### Chapter 2821

Su Chen nodded and agreed.

One of the three rewards was randomly canceled. This was fair. I hope it wasn't a huge treasure that was canceled.

Damn it!

Ice and Snow Demon!

This time because she lost a treasure,

Su Chen decided to let the Ice and Snow Demon God pledge his body to him in the future.

The Ice and Snow Demon God would not only warm his bed, but also kill all his enemies.

【Trialist, do you want to receive your reward now?】

"receive!"

Su Chen hugged Murong and Rong Qingcheng replied, reward, isn't he climbing the Ladder just to get the reward? The Holy Soul of the Ladder asked it is really unnecessary -

Murong Qingcheng leaned in Su Chen's arms and smiled, she was ready to wait for Su Chen to receive the reward After leaving, Murong Qingcheng also wanted to see what the reward of the 10,000th level of the ladder would be.

Su Chen exchanged a reward for a creature in the trial world.

She knew that the creature was a beauty without having to guess. Su Chen, a bastard, was right  
Beauty is not irresistible.

The women on the ladder were either deceived by Su Chen or obtained by Su Chen shamelessly.

However, those women are all very good. They all think about Su Chen and are willing to sacrifice themselves for Su Chen. life

【The first reward is to improve the trialist from one to ten major realms. The trial will be improved randomly and the trialist will start to choose. 】

Ten light balls appeared in front of Su Chen instantly.

Su Chen's face turned completely black when he saw the ten balls of light in front of him.

Damn, there were three balls of light in the past, but ten balls of light appeared on the 10,000th floor of the ladder. Is the ladder going to kill him?

Su Chen was originally very happy to improve one to ten major realms, but he actually wanted to gamble on his luck.

Su Chen thought about it and had no choice, but it was not bad.

Su Chen would at least improve to one major realm. He He will also become a strong man in the holy realm.

Su Chen kissed Murong Qingcheng and said,

"Madam, you give me a choice this time. You also know my bad luck. I really don't dare to choose the light ball."

Murong Qingcheng asked with a sweet smile,

"Haha, little bastard, aren't you worried that I have chosen to elevate you to a greater realm?"

Murong Qingcheng was very surprised by the reward of the heavenly ladder. If Su Chen can choose ten to advance to the tenth level

, the little bastard will become the ninth level of the holy realm in one step. He will leave the twelfth level of the holy realm. There are only three realms in heaven.

Su Chen stroked Murong Qingcheng's soft waist and said,

"It doesn't matter. If it were my choice, there might be an 80% chance of being promoted to a great realm. You are different. Madam Murong, you are a Hongmeng Supreme. I don't believe that your luck is so bad."

"Well, I'll choose for you."

Murong Qingcheng got up from Su Chen's arms with a smile. She also knew that Su Chen was unlucky in choosing the light ball. Ninety percent of the light balls that Su Chen chose in the past few times offended Hongmeng Supreme, and they all offended women. Hongmeng Supreme. Murong Qingcheng felt very helpless when she thought of the items that Su Chen had obtained. Su Chen had obtained Hongmeng Supreme's private items. If those Hongmeng Supreme knew about it, the little bastard would have ten lives, which would not be enough for those Hongmeng Supreme to kill him. Murong Qingcheng walked to the sixth light ball. In the Hongmeng world, except for the three Hongmeng Supremes, Murong Qingcheng ranked sixth among the Hongmeng Supremes. (To read Baoshuang novels, go to Feilu Novel Network!) She wanted to choose the sixth one. Six balls of light, hoping to help Su Chen choose a good promotion level. Murong Qingcheng stretched out her hand and lightly touched the ball, and the ball of light instantly dispersed into a number.

【Nine! 】

Su Chen and Murong Qingcheng saw the word nine burst out from the light ball, and their faces showed smiles, nine!

Su Chen can ascend to nine realms, starting from Quasi-Saint, and he can ascend to the eighth level of Saint in one step.

【Trialist, congratulations, you have the opportunity to advance to the nine realms. 】

Su Chen hugged Murong Qingcheng and kissed her hard, then laughed and said,

"Hahaha....., Madam Murong, you are really my lucky star, Jiu, I can ascend to nine great realms in one step. Murong

Qingcheng pushed Su Chen away and yelled, "You little bastard, let me go quickly, your saliva is all over my face.""

Su Chen shouted again to the girls at the foot of the ladder.

"Madams, I will soon become a strong person in the Holy Realm. Nuwa, my realm will be the same as yours in a while, and I will also become a strong person in the eighth level of the Holy Realm."

Under the ladder to heaven,

Empress Nuwa and Concubine Yan were stunned when they heard Su Chen's words.

"Please give me flowers."

"Wow, my husband has become a saint in one step, and he has also reached the same state as Sister Nuwa."

"The eighth level of the holy realm? Oh my god, the little bastard is really going against the will of heaven."

"Haha, little fox, I heard that it will take you a thousand years to surpass your husband. Do you still have this confidence now? I give you a million years, can you?"

"Yan Lingji, if you don't speak, no one will treat you as a mute."

"At the eighth level of the Holy Realm, if your husband activates the bloodline of the Xuantian, and then borrows the power of heaven from the Xuantian Realm, your husband's strength may become the 12th level of the Holy Realm."

"Yes, in the great world of chaos, your husband will become the strongest, and we don't have to worry about realm wars. Your husband is in the holy realm and has killed Pangu. If you are in the eighth level of the holy realm, the Beast King Shen Ni will definitely die. miserable".....

After the girls came to their senses, they all started talking.

They were all very happy that Su Chen was promoted to the eighth level of the Holy Realm. The Realm War will start in about a year. Su Chen's promotion to the eighth level of the Holy Realm is a very good thing for the Xuantian Realm. news.

Empress Nuwa patted her forehead.

She felt that she was going to be doomed.

Su Chen had advanced to the eighth level of the Holy Realm.

How could she pinch Su Chen, that shameless little bastard? Empress Nuwa guessed that she would be bullied very badly by Su Chen.

Yin Ji secretly sent a message to Nuwa Empress,

"Sister Nuwa, what should we do in the future? The little bastard has become stronger. We can no longer use our strength to reject Su Chen. Otherwise, let's cooperate."

Nuwa Empress rolled her eyes at Yin Ji, and in just a moment,

Xihe, Queen Mother, Queen Mother of the West, Gaia, Luluo, Ziyun and other holy realms all sent messages to her.

She understood the thoughts of the girls.

They They used to accompany Su Chen alone. After Su Chen becomes stronger, they may not be able to resist Su Chen or deal with Su Chen. They are preparing to unite to deal with Su Chen.

Concubine Yan said with a smile,

"The four sisters Su Yan were not here, and the four girls had no idea where they had sneaked away. If the four sisters Su Yan knew about such a big event today, they would definitely regret escaping secretly."

Jing Salamander said with a cold face,

"Su Yan is getting more and more arrogant. If I catch her this time, I will lock her in a small dark room for a year and ten years."

Chapter 2822

Jing Shao became more and more helpless towards Su Yan.

The girl was too wild. If she wasn't careful,

Su Yan would sneak away with his three younger sisters. The entire Xuantian Realm was not enough for Su Yan, and he wanted to go on adventures in other realms all day long..

Jing Salamander decided to catch Su Yan and come back this time.

She would personally imprison that wild girl for one year, and lock Su Yan in a small dark room for at least one year.

Concubine Yan said with a smile,

"Jing Salamander, forget it, you can't shut up Yan'er, that girl is a clever girl, Yue'er and Elena are becoming more and more naughty, and Su Yao won't be able to run away in the future."

Jing Salamander shook his head and said,

"No, Yan'er is about to grow up. If you don't discipline her now, she will become a troublemaker like her husband in the future."

Concubine Yan nodded speechlessly and said,

"That's right. Oh, I have a headache. These little girls are hard to discipline. They are too naughty. My husband has been letting these little girls be naughty and mischievous. We can do our best to discipline them."

"Um!"

Jing Salamander also had a helpless expression on his face.

Su Yan and Su Chen looked more and more like each other.

If Su Yan grew up, they would no longer be able to control Su Yan.

Another lawless lord would appear in Xuantian Realm. Su Yan may be more trouble-making than Su Chen.

On the 10,000th floor of the Ladder,

Su Chen began to accept the indoctrination of the Ladder.

His cultivation level was rising like a rocket.

In just a few breaths,

Su Chen's cultivation level The realm has been promoted to the third level of the Holy Realm, and it is still improving.

Murong Qingcheng looked at Su Chen who was constantly advancing.

Every time Su Chen advanced to a major realm, his realm was very stable, without any hidden dangers. existence, Murong Qingcheng felt relieved.

The infusion of Tianlai should be Hongmeng spiritual liquid, and it should also be purified Hongmeng spiritual liquid, otherwise Su Chen's ascended realm would not be so stable.

Hongmeng spiritual liquid?

How much Hongmeng spiritual liquid did Tianlai get? ?

For a pot of Hongmeng Spiritual Liquid,

Hongmeng Supreme will fight for it desperately.

Su Chen uses the purified Hongmeng Spiritual Liquid.

This is probably more than ten or eight pots of Hongmeng Spiritual Liquid. Su Chen has encountered a God-given opportunity.

Boom Boom.....

The early stage of the fourth heaven of the Holy Realm.....The pinnacle of the fourth level of the Holy Realm.....The early stage of the fifth heaven of the Holy Realm.....The late stage of the fifth heaven of the Holy Realm.....The early stage of the Sixth Heaven of the Holy Realm.....

Su Chen is still constantly improving at this moment, one small realm, one big realm.

If Su Chen's improvement speed were to be seen by other holy realms and powerful people, those people would be so surprised that their jaws would be dislocated.

A quarter of an hour later,

Su Chen's realm reached the early stage of the eighth level of the holy realm.

"Ha ha....., the eighth level of the holy realm, so powerful, I am now at the cultivation level of the eighth level of the holy realm, Rahu, the Beast Emperor Shen Ni, and the Space Demon God raise their eyebrows, they will not be my opponents."

Murong Qingcheng patted Su Chen on the shoulder and reminded, "You little bastard, don't be proud, hurry up and get the next reward."

"Madam Murong, it may not take me a thousand years to go to Hongmeng World."

"knew!"

Murong Qingcheng looked at Su Chen speechlessly.

The little bastard is relatively lucky.

If Su Chen goes to practice in the time barrier in the future, and he uses the origin of heaven and the luck of the Xuantian realm, it is really possible that the little bastard will not need a thousand years. After being promoted to the twelfth level of the Holy Realm,

Su Chen hugged Murong Qingcheng and shouted, "Holy Soul of the Ladder, what is the next reward?" You can distribute it now"

【Trialist, the next reward is ten sources of Heavenly Dao, ten pots of Hongmeng spiritual liquid, and five promotion places to the third level of the Holy Realm.】

【Ding, host, you promise to give Hongmeng spiritual liquid to the system. 】 (To read exciting novels, go to Feilu Novel Network!)

When Su Chen heard what the system said, his face turned dark and he shouted,

"I'll go to the system and ask for ten pots of Hongmeng spiritual liquid. At least leave some for me. I haven't even seen Hongmeng spiritual liquid."

Su Chen promised the system that all the rewards for the 10,000 levels of Hongmeng Spiritual Liquid will belong to the system, but Su Chen now has Murong Qingcheng, who is the Supreme Supreme of Hongmeng.

She also needs the Hongmeng Spiritual Liquid to practice, and

Su Chen also needs Murong Qingcheng to be stronger. , the stronger Murong Qingcheng is in the Hongmeng World, Su Chen will be safe only when he goes to the Hongmeng World in the future.

In the Hongmeng World, other female Hongmeng Supremes discovered him and discovered the private items he owned, with Murong Qingcheng in the Hongmeng World. , it is impossible for those Hongmeng Supremes to dare to take action against him.

【Ding, no! 】

no?

The system girl is really stingy, what the hell, ten pots of Hongmeng spiritual liquid?

How much is this?

Still too little?

"System, let's do this. You also know that Murong Qingcheng is the Supreme of Hongmeng. She should also need the Hongmeng spiritual liquid. I want three pots. I will exchange half of the source of heaven for three bottles of Hongmeng spiritual liquid. Is this good?"

【Ding, the system can agree with the origin of the Eight Heavenly Ways!】

"Let me guess, you are really a brave man, the source of the seven heavens, the system, I know you need Hongmeng spiritual liquid and the source of heaven to upgrade, but I also have a big family to feed!"

【Ding, deal! 】

Su Chen's face was so dark that he didn't want to talk to the girl from the system.

He exchanged the seven sources of heaven for three pots of Hongmeng spiritual liquid. Did he make a profit or lose? Su Chen didn't know, but the Hongmeng spiritual fluid must be much more precious than the source of Heavenly Dao.

Su Chen hugged Murong Qingcheng and said, "Murong Qingcheng, please accept three pots of Hongmeng spiritual liquid. I can only give you so much Hongmeng spiritual liquid."

Murong Qingcheng asked in surprise,

"Little bastard, you want to give me Hongmeng spiritual liquid? Do you know how precious Hongmeng Spiritual Liquid is?"

Su Chen kissed Murong Qingcheng and said, "I know, but you are my wife, isn't what's mine yours?"

"snort."

Murong Qingcheng silently rolled her eyes at Su Chen. She waved and accepted the three pots of Hongmeng Spiritual Liquid.

Su Chen was right.

She and Su Chen would be an inseparable couple from now on, and Hongmeng Spiritual Liquid was also very important to her.

With three pots of Hongmeng spiritual liquid,

Murong Qingcheng's realm will be improved by several realms again, and she will become more and more powerful in the Hongmeng world. If Su Chen comes to the Hongmeng world, Murong Qingcheng will also be able to protect the little bastards who cause trouble.

"The Holy Soul of the Ladder, the five places to ascend to the third level of the Holy Realm, I choose Yan Fei, Jing Salamander, Bibi Dong, Cai Lin, and Kesha."

Su Chen carefully selected the five concubines Yan,

Concubine Yan and Jing Sala.

They are the women Su Chen loves most.

Su Chen has special feelings for them.

Bibi Dong, Cai Lin, Kesha, they are not only They have strong management skills and good command skills.

After their strength increases, they will not only be of great help to him, but also to the Xuantian Realm.

Murong Qingcheng asked doubtfully,"Su Chen, if you choose this way, you other women won't have a problem with you?".

Chapter 2823

Murong Qingcheng looked at the bottom of the ladder.

Half of the women under the ladder were Su Chen's women. The other women were either Su Chen's confidante or his subordinates.

Su Chen selected five women to advance to the third level of the Holy Realm.

The others What about women?

Aren't they angry and angry?

Su Chen smiled and replied,

"No, my other women will not have any objections to my selection of Yan Fei's five daughters to advance to the third level of the Holy Realm, and I also believe that my other women will not have any objections."

Su Chen is very confident.

He has many women.

There is no need to consider the women in the fairy world. It is only a matter of time before they want to advance to the holy realm. The women in other worlds and the women in the Godfall Continent all have good cultivation. But except for Bibi Dong and Cai Lin, the other women are dedicated to cultivation and know nothing about managing the Xuantian Realm.

Xiaobai, Xiaoqing, Xiao Xun'er, Little Fox, etc., they are practicing in addition to practicing.

In Tianxuan Continent, everyone The strength of the women is basically the same.

The five commanders-in-chief,

Huang Rong, Li Xiuning, Shen Luoyan, Mu Guiying, and Zhao Min, are all Daluo Jinxian. Their strength is enough to command the army.

The other women,

Madam Ye Di, Hua Baifeng, Shi Guanyin and the girls, they have been practicing in the time barrier, and they will be able to advance to the holy realm in just a few decades. The girls who are not practicing and playing around,

Yan Lingji, Shi Qingxuan, Shang Xiufang, her Golden Immortal and Taiyi The Jinxian's strength is more than enough. They don't need to go into battle to kill the enemy, nor do they need to fight against powerful enemies. They don't need to advance to the third level of the Holy Realm immediately.

Su Chen chose Yan Fei and Jing Salamander, as well as Kesha and Bibi Dong. , Cai Lin, the five of them have been managing the Xuantian Realm, and they are needed for the operation of the Xuantian Realm.

Su Chen chose them to advance to the third level of the Holy Realm first, because they did not have much time to practice in the Time Barrier.

Murong Qingcheng shook his head Said,"As long as your woman doesn't have any conflicts, it'll be fine"

"Ha ha.....Don't worry about this, they won't have any conflicts."

"snort!"

【Trialist, are you sure it's the five girls, Concubine Yan, Jing Salamander, Bibi Dong, Cai Lin, and Kesha? 】

Su Chen nodded and replied,

"Sure!"

Swish, swish, swish!

Suddenly, the five girls, Yan Fei, Jing Salamander, Bibi Dong, Cai Lin, and Kesha, all appeared on the 10,000th floor of the ladder.

"Husband, why do we appear on the 10,000th floor of the ladder?"

"Husband, did you move us over?"

"Little bastard, why did you only move the five of us? Why didn't the other women move over?"

"Yes, sister Nuwa, why didn't they move over?"

"Husband, is it okay if you move us?"

The five daughters of Concubine Yan asked Su Chen one after another.

Their cultivation realms were not the strongest. They also had sister Nuwa who was in the holy realm, and Yun Yun and Athena who were in the powerful quasi realm. The pinnacle of sainthood.

Su Chen hugged Concubine Yan and Kesha and replied,

"Concubine Yan, Jing Salamander, Kesha, Bibi Dong, Cai Lin, you are all ready. The Holy Soul of the Ladder will instill your cultivation realm in a while, and you will all advance to the cultivation realm of the third heaven of the Holy Realm in ten breaths.

Concubine Yan asked in surprise, "What?" Husband, will we reach the third level of the holy realm soon?"

"That's right, don't ask questions yet, get ready quickly, the Holy Soul of the Ladder will start instilling it soon."

Concubine Yan and the fifth daughter Kesha hurriedly adjusted their breathing and prepared.

Although they had many questions, Su Chen reminded them that they could only ask Su Chen later.

Boom boom boom.....

The Holy Spirit of the Ladder of Heaven began to be instilled. (To read Baoshuang novels, go to Feilu Novel Network!)

The auras of the five girls of Concubine Yan began to increase.

After a while, the five girls advanced to the early stage of the first level of the Holy Realm, and their auras continued. promotion.

Murong Qingcheng said quietly,

"Suchen, I'm leaving."

Su Chen hurriedly hugged Murong Qingcheng and asked, "Qingcheng, are you leaving so soon?"

Murong Qingcheng leaned into Su Chenhuai (abbi) and explained,

"Well, I escaped from the ladder. Some Hongmeng Supremes in the Hongmeng World are familiar with my aura. I am worried that they will find the coordinates of the Chaos World."

"Alas, I didn't expect that we would be separated so soon." Su Chen touched Murong Qingcheng's hair and said helplessly.

He didn't think that Murong Qingcheng would leave just after Murong Qingcheng got out of trouble.

It was too short-lived.

Su Chen was reluctant to let Murong Qingcheng leave. Su Chen hugged Murong Qingcheng tightly..Murong

Qingcheng reminded,

"Su Chen, we are only separated temporarily. A thousand years. A thousand years is just a blink of an eye for us. We will meet again soon. As long as you come to Hongmeng World, we will never be separated again."

"makes sense"

"Goodbye, Su Chen, I will wait for you in Hongmeng World."

Murong Qingcheng kissed Su Chen, and she stood up from Su Chen's arms. She was about to leave.

If she didn't leave as soon as possible,

Murong Qingcheng was worried that she would be reluctant to leave.

Su Chen waved his hands with a wry smile and said,"Goodbye, my Mrs. Murong. , I will go to Hongmeng World soon"

"goodbye!"

Whoosh!

Murong Qingcheng took a deep look at Su Chen. She turned around and disappeared on the ladder in an instant.

"Bye now."

Su Chen took out a bottle of wine and took a sip.

Separation?

He hates separation the most.

Su Chen and his woman have been separated countless times. Every separation makes him feel unhappy and sad.

Su Chen exhaled. He whispered,

"Phew, there is one last reward, the ownership of the ladder. I will be the controller of the ladder in the future. Where is the holy soul of the ladder? Will the Holy Soul of the Ladder be under his control?"

Under the ladder to heaven,

Nuwa and her daughters were all very surprised when they saw the situation on the ladder to heaven.

"The five daughters of Concubine Yan have all been promoted to the Holy Realm, and they are still in the process of promotion."

"This must be a reward for the heavenly ladder. My husband has chosen the holy realm of Concubine Yan's five sisters."

"Yes, Concubine Yan and the others should be promoted to the Holy Realm. They have been managing the Xuantian Realm and do not have time to practice in the Time Result Realm. If they are promoted to the Holy Realm, they will not have to worry about being pulled down from the realm of cultivation in the future."

"Yes, apart from practicing, even if we can help Su Chen kill enemies, we can't help with the management of Xuantian Realm."

"That's fine, we don't have to worry about the five daughters of Concubine Yan complaining that we don't help them. Haha, the five of them should continue to manage Xuantian Realm."

"That's right. After the five daughters of Concubine Yan are promoted to the Holy Realm, we don't have to be embarrassed. Concubine Yan and the others should continue to work hard."

#### Chapter 2824

The girls under the ladder chatted for a while, and they all had smiles on their faces, and some women even showed malicious smiles. After the five girls of Concubine Yan advanced to the Holy Realm, they did not have to feel guilty. The five girls of Concubine Yan still continued. Good at managing Xuantian Realm.

On the ladder to heaven, after ten breaths, the five daughters of Concubine Yan all successfully advanced to the third level of the Holy Realm, and they all checked the strength of the Holy Realm.

Concubine Yan smiled and said,

"I didn't expect that we would become saints in one fell swoop, and we would still be in the holy realm of the third heaven."

Kesha: "Yeah, I thought it would take hundreds of thousands of years before we could advance to the Holy Realm. Within ten breaths of time on the ladder, we all advanced to the Holy Realm."

Jing Salamander:"Husband, is our advancement to the Holy Realm a reward from the ladder?" Why did you choose the five of us?

Bibi Dong:"Yeah, little bastard, why did you choose us?"817" If the other sisters find out, you will definitely suffer. Cai

Lin:"Husband, you should let all of us discuss it. If you do this, the other sisters will be angry with you."

When Su Chen heard what the fifth daughter of Concubine Yan said, he smiled and shook his head.

The fifth daughter of Concubine Yan was unfounded. How could other women be angry? How could they be angry with him.

Su Chen hugged Bibi Dong and Jing Salad beside him. said,

"Don't worry, others won't be angry. You have been managing Xuantian Realm, and others can see it clearly. You have no time to practice, and your strength can't keep up. I'm afraid others feel guilty for you. They don't will be dissatisfied with you."

When Concubine Yan and Bibi Dong heard what Su Chen said, they all looked at Su Chen speechlessly.

They had been managing the Xuantian Realm these years, and the other women were either practicing or playing around.

Women. Empress Wa, those powerful saints, have been practicing to prepare for the realm war, and Concubine Yan and the five girls will not disturb them.

Hera and Qiongxiao are all attacking the holy realm, and they cannot disturb them.

Xiaobai and The women of Little Fox, they don't know how to manage at all, and the women of Yan Lingji, they know nothing about management even more. The five women of Concubine Yan can only manage Xuantian Realm hard without complaint.

Kesha smiled and said,

"Husband, you have advanced to the eighth level of the Holy Realm. Is the Realm War about to begin?"

Su Chen shook his head and replied,

"I still want to wait a moment, I want to see the strength of the beast realm, and also want to see whether the prehistoric fairy world and the extraterrestrial demon world can resist the invasion of the beast realm."

Bibi Dong said with a serious face, "Husband, I'm afraid it won't work. There will be changes in the ancient immortal world."

"What changes?"

Concubine Yan hurriedly said to Su Chenshu,

"Husband, the ancient heaven has gone crazy. The creatures in the ancient immortal world prayed to the ancient heaven to let you return. Not only did the ancient heaven not allow it, but it also sent down thunder and punished tens of millions of immortals."

"What? When did this happen?"

Su Chen was very surprised.

Did the Great Ancient Heaven go crazy?

It rained down thunder and punished tens of millions of immortals?

What happened?

Did the Great Ancient Heaven know that they were going to be destroyed? That's why the Great Ancient Heaven went crazy?

But, is this possible? ?

Concubine Yan replied,

"three months ago."

Su Chen frowned and couldn't understand.

It is impossible for the prehistoric heaven to go crazy, but why did the prehistoric heaven send down thunder punishment and destroy tens of millions of immortals? The prehistoric creatures just prayed for his return, and the prehistoric heaven had no reason to refuse, let alone Tens of millions of immortals were destroyed.

Cai Lin reminded Su Chen,

"My husband, Sister Nuwa and several saints suspected that Pangu was about to resuscitate. We also felt that the ancient Heavenly Dao suddenly went crazy. Could this be because Pangu was about to resurrect."

Pangu?

Pangu is going to revive?

Su Chen suddenly thought of what Pangu said after being killed in the trial world. He will revive tens of millions of years later, and he will seek revenge from him. (To read Baoshuang novels, go to Flying Lu Novel Network!)

Could it be that in the main world,

Pangu did not truly fall?

Did he leave behind the means of recovery in the future?

But Pangu's three parts of the soul were transformed into Laozi, Yuan, and Tongtian. How could Pangu recover without the soul? ?

Pangu's essence and blood also turned into the twelve ancestral witches.

Without the soul and essence and blood, will Pangu recover?

Su Chen thought about it and immediately said to Concubine Yan,

"Madam, send someone to inform Luo Hu that in two months, the prehistoric heaven will be destroyed first. Regardless of whether Pangu recovers or not, we must destroy the prehistoric heaven first. Concubine Yan replied with a smile,

"Husband, Nannan has already gone to inform Luo Hu that you have climbed to the 10,000th floor of the ladder to heaven. As long as we return to the Xuantian realm, the prehistoric heaven can be destroyed at any time.."

"Did Nannan go to inform Luo Hu? fair enough."

Su Chen didn't expect that the ruthless empress had already informed Luo Hu. Empress Nuwa and the Queen Mother were all pretty good, and they also knew that Luo Hu, the idiot of the Alliance, was serving as cannon fodder.

Su Chen looked into the air and shouted, "Holy Soul of the Ladder to Heaven, It's me who belongs to the ladder, right?"

【Trialist, the ladder belongs to you, and the authority of the ladder begins to transfer. 】

Su Chen suddenly felt that there was a core in his mind, the control of the ladder.

This was the full authority of the ladder.

Su Chen felt that he could control the ladder at will, and he could also carry the space of the ladder with him.

"Holy Soul of the Ladder, what about you? Why do I feel like I can't control you?"

Su Chen tried to control the Heavenly Ladder Holy Soul, but he didn't feel the existence of the Heavenly Ladder Holy Soul. The Heavenly

Ladder Holy Soul is no longer in the Heavenly Ladder.

What's going on?

How could the Heavenly Ladder Holy Soul not be in the Heavenly Ladder?

Concubine Yan's five daughters all started talking. Looking at Su Chen,

Su Chen controls the Heavenly Ladder?

But does not control the Heavenly Ladder Holy Soul?

What is going on?

Has the Heavenly Ladder Holy Soul separated from the Heavenly Ladder?

【Trialist, the ladder to heaven belongs to you, and the holy soul of the ladder to heaven will return to all the worlds. 】

Su Chen asked in confusion, "Returning to all the worlds? 2.2 Ladder Holy Soul, what does this mean?"

【The Ladder to Heaven is the evolution of the will of all heavens and all realms, and the Holy Soul of the Ladder to Heaven is also the will of all heavens and all realms. You have climbed to the 10,000th floor of the Ladder to Heaven, and the Ladder to Heaven belongs to you. The Holy Soul of the Ladder to Heaven will naturally return to the will of all heavens and all realms. 】

Su Chen heard and nodded, a will?

The Holy Soul of the Ladder turns out to be the will of all heavens and worlds.

In this way, the Holy Soul of the Ladder will no longer exist in the future. Su Chen also plans to let the Holy Soul of the Ladder continue to be in charge of the Ladder. His idea cannot be realized.

【Trialist, I am returning, and I will give you one last piece of advice. The Hongmeng World is very terrifying and huge. The Chaos World is just a speck of dust in the Hongmeng World. The Hongmeng World is the strongest place in the world. A big world full of people】

Chapter 2825

Su Chen nodded when he heard the words of the Holy Soul of the Ladder.

He knew all this.

Murong Qingcheng told him about the situation of Hongmeng World, a speck of dust?

The Chaos World is vast.

Su Chen wanted to travel around the Chaos World. He guessed that it would be impossible to do so in thousands or even hundreds of thousands of years.

The Chaos World was just a speck of dust facing the Hongmeng World. The Hongmeng World's It was so vast that

Su Chen couldn't believe it just thinking about it.

Concubine Yan asked Su Chen,

"Husband, has the Holy Spirit of the Ladder left?

Su Chen nodded and replied,"After leaving, the Holy Soul of the Ladder will return to all the worlds. There will be no more Holy Soul of the Ladder in the future.""

Bibi Dong reminded with a serious face,"Husband, the advice from the Holy Spirit of the Ladder to Heaven, we must be careful in the future, Hongmeng World is another starting point for us."

Bibi Dong, as well as Cai Lin and the girls, they heard from Su Chen about the Hongmeng World.

Murong Qingcheng came from the Hongmeng World. The Hongmeng World is much more powerful and terrifying than the Chaos World. The strong men in the Holy Realm are in the Hongmeng World. It's just a bottom-level existence.

Cai Lin reminded Su Chen,

"Yes, husband, if you go to Hongmeng World in the future, you must not seek death and cause trouble again.

Kesha warned with a serious face,"Yes, husband, the world of Hongmeng is much more terrifying than the world of Chaos. You must not commit suicide willfully again.""890 Frightened Salamander held Su Chen's hand tightly. She knew Su Chen very well. She also knew exactly what kind of person Su Chen was.

Not seeking death?

Not causing trouble?

It's impossible for Su Chen to do that. ,

Jing Salamander did not believe that Su Chen could avoid seeking death or causing trouble.

Su Chen shook his head speechlessly and said,

"I see! I am fully aware of the horrors of Hongmeng World. How could I seek death in Hongmeng World?

Concubine Yan looked around and asked, "Husband, where is your beauty's holy soul?"

Su Chen replied with a sigh,

"After leaving, Murong Qingcheng escaped from the ladder, and her aura could not be hidden. If Murong Qingcheng stayed, other Hongmeng Supremes in the Hongmeng World would discover the Chaos World. She did not want to bring disaster to the Chaos World, so she had to leave."

Kesha said with a smile,

"Husband, you are now at the eighth level of the Holy Realm. When you advance to the 12th level of the Holy Realm, you can go to Hongmeng World, and you can also see Murong Qingcheng again."

"I see!"

Su Chen looked at the five daughters of Concubine Yan and nodded. He will definitely advance to the twelfth level of the Holy Realm within a thousand years. (abac) Hongmeng World. Su Chen will also go to see the Hongmeng World where strong men gather. World.

Whoosh whoosh whoosh.....

Su Chen waved to the girls at the bottom of the ladder, and the girls at the bottom of the ladder appeared on the 10,000th floor one after another.

"Husband!"

"little bastard!"

"Su Chen, you finally remembered us"

"Little bastard, you are such a bastard. It took half an hour before you brought us to the 10,000th floor of the ladder."

"Hum, husband, you have to make it up to us sisters"

"Yes, we have been waiting for you under the ladder for several years. You only thought of us after you climbed to the 10,000th floor of the ladder. Husband, you must make it up to us sisters."

After the Nuwa Empress and the girls appeared on the 10,000th floor of the ladder, they all denounced Su Chen.

Su Chen smiled and hugged the girls respectively. He understood that the complaints and denunciations of the Nuwa Empress and the other girls were false and they were intentional. She wanted to cause trouble for him because she deliberately wanted him to feel that he had neglected the girls.

Su Chen hugged the little fox beside him and said to the girls,

"Ladies, I have just gained full access to the ladder, please don't accuse me unjustly."

Empress Nuwa asked, "You little bastard, does the ladder to heaven belong to us?"

"Yes, the ladder belongs to us from now on. You can climb the ladder whenever you want. Yan

Lingji hugged Su Chen and shouted, "Wow!" Husband, the ladder to heaven belongs to us, and we will not be able to climb it casually in the future."

Su Chen kissed Yan Lingji and replied, (To read Baoshuang novels, go to Feilu Novel Network!)

"Yes, you can climb the ladder at any time, but the difficulty of climbing the ladder will not change. Baby Yan, don't think too much. You can't climb the ladder opportunistically."

Yan Lingji's face turned red instantly.

She didn't expect that Su Chen would guess her plan. With all the girls nearby, Yan Lingji felt a little embarrassed lying in Su Chen's arms.

"Ha ha....."

The girls laughed when they saw Yan Lingji blushing.

They understood Yan Lingji's plan.

Yan Lingji and Wanwan were the last ones to climb the ladder. Yan Lingji wanted to use Su Chen to control the ladder. She thought Let Su Chen help her climb to the 10,000th floor of the ladder in one fell swoop.

Wanwan laughed at Yan Lingji,

"Yan Lingji, you are shameful. Yan

Lingji glared at Wanwan and explained,

"Wanwan, am I not doing this for us? We are tied for last. If we climb to the 10,000th floor in one fell swoop, we will be the second and third people to climb to the 10,000th floor of the ladder."

"Yan Lingji, you can exploit loopholes, but others can't?"

"Idiot, Wanwan, we exploited the loophole in the first place and others were a step behind us. We will no longer be tied for last place in the future."

"Yan Lingji, you are so hopelessly lazy."

Su Chen shook his head when he heard Yan Lingji and Wanwan arguing. He took out the source of heaven and handed it to Nuwa Empress.

"Madam, this is the origin of the five heavenly ways. You and Yin Ji can share it with you."

Nuwa Empress smiled and said, "Husband, I will assign the source of heaven to the girls who are about to be promoted."

"Let's go back to Xuantian Realm. I will open the ladder to all of you. You can climb it whenever you want."

"good!"

In the chaos, in the Sky Blade battleship,

Su Yan's four sisters looked at the realm displayed on the monitoring screen. They were all very happy.

Su Yue asked Su Yan,

"Sister, this realm is a low-level realm, the heaven is the fifth level of the holy realm, and there are only two holy realms. Do we want to launch a realm war against this realm?"

Elena shouted excitedly,

"Sister, let's start a realm war. There will be one heavenly realm in the fifth heaven of the holy realm, and two holy realms, one is the third heaven of the holy realm, and the other is the second heaven of the holy realm. We can destroy this realm. Su

Yao pulled Su Yan worriedly and said, "Sister, don't we inform our father and aunts first?"

"Need not!"

Su Yan touched his chin and thought.

In a low-level realm, the jade talisman in their sisters' hands can completely destroy the way of heaven. There are also two scum in the holy realm.

However, her black bird army is a trouble.

Su If Yan mobilized the Black Bird Army, their father, mother, and aunts would all find traces of their sisters.

Su Yan thought for a while and said with a serious face,

"I decided to destroy this low-level realm. If the two scumbags in the holy realm are willing to surrender, we can keep them first. Yue'er, let the butterfly-winged birds fly. I want to summon my black bird army."

Zongwu: Sign in an army of 100,000 at the beginning

Chapter 2826

When Su Yue and Elena heard Su Yan's instructions, their little eyes lit up. They had all experienced the war in the realm. They had seen the war in the wild realm, but they had not directly participated in it. This time, their sisters were going to destroy a realm with their own hands. Su Yue and Elena were very excited. Su Yue happily said hurriedly,

"Sister, I will release the butterfly-winged bird immediately."

Su Yao looked at her three sisters in confusion.

Are they really going to launch a boundary war? Aren't her three sisters afraid of being punished by their father?

Su Yan waved his hand and ordered,

"Angel Xiyun, order the Heavenly Blade battleship to approach the realm ahead. Let's first figure out what realm is ahead."

"Yes, Your Highness the Princess."

Xuan Tian Realm, one month later.

Su Chen walked out of the palace of Hera and Frigga.

He was going to go to the ancient starry sky to find Luo Hu.

The ancient heaven must be destroyed as soon as possible.

If the ancient heaven really revived Pangu, He will face a powerful enemy.

Suchen looked back at the palace and smiled.

Hera, Frigga, Athena and the other girls, they have to rest for maybe a day today. A month of beautiful life is over.

"You Ruo, have the Sky Blade Battleship be ready. We will go to the Ancient Starry Sky Fortress in an hour."

Youruo appeared instantly and saluted, "Master, the Sky Blade Battleship is not in the Xuantian Realm. When the four princesses fled the Xuantian Realm, they took the Sky Blade Battleship away."

I'm going.

Su Yan ran away with his sister again?

Why didn't anyone tell him? No wonder I haven't seen Su Yan's four sisters for a month.

Damn it,

Yan'er is getting more and more unruly.

The realm war is about to begin. After it was turned on, Su Yan still dared to lead his sister to run around lawlessly.

Su Chen shook his head and ordered,

"Forget it, I will go to the Great Starry Sky Fortress alone. Youruo, please notify Nuwa and Yin Ji and let them arrive at the Great Starry Sky Fortress in a month."

"Yes, master!"

Whoosh!

Su Chen instantly appeared on the Emperor's Palace in the Xuantian Realm. He looked at the Merlot Heavenly Court and began to think.

Several combat legions in the Xuantian Realm were preparing for a realm war, the largest realm in the chaotic world. Territory war.

The ferocious beast realm, the prehistoric fairy world, the extraterrestrial demon realm, plus his Xuantian realm, these realms should be the most powerful realms in the chaotic world. The Space Demon God raised his eyebrows, and the Time Demon God said, Destiny of the Demon God of Destiny, they should be monitoring the prehistoric fairy world. Will the three major Chaos Demon Gods also take action? Su Chen didn't know. He even raised his eyebrows. Time, Destiny, and whether the three major Chaos Demon Gods had realms were unknown. Su Chen didn't know. Sitting in the palace in the morning, he whispered,

"A storm is coming, and the prehistoric fairy world has become the center of the storm. Where will the five of them, Hongjun and I, hide? Will they also come out to cause trouble?"

Whoosh!

Po Meng appeared next to Su Chen in an instant and shouted,

"Husband! Su

Chen held Po Meng in his arms and asked, "Po Po Meng, you haven't returned to the six realms of reincarnation yet?"

Meng Po leaned in Su Chen's arms and replied,

"I will leave in a few days. Sister Nuwa gave me some sources of heaven, and I want to bring them to the main body." (To read exciting novels, go to Feilu Novel Network!)

"How long does it take for Pingxin to refine the reincarnation disk?"

"Husband, it will take at least a hundred years for the original body to be formed. The reincarnation disk is a half-step Chaos Spiritual Treasure. The original body has not yet reached the holy realm. Her refining speed is a bit slow."

"That's right, if Pingxin can refine the reincarnation disk, she can escape from the six paths of reincarnation, and Pingxin will cultivate to become a saint in the future."

Mother Meng asked worriedly, "Husband, will Pangu really wake up again?"

Su Chen kissed Po Meng and reminded,

"Don't worry, Pangu is the resurrection. He is not your father-god Pangu. He is not the Pangu who opened up the ancient world of immortality. You should just treat Pangu as a stand-in or a puppet."

"Well, husband, I have to go find Xuan Ming. I won't come to say goodbye to you before I leave."

"Po Meng, I will go to the Great Starry Sky Fortress in a moment. If I have the chance, I will sneak into the Primeval Immortal Realm to find you, Peace Heart."

"Okay, mine's gone."

Mother Meng hugged Su Chen and disappeared. The Witch Clan has great respect for Pangu. However, if the resurrected Pangu is not good for the prehistoric fairy world, and if it is bad for Su Chen, the Witch Clan will not miss the resurrected Pangu. Su Chen lay down and looked at the sky. To be honest, Su Chen had never captured the beautiful woman, and Xuan Ming. That cold beauty came to the Xuantian realm again. Xuan Ming became very peaceful. Please give me flowers. With the two great witches, Su Chen turned around and wanted to taste what it was like. In the Demonic Tower of Desire, Su Chen looked at the naked Ice and Snow Demon God. He held his nose and felt hot. Damn it, the Ice and Snow Demon God's figure was so good. With his flawless fair skin, uneven figure, and proudly standing mountains, coupled with the cold temperament of the Ice and Snow Demon God, Su Chen has been admiring the beautiful scenery almost every day for a month.

"Ice and Snow Demon God, it's been a hundred years, how are you thinking? Do you agree to hand over a ray of soul?"

"Shameless person, after I break the Demonic Tower of Desire, just wait to be annihilated by me."

In the Demonic Tower of Desire, the Ice and Snow Demon God heard Su Chen's voice. She squatted on the ground with her hands on her chest, showing an expression of resentment. For more than a hundred years, she has been eroded by the demonic energy of desire every ten years, and Su Chen She kept peeping at her body.

The torture of the demonic energy of desire, coupled with Su Chen's shameless peeking.

The Ice and Snow Demon was so ashamed and angry that she wanted to self-destruct, but in the Demonic Tower of Desire, her strength was sealed and she could not use her magic power. , the Ice and Snow Demon couldn't commit suicide even if he wanted to.

Su Chen curled his lips and persuaded,

"Ice Demon God, I let you know everything that happened in the future, and I saved your life. Bing Ji and Xue Ji, they should have told you about the relationship between you. More than a hundred years have passed, how can you still do it? Obsessed?"

The Ice Demon God cursed angrily,

"Shameless person, I will not give in. If you dare to touch Bing Ji and Xue Ji again, I will make you unable to live or die."

The Ice and Snow Demon couldn't bear Su Chen. She wanted to kill Su Chen with the cruelest means. The Ice and

Snow Demon had seen Bing Ji in the Demon Tower of Desire, and also saw Xue Ji who should have died after she blew herself up.

Bing Ji and Xue Ji were with each other. She talked about the relationship between them. The Ice and Snow Demon didn't expect that Bing Ji and Xue Ji were closely related to him. They were actually the creatures of the law that split after his death.

And this shameless bastard, the Ice and Snow Demon didn't expect that Su Chen would be so shameless. , the love affair between Su Chen and Xue Ji, this bastard actually allowed her to see, a dirty and shameless bastard

"Ice Demon God, Bing Ji and Xue Ji are my wives. You don't need to worry about what we do."

Chapter 2827

Su Chen smiled and admired the beautiful scenery with his hands on his pillow.

The Ice and Snow Demon still needs some time to tame.

Su Chen was not in a hurry.

He teased the Ice and Snow Demon every day and admired the Ice and Snow Demon's white and flawless body.

Su Chen felt good.

Bing Ji and Xue Ji will also help him convince the Ice and Snow Demon, who will become his woman sooner or later.

In the chaotic world, where else could she go besides following him? Can she still escape from her grasp?

"God of Ice and Snow, we are here today. If you agree, you can inform Bing Ji and Xue Ji that you have a good figure. I will continue to appreciate it tomorrow."

The Ice and Snow Demon God cursed angrily,

"Shameless bastard, I will definitely kill you, I will definitely make your life worse than death."

Damn bastard, the Ice and Snow Demon God clenched her hands angrily.

It has been more than a hundred years.

She has tried every means to restore her cultivation realm and magic power.

The Demonic Tower of Desire is so disgusting that she can't even wear her clothes.

It has been more than a hundred years. For a long time, the Ice and Snow Demon God had been imprisoned naked in the Demon Tower of Desire. Her hatred for Su Chen was deeper than her hatred for Pangu.

"what to do? Are what Bing Ji and Xue Ji said true? Is the chaotic world where Su Chen is located the main world?"

The Ice and Snow Demon God thought of what Bing Ji and Xue Ji said.

She still couldn't believe it.

This is the main world.

The world where the Ice and Snow Demon God is located is the trial world of the ladder. The trial world only exists for the training of the ladder trials. Her existence Is it real? Or is it an illusory existence?

In the main world, she is already dead.

Bing Ji of the Law of Ice and Xue Ji of the Law of Snow are all split bodies after their death.

All the Chaos Demon Gods were also killed by Pangu Kill.

Tens of millions of years have passed, and some Chaos Demon Gods have resurrected. Shenni, Yangmei, Luohu and other Chaos Demon Gods have resurrected one after another.

Boom!

"Damn it, the demonic energy of desire? The demonic energy of desire begins to appear again.."

Suddenly, demonic energy erupted in the space where the Ice and Snow Demon God was. She blushed when she saw the demonic energy.

Ten years later, she had to endure another month of torture of desire.

The Ice and Snow Demon God's legs were weak when he was squatting on the ground. She Thinking of being tormented by desire and the shame she would have to experience, the Ice and Snow Demon felt ashamed, angry and helpless.

Without magic power and strength, she simply couldn't bear the erosion of the demonic energy of desire.

Woo woo woo.....

In Xuantian Realm, a clear and loud horn sound suddenly sounded. This was the horn sound for the combat legions to gather and set off.

Su Chen sat up and checked.

Are there any combat regiments about to be dispatched?

How is this going?

Su Chen and the girls would not launch a realm war at this time, so why would the combat legions from the Xuantian realm assemble for dispatch?

"Let me guess, Black Bird Combat Legion? Su Yan's Black Bird Combat Legion was about to be dispatched. How could that girl dispatch the Black Bird Combat Legion? What realm is the little girl going to start a realm war with?"

Su Chen was very confused after checking.

Thirty million Blackbird combat legions were gathering and were preparing to leave the Xuantian realm.

Su Chen couldn't understand. (To read Baoshuang novels, go to Feilu Novel Network!)

What does Su Yan want to do when she summons her black bird combat legion? What realm does the little girl want to launch a realm war against? The ancient fairyland? The extraterrestrial demon realm? Or other realms in the chaotic world?

Whoosh!

The Frightened Salamander instantly appeared in Su Chen The person next to me said hurriedly,

"Husband, the Black Bird Combat Legion is gathering. Go and stop it. Yan'er is getting more and more ridiculous. The realm war is about to begin. How could Yan'er summon the Black Bird Combat Legion to leave the Xuantian Realm."

Su Chen hugged the Frightened Salamander and shook his head in refusal,

"Madam, I can't stop it. The Blackbird Combat Legion is Yan'er's personal army. Yan'er is fifteen years old. Adding the time spent in the time barrier, Yan'er is already ten thousand years old. Our daughter has grown up. We can't control her all the time."

Jing Salamander reminded worriedly,

"Husband, Yan'er is too naughty and willful. She must have launched a war by summoning the Black Birds Combat Legion. I'm worried that Yan'er will launch a realm war against the prehistoric fairy world or the demon world of desire."

"No, Yan'er is an eccentric person. Yan'er understands the ancient fairyland and the demonic world outside the territory very well. She will not risk her own life to start a war between the realms. I guess Yan'er has discovered other realms and she wants to destroy or conquer them. the realm of"

"Other realms? Can Yan'er destroy a realm?"

Jing Salamander looked at Su Chen in surprise,

Su Yan wants to destroy a newly discovered realm?

Does this little girl have this ability?

The Black Bird Combat Legion only has 30 million immortal soldiers, and Su Yan's four sisters are all scum. How did they destroy the Heavenly Dao in the new realm? How did they destroy the powerful saints in the new realm?

Su Chen kissed Jingshao Dao,

"Madam, have you forgotten the jade charms in the hands of Yan'er and the other little girls? As long as the realm discovered by Yan'er is not a powerful realm, the four sisters of Yan'er will destroy that realm."

Jing Salamander leaned into Su Chen's arms and asked, "Husband, are you really not going to stop me?"

"If you don't stop me, I will leave the world of chaos after a thousand years, and the Xuantian realm will be handed over to Yan'er. This time, I will let Yan'er make the decision freely. Yan'er is very smart, and she will not do anything stupid."

Jing Salamander fell silent after hearing Su Chen's words.

Su Yan will be the female emperor of the Xuantian Realm in the future.

She knows that, and

Concubine Yan and the other girls also know that one thousand years is too short.

Jing Salamander is worried that Su Yan is not enough." In order to shoulder this responsibility,

Xuantian Realm was established by Su Chen single-handedly. Xuantian Realm developed from a dead realm to a top-level realm. Jingshao was worried that Su Yan would destroy the Xuantian Realm. In the

Xuantian Realm, other The combat legion, other quasi-saints, other holy realm experts, and all the women of Su Chen, all are paying attention to the Black Bird Combat Legion. The Black Bird Combat Legion is gathering and dispatching, and everyone wants to know what happened, the Xuannio Combat Legion is Su Yan's personal legion and is not under the jurisdiction of the Xuantian Realm (Hao De Zhao).

Su Yan's eldest princess of the Xuantian Realm is also the first heir to the Xuantian Realm. , no one dares to take care of the Black Bird Combat Legion, and no one will stop the Black Bird Combat Legion from going out privately.

"Sister Nuwa, what is Yan'er going to do with summoning the Black Birds combat legion? The little girl is getting more and more mischievous"

"I don't know, let's not worry about that little girl. Su Chen didn't step in to stop the Black Bird Combat Legion from dispatching. The little bastard shouldn't care about Su Yan's nonsense."

"Forget it, we don't have to worry about Girl Yan, Sister Gaia is protecting the little girl, nothing will happen to the four little girls."

"Xihe, we can't control Yan Yatou. The Black Bird Combat Legion is Yan Yatou's personal legion. Except for Yan Yatou and Su Chen, the Black Bird Combat Legion will not obey our orders."

"That's right, but the little girl is becoming more and more lawless. Yan Yatou and Su Chen are indeed father and daughter. One is more trouble-making than the other, and the other is more trouble-making than the other."

Chapter 2828

After Nuwa and her daughters inspected the palace, they all started talking speechlessly.

They loved Su Yan very much, but they were also very helpless. In the Xuantian Realm, Su Yan led Su Yue and Elena to cause trouble everywhere, and they kept looking for opportunities to escape from the Xuantian Realm.

A little girl who is more lawless than Su Chen, a little girl who wants to cause trouble all day long. This sentence is very suitable for Su Chen and Su Yan. boom! With a loud noise, the Black Bird Combat Legion activated the legion teleportation array. With the spatial coordinates provided by Su

Yan, the Black Bird Combat Legion would instantly appear in the gathering area. Su Chen saw the legion teleportation array activated, and he said to Frightened Salamander,

"Madam, I will go over to see Yan'er and the others. If there is no danger, I will go directly to the Ancient Starry Sky Fortress."

Jing Salamander's cold and beautiful face showed worry, and said, "Well, husband, if Yan'er acts recklessly, you will capture all the sisters."

"good!"

Su Chen kissed the surprised salamander and disappeared.

Will he arrest the four sisters of Su Yan?

As long as the four sisters of Su Yan show aggrieved expressions, Su Chen will have nothing to do with the little girls.

Daughter slave,

Su Chen is a daughter of 550 Slave, he will not let his daughters suffer any injustice.

As long as the four Su Yan sisters do not go too far, Su Chen will not interfere with the little girl's misbehavior.

In the Sky Blade Battleship, the four Su Yan sisters learned about the new realm,

Qiankun Realm, a realm that was born thirty million years ago.

Su Yue took out a jade talisman and blinked her big eyes and asked, "Sister, do we want to kill the Heavenly Dao in the Qiankun Realm first? Elena exclaimed in surprise,

"Let me go, second sister, why did you take out Aunt Nuwa's jade talisman? The Heavenly Dao in the Qiankun Realm is in the fifth level of the holy realm. Nuwa's full blow is in the eighth level of the holy realm."

Su Yue said with a smile,

"I don't want to quickly kill the Heavenly Dao in the Qiankun Realm. Gaia, Leng Shuang and Hanyue's jade talismans are in the sixth level of the Holy Realm. I'm worried that I can't destroy the Heavenly Dao in the Qiankun Realm with one blow."

Su Yan touched his chin and nodded, "Yue'er is right, Tiandao is not that easy to kill. We need at least three jade talismans to kill Tiandao in the Qiankun Realm."

Su Yan didn't believe that one blow could destroy a Heavenly Dao.

With Nuwa's full blow, she guessed that it could cripple the Heavenly Dao in the Qiankun realm, but it was probably impossible to destroy the Heavenly Dao in the Qiankun realm.

The Heavenly Dao would not be easy. After being killed, three or even four jade talismans were still more powerful than the Heavenly Dao of Qiankun. In this way, they might be able to kill the Heavenly Dao in the Qiankun realm.

At this time,

Angel Xiyun came over and saluted,

"Your Highness, the Holy Realm of the Qiankun Realm has discovered us. Should we activate the Heavenly Blade Judgment to destroy them?"

Su Yan waved his hand and ordered, "No, Angel Xiyun, activate the defense of the Sky Blade Battleship, and prepare for the Sky Blade Trial. I want to see what they will do when they arrive."

"Yes, Your Highness the Princess!"

At this moment, two holy realms, a man and a woman, flew out of the Qiankun Realm. The Heavenly Dao of Qiankun informed them that there were extraterrestrial creatures appearing outside the Qiankun Realm. They wanted to check what kind of creatures were coming.

The bearded holy realm asked the sexy woman next to him, "Light Blue, will the realm of Qiankun be discovered by the Chaos Demon God?" Qianlan shook her head and said worriedly,

"I don't know, Kuntian, let's go check it out in Chaos first. I hope it's not the Chaos Demon God, otherwise our universe will be destroyed by the Chaos Demon God."

"good!"

A quarter of an hour later, in the chaos,

Qian Lan and Kun Tian saw a strange battleship.

Neither of them had ever seen such a battleship, and there was no such existence in Lingbao.

Qian Lan and Kun Tian looked at the sky blade in front of them. Battleship, they felt that the Sky Blade Battleship was threatening them. (To read Baoshuang novels, go to Feilu Novel Network!)  
The

Sky Blade Battleship in front of Kun Tian asked loudly,

"What realm are you creatures from? Why come (abfb) to our universe realm?"

Whoosh!

A huge projection appeared in the chaos.

In the projection,

Su Yan stood in front with his three sisters, followed by thousands of guarding battle angels.

"We are from the Xuantian Realm. I am Su Yan, the eldest princess of the Xuantian Realm. Your Qiankun Realm has been spotted by this princess. If you surrender, you will avoid death, otherwise you will all be killed."

Kuntian and Qianlan's faces became serious,

Xuantian Realm?

They have never heard of it, but they understood Su Yan's words. Xuantian Realm is going to launch a territorial war against Qiankun Realm and surrender?

How could they possibly Will they surrender?

The holy realm that surrenders will be deprived of its origin.

It is impossible for them to surrender. Besides, they still don't know whether Xuantian Realm is strong or not. The most powerful one in the projection is Daluo Jinxian, and all other creatures are scum. , will they surrender to Daluo Jinxian?

Boom!

Kuntian suddenly burst out with the aura of the Holy Realm and shouted,

"Little girl, you are all scumbags in cultivation. Leave the realm of Qiankun as soon as possible, otherwise you will all be killed."

Su Yan curled his lips and mocked disdainfully,

"How arrogant, a scumbag from the second level of the Holy Realm, you still want to kill us? Big guy, you can try it"

"court death!"

Boom!

When Kun Tian heard Su Yan calling him a scumbag, he angrily punched the Sky Blade Battleship. If a Taiyi Golden Immortal dared to despise a strong man in the Holy Realm, Kun Tian would kill everyone in the battleship.

【The Sky Blade battleship consumes 2% of its energy, and the battleship shows no signs of being broken. 】

The Sky Blade battleship withstood Kun Tian's blow, and the battleship's control system made a prompt sound.

Su Yan

's eyes lit up when she heard the prompt from the battleship system.

The Sky Blade Battleship was even more powerful than she imagined. The strike from the second level Saint Realm powerhouse didn't even leave a single scratch on the Sky Blade Battleship. The battleship just lost a little energy.

Su Yan decided to take the Sky Blade Battleship as his own, and the Sky Blade Battleship would become the command ship of the Black Bird Combat Legion in the future.

Su Yan thought about it and taunted Kuntian,"Little scumbag, is this all you can do?"

"Damn it, I'm going to tear you apart with my own hands."

Kun Tian took out the best innate spiritual treasure, and he attacked the Heavenly Blade battleship angrily.

A little girl from Taiyi Golden Immortal,

Kun Tian didn't expect to be ridiculed one after another. He wanted to kill Su Yan cruelly.

Qian. Lan Zou frowned and looked at the Sky Blade Battleship.

Kun Tian's previous attack was of no use at all. The Sky Blade Battleship did not appear to be broken.

Qinglan felt that the Sky Blade Battleship was unusual.

The Sky Blade Battleship was not a spiritual treasure in the chaotic world. She guessed that the Sky Blade Battleship should be a defensive treasure.

Boom boom boom....

"Angel Xiyun, launched the third-level Heavenly Blade Judgment, targeting Dasha's holy realm."

Chapter 2829

Su Yan saw Kun Tian using spiritual treasures to attack the Sky Blade Battleship and angrily yelling at her.

She felt unhappy and tore herself apart?

A scumbag in the holy realm still wants to tear her apart?

The Sky Blade Battleship has three levels of Sky Blade Judgment. The first level is a full blow from the fifth heaven of the Holy Realm, the second level is a full blow from the fourth heaven of the Holy Realm, and the third level is a full blow from the third heaven of the Holy Realm.

A scumbag from the second level of the Holy Realm,

Heavenly Blade Judgment can destroy Kuntian.

Angel Xiyun left and ordered,

"Loading the energy crystal core, the third-level Heavenly Blade Judgment is ready to attack. The target is a male in the second level of the Holy Realm."

【The energy crystal core starts loading!】

【Target locked!】

【Sky Blade Judgment Level 3 attack, launch! 】

On the Sky Blade Battleship, a beam of extremely fast light shot out instantly.

Kun Tian, who was attacking the Sky Blade Battleship, sensed the danger and hurriedly used his spirit treasure to block it. With a bang, Kun Tian was instantly hit tens of thousands of miles away by the beam.

Qinglan was so frightened that she hurriedly retreated a thousand miles.

Attack from the third level of the Holy Realm?

The Heavenly Blade Battleship actually broke out with an attack from the third level of the Holy Realm.

SheIn the realm of the third heaven of the Holy Realm, a rare treasure is not only extremely powerful in defense, but also has extremely terrifying attack power. Qing Lan understands why Su Yan is so arrogant.

"Scumbag!"

Su Yan curled her lips in disdain when she saw Kun Tian was knocked back tens of thousands of miles by Heavenly Blade Judgment.

Elena Ying asked doubtfully, "Sister, why don't you just use the first-level Heavenly Blade Judgment to destroy the idiot? individual?"

Su Yan explained with a smile,

"It's not the time yet, I want to make the holy realm of Qiankun Realm fearful. When my Blackbird Combat Legion arrives, they will be even more frightened. Even though this stupid big guy is not very good, if he can be caught, the Blackbird Combat Legion will be one more cannon fodder in the holy land."

Su Yan had a plan when she saw Kun Tian and Qian Lan.

There is no holy realm in the Xuanniao Combat Legion.

She wanted to capture Kun Tian and Qian Lan alive. As long as she controlled their souls, Su Yan would have two more in his hands. With a strong Saint Realm, the Black Bird Combat Legion will also have two more powerful Cannon Fodder Saint Realms.

Su Yue looked at Su Yan with bright eyes. She felt that her eldest sister was becoming more and more cunning and clever.

Two Cannon Fodder Saint Realms?

Su Yue thought She couldn't even imagine that she admired Su Yan even more and was even more afraid of Su Yan.

Su Yue decided not to go against Su Yan in the future.

She would unswervingly be in the same camp as Su Yan. Su Yue would rather make him angry. Her father did not dare to anger Su Yan.

If she angered her father Su Chen,

Su Yue would be punished for a few days at most.

If she dared to anger her eldest sister Su Yan, Su Yue would worry that she would be teased to the point of being autistic.

Boom!

Kun Tian reappeared outside the Sky Blade battleship in tatters. He glared at Su Yan in the projection with a sullen face.

Damn little girl,

Kun Tian just used one of his top-quality innate treasures to resist the Sky Blade Judgment attack. almost broken

"Little girl, you have completely pissed me off. Su

Yan raised his middle finger and taunted,"Oh, silly guy, do you still want to taste the judgment of the Heavenly Blade?" Kun

Tian snorted coldly,

"Huh, an attack from the third level of the Holy Realm? I don't believe that your exotic treasure can still send out attacks from the third level of the Holy Realm. Little girl, I will make you regret the price of your arrogance after I catch you."

"Silly man, get ready, don't fall, I'm still waiting for you to be my subordinate."

Su Yan decided to cripple Kun Tian first. Kun Tian, the second level of the holy realm, is just an appetizer. Qing Lan, the third level of the holy realm,

Su Yan's real purpose is Qing Lan, a female holy realm, and a beautiful one. Su Yan thought that her father would catch the female saint when he met the female saint and completely tame the female saint.

She would have a trump card by catching Qian Lan.

Su Yan had Qian Lan in his hand. In the Holy Realm, her father would not punish the sisters for escaping from the Xuantian Realm. Her Xuantian Combat Legion will have two more Holy Realms.

"Level 3 Heavenly Blade Judgment continues its attack and cripples Kuntian for me."

"Yes, Your Highness the Princess!"

After the angel Xiyun Duosuyan saluted, he turned around and ordered, "Heavenly Blade Judgment attack, five consecutive hits, cripple the stupid big man in the holy realm."

"Qiankun Ribbon Defense!"

Qianlan hurriedly took out her best innate spiritual treasure to save Kuntian. She couldn't watch Kuntian be beheaded.

After Kuntian was beheaded,

Su Yan in the Sky Blade Battleship would not let her go, nor would he Maybe give up attacking the Qiankun realm.

Boom boom boom boom!

Light Blue instantly 607 Appearing next to Kun Tian,

she took back the Qiankun Ribbon and looked at the miserable Kun Tian. Qianlan felt very uneasy.

There were cracks in the Qiankun Ribbon, and Kun Tian was attacked and seriously injured. Boom!

Suddenly, a black hole appeared next to the Sky Blade Battleship, and a huge teleportation array appeared next to the Sky Blade Battleship. Next to it.

After the black hole appeared, groups of black-armored immortal soldiers appeared quickly from the black hole.

Within three or four breaths, tens of millions of black-armored immortal soldiers appeared around the black hole, and a steady stream of immortal soldiers appeared quickly.

Light blue He Kuntian looked at the black-armored immortal soldiers who appeared in surprise. The lowest cultivation level was all Xuanxian. There were more than ten quasi-sages and hundreds of Daluo Golden Immortals. Is this the little girl's army?

After ten breaths,

30 million The formation of the Black Bird Combat Legion was completed, and a huge black bird flag with a red background and gold color was erected in front of the Black Bird Combat Legion.

"Xuantian Realm, Xuannian Combat Legion, see Princess Changle, see the three princesses"

Chapter 2830

Around the Sky Blade Battleship,

30 million Blackbird Combat Legions knelt down and saluted.

All the immortal soldiers of the Black Bird Combat Legion looked at Su Yan in the projection on the Sky Blade Battleship. All the immortal soldiers and generals showed blazing expressions. look.

Su Yan!

The eldest princess of the Xuantian Realm and the commander of the Xuannio Combat Legion.

The Blackbird Combat Legion is Su Yan's personal legion. It is the sharp blade in Su Yan's hand and the sword with which Su Yan conquers all worlds.

Su Yan waved his hand and ordered,

"No gift!"

"Thank you, Your Highness Princess."

Su Yan looked at the Black Bird Combat Legion, the 30 million Black Bird Combat Legion.

She spent a huge amount of training resources to cultivate the Black Bird Combat Legion. It has been trained in the time barrier for hundreds of thousands of years.

Today, the Black Bird Combat Legion is going to The battle was restarted to destroy the first huge realm.

Su Yan wanted to destroy a realm to declare that the Xuantian combat legion was no worse than other legions in the Xuantian realm.

Su Yan asked with a cold face,

"Black Bird Combat Legion, you have been practicing in the time barrier for hundreds of thousands of years. Hundreds of thousands have never experienced war. Are the swords in your hands still sharp?"

"For Her Royal Highness, it would be a pity to die!

Su Yan continued to ask loudly, "Do you still have the courage to eliminate all enemies for me?"

Boom boom boom..

"kill! kill! kill!"

The 30 million Black Bird Combat Legion raised their immortal soldiers one after another, bursting out with powerful momentum and shouting wildly.

A smile appeared on Su Yan's cold and beautiful face.

The Black Bird Combat Legion was still her previous one. The Black Bird Combat Legion, the Black Bird Combat Legion that was born for fighting, the Black Bird Combat Legion that fought for her, as long as Su Yan gave an order, the Black Bird Combat Legion would fight for her through fire and water.

Su Yan pointed to the realm of heaven and earth Said loudly,

"The Black Bird Combat Legion has followed this princess in the wars in the small world. From an ordinary human legion to the current Immortal Legion, the Black Bird Combat Legion has destroyed countless countries and destroyed countless small worlds. You are the most valuable in the hands of this princess. Sharp blade, the sharpest sword"

"This time, the Black Bird Combat Legion will destroy a realm alone, destroying the largest realm. Other combat legions from the Xuantian Realm will not come and help the Black Bird Combat Legion fight. It has been hundreds of thousands of years. Can you recreate the glory of the Blackbird Combat Legion?"

All the immortal soldiers of the Xuanniao Combat Legion put their right hands on their chests and replied in unison,

"Wherever you point me, I will do what I want! For the glory of the Xuanniao Fighting Legion, and for Her Royal Highness the Princess, we will not regret dying."

"Wherever you point me, I will do what I want! For the glory of the Xuanniao Fighting Legion, and for Her Royal Highness the Princess, we will not regret dying."

"Wherever you point me, I will do what I want! For the glory of the Black Bird Fighting Legion, and for Her Royal Highness the Princess, it would be no pity for us to die."

Su Yue, Elena, and Su Yao, the three sisters looked at Su Yan with bright eyes. The eldest sister Su Yan was so majestic and surprising at the moment. Is this still the naughty eldest sister Su Yan with them? ?Is this still the eldest sister Su Yan who makes trouble all day long?

Su Yan is like a queen at the moment, a high and mighty king.

Su Yue, Elena, and Su Yao, they all admire the eldest sister Su Yan very much, and for the Black Bird Combat Legion , they all wanted to have a combat army that would die for them.

Not far away, in the space barrier,

Su Chen held Gaia and looked at Su Yan. He did not expect that Su Yan would say such heroic words.

Su Yan

Although she is still very naughty and mischievous when she grows up , fifteen-year-old Su Yan is already a big girl, and Su Yan looks more and more like him.

Among the four little girls,

Su Yan is the most similar to him. The same ones are causing trouble, the same ones are constantly seeking death, and the same ones want to run around.

Gaia leaned in Su Chen's arms and said,"Husband, Yan'er is really impressive.""(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen nodded with emotion and said,

"Yes, Yan'er has grown up, she is fifteen years old, and with the time she has spent practicing in the time barrier, Yan'er is no longer a little girl who only makes trouble. I will be very happy to hand over the Xuantian Realm to Yan'er in the future. rest assured"

"Husband, don't you plan to meet the four little girls?"

Su Chen shook his head and replied,

"No, I am going to the Prehistoric Starry Sky Fortress. The Prehistoric Heavenly Way will be destroyed as soon as possible. I want to discuss it with Luo Hu."

Gaia nodded and said,"Well, the prehistoric heaven must be resolved as soon as possible. No more accidents can happen in the prehistoric fairy world. Husband, you go ahead, I will protect the four little girls."

"OK, I'm leaving!"

Su Chen hugged Gaia and kissed her hard, and he instantly disappeared into the space barrier.

Giantess Gary, he hadn't been intimate with Gaia for several years. Su Chen also missed the plump and attractive Gaia. Very.

However, now is not the time.

Su Chen has to rush to meet and discuss with Luo Hu as soon as possible.

Gaia blushed and adjusted her dress.

Su Chen was such a bastard. In just a short while, she was touched all over her body by Su Chen, if Su Chen didn't have important things to do, Gaia guessed that Su Chen would eat her in the space barrier.

At this moment,

Kun Tian and Qian Lan looked at Su Yan with serious faces. They both felt that Su Yan was different..

An empress,

Su Yan is now an empress, an empress who controls the life and death of tens of billions and hundreds of billions of living beings. The

Black Bird Combat Legion, a legion that is more powerful than the immortals in the Qiankun Realm, is still a legion in the Xuantian Realm. A combat legion, it may still be the weakest combat legion in Xuantian Realm. The Black

Bird Legion, which has not fought for hundreds of thousands of years, can still burst out with powerful murderous intent and powerful momentum, even because of Su With just a few words, the Xuanniao Combat Legion was willing to fight and die for Su Yan.

Isn't it a pity to die?

Any living being can say this.

They could see from the eyes of the Xuannian Combat Legion's immortal soldiers that Xuanniao Combat Legion The Combat Legion is not just saying that the Black Bird Combat Legion is really willing to fight for Su Yan and die for Su (Nuo's) Yan.

Kun Tian stabilized his injuries and asked,

"`.Light blue, what should we do?"

Lianlan said with a serious face,

"Kuntian, the Xuantian realm is more powerful than we imagined. A black bird combat legion. The immortals in the Qiankun realm are no match. How many combat legions will there be in the Xuantian realm? We don't know."

Kun Tian said with a disdainful expression, "Light Blue, there are only 30 million black bird combat legions, we have to massacre them easily."

Bang!

Qing Lan kicked Kun Tian away angrily.

She didn't expect that Kun Tian was an idiot. There would be no strong saints in a realm?

Su Yan is the princess of the Xuantian realm, and the saint of the Xuantian realm. Would a powerful person not protect Su Yan?

"Kuntian, are you so stupid that you were killed? Do you think Xuantian Realm is not as strong as Holy Realm? The little girl is the princess of the Xuantian Realm. Do you think there will be no strong men from the Holy Realm around to protect her?".
