it."

Yue'er heard what Moon God said about her father. She hated Yan Dan very much. He was a despicable hypocrite.

Yan Dan not only used her mother, but also deceived her mother and finally betrayed her mother.

Yue'er She disliked and hated Yan Dan very much.

She did not have a despicable father, and she would not admit that she was Yan Dan's daughter.

Tian Yan reminded Concubine Yan indifferently,

"Concubine Yan, do you think that when Yan Dan was held hostage by the Qin State, he, a disciple of the Mohist School, would not know your identity? Will the Six-Fingered Black Man tell Yan Dan your identity? You have been deceived and used by Yan Dan from the beginning to the end. It is not an exaggeration to say that you are a stupid woman."

Chapter 2737

Concubine Yan became confused when she heard Tian Yan's words.

Yan Dan is a disciple of the Six-fingered Black Man, and she is the Dongjun of the Yin Yang family. The Mo family knows the martial arts aura of the Yin Yang family very well.

Concubine Yan had also guessed that Yan Dan knew her identity before. She was fascinated by Yan Dan's sweet words at that time, and Concubine Yan never doubted that Yan Dan knew her identity. Concubine Yan thought about all the things that happened in the future. She felt that she was deceived by Yan Dan. Concubine Yan helped Yan Dan escape from Qin and betrayed the Yin Yang family. She helped Yan Dan kill some enemies and helped Yan Dan kill Liu Zhihei. Xia helped Yan Dan become a Mohist giant, but what happened in the end? Yan Dan actually betrayed her? At this time, Su Chen appeared in Songhai City, wandering boredly alone on the street. On a stone bridge, a group of people were watching the excitement. Several gangsters on the stone bridge stopped a young man and asked him to crawl under the crotch of a gangster.

"Do you think Han Xin can crawl over?"

"I don't know, Han Xin is carrying a sword, he should be a swordsman. But Han Xin never drew his sword. I guess Han Xin didn't want to cause trouble with 853."

"It makes sense. Qin's laws are strict. Han Xin was worried about being wanted by Qin, so he didn't dare to kill a few gangsters who insulted him."

"Not necessarily, maybe Han Xin will take action later"

"Won't we know it as we continue reading?"

"Yes, yes, Han Xin drew his sword and took action? It is better to crawl over with humiliation and bear the burden, and you will see the result in a while."

The people around Shiqiao started talking. They all wanted to know what Han Xin would do next. Should he draw his sword and take action? Or crawl under the gangster's crotch?

Su Chen stood nearby and started to look,

Han Xin?

Da Qin In the plot,

Han Xin seems to be a conspirator.

He is not only a member of the Shadow Guard, but also has contacts with the remnants of the Chu Kingdom. He also has contacts with farmers and other various schools of thought, and may even have something to do with Luo Wang.

Han Xin He should be a thoughtful person, but he is also a person with evil intentions.

"Mr. Suchen?"

"Zhang Han?"

Su Chen turned around and saw a heroic man appearing next to him,

Zhang Han?

The leader of Yingzheng's secret guard, how could Zhang Han know him?

Could it be that Meng Tian described his appearance, and his portrait was seen by Zhang Han Passed?

Zhang Han saluted Su Chen and said,

"Mr. Suchen, I was looking for Mr. Su Chen under His Majesty's order. I didn't expect to meet Mr. Su Chen in Songhai."

Zhang Han was very happy.

After more than a month,

Zhang Han finally found Su Chen, and His Majesty the Emperor would not send someone to reprimand him again.

Su Chen shook his head silently and said,

"Zhang Han, I don't have time to see Ying Zheng. Let's talk about it later."

"Your Majesty has given instructions that everything depends on your wishes. You can go see Your Majesty whenever you want."

Su Chen looked at Zhang Han in surprise.

Why did Ying Zheng become so generous?

Did Ying Zheng change after regaining his youth? Or did Ying Zheng think he could live for another few decades and Ying Zheng was not in a hurry to see him?

"Zhang Han, did you see Han Xin on the stone bridge?"

"Sir, I am here this time just for Han Xin. Han Xin is a good swordsman. I intend to let him join the Shadow Guard."

"Zhang Han, if Han Xin crawls over the gangster's crotch, you will order the Shadow Secret Guard to kill Han Xin at all costs, otherwise the Great Qin Empire will have another powerful rebel in the future."

Zhang Han was a little confused when he heard Su Chen's words.

He was a swordsman, but he was also a poor swordsman.

Why would Su Chen say that? Kill Han Xin at all costs? Is Han Xin different?

Zhang Han thought for a while and asked,

"Sir, what if Han Xin hadn't climbed over the gangster's crotch?"

Su Chen said with a smile,

"He will definitely do it. Han Xin's ambition is huge. He will bear the humiliation (abdh) and crawl over the gangster's crotch at this moment. Zhang Han, remember, those who can bend and stretch are the most terrifying enemies."

Zhang Han nodded with a serious face. , (To read Baoshuang novels, go to Feilu Novel Network!)

He understood what Su Chen meant.

Han Xin was a swordsman, and it would be easy for him to kill several gangsters.

If Han Xin could bear the humiliation and crawl over the crotch of the gangsters, he would indeed be A thoughtful person, if Han Xin grows up or gets great power, he might really become a hidden danger to the Qin Empire.

I'm going!

Why is Concubine Yan chasing after me again?

Why are Tian Yan and Yue'er following? Come here?

Su Chen suddenly found that Concubine Yan appeared next to her, and Tian Yan and Yue'er also arrived with Concubine Yan.

Su Chen looked at Concubine Yan and the others in confusion. He couldn't understand how Tian Yan could be with Concubine Yan.

Hey ?

Why is there no evil spirit in Concubine Yan?

Does Concubine Yan not intend to kill him?

Concubine Yan came to Su Chen and said coldly,

"I have something to do with you."

Su Chen frowned and said,

"explain!"

Concubine Yan looked around and said,

"This is not the place to talk. Let's go to the teahouse next door."

Yue'er grabbed Su Chen and begged,

"Uncle Su, my mother won't take action anymore, so just go and talk to my mother."

Uncle Su?

What a hellish title.

Su Chen looked at Yue'er complicatedly and nodded. Is

Concubine Yan talking to him?

Su Chen couldn't guess what Concubine Yan wanted to say, but he also wanted to hear what Concubine Yan wanted to say. , especially when Concubine Yan suddenly stopped killing him, Su Chen also wanted to know the reason.

Su Chen said to Tian Yan,

"Yan'er, you take Yue'er to play in Songhai City. I'll go talk to Concubine Yan."

"Good father! Tian

Yan nodded and replied.

She was not worried that Concubine Yan would take action again.

On the mirage,

Tian Yan told Concubine Yan some of the things Su Chen had said to her before. Concubine Yan also knew about being deceived and used by Yan Dan. She believed that Concubine Yan and Su Chen would have a friendly conversation.

"Zhang Han, this is my daughter Su Yan. If you need anything from me in the future, you can ask my daughter. I have to leave beforehand."

Zhang Han looked at Tian Yan unexpectedly, daughter?

Tian Yan is Su Chen's daughter?

A daughter about the same age as Su Chen?

Zhang Han suddenly thought that if Su Chen was a cultivator, his age and appearance would definitely be different. , Su Chen may be an old man of several decades, and it is not surprising that he has such an old daughter.

Zhang Han thought and nodded hurriedly,

"OK sir!"

After Su Chen nodded to Tian Yan and Yue'er, he suddenly disappeared in front of several people holding Concubine Yan.

Yue'er saw Su Chen disappear holding Concubine Yan, and she asked with big eyes,

"Sister, your father hugged my mother and left. Do you think they will be together in the future?".

Chapter 2738

Tian Yan looked at Yue'er speechlessly, how could she know whether Su Chen and Concubine Yan would be together.

However,

Tian Yan felt that Su Chen and Concubine Yan might really get together.

Although Concubine Yan was not Concubine Yan from another world, they were the same person after all.

Tian Yan touched Yue'er's hair and said-,

"Yue'er, this matter is not our responsibility. My sister will take you to play in a while."

"Ok sister."

Yue'er thought for a while and agreed.

She felt that her mother and Su Chen would be together, especially Su Chen's complicated eyes when he looked at Concubine Yan. Yue'er guessed that Su Chen still couldn't let go of her mother. After all, her mother was with another person. The world's Concubine Yan is exactly the same.

What about her?

Yue'er and Su Yue are also exactly the same. Will Su Chen recognize her as his daughter like Tian Yan?

When Zhang Han saw that Tian Yan and Yue'er were about to leave, he hurriedly asked,

"Miss Su Yan, I am Zhang Han, the leader of the Shadow Guard. If I need to find your father for something, where should I look for your father? Tian

Yan replied,

"Zhang Han, you can go to the mirage of the Yin Yang family. We will keep the mirage for the time being."

"Thank you, Miss Su Yan."

Three days later, at the Confucian Little Sage Village,

Fusu came to Confucianism with a large group of people.

The four Alices also came to Confucianism with Fusu. Some changes would happen in the Confucian family, and the four Alices had to protect Fusu. They don't dare to take their mission lightly

"Su Chen didn't return to Mirage for three days, where would he go?"

"I don't know, today Fusu comes to Confucianism, I think Su Chen will show up!"

"It should be possible. Su Chen always likes to be lively and troublesome. I guess he will definitely appear in Confucianism."

"Did Zhao Gao, that dead eunuch, kill him? He is a huge threat to Fusu"

"Wait and see, Alice, Zhao Gao's strength is good, our strength is limited by luck and heaven. To kill Zhao Gao, we must be fully prepared."

"Well, you're right. If we were all in the period of complete victory, Zhao Gao wouldn't have to worry about it. It would be really troublesome. I didn't expect that the fate of this mission would limit our strength."

Alice and Maximus chatted in low voices for a while. They followed Fusu into the Confucian house. The

Confucian house just welcomed Fusu with etiquette.

The four of them looked at it in a confused way. The complicated etiquette of the Central Plains, Qilin and Mu Ningxue looked confused.

Outside Songhai City, in a wooden house in the woods,

Su Chen walked out of the wooden house with a smile.

In the wooden house,

Concubine Yan lay on the bed with her fair skin exposed and her face flushed. She wanted to kill Su Chen at this moment. Concubine Yan had been harmed by Su Chen for three days.

She had not left the wooden house for three days. Concubine Yan felt that her whole body was about to fall apart.

"Damn bastard, so shameless."

Concubine Yan gritted her silver teeth and was very angry.

Three days ago, she just wanted to talk to Su Chen. Concubine Yan also wanted to know how Su Chen would treat Yue'er in the future.

But Concubine Yan didn't expect that

Su Chen would take her. Appearing in the wooden house in the woods, that bastard forcibly kissed her without saying a word, and also forced her to do those disgusting things, and even humiliated her.

Concubine Yan went from resisting to not resisting. In the past three days, Concubine Yan still She became more and more cooperative with Su Chen.

Su Chen knew her too well.

There was no secret in her body from Su Chen. Concubine Yan had no other thoughts except sinking.

Concubine Yan patted her forehead and said helplessly,

"Damn it, what next?"

At this moment,

Su Chen was leaning under a tree with his eyes closed.

For three days, his mind has not changed, and it has become firmly stable.

Su Chen somewhat understood how to pass the path of refining the mind through the ladder to heaven. He As long as we experiment a few more times, if we can deal with Concubine Yan, the road to refining the heart should be easy to pass. The plot of Confucianism should begin.

Fusu and Alice will arrive at Confucianism today. It is also time for Su Chen to kill some people. ,

Zhao Gao, that dead eunuch must die, and Chu Nan Gong of the Yin Yang family must die too. (To read Baoshuang novels, go to Feilu Novel Network!)

Should Zhang Liang be killed?

Damn it, what does Su Chen think of Zhang Liang ? They all find it unpleasant. Are all conspirators very annoying?

"what's on your mind?"

At this moment,

Concubine Yan walked up to Su Chen with an indifferent expression. She looked at Su Chen leaning against the tree and thinking, and Concubine Yan felt a little angry.

0 Asking for flowers ,

Su Chen stood up and said,

"Concubine Yan, we will go to Confucianism soon. I want to kill a few people."

"Confucianism? Who are you going to kill?"

Concubine Yan was a little confused.

Why did Su Chen go to Confucianism to kill someone? Why would a majestic Emperor of Heaven murder a mortal?

Su Chen hugged Concubine Yan's waist and said,"Kill Zhao Gao. How many people are here? It depends on the situation"

"Zhao Gao? The leader of the snare? Did he offend you?"

Concubine Yan was held by Su Chen without any struggle. She had been held by Su Chen for three days.

Even when Concubine Yan was resting at night, this bastard would hold her body while she rested. Concubine Yan was used to it. Su Chen's hug, another world? Another identical Concubine Yan? She wants to meet another Concubine Yan

"No, but he shouldn't be alive anymore"

"when to go?"

"Going right now!"

"good!"

Su Chen was planning to take Concubine Yan to Confucianism when the system suddenly reacted.

"Ding, host, I would like to remind you that the Great Qin world cannot be merged into the Xuantian realm. You should understand that the existence of people like Concubine Yan is exactly the same as those in the Tianxuan continent. They cannot appear in the same world at the same time."

Su Chen was confused when he heard what the system said.

Da Qin World cannot be merged into the Xuanda Realm?

What's going on?

Su Chen had merged the Douluo World into the Xuantian Realm before, and the two Bi Dou'er had met each other. The two high priests have also met. Why can't they be merged into the Great Qin world this time?

"System, this isn't right. Haven't I merged into some similar worlds before?"

"Ding, it's different. Concubine Yan and Jing Salamander occupy one-tenth of your luck. If people from the Great Qin world appear in Xuantian Realm, they will be killed by luck in an instant."

Su Chen asked in surprise,

"Let me go, system, do I want to give up on the Great Qin world? Do I want to give up on people like Concubine Yan and Tian Yan?"

"Ding, host, you are an idiot. Although Xuantian Realm cannot merge the Great Qin World, you still have the Great Desolate Immortal World of the Conferred God Period. You can merge the Great Qin World into the Great Desolate Immortal World of the Conferred God Period."

Chapter 2739

Su Chen was stunned when he heard the system girl scolding him.

However, he felt that he was an idiot.

Su Chen actually forgot about the prehistoric fairy world during the Conferred God period. The Great Qin world could not be merged into the Xuantian realm, but it could be merged into the Fengshen realm. The prehistoric fairyland of that era, what the hell, idiot?

Su Chen felt that after his mind was weakened, his brain could not function well.

However, in this way,

Tian Yan might not be able to see Jing Salad and Su Yan, and Concubine Yan and Yue'er would not be able to see the other Concubine Yan and Su Yan. moon.

Su Chen can only think of a way in the future.

If he is stronger than the saints in the Twelfth Heaven of the Saint Realm, and he goes to Hongmeng World in the future, Su Chen might be able to connect the Xuantian Realm and the Ancient Immortal Realm in the Conferred God Period.

"Su Chen, what's wrong with you?"

Concubine Yan looked at Su Chen in confusion.

She had been waiting for Su Chen to take her to the Confucian Little Sage Village, but why did Su Chen's face keep changing? Is this bastard thinking about something dirty again?

Su Chen kissed her Concubine Yan babbled for a moment,

"Nothing, I just thought of some things from the past. Concubine Yan, let's go to the beach to rest today."

"Go away, shameless pervert."

Concubine Yan stared at Su Chen with a red face.

Beach?

Shameless bastard.

Concubine Yan guessed that Su Chen must have bad intentions. She felt that Su Chen didn't know how to torment her at the beach.

"Come on, let's go to Confucianism!"

Su Chen smiled and hugged Concubine Yan and disappeared under the tree, disappearing into the romantic place where they had been for three days.

Confucianism!

In the main hall, the competition between Yan Lu and Sheng Qi had just begun. Everyone in the main hall was Watching the battle between Yan Lu and Sheng Qi.

In the main seat,

Fusu and the white-haired Xiao Meng sat together, Alice and the other four sat next to each other. Zhao Gao from Luowang sat in the lower seat with a gloomy face, and next to him was Confucian Several heads of family.

Zhao Gao saluted with a sinister smile on his face,

"Young Master, the Confucian Zhang Liang was defeated in the first game, and Sheng Qi in the second game seems to be no match for Yan Lu. The four people behind the Young Master are all masters, so why not let one of them participate in the third sword debate."

Zhao Gao was very surprised by the appearance of Alice and the four others.

Four Grand Masters?

There were still four Grand Masters who couldn't find out any details. Two of them were from foreign races. Zhao Gao couldn't figure out where Fusu found them. A master,

Fusu waved his hands with a serious face and said,

"No, Master Xiaomeng will conduct the third sword discussion, and the four Qilin people do not need to participate in the sword discussion."

Zhao Gao looked at the four Alices and showed a cruel smile.

The four great masters around Fusu cannot stay. Anyone who hinders his plan will die.

"Damn eunuch, I can't help but kill him"

"Zhao Gao is so disgusting, Alice, I can't help but kill him"

"Bear with me, our mission is to protect Fusu, we can put everything else aside."

"Yes, our mission is crucial, Zhao Gao will save us and kill us later."

The four Alices talked in low voices.

They looked at Zhao Gao and couldn't help but want to take action. However, for the mission of Qi Luck Tiandao, they could only resist the urge to kill Zhao Gao first.

Fusu heard that the four Alices He whispered with the corner of his mouth twitching, dead eunuch?

He also wanted to kill Zhao Gao, the dead eunuch, but Zhao Gao was deeply valued by Ying Zheng, and Fusu could only endure the dead eunuch.

Xiaomeng looked at the four Alices unexpectedly,

She didn't pay attention to the four Alices at first, but the four people's whispers didn't seem to pay attention to Fusu. Xiaomeng became curious about the four Alices. Zhang Han walked to Fusu and whispered, "Master, Miss Su Yan is here too." Confucian, do you want to invite her to come?"

"oh? General Zhang, go and invite Miss Su Yan."

Fu Su nodded in agreement.

Su Chen's daughter Su Yan?

Zhang Han mentioned before, (for Baoshuang novels, go to Feilu Novel Network!)

Su Chen is actually the same age as her daughter, Fu Su said. Su became more curious about Su Chen

"Yes, sir!"

Whoosh!

At this time,

Su Chen appeared in the hall with Concubine Yan in his arms.

People around him looked at Su Chen in surprise. The Shadow Secret Guards and the Qin Army surrounded Su Chen and Concubine Yan.

Concubine Yan did not expect that. She would appear in the Confucian hall, and everyone around her was looking at her and Su Chen.

She scolded Su Chen with a black face,

"Bastard, why are you in the hall?"

Su Chen said awkwardly,

"Ahem, mistake, mainly because you are too charming, I paid attention to you and forgot to check the situation of the place where you appeared."

"Shameless!"

Concubine Yan wished she could stop Su Chen's mouth.

Su Chen was not honest enough to teleport while holding her.

This bastard kept stroking her body with his hands. Concubine Yan had nothing to say to the shameless pervert.

"Everybody stand down!"

When Zhang Han saw Su Chen appearing with Concubine Yan, he hurriedly waved orders to the Shadow Guards and Qin Jun.

Zhang Han came to Su Chen and saluted,

"Mr. Suchen, I didn't expect you to come too."

Su Chen let go of Concubine Yan and said,

"Zhang Han, I came here to see the excitement and kill someone by the way."

Alice and Maximus quickly came to Su Chen.

Brother Qilin:"Su Chen, you finally showed up.

Maximus:"Su Chen, we have been looking for you for nearly two months. You disappear as soon as you appear. We can't find you even if we try to find you."

Alice:"Su Chen, why do you see beautiful women everywhere you go?" Would you die without a beautiful woman by your side?"

Mu Ningxue:"Long time no see, Su Chen!"

Su Chen looked at Alice and the four of them nodded and said,

"Long time no see, you guys seem to be doing well."

Maximus patted Su Chen on the shoulder and said,"Thanks to you, otherwise we wouldn't be able to get close to Mr. Fu Su."

"Mark, Alice, Mu Ningxue, Qilin, we will talk later, I will do some business first."857

Su Chen saw Zhao Gao in the hall.

After he nodded to Alice, the four people and Concubine Yan, Su Chen walked towards Zhao Gao.

A dead eunuch was the first dead eunuch in history. Su Chen wanted to Kill the dead eunuch Zhao Gao.

Everyone in the hall looked at Su Chen.

They were all guessing about Su Chen's identity. Why did Zhang Han, the commander of the Shadow Guard, salute Su Chen? The four masters who protected Fusu Why did he meet Su Chen?

Fusu saw Su Chen walking towards this side, he quickly stood up and clasped his fists, saying,

"Fusu, I have met Mr. Su Chen!"

Fusu didn't expect that Su Chen would be so young and appear in an instant with a woman in his arms.

Xiaomeng's appearance was very surprising. Su Chen's appearance was as silent as an immortal.

Su Chen looked at Fusu He shook his head and said,

"Fusu, you are a nice person, but you are too kind-hearted and too soft-hearted. You are not ruthless enough in doing things, and you are not decisive enough in dealing with rebels, just like when you came to Confucianism"

"Confucianism has always been at odds with the Qin Empire. You are here to challenge the Confucian army, not to have a sword fight. The Confucianists have not expressed their stance and have not surrendered to the Qin Empire. Are the Qin troops behind you just a show-off?"

"Fusu, you will be the emperor of Qin in the future. If you are indecisive, soft-hearted, and not decisive enough in killing, you will not only harm yourself, but also those who support you, and the Qin Empire. Destroyed country"

Chapter 2740

Su Chen didn't think much of Fusu.

He was a kind-hearted and soft-hearted person. If he were the eldest son of an ordinary family, Fusu might have a good life.

But he was born in the royal family, and he will be the emperor of a powerful empire in the future. He is a soft-hearted heir to the empire who is not decisive enough in killing. Can Fusu deal with the rebels who rebel everywhere in the empire?

The Great Qin Empire II was destroyed, and Fusu had an unshirkable responsibility.

An heir to the empire,

Fusu committed suicide because of a false imperial edict. He was a hopeless idiot.

At this moment, there was silence in the main hall.

Mr. Fusu greeted Su Chen?

Su Chen reprimanded and taught Fu Su?

They couldn't figure out who Su Chen was?

Su Chen reprimanded Fu Su, but no one expected that

Fu Su had a kind heart? Merciful and soft-hearted? Not decisive enough in killing? Not ruthless enough? Is Su Chen teaching Mr. Su how to do things? Or are you teaching Mr. Fu Su to destroy Confucianism?

The Confucian people all looked at Su Chen in surprise.

Young Master Fusu came to Confucianism to ask questions, but Fusu did not respond. Confucians are aggressive, and discussing swords is also a warning to Confucians.

Su Chen's words, did this mean that Fusu would destroy Confucianism?

"Thank you sir for your advice."

After a while,

Fusu bowed down and saluted Su Chen with a serious face.

He understood the meaning of what Su Chen said. He was not a complete fool.

Fusu was in the royal family, and he knew some things clearly.

Fusu had some guesses about the assassination in Haiyue Xiaozhuli and the people who wanted to kill him secretly. He also roughly knew who had done it. He was just hesitant about whether he should tell Ying Zheng.

Su Chen saw Fusu saluted him, and he accepted it happily.

Logically speaking, he seems to be Fusu's stepfather.

Well, people in the Great Qin world are related to him to some extent. Fusu's mother Mihua , Mihua is also his woman,

Su Chen rubbed his forehead and continued,

"Fusu, I'm not giving you advice. I'm doing it for your mother Mihua's sake. This time I'm just reminding you not to be killed in the struggle for power."

"There is nothing wrong with you being kind-hearted, and there is nothing wrong with being generous, but it depends on who you are targeting, those rebels. Is your kindness useful? Can your magnanimity lead them to lay down their arms and surrender?"

Fusu was surprised when he heard Su Chen's words.

(abag) Does Su Chen know his mother Mihua?

Fu Su's mother Mi Hua has been dead for more than 20 years. Is Su Chen really a cultivator of immortality? Or a fairy?

Fusu asked hurriedly,

"Sir, do you know my mother?"

"know!"

Damn it, how can he not recognize her?

Su Chen and Mi Hua have slept together countless times. How can he not recognize Mi Hua?

Fusu continued to ask hurriedly,

"Sir, are you my mother's friend?"

"friend? Forget it, Fusu, today is not the time to talk. I will talk to you once before leaving."

Su Chen didn't want to continue talking to Fusu.

The presence of Zhao Gao, the dead eunuch, made him sick. Su Chen planned to kill Zhao Gao, the dead eunuch first.

"Yes, sir!"

Fusu was more respectful to Su Chen.

Su Chen knew his mother, and might be his mother's relative or friend.

Su Chen was also his elder.

Fusu didn't care whether Su Chen was an immortal or not, he had to treat Su Chen as he treated Zhao Gao respectfully.

Su Chen said to Zhao Gao indifferently,

"Zhao Gao, how do you want to die?"

Zhao Gao stood up with a gloomy face.

He had been guessing about Su Chen's identity just now, but he didn't expect that Su Chen wanted to kill him?

Zhao Gao had never met Su Chen, and he had never offended Su Chen. Why did Su Chen want to kill him? Kill him? (To read exciting novels, go to Feilu Novel Network!)

"You want to kill me? Why?"

Su Chen said disdainfully,

"A dead eunuch, do you need a reason to kill you?"

"Just because you are a great master?"

Zhao Gao's face turned ugly. Damn eunuch?

How many years has it been since Zhao Gao became the official of CRRC and controlled the net? No one dared to call him eunuch. Damn eunuch?

Su Chen is looking for death. He is an arrogant man. The great master, it is easy for Zhao Gao to kill Su Chen.

Whoosh!

Bang!

"Damn eunuch, is it difficult for me to kill you?"

Su Chen disappeared in an instant and kicked Zhao Gao away. He was a dead eunuch who was half a step into the heavenly realm. Su Chen's attempt to kill Zhao Gao was like squeezing an ant to death.

Boom!

Zhao Gao was instantly kicked away by Su Chen and hit a pillar. On the bed, his hat fell off, blood flowed from his mouth, and his hair was disheveled in a very messy manner.

"kill!"

Zhao Gao rushed towards Su Chen angrily.

He wanted to kill Su Chen.

He wanted to break Su Chen into pieces.

Su Chen had a look of disdain on his face.

"Luoxue cut off Zhao Gao's arms."

Whoosh!

A white light flashed instantly, a rain of blood fell, and Zhao Gao's arms were cut off silently.

"Ahhhhh....."

After Zhao Gao's arms were instantly cut off by the Luoxue Sword, he screamed in pain.

People in the hall looked at Su Chen in surprise.

They couldn't understand why Su Chen wanted to kill Zhao Gao. Zhao Gao was a trusted eunuch around Ying Zheng and the controller of Da Qin's sharp weapons and nets. Could it be that Ying Zheng wanted to execute Zhao Gao? ?

Everyone looked at the sword floating beside Su Chen. A sword silently cut off Zhao Gao's arms.

What kind of sword was this?

Spirit sword?

Or a fairy sword?

Xiao Meng, Fu Nian, Chu Nan Gong, Yan Lu and others all looked at Su Chen.

No, they were looking at the Luoxue Sword beside Su Chen. These people did not expect that there would be a spiritual sword in the world.

Alice and Zhang Han didn't care about this.

Alice and Maximus knew Su Chen's identity. They had also seen Su Chen's Snow Falling Sword.

Zhang Han guessed that Su Chen was an immortal and the immortal had one. Can the fairy sword make him strange?

Zhao Gao shouted angrily and ordered,

"Six sword slaves are better than seven. All the assassins in Luowang come forward and kill Su Chen for me. Kill him."

Zhao Gao knew that he was going to die.

After losing his arms, he was a useless person.

Ying Zheng would not need him anymore.

Zhao Gao had offended too many people over the years. After his arms were disabled by Su Chen, he was caught in a trap. The assassins in the trap would probably want to kill him.

Fusu hurriedly shouted,

"Stop it. If Luo Wen dares to take action against Mr. Su Chen, it is a traitor to Da Qin. Zhang Han, if Luo Wen's people dare to take action, they will be killed without mercy."
