### Chapter 2761

Alice was a little worried about Su Chen's heart-refining trial.

Heart-refining trial?

In the world of Daqin,

Su Chen's mind was weakened to the edge of collapse, and his breath was very unstable. Alice was worried that Su Chen's heart-refining trial would fail.

Su Chen stroked Alice's little face and said, "Alice, my heart-training trial has been completed, you don't have to worry."

"finished?"

"Um!"

"Are you leaving the world of Great Qin?"

"I won't leave for now, I'll wait until you finish off the enemy team before leaving."

Alice leaned against Su Chen and sighed,

"Alas, we haven't been together for a few days and you have to leave again."

Alice felt very helpless.

She and Su Chen were not from the same world.

Alice's world was controlled by the Heavenly Way of Fate, and Su Chen was still "603" incapable of taking her world away from the control of the Heavenly Way.

Once How many months, how many years?

How many months?

Or even how many years without seeing Su Chen?

Alice also misses Su Chen very much.

Su Chen kissed Alice and said,

"Alice, we will be together forever in the future. A realm war is about to break out in the fairy world. The prehistoric fairy world is facing the invasion of two powerful realms, and my Xuantian realm cannot stay aloof."

Alice asked doubtfully,

"Realm war?"

Su Chen explained with a serious face,

"Well, there is a war in the fairy world with hundreds of billions of gods participating in the fight. After a war, countless small worlds may be destroyed, and the prehistoric fairy world is in danger of being destroyed."

"If the prehistoric fairy world is destroyed, my Xuantian realm will face a huge crisis, and the fairy world war will also break out in the Xuantian realm. I have to be prepared to face the realm war that comes at any time, and I don't want the war to spread to the Xuantian realm."

Alice looked at Su Chen in shock.

A war with hundreds of billions of gods?

In a war, countless small worlds will be destroyed?

It's so scary.

Alice feels very scary just thinking about it.

Billions of gods. ?

There are only a few billion humans on the earth. The fairy world is so vast and boundless, and there are so many gods that Alice can't even imagine.

Alice asked worriedly, "Su Chen, will nothing happen to your Xuantian realm?"

"No, although other realms are strong, my Xuantian realm is not weak either. After the realm war starts, it is impossible for my Xuantian realm to lose the realm war."

"That's good!"

Su Chen hugged Alice's waist and said,

"Beautiful lady, it's time for us to rest too"

"Um!"

Alice rolled her eyes at Su Chen and lay in his arms.

This day has finally arrived. Su Chen has been coveting her for a long time. Alice is also deeply in love with Su Chen.

Falling in love?

Alice thought of something It was a romantic meeting, and she thought of the word sink that Venina said.

Then sink,

Sue kissed Alice and walked to the bed.

The night was fading, and the atmosphere in the big tent was bursting with excitement.

A romance, a romance in front of flowers and a moonlight, A love affair entangled together.

At this moment,

Mu Ningxue looked confused and hugged her knees, thinking wildly. Su Chen's words made her uneasy. In the two teams,

Selena and Natasha and Su Chen's The relationship was ambiguous. Maximus and Qilin both said that she could not escape from Su Chen's grasp. Mu Ningxue's feelings towards Su Chen were getting more and more strange.

She had only met Su Chen once and several team missions. What Mu Ningxue heard the most was talking about Su Chen. Sometimes she couldn't help but think of Su Chen.

"Damn it, I don't want to think about it anymore!"

Mu Ningxue rubbed her forehead and lay down.

She didn't know if Su Chen would come in the evening, but if Su Chen came to her tent, Mu Ningxue didn't think about whether to drive Su Chen away. ( To read Baoshuang novels, go to Feilu Novel Network!)

Let everything take its course, everything goes according to your heart.

The next morning,

Alice was full of feminine charm and was still resting.

Alice was too tired,

Su Chen said yesterday After tossing her for most of the night, Alice finally served Su Chen with her mouth.

In the camp,

Su Chen sat under a big tree and drank tea.

Yesterday night,

Su Chen and Alice were very happy, and the West Women are different from Oriental women. Alice's passion and unrestrained enthusiasm are very admirable.

"Suchen, I'm going to meet the commander of the Roman army. Do you want to go?"

Maximus saw Su Chen drinking tea under the tree.

He was very confused.

Why did Su Chen get up so early today? Shouldn't he be sleeping with the beautiful Alice in his arms?

"Don't go!"

Su Chen curled his lips and replied,"

Going to see the Roman commander?

What is he going to do?

The Roman commander is not a beautiful lady. Su Chen might as well tease that little beauty Mu Ningxue for a while."

"Forget it, I'll go myself."

Maximus waved to Su Chen and left. He also knew that Su Chen was not interested in this matter.

After a while,

Brother Qilin came and sat across from Su Chen and asked,

"Suchen, have you been to Venina's world?"

Su Chen poured a cup of tea for Qilin and replied,

"Been there once!"

"When will you go to Minecraft? I've got a beauty for you."

Su Chen shouted in surprise,

"I guess? Qilin, I don't need your help. There are no beauties in your world."

Su Chen didn't expect Qilin to really help him find a beautiful woman. Last time, he thought Qilin was talking casually or laughing at him. When did Qilin have the potential to become a Yuelao?

Qilin nodded and said,

"have!"

"Damn it, your world is full of mortal women, even if they are beautiful, it is useless"

"Su Chen, didn't you say that in any world there is a protagonist with luck? I 0.2 should be lucky to find a woman."

Su Chen rubbed his forehead and said,

"Qilin, forget it, I still have a few women in the two teams that I haven't dealt with, and I don't want to provoke mortal women."

Qilin drank tea and said coldly,

"Su Chen, I have already told that woman that she will be yours in the future. If you have the ability to go to my world, you can meet her."

"....."

Su Chen looked at Brother Qilin speechlessly. What kind of beauties are there in Qilin's tomb robbing world?

An Ning?

Or Huo Xiuxiu?

Although these two women are good, any fairy in the fairy world is more beautiful than them. If Aning and Huo Xiuxiu were not supporting characters in the plot, Su Chen would not even look at them when he met them on the street..

Chapter 2762

Su Chen drank tea and ignored Qilin.

The world of tomb robbers was just an ordinary world, a world with no value at all. Even if Su Chen discovered the world of tomb robbers, he would not be able to go to a small world that was worthless.

Su Chen and Qilin drank tea without saying anything.

Su Chen didn't want to talk anymore, and Qilin couldn't talk unless necessary. They both looked at each other with big eyes and small eyes.

After a while,

Meng Tian and Fu Su came over.

Meng Tian cupped his fists at Su Chen and said,

"Mr. Suchen, I'm leaving."

Su Chen asked doubtfully,

"Set off? Meng Tian, are you going to lead the army to set up an ambush in Qingfeng Canyon?  
Meng

Tian nodded and replied,

"Yes, the Daqin army is in various camps. I still have to gather all the troops. Moreover, Qingfeng Canyon is still more than four days away from Shangjun. I have to prepare for war on the border in advance. In the end, I will destroy the Donghu army in Qingfeng Canyon. Wolf army"

"Well, Meng Tian, Hu Ji from Donghu can be trusted. You don't have to worry about Hu Ji being deceived."

"Ha ha....., I believe in Mr. Su Chen, Su Chen believes in Donghu people, and I will also believe in Donghu people"

"You go and prepare!"

"Okay, Meng Tian bids farewell!"

Su Chen thought for a moment and took out a jade talisman and handed it to Meng Tian and said,

"Wait, Meng Tian, this is a large invisibility talisman. Your army will set up an ambush in Qingfeng Canyon. You can use this large invisibility talisman."

Meng Tian took the jade talisman and asked,

"Mr. Su Chen, what is the scope of the invisibility charm?"

"Within ten miles, within ten miles, the wolf army is face to face with the Qin army, and the wolf army cannot see your presence."

"Thank you Mr. Su Chen!"

Meng Tian was very happy when he heard Su Chen's words.

Ten miles away?

Can't be found face to face?

This is really a treasure.

With such a large distance, his ambush army can't find it without hiding the wolves. Meng Tian is more confident in this war. After

Meng Tian left,

Fusu smiled and thanked Su Chen,

"Mr. Su Chen, I really want to thank you this time."

"Need not!"

Su Chen waved his hand to Fusu.

A cheap son.

If Fusu knew that Mi Hua in another world was his woman, Fusu might be eager to kill him.

"Mr. Su Chen is resting in the camp. I want to prepare war supplies for General Meng Tian."

"Go ahead!"

Fusu nodded to Su Chen and left.

The war is about to begin.

He will allocate the army's food and combat supplies. Fusu does not dare to be careless.

This is a war related to the fate of the country.

This war If they win, the wolf clan will be completely exterminated, and the hidden dangers in the north will be completely resolved.

Qilin leaves with Fusu, Maximus goes to recruit the Roman army, Alice and Mu Ningxue haven't come out yet, Qilin wants to Protect Fusu's safety at all times

"Alice is still resting after being tortured, but where is Mu Ningxue? Is the little beauty hiding from me?"

Su Chen looked around and didn't find Mu Ningxue. He touched his chin and felt something was wrong.

The four of Alice wanted to protect Fusu.

Maximus had something to do and left. It was impossible for Alice to get up before noon. Qilin went to protect Fusu. Fusu.

Where is Mu Ningxue?

The little beauty never came, and she didn't protect Fusu. Could it be that Mu Ningxue was avoiding him?

Su Chen shook his head speechlessly.

He was just scaring Mu Ningxue yesterday. Could Mu Ningxue be serious? (To read Baoshuang novels, go to Feilu Novel Network!)

Three days later, a war broke out between the Qin Empire and the Wolf Clan on the grassland. Meng Tian commanded 200,000 Qin cavalry and the Wolf Clan. Three hundred thousand cavalry started fighting.

On both sides of Qingfeng Canyon, the Great Qin Empire's twenty infantrymen were ambushing on the east side. More than two hundred thousand cavalymen from various tribes on the grassland were ambushing on the north side. The wolf clan wanted to annihilate the Great Qin army in one fell swoop in the Qingfeng Canyon. The Great Qin Empire It is to ambush and annihilate the grassland coalition forces of the wolf tribe in Qingfeng Canyon.

"Bastard, I shouldn't have come with you."

On the mountain of Qingfeng Canyon,

Alice stared at Su Chen with shame and anger. She was so shameless. She shouldn't have come to the mountain with Su Chen.

When Alice thought of Su Chen doing something to her, she couldn't help but want to bite this bastard to death..

The war will start soon, and she and Maximus will go to kill the enemy team. Alice did not expect that Su Chen would torment her here.

Su Chen touched Alice's hair and said,

"Alice, this is fun, you are a Westerner, you should understand the fun of doing this"

"You are so shameless!"

Alice rolled her eyes at Su Chen helplessly. She hurriedly took out a spiritual fruit and ate it.

After a while, she was going to kill four people from the enemy team.

If Alice didn't recover her strength quickly, Maximus and the three of them would be killed. You may not be able to kill the enemy team against four

"`.coming?"

Su Chen saw Meng Tian's army appearing in Qingfeng Canyon. He guessed that the wolf tribe's army was also about to appear.

Donghu's Hu Ji, this time it depends on whether Donghu's army can do anything.

Alice asked doubtfully,

"Su Chen, do you think the wolf clan will be fooled?"

Su Chen nodded and replied,

"Meng Tian will definitely be defeated and flee into Qingfeng Canyon. The northern exit of Qingfeng Canyon is guarded by Donghu and other grassland coalition forces. The wolf army will definitely chase into Qingfeng Canyon and unite with the north to surround Meng Tian.

"As soon as the 300,000 cavalymen of the Wolf Clan enter Qingfeng Canyon, the Qin army hidden in the east will immediately block the entrance, and Meng Tian and Dong Hu will also fight back and kill the Wolf Clan coalition."

Alice looked at Qingfeng Canyon and nodded.

If what Su Chen said is correct, the wolf tribe's army will be completely surrounded and annihilated.

However,

Donghu's 50,000 troops will face 150,000 (King Li's) grassland coalition forces. , can Donghu resist it?

If Donghu's army is defeated, this counter-attack will completely fail, and the war between Daqin and the Wolf Clan will return to the starting point.

After Alice recovered, she stood up from Su Chen's arms and said ,

"Su Chen, I'm going to meet Mark and the others. The enemy team should also appear."

Su Chen nodded and reminded,

"Okay, you all be careful"

"Don't worry, we'll kill four of the enemy team."

Alice waved her hand to Su Chen, and she quickly disappeared on the mountain.

Alice and Mark both had jade talismans given by Su Chen. Although Su Chen could not give them important treasures, these jade talismans were more than enough. They Will easily kill the enemy team

"It's time to meet Hu Ji. You can't let go of this cabbage. It belongs to you after all."

Chapter 2763

At the east entrance of Qingfeng Canyon,

Meng Tian led his army into the Qingfeng Canyon quickly. He looked around Qingfeng Canyon and nodded.

There were 200,000 troops ambushed at the east entrance of Qingfeng Canyon. Although Meng Tian could not see the ambush army, he was familiar with the situation here. Very familiar, after all, he arranged the army.

Meng Tian waved his hand and ordered,

"Speed up and remember to discard some flags and weapons. We are pretending to be defeated and fleeing."

"Yes, General!"

After discarding some flags and weapons, Da Qin's 200,000 cavalry quickly entered the Qingfeng Canyon.

At this moment, on the north side of Qingfeng Canyon, the Donghu army and the grassland coalition army got the Da Qin army and entered the Qingfeng Canyon.

Nuomin came to a tent Li saluted and said,

"Clan leader, the Great Qin army has entered Qingfeng Canyon, when will we take action?"

In the tent, there was a beautiful woman in unusually revealing clothing, with a large area of skin exposed, a beautiful face full of exotic amorous feelings, a slim waist that could be grasped, and an attractive figure that was bulging forward and backward.

This foreign beauty was Hu Ji, she is also the leader of the Donghu tribe and the concubine of the Wolf tribe's Touman.

"Don't worry, it will take half an hour for the Daqin army to reach the north exit. Let's wait first."

"Yes, patriarch! Hu

Ji said with a sweet smile on her face,

"I didn't expect Meng Tian to believe me so much. Isn't Meng Tian worried that I am deceiving him?"

Nomin said hurriedly,

"Patriarch, this may not be because Meng Tian believes in the patriarch. Meng Tian is very cautious, and it is impossible for him to believe my words. I suspect that Su Chen ordered Meng Tian to trust the patriarch."

"Suchen? Nuo Min, is the Su Chen you are talking about someone with a higher status than Fu Su and Meng Tian?"

"Yes, patriarch."

Hu Ji touched her fair chin and thought,

"It's interesting. Fusu is the future successor of the Qin Empire, and Meng Tian is the general of the Qin Dynasty. A mysterious Su Chen, how can he have a higher status than Fusu and Meng Tian?"

Nomin shook her head and replied,

"I also couldn't figure it out. If I hadn't seen Fusu and Meng Tian salute Su Chen, I would have thought that Su Chen was just an official of the Qin Empire."

"Regardless of who Suchen is, Nuomin, inform the Roman army and let them prepare for war according to the plan."

"Yes, patriarch!"

After Hu Ji left Nuo Min, she thought about who Su Chen was.

Besides the First Emperor Ying Zheng, who else in the Qin Empire could Fu Su salute to?

"Suchen? Who could he be? Why do you believe that you didn't deceive Meng Tian?"

Whoosh!

Su Chen suddenly appeared in the tent and said,

"Hu Ji, do you want to know who I am?"

"who?"

Hu Ji suddenly heard a man talking. She hurriedly turned around and looked around. She saw a young man, a Central Plains man.

How could a Central Plains man appear silently in her tent? There were tens of thousands of Donghu troops outside the tent. Be alert, how did this Central Plains man break into her tent?

"Hu Ji, I am the Su Chen you were thinking of just now."

Su Chen looked at Hu Ji's alluring figure.

Hu Ji was still the same Hu Ji.

Hu Ji was wearing a revealing dress with very little fabric. She had fair skin, a waist that was full of water snakes, and an alluring body. They were basically exposed. Any man who saw the seductive Hu Ji would probably be tempted to ravage her.

Hu Ji waved to the soldiers who came into the tent and asked,

"Are you Su Chen?"

Su Chen nodded and replied,

"good!"

Hu Ji noticed that Su Chen had been looking at her figure, and she warned with a cold face,

"Su Chen, you'd better not look around, or I will gouge your eyes out."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen curled his lips and said,"Hu Ji, I know your figure very well, and I even know all your secrets. Hu

Ji snorted and mocked Su Chen,

"Hum, Su Chen, you are from the Great Qin Empire in the Central Plains. Aren't the people from the Central Plains some self-righteous gentlemen? You look even more lustful and shameless than the wolves."

Su Chen reminded with a smile,

"Hu Ji, if I touch your belly button, will you collapse and collapse? If I touch your earlobe, will your eyes fill with tears and want to bite me?"

"you....."

Hu Ji took a few steps back after hearing Su Chen's words.

How could Su Chen know her body's reaction? It is impossible for anyone to know her secret,

0 flowers please Whoosh!

Su Chen suddenly appeared next to Hu Ji. He hugged Hu Ji's waist and quickly kissed her seductive red lips.

Hu Ji was so seductive that she wouldn't pay for her life.

Alice had not satisfied him before. Su Chen was tolerant of the seductive Hu Ji. I can't help but want to ravage him.

Hu Ji pushed Su Chen away angrily and cursed,

"Bastard, do you want to die?"

Su Chen touched Hu Ji's earlobe and said with a smile, "Hu Ji, you are my woman. I know your body clearly. Your secret is not a secret to me."

"you....."

Hu Ji's earlobe was touched by Su Chen.

She looked at Su Chen with confused eyes.

Hu Ji wanted to push Su Chen away angrily, but her body was held tightly by Su Chen. Hu Ji felt that her body was getting hotter and hotter. , she turned her head quickly to avoid Su Chen touching her earlobe.

Su Chen let go of Hu Ji and said with a smile,

"Hu Ji, now is not the time to eat you. After the war in Qingfeng Canyon is over, I will tell you everything you want to know, and you will be eaten by me."

Su Chen originally wanted to eat Hu Ji, but the war will start soon.

Now is really not the time. Su Chen can only enjoy the sexy and attractive Hu Ji after the war is over. Hu Ji glared at Su Chen and drank. He cursed, "Don't even think about it, get out of here, get out of my tent immediately." Hu Ji couldn't help but want to kill Su Chen immediately, but she thought of Su Chen's mysterious appearance just now and Su Chen's noble status in the Qin Empire. Hu Ji could only endure the murderous intention and not kill Su Chen first.. Su Chen sat on the soft couch and said,

"Hu Ji, don't be so heartless. After all, we have been married for more than ten years. Hu

Ji mocked with a disdainful expression,

"Shameless Central Plains people, you and I are just a couple, and we have been a couple for more than ten years? You were just a little earthworm more than ten years ago. Can you get married and have a wife?"

I guess!

Is he a little earthworm?

It's his fault.

No one has ever said this about him before.

Hu Ji is finished.

Su Chen will let Hu Ji know whether he is a little earthworm or not. He will definitely make Hu Ji regret saying this. Word B...

Chapter 2764

Hu Ji saw that Su Chen was silent and didn't leave her tent. She couldn't figure out what else Su Chen wanted to do.

However, she did not drive Su Chen away.

The war would start soon.

Hu Ji was worried that the Qin Empire would kill the donkeys after destroying the wolf tribe.

Donghu's army only had 50,000 people.

Soon Donghu's army would start a war with the grassland coalition. , Hu Ji's army will definitely suffer losses, and it will be easy for the Qin Empire to destroy her army.

Hu Ji thought that with Su Chen in Dong Hu's army, she didn't have to worry about the Qin Empire going back on its word and not keeping its promise.

"Reporting to the clan leader, Touman sent news, ordering the coalition forces to strictly guard the northern exit of Qingfeng Canyon. Hu

Ji ordered with a serious face,

"Mulsa, order the army to start taking action. The northern exit of Qingfeng Canyon must prevent the grassland coalition forces from entering."

"Yes, patriarch! Hu

Ji looked at Su Chen and shouted,

"Su Chen, you and I leave, we can't stay here any longer."

"good!"

Su Chen nodded to Hu Ji.

The war will begin soon.

Dong Hu's army wants to prevent the grassland coalition forces from encircling Meng Tian's army. They cannot stay here any longer near the grassland coalition forces.

After a while,

Su Chen was led by Hu Ji Heading towards the exit of Qingfeng Canyon, 50,000 Donghu troops, 10,000 Roman troops, and 60,000 troops began to prepare to stop the grassland coalition's attack at Qingfeng Canyon.

Wuwuwuwu.....

The horns of Donghu's army sounded,

"Shoot the arrow!"

Swish swish swish".....

Suddenly, the Donghu army launched an attack on the surrounding grassland coalition forces, and arrows rained down on the troops of other tribes.

"Back up, back up quickly, Dong Hu betrayed leader Tou Man!"

"Damn it, my army, I only have 10,000 troops, damn the Donghu people"

"How could Hu Ji betray leader Touman? Isn't she the woman of leader Touman?"

"Withdraw, first withdraw from the attack range. Let's kill the Donghu people as a whole and capture that bitch Hu Ji alive."

"Get out of the archer's attack range quickly, I want to kill Hu Ji, I want to ravage Hu Ji to death."

The grassland coalition forces were shot and killed by Donghu.

Tens of thousands of people were either shot dead or trampled to death by war horses that fled in chaos. The

150,000 to 60,000 grassland coalition forces left behind 30,000 corpses. The remaining grassland coalition forces Only then did we close the distance with the Donghu army.

Wuwuwu.....

"Destroy Dong Hu and capture Hu Ji alive!"

After the grassland coalition regrouped, more than 100,000 cavalry began to attack the Donghu army. After the grassland coalition was attacked by the Donghu army, the grassland tribes hated the Donghu army and Hu Ji who betrayed their alliance.

"kill!"

Dong dong dong.....

"Shield array, spear ready!"

When the Roman army saw the grassland coalition starting to attack, the Roman commander immediately ordered the army to defend.

Su Chen stood next to Hu Ji and laughed,

"Hu Ji, your army is really bad. With a close-range sneak attack, your Donghu army destroyed more than 30,000 grassland coalition forces."

Su Chen saw clearly the sneak attack by the Donghu Army on the Grassland Allied Forces just now, but he couldn't understand it. (To read Baoshuang novels, go to Feilu Novel Network!)

Why did the Donghu Army just fire arrows?

Fifty thousand Donghu The army's volley was very shocking, but when the grassland coalition army began to retreat, why didn't the cavalry of the Donghu army take advantage of the chaos to attack? Didn't Hu Ji want to defeat the grassland coalition army in one fell swoop?

Hu Ji yelled with a bad face,

"Bastard, my mission is to guard the northern exit. The grassland coalition forces cannot surround Meng Tian with Touman. This is my purpose."

"Hu Ji, can your army and the Roman army stop the attack of the steppe coalition? There are still more than 100,000 troops in the grassland coalition, you only have 50,000 troops, and the Roman army is less than 10,000"

"Hum, I can definitely defend it. As long as three hours, the war in the canyon will be over. My army and the Roman army only need to hold on for three hours."

"Three hours? Hope your army can hold on."

Su Chen checked the battlefield without saying anything more.

Three hours is not much, which is half a day. Whether the Donghu army can stop the grassland coalition forces depends on whether the Donghu army and the Roman army will fight desperately.

Hu Ji She glanced at Su Chen coldly.

She felt that Su Chen looked down on the Donghu army.

The Donghu army was the most powerful army except the wolf tribe. Although the grassland coalition army had more than 100,000 people, within three hours, Hu Ji's Donghu army would definitely be defeated. It can prevent the attack of the grassland coalition.

At this time, the cavalry commanded by Meng Tian turned around and attacked the wolf army. The Great Qin army at the eastern entrance also began to attack the wolf army from behind. The Great Qin army of 400,000 people at the front and rear began to surround and kill Touman's 300,000 cavalry.

"Damn it, we were fooled, someone betrayed us, something must have happened to the grassland coalition forces at the northern exit."

Touman saw that he was surrounded by the Qin army from both sides. The narrow Qingfeng Canyon was not suitable for cavalry charge.

His face was extremely ugly.

The entire army of the wolf tribe was in the Qingfeng Canyon. If the 300,000 wolf tribe's army were completely annihilated in Qingfeng, Canyon.

The wolf tribe is all over.

If the Great Qin Empire does not massacre the wolf tribe, other grassland tribes will take the opportunity to massacre the wolf tribe.

Touman looked at the four men in black robes beside him and shouted,

"Herman, I need your help. Herman shook his head and replied,

"Touman, you are useless. It is difficult for your army to escape from Qingfeng Canyon. We will not help you."

"Damn it, I'm attacking according to your orders, don't you want to die?"

"laugh! Touman, you want us to kill Meng Tian, do you think it is possible?"

"Herman, you are also on the battlefield. If my army is destroyed, the Qin army will not let you go."

"Hahaha....., Touman, you'd better wish for yourself, let's go!"

The four Hermans looked at Touman with disdain, and they all climbed up the steep mountain wall.

The wolf tribe's army was destined to fail. The four of them would not stay and wait to die. The assassin of Fusu The mission has not been completed yet, they have to find a way to complete the mission of assassinating Fusu.

"damn it!"

Touman saw the four Hermans leaving. He was angry and a little happy at the same time. Herman did not detonate the poison in his body before leaving, so Touman was lucky enough to escape. On

Qingfeng Canyon Mountain,

Alice and Maximus and his four men looked at the war in the valley. They saw four men in black robes climbing quickly towards the mountain. They guessed that these four people were a hostile team.

Alice said with a cold face,

"Everyone, get ready, our prey is coming"

Chapter 2765

Alice, Maximus, Mu Ningxue, and Qilin stared at the four people climbing up the mountain and nodded to each other.

The prey has arrived.

As long as the four members of the hostile team are killed, the crisis in Fusu can basically be resolved.

After one year of protection, the four of them can easily complete the protection task.

"One person at a time, be careful. The enemy team may have special abilities."

"Don't worry, we have the jade amulet given by Su Chen. It's impossible for the enemy team to hurt us."

"makes sense!"

"Take action!"

"good!"

Swish, swish, swish!

The four Alice quickly climbed up the mountain towards the hostile team and waited.

They only had to wait on the mountain for the hostile team to arrive. The four Alice would not let the four members of the hostile team escape.

At this moment, in the north of Qingfeng Canyon , At the exit,

Hu Ji's face looked a little ugly. The war had only started for a while, but her army had already killed and injured thousands of people. After three hours, how many people would be left in her army?

Su Chen saw that Hu Ji's face was not good. As if, he patted Hu Ji on the shoulder and asked,

"Hu Ji, are you worried?"

Pah!

Hu Ji slapped Su Chen's hand away and shouted,

"I'm worried as hell!"

Su Chen said with a smile,

"Hu Ji, the war in 600 has just started, and there has not been a melee yet. It is just a crossfire between archers, and more than 3,000 of your troops have died. If the war breaks out, after an hour or two, you say your army will die. How much will be left? Hu

Ji glared at Su Chen and reminded,

"Su Chen, do you want to see my Donghu army fail? Don't forget, my army is helping your Great Qin army. If the Donghu army does not stop the grassland coalition forces, the Great Qin army will be attacked and killed by the grassland coalition forces from behind."

"Hu Ji, you are thinking too much, I am just saying casually."

Su Chen curled his lips and continued to look at the battlefield.

As long as he was here, the Donghu army could not stop the grassland coalition army. Will Su Chen let the grassland coalition army enter Qingfeng Canyon?

Half an hour later, the grassland coalition army, the Donghu army and the Roman army were fighting. In just a moment, many bodies fell at the exit of Qingfeng Canyon, and the grassland was almost dyed red with blood.

"Kill, massacre Dong Hu, and capture Hu Ji alive!"

"Kill the traitors and capture Hu Ji alive!"

"Kill them all and destroy the Donghu army. Those who have done meritorious service can enjoy Hu Ji for a day."(abff)"Kill! The most beautiful woman in the grassland, any warrior who wants to enjoy it will be killed by me to your heart's content"

"Charge, break through the defensive shield of the white slaves, and capture Hu Ji, the most beautiful woman in the grassland alive."

The chiefs of the Grassland Alliance Army shouted orders one after another.

Donghu only has 50,000 troops, and the Roman army is less than 60,000. The Grassland Alliance Army has more than 100,000 troops. Each tribe must destroy Donghu and capture the leader of the grassland alive. Beautiful Orchid.

After destroying Donghu, they can not only plunder Donghu's population, but they will also ravage the beautiful Orchid. When the soldiers of the grassland coalition heard the words of the clan leaders of each tribe, all the soldiers' eyes lit up.

Hu Ji, the most beautiful woman in the grassland? They all coveted Hu Ji's beautiful figure. They captured Hu Ji, the most beautiful woman in the grassland. Those who made meritorious deeds could enjoy Hu Ji. The soldiers of the coalition forces rushed to kill her like crazy.

It seemed like a war. One-sided, the Donghu army and the Roman army were constantly forced back, and soldiers were killed and fell to the ground at every moment.

Hu Ji looked at the battlefield with a cold expression. She also heard the shouts from the grassland coalition forces.

Capture her alive?

Still ? Want to enjoy her?

Some dirty tribes who don't care about death.

Hu Ji wants to slaughter all the tribes that insult her. There are more than ten tribes here. She will not let any of them go in the future.

Su Chen looked at Hu Ji and said with a smile,

"The most beautiful woman in the prairie? Hu Ji, I didn't expect you to be the most beautiful woman in the grassland. Hu

Ji yelled with a bad look on her face,

"none of your business!"(To read exciting novels, go to Feilu Novel Network!)

Su Chen shouted speechlessly,

"Come on, Hu Ji, I wanted to help you once, but it seems you don't need it anymore."

"you help me? How can you help me alone? Can you withstand the onslaught of thousands of troops?"

"What if I could?"

Hu Ji mocked Su Chen disdainfully, "Tsk!" You'd better go back to sleep and dream!"

Resisting an army of more than 100,000 people by one person?

Does Su Chen think he is a god?

Hu Ji felt that Su Chen was making fun of her. She did not believe that Su Chen could withstand an attack of more than 100,000 coalition troops.

Su Chen asked with his arms crossed. , "Hu Ji, how about we make a bet?"

"What to bet on?"

"If I help you resist the attack of the Prairie Alliance Army, you will be my woman from now on!"

"You are dreaming!"

"I'm just a person, Hu Ji, don't you dare to bet with me?"

"I....."

Hu Ji looked at Su Chen and was a little undecided.

He could resist an army of more than 100,000 people by himself?

Is Su Chen serious?

Is this bastard that powerful?

Su Chen was slaughtering the more than 100,000 coalition troops one by one. He couldn't kill them all in ten and a half months.

If the more than 100,000 grassland coalition troops charged, Su Chen would be surrounded and killed by more than 100,000 troops. This bastard What confidence do you have that you can withstand the coalition's attack?

Su Chen asked with a smile,

"Hu Ji, do you dare to bet? Hu

Ji snorted and agreed,

"Humph, I bet, Su Chen, if you don't stop the attack of the grassland coalition forces, you will become my most despicable slave."

Hu Ji thought that no matter whether Su Chen could stop the coalition forces, it would be good for her. If

Su Chen couldn't stop the grassland coalition forces, this bastard would be killed by the grassland coalition forces. Hu Ji would be very happy in her heart.

If Su Chen really stopped it, If she defeated the Grassland Allied Forces, her Donghu army would not suffer heavy casualties.

As for the woman who promised to be Su Chen, she would fulfill her promise.

Su Chen curled his lips and said,

"slave? Or the meanest slave? Hu Ji, you will definitely regret saying this in the future."

"It's my business if you don't regret it in the future. Su Chen, it's your turn. I want to see how you can stop the grassland coalition's attack."

"as you wish!"

After Su Chen touched Hu Ji's delicate red lips, he instantly disappeared next to Hu Ji.

On the battlefield,

Su Chen appeared in the sky above the grassland coalition forces.

Hu Ji wiped her red lips in shame and anger. She looked at Su Chen in the air and cursed, "Damn bastard, I hope you are shot to death by random arrows."

Su Chen stood in the air and took out the Falling Snow Sword and pointed it at the sky.

"Nine days of pure cold, thousands of miles of ice!"

"Draw ice from the sky and fall to the earth!".

Chapter 2766

Su Chen stood in the air and activated the Heavenly Ice Falling to the Ground Sword Technique.

It is one of the four major sword techniques of Qingyun Sect. The Heavenly Ice Falling to the Ground Sword Technique is also a large-scale attack sword technique.

Su Chen had never used it against an enemy since he started practicing.

He wanted to see how powerful the Sky Ice Falling Sword Technique was and whether it was as powerful as the Divine Sword and Thunder Control Technique.

Outside Qingfeng Canyon, snowflakes suddenly fell in the air, and the clear sky was completely white.

Boom boom.....

Huge roars continued to roar in the air.

The grassland coalition forces, Donghu troops, and Roman troops on the battlefield stopped fighting one after another. All the troops looked at Su Chen in the sky in horror.

Snowflakes were falling in the August sky. , this has never happened before,

"How is this going?"

"It was the Central Plains people in the air who caused the 'June 17'. The Central Plains people must have activated powerful martial arts."

"Shit, is this his martial arts? This is simply magic. Aren't the Central Plains people in the sky gods?"

"Quickly kill the Central Plains people in the air. The Central Plains people must have used some forbidden technique."

"Archers, shoot the Central Plains people in the air. Quickly shoot the Central Plains people in the air."

"Damn it, step back, the snowflakes actually scratched my skin, are they still snowflakes?"

The chiefs of the grassland tribes shouted one after another.

Some tribe chiefs were frightened and hurriedly retreated. Some tribe chiefs shouted and ordered the archers to attack.

Swish, swish, swish.....

The archers of the grassland coalition shot at Su Chen who was shooting in the air, but before the bows and arrows could reach Su Chen, they were blocked by a light shield.

Hu Ji opened her sexy little mouth from ear to ear.

Is Su Chen an immortal?

Why are there snowflakes falling in the sky?

There were huge roars in the air, and the archers of the grassland coalition were still unable to shoot Su Chen. Hu Ji couldn't understand how Su Chen did it?

"kill!"

Bang, bang, bang, bang, bang." Su Chen pointed his sword at the grassland coalition forces, and huge hexagonal ice blocks suddenly appeared in the air. The hexagonal ice blocks, five to six meters in size, instantly hit them like cannonballs. The grassland coalition forces were shaken by countless ice blocks within a few miles.

"Run away, there is an immortal in the sky!"

"ah....."

"Chahar, Chahar was smashed into a pulp, run away, we all run away....ah!"

"Wolf God, save your son.....No!"

"I want to escape, I won't fight anymore, I must escape from here."

The grassland coalition army was in chaos for a while. More than 100,000 troops were either crushed to death by huge ice blocks or trampled to death by chaotic war horses. The battlefield was in chaos.

Nuo Min hurriedly came to Hu Ji and said,

"Patriarch, the one in the sky is Su Chen. I didn't expect Su Chen to be so powerful. Is he an immortal from the Central Plains? Hu

Ji looked at Su Chen in the air and shouted angrily,

"Nuomin, I don't know if Su Chen is an immortal, but that bastard is a shameless pervert."

Hu Ji was very surprised at this moment.

She felt even more uneasy when she thought about the bet.

She lost.

Su Chen stopped the grassland coalition forces by himself, and might also destroy the grassland coalition forces by himself.

Su Chen was too Now that she is powerful, is that bastard a fairy?

Does Hu Ji dare not to honor the bet? Can she escape Su Chen? Woman? Will she want to be Su Chen's woman?

"Huh? Mu Ningxue?"

Su Chen was activating the Heavenly Ice Falling Sword Technique. He suddenly saw Mu Ningxue and a dwarf fighting on the opposite mountain. No, it was Mu Ningxue chasing a dwarf.

"Help you!"

Su Chen looked at the dwarf who was running away quickly. He swung his sword and shot out dozens of ice spikes like sharp arrows to kill the dwarf. (To read Baoshuang novels, go to Feilu Novel Network!) On the mountain in the north of Qingfeng Canyon,

Mu Ning Xue chased the dwarf with a cold face.

She was a little anxious.

The dwarf was no match for her, but the dwarf was so good at escaping. Mu Ningxue chased the dwarf all the way from the canyon and was about to leave Qingfeng Canyon.

If the dwarf escaped from Qingfeng Canyon, , a dwarf who knows earth escape can use earth escape to escape quickly on the grassland.

"Ice vines, entangled!"

The dwarf quickly jumped in the air to avoid the attack. He looked back at Mu Ningxue with evil thoughts on his face.

Hostile team?

The four of them did not expect to encounter an ambush from the hostile team. The three of Herman are going to be finished. Even if his ability was perception, he would have been killed by the enemy team.

"Ha ha....Little beauty, you can't catch up with me. I remember you. Next time I meet you, I will catch you and humiliate you to death. 0."

"Ice crystal brake bow!"

Whoosh, boom!"

"Little beauty, I, Galieba, remember you."

"hateful!"

Mun Ningxue chased the dwarf with a cold face. She was not good at speed. The dwarf was not only fast, but also very vigilant. Several of her attacks were dodged by the dwarf.

Whoosh whoosh whoosh.....

Suddenly, rays of light appeared instantly and shot at the escaping dwarf.

"No....."

The dwarf screamed in fear and before he could escape, light like a rain of arrows instantly penetrated his body. The dwarf was also shot and fell to the ground like a hornet's nest.

"Suchen?"

Mu Ningxue saw that the dwarf was shot to death instantly, and was also shot by countless ice spikes.

She thought of Su Chen and

Alice. The three of them did not have such abilities. In the world of Daqin, there were only one person who could launch such a terrifying attack. It could be Su Chen.

Boom!

After Mu Ningxue destroyed the dwarf's body, she looked around with a complex expression.

Su Chen helped her kill the hateful dwarf. Mu Ningxue guessed that Su Chen should be nearby.

"Su Chen, is he helping the Donghu army to kill the grassland coalition forces?"

After Mu Ningxue spotted Su Chen in the distance while standing on the mountain, she had a surprised expression on her face.

Didn't Su Chen say that he would not take action on 5.9 unless necessary? Could it be that the Donghu army could not withstand the grassland coalition forces?

Whoosh!

Su Chen suddenly Appearing next to Mu Ningxue, he helped Hu Ji defeat the grassland coalition forces. The grassland coalition forces suffered heavy casualties and did not pose a threat to Dong Hu.

When Su Chen came to Mu Ningxue, he wanted to tease her when there was no one around.

"Little beauty, I just helped you, do you want to reward me with a kiss?"

"shameless!"

Mu Ningxue's body stiffened and she was hugged by Su Chen. This was the first time she was held by Su Chen, and it was also the first time she was held by a man since she grew up.

Su Chen touched Mu Ningxue's smooth little face and said,

"Little beauty, I must taste your delicate red lips today. Are you taking the initiative to kiss me? Or should I take the initiative to kiss you?".

Chapter 2767

Mu Ningxue glared at Su Chen with a red face.

She was so shameless and shameless.

She didn't expect that Su Chen would take advantage of her.

What Alice and the girls said was right. There was nothing they could do against Su Chen.

"Woo woo woo....."

Su Chen hugged Mu Ningxue and lowered his head to kiss Mu Ningxue, a delicate little beauty.

It was also the first time for him to be alone with Mu Ningxue.

In both teams,

Alice and Selina had been taken advantage of. , the little beauty Mu Ningxue is no exception.

Mu Ningxue stared at Su Chen who was approaching Chi Chi with wide eyes.

Was she kissed by Su Chen?

Did this bastard just ask her?

Mu Ningxue originally wanted to kiss Su Chen casually to settle the matter, but Su Chen held her and kept kissing her.

Mu Ningxue closed her eyes in panic. After Su Chen suddenly disappeared outside Qingfeng Canyon , more than 100,000 grassland coalition troops suffered heavy casualties. In addition to some of the grassland coalition troops who escaped, 60,000 to 70,000 grassland coalition troops were killed by giant ice. Even the grassland coalition troops who were not killed were seriously injured and fell to the ground. Hu Ji looked at the battlefield

There were huge pieces of ice and the grassland coalition troops were littered with corpses on the battlefield. She felt very uneasy.

This is simply a fairy trick. Among the more than 100,000 grassland coalition troops, except for the tens of thousands who escaped at the beginning, the remaining troops were either smashed to death or maimed and fell to the ground.

"Nuomin, let our troops be dispatched, and all the grassland coalition troops who were not killed by the giant ice will be executed."

"Yes, patriarch!"

Nuo Min answered with a trembling voice.

She was frightened by Su Chen's magic. In one attack, 70,000 to 80,000 grassland coalition troops were killed and maimed.

Is Su Chen an immortal?

Are there immortals in the Great Qin Empire?

"Damn pervert."

Hu Ji saw Su Chen hugging and kissing a woman on the mountain. She was very angry.

Su Chen had just teased her.

She didn't expect that Su Chen would hug and kiss a woman again.

"Huh, that's fine. I hope that bastard forgets the bet and leaves."

In the Qingfeng Canyon, the war is coming to an end.

More than 100,000 of the wolf tribe's troops were wiped out by the Great Qin army. The remaining wolf tribe's troops cannot escape from the canyon. It is also a matter of time before the wolf tribe is completely wiped out. In this war, the Great Qin army The empire was almost certain.

On the mountain,

Su Chen was resting under a big tree with Mu Ningxue in his arms.

Mu Ningxue shouted with a red face,

"Su Chen, please let me go."

Su Chen held Mu Ningxue in his arms and shook his head, "No, I feel very comfortable holding you."

"you....."

Mu Ningxue could not help Su Chen's shamelessness.

She had been kissed by Su Chen, but Su Chen still refused to let her go.

It was okay for Su Chen to hug and hug her, but Su Chen's hands kept touching her. , Mu Ningxue felt weak and weak.

Su Chen kissed Mu Ningxue and said,"Little beauty, I will be leaving in a few days."

Mu Ningxue asked hurriedly,

"leave? Are you leaving Dongjun? Or leave the Great Qin world?"

Su Chen replied while smelling Mu Ningxue's hair,

"I am leaving the world of Great Qin. My heart-refining trial has been completed, and the realm war in the fairy world is about to begin. I still have some things to deal with, and some things must be completed as soon as possible."

Everything in the Great Qin world has been dealt with, the Heart Refining Trial has been completed, and after Mu Ningxue and the others have destroyed the enemy team, their mission will no longer be in danger.

Su Chen will return to the ladder and continue climbing. (Read the Baoshuang novel. , just go to Feilu Novel Network!)

There are only a few years left in the realm war in the prehistoric fairy world. He wants to prepare for the realm war after climbing the ladder.

Mu Ningxue nodded when she heard Su Chen's words.

She understood what Su Chen wanted to do. , she had heard that the Immortal World War would break out in a few years. Su Chen's heart-refining trial had been completed long ago. He did not leave the Great Qin world immediately. Mu Ningxue also understood that Su Chen was worried about them.

"When will you leave?"

Su Chen touched Mu Ningxue's hair and replied,

"One day later, little beauty, I won't eat you this time. I will definitely eat you in the next mission of Luck and Heaven."

"Shameless!"

Mun Ningxue glared at Su Chen in shame, what should she eat or not?

Does she agree to be Su Chen's woman?

Ugh!

Mu Ningxue leaned in Su Chen's arms and was speechless.

It seemed that she didn't agree. It's okay for the two teams. All women seem to be eaten by Su Chen.

Selena, Venina, Natasha, they have been eaten by Su Chen, and Alice has also been eaten by Su Chen in the Daqin world.

Where are the rest

? La, Bai Yuokui, and her, the three of them might not be able to escape.

In the evening, the war ended.

The Great Qin Empire paid more than 100,000 casualties to the wolf army, and completely wiped out the wolf army. Not a single one of the 300,000 wolf army was left. All the remaining ones were killed.

From now on, there will no longer be alien invasions on the northern border of the Great Qin Empire.

Alice and the four of them also wiped out all the hostile teams. Their future task of protecting Fusu will be very easy.

"`.Suchen, you bastard, I'm going to kill you."

In the large tent of the Donghu Army,

Hu Ji stared at Su Chen with her fair skin exposed. She didn't expect that Su Chen still wouldn't let her go. She was tortured by Su Chen all afternoon, damn bastard

, Hu Ji felt that her whole body was about to fall apart.

Su Chen hugged Hu Ji's weak body and said,

"Hu Ji, you have to remember what I told you. You should go to the mirage in Songhai City of the Great Qin Empire when you have time. I will leave some treasures in the mirage for you to cultivate with Concubine Yan and the others.

Hu Ji smoothed her wet hair and asked, "Can't you (Nuo De Zhao) stay for a while longer?"

"I still have things to do, I will come back every few months, I will not abandon you, a sexy beauty"

"snort!"

Hu Ji snorted coldly and lay in Su Chen's arms. She was very shocked thinking about what Su Chen said.

Immortal world?

Emperor of Heaven?

Su Chen turned out to be the Emperor of Heaven in the immortal world.

No wonder this bastard is so powerful. Su Chen was After sealing the immortal power, you can easily kill tens of thousands of armies, immortals?

Hu Ji did not expect that she would become an immortal in the future.

Su Chen touched Hu Ji and smiled, it was time to leave,

Su Chen did not go to the mirage with Concubine Yan, Tian Yan and the Moon Goddess said goodbye, but he didn't go to say goodbye to Alice and Mu Ningxue. Every time he said goodbye, he felt sad.

Su Chen decided to let Hu Ji inform them of his departure.

Ladder to Heaven!

He still wanted to say goodbye. Keep climbing...

Chapter 2768

On the ladder to heaven,

Su Chen instantly appeared on the 8,500th floor of the ladder.

The road to refining the heart was completed.

Alice's four hostile teams were also killed.

Su Chen did not continue to stay in the world of Da-Qin.

He did not have any relationship with Concubine Yan. The girls said goodbye, but he did not say goodbye to the four Alice. Su Chen asked Hu Ji to inform Concubine Yan, the girls and the four Alice that he hated the scene of separation.

Su Chen touched his chin and whispered,

"I have climbed to the 8,500th floor of the Ladder of Heaven. I have passed through the four paths of refining my heart in one go. There are still 600 floors left of the 8,000th floor. I think I am unprecedented and unparalleled."

Keep climbing.

There are still six paths to refining the mind.

I hope everything goes well.

Su Chen didn't stop to rest.

He stepped directly into the eight thousand five hundred and one level.

Whoosh!

Su Chen disappeared on the ladder in an instant, a In the valley where birds were singing and flowers were fragrant,

Su Chen looked around and was a little confused. Where was this place? How could there be aura?

"Damn it, is this the world of White Snake?"

Su Chen suddenly saw a white giant python appear in the valley. He looked very familiar with the white giant python.

Xiao Bai?

Su Chen has seen Xiao Bai's true body more than once.

Is this world the world of white snakes or Xiao Bai? The plot of the first meeting with Xu Xuan.

Under the ladder to heaven,

Empress Nuwa and the ruthless Empress and the girls saw Su Chen suddenly appear on the 8500th floor. The girls were very surprised.

How could Su Chen suddenly appear from the 8500th floor? On the 8001st floor, he suddenly appeared on the 500th floor of Eighth Ren?

Did Su Chen take drugs?

Little Fox:"What's going on? Why did Su Chen suddenly appear on the 8500th floor?"

Yan Lingji:"I don't know. What test might Su Chen have passed?"

The Queen Mother of the West:"It must be, otherwise Su Chen would not be able to appear on the 8,500th floor instantly.

Liu Shen:"This is incredible, a trial?" What test did Su Chen pass? How could he climb to the 8,500th floor all at once?"

The ruthless empress:"My brother has always been unexpected. I guess the difficulty of my brother's trial must be very terrifying.

Cai Lin:"Yes, only through terrifying trials can Su Chen climb to the 8,500th level in one go."

Kesha:"Su Chen disappeared again. He should have started the trial again."

Empress Nuwa:

"The trial may be very long, but on the ladder to heaven, there is only a few breaths of time. We will see Su Chen appear soon. We don't know how many floors Su Chen will climb this time."

After the words of Empress Nuwa and the ruthless Empress, they all looked at the ladder. If Su Chen appeared later, they wanted to know how many floors Su Chen would appear on this time.

On the nine thousandth floor, the girl on the ladder looked terrified. Looking at the 8,000th floor in confusion, she couldn't figure it out.

Su Chen had only completed the Heart Refining Path once. How could the little bastard appear on the 8,500th floor of the ladder? It would take four Heart Refining Paths to reach the 8,500th floor. Layer, did Su Chen pass the four paths of refining the heart at once?

The Tiandai girl whispered doubtfully,

"Little bastard, do you really have no inner demons? But the road to refining the mind weakens the mind and brings up some unspeakable things. It is impossible for Su Chen not to be entangled and angry in his heart."

Three breaths later,

Su Chen appeared on the ladder to heaven again.

This time he appeared on the 8,700th floor of the ladder to heaven.

"There are four more steps to refine the heart, let's continue!"

Su Chen looked up at the ladder. He stepped onto the 8,700th floor.

Whoosh!

Su Chen instantly appeared in a courtyard.

"Hedong in thirty years, Hexi in thirty years. Don't bully young people into poverty!"

I guess, is this Xiao Huohuo?

Damn, how could it be this dirty man? (To read Baoshuang novels, go to Feilu Novel Network!)

Before Su Chen had time to look around, he heard a roar,

Thirty years in the east of the river, thirty years in the west of the river. Don't bully young people into poverty? This is what Xiao Huohuo said when his engagement was broken off.

Xiao Xun'er? Medusa? Nalan Yanran? The little fairy doctor? It won't happen again this time. Are they the four paths of refining the heart?

Ladder to Heaven,

Empress Nuwa and the girl on Ladder to Heaven were all very speechless.

The eight thousand floors seemed very simple to Su Chen.

In just a moment,

Su Chen climbed up to the eight thousand seven hundred floor. Layer, what about next time? Su Chen won't climb nine thousand floors at once, right?

Xuantian Realm, in the Emperor's Hall, 0 Asking for flowers After Po Meng's narration, she looked at Liu Qing in surprise. Liu Qing turned out to be a fragment of the body of Space Demon Yang Mei? Po Meng said with a smile,

"Concubine Yan, I sincerely agree to protect Liu Qing. What do you think of arranging Liu Qing?"

Liu Qing looked at the extremely noble and beautiful Concubine Yan, a quasi-sage?

Or the Queen of Xuantian Realm?

She was very curious about Concubine Yan.

Along the way, Liu Qing heard Po Meng introduce the Xuantian Realm, Empress Nuwa, Empress Pingxin, Gaia of the Western Realm, etc., these saints are all the women of the Emperor Su Chen.

But a quasi-sage is actually the Queen of Heaven?

Liu Qing did not expect this.

After Concubine Yan nodded to Po Meng, she He looked at Liu Qing and said,

"Liu Qing, you are actually the person that Sister Pingxin wants to protect. I can keep you in Xuantian Realm."

"Thank you, Queen!"

Liu Qing was relieved when she heard that Concubine Yan agreed.

The Xuantian Realm was more powerful than she imagined.

When she appeared in the Merlot Heavenly Court, Liu Qing was checked by at least a dozen saints.

More than a dozen saints?

This is very It was scary.

She didn't know how many saints there were in the Xuantian Realm, but with the more than ten saints in the Xuantian Realm, ordinary Chaos Demon Gods would not dare to provoke the Xuantian Realm.

Concubine Yan said with a cold face,

"You're welcome, Liu Qing, you stay in Merlot Heavenly Court and you are not allowed to leave Merlot Heavenly Court without orders. You should know your identity. Xuantian Realm does not want to provoke a powerful Chaos Demon God. Liu

Qing hurriedly agreed,

"Queen of Heaven, Liu Qing understands!"

"Purple!"

"Queen!"

"You arrange a palace for Liu Qing"

"Yes, Queen!"

After Ziyi bowed respectfully to Concubine Yan, she took Liu Qing and left the Emperor's Hall.

Concubine Yan instantly appeared next to Po Meng and asked,

"Po Meng, your husband is climbing the ladder to heaven. Do you want to climb the ladder to heaven too?"

"Haha, I don't have to. When my body is stronger, my strength will also be stronger."

Chapter 2769

Concubine Yan smiled when she heard what Meng Po said.

She had forgotten that Meng Po was the clone of Empress Pingxin. As

Empress Pingxin advanced to the realm of cultivation, Po Meng's cultivation realm would also advance. Although Po Meng had an independent mind, , but she is still Empress Pingxin's clone after all.

Po Meng asked,

"Concubine Yan, how many levels has your husband climbed?"

"I don't know, but I guess my husband must have climbed five or six thousand floors."

Concubine Yan shook her head at Po Meng.

When she came out of the ladder space, Su Chen had only climbed more than three thousand floors. It had been more than two years.

Su Chen had not come out of the ladder space.

Concubine Yan guessed that Su Chen had not failed in climbing the ladder. Su Chen must have climbed the ladder. It means climbing to a higher level.

Po Meng said with a smile,

"My husband always surprises me. I guess my husband can climb to the 10,000th floor?"

"Ten thousand floors?"

Concubine Yan shook her head, ten thousand floors?

How could Su Chen climb to the ten thousand floors?

The ladder to heaven is so terrifying and perverted.

The strong men in the Holy Realm failed to climb one after another. Concubine Yan felt that it was impossible for Su Chen to climb up. Ten thousand floors.

Po Meng asked doubtfully, "Fei Yan, you don't believe it?"<sup>01</sup> Concubine Yan shook her head and explained,

"Po Meng, you don't know the horror of climbing the ladder to heaven. Sisters Gaia and Yinji in the Holy Realm have not even climbed the six thousandth floor. It is probably very difficult for my husband to climb the ten thousand floor."

"What? How many girls in Gaia haven't even climbed the 6,000th floor?"

"good!"

"Is the ladder so scary? The husband is the quasi-sage, alas! I don't know how many floors my husband can climb"

"Po Meng, let's go to the ladder to heaven and see. My husband has not failed for more than two years. Let's go and see how many floors he has climbed."

"OK, let's go take a look."

Meng Po decided to go and see Su Chen climb the ladder.

Some strong men in the holy realm could not climb the six thousand floors. Su Chen was only in the quasi-saint realm. Po Meng wanted to know how many floors Su Chen had climbed and whether Su Chen could climb it. Ten thousand floors. On the nine thousand floor of the ladder, the girl on the ladder is waiting expectantly for Su Chen to appear. It's already the eight thousand seven hundred floor. Next time Su Chen appears, which floor will the little bastard appear on? Eight thousand eight hundred? Or is it? Appearing directly on the 9,000th floor? Whoosh! After a while, Su Chen instantly appeared on the 9,000th floor. He quickly hugged the girl on the ladder next to him. Su Chen didn't wait for the girl on the ladder to speak. He lowered his head and kissed the sexy girl on the ladder. Red lips. Under the ladder to heaven, the Nuwa Empress and her daughters saw Su Chen appearing on the nine thousandth floor. They all looked at each other speechlessly. It was so perverted. Is this a ladder to climb to heaven? They just ran up one level at a time. , Empress Nuwa felt that she was not as fast as Su Chen in climbing. Su Yue: "Wow, dad is so awesome, he is already at nine thousand floors, and there are still one thousand floors left to climb to ten thousand floors. Su Yan: "Dad is very powerful." Su Yao: "Awesome, awesome, my father is very awesome."

Elena: "Dad is simply not a human being. He climbed hundreds of floors in a few breaths, and finally climbed to nine thousand floors. I admire dad so much." When Nuwa and the four sisters heard the words of Su Yue and the four sisters, they all smiled. Su Chen was so unexpected. On the 8,000th floor, Su Chen passed it in just one day. This was simply a miracle. The 8,000th floor was passed by Su Chen. Next, Su Chen sometimes took a few months to pass, and sometimes it took a few years to pass. Is it very simple to climb eight thousand floors to take the postgraduate entrance examination? (To read Baoshuang novels, go to Feilu Novel Network!)

"What is Su Chen doing? Why do I feel like Su Chen is kissing someone?"

"I feel so too!"

"There was no one else on the ladder, so how could Su Chen kiss anyone else?"

"Has your husband not yet recovered from the trial?"

"Impossible. Returning to the ladder requires Su Chen's consent. It's impossible for my husband to be lucid."

"You don't need to guess, there are still people on the ladder, don't forget the holy soul of the ladder"

"Let me go, my husband has taken care of all the Holy Souls of the Ladder? What next? Does the ladder belong to our family? Can we climb the ladder to heaven whenever we want?"

After Nuwa and the girls talked for a while, they all showed shocked expressions.

Holy Soul of the Ladder?

They have all heard the voice of the Holy Soul of the Ladder, the voice of a cold woman.

Su Chen really said the Holy Soul of the Ladder. Is it done?

As long as it is a beautiful woman, Nuwa Empress and the other ladies guessed that Su Chen can do it. That shameless pervert is simply the nemesis of women. The ruthless empress lowered her head in embarrassment. She said to her brother Su Chen. Very helpless,

Su Chen already has a lot of women. The ruthless empress did not expect that Su Chen would also get the girl on the ladder.

Will the ladder belong to their family in the future?

A ladder that can quickly improve the realm of cultivation, this is the world of chaos The most precious treasure in

"Little bastard, have you had enough?"

On the 9,000th floor, the girl on the ladder pushed Su Chen away and shouted in embarrassment,"

Shameless bastard, they kissed endlessly, and the little bastard's stinky hands were touching randomly. The girl on the ladder wanted to kick this shameless bastard away again..Su

Chen said with a smile,

"Girl, your mouth is so sweet!"

Su Chen is very relaxed now.

He has passed the 8,000th level of the ladder.

293 The last heart-refining trial,

Su Chen went through for almost ten years, and he was almost killed by the Soul Emperor.

If it weren't for his good luck,

Meidu Queen Sha and Xiao Xun'er arrived. Su Chen might fail and quit climbing the ladder.

The girl on the ladder rolled her eyes at Su Chen and said,

"You are so shameless!"

Su Chen hugged the weak waist of the Tianti girl again and said,

"I'm so shameless, you will be my woman in the future, what's wrong with me kissing you?"

"Too lazy to talk to you."

Su Chen said while smelling the hair of the girl on the ladder,

"Girl, I tried my best to climb the ladder for you. Look, I climbed to the 9,000th floor in less than a day after climbing the 8,000th floor."

The Tiandai girl leaned in Su Chen's arms and said with a smile,

"I understand. You have climbed to the nine thousandth floor. I have been granted access to the ninth floor of the ladder. Su Chen, there is only the last thousand floor left. You must climb to the ten thousand floor."

"Girl, if I climb ten thousand floors, will you get a reward?"

"What reward do you want?"

"Fiery red lips, I want to serve you with your fiery red lips....." boom!

Before Su Chen finished speaking, the girl from Tianlai kicked Su Chen away in shame and anger, a shameless pervert,

"Little bastard, if you want to become a eunuch, I won't mind letting you."

## Chapter 2770

After Su Chen was kicked away, he immediately appeared next to the girl on the ladder.

He felt that there was a way.

Although the girl on the ladder kicked him away in shame and anger, it was obviously just for show this time.

Flaming red lips?

A girl on the ladder should have flaming red lips, or delicate and alluring red lips.

Su Chen was very excited when he thought of the girl on the ladder serving him with flaming red lips.

A Hongmeng Supreme and a Hongmeng Supreme were serving him.

Su Chen felt that he was really going to defy the heavens.

"Girl, what's the reward for the eight thousand layers?"

The girl from Tiandai waved her hand and enveloped Su Chen with a ray of light.

"There are three rewards at the 8,000-layer. The first reward is the reward for refining your mind, which can make your mind a hundred times more stable."

"A hundred times more stable? this is not bad!"

Su Chen felt that his mind was changing.

His mind became more and more stable, so stable that it was impeccable. Su Chen would not be disturbed by any inner demons in the future. After a while, after the white light dissipated, the girl from the ladder continued,

"For the second reward, you can choose a law of chaos, and the ladder will help you ascend to Dzogchen."

"The laws of time and space!"

"good!"

257 Boom!

A blue light enveloped Su Chen, and a roaring sound came from Su Chen's body.

Ten percent!

The law of time and space has been improved to ten percent.

What's next?

If the law of time and space of chaos is improved again, will it be possible? Will the law of chaos become the law of Hongmeng?

After Su Chen felt the law of time and space, he asked with a smile

"What about the third reward?"

The girl on the ladder waved her hands in a funny way, and three light balls appeared in front of Su Chen. She looked at Su Chen with an expression of watching the excitement.

The three light balls, and the items Su Chen took out from the light balls were all for death. Item, the girl on the ladder wanted to see if Su Chen would seek death this time.

Su Chen shouted with a dark face when he saw the three light balls in front of him,

"Let me go, ball of light? Or three balls of light? Girl, don't I have to choose one of three light balls again?"

Tiantai girl reminded,

"You guessed it right, little bastard, don't try to commit suicide again."

Su Chen shouted speechlessly,

"I guess, how could I die? Am I seeking death? The ladder is going to kill me"

"Haha, hurry up and choose."

The Tiandai girl patted Su Chen's (abda) shoulder and urged, choose one of the three.

She wants to see if Su Chen's luck will continue to be dark, or if his character will explode.

If Su Chen offends another Hongmeng Female Supreme, you little bastard, you just don't need to go to Hongmeng World.

The Ladder Girl thought that Su Chen had offended several Hongmeng Female Supremes before he went to Hongmeng World.

If Su Chen went to Hongmeng World, the Hongmeng Female Supremes might There will be no trace of Su Chen left behind

"Just watch the fun. If I am killed in the future, prepare to be a widow."

Su Chen pouted at the Tianti girl. He looked at the three light balls in front of him and became entangled.

Which one should he choose?

Damn, he felt that it was inappropriate to choose any of the light balls. Tianti was obviously trying to kill him.

Su Chen thought for a while and said,

"In the middle, I also choose the light ball in the middle!"

Whoosh!"

"Damn, this is.....This is....."

A black gauze dress appeared in front of Su Chen.

Black gauze?

Or a transparent black gauze dress?

Is this sexy underwear? (To read cool novels, go to Feilu Novel Network!)

Oh our God!

Is there sexy underwear in Hongmeng World?

"Little bastard, you are really going to die. This is the Shayi of the Lord of the Abyss, and one of the three most powerful Supremes in the Hongmeng world. She is also an evil Hongmeng Supreme."

The girl on the ladder looked at Su Chen and shook her head.

Su Chen is really going to die.

The most powerful female supreme in the Hongmeng world is still an evil and powerful Hongmeng female supreme.

If Su Chen exposes Shayi's aura, It is very difficult for the little bastard to want to die.

The Female Supreme of Hongmeng Abyss will make Su Chen unable to die. She will cruelly torture Su Chen for millions of years.

"Girl, if you save me, this gauze dress will be ruined."

Su Chen's face turned dark at this moment.

Shayi is the Shayi of the Lord of Hongmeng Abyss?

One of the three most powerful supreme beings in the Hongmeng world? And she is also an evil female supreme?

Su Chen hasn't gone to the Hongmeng world yet. He

Su Chen felt a little trembling when he thought about offending the most powerful female Supreme on the top of the pyramid.

The Ladder girl shook her head and said,

"No, I can't stick to the gauze's breath, Su Chen, the gauze must be hidden, and don't let a trace of her breath show."

Su Chen asked hurriedly,

"Girl, how do you compare to the Lord of the Abyss?"

"I am not the opponent of the Lord of the Abyss. The power of the Lord of the Abyss cannot be compared to that of ordinary supreme beings."

"How big is the difference between you and the Lord of the Abyss?"

"If I am at the fifth level of the Holy Realm, the Lord of the Abyss is at the 12th level of the Holy Realm.

Su Chen asked in surprise, "Let me go, the Lord of the Abyss can kill you instantly.""

The ladder girl nodded and replied,

"It can be said that without the powerful Hongmeng Lingbao, I would be instantly killed by the Lord of the Abyss."

Su Chen rubbed his forehead and was very helpless.

The Lord of the Abyss is too powerful.

The girl on the ladder may be killed instantly when facing the Lord of the Abyss.

Damn it, if he goes to Hongmeng World, the Lord of the Abyss can kill him in one breath. Turn into ashes.

Seal,

Shayi and the Hongmeng Supreme items obtained previously must be sealed. These time bombs are too dangerous. Every item will kill him and bring destruction to the chaotic world.

Su Chen waved his hand and took Shayi away.

He wanted to seal all the supreme items in the system space. These time bombs cannot be used or even touched.

Su Chen sighed,

"Hey, little girl, do you think I will dare to go to Hongmeng World in the future?"

The Tiandai girl hugged Su Chen's arm and reminded,

"Little bastard, as long as your strength reaches the twelfth level of the Holy Realm, it will be difficult for you not to leave. As long as you are a cultivator, if you want to continue to cultivate and become stronger, you must go to the Hongmeng World."

"In the Hongmeng World, there is Hongmeng Spiritual Energy, which is more important than Spiritual Energy. Hongmeng Spiritual Energy is a necessity that allows the Saint Realm of the Twelve Heavens to continue to practice powerfully."

Su Chen reached out and touched the blurry little face of the little girl on the ladder. It is difficult for him not to think about the

Hongmeng world. Hongmeng spiritual energy? It is a necessity for cultivation in the Twelve Heavens of the Holy Realm. The Twelve Holy Realm in each big world The powerful people in the sky, I am afraid they will all go to Hongmeng World. Su Chen kissed the girl on the ladder and said,

"Girl, I'm gonna keep climbing."

The ladder girl blushed and whispered,

"Well, Su Chen, if you climb to the 10,000th level of the ladder, I will agree to your request for rewards."

"I will definitely climb to the 10,000th floor of the ladder. Girl, I am looking forward to your flaming red lips."
