Chapter 2811

In the chaos, a Sky Blade battleship was flying at the speed of light. In the battleship, the four sisters of Su Yan were lying on the seats and eating fairy fruits.

Elena asked worriedly,

"Sister, will we be discovered?"

Su Yan took a bite of the flat peach and replied,

"No, the Sky Blade Battleship was upgraded to the ultimate innate spiritual treasure by my father. Its defense is comparable to that of the innate treasure. If its speed is fully unleashed, not even the saints from the third level of the holy realm can catch up."

"We secretly left Xuantian Realm again. After more than half an hour, the aunts found that we were missing, and it was difficult for them to find any trace of us."

Su Yue said worriedly while drinking juice.

"Sister, when we return to the Xuan Realm in the future, we will all be dead. My mother will definitely not let me go.~"

Su Yan curled her lips and asked, "Yue-er, how about you go back?"

"I don't want it, I want to take risks with my eldest sister."

Su Yue hurriedly shook her head and refused,

Go back?

Does she dare to go back?

Su Yue thought that it was too late to go back now. Her mother, Concubine Yan, would definitely teach her a lesson.

Besides, if she went back, her eldest sister Su Yan would not take her with her in the future. She played with her, and Su Yue was also worried that Su Yan would tease her in the future.

Su Yao ate the peaches and looked at the three sisters with a smile. She felt that having three sisters was very good.

The three sisters not only gave her fairy fruit treasures, but also took her with them Go on adventures and play. Although Su Yao has been incarnate for thousands of years, she has never had such an experience.

"Princess, we found a strong man in the holy realm."

Suddenly, an angel suddenly reported to Su Yan.

Su Yan asked hurriedly,

"What? Found a holy place? Where and how many heavens are there in the holy realm?"

The blonde beauty angel replied,

"Princess, in the northwest, tens of millions of years away from us, she is a saint in the second heaven of the holy realm."

"Angel Xiyun, follow me. Let's check what realm the saint is from."

"Yes, princess."

After Angel Xiyun saluted Su Yan, she ordered the angel who controlled the Sky Blade Battleship to follow her. The

Sky Blade Battleship is Su Chen's battleship, but Su Yan has Su Chen's Blue Bird Jade Pendant, and Angel Xiyun dare not violate it. Su Yan's order.

There is a legion of battle angels in the Sky Blade Battleship.

In addition to the Holy Angel and Angel Ailan, Angel Xiyun is the highest commanding angel of the Angel Legion.

Angel Xiyun is in the realm of Da Luo Jinxian, six The Great Battle Angel is the early stage of Daluo Golden Immortal. The lowest cultivation level of the Ten Thousand Battle Angels is Golden Immortal.

Angel Ailan is not on the Sky Blade Battleship, and Angel Xiyun was commanded by Su Yan to leave Xuantian Realm. She has always been uneasy in her heart. , if something happens to Su Yan's four sisters, she will not be blamed even if she dies.

Su Yao asked worriedly, "Sister, will it be in danger for us to be in the same holy realm?"

Su Yan replied with a smile,

"Xiao Si, don't worry. A saint who is in the second level of the holy realm can be destroyed by the Sky Blade Battleship. Let's follow him secretly. If we can discover the existence of a realm, we will return to the Xuantian realm in the future. We sisters. No need to worry about being punished."

A realm?

Su Yan had an excited expression in his eyes.

She had destroyed countries before, and she had not yet conquered the vast realm. If she could destroy or conquer a realm, Su Yan believed that she would Her father, Su Chen, was impressed by her.

Su Yue asked with wide eyes, "Sister, you are not going to destroy an entire realm, are you?"

Su Yan shook his head and replied,

"Not necessarily. If the realm we discover is not strong, we will conquer it. If the realm we discover is very powerful, we will tell our father about this realm.

Elena asked hurriedly, "Sister, what is the standard of strength you are talking about?"

Su Yan touched his fair chin, thought for a while and said, "Those above the fifth level of the Holy Realm are considered powerful, and those below the fifth level of the Holy Realm are scum."

Su Yue was frightened and coughed and hurriedly reminded, "cough cough cough....., Sister, you seem to be just Taiyi Golden Immortal. Are you sure you didn't say anything wrong just now?"

"I'm not wrong!"

Elena shouted in panic, (To read exciting novels, go to Feilu Novel Network!)

"Oh my God, eldest sister, are you going to commit suicide like your father? A strong man in the Holy Realm can destroy us at will. Fifth level of the Holy Realm? Even if we have the Sky Blade Battleship, we can't defeat the saints from the fifth level of the Holy Realm."

Su Yue and Elena were both frightened.

Although their sisters had many treasures, they had to face a saint from the fifth level of the holy realm, and there might also be a powerful heaven.

Su Yan wanted to Are they leading their sisters to commit suicide?

Are these four sisters their father?

Their father's attempt to commit suicide can avert danger, but they are all scumbag immortals. Can their sisters be able to face the holy realm and avert danger?

Su Yan curled his lips and reminded road,

"Mistress, have you forgotten the jade talisman in our hands? Do you think a saint from the fifth heaven of the holy realm can withstand the full blow of Empress Nuwa from the eighth heaven of the holy realm?"

"We still have the jade talismans of Aunt Gaia, the seventh level of the Holy Realm, and the jade talismans of Aunt Yinji and Lengyue. Are we still afraid?"

Su Yue and Elena were stunned when they heard Su Yan's words.

They had forgotten the jade talismans of their saint aunts, one from the eighth level of the holy realm, one from the seventh level of the holy realm, six from the sixth level of the holy realm, and There are more than a dozen jade talismans from the fifth and fourth heavens of the holy realm.

They are really not afraid of a saint from the fifth heaven of the holy realm. The saint from the fifth heaven of the holy realm is really a scumbag in front of their sisters.

Elena reminded road,

"Sister, although we can defeat the strong men in the Holy Realm, how can we win the Realm? There are only 10,000 angel legions in the Sky Blade Battleship, and we have no army."

Su Yan said with bright eyes,

"It's time for my Black Bird Legion to show its face. The 10 million Black Bird Legion has not launched a war for a long time."

Su Yue and Elena were speechless.

The warmonger Su Yan must start a war, a boundary war?

The boundary war in the ancient immortal world has not yet started. They did not expect that Su Yan would start other boundary wars first.

Su Yao listened with confusion, but her face turned pale as she listened.

Su Yao knew that she had many powerful aunts in the holy realm, but she did not expect that her three sisters all had jade talismans in the holy realm.

And there are more than one, more than ten holy jade talismans. She is a little scared just thinking about it. And her eldest sister Su Yan also has a legion, a legion of 10 million black birds? This scares her even more.

Su Yao is confused. asked,

"Sister, is your black bird army strong?".

Chapter 2812

When Su Yue and Elena heard Su Yao's question, they shook their heads speechlessly.

Is the Black Bird Legion powerful?

The Black Bird Legion was certainly powerful, and it was so powerful that people didn't expect it.

Su Yan wanted the Black Bird Legion to become stronger quickly.

In the time barrier, the Black Bird Legion stayed there for more than 100,000 years, and the huge training resources were sufficient for the Black Bird Legion to use.

Su Yue patted Su Yao's little head. said,

"Xiaosi, my eldest sister's Black Bird Legion is very powerful. The immortal soldiers with the lowest cultivation level are all from the Celestial Immortal Realm. There are also many Black Immortals, Golden Immortals, and Taiyi Golden Immortals, and there are hundreds of legion commanders in Daluo Jinxian. More than ten powerful quasi-sage men were also recruited into the Black Bird Legion by the eldest sister."

Su Yao exclaimed in surprise,

"Wow, eldest sister's black bird army is so powerful."

Su Yan said with a smile, "Xiaosi, eldest sister will also give you an army in the future."

"Send troops?"

Su Yao was a little confused.

She is now a 301-year-old little girl. Why did Su Yan send her the army?

Elena saw Su Yao's confused look, and she thought of the scene when she met Su Yan for the first time. , Su Yan also gave her an army at that time.

My sister gave my sister an army?

This gift is really special.

"Haha, Xiaosi, the eldest sister gave us the army. You will use the army when you grow up."

"Thank you, sis."

Su Yao smiled and thanked Su Yue after hearing Su Yue's words.

She didn't care about the army, but Su Yan sent troops to both Su Yue and Elena. She understood that Su Yan really regarded her as her sister.

Su Yan waved his hand and said ,

"Let's go to the combat command room. The Heavenly Blade battleship should quickly catch up with the saint in the second level of the holy realm."

"Ok sis."

Ladder to heaven, all the girls at the bottom of the ladder became nervous.

It's already the 9800th floor.

Will Su Chen appear again on the 9900th floor?

"It's almost time, there are still a hundred floors left, my husband is about to climb to the ten thousand floor."

"Yes, I'm very nervous. There are only a hundred levels left. Don't fail, little bastard."

"I am also very nervous. I hope my husband can successfully climb to the 10,000th floor."

"Don't worry, the little bastard will definitely climb the 10,000th floor"

"Haha, you are right, Su Chen only has one hundred floors left, and he will find a way to climb to the ten thousand floor no matter what."

The Nuwa Empress and the other girls were talking and looking towards the ladder.

There were nine thousand nine hundred floors in the ladder.

They were all looking forward to Su Chen appearing on the nine thousand nine hundred floor.

Whoosh!

Su Chen's figure instantly appeared on the nine thousand nine hundred floor. superior,

"Damn, I finally completed the perverted trial."

Su Chen sat down and took a sip of wine.

After three abnormal trials,

Su Chen passed.

There are still the last hundred levels of the ladder, and he still has to pass an unknown trial.

If Su Chen passes the last trial, he will Climb the 10,000th floor of the ladder to heaven

"Ladder, what is the last trial?"

【Trialist, the trial of the 9900th level is: kill Pangu, the demon god of power in the tenth level of the Holy Realm. All your cultivation realms will no longer be restricted, all your spiritual treasures will no longer be restricted, and all your abilities will no longer be restricted. No more restrictions.】

Am I the one who killed Pangu, who was in the tenth level of the Holy Realm?

Can he kill?

Su Chen is only a quasi-sage.

He can kill saints from the third heaven of the holy realm.

If all his abilities are used, he can fight against the saints from the seventh and eighth heavens of the holy realm without losing.

However, this is Pangu.

A Pangu who slaughtered three thousand demon gods.

Although Pangu in the trial world only has the tenth level of the holy realm, this is not an existence that he can deal with. (To read Baoshuang novels, go to Feilu Novel Network!)

Not to mention killing Pangu, it would be good if he was not killed by Pangu. Su Chen could not pass the 9900-level trial no matter how hard he tried.

"Tianti, do you think I can kill Pangu? Do you think I, a quasi-sage, can kill Pangu who slaughtered three thousand demon gods? Are you going to stop until you kill me?"

【Trialist, you can!】

"I can do nothing, Heavenly Ladder. If you have the ability, try it with the same strength as me. If you kill Pangu, I will take your last name from now on."

【Trialist, I have no surname】

"Let me guess, is this a matter of surname? What I mean is that I simply cannot complete this trial mission."

【Trialist, you can!】

"Holy shit!"

Su Chen rubbed his forehead with a dark face.

Can it be done?

Can he do it?

If Su Chen could do it, would he still be so helpless?

Would he still be complaining about the ladder?

"what to do? How to pass the last hundred levels of trials?"

Su Chen sat down and thought.

Even if he used all the half-step Chaos Spiritual Treasures, innate treasures, and asked the Archangel, Bing Ji, and Xue Ji to help, Su Chen would not be able to kill the terrifying Demon God of Power Pangu. No matter how hard he tried , , after doing the last trial, if Su Chen failed the final trial, he would try his best.

Su Chen shouted to the ladder, "Beauties, I am going to kill Pangu, you all pray for me."

Whoosh,

Su Chen instantly disappeared on the 9900th floor of the ladder.

The last trial was also the most terrifying one. Su Chen was not sure whether he could pass the terrifying 450 trials that made people despair..On the 10,000th floor,

Murong Qingcheng was very helpless when he heard Su Chen's words,

Pangu?

The last trial turned out to be Pangu?

The most terrifying boss in the chaotic world, can the little bastard pass?

Pangu could kill three thousand demon gods After all, Su Chen encountered the most terrifying trouble on the ladder.

Abnormal, the ladder was too perverted.

Under the ladder,

Nuwa and the other girls were stunned.

What did Su Chen say?

Kill Pangu?

Nine thousand nine hundred The first level of trial is to kill Pangu?

"Oh my god, Su Chen is going to kill Pangu? Can Pangu be killed?"

"Abnormal, so perverted, is Tianlai asking Su Chen to die? Three thousand demon gods were all slaughtered by Pangu. How could Su Chen kill Pangu, the demon god of power?"

"It's over, Su can't pass the final trial"

"Yes, it is impossible for Su Chen to kill Pangu. The ladder to heaven really wants to kill Su Chen."

"Alas, let's wait and see if we can pass the test. We can only wait until Su Chen comes back to find out."

"The little bastard called us beautiful before he left. Is he capable of killing Pangu?"

"is it possible? Even if Pangu is in the fifth level of the holy realm, I, who is in the eighth level of the holy realm, will be hacked to death by Pangu with an axe."

Chapter 2813

Empress Nuwa and the daughters of Concubine Yan were talking. They were all very worried.

Kill Pangu?

How could Su Chen kill Pangu?

When Pangu was surrounded by three thousand Chaos Demon Gods, he was able to kill all three thousand Demon Gods.

Su Chen was only a quasi-sage.

Although he could leapfrog and kill the holy realm, facing the terrifying Pangu, the girls did not believe that Su Chen could kill Pangu.

Concubine Yan asked,

"Sister Nuwa, my husband should not be restricted by the heavenly ladder to cultivate his realm, nor be restricted from using spiritual treasures. My husband has half-step chaos spiritual treasures, innate treasures, and there are two chaos demon gods in the Demon Tower of Desire, Bing Ji and Xue Ji, will they also be restricted?"

Nuwa Empress thought for a while and said,

"It's uncertain. Bing Ji and Xue Ji have been practicing in the Demonic Tower of Desire. In this trial, the ladder will not restrict all of Su Chen's abilities and spiritual treasures, but will Bing Ji and Xue Ji be lifted from the restrictions? I don't know. Can't guess."

When Concubine Yan and the other girls heard what Nuwa said, they couldn't guess whether Bing Ji and Xue Ji could help Su Chen.

If Bing Ji and Xue Ji could help Su Chen, Su Chen still had a chance of killing Pangu. , without the help of Bing Ji and Xue Ji, Su Chen would not have even a chance to kill Pangu.

Trial World 490, in the chaos,

Su Chen sat on the shoulders of the archangel with a serious expression, Bing Ji and Xue Ji Standing on both sides of Su Chen.

Tens of millions of miles away, a battle between three thousand Chaos Demon Gods and Pangu was taking place. Pangu, the Demon God of Power in the tenth level of the Holy Realm, faced three thousand Chaos Demon Gods from the seventh and eighth level of the Holy Realm alone. Surrounded and killed, such a scene was very terrifying. They felt the aura of terror tens of millions of miles away.

This was the battle when Pangu opened up the ancient world of immortality. This was also the period when Pangu killed all the chaotic demon gods.

Xue Ji vs. Su Chen He opened his mouth and said,

"Su Chen, we let the three thousand Chaos Demon Gods take the lead. We still have a chance to kill Pangu, and the ladder to heaven is not asking you to die."

Bing Ji nodded and said,

"Yes, if we wait until Pangu kills all the Chaos Demon Gods, Pangu will also be injured, and then we make a sneak attack when Pangu opens up the prehistoric fairyland. We have a high chance of killing Pangu."

Su Chen nodded after hearing Bing Ji and Xue Ji's words.

They cannot join the battle in the chaos at this moment. Pangu and the Chaos Demon God are both enemies. As long as Su Chen and the other two appear, Pangu and all the Chaos Demon God will attack them.

Su Chen took out the Chaos Clock and said,

"Xue Ji, you use my half-step Chaos Spirit Treasure Chaos Bell, Bing Ji uses your half-step Chaos Spirit Treasure Ice and Snow Lotus, we wait until the end of the battle before taking action"

"good!"

Bing Ji and Xue Ji nodded in agreement.

Su Chen is protected by the half-step Chaos Spirit Treasure Archangel. They don't have to worry about Su Chen's safety. Bing Ji and Xue Ji are in the fourth level of the Holy Realm. They are in the fourth level of the Holy Realm.

They have been practicing in the Demon Tower of Desire for hundreds of thousands of years, and their promotion speed is very fast.

If it weren't for the life spirit liquid and the origin of heaven provided by Su Chen, they might not be able to advance to the fourth level of the Holy Realm in millions of years.

One time Little by little passed, and the battle in the chaos was still going on.

From time to time in the distance, the Chaos Demon God was beheaded by Pangu. Pangu, who was thousands of meters tall, wielded the sky-opening ax like a demon god, killing one by one with the axe. Chaos Demon God.

Su Chen looked at it for a while and shook his head and said,

"Damn it, Pangu was taller and more powerful than the Titans. Pangu, a muscular man, even with the best innate spiritual treasures, could hardly break through his body defense."

Bingji asked with a smile,

"Haha, little bastard, are you scared?"

Su Chen curled his lips and replied, "Of course I'm afraid. That is the Great Demon God Pangu, the most terrifying boss in the chaotic world. Aren't you afraid?"

Xue Ji nodded and replied,

"Fear? Of course we are afraid. The Ice and Snow Demon God was killed by Pangu with an axe. We are very afraid when facing Pangu.

Su Chen asked doubtfully, "By the way, have you discovered the Ice and Snow Demon?"

Ice and Snow Demon God!

The predecessors of Bing Ji and Xue Ji, (abfh) (to read Baoshuang novels, go to Feilu Novel Network!) The

Ice and Snow Demon God has not fallen, and Bing Ji and Xue Ji cannot be separated from the remains of the Ice and Snow Demon God.

Bing Ji replied with a cold face,

"Not yet, but it should be soon. None of the ten Chaos Demon Gods have appeared yet. The Chaos Demon Gods fighting Pangu at this moment are all cannon fodder. The ten Chaos Demon Gods will wait for Pangu's mana to be consumed before they take action."

Bing Ji and Xue Ji were a little tangled in their hearts.

After the Ice and Snow Demon God appeared for a while, they didn't know whether to save them when facing the Ice and Snow Demon God. Although the Ice and Snow Demon God in the trial world was not their true form, the Ice and Snow Demon God in the trial world was The Ice Demon God is also the Ice Demon God.

Su Chen saw the tangled expressions of Bing Ji and Xue Ji. He instantly appeared next to Bing Ji and Xue Ji.

Su Chen hugged them and said,

"Bing Ji, Xue Ji, this trial is just a mirror image. The Ice and Snow Demon God is not your original Ice and Snow Demon God, and we can't get all the Chaos Demon God and Pangu's spiritual treasures. You can think of the Ice and Snow Demon God in the trial world. A puppet."

Xue Ji nodded and replied,

"We understand."

Bing Ji grabbed Su Chen's groping hand and warned,

"Little bastard, please be honest. The battle will affect us at any time. Don't do evil to us with your lustful heart."

Su Chen touched Bingji's smooth and delicate face and said,

"Bing Ji, the battle between Pangu and the Chaos Demon God will take a long time. Why don't we do some romantic things first?"

"Go away, shameless pervert."

Bing Ji slapped Su Chen's hand away and cursed angrily.

She didn't expect Su Chen to be so lustful. Is now the time to do romantic things?

Facing Pangu, if they are not careful and vigilant, otherwise,

Pangu will Will kill them instantly

"Xue Ji, if you have anything to do, go to the Demon Tower of Desire and let us know. Bing Ji and I will be in love for a few days."

Whoosh!"

Su Chen hugged Bingji and said to Xuezu. He and Bingji disappeared in an instant beside Xueji.

"What a jerk."

Xue Ji didn't expect Su Chen to have a romantic affair with Bing Ji. She patted her forehead and felt helpless.

Facing the terrifying Pangu,

Su Chen still had the heart to do romantic things. The little bastard was really helpless.

Xue Ji Ji looked at the battle in the distance, and something stirred in her heart. Su Chen and Bing Ji were going to have a good time, why should she be here to look out?

"Archangel, you set up space defense and time defense barriers. I want to enter the Demonic Tower of Desire. If anything happens, please inform us."

The archangel was confused for a moment.

She didn't expect that Su Chen and the three of them had entered the Demonic Tower of Desire. The archangel understood what Su Chen and the other three were going to do.

But is this okay?

The archangel hurriedly waved his hand and set up a defensive barrier. She put This space is also hidden

"Do you want to enter yourself? The master is very powerful, Bing Ji and Xue Ji should be no match"

Chapter 2814

There is no time in the chaos.

The battle in the distance is still going on.

There are less than a hundred Chaos Demon Gods left. Some Chaos Demon Gods tried to escape but were killed by Pangu one by one.

"I am Pangu, the demon god of power. Anyone who prevents me from becoming enlightened will die."

At this moment,

Pangu's Chaos Spiritual Treasure Pangu Ax was shattered, and three innate treasures were separated.

Chaos Bell,

Tai Chi Diagram,

Pangu Flag, three innate treasures floating around Pangu, Chaos Spiritual Treasure Chaos Qinglian and Good Fortune Jade Disc They are all cracked and about to be shattered

"I am the demon of time, time, Pangu will die!"

"I am the Space Demon God, Yang Mei, Pangu suffers death!"

"I am the killing demon, Rahu, and Pangu suffers death!"

"I am the devil of fate, fate, Pangu will die!"

"I am the Demon God of Ice and Snow, Ice and Snow, Pangu suffers death!"

"I am the demon of life....."five sixty seven"".....

In the chaos, ten Chaos Demon Gods from the Ninth Level of the Holy Realm appeared opposite Pangu one after another. They all exuded a terrifying aura and looked at Pangu.

"kill!"

"Time goes backwards!"

"Space cutting!"

"Ice, snow and frost!"

"The sword of destiny cuts off the long river of fate.".....

Ten million miles away,

Su Chen, Bing Ji, and Xue Ji came out of the Demonic Tower of Desire, and the Archangel also appeared next to Su Chen.

Bing Ji, Xue Ji and the Archangel were all flushed, and their bodies were weak and weak at the moment.

Bing Ji glared at Su Chen angrily and shouted, "You little bastard, how can we fight if you let us stay like this?"

"Bingji, you will recover quickly after eating Huangzhong pear."

Su Chen kissed Bing Ji and said.

He had enjoyed it very much in the Demonic Tower of Desire before. The tenderness and passion of Bing Ji and Xue Ji, as well as the strange tall and bumpy figure of the archangel, Su Chen had enjoyed for hundreds of years at a time.

"you're such a bastard"

"Bing Ji, look at Xue Ji's well-behaved look. Is it useful for you to scold me? Also, you were very comfortable before, and your screams were also very tempting. I couldn't help but want to have sex with you."

"Shameless!"

Bing Ji wanted to stop this bastard's mouth.

She didn't expect Su Chen to be so shameless. Can she say these private words? Although Xue Ji and Archangel also called her that, she still felt very embarrassed and shy.

Xue Ji Ji blushed and rolled her eyes at Su Chen. She didn't want to talk to Su Chen at the moment.

Su Chen was too shameless.

She still felt her mouth was a little numb at the moment. Su Chen asked her to serve him with her mouth. Although she didn't want to, Bing Ji did it. Now, Xue Ji and Bing Ji served Su Chen together

"You should quickly take Huang Zhongli to recover. The battle between Pangu and the Chaos Demon God is coming to an end. We must join the battle at any time."

"good!"

"We will recover immediately!"

"Don't worry, Master, I will recover within a quarter of an hour."

The three Bing Ji girls hurriedly started taking Huang Zhongli to recover. They knew that they were going to have a big battle soon. Pangu was the most powerful existence in the chaotic world.

Although they could be resurrected if they died in the trial world, they faced the power of The demon god Pangu, they didn't dare to be careless in the slightest.

"Pangu, I curse the devil and curse you to a bad death, blast me."

Boom! (To read exciting novels, go to Feilu Novel Network!)

"Pangu, let's die together! burst!"

"Pangu, if you don't let our Chaos Demon God live, you must die too, explode!"

"The Law of the Universe, explode it for me!"

"The law of light, explosion, let's die together Pangu".....

Boom boom boom boom.....

In the distance, one by one, the Chaos Demon Gods saw that it was impossible to survive. They all revealed that the laws of Chaos would perish together with Pangu.

"Damn it, just die!"

Pangu's whole body was covered in scars.

He held the Chaos Bell in one hand and the Pangu Banner in the other, frantically killing the remaining Chaos Demon Gods.

"Escape, Pangu is invincible"

"Gravity Demon God, don't run away, we can't escape at all. If Pangu doesn't die, all our Chaos Demon Gods will die."

"Kill or not kill Pangu, we are doomed"

"Damn it, kill, Gravity Demon God, you dare to escape at this time, if we Chaos Demon Gods don't die, you will definitely die."

"Space prison, space storm, come on, Pangu is immortal, we have no way to escape in the chaos"

"Kill, strip life away.....ah!"

The ten demon gods didn't expect that Pangu would be so powerful after killing more than two thousand Chaos Demon Gods. It only took an instant for the ten demon gods to surround Pangu, and three of them fell. No! Four Chaos Demon Gods fell. Life The demon god was also beaten to death by Pangu just now.

Su Chen looked at the battle and shouted in shock, "Holy shit, Pangu is too scary. Four of the ten chaos demon gods were killed. Damn it, the ten chaos demon gods are too terrible." The top is 0."

The trouble is big.

If the three thousand Chaos Demon Gods don't severely damage Pangu, he can't kill Pangu at all. In the trial world, Pangu can't die by opening up the ancient immortal world. If Pangu opens up the ancient immortal world, he will die, and the ladder to heaven won't be able to kill him. It is possible to release such a trial.

Time passed unknowingly, and there were only three of the top ten Chaos Demon Gods left. All the other Chaos Demon Gods were killed by Pangu. It was only time that the remaining three Chaos Demon Gods were killed. Duan's question.

Su Chen sat on the Archangel's shoulder and watched all this. One year, ten years, a hundred years, he didn't know how many years had passed. Su Chen kept staring at Pangu without making any other move.

The Archangel said to Su Chen said,

"Master, the Demon of Destiny has also been killed, leaving only the Demon of Time and the Demon of Ice and Snow. They may be killed in a few years."

Su Chen touched the archangel's white neck and reminded,

"No, Archangel, you forgot about a bastard demon god. Chaos Cricket Hongjun has not taken action yet. In the trial world, all the chaos demon gods will take action against Pangu. Chaos Cricket Hongjun is no exception. He must be waiting. Time to take action."

Bing Ji said disdainfully,

"Hongjun, the last of the three thousand Chaos Demon Gods, could not harm Pangu even if he took action. Xue

Ji nodded in agreement, "That's right, Su Chen, don't have too much hope for Hongjun." "0.0" Bing Ji, Xue Ji, don't underestimate Hongjun. Hongjun is a little person and a despicable conspirator, but little people know the best when it comes to seizing power. Maybe Hongjun will give Pangu a fatal blow, and he will. Give us a big surprise."

Su Chen looked at Pangu in the battle and thought.

If the Time Demon and the Ice Demon were killed by Pangu, Hongjun might take action when Pangu relaxed. Even if Hongjun couldn't kill Pangu, he would still severely injure Pangu.

This pair It is very advantageous for Su Chen.

If Pangu is severely injured by Hongjun, Su Chen and the three girls Bingji will also have the opportunity to kill Pangu.

Bingji frowned and asked,

"The Ice and Snow Demon God may be dying. Su Chen, do we really not save the Ice and Snow Demon God?"

Su Chen touched his chin and thought for a while and said,

"Bing Ji, send your half-step Chaos Spiritual Treasure Ice and Snow Lotus to the Ice and Snow Demon God. The Ice and Snow Demon God cannot die yet."

Chapter 2815

Su Chen thought for a while and decided to let the Ice and Snow Demon hold on for a while.

If they started to take action soon, the Ice and Snow Demon would be more reliable than the Time Demon. At least the Ice and Snow Demon would not attack him because of Bing Ji and Xue Ji's face.

If the Time Demon persists until the end, Su Chen can only continue to wait for Pangu to kill the Time Demon before taking action.

The accident may be a bit big.

Su Chen wants to take action when there is only one Chaos Demon God left, and he also needs to contact Hongjun. As long as Hongjun gives Pangu a fatal blow, they can work together to kill Pangu.

"good!"

Bing Ji smiled and took out the Ice and Snow Lotus.

Su Chen allowed her to save the Ice and Snow Demon God once, and she would no longer be entangled in her heart.

Whoosh!

The half-step Chaos Spiritual Treasure Ice and Snow Lotus disappeared in Bing Ji's hands in an instant.

Su Chen and The three Bing Ji girls looked over one after another.

The Ice and Snow Demon God had a half-step Chaos Spiritual Treasure. They wanted to know if the Ice and Snow Demon God could hold on for a while.

At this moment, the Ice and Snow Demon God and the Time Demon God were both very scared.

They were the only two of the three thousand Chaos Demon Gods left. People, Pangu became more and more brave as he fought, and it was only a matter of time before they were killed by Pangu.

Especially the Ice and Snow Demon God.

Her spiritual treasure was shattered by Pangu.

She was not as powerful as the Time Demon God's laws. Facing Pangu's attack, the Ice and Snow Demon God was in a panic. to resist, but it was useless. Pangu wanted to kill her first.

"Ice and snow barrier!"

"Time is reversed!"

"Die to me!"

The Ice and Snow Demon God was continuously blasted away by Pangu with Chaos.

One blow sent the Ice and Snow Demon God thousands of miles away.

Huge chaotic rocks were smashed into pieces by the Ice and Snow Demon God. The Ice and Snow Demon God's whole body was extremely miserable, and his fair skin was exposed. Even the long white legs were exposed.

The Demon God of Time also hurriedly rescued the Demon God of Ice and Snow.

He understood that after the Demon God of Ice and Snow was killed by Pangu, the Demon God of Time would also be killed by Pangu.

Whoosh!

Suddenly, a ray of light enveloped him. Ice and Snow Demon God, a gorgeous ice and snow lotus appeared in front of the Ice and Snow Demon God

"Ice and Snow Lotus? Isn't my ice and snow lotus broken? this....Half-step Chaos Spiritual Treasure? How did the Ice and Snow Lotus become a half-step Chaos Demon God? What exactly is going on

? "

After the Ice Demon God was protected by the Ice and Snow Lotus, she looked at the Ice and Snow Lotus in front of her in shock.

Wasn't the Ice and Snow Lotus crushed by Pangu?

How come the Ice and Snow Lotus appears intact again? And he also advanced to the half-step Chaos Spiritual Treasure.

Boom boom boom.....

Pangu used the Chaos Bell to attack the ice and snow lotus barrier. Although there were cracks in the ice and snow lotus barrier, Pangu could not break the ice and snow lotus barrier for a while.

"hateful!"

Pangu attacked for a while, then he turned back and killed the Time Demon

God with half a step of Chaos Spiritual Treasure.

Pangu was difficult to crush for a while.

If his Pangu ax had not been broken, he could have split the ice and snow lotus barrier with one axe. Pangu Now he only has the innate treasure, and his mana is also consumed very much, so he can only destroy the time demon Shi first. The ice and snow demon saw Pangu attacking the time demon, and she breathed a sigh of relief. Pangu almost killed her before , The Ice Demon God took the Ice and Snow Lotus and looked at it. Although the Half-Step Chaos Spiritual Treasure was powerful, it was not enough to face Pangu. Pangu was too powerful. The Demon God was killed after a while, and she couldn't do it even with the Ice and Snow Lotus. Escaped Pangu's attack

"How could the Ice and Snow Lotus break into half a Chaos Spiritual Treasure?"

The Ice Demon God caressed the Ice and Snow Lotus and whispered, (To read Baoshuang novels, go to Feilu Novel Network!)

She checked the Ice and Snow Lotus and her face turned cold. If

Pangu is killed, the Ice and Snow Demon God will still die, even if it is Even if she dies, she will also die with Pangu

"ice! Snow!"

The Ice Demon God lightly touched the Ice Lotus, and two blue rays of light flashed past and attacked Pangu. The two terrifying rays of light instantly hit Pangu who was killing the Time Demon God.

Puff!

Pangu's huge body was penetrated. Two blood holes were opened.

Without a powerful spiritual treasure,

Pangu's magic power was almost exhausted.

Although his physical strength was very terrifying, the attack of the ice and snow lotus still penetrated Pangu's body.

Pangu looked at the two wounds on his body. Big hole, he shouted angrily,

"Damn it, Ice and Snow Demon God, I'm going to tear you apart in a moment, and I'm going to wipe out every bit of your spirit."

"Kill and time accelerates."

When the Time Demon saw Pangu being injured, he activated the Law of Time against the two large holes in Pangu's body.

He wanted to amplify Pangu's injuries, and he wanted to completely cripple Pangu's body, and the Time Demon also wanted to give him ice and snow. The Demon God took the opportunity to kill Pangu.

In the distance,

Su Chen and Bing Ji looked at all this, especially when the Ice and Snow Demon God penetrated Pangu's body. They all had smiles on their faces.

Bing Ji hurriedly said to Su Chen ,

"`.Su Chen, Pangu no longer has the Chaos Spiritual Treasure, and his mana has been almost exhausted. Pangu is now relying on his powerful body and the law of force to fight. We have a chance to kill Pangu."

Xue Ji said with a smile,

"Yes, husband, Pangu may not be able to hold on anymore. Half a step of Chaos Spiritual Treasure can penetrate Pangu's body. Pangu is at the end of his crossbow. We have a high chance of killing Pangu."

Su Chen kissed the archangel hard, and he nodded with a smile,

"You are right. Pangu does not have the Chaos Spirit Treasure, and his mana will be exhausted. If the Time Demon and the Ice Demon are more powerful, and Hongjun makes a surprise attack, we will have a high chance of killing Pangu."

Su Chen saw the hope of killing Pangu, and he felt relieved (Li Mo).

If we fight like this for another ten or eight years, Pangu's mana will basically be exhausted.

Su Chen has three pieces of half-step chaos. Lingbao, half-step Chaos Lingbao's Archangel, half-step Chaos Lingbao's Chaos Bell, and Luo Xue Sword, which was promoted not long ago, plus Bing Ji's half-step Chaos Lingbao Ice and Snow Lotus, four half-step pieces Chaos Spiritual Treasure,

Su Chen didn't believe that it couldn't kill Pangu who was still alive

"Master, do we have to keep waiting?"

The archangel was kissed hard by Su Chen, and she lowered her head with her face flushed.

The archangel liked to be kissed by Su Chen, and she also liked to have her body touched by Su Chen, but there were other people around. The angel is very shy.

Su Chen hugged the archangel's white neck and said,

"If we continue to wait, the Time Demon can still hold on for a few more years. We have to wait for the Time Demon to be killed before we take action."

Chapter 2816

Bing Ji and Xue Ji rolled their eyes at Su Chen, and they turned to watch the battle between Pangu and the others.

How many years can the Time Demon last?

They didn't know it clearly, but after the Time Demon was killed by Pangu, the four of them would take action against Pangu. Both Bing Ji and Xue Ji would always pay attention to the battle.

Time passed little by little, one year?

Three years?

Or five years?

Pangu's battle with the Demon God of Time and the Demon God of Ice and Snow continued. Bing Ji and Xue Ji kept observing the battle, while Su Chen kept teasing and touching the Archangel.

"Master, the Time Demon is about to die."

The archangel was kept being touched by Su Chen.

She couldn't stand Su Chen's constant touching.

Su Chen either touched her neck or her face, and he also kept touching her ears. The archangel's delicate little face The blush has not subsided for several years.

Su Chen nodded and said,

"It's coming soon. Before long, the Time Demon will either be killed by Pangu or he will blow himself up and die with Pangu. We all need to be ready to take action."

The archangel asked doubtfully,

"Master, how do we contact Hongjun? Hongjun is hiding on Pangu, and we don't know where he is hiding on Pangu."

Su Chen rubbed his chin and thought, "Hongjun is the cricket of chaos. He may also be the demon god of concealment and calculation. I guess Hongjun must be Hiding in Pangu's hair"

"In the hair? Husband, Hongjun is hiding in Pangu's hair, will Pangu know?"

Xue Ji shook her head when she heard Su Chen's words.

She didn't believe that Hongjun would hide on Pangu, especially in Pangu's hair.

Just the few of them, if there were creatures hiding in their hair, how could they? Maybe I don't know.

Su Chen shook his head and replied,

"It's unclear, maybe Pangu knew about it and didn't care, maybe Pangu didn't know about Hongjun's existence."

Su Chen also couldn't understand.

It stands to reason that Pangu would know the existence of Hongjun, but why did Pangu never take action against Hongjun from beginning to end?

Could it be that Pangu disliked Hongjun for being too weak? Pangu didn't care about the weak Hongjun at all. ?

"Pangu, let's die together!"

Boom!

With a loud noise, the Time Demon self-destructed, and the chaos shook. A terrifying chaos storm raged around, and huge chaos rocks were wiped out by the chaos storm.

"ah....."

Pangu yelled angrily.

His body was severely damaged.

Apart from a few blood holes on Pangu's body, one of his legs was almost half destroyed.

The mana was almost exhausted.

Pangu had no time to repair his broken body.

There was also an Ice and Snow Demon God watching closely.

Pangu Immortal killed the Ice and Snow Demon God. He had no chance to repair his body and restore his mana.

"The law of ice and snow, the ice and snow are fierce!"

The Ice and Snow Demon God attacked Pangu with the Ice and Snow Lotus.

The Time Demon God self-destructed.

She and Pangu were the only ones left among the three thousand Chaos Demon Gods.

The Ice and Snow Demon God knew that her fall would happen sooner or later. She wanted to kill Pangu as much as possible before she fell.

Pangu was seriously injured. , if she can no longer kill the

Ice and Snow Demon God, she will die without regrets.

Three thousand Chaos Demon Gods were killed by Pangu, and some of the Chaos Demon Gods who were more powerful than her also died. The Ice and Snow Demon God can persist until the last moment. This is still Thanks to the mutation of Ice Princess Lotus

"Bing Ji, you hold my Luoxue Sword, it's our turn to take action."

Su Chen took out the Falling Snow Sword and handed it to Bing Ji, and

Bing Ji's Ice and Snow Lotus was given to the Ice and Snow Demon God. She couldn't do it without the powerful half-step Chaos Spiritual Treasure in her hand.

Su Chen knew several laws of chaos, (read Baoshuang novels, Just go to Feilu Novel Network!)

There was an archangel beside him, the Luoxue Sword, a half-step Chaos Spiritual Treasure. Su Chen might as well let Bingxue take it and kill Pangu.

"good!"

"Go ahead, kill Pangu!"

Swish swish swish"....

Su Chen patted the archangel, and the archangel disappeared instantly. Bing Ji and Xue Ji also disappeared.

In the final battle of the ladder trial, after killing the Chaos Demon God Pangu, Su Chen can climb to the 10,000th floor of the ladder.

Bing Ji and Xue Ji will do their best to kill Pangu. They can die or self-destruct, but Su Chen must. They can't die, they want to give Su Chen a chance to kill Pangu.

"Space storm, Jiangu!"

"Space blockade, time regress, time and space suspended"

"Chaos Bell, suppress!"

"Falling Snow Sword, Blade Storm!"

The archangel took Su Chen, as well as Bing Ji and Xue Ji, who suddenly appeared next to Pangu, and they launched powerful attacks on Pangu.

0 Asking for flowers

"Reptiles, you damn reptiles."

Pangu didn't expect that several weak holy realms would attack him. He was temporarily imprisoned and had no ability to fight back.

Who are these people?

They are not Chaos Demon Gods. How can there be other creatures in the chaos?

Chaos Bell?

Or is it a Chaos Clock that's half a Chaos Spiritual Treasure?

What's going on?

"The law of ice and snow, the lotus flowers are in full bloom!"

While the Ice and Snow Demon God was attacking the imprisoned Pangu, she looked at the creatures next to her.

Two creatures from the fourth level of the Holy Realm, a humanoid spirit treasure from the third level of the Holy Realm, and a scumbag's accurate... Holy?

Who are these creatures?

Apart from the Chaos Demon God, the Ice and Snow Demon God has never heard of the existence of other creatures.

After checking it, the Ice and Snow Demon God was suddenly surprised and said,

"Huh? How can it be? How are the two women similar to her origin? No, they have the same origin of ice and snow as me. How is this possible? Their own origins have never been robbed, how could these two women have the origins of ice and snow?"

Bing Ji looked at the Ice and Snow Demon God and shouted,

"Ice Demon God, let's work together to kill Pangu first. We are your sisters. You can trust us."

"good!"

The Ice and Snow Demon God nodded and agreed, sister?

How could she have a sister?

The Ice and Snow Demon God had no time to think about it.

Killing Pangu is the top priority at this moment. If Pangu doesn't die, everyone here will be killed.

Su Chen stood on the big cried the angel over his shoulder,

"Archangel, you continue to imprison Pangu with me. Bingji, you kill Pangu quickly."

"Yes, master!"

"We understand!"

"Space seal, time suspended, time and space imprisoned!"

Su Chen constantly activated the Law of Chaos to imprison Pangu.

Only by imprisoning Pangu could Bing Ji and the girls kill Pangu without reservation.

"Space freezes and time pauses!"

The archangel activated the law and imprisoned Pangu together with Su Chen.

"Take action quickly, we all use all our strength to kill Pangu. Su Chen and Archangel can't hold on for long."

Chapter 2817

Bing Ji, Xue Ji, and the Ice and Snow Demon God all attacked Pangu with powerful spiritual treasures.

Pangu was imprisoned, and the three women had to kill Pangu as soon as possible. Otherwise, it would be very difficult for them to deal with Pangu if Pangu broke free.

"Ah, I'm going to crush you reptiles to death, I'm going to crush you reptiles to death."

Pangu yelled angrily as he was restrained by Su Chen and the Archangel.

He was constantly attacked by the powerful spirit treasures of the three Bing Ji women, and his already broken body became even more broken.

A huge arm was cut off, and a huge broken Pangu's legs were also cut off.

Pangu's huge body was full of huge holes, and golden blood was flowing out of his body.

In Pangu's hair, a cricket looked at all this in confusion.

He was originally going to be killed by the Ice and Snow Demon God. Later, they attacked Pangu secretly, but four more creatures appeared to attack Pangu.

What kind of creatures were these four?

Why did they attack Pangu?

"ah!"

Pangu shouted and broke free from the restraints of Su Chen and the Archangel.

"Die, you all will die."

Boom boom boom.....

Pangu waved his huge fist and punched Su Chen and the others away. The archangel held Su Chen and was blown away thousands of miles by Pangu. Bingxue, Xueji, and the Ice and Snow Demon God were also blown away thousands of miles.

"Damn it, Pangu's law of power is really powerful, and he broke free from his imprisonment in less than a quarter of an hour."

The archangel held Su Chen and smashed through countless chaotic rocks. They appeared more than six thousand miles away. Su Chen was very surprised when he saw cracks appearing in the archangel's abdomen.

One punch?

Pangu almost broke it with one punch Archangel's defense,

Archangel is a half-step Chaos Spiritual Treasure, and Pangu's Law of Power is indeed the most powerful law among the Chaos Laws.

The Archangel hugged Su Chen and reminded,

"Master, Pangu is at the end of his strength. Just now was probably Pangu's strongest blow at the moment. We still have a chance to kill Pangu."

Su Chen leaned against the archangel's soft mountain and nodded,

"That's right, Pangu just struck an angry blow, and his mana should be exhausted, otherwise Pangu would not be able to recover his broken body, and we would have a chance to kill Pangu."

Su Chen needs to understand that Pangu is at the end of his strength.

Three thousand Chaos Demon Gods have consumed Pangu.

Pangu was seriously injured but did not use his magic to recover. They still have a certain chance of killing Pangu.

"Archangel, let's hurry up and continue to imprison Pangu."

"Yes, master!"

At this moment, the three girls of Bing Ji are all injured to varying degrees.

If they didn't have the half-step Chaos Spiritual Treasure, Pangu's blow just now would have directly destroyed them.

"Laws of ice and snow, flying lotuses"

"Chaos Bell, suppress!"

"Falling Snow Sword, attack, break the sky with one sword."

The three women of the Ice and Snow Demon God appeared one after another to attack Pangu. They would not let Pangu have the slightest chance to breathe.

If they did not take the opportunity to kill Pangu, if Pangu recovered, they would all be killed by Pangu.

"Time and space seal!"

Su Chen stood on the shoulders of the archangel and continued to imprison Pangu, swish, swish, swish!

The four wings of the archangel attacked Pangu like sharp blades, and she also activated the law to continue to cooperate with Su Chen to imprison Pangu.

"Space solidifies, time and space pause!"

"Break all laws with one force!"

Pangu looked at Su Chen and Archangel indifferently.

These two people must be killed first.

Su Chen and Archangel know the laws of time and space, the laws of time, and the laws of space. Pangu felt that they were a huge threat. He could no longer be killed by Su Chen and Archangel. imprisoned

"Su Chen, be careful, Chaos Bell, block it!"

Xue Ji saw that Su Chen and the Archangel were in danger, and she hurriedly used the Chaos Bell to help Su Chen resist Pangu's attack.

Boom! Dang! Bang!

Pangu's huge fist attacked the Chaos Bell, and the Chaos Bell was instantly knocked away. Without a trace, the archangel protecting Su Chen was also knocked back.

"court death!" boom!

"Xueji, be careful!"

"careful!"(To read Baoshuang novels, go to Feilu Novel Network!)

Bang!

Poof!

Pangu attacked Xue Ji again with his fist. Bing

Ji and the Ice and Snow Demon God were too late to rescue Xue Ji. They reminded Xue Ji to be careful, but too much. It was too late, Xue Ji was punched by Pangu and vomited blood and flew out.

"Su Chen, I will take the first step, you must kill Pangu."

Thousands of miles away,

Xue Ji's body was in dilapidated condition.

Almost half of her body was broken.

Xue Ji knew that she couldn't help Su Chen. She wanted to blow herself up to give Su Chen another chance to kill Pangu.

"Xue Ji, don't do anything stupid!"

"Explode!"

Boom!

A smile appeared on Xue Ji's face and she glanced at Su Chen. She instantly appeared next to Pangu and blew herself up.

"Damn it, Pangu, I'm going to kill you, I'm going to kill you."

Su Chen saw Xue Ji self-destructing, and he appeared in the sky above Pangu in anger.

Xue Ji was dead.

Although Xue Ji could be resurrected after death in the trial world, Xue Ji died in front of him.

Su Chen wanted to Kill Pangu, he must kill Pangu to avenge Xue Ji

"Blackbird bloodline, burn it for me! Xuantian Realm, give me the power of heaven."

Boom boom boom....

Su Chen's momentum continued to increase, and he reached the first level of the holy realm.....Holy Realm Fourth Heaven.....The sixth level of the Holy Realm, Su Chen's ascension did not end until he reached the peak of the Eighth Level of the Holy Realm.

"kill!"

Su Chen waved his hand to recall the Chaos Clock and smashed it towards Pangu.

Boom!

Pangu was thrown hundreds of miles away by the 667 Chaos Clock.

The blood holes in his body became even bigger, and even half of his flesh and blood was smashed out of his body. Up and down.

Boom boom boom....

Bing Ji and the Archangels also attacked Pangu one after another.

Xue Ji's death made them angry.

They had not fought with Pangu for an hour when Xue Ji blew herself up and died.

Pangu was seriously injured and his body was still broken, but Pangu's They couldn't bear the blow. If they didn't kill Pangu as soon as possible, they would all be killed by Pangu in a short while.

After Su Chen used the law of space to detect Hongjun's aura, he hurriedly sent a message to remind him,

"Hongjun, if you don't take action, if we are killed by Lu Gu, you won't be able to survive."

In Pangu's hair, the Chaos Cricket looked at Su Chen in confusion,

Hongjun?

How did Su Chen know that his name was Hongjun?

Hongjun was the bottom among the Chaos Demon Gods.

No one cared about him.

He wanted to avoid other Chaos. The demon robbed him of his origin. Hongjun used the law of invisibility to hide in Pangu's hair.

Hongjun didn't expect that even Pangu didn't notice his existence. How could Su Chen know that he was hiding in Pangu's hair?

Hongjun's cricket body Curling up and thinking,

"Take action now? Or wait a little longer?".

Chapter 2818

Su Chen and Bing Ji were still attacking Pangu.

Hongjun did not take any action.

Su Chen understood why. He was a conspirator and a villain who did not dare to take risks without being absolutely sure.

If Su Chen did not force Hongjun,

Hongjun would Jun will definitely wait until they are all dead, and Pangu's magic power and body are broken and unable to fight again.

Only Hongjun would take action, and he would launch a sneak attack to kill Pangu.

"Suppression!"

Boom!

Su Chen used the Chaos Bell to smash Pangu away again.

He didn't have much time to reach the eighth level of the Holy Realm. The Xuanniao bloodline could burn for a while, but by borrowing the power of heaven from the Xuantian Realm, Su Chen couldn't borrow it for long through the system..Boom boom boom....

Bing Ji, Ice and Snow Demon God, and Archangel also continued to attack Pangu, and they would not give Pangu a chance to resist.

When Pangu had a chance to resist,

Xue Ji was maimed and blew herself up to death. They would not let Pangu kill one of them again.

While the Ice Demon God was attacking Pangu with ice and snow lotuses, she looked at Su Chen in surprise, the eighth level of the Holy Realm? How could Su Chen

, a scumbag quasi-sage, suddenly become a 060-day eighth-level saint?

"Laws of ice and snow, endless ice blades."

Swish swish swish".....

The ice and snow lotus in the hands of the Ice and Snow Demon God bloomed colorfully, and countless ice blades suddenly appeared in the chaos. Ice blades tens of meters long shot at Pangu instantly.

In an instant,

Pangu's body was shot and turned into a hedgehog, and countless ice blades pierced Pangu's body.

Pangu shouted angrily,

"Ah, damn reptiles, three thousand demon gods have been killed by me, but you can't kill me."

"Hongjun, if you don't take action, I will expose your location. Pangu knows your existence, and you should understand how Pangu will crush you to death."

Su Chen threatened Hongjun coldly.

Time is running out.

If Hongjun doesn't give Pangu a fatal blow, he will fall to the eighth level of the holy realm.

Hongjun heard Su Chen's curled up body tremble. A threat, a naked threat.

He didn't expect Su Chen to be so mean.

Hongjun looked at Su Chen angrily.

He was about to take action. If he didn't take action,

Hongjun was worried that Su Chen would reveal his whereabouts.

Three After taking a breath, an old man suddenly appeared on Pangu's head. This old man was none other than Hongjun of Chaos Cricket.

Boom!

Hongjun instantly hit Pangu's head with a palm. Pangu's hill-like head instantly shattered like a watermelon. Minced meat is scattered everywhere in the chaos

"No, save me, save me quickly...." boom!

Hongjun had just smashed Pangu's head, and he was also caught by Pangu. Hongjun was about to ask Su Chen and others for help. He was instantly crushed like meat paste, and Hongjun's spirit was completely crushed. annihilate

"Damn it, Hongjun is so powerful. Everyone

, hurry up and take action, Pangu is going to be dead." Su Chen didn't expect that Hongjun would smash Pangu's head to pieces, and it was like a watermelon. It was so powerful, that old bastard Hongjun was too Damn it,

Pangu has no head and he has no mana to recover. It will be easier for Su Chen and others to kill Pangu.

As for Hongjun, no one cares about his life or death, and

Su Chen will not care about Hongjun's life or death. He also wished that Pangu would crush Hongjun to death. (To read Baoshuang novels, go to Feilu Novel Network!)

Boom boom boom.....

Su Chen and Bing Ji attacked Pangu's body one after another. The headless Pangu

's remaining strength was weakened to the extreme.

Pangu's body was constantly broken and shattered by the attacks of Su Chen and the three ice and snow demon girls..

One day, ten days, a month, a year, time passed little by little, and the attacks of Su Chen and the three women of the Ice and Snow Demon God never stopped.

However,

Su Chen took advantage of it, so it wasn't that he didn't attack.

(abde) It's just that Su Chen's level has fallen to the quasi-sage again.

Except for the Chaos Clock that automatically attacks Pangu,

Su Chen has attacked Pangu several times without breaking it, and he has no face to continue attacking.

Pangu has lost his limbs and head, and Pangu has no ability to resist. The ice and snow demons can attack Pangu in any way they want as long as they are not allowed to collide with Pangu.

Su Chen shouted from the side,

"Come on, it's been almost two years and you can't even destroy Pangu's remains. It's really a shame."

Bingji said angrily when she heard Su Chen's words,

"Little bastard, don't make sarcastic remarks. You've been resting. Why don't you join in the attack on Pangu?"

"Mrs. Bingji, do you want me to tickle Pangu? Apart from being able to imprison Pangu, my attacks are of no use to Pangu."

"Scumbag!"

"Let me tell you, Bing Ji, do you want me to enforce family law on you in the future?"

Su Chen looked at Bing Ji with a dark face.

Bing Ji was arrogant again.

He decided to teach Bing Ji a lesson in the future. The charming Bing Ji, Su Chen would let her bear his torment for a year.

"You little bastard, how dare you!"

Bing Ji's body softened when she heard Su Chen's words.

She was a little worried.

Bing Ji, Xue Ji, Archangel, the three of them were all weakened by Su Chen's torment. If she faced Su Chen alone, Bing Ji would think about it. They all felt weak and weak. The

Ice and Snow Demon God was a little confused.

What is the relationship between Bing Ji and Su Chen?

How did Su Chen become a quasi-sage again?

One creature is a quasi-sage, and the other is a cultivator of the eighth level of the holy realm. She I became interested in the skills practiced by Su Chen.

Boom!

Suddenly,

Pangu's body exploded. The huge power of self-destruction knocked Su Chen and the three girls of the Ice and Snow Demon away tens of thousands of miles.

"Space is blocked, time stands still, time and space are suspended, Bing Ji, the archangel, and the beautiful woman are about to wipe out Pangu's soul."

Boom, boom, boom!

Bing Ji, Ice and Snow Demon God, Archangel, they all used their spiritual treasures to annihilate Pangu's soul.

"ah! I, Pangu, will return, and after thousands of years, I will revive. You reptiles are waiting for my revenge, ah ah ah!"

After Pangu's soul issued his last words, his soul completely dissipated in the chaos.

【Trialist, the angel's 9900th level trial has been completed and will return to the ladder in a quarter of an hour.】

"Little bastard, Pangu was destroyed by us"

"Master, Pangu was killed by us."

Bing Ji and Archangel appeared next to Su Chen one after another, with smiles on their faces.

Pangu was killed, and

Su Chen's trial of climbing the ladder was completed.

As long as they and Su Chen return to the ladder, Su Chen will appear. On the 10,000th floor of the ladder to heaven, the 10,000th floor!

Su Chen climbed to the 10,000th floor of the ladder to heaven

"We succeeded, hahaha....Bing Ji, Archangel, we succeeded"

Chapter 2819

Su Chen was also very happy.

Pangu was killed, the trial of the 9900th level of the ladder to heaven was completed, and he also climbed to the 1000th level of the angel.

After a few years, plus the time in the trial world, Su Chen It took Chen hundreds of years to climb to the 10,000th level of the ladder.

After repeated perverted trials and perverted tortures,

Su Chen finally made it to the end.

"What kind of creatures are you? Your name is Bing Ji, and the fallen Xue Ji, why do you have the same origin as me?"

The Ice and Snow Demon God arrived and looked at Su Chen and the others.

Pangu was killed, and she felt relieved.

She was the only one left among the three thousand Chaos Demon Gods. The Ice and Snow Demon God was also the only surviving Chaos Demon God, but Su Chen and Bing Ji , the Archangel, and the Ice and Snow Demon God couldn't understand the three of Su Chen. How could there be other living beings in the "607" chaos besides their three thousand Chaos Demon Gods?

"Ice Demon God, you want to know what kind of creatures we are?"

Su Chen looked at the sexy and alluring Ice and Snow Demon God.

The Ice and Snow Demon God was now naked in her clothes, with a large area of skin exposed. Her alluring white and smooth long legs, especially the mountain on her chest, were almost ready to come out.

"good!"

The Ice and Snow Demon God frowned and looked at Su Chen.

She felt that Su Chen's eyes were very lewd, which was exactly the same as the way some Chaos Demon Gods looked at her. The Ice and

Snow Demon God's face became cold, and he killed this creature.

She would kill this creature in a moment. A creature that is interested in her

"Ice and Snow Lotus!"

Su Chen saw the Ice and Snow Demon God's indifferent eyes, and he understood that the Ice and Snow Demon God might take action to kill him. Su Chen hurriedly wanted to summon the Ice and Snow Lotus back.

Whoosh!

The Ice and Snow Lotus in the Ice and Snow Demon God's hand quickly broke away from the Ice and Snow Demon God and flew to Su Morning's hands

"you....How can you control my ice lotus?"

The Ice and Snow Demon God looked at Su Chen in surprise.

Su Chen just waved and called Ice and Snow Lotus. Her half-step Chaos Spiritual Treasure broke away from her and flew into Su Chen's hands.

What on earth is going on?

Su Chen reminded him funny,

"Your ice lotus? Ice Demon God, your spiritual treasure Ice and Snow Lotus was shattered by Pangu, you don't know, right? This is my wife's half-step Chaos Spiritual Treasure Ice and Snow Lotus"

"Return the Ice and Snow Lotus to me, or you will all die."

The Ice and Snow Demon God stared at Su Chen and the other three with a cold face, an Ice Lady from the fourth level of the Holy Realm, an archangel with a humanoid spirit treasure from the third level of the Holy Realm, and one who was in the eighth level of the Holy Realm. She is a sex embryo in the quasi-saint realm.

The Ice and Snow Demon God is in the ninth level of the holy realm.

She is seriously injured at the moment and lacks magic power, but it is not impossible for her to kill the three women of Su Chen.

Su Chen secretly took out the Demon Tower of Desire and asked,

"Ice Demon God, don't you want to know what kind of creatures we are?"

"I don't want to know, you're all going to die soon anyway."

Su Chen curled his lips and reminded,

"Ice Demon God, you can't kill us. You are seriously injured at the moment and your mana is almost exhausted. We have four half-step Chaos Spiritual Treasures in our hands. Do you think you can kill us?"

The Ice and Snow Demon God became nervous.

Yes,

Su Chen has the Chaos Bell and the Ice and Snow Lotus with half a step of Chaos Spiritual Treasure in his hand, Bing Ji has a half-step of Chaos Spiritual Treasure's Falling Snow Sword in his hand, and the archangel is a half-step of human form. Chaos Spiritual Treasures.

With four half-step Chaos Spiritual Treasures, the Ice and Snow Demon God was seriously injured and her mana was almost exhausted.

If she was good to Su Chen and the three of them fought, the Ice and Snow Demon God might be killed by the four half-step Chaos Spiritual Treasures. (To read Baoshuang novels, go to Feilu Novel Network!)

Bing Ji and Archangel watched the Ice and Snow Demon with vigilance.

If the Ice and Snow Demon dared to attack Su Chen, they would kill the seriously injured Ice and Snow Demon.

Su Chen took the Desire Demon He turned to the Ice and Snow Demon God and said,"Ice and Snow Demon God, you will know what kind of creatures we are just by looking at this."

Boom!

The Demonic Tower of Desire suddenly enveloped the Ice Demon God. The Demonic Tower of Desire that has advanced to the half-step Chaos Spiritual Treasure may not be effective against men, but it is accurate against women.

"Damn it, Demonic Tower of Desire, you are looking for death."

The Ice and Snow Demon God was shrouded in the Demonic Tower of Desire, and she struggled angrily. The

Demonic Tower of Desire is the spiritual treasure of the Demonic God of Desire.

The Demonic Ice and Snow God has been entangled by the Demonic God of Desire many times. She is very familiar with the Demonic Tower of Desire.

Su Chen crossed his arms and reminded,

"Ice Demon God, since you know the Demonic Tower of Desire, you also understand the role of the Demonic Tower of Desire. My Demonic Tower of Desire is a half-step Chaos Spiritual Treasure. Although you are in the Holy Realm of the Ninth Level of the Holy Realm, you are seriously injured and lack mana. You can't escape the control of the Demonic Tower of Desire0."

"Damn it, I must kill it....."

Before the Ice Demon God finished speaking in anger, she was sucked into the Demonic Tower of Desire.

In the Chaos World of Trial, all three thousand Chaos Demon Gods were wiped out.

Bing Ji frowned and asked,

"Little bastard, didn't you say that the spiritual treasures and characters in the trial world cannot be taken away? You use the Demonic Tower of Desire to imprison the Ice and Snow Demon God. Can she be taken out of the trial world?"

Su Chen shook his head and replied,

"I don't know, Bing Ji, the Ice and Snow Demon God is in the ninth level of the holy realm. Our Xuantian realm is about to start a realm war."

"The realm of the Beast King and Divine Rebellion is unknown. Demon Ancestor Rahu is in the eighth realm of the Holy Realm. If the Ice and Snow Demon God can be brought out, we in the Xuantian Realm do not need to be afraid of any realm."

Bing Ji asked,

"Su Chen, what if you can't bring out the Ice and Snow Demon God?"

Su Chen hugged Bing Ji and said with a smile,

"Don't worry, if Tianti disagrees, the Ice and Snow Demon God will be sent back to this chaotic world by Tianti."

Su Chen does not intend to let go of the Ice and Snow Demon God, a seductive beauty from the Ninth Level of the Holy Realm. He intends to use a reward from the ladder to exchange for the Ice and Snow Demon God. The Ice and

Snow Demon God of the Ninth Level of the Holy Realm, she is extremely worried about the upcoming war in the realm. It's important. In 3.7

Xuantian Realm, only Nuwa has just advanced to the eighth level of the Holy Realm. The other women are around the fifth level of the Holy Realm.

They can deal with the Demon Ancestor Luohu, but facing the Beast Emperor Shen Ni whose realm is unknown, everyone The women may not be enough, and Su Chen would not let the women surround and kill the Beast King God. Someone fell in the opposite direction.

Bing Ji nodded when she heard Su Chen's words. It would be best if the Ice and Snow Demon God could be taken out of the trial world.

However,

Bing Ji Ji thought of the Ice and Snow Demon God being imprisoned in the Demonic Tower of Desire, and she felt sympathy for the Demonic Ice and Snow God. Both she and Xue Ji had tried the Demonic Tower of Desire, a disgusting spiritual treasure that tortured women. Su Chen also advanced the Demonic Tower of Desire to Half-step Chaos Spiritual Treasure, it is impossible for the Ice and Snow Demon God to break free from the control of the Demonic Tower of Desire

"The time is coming, Bing Ji, you go back to the Demonic Tower of Desire, Xue Ji will be resurrected after I return to the ladder."

Chapter 2820

The ladder to heaven.

At the bottom of the ladder,

Empress Nuwa and Concubine Yan all looked at the ladder.

It was three breaths.

No matter whether Su Chen succeeded in climbing or failed, he would appear on the ladder.

"I became nervous, not knowing whether my husband would succeed or fail."

"It will definitely succeed, I believe in my husband"

"I also believe in the little bastard, but the little bastard is facing Pangu, and I have no confidence in my heart."

"Yes, Chaos ranks first among the demon gods. Pangu can kill even three thousand demon gods. Su Chen may not be able to kill Pangu."

"The little bastard is different. We have to believe in the little bastard. Just wait and see. The little bastard will definitely successfully climb the 10,000th floor."

"Yes, we have to believe in the little bastard. The little bastard has always created miracles, and he will definitely create miracles this time."

"Alas, I believe it, but I still feel very uneasy."

The girls chatted for a while.

Nuwa and the other ladies held hands and waited for Su Chen to appear. They all wanted to know if Su Chen would create a miracle.

On the 10,000th floor of the ladder to heaven,

Mu Qingcheng held hands tightly. , her heart, which had never been tense before, became tense.

Three breaths have passed.

Has Su Chen successfully climbed to the 10,000th floor of the ladder? Or has he stopped at the 9,900th floor of the ladder,

Pangu?

No living being in the chaotic world can reach it.

Can Su Chen successfully cross this hurdle ?

Whoosh!

Su Chen's figure appears on the 10,000th floor of the ladder.

"Hahaha.....I climbed to the 10,000th floor, and your husband climbed to the 10,000th floor."

Su Chen looked at the women at the bottom of the ladder and shouted with a smile.

There are ten thousand floors on the ladder. He finally stood on the ten thousand floor. He climbed up to the next ten thousand floor, and he also climbed up to the upper ten thousand floor. , Tianti was conquered by him, and Tianti will belong to him in the future.

Murong Qingcheng looked at Su Chen with a smile, she also showed her true appearance at this moment,

Murong Qingcheng was free, and she didn't have much time to stay.

She wanted to In the limited time,

Murong Qingcheng asked Su Chen to remember her face, her appearance, and everything about her.

Under the ladder to heaven, the Nuwa Empress and the other girls all smiled.

Su Chen really succeeded. ,

Su Chen really succeeded in climbing to the 10,000th floor of the ladder, Su Chen really created a miracle

"God, the little bastard really succeeded. That bastard really killed Pangu."

"It's unbelievable. Su Chen is really going to defy heaven, Pangu? Su Chen really killed Pangu"

"My husband has always created miracles, I have always believed in him"

"Yan Lingji, you are indeed my husband's flame baby. Your prediction has come true this time."

"Ten thousand floors, my husband climbed to ten thousand floors, will the ladder to heaven return to our home in the future?"

"Haha, it depends on the rewards on the ladder, and it depends on the husband's shamelessness.".....

On the 10,000th floor,

Su Chen turned around and saw Murong Qingcheng. (To read Baoshuang novels, go to Feilu Novel Network!)

His eyes widened. He was beautiful, noble, touching, and charming. Su Chen could not describe Murong Qingcheng. Beauty, the beauty of the country, the beauty of the country, all these cannot praise Murong Qingcheng's beauty and allure.

Murong Qingcheng has a perfect figure, seductive body, graceful curves, and peerless beauty. Murong Qingcheng combines the advantages of all beautiful beauties.

If Murong Qingcheng, a beauty who captivated the whole country

, gave birth to an ancient dynasty, all the emperors would go crazy for Murong Qingcheng.

Murong Qingcheng smiled and said,

"Little bastard, are you obsessed with this?"

Murong Qingcheng had already guessed that Su Chen would be obsessed with her appearance. She was a lecherous little bastard with a lot of beautiful women.

If it hadn't been for this separation and she didn't know when they would see each other again, she wouldn't have let Su Chen see her at this moment. Her appearance.

Su Chen stepped forward, hugged Murong Qingcheng and nodded, "I'm obsessed, I didn't expect you to be so beautiful and attractive."

Murong Qingcheng touched Su Chen's face and reminded,

"Little bastard, my name is Murong Qingcheng. You must remember my name and my face. I will wait for you in the Hongmeng world. You must remember my appearance."

Su Chen kissed Murong Qingcheng and replied,

"Murong Qingcheng? What a great name. I will see you in Qingren City and Qingren Kingdom again. Madam Murong, I will definitely go to Hongmeng World to find you, and I will also remember every bit of your appearance."

Murong Qingcheng hugged Su Chen tightly and said helplessly,

"Su Chen, I'm leaving. You should understand that I escaped from the ladder and my aura cannot be hidden. If I continue to stay in the Chaos World, other Hongmeng Supremes may discover the coordinates of the Chaos World. By then The great world of Chaos may be destroyed."

Su Chen put his head on Murong Qingcheng's forehead and said,

"`.I see! Madam, after a thousand years, I will definitely go to Hongmeng World. By then, I will need Madam's protection."

"Huh, little bastard, you went to the Hongmeng world a thousand years later. You'd better control your lust, or I'll make you look good."

"Hey, madam, as long as you can defeat me, I will never find any beautiful women"

"Little bastard, I can kill you in one breath."

Su Chen kissed Murong Qingcheng fiercely and said,"Madam, I'm not talking about physical defeat, I'm talking about the matter of husband and wife."

"Shameless! You are simply hopeless and shameless."

Murong Qingcheng was too lazy to talk to Su Chen.

She was originally reluctant to say goodbye.

Su Chen's shameless words made her very ashamed and angry. She wanted to beat this bastard right now.

【Trialist, you have violated the rules. You cannot bring living beings back to the final trial world.
】

Su Chen curled his lips and said,

"Holy Soul of the Heavenly Ladder, I have completed the trial, and the Heavenly Ladder will belong to me in the future. I will bring back a creature who will test the world. This does not seem to be a big deal."

【Trialist, the rules are rules. Before you get the authority of the ladder, the rules cannot be broken.
】

Damn it,

I have climbed up to the 10,000th level of the ladder, and the holy soul of the ladder is really a stubborn old man before he has another ladder authority.

A seductive beauty from the ninth level of the holy realm, Su Chen will not give up on the Ice and Snow Demon God. It seems that she is going to bleed heavily this time.

Su Chen hugged Murong Qingcheng's soft waist and said,

"Forget it, the Holy Soul of the Ladder, the reward of 10,000 levels can erase one. I want to exchange a reward for the creature in the Demonic Tower of Desire. Don't say no, otherwise we will break up."

"Yes, there are three rewards at level 10,000, plus the attribution reward from the ladder. I can randomly wipe one of the three rewards. Do you agree?】

"Holy Soul of the Ladder, I agree!".
