Chapter 2831

Kun Tian was kicked out by Qian Lan.

He was so angry that he wanted to question Qian Lan and curse him, but he was stunned when he heard Qian Lan's words.

Yes, how could a realm not have a holy realm?

Su Yan is the princess of the Xuantian Realm. How could she not be protected by a powerful person from the Holy Realm?

Whoosh!

Kun Tian instantly appeared next to Qian Lan and said,

"Light blue, there must be a holy realm around the little girl. Let's quickly return to the realm of heaven and earth. With the way of heaven and earth here, it is not easy for other realms to invade the realm of heaven and earth. Qian

Lanyao shook her head and reminded,

"Do you think you can leave? Don't you feel like we're all locked into battleships? If the hidden holy realm takes action against us, Kuntian, do you think we can return to the Qiankun Realm safely?"

"what should we do?"

"Just wait and see, I hope the hidden holy realm is not too powerful."

Qianlan felt that escaping from "290" was not feasible. She didn't see a trace of the hidden holy realm. This showed that the hidden holy realm was very powerful. The Sky Blade Battleship and

the hidden holy realm took action at the same time. She and the hidden holy realm took action at the same time. It might not be easy for Kun Tian to escape. At this moment, Su Yan turned back to look at Kun Tian and Qianlan. She was very satisfied with the Black Bird Combat Legion, a powerful combat legion, a person who had been promoted step by step from the mortal world to become an immortal. Combat Legion, Su Yan will restore the Blackbird Combat Legion to its former glory. Su Yan said with a cold face,

"The light blue of the Qiankun Realm, Kuntian, this princess will give you ten days. Surrender in the Qiankun Realm and avoid death, and those who resist will be killed without mercy. After ten days, my princess' Blackbird Combat Legion will attack the Qiankun Realm.

Qianlan replied coldly, "The Qiankun Realm will not surrender, otherwise we will surrender.""

Surrender?

Qinglan has never thought of surrendering.

If she chooses to surrender, her holy realm origin may be robbed, and her soul may be controlled and become cannon fodder. She will not surrender even if she dies in battle.

Su Yan aside He curled his lips and said, "Don't surrender? You just wait to be massacred by my princess' Black Bird Combat Legion. You can leave. In ten days, the Realm War will break out."

"Farewell!"

Qian Lan glanced at Su Yan coldly, then at the Black Bird Combat Legion, and instantly disappeared into the chaos.

Realm war is inevitable.

She will inform the immortals in the Qiankun Realm to prepare for the realm war.

In ten days,

In only ten short days,

Qianlan wanted to gather all the immortals in the Qiankun realm.

Kuntian also disappeared into the chaos and started a realm war ten days later.

He was still seriously injured at this moment. In ten days, Kun Tian must recover from his injuries as soon as possible.

In the Sky Blade Battleship,

Su Yue asked doubtfully,

"Sister, how can we keep Qian Lan and Kun Tian?"

Su Yan smiled and replied,

"Yue'er, Qianlan and Kuntian are not enough to rely on. I want them to summon the immortals from the Qiankun Realm. If all the immortals from the Qiankun Realm gather together, we can catch them all in one fell swoop."

"So this is ah!"

Su Yue understood Su Yan's thoughts.

One battle will determine victory or defeat.

The eldest sister prepared a war to destroy the living forces in the Qiankun Realm. The powerful immortals in the Qiankun Realm were destroyed, the strong men in the Holy Realm were captured, and the Heavenly Dao in the Qiankun Realm was destroyed. Destruction, it will be very easy for them to occupy the Qiankun Realm.

Su Yan looked at the three sisters and said,

"We wait for ten days in the starry sky of the Universe Realm. After ten days, we will launch the Realm War!"

"Ok sister!"

"We listen to my eldest sister!"

"Yes, eldest sister!"

Su Yue, Elena, and Su Yao all nodded in agreement, and they became excited.

In ten days, a boundary war will break out.

They will start the boundary war earlier than their father, and their sisters will also He occupied a realm earlier than his father. In the prehistoric starry sky,

Su Chen's figure appeared here. (To read Baoshuang novels, go to Feilu Novel Network!)

He did not go to see the Demon Ancestor Luohu first, and the prehistoric heaven went crazy. Su Chen wanted to Check it out for yourself.

Boom!

I'm going.

Just as Su Chen approached the Great Desolate Immortal World, a lightning strike from the Great Desolate Heaven struck him.

Damn, the Great Desolate Heaven really went crazy.

Su Chen stood on the edge of the prehistoric starry sky, and he looked towards the Prehistoric Fairy World. Zou raised his eyebrows.

Su Chen, who is in the eighth level of the Holy Realm, doesn't care about the ancient ways of heaven at all.

If the heavens were not easily destroyed, he could slowly kill the ancient ways of heaven by himself. Boom boom boom boom.....

The terrifying thunder punishments bombarded Su Chen one after another.

Su Chen did not dodge or use his spiritual treasure to block them. Even if he stood still, ordinary thunder punishments could not hurt him at all. 0.Whoosh!

Luo Hu instantly appeared next to Su Chen. He saw the Great Heavenly Dao slashing at the corner of Su Chen's mouth and twitched.

Damn it,

Su Chen is really an old bastard.

He discovered that the realm Su Chen exposed was the eighth level of the holy realm.

Every time Luo Hui saw Su Chen, the realm of this bastard would change. He was an old man who was a hundred times more sinister than Hongjun. Dirty pussy.

Su Chen turned around and said,

"Rahu, you are here! Luo

Hu shouted to Su Chen with a dark face,"Nonsense, I have been paying attention to the ancient heaven. If there is any change in the ancient heaven, I will know about it.""

"Luo Hu, have you found out the changes in Huangtian Dao? Luo

Hu replied with a serious face,

"After checking it out, Su Chen, the Ancient Heavenly Way has consciousness and thinking. I guess that Pangu had a backup plan before his death. The Ancient Heavenly Way should be Pangu's means of recovery."

Su Chen asked in surprise, "Is the Primordial Heavenly Dao conscious? Did you check it correctly?"
Luo

Hu shook his head and reminded, "I can't be wrong, Su Chen, the ancient Tiandao has recently destroyed several affiliated small worlds. Tiandao seems to be looking for something.""

"What to look for?"

Su Chen looked at the prehistoric immortal world in confusion.

What is the prehistoric Heavenly Dao looking for?

Sanqing? Is the prehistoric Heavenly Dao looking for the Sanqing?

If the prehistoric Heavenly Dao is the recovery method of Pangu's plan, Pangu will definitely take back 1.3 of his soul, the Sanqing. It is the transformation of Pangu Yuanshen. It is possible that the prehistoric heaven is looking for Sanqing.

Luo Hu asked Su Chen,

"Su Chen, did you think of anything? Su

Chen curled his lips and asked, "Luo Hu, didn't you also guess it?""

"Samcheong?"

"It should be Sanqing."

Luo Hu touched his chin and said,

"What's interesting is that Sanqing abandoned his holy position and fled the Great Desolate Immortal Realm. They made the right choice to escape. If Sanqing continued to stay in the Great Desolate Immortal Realm, they would definitely be swallowed up by the Great Desolate Heaven."

Su Chen nodded,

Sanqing?

They are no threat at all now.

If Su Chen encounters Sanqing and Lao Yinbi Hongjun, he can crush them to death with one hand.

"Rahu, in one month, we will destroy the prehistoric heaven first, and my powerful saint will arrive in one month."

"good!".

Chapter 2832

In the Starry Sky Fortress,

Su Chen and Luo Hu were sitting together drinking wine.

One month later, they destroyed the Great Desolate Heavenly Way.

They had nothing to do now. Su Chen and Luo Hu could only pass the time by drinking.

Su Chen took a sip of wine and asked,

"Luo Hu, Yang Mei, Shi, and Destiny, have these powerful chaos demons appeared? Luo

Hu shook his head and replied,

"No, raising eyebrows can understand the laws of space, and time can understand the laws of time. If they secretly check the prehistoric fairy world, I will not be able to detect them. Unless they are not too far apart, I may be able to detect them."

"As for the devil of fate"

"He may not recover. During the Chaos War, his destiny was taken care of by Pangu, and his soul should not have escaped."

Su Chen nodded when he heard Yang Mei's words.

Yang Mei and Shi Chen didn't want to be discovered by Luo Hu. They could avoid Luo Hu's inspection. It is impossible for the Demon God of Destiny to revive?

This made Su Chen a little unexpected.

The Demon God of Destiny 01 controls the law of fate. This is A powerful Chaos Law is also a bug Chaos Law.

The threads of destiny are randomly entangled or even cut off. Unless the soul enters the sea of destiny, it will be difficult to kill the Demon God of Destiny.

"Rahu, if a realm war breaks out, Yangmei and Shichen will definitely appear. We should also pay attention to them."

"Raising eyebrows for his remnant body, he will definitely appear, Shi Chen may not, Shi Chen has always been indifferent to the world, during the Chaos War, Shi Chen was forced to join the battle helplessly"

"Aloof from the world? Rahu, among the Chaos Demon Gods, will there be a Chaos Demon God who is independent from the world? If the time is revived, he will definitely appear after the boundary war breaks out"

"That's right!"

Luo Hu was right when he thought about it. There are three thousand Chaos Demon Gods.

How can the Chaos Demon Gods be indifferent to the world and not fight? They will fight and devour each other's origins, compete for each other's treasures and spiritual treasures. Whenever the Chaos Demon Gods meet, it will be a life-or-death situation.

"Luo Hu, I'm going to check around the prehistoric starry sky. Please pay attention to the changes in the prehistoric heaven."

"good!"

Luo Hu's eyes lit up.

Did Su Chen look around the ancient starry sky? Did Su Chen discover Yang Mei or Shi Chen?

Su Chen nodded and disappeared instantly.

Didn't he want to look around the ancient starry sky? In the Demon Tower of Desire, the Ice and

Snow Demon God He was actually calling him. Su Chen wanted to know what the Ice and Snow Demon God was doing with him. In the Demonic Tower of Desire, the Ice and Snow Demonic God was slumped on the ground, powerless, and the demonic energy of desire that existed once in ten years dissipated. She was tortured for a month. She couldn't stand it anymore. After being tortured again and again, the Ice and Snow Demon God's resistance to the demonic energy of desire was getting weaker and weaker, and she felt that her body was becoming more and more sensitive. The Ice and Snow Demon God could not escape from the Demonic Tower of Desire, had no cultivation realm, and no magic power. Without the Lingbao, she would not be able to escape from the disgusting Demonic Tower of Desire in a million or ten million years. The Ice and Snow Demon God decided to trust Bing Ji and Xue Ji once, hoping that Su Chen would not do anything excessive to her. Whoosh! Su Chen instantly appeared in the Demonic Tower of Desire. He looked at the naked Ice and Snow Demon and smiled. For the first time, Su Chen was face to face with the Ice and Snow Demon. The Ice and Snow Demon hugged his chest tightly and cursed,

"shameless bastard! Su

Chen looked at the Ice and Snow Demon God and asked, "Ice and Snow Demon God, what do you want from me?"

"I agreed, and I will hand over my soul to you for control."

The Ice and Snow Demon God stared at Su Chen in shame and anger. Damn you bastard.

Su Chen was looking at her face to face. The Ice and Snow Demon God wanted to cut Su Chen into pieces and imprison Su Chen's soul to torture Su

Chen day and night.

Chen asked doubtfully,

"Huh? Why did you agree? Only over a hundred years have passed in the Demon Tower of Desire. I thought you would persist for thousands of years."

Thousands of years?

Can she persist for thousands of years?

If thousands of years pass, the Ice and Snow Demon God will be tortured crazy by the demonic energy of desire, and she may also have physical problems.

The majestic Chaos Demon God, (read Baoshang novels, Just go to Feilu Novel Network!)

The Ice and Snow Demon doesn't want to become a madman in the future, and will fall to the ground helplessly if he doesn't want to touch his body.

"You are such a bastard, lift the restrictions on my cultivation realm, and I will give you my soul."

"good!"

Su Chen smiled and agreed.

He didn't believe what the Ice and Snow Demon God said. He couldn't guess what the Ice and Snow Demon God wanted to play.

Su Chen decided to play with the Ice and Snow Demon God.

They were both in the eighth level of the Holy Realm.

Su Chen still had a few and a half pieces. With the Chaos Spiritual Treasure, the Ice and Snow Demon God cannot be his opponent, and in the Demonic Tower of Desire,

Su Chen can imprison the Ice and Snow Demon God at any time.

Boom!

After the Ice and Snow Demon God restored her cultivation realm, she waved her hand and attacked Su Chen, she wanted to try to see if she could kill this bastard.

If she could kill Su Chen, the Ice and Snow Demon would not have to separate his soul to let Su Chen control her.

The Chaos Clock suddenly appeared in front of Su Chen, and the Ice and Snow Demon's attack was blocked by the Chaos Clock. Su Chen was about to attack the Ice and Snow Demon God, but he was stunned.

What was the Ice and Snow Demon God doing?

She started to separate her soul once she took action. Did the Ice and Snow Demon God not intend to resist? Or did she have something else? conspiracy?

"This is my soul!"

The Ice and Snow Demon God cut off a ray of soul and gave it to Su Chen.

There was no way.

Her unexpected attack was blocked.

Half-step Chaos Spirit Treasure.

This bastard Su Chen has several of them. If the Ice and Snow Demon God keeps attacking, he will suffer a loss soon. It's still 870 herself.

Su Chen accepted the Ice and Snow Demon God's soul, and he waved his hand to imprison the Ice and Snow Demon God's cultivation realm.

"Ice and Snow Demon God, you don't think we can just let it go, do you?"

The Ice and Snow Demon God was imprisoned in the realm of cultivation again.

She became worried.

Su Chen walked towards her step by step. She was afraid that Su Chen would do something humiliating to her.

"what you up to? I have given you my soul, what else do you want? Su

Chen curled his lips and reminded, "Ice and Snow Demon God, you just attacked me!"

"Su Chen, I'm just testing your strength. You and I are both in the eighth level of the holy realm. I want to know the difference between you and me in the eighth level of the holy realm."

"Do you think I would believe it?"

"Bastard, unlock my realm of cultivation"

"Do you think that's possible?"

Su Chen hugged the Ice and Snow Demon God's smooth and delicate body.

He wanted the Ice and Snow Demon God to have an unforgettable memory. The Ice and Snow Demon God had no strength. Apart from having a powerful Chaos Demon body, the Ice and Snow Demon God was just an ordinary woman.

Tickle?

Or scratching the soles of the feet?

The Ice Demon God shouldn't be able to bear it either, right?

"Inglorious bastard, I want to kill you....Hahaha...damn it.....quick....Let me go, don't scratch the soles of my feet"

Chapter 2833

The ice and snow demon was fixed by Su Chen and scratched the soles of her feet. She had no magic power and no cultivation level. Although the Chaos Demon Exorcist was powerful, she really couldn't stand it when Su Chen tickled her soles.

Su Chen smiled and said,"Ice and Snow Demon God, I just started tickling the soles of my feet, and you can't stand it anymore? Aren't you the Chaos Demon God? Are you afraid of being tickled?"
The

Ice and Snow Demon God said bitterly,

"Damn it, stop it, I.....Ha ha.....I'm just an ordinary guy now....Chaos Demon God has no law....Li, I am just an ordinary woman....People, stop it!"

"That's right, although you are a powerful Chaos Demon God, you are also a woman."Su Chen hugged the Ice and Snow Demon God's delicate body and stopped and continued to scratch the soles of her feet.

However, he did not let go of the Ice and Snow Demon God.

The Ice and Snow Demon God was the same as Bing Ji and Xue Ji. They were all very attractive beauties.

Bing Ji and Xue Ji Ji looks exactly the same, and the Ice and Snow Demon God is also 70-80% similar to them.

Three women, they are like twin sisters of triplets.

"Su Chen, you got my soul, let me out quickly. I don't want to stay in the Demon Tower of Desire for a moment."

The Ice and Snow Demon God was hugged by Su Chen, and she was still naked and hugged by Su Chen. This bastard kept touching her. The Ice and Snow Demon God 403 was very worried. She was afraid that Su Chen would treat her like Bing Ji and Xue Ji.

Su Chen He shook his head and replied,

"no!"

The Ice and Snow Demon shouted angrily, "Asshole, what do you want?"

Su Chen hurriedly explained,

"Demon God of Ice and Snow, it's not that I won't let you go. I am now in the starry sky outside the prehistoric realm, and the Demon God of Killing Rahu is also here. The Demon God of Space and the Demon God of Time may appear, and the Way of Heaven may be the resurrected existence of Pangu. You cannot be exposed yet."

The Ice Demon God was stunned when he heard Su Chen's words.

Killing Rahu?

The Space Demon raised his eyebrows?

The Time Demon Hour?

The Great Desolate Heaven?

The Great Desolate Heaven may also be the resurrected existence of Pangu?

In the main world, why are all the powerful demons resurrected ? , and how could the Great Demon God Pangu be revived?

The body of the Ice and Snow Demon God suddenly softened.

She glared at Su Chen with a red face and cursed,

"Su Chen, stop. If you dare to touch me again, I will definitely kill you after I recover my cultivation level."

"hehe...."

Su Chen didn't expect the Ice and Snow Demon to be so sensitive. He restored the Ice and Snow Demon's cultivation level, and also lifted the Ice and Snow Demon's prohibition on wearing clothes.

Whoosh!

The Ice and Snow Demon waved her hand and put on her clothes.

She glared at Su Chen angrily.

Her shame and shame were noticed by Su Chen. The Ice and Snow Demon wanted to strangle this bastard to death.

Su Chen took a sip of wine and said,

"Ice and Snow Demon God, you can go to the space of the Demon Tower of Desire at will. Bing Ji and Xue Ji are practicing in the next space. You can go to the next space to talk to Bing Ji and Xue Ji. The

Ice Demon God glared at Su Chen and asked, "When can I leave the Demon Tower of Desire?"

"You can do it at any time, Bing Ji and Xue Ji have the authority, they can let you leave the Magic Tower of Desire, but I hope you don't leave the Magic Tower of Desire yet."

The Ice Demon God asked in confusion, "Su Chen, what do you mean? Why don't you want me to go out now?"

Su Chen handed the Ice and Snow Demon God a bottle of wine and explained,

"Luo Hu and I are working together to destroy the prehistoric heaven. The Space Demon God and the Time Demon God may appear. Ice and Snow Demon God, you are in the eighth level of the Holy Realm. I hope you can help me then."

"Do you think that's possible?" The Ice Demon God looked at Su Chen with disdain,

Help?

This bastard still wants her to help?

Is it possible?

For hundreds of years in the Demon Tower of Desire, she has been tortured to death. In tens of millions of years, she has never encountered anything like this. The shame of a majestic Chaos Demon God and a strong person in the eighth level of the Holy Realm. (To read Baoshuang novels, go to Feilu Novel Network!)

She was imprisoned naked for a hundred years, and was repaid every ten years. Su Chen still wants her to help her when she has to suffer from the demonic energy of desire. The Ice and Snow Demon God wants to kill Su Chen. How could she help this bastard?

Su Chen curled her lips and reminded,

"Ice and Snow Demon God, the prehistoric heaven may be resurrected by Pangu. You don't want to watch Pangu resurrect, do you?"

The Ice and Snow Demon God mocked disdainfully,

"It's none of my business. You are at the eighth level of the Holy Realm. Tens of millions of years have passed, and Luo Hu's cultivation level after his resurrection cannot be low. It shouldn't be difficult for you to kill a prehistoric heaven. At worst, you can spend more time in the prehistoric world. Heaven has been here for hundreds of years.

Su Chen frowned and asked, "Where are the Ice and Snow Demon God, the Space Demon God and the Time Demon God?"

"Su Chen, are you an idiot? Do you think the Space Demon and the Time Demon will revive Pangu?"

"You are an idiot. I am worried that when Luo Hu and I destroy the ancient ways of heaven, the Space Demon God and the Time Demon God will kill us at the critical moment."

"you....."

The Ice Demon God had nothing to say for a moment.

Su Chen was right.

The Space Demon God and the Time Demon God might take action at a critical moment. When Su Chen and Luo Hu were both at risk from the prehistoric heaven, Yangmei and Shi Chen might kill Su Chen and Luo Hu.

If Su Chen died, she wouldn't be able to survive.

This bastard controlled her soul. If Su Chen died, she would die too. She was held tightly by this bastard.

Damn shameless bastards!

"Su Chen, I can help you then, but it is impossible for me to stop the Space Demon God and the Time Demon God. Their space laws and time laws are very powerful."

Su Chen said with a smile,

"I will give you the Ice and Snow Lotus and a half-step Chaos Spiritual Treasure. You should be able to stop them, right?"

"snort!"

The Ice Demon God snorted and nodded,"

Ice and Snow Lotus?

If she had the Ice and Snow Lotus with half a step of Chaos Spiritual Treasure, the Space Demon God and the Time Demon God were not stronger than her. She could kill one of them with the Ice and Snow Lotus."

Su Chen smiled. Said, "Ice and Snow Demon God, this is what we have decided"

"Go away, I don't want to see you now"

"Ice and Snow Demon God, you have a good figure and a very soft waist. We can get closer in the future."

Boom!

The Ice and Snow Demon quickly struck Su Chen with a palm. Su Chen instantly disappeared into the Desire Demon.

She cursed in shame and anger,

"shameless!"

The Ice and Snow Demon God didn't expect Su Chen to be so shameless. How about getting close to her in the future?

She is nothing like being close to Su Chen. She is a shameless pervert. If the Ice and Snow Demon God regains her freedom and Su Chen's soul that controls her is taken back, she will definitely kill her cruelly. This bastard...

Chapter 2834

Ten days later, in the Qiankun Realm, the Heavenly Blade Battleship appeared outside the Qiankun Starry Sky, followed by a densely packed Black Bird Combat Legion.

Boom boom boom....

The Qiankun Realm suddenly shook.

Qianlan and Kuntian appeared at the edge of the Qiankun Realm, and billions of immortals from the Qiankun Realm appeared behind the two holy realms.

In the starry sky of the Qiankun Realm, a cold, yin-yang eye appeared in the starry sky. It was cold, ruthless, and indifferent to the common people. All the living beings in the Qiankun Realm looked at it with great awe.

"All living beings in the Qiankun Realm, listen, this palace is the Melo Heavenly Palace in the Xuantian Realm, the eldest daughter of the Heavenly Emperor Su Chen, and the eldest princess of the Xuantian Realm. Surrender will avoid death, and those who resist will be killed without mercy."

Suddenly,

Su Yan's voice spread to the starry sky of Qiankun, and to the realm of Qiankun.

All the creatures in the realm of Qiankun heard it, and all the creatures in "Nine Two Three" understood that the realm war was about to break out.

"I swear to defend the realm of Qiankun to the death and kill the incoming enemies!"

"I swear to defend the realm of Qiankun to the death and kill the incoming enemies!"

"I swear to defend the realm of Qiankun to the death and kill the incoming enemies!".....

In the starry sky of Qiankun

, all the creatures in the Qiankun Realm shouted angrily, and all creatures must defend the Qiankun Realm to the death.

Over the Sky Blade Battleship,

Su Yan's huge shadow appeared, with a look of disdain on her cold and beautiful face.

"The spirit is stubborn! The Blackbird Combat Legion is ready!"

Boom boom boom.....

The Black Bird Combat Legion burst out with powerful momentum and powerful murderous intent. Each attack formation was activated one after another, and each of the terrifying formations that destroyed the world erupted with a terrifying aura of destruction.

"For Her Royal Highness, destroy the realm of Qiankun!"

"For Her Royal Highness, destroy the realm of Qiankun!"

"For Her Royal Highness, destroy the realm of Qiankun!".....

In Qiankun Starry Sky,

Qian Lan and Kun Tian's expressions became serious.

They did not expect that the Black Bird Combat Legion was even more powerful than they imagined. The powerful momentum, the terrifying formation, the army formation that destroyed the heaven and the earth, the Qiankun Realm It is impossible for the immortal to resist.

The faces of the immortals in the Qiankun Realm turned pale one by one.

The breath of the Black Bird Combat Legion came, and some low-level immortals were instantly stunned. If it weren't for the two holy realms of Qianlan and Kuntian who were resisting in front, the Qiankun Realm would have been blocked. At least half of the immortals will be stunned. powerful! fear!

All the immortals understand that the Xuanniao Combat Legion is powerful.

There are billions of immortals in the Qiankun Realm. Half of them may be slaughtered in one encounter.

Whoosh!

A jade talisman suddenly flew out of the Sky Blade Battleship. boom!

There was a loud noise, and after the jade talisman was broken, a woman in white palace clothes appeared in the starry sky of the Qiankun Realm. Everyone in the Qiankun Realm looked over. Qianlan and Kuntian turned pale. The eighth level of the Holy Realm?

In the starry sky of the Qiankun Realm, an illusory woman with a noble temperament, a beautiful and cold face, and unparalleled elegance turned out to be a strong person in the eighth heaven of the Holy Realm.

Qianlan and Kuntian were in despair.

A jade talisman from the eighth level of the holy realm could only exert the full power of the eighth level of the holy realm.

With a full blow from the eighth level of the Holy Realm, the Heavenly Way in the Qiankun Realm may not be wiped out, but the Heavenly Way in the Qiankun Realm will also be severely damaged. If another powerful Holy Realm comes to the Xuantian Realm, the Heavenly Way in the Qiankun Realm will be unable to resist it.

Kuntian said with a pale face, "Qinglan, I'm afraid we will be killed. There are strong men from the eighth level of the holy realm in the Xuantian realm, and the Qiankun realm cannot resist it."

Qianlan said with a determined face, "Fall if you fall. , I will not surrender to Xuantian Realm." (To read Baoshuang novels, go to Feilu Novel Network!)

"Alas, I will not surrender to Xuantian Realm even if I fight to the death."

"A fight to the death!"

At this moment, in the starry sky of the Qiankun Realm, a gorgeous woman in white clothes looked back at Su Yan's shadow above the Sky Blade Battleship.

Su Yan's shadow hurriedly saluted and said, "Su Yan, I've met my aunt!"

Whoosh!

Su Yue, Elena, and Su Yao's shadows appeared one after another. They hurriedly saluted the woman in white palace clothes.

"Su Yue, I've met my aunt!"

"Elena Su, I've met my aunt!"

"Su Yao, I have met my aunt!"

Boom, the Black Bird Combat Legion knelt down and saluted uniformly,

"Black Bird Combat Legion, see Nuwa Empress!"

The woman in white palace clothes waved her hand and said,

"All free of charge!"

"Thank you, Auntie!"

"Thank you, Empress Nuwa!"

The phantom of Nuwa Empress asked,

"Yan'er, do you want to occupy the realm of Qiankun?"

Su Yan nodded hurriedly and replied, "Auntie, I want to occupy the realm of Qiankun, I want to launch a realm war, and I want my Black Bird Army to destroy a realm on its own."

Empress Nuwa shook her head and reminded,

"Yan'er, the Heavenly Way in the Qiankun Realm is the fifth level of the Holy Realm. My full blow can only cripple the Heavenly Way. You can't destroy the Heavenly Way. It's not that easy to destroy the Qiankun Realm."

"Aunt, our sisters also have the jade talismans of Aunt Gaia, Aunt Yinji, Leng Shuang, Han Yue and other aunts. It is very easy for us to destroy the Qiankun Realm."

Nuwa Empress asked with a smile,

"Haha, didn't your father also give you a jade talisman? Why didn't you say you still have your father's jade talisman?"

Su Yan said with a smile on his face, "Auntie, my father is just a scumbag, not even a saint. Our father's jade talisman is of no use to us."

Nuwa Empress reminded in a funny way,

"Yan'er, you are wrong. Your father successfully climbed to the 10,000th level of the ladder and reached the eighth level of the holy realm in one step. I am no match for your father. Do you still think your father is a scumbag?"

The four Su Yan sisters were stunned.

Their father had climbed ten thousand floors?

How could it be so fast?

They escaped from the ladder, and their father had only climbed more than eight thousand floors.

In just a few years, 2.3 they guessed that it was impossible for him to climb. Climbing the 10,000th floor of the ladder to heaven, how come it was only more than half a year later that their father successfully climbed to the 10,000th floor? And he became a strong man in the eight chapters of the holy realm in one step. It is so surprising, so surprising, and even more so It's scary.

Is their father going to rebel?

"Sister, we missed Dad climbing the ladder. We didn't expect Dad to climb to the 10,000th floor. What a pity. Our four sisters were not present and we don't know what treasure Dad got."

"Yes, dad is so unexpected. In just over half a year, dad has climbed to the 10,000th level of the ladder. I am worried that my mother will not let me go when I return to Merlot Heaven."

"Sister, will dad's jade talisman change? The jade talisman in our hands is now the jade talisman of a quasi-sage? Or a jade talisman from the eighth level of the holy realm?"

Chapter 2835

When Su Yan heard what her three sisters said, she felt very speechless and helpless.

She missed her father climbing to the 10,000th floor of the ladder. Su Yan was frightened when she thought of her mother. Her body trembled. She felt that she would be doomed. Her mother was frightened. Salamander will never let her go.

Empress Nuwa smiled and said

"Little girls, your father's jade talisman will transform into the eighth level of the holy realm. However, you must be careful, your father will return to the Xuantian realm from the ladder to heaven."

Su Yue asked hurriedly, "Ah! Auntie, our father won't come to arrest us, right?"

"possible!"

"It's over, sis, we're all over."

Su Yue panicked.

She was not afraid of Su Chen, but she was afraid of her mother, Concubine Yan.

If the sisters were captured, Su Yue felt that her mother would be angry, and she would be severely punished by her mother.

Su Yan Touching the white minibus, he said,

"Don't worry, our dad didn't stop the Black Bird Combat Legion from coming to the Qiankun Realm. I guess he won't come to catch us. Besides, the realm war in the ancient immortal world has begun, and our dad and our mother have no time to talk to us."

Su Yue, Elena, and Su Yao heard Su Yan's words, and they thought that their father would not come to arrest them. 467 The realm war in the ancient immortal world is about to begin.

The war between the three top realms, their father and It is impossible for the mother to have time to talk to their sisters.

Empress Nuwa reminded,

"Yan'er, this jade talisman clone of mine won't last long. I will cripple the heaven and earth with one blow. You sisters, be careful in the future."

Su Yan replied with a smile,

"Don't worry, aunt, we have many jade talismans in our hands, and the realm of heaven and earth will not be our opponent."

"Well, I'm going to cripple the heaven and earth."

After Nuwa Empress nodded, she instantly disappeared next to the Tianren battleship.

A jade talisman clone can only exist for a quarter of an hour. After one blow, her jade talisman clone will dissipate.

Boom boom boom.....

The clone of Empress Nuwa had just appeared at the edge of the realm of heaven and earth. The thunder punishment of heaven and earth came down. The ninety-nine thunder punishments, black and terrifying thunder struck towards Empress Nuwa.

"Destroy!"

Nuwa Empress did not pay attention to the thunder punishment attack.

She stretched out a white finger and pointed towards the heaven and earth. A white beam of light instantly attacked the heaven and earth. (acda)

Boom!

Click!

After one blow, the yin and yang eyes in the realm of heaven and earth Cracks appeared, and with a crisp sound, the yin and yang eyes of Qiankun Tiandao began to break. One-third of the area was shattered, and cracks appeared in other areas.

"Yan'er, be careful!"

After the blow from Empress Nuwa, the shadow began to disintegrate.

After she turned around and waved to the four sisters Su Yan, the shadow of Empress Nuwa dissipated at the edge of the Qiankun Realm.

The creatures in the Qiankun Realm became frightened.

With one blow,

With one blow from Empress Nuwa, one third of the yin and yang eyes of Qiankun Tiandao were shattered, and cracks appeared in other areas.

"It's so terrifying. Can our Qiankun Realm still be able to withstand it?"

"Yes, it's too scary. The magnificent holy realm just now is much more powerful than the Saint Qianlan and Saint Kuntian. The Qiankun Realm is coming to an end. We can't resist the invasion of the Xuantian Realm."

"The Heavenly Dao of Heaven and Earth was shattered by the attack from that terrifying female saint. If there is another terrifying attack, the Heavenly Dao of Heaven and Earth may be annihilated, and we will all be killed and perish."

"Didn't that scary woman disappear?"

"Idiot, what I just saw was just a jade talisman clone. If that terrifying female saint appears, how can we resist it?"

"what should we do? surrender? Will we be killed if we surrender?"

"Not sure."

The immortals in the Qiankun Realm started talking one after another. The terrifying blow from the Nuwa Empress. (To read Baoshuang novels, go to Feilu Novel Network!)

The immortals in the Qiankun Realm all knew that they could not resist the invasion of the Xuantian Realm. The horror One blow from the Holy Realm crippled the Heavenly Dao of Heaven and Earth. It was impossible for these scumbag immortals to withstand the invasion of the Xuantian Realm. The bodies of Qianlan and Kuntian trembled. It was terrifying, so terrifying.

The power of the Eighth Heavenly Realm of the Holy Realm was impossible. Or, they had no ability to resist in the face of Nuwa, and the heaven and earth were crippled by one blow. If another powerful holy realm appeared, the heaven and earth would be crushed and destroyed. Can they still stop the invasion of the Xuantian realm?

Whoosh!

Another jade talisman flew out of the Tianren battleship.

Qianlan and Kuntian, as well as all the immortals in the Qiankun realm, all looked at the jade talisman flying out in panic.

It would be the jade talisman of a saint. Will it be a powerful and terrifying holy realm?

Boom!

A beautiful and cold woman with a cold temperament appeared.

The woman's shadow appeared in the starry sky of the Qiankun Realm. She looked at the Heavenly Dao of Qiankun and the creatures in the Qiankun Realm. , the cold woman turned back to look at the high and empty silhouettes of Su Yan's four sisters.

"Su Yan, have you met Aunt Leng Shuang?"

"Su Yue, I have met Aunt Lengshuang!"

"Elena Su, met Aunt Lengshuang!"

"Su Yao, I have met Aunt Lengshuang!"

"Black Bird Combat Legion, see Empress Lengshuang!"

The four Su Yan sisters and the Xuanniao combat corps saluted one after another.

Leng Shuang is a strong man from the sixth level of the Holy Realm.

Leng Shuang is also the woman who is the father of Su Yan's four sisters. She is one of the most powerful Saint Realm in the Xuantian Realm. 1.

Leng Shuang looked at Su Yan and smiled,

"Yan'er, you four sisters are too naughty and mischievous. Your father and mother will not let you go."

Su Yan asked for help with a cute look,

"Auntie, we sisters know that our father climbed to the 10,000th floor of the ladder, and we also know that we were wrong. Auntie, you have to protect us, otherwise we sisters will all be doomed."

"Little girl, can you protect you? Your father can suppress me now."

"Auntie, why would my father suppress you?"

"Forget it, little girl, you'd better ask for your own blessings. Your father may not punish you, but your respective mothers will not let you go."

The four sisters of Su Yan looked at each other. They felt that they would be doomed if they returned to the Xuantian Realm in the future. How could they run away?

Don't they know how to escape from the Xuantian Realm if they keep running away?

Su Yan patted his little head and decided to think of a solution later.

Now it is When launching the realm war, she didn't want to think so much. After the Qiankun realm was destroyed, Su Yan would think about how to deal with their respective mothers.

"Auntie, the Heavenly Way of Heaven and Earth was crippled by the bombardment of Aunt Nuwa. Can Auntie destroy the Heavenly Way of Heaven and Earth?"

Chapter 2836

Leng Shuang looked at the Heavenly Dao of Heaven and Earth and shook her head.

Her full blow could not wipe out the Heavenly Dao of Heaven and Earth.

Although Heavenly Dao of Heaven and Earth was crippled,

Heavenly Dao of Heaven and Earth was still Heavenly Dao. To wipe out a Heavenly Dao cannot be done with one or two blows.

When they first annihilated the Realm of Light and the Realm of Darkness, they attacked the Holy Realm for several years before wiping out the Way of Heaven.

Leng Shuang reminded Su Yan,

"Yan'er, I can completely cripple Qiankun Tiandao with one blow. Tiandao has no ability to launch thunder punishment attacks, but it only lasts for ten days. After ten days, Tiandao will recover enough to launch thunder punishment attacks."

"I understand, please auntie"

"Haha, little girls, if you can occupy a realm this time, your mother may not punish you. Su

Yan said with a serious face, "Auntie, we will definitely occupy the realm of heaven and earth."

Leng Shuang nodded to the four sisters Su Yan. She instantly appeared on the edge of the Qiankun Realm.

The immortals in the Qiankun Realm saw another powerful holy realm appear. They trembled and lowered their heads one by one.

All of them In despair, powerful holy realms appeared one after another. The Qiankun Realm was unable to resist, and it was impossible for them to resist.

Boom!

Leng Shuang's full blow instantly hit the Qiankun Heavenly Dao, and the thunder punishment of the Qiankun Heavenly Dao had not yet fallen.

With a clicking sound, another corner of the Heavenly Dao of Heaven and Earth was shattered. Only less than a third of the cold and ruthless Yin and Yang Eyes remained, and more cracks appeared in the remaining area.

"Surrender, we cannot be the opponent of Xuantian Realm. Surrendering may have a chance of survival."

"We cannot surrender. If we surrender, all the creatures in the universe will become slaves and may even become food."

"If you don't surrender, you're dead. If you surrender, you might survive. I want to surrender."

"Yes, there may be a chance of survival if you surrender, but if you don't surrender, you will be dead and without life. We have practiced for tens of thousands, hundreds of thousands or even millions of years. If there is a chance of survival, we don't want to die."

"Damn it, don't forget the cruelty of the Chaos Demon God. The Chaos Demon God only plunders and destroys. If the Qiankun Realm is occupied by the Chaos Demon God, we will all be doomed."

"Is the Xuantian Realm the realm of the Chaos Demon God?"

"Yes, is the Xuantian realm the realm of the Chaos Demon God?"

The immortals in the Qiankun Realm were talking.

Billions of immortals were divided.

Some immortals wanted to surrender to the Xuantian Realm, and some immortals wanted to defend the Qiankun Realm to the death.

Qinglan clenched her fists tightly, and the Heavenly Dao of Qiankun had no power to fight back. , the terrifying female Holy Realm phantom in the sky of Qiankun Star has also dissipated, but there is still the Sky Blade Battleship. The

Sky Blade Battleship can burst out the attack of the third level of the Holy Realm. Can she and Kun Tian stop the Sky Blade Battleship?

What if, what if ?

What will they do once the jade talisman of the holy realm appears ?

Are they waiting to be slaughtered?

Kun Tian said frustratedly,

"Light blue, some immortals in the Qiankun Realm will choose to surrender, and the Qiankun Realm will be finished. Qianlan shook her head helplessly and replied,"Just do your best. Don't worry about those immortals who are ready to surrender. Everyone has their own ambitions. Even if we kill them, it won't help.""

"Alas, Xuantian Realm is too powerful. A strong man in the eighth heaven of the Holy Realm, a strong man in the sixth heaven of the Holy Realm, what about the Emperor of Heaven in the Xuantian Realm? The Emperor of Heaven should be more powerful than the Saint of the Eighth Level Saint Realm."

Qian Lan was confused when she heard Kun Tian's words. Emperor of Heaven

? Emperor of

Heaven in Xuantian Realm?

The father of Su Yan's four sisters?

Su Yan's four sisters can have two powerful jade talismans in the holy realm.

Where is their father?

Their father should be It would be even more terrifying.

Qian Lan felt powerless for a moment.

A strong man at the eighth level of the Holy Realm was not the strongest person in the Xuantian Realm. What realm would the Emperor of Xuantian Realm be in? The ninth level of the Holy Realm? Or the tenth level of the Holy Realm

?

Chongtian? (To read Baoshuang novels, go to Feilu Novel Network!)

At this time, in the Tianren battleship,

Su Yan waved his hand and ordered,

"Angel Xiyun ordered the Heavenly Blade battleship to start attacking Qiankun Tiandao and launch a first-level Heavenly Blade trial."

"Yes, eldest princess."

Boom boom boom.....

After a while, the Sky Blade battleship shot out huge beams of light.

The Sky Blade Judgment, the first-level Sky Blade Judgment, the attack of the fifth heaven of the Holy Realm, and every bombardment of the Sky Blade Judgment, the heaven and earth were bombarded and erupted. With a powerful sound, the cracks in the Yin and Yang Eyes of Qiankun Tiandao continued to increase, and fragments broke and fell off one after another.

0 Request for Flowers

Qianlan and Kuntian saw the Sky Blade battleship start to attack, and also launched an attack from the fifth level of the Holy Realm.

There was nothing they could do.

Qianlan and Kuntian wanted to help Qiankun Tiandao at first, but they couldn't resist the attack from the fifth level of the Holy Realm, and their spiritual treasures couldn't resist it. There was nothing they could do. Qianlan and Kuntian could only watch. The Heavenly Blade warship bombarded the Heavenly Dao of Heaven and Earth.

The ancient starry sky fortress!

Su Chen boredly checked the ancient world.

Although a month could pass by in the blink of an eye, he wanted to check the changes in the ancient world. He wanted to check whether the demons of space and time would appear around him.

Su Chen felt that the boring time passed very slowly.

Boom boom boom....

Suddenly, the ancient starry sky shook.

Su Chen instantly appeared above the Starry Sky Fortress. Luo Hu also appeared next to Su Chen. They all looked at the cause of the vibration in the ancient starry sky.

Su Chen looked at it and suddenly shouted,

"Huh? Are they Zhunti and Jie Yin? Were they captured from the small world by the Great Desolate Heavenly Dao?"

Luo Hu said with a serious face, "It should be that the prehistoric heaven wanted to devour the Sanqing. Zhunti and Jieyin disappeared together with Sanqing. The prehistoric heaven should want to find the Sanqing through Zhunti and Jieyin."

"That's interesting, Luo Hu, let's take action together. Zhunti and Jie Yin must die. We can't let the prehistoric heaven find Sanqing."

"good!"

On the edge of the prehistoric immortal world,

Zhunti and Jieyin looked at the yin and yang eyes of the prehistoric heaven in fear.

They did not expect that they would be caught by the prehistoric heaven. do what? Punish them for abandoning their holy throne? Or should we annihilate them and flee the primitive world in fear of death?

Zhunti asked in panic, "Senior brother, why do I feel that something is wrong with the Great Way of Heaven?"

Jieyin replied with a pale face,

"Something is wrong. We abandoned our holy throne and escaped from the prehistoric fairy world. The primeval heaven should not have caught us back. The Hongmeng Purple Qi was returned to the heaven. What would the heaven do if we came back?"

"Senior brother, have you noticed, why do I feel that the prehistoric heaven has a mind and consciousness? Is my feeling wrong? Or does the prehistoric heaven really have a mind?".

Chapter 2837

Zhunti felt that the ancient heaven was very strange.

They were caught and imprisoned in the ancient starry sky.

What would the ancient heaven do?

How could Heaven imprison their fellow apprentices without the consciousness of thought?

If the prehistoric Heaven wanted to punish their brothers for escaping, shouldn't Heaven directly send down thunder to punish them?

Jie Yin said with a serious face,

"Junior brother, I also feel that the prehistoric heaven is different. The prehistoric heaven seems to have real thinking consciousness."

Zhunti asked in panic,

"Senior brother, how could the prehistoric heaven have consciousness? Why did the ancient world kidnap us here?"

"Not sure!"

Jie Yin doesn't know what the Great Desolate Heaven is going to do, but he feels that the Great Desolate Heaven will not let them go.

Kill them?

Or punish them?

Jie Yin can't guess.

Boom boom boom....!

Suddenly, several beams of light attacked the ancient heaven.

Su Chen and the Archangel appeared on the edge of the ancient world.

The four wings of the archangel and Su Chen's Chaos Bell attacked the Eye of Heaven.

【punish! 】

Boom boom boom....

The Eyes of Heaven of the Ancient Heaven shrouded Su Chen and the Archangel, and the Purple Sky Divine Thunder of the Ancient Starry Sky struck down one after another.

"Kill your mother!"

Su Chen waved his hand and arranged a series of space barriers.

He is now at the eighth level of the holy realm. The prehistoric heaven is only one level higher than him.

Zixiao Divine Thunder,

Su Chen doesn't care about the bombardment of Zixiao Divine Thunder now,

Zixiao As long as the divine thunder does not continuously bombard him for several days or months, Su Chen will not be injured even if he is bombarded several times.

"Archangel, you attack the ancient way of heaven, I block the purple sky thunder"

"Yes, master!"

Boom boom boom.....

The purple sky divine thunder shattered the space barrier. Su Chen would wave his hand and set up another space barrier.

Su Chen had to attract the attention of the ancient heaven, so that Luo Hu could unexpectedly kill Zhunti and Jie Yin.

Zhunti and Huifeng watched in confusion as Su Chen attacked Honghuang Tiandao.

Was Su Chen going to save them?

Why did Su Chen want to save them?

Zhunti and Jieyin couldn't understand that they were in the quasi-sage realm now, and Su Chen was already a powerful saint. They couldn't understand what Su Chen was trying to do when he appeared.

At this moment,

Su Chen was waving his hands to set up a defensive barrier, and he was mocking the ancient way of heaven.

"Tiandao, is this all you can do? Didn't you enjoy bombarding me before? What now? Are you wilting?"

Su Chen is in a very good mood now.

He has been promoted to the eighth level of the Holy Realm. The attacks of the Ancient Heavenly Dao are no longer a threat to him. If the Ancient Heavenly Dao is not the Heavenly Dao, it is difficult to kill. Su Chen can kill the Heavenly Dao alone..

The four wings of the Archangel constantly attack the Eye of Heaven. Although her attack is nothing to the Heavenly Dao, it is impossible to cause huge damage to the Heavenly Dao.

However,

Su Chen just asked her to attract the Heavenly Dao. Today is not the time to fight with the Heavenly Dao. It's time for the war between the ancient world and heaven.

Whoosh!

"No!"

"don't want!"

Boom!

Suddenly, (to read Baoshuang novels, go to Feilu Novel Network!)

Luo Hu instantly appeared next to Zhunti and Jie Yin.

He quickly launched an attack to smash Zhunti and Jie Yin. Zhunti and Jie Yin were imprisoned by the prehistoric heaven. After mentioning and guiding them, they screamed in fear and were destroyed by Luo Hu, and even the soul could not escape.

Luo Hu shouted to Su Chen, "Su Chen, the target has been destroyed, and the soul has also been completely destroyed. We can Withdrawn!"

"good!"

Su Chen nodded to Luo Hu. After he raised his middle finger to the Great Heavenly Way, he shouted, "Archangel, let's leave."

"Yes, master!"

Su Chen appeared on the shoulder of the archangel and taunted, "Goodbye, you idiot of the ancient way of heaven. In one month, I will personally rob you of the origin of the way of heaven."

Whoosh!

The archangel took Su Chen and disappeared instantly on the edge of the prehistoric fairy world.

Luo Hu looked at the Eye of Heaven with a mocking expression, and then he disappeared instantly.

Boom boom boom.....

The prehistoric Heavenly Way became furious, and the prehistoric fairy world shook. Mountains collapsed, rivers and lakes poured in, and countless creatures died due to the anger of the Prehistoric Heavenly Way.

In the prehistoric starry sky, one after another thunder punishment bombarded the starry sky fortress, but it was of no use at all. The prehistoric starry sky fortress was controlled by Luo Hu, and the defensive barrier of the outer demon world blocked the bombardment of the prehistoric heavenly way.

The starry sky fortress far away from the ancient fairy world is beyond the reach of the ancient heaven. Although the attack of heaven's thunder punishment is terrifying and powerful, the defensive barrier of the outer demon world is not weak either.

In the Starry Sky Fortress,

Su Chen sat on the shoulders of the Archangel and watched all this. The ancient Heavenly Dao was completely angry, but this was of no use.

Luohu's extraterrestrial demon world managed the Starry Sky Fortress very firmly, especially the Heavenly Dao of the extraterrestrial demonic world.

Luo Hu, a bastard, actually linked the Starry Sky Fortress with the Outer World of Demons. The Starry Sky Fortress had the Heavenly Way of the Outer Territory Demon Realm in the eighth level of the Holy Realm. Luo Hu could sit back and relax in the Starry Sky Fortress.

Su Chen asked Luo Hu, "Luo Hu, I didn't expect you to bring the outside world here."

Luo Hu snorted to Su Chen,

"Hum, the Starry Sky Fortress is the bridgehead of the Realm War, and it is also my frontier fortress against the prehistoric fairy world. I must not lose the Starry Sky Fortress in my hands."

Luo Hu didn't tell the truth to Su Chen.

It was one of the reasons why he brought down the Outer Heavenly Dao to the Starry Sky Fortress and fought against the Great Desolate Heavenly Dao. But the main reason was to guard against Su Chen, an old treacherous bastard who had been hiding his cultivation realm.

Su Chen is now in the eighth level of the holy realm, but is this true?

This bastard used to hide himself and become a quasi-saint.

During the war a few years ago, this bastard reached a great level step by step. Luo Hu didn't believe in the eighth level of the holy realm. Realm is Su Chen's real strength. He is worried that one day he will be tricked to death by Su Chen.

Su Chen curled his lips and did not believe Luo Hu's words.

If it hadn't been for the angry bombardment of the ancient heaven, he would not have known that the outer heaven was in the starry sky fortress..

Su Chen hugged the archangel's white neck and said,

"Luo Hu, I feel pretty good about you, but if you dare to cheat on me, I will destroy you and then destroy the outside world of demons. Luo

Hu glared at Su Chen and warned,

"Su Chen, this is what I want to say to you. You are more insidious than Hongjun. You'd better not trick me, otherwise, I will die with you."

"Damn it, you will die together, I don't like men"

"Go away, I don't like men either"

Chapter 2838

Luo Hu stared at Su Chen with a dark face, damn bastard, he talks nonsense, does he like men?

Luo Hu doesn't even like women, how could he like men?

Su Chen laughed and said,

"Hahaha~ Luohu, you said you have lived for countless years. Do you have a woman? Do you have children?"

Luo Hu said disdainfully, "Do monks need women?" Do you need children? Have you ever seen the Chaos Demon God and the powerful men from all realms have women and children?"

Su Chen replied with a smile,

"Yes, I am. I have a woman and a daughter. I also have four well-behaved daughters. Am I considered a strong person in the realm?"

Luo Hu scoffed with a dark face,

"You are just an immoral bastard, what good is a woman? What's the use of future generations? You are an exception. Have you ever seen the Three Thousand Chaos Demon Gods have Taoist companions?"

Although Luo Hu laughed at Su Chen, he thought of the jade talisman shadow that appeared a few years ago, a strong man from the sixth level of the holy realm.

Luo Hu admired Su Chen for having a powerful woman.

Su Chen had a strong woman. She was stronger than the Saint Realm warriors in his hands. If there was a Saint Realm female warrior who was willing to be his woman, Luo Hu wouldn't refuse even after thinking about it.

Su Chen hugged the archangel and kissed him and said,

"What you are talking about is bullshit, Rahu. Among my women, there are more than ten strong men above the fifth level of the holy realm, and the strongest 630 are at the same realm as you. Do you think women are useless?"

"As for the Chaos Demon? Luo Hu, I can tell you that there are also Chaos Demon Gods among my women, and there are three Chaos Demon God women. You will never be able to match them."

Luo Hu looked at Su Chen in surprise.

More than a dozen women from the Holy Realm?

Three women from the Chaos Demon God?

Is this bastard going to defy heaven?

Luo Hu didn't think Su Chen was deceiving him. Strong men like them didn't bother to deceive..

But, who are the three Chaos Demon Gods?

How could the Chaos Demon God become Su Chen's woman? It is impossible for the Chaos Demon God to become a Taoist couple.

Luo Hu asked doubtfully, "Su Chen, who are the three Chaos Demon Gods?" How did they become your women?"

"You don't need to know this!"

"Bastard, we are allies, can't you even tell me this?"

Su Chen touched his chin and thought for a while before replying, "Okay, Luo Hu, I will only tell you about one person, the Ice and Snow Demon God. You know, I have the Ice and Snow Demon God among my women."

"What? Ice Demon God? How can this be?"

Luo Hu looked at Su Chen in surprise,

Ice and Snow Demon God?

Ranked eleventh among the three thousand demon gods of Chaos, but after the Ice and Snow Demon God defeated the sixth-ranked Yin-Yang Demon God, the other Chaos Demon Gods all recognized the power and ranking of the Ice and Snow Demon God. The

Ice and Snow Demon God is still Among the three thousand Chaos Demon Gods, she is the only female Demon God ranked in the top ten.

How could Su Chen be Taoist companions with the Ice and Snow Demon God?

How could the Ice and Snow Demon God commit herself to a low-level creature in the realm?

"What's impossible? I'm handsome, I'm the Emperor of Heaven in this realm, and I'm very powerful. Shouldn't the Ice and Snow Demon God take a fancy to me?"

The Ice and Snow Demon God?

Sooner or later, she will become his woman.

Moreover, the Ice and Snow Demon God is seen by him, and her soul is still controlled by him. It is only a matter of time that the Ice and Snow Demon God becomes his woman. Su Chen cannot let go of the beautiful woman. Ice and Snow Demon God.

Luo Hu looked at Su Chen disdainfully. What's the point of being handsome? Emperor of

Heaven

? Will the Emperor of Heaven in the realm be favored by the Chaos Demon God?

Strong?

Which of the three thousand Chaos Demon Gods is not powerful?

If the Ice and Snow Demon God wants to find a powerful man, wouldn't she find a Chaos Demon God?

"Old bachelor!"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen saw Luo Hu's disdainful gaze, and he was too lazy to talk to Luo Hu.

Su Chen patted the archangel, and the archangel took Su Chen and disappeared into the palace in an instant. If Su Chen had this time, it would be better to have sex with the Archangel.

Twenty days later, some people from Nuwa Empress appeared in the Starry Sky Fortress,

Nuwa Empress, Yin Ji, Leng Shuang, Dark Moon, Zi Yun, Queen Mother of the West, Queen Mother, Xi (aceb) He, Luluo, Chang Xi, ten powerful saints, and they are all in the fifth heaven of the holy realm.

Luo Hu appeared in the starry sky and looked at the ten Nuwa Empress in shock, and the Nuwa Empress in the eighth heaven of the holy realm, Leng Shuang and Dark Moon, Zi Yun, Yin Ji, Luluo from the sixth heaven of the Holy Realm, Queen Mother of the West, Queen Mother Empress, Xihe and Chang Xi from the fifth heaven of the Holy Realm.

Luo Hu's face darkened after checking.

These women should all be Su Chen's woman, he found that Ten Nu and Su Chen were closely related and connected by fate. Luo Hu understood the relationship between Su Chen and Ten Nu without having to guess.

Empress Nuwa asked with a cold face, "Demon Ancestor Luo Hu, where is our husband?" Luo

Hu shook his head and replied,

"I don't know, twenty days ago, Su Chen and his Lingbao woman left and haven't been seen for twenty days."

Luo Hu thought of Su Chen and the Archangel's flirtation with each other.

He guessed that Su Chen and the Arch Angel were having a romantic affair in a hidden space. That bastard didn't even let go of humanoid spiritual treasures. Luo Hu had nothing to say to Su Chen's lust.

Nuwa empresses When the women heard what Luo Hu said, they also understood what Su Chen had done. They all knew about the existence of the Archangel, and there were Bing Ji and Xue Ji in the Demon Tower of Desire. They guessed that Su Chen was not with the Archangel, with Bing Ji and Xue Ji in the Demonic Tower of Desire. Luo Hu said to Nuwa Empress and the other girls, "You guys can take a short rest in the Starry Sky Fortress. Su Chen should appear in a few days."

"

"Thank you!"

Nuwa Empress and the other girls nodded.

They could only wait for that bastard to come back. To deal with the Great Desolate Heaven, they still needed Su Chen's instructions.

Three days later,

Su Chen came out of the Demonic Tower of Desire with the Archangel. He held the Archangel in his arms. The angel's white neck showed a smile, the Ice and Snow Demon.

Su Chen didn't expect to take down the Ice and Snow Demon easily. It was a mistake. Who asked the Ice and Snow Demon to peek curiously? Of course he would not miss the opportunity to kiss Fangze.

"The master, Empress Nuwa and Yin Ji all came to the Starry Sky Fortress."

The archangel said to Su Chen with a blushing face. She had been serving Su Chen for more than twenty days. Bing Ji and Xue Ji were making breakthroughs. If it hadn't been for the appearance of the Ice and Snow Demon God, it might have taken her several days to recover. Su Chen nodded and replied,

"Nuwa and the others have arrived unexpectedly. Archangel, let's go to Luohu's palace first and kill the Great Heavenly Dao tomorrow."

Su Chen didn't expect that the Nuwa Empress and his daughters would arrive. He didn't know how many days the Nuwa Empress and his daughters would arrive.

Now it's going to be over.

The Nuwa Empress and the daughters will definitely not give him a good look.

"Yes, master!".

Chapter 2839

In the Starry Sky Fortress, after Su Chen and the Archangel appeared in the palace, Luo Hu and Nuwa's daughters also appeared one after another.

Luo Hu asked Su Chen,

"Su Chen, have we destroyed the ancient way of heaven today?"

Nuwa and the other girls all rolled their eyes at Su Chen.

Seeing the shy look on Archangel's face, they knew without saying what Su Chen and the Archangel had done.

Su Chen nodded to Nuwa and the other girls, and he said Luo Hu said,

"Take action today, Luo Hu, gather your holy realms, and we will destroy the prehistoric heaven in one go. Luo

Huan asked with a frown.

"Su Chen, are all our holy realms coming together? What about the Space Demon and the Time Demon? Don't we need to guard against them? Su

Chen curled his lips and asked, "Luohu, can your holy realm defend against the Space Demon and the Time Demon?"

""180"Uh, no!"

Luo Huan glared at Su Chen with a dark face.

The strongest ones under his command were at the third level of the Holy Realm.

The Space Demon and the Time Demon were either at the eighth level of the Holy Realm, or they might be at the ninth level. In the realm of heaven, how could his Zhazha Holy Realm stop the Space Demon and the Time Demon?

"We all go to the Holy Realm together. We cannot kill the Great Desolate Heavenly Dao in a short time. We have no time to waste. Within a month, we must kill the Great Desolate Heavenly Dao."

"All right!"

Luo Hu nodded in agreement.

They don't have much time to waste.

The beast realm may break through the barrier at any time and start a realm war. If the prehistoric heaven finds Sanqing, it may be even more difficult for them to deal with the prehistoric heaven.

Su Chen nodded to Nuwa and the others, and they disappeared into the palace one after another. Under the starry sky,

Su Chen secretly released the Ice and Snow Demon God, his Chaos Clock,

Bing Ji's Ice and Snow Lotus, and two and a half pieces of Chaos Spiritual Treasures. They were all handed over to the Ice and Snow Demon God.

The Ice and Snow Demon God had to deal with two powerful Chaos Demon Gods. Su Chen was worried that the Ice and Snow Demon God would be killed. The Ice and Snow Demon God was her woman no matter what, and he would not watch the Ice and Snow Demon God being surrounded and killed. Boom boom.....

In the prehistoric starry sky, after the Eye of Heaven discovered Su Chen and the others, the thunder punishment on the prehistoric starry sky began to condense.

Su Chen raised his head and looked at Honghuang Tiandao, and he said with a serious face,

"Luohu, Nuwa, you lead everyone to attack the ancient way of heaven. The archangels and I will arrange defenses for you."

"good!"

Luo Hu nodded to Su Chen, and he waved his hand to the six holy realms under his command to prepare to attack.

"Husband, you have to be careful!"

Empress Nuwa was a little worried about Su Chen. If

Su Chen had to deploy defenses, the Great Heavenly Dao would definitely focus on dealing with Su Chen. She was worried that something would happen to Su Chen.

Yin Ji and the other girls also looked at Su Chen worriedly.

Su Chen and the Archangel Although they don't have to worry about the thunder punishment of the Primeval Heaven,

Su Chen will be in much more danger.

All attacks from the Primeval Heaven will have to be borne by Su Chen and the Archangel. They are worried that Su Chen will not be able to hold on and get injured..Su

Chen said with a smile,

"Don't worry, I am now in the eighth level of the Holy Realm. I can still withstand the thunder and punishment of the prehistoric heaven. Besides, with the Archangel here, you don't have to worry about anything happening to me. The Queen Mother rolled her eyes at Su Chen and said,"

Okay, little bastard, be careful!""

"Archangels, take action together, space barrier, time enchantment, time and space solidification"

"Space barrier, time goes back!"

Su Chen and the Archangel set up defenses one after another. The laws of space, the laws of time, and the laws of space and time. Dozens of barriers covered the prehistoric starry sky.

"Take action!"

Boom boom boom.....

Nineteen powerful holy realms, including Nuwa and Luohu, appeared on the edge of the prehistoric fairyland. They gathered powerful attacks to bombard the prehistoric heaven.

Boom boom boom.....

The prehistoric heaven also rained down terrifying thunder punishments. The purple sky thunder came down one after another, and each barrier was bombarded and destroyed. Su Chen and the Archangel also hurriedly deployed new law barriers.

The prehistoric fairyland was shaken, and there was a terrifying battle in the prehistoric starry sky. Some powerful immortals understood what happened.

"The realm war broke out, and the demonic realm outside the realm began to attack."

"Alas, just attack, the prehistoric heaven has gone crazy, and we cannot be the opponent of the holy realm of the demonic world outside the territory."

"Something's wrong, look quickly, it's Empress Nuwa, Empress Nuwa is attacking the prehistoric heaven..."(To read exciting novels, go to Feilu Novel Network!)

"Yes, it's Empress Nuwa, and Emperor Su Chen. Emperor Su Chen also appeared."

"More than twenty holy realms? How come there are more than twenty holy realms? Aren't there only six or seven holy realms in the outer demon world?"

"Idiot, the rest of the Holy Realm is under the command of the Heavenly Emperor Su Chen. The Heavenly Emperor Su Chen should know about the changes in the ancient ways of heaven. The emperor of heaven wants to join forces with Luo Hu to destroy the ancient ways of heaven."

"Do you think the Heavenly Emperor Su Chen will let Luo Hu destroy the prehistoric fairyland again?"

"No, Emperor Su Chen would not agree with Luo Hu destroying the ancient world. I believe that the emperor will protect the ancient world."

In the prehistoric fairy world, some immortals discovered Nuwa and Su Chen in the prehistoric starry sky. The immortals in the prehistoric fairy world started talking one after another.

They understood why Su Chen wanted to cooperate with Luo Hu to kill the crazy prehistoric Tiandao.

Su Chen had It may also save the prehistoric immortal world.

In the six reincarnations,

Empress Pingxin and Po Meng looked at the battle in the prehistoric starry sky, with smiles on their beautiful faces.

In the past few months, the prehistoric heaven has killed tens of millions of immortals. More than ten days ago, the earthquake in the ancient world caused countless deaths and injuries to the creatures in the ancient world. The ancient world should be destroyed.

Po Meng said with a smile,

"If the main body and more than twenty holy realms take action together, the prehistoric heaven will definitely be wiped out."

"Well, although the Heavenly Dao is difficult to kill, if more than twenty holy realms attack together, the prehistoric Heavenly Dao will definitely be wiped out in less than a year."^{4.5}

Empress Pingxin nodded to Po Meng,

"The Way of the Ancient World?

Or is it the place where Pangu revived?"

She was no longer entangled at this moment.

Pangu's incarnation in the ancient world of immortality has fallen. Pangu, the Wu clan will not recognize the resurrected Pangu as their father god.

"Main body, do you think the Space Demon God will take the opportunity to take action when he raises his eyebrows?"

Meng Po suddenly thought of the Chaos Demon God Yangmei.

Yangmei has been monitoring the Great Desolate Immortal Realm.

At this moment, there is a war in the Great Desolate Immortal Sky.

Will Yangmei take the opportunity to take action? Will he take action against the Prehistoric Heavenly Way? Or will he take action against Su Chen and those people?

Empress Pingxin He nodded with a serious face and said, "It's possible that the Space Demon God Yangmei may have been hiding around the prehistoric starry sky. I hope Su Chen can take precautions.""

Chapter 2840

Empress Pingxin was worried that the Chaos Demon God would sneak up on Su Chen.

The Space Demon God raised his eyebrows, and there were other hidden Chaos Demon Gods. They might sneak up on Su Chen at the moment when the ancient way of heaven was destroyed.

Po Meng said worriedly, "Body, how about I go notify Su Chen?"

Empress Pingxin shook her head and replied,

"No, you little bastard should be on guard. Don't forget Bing Ji and Xue Ji in the Demonic Tower of Desire. They didn't appear at the moment. I guess Bing Ji and Xue Ji are on guard against the surroundings."

"Well, it's possible that Su Chen's Chaos Clock didn't appear either. The little bastard might have been guarding against the Chaos Demon God all morning."

Meng Po checked and nodded.

There was no Bing Ji or Xue Ji among the Nuwa Empress, and Su Chen's Chaos Clock did not appear. Meng Po guessed that Bing Ji and Xue Ji were guarding against the Chaos Demon God's sneak attack in the ancient starry sky..

In the prehistoric starry sky, the Ice and Snow Demon God looked at the battle with a white chin.

More than twenty holy realms took action to destroy the prehistoric heaven. She did not feel shocked or surprised by this.

During the period of the Chaos Demon God, three thousand Chaos Demon Gods made a big scene against Pangu. It was much more terrifying and huge than the current battle. The battle between Su Chen and others was just a small scene.

"Su Chen, you bastard, I hope you won't be killed by Pangu's resurrection of heaven."

The Ice and Snow Demon God looked at Su Chen in the distance with very complicated eyes.

She did not expect to lose her virginity to a low-level creature.

The Ice and Snow Demon God was a majestic Chaos Demon God, but she was eaten to death by Su Chen.

He was a shameless person.

When the Ice Demon God thought about being tortured by Su Chen in the past few days, she felt ashamed and angry and wanted to teach Su Chen a lesson.

However, she couldn't teach Su Chen a lesson at the moment.

She had to guard against the Space Demon God and the Time Demon God, and she wanted to protect Su Chen. Not to be attacked by the Space Demon God and the Time Demon God.

For Su Chen, the Ice and Snow Demon God will have a lot of lessons from time in the future.

At the junction of the prehistoric starry sky and chaos, the Space Demon God appeared here with raised eyebrows, and there were three Chaos Demon Gods beside him.

The Time Demon God of the Eighth Heaven of the Holy Realm , the powerful demon god of the sixth heaven of the holy realm, and the thunder demon god of the sixth heaven of the holy realm. The five great chaos demon gods were all observing the battle in the prehistoric starry sky.

The time demon God checked for a while and said,

"Yang Mei, Su Chen and Luo Hu are not easy to deal with. They and we are all in the eighth level of the holy realm, and Nuwa is also in the eighth level of the holy realm. There are three strong men in the eighth level of the holy realm, and more than ten in the fifth level of the holy realm. We cannot kill them in the above holy realm."

He raised his eyebrows and shook his head with a smile and replied,

"Time, we can wait. If people like Su Chen and Luo Hu are both harmed by the Great Desolate Heavenly Dao, and we Chaos Demon Gods take action together, the Great Desolate Heavenly Dao and Su Chen will be killed."

"Hopefully, we will wait until the last minute to take action."

Time Demon God Shi Chen shook his head.

He felt that things would not go smoothly, but this is the only chance to kill the ancient Heavenly Dao and the only chance to destroy the ancient world of immortality.

The Time Demon God also understood the Space Demon God's plan to raise eyebrows, and a piece of Yang Mei's body Abandoned in the ancient fairy world, if he cannot get back half of his body, the raised eyebrow Chaos Demon Body will remain incomplete, and he will not be able to advance to the next level of cultivation. The

Giant Demon God and the Thunder Demon God did not dare to say anything behind them, they were forced. They had no choice but to come to the ancient fairyland.

Facing the powerful Space Demon and Time Demon, the Giant Power Demon and the Thunder Demon did not dare to disobey, otherwise what awaited them would be to be killed and seize their origins.

More than ten days have passed,

Luohu and Nuwa Empress Human attacks have not stopped, powerful mana attacks, terrifying spirit treasure attacks, these people are protected by the barrier of Su Chen and Archangel, Shi Shi has not been attacked for many days.

There are cracks in the Eye of the Ancient Heaven, and they As long as this attack continues, within a month, the Eye of Prehistoric Heaven will be blown to pieces, and the Prehistoric Heaven will be completely destroyed.

Boom boom boom.....(To read Baoshuang novels, go to Feilu Novel Network!)

At this moment, the purple sky divine thunder of the ancient world also turned into the world-destroying divine thunder. The terrifying world-destroying divine thunder bombarded various defensive barriers and bombarded Su. Morning and Archangel.

Su Chen and the Archangel's Law Barriers were constantly being blown apart, but Su Chen and the Archangel continued to set up defensive barriers.

Su Chen was as powerful as the Prehistoric Heavenly Dao. Although the Law Barrier could not withstand the bombardment of thunder punishment, his magic power As long as the consumption is not exhausted, he and the Archangel can continue to set up defensive barriers, and he still has life spirit liquid and the source of heaven.

Su Chen and the Archangel's mana will not stop even if they use it for a year. exhausted.

Su Chen looked at Luo Hu and shouted,

"Luo Hu, are your men tickling the ancient heaven? Damn it, the attack from the beginning seemed like soy sauce, and your men really came to take the credit."

Luo Hu's face turned dark when he heard Su Chen's words.

He saw that the attack of the Demon of Six Desires was insufficient, but he was also very helpless.

The prehistoric way of heaven is the eighth level of the holy realm, and it is still a heaven that is difficult to kill.

The Demon of Six Desires The level of cultivation is low and there are no powerful spiritual treasures.

How can Luo Hu's men compare with these female saints?

Su Chen's female saints are not only powerful in cultivation, but the minimum spiritual treasures in their hands are top-grade innate spirits. Bao, it's understandable that Rahu's men have low attack power.

"` Su Chen, you are talking nonsense. Do you think the third and second heavens of the holy realm can deal with the prehistoric way of heaven in the eighth heaven of the holy realm? My men don't even have powerful spiritual treasures. This kind of attack is already pretty good. Why don't you lend me some powerful spiritual treasures?"

"You're eating shit."

Su Chen shrugged and continued to set up the defensive barrier.

He just mocked Luo Hu in boredom. After more than ten days of constantly setting up the defensive barrier, Su Chen also felt very bored.

Nuwa and the other girls shook their heads speechlessly.

They didn't expect that Su Chen still had time to joke around. Facing the unkillable prehistoric Heaven, shouldn't Su Chen focus on dealing with the prehistoric Heaven?

Su Chen took the Falling Snow Sword and sent it to the Queen Mother of the West and said,"Queen Mother of the West, you use My Falling Snow Sword, let Luo Hu see your attack."

The Queen Mother of the West's spirit treasure is a defensive spirit treasure. Her attacks are the weakest among the women. However

, if the Queen Mother of the West uses her half-step Chaos Spirit Treasure, the Luoxue Sword, the attacks of the Queen Mother of the West will become the most terrifying.

"little bastard!"

The Queen Mother of the West took the Falling Snow Sword and glared at Su Chen.

She understood what Su Chen was thinking.

The Kunlun Realm was a defensive treasure, and her attack power was not very good. Su Chen might be worried that she would lose face in front of everyone.

Luo Hulian Hei shouted to Su Chen,"Su Chen, lend me your Chaos Clock.""

"Borrow me a piece of hair. I'm worried about whether you can pay it back or not. Rahu, you'd better continue attacking with your little black tower."
