

Zongwu 2801

Chapter 2801

Su Chen saw the female zombie king yelling at him, but she did not attack him or attack him with her mental power. This made Su Chen confused.

What is the female zombie king going to do?

Intimidate him?

No,

Su Chen is the weakest among the girls. The female zombie king should scare the girls.

Is it because he is a zombie?

This is not right.

Su Chen is a zombie, but he is also a very weak zombie. He cannot be a threat to the zombie king.

Su Chen touched his chin and thought for a while and said-,

"That's interesting, Lin Yun, Cui Siying, don't worry about the Zombie King. As long as she doesn't attack us, don't take action."

"OK!"

"good!"

Lin Yun and Cui Siying both nodded.

They looked at the female Zombie King and were very confused.

Why did the Zombie King yell at Su Chen?

Su Chen is just a little scum now, and they are the ones who pose a threat to the Zombie King. Existence. They also want to understand the weirdness of the female zombie king

"Ho ho ho...."

After a while, the female zombie king yelled for a while, then she squatted in the corner and stared at Su Chen closely.

"When we go to dinner, we are all careful about the attack of the zombie king."

Su Chen checked the zombie king for a while and decided to leave.

The zombie king didn't escape.

What was she squatting in the corner watching him do?

Want to devour herself?

Su Chen wanted to see if the female zombie king would do anything after they all left. Will they attack them if they run away?

On the lawn of the manor,

Su Chen and the girls had just sat down to eat.

The female zombie king quickly appeared next to her. She stood under a tree and still stared at Su Chen closely.

Lin Yun asked doubtfully,

"Su Chen, what is the female zombie king doing? Why does she keep staring at you?"

"Not sure!"

Su Chen shook his head and replied.

He didn't understand what the female zombie king meant.

The female zombie king kept staring at him closely. Could it be that the female zombie king fell in love with his beauty?

Damn it, it

's millions. No,

Su Chen doesn't want to have anything to do with a zombie.

Let me guess, he is also a zombie now. The female zombie king doesn't really have any thoughts about him, right?

Cui Siying asked,

"Su Chen, do you want to drive her away?"

Su Chen took a sip of wine and said,

"No, as long as the Zombie King doesn't attack us, we don't need to worry about her, and we can also observe how the Zombie King is different"

"All right!"

Half a month later, there was a zombie king in the Lake Manor, a female zombie king who had been wandering around the Lake Manor.

"Damn it, it's been half a month, why has the Zombie King been staying in the Lake Manor? Have you never given up on yourself?"

Su Chen leaned on the chair and basked in the sun. He looked at the female zombie king not far away and shook his head. It has been half a month.

The female zombie king will appear every day and stare at Su Chen. She will not attack or roar. , the female zombie king just kept staring at him from a distance.

Su Chen thought about it and waved and shouted,

"come over!"

Whoosh!

The female zombie king suddenly appeared next to Su Chen, whoosh whoosh!.....

The six women around him quickly appeared next to Su Chen, and they all took out their swords to protect Su Chen.

Su Chen saw the women about to take action and hurriedly stopped them,

"Don't even take action!"

"Yes, sir!"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen stood up and walked towards the female zombie king.

He felt that the female zombie king did not want to attack him.

Su Chen planned to try the weirdness of the female zombie king. What did the female Zombie King want to do?

A woman shouted, "Sir, don't go there, the Zombie King is very dangerous!"

Su Chen waved his hand and said, "Don't worry, I feel that the female zombie king will not take action against me."

The female zombie king stood aside and kept staring at Su Chen.

She was indifferent to the appearance of the six girls, as if the girls were not here.

"Bow!"

Su Chen walked up to the female zombie king and shouted.

The female zombie king was almost two meters tall.

Apart from her height, the female zombie king was so dirty that it was difficult to see her appearance. Her bumpy figure was pretty good. Let me get it!

Female zombie Did the king really bow his head?

Does she understand human words?

Damn it, how could the female zombie king obey his words?

Su Chen touched her chin and couldn't figure it out.

The zombies didn't seem to obey his orders, and Su Chen couldn't order the zombies either. What does the female zombie king mean?

0Please give me flowers

"Drink it!"

Su Chen took out a pot of spiritual wine and handed it to the female Zombie King. He wanted to see what changes the female Zombie King had had.

Gudong, Gudong, Gudong.....

The female zombie king took the jug and drank heavily.

Su Chen and the six girls looked at the female zombie king in surprise. The female zombie king really drank the spirit wine.

"Sir, what's going on?"

"Not sure!"

"Sir, how come the female zombie king obeys your orders?"

"I am not sure as well!"

"Sir, if the female zombie drinks the spirit wine, will she change?"

"I still don't know"

"gentlemen....."

Facing the curious questions from several women,

Su Chen kept shaking his head with a dark face and answered,"I don't know."

He didn't know anything at the moment. Su Chen had no clue about the weirdness of the female zombie king.

With a plop, the female zombie king suddenly fell down

"Let me go, is the female zombie king drunk and fainted? In just a short while, how much spirit wine did the female zombie king drink?"

Su Chen saw the Female Zombie King fall down, and he shook his head with a dark face,

Damn it!

The hip flask is a storage flask, and the spiritual wine in the flask is similar to the water of the small lake next to it. What will happen to the

Female Zombie King? How much spiritual wine does one need to drink to become drunk?

"Xiaoyun, take the zombie king to the small lake to clean it up"

"OK sir!"

Su Chen sat on the chair again.

He wanted to understand the weirdness of the female zombie king. He would ask the women to catch some zombies later. Su Chen wanted to see if other zombies would also obey his orders.

Chapter 1 The next day,

Su Chen took Shangguan Yalan to the lawn. There were more than ten zombies imprisoned in an iron cage on the lawn.

"All squat down!"

Ho ho ho ho....

Damn it, it really stinks.

Su Chen hurriedly took a few steps back.

The zombies in the iron cage did not obey Su Chen's orders, and they were all yelling at Shangguan Yalan and the girls.

Shangguan Yalan said to Su Chen,

"Su Chen, these zombies didn't obey your orders. Is it because they are ordinary zombies? Shall we catch some more evolved mutant zombies to try?"

Chapter 2802

Su Chen shook his head when he heard Shangguan Yalan's words.

He didn't think that the evolved zombies would obey his orders, and the female zombie king would obey his orders. There might be other reasons, or it might be that the spiritual zombies noticed his different

"Yalan, deal with these zombies"

"good!"

Shangguan Yalan waved her hands to the surroundings, and the two women quickly arrived and waved to destroy the zombies in the iron cage.

Some scummy zombies.

It is easy for women in the Golden Core Realm to destroy them. Even evolved zombies can also be killed. Killed easily.

Su Chen walked towards the small lake.

The female zombie king had not woken up after being cleaned yesterday. Su Chen wanted to see what changes would happen to the female zombie king after drinking the spirit wine.

"Let me guess, is this the female zombie king?"

Su Chen looked at a woman lying on the grass.

The woman was nearly two meters tall. She had a delicate and soft face. She was not too beautiful, but very attractive.

She only wore a black suspender skirt on her body. She had a tall and concave figure and was huge. With her tall mountains, jet-black hair, and a pair of fair, straight long legs, Su Chen couldn't tell that the woman was a zombie.

Shangguan Yalan asked doubtfully,

"Su Chen, this zombie king is really strange. She doesn't have the stench of other zombies, nor does she have the ugly appearance of zombies. Are all spiritual zombies like this? Su

Chen shook his head and replied, "I don't know. We'll wait until the female zombie king wakes up.""

"It can only be the."

Shangguan Yalan looked at the female Zombie King and frowned.

The female Zombie King's figure is too perfect, her face is not very beautiful, but her perfect and concave figure, none of them can compare to the female Zombie King.

Three months later,

The Magic City was searched by the girls.

The total number of human survivors was less than 100,000. As for whether there were any survivors in the Magic City, the girls were too lazy to search any more. The survivors who did not

appear were either survivors with ulterior motives. , or they are worried that the girls are bad guys and dare not show up. In the survivor base, in the hall of the castle, the eight Shangguan Yalan girls were sitting together drinking tea and talking. They discussed the future development of the survivor base.

"Are we going to Jiangning City to search for survivors?"

"No, the playground's survivor base is almost full and we don't have the ability to accept any more survivors."

"Don't worry, the amusement park is being expanded. Once the amusement park is expanded, the survivors can live in it even if they have another 100,000 yuan."

"It will take at least a year to expand the amusement park. Xu Xuan, do you want to kill all the zombies in the magic city?"

"No, don't forget the mutant beasts. After the zombies in the Magic City are wiped out, the mutant beasts will also be a trouble. We might as well let the zombies and mutant beasts kill each other."

Cui Siying stood up and waved her hands and said,

"Regardless of the survivors and the zombies in the magic city, the time for Su Chen to leave is getting closer and closer. Although Su Chen can still come back, we can only see Su Chen every three months."

Shangguan Yalan and the girls nodded when they heard Cui Siying's words.

In less than a year,

Su Chen will leave their world. They are not strong enough to leave with Su Chen, but Su Chen said that as long as they practice to After crossing the Tribulation Realm,

Su Chen will take them to another world, a world of monsters and monsters, a world with immortals.

Shangguan Yalan:"We will practice separately in seclusion in the future to cross the Tribulation Realm. We must practice as soon as possible."

Xu Xuan:"Yes, the eight of us can be divided into two teams, and the other teams must also practice in seclusion separately. Lin

Yun:"Well, yes, in ten years, we have the precious cultivation resources left by Su Chen. We must cultivate to the realm of transcending tribulation within the scholar's years." Zhao

Ya:"Okay, let's prepare to separate into teams now. After Su Chen leaves, we will start practicing in seclusion separately.""

Leng Qingxue:"This is good. We can also build a larger survivor base while practicing.

Song Yuxi:"Sister Qingxue is right. Before we leave this world, we must leave a survivor base for this world.""

At this time, in the manor in the center of the lake, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen looked at the female zombie king who was like a pet.

He was very speechless.

Since the female zombie king woke up, she not only The Zombie Emperor has advanced to a higher level and is more obedient to Su Chen.

If the female Zombie Emperor had not been unable to speak and her eyes were still red, others would not have thought she was a zombie when they saw the female zombie.

By the lake,

Su Chen leaned on the chair, reached out and touched the hair of the female zombie at his feet and whispered,

"Damn it, do you want to keep a humanoid pet? The evolution of female zombies is too fast. Although spiritual wine is good, these are only the lowest spiritual wines. It stands to reason that female zombies cannot evolve so fast."

Ho ho ho....

The female zombie leaned on Su Chen's lap and kept roaring in a low voice. She seemed to feel very comfortable being touched by Su Chen.

"Eat these!"

Su Chen took out hundreds of low-level spiritual fruits and placed them next to the female zombie. Since the female zombie can evolve quickly, he wanted to see how advanced the female zombie would be in less than a year.

Boom! Boom! Boom!.....

The female zombie ate the spirit fruits quickly. In just a few minutes, more than half of the more than one hundred spirit fruits were lost.

Damn it, the female zombie is really a 110 gold-swallowing beast, a female zombie in the realm of gods.

The effect of low-level spiritual fruits on her can still last for a while. If the female zombie advances again, the low-level spiritual fruits should be useless to the female zombie.

Su Chen touched his chin and said,

"Next time I will prepare some Heavenly Spirit Fruit for the female zombie."

Ho ho ho..... thump!

I'll do it!

After the female zombie ate the spirit fruit, she immediately pounced on Su Chen. Su Chen fell to the ground along with the chair.

The women around them shook their heads after seeing this.

This happened every day. They were not worried about Su Chen. Being injured by a female zombie during the morning meeting

"I'm going, female zombie, get up quickly, I'm going to be suffocated to death."

Su Chen was suppressed by the female zombie, and the proud mountain was pressing on Su Chen's face.

Su Chen was depressed and uncomfortable at the moment.

This feeling was very good, but being suppressed by the mountain and unable to breathe, he was also Very speechless

"Let me go, female zombie, what are you going to do? Holy shit!"

Hoho.....

After the female zombie got up, she hugged Su Chen and started licking her. Su Chen's face was wet for a while.

Su Chen wiped his face and hurriedly backed away from the female zombie. The female zombie was really a humanoid pet.

"Female zombie, sitting on the grass....Let me go, what the hell, are the clothes made of paper?".

Chapter 2803

Before Su Chen finished speaking to the female zombie, the female zombie quickly sat on the grass obediently.

However, the female zombie moved too fast, and the clothes on her body burst, revealing her fair skin and beautiful scenery. got up.

Su Chen awkwardly wanted to watch but felt embarrassed. If there weren't several other women around, he could watch openly, and he could also let the female zombie stand naked in front of him.

"Xiaohe, take the female zombie to change into some clothes."

"OK sir!"

The two women came over with smiles on their faces. They picked up the female zombie and walked towards the villa.

The female zombie's clothes were exposed again, and this time the clothes were exposed very thoroughly. Except for the underwear, all the female zombie's body All the clothes have become rags

"What's going on with him?"

Su Chen shook his head and walked to the lake.

There are still more than 200 days before he can return to the ladder to heaven. He has climbed the 9100th floor, and there are still 900 floors left. There are still 900 floors to climb. It's 10,000 levels. After seven or eight years of climbing, plus the time in the trial world, it took Su Chen decades to climb the ladder, almost a hundred years. If he had climbed all the ladders, he might have been able to climb the ladder in the small trial world. It will take hundreds of years.

Nine months later,

【Trialist, your 100-level trial is over, you have a quarter of an hour, and you will return to the ladder after 780 quarters. 】

Su Chen, who was resting, opened his eyes. He looked at Zhao Ya in his arms and sighed. It was time to leave. It had been almost three years, and Su Chen had managed to survive.

Zhao Ya opened her eyes when she heard Su Chen sigh. He opened his eyes and asked, "Su Chen, what's wrong?"

Su Chen stroked Zhao Ya's hair and said,

"I'm leaving. In fifteen minutes, I have to leave this world."

Zhao Ya sat up hurriedly after hearing Su Chen's words. She ignored her still naked body and asked hurriedly,

"So urgent? I immediately informed Shangguan Yalan and the others."

Su Chen kissed Zhao Ya and said,

"No, Zhao Ya, I don't like to be separated. I will come back again in three months. There is no need to inform them this time."

"this.....Okay, what about female zombies?"

Zhao Ya nodded when she heard Su Chen's words.

The girls were mentally prepared.

The time for Su Chen's departure was getting closer and closer. They also knew that Su Chen would leave one day.

It didn't matter whether they said goodbye or not.

The parting scene was It's not good.

Besides, Su Chen will be back in three months. The girls can go on a business trip as Su Chen.

Su Chen thought for a while and said,

"The female zombie is not a human being. I will keep her in a small space. If the female zombie is left alone, I am worried that something will happen. Without my restraint, the female zombie may massacre you and other humans."

Zhao Ya nodded in agreement,

"That's fine, the female zombie's strength has improved too quickly. If we don't work together, we alone can't defeat the female zombie."

Su Chen was very speechless when he thought of the female zombie.

For several months, the female zombie had secretly been lying next to him almost every night.

The female zombie did not appear when Zhao Ya was around. As long as Su Chen was alone at night When he rested, female zombies would appear. Several times, Su Chen almost couldn't help but eat the female zombies.

After a while,

Su Chen recruited the female zombies and took them into the system space.

The time was coming, and he was going to prepare to leave this world..

Su Chen kissed Zhao Ya hard and said,

"Zhao Ya, I'm leaving. You must practice as soon as possible. Don't hesitate to use the cultivation resources I left behind. I will bring you cultivation resources in three months."

"I understand, Su Chen, see you in three months."

Zhao Ya touched Su Chen's face and nodded. They can afford to wait for three months. (To read Baoshuang novels, go to Feilu Novel Network!)

Although Zhao Ya is reluctant to leave Su Chen, but this time It was not the decision between Su Chen and her.

Whoosh!

A ray of light suddenly enveloped Su Chen. In an instant, Su Chen disappeared beside Zhao Ya.

Whoosh!.....

The six women who were protecting Su Chen in the manor appeared next to Zhao Yashen (abfi) one after another. They all saw the light just now.

A beauty with short hair asked,

"Sister Zhao Ya, has your husband left?"

Zhao Ya nodded and replied, "I left, but will come back in three months. The manor must be protected. When Su Chen comes back in the future, he will still live here."

"Yes, Sister Zhao Ya!"

The six girls nodded one after another.

They would continue to guard the manor without Zhao Ya's words.

Three months is a very short period of time. As long as they start practicing, three months will pass in the blink of an eye.

Survivor Base,

Shangguan The Yalan girls and other women all looked in the direction of the manor. Has

Su Chen left?

They all felt that Su Chen's aura disappeared, and they women also noticed the white light that flashed just now.

"Su Chen left"

"Don't worry, it's only three months, time will pass quickly"

"Yes, we also need to start practicing in separate groups"

"Get ready. The expansion of the survivor base is almost completed. We want to leave a safe survivor base to this world."

"Okay, let's prepare each."

Ladder to heaven,

Su Chen instantly appeared on the 9100th floor of the ladder, and finally came back.

Damn, what identity will it be next time?

Su Chen looked back at the six light gates and his face turned dark.

What kind of bullshit identities are these?

Doesn't the ladder just give up until he is killed?

The first light gate: ant soldiers!

The second light gate: three-year-old orphan!

The third light gate: slime!

The fourth light gate: skeleton soldiers! The fourth light gate: skeleton soldiers! Five light gates: first-level cannon fodder!

Sixth light gate: Goshawk in his infancy!

Su Chen sat down helplessly looking at these identities, unable to continue.

These identities were all trying to kill him.

Two human identities and a three-year-old orphan are okay, but the identity of a three-year-old orphan cannot be in an ordinary world. Su Chen guessed that it might be a war-torn world or a world of monsters and monsters.

A first-level cannon fodder identity, what kind of world would this be? ?

Game world? Ancient world? Western magical world? Or fantasy and mythological world?

Su Chen rubbed his forehead and wanted to curse the ladder. These two human identities are also more dead than alive.

"Damn it, the remaining identities are even more lifeless. Bullshit slimes, bullshit ant soldiers, bullshit skeleton soldiers, and bullshit goshawks. I may not be able to hold on to these identities for a day."

Chapter 2804

Under the ladder to heaven,

Empress Nuwa and Concubine Yan saw Su Chen appear and climb up to nine thousand one hundred levels at once.

They were both surprised and happy.

In just a moment,

Su Chen climbed to the 9,100th floor, and there were still 900 floors before he could climb to the 10,000th floor.

Empress Nuwa and Concubine Yan, they were very excited about Su Chen. Climbing 10,000 floors is very confident.

Hu Ji:"There are nine thousand one hundred floors. Su Chen will definitely be able to climb to the ten thousand floor."

Cai Lin:"That's right, my husband climbed to the one hundred floors in an instant. There are still nine hundred floors left. I hope Su Chen can climb up to the ten thousand floor." I am very confident on the first floor."

Empress Nuwa:"Me too, the little bastard is really unexpected. It is very surprising for a quasi-sage to climb nine thousand floors. The little bastard is surprising us more and more."

The ruthless empress:"My brother wants to go against the will of heaven and climb a hundred floors in an instant. For the remaining nine hundred floors in"207", he should climb ten thousand floors in one day."

Kesha:" Concubine Yan, should we tell other women to come and witness Su Chen's miracle?"

Concubine Yan:"Tell me, I believe that my husband can climb to the 10,000th floor. We should let other women come to witness his climb to the 10,000th floor."

Yan Lingji:"You should inform. I will order the secret guard to inform the other women so that they can come and see the miracle created by your husband."

Po Meng, Liu Shen, and the Queen Mother of the West looked at Su Chen on the ladder. Can't believe it.

Su Chen was about to climb the ladder.

He disappeared for a trial in an instant. In an instant, he successfully climbed to a hundred floors. After climbing one hundred floors and one hundred floors, they also felt that Su Chen could climb to ten thousand floors.

The four sisters Su Yan and Su Yue stopped playing. They were also frightened by Su Chen's climb.

Climbing a hundred floors at once, they all felt like Su Chen was on drugs.

A hundred floors?

Su Yan, Su Yue, and Elena found it very difficult for them to climb the first thousand floors. Their father climbed one hundred floors at a time, and he was still on the nine thousand floors. They were both happy and depressed.

Elena: "Sister, dad must have taken the precious medicine."

Su Yue: "Elena, it's impossible for dad to take the precious medicine. Do you think it's useful to take the elixir on the ladder?"

Su Yan: "Yue What Er said is right. The trial of the Heavenly Ladder should seal the realm of cultivation, or seal some realms of cultivation. Dad's spiritual treasures and treasures should also be sealed. Dad is too awesome. There are 10,000 levels of the Heavenly Ladder. , I guess dad will climb to the top today."

Su Yao: "Father is so powerful!"

On the 10,000-level ladder, the girl on the ladder looked at Su Chen on the 9,100-level ladder with a smile. She became more and more interested in Su Chen. The more satisfied you are, in the world of chaos, Su Chen may be the only creature who can go to the world of Hongmeng.

"Little bastard, if you don't want to be discovered by other Hongmeng Supremes in the Chaos World, you have to grow up quickly. I will be on the 10,000th level of the ladder, waiting for your arrival here."

On the 9100th floor,

Su Chen stood up looking at the six light gates. No matter whether he could hide or not, the climbing trial had to continue.

"Ladder, start rolling the dice!"

Whoosh!

A dice instantly appeared in front of Su Chen

"Tiandaobao....Forehead! Buddha protects....Forehead! Damn it, who will bless him?"

Su Chen instinctively wanted Tiandao and Buddha to bless him when he rolled the dice, but he suddenly thought that these could protect him.

Tiandao is the clone of the system girl, and he still obeys his orders.

Buddha?

He can do it with just one finger. After destroying the Buddha, the Tathagata Buddha also died in the wilderness.

Su Chen rolled the dice at random, speechless.

"Holy shit, one? Is this him, Ant Soldier? This time it's death....."

Whoosh!

Su Chen saw that the dice rolled out one, and his face was so dark that he was sucked in by the light door before he could finish speaking.

Under the ladder,

Nuwa and her daughters saw Su Chen suddenly disappearing, and they all looked expectantly towards the 9,200th floor.

"Oh no, something happened in the prehistoric fairy world."(To read Baoshuang novels, go to Feilu Novel Network!)

Suddenly,

Po Meng screamed with an ugly face.

She did not expect that the ancient heaven would go crazy, and the news that Pingxin sent her was very shocking.

The ancient world of immortality The immortals and creatures wanted Su Chen to return. The ancient heaven actually killed tens of millions of immortals who questioned it. The immortal world of the ancient world was still punished by thunder to destroy the questioning immortals.

Empress Nuwa asked,

"Po Meng, what happened?"

The other women also looked at Granny Meng.

Something happened in the Ancient Immortal Realm?

Could it be that the Fierce Beast Realm has begun to invade the Prehistoric Immortal Realm? Isn't it still about two years before the space passage will be completely opened? Could the space passage in the Fierce Beast Realm be opened in advance? Already?

Sister Mengpo said to Nuwa and her daughters,

"The ancient heaven went crazy. The immortals and creatures in the ancient world prayed to the ancient heaven to let Su Chen return. Not only did the ancient heaven not agree, but they also issued thunder punishments.....0."

When Nuwa and her daughters heard Po Meng's story, their expressions all turned very ugly.

Does the Primordial Heavenly Dao want to seek death?

What does the Primordial Heavenly Dao want to do to destroy the immortals and living beings in such a wanton manner?

Liu Shen said,

"The prehistoric Heavenly Way is about to end. If Su Chen knows about this, he will definitely destroy the Prehistoric Heavenly Way first. Cai

Lin nodded and said,

"Yes, the ancient Heavenly Way is dead. Su Chen may be eager to destroy the Ancient Heavenly Way and seize the origin of his Heavenly Way."

Nuwa Empress frowned and reminded,

"It's a bit strange. The Great Ancient Heavenly Dao should understand that only Su Chen can save the Great Wilderness Immortal World. Why does the Great Ancient Heavenly Dao not agree to Su Chen's return? And he also killed tens of millions of prehistoric immortals? Hu Ji asked,"

Sister Nuwa, could it be that spiritual wisdom was born in the ancient way of heaven?" Empress

Nuwa shook her head and replied,"Impossible, heaven will not give birth to wisdom.""

Kesha said with a serious face,

"The prehistoric way of heaven is very strange. We will inform my husband soon that the prehistoric way of heaven cannot be left. If we leave the prehistoric way of heaven, it may become a time bomb in the future. Concubine

Yan thought for a while and said,

"Girl, go to the Starry Sky Fortress and contact the Demon Ancestor Luo Hu, and tell Luo Hu that your brother will destroy the Great Desolate Heaven first, and we can cooperate with Luo Hu to destroy the 0.3 Way of the Prehistoric Heaven."

"OK!"

The ruthless empress nodded and left the ladder space.

The ruthless empress had gone crazy.

The ruthless empress didn't expect it. She understood that her brother Su Chen knew about this. The prehistoric path was over. Her brother would not let the crazy ruthless empress Exist again.

Po Meng rubbed her forehead and said helplessly,"Alas! The prehistoric immortal world is really troubled by disasters. Faced with the threats from the two major realms, the prehistoric heavenly realm went crazy again."

Nuwa Empress said with a serious face,"I have a guess, but this guess is a bit ridiculous. Hu

Ji asked,

"Sister Nuwa, what are your guesses?"

Empress Nuwa looked at the girls and said guessingly,

"Have you ever thought about it, Luo Hu has revived from death, Beast Emperor Shen Ni has also revived from death, but what about Pangu? Could it be that he has not completely fallen? Could the changes in the prehistoric heaven be caused by the resurrection of Pangu?"

Chapter 2805

Concubine Yan and her daughters were stunned when they heard what Nuwa said.

Pangu?

Will Pangu recover?

Pangu opened the sky and incarnated all things in the ancient immortal world, and his essence, blood and soul were gone. How could Pangu be revived?

Po Meng said with a pale face,

"Sister Nuwa, your guess is a bit scary. God Pangu has transformed into all things, his body has turned into the mountains and the earth, his soul has turned into the Three Pure Saints, and his essence and blood have turned into the Twelve Ancestral Witches. How could God Pangu still be revived?"

Nuwa Empress rubbed her forehead and explained,

"I also think it's impossible, but what about the changes in the ancient way of heaven? The law of heaven is fair and just. The prayers of the immortals and living beings in the prehistoric immortal world will be agreed to by the law of heaven."

"However, the Primordial Heavenly Dao not only disagreed, but also wantonly killed the Primordial Immortals, which was simply unreasonable."

Kesha and the Western Queen Mother and the other two girls fell silent when they heard what Nuwa said. Nuwa was right, but they felt that Pangu's resurrection was still too absurd.

If Pangu could really revive, what about the Sanqing Saints?

What about the remaining Empress Pingxin and the Ancestral Witch Xuanming?

These creatures transformed by Pangu Yuanshen and Pangu's essence and blood, will Pangu devour them when he wakes up?

Po Meng said with a serious face,

"I want to inform Empress Pingxin that whether Father God Pangu will revive or not, Empress Pingxin and Ancestral Witch Xuanming must know in advance."

Concubine Yan nodded in agreement,

"Well, Po Meng, you might as well inform Sister Pingxin. Regardless of whether Pangu is about to resuscitate or not, Sister Pingxin and the Xuanming Ancestral Witch should be mentally prepared."

Empress Nuwa also agreed, "Well, Po Meng, please inform Pingxin."

Suddenly,

Su Yue shouted from the side,

"Wow, Dad appeared on the 9200th floor. Dad is so awesome."

The girls at the bottom of the ladder looked over one after another.

They just talked for a while. Su Chen actually climbed to the 9,200th floor through the trial.

It was too fast.

However, they also understood that the time flow in the trial world and the ladder was not the same. Similarly, a year or ten years may have passed in the world of trials, but it has only been a moment since they were here on the ladder.

Concubine Yan said with a smile,

"There are already 9,200 floors, and there are still 800 floors left to climb to the 10,000 floor. If other women don't rush over as soon as possible, they may not be able to witness Su Chen climb to the 10,000 floor."

The Queen Mother of the West said doubtfully,

"Yes, but how did I find that the further Su Chen climbed to the back, the faster he climbed. Liu

Shen shook his head and reminded,

"Queen Mother of the West, you are wrong. Su Chen must have been in the trial world for a long time. His trials may be very scary and difficult, but we women don't know."

"That's not true."

The Queen Mother of the West nodded in agreement.

The further back she climbed, the more terrifying the ladder became.

Su Chen wouldn't have climbed to the nine thousandth floor by luck. That woman must have had a very difficult time climbing up to the nine thousand floor. At this moment,

Su Chen looked at the light door in front of him with a dark face, a hundred years?

He has been in the trial world for a hundred years, one step a year, and it takes a hundred years to pass a hundred steps.

An ant soldier in the magical world In this world, Su Chen couldn't help but want to destroy the ladder when he thought about his one hundred years of experience.

"Damn it, he gets more and more perverted every time."

Su Chen looked at the six light gates in front of him and wanted to die.

What kind of bullshit identities are these?

There is no human identity left.

The first light gate: a tree!

The second light gate: A fish!

The third light gate: Skeleton Soldier! (To read Baoshuang novels, go to Feilu Novel Network!)

The fourth light gate: Goblin!

The fifth light gate: a war horse!

The sixth light gate : Guangmen: A magic weapon!

Su Chen was so embarrassed that he wanted to die.

These identities were even more excessive than the last time. He had to narrowly escape the ant soldier trial to complete it. Each of the six identities in front of him was something he wanted to do. Damn his rhythm

"Ladder to heaven, roll the dice."

Su Chen yelled with a black face, damn it, he can't give up now even if he wants to.

There are still 800 floors before he can climb to the 10,000 floors, and Su Chen can't give up climbing.

"six? A spiritual treasure? Damn it!"

Su Chen rolled out a six. He will become a spiritual treasure in this trial.

However, he was relieved in his heart. At least he did not become a war horse. If he became a majestic emperor of heaven, A war horse, this will become a stain on Su Chen's life.

Whoosh!

The sixth light door instantly sucked Su Chen in.

Xuantian Realm, more than ten holy realms of Yin Ji and Gaia, and the concubines and other girls , they were originally preparing for a realm war, but the notification from the secret guards made the girls come towards Pantaoyuan one after another.

Su Chen was about to climb to the 10,000th floor, and the girls were very surprised and happy.

At the 10,000th floor, they The highest holy realm of these women has only climbed to five or six thousand floors. Su Chen is about to climb to ten thousand floors. They all have to witness the miracle created by Su Chen.

In a small world, the five great saints Hongjun and Laozi, and Disciples of various sects hide in the small world.

There is no aura, no living creatures, no demons and ghosts in the small world. This is a dead small world. The small world is nothing but a barren desert. On a mountain, six saints stand together,

No, they are now six quasi-sages.

Since the six saints stripped away the Hongmeng Purple Qi, they have all fallen to the realm of quasi-sages.

Tongtian asked with an ugly face," ` .Hongjun, are we going to hide here forever? Hongjun shook his head and replied,

"Where else can you go but hide here? Do you dare to look for other realms in chaos?"

Tongtian and Laozi shook their heads with dark faces.

Do they dare to walk in chaos?

The three of me are transformed by Pangu Yuan Shen, and Pangu is the mortal enemy of all Chaos Demon Gods.

If the Chaos Demon God in Chaos discovers the three of them. Thinking about it, the three of them thought it would be very tragic.

Being swallowed?

Being annihilated?

This might be their ending.

Zhunti said to Hongjun and the others,

"We brothers are leaving the Small Thousand World. Without spiritual energy and cultivation resources, it is impossible for us to cultivate to the Holy Realm in the Small Thousand World. We brothers have to find a realm with spiritual energy."

Jie Yin nodded and said,

"Yes, our brothers want to advance to the Holy Realm again, but if we stay in the Small Thousand World, we will not be able to advance to the Holy Realm in a million or ten million years. We brothers will not stay in the Small Thousand World."

Chapter 2806

Zhunti and Jieyin had discussed before that they would not stay in this desolate little world.

There is no spiritual energy, no cultivation resources, and no living beings in the Xiaoqian World. If they stay in the Xiaoqian World, they will not improve their realm for the rest of their lives, let alone return to the Holy Realm. Although the chaos is extremely dangerous, they may encounter the Chaos Demon God. They will be killed, but they are not Hongjun, nor Sanqing.

Hongjun has offended many Chaos Demon Gods, and he does not dare to appear in Chaos.

Sanqing is the transformation of Pangu Yuanshen, and Pangu is the mortal enemy of all Chaos Demon Gods. , I and the three of them dare not appear in Chaos, but their brothers are different.

Zhunti and Jieyin are just creatures in the ancient fairyland.

They have not offended the Chaos Demon God, nor have they offended other realms in Chaos.

Chaos In the process, preparation and guidance may not necessarily be killed by the Chaos Demon God. They have a glimmer of hope to become stronger in other realms.

Hongjun frowned and asked,

"Are you leaving for Chaos? Zhunti nodded and replied,"Yes, we can only wait for death in the small world. There are many realms in chaos. We brothers want to try other realms.""

Yuan reminded with an indifferent expression,

"Zhunti, Jieyin, if you go to Chaos, you will be killed by the Chaos Demon."

Jie Yin stroked his beard and said helplessly,

"Maybe, but what can we do if we stay in this small world? Cultivation cannot be practiced. If the Chaos Demon God, or Luo Hu and the Beast King Shen Ni discover the Small Thousand World and discover our existence, wouldn't we be dead? Tongtian shouted angrily,"Huh, talking more is useless. If you want to leave, just leave.""

"Farewell!"

Zhunti and Jieyin didn't say anything.

Their brothers disappeared on the mountain in an instant.

Hongjun and Sanqing were desperate. Even the Chaos Demon God couldn't let them go. Their brothers would not be with Hongjun and Sanqing. They They also didn't want to be implicated by Hongjun and Sanqing.

After Hongjun and Sanqing saw Zhunti and Jieyin disappear, their faces showed helpless expressions. The four of them all understood that

Zhunti and Jieyin left.

Why, the four of them did not dare to appear in Chaos, did not dare to meet the Chaos Demon God, and did not dare to go to other realms.

Hongjun had offended too many Chaos Demon Gods. Sanqing was transformed by Pangu Yuan Shen, no matter it was the Chaos Demon God, or other realms, they will encounter a dead end

"what should we do?"

"What else can we do? Let's hide in the small world for a while."

"Well, that's all it can do"

"Hiding like this is not an option. We must find a spiritual world."

"It's too difficult. A world with aura will have creatures, and it may also be the world of the Chaos Demon God. We are all quasi-sages now. If we encounter the Chaos Demon God, we will be dead."

"Let's hide for a while first. The boundary war in the ancient immortal world is over. We might be able to find a world with spiritual energy."

"Okay, let's hide in the small world for a while."

Ladder to Heaven!

Women from all over the Xuantian Realm returned to the Ladder Space one after another. Su Chen was about to climb to the 10,000th floor. All the women wanted to witness Su Chen climb to the 10,000th floor.

Under the Ladder to Heaven,

Su Chen's women and men kept stopping. appeared under the ladder to heaven. In just a few breaths, dozens of beautiful fairies gathered under the ladder to heaven.

Our Lady of the Golden Spirit instantly appeared under the ladder to heaven. She looked up at Su Chen on the ladder and said in surprise,

"hiss! Su Chen has climbed to the 9,500th floor. That bastard is so powerful."

Yun Xiao's beautiful face showed a smile and said,"Yes, Su Chen is really unexpected."(To read Baoshuang novels, go to Feilu Novel Network!)

Bibi Dong shouted excitedly,"It's nine thousand five hundred floors. My husband will climb to ten thousand floors today."

Jellyfish Yin Ji nodded and said,

"Well, your husband will definitely climb to the 10,000th floor. Gaia said with emotion,

"The little bastard is getting more and more surprising, ten thousand levels? We can't climb all the holy realms. I didn't expect Su Chen, a quasi-sage, to climb to the 10,000th floor."

Yin Ji shook her head and smiled bitterly,

"Yes, we have failed to climb the five or six thousand levels of the Holy Realm. Holy Realm? Are we all a holy land for parallel imports?"

Nuwa Empress reminded with a smile,

"It's not that our Holy Land is a parallel import, it's that that bastard Su Chen is too perverted."

The Queen Mother nodded in agreement and said,

"You're right, the little bastard is not a normal person, and we are asking for trouble by comparing ourselves with him."

The girls at the foot of the ladder gathered together and talked.

Shadow Assassin, female ghosts like Nie Xiaoqian, and the Fairy of Yaochi, Su Chen's subordinates gathered together and looked at the ladder. They all expected Su Chen to climb up the ladder. layer

"Sister, are these all our aunts?"

Su Yao looked at the many beautiful fairies in bewilderment.

Each of these fairies was more powerful and more beautiful than the other.

Su Yao became even more uneasy when she heard the conversation of the girls.

Husband?

Master?

Emperor of Heaven?

These women treat her badly. Although the names of her father Su Chen are different, they seem to have a special relationship with her father.

Su Yan patted Su Yao's little head and explained,

"Xiaosi, some of the women here are our aunts, and most of them are our father's subordinates."

"Those women in black clothes and veils are shadow assassins, those women in white dresses are female ghosts, and the remaining women are Yaochi fairies. They are all direct subordinates of our father. These are just some of them. You will understand when you go to the Xuantian realm in the future.."

Su Yao nodded and asked, "Sister, is the Xuantian realm big? is it beautiful? Elena said hurriedly, "Big, very big, Xiaosi, you won't be able to visit the Xuantian Realm in hundreds of years.""

Suddenly,

Su Yue shouted,

"Look, Dad appears on the 9600th floor."

Su Yan's sisters hurriedly looked at the ladder.

The girls at the bottom of the ladder also looked at the ladder with beautiful eyes. There are another hundred floors, and there are four hundred floors. Su Chen is about to climb to the ten thousand floor. All the girls at the bottom of the ladder. The girl's heart became excited.

On the 10,000th floor of the ladder, the girl on the ladder became entangled in her heart.

Su Chen climbed to the 9,600th floor. There were only 400 floors left before the 10,000th floor.

But she thought of Su Chen climbing to the 9600th floor. At the 10,000th floor, she will escape from the ladder and leave.

The girl on the ladder will feel very uncomfortable.

But she has to leave the world of chaos. If the aura of the girl on the ladder is discovered or noticed by other Hongmeng Supremes, it will bring great harm to the world of chaos. , will bring devastating disaster to Su Chen

"Suchen, you little bastard, what should I do? I don't want to leave you, but I have to leave you. I don't want you to climb ten thousand floors now so that I can spend more time with you."

Chapter 2807

On the ladder to heaven,

Su Chen was a little confused when he appeared on the 9600th floor.

There were only three light gates on the 9600th floor. Could it be that the trial of the ladder to heaven had changed again?

Su Chen thought of the previous trials.

He clenched his fists with anger and wanted to destroy Tianti. Tianti became more and more disgusting and wanted to kill him more and more.

On the 9300th floor, his identity is a tauren cannon fodder. He was almost killed and eaten by other orcs several times. On the

9400th floor, his identity is a young butterfly demon. He just appeared. He was almost killed by the cultivators.

On the 9500th floor, his identity was a spider, and he was still with a female spider.

Su Chen was so frightened that he ran away in a hurry.

The black widow spider will eat the male spider after mating. Su Chen If you stay, you will be dead.

"What the hell is going on with the ladder? Will he never give up if the ladder to heaven is immortal?"

Su Chen walked to the light gate and looked at it. There were three light gates.

The first light gate: 01. The identity of a demon king, a demon king without strength, a demon king who was hunted by all the humans in the demon continent.

Deadline: Survival One year has passed.

The second light gate: a big villain, a big villain without strength, a big villain who is hunted down by all the sects in the fantasy continent.

Time limit: survive for one year!

The third light gate: a chaos demon, a A Chaos Demon God without strength, a Chaos Demon God who will be hunted down by all the immortals in the prehistoric fairy world.

Time limit: Survive for one year!

"Damn it, Heaven Ladder, won't you give up until you kill me? Is this a trial? This is more terrifying than suicide. If you want to kill me, just tell me. Is this necessary?"

Su Chen turned black and cursed when he saw the message from the three light gates.

Is this a trial?

The three trials were all about death and no life. He had no strength.

Not to mention a year, he couldn't survive even a day. , especially in the prehistoric immortal world, the saint can find him with just a thought. How can Su Chen escape? How to hide? Can he escape the search of the prehistoric saint?

【Trialist, do you want to give up? 】

Su Chen yelled angrily,

"I'll do it! I give up a hammer, well, can I give up at this time? An idiot's ladder."

Give up?

Can he give up?

There are only 400 floors left to climb to the 10,000th floor. How could he give up? An idiot's ladder, a fool's ladder.

Boom! Boom!

I'm here!

Su Chen was suddenly hit by a ray of light, He was instantly bombarded and hit a step.

Su Chen patted his body and looked at the sky above the ladder.

Damn it, the ladder actually shot him away.

A bombardment of light did no harm to him, but how could the ladder take action?

He In the past, there was no punishment for scolding the ladder. Is the ladder no longer a mechanical ladder? Has the owner of the ladder appeared? Or has the ladder come to life like a spiritual treasure?

【Trialist, once you give a warning, if you speak rudely to the ladder next time, the ladder will deprive you of your trial status. 】

Su Chen mocked disdainfully,

"laugh! Take away my trial status? Ladder to heaven, can you strip it away and let me see?"

Deprive him of his identity?

Su Chen doesn't believe that the ladder to heaven will deprive him of his identity. (To read Baoshuang novels, go to Feilu Novel Network!)

The ladder to heaven has existed for who knows how many years, and no one has climbed to the ten thousandth floor of the ladder, not even the seven thousand. No one has climbed the 7,000th floor.

Su Chen was the first to climb the 7,000th floor, the first to climb the 8,000th floor, the first to climb the 9,000th floor, and he was the first to have the opportunity to climb the 10,000th floor.

Deprive him of his trialist status?

The ladder will only deprive him of his trialist status unless he has a brain attack.

Su Chen sat down and looked into the sky. He wanted to see how the ladder would deprive him of his trialist status.

Damn, he The ladder to heaven was exhausted, and the ladder to heaven became more and more perverted and disgusting.

Among the three light gates on the 9600th floor,

Su Chen felt that no matter which one he entered, he would be in danger of death. Anyway, there was a 99% chance of failing in the trial. He might as well let the Heavenly Ladder deprive him of his status as a trialer.

Under the Heavenly Ladder, all the women were in a daze. They all heard and saw Su Chen's angry scolding of the Heavenly Ladder and the punishment of the Heavenly Ladder to Su Chen. It was clear to everyone that at this moment,

Su Chen and Tianti were at war?

Tianti was going to deprive Su Chen of his trial status, and Su Chen also asked Tian Lai to deprive him of his trial status.

What was going on?

And what was going on? The 400th floor is about to be climbed to the 10,000th floor. Why is Su Chen fighting with the ladder at this time?

"What happened on the ladder? Why would Su Chen scold Tianlai angrily? How could the ladder blow Su Chen away?"

"I don't know, but I guess Su Chen may be angry. Maybe the trials on the ladder are becoming more and more abnormal. Su Chen will be irritated by the next abnormal trial on the ladder."

"It's possible that there are still four hundred floors left. If Su Chen hadn't been angered, he wouldn't have been able to fight against the ladder at this time."

"Maybe it's true. Su Chen must have seen that the next trial would be impossible to complete. He should have asked the ladder angrily."

"question? The little bastard was obviously yelling at the ladder, but it was right to think about it. Su Chen was about to climb to the 10,000th floor. The abnormal trial of the ladder should have made Su Chen despair."

"Alas, we are too busy to help with anything, but we must support all of Su Chen's decisions. Even if Su Chen is deprived of his status as a trialist by the ladder, we will not complain about Su Chen's impulsiveness."

"Yes, we will support 770 in all decisions made by Su Chen."

The girls at the bottom of the ladder talked for a while, and then they all looked at Su Chen on the ladder.

Deprived of his status as a trialist?

They would not complain about Su Chen's impulsiveness, nor would they regret not being able to climb to the 10,000th floor. Su Chen's The decision is theirs, and they will spare no effort to support Su Chen behind them.

On the 10,000th floor, the Ladder girl looked into the air with a cold expression.

The real Holy Soul of the Ladder appeared. Although the sound of the Ladder was still a mechanical sound, She could feel the arrival of the real Heavenly Ladder Holy Soul. The Heavenly Ladder Holy Soul that had imprisoned her tens of millions appeared.

"Did the Holy Soul of the Ladder appear for Su Chen? There are still four hundred floors left. Does the Holy Spirit of the Ladder want to see Su Chen climb to the ten thousand floor?"

【Murong Qingcheng, the trialer Su Chen has a close relationship with you. You should persuade him to continue climbing the ladder. 】

Tianti girl smiled when she heard the words of Tianti Holy Soul.

Murong Qingcheng?

Her name hasn't been called for a long time.

The Holy Soul of the Ladder asked her to persuade Su Chen? is it possible?

Even if Su Chen launches the climbing ladder at this moment, Murong Qingcheng will not complain about Su Chen

"Holy Soul of Heavenly Ladder, you should understand Su Chen, and you should also know me better. As long as Su Chen decides, I will not object, and neither will other women under Heavenly Ladder."

Chapter 2808

Murong Qingcheng did not agree to the Heavenly Ladder Holy Spirit to persuade Su Chen, and she would not refute Su Chen's decision.

The trials of the ladder are becoming more and more abnormal.

The sealing cultivation, the three light gate trials on the 9600th floor, are difficult for anyone to complete.

The pursuit, the pursuit of the three trial worlds, if Murong Qingcheng is killed At the sealed cultivation level, it is impossible for her to pass the trials of the three trial worlds, especially the pursuit in the prehistoric fairy world.

The prehistoric saint can find Su Chen with just a thought. How could Su Chen escape the pursuit for a year?

【Murong Qingcheng still has four hundred floors. If Su Chen climbs the ten thousand floors of the ladder, you can escape from the ladder in advance. Don't you want to escape and return to the Hongmeng world? 】

Murong Qingcheng smiled and said,

"Holy Soul of the Heavenly Ladder, I think the Heavenly Ladder is very good. Although I am trapped in the Heavenly Ladder, I have been able to practice with peace of mind over the years. My realm has improved several realms over tens of millions of years. I will be freed from the trap a million years later. It doesn't matter"

【Murong Qingcheng, tell me the conditions! 】

Murong Qingcheng thought for a while and said,

"If Su Chen climbs the 10,000th floor of the Heavenly Ladder, the Heavenly Ladder will belong to Su Chen from now on. My Hongmeng Lingbao and the Heavenly Ladder must improve me by one level."

【Can!】

"Huh? Holy Soul of the Ladder, do you agree? You won't leave Su Chen with a useless ladder to the sky, right?"

【No, the ladder is still the ladder of the past, Murong Qingcheng, you should understand that the mission of the ladder is to allow the trialists to climb to the 10,000th floor of the ladder. This is the reason for my birth and my final destination.】

"Holy Soul of the Ladder to Heaven, what would you do if Su Chen climbed to the 10,000th floor?"

【Disappear!】

"Um? Will you disappear into thin air?"

【Yes, I am just a consciousness, a consciousness condensed by all the heavens and all realms, and I will also return to all heavens and all realms. 】

Murong Qingcheng nodded.

She knew this all the time.

The ladder to heaven can be said to be a treasure born from all the worlds.

Since she was captured to manage the ladder to the sky, Murong Qingcheng has also learned about the ladder to the ladder.

The holy soul of the ladder to the ladder is like a realm. Just like the way of heaven, the Holy Soul of the Heavenly Ladder is only responsible for the operation of the Heavenly Ladder and the selection of trialists to climb the Heavenly Ladder.

"Holy Soul of the Ladder to Heaven, I will convince Su Chen to continue climbing the Ladder to Heaven."

Murong Qingcheng looked at the sky above the ladder and smiled. The holy soul of the ladder wanted to disappear and return to the world. Is this possible?

Su Chen controls a realm.

If he can let the holy soul of the ladder be the way of heaven in the realm, Su Chen The realm will be very stable and powerful.

Moreover, the Heavenly Ladder Saint Soul knows the spatial coordinates of numerous Small Thousand Worlds, Middle Thousand Worlds, Great Thousand Worlds, realms, and super big worlds. If Su Chen can persuade the Heavenly Ladder Saint Soul to stay, this will be a very powerful help for Su Chen

【Thank you! 】

At this moment,

Su Chen was sitting on the 9600th floor in a daze.

Why didn't the Saint Soul of the Ladder pay any attention to him anymore? Is it disdain? Or do you not care at all whether he can climb the ladder?

Damn it, didn't the Holy Spirit of the Ladder want to disqualify him from climbing?

What does it mean?

Just spend it like this?

Does he have time and the Holy Soul consumption of the ladder?

The realm war in the ancient immortal world is about to begin, and Su Chen doesn't have time to waste time with the Holy Soul of the Ladder.

Whoosh!

Murong Qingcheng instantly appeared next to Su Chen and said,

"Su Chen, continue climbing the ladder to heaven."

"Girl, why are you here? Did the Holy Soul of the Ladder ask you to convince me?"

Su Chen frowned and looked at Murong Qingcheng, continue climbing? (To read Baoshuang novels, go to Feilu Novel Network!) Did the

Holy Soul of the Ladder go to Murong Qingcheng?

It's impossible for Murong Qingcheng not to know what happened, how could she? Let yourself climb the ladder of heaven again?

Murong Qingcheng nodded and replied,

"Su Chen, the Holy Soul of the Ladder has agreed to some conditions. If you climb to the 10,000th floor of the Ladder, the ladder will be yours. The Holy Soul of the Ladder also promised to improve the quality of the spiritual treasure for me. Su

Chen asked in surprise, "I'll go, little girl, did the Holy Soul of Tiangti really promise to return to me in the future?"

"good"(abac)

"Let me guess, how could the Saint Soul of the Ladder be so generous?"

Su Chen became excited in his heart.

Heavenly Ladder, this may be a treasure even more powerful than the Hongmeng Spiritual Treasure.

The Heavenly Ladder Holy Soul can capture Murong Qingcheng, and even a Hongmeng Supreme can capture him. If Su Chen controls the Heavenly Ladder, he can still capture it. Do you need to be afraid of Hongmeng Supreme?

Murong Qingcheng replied, "Su Chen, this is true. You will know the details after you climb the 10,000th floor of the ladder to heaven."

Su Chen hugged Murong Qingcheng and nodded and said,

"I understand, but, little girl, look at my trial this time, do you think I can climb to the 10,000th floor? The nine thousand six hundred level trial is a dead end. No matter which world I go to trial in, I will always be dead."

Murong Qingcheng touched Su Chen's face and reminded,

"Su Chen, I know that the subsequent trials will become more and more abnormal, but the trials will definitely leave a glimmer of hope for the trialists. You can only survive the trials by finding that glimmer of hope."

"A glimmer of hope?"

Su Chen thought about it.

Every trial has a glimmer of hope? Why didn't he find it in the previous trials?

Su Chen looked at the three light gates and frowned. There was a magical world, a fantasy world, and a prehistoric fairyland.

Among the three trial worlds, the magic world should be the safest among the three worlds, but it is not necessarily, well, a glimmer of hope?

Su Chen thought that when he entered the trial world, he would be hunted down immediately. What would he do then? Looking for a chance of survival?

Murong Qingcheng did not disturb Su Chen's thinking.

She could not help with the test of the ladder to heaven.

Su Chen had to complete all this by herself. She believed that the shameless little bastard would definitely pass the test.

Under the ladder to heaven,

Nuwa The empress and other girls looked at Su Chen and were puzzled.

"Did you see a white shadow flash past? Su Chen seemed to be holding someone at the moment. Is the white shadow the girl on the ladder that Su Chen mentioned?"

"possible"

"No, who was it that bombarded Su Chen just now? The girl on the ladder shouldn't bombard Su Chen, right?"

"It should be the real ladder. Su Chen said that the girl on the ladder is just the manager of the ladder. What Su Chen just scolded was the ladder. I guess the one who bombarded Su Chen should be the real ladder."

"Did the girl on the ladder show up to help Su Chen?"

"It should be, don't forget, there is no woman that Su Chen can't deal with. The girl on the ladder may have been taken down by Su Chen. Her appearance will definitely help Su Chen."

"That's right. That bastard Su Chen might have captured the girl on the ladder long ago. Otherwise, the rest of us wouldn't be allowed to climb the ladder."

Chapter 2809

After the Nuwa Empress and the other girls talked for a while, they all looked at Su Chen. Will Su Chen continue to climb the ladder? Or is this the end of climbing the ladder?

The little fox asked Nuwa,

"Sister Nuwa, will Su Chen quit climbing the ladder?"

Nuwa Empress replied with a serious face, "I don't know, but we will not object to Su Chen's decision. If Su Chen quits climbing the ladder, we can only support him. Gaia nodded and said,

"Yes, although it is a bit regretful that Su Chen quit climbing the ladder, we must support all of Su Chen's decisions."

Concubine Yan looked at the ladder and said,

"Don't worry, if there are no accidents, your husband will definitely climb the ladder to heaven. With the appearance of the girl on the ladder to heaven, I guess the girl on the ladder to heaven is trying to persuade Su Chen to continue climbing the ladder to heaven."

Guanyin Bodhisattva nodded and said,

"It is possible to do"four, seven, three". Xihe reminded with a smile,

"Let's continue and see. My husband probably doesn't want to give up climbing the ladder. There are still four hundred floors left to climb to the ten thousandth floor. Unless my husband is really angry, he will not give up climbing."

The other girls all nodded.

They don't care whether Su Chen gives up climbing the ladder, but they will unconditionally support Su Chen's decision. If Su Chen quits climbing the ladder, he must have a reason.

On the ladder,

Su Chen thought for a while but still couldn't figure it out, a glimmer of hope?

Shit, it's a glimmer of hope.

He didn't find any glimmer of hope in the previous trials.

Forget it, let's talk about it after entering the trial world.

If he can't find a glimmer of hope, or the trial There is nothing he can do if he fails. There are four more trials left in the nine thousand six hundred level trial. He cannot pass the nine thousand six hundred level trial of the ladder. The remaining three trials are even more difficult to pass.

"Ladder, start rolling the dice!"

Whoosh!

A dice suddenly appeared in front of Su Chen.

He waved his hand and shook it.

It was a blessing, not a curse, but it was a curse that could not be avoided. In the three terrifying trial worlds, each one was more dangerous than the last. Su Chen could only hope that the dice would be the same. Safe magical world

"Holy shit, three?"

Su Chen saw that the dice rolled up to three, and his face turned dark instantly.

Three?

Will his identity be a Chaos Demon God, or a Chaos Demon God without strength?

Damn it, the prehistoric fairy world!

He is in the prehistoric fairy world. Might not survive more than a quarter of an hour

"Su Chen, be careful."

Murong Qingcheng saw that Su Chen had shaken three, and her face also showed a worried expression.

Three is a Chaos Demon God without strength.

In the ancient fairyland,

Su Chen's trial will be very difficult and terrifying. If you're not careful, the little bastard will be killed and the trial will fail.

"I know..."

Before Su Chen finished speaking, he was sucked into the trial world by the light gate.

Murong Qingcheng smoothed his hair and sighed, "Oh, I hope Su Chen can find a chance to pass the trial."

Under the ladder to heaven,

Nuwa and her daughters saw Su Chen disappear. They understood that Su Chen continued to climb the ladder and continued to accept it. Trial of the Ladder

"Where is Yan'er? And where are Yue'er and the other three little girls?"

Concubine Yan suddenly realized that the four Su Yan sisters were not around, and she became worried.

The realm war was about to begin.

If the four Su Yan sisters ran out of the Xuantian realm again, she was worried that something bad would happen to the four little girls.

The Queen Mother said worriedly, "It's broken, Yan'er and the others won't leave secretly, right?" (To read Baoshuang novels, go to Feilu Novel Network!)

Concubine Yan hurriedly ordered,

"You Ruo, Nie Xiaoqian, please quickly lead the shadow assassins and female ghosts to find the four sisters Su Yan and capture them."

"Yes, Queen."

Youruo and Nie Xiaoqian hurriedly saluted. They immediately called their men to get off work and disappeared into the ladder space.

Gaia shook her head and said,

"I'll go too. The four Su Yan sisters all have powerful spiritual treasures. You Ruo and Nie Xiaoqian may not be able to catch them."

Concubine Yan nodded in agreement,

"Sorry, sister. Gaia waved her hand and disappeared into the space of the ladder.

The girls under the ladder shook their heads speechlessly. The Su Yan sisters were too naughty and foolhardy. If they were not careful, the sisters would escape from the Xuantian Realm.

In the Starry Sky Fortress, the ruthless empress appeared outside the fortress.

She came to the Starry Sky Fortress to form an alliance with Luo Hu.

The Primeval Heavenly Way was going to be destroyed first. A crazy Primeval Heavenly Way could not exist anymore. 0.

"Met the eldest princess"

"I've met the eldest princess!"

"I've met the eldest princess!".....

The ruthless empress entered the starry sky fortress unimpeded, and the demons she met along the way saluted and greeted the ruthless empress.

The ruthless empress was speechless, eldest princess?

Is she the eldest princess of the demon clan?

The ruthless empress understood that this was because of his brother Su Chen.

The demon clan had always wanted to form an alliance with Su Chen these years, and would ask Su Chen once or twice every year if he had left seclusion.

Luo Hu was really anxious.

The space passage between the ferocious beast realm and the prehistoric fairy world was connected, and Luo Hu also had to face the threat from the ferocious beast realm.

In the main hall of Starry Sky Fortress,

Luo Hu saw the ruthless empress arriving and asked hurriedly,

"Ruthless man, has your brother been released from prison?"

The ruthless empress replied,

"Demon Ancestor, my brother will be out of seclusion within a month. I am here to inform Demon Ancestor that my brother will make an alliance with you, but after our alliance, we must first destroy the prehistoric heaven."

When Luo Hu heard that Su Chen was willing to form an alliance with him, a smile appeared on his face, but why should he destroy the Great Desolate Heavenly Dao first?

With the Great Desolate Heavenly Dao here, wouldn't the Beast Emperor Shenni deal with the Prehistoric Heavenly Dao first? The Great Desolate Heavenly Dao is also a good one. 0.5 cards for blocking arrows,

"Destroy the ancient way of heaven? Cruel man, the Ferocious Beast Realm will launch a realm war within two years. By then, we will watch the Beast Emperor Shen Ni and the Primordial Heavenly Way both lose, isn't it good?"

The ruthless empress asked with a cold face, "Demon Ancestor, haven't you noticed the changes in the ancient way of heaven?" Luo

Hu nodded and replied,

"I discovered that the prehistoric heaven has destroyed tens of millions of prehistoric immortals in the past few months. What does this have to do with us?"

The ruthless empress reminded,

"Demon Ancestor, we in Xuantian Realm speculate that the changes in the ancient way of heaven may be related to Pangu. Luo

Hu stood up in shock and shouted,

"What? Pangu? Pangu died a long time ago. Pangu opened up the ancient immortal world and incarnated all things, his soul turned into the three pure beings, and his essence and blood turned into the twelve ancestral witches. How could he still be alive?".

Chapter 2810

Luo Hu's cold face showed a look of fear,

Pangu?

All the enemies of the Chaos Demon God, the three thousand Chaos Demon Gods, were killed by Pangu. The power of the Demon God of Power made all the Chaos Demon Gods very desperate.

When Pangu opened up the ancient world of immortality, three thousand Chaos Demon Gods stopped Pangu, but in the end they were all killed by Pangu. The Chaos Demon Gods were very afraid of Pangu.

Luo Hu is no exception.

Pangu is not dead?

Are the changes in the ancient ways of heaven related to Pangu?

How can this be?

Pangu's soul was divided into three parts and turned into three pure beings, his essence and blood were divided into twelve parts and turned into twelve ancestral witches, and Pangu's corpse turned into the mountains, rivers, earth, sun, moon and stars in the ancient immortal world.

Pangu was too dead to die anymore, how could he be revived?

The ruthless empress reminded with a serious face,

"Demon Ancestor, this is the speculation of our Xuantian Realm, and it is also the reason why we want to form an alliance with you to kill the Prehistoric Heavenly Dao first. Regardless of whether the reason why the Prehistoric Heavenly Dao went crazy is because of Pangu, we must kill the Prehistoric Heavenly Dao first. Luo

Hu nodded and said coldly,

"That's right. No matter whether the prehistoric Heavenly Dao went crazy because of Pangu, as long as there is a slight possibility, we cannot allow Pangu to be resurrected."

"Demon Ancestor, one month of preparation time. One month later, when my brother comes out of seclusion, the Xuantian Realm will dispatch ten holy realms above the fifth level. Let us jointly destroy the prehistoric heaven."

"Ten holy realms above the fifth heaven? Ruthless people, your Xuantian Realm is really powerful."

Luo Hu was very surprised.

There are actually ten holy realms above the fifth heaven in Xuantian Realm? How many holy realms are there below the fifth heaven?

Damn it, how many saints are there under that old yin Su Chen ? Realm?

A Nuwa has the cultivation realm of the sixth or seventh heaven of the holy realm, and there are nine holy realms of the fifth or higher heaven.

Damn, the Xuantian realm is really terrifying, that old yin Su Chen is too cool They are no longer human beings.

Luo Hu felt very uneasy. The only holy realms he had under his command were the second and third levels of the holy realm, and among his seven holy realms, that bastard Su Chen also left a strong holy realm.

Damn old bastard,

Luo Hu thought that Su Chen had at least ten strong men in the holy realm, and that bastard wanted to take one of his holy realms.

He felt very angry and helpless in his heart. He was a sinister bastard, a scheming old man. Dirty.

The ruthless empress said to Luo Hu,

"Demon Ancestor, I take my leave. My brother will arrive in person in a month with the powerful Saint Realm~."

Luo Hu nodded and agreed, "Okay, I will wait for your brother's arrival in the Starry Sky Fortress."

"Farewell!"

The ruthless empress waved her hand, and she disappeared in front of Luo Hu in an instant.

"Huh? No space fluctuation? A quasi-sage actually made it impossible for him to detect even the eighth-level holy realm. Damn it, this old bastard must have given his sister a powerful space spirit treasure."

Luo Hu sat down and rubbed his forehead.

He wanted to see where the ruthless empress had gone. He also wanted to know where the Xuantian realm was.

But the disappearance of the ruthless empress did not cause any spatial fluctuations.

He, a strong man in the eighth level of the holy realm, Unexpectedly, the whereabouts of the ruthless empress were not found out at all.

The heavenly ladder,

Murong Qingcheng and the girls under the heavenly ladder are all waiting for Su Chen to appear. It is almost three breaths.

Su Chen will return around three breaths in every trial. , everyone wants to know whether Su Chen will return smoothly and whether he will appear on the 9700th floor.

"The time of three breaths used to pass in the blink of an eye, but now it feels like it passes so slowly."

"Yes, this time the three breaths passed very slowly."

"We are worried because Su Chen will definitely complete the trial successfully."

"The little bastard has never failed, he will definitely appear on the 9700th floor." (To read exciting novels, go to Feilu Novel Network!)

"Yes, Su Chen has been creating miracles. The trials may be very scary, but Su Chen will definitely complete the trials successfully."

"Haha, do you think that after Su Chen successfully completes the trial and appears, will Su Chen still scold the ladder in the next terrifying trial?"

"Definitely, the little bastard is not one to swallow his anger. If he is unhappy, he will definitely scold him."

The girls at the bottom of the ladder were talking while looking at the 9700th floor of the ladder. Everyone believed that Su Chen would successfully appear on the 9700th floor. They all believed that Su Chen would definitely complete the trial and return..

On the 9700th floor of Heaven,

Murong Qingcheng was sitting on the steps waiting for Su Chen's return. She also believed that Su Chen would complete the trial and appear on the 9770th floor.

After a breath,

Su Chen's figure appeared. On the 9700th floor, however,

Su Chen's face was very cold, and his whole body was filled with a terrifying aura.

"Suchen, you....What's wrong with you?"

Murong Qingcheng saw that Su Chen's breath was unstable and about to explode at any time.

She didn't know what Su Chen had experienced, but Su Chen was angry, helpless, and even had a painful expression at the moment.

Murong Qingcheng guessed that Su Chen must have experienced What happened? Maybe Su Chen lost something in the trial world.

"`.I'm fine."

Su Chen waved his hands and sat down.

The nine thousand six hundred level trial of the identity of the Chaos Demon God was his most heartbreaking trial.

Empress Nuwa was suppressed in order to save him, Hou Tu was suppressed, and Xuan Ming was killed. , Xihe was killed, and Chang Xi was killed.

If it weren't for the five women's desperate protection,

Su Chen would have been suppressed and killed if he couldn't hold on for a day.

Hongjun, the five saints, and

Su Chen would definitely make them pay the price, even though it was just one The ancient fairyland of trials, but after Su Chen climbed the ladder to heaven, he would definitely go back for revenge. Su Chen would use the most cruel means to kill Hongjun and the five saints. After a while,

Su Chen stood up and looked at the light gate.

The three There are only two light gates left, and the remaining two light gates have not changed. It's just a dice roll. The identity of a big devil in a fantasy world, the identity of a big villain in a fantasy world, the damn ladder to heaven, three You have to go through the trials of each light gate. Should you shake the dice or his (the one who promised money) the hammer?

"Girl, I'm going to continue the trial."

Su Chen nodded to Murong Qingcheng.

He walked towards the light door of the fantasy world and went from difficult to easy.

No,

Su Chen has no cultivation level at all. The three trial worlds are very difficult for him. The horror.

Whoosh,

Su Chen was sucked in by the light door of the fantasy world.

Murong Qingcheng opened her mouth but did not say anything. She felt that something was wrong with Su Chen.

Su Chen was not only silent this time when he returned, but she also felt Su Chen's heartache and pain.

On the 9600th level, what did Su Chen go through?

Why did Su Chen look so miserable and sad?

Murong Qingcheng wanted to ask but didn't want to. She was worried that Su Chen's answer would make Su Chen even more miserable. pain

"The sky is unpredictable, and people are prone to misfortunes and blessings. Little bastard, you are a strong man in the fairy world and the emperor of the world. I hope you can be more open-minded."
