Chapter 2741

Fusu would not let Luo Wen take action against Su Chen.

Su Chen might not care about Luo Wen's assassins, but Luo Wen was, after all, a weapon of the Qin Empire.

If the Luowen Assassin attacked Su Chen,

Fusu was worried that Su Chen would be dissatisfied with Da Qin, his father, and him.

Zhang Han hurriedly waved his hand and ordered,

"Shadow Secret Guards, the Qin army obeys orders. If there is any movement in the net, they will be killed without mercy!"

Dong dong dong.....

The Shadow Secret Guards and the Great Qin Army immediately surrounded Luo Wang's numerous assassins. If dozens of Luo Wang's assassins dared to attack Su Chen, the Shadow Secret Guards and the Great Qin Army would surround and kill the Luo Weng assassins.

Six Sword Slaves, Sheng Qi, and dozens of Luowen Assassins were all wary of the surrounding Shadow Guards and the Great Qin Army.

Zhao Gao was deposed, and the Luowen Assassins would no longer obey Zhao Gao's orders, but the Luowen Assassins I am also worried that I will be surrounded and killed by the Shadow Guards and the army.

"Damn it, damn it!"

Zhao Gao saw that the Luowang assassin had not taken action, and that the Shadow Guard and the Great Qin Empire were still watching eagerly. Zhao Gao knew that he was going to be doomed.

Run away!

Zhao Gao had to run away, otherwise he would be dead.

Whoosh!

Bang! 01

"ah....."

Zhao Gao jumped up quickly to escape, but suddenly a purple sword energy hit Zhao Gao. Zhao Gao fell in the hall and screamed in pain, and one of his legs was cut off again.

Tian Yan was wearing a sexy fishnet outfit and holding a sword. She appeared in the hall with Yue'er with a cold face.

"Moon!"

When Concubine Yan saw Tian Yan and Yue'er arriving, she hurried over and hugged Yue'er.

"Mother!"

Yue'er happily hugged Concubine Yan for three days.

She has been worried about her mother and Su Chen for three days. Yue'er was worried that Concubine Yan and Su Chen would conflict again.

Today, her mother Concubine Yan and Su Chen both appeared. , and there has been no conflict between them, which makes Yue'er very happy.

"Yan'er, Zhao Gao leaves it to you."

Su Chen discovered the appearance of Tian Yan and Yue'er early in the morning.

Zhao Gao wants to escape?

And he also escapes to Tian Yan. Isn't Zhao Gao seeking death? Tian Yan wants to kill Zhao Gao no less than he does.

"Good father!"

Tian Yan nodded to Su Chen, and she slowly walked towards Zhao Gao with the Frightening Salamander Sword.

Zhao Gao, the controller of the net, was also the person who killed her mother, and was the dead eunuch who threatened her to join the net.

Tian Yanhui Make Zhao Gao's life worse than death

"Jing Salamander, do you dare to betray me?"

Zhao Gao saw that it was Jingshao who stopped him from escaping and cut off one of his legs.

Daughter?

Father?

Jingshao is Su Chen's daughter?

How is this possible?

Zhao Gao knew Jingshao's identity clearly. Su How could Chen be Su Chen's daughter? And Su Chen and Jingyu are about the same age, how could they be father and daughter?

"snort!"

Jing Salamander coldly snorted and swung her sword to slash at Zhao Gao quickly.

Zhao Gao's arms were crippled and one of his legs was chopped off by her sword energy. The crippled Zhao Gao was like a fish on the stone slab at the moment, ready to be slaughtered by Tian Yan. It was easy for Zhao Gao.

Bang!

"ah...."

With one strike,

Tian Yan cut off Zhao Gao's other leg.

After Zhao Gao's arms and legs were destroyed, he lay on the ground with a despairing heart and waited for death. Lu Novel Network!)

Everyone in the hall looked at Tian Yan in confusion, shocked?

Luo Wang is a first-class assassin, but why does Jing salamander call Su Chen his father?

Jingyu and Su Chen are about the same age, how could they be father and daughter? Everyone in the hall felt dizzy.

The four Alices also looked at Tian Yan in confusion. They had all heard of Su Chen's daughters,

Tian Yan?

They also knew about Tian Yan in the plot. How could Su Chen and Tian Yan be father and daughter?

The assassins of Luo Wang saw Jing Salamander appear and attack Zhao Gao.

The assassins of Luo Wang no longer hesitated and worried. The first-class Jing Salamander appeared. They, the assassins of Luo Wang, would be led by Jing Salamander.

"Duke Nan of Chu, hand over the Yellow Stone Heavenly Book."

Su Chen didn't care how Tian Yan killed Zhao Gao brutally. He looked at an old man with a white beard in the hall and shouted.

Chu Nan Gong touched his beard and said,

"Su Chen, I don't know what you are talking about?"

Chu Nan Gong was very shocked.

Only Donghuang Taiyi of the Yin and Yang family knew about the fact that the Yellowstone Heavenly Book was in his hands. How did Su Chen know that he had the Yellowstone Heavenly Book? It was impossible for Donghuang Taiyi to tell Su Chen.

Su Chen saw Xiang Chu Nan Gong said mockingly,

"Duke Nan of Chu, the supreme elder of the Yin Yang family, and the great sage of Chu State, the Qinglong Plan should be your strategy for Lord Changping."

"Yan Dan, the Mohist giant, Xiaoyaozi from the Taoist clan, Zhang Liang from the Confucian school, Tian Guang, Tian Meng, and Wu Kuang from the peasant family, these are all the anti-Qin alliances you asked Changping Lord to contact Yan Dan."

"The remaining troops and generals of the Chu State, and the four generals of Fenghuoshuolin that you prepared for Xiang Shaoyu. Although the three families of Chu are destroyed, Qin will surely die of Chu. Isn't this a prophecy you made? Duke Nan of Chu, do you want me to continue?"

Everyone in the hall looked at Duke Nan of Chu in shock. They didn't expect that Duke Nan of Chu had done so many things against Qin.

Qinglong plan? Anti-Qin alliance? Although Chu's three families died, Qin must be Chu! Contact the old troops of Chu? Why? The four Fenghuolin generals prepared by Xiang Shaoyu of the Xiang family? How many anti-Qin things did Chu Nan Gong secretly do?

Fusu and Zhang Han looked at 390 Chu Nan Gong with anger on their faces. They did not expect that Chu Nan Gong was the king of the world. The planners of the anti-Qin, damn it, the Great Qin Empire has always regarded Duke Nan of Chu as a guest.

Duke Nan of Chu deserves death.

Zhang Liang felt uneasy at the moment.

He did not expect that Su Chen actually knew about the Qinglong Plan, and all the people involved Everyone in the Qinglong Project knows it very well.

Zhang Liang has been keeping a low profile since Su Chen appeared. Zhang Liang met Su Chen in the Mohist government city. It can be said that the Mohist giant Yan Dan died in the hands of Su Chen..Zhang

Liang's identity as an anti-Qin alliance was exposed.

What would the Confucianists do?

The Qin Empire would definitely hunt him down.

Duke Nan of Chu asked with a cold look in his eyes,

"Su Chen, I didn't expect you to know everything about me. Who are you? Why do you know these secrets? It is impossible for you, a great master, to find out these secrets."

Su Chen saw a fierce look in Chu Nan Gong's eyes.

Does Chu Nan Gong want to kill him?

An old and immortal scum.

What's wrong with Su Chen being a great master now? He won't kill Chu Nan Gong even if he wants to kill him. Too troublesome

"Old bastard, I didn't want to kill you, but your eyes made me very disgusted. As for who I am? When you get to the underworld, you will understand who I am."

Chapter 2742

When Chu Nan Gong heard Su Chen's words, he looked disdainful.

Was Su Chen going to kill him? is it possible?

There are no more than five people in the world who can kill him.

Donghuang Taiyi of the Yin-Yang family, Bei Mingzi of the Taoist family, Xunzi of the Confucian school, and Guiguzi of the Guigu family. Only these four in the world could kill him.

Su Chen is a great master. Even if he has a spiritual sword in his hand, does Su Chen think he is Zhao Gao's dead eunuch? boom!

Chu Nan Gong burst out with a powerful breath and shouted,

"Kill me, Su Chen. I have to say that your arrogance is a bit too much. You will definitely die today."

The people around them backed away one after another.

They didn't expect that Chu Nan Guild was a powerful person in the Heavenly Realm. He was so good at hiding that no one in the whole world knew that Chu Nangong was a powerful Heavenly Realm.

"You old bastard, let's fight outside the main hall!"

Su Chen said disdainfully and disappeared into the hall. Chu Nan Gong wanted to die. He would help this old bastard.

Chu Nan Gong quickly left the hall with an ugly face.

Old bastard?

Damn bastard, he is going to do it. Su Chen's corpse was broken into thousands of pieces.

Everyone in the hall left the hall one after another. They all wanted to see the battle between Su Chen and Chu Nan Gong.

A mysterious grand master, an old and sinister person in the realm of heaven and humanity, these people want to know What kind of confidence does Su Chen have? He dares to face a strong man in the heavenly realm.

When Concubine Yan saw how many people were left in the hall, she pulled Yue'er and said,

"Yue'er, let's go take a look too.

Yue'er asked with a smile, "Mom, should I call Su Chen father from now on?"

Yue'er found that her mother had changed a lot.

Concubine Yan was originally very beautiful, but when Yue'er saw her mother Concubine Yan today, she found that Concubine Yan was even more beautiful, with a mature charm all over her body. , her face was as pretty as a flower.

Yue'er guessed that her mother and Su Chen should be together.

Will she become Su Chen's daughter in the future? Will she and Tian Yan be sisters?

Su Yan?

Su Yue?

She will in the future Is your name Su Yue?

Yue'er felt even happier when she thought that she would have a last name in the future.

Concubine Yan replied with an embarrassed look,

"Just call it if you like."

"Yeah, my name will be Su Yue from now on. I have a father and a surname."

Concubine Yan heard Yue'er shouting happily. She hugged Yue'er and left the hall with a blushing face. There were only three heads of the Confucian family left in the hall.

Fu Nian and Yan Lu both looked at Zhang Liang angrily. , they did not expect that Zhang Liang would join the anti-Qin alliance.

Although Confucianism did not surrender to the Qin Empire, it did not oppose Qin.

Zhang Liang joined the anti-Qin alliance of the Qinglong Plan, which pushed the entire Confucianism into a pit of fire.

Fu Nian asked with a cold face road,

"Zhang Liang, do you know the consequences of doing this? Zhang

Liang nodded and replied,

"I know! Fu

Nian shouted angrily,

"Know? You don't know that your private behavior will cause the entire Confucian family to be destroyed. Zhang Liang, we will hand you over to the young master Fusu, and your identity in the Confucian family will also be stripped away. Yan

Lu asked with his eyebrows raised.

"Senior brother, do we need to do this?"

Yan Lu was also very angry at Zhang Liang's private behavior, but by handing Zhang Liang over to Prince Fusu, wouldn't this mean that Zhang Liang would be executed by Prince Fusu?

Yan Lu felt that as long as Zhang Liang's identity was deprived, Zhang Liang's future As long as life and death have nothing to do with Confucianism,

Fu Nian rubbed his forehead and explained,

"Yan Lu, do you think it's over if I hand Zhang Liang over to Young Master Fusu?"Zhang Liang is just a factor" (To read Baoshuang novels, go to Feilu Novel Network!)

"With Su Chen here, we don't know whether the Confucian family can escape the disaster. Zhang Liang was revealed to have joined the anti-Qin alliance. Do you think Prince Fusu will order the destruction of the Confucian family? Will Su Chen let Confucian go?"

Yan Lu's face became serious when he heard Fu Nian's words.

Fu Nian was right.

With Su Chen here,

Young Master Fusu will no longer be polite to Confucianism, and the sword fight will not continue.

If Confucianism does not make a decision , if the anti-Qin Zhang Liang is not handed over, Prince Fusu will definitely order the annihilation of the Confucianists, and the mysterious Su Chen will not let the Confucianists go.

Zhang Liang clenched his fists with an ugly face, the Confucianists are going to surrender to the Qin Dynasty ?

Will he be caught and handed over to Young Master Fusu?

Damn it, how could it happen like this?

Don't Fu Nian and Yan Lu miss their brotherhood?

Zhang Liang clasped his fists at Fu Nian and Yan Lu,

"Two senior brothers, can you let me leave Confucianism? Fu

Nian shook his head expressionlessly and said,

"No, if you leave Confucianism, Confucianism will be destroyed. If we hand you over to Prince Fusu, Confucianism may escape disaster.

"Sorry, I don't want to die yet."

Zhang Liang said and ran away quickly.

If he didn't escape, he would be dead.

Escape.

Zhang Liang wanted to escape to the hiding place of the Mohist family.

Only if he was with the Mohist and Taoist clans could Zhang Liang avoid the Confucian and Qin Dynasty. Chase.

Yan Lu hurriedly said to Fu Nian, "Senior brother, I will go after Zhang Liang, and you will take charge of everything in Confucianism."

"Yan Lu, Zhang Liang must be captured, otherwise Confucianism will be over."

"I see!"

At this moment, by the small lake in the Confucian house, Su Chen and Chu Nan Gong were standing on the attic looking at each other.

Fusu appeared next to him under the protection of the shadow guards and the Qin army, and Alice and the four of them were watching next to Fusu. Facing Su Chen, some people from various schools of thought also came to the side.

Some disciples of Confucianism, Tian Yan and the people with the net, and the indifferent Xiao Meng also came to the small lake.

Concubine Yan hugged Yue'er and quickly Appearing by the small lake, they looked at Su Chen on the attic.

Su Chen held the Falling Snow Sword and said,

"You old bastard, I only have one move. If you are lucky enough to survive, I will disturb your life."

Chu Nan Gong shouted with an ugly face (Wang Zhao Zhao),

"Su Chen, are you too arrogant? You want to kill me with just one move? You will die today."

One move?

A great master wants to kill a celestial being with one move?

Chu Nan Gong thinks that Su Chen is too arrogant. He has never encountered such an idiot great master.

Chu Nan Gong must kill Su Chen.

He The Qinglong Plan, which has been carefully planned for decades, has all been exposed today. The Qinglong Plan is completely bankrupt, and everyone in the anti-Qin alliance will be hunted down and killed by the Qin Empire.

All the Qinglong Plans surrounding Fusu have completely failed, and the Chu Kingdom There is no chance of regaining the country.

All this is because of Su Chen.

Kill!

Only by killing Su Chen can Duke Nan of Chu relieve his hatred.

"Kill you with one move!"

Su Chen jumped up.

He stood in the air and raised the Falling Snow Sword.

"The Nine Heavens Mysterious Temple turned into divine thunder!"

"The brilliant power of heaven, lead it with the sword!"

Chapter 2743

Over Confucianism,

Su Chen stood in the air and activated the Divine Sword Controlling Thunder True Technique.

The area of Confucianism and even half of Songhai City~ became dark, booming and booming.....

The sky was covered with dark clouds, streaks of lightning pierced the sky, and streaks of terrifying black thunder roared.

"this.....Is this a vision of heaven and earth? This is a cultivation technique, damn it, it's locked."

Chu Nan Gong saw the terrifying black thunder in the sky. He looked panicked and wanted to run away.

When Chu Nan Gong turned around to run away, he found that he couldn't escape at all.

Su Chen's Divine Sword Controlling Thunder Zhenjue locked him. Chu Nan Gong His face turned pale, and he was locked by the cultivation technique. He could not escape except to resist.

"What kind of technique is this? How could it cause strange phenomena in heaven and earth? It's too scary. A black thunder can kill us all."

"Immortal cultivation technique, this must be an immortal cultivation technique. Is Su Chen an immortal cultivator?"

"A great master? This guy is even more powerful than the Heavenly Realm. Su Chen must be an immortal cultivator."

"You're all bullshit, go back quickly. Do you want to be blasted to death by the terrifying black thunder?"

"My God, run, run to the back, if you don't want to die, stay away as fast as possible"

"I....My legs are so frightened that I am weak. Who can help me?"

The people around, as well as thousands of Qin troops and many Confucian disciples, all shouted and left quickly. The black thunder in the air was too terrifying. They might be killed by the bombardment that would affect Chi Yu.

Fusu was in Zhang Han and They left quickly under the protection of the shadow guards.

They were all frightened.

Half of Songhai City was completely dark. Lightning and thunder thundered in the sky, and terrifying black thunder pierced the sky. Fusu and Zhang Han felt that Su Chen was going to destroy the entire Songhai City. It was easy for Haicheng.

Alice and the others saw Fusu retreating quickly, and they looked at Su Chen in the air and retreated hurriedly.

Protecting Fusu was crucial.

Although Alice and the others wanted to see Su Chen's terrifying attack, they Now is not the time, they will have the opportunity to see each other again in the future.

Yue'er saw the people next to her retreating, and she asked Concubine Yan,

"Mother, don't we step back?"

"Yue'er, do you feel the threat of Black Thunder?"

Concubine Yan pulled Yue'er and looked at the thunder in the sky. She felt that the black thunder in the air was not a threat to her at all. How could the terrifying black thunder not be a threat?

But Concubine Yan would not feel wrong.

The black thunder was not a threat to her at all. There was no threat, and Concubine Yan was very confused about this.

Yue'er looked at the sky and said doubtfully,

"Mother, I don't feel threatened, it seems....As if I could still summon thunder down.

Concubine Yan asked in surprise, "Huh?" Yue'er, can you summon the black thunder in the sky?"

"It seems like yes, mother, do you want me to try?"

"Yue'er, do you see the pavilion in the center of the small lake? You summon thunder to attack the pavilion in the center of the small lake"

"Good mother!"

After Yue'er heard what Concubine Yan said, she waved her hand and pointed to the pavilion in the center of the small lake and shouted,

"Thunder, attack the pavilion!"

Boom bang!

A thick black thunder instantly struck the pavilion in the small lake.

With a loud bang, the pavilion in the center of the small lake disappeared, and even the ground where the small lake was was bombarded and sank into the lake.

Concubine Yan and Yue The children all had their little mouths open. They didn't expect the thunder to be so terrifying.

Concubine Yan looked at Yue'er with a happy face.

She guessed that Yue'er could control the thunder because of Su Chen. Su Chen was an immortal and the thunder he summoned , maybe the people closest to you can give orders.

Boom boom boom.....!

At this time,

Tian Yan also discovered that she could command thunder in the sky, and she kept ordering thunder to attack the back mountain of Confucianism.

Yue'er saw Tian Yan ordering the thunder to hit the back mountain, and she shouted excitedly,

"Wow, mother, my sister can also command thunder, and she also wants to split a big mountain. I want to help my sister split the mountain."(To read Baoshuang novels, go to Feilu Novel Network!)

Concubine Yan couldn't laugh or cry when she heard Yue'er's words.

Su Chen summoned thunder to fight.

Tian Yan and Yue'er were actually making trouble.

She looked at Su Chen who was thinking in the air and didn't care. Concubine Yan believed that Su Chen would not blame Tian Yan and Yue'er for their misbehavior.

Yue'er's face showed excitement and she pointed at the back mountain and shouted,"Thunder, attack the back mountain and level it to the ground."

Boom boom boom....

The black thunder in the sky seemed to be alive, and the terrifying thunder struck instantly in the direction Yue'er pointed.

0 Asking for flowers

Xiaomeng looked at Yue'er for a moment and then at Tian Yan with a confused look on her face. Her mind was very confused at the moment.

How could Tian Yan and Yue'er control Thunder?

And you can also order thunder to attack at will? Is it because they are Su Chen's daughters? But will Thunder be intelligent? Will Thunder discover a blood connection?

At this moment, in the back mountain,

Xunzi was running for his life in a panic.

He did not expect that the thunder in the sky would attack the back mountain. Fortunately, the thunder's attack did not target him.

Otherwise, a bolt of thunder will destroy him.

In the air,

Su Chen felt changes happening around him.

His mind seemed to be returning to its original state. His mind, which had been on the verge of collapse, became stronger at this moment, even several times stronger than before it was weakened.

Su Chen didn't understand what was going on, but he felt that the road to heart refining was about to pass.

"Let me guess, Yan'er and Yue'er can actually command Thunder? How is this going?"

Su Chen suddenly felt that his true energy was being consumed rapidly.

He found that the thunder was attacking the back mountain, and it was Tian Yan and Yue'er who were commanding.

Su Chen looked at the sky and was very confused.

How could the thunder in the air obey Tian Yan and Yue'er? command? Could it be that the thunder was summoned from the Xuantian realm?

Su Chen shook his head and didn't think about these, they were just some thunder.

He was not interested in the weak thunder.

"Destroy!"

Su Chen waved his sword and pointed at Chu Nan Gong.

He wanted to destroy Chu Nan Gong before his true energy was exhausted.

Otherwise, when his true energy was exhausted, Su Chen could only rely on the spiritual sword Luoxue to destroy Chu Nan Gong.

"No....."

Chu Nan Gong saw a thunder bombarding him.

He shouted and was wiped out by the black thunder. Chu Nan Gong didn't even leave any dregs behind.

"Disperse!"

After Su Chen saw the thunder annihilating Chu Nan Gong, he waved his sword in the air and shouted.

The black clouds in the sky began to dissipate, and the thunder and lightning in the sky disappeared. After a while, the sky became bright again, as if The thunder and lightning never happened before.

Tian Yan quickly came to Su Chen's side and shouted,

"Father, I can actually control thunder, and I can also summon the disappeared thunder."

Chapter 2744

Tian Yan was a little excited when she came to Su Chen's side.

Although the terrifying thunder in the sky dissipated, she felt that she could still summon it.

This was incredible.

Tian Yan felt that it was because of Su Chen.

Su Chen was the Emperor of the Realm. He is a powerful immortal. Tian Yan can summon thunder and order thunder to attack. She guessed it must be because of Su Chen.

"System, what's going on?"

Su Chen communicated with the system in surprise.

The thunder of Divine Sword Controlling Thunder has dissipated. Tian Yan can still summon thunder?

How is this possible?

Tian Yan just advanced to the half-step heavenly realm a few days ago.

She is not a cultivator yet. He is not an immortal, so how could Tian Yan still summon thunder?

Tian Yan and Yue'er were able to order thunder to attack before, so

Su Chen felt strange, why did Tian Yan still summon thunder?

"Ding, host, the thunder you summoned is the thunder of the Xuantian realm, and the system clone is the heaven of the Xuantian realm. Some of the scum 01 thunder, the system's heaven clone did not take it away. The thunder was given to your two daughters by the system's heaven clone. Gift"

"Thanks, system!"

Su Chen didn't expect that it was really the thunder in the Xuantian realm. No wonder Tian Yan and Yue'er were able to order the thunder to attack.

This is good.

These scumbag thunders stay in the Great Qin world. Tian Yan and Yue'er have powerful bodyguards. They The sisters will not be in danger in the future.

Su Chen touched Tian Yan's hair and said,

"Yan'er, you and Yue'er can both summon the thunder I summoned earlier. If you encounter danger in the future, you can summon the thunder to destroy your enemies. Tian

Yan asked in surprise,

"real?"

Su Chen nodded and replied,

"Really, the thunder I summoned was the thunder in the Xuantian realm. Although these thunders were scum, in this world, the attack power of thunder was still good."

Tian Yan was speechless when he heard Su Chen's words,"

Zha Zha?"

The thunder that appeared earlier was very terrifying, and

Su Chen actually said"zha Zha"?

Tian Yan thought of Su Chen's identity as the Emperor of Heaven, and the previous thunder might really be"zha zha".

Su Chen looked around and said,

"Yan'er, let's leave. Confucianism has been ruined by us. Let's go back to the mirage."

"good!"

Tian Yan nodded awkwardly.

She wanted to try to command the thunder before.

The back mountain of the Confucian family was razed to the ground by the thunder, and the small lake in the Confucian house was destroyed by the thunder. Tian Yan and Yue'er destroyed the Confucian house. Two-thirds of the Little Sage Village was destroyed.

Whoosh!

Su Chen appeared next to Concubine Yan and Yue'er holding Tian Yan. He didn't say anything to Concubine Yan or the excited Yue'er. Su Chen hugged Yue'er again. Concubine Yan hugged her and disappeared into Confucianism.

"Suchen? Who are you? Immortal cultivator? Immortal?"

Xiaomeng saw Su Chen disappearing with Concubine Yan and the others in an instant. She held the sword tightly in her hand with a serious face.

Xiaomeng devoted herself to cultivating Taoism.

She wanted to become an immortal cultivator.

She wanted to become an immortal, but she knew that It is very far away to practice Taoism. There is no aura of heaven and earth in this world. Xiaomeng may have an unfulfilled dream in her life.

With the appearance of Su Chen,

Xiaomeng feels that her heart of cultivating Taoism is right. Su Chen can become a cultivator. She It must be possible. Xiaomeng's Taoism is no worse than Su Chen. The aura of heaven and earth?

Xiaomeng decided to go to Su Chen.

She wanted to know if Su Chen had a cave for immortal cultivators and whether there was aura of heaven and earth in the cave.

Confucianism ,

Fusu, Fu Nian and others returned to the Confucian small lake after the thunder dissipated.

These people looked at the dilapidated small lake and the back mountain was flattened by the thunder. Everyone was stunned. There were no words.

The four Alices looked at each other dumbfounded. They didn't expect that Su Chen had razed a big mountain to the ground. (To read Baoshuang novels, go to Feilu Novel Network!) Did the mountain offend Su Chen?

Xiaohu offended Did you kill Su Chen?

Alice:"Is Su Chen crazy? Isn't it just killing someone? Why did he destroy both the small lake and the back mountain of Confucianism?"

Maximus:"I guess Su Chen should give Confucian a warning."

Brother Qilin:"It should be that Su Chen wants to help Fusu!

Alice:"That bastard ran away again. What a bastard.""

Mu Ningxue:"Alice, we will have a chance to see Su Chen in the future. There may be something wrong with his coming to this world."

Fusu and Zhang Han were trembling in their hearts at this moment.

A big mountain was gone.

In just over a quarter of an hour, a 100-meter-high mountain was razed to the ground.

It was so terrifying.

If Su Chen attacked a city, what city would there be? How many cities would there be? Can the army stop Su Chen?

Fu Su hurriedly ordered with a serious face,

"Zhang Han, urgently send what happened to Confucianism to Xianyang. My father must know about this matter as soon as possible."

"Yes, sir!"

Fu Nian of Confucianism and other people from various schools of thought have different thoughts at the moment.

These people think that Su Chen must be an immortal cultivator or a powerful immortal. Su Chen is on the side of the Qin Empire. All schools of thought have different ideas. Do you still dare to ignore the Qin Dynasty?

Two-thirds of Confucianism was destroyed, and a mountain was razed to the ground.

Su Chen should be warning the Confucianists, as well as other schools of thought.

Whoosh!

Xunzi quickly arrived at the small lake in embarrassment, he looked at Fu Nian and everyone and nodded,

097 Su Chen's appearance,

Xunzi had seen clearly from a distance before, he didn't know if Su Chen had noticed him, but Su Chen looked in his direction before disappearing instantly. At a glance, Xunzi felt that Su Chen had discovered his presence early in the morning.

Fu Nian hurriedly saluted and said,

"teacher! Xunzi said seriously,

"Fu Nian, Confucianism surrendered to the Qin Dynasty, Zhang Liang must seize it and hand it over to Master Fusu."

"is teacher!"

Fusu saluted hurriedly after hearing Xunzi's words,

"Fusu thanks Senior Xunzi. The Confucian Little Sage Village was accidentally destroyed by Mr. Su Chen. I will order the Songhai County Sheriff to help the Confucian family repair the Little Saint Village. Xunzi stroked his beard and nodded in thanks,

"Thank you Mr. Fusu. Mr. Fusu, I would like to meet Mr. Su Chen. Can you recommend him to me?"

"Senior Xunzi, I'm going to see Mr. Su Chen in a moment. If nothing happens, senior Xunzi, you can go with me to see Mr. Su Chen."

"good!"

At this time, a hundred miles away from Songhai City,

Gai Nie and Wei Zhuang were heading towards Songhai City with wounds all over their bodies.

They went to the farmhouse a month ago to see Liu Ji, but they did not expect that they would be discovered by strong men and hunted down..

An old man who is half a step into the heavenly realm, and uses Guiguzi skills and martial arts. Wei Zhuang and Gai Nie were hunted by the old man for more than half a month..

Chapter 2745

Not long after Su Chen and Concubine Yan came back from Mirage

, Fusu, Xunzi, Xiaomeng, and Alice all arrived at Mirage.

In a room,

Su Chen, Fusu, Xunzi, and Xiaomeng were sitting together, while Alice and the other four were taken to visit the mirage by Concubine Yan and Moon God. Su Chen also guessed some reasons for the arrival of Fusu and the others. Fusu cupped his fists and said to Su Chen,

"Mr. Su Chen, please excuse me this time."

"nothing!"

Xiaomeng asked impatiently,

"Mr. Su Chen, are you an immortal?"

"yes!"

Su Chen nodded to the long-legged Xiao Meng.

Hasn't the white-haired Xiao Meng always been calm and free from distractions? How could Xiao Meng be a little excited?

Xiao Meng, Fu Su, and Xun Zi, they are all alone Everyone looked at Su Chen with wide eyes.

Su Chen was really an immortal?

Immortals really exist in the world?

They were very excited about the news.

Xunzi hurriedly asked,

"Mr. Su Chen, is there a fairyland above the world?"

Su Chen shook his head and replied,

"No, your world is a lost world. There is no aura of heaven and earth, 170 there are no immortal cultivation techniques, and there is no passage to ascend to the immortal world. Your world is just a world of mortal warriors."

Xunzi and Xiaomeng fell silent when they heard Su Chen's words.

A lost world?

No spiritual energy?

No immortal cultivation techniques?

No passage to ascend to the immortal world?

In this way, it is impossible for them to become immortal cultivators or immortals. How can they practice anymore? He was just a powerful warrior.

Su Chen looked at Fusu and said,

"Fusu, I will give you a few items in a few days, some of which are food seeds. If the people of Great Qin grow such crops, the Great Qin Empire will no longer have famines in the future. There are also some other items. Can these be beneficial to the Great Qin Empire? It is very important to pass down the inheritance to all generations."

Su Chen planned to help the Great Qin Empire, which was the first unified empire in the Central Plains.

In Tianxuan Continent,

Su Chen destroyed the Great Qin Empire, and Qin King Ying Zheng also committed suicide.

In the Great Qin world,

Qin King Ying Zheng had no conflict with him. Su Chen also looked down upon the small Great Qin Empire.

For Zhao Ji in the Xuantian Realm,

Su Chen gave some help to Ying Zheng in the Great Qin (abcd) world. He wanted to see if Ying Zheng could conquer all the countries in the Great Qin World.

"Thank you Mr. Su Chen!"

Fusu hurriedly saluted and thanked Su Chen, crops and some other items?

Fusu thought of the crops that caused famine among the people, which would be a treasure to the Qin Empire.

Su Chen took a sip of tea and continued,

"Fu Su, tell Ying Zheng that your brother Hu Hai cannot be retained. Zhao Gao and Hu Hai have a conspiracy, as well as Prime Minister Li Si. He is too power-minded. If he cannot control it, it is better to deal with it as soon as possible."

Fusu nodded seriously.

He knew very well that Hu Hai and the dead eunuch Zhao Gao were close. As for Prime Minister Li Si, Fusu didn't know much about him.

But Su Chen mentioned Hu Hai and Li Si, and Fusu guessed Hu Hai and Li Si are unstable factors for the Qin Empire. He will tell Ying Zheng truthfully.

Su Chen took out a book of immortal cultivation techniques in the world of Zhu Xian.

He handed it to Xunzi and said,

"Xunzi, the Confucians have surrendered to the Qin Dynasty. I will leave you a method of cultivating immortals for the Confucians. I hope that the Confucians can help the Qin Empire in the future and help the Central Plains resist foreign enemies. Xunzi took the jade slip and thanked him excitedly,

"Thank you Mr. Su Chen. Confucianism is the Confucianism of the Central Plains. In the future, Confucianism will do its best to help the Qin Empire and protect the Central Plains."

Su Chen nodded and continued,

"In the world of Great Qin, before I leave, I will open up a secret realm, which will contain the spiritual energy of heaven and earth. Warriors who are above the Heavenly Realm can enter the secret realm to practice. However, if there are no people guarding the Central Plains and the demons who harm the people, they will be trapped in the secret realm. Rejection cannot enter."

Su Chen plans to leave seeds in the world of Da Qin.

He wants to see how many people in the world of Da Qin will be able to cultivate and become immortals after thousands of years.

Confucianism, Taoism, Yin Yang family, Wei Zhuang and Gai Nie. People, Su Chen plans to leave immortal cultivation techniques. (To read Baoshuang novels, go to Feilu Novel Network!)

Fusu and Xunzi were both excited.

Secret realm?

Spiritual energy?

Su Chen is planning to leave an immortal destiny to this world, The Celestial Realm can enter the secret realm to practice, which is great news for all Celestial Realms.

Su Chen looked at Xiaomeng who had regained his composure.

He was a little curious.

Su Chen gave Xunzi the cultivation techniques for immortality. Why is there no surprise or surprise in Meng?

Does Xiaomeng not want to get the immortality cultivation technique? Or does Xiaomeng think that he will definitely give her the immortality cultivation technique?

Su Chen said to Fusu and Xunzi,

"Fusu, Xunzi, please leave. I have something to say to Xiaomeng."

"Okay, Mr. Suchen, we take our leave."

Fusu and Xunzi bowed to Su Chen and left. They couldn't guess why

Su Chen left Xiaomeng behind. Fusu and Xunzi didn't have time to guess. The news Su Chen said this time was crucial. They You have to calm down your excitement and think about it carefully. Su Chen drank tea and said,

"Xiaomeng, you surprised me"

"Su Chen, you surprised me too"

"Xiaomeng, can you smile?"

"No, I never laugh!"

Xiao Meng was very speechless towards Su Chen.

Laughing?

Why is she laughing when she has nothing to do?

And Xiao Meng has never laughed before, and she doesn't need to laugh. She is devoted to cultivating Taoism, has no desires and desires, and has no emotions. She will not laugh. , it's impossible for her to laugh.

Su Chen rubbed his forehead and reminded,

"Xiaomeng, cultivating an immortal does not mean abandoning the seven emotions and six desires, nor does it mean being free from desires and pursuits. To cultivate an immortal, you also need to travel around the secular world and experience all kinds of life. If you don't have the seven emotions and six desires, are you still a human being?"

Su Chen was very helpless towards Xiao Meng.

In the Tianxuan Continent,

Xiao Meng had not grown up yet. Su Chen met Xiao Meng. He also dealt with Xiao Meng very easily.

In the Daqin world,

Xiao Meng was already a heavenly figure. Sect leader, her determination to practice Taoism is too firm.

Xiaomeng thought for a while and said,

"Su Chen, you are an immortal. What you said may be right. I will travel around the world in the future, and I will also see all kinds of life everywhere."

"Just understand!"

"Su Chen, do you have any purpose in keeping me? For half an hour, you kept staring at my thighs. You are an immortal. Could it be that you, an immortal, have feelings for me, a mortal woman?"

Chapter 2746

Xiao Meng stared at Su Chen expressionlessly.

She came into the room and sat down.

Su Chen kept looking at her legs from time to time. Xiao Meng thought at first that Su Chen was surprised by the Taoist robe she was wearing, but within half an hour,

Su Chen's eyes never stopped. Xiaomeng was a little disgusted by Su Chen's disgusting eyes.

An immortal, an immortal would have such desires? And he also had feelings for her, a mortal woman.

Su Chen coughed awkwardly and said,

"Ahem, Xiaomeng, you and I are related, and our relationship is very close."

Su Chen didn't expect Xiaomeng to notice his peeking.

However,

Xiaomeng is his woman, so it doesn't matter if Su Chen looks at it openly.

Xiaomeng said coldly,

"There are relationships? Close relationship? Do you think I will believe"370"?"

Su Chen rubbed his forehead and explained,

"I know you won't believe it. I have a way to make you believe it. But if I tell you something secretly, you may be unhappy. Xiaomeng, do you want me to say it?"

Xiaomeng said nonchalantly,"Say, I don't have anything to say whether I'm happy or not."

"Okay, Xiaomeng, you take a shower every day....."

At this time, while Su Chen and Xiaomeng were talking,

Wei Zhuang and Gai Nie, a hundred miles away, were in crisis.

A powerful old man caught up with Wei Zhuang and Gai Nie, and Wei Zhuang and Gai Nie fell to the ground seriously injured.

An old man in gray robe said with an expressionless expression,

"Gai Nie, Wei Zhuang, you should not investigate Liu Ji. Now that you have discovered the secret, I will not let you still live."

Gai Nie stood up with difficulty and asked, holding his wound.

"Are you a previous disciple of Guiguzi?"

Weizhuang stood up with his sword as support.

The old man was too powerful.

He and Gai Nie were both at the peak of Grand Masters.

However, facing the old man,

Wei Zhuang and Gai Nie were defeated without persisting for thirty moves. They were defeated in one and a half steps.

Even if they can't defeat them in the Heavenly Realm , they won't be defeated so quickly.

The old man knows their moves too well. Gui Gu's martial arts poses no threat to the old man at all.

The old man smiled sinisterly and said,

"Yes, your master is my senior brother. I should have been killed by your master, but for some reasons, I was not killed by your master. I have remained anonymous for more than thirty years."

"Your master and I are going to do something big, something very important to the Guigu sect. You are just pawns, but you will die if you want to jump out of the chessboard."

Gai Nie and Wei Zhuang looked at each other.

They didn't have any doubts about Su Chen's words. Wei Zhuang and Gai Nie originally didn't believe that Gui Guzi was dead.

What now?

Another disciple on Gui Guzi didn't die either. The so-called big event ?

Gai Nie and Wei Zhuang also knew that

Liu Ji, who had the luck of being an emperor, their master and this uncle wanted to overthrow the Qin Empire. Thirty years of preparation? The previous generations of the Guigu sect, Hengjian and Zongjian, were really plotting It's been a long time.

The old man touched his beard and said coldly,

"Okay, I've said everything I need to say. You can die in peace. It's time for you brothers to get on your way."

"stop!"

Whoosh!

A woman in purple came quickly with Qinggong.

She saw that the old man was about to attack Wei Zhuang and Gai Nie. The woman in purple hurriedly shouted to stop him.

"Zi Nu, don't come here, leave quickly"

"Zinu girl, leave quickly. You are no match for this old man. Run away quickly."

Weizhuang and Gai Nie saw the woman in purple dress coming quickly, and they shouted anxiously to stop them.

Wei Zhuang and Gai Nie didn't expect that Zi Nu would appear here.

They were in big trouble.

Zi Nu was only an early stage Grand Master. In the realm, the old man can kill Zi Nu with one move.

Wei Zhuang and Gai Nie can only hope that Zi Nu can escape quickly and don't care about their life or death.

The old man looked at Zi Nu who came quickly with light skills, with a look of disdain on his face,
(To read Baoshuang novels, go to Feilu Novel Network!)

A scumbag of a great master,

Zi Nu came to save Wei Zhuang and Gai Nie but also died. The old man didn't mind killing the Zi Nu who was about to come.

Whoosh!

Zi Nu appeared with quick Qinggong Beside Wei Zhuang and Gai Nie, she checked their injuries and breathed a sigh of relief.

The old man looked at Zi Nu coldly and shouted,

"Another one is here to die. Little girl, since you know Wei Zhuang and Gai Nie, you don't have to leave alive."

"Old man, do you want to kill me?"

Zi Nu stood up and looked at the old man with cold eyes.

Fortunately, she met Wei Zhuang and Gai Nie this time, otherwise her brother and Gai Nie would have been killed by the old man..

"good!"

"You can't kill me!"

"Hey, you are in the early stage of a grand master, and I can crush you to death with just one hand."

Zi Nu held a jade talisman in her hand and said coldly,

"Yeah? Old man, I'm right here, try killing me!"

"court death!"

Boom!

The old man burst out with a powerful momentum and slapped Zi Nu with his palm.

"Zi Nu, get out of the way!"

"Purple Girl, run away quickly."

When Wei Zhuang and Gai Nie saw the old man taking action against Zi Nu, they all shouted with pale faces.

Zi Nu couldn't withstand a blow from the half-step Heavenly Realm.

If Zi Nu couldn't avoid it, the old man would kill Zi Nu with one palm.

Wei Zhuang and Gai Nie were seriously injured.

They couldn't even stand at this moment. Wei Zhuang and Gai Nie were unable to help Zi Nu.

Bang! Boom!

When the old man slapped Zi Nu with his palm, a light suddenly burst out from Zi Nu's body. The old man He was instantly blown away

"puff! Cough cough cough....."

The old man was knocked against a stone and vomited blood and coughed. He looked at Su Zinu with a horrified look, a white light?

A white halo enveloped Zi Nu.

What's going on? treasure?

Does Zi Nu need a protective treasure on her body?

Wei Zhuang 2.6 and Gai Nie stared at Zi Nu with their mouths open. They did not expect that such a change would happen to Zi Nu.

Bai Guang? aperture?

How is this going?

Zi Nu waved her hand and said coldly to the old man,

"Space blade, kill the old man?"

Zi Nu looked at the light curtain that protected her. She was already used to it. Zi Nu had experimented with a jade talisman before, and she was familiar with both the light curtain and the space blade. The three jade talismans were She wasted one, and Zi Nu used another jade talisman this time.

Whoosh!

A white sharp blade instantly appeared from the light curtain.

In an instant, before the old man could react, his body was cut in half by the spatial sharp blade.

Wei Zhuang asked Zi Nu dumbfoundedly, "This.....Zi Nu, what's going on?".

Chapter 2747

Wei Zhuang was very confused.

He had just met Zi Nu a month ago.

Zi Nu was no different.

She was still in the early stages of being a Grand Master. But how could Zi Nu change like this?

White light? aperture?

What other space blades are there?

Why does Zi Nu look like a fairy?

Gai Nie also looked at Zi Nu in confusion, a half-step to the heavenly realm?

Zi Nu killed a half-step heavenly being in an instant?

Moreover, she didn't even have the ability to resist even if she was in the half-step world of heaven. What happened to Zi Nu was too weird.

Zi Nu smiled and said,

"Xiaozhuang, don't be surprised. Do you still remember the items you gave me a month ago? It's the item Su Chen asked you to give me"

"I remember!"

Wei Zhuang nodded and replied, how could he not remember?

He would never forget that bastard Su Chen, brother-in-law?

Su Chen claimed to be his brother-in-law as soon as they met. The bastard also said that he and Zi Nu were husband and wife. Wei Zhuang If Zhuang hadn't been able to defeat Su Chen, he would have killed that bastard.

Zi Nu took out the last jade talisman and explained

"The jade talisman in my hand is a fairy. I experimented with a jade talisman a month ago. It has light screen protection and space blade attack. These are the abilities of the jade talisman. Wei

Zhuang said with sudden realization,

"It turns out that Su Chen gave you the self-defense thing. Is Su Chen an immortal cultivator?"

Gai Nie nodded seriously and said,"It should be, these are like the abilities of immortals."

Zi Nu didn't react much when she heard what Wei Zhuang and Gai Nie said.

Among the items Su Chen gave her, there were jade talismans, spiritual fruits, spiritual tea, and storage rings. These were all like treasures from the fairy world. She Guessing that Su Chen was either an immortal or a cultivator of immortality,

Zi Nu took out two spiritual fruits from her storage ring.

She handed them to Wei Zhuang and Gai Nie and said,

"Each of you eats a spirit fruit, and the spirit fruit will help you recover from your injuries quickly.

Wei Zhuang asked in surprise,"Zi Nu, how come you suddenly transformed into fruit?" Is this the Heaven and Earth Spirit Fruit?"

Zi Nu replied with a smile,

"Xiaozhuang, this is the storage ring you brought me. The storage ring will recognize its owner as long as it is dripped with blood. There are many spiritual fruits and other treasures in the storage ring."

Wei Zhuang was speechless.

He had also seen this storage ring. It was a beautiful ring.

He thought Su Chen gave it to him to please Zi Nu.

If Wei Zhuang had known that this was a storage ring, he would have done it for Su Chen asked for one more. If he had a storage ring, it would be much easier for Wei Zhuang to travel around the world in the future.

Wei Zhuang and Gai Nie ate the spiritual fruit in a hurry. They wanted to recover from their injuries as soon as possible. Although the previous uncle of Gui Valley was killed by Zi The girl was killed, but there was still a more powerful Gui Guzi.

Zi Nu sat elegantly on the stone next to her, holding her white chin and thinking about Su Chen.

Wei Zhuang told her everything about meeting Su Chen. But she has never met Su Chen, and she has never heard of the name Su Chen. Why does Su Chen know her?

Husband and wife?

How could Zinu be husband and wife with Su Chen?

Who is Su Chen?

Why did he send her as a gift ? These immortal treasures?

At night, by the sea!

Su Chen hugged a puddle of mud and Concubine Yan was sitting on a stone to rest.

Under the night sky, on the edge of the sea, there were the sound of waves, the chirping of cicadas, and the allure of Concubine Yan from before. With a cry, Su Chen hoped to experience the previous romance again.

Concubine Yan leaned on Su Chen's arms and yelled feebly,

"You are such a shameless bastard."

Su Chen touched Concubine Yan's charming little face and said, "Concubine Yan, weren't you very comfortable before?"

"Shameless!"

"hehe...."(To read exciting novels, go to Feilu Novel Network!)

"Su Chen, what did you do to Xiaomeng before? Why did she leave with a blushing face?"

Su Chen kissed Concubine Yan and explained,

"I told Xiaomeng some of Xiaomeng's secrets in Xuantian Realm. Xiaomeng remained calm and calm. When she heard some of her secrets, Xiaomeng was a rare shy person who ran away. Concubine Yan rolled her eyes at Su Chen and said, "You are so shameless. Xiaomeng is actually your woman too.""

Su Chen hugged Concubine Yan tightly and changed the subject, saying,

"Concubine Yan, you are exactly the same as Concubine Yan from Xuantian Realm. There is no difference between you in appearance, personality and temper."

Concubine Yan said with a calm expression,

"Su Chen, but I am not perfect, and Yue'er is not your biological daughter."

Su Chen said with a smile,

"I didn't pay attention. There are thousands of small worlds, and there are also many worlds with the same origin."

"Maybe in other worlds, I will be an insignificant person, and you may be an empress. I feel very lucky to be able to meet you in this world."

Su Chen is very relaxed at the moment.

He has overcome the matter of Concubine Yan and Yue'er. He feels very relaxed and very happy both physically and mentally.

The road to heart refining depends on the fact that Concubine Yan has had a man in this world. The purpose of using Yue'er is not his biological daughter and using some changes in other women. The purpose of the ladder is to break his mind. The purpose of the ladder is to make his mind completely collapse, to make his aura violent and fail to climb the ladder.

The dirty ladder is so abominable.

Concubine Yan closed her eyes against Su Chen's bad arms.

She could feel that what Su Chen said was true.

Concubine Yan also felt that Su Chen really loved her. Su Chen She also sincerely loves Yue'er.

Concubine Yan was lucky enough to meet Su Chen.

Whoosh!

Alice quickly appeared and shouted to Su Chen,

"`.In the morning of Su (Wang De), something happened in Shangjun. Meng Tian spread the news that four powerful alien races appeared in the wolf tribe. Maximus and I were worried that a hostile team had appeared and was helping the wolf tribe to invade Daqin."

Su Chen asked doubtfully,

"Four powerful alien races? Enemy squad? Alice, there is also a hostile team appearing in your temporary mission?"

Alice replied with a serious face,

"We don't know, but the possibility is very high. Su Chen, Fusu is going back to Xianyang overnight. We have to protect Fusu when he returns to Xianyang."

"Alice, you and Maximus will protect Fusu and return to Xianyang first. I will go to Shangjun in a while. If those are hostile teams, I will help you destroy them."

"Haha, Su Chen, although our strength is limited, the strength of the enemy team should also be limited. We also have the help of the army of the Great Qin Empire. The four of us can destroy the enemy team."

Chapter 2748

Alice didn't pay much attention to the enemy team.

It was not the first time that she and Maximus faced the enemy team. As long as there were no people with special abilities in the enemy team, the four of them would kill the enemy team.

Suchen reminded Alice,

"Alice, you and Maximus must pay attention to safety. I can't improve your strength, and I can't give you some powerful treasures. The enemy team may have special props and weapons. All four of you must be small~ Be careful. Alice nodded and said,

"We will not be careless when facing the enemy!"

After Su Chen hugged Alice and kissed her hard for a while, Alice rolled her eyes at Su Chen and left quickly.

Time was a bit urgent.

Before Alice and Suchen had time to linger, she had to protect Fusu and leave the mirage. Alice was very reluctant to leave.

Concubine Yan asked doubtfully,

"Husband, what do you mean by what you just said? What enemy team? Are the wolves going to invade Da Qin?"

Su Chen hugged Concubine Yan and sat down and said,

"Concubine Yan, Alice and Maximus are not from this world. For some reasons, they came to the world of Daqin to protect Fusu for a year. Alice and the others wanted to protect Fusu, and they were also hostile. The four people wanted to kill Fusu.

Concubine Yan asked in surprise, "Are the four Alices and the enemy team not from this world?"

Concubine Yan was very shocked.

She knew that Su Chen was not from this world.

Concubine Yan did not expect that the four Alices were not from this world either. Could it be that the four Alices were also immortals?

There was also a hostile team?

Why did they Want to kill Fusu?

"good!"

Su Chen nodded to Concubine Yan,

Shangjun?

Wolf Clan? Hu Ji? Roman Army? Descendants of the Moon Wolf? Hostile Squad?

Su Chen felt that something big would happen in Shangjun.

With the emergence of the hostile squad, the war between the Great Qin Empire and the Wolf Clan should begin. The outbreak will become even larger. Can Meng Tian's army withstand the wolf attack?

"Husband, are you going to the county?"

"We won't go there for the time being. The Yinghuo Stone in East County will arrive soon. Let's check out the excitement in East County."

"The Stone of Fire?"

"It's just an extraterrestrial meteorite, but some anti-Qin people want to use the Yinghuo Stone"

"It turns out to be an extraterrestrial meteorite"

"Concubine Yan, let's go back to the mirage!"

"good!"

Outside Songhai City, there is a stronghold of the Mo family. Xu Fuzi and Xue Nu arrived at this stronghold from Youjian Inn.

In the wooden house,

Zhang Liang was talking to several leaders of the Mo family in embarrassment.

Xu Fuzi and Xue Nu heard Zhang Liang. They were all very shocked by Liang's narration.

Tuo Tuo asked hurriedly,

"Zhang Liang, your identity was exposed by that Su Chen? Su Chen also killed Luo Wang Zhao Gao? The frightened salamander in the net is Su Chen's daughter? Su Chen also arranged for four strong men to protect Fu Su? Are these true? Zhang

Liang replied with a serious face,

"It's all true. Su Chen is very powerful. Zhao Gao has no power to resist in Su Chen's hands. Zhang Han and Young Master Fusu of the Shadow Guard are very respectful to Su Chen."

Master Ban said doubtfully,

"Who is Su Chen? Kill Zhao Gao? Help Fusu again? Why does he have a daughter about the same age as him? Amazing salamander? Is Luo Wang's first-class killer really Su Chen's daughter?"

Xue Nu and Duan Murong were all deep in thought. What happened in Confucianism today did not surprise them.

Zhao Gao, the controller of the net, was killed. (To read Baoshuang novels, go to Feilu Novel Network!)

They should be happy,

But the mysterious Su Chen is on the side of Da Qin. There is a more powerful Su Chen and a mysterious identity. They feel that Su Chen will be a powerful enemy and a more difficult being to deal with than Zhao Gao.

Snow Girl He asked with a cold face,

"Zhang Liang, what happened to Confucianism today? Half of Songhai City was shrouded in black clouds, and the back mountains of Confucianism were flattened by thunder. What is going on?
Zhang

Liang shook his head and replied,

"I don't know, I was on the run at the time, and I don't know what happened behind Confucianism."

Zhang Liangliang had some suspicions that Su Chen did it, but it was too unbelievable.

It was impossible for Su Chen to summon thunder to destroy the Confucian back mountain. He was also very shocked by what happened behind the Confucian family.

Tuo Tuo asked with a sad face,

"What should we do next?"

Zhang Liang reminded with a serious face, "Contact Xiaoyaozi of the Taoist clan and the farmers. The Qinglong Project has been learned by Da Qin. We must notify the others to hide as soon as possible."

0 Asking for flowers, the snow girl said coldly,

"Zhang Liang, our Mohist family did not participate in the Qinglong Project. Yan Dan is dead. Even if Yan Dan is not dead, he is no longer a Mohist giant. We don't know anything about the Qinglong Plan. There are no more disciples of the Mohist family, and the Mohist family will not participate. Blue Dragon Project. Zhang

Liang asked in surprise,

"Are you, the Mohist family, no longer against Qin? Master Xu said with an ugly face,

"Anti Qin? The Mo family has been Yan Dan's pawn from beginning to end. Without Yan Dan, would our Mo family have suffered such a big crisis?"

"Zhang Liang, don't forget that the former tycoon of the Mo family, Six Finger Black Man, could be said to have been killed by Yan Dan's conspiracy. We, the Mo family, will never have anything to do with your anti-Qin alliance again."

Diao Tuo, Master Ban, Duan Murong, and Xue Nu all nodded. They had discussed before the leaders that as long as the Great Qin Empire would no longer pursue the Mo family, the Mo family would no longer go against the Great Qin Empire.

Yan Dan single-handedly led the Mo family. Abyss, the Mohist family was also deceived into becoming Yan Dan's tool for revenge. If the Mohist family continues to oppose Qin, the Mohist family may be removed from the list of hundreds of schools of thought.

Zhang Liang reminded with a gloomy face,

"Da Qin will not let the Mo family go, don't you understand?"

Xue Nu reminded Zhang Liang,

"Zhang Liang, you can leave now. Yan Lu should find him here. As for whether Great Qin will let the Mo family go? This is our Mohist family's own business, you don't need to say anything"

"you....."

Zhang Liang looked at Xue Nu and the others with an ugly expression. He stood up and left the wooden house.

Several leaders of the Mo family had already made their decisions.

It was useless for Zhang Liang to say more, not to mention that Yan Lu might discover this stronghold of the Mo family. Zhang Liang also had to flee for his life.

After the leaders of the Mo family saw Zhang Liang leaving, they all shook their heads.

Several of them felt that the anti-Qin alliance could not succeed.

A mysterious Su Chen appeared, Yan Dan was killed, and Chu Nan Gong was killed. The Qinglong Project is exposed, and those who participate in the Qinglong Project will be endlessly hunted by the Qin Empire.

Master Xu said to Xue Nu and Duan Murong,

"Snow Girl, Duan Murong, you go to the mirage tomorrow to meet Su Chen. The future of our Mo family will be entrusted to you."

Chapter 2749

Xue Nu and Duan Murong nodded one after another.

They were not wanted by Da Qin, and Su Chen did not want to kill them in the agency city. Xue Nu and Duan Murong also wanted to understand these reasons.

Xue Nu was very conflicted at the moment.

Gao Jianli was killed by Su Chen.

She wanted to avenge Gao Jianli even if she died. However, for the sake of the Mo family, Xue Nu had no choice but to give up seeking revenge from Su Chen.

After a while, after the leaders of the Mo family dispersed,

Duan Murong came to Xue Nu's room. She patted Xue Nu who was thinking and said,

"Snow Girl, don't think so much. If Gao Jianli didn't take action against Su Chen, Su Chen would not kill Gao Jianli. Also, have you ever thought about it, Su Chen clearly revealed Yan Dan's identity, and the death of the Six-fingered Black Man was also Yan Dan's conspiracy. Why did Gao Jianli still want to save Yan Dan?"

Xue Nu asked doubtfully,

"Sister Rong, what do you mean? Duan

Murong guessed with a serious face,

"Snow Girl, Gao Jianli and Big Iron Hammer are all from the Yan Kingdom. I guess they may have known about Yan Dan's doings for a long time, or they and Yan Dan have been in cahoots with each other for a long time."

The snow girl asked in surprise,

"is it possible? Duan

Murong sat down and explained,

"Snow Girl, I'm just guessing, think about it, Yan Dan was already in ruins at that time, would our Mo family save Yan Dan? If Gao Jianli and Big Iron Hammer hadn't taken action, our remaining Mohist disciples wouldn't have been killed by Su Chen."

"this....."

Xue Nu thought about what happened in the city. She felt that Duan Murong's guess was good. If

Gao Jianli and Big Iron Hammer couldn't take action, how could the Mo family's disciples take action? It was impossible for the leader and disciples of the Mo family to save Yan Dan, the insidious hypocrite,

Duan Mu. Rong reminded Xue Nu,

"Snow Girl, we are going to see Su Chen tomorrow. You must not show any murderous intent towards Su Chen."

"I understand, Sister Rong, do you think Su Chen will agree to let the Mo family go?"

"meeting!"

"Why? Duan

Murong smiled and replied,

"Because Su Chen has Yue'er by his side, as long as I see Yue'er first, Su Chen will let the Mo family go for Yue'er's sake."

Xue Nu nodded when she heard Duan Murong's words. She heard Duan Murong talk about Su Chen and Yue'er. If Su Chen really cared about Yue'er, Su Chen might really let the Mo family go.

The next morning ,

Su Chen appeared on the deck of the mirage holding the moon god.

The sun slowly rose from the sea level. The sunrise on the sea was still very beautiful.

Su Chen took out a storage ring and handed it to the moon god and said,

"Luna, go back to Yin Yang's house and give this to Donghuang Taiyi. She will not embarrass you after reading it, and Donghuang Taiyi will also be ours in the future."

"real?"

Moon God took the storage ring with some disbelief.

Donghuang Taiyi has been waiting for Canglong Qisu for decades, how could she give up halfway? Is Su Chen going to give Donghuang Taiyi a piece of immortality cultivation technique? Or should he give it to Donghuang Taiyi? Emperor Taiyi wants some spiritual fruits and fairy objects?

Su Chen hugged Moon Goddess's plump waist and said, "Moon Goddess, Emperor Taiyi's name is Ji Ruxihe, she is a woman, and she is also the princess of Dazhou."

Yue Shen shouted in surprise, "What? Is Donghuang Taiyi a woman? Or the princess of Zhou Dynasty?"

"Um!"

"Husband, Donghuang Taiyi, no, Ji Ruxihe is also your woman, right?"

Su Chen coughed awkwardly and replied,

"Ahem, yes!"

"You are so shameless. You won't kill all the women in the Yin Yang family, right?"

The Moon God was helpless towards Su Chen. (To read Baoshuang novels, go to Feilu Novel Network!)

At Yin Yang's house, she and Concubine Yan were taken away by Su Chen, and

Da Siming and Shao Siming were also molested by Su Chen. However, Yue Shen guessed that Su Chen would not let Da Siming and Shao Siming go.

Now another Donghuang Taiyi appeared.

Yue Shen did not expect that Donghuang Taiyi was a woman, and she was also Su Chen's woman. Other beauties from the Yin Yang family Where are the beauties? Will Su Chen let go of the other beauties in the Yin Yang family?

Su Chen hurriedly changed the subject and said,

"Let's talk about this later, Moon God, after you see Ji Ruxihe, ask her to give Guiguzi an idea. That old scumbag is doing some insidious things. If Ji Ruxihe has the ability to destroy Guiguzi, tell Ji Ruxihe and let her destroy Guiguzi."

"good!"

The moon god rolled her eyes at Su Chen.

She was too lazy to care whether Su Chen had other women.

Su Chen was too powerful.

She alone was no match for Su Chen. Concubine Yan was still sleeping in the room at the moment. She was going to be there last night. If it weren't for Concubine Yan, Yueshen thought that she would fall asleep due to Su Chen's torment.

Half an hour later,

Yueshen and Su Chen left after a while.

She wanted to go back to Yinyang's house to do some things.

Yueshen I still have to meet Donghuang Taiyi, and I also need to tell Donghuang Taiyi what Su Chen told me.

Su Chen stretched and looked at the sea.

The road to heart refining took a long time, but fortunately, it only took a moment on the ladder to heaven. He was not worried about missing the realm war.

Su Chen rubbed his chin and thought,

"That bastard Luo Hu must be very anxious. The space passage between the ferocious beast realm and the ancient fairy world is connected. The beast king's divine rebellion is coming soon. It is impossible for Luo Hu to continue to attack the ancient fairy world. Luo Hu has no spiritual treasures in his hand to blackmail. Luo Hu still has What a pauper realm lord."860

Whoosh!

Tian Yan quickly appeared next to Su Chen,

"Father, I want to go back to the farmhouse."

Su Chen asked doubtfully,

"Yan'er, what are you doing when you go back to the farm?"

"I....I want to cure Tian Ci's mind."

Tian Yan was a little worried about Tian Ci.

Tian Ci was mentally retarded and had low intelligence. She was worried that Tian Ci would be taken advantage of by other people in the farm family.

Tian Yan guessed that Su Chen would not let Tian Ci come over, and

Su Chen would not meet Tian Ci, but Tian Ci After all, Ci was her brother.

After Tian Yan cured Tian Ci's mental retardation, she no longer had to worry about Tian Ci's future life.

Su Chen took out a jade bottle and handed it to Tian Yan and said,

"Go ahead, this is the Yun Ling Pill. Although the spirit fruit can restore Tian Ci's mind, it is not as effective as the Yun Ling Pill. Yan'er, if you let Tian Ci take the Yun Ling Pill, his mind will be as mature as his age."

Su Chen has no prejudice against Tian Ci, that little chubby guy.

He is a dispensable person. Since Tian Yan wants to treat Tian Ci, Su Chen cannot disagree. Tian Yan said with a smile on his cold face,

"Thank you father"

【Trialist, you have passed the 100th, 200th, 300th, and 400th levels of the eight thousand levels of the road to refining the heart. Trialist, would you like to return to the ladder and continue climbing the trial? 】 .

Chapter 2750

Su Chen was confused when he heard the reminder of the ladder to heaven.

Has he passed the road of heart refining?

And passed four paths of heart refining in a row?

One hundred floors, two hundred floors, three hundred floors, four hundred floors, Su Chen climbed to eight thousand five hundred floors in one go? How is this going? How could he pass the four paths of refining his heart at once?

Su Chen asked the ladder in confusion,

"Ladder to heaven, how did I pass the four paths of heart refining?"

【Trialist, there are four heart-refining trials in this world. Tian Yan is one, Yan Fei is one, Yue'er is one, and you are one. 】

Su Chen asked in surprise,

"I? How can I be counted as one of the heavenly ladders?"

【Trialist, you have entered the road of heart refining from the beginning. Your mind has been weakened to the edge of collapse. Your aura is always under riots. Your emotions are also extremely unstable. This is a heart refining test and a refining test. The trials of the path of the heart. 】

Su Chen shook his head speechlessly.

It turns out that this is the situation.

Tiandai is really nasty.

His mind is severely weakened. His breath will become violent at any time, and his emotions will change at any time. Is Tianti trying to kill him?

Su Chen thought that if it weren't for systematic help, his journey of refining his mind would have failed long ago.

Tian Yan? 650 Concubine Yan?

Yue'er?

Su Chen had previously speculated on his journey of refining his heart, and one of the three of them should be the one who refined his heart.

Especially Concubine Yan, she should be the key being on the road to refining the heart.

Su Chen did not expect that Concubine Yan, Yue'er, and Tian Yan were all key beings on the road to refining the heart.

Tian Yan saw Su Chen's face changing, and she asked worriedly,

"Father, what's wrong with you?"

Su Chen touched Tian Yandao's hair and said with a smile,

"It's nothing, Yan'er, my journey of refining my heart is complete."

"Father, do you want to return to Xuantian Realm?"

Tian Yan grabbed Su Chen's hand nervously.

Su Chen's journey of refining his heart was completed.

She was worried that Su Chen would leave this world.

Tian Yan and Su Chen had only been together for more than a month. She was somewhat dependent on Su Chen as her father. , Tian Yan didn't want Su Chen to leave her and return to the fairy world after receiving her father's love and care for only a month.

Su Chen hugged Tian Yan and comforted her,

"Not for the time being, Yan'er, don't worry, the speed of world flow in the Xuantian Realm is different from that of this world. It's only been a month since I left for a hundred years, and this world (abfj) has only passed a month, and I will first connect this world with the prehistoric fairy world, I come to visit you every few months."

Tian Yan relaxed after hearing Su Chen's words. Su Chen can't just leave now, and Su Chen will come back every few months, so she is no longer worried.

"Father, do you want to connect to the prehistoric immortal world? Why not connect to Xuantian Realm?"

Su Chen rubbed his forehead and explained,

"Yan'er, I can't connect to Xuantian Realm yet"

"Su Yan, Yue'er, and Concubine Yan in Xuantian Realm are all very powerful, and they are also protected by huge luck. If you appear, you will be killed by luck."

"You can't meet until I figure out a solution."

"The Primordial Immortal Realm is my private realm. I am also the Emperor of Heaven in the Primordial Immortal Realm and the ruler of the Primordial Immortal Realm. You can play around in the Primordial Immortal Realm as you like."

Tian Yan nodded when she heard Su Chen's words.

She understood what Su Chen meant.

Two identical people appeared in the same world at the same time. Su Yan would definitely not kill her, but the huge figure on Su Yan's body Luck, luck will definitely not allow another Su Yan to exist.

Tian Yan blushed and left Su Chen's arms and said,

"Father, I will go to the farmhouse first and I will come back as soon as possible"

"good."

After Tian Yan quickly left,

Su Chen did not leave the trial world.

The temporary mission of the four Alices had not been completed yet. He was worried that there would be accidents in the missions of the four Alices, and there were still some hidden dangers in the world that needed to be cleaned up..Guiguzi

This old bastard is going to be killed.

As for those people in the anti-Qin alliance,

Su Chen doesn't care.

Tian Yan, Yan Fei, and Moon God are all half-stepped. In the Heavenly Realm, and after their roots and understanding are improved, they will become immortal cultivators. It will be easy for Concubine Yan and the others to destroy some scumbag warriors. Su Chen touched his chin and smiled as he thought,

"Passing through four paths of refining one's heart at once, would the Ladder girl be surprised and confused if she knew about it?"

At this time, Zhang Liang was caught up by Yan Lu in the mountains outside Songhai City. He looked at Yan Lu who was blocking the way, and his face became gloomy. Yan Lu actually chased him for a day and a night. This is very Confucian. Do you want to kill him? Zhang Liang shouted with an ugly face,

"Second Senior Brother, are you trying to force me to death? Yan

Lu said expressionlessly,

"Zhang Liang, you must return to Confucianism with me. Confucianism cannot be destroyed by the Qin Empire because of you."

"If I go back, I will die. Second Senior Brother, please let me go."

"Impossible, Zhang Liang, you should have thought of this day when you joined the Qinglong Project. Confucianism cannot be destroyed because of you."

"kill!"

Zhang Liang swung his sword towards Yan Lu and killed him.

He had no choice.

Yan Lu would not let him go.

If Zhang Liang was caught by the Confucians and handed over to Da Qin, he would be dead.

Zhang Liang could only fight with Yan Lu. Lu fights to the death, maybe there is still a chance of survival.

Boom!

Yan Lu quickly swings his sword against Zhang Liang. Since Zhang Liang still dares to resist, he can only defeat Zhang Liang and take him back.

In the mountain forest,

Wei Zhuang and Gai Nie , and Zi Nu heard the sound of fighting, and they rushed towards the direction of the fighting. In the wilderness, they wanted to know who was fighting.

"Is it Zhang Liang?"

"Yes, it was Zhang Liang, and the other one was Yan Lu, the second in command of the Confucian family. Why did Yan Lu and Zhang Liang start fighting?"

"Is there civil strife in Confucianism?"

"Zhang Liang is not Yan Lu's opponent. Do we want to save Zhang Liang?"

"No, Zi Nu, Yan Lu didn't want to kill Zhang Liang. Besides, this is an internal matter within Confucianism, and we can't get involved."

After Gai Nie talked with Wei Zhuang and Zi Nu, the three of them looked on and did not take action to save Zhang Liang. Yan Lu did not kill Zhang Liang. Moreover, it was an internal matter within Confucianism, and it was not easy for them to get involved.

"Zi Nu, Wei Zhuang, save me quickly, Confucianism has defected to Da Qin."

After Zhang Liang discovered the three Zilan people next to him, he felt that he was saved.

Zinu and Wei Zhuang had a good relationship with him. They used to be members of the Quicksand Organization. If Zinu and Wei Zhuang rescued him, Zhang Liang would Escaped...
