

Zongwu 2841

Chapter 2841

Su Chen glanced at the dark-faced Luo Hu, asking for the Chaos Clock? is it possible?

Even if his Chaos Clock was not given to the Ice Demon God, Su Chen would not be able to lend it to Luo Hu.

Luo Hu is the Chaos Demon God, and he is also a very aggressive Chaos Demon God. Su Chen and Luo Hu are now allies, but allies are for betrayal.

If Luo Hu's strength is not as strong as him, the outer demon world will not be as powerful as the Xuantian Realm.

Luo Hu may not take action against him~ and Xuantian Realm, but what about in the future?

If Luo Hu becomes stronger, and the outer demon world becomes stronger than the Xuantian Realm,

Luo Hu will not hesitate to launch a war against him and the Xuantian Realm. How could Su Chen let Luo Hu use the spiritual treasure.

Luo Hu shouted angrily,"Su Chen, we are cooperative allies. We are still fighting together. I just borrowed the Chaos Clock from you. How could I not return it to you?"

Chaos Clock?

Luo Hu saw a half-step Chaos Spiritual Treasure more than twenty days ago.

Su Chen also had an archangel who was a half-step Chaos Spiritual Treasure in human form. This time he took out a half-step Chaos Spiritual Treasure Luoxue Sword.

Damn, this old bastard is really rich. He has three half-step Chaos Spiritual Treasures.

The Heavenly Demon Tower in Luo Hu's hand is the best innate spirit treasure. He is a majestic Chaos Demon

God. Compared with Su Chen, Luohu's Spiritual Treasures are simply rubbish. , he can't even compare to the spiritual treasures of Nuwa and her daughters.

They have either innate treasures or top-quality innate spiritual treasures. He feels that he, the Chaos Demon God, is a fake demon.

"Luo Hu, stop talking nonsense and attack the ancient world. Don't worry about Lingbao. I won't lend it to you."

"Damn bastard, you don't believe me?"

"Do you believe me?"

"If you don't believe it, you are more insidious than Hongjun, I believe your ass!"

"Damn it, you don't believe me, why should I believe you? Old bastard, if I had believed in the Chaos Demon God, I would have been wiped out by the Chaos Demon God long ago."

"snort!"

Luo Hu was so angry that he didn't want to talk to Su Chen, an extremely insidious old man.

He didn't trust Su Chen, and he would always be on guard against Su Chen.

After the Great Desolate Tiandao and the Beast Emperor Shen Ni were jointly killed by them,

Luo Hu and Su Chen went outside the territory. Sooner or later, a war will break out between the Demon Realm and the Xuantian Realm, and they will also be life-and-death enemies in the future.

Nuwa and the others shook their heads speechlessly. They felt that Su Chen and Luo Hu were both old cunts, one more evil-minded than the other, and one more evil than the other. Insidious and cunning,

Su Chen was on guard against Luo Hu, and

Luo Hu was also on guard against Su Chen. It was very ridiculous that two people who were wary of each other had formed an alliance. How long can such an alliance last? They both felt that in the near future, Su Chen and Luo Hu A war will definitely break out. As time passes, there are more and more cracks in the Yin and Yang Eyes of the Prehistoric Heavenly Dao. If the Heavenly Dao had not borrowed the luck of the primitive creatures to automatically repair it, almost a month of attacks would have completely destroyed the Eye of Heavenly Dao. Broken to pieces. Boom boom boom

.....

Luo Hu and Nu Wa's dozen holy realms continued to attack the prehistoric heaven. The world-destroying divine thunder of the prehistoric heaven also continued to bombard the law barrier. The terrifying roaring sound in the prehistoric starry sky never stopped.

"Damn it, it's been almost a month, and the ancient ways of heaven are really hard to erase."(To read Baoshuang novels, go to Feilu Novel Network!)

After Su Chen waved his hand to lay out the defense barrier of laws, he felt that it might not be possible to wipe out the ancient ways of heaven in a month. The strength of the ancient ways of heaven in the eighth level of the holy realm is very powerful.

Moreover, it can automatically repair the Eye of Heaven.

Su Chen thinks that it will take three months at the fastest to destroy the ancient Heaven. If there is another accident midway, they may not be able to destroy the ancient Heaven for about half a year.

"Luo Hu, bring your Heavenly Dao from the outside world of demons over here, and let the Heavenly Dao from outside the territory and the ancient Heavenly Dao fight against each other."

"impossible!"

"Damn, Rahu, we don't have much time. If the prehistoric heaven is not eliminated as soon as possible, the ferocious beast realm can invade the prehistoric realm at any time, and we will be in great trouble by then. Luo

Hu mocked Su Chen disdainfully,

"Old bastard, have you ever seen the fight between Tiandao and Tiandao? Have you ever seen heaven invade other realms? An idiot, the way of heaven is an automatic defense realm and a passive protection realm."

"I'll do it!"

Su Chen was a little confused.

He really didn't understand these things.

Tiandao can only defend passively? Tiandao can't actively invade other realms?

0 Ask for flowers 0

"Rahu, you can borrow the power of heaven from the outside world. If you borrow the power from the outside world, your strength may temporarily increase to the tenth level of the Capital Saint Realm, and the time it takes for us to destroy the prehistoric heaven will also be accelerated."

"no!"

"Damn it, why not? Are you at odds with the outside world? Or is the outside world looking down on you? Luo

Hu scolded with a black face, "Go away, the Starry Sky Fortress is too far away from the demonic world outside the territory. The reason why the outsider Heavenly Dao can defend the Starry Sky Fortress is because I wasted my Heavenly Dao origin. Do you think the Heavenly Dao will appear in the Starry Sky Fortress for no reason?"

"Let me go, Luohu, do you still have the origin of heaven? Give me some quickly, the Archangel and I are running out of mana."

The origin of heaven?

Luo Hu actually has the origin of heaven?

Su Chen guessed that Luo Hu should have destroyed other realms, otherwise he would not have the origin of heaven.

"Inglorious bastard, don't even think about it!"

Luo Hu was very angry at Su Chen's shamelessness. He wanted the origin of heaven?

Is this possible?

He asked Su Chen to borrow a spiritual treasure, but this old bastard refused directly. Why should Luo Hu give Su Chen the precious origin of heaven?

The origin of heaven is very precious. , he has never been willing to use the source of heaven he obtained. How could Luo Hu have used the source of heaven to his enemies.

Su Chen touched his chin and reminded sinisterly,

"Luo Hu, you have to think carefully. If the archangel and I run out of mana, the ancient heaven will attack you. My woman is not only powerful, but she also has powerful spiritual treasures. Your men don't have any. Do you want to watch? Are your men destroyed by the bombardment?"

"Su Chen, you are so shameless."

Luo Hu's chest was about to explode because of Su Chen's anger.

Why is his mana exhausted?

This bastard is threatening him openly.

For almost a month,

Su Chen has been easily setting up legal defense barriers. How can this bastard run out of mana? Already?

Su Chen reminded with a smile,

"Luo Hu, against the prehistoric heaven, my woman contributes the most, and I contribute even more. You have to think clearly. After the prehistoric heaven is wiped out, the origin of the prehistoric heaven will be very many. If you don't support my origin of the prehistoric heaven, then the prehistoric heaven will be destroyed. I want to get 86% of the origin of heaven"

Chapter 2842

Su Chen didn't believe that Luo Hu wouldn't give him the origin of the law of heaven.

If Luo Hu insisted on not giving it to him, he would deliberately let the heavenly law kill Luo Hu's men.

He and Luo Hu were in an alliance with their own agenda, and they could consume Luo Hu's men in the holy realm. Su Chen is also willing to see that it is best for the prehistoric heaven to destroy all Luo Hu's remaining six holy men.

Luo Hu shouted angrily,

"Su Chen, you are so shameless. I, Luo Hu, am really blind by allying with you."

Su Chen gestured with his middle finger and said,

"Tsk, Rahu, in the entire chaotic world, besides your alliance with me, will other Chaos Demon Gods alliance with you?"

"The Space Demon God raises his eyebrows and has a grudge against you. The Beast King God Ni wants to kill you. If Pangu revives in the ancient world, you will be killed by Pangu in the future. The other Chaos Demon Gods will probably run away when they see you."

"Think about it, in the entire chaotic world, I am the only one who will ally with you."

Luo Hu was confused after hearing this.

What Su Chen said seems to be right.

In the world of chaos, it seems that 02 has always been a loner with no friends or allies.

But does the Chaos Demon God need friends?

Does he need allies?

Damn it.

What should I do? ?

If this bastard is not given the origin of heaven, if this bastard pretends to run out of mana, six of his Holy Realm subordinates may perish, but he is not willing to give in.

Su Chen's shameless blackmail,

Su Chen's naked threat,

Luo Hu really wants to do it Squeeze this shameless old cunt to death

【You think, will Rahu give the little bastard the source of heaven?】

【Yes, if Luo Hu doesn't give your husband the source of heaven, I guess he will kill a few of Luo Hu's men.】

【Haha~, no need to guess, if Luo Hu dares not to give the little bastard the source of heaven, the little bastard will definitely kill Luo Hu's men.】

【Wouldn't this be bad? After all, we have an alliance with Luo Hu to destroy the ancient law of heaven. If Luo Hu is offended and Luo Hu leaves in anger, or takes action against us, our efforts to destroy the ancient law of heaven may come to naught.】

【Yin Ji, don't worry, the little bastard is so insidious and ruthless, he will ask Luo Hu to hand over the origin of heaven, and Luo Hu will not leave, let alone take action against us.】

【That's right. Su Chen will not only seek death, but he will also offend others. After this alliance with Luo Hu, Luo Hu may be eager to kill Su Chen.】

The Nuwa Empress and the other girls were talking to each other through soul transmission.

They were both speechless and funny at the same time.

Su Chen was eating Luo Hu to death. Demon Ancestor Luo Hu was now in a dilemma.

Luo Hu gave Su Chen the origin of heaven?

He would be very unwilling to do so.

If Luo Hu did not give Su Chen the origin of Heavenly Dao, his men might be tricked to death by Su Chen.

Empress Nuwa and the other ladies would like to know what choice Luo Hu would make.

At this moment,

Luo Hu's six demon envoys were very frightened.

They heard the conversation between Su Chen and Luo Hu clearly. They were worried that Su Chen would deliberately remove the law barrier.

If Su Chen removed the law defense barrier, they, the holy realm The saints in the second and third heavens will all be struck to death by the prehistoric heavenly ways and punished by world-destroying thunder. It is impossible for these saints with low cultivation realm to withstand them.

The Ice Demon God looked at Su Chen funny.

She did not expect that Su Chen would blackmail and threaten Luo Hu.

Is this an alliance?

Is this an ally?

The little bastard is really surprising. He doesn't care about cheating his allies.

Su Chen is not worried about irritating Luo Hu. Will Luo Hu dissolve the alliance and take action against him?

At the junction of the prehistoric starry sky and chaos, the Time Demon asked,

"Raising eyebrows, Su Chen and Luo Hu have a conflict, should we take advantage of the opportunity to take action?"

The Space Demon shook his head and reminded, "Wait a minute, we will wait for Su Chen and Luo Hu to fall out before we take action. If Su Chen and Luo Hu fall out, we will find an opportunity to kill them."

"good!"

The Demon God of Time and the Demon God of Space are looking at Su Chen and Luo Hu. They hope that Su Chen and Luo Hu will fall out. (To read Baoshuang novels, go to Feilu Novel Network!)

In this way, it will be very difficult for them to kill Su Chen and Luo Hu. Easy, as for the Primordial Heavenly Dao, a Primordial Heavenly Dao that was about to be crippled, the Space Demon and the Time Demon didn't care. At this moment,

Luo Hu glared at Su Chen angrily, and he even stopped attacking the Primordial Heavenly Dao.

Su Chen saw Luo Hu With a sullen face and a fierce stare at him, Luo Hu wouldn't really want to fall out with him at this time, right?

Damn!

Could it be that Luo Hu was pushed into a panic?

However,

Luo Hu shouldn't fall out with him at this time.

The Great Way of Heaven is a The great enemy, the Beast Emperor Shen Ni, is also a great enemy. Without his help, Luo Hu would either be killed by the Great Way of Heaven or the Beast King Shen Ni. As long as

Luo Hu was not an idiot, he would not dare to fight with Su Chen. Fall out

"Luo Hu, do you want to fall out with me?"

"Old bitch, you pissed me off"

"So what?"

Luo Hu took out the three sources of heavenly law and threw them to Su Chen with an ugly expression. He snorted coldly,"Huh, this is the three sources of heavenly law. Su Chen, I want to share the origins of ancient heavenly law equally. Also, today's blackmail threat. I remember, you'd better be careful with me in the future."

Su Chen accepted the source of Heavenly Dao and nodded, saying,

"Easy to say, easy to say, Rahu, don't threaten me, otherwise you will be very tragic in the future."

"Old cunt!"

Luo Hu glared at Su Chen fiercely.

He continued to attack the Great Desolate Heavenly Dao. He now used the Great Desolate Heavenly Dao 893 as Su Chen to vent his anger.

Luo Hu would not fall out with Su Chen at this time. The Great Desolate Heavenly

Dao will never be destroyed, and the Beast King God will rebel. Immortal, he will not break up with Su Chen, otherwise, the Great Desolate Heavenly Way and the Beast Emperor Shenni will kill him first

"Archangel, accept the source of heaven."

Su Chen threw the blackmailed Heavenly Dao Origin to the Archangel.

The Archangel's cultivation level was a bit low.

Although she was a half-step Chaos Spiritual Treasure, she could also use the Heavenly Dao Origin to improve her strength. Su Chen didn't care about the Heavenly Dao Origin. Besides

, she was a half-step Chaos Spiritual Treasure.

There are also the Heavenly Dao of the Prehistoric Realm and the Heavenly Dao of the Fierce Beast Realm, the two super realms of Heavenly Dao.

Su Chen guessed that there will be many sources of Heavenly Dao, and it may be several times more than the Heavenly Dao of the ordinary realm.

"Yes, master!"

The archangel smiled and accepted the source of heaven, a three-source source of heaven.

If she absorbs and improves her cultivation realm, the archangel can advance to one or two major realms, and she will always protect Su Chen in the future.

"Huh?"

Suddenly, the Ice and Snow Demon God noticed a strange aura. She hid in the space prison arranged by Su Chen and hurriedly checked.

"The Demon God of Space, the Demon God of Time, the Demon God of Giant Power and the Demon God of Thunder, two holy realms of the eighth heaven and two holy realms of the sixth heaven, are in some trouble."

Chapter 2843

The Ice Demon God did not expect that there would be four Chaos Demon Gods, two Chaos Demon Gods from the eighth level of the Holy Realm, and two Chaos Demon Gods from the sixth level of the Holy Realm.

It is impossible for the Ice and Snow Demon to stop them all.

This was troublesome.

If there were only two Chaos Demon Gods, she could use the half-step Chaos Spirit Treasure to stop them.

But with four Chaos Demon Gods and two Chaos Demon Gods at the same level as her, it was impossible for the Ice and Snow Demon Gods to stop them at the same time.

"what can we do about it?"

The Ice and Snow Demon God rubbed his forehead.

She couldn't put the little bastard in danger.

Even if Su Chen was killed, she could only kill him. The Ice and Snow Demon God would not let anyone kill Su Chen. The

Ice and Snow Demon God used Yuanshen said to Su Chen,

【Little bastard, there are four Chaos Demon Gods on the edge of chaos. The Space Demon God and the Time Demon God are the eighth heaven of the Holy Realm, and the Giant Power Demon God and the Thunder Demon God are the sixth heaven of the Holy Realm.

Su Chen suddenly heard the voice of the Ice and Snow Demon God. He was very surprised.

There were four Chaos Demon Gods hidden on the edge of chaos. In addition to the Space Demon God and the Time Demon God, there were actually two more Chaos Demon Gods.

Damn it, what should I do now?

Su Chen thought about it.

The Demon God of Giant Power and Demon God of Thunder were in the sixth level of the Holy Realm.

They were not a concern.

However, if the Demon God of Giant Power and Thunder Demon stopped the Ice and Snow Demon God, the Space Demon God and the Time Demon God would attack them. Su Chen Wouldn't put his women in danger.

Su Chen hurriedly sent a message to Nuwa Yuanshen,

【Nuwa, please be careful. Four Chaos Demon Gods have arrived, two from the eighth level of the Holy Realm, and two from the sixth level of the Holy Realm. Please inform Yin Ji and the girls to be more vigilant.】

【Husband, I will tell others that you should be careful too. 】

Empress Nuwa was very surprised.

There were four Chaos Demon Gods hidden around her? There are still two Chaos Demon Gods from the eighth level of the Holy Realm.

She feels that she is going to be in trouble.

Before the prehistoric heaven is completely shattered, it will definitely break out and will destroy them at all costs. If the Chaos Demon Gods make a sneak attack at this time, they may There were casualties.

More than a month passed, and the Eye of Heaven of the Ancient Heaven began to break.

One-fifth of the Eye of Heaven was shattered, and more cracks appeared in the Eye of Heaven.

In more than ten days, people like Su Chen would It can obliterate the ancient way of heaven.

A smile appeared on Luo Hu's face.

Soon, the ancient law of heaven will be wiped out by them. If the ancient law of heaven is destroyed, Luo Hu's heart will relax. Luo Hu was very panicked about Pangu who wanted to revive by borrowing the ancient ways of heaven. Among the Chaos Demon Gods, there was no Chaos Demon God who did not panic when facing Pangu, and Luo Hu would not let Pangu revive again. At this moment, Su Chen still didn't think of a way to deal with the Chaos Demon God. There were not enough strong people. Among the people who bombarded the ancient heaven, Nuwa and Luo Hu could stop the Chaos Demon God. However, without the bombardment of the two of them from the eighth level of the Holy Realm, the others Bombarding the Great Desolate Heavenly Way cannot kill the Great Desolate Heavenly Way as quickly as possible. boom! Suddenly, the Eye of Heaven burst out with a ray of light, and the cracks on the Eye of Heaven began to repair. Although

the repair was very slow, the cracks were healing. Su Chen asked in surprise, (To read Baoshuang novels, go to Feilu Novel Network!)

"How is this going? How can the prehistoric heaven be repaired and healed?"

Luo Huan shouted with an ugly face, "Su Chen, it's not good, the Great Desolate Heaven is absorbing the mana of all living beings in the Prehistoric Immortal World, and the Prehistoric Heaven is using the mana of all beings in the Prehistoric Immortal World to recover."

Su Chen was even more surprised when he heard Luo Hu's words. Is the Prehistoric Heavenly Dao absorbing the mana of all living beings? Has the Prehistoric Heavenly Dao gone completely crazy? If the mana of all living beings in the Prehistoric Age is absorbed and taken away, their cultivation level will fall, and they may even lose their mana and become ordinary people. Living beings, is the Great Desolate Heavenly Way going to destroy the Great Desolate Immortal World?

At this moment, all the immortals in the Great Desolate Immortal World (acbf) are panicking.

Their mana is rapidly draining, and some immortals with low cultivation levels have begun to regress.

If If they continue, they will lose all their cultivation realms and may even turn into their own bodies and become ordinary creatures.

"How is this going? Why did my mana suddenly disappear?"

"How can this be? My mana is also disappearing, and it is disappearing like running water?"

"ah....., damn, what the hell is going on? I have fallen into a realm. It took me hundreds of thousands of years to cultivate to the level of Golden Immortal. How could I lose my magic power and fall into a realm for no reason?"

"Something is wrong, all the immortals are losing their mana, what is going on? Could it be that the Chaos Demon is absorbing our mana?"

"Chaos Demon God? is it possible? No matter how powerful the Chaos Demon God is, how could they possibly absorb the mana of all the immortals in the prehistoric immortal world at the same time?"

"I.....I am about to return to my original form. After tens of thousands of years of cultivation, I finally became an immortal. I didn't expect that in just half an hour, I would be knocked back to my original form. I am not willing to accept it!"

The immortals in the prehistoric immortal world are going crazy. Their magic power is losing rapidly.

They still can't find the reason.

Some immortals who have just become immortals have fallen into the realm and returned to their original bodies. Their tens of thousands of years of practice have been wiped out.

Boom!

Suddenly! , a loud noise came from the ancient world, and

Su Chen's announcement reached the ears of all living beings in the ancient world.

"Creatures in the prehistoric immortal world, I am Su Chen, the Emperor of Heaven. The prehistoric heaven is absorbing your magic power to recover. The prehistoric heaven is no longer the prehistoric heaven. The heaven has a mind and a soul. This is why I want to join forces with Rahu to destroy the prehistoric heaven. reason"

"All living beings in the prehistoric immortal world, if you do not want to continue to absorb mana from the prehistoric heaven, and do not want your realm to continue to fall, you should immediately swear an oath to the avenue of chaos and sever your fateful connection with the prehistoric heaven."

In the prehistoric starry sky, after Su Chen made the announcement to the prehistoric sentient beings, he didn't know whether it would work or not, but this might be the only way.

If the prehistoric sentient beings cut off their destiny connection with the prehistoric heaven, the prehistoric heaven would have no medium to connect their fate. It is impossible for Heaven to absorb the magic power of all sentient beings in the wild.

Luo Hu asked Su Chen doubtfully,

"Su Chen, is your approach feasible?

Su Chen curled his lips and replied, "Damn, how do I know? Why don't you try it?" Luo

Hu shouted angrily,

"Damn it, if I announce it to the Immortal World, the sentient beings in the primitive world will think that I am absorbing their magic power. There is no way that the sentient beings in the primitive world will believe my announcement."

Chapter 2844

Luo Hu wanted to kill Su Chen.

He felt that Su Chen was mocking him.

Facing the changes in the ancient world and the way of absorbing the magic power of all living beings, Luo Hu had no choice. Will obey Su Chen's orders. After all, Su Chen was the Emperor of Heaven in the Prehistoric Immortal World. He was the only Emperor who unified the Immortal World and was even recognized by all the races in the Prehistoric World. What about him? Luo Hu is the demon god of chaos. He is coming to destroy the prehistoric fairy world. He is issuing a notice to the prehistoric fairy world. Will all living beings in the prehistoric world listen to his announcement? Su Chen frowned and asked, "Luo Hu, have you ever encountered the Avenue of Chaos?" Luo Hu replied with a serious face,

"I have encountered that the Three Thousand Demon Gods are the first batch of creatures in the great world of Chaos. They are the "nine-two-seven" creatures transformed by the Three Thousand Laws of Chaos Avenue. When Pangu did not open up the prehistoric fairyland, the Chaos Avenue was always in chaos."

"Since Pangu opened up the ancient world of immortality,

"In the following time, the resurrected Chaos Demon God opened up realms one after another, When the Heavenly Way of the Domain appears, the Avenue of Chaos disappears. For hundreds of millions of years, I have never seen the Avenue of Chaos appear."

Su Chen began to think after hearing Luo Hu's words.

When the Heavenly Dao of the realm came out, the Avenue of Chaos disappeared? It has not appeared for hundreds of millions of years?

The Avenue of Chaos is the guardian of order in the world of chaos, and it is also the place to protect the world of chaos. Could it be that the Great Avenue of Chaos is guarding against the supreme invasion of Hongmeng World?

No, when Hou Tu reincarnated, wasn't it said that the Great Avenue appeared? And it also gave Hou Tu the merits of the Great Avenue.

Su Chen was confused as he thought about it.

The Great Avenue of Chaos was concerned about Are you guarding the world of chaos? Or are you preparing for Hongmeng Supreme to invade the world of chaos?

"The Great Dao is above, I am Queen Pingxin of the Six Paths of Reincarnation. By the order of Emperor Su Chen, the Six Paths of Reincarnation will cut off the cause and effect with the Prehistoric Way of Heaven, and the fateful connection with the Prehistoric Way of Heaven. I hope the Great Dao will grant it!"

"The Great Dao is above, I am Zhu Long, the ancestor of the Dragon Clan. By the order of Emperor Su Chen, the Great Dragon Clan is severing the cause and effect of the Great Desolate Heaven and the fateful connection with the Great Desolate Heaven. I hope the Great Dao will allow it!"

"The great road is up. I am Qitian, an old member of the Qilin tribe. By the order of the Emperor Su Chen, the prehistoric Qilin tribe has cut off the cause and effect with the prehistoric way of heaven, and the fateful connection with the prehistoric way of heaven. I hope the great road will allow it!"

"The Great Dao is up, my ancestor of the Teng Snake Clan, by the order of Emperor Su Chen, the Great Desolate Teng Snake Tribe will sever the cause and effect from the Great Desolate Heaven, and cut off the destiny connection with the Great Desolate Heaven. I hope the Great Dao will allow it!"

"The Great Dao is up, I am the Ziyi clan, the ancestor of the human race, and by the order of the Emperor Su Chen, the prehistoric human race is severing the cause and effect with the prehistoric heaven, and the destiny connection with the prehistoric heaven. I hope the great road will allow it!"

"The Great Dao is up, I am the Taoist of Qianyuan Mountain, and by the order of Emperor Su Chen, Taoist Qianyuan cuts off the cause and effect with the prehistoric way of heaven, and the fateful connection with the prehistoric way of heaven. I hope the great way will allow it!".....

In the prehistoric fairy world, one racial force after another, and one strong casual cultivator after another have made an oath to the Avenue of Chaos.

The prehistoric heaven has gone completely crazy.

If all the racial forces and casual cultivators in the prehistoric immortal world do not sever the cause and effect and the fate connection with the prehistoric heaven, all the magic power of the immortals will be drained, and all the immortals will be drained. Mana becomes an ordinary creature.

In the prehistoric starry sky,

Su Chen, Luo Hu, and Nuwa Empress were all watching the changes in the prehistoric fairyland.

All living beings in the prehistoric times began to swear to the Avenue of Chaos.

Will the Avenue of Chaos appear? Will it be allowed? People like Su Chen all want to know the outcome.

The Ice and Snow Demon looked at Su Chen in confusion.

What was Su Chen doing?

Are you going to destroy the ancient way of heaven by bewitching all sentient beings?

Will the Avenue of Chaos appear? Does Chaos Avenue care about the life and death of these ants?

At the edge of chaos, the Demon God of Space and the Demon God of Time were also confused.

They did not expect that Su Chen would confuse all living beings in the ancient world. The ancient way of heaven was the way of heaven in the ancient immortal world. With Su Chen's casual announcement, all living beings in the ancient world actually obeyed Su Chen's orders.

What's going on?

Do all sentient beings in the prehistoric times want to abandon the prehistoric way of heaven?

If there was no way of heaven in the prehistoric immortal world, wouldn't the prehistoric immortal world be at the mercy of others? Are all sentient beings fools?

The Time Demon asked doubtfully,

"Raise your eyebrows, will the Avenue of Chaos appear?" (To read exciting novels, go to Feilu Novel Network!)

"I don't know, the Avenue of Chaos has not appeared for hundreds of millions of years, and I don't know if the Avenue of Chaos will appear."

The Space Demon God raised his eyebrows and felt that he had underestimated Su Chen,

Su Chen's announcement.

All the living beings in the ancient world obeyed the orders. Su Chen's influence in the ancient world has not diminished at all. It has only been more than ten years since they met in the wild world. , even if Su Chen has been cultivating in the time barrier for tens of millions of years...

But Su Chen's realm advanced too quickly to the eighth level of the holy realm, which is the same as his cultivation realm. He raised his eyebrows and regretted that he had not killed him before he had grown up. Su Chen got up.

The Time Demon frowned and said,

"Raising his eyebrows, I feel that Su Chen is more dangerous than Luo Hu. We need to kill Su Chen first."

The Demon God of Time looked at Su Chen and felt more and more something was wrong.

Su Chen had more than ten holy realms under his command, one of which was the eighth level of the holy realm. There were also several other holy realms that were at the same realm as the Giant Demon God.

Su Chen had also mastered The Law of Space, the Law of Time, the Law of Space and Time, and several half-step Chaos Spiritual Treasures.

The Time Demon feels that Su Chen is too dangerous, even more dangerous than the Killing Demon God Luohu.

If Su Chen does not die, all the Chaos Demons will have He might be massacred by Su Chen.

He raised his eyebrows and said seriously,

"Well, I think so too. After starting the operation, our first target is Su Chen. Su Chen must be killed first no matter what. Even if we let the killing demon Luohu go, we must kill Su Chen."

Shi Chen nodded and agreed, "Okay, let's work together. Su Chen can't escape."

Time passed little by little, and there was no advent of the Avenue of Chaos in the prehistoric fairyland.

Luo Hu laughed at Su Chen,

"Su Chen, the Avenue of Chaos should not appear. Your conspiracy ended in vain."

Su Chen yelled with a black face,

"Luohu, you still have the fucking nerve to laugh at me? My method doesn't work, what about you? Please think of a way for me to come up with it."

Su Chen just wanted to see if he could summon Hong Chaos Avenue.

After listening to Luo Hu's previous statement,

Chaos Avenue had not appeared for hundreds of millions of years, and Su Chen didn't have high hopes.

But Luo Hu's ridicule,

Su Chen was unhappy.

He finally came up with a way.

Luo Hu, an idiot, couldn't even think of a way. Why did Luo Hu laugh at him?

Luo Hu sneered at Su Chen disdainfully, "Hey, this demon ancestor always uses Strength speaks for itself, never use conspiracy."

"Show off!".

Chapter 2845

Su Chen looked at Luo Hu disdainfully, a pretender, relying on strength?

Luo Hu is so powerful now, can he beat the ancient world? Can he defeat the Beast Emperor Shen Ni? Has he ever defeated the Space Demon and the Time Demon?

The former demon ancestor Luo Hu has become a thing of the past, and it is very easy for Su Chen to kill Luo Hu.

Luo Hu frowned and asked,

"Su Chen, what should we do now? If the ancient law of heaven keeps absorbing the magic power of all living beings in the ancient world, we will waste too much time in destroying the ancient law of heaven."

"I have no choice, Luo Hu, didn't you say rely on strength? You quickly burst out with a powerful attack to destroy the prehistoric heaven.

Luo Hu shouted angrily, "Damn, I'm using all my strength to attack now.""

Su Chen curled his lips and mocked,

"I believe you!"

"Damn bastard!"

Luo Hu glared at Su Chen angrily.

He didn't want to talk to Su Chen anymore.

If Luo Hu continued to talk to Su Chen, he felt that Su Chen would find out that he had hidden his trump card.

Luo Hu had hidden his trump card, but could he expose it?

Su Chen is a shameless old pervert. Luo Hu is worried that Su Chen will pervert him, so he has to be on guard against Su Chen.

Boom boom boom.....

More than a dozen holy realms are still attacking the prehistoric heaven, and more and more cracks in the prehistoric heaven are broken. Although the prehistoric heaven is recovering after absorbing the mana of all living beings, but with the terrifying attacks of more than ten holy realms, the recovery speed of the prehistoric heaven is Very slowly.

But that's it. It will take at least a few more months for the holy realms of Nuwa and Luohu to wipe out the prehistoric heaven.

"This is not the way to go."

Su Chen touched his chin and whispered.

Originally, there were more than ten days to wipe out the Great Desolate Heaven. The Great Desolate Heaven would absorb the magic power of all sentient beings to recover. It would take them an extra month or two to wipe out the Great Desolate Heaven.

It took too long. There are also four powerful Chaos Demon Gods,

Nuwa Empress, the girls, and Luo Hu. If they waste a lot of mana and the four powerful Chaos Demon Gods sneak attack,

Nuwa Empress, the girls, and Luo Hu will all be passive. Damn it, the ancient way of heaven is really Difficult to do.

Boom!

Suddenly, a terrifying aura came to the prehistoric fairyland, and a huge eyeball appeared in the prehistoric fairyland. The eyeball was standing upright, with a blazing fire-like light surrounding it. All the living beings in the prehistoric fairyland were oppressed and lay on the ground. On the ground, all the creatures were horrified to see the appearance of huge eyeballs.

In the starry sky, the attacks of Su Chen and Nuwa Empress also stopped, and they were resisting the terrifying aura.

Swish, swish, swish....

The Queen Mother and the Queen Mother of the West came to Su Chen one after another. They could not resist the terrifying aura erupting from the huge eyeballs, so they could only come to Su Chen for protection. boom!

A powerful aura erupted from Su Chen's body, and all five laws of chaos broke out. The law of space, the law of time, the law of space and time, the law of fire, and the law of light. Su Chen all broke out at this moment.

Five halos of light enveloped him and Nuwa Empress and the girls.

He wanted to resist the aura of the terrifying eyes, and he wanted to help the girls resist the power of the terrifying eyeballs. bang bang bang.....

Luo Hu's subordinates, the Holy Realms, knelt down one by one, and the Six Desire Demon Gods looked at the huge eyeballs with pale faces.

Luo Hu's face was pale and he was resisting the aura of terror. He didn't think that the Avenue of Chaos really appeared.

Luo Hu couldn't hold on any longer, and his legs began to tremble.

The Snow Demon God and the Chaos Demon Gods raised their eyebrows.

Although they were far away from the starry sky, they were still resisting the terrifying power erupted from their huge eyes with pale faces.

With the appearance of the Avenue of Chaos, they, the Chaos Demon Gods, are very panicked. (To read Baoshuang novels, go to Feilu Novel Network!)

This is the Avenue of Chaos, the avenue of order and protection in the world of Chaos. All the creatures in the world of Chaos are in Chaos. Under the jurisdiction of the avenue.

At this moment,

Luo Hu looked at Su Chen in confusion, the five laws of chaos?

Su Chen actually broke out the five laws of chaos?

Damn that old bastard,

Su Chen has indeed been hiding his strength.

This bastard used to have three laws of chaos, but now he has two more laws of chaos.

The Law of Fire and the Law of Light.

Damn shameless bastard, how much of Su Chen's strength has not been exposed?

Luo Hu also wanted to seek help from Su Chen, but his self-esteem would not allow him to seek help from Su Chen, and since Su Chen was surrounded by women, it was even more impossible for him to seek help from Su Chen.

Luo Hu thought about it and hurriedly reminded Su Chen, "Su Chen, this is the Avenue of Chaos. The Avenue of Chaos has appeared."

"Avenue of Chaos?" Su Chen guessed that the giant eyeballs might be the Avenue of Chaos, and Luo Hu 's words confirmed his guess.

The Avenue of Chaos really appeared.

So, the Avenue of Chaos is going to judge the oaths of all living beings in the prehistoric times. Is it allowed? Or is it allowed? Will she refuse? Empress Nuwa asked with a pale face, "Husband, will the Avenue of Chaos agree to the prayers of all sentient beings?"

"

"have no idea!"

Su Chen shook his head and replied.

He really didn't know about the Avenue of Chaos.

This was the first time Su Chen saw the Avenue of Chaos.

The Avenue of Chaos is the guardian of order in the world of chaos. The prehistoric fairy world is just an inconspicuous part of the world of chaos. In the realm, he couldn't guess whether the Avenue of Chaos would care about the life and death of all sentient beings in the prehistoric world. Boom! Suddenly, a huge eyeball burst out with a light, and the light instantly enveloped the Eye of Heavenly Dao in the prehistoric world. A soft and indifferent light The voice came from the giant eye,

【The way of heaven should not have thoughts or consciousness. The way of heaven should be fair, impartial, and selfless. Pangu relied on the way of heaven to revive, but it violated the principles of chaos. The prayers of all living beings in the prehistoric period allowed Pangu to strip away the way of heaven, and the way of prehistoric nature destroyed itself. hook】

"No! On the Avenue of Chaos, I am the Great Demon God Pangu, and I am the only Chaos Demon God who can go to the Hongmeng World."

Suddenly, in the prehistoric heaven, a rough voice shouted angrily from the eyes of the prehistoric heaven.

【Strip! 】

boom!

Under the shroud of light, the Eye of Heaven began to break and fall piece by piece. Fireball fragments as big as planets fell into the starry sky.

"No! I, the Great Demon God Pangu, have not fully recovered yet. Avenue of Chaos, don't strip me."

Chapter 2846

In the ancient immortal world, all the creatures were stunned when they heard the voice of the ancient heaven.

Pangu?

Pangu actually wants to use the prehistoric heaven to revive? Didn't Pangu completely fall? Was it Pangu who absorbed their mana before?

"The ancient way of heaven is Pangu? How can this be? Why is the Chaos Demon God Pangu still alive?"

"The prehistoric way of heaven is not Pangu. Pangu wanted to use the prehistoric way of heaven to revive, but he did not expect that Pangu did not completely fall."

"Damn it, is Pangu trying to rob all sentient beings of their magical power? Pangu didn't care about the life and death of the creatures in the ancient times."

"No wonder the prehistoric Heavenly Way went crazy, no wonder the Prehistoric Heavenly Way did not allow the Emperor Su Chen to return. Pangu was probably worried that the Emperor Suchen would find out about his recovery, so he desperately tried to prevent the Emperor Suchen from returning."

"It should be that although Pangu opened up the prehistoric immortal world, he fell when he fell. The creatures in the prehistoric immortal world will remember and be grateful to Pangu, but Pangu wants to destroy us prehistoric sentient beings to revive. The Pangu at this moment is not the Pangu who opened up the prehistoric immortal world~"

"Yes, we will be grateful to the fallen Pangu. The Pangu who was revived by the prehistoric way of heaven is no longer Pangu."

In the Six Paths of Reincarnation,

Empress Pingxin showed a helpless look in her eyes.

Pangu took advantage of the resurrection of the ancient world and not only arbitrarily destroyed the ancient immortals, but also plundered the magic power of all living beings.

Pangu disappointed the Wu Clan.

Such Pangu could not help but Then there is the father-god of their witch clan. The father-god of their witch clan has long since fallen.

Po Meng reminded Empress Pingxin,

"If you look at the original body, you will see that the father-god of the Wu clan is not the current Pangu. The father-god of the Wu clan who opened up the prehistoric immortal world has fallen. The Pangu in the prehistoric heaven is just a copy."

Empress Pingxin nodded and replied, "I understand that the Wu Clan will not recognize Pangu in the prehistoric way of heaven, and I will not admit that the resurrected Pangu is the father god of the Wu Clan."

In the prehistoric starry sky, the Space Demon God raised his eyebrows and the Time Demon God Hour, as well as the Giant Power Demon God and the Thunder Demon God. The four of them looked at the Prehistoric Heavenly Dao in horror,

Pangu?

Pangu, the Great Demon God, did not completely fall? The law of power Pangu borrowed the Prehistoric Heavenly Dao. Resurrection?

It's too scary.

If Pangu recovers, none of them, the Chaos Demon Gods, will be able to survive.

Shi Chen said with lingering fear,

"Raising eyebrows, this time it was really a fluke. If Su Chen and Luo Hu hadn't taken action against the ancient way of heaven, or if Su Chen hadn't bewitched all living beings to swear to the great road, we wouldn't have known that Pangu would use the ancient way of heaven to revive."

He raised his eyebrows and said with a serious face,

"Yes, we, the Chaos Demon God, all thought that Pangu had completely fallen. We did not expect that Pangu still had a backup plan when he fell. This time, we were very lucky. Pangu had not yet fully recovered."

"The Avenue of Chaos has stripped off Pangu, and Pangu's cultivation realm will definitely not be stronger than ours. At this time, we must join forces with Su Chen and Luo Hu to destroy Pangu, and Pangu must not stay."

Yangmei was very panicked.

The four demon gods almost helped Pangu.

If Chaos Avenue had not appeared, the four demon gods would have listed Su Chen and Luo Hu as targets for killing.

In this way, they would be Unintentionally helping Pangu in the ancient world, the first demon of chaos is indeed not simple.

He opened up the ancient world of immortality and incarnated all things. Pangu actually left behind the means of recovery.

What a fluke. Shi Chen said it right. They are too powerful this time. Fortunately, if it hadn't been for the appearance of the Avenue of Chaos this time, the four demon gods would have inadvertently helped Pangu recover.

Shi Chen agreed with a cold face,

"Well, Pangu will definitely not be able to fully recover. The Avenue of Chaos has stripped Pangu away, so we will work with Su Chen and Luo Hu to kill Pangu. Compared with Su Chen and Luo Hu, Pangu's threat is much greater and more terrifying than theirs."

"At that time, Pangu was separated from the ancient way of heaven, and we contacted Su Chen and Luo Hu"

"Okay, we must completely kill Pangu this time."

The Ice and Snow Demon God looked at the Primordial Heavenly Dao with cold eyes.

Su Chen did not lie to her.

Pangu really used the Primordial Heavenly Dao to revive.

Pangu, (to read Baoshuang novels, go to Feilu Novel Network!)

She had just experienced the killing of Pangu. For more than a hundred years, the Ice Demon God and Su Chen killed Pangu in the trial world, but the essence was the same. If Pangu was separated from the Avenue of Chaos, she would not mind killing Pangu again with Su Chen. Edge of the Starry Sky ,

Su Chen, Luo Hu, and Nuwa Empress all looked at the Great Desolate Heaven, and they all guessed that Pangu borrowed the Great Desolate Heaven to revive.

But as they guessed,

Su Chen and these holy realms were still very surprised.

Xi He asked with a worried look on his face. ,

"Husband, if Pangu was stripped away from the prehistoric way of heaven by the avenue of chaos, what state would he be in?"

0 Asking for flowers 0

Empress Nuwa and Yin Ji looked at Su Chen one after another.

They also wanted to know what state Pangu would be in after he was separated. If Pangu's cultivation state was very strong, they might not be able to kill Pangu.

Luo Huan frowned and looked at Su Chen. He couldn't guess what state Pangu would be in. Su Chen touched his chin and guessed,

"Don't worry, Pangu's cultivation level will not exceed the eighth level of the holy realm. The prehistoric heaven can only reach the eighth level of the holy realm. Pangu can only reach the level of the prehistoric heaven.

Luo Hu asked hurriedly, "Su Chen, how confident are you in your guess?"

Su Chen looked at Honghuang Tiandao and replied,

"Eight or nine points, don't forget that Pangu lost his soul and blood essence. He did not get his soul and blood essence back. Do you think Pangu's cultivation level will be strong?"

"That's right."

Luo Hui relaxed after hearing Su Chen's words.

Su Chen was right.

Pangu had lost his soul and blood essence.

If he had not fully recovered, Pangu's cultivation realm would not be stronger than theirs.

Empress Nuwa After thinking about it, he reminded Su Chen, "Husband, don't forget that ten ancestral witches have died in the Wu clan, and Pangu should get the essence and blood of the ten ancestral witches."

Let me guess, the ancestral witches?

The ten fallen ancestral witches?

No, the eleven fallen ancestral witches.

The Xuanming ancestral witch also fell.

Su Chen resurrected Xuanming, and the spirits of the eleven ancestral witches. It is possible that the blood could be obtained by Pangu.

Su Chen raised his brows and reminded,

"There is some trouble. If Pangu got the essence and blood of ten ancestral witches, his cultivation level might not be low."

Pangu?

Hongjun?

Su Chen guessed at this moment why Pangu didn't kill Hongjun.

Hongjun should be a chess piece in Pangu's hand and an important chess piece in his recovery.

Hongjun only needs to kill the Sanqinghe that Pangu transformed into. The ancestral witches, the souls of the Three Pure Ones and the essence and blood of the witch clan will all return to the prehistoric way of heaven.

Returning to the prehistoric way of heaven is equivalent to returning to Pangu, which is insidious.

Pangu is thousands of times more insidious than Hongjun.

"Rahu, you go to the edge of chaos. The space demon, the time demon, the giant force demon, and the thunder demon are all hiding in the edge of chaos. We must unite the four demons to destroy Pangu scarf."

Chapter 2847

Luo Hu was very surprised when he heard Su Chen's words.

There were four Chaos Demon Gods on the edge of chaos. Why didn't he notice it at all?

The Space Demon, the Time Demon, the Giant Power Demon, and the Thunder Demon were secretly hiding on the edge of Chaos. Are the four Chaos Demons preparing to attack him and Su Chen?

Luo Hu asked hurriedly,

"Su Chen, are the four demon gods really on the edge of chaos?"

"Of course, do you think I would cheat on you? Luo

Hu shouted angrily, "Damn you bastard, Su Chen, did you already know that the four demon gods were around?" Why didn't you tell me earlier?"

Su Chen curled his lips and explained,

"I know shit, the Time Demon and the Space Demon both have powerful laws. If they want to hide it, do you think I will find out? If it hadn't been for the emergence of the Avenue of Chaos and the four demon gods resisting the pressure of the Avenue of Chaos, I wouldn't have been able to discover the existence of the four demon gods."

Luo Hu's face was so dark that he didn't believe what Su Chen said.

This old bastard must be plotting against him.

The four chaos demons appeared around him. Su Chen knew the laws of space and time, as well as the laws of space and time. 02 Luo Hu didn't believe that Su Chen didn't notice. To the four great chaos demons.

Do you want to kill yourself?

Do you want the four great demons to kill him?

Damn it,

Luo Hu feels that he should be more careful with this old bastard

"Su Chen, do you think the four chaos demon gods will unite with us?"

Su Chen nodded and replied seriously,

"Yes, the Chaos Demon God will not let Pangu revive. If Pangu revives, the Chaos Demon God will be finished. The four Chaos Demon Gods will definitely agree to join forces with us."

"That's right, I'm going to meet the four chaos demon gods."

Luo Hu nodded to Su Chen, and he disappeared instantly.

Su Chen was right.

All the Chaos Demon Gods will not let Pangu revive. Pangu's resurrection will be the end of all Chaos Demon Gods. Luo Hu also believes in the four major Chaos Demon Gods. Will unite with them.

Above the starry sky, the ancient law of heaven is still broken.

Maybe in a few breaths, the ancient law of heaven will be completely broken, and Pangu will be stripped off by the avenue of chaos.

Su Chen raised his eyebrows and looked at the ancient law of heaven.

He was a little I don't understand why Pangu knows about Hongmeng World. What does Pangu mean when he says that he is the only one who can go to Hongmeng World?

"Chaos Avenue, you will regret it, you will definitely regret it."

At this time,

Pangu in the ancient world was still shouting, and

Empress Nuwa asked doubtfully,

"Husband, Pangu also knows about Hongmeng World. Has Pangu ever been to Hongmeng World?"

The Queen Mother and her daughters also looked at Su Chen. They were very confused about Pangu's words.

They only knew about the existence of Hongmeng World from the ladder to heaven. How could Pangu also know about the existence of Hongmeng World?

Su Chen shook his head. replied,

"I don't know. Chaos first opened and we didn't understand the situation at that time. However, neither Luo Hu nor the Ice and Snow Demon God knew about the Hongmeng World. I think the other Chaos Demon Gods didn't know either."

"As for why Pangu knows, I am afraid only Pangu and Chaos Avenue know. Queen Mother Xi asked,

"Little bastard, if Pangu is connected to Hongmeng World, do we still want to kill Pangu?"

Su Chen hugged the plump Queen Mother of the West and said,

"Queen Mother of the West, Pangu cannot be connected with Hongmeng World. If the powerful people of Hongmeng World discovered the Chaos World, the Chaos World would have been destroyed long ago."

"That's right!"

Queen Mother Xi leaned in Su Chen's arms and nodded.

She felt that she had said something stupid.

The strong men in the Hongmeng World knew the coordinates of the Chaos World. The Chaos World might have been destroyed hundreds of millions of years ago.

Boom!

After three breaths, (To read Baoshuang novels, go to Feilu Novel Network!)

The Eye of Heaven of the Ancient Heaven was broken, and a rough man like a Titan appeared in the starry sky.

The rough man looked around and shouted,

"I am the Great Demon God Pangu!"

Swish, swish, swish!

Luo Hu and the four chaos demons appeared next to Su Chen. They looked at Pangu above the starry sky with a very serious face.

"The fifth level of the holy realm!"

Su Chen checked Pangu's realm and breathed a sigh of relief.

Pangu was only in the fifth heaven of the holy realm. It is not difficult for them in the holy realm to kill Pangu. The eighth heaven of the space demon holy realm! The eighth heaven of the time demon holy realm!

The holy realm of Luohu Eighth Heaven!

Empress Nuwa is in the Eighth Heaven of the Holy Realm,

Su Chen is in the Eighth Heaven of the Holy Realm, and the hidden Ice and Snow Demon God is also in the Eighth Heaven of the Holy Realm.

Six strong men from the Eighth Heavenly Realm of the Holy Realm surrounded and killed Pangu, and Pangu was in any case Dead

"Yin Ji, Leng Shuang, you girls leave the prehistoric starry sky first. You don't need to take action in the battle for a while."

"good!"

Yin Ji and Leng Shuang nodded to Su Chen. Pangu was in the fifth level of the Holy Realm. They couldn't help if they stayed. Queen Mother Xi returned the Falling Snow Sword to Su Chen before she left. Pangu looked at He shouted to Luo Hu and the others, "The Demon God of Space, the Demon God of Time, the Demon God of Slaughter, the Demon God of Giant Strength, and the Demon God of Thunder. It has been hundreds of millions of years, but I never thought that we would still be able to meet each other."

The Space Demon raised his eyebrows and shouted with a serious face,

"Pangu, you are so calculating. In the Chaos War, you actually left a means of recovery. This time you will definitely die 910. We will not let you have the possibility of recovery again."

Pangu laughed and mocked,

"Hahaha~, is it up to you? Although I have not fully recovered, it will be easy to kill you."

Luo Hu shouted indifferently,

"Pangu, you are only at the fifth level of the Holy Realm. Look at us. There are five strong men at the eighth level of the Holy Realm. Do you think we are still the Chaos Demon Gods who were killed by you during the beginning of Chaos? Pangu snorted disdainfully, "Huh, no matter how powerful the ants are, you are just stronger ants. If I want to kill you, you won't be able to escape.""

"Pangu, you are too arrogant"

"I am the Great Demon God of Chaos, what can you do to me?" now,

Chen Zou looked at the huge eyeballs of the Avenue of Chaos.

He felt that the Avenue of Chaos seemed to be watching him.

The prehistoric way of heaven was wiped out by the Avenue of Chaos, and Pangu was also stripped out. Why didn't the Avenue of Chaos disappear?

Is Chaos Avenue watching him?

Or is Su Chen overthinking?

Pangu stared at Su Chen with eyes as wide as lanterns, and he yelled angrily,

"Emperor Su Chen, it's all because of you that my resurrection failed. It's all because of you that my calculations of hundreds of millions of years have failed. You are an inferior creature. I should have killed you more than ten years ago."

Chapter 2848

Pangu was very angry with Su Chen.

He did not expect that an inferior creature would destroy his recovery.

Ever since Su Chen became the Emperor of the Ancient World,

Pangu had paid attention to Su Chen, especially when Su Chen took control of the Western Realm. He began to control the ancient world to destroy Su Chen, and even wanted to kill Su Chen when he returned to the ancient world.

It was just that Su Chen gave up his position as the Emperor of the Ancient Immortal Realm and his identity as a living being in the Ancient Immortal Realm. Pangu thought that Su Chen would not disrupt his plan again, so he did not take action against Su Chen again.

But all the things he experienced in the future had the shadow of Su Chen. The Holy Realm of the Ancient Heavenly Dao gave up his holy position and fled, and the Sanqing fled. Pangu regretted not killing Su Chen as soon as possible.

Su Chen curled his lips and mocked,

"Inferior creatures? Pangu, you feel good about yourself. Even if I am an inferior creature, it is none of your business. You have plotted against Hongjun, Sanqing and the Twelve Ancestral Witches in order to recover. You even risked the lives and deaths of all sentient beings to recover your recovery. You No wonder he is the Great Demon God of Chaos. Pangu shouted angrily,"Su Chen, you must die today. Even if I don't kill Luo Hu and the Chaos Demon Gods, I will kill you at all costs.""

Su Chen raised a middle finger and mocked,

"Tsk, do you think it's possible? Pangu, don't play tricks anymore. Even if the Chaos Demon Gods like Luohu and Yangmei insist on killing you, you don't need to divide 677 us."

Luo Hu and Yang Mei, the Chaos Demon Gods, also understood that

Su Chen ruined Pangu's plan and recovery. What Pangu said just now was to sow discord.

Shouldn't they kill them?

Luo Hu, Yang Mei and other Chaos Demon Gods would not believe it.

Hong!

Pangu burst out with powerful momentum and shouted angrily,"Damn inferior creature, I will definitely crush you to death.""

Su Chen said as he did a sword show with the Falling Snow Sword,

"Crush me to death? Pangu, you haven't seen the reality clearly. I am at the eighth level of the holy realm, and you are just a scumbag from the fifth level of the holy realm. I have half a step of chaos spiritual treasure in my hand. What about you? You don't even have an acquired spiritual treasure in your hand, how can you crush me to death?"

"snort! Chaos Bell, Pangu Flag, Tai Chi Diagram, return!"Pangu snorted coldly, stretched out his hand and shouted,

Chaos Bell, Pangu Flag, Tai Chi Diagram, the three spiritual treasures are the spiritual treasures broken and differentiated by Pangu's axe. Pangu wants to recall the three spiritual treasures, and he wants to restore the three spiritual treasures into The Pangu Ax returned to the level of the Chaos Spiritual Treasure.

At this moment, the Chaos Bell in the Ice Demon God's hand, the Tai Chi Diagram in the Queen Mother's hand, and the Pangu Flag in Chang Xi's hand all began to vibrate, but they only vibrated briefly.

Chaos The bell, the Pangu flag, the Tai Chi figure, and the three spiritual treasures were all upgraded by Su Chen. The three spiritual treasures completely became individual spiritual treasures and were refined by them respectively. Even if Pangu was summoned again, the three spiritual treasures would not Responding to Pangu's call.

Su Chen looked at Pangu with disdain. He still wanted to recall the three spiritual treasures?

Is this possible?

Did Pangu still think that he was Pangu in the early stage of chaos?

Su Chen ignored Pangu and looked at the avenue of chaos. Eyes are very confused.

The Avenue of Chaos has separated Pangu.

Shouldn't the Avenue of Chaos leave? What is the Eye of the Avenue doing all the time in the prehistoric starry sky?

If the Avenue of Chaos doesn't leave, he and Luo Hu, the Chaos Demon Gods, dare to take action against Pangu.

Su Chen asked Luo Hu, "Luo Hu, when will the Avenue of Chaos leave?"

"How could I know!"

Luo Hu was originally nervous about Pangu summoning the three spiritual treasures. Su Chen's question made him very speechless. The

Avenue of Chaos cannot be separated.

How could he, a Chaos Demon God, know that?

Su Chen asked with a dark face,

"Haven't you fucking seen Avenue of Chaos? After completing what needs to be done on Chaos Avenue, do you want to leave immediately? Or leave after a while? Wouldn't you know?"

"Su Chen, the Avenue of Chaos appeared before and left instantly. It has been hundreds of millions of years. I have not seen the Avenue of Chaos in hundreds of millions of years. How do I know if there has been any change in the Avenue of Chaos?"

"Rahu, you are of no use at all"

"Go away, you pissed me off, I'll kill you now"

"cut!" (To read Baoshuang novels, go to Feilu Novel Network!)

The four space demons looked at (acej) Su Chen and Luo Hu speechlessly.

They were about to prepare for a battle with Pangu. They did not expect that Su Chen and Luo Hu would get angry..

But it's also strange that the four great Chaos Demon Gods can't figure it out.

The Avenue of Chaos stripped off Pangu and also wiped out the ancient way of heaven. Why didn't the Great Chaos leave? If the Avenue of Chaos didn't leave, they didn't dare to surround and kill Pangu.

At this moment,

Pangu's face It turned dark.

He couldn't recall the three spiritual treasures. The three spiritual treasures divided by Pangu's ax did not obey his call.

How could this be possible?

Pangu had done something to the three spiritual treasures in order to regain them after he was revived. The three spiritual treasures restored the Pangu Axe. How could the three spiritual treasures not obey his call?

Time passed little by little.

Everyone in the prehistoric starry sky looked towards the Avenue of Chaos.

The Eye of the Avenue of Chaos kept appearing in the starry sky. Everyone He couldn't figure out what else Chaos Avenue wanted to do.

Su Chen took a sip of wine and sat on the Archangel's shoulders.

Chaos Avenue was so weird.

A few days had passed, and the Eye of Chaos Avenue had never left. He couldn't guess. What is it for?

The Space Demon raised his eyebrows and asked, "Su Chen, do I think we have to wait forever?"

Su Chen said with a smile,

"Raise your eyebrows, why don't you try attacking Pangu? If Chaos Avenue doesn't interfere, we'll attack together."

"Shall I try? Why don't you try it?"

"Aren't you the Chaos Demon? Pangu's resurrection is to kill you Chaos Demon God first."

You are so shameless. Pangu wanted to kill you first. You are the first person Pangu wants to kill. Why don't you try to attack Pangu?"

"Tsk, can you believe what Pangu said? Compared with me, the Chaos Demon God, Pangu wants to kill you Chaos Demon God more."

"Su Chen, although you are not the Chaos Demon God, Pangu will not let you go."

"Raise your eyebrows, I won't attack Pangu first anyway"

"Hum, I can do it too!"

The Time Demon God and Luo Hu shook their heads speechlessly.

The Avenue of Chaos did not leave.

None of them dared to attack. If they offended the Avenue of Chaos, they would be killed by the Avenue of Chaos in an instant.

Boom!

I got together!

Suddenly,

The Eye of Chaos Avenue burst out with light and instantly enveloped Su Chen.

Luo Hu and the others quickly moved away from Su Chen.

They didn't know what the Chaos Avenue was going to do, but they guessed that the Chaos Avenue was going to destroy Su Chen.

Empress Nuwa looked worried. Looking at Su Chen, why did the Avenue of Chaos suddenly envelope Su Chen? Su Chen didn't offend the Avenue of Chaos. What was the Avenue of Chaos going to do?

【Su Chen, the Heavenly Emperor of the Xuanxian Realm, you have the aura of the Supreme Lord of the Hongmeng World, why don't you explain it? 】 .

Chapter 2849

Su Chen was suddenly shrouded in light, and it was still shrouded inexplicably.

The words of Chaos Dao made Su Chen's expression change. Chaos Dao discovered Murong Qingcheng's aura.

Now he was going to be in trouble.

Chaos Dao would not think that he and Hongmeng Dao Does the world matter?

Su Chen thought for a while and replied,

"Da Dao, you should know about the ladder to heaven. Where did the aura of Hongmeng Supreme on my body stick to from the ladder to heaven?"

【Emperor Su Chen, you have deceived me. Although there may be Supreme Hongmeng in the ladder, the aura on your body is closely related to Supreme Hongmeng. Your relationship with Supreme Hongmeng is extraordinary. 】

Damn it,

Chaos Avenue is really a thief.

The auras of Su Chen and Murong Qingcheng are closely related. Chaos Avenue can actually come out?

Does Chaos Avenue have self-awareness?

Or is the "740" Dao of Chaos more intelligent than the Dao of Heaven?

"Hahaha~, Su Chen is going to be destroyed by the Avenue of Chaos."

Pangu laughed in the starry sky.

He guessed that the Dao of Chaos was going to destroy Su Chen, and the Dao of Heaven in the Xuantian Realm.

Pangu learned from the memories of Empress Pingxin and Po Meng.

The Dao of Heaven in the Xuantian Realm also seemed to have self-awareness. , The Avenue of Chaos does not allow him to control the consciousness of the prehistoric Heavenly Dao, and it is impossible for the Heavenly Dao in the Xuantian Realm to have self-awareness.

Su Chen will definitely be annihilated by the Chaos Avenue, and the Heavenly Dao in the Xuantian Realm will also be annihilated by the Chaos Avenue.

Luo Hu and Yangmei are the four great The Chaos Demon God frowned. They were all very confused.

The Chaos Dao was going to destroy Su Chen?

Why?

Did Su Chen do something to anger the Chaos Dao?

However, the four Chaos Demon Gods did not care about Su Chen's life or death.

Pangu is only at the fifth level of the Holy Realm. It should not be difficult for the four Chaos Demon Gods to join forces with Luohu to kill Pangu.

Besides, Su Chen is also the enemy they want to kill. If the Avenue of Chaos kills Su Chen, it will be a big blow to them, the Four Chaos Gods. The demons benefited and did no harm.

Luo Hu's face became gloomy.

If the Dao of Chaos killed Su Chen, he would be doomed. If

Luo Hu and the four chaos demons destroyed Pangu, would the four chaos demons let him go?

Su If Chen was killed by the Avenue of Chaos, Nuwa and other holy realms would leave, and they would never be able to attack Pangu again or ally with him again.

Luo Hu was very angry with Su Chen.

At the critical moment,

Su Chen actually showed up.

Luo Hu was in a dilemma.

Nuwa Empress became nervous.

She didn't know whether Chaos Avenue would take action against Su Chen, but the weirdness of Chaos Avenue made her uneasy. Nuwa Empress was worried that Su Chen would do something to anger Chaos. Things about the avenue

"what to do? Are we going to save our husband?"

"Xihe, we can't go there, the Avenue of Chaos is not something we can deal with, and it's not certain whether something will happen to Su Chen. We're waiting and seeing."

"Yes, the Avenue of Chaos only covers the little bastards, and has never taken action against the bastards. Let's not act rashly."

"Yin Ji is right, we can't act rashly at this moment, we also have to believe in Su Chen"

"Before Chaos Avenue takes action, we should not act rashly. Sister Nuwa is by Su Chen's side. If something happens to Su Chen, Sister Nuwa will definitely take action. When the time comes, we will also take action." (To read exciting novels, go to Feilu Novel Network!)

"Okay, let's wait a little longer. If Empress Nuwa takes action, we will take action too. I hope nothing happens to the little bastard."

Xihe and Yinji were in the eleven holy realms, and their faces showed worried expressions.

They didn't know what Su Chen's situation was now, but Xihe and the others did not dare to act rashly.

The Avenue of Chaos is the ceiling of the great world of chaos. Although they cannot see the existence of the Chaos Avenue, the Chaos Avenue may be at the lowest level of the twelfth level of the Holy Realm, or even a terrifying existence in the Holy Realm or above.

Save Su Chen?

They will definitely save, but The situation is unclear now, and their eleven holy realms can only look at the situation before making a decision.

The Ice and Snow Demon God took out the Ice Lotus and the Chaos Clock. She looked at Su Chen who was enveloped by the Avenue of Chaos with a serious face.

If the Avenue of Chaos takes action against Su Chen , she will take action against that bastard,

Su Chen is her man, the Ice and Snow Demon God will not watch Su Chen be killed, even if he falls, she will try her best to save Su Chen.

At this moment,

Su Chen is still thinking,

Hongmeng Da The Hongmeng Supreme of the world, Murong Qingcheng, was thinking about whether to tell the Avenue of Chaos 0..

【Emperor Su Chen, you have many secrets. I can't find out your memory. The Heavenly Dao in the Xuantian Realm has self-awareness. Your growth is also unexpected. Your growth may be due to the ladder, but everything about you is a mystery. If you weren't a native of the chaotic world, I would have destroyed you long ago. 】

Su Chen rubbed his forehead and replied,

"Daodao, nothing about me poses a threat to the Chaos World. I know a Hongmeng Supreme, and that Hongmeng Supreme is still my woman. She will not expose the spatial coordinates of the Chaos World."

【Emperor Su Chen, do you know that Hongmeng Supreme?】

"Murong Qingcheng!"

【Emperor Su Chen, you are indeed different. Hongmeng Supreme, Murong Qingcheng, Hongmeng Supreme in the Hongmeng world, is one of the top ten existences in Hongmeng Supreme. I didn't expect you to take down Murong Qingcheng. 】

Su Chen asked doubtfully,"Da Dao, do you know the situation in Hongmeng World?"

【Yes, every great world knows about Hongmeng World. Hongmeng World is also the final destination of all strong people.】

"Da Dao, how do you want to treat me?"

【Tiandao Su Chen, I originally wanted to kill you, but you have greater potential than Pangu. You will definitely enter the Hongmeng world in the future. The chaotic world needs the protection of the strong, and I do not intend to pursue it.】

"Da Dao, were you optimistic about Pangu before? Do you want Pangu to grow up in Hongmeng World and protect the Chaos World in the future?"^{5.3} [Yes! But you have greater potential than Pangu. Besides, if you go to Hongmeng World, you will also be protected by Hongmeng Supreme Murong Qingcheng. The chance of your death is very small.]

Su Chen heard the words of Chaos Avenue. He curled his lips, even if he went to Hongmeng World, he would still have to keep his tail between his legs.

He had not gone to Hongmeng World yet. Su Chen had unintentionally offended many Hongmeng Female Supremes. Chaos Avenue did not know these things, otherwise Chaos Avenue would definitely let's destroy this scourge of him first.

"Dao Dao, are you self-aware?"

【self conscious? I think I have it, Emperor Su Chen, the world of chaos cannot always be hidden. Sooner or later, the Supreme in Hongmeng world will discover the world of chaos. You have to grow up as soon as possible, otherwise the world of chaos will be plundered and destroyed sooner or later.】

Chapter 2850

Su Chen curled his lips speechlessly.

Does Chaos Avenue regard him as the savior of Chaos World?

He is now at the eighth level of the Holy Realm.

Su Chen has entered the Hongmeng World. He is also a scumbag in the Hongmeng World.

As for growing up in the future, how many years will it take?

A thousand years? a thousand years?

Or hundreds of thousands of years?

Damn it,

Su Chen felt a lot more pressure.

He didn't care whether the Chaos World was destroyed or not.

As long as his women, children, men and troops didn't die, Su Chen had the ability to protect the Chaos World.

If he was unable to protect the Chaos World, he would not risk his life to fight against Hongmeng Supreme.

"Avenue of Chaos, don't you care if I destroy Pangu?"

【Pangu is dead. Hundreds of millions of years ago, if Pangu had not fought with the three thousand Chaos Demon Gods, Pangu would have gone to the Hongmeng World. The arrogant Pangu finally fell. Although Pangu left behind the means of recovery, he also destroyed the Chaos World. According to the rules, Pangu no longer needs to exist in the chaotic world. 】

Su Chen nodded when he heard the words of Chaos Avenue.

Pangu was too arrogant. If Pangu had not had a stalemate with all the Chaos Demon Gods when he opened up the Great Immortal Realm

, he would have been promoted to the twelfth level of the Holy Realm in one fell swoop, and he might even have achieved it. Already entered the Hongmeng world

"Avenue of Chaos, what state are you in?"

【Emperor Su Chen, you are too curious. 】

Su Chen asked awkwardly, "Ahem, I'm a little curious. I also want to know how many realms there are beyond the holy realm."

【The Avenue of Chaos is one realm lower than Hongmeng Supreme, and three realms of the twelfth heaven higher than the Holy Realm. 】

Let me gather it, the Avenue of Chaos is not as powerful as Hongmeng Supreme?

The Avenue of Chaos is three major realms higher than the Holy Realm. Each major realm has twelve heavens.

Well, these are thirty-six small realms.

There are four major realms below Hongmeng Supreme.

It's so scary.

No wonder Murong Qingcheng said that the Holy Realm in the Chaos World is only equivalent to the immortal cultivators in the Hongmeng World.

Su Chen's pressure is even greater.

If he goes to Hongmeng World,

Su Chen's cultivation realm has just started in Hongmeng World. The strong men in Hongmeng World can destroy him in one breath.

【Emperor Su Chen, whether the world of chaos can continue to exist will all depend on your thoughts in the future. In up to tens of millions of years, the world of chaos may be discovered by Hongmeng Supreme.】

"I understand, as long as I grow up in Hongmeng World, I will protect the Chaos World."

【I hope you won't die on the way. There are so many strong people in each big world, but in Hongmeng World, 90% of the strong people will not survive a hundred years.】

【Emperor Su Chen, you are the most promising person in the world of chaos to go to Hongmeng world, and you are also the last candidate to protect the world of chaos. Destruction and survival, the survival of the world of chaos all depend on you alone. 】

boom!

With a loud roar, the light that shrouded Su Chen disappeared, and the giant eye of Chaos Avenue disappeared into the starry sky.

Su Chen touched his chin and looked at the other people around him.

Chaos Avenue had great expectations for him, but why didn't Chaos Avenue give him any help, even if it gave him some source of heaven? Chaos Avenue was really stingy.

Empress Nuwa hurriedly appeared next to Su Chen and asked,

"Husband, are you okay?" (To read exciting novels, go to Feilu Novel Network!)

"Nothing, Chaos Avenue just told me some secrets." Su Chen hugged the soft waist of Empress Nuwa and shook his head.

The conversation between Chaos Avenue and him was not a secret.

Empress Nuwa and the others all knew about Hongmeng World and had a preliminary understanding of it.

"How can it be? Why weren't you destroyed by the Avenue of Chaos?"

Pangu was very surprised to see Su Chen safe and sound.

Su Chen was not killed by the Avenue of Chaos. The Avenue of Chaos also left the prehistoric starry sky.

Pangu sometimes couldn't understand that he was the hope of the Chaos World, and he was also the most likely to enter the Hongmeng World. The primitive creature. Did the departure of Chaos Avenue abandon him?

Luo Hu and the four chaos demon gods also looked at Su Chen.

Su Chen appeared safe and sound. Although they didn't know the reason, the departure of Chaos Avenue, All of them can kill Pangu without any scruples.

Su Chen looked at Pangu disdainfully, he curled his lips and said nonsense to Luo Hu and others,

"Rahu, and the four great Chaos Demon Gods, Pangu violated the rules of the Avenue of Chaos, and the Avenue of Chaos ordered you to kill Pangu."

Luo Hu and the four Chaos Demon Gods stared at Su Chen with dark faces. The Avenue of Chaos ordered them to kill Pangu? Is this possible?

If the Avenue of Chaos ordered them to kill Pangu, would they still use Su Chen to send the message? An idea from the Avenue of Chaos , all of them will receive the instructions from the Avenue of Chaos.

Luo Hu glared at Su Chen with a dark face and asked,"Su Chen, what about you?" We killed Pangu, what are you doing?"

Su Chen replied with a smile,

"The Avenue of Chaos also told me to do something, and I have to fulfill the orders of the Avenue of Chaos."

Damn, what a shameless bastard.

Luo Hu didn't believe what Su Chen said at all.

This bastard must want to sit on the mountain and watch the fight between tigers. He might even kill them and Pangu at the critical moment.

Luo Hu shouted angrily, "Su Chen, we are allies, you won't want to dissolve the alliance with me, right?"

Su Chen sent a message to Rahu Yuanshen,

【Idiot, didn't you see the four great Chaos Demon Gods raising their eyebrows? Luo Hu, you and the four demon gods will kill Pangu later, and I will seize the origin of the ancient way of heaven.】

【As for the four demon gods (Nuo Wang Zhao), as long as they are injured in the battle with Pangu, we will kill them all this time. 】

Luo Hu and Hei Lian also sent a message, [Su Chen, you won't kill me too when the time comes, right?】

【Kill you, the Beast King Shenni hasn't appeared yet, will I kill you? Rahu, are you really an idiot?】

【Damn it, Su Suchen, if you dare to call me stupid again, I will crush you to death right now.】

【Tsk, Luo Hu, stop chirping, if Pangu might want to escape, you should take action with the four chaos demons. 】

Luo Hu looked back at Pangu above the starry sky. He felt that Su Chen was right. Before the Beast Emperor Ni died, Su Chen would not fall out with him. They also wanted to kill the four chaos demons.

Luo Hu thought for a while and shouted,

"Raise your eyebrows, Shichen, let's kill Pangu first. If Pangu escapes, you should understand what will happen to our Chaos Demon God."
