Chapter 2751

Zi Nu, Wei Zhuang, and Gai Nie were very surprised when they heard Zhang Liang's words.

Confucianism defected to the Qin Empire?

How can this be?

Yan Lu looked at Wei Zhuang and the others and said,

"You'd better not meddle in other people's business. This is our internal Confucian matter. Gai

Nie asked with a serious face.

"Yan Lu, Confucianism really surrendered to the Qin Empire? Yan

Lu replied with an uncomfortable expression, "It's not about taking refuge. Confucianism is about surrendering to the Qin Empire."

Gai Nie and the others understood what Yan Lu said. Confucianism has really surrendered to the Qin Empire. Confucianism from hundreds of schools of thought would defect to the Qin Empire. This is really unexpected.

"Wei Zhuang, Zi Nu, help me stop Yan Lu. I have something urgent to do."

Zhang Liang quickly came to the side of Wei Zhuang and the others. He shouted without stopping and quickly ran through the three of them to escape."577""Zhang Liang, you can't escape."

Bang! Boom!

Gai Nie and Wei Zhuang quickly stopped Yan Lu.

They didn't know why Yan Lu wanted to arrest Zhang Liang, but Zhang Liang had a good relationship with them. Wei Zhuang and Gai Nie could only stop Yan Lu.

Yan Lu looked at When Wei Zhuang and Gai Nie stopped him,

Zhang Liang fled quickly.

He became anxious.

If Zhang Liang escaped,

Confucianism would be doomed.

Yan Lu shouted angrily,

"Damn it, Wei Zhuang, Gai Nie, do you want Confucianism to be destroyed by the Qin Empire?
Wei

Zhuang asked doubtfully,

"Yan Lu, what do you mean?"

"It's over, everything is over."

Yan Lu saw that Zhang Liang had disappeared. He could not find Zhang Liang again in the mountains and jungles.

Yan Lu turned pale.

If he could not bring Zhang Liang back to Confucianism, the young master Fusu and the mysterious Su Chen, they will not let the Confucian family go. The Confucian family will be destroyed by the Qin cavalry today.

Gai Nie, Wei Zhuang, and Zi Nu, they saw Yan Lu's dejected look, and they didn't understand what was going on..

Zhang Liang just ran away, why did Yan Lu say that Confucianism was over?

"You deserve to die, all three of you deserve to die. Confucianism was destroyed because of you three. Hundreds of Confucian people died because of you. Wei Zhuang, Gai Nie, and Zi Nu, you are waiting to be wanted by the Qin Empire, waiting to be arrested by Su Let's chase in the morning."

After Yan Lu angrily yelled at Wei Zhuang and the others, he turned around and left with despair.

He wanted to go back to Confucianism.

Confucianism was destroyed by the Qin Empire, and Yan Lu also had to face life and death with his Confucian brothers.

Wei. Zhuang Zou asked with a frown,

"What exactly is going on? What exactly did Yan Lu mean?"

Gai Nie thought doubtfully,

"Confucianism was destroyed? Will hundreds of Confucian disciples be killed? Suchen? Yan Lu just talked about Su Chen, what's the matter with Su Chen?"

Zi Nu came over and said seriously,

"Xiaozhuang, Gai Nie, you shouldn't have stopped Yan Lu just now. Yan Lu just wanted to catch Zhang Liang, he didn't want to kill Zhang Liang, and didn't you notice? Why did Zhang Liang escape quickly without leaving any explanation? There may be something inside that we don't know about."

Zi Nu panicked at Zhang Liang and ran away quickly.

She couldn't figure it out just now.

Yan Lu's words made her have some guesses.

Zi Nu guessed that Zhang Liang had done something to harm the Confucian family, and Yan Lu wanted to capture Zhang Liang and give it to Da Qin. The empire gives an explanation.

If Zhang Liang escapes now,

Confucianism may be destroyed by the Qin Empire. If Confucianism is destroyed, the three of them will have unshirkable responsibilities.

Wei Zhuang and Gai Nie both looked ugly. They were actually used by Zhang Liang. You

What should we do now? Will

Confucianism really be destroyed by the Qin Empire?

Wei Zhuang asked with an ugly face,

"Zi Nu, Yan Lu mentioned Su Chen just now. Could it be that Su Chen threatened Confucianism in this matter?"

"possible!"

Zi Nu rubbed her forehead and nodded.

She was very speechless. (To read Baoshuang novels, go to Feilu Novel Network!)

Zi Nu was originally going to meet Su Chen, but now?

She hasn't seen Su Chen yet. ,

Zi Nu and the other three have ruined some of Su Chen's affairs. Does she still need to see Su Chen?

Wei Zhuang said angrily,

"We are in big trouble. If Su Chen ordered the Confucians to arrest Zhang Liang, not only would we be hunted down by the Qin Empire, Su Chen would not be able to let us go."

Weizhuang wants to kill Zhang Liang at this moment.

Damn it,

Zhang Liang actually took advantage of them.

The three of them will be blamed for the destruction of Confucianism. The Great Qin Empire and Su Chen may also hunt down and kill the three of them.

The Great Qin Empire is not enough. Concern, but what about Su Chen?

That bastard Su Chen is mysterious, and very powerful and terrifying. He may even be an immortal cultivator.

With Su Chen's jade talisman, Zi Nu easily destroyed a half-step celestial being, and they How could the three of them face Su Chen's pursuit.

Whoosh!

Tian Yan suddenly appeared next to Wei Zhuang and the others. She looked at them coldly.

Tian Yan had just met Yan Lu, and she also heard what Yan Lu said What happened just now.

Tian Yan didn't expect Wei Zhuang and the others to save Zhang Liang.

She didn't care whether Zhang Liang escaped or not, but Confucianism clearly surrendered to her father. Since Tian Yan met him, she couldn't help but ask.

Tian Yan took Chu Jingjian said coldly, "You should not let Zhang Liang go, you will all die. Wei

Zhuang looked at Tian Yan and said,

"Su Yan? You are Su Chen's daughter. I met you in the Mojia City. Gai

Nie said with a surprised look on his face.

"Su Yan? Frightened Salamander Sword? Are you still a frightened salamander trapped in a net?"

Zi Nu hurriedly shouted,

"Wait, Su Yan, right? This is a misunderstanding. We were just taken advantage of by Zhang Liang."

"Um? Why do you have a storage ring? who are you?"

Tian Yan didn't want to talk to Zi Nu at first, but she suddenly saw the exquisite ring on Zi Nu's finger.

It was a storage ring.

Tian Yan was a little surprised.

Only her father owned the 0.3 storage ring. Tian Yan also knew a few others. A person with a storage ring, how could Zi Nu have a storage ring?

Zi Nu looked at the storage ring and said,

"Su Yan, my storage ring was given to me by your father. I came to Songhai to see your father."

Tian Yan looked at Zi Nu coldly. She was another woman.

She didn't expect that her father would have so many women.

However,

Zi Nu and Wei Zhuang let Zhang Liang go, and Tian Yan would not let them see her. Father,

"No need, you three let Zhang Liang go, my father won't see you, you three should just ask for your blessings!"

"The Shadow Guards of the Great Qin Empire, Luo Wang, Confucianism, Yin Yang School, Taoism, these forces will hunt you down. I will not take action against you this time, so you can take care of yourself."

Chapter 2752

Tian Yan warned the three Zi Nu and left quickly.

She was too lazy to take care of the three Zi Nu.

Yan Lu would definitely tell Xunzi about the matter when he returned.

In order to give an explanation to Da Qin and not to displease her father, Xunzi He will definitely hunt down Zhang Liang personally, and the three purple girls may also be targeted by Xunzi.

When the three purple girls saw Tian Yan leaving, the three of them were stunned.

Tian Yan's words made them not expect that

Su Chen would not see them?

The Shadow Secret Guards of the Great Qin Empire, Luo Wang, as well as the Confucian, Taoist, and Yin-Yang families will hunt down and kill the three of them?

Gai Nie shook his head and said,

"Our situation looks bad."

Weizhuang said with a cold face,

"Zhang Liang is really damned, I want to kill Zhang Liang right now."

Zi Nu frowned with a cold face.

Tian Yan's words made her feel a little unhappy, but Tian Yan's father was Su Chen after all. Zi Nu didn't know whether this was Su Chen's intention or Tian Yan's, and she went to see Su Morning?

Zi Nu thought that if she didn't go to see Su Chen, the Shadow Secret Guards and Luo Wang of the Great Qin Empire, as well as the Taoists, Confucians, and Yin Yang families would hunt them down. Zi Nu didn't care about life or death, but the life or death of his brother Wei Zhuang, She couldn't help but care.

Zi Nu thought for a while and said,

"We continue to Songhai."

Weizhuang and Gai Nie both nodded with serious faces. They also knew that they could not escape now.

Su Chen was too weird.

If Su Chen were an immortal cultivator or an immortal, the three of them would have fled to the ends of the earth, and Su Chen would have found them..Zi

Nu and three people continued to move towards Sanghai.

On the way,

Gai Nie asked Zi Nu doubtfully,

"Zi Nu, what is the relationship between Su Chen and you?"

Gai Nie thought that if Zi Nu and Su Chen knew each other, the fact that they were deceived and used by Zhang Liang could be explained clearly, and Su Chen would not have unnecessary misunderstandings with them. Zi Nu shook her head and replied,

"It doesn't matter!"

"Doesn't matter?"

Gai Nie looked at Zi Nu and was confused.

Zi Nu has nothing to do with Su Chen?

Is this possible?

If Zi Nu has nothing to do with Su Chen, why would Su Chen give Zi Nu a powerful jade charm and a storage ring?

However,

Gai Nie thought that Su Chen's daughter Su Yan didn't seem to know Zi Nu. Could it be that Zi Nu and Su Chen really had no relationship?

Wei Zhuang hurried forward with a dark face.

He knew that Zi Nu had nothing to do with Su Chen. Why did Su Chen give Zi Nu Wei Zhuang couldn't figure out some of the treasures. At this time,

Mirage!

Xue Nu and Duan Murong arrived at the mirage.

Duan Murong looked at the Yin Yang disciples who stopped them and said,

"Please inform me that we want to see Yue'er."

A disciple of the Yin Yang family asked doubtfully, "Yue'er? Do you want to see Miss Su Yue?"

"Yes, my name is Duan Murong. Could you please inform Su Yue?"

"You guys are waiting here!"

"good!"

After the disciples of the Yin Yang family went to report,

Duan Murong and Xue Nu looked at each other in surprise,

Su Yue?

Yue'er's surname is Su?

Isn't this the same surname as Su Chen?

Xue Nu asked doubtfully,

"Sister Rong, how come Yue'er's surname is Su? Duan

Murong shook her head and replied,

"I don't know, Snow Girl, we don't have to worry about this. We came here to ask Su Chen to be open to the Mo family. As for Yue'er's last name, it doesn't matter, as long as Yue'er is happy."

"That's right!"

Xue Nu nodded and thought, isn't Yue'er Yan Dan's daughter? (To read Baoshuang novels, go to Feilu Novel Network!)

Why is her surname Su now?

Did Su Chen adopt Yue'er as his daughter?

Xue Nu couldn't understand, but Duan Murong said it right. From now on, Yue'er just needs to live a happy life. After a while,

Yue'er, dressed in white, ran over quickly,

"See Miss!"

"See Miss!"

The Yin Yang Family disciples and Qin Jun who were guarding the mirage all around saluted Yue'er.

Yue'er waved her hands to the Yin Yang Family and Qin Jun around her, and she shouted happily,

"Sister Rong, Sister Xuenu!"

"Moon! Yue'er hugged Duan Murong and said with a smile,

"Haha, Sister Rong, why did you and Sister Xue Nu come to the mirage to see me? I have been waiting for you for more than a month."

Duan Murong touched Yue'er's hair and said,

"Yue'er, the Mo family has a lot going on, and we can't get away to see you. Yue'er smiled, pulled Duan Murong and Xue Nu and said,

"Sister Rong, Sister Xuenu, I will take you to visit the mirage. It is very beautiful in the mirage."

"good!"

Duan Murong and Xue Nu both nodded.

Yue'er is happy now, and they are very pleased.

Yue'er used to be taciturn in Jinghu Lake, and she always looked worried. Now Yue'er is lively and cheerful. When he got up, he was also full of vitality and confidence.

In the mirage,

Su Chen learned that Duan Murong and Xue Nu had arrived to find Yue'er and smiled.

Duan Murong and Xue Nu finally arrived, but they were a little late. He was leaving for the East today. County.

Su Chen shouted to Da Siming next to him,

"`.Da Siming, please tell Concubine Yan and Yue'er that I will go to Dongjun."

"Yes, my lord!"

Da Siming nodded hurriedly and replied,

Su Chen is going to Dongjun?

She felt relieved.

These days,

Su Chen has been teasing her and Shao Siming constantly.

Da Siming was reluctant and did not dare. It shows that the Moon Goddess of the Yin and Yang family and Concubine Dongjun Yan are both Su Chen's women, and neither she nor Shao Siming can afford to offend them.

Whoosh!

Su disappeared instantly.

He wanted to go to Dongjun as soon as possible to kill Gui Guzi and Liu Ji (Hao Nuo) went to Shangjun again. A hostile team appeared in Shangjun. Alice and the four of them didn't know if they could deal with it. Su Chen decided to help Alice and the other four complete the trial task. When

Da Siming saw Su Chen disappear, she He patted his chest and said,

"Shao Siming, that bastard has finally left, and we don't have to worry about being harassed anymore."

Shao Siming took out a spiritual fruit and handed it to Da Siming. She was relieved that Su Chen left.

Although Su Chen didn't do anything to her, what Su Chen said made her very uneasy.

Especially some privacy and the underwear she wore,

Shao Siming felt that in front of Su Chen, she seemed to be naked and being looked at by Su Chen.

Da Siming took the spiritual fruit and ate it and asked,

"Mr. Siming, didn't Su Chen cure you from talking? Why don't you speak?"

"I.....I'm not used to going back!".

Chapter 2753

Three days later, Su Chen sat in a tea shop in

Dongjun and looked around.

In addition to tens of thousands of Qin troops stationed in Dongjun, Wang Li's Armor-Piercing Army~ was also stationed in Dongjun.

Wang Li?

Su Chen's son Wang Bi and his grandson Wang Lidu didn't like each other.

One of them became a top-notch killer in the net, and the other might be in cahoots with Zhao Gao and Hu Hai. Wang Jian's lifelong reputation was ruined by him. My son and grandson will be ruined

"Zuimenglou? Flower shadow? Mi Lian? interesting!"

Su Chen was drinking tea when he saw a flower tea float appear on the street, and the people around him were watching the float passing by.

Bang!

"Boy, who are you? Is there any guide?"

Suddenly, a Qin army general came to the teahouse with some Qin soldiers. He came to Su Chen, patted the table and shouted,

"Bai Tu?"

"Boy, I didn't expect you to know me....."

Click!

Su Chen didn't wait for Bai Tu to finish speaking and broke his neck with one hand.

What a scumbag.

Bai Tu was so greedy for money that he dared to attack him. He was really an idiot who didn't want to die.

"he...He killed the general, killed him!"

"Come on, kill him, otherwise we will all be executed by military law."

When dozens of Qin soldiers nearby saw Su Chen killing Bai Tu, these Qin soldiers rushed towards Su Chen with weapons in hand.

Su Chen took out a token and threw it to a white-armored Qin soldier and said,

"Zhong Limei, do you recognize this token?"

"Black Dragon Order? Zhonglimei, sir!"

"See my lord!"

Zhong Limei and the surrounding Qin kings saluted Su Chen and said,"

The Black Dragon Order represents the identity of His Majesty the Emperor. It can also mobilize all the troops of the Qin Empire. Zhong Limei cannot guess Su Chen's identity, but the Black Dragon Order is real.

Su Chen looked at Zhong Limei and said,

"Zhong Limei, you will take over Bai Tu's position. The Qin army in Dongjun should be properly integrated."

"Yes, my lord."

Zhong Limei replied hurriedly.

He didn't expect that he would reach the sky in one step.

Zhong Limei became the Qin Army's garrison general in Dongjun. In addition to General Wang Li, he was the highest general in charge of the army in Dongjun.

Su Chen thought about it. commanded,

"Zhong Limei, the Yinghuo Stone will fall from the sky soon. After the Yinghuo Stone falls, we must immediately send troops to protect it. No one can approach without my order."

"Yes, my lord!"

"Go for it!"

"Yes, my lord!"

After Zhong Limei saluted Su Chen, he returned the Black Dragon Order to Su Chen and immediately left with the Qin army.

The Stone of Fire?

Will it fall from the sky soon?

Zhong Limei must always pay attention to this matter. This is his first mission , he must complete this task outstandingly.

Su Chen looked at Zhong Limei who left and nodded. He is a good general. I hope Zhong Limei will not rebel against Qin again.

In the evening, Su Chen arrived at

Zuimeng Tower.

In Zuimenglou, he checked Zuimenglou and nodded. Zuimenglou was very similar to Zilanxuan.

In a room,

Su Chen had just sat down when a beautiful woman appeared in the room.

"Guest, which girl do you want to drink with you?"

Su Chen looked at the beautiful Huaying and nodded.

Huaying is indeed very long. She has a well-fitting emerald green dress with graceful curves. She has a beautiful face, standing proudly like a mountain, and her temperament is also very elegant and outstanding.

"Huaying, a disciple of the farmer Shennong Hall, the sister of Ji Bu of the Shadow Tiger Army of Chu State, am I right?"

"you....."

Hua Ying looked at Su Chen in surprise.

She didn't expect that Su Chen would know the identity of her farmer, and also the identity of her brother.

A person who had just arrived in Dongjun was still a big shot who could command the Qin army. Huaying couldn't figure out what Su Chen's identity was. (To read exciting novels, go to Feilu Novel Network!)

Su Chen saw Hua Ying's surprised look and laughed and said,

"Huaying, don't pretend you don't know anything. I don't think you didn't get the news about what happened in the tea shop today."

"Are you the emperor's messenger?"

"messenger? You can say yes!"

Hua Ying threatened with a cold face,

"Now that you know my identity, do you think you can still leave Zuimenglou alive?"

Su Chen curled his lips and mocked,

"Little scumbag, do you want to kill me based on your innate state? Hua

Ying said angrily,

"Scumbag? Although I am a scumbag, don't forget, this is Zuimenglou. I can't kill you by myself, but what about ten or a hundred peasant disciples?"

0Please give me flowers0"

Su Chen took a sip of wine and said,

"Huaying, you can try to kill me. I will just sit here and not move. If you can kill me, no one will know your identity and the identity of your brother."

Hua Ying looked at Su Chen coldly and did not dare to take action.

Su Chen was too calm.

Moreover, during the day when Su Chen killed Bai Tu,

Qin Jun even saluted Su Chen. She felt that Su Chen's identity was unusual.

A young man Your Lord,

Hua Ying could not guess who Su Chen was.

Seeing that Hua Ying was not prepared to take action, Su Chen smiled and said,

"Huaying, let Mi Lian come and drink with me. I would like to meet the subjugated princess of Chu."

Hua Ying's face turned pale,

Mi Lian?

Su Chen actually knew Mi Lian's identity?

Only three people knew Mi Lian's identity, Hua Ying and Ji Bu, and the Zhu family of Shen Nong Hall, the other two knew. It's impossible for anyone to know. How could Su Chen know Mi Lian's identity?

Su Chen stood up and lifted Hua Ying's chin and said,

"Huaying, I know all your secrets, and I also know all the things you don't know."

Pah!

" Huaying slapped Su Chen's hand away and shouted,

"who are you?"

Su Chen raised Hua Ying's fair chin again and reminded,

"It doesn't matter who I am, Huaying, I don't want to deal with you and Mi Lian. Zuimeng Tower is not bad. I will stay in Zuimeng Tower for a few days and I will leave in a few days."

"Huaying, let me remind you that the farm family is going to be ruined, and also warn your brother Ji Bu not to do anything he shouldn't do, otherwise he will die without a burial place."

Hua Ying hurriedly took a few steps back.

Su Chen's moves made her very disgusted, but she understood what Su Chen said. Su Chen didn't want to take action against her and Mi Lian. The farm family was about to be destroyed? What would her brother do

?

What not to do?

"My lord, a letter from His Majesty the Emperor!"

At this time, a shadow secret guard suddenly arrived and saluted Su Chen.

Su Chen read Ying Zheng's letter and ordered,

"Inform the Shadow Secret Guards and Luo Sheng in East County and ask them to be on standby in East County at any time. They are not allowed to move without my order."

"Yes, my lord ten!".

Chapter 2754

Su Chen didn't expect Ying Zheng to give him such great power, but did he need it?

In the letter, although Ying Zheng did not grant him any official position or title, the letter said that Su Chen and Ying Zheng were of equal status, and they were equal to each other?

What's this?

Su Chen rubbed his forehead speechlessly.

The Great Qin Empire in a small world was nothing to him.

However,

Tian Yan and Yue'er were named princesses of the Great Qin Empire. Su Chen was still very satisfied with this.

"Who are you?"

Hua Ying felt to Su Chen that Su Chen was becoming more and more mysterious.

Ying Zheng would actually write a letter to Su Chen?

Didn't the emperor of Qin give orders to his subjects?

Write letters? How could Ying

Zheng write a letter to a subordinate?

Chen stretched and said,

"Huaying, it doesn't matter who I am, I want to rest. If you want to sleep with me, of course I welcome you."

"snort!"

Hua Ying immediately stood up and walked out of the room, sleeping with you?

What a ghost!

She had to think carefully about who Su Chen was, a mysterious man with unknown origins, and an important official of the Great Qin Empire. Knowing everything, Huaying wanted to inform the farmer to find out who Su Chen was when he arrived.

Five days later, at the mirage, since Xue Nu and Duan Murong arrived at the mirage,

Zi Nu, Gai Nie, and Wei Zhuang also came to the mirage, but none of them saw them. Su Chen.

Xue Nu and Duan Murong did not return to the hiding place of the Mo family. Yue'er asked Concubine Yan to help the Mo family no longer be wanted by the Qin Empire. They stayed in the mirage to wait for Su Chen's arrival.

Wei Zhuang and Gai Nie left the mirage three days ago.

They were going to kill Zhang Liang.

Six days ago,

Concubine Yan and Xunzi met the three Zinu.

They also understood why Zhang Liang was captured by the Confucians.

Zhang Liang's escape was because of the three of them, Wei Zhuang and Gai Nie. Zhang Liang was filled with hatred. The Qin Empire and Confucianism were not targeting them, but they were going to kill Zhang Liang who was using them.

In a room in the mirage,

Xue Nu and Zi Nu were sitting together. They had known each other more than ten years ago. More than ten years later, they did not expect to see each other again.

The snow girl asked curiously,

"Zi Nu, have you really never seen Su Chen?"

"No!"

Zi Nu looked at Yuki Nu speechlessly.

Yuki Nu has been asking this question these days, and she has answered it many times, but Yuki Nu never believed it.

Zi Nu was also very helpless. This was all caused by the storage ring on her finger. It's something.

The snow girl shook her head in disbelief and said,

"I don't believe it, Zi Nu, you should have seen the storage ring on Concubine Yan's hand. Su Chen's woman has a storage ring, and so do you. How could you not be related to Su Chen?"

"Forget it, I can't explain it to you clearly. When Su Chen comes back in the future, you will understand that I have nothing to do with him."

"That's right, Zi Nu, do you think Su Chen is a god?"

"may be!"

On the deck,

Concubine Yan watched Yue'er and Duan Murong learning medical skills.

A smile appeared on her face,

Princess Gao Yue?

Concubine Yan didn't expect that Ying Zheng would make Yue'er the princess of the Qin Empire. Although she didn't care about this, But Concubine Yan was still very happy that Yue'er could be named a princess. What about Su Yue, Princess Gaoyue of the Qin Empire? (To read Baoshuang novels, go to Feilu Novel Network!)

Yue'er not only had the title of a princess, And there is Su Chen's surname. A surname makes Concubine Yan happier than the title of princess.

Concubine Yan looked at Shi Lan sitting next to her and asked,

"Shi Lan, how is your brother?"

Xiao Yu raised his head and replied,

"Sister Yan Fei and Sister Rong have rescued my brother, but my brother's brain was eroded by Yun Zhongjun's medicine. He can't remember anything. He may still need time to recover."

"As long as you can recover, Shi Lan, you are older than Yue'er. You can play with Yue'er if you have nothing to do. Don't frown all day long. With Duanmu Rong here, your brother will be fine."

"I see!"

Xiao Yu believed that her brother would get better, but she felt a little worried when she thought about Tian Ming and Xiang Shao Yu.

Da Qin's army destroyed a remnant of Chu's army a few days ago. Xiang Shao Yu's uncle and General Long Qie were all killed. , Xiang Shaoyu and Tianming did not know whether they were alive or dead, and Xiao Yu was worried that they would be killed by the Qin army.

Xiao Yu wanted Concubine Yan to help Tian Ming and Xiang Shao Yu more than once, but Xiang Shao Yu and Tian Ming's identities were too special.

One was the Chu State One of the young masters of the Xiang family is a person that Yingzheng must kill. It is impossible for the Great Qin Empire to let them go.

In Dongjun, the Yinghuo Stone fell yesterday night, and

Su Chen also went to see the fallen stone. There were no words on the meteorite. He guessed that the conspirators would have carved words on it. Su Chen wanted to see who carved the words on the meteorite. In

Zuimeng Tower,

Huaying saw Su Chen sitting in the room drinking While drinking, she shouted with an ugly face,

"How many more days do you plan to stay? Also, is it time to settle the account?"

In the past five days,

Huaying hasn't found any news about Su Chen. Because the time at the farm is too short, they haven't found out any news about Su Chen.

In the past five days, Su Chen has been living in Zuimeng Building, eating, drinking, and lodging in Zui. In Menglou,

Su Chen didn't even give her a single gold coin, and even teased her at every turn. Huaying became more and more angry when she saw Su Chen.

Su Chen took a sip of wine and replied,

"I'll leave tomorrow. 097"

It's time to leave.

Someone will definitely be tampering with the Yinghuo Stone tonight. Su Chen will kill him after finding out who did it. It's time to go to

Shangjun.

Alice and the other four don't know what's going on now. Sample

"Leaving tomorrow? where are you going?"

Hua Ying didn't expect that Su Chen would leave tomorrow.

This was a bit sudden.

Although she didn't want to see Su Chen, she hadn't found out Su Chen's identity yet. Hua Ying felt that if Su Chen left, she would never see Su Chen again in the future.

"Go to the county!"

"Shangjun? Why did you go to Shangjun?"

"The wolves are going to invade the Qin Empire. I'll go over and check out the situation."

"You really have a lot on your plate"

"Huaying, are you reluctant to let me go?....."

"Huaying, I, Lao Liu, are here. Good wine and food are all prepared for me. I have money this time."

Su Chen was about to tease Hua Ying when a man's voice shouted and interrupted him.

Bang!

A arrogant man broke into the room.

Hua Ying shouted with an ugly face,

"Liu Ji, do you dare to break into my room?"

Liu Jixue looked at Hua Ying and said,

"Huaying, I am deeply in love with you. I never thought that you would hide a pretty girl. You will make me very sad."

"Liu Ji?".

Chapter 2755

Su Chen didn't expect Liu Ji to show up, a arrogant gangster who might be Guiguzi's pick.

Su Chen had been waiting in Zuimenglou these days in vain. Now that Liu Ji has arrived at Zuimenglou, Guiguzi said We will carve words on the Yinghuo Stone, and everything will end today.

Liu Ji wanted to kill, and so did Gui Guzi.

Liu Ji patted his chest and shouted,

"Yes, pretty boy, I am your uncle Liu Ji!"

"court death!"

"stop!"

Hua Ying saw Su Chen's angry look, and she hurriedly tried to stop Su Chen.

Liu Ji was a friend of the Zhu family of Shennong Hall and an effective subordinate of the Zhu family. Hua Ying would not watch Su Chen kill Liu Ji.

Kacha!

Su Chen crushed Liu Ji's neck with one hand.

He has imperial energy?

The son of destiny?

Is this useful to him?

There is heaven in the world of Daqin.

Does heaven dare to attack him?

"you.....Did you kill Liu Ji?"

Hua Ying didn't expect how fast Su Chen would be. In just a moment, Su Chen pinched Liu Ji to death.

"Are not you just saw it?"

Hua Ying said with an indifferent expression,

"You shouldn't have killed Liu Ji!"

Su Chen mocked disdainfully,

"Hey, Huaying, do you need to take care of who I want to kill? So what if Liu Ji is from a peasant family? Do you believe that I immediately ordered the Shadow Guards and Luo Wang to massacre the little dwarfs in Shennong Hall?"

"you....."

Su Chen rolled his eyes at Hua Ying and said,

"Farewell, I will live and eat in Zuimenglou for free for a few days, and you, Mi Lian, and your brother will not have to deal with each other."

Su Chen walked to the door and shouted,

"Someone come!"

A shadow secret guard quickly appeared and saluted,

"grown ups!"

Su Chen ordered expressionlessly,

"Ordered Dongjun's secret guards and Luo Sheng to dispatch all of them to wipe out the farmer Shennong Hall. Except for the ceremony, no one was left in Shennong Hall."

"Yes, my lord!"

Huaying looked at Su Chen in surprise. She couldn't understand why Su Chen suddenly wanted to wipe out the farmer Shennong Hall?

Because of Liu Ji?

Or because of her?

Whoosh!

Su Chen disappeared in front of Huaying in an instant.

He wanted to wipe out the farmer. Shennongtang also has a reason, (abdc)

Shennongtang should be the place where Liu Ji and Guiguzi gather their men. Liu Ji wants to use the peasant disciples to rebel. The peasant disciples are known as one hundred thousand, and the troops Liu Ji raises should all come from peasant families.

One The beautiful woman walked up to Huaying and asked,

"Sister, that person left?"

Hua Ying nodded and asked,

"Well, Mi Lian, you should have heard what I just said. Why do you think he wanted to wipe out the farmer Shennongtang? Is it because Liu Ji offended him? Or is it because of my attitude? Mi

Lian shook her head with a cold face and said,

"No, sister, didn't you notice? That person seemed to be waiting for someone in Zuimeng Tower. Yesterday night, the Yinghuo Stone fell. He just went to take a look and no longer cared about it. Liu Ji? I guess Liu Ji is the person he wants to wait for and the person he wants to kill."

"Liu Ji? Why did he want to kill a ruffian?"

"I don't know, sister. I guess that person will go to the Stone of Fire again tonight, and he may also want to kill someone. I just saw murderous intent in his eyes."

"The Stone of Fire? Mi Lian, I'll go over there tonight and take a look. Maybe I'll know the identity of that bastard tonight. Mi

Lian reminded Hua Ying, "Sister, be careful tonight. Although that bastard won't deal with you, some other people may take action against you.""

Mi Lian is also very curious about Su Chen. She has been teased by Su Chen these days. If Hua Ying hadn't been protecting her, Mi Lian thought she would be eaten by Su Chen.

"I'll be careful!"(To read Baoshuang novels, go to Feilu Novel Network!)

At night, next to the Yinghuo Stone,

Su Chen sat under a tree and waited for the person who was about to appear.

The surrounding Qin troops were all evacuated by Su Chen. After a while, Su Chen The battle is not something ordinary Qin soldiers can watch from the sidelines.

Su Chen looked to the side and shouted,

"Come out, you shouldn't be here!"

Hua Ying came over in night clothes and asked,

"You are indeed here. Mi Lian's guess is right. Who are you going to kill? right?"

Su Chen looked at Hua Ying and said,

"Huaying, you look very good in the tight night clothes, and your uneven figure is exposed."

"Shameless!"

"Come on, don't you dress like this to make people look at you? Hua

Ying snorted and asked,"Hmph, who are you waiting to kill next to the Stone of Fire?"

"Someone you don't expect"

"Unexpected people?"

Hua Ying became confused when she heard Su Chen's words.

Unexpected person?

This was too general.

She didn't even have a direction to guess.

"coming!"

Su Chen looked at the Yinghuo Stone and said, he sensed the arrival of a powerful aura,

Gui Guzi?

It should be that old bastard here.

It's really interesting.

No one in the world could guess that the words on the Yinghuo Stone would be It was carved by Guiguzi.

In the plot, Tian Yan also seemed to have carved some words, but Tian Yan didn't know who carved the previous words.

Huaying hurriedly looked in the direction of the Yinghuo Stone.

An unexpected person?

She wanted to know Who is the unexpected person?

Whoosh!

An old man in gray robe quickly appeared on the Stone of Fire.

He saw Su Chen and Hua Ying next to him with cold faces.

A great master, an innate scumbag, now that they saw him The old man in gray robe would not let them leave alive.

Su Chen stood up and said,

"Gui Guzi, you have really planned your life for Liu Ji. You have faked your death and hid for many years, and you also used your disciples Wei Zhuang and Gai Nie. You are trying to support that gangster Liu Ji, right?"

"Boy, you actually know who I am and who you are?"

The old man in gray robe was very surprised when he heard Su Chen's words.

He didn't expect that Su Chen would know his identity, and he even knew about Liu Ji. Could it be that Su Chen was from the Yin Yang family?

Hua Ying looked at gray robe in confusion. Old man,

Gui Guzi?

The old man in gray robe turned out to be Gui Guzi from the strategist family?

How is this possible?

Why did Gui Guzi appear here at the Yinghuo Stone? What would he do to the Yinghuo Stone?

Su Chen pulled out the Falling Snow Sword and walked towards Guiguzi and said ,

"Guiguzi, you don't have to waste your efforts. It's useless even if you carve on the Yinghuo Stone to mark the death of the First Emperor."

"I forgot to tell you that Liu Ji was killed by me today, and the farm Shennongtang will be destroyed tonight. Everything you prepared for Liu Ji will be in vain."

Chapter 2756

Guiguzi was shocked when he heard Su Chen's words.

Liu Ji was killed?

The farmhouse Shennongtang was destroyed?

Guiguzi met Liu Ji secretly today. How could Liu Ji be killed?

"Boy, you want to deceive me? I just met Liu Ji today. How could Liu Ji be killed?"

Su Chen mocked disdainfully,

"Damn you, Liu Ji was crushed to death by me just at noon today, and his body is still in Zuimenglou."

Hua Ying heard Su Chen's words and shouted,

"Bastard, Liu Ji's body had been thrown into the back mountain a long time ago."

Gui Guzi's face turned ugly. He felt that Liu Ji might have been killed by Su Chen.

Liu Ji went to Zuimeng Tower today, and Zuimeng Tower is the intelligence gathering place of Shennong Hall.

Gui Guzi didn't care about Liu Ji's safety. But he didn't expect that Liu Ji would be killed in Zuimenglou

""Zero Sixty" for more than thirty years,

Guiguzi and his junior brother had been preparing for more than thirty years. When the time was about to come, Liu Ji, whom they had chosen, was actually killed?

Thirty years of hard work were in vain.

He If he wants to kill someone, he wants to kill Su Chen, the culprit.

"Damn it, who are you?"

"Suchen!"

Su Chen looked at Gui Guzi coldly.

He was an old cunt and a scumbag.

Su Chen would send Gui Guzi to see Liu Ji. He would make Gui Guzi regret doing these conspiracies.

Gui Guzi asked in surprise,

"Suchen? Are you Su Chen who appeared in the Mojia City? Is this also Su Chen who destroyed the backbone of Confucianism?"

Guiguzi recently heard about a man named Su Chen.

In Guan City,

Su Chen killed the Mohist giant Yan Dan.

In the Confucian family,

Su Chen killed Chu Nangong, the supreme elder of the Yin and Yang family, and razed the Confucian back mountain to the ground. In Pingdi, legend has it that Su Chen is a cultivator and an immortal, but will this young man be the legendary Su Chen?

Huaying stares at Su Chen with her sexy mouth open,

Su Chen?

She also said this name,

What happened in the Mohist government city and the Confucian family are all related to Su Chen. Recently, Su Chen has been widely rumored among all the scholars. The bodyguard of Tian Yan, the eldest daughter of Nongjia Lieshan Hall, is also named Su Chen.

These two Su Chens will be the same person. ?

Su Chen nodded and replied,

"good!"

Guiguizi asked in panic,

"Are you a cultivator? Or a god?"

Su Chen pointed his sword at Guiguizi and shouted,

"You don't need to know who I am, Gui Guzi, you shouldn't exist in this world. Your existence will reignite the war in the Central Plains and make the people suffer from war again."

"The Seven Kingdoms War has been going on for hundreds of years, and more than half of the people in the Central Plains were killed or injured. The Central Plains should have a unified empire, an empire that can protect the people of the Central Plains, and an empire that can expand its territory."

Whoosh!

Gui Guzi ran away quickly after hearing Su Chen's words.

Su Chen was an immortal cultivator, or a terrifying immortal, an immortal who could level a mountain to the ground.

Gui Guzi could not be his opponent.

He wanted to escape.

Gui Guzi had to escape. If he didn't escape, he would be easily killed by Su Chen.

When Su Chen saw Gui Guzi escaping quickly, he felt very contemptuous.

A person in the realm of heaven and man faced a great master, but Gui Guzi didn't dare to fight him and escape. The world of fear of death

"escape? Did you escape? Luoxue beheaded Gui Guzi."

Whoosh!

The Falling Snow Sword flew into the air from Su Chen's hand. With a flash of white light, the Falling Snow Sword instantly disappeared into the air.

Huaying walked up to Su Chen and asked, "Are you Su Chen? Su Chen appeared in Guancheng and Confucianism?"

Su Chen curled his lips and replied,

"good!"

"you....Are you a fairy?" (To read exciting novels, go to Feilu Novel Network!)

"no!"

"no? How could your sword fly if it wasn't for you? How to fly and kill a celestial being?"

"Can't my sword be an immortal sword?"

"you...."

Hua Yingmei stared at Su Chen fiercely, this bastard is so hateful, is the sword a fairy sword?

Su Chen's sword is a powerful fairy sword. How could he not be an immortal?

A shameless bastard.

Su Chen lifted Hua Ying's fair chin and said,

"Huaying, speaking of which, I saved your life. If it weren't for my appearance in Dong County, your fate would have been to die within this year."

Pah!

" Huaying slapped Su Chen's hand away and said angrily,

"I do not believe!"

Su Chen looked at the beautiful flower shadow and said with emotion,

"With the appearance of Huaying and the Stone of Enchantment, the Sixth Hall of the Nongjia will compete for the position of the leader of the heroes. You are from the Shennong Hall. The Zhu family will definitely let you seduce Wang Li and steal the secrets of Da Qin. You will be betrayed by Wang Li. After they were discovered, they were tortured to death."

Huaying fell silent after hearing Su Chen's words. She felt that what Su Chen said might really happen.

The Sixth Hall of the Nongjia has been fighting each other for the position of the leader of the knights for many years.

If the Sixth Hall of the Nongtang After competing for the Yinghuo Stone to select the hero, Hua Ying will be ordered by the Zhu family to seduce General Wang Li.

Su Chen took out a spiritual fruit and handed it to Hua Ying and said,

"Huaying, since we met, you and I are destined to be together, so I give you this spiritual fruit. The spiritual fruit can make you live for decades longer, and your appearance will not age."

Su Chen has nothing to do with Hua Ying in Tianxuan Tianlu.

He doesn't want to interfere with Hua Ying's future life. He doesn't know what will happen to Hua Ying in the future. Su Chen already has enough women. For an ordinary mortal woman, if he doesn't I won't provoke mortal women again if necessary. Huaying asked with a complicated expression,

"We won't meet again, right?"

Su Chen nodded and replied,

"Yes, we are not from the same world. Goodbye beauty, you must not miss me in the future."

Su Chen saw Luo Xue Sword flying over. He waved his hand to Hua Ying and disappeared instantly.

A big cabbage gave up.

If Su Chen didn't leave quickly, he was worried that he could not help but eat Hua Ying 3.6, and also There was the little beauty Mi Lian. He gave up two beautiful beauties at once.

"Damn bastard!"

Hua Ying saw Su Chen disappearing in front of her in an instant. She clenched her fists tightly, missing him?

Will Hua Ying miss Su Chen?

Shameless sex embryo, mirage?

Su Chen seems to be in the mirage of Yin Yang's house. Going to Will Mirage see that bastard again?

Huaying decided to go back and discuss with Mi Lian.

Su Chen only gave her one spiritual fruit.

Where is Mi Lian?

Did that bastard forget Mi Lian?

One day later, in Shangjun,

Qin Jun's army In the camp, the four young masters, Fusu and Alice, came to the Shangjun camp with one hundred thousand Qin cavalry.

"General Meng Tian, what's going on now? Have the wolves started attacking?".

Chapter 2757

In the big tent,

Fusu, Meng Tian and Alice were sitting together.

The Wolf Clan army was about to invade the Qin Empire. Fusu came with 100,000 Qin cavalry to support Meng Tian. Fusu wanted to know the specific situation of Shangjun. The Wolf Clan Are you about to start attacking?

Meng Tian replied,

"Young Master, the wolves have not started to attack yet, but they should launch an attack within the next few days. Fusu asked,

"How many troops did the wolf clan send out? Meng

Tian replied with a serious face,

"Young Master, our scouts have found out that the Wolf Clan has dispatched more than 300,000 troops, almost the entire army of the Wolf Clan, as well as Donghu's 50,000 troops, and other grassland tribes have also dispatched some troops, adding up to 50,000 troops. More than 100,000 grassland coalition troops."

Fusu and Alice were very surprised when they heard Meng Tian's words.

More than half a million grassland coalition troops?

And they were all cavalry?

Da Qin Shangjun Meng Tian had an army of 300,000, and Fusu brought a hundred thousand cavalry, but the cavalry combined Two hundred thousand, the Great Qin Empire and the Wolf Clan Alliance had no advantage in a head-on battle.

Maximus asked,

"General Meng Tian, have you found out any information about the four strong men in the wolf clan?"

Meng Tian shook his head and replied,"No, the four powerful men from the wolf clan and a cavalry team from Da Qin encountered them a month ago, but they have not appeared since."

Brother Qilin said to Meng Tian,

"General Mengtian, the four strong men in the wolf clan, the four of us will help you kill them."

"Thank you!"

"You are welcome!"

Fusu said to Mengtian,

"General Mengtian, you have full command of this war. My father asked me to tell you that I can provide you with any supplies you need, but you must use this war to destroy the wolf clan."

Meng Tian hurriedly saluted and said,

"Don't worry, young master, although the wolf clan coalition forces are all cavalry, our Great Qin's cavalry and military crossbows are not just decorations, and the wolf clan coalition forces are not monolithic. As long as we send envoys to threaten some tribes, some tribes on the grassland will not dare to invade Da Qin. ~ `."

Meng Tian had previously thought about how to deal with the wolf coalition.

Although the wolf coalition has more than 500,000 cavalry, the real main force is only 300,000 wolf cavalry.

Meng Tian only needs to defeat the 300,000 wolf cavalry, and the grassland will Other tribes on the island will retreat, and some tribes may bite back and exploit their wolf tribe.

Fusu asked Alice,

"Madam Alice, will Mr. Suchen come to Shangjun? Alice smoothed her hair and replied,

"Yes, Su Chen said he would come to Shangjun. It has been almost a month. He should be coming to Shangjun soon." Fusu and Meng Tian smiled when they heard Alice's answer. As long as Su Chen comes to Shangjun, the war between the Great Qin Empire and the wolf alliance will be almost certain. When an immortal comes to help the Great Qin Empire, the wolf alliance will have a chance. With millions of troops, they can't be the match of the Immortal.

"Mark, there is a Roman army in the wolf tribe, with only about 10,000 people. You are a Roman general. Do you know the general of this Roman army?"

Maximus shook his head and replied,

"I don't know, General Mengtian, I can persuade the Roman army to surrender to the Qin Empire. However, General Mengtian, Master Fusu, I hope that after the Roman army surrenders, you will not demote the Roman army into slaves."

Fusu assured Maximus,

"Mark, don't worry, as long as the Roman army surrenders, I can guarantee you that they will be treated the same as the people of Qin"

"Thank you Mr. Fusu!"

Maximus clasped his fists and thanked Fusu.

Although he was not a Roman in this world, Maximus did not want to see the Roman army being massacred or being captured and demoted as a slave by the Qin Empire.

At this time,

Steppe Wolf In the tribe's camp, (to read Baoshuang novels, go to Feilu Novel Network!)

Touman, the leader of the wolf tribe, and four men and women were talking in the tent.

A man with a powerful figure said,

"The leader of Touman, Master Fusu of Great Qin, arrived in Shangjun today. We will attack the Great Qin Empire in three days."

The ugly-looking Touman frowned and said,

"Herman, attack in three days? Is this too hasty? Some tribal armies on the grassland have not arrived yet. We can attack the Qin Empire in ten days. Herman shook his head and said,

"No need, the Wolf Clan Alliance has already assembled 500,000 cavalry. It is enough for the 500,000 cavalry to attack the Qin Empire."

"The Great Qin Empire is very powerful. Herman, we cannot underestimate the Great Qin Empire."

"Hahaha, Touman, the Great Qin Empire doesn't have many cavalry. If half a million cavalry charge, the Great Qin Empire's army will be scattered and overwhelmed. You are too cautious about war."

"Well, attack in three days."

Touman was very helpless towards the four Hermans.

Is the Great Qin Empire so easy to deal with?

For decades, the Wolf Clan has never won a war with the Great Qin Empire.

The Great Qin Empire has unified the six countries, and its national strength is even greater. Strong,

Touman was very worried about this war, but his life was in the hands of four people, and he had to obey the orders of Herman Four.

A short man with a big beard asked,

" ` .Touman, your concubine Hu Ji is very beautiful. Why haven't I seen her for several days?"

"Hu Ji went to the Donghu tribe, and she was the leader of the Donghu tribe."

Touman looked at the dwarf with an ugly expression. He was a damn dwarf.

He did not expect that the dwarf fell in love with Hu Ji. Hu Ji was nominally his woman. Touman hated the dwarf even more.

The dwarf stroked his beard. shouted,

"That's it, Touman, after the war is over, your concubine Hu Ji will let me enjoy it for a few days."

"good!"

Touman clenched his fists tightly and agreed.

He didn't dare to disagree.

If Touman dared to disobey the four Hermans, the poison in his body would immediately burst out, and he would die miserably.

Orchid?

A beautiful woman.

In order to survive, Touman had to give Orchid to the dwarf.

Touman thought that his lower body was injured many years ago. He had been unable to enjoy Orchid for many years. Touman wanted to heal his body. Enjoy Hu Ji again, but he may never have the chance to enjoy Hu Ji again.

Herman San next to him did not care about this.

The humans in the world of Da Qin are just ants. If their cultivation realm is not restricted by fate and heaven, they will be killed. Fusu could not use the help of the wolf army. Su Chen appeared on the outskirts of Shangjun City in Daqin. He did not go to the military camp. Zhao Mengtian and Alice teleported continuously for more than a day. Su Chen's spirit was a little Tired, he wanted to take a rest before going to the military camp to find Alice Chen

"Um? Wolves? Could it be that Nuomin, a descendant of Moon Wolf, appeared near Shangjun?".

Chapter 2758

Su Chen was speechless when he saw wolves appearing around him.

Fu Su had already arrived in Dongjun.

Is Nuo Min, the descendant of the Moon Wolf, too late? Or was Nomin's love affair with the Roman general a waste of time?

"Um? People from the Central Plains? How will you be here?"

At this time, a scantily clad foreign beauty appeared not far away from Su Chen. She looked at Su Chen who was resting under the tree and was very confused.

The wolves she controlled appeared next to her, and there were dozens of wolves around her. Su Chen stared eagerly.

Nuo Min found that Su Chen was still calmly resting under the tree. Is this Central Plains man a fool?

Su Chen curled his lips and said,

"Beauty, what you said is really strange. This is the territory of the Central Plains. Is it strange that I, a Central Plains person, appear here? It's you, a foreign beauty, what do you want to do when you show up in Shangjun?"

Nuomin warned coldly,

"Beauty? Shameless Central Plains man, you have been captured by me. If you don't want to die, be honest with me, otherwise the wolves around you will tear you apart."

"Cough cough cough..., Beauty, what did you say? Am I being held captive?"

Nuo Min looked at Su Chen and nodded,

"Yes, you are captured by me, boy, and you will be my slave, Nuomin."

I guess!

Is Nuomin an idiot?

Su Chen is a master at the Grandmaster realm. Can't Nuomin, who is at the innate realm, see that?

Damn it, isn't Nuomin a psychopath?

"People from the Central Plains, what's your name?"

Nuo Min walked to Su Chen and sat down.

She was a little absent-minded at the moment.

Fu Su had already entered the Qin Army camp in Shangjun. Nuo Min hurriedly hurriedly hurried but was still late for a long time.

She had no way to get close to Fu Su.

Nuo Min If she fails to complete the order given by Hu Ji, she will be executed by Hu Ji, and the descendants of the Moon Wolf will also be exterminated by Hu Ji.

But how to get close to Fusu?

She has not figured out a way yet.

"My name is Su Chen!"

Su Chen looked at Nuo Min, who was thinking with his head down. He felt that this was a fake Nuo Min.

In the plot,

Nuo Min was a wild woman. How could Nuo Min look so worried?

Was Nuo Min being raped ? Did they give up after the chaos?

Or were the descendants of Moon Wolf exterminated?

Nuo Min glanced at Su Chen and said,

"Suchen? Not a bad name!"

"Do you know the names of Central Plains people?"

"don't know!"

Su Chen asked speechlessly,

"don't know? How do you know the name is good?"

Nuo Min glared at Su Chen and said, "I only know that the two-letter name is good."

"You are invincible! Nuo

Min patted Su Chen on the shoulder and asked, "Slave, can you take me into the military camp in Shangjun?"

"have!"

"Do you really have a way?"

Su Chen asked with a smile,

"Of course, but you have to tell me first, what are you doing at the Qin Army's camp?"

Nomin said hurriedly,

"I want to see Master Fusu of Great Qin. I have something urgent to tell Fusu."

Su Chen looked at Nuomin in confusion.

Nuomin actually wanted to see Fusu?

Wasn't she going to poison Fusu secretly? How could Nuomin go to see Fusu openly?

"Nomin, tell me first what is the emergency?"

"No, this matter is very opportunistic....you....Are you actually a great master? Who are you?"

Nuo Min said to Su Chen.

She suddenly discovered that Su Chen was in the realm of a grand master. Nuo Min was frightened and hurriedly backed away. He was a young man, a person who looked non-threatening.

Nuo Min was absent-minded when he met Su Chen before. , she forgot to check whether Su Chen had any martial arts skills. Nuo Min didn't expect that Su Chen would be a great master. Is there such a young great master in the Qin Empire?

Su Chen asked funnyly, (To read Baoshuang novels, go to Feilu novels net!)

"Nomin, did you react? I already thought you were an idiot.

Nuo Min asked Su Chen warily, "Su Chen, what is your identity?"

"how? Don't call me slave anymore?"

Su Chen looked at Nuo Min and nodded.

This is the real Nuo Min. She looks like a little wild cat, a wild beauty from a foreign race that is difficult to tame.

Nuo Min explained to Su Chen,

"My coming to Shangjun is not to be detrimental to the people of the Central Plains. I am here to fight the war between the Wolf Clan and the Qin Empire."

"What do you want from Fusu?"

"Su Chen, I told you that you could take me to see Fusu?"

Su Chen nodded in agreement,

"Can!"

Nuo Min thought about it and decided to tell Su Chen that she had no choice.

If Nuo Min could not complete Hu Ji's instructions, she and the descendants of Moon Wolf would be killed by Hu Ji.

0 Asking for flowers. Su Chen is a great master,

Nuo Min guessed Su Chen should be able to take her to see Fusu

"The Wolf Clan has decided to launch a war in three days and is preparing to annihilate the Qin army in Qingfeng Canyon. I am following the order of Hu Ji, the leader of the Donghu clan, to inform Mr. Fusu."

Hu Ji?

The leader of the Donghu clan?

Didn't Hu Ji become Touman's concubine? Or has there been some change in the world?

Su Chen asked doubtfully,

"Hu Ji, the leader of the Donghu clan? Isn't Hu Ji Touman's woman?"

"Hu Ji can be said to be Touman's woman, or she is not."

"Nomin, what do you mean?"

Nuomin explained with a strange expression,

"Touman was injured in a war eight years ago. He no longer talks about being a man. This is the same as your eunuchs in the Central Plains. Touman married Hu Ji to cover up this matter."

Let me guess,

Touman actually became a eunuch?

Damn, this is really good news.

Su Chen thought about it.

The leader of the wolf clan, Touman, is a eunuch. Could it be that Touman in the plot was originally a eunuch?

Su Chen thought about it. Chen asked doubtfully,

"Nuo Min, why did Hu Ji notify Da Qin? Why would she betray the wolf clan?"

Nuomin replied, holding her fists tightly.

"Because of the four black-robed men with unknown origins and four powerful black-robed men, one of the dwarfs fell in love with Hu Ji. In order to protect herself, Hu Ji planned to cooperate with the Qin Empire."

Nuomin hated the dwarfs with all her heart.

More than ten women in her clan were harmed by dwarfs in a month, and the dwarfs also had her eye on her.

If Hu Ji hadn't left the wolf clan with her and the descendants of the Moon Wolf, , Nuo Min might also be humiliated to death by the dwarf.

Four powerful men in black robes?

Hostile team?

Dwarf?

A dwarf actually fell in love with Hu Ji. No wonder Ji informed Da Qin of the wolf tribe's attack.

Su Chen felt that it was If there is a chance, with Hu Ji as an internal agent in the wolf clan,

Meng Tian should be able to defeat the wolf clan's army, and maybe even destroy the wolf clan in one battle.

"Nuomin, your wolf pack stays here. I will take you to meet Fusu Chuan in the Qin army camp."

Chapter 2759

Dazeshan, Wei Zhuang,

Gai Nie, and Yan Lu stopped Zhang Liang and Xiaoyao Zi. After more than ten days of tracking, they found Zhang Liang on the farm's property.

Zhang Liang looked at Wei Zhuang and the others with a gloomy face.

He did not expect that Wei Zhuang and Gai Nie, but Yan Lu still found him, and Wei Zhuang and Gai Nie looked indifferent.

Zhang Liang thinks something bad is going to happen

"Wei Zhuang, Gai Nie, you also defected to the Qin Empire?"

Gai Nie said with a serious face,

"Join the Qin Empire? Zhang Liang, the world has finally settled down and the people can live a life without war. We are not for the Qin Empire, we are for the people of the world."

Weizhuang shouted indifferently,

"Zhang Liang, no one who dares to use me will survive. Today is your day of death."

Xiaoyaozi reminded with a serious face,

"Wei Zhuang, Gai Nie, the Qin Dynasty is cruel and unkind. If the Qin Dynasty continues to rule the world, the people will live in dire straits. Do you want to help the evil tyrants?"

Gai Nie asked disdainfully, 01

"Brutal and unkind? Xiaoyaozi, where did you see that the Qin Empire was cruel and unkind to its people? Heavy taxes? Or killed innocent people?"

"Zhang Liang, Teacher Xunzi has ordered that you must be executed for your offense."

Yan Lu took out his light sword and quickly killed Zhang Liang. He would not make the same mistake as before.

For the sake of Confucianism and for the hundreds of schools of thought that will become immortals in the future,

Zhang Liang must die.

The last time Yan Lu returned to Confucianism, Xunzi and The information Fu Nian said surprised him very much. A technique for cultivating immortality?

A space with aura?

Yan Lu did not expect that Su Chen would give Confucian a technique for cultivating immortality and also open up a space with aura. This was very important to Confucianism. is important, Confucianism will become a Confucian who cultivates immortality in the future.

Boom!

Zhang Liang hurriedly swung his sword to resist Yan Lu's attack. He didn't expect that Xunzi personally wanted to kill him.

Why is this?

Didn't teacher Xunzi just ask about Confucian affairs? ? Could it be that Xunzi was threatened by Su Chen?

When Wei Zhuang saw Xiaoyaozi trying to save Zhang Liang, he threatened coldly,

"Xiaoyaozi, we advise you not to move, otherwise we will kill you"

"Wei Zhuang, Gai Nie, are you in trouble?....."

"There is no me in the world, I am everywhere!"

Suddenly, a black and white Tai Chi diagram appeared next to him, and a woman's cold voice interrupted Xiaoyaozi's words.

"Tianzong Xiaomeng!"

Xiaoyaozi saw the black and white Tai Chi diagram appear, and he saw a woman wearing Taoist robes appear in the Tai Chi diagram.

His face became serious.

Tianzong Xiaomeng,

Xiaoyaozi guessed that Xiaomeng might have come with bad intentions.

Wei Zhuang and Gai Nie also looked at Xiaomeng. It was unknown whether Xiaomeng's appearance was an enemy or a friend, and they also became wary of Xiaomeng. Xiaomeng said with a cold face,

"Xiaoyaozi, the Taoist sect should not continue to exist. There is only one Taoist sect. From today on, there will be no Taoist sect. Xiaoyaozi asked, frowning.

"You want to kill me?"

Xiaomeng said with no expression on her face.

"kill you? It can be said that I will kill you, Xiaoyaozi. I only use one move. If you can catch one of my moves, you can leave safely."

Xiaoyaozi laughed when he heard Xiaomeng's words.

"Hahaha..., Xiaomeng, you are too arrogant, kill me with one move? You can't kill me with ten moves. Well, I, Xiaoyaozi, will teach you how to kill me with one move today."

Weizhuang and Gai Nie looked at each other. They both felt that Xiaomeng was overconfident. Xiaomeng and Xiaoyaozi were both at the pinnacle of Grand Masters. How could Xiaomeng kill Xiaoyaozi with one move?

"Moon: Ice moon wheel!"

Xiao Meng coldly took the Qiu Li sword and swung it towards Xiaoyaozi.

Whoosh!

A crystal clear moon wheel disappeared from Xiao Meng's Qiu Li.

In one move,

Xiao Meng's face turned a little pale after she launched the move. Bai Bai, (for Baoshuang novels, go to Feilu Novel Network!)

The cultivation techniques for immortality are not yet something she can activate, but this is enough, the Moon Six-Wheel Sword Technique, the immortal cultivation sword technique given to her by Su Chen, Xiao Meng Using the spirit fruit to practice to the entry-level, but with just the entry-level immortal cultivation techniques, Xiaomeng was able to kill the heavenly realm and severely damage the golden elixir realm.

Whoosh!

Xiaomeng didn't see whether Xiaoyaozi was dead, nor did she talk to Wei Zhuang Zai and Gai Nie talked.

After one move,

Xiao Meng activated Heguang Tongchen and disappeared.

Wei Zhuang and Gai Nie were very confused when they saw Xiao Meng disappear and leave.

What a light move?

Xiao Meng just waved the Qiu Li Sword Just left, there was no earth-shattering fight, no violent collision.

Did Xiaomeng come to kill Xiaoyaozi?

Or did he deliberately let Xiaoyaozi live?

Click, click, click, click!

Suddenly,

Xiaoyaozi's body was torn apart, and As if frozen, Xiaoyaozi's torn body did not shed a drop of blood, and the pieces of the body were as neatly cut as if they had been cut.

"Hiss, senior brother, what kind of attack is this? None of us felt any attack fluctuations, Xiaoyaozi was killed like this"

"Xiaozhuang, I saw a moon wheel appear in Xiaomeng's sword earlier. I thought I was dazzled. It seems that the moon wheel exploded when Xiaomeng swung the sword and killed Xiaoyaozi.

"Xiao Meng just shouted [Moon: Ice Moon Wheel], this must be the Immortal Cultivation Sword Technique, Xiao Meng and Su Chen should be related"

"should be!"

Weizhuang and Gai Nie had a shocked conversation.

They were both very helpless. Su Chen was beyond their reach. Now there is Xiaomeng who practices immortality skills.

What about the future?

Su Chen The woman Yan Fei should also have the skills to cultivate immortality.

Wei Zhuang looked at Zhang Liang who was about to be killed by Yan Lu.

He decided that after Zhang Liang was killed by Yan Lu, he and Gai Nie would return to the mirage of the Yin Yang family. , cultivating immortal skills,

Wei Zhuang and Gai Nie also have the opportunity to practice.

At this time, in the Qin Army camp in

Dongjun , Su Chen took Nuo Min into the Qin Army camp unobstructed. Nuo Min looked at Su Chen He asked in surprise, "Su Chen, who are you? Why do the Qin troops salute you one after another?" Nuo Min was still dizzy at the moment. Su Chen led her into the Qin Army's camp. The Qin troops they passed by saluted Su Chen one after another. This was the case along the way. Nuo Min felt that Su Chen's identity was not simple. Could it be that Su Chen is Da Qin's son Fu Su?

"Nomin, you will know in a moment."

Su Chen was also confused at this moment.

He came to the Qin Army camp and prepared to take out the Black Dragon Order, but the Qin Army guarding the camp saluted when they saw him.

After Su Chen took Nuo Min into the camp, the Qin Army they passed by also Everyone saluted him, but he couldn't figure out what was going on.

Chapter 2760

In the coach's tent,

Fusu, Meng Tian, and Alice all learned that Su Chen had arrived at the Shangjun camp. Not only Meng Tian and Fu Su were very happy with

Su Chen's arrival , but Alice and the other four were also very happy. After a while, Su Chen brought Nuo Min into the big tent. He looked at Fusu and the others and said,

"Everyone, we meet again.

Fusu and Meng Tian saluted, "Fusu (Mengtian), I have met Mr. Su Chen!"

Maximus: "Su Chen, we just arrived today, and we didn't expect you to come too."

Mu Ningxue: "Su Chen , why did you bring a foreign woman?"

Alice: "What a pervert, this bastard has beauties everywhere he goes!"

Brother Qilin: "Su Chen!"

Nuo Min saw the people in the big tent talking to Su Chen They all spoke one after another, and she felt even more dizzy,

Fusu?

Meng Tian?

They all actually saluted Su Chen?

One is the eldest son of the Great Qin Empire, and the other is the general of the Great Qin Empire. What is Su Chen's identity? Why did Fusu and Meng Tian both salute and greet Su Chen?

"Everybody sit down!"

Su Chen stepped forward and hugged Alice and sat down.

Meng Tian didn't pay attention when he saw Su Chen holding Alice. They also knew that Alice was Su Chen's concubine.

However, how did Meng Tian feel about the foreign woman brought by Su Chen? I seem to have seen 527

"Mr. Suchen, who is this woman?"

Su Chen explained to Meng Tian and Fu Su,

"Meng Tian, her name is Nuo Min, she is the envoy sent by Hu Ji, the leader of the Donghu tribe, to meet Fusu. You can believe Nuo Min, and Hu Ji, the leader of the Donghu tribe, can also believe it. Meng Tian, Fusu, you guys talk to Nuo Min. The Wolf Clan will be here in three days. Will start a war"

"Okay, Mr. Suchen!"

Meng Tian and Fusu were very happy,

Donghu?

They had just talked about Donghu.

In the wolf tribe's coalition,

Donghu dispatched 50,000 troops.

Donghu was still the only grassland tribe with the wolf tribe. After the war between the Great Qin Empire and the wolf tribe began, , with Donghu as internal support, the Great Qin Empire will definitely win.

Su Chen said to Nuo Min again, "Nuo Min, tell Fu Su and Meng Tian the attack plan of the wolf tribe"

"Thank you!"

Nuo Min gave Su Chen a foreign salute.

She had many questions to ask Su Chen, but this was not the time. Nuo Min had to complete the task assigned by Hu Ji first.

Su Chen saw Nuo Min talking to Fu Su and Meng Tian. Get up, he asked Maximus,

"Mark, what are your thoughts on the enemy squad? Do you want to go up (abfi) and kill the enemy team tonight?"

Maximus shook his head and replied,

"No, Su Chen, we decided to kill the enemy team on the battlefield. After all, the wolf clan has assembled more than half a million troops, and we don't need to risk killing four people from the enemy team."

Mu Ningxue said coldly,

"Su Chen, the enemy team did not come to assassinate Fusu. We guess that the enemy team's strength is also limited. As long as the enemy team does not have special abilities, it will be easy for us to kill them."

Su Chen nodded and said,

"This is fine, the wolves will attack in three days, and you can kill the enemy team in three days."

The four members of Alice are not as strong as each other.

If the four members of the enemy team did not have special abilities, Alice and the others would easily kill the four members of the enemy team. Su Chen would also pay attention to the enemy team.

Alice leaned into Su Chen's arms and asked ,

"Su Chen, have you gone to the grassland?"

Su Chen kissed Alice and replied,

"No, I met Nuomin on the road."

Alice rolled her eyes at Su Chen and said,

"You are really lucky. When you first arrived in Shangjun, you met a beautiful foreigner."

"Alice, my luck with women is very good, otherwise I wouldn't have met a beautiful woman like you."

"Are you so shameless?"

Maximus took out a few jars of wine and shouted, (To read Baoshuang novels, go to Feilu Novel Network!)

"Suchen, don't mess with Alice. Come on, let's have a drink today."

"Okay, let's have a good drink today."

After Su Chen let go of Alice, he looked at Maximus and Brother Qilin with evil intentions.

Drinking?

He is going to get Maximus and Brother Qilin drunk today.

They are two little scum.

Su Chen is still drunk after drinking. They were not afraid of anyone.

Alice and Mu Ningxue looked at Su Chen and the others speechlessly. They did not care about the drinking competition between Su Chen and the others. Su Chen, Maximus, and Qilin were not easily drunk.

"Okay, let's have a drink today, Qilin, and we'll get Su Chen drunk in a while"

"Mark, I'm afraid this won't be easy!"

"Qilin, Su Chen's strength has been sealed. He may not be as good as us. When it comes to drinking, we don't want to lose to Su Chen."

"All right!"

An hour later,

Nuomin left after talking to Fusu and Mengtian.

She originally wanted to talk to Su Chen, but she saw Su Chen having a drink with Maximus and Qilin, so Nuomin decided to ask later. What is Su Chen's identity?

Fu Su and Meng Tian have joined Su Chen and the other three in a drinking contest.

Although the Daqin military camp explicitly prohibits drinking, with Su Chen here, the prohibition is useless to them.

Half an hour later,

Fu Su fell first Down,

Meng Tian also fell down.

Fusu fainted after drinking less than one jar of wine, and Meng Tian fainted after drinking three jars.

In the evening,

Maximus and Qilin also successively After fainting, there were empty jars everywhere in the big tent. The attendants waiting nearby looked at Su Chen and the others in shock.

Su Chen waved his hand and ordered,

"Take them all down to rest"

"Yes, my lord!"

Alice patted Su Chen on the shoulder and asked,

"Su Chen, are you okay?"

Su Chen hugged Alice and kissed her and said,

"Nothing, we can't delay the wedding ceremony tonight"

"Shameless bastard."

Alice looked at Mu Ningxue next to her with some embarrassment.

Mu Ningxue was still beside her.

She didn't expect that Su Chen would talk nonsense.

Su Chen looked at the quiet Mu Ningxue next to him and said,

"Xiaoxue'er, I'm going to look for you tonight too"

"I.....I'm leaving first!"

Mu Ningxue heard Su Chen's blush and hurriedly left the tent.

She became panicked.

If Su Chen really went to find her in the evening, Mu Ningxue didn't know how to face Su Chen.

"Ha ha....."

Su Chen laughed when he saw Mu Ningxue leaving as quickly as a bunny.

Mu Ningxue, who had always been cold and quiet, would leave in a panic. Su Chen guessed that Mu Ningxue was worried about his night attack.

Alice leaned into Su Chen's arms and smiled.

Mu Ningxue left in a panic.

Alice guessed that Su Chen would go to find Mu Ningxue in the evening, and Mu Ningxue would not kick Su Chen out. The women in the two teams were really Caught in one fell swoop by Su Chen

"Su Chen, have you completed the heart-refining trial?".
