Chapter 2851

Yangmei and Shi Chen all looked at Pangu.

Pangu was preparing to escape.

With Chaos Demon Gods like them in the prehistoric starry sky, how could they let Pangu escape.

It's just that Su Chen didn't plan to take action.

The four Chaos Demon Gods were very worried.

They were worried that Su Chen would make a surprise attack.

However, Pangu could not let him escape. Yangmei and these Chaos Demon Gods were all entangled for a while.

He raised his eyebrows and asked with a cold face,

"Su Chen, you don't plan to take action against Pangu~? "

Su Chen took a sip of wine and shook his head and said,

"Raising your eyebrows, I told you before that the Avenue of Chaos allows you, the Chaos Demon God, to kill Pangu. The grievances between your Chaos Demon God and your Chaos Demon God are still to be resolved by you, the Chaos Demon God."

The four people raised their eyebrows and looked ugly.

The bullshit Chaos Demon God took over the grudge.

Su Chen had previously asked Luo Hu to unite them to deal with Pangu, but now he wanted to stay out of it. They all felt Su Chen's sinister intentions.

Luo Hu: "Kill, let's go first. To kill Pangu, that bastard Su Chen should also be careful of his sneak attack.

He raised his eyebrows and said, "Let's attack together. Pangu will be killed no matter what. Even if the creatures in the ancient immortal world cannot be trusted, we must be careful of Su Chen's sneak attacks."

Shi Chen: "Okay, let's kill Pangu first!"

The Giant Demon God and the Thunder Demon God looked at each other.

They were just cannon fodder in the hands of Yang Mei and Shi Chen. They could only obey what Yang Mei and Shi Chen decided.

Hong Bang.....

The five chaos demon gods took action against Pangu.

Pangu was a much greater threat than Su Chen.

The five chaos demon gods would not allow Pangu to fully recover. They wanted to take advantage of Pangu's low cultivation level to kill him.

As for Su Chen, after they killed Pangu,

Raising their eyebrows, the four people will not let Su Chen go. Pangu's huge body bursts out with golden light.

He has no spiritual treasures and no soul.

In addition to his powerful body, Pangu only has the law of force, but his realm is only the fifth level of the holy realm.

Facing the three Chaos Demon Gods from the eighth level of the Holy Realm, if

Pangu's soul, essence and blood were intact, and the spiritual treasures were in hand, he would not care about the five Chaos Demon Gods, and he could kill the five Chaos Demon Gods.

But now, it can be said that his strength has been weakened by more than half. Pangu cannot be the opponent of the five chaos demons.

"Damn it, Yangmei, Rahu, Shi, you all deserve to die.

Luo Hu shouted indifferently, "Pangu, we will make you completely fall this time.""

"Kill, the space solidifies!"

"Time pauses!"

"Thunder storm!"

"The mighty hammer!"

Boom boom boom.....

The five chaos demon gods all erupted with powerful chaos laws, and Pangu's huge body was blasted like a target.

Su Chen saw the five chaos demons fighting with Pangu.

He said to Nuwa,

"Nuwa, you take the Queen Mother and the others to the nine heavens of the prehistoric world. The prehistoric way of heaven is wiped out by the avenue of chaos. You first go to seize the origin of the prehistoric way of heaven."

"good!"

Nuwa Empress smiled and nodded.

She understood what Su Chen wanted to do. The little bastard wanted to reap the benefits. The five chaos demon gods and Pangu were fighting. No matter who of them won in the end, Su Chen would kill them all.

Whoosh!

Empress Nuwa disappeared next to Su Chen in an instant.

There is no way of heaven in the ancient world, and there is no danger for them to enter the ancient world. The ancient world is like a room without a door, and any chaotic demon can easily enter.

【Luo Hu, don't be so stupid as to rush forward and take the lead to raise your eyebrows at those Chaos Demon Gods. You have to conserve your strength and don't get hurt. We will kill the four Chaos Demon Gods in a while. 】

Su Chen saw Luo Hu charging at the front and attacking Pangu fiercely with the Demon Tower.

Su Chen was speechless at the stubborn Luo Hu. (To read Baoshuang novels, go to Feilu Novel Network!) With an idiot teammate,

Luo Hu never thought that the four Chaos Demon Gods who raised their eyebrows were also enemies?

The four chaos demons attacked Pangu from a distance, and

Luohu stupidly went to take the lead.

This idiot was really a fool. No wonder he was surrounded and killed during the Tao Demon Tribulation.

【Su Chen, you are the idiot! 】 Luo Hu turned around and angrily said to Su Chen Yuanshen that he really couldn't stand this bastard Su Chen. The old bastard either called him an idiot or a fool.

Is this how the majestic Chaos Demon God was being insulted?

Is he a stupid idiot?

Damn it,

Luo Hu suddenly thought that he seemed a little stupid. He and the four chaos demon gods were also life-and-death enemies.

If Luo Hu was injured while surrounding and killing Pangu, or consumed too much mana,

0 please give me flowers.

The five chaos demon gods and the other five would have killed Pangu. The Chaos Demon God will also take the opportunity to destroy him.

Su Chen leaned on the archangel's softness and mocked,

【Idiot!】

【You are an idiot, Su Chen, you bastard, if you dare to insult the ancestor again, the ancestor will cooperate with Yangmei and the four to destroy you.】

【Tsk, Rahu, do you believe I'm leaving now? If I leave the prehistoric starry sky and you kill Pangu, will the four chaotic demon gods surround you?】

【You are so shameless】

【Luo Hu, conserve your strength. After we destroyed Pangu and the four great Chaos Demon Gods today, in the entire Chaos World, there is only one Beast King Shen Ni who poses a threat to us.】

【And you old cunt. 】

Luo Hu no longer attacked Pangu with all his strength, and he felt very uneasy. If

Pangu and the four chaos demon gods were killed, and the Beast Emperor Shen Ni was also killed, what about him?

Will Su Chen and him coexist peacefully?

He and Su Chen were the only two most powerful people left in the chaotic world.

However,

Su Chen was accompanied by the Nuwa Empress from the eighth level of the Holy Realm, and the Ice and Snow Demon God who had never appeared.

The more Luo Hu thought about it, the uglier his face became.

He felt that he had been working for Su Chen.

After all the powerful enemies were killed, would Su Chen, an old cunt, let him go? Luo Hu couldn't be the opponent of Su Chen, Nuwa Empress, and Ice and Snow Demon God.

At this time, in the Qiankun Realm,

Su Yan's four sisters have been bombarding the Heavenly Dao of the Qiankun Realm with the Sky Blade Battleship. For more than a month

, the Heavenly Dao of the Qiankun Realm has been fragmented. In two days at most, the Heavenly Dao of the Qiankun Realm will be destroyed.

Su Yue said boredly,

"Sister, the heavenly law of heaven and earth is really difficult to destroy. It has been more than a month, and the heavenly law of heaven and earth has not been eradicated yet."

Su Yan reminded with a serious face.

"Yue'er, we have underestimated the way of heaven. Dad said that the way of heaven can be restored by borrowing the power of all living beings. Originally, it took more than ten days to smash and destroy the way of heaven and earth. For more than a month, the way of heaven and earth has absorbed the coming and coming of all sentient beings."

Elena said with a smile while eating the flat peach,

"Sister, the heaven and earth are in pieces, and they may be completely broken tomorrow. We are just wasting some crystal core energy, and waiting for more than a month is nothing."

Chapter 2852

Elena didn't care about waiting for more than a month.

The heaven and earth will be wiped out sooner or later, and the sisters just spent a little more time.

Su Yan touched his chin and said,

"Tomorrow the Heavenly Way of Heaven and Earth will be annihilated, and it is time for the Black Bird Combat Legion to prepare for the attack. Elena asked,

"Sister, where are the two holy realms in the Qiankun Realm? Shall we use my aunt's jade charm to defeat them?"

Su Yan looked around with a smile.

It has been more than a month.

She guessed that some saints from the Xuantian Realm have arrived in the Qiankun Realm, and they might be their aunts.

Two saints from the Qiankun Realm,

Su Yan They decided to let their aunt take action, so that the sisters would not have to waste the jade talisman for protection.

"Need not!"

Su Yue asked doubtfully,

"Need not? Sister, the Blackbird Combat Legion will not be an opponent of the Holy Realm. Do you want the Sky Blade Battleship to destroy them?"

"Yue'er, it's been more than a month. I guess our aunt has arrived in the realm of heaven and earth. They may be hiding around. You can coax her out later. WeIt will be easier to deal with the Qiankun Realm"

"Yes, it has been more than a month, and the aunts should have found us, but will it be the 02 aunts who come this time? Sister, can you guess it?"

Su Yan replied thoughtfully,

"What is there to guess about? In Xuantian Realm, Aunt Nuwa from the eighth level of the Holy Realm will not come. She is going to prepare to destroy the prehistoric heaven. Several other aunts are also possible."

"I guess Aunt Gaia will come to protect us. Aunt Gaia is the only Aunt Nuwa in the holy realm. Aunt Gaia is in the seventh heaven of the holy realm. She has the highest chance of coming to the realm of heaven and earth."

Su Yue, Elena, and the confused Su Yao all nodded.

They believed that Su Yan's guess was not wrong. The eldest sister Su Yan rarely guessed wrong. If Aunt Gaia was hiding around, their sisters would have to guess. It will be easier to destroy the universe realm

"Sister, I'm going to coax Aunt Gaia out."

Su Yue smiled and nodded to Su Yan. She disappeared in the Sky Blade Battleship in an instant.

As for Aunt Gaia,

Su Yue had a way to coax her out.

Besides, Aunt Gaia liked her very much.

Su Yue believed that all she had to do was call her. Aunt Gaia, Gaia will appear if she is around. In the prehistoric starry sky,

Su Chen sat on the shoulders of the archangel and watched the battle.

After more than a day of fighting,

Pangu and the five chaos demons were furious, but the winner had to be decided.

Even if you want to kill Pangu, there may not be any results in a month or two.

The strong ones in the holy realm can be defeated quickly, but if you want to kill them completely, this can be done in less than an hour and a half.

The archangel asked doubtfully, "Master, are we just watching?"

Su Chen touched the archangel's smooth little face and said,

"Let's take a look at the situation first. The ancient way of heaven was destroyed by the avenue of chaos. Our goal this time has been achieved. As for Pangu, it is impossible for him to leave alive. If the five chaos demons cannot kill Pangu, I will also kill him."

The archangel continued to ask with a shy face,

"Master, why don't we join the five chaos demon gods to kill Pangu?"

"We have three strong men from the eighth level of the holy realm here, plus Luo Hu, we have four strong men from the eighth level of the holy realm. Master, after killing Pangu, the four great chaos demon gods are no match for us."

Su Chen shook his head and replied,

"Both the Archangel and the Chaos Demon God have trump cards. Let's first check out the Chaos Demon God's fighting style. If Pangu can force out the Chaos Demon God's trump card, it will be easier for us to kill them."

Su Chen doesn't believe that the Chaos Demon God doesn't have a trump card.

These old monsters who have lived for who knows how many years should have a trump card in their hands to save their lives.

In the trial world , Su Chen has seen many battles between three thousand Chaos Demon Gods.

The Chaos Demon God uses his trump card, and if the Chaos Demon God wants to self-destruct, Su Chen has no way to stop the Chaos Demon God from self-destructing.

Damn, the Chaos Demon God is a ruthless character.

If he really wants to self-destruct, (read Baoshuang novels, just Go to Feilu Novel Network!)

He will be fine if he has half a Chaos Spiritual Treasure, but his other women do not have half a Chaos Spiritual Treasure, and Su Chen will not put his women in danger.

Honghong.....

The fighting in the starry sky is still going on, countless stars have been destroyed, the entire prehistoric starry sky is full of evil energy, the six chaotic demon gods are fighting in terror, and the creatures in the prehistoric and immortal world are trembling with fear.

Rahu raised his eyebrows, and surrounded Pangu in a triangle shape. The giant demon god and the thunder demon god kept attacking Pangu from a distance. Pangu looked very embarrassed at this moment.

Day by day, in the prehistoric starry sky where there is no concept of time, the terrifying energy of chaos pours into the prehistoric starry sky one after another. The broken starry sky barrier cannot prevent the influx of the chaotic energy.

"ah! Rahu, I will destroy you both physically and spiritually."

Suddenly, a huge arm of Pangu was cut off by Luo Hu.

Pangu rushed towards Luo Hu angrily.

One of his men was defeated.

Pangu did not expect that he would be surrounded and injured by these scum today.

"Destroy!"

The four Chaos Demon Gods stopped Pangu from rushing towards Luohu. Pangu was missing an arm. They wanted to completely cripple Su Pangu before Pangu could recover his arm.

"You deserve to die, you all deserve to die!"

Pangu was attacked by the four chaotic demon gods. He appeared next to the giant demon god in an instant.

Pangu grabbed the giant demon god with one hand and quickly tore him apart.

The soul of the giant demon god hurriedly wanted to escape, but Pangu killed the giant demon god in one breath. The soul of the powerful demon god was sucked into 767's mouth.

The powerful demon god of the fifth level of the holy realm was instantly killed, and his soul was also swallowed up by Pangu.

Su Chen shouted in surprise,

"I gather that Pangu is really powerful. The powerful demon god of the same realm was killed before he could even resist. If Pangu's soul returns, it will be even more difficult for Luo Hu and the others to kill Pangu."

Boom boom boom....

At this time, the terrifying attacks from Luo Hu and the others also made Pangu retreat continuously. Pangu's body was completely broken, golden blood continued to flow out, and his broken body was like a honeycomb. boom!

Pangu's body suddenly swelled, and he laughed crazily and said,

"Hahaha ~ I am the Great Demon God Pangu, you all should die with me"

"No, Pangu is going to self-destruct, retreat quickly!" He shouted with his eyebrows raised and his face changed drastically.

He didn't expect Pangu to explode himself.

After almost two months of fighting, Pangu was at the end of his strength. They could kill Pangu in less than three days.

Now that Pangu is going to self-destruct, they will be killed if they don't escape. They were all wiped out by Pangu's self-destruction. Even if they were lucky enough to survive, they would be seriously injured.

Luohu and the others also quickly fled from Pangu's side.

The self-destruction of Pangu, the Chaos Demon God of Power, was impossible for them, the Chaos Demon God, to withstand.

"Emperor Su Chen, Yang Mei, Rahu, Shi Chen, let's die together!".

Chapter 2853

Su Chen's face turned dark.

Damn it, how could Pangu self-destruct?

And she also wanted to drag him to die together.

Although Su Chen had offended Pangu a lot, the five chaos demon gods just surrounded Pangu and Su Chen didn't take action. Pangu was so cruel to him.

Whoosh!

"Archangel, leave now!"

"Yes, master!"

Su Chen and the archangel disappeared instantly. They would not be affected by Pangu's self-destruction.

Boom!

The ancient starry sky suddenly erupted with a loud noise.

Countless stars were wiped out, the starry sky barriers were torn apart, and the evil energy of chaos continued to pour into the ancient world. Starry sky.

In the prehistoric fairy world, the ground was shaking, countless mountains collapsed, rivers and lakes poured into the prehistoric land, countless creatures were wiped out in an instant, and countless creatures fled in panic. In the prehistoric starry sky, when everything returned to calm,

Luo Hu and Yang Mei, Shi Chen appeared miserable in the starry sky. The unlucky Thunder Demon God did not escape Pangu's self-destruction. His soul was annihilated before he could escape.

"Space prison!"

Su Chen suddenly appeared and blocked the surrounding starry sky.

"Su Chen, what are you going to do?"

Luo Hu didn't expect that Su Chen blocked the entire starry sky in an instant.

He understood that Su Chen wanted to take action against Yang Mei and Shi Chen, but he was also blocked in the starry sky. Luo Hu was very wary of Su Chen. He was worried that Su Chen would 753 Kill him as well.

Yang Mei and Shi Chen looked at Su Chen indifferently. They understood that Su Chen was about to take action.

However, there were only Su Chen and his humanoid spirit treasure here.

The two of them were strong men in the eighth level of the Holy Realm. If it happened again, Including Luo Hu, three eighth-level holy realms can deal with one eighth-level holy realm. It is very easy for the three chaos demon gods to kill Su Chen.

Su Chen curled his lips and cursed, "Idiot, do you think Pangu is dead?"

"Suchen, what the hell do you mean?"

Luo Hu glared at Su Chen angrily, idiot?

Damn bastard, it's all his fault at this time. Su Chen actually called him an idiot. Does this bastard really want to die?

Yangmei and Shichen frowned,

Pangu blew himself up and was not dead. ?

How is this possible?

Pangu capital self-destructed this time, and his remaining soul cannot escape. How is it possible that Pangu is not dead yet?

"Three idiots, Pangu can use a trace of his soul to control the way of heaven. Do you think Pangu will die easily? Moreover, there is something fishy about Pangu's self-destruction this time, haven't you ever thought about it?"

Su Chen initially thought that Pangu couldn't escape so he blew himself up, but he suddenly thought that when Pangu opened up the ancient world of immortality, he left behind a backup plan for his future recovery. How could Pangu also leave a backup plan for his self-destruction this time? Su Chen didn't know. I believe Pangu would die so easily.

He raised his eyebrows and asked,

"Su Chen, do you mean that there is still a trace of Pangu's soul that has not been destroyed?"

Su Chen nodded and replied,

"Yes, this is why I want to seal off this starry sky. The three of you quickly check the surroundings. If Pangu's soul has not been destroyed, his soul must be hidden around him."

Yangmei, Luo Hu, and Shi Chen looked at each other. They felt that what Su Chen said was reasonable.

Pangu's soul was incomplete to begin with. Without the fusion of the souls of the Three Pure Ones, Pangu's soul should be less than 10%. The prehistoric immortal world was destroyed. When Pangu opened up,

Pangu left behind a means of recovery in the future. The three of them speculated that Pangu's self-destruction should also leave a means of recovery.

"Let's take a look around!"

"Check it out, we must not let Pangu recover again."

"Yes, there is no big mistake in being careful. Pangu will fall completely this time no matter what."
(To read exciting novels, go to Feilu Novel Network!)

"We began to search for Su Chen's space prison. If Pangu left a trace of his soul, his soul would not be able to escape from the space prison."

Swish swish!

Yangmei and Luohu checked each other in the hour.

They would not give Pangu another chance to recover. Regardless of whether Pangu had left any means of recovery, they found nothing after searching.

Be careful and there is no big mistake. Pangu will not make any big mistake this time. It must fall completely.

The archangel asked Su Chen doubtfully, "Master, did Pangu not really fall?"

Su Chen replied with a serious face,

"Probably not, Pangu is too insidious, and Hongjun is an old scheming guy, but Pangu still plays Hongjun around. I don't believe that Pangu's self-destruction will completely destroy him."

The Archangel nodded when she heard Su Chen's words.

She used the Law of Space and the Law of Time to search.

The Archangel believed in Su Chen's judgment, and she also unconditionally believed in every word that Su Chen said.

"Found it, Pangu, you are indeed insidious!"

After a while,

Su Chen used the laws of time and space to discover a trace of Pangu's soul.

He did not expect that a trace of Pangu's soul was secretly hidden in the remnant body of the Thunder Demon. This old bastard, Pangu was planning to devour the Thunder Demon in the future. Will the body be resuscitated?

"Rahu raised his eyebrows, and the hour surrounded the remnant body of the Thunder Demon God. A trace of Pangu's soul was hiding in the remnant body of the Thunder Demon God."

Whoosh whoosh!

Luo Hu and the other three appeared instantly next to the broken body of the Thunder Demon God.

They each burst out with powerful momentum and enveloped the surroundings.

Pangu actually left a trace of his soul to be revived. If the three of them had not obtained Su Chen reminded that Pangu might fully recover after millions of years.

Whoosh,

Pangu's spirit appeared from the broken body of the Thunder Demon God, and he shouted at Su Chen with an angry expression,

"Damn it, Su Chen, you actually ruined my recovery again. You deserve to die. You deserve death."

"kill!"

Luo Hu and the other two people all took action with dark faces.

Pangu did not really fall hundreds of millions of years ago. Yet, hundreds of millions of years later, Pangu actually left a means of recovery under their noses. The three Chaos Demon Gods all felt ashamed.

Su Chen Sitting on the shoulders of the archangel, his face showed disdain. Pangu had completely fallen this time. He deserved death

?

Su Chen deserved death.

Could Pangu still kill him with a trace of his soul?

Boom!

"No~I am not willing to accept it, I am not willing to accept it....."

With the attack of the three Great Chaos Demon Gods, the helpless Pangu Yuanshen was completely wiped out. Pangu, the Great Demon God of the Chaos World, completely fell into the prehistoric starry sky this time.

Whizzing!

After Yang Mei and Shi Chen completely annihilated Pangu, they quickly stood together and looked at Su Chen indifferently.

Pangu fell, and Su Chen was next.

Nuwa and those female saints from the eighth level of the holy realm were not here, so they wanted to kill Su Chen as soon as possible.

He raised his eyebrows and looked at Luo Hu and shouted,

"Luo Hu, we three chaos demon gods will work together to kill Su Chen. Shi Chen and I promise not to take action against you in the future."

Chapter 2854

When Su Chen heard Yang Mei's words, he looked at Luo Hu. He wanted to see what Luo Hu would choose.

If Luo Hu were on his side,

Su Chen would spare Luo Hu's life in the future.

If Luo Hu chose to raise his eyebrows and attack him together with Shi Chen, there would be no need for Luo Hu's existence.

The archangel asked with a wary expression, "Master, what will Luo Hu choose?"

"have no idea"

"Master, do you want to recall sister Nuwa?"

"No need to worry about raising eyebrows and time, the Ice and Snow Demon God and I can kill them. If Luo Hu chooses to go against us, I will call Nu Wa back."

Su Chen hugged the archangel and kissed him. He was not worried about Luo Hu's alliance with Yangmei and Shi Chen.

However, the extraterritorial heaven in the Starry Sky Fortress was in some trouble.

Su Chen and the Ice and Snow Demon God could kill the three demons"817", but If the outside world joins, he and the Ice and Snow Demon God will be entangled. Yangmei and Shi Chen may take the opportunity to escape. The chaos is vast, and it will be very difficult for Su Chen to find Yangmei and Shi Chen. At this moment,

Luo Hu is entangled in his heart... Luo Hu Yangmei and Shi Chen killed Su Chen?

He had always wanted to kill Su Chen before, but were Yangmei and Shichen's words credible? Is the promise of the Chaos Demon God trustworthy? Luo Hu is the Chaos Demon God, how could he believe the promises of Yangmei and Shi Chen.

Damn,

Although that bastard Su Chen is very irritating, at least Su Chen will not stab him in the back. Luo Hu also believes in this bastard Su Chen. After all, they have been yelling at each other for many years.

Luo Hu thought for a while and shouted,

"Raising his eyebrows, Shi Chen, you two will definitely die today. That bastard and I are in an alliance. I will not join forces with you Luo until Su Chen destroys the alliance."

Shi Chen couldn't help but cursed,

"alliance? Luohu, are you stupid? The alliance is meant to be torn apart. You are the Chaos Demon God, but you actually keep your promise? Have you been scolded stupid by Su Chen over the past few years?

Luo Hu yelled angrily,"Shichen, you are so fucking stupid after being scolded, I will brutally kill you in a moment.""

"Luo Hu, you are good. I will leave the Chaos Demon God of Time to you, and I will kill the bastard-faced Demon God of Space and raise his eyebrows."

Su Chen didn't expect that Luo Hu didn't betray him.

Luo Hu was pretty good.

Su Chen planned to keep the idiot Luo Hu.

If he was in a bad mood in the future, Su Chen would also have a punching bag for him to vent his anger on.

"kill!"

After Luo Hu glared at Su Chen fiercely, he quickly rushed towards the Demon God of Time.

Su Chen was an old bastard, an old bastard.

In the years since Luo Hu met Su Chen, everything had not gone as planned for him, and he had destroyed a prehistoric fairy world. , changes occurred one after another in the prehistoric fairy world, Hongjun's escape, the imminent birth of the Beast King Shen Ni, Pangu's resurrection, the emergence of the four chaotic demon gods, each change happened one after another, and Luo Hu alone was unable to solve it.

"Time goes backwards!"

The Demon God of Time also faced off against Luo Hu.

They are both at the eighth level of the Holy Realm, and their strength is half a pound to eight ounces.

However, the law of time of the hour requires that Luo Hu's killing law be strong. The Demon God of Time is confident in killing Luo Hu.

Su. Chen took out the Luoxue Sword Couplet and said indifferently, (To read Baoshuang novels, go to Feilu Novel Network!)

"Raise your eyebrows, it's our turn! He raised his eyebrows and shouted with an ugly face,"Su Chen, I underestimated you back then. If I had destroyed you back then, you wouldn't have been able to grow into the eighth level of the holy realm.""

"Humph, raise your eyebrows, you are too arrogant. A few years ago in the wilderness, did you think you could kill me? He raised his eyebrows and waved his hands and shouted,"Stop talking nonsense, Su Chen, you must die today, space cutting!""

"Space moves!"

"Space storm!"

Su Chen and the Archangel also used the laws of space one after another.

Yangmei is the Space Chaos Demon God and knows the laws of space magic.

But Su Chen and the Archangel also know the laws of space, and they also know the laws of space and time. They will not be too numb if they want to kill Yangmei.. In the prehistoric starry sky, it has not been long since Pangu self-destructed and fell. There were waves of terrifying noises in the prehistoric starry sky. All living beings in the prehistoric fairyland were frightened. Pangu's previous self-destruction killed and injured countless creatures in the prehistoric fairyland. This time four powerful Fighting with the powerful warriors of the eighth level of the Holy Realm, all living beings in the prehistoric world are worried that this time the prehistoric fairyland will be shattered.

On the nine heavens of the prehistoric world,

Nuwa and her daughters broke the space barrier, and the origins of the prehistoric heaven were all lost...

Xihe's response Empress Nuwa asked,

"Madam Nuwa, your husband is fighting with Yangmei and Shichen. Do we want to go over and help your husband?"

Empress Nuwa shook her head and said,

"No, husband and Luo Hu are fighting against Yangmei and Shichen. Yangmei and Shichen will not be husband's opponents, and don't forget that there is an ice and snow demon beside husband."

Yin Ji:" Sister Nuwa is right, we don't have to go there, Yang Mei and Shi Chen are dead."

Leng Shuang:"Yes, if my husband is not completely sure, he will move us over to help.""

The Queen Mother:"It's not a problem for the little bastard to kill Yangmei. I don't know who will win the battle between the Demon God of Time and Luo Hu. Do you think the little bastard will also kill Luo Hu in a while? Queen

Mother of the West:"I don't know. I don't think so. Unless Luo Hu offends her husband, it is impossible for her husband to destroy Luo Hu."

Chang Xi:"Although my husband is a very bastard, he is not a villain. I also think that my husband will not destroy Luo Hu."

Dark Moon:"We have obtained the origin of the ancient ways of heaven. Are we here waiting for our husband?" Or go to the prehistoric starry sky?"

Nuwa Empress looked in the direction of Six Paths of Reincarnation and said,

"After a while, Mrs. Meng is rushing over. We asked her what happened when she arrived."

The other girls also looked in the direction of Six Paths of Reincarnation. 3.0

Po Meng has arrived at this time.

They also want to know why. There is also Pingxin in Six Paths of Reincarnation. She has not refined the reincarnation disk for so many years. Yin Ji and the girls want to ask. Asked Po Meng how long it would take for Ping Xin to come out of the Six Paths of Reincarnation. In the starry sky, in a short period of time,

Yang Mei was hit by Su Chen and the Archangel many times, and his body was also hit with many wounds by the magical power of space.

Yang Mei He shouted to Su Chen,

"Su Chen, you are a strong man in the eighth level of the Holy Realm after all. What does it mean to fight too much and to fight too little? Can't you give me a fair fight?"

Su Chen curled his lips and mocked,

"Idiot, Archangel is my spiritual treasure. Am I wrong to use the spiritual treasure? They all started fighting to the death, is it fair? I didn't ask my woman to beat you up, I've been fair to you"

Chapter 2855

Su Chen was also drunk, is that fair?

You must be stupid to raise your eyebrows.

How is that fair?

The archangel is his spiritual treasure. Is it wrong for him to use his spiritual treasure to fight?

Su Chen and Yang Mei were now fighting a life and death battle.

He did not let Nuwa and the other girls gang up on Yang Mei. Su Chen had already fought Yang Mei in a fair fight.

Damn, you raise your eyebrows and don't want the Archangel to take action. Why don't you just let him be captured and killed without mercy?

"Damn bastard!"

Raising his eyebrows while avoiding the attacks of Su Chen and the Archangel, he shouted angrily at Su Chen.

A Su Chen from the eighth level of the Holy Realm, a half-step Chaos Lingbao Archangel from the fifth level of the Holy Realm,

Su Chen and the Archangel Not only does he know the laws of space, he also knows the laws of time. He raised his eyebrows and was unable to deal with the attacks of Su Chen and the Archangel.

"Archangel, use all your strength to kill Yangmei, cutting the space! Time goes backwards! Time storm!

The archangel replied coldly, "Yes, master, time is suspended!" Space strangulation!"

Boom boom boom....

Su Chen and the Archangel kept attacking Yang Mei.

The laws of space, time, and space and time, the three laws of chaos, kept attacking Yang Mei.

Su Chen would not give Yang Mei a chance to breathe. The space demon Yang Mei was not easy to deal with, and he also He will not let the Space Demon God raise his eyebrows and run away. Su Chen has to solve several stumbling blocks in the Chaos World this time.

Pangu has been wiped out, the Space Demon God Yang Mei and the Time Demon God Shi will also be wiped out.

Su Chen wants to go to Hongmeng World before he goes to Hongmeng World. All uneasy factors in the chaotic world must be resolved.

Luo Hu and the Beast Emperor Shen Ni are left.

If Luo Hu doesn't take action, Su Chen can spare Luo Hu's life.

The Beast King Shen Ni is a madman and must die.

"Space barrier, space movement!"

Yangmei looked ugly and hurriedly avoided the attacks of Su Chen and the Archangel.

Damn it,

Yangmei regretted it very much at this moment.

It was he who allowed Su Chen to grow up.

During the boundary war in the wild realm,

Yangmei would have killed Su Chen. , he will not face a terrifying life and death opponent at this moment, it is too fast,

Su Chen has grown too fast, a thousand years, raised his eyebrows to give Su Chen a thousand years to grow into Daluo Jinxian, now?

This bastard has grown and His level of cultivation is the same.

The old man raises his eyebrows and guesses that Su Chen has been hiding his level of cultivation. He feels that Su Chen is more insidious and cunning than Hongjun.

Outside the wild starry sky, the Ice and Snow Demon touched his white chin and watched the two battles. , the battle between Shi Chen and Luo Hu was half a catty against eight liang.

However, the law of time of Shi Chen made it difficult for Luo Hu to resist. If there were no accidents, it would be difficult for Luo Hu to kill Shi Chen. The

Ice and Snow Demon God looked at Su Chen and whispered,"The little bastard is getting more and more The more powerful he is, the space demon Yangmei is no match for the little bastard. Yangmei will be killed by the little bastard soon."

Want to help the little bastard? (To read Baoshuang novels, go to Feilu Novel Network!)

The Ice and Snow Demon frowned in thought.

The most terrifying enemy, the Great Demon God Pangu, was wiped out. Yangmei and Shichen were also entangled by Su Chen and Luo Hu respectively. Come on, she doesn't seem to need to take action, Yang Mei and Shi Chen will be wiped out.

"Huh? Why didn't you little bastard let those women in Nuwa take action?"

The Ice and Snow Demon God saw the Nuwa and the Queen Mother's daughters in the ancient fairy world.

Nuwa and the Queen Mother had already absorbed the origin of the ancient heaven. Why didn't those women come to help Su Chen? Did the little bastard have any other conspiracy?

At this moment,

Su Chen Looking at the fight between Luo Hu and Shi Chen, he shouted, "Luo Hu, are you wilted? Hurry up and speed up, I'm going to kill Yangmei"

"Damn it, Su Chen, I will definitely kill Shi Chen before you do." Luo Hu's face turned even darker when he heard Su Chen's screams.

Damn, he was getting more and more angry with Su Chen.

If he and Su Chen didn't have a common enemy, Luo Hu would definitely tear Su Chen into pieces.

Su Chen curled his lips and said mockingly, "Just show off, Luo Hu, within ten days, I will kill Yangmei, can you kill Shi Chen?"

"roll!"

Luo Hu wanted to squeeze Su Chen to death, ten days?

He couldn't kill Shi Chen in a month.

Luo Hu felt that Su Chen was laughing at him.

Su Chen was an old bastard.

He felt that Su Chen's realm was not the eighth level of the holy realm. Taiyi Golden Immortal, Quasi-Saint, Eighth Heavenly Saint Realm, these are all Su Chen's disguises. Luo Hu feels that Su Chen is at least the tenth Heavenly Saint Realm.

"Damn it!"

Su Chen was speechless to the arrogant Luo Hu, but he would not ridicule Luo Hu. If Luo Hu was angered, Su Chen would have to face three enemies from the eighth level of the holy realm.

In the prehistoric fairy world,

Empress Nuwa The women watched the battle in the prehistoric starry sky speechlessly. Su Chen and Luo Hu quarreled with each other, leaving them at a loss what to say.

"Is the little bastard trying to irritate Rahu? Or are you provoking Rahu?"

"I don't know, Su Chen is becoming more and more of a bastard. If Luo Hu is offended now, the little bastard will face a group fight from three Chaos Demon Gods from the eighth level of the Holy Realm."

"` Haha~, the little bastard has sense, he may want to stimulate Luo Hu to kill the Time Demon as soon as possible"

"We don't need to worry about the little bastard. Even if Luo Hu is united with Yangmei and Shichen, we don't need to be afraid. Su Chen, Sister Nuwa, and the Ice and Snow Demon God are all in the eighth level of the Holy Realm. The strength of the few of us is not weak. Let's work together. It is also possible to kill the three Chaos Demon Gods"

"Yes, we have secured the victory. After this battle, only the Beast Emperor Shen Ni in the ferocious beast realm is left. If we kill the Beast Emperor Shen Ni too, there will no longer be any threats in the world of chaos."

"Well, Su Chen has grown up too fast. In just a few hundred years since Su Chen appeared in the prehistoric fairy world, Su Chen has become the top existence in the chaotic world. The chaotic world will also respect Su Chen in the future."

"Yes, the little bastard has grown up too fast. From the Emperor of Heaven in the Ancient Immortal Realm, to the God-King of the Greek God System, to the God-King of the Beihai God System, and then to the Emperor of Heaven in the Xuantian Realm, in just a few hundred years, The growth of Su Chen (Zhao Haohao) makes me feel like I am in a dream."

Nuwa and the Queen Mother chatted for a while. They looked at Su Chen in the starry sky and smiled.

Su Chen's lack of tone, Su

Chen's constant seeking death,

Su Chen's shameless lust, and their feelings towards Su Chen's growth. It feels like a dream.

Although Su Chen has never managed Xuantian Realm, it can be said that Xuantian Realm was established by Su Chen.

Merlot Heavenly Court, innate spiritual energy, the origin of heaven, various cultivation resources and spiritual treasures, these are all Su Chen's creation. Chen Renyi paid silently.

Without Su Chen, there would be no current Xuantian Realm, and there would be no existence of holy realms like them.

Whoosh!

Meng Po appeared in front of Nuwa Empress and the other girls and said,

"Dear sisters, the main body has refined the reincarnation disk of the Six Paths of Reincarnation. The main body wants to place the reincarnation disk in the Xuantian Realm. Sister Nuwa, the main body needs you to communicate with the way of heaven in the Xuantian Realm."

Chapter 2856

Nuwa and the others looked at Po Meng speechlessly.

Hou Tu refined the reincarnation disk.

This is a good thing, but is it still necessary to place the reincarnation disk in the Xuantian realm now?

The Heavenly Way in the Great Desolate Immortal Realm has been wiped out, and the Space Demon God and the Time Demon God will also be wiped out. The remaining ferocious beast realms are not a concern. The Great Desolate Fairy Realm will also be controlled by the Xuantian Realm in the future, and Hou Tu will no longer have to move the six paths of reincarnation. plate.

Queen Mother Xi smiled and said,

"Mother Meng, the reincarnation disk does not need to be placed in the Xuantian Realm. The Great Desolate Immortal Realm will become a subsidiary realm of the Xuantian Realm in the future. Xihe shook his head and explained,

"Yes, Po Meng, the prehistoric world of heaven has been wiped out, and Yangmei and Shichen will also be wiped out soon. Luohu will not dare to attack the prehistoric fairyland again. We will destroy the ferocious beast realm in the future. The prehistoric fairyland will be very safe in the future, and there is no need for Hou Tu. Move the Six Paths of Reincarnation to the Xuantian Realm."

Meng Po rubbed her forehead and replied, "I know this, but the main body wants to move the six realms of reincarnation to the Xuantian realm, and the prehistoric fairy world will stay in the underworld to extradite the souls of the dead."

Meng Po understood what Hou Tu was thinking.

The Six Paths of Reincarnation must move to the Xuantian Realm.

After Hou Tu refined the reincarnation disk, he could also come out of the Six Paths of Reincarnation, but Hou Tu didn't want to be separated from Su Chen.

The Six Paths of Reincarnation moved to the Xuantian Realm. Domain, Houtu can meet Su Chen at any time. Besides, the Six Paths of Reincarnation has moved to the Xuantian Realm, which will make the Xuantian Realm more perfect.

With the Six Paths of Reincarnation in the Xuantian Realm, the Xuantian Realm may become the top realm. , Xuantian Heavenly Dao may also be promoted to the twelfth level of the holy realm.

Meng Po reminded Nuwa again,

"Sister Nuwa, the Six Paths of Reincarnation will move to Xuantian Realm, which will make Xuantian Realm more perfect. Xuantian Realm may be promoted to the top realm, and Xuantian Heavenly Dao may also be promoted to the twelfth level of the Holy Realm.

Yin Ji said with a serious face,"Huh?" Yes, Sister Nuwa, I think Po Meng is right. With the Six Paths of Reincarnation in Xuantian Realm, Xuantian Realm and Xuantian Heavenly Way may really advance."

The Queen Mother nodded and said,

"Well, I think it's good too. The Xuantian Realm only has one underworld to extradite the souls of the dead, and the Xuantian Realm needs a six-path reincarnation for the reincarnation of living beings."

Angyue agreed,"The Xuantian Realm must have six reincarnations, and a top realm cannot be without six reincarnations."

Leng Shuang:" That makes sense."

The Queen Mother:"Relocation, the Six Paths of Reincarnation must move to the Xuantian Realm. We want the Xuantian Realm to become the top existence in the chaotic world.

Chang Xi:"Sister Nuwa, can you communicate with the way of heaven in the Xuantian realm?"

Empress Nuwa smiled and nodded.

Po Meng and Yin Ji are right.

If there are six reincarnations in Xuantian Realm, Xuantian Realm and Xuantian Heavenly Way may really advance.

Communicate Xuantian Heavenly Way?

Female Empress Wa can do it.

In Xuantian Realm, except for Su Chen, there are only five people who can communicate with Xuantian's way of heaven. Concubine Yan, Jing Salamander, Su Yan, the ruthless empress, and Empress Nuwa, these five can do it at any time. Communicate with Xuantian Tiandao.

Empress Nuwa smoothed her hair and said,

"Po Meng, after Su Chen destroys Yangmei and Shichen, I will communicate with Xuantian and let Houtu migrate to the Six Paths of Reincarnation."

"good!"

Meng Po nodded to Nuwa Empress.

Su Chen was still fighting in the ancient starry sky. She would not let the powerful Nuwa Empress leave at this time.

The girls talked for a while, and they all looked at the ancient starry sky. In the battle in the prehistoric starry sky, although there are ice and snow demons protecting Su Chen, they are also worried that something will happen. If something happens, they will help Su Chen at any time.

In the prehistoric fairy world, all the gods are waiting for the battle in the starry sky. As a result, roaring sounds continued to be heard in the prehistoric starry sky, and the prehistoric fairyland seemed to be the end of the world. Mountains collapsed, rivers poured in, and countless creatures were affected and died. The dragon clan Zhulong flew into the air and shouted, "All the great Luo Jinxian and Quasi Saint protect each area, and we must persist until Emperor Su Chen destroys the Chaos Demon God."

For a moment, (to read Baoshuang novels, go to Feilu Novel Network!)

Daluo Jinxian and Quasi-Sage from the ancient immortal world flew into the air one after another, and they all took action to repair the broken area.

In the realm of Qiankun, the four sisters Su Yan looked at Qiankun Tiandao was very speechless.

Su Yan used the jade talismans of Nuwa and Yinji. The Heavenly Dao of Heaven and Earth was basically crippled. However, after the Heavenly Blade battleship attacked for more than half a month, the Heavenly Dao of Heaven and Earth was not broken yet.

0 request Flowers 0

Su Yue asked Su Yan, "Sister, it's been almost three months and the heaven and earth have not been wiped out yet. Should we use another jade talisman?"

Elena nodded in agreement,

"Eldest sister, the heaven and earth may not be broken in a short time. The second sister is right. We should not use a jade talisman anymore."

Su Yan touched her fair chin and thought.

She understood that the Heavenly Way of Heaven and Earth could not be broken in a short time. Although less than one-third of the Heavenly Way of Heaven and Earth was left, it could be repaired automatically, and it was a first-level Heavenly Blade fighting. Judgment, Su Yan felt that it might take more than a month to wipe out the heaven and earth.

Su Yao bit her finger and said,

"Sister, try using our father's jade talisman. Didn't Aunt Nuwa and Aunt Yinji say that our father is very powerful? We used my father's jade talisman. Maybe my father's blow can wipe out the heaven and earth."

Su Yan, Su Yue, and Elena all looked at Xiaosi Su Yao, and they were all moved at the moment.

Empress Nuwa and Yin Ji both said that their father was very powerful, not even Empress Nuwa from the eighth level of the Holy Realm. Their father's opponents, they also want to know whether their father is very powerful.

Su Yan nodded in agreement with bright eyes, "Okay, I will use dad's jade talisman, hoping that dad will be more powerful."

Su Yan, Elena, and Su Yao, when they saw Su Yan taking out their father's jade talisman, they hurriedly looked at the Heavenly Dao of Heaven and Earth.

At the edge of the starry sky in the realm of Heaven and Earth, billions of immortals looked at the attack of the Heavenly Blade Battleship. All the immortals understand that the heaven and earth will be shattered and annihilated in a month or two. The more than three billion immortals who decided to surrender are very uneasy. They are worried that the princess of the Xuantian Realm will not accept their surrender, and they are also worried that after surrender, they will be destroyed by the Xuantian Realm. Domain enslavement.

Qian Tian and Qian Lan's faces were pale at the moment. They understood that Qiankun Tiandao was about to end.

The Heavenly Blade Battleship continued to burst out with powerful attacks. They wanted to help Qiankun Tiandao but they couldn't do it.

Whoosh!

The Heavenly Blade Battleship suddenly stopped attacking, and a The jade talisman flew out of the Sky Blade Battleship.

Qian Tian saw another jade talisman flying towards him, and he trembled and shouted, "Holy crap, another holy realm jade talisman, light blue, our universe realm is going to be finished." one"

Chapter 2857

Qian Lan clenched her fists tightly as she watched the jade talisman fly out, another jade talisman from the holy realm.

The power of the Xuantian realm made her confused.

Can the Qiankun realm be saved?

A Nuwa Empress who is on the eighth level of the Holy Realm, and a Yin Ji who is on the sixth level of the Holy Realm.

What about this time?

This time the jade talisman is a saint from what level of the holy realm?

Qianlan looked at Qiankun Tiandao and whispered, "Can Qiankun Tiandao still be able to withstand the attack of the powerful holy realm?"

Boom!

The jade talisman flew to the starry sky of the Universe Realm and burst out with a ray of light, and the shadow of a young man appeared in the sky.

All the immortals in the starry sky of the Qiankun Realm, the light blue sky and the dry sky, all have their hearts beating violently.

The terrifying aura of the young man in the starry sky made all the immortals look desperate.

In the realm of the eighth heaven of the holy realm, there are actually saints from the eighth heaven of the holy realm in the Xuantian realm.

"In the Xuantian realm, the Xuantian combat legion meets the Emperor of Heaven!"

"See His Majesty the Emperor of Heaven!"

When the 30 million Blackbird Combat Legion saw Su Chen's shadow appear, the Blackbird Combat Legion saluted Su Chen one after another.

"Dad!"

"Wow, daddy is really in the eighth level of the holy realm!"

"Dad is so powerful!"

"Father!"

Su Yan's four sisters flew out of the Sky Blade Battleship one after another. They were very surprised and very happy when they saw Su Chen in the starry sky of the universe. The eighth level of the holy realm, their father had really advanced to the eighth level of the holy realm.

Su Chen's Xuying waved to the Black Bird Combat Legion and said, "Yan'er, Yue'er, Nana, Yao'er, why haven't you sisters broken through the Qiankun Realm yet?"

Su Yue hurriedly replied, "Dad, the Heavenly Way of Heaven and Earth has been crippled, but the Heavenly Way of Heaven and Earth will automatically repair it. We can't destroy the Heavenly Way of Heaven and Earth for a while. Su

Yan smiled and said, "Dad, if you work harder, it's best to wipe out the heaven and earth in one blow." Elena waved her hand and said, "Dad, you are more powerful than Aunt Nuwa, and the heaven and earth will be left to you." Su

Yao waved her hands happily and shouted, "Father, you must help your sisters to destroy the heaven and earth.""

Su Chen looked at the broken Heavenly Way of Heaven and Earth and nodded.

"Okay, dad will help you destroy the heaven and earth. Yan'er, your aunt and I will destroy the ancient heaven. The origin of the ancient heaven has also been robbed. You sisters are one step behind dad."

The Heavenly Dao of Heaven and Earth has been crippled.

Su Chen's full blow will completely destroy the Heavenly Dao of Heaven and Earth.

After more than three months, the four sisters of Su Yan have been able to break two-thirds of Heavenly Dao of Heaven and Earth, and the remaining third of Heavenly Dao of Heaven and Earth is also facing fragmentation, which is a very good achievement.

The immortals in the Qiankun Realm looked at Su Chen in horror,

Emperor of Heaven?

The young man in the starry sky is actually the Emperor of Heaven in the Xuantian Realm?

Powerful! Terrifying!

Noble!

The one in the starry sky of the Qiankun Realm Su Chen's shadow and the aura of the eighth level of the Holy Realm were all exposed.

The law of space, the law of time, the law of space and time, the law of fire, the law of light, and the five laws of chaos were also revealed without reservation.

Coupled with the terrifying aura of the black bird.Su

Chen's jade talisman clone, Su Chen's full blow, all his strength is full of firepower.

Qian Tian said fearfully,

"Light blue, there is no salvation in the Qiankun Realm. The Emperor of Heaven in the Xuantian Realm is very terrifying. It will be very easy for him to kill us."

Qianlan lowered her head with a pale face.

It's too powerful.

The Emperor of Xuantian Realm is too powerful.

Qianlan is so far away from Su Chen, and Su Chen's powerful aura is unbearable for her.

If Qianlan faces Su Chen directly, , she guessed that Su Chen could suppress her with just his terrifying aura.

"It's over, the realm of Qiankun is really over."

Qian Lan looked helplessly at the Heavenly Way of Heaven and Earth, and then she looked at all the immortals in the realm of Heaven and Earth. (To read Baoshuang novels, go to Feilu Novel Network!)

No one can stop Su Chen, she can't,

Qian Tian Neither can, not all the immortals of Qiankun.

At this time,

Su Yan asked in surprise,

"Dad, you actually wiped out the ancient law of heaven and stole the origin of the ancient law of heaven."

"uh-huh!"

Su Yan asked doubtfully,

"Dad, why did you wipe out the ancient way of heaven so quickly? The prehistoric way of heaven is the way of heaven in the tenth level of the holy realm. You and your aunts cannot destroy the way of prehistoric heaven for hundreds of years."

Su Chen's shadow said in a disgusting manner,

"Because my father is so powerful, it is easy for me to destroy the ancient ways of heaven."

The four sisters Su Yan and Elena looked at Su Chen speechlessly.

What a shame.

They think Su Chen is very shameless and powerful?

Su Chen's realm is the eighth level of the holy realm, and the prehistoric heaven is the tenth level of the holy realm. In Chongtian,

Su Chen teamed up with Luo Hu, plus Nuwa and several female saints. They jointly wanted to destroy the ancient ways of heaven. At least it would take a hundred years to destroy the ancient ways of heaven.

However, in just a few months, the ancient ways of heaven were destroyed. They were wiped out. None of Su Yan's four sisters could figure out how Su Chen did it.

Su Yue:"Eldest sister, we didn't occupy the Qiankun Realm in advance. We lost to dad.

Elena:"Dad is a dad after all. Second sister, there is no way we can beat dad.""

Su Yao:"Well! Um! Father is very powerful, and it is impossible for us to occupy the realm of heaven and earth earlier than father."

Su Yan was very helpless.

She originally wanted to destroy the Qiankun Realm to show off, but why show off?

The powerful and terrifying Heavenly Dao of the Ancient World was wiped out by their father. The four sisters of the Qiankun Heavenly Dao who were only in the fifth level of the Holy Realm were wiped out. Heaven and Earth said that she had no face to show off in front of Su Chen.

Su Yan crossed his arms and said unhappily, "Dad, you must make up for our sisters.""

"Why?"

"Because my father took the lead in destroying the ancient way of heaven, we sisters are not happy."

"I'll do it! Girl, do you miss God?"

Su Yan touched his smooth chin and said slyly, "Hey! Dad, I am much better than God now. This is the edge of chaos. Can God compare with chaos?"

Su Chen looked at his eldest daughter, a ghostly girl, speechlessly.

Forget it,

Su Chen was too lazy to say anything to Su Yan.

His clone was about to dissipate.

Su Chen was going to wipe out the heaven and earth before the clone disappeared.

"Destroy!"

Boom!

A beam of light burst out from Su Chen's finger. In an instant, the terrifying beam of light hit the Heavenly Dao of Qiankun.

In the starry sky of Qiankun, the evil energy of chaos rioted, and the whole space made a squeaking sound of breaking. The terrifying aura erupted from the beam. , the immortals in the realm of heaven and earth, Qian Tian and Qianlan, all were suppressed by the terrifying aura and fell down.

Kacha!

The heaven and earth of heaven and earth began to break after being hit by the beam, and the fragmented heaven and earth of heaven and earth were completely shattered.

Su Yan was surprised. shouted back,

"Let me go, dad is a dad after all, I will never compete with dad again in the future"

Chapter 2858

Su Yan helplessly looked at Su Chen's shadow in the sky.

It had been more than ten years.

If the time in the time barrier was included, she would have been thousands of years old.

Su Yan missed her life in Gusu City very much, and she also missed being with her. Su Chen's experience in martial arts competition.

At that time, her father did not know martial arts.

As long as Su Chen provoked her, Su Yan would drag Su Chen into a martial arts competition. The good times passed so quickly. Since Su Chen was able to practice, Su Yan no longer dared to go to Su Yan. Morning contest.

At the age of sixteen,

Su Yan looked at Su Chen's shadow in the sky and smiled.

She was no longer a lively and cute little girl.

Su Yan had grown up, and she would help her father control Xuantian Realm in the future.

Su Yue patted her chest and said,

"Dad is really powerful. His terrifying aura was not directed at our sisters, and I felt frightened. Elena looked at Su Chen with beautiful eyes and smiled, "Well, dad is still as strong as ever.""

Su Yao raised her little fist and shouted,

"Dad is the most powerful, Dad is the most powerful."

Su Chen turned around and said to the four sisters Su Yan, "Yan'er, Yue'er, Nana, Yao'er, my father's clone is about to dissipate. After you occupy the Qiankun Realm, return to the Xuantian Realm."

Su Yan waved his hand and replied,

"Got it, old man!"

Su Chen smiled and nodded, and his shadow slowly dissipated in the starry sky.

"Aunt Gaia!"

Su Yan waved and shouted to the chaos.

She guessed that Gaia must be protecting their sisters.

In the Xuantian realm,

Gaia liked her very much. As long as Su Yan secretly escaped from Xuantian, 90% of the time it would be Gaia. Protect her.

Whoosh!

Gaia suddenly appeared next to Sister Su Yan and said, "Little girl, I knew I couldn't hide it from you."

"Aunt!"

"Hello aunt!"

"Yaoer has met her aunt."

Su Yue, Elena, and Su Yao all saluted Gaia. Although the three sisters guessed that there was an aunt protecting them, they did not guess that it was Aunt Gaia.

Gaia picked up Su Yao and smiled, "Haha ~, Yue'er, Elena, Yao'er, don't be too polite."

Su Yan took Gaia's hand and said, "Auntie, the two holy realms in the Qiankun Realm captured them alive. Gaia smiled and nodded, "Okay, these two scumbags are in the holy realm, and my aunt will capture them alive.""

"The Black Bird Combat Legion began to attack, and the resisting immortals in the Qiankun Realm were killed without mercy."

"Yes, Your Highness the Princess!"

Boom boom boom.....

After Su Yan ordered the Black Bird Combat Legion to start attacking, the 30 million Black Bird Combat Legion burst out with a powerful aura and prepared to attack.

"The Black Bird Combat Legion, open the battle formation, and attack the realm of heaven and earth for the sake of His Majesty the Emperor of Heaven, for the princesses, and for the glory of the Black Bird Combat Legion."

"kill! kill! kill!"

On the edge of the starry sky of the Qiankun Realm, the more than four billion surrendered immortals did not resist, and they did not dare to resist.

Outside the starry sky of the Qiankun Realm, another terrifying holy realm came to the Xuantian Realm, and the true body arrived.

They all understood that Qiankun The realm is over.

There is no heaven and earth in the realm of heaven and earth. All the immortals and saints combined are no match for Gaia.

"Surrender, the universe is over"

"Surrender, don't resist, we are not the opponents of Xuantian Realm"

"Come on, put away your magic power. Anyone who doesn't want to die should put away his magic power."

"The more than 4 billion immortals next to me are really smart. If I had known I would be standing there too"

"The Qiankun Realm is hopeless. Surrender. Qiantian and Qianlan Saint will not resist." (To read exciting novels, go to Feilu Novel Network!)

"Yes, the holy realm of Xuantian Realm is too powerful. Qiantian and Qinglan Saint combined are no match."

The immortals in the Qiankun Realm who did not want to surrender at the beginning also put away their magic power and wanted to surrender.

They understood that resistance was meaningless.

In addition to the more than 4 billion immortals who surrendered at the beginning, the remaining 30 or so immortals in the Qiankun Realm Yi Xianren's strength is low, they cannot be the opponent of the Black Bird Combat Legion.

Qian Tian and Qian Lan did not take action.

Gaia has been staring at them. If Qian Tian and Qian Lan dare to make any changes, Gaia will crush them to death.

Qianlan whispered helplessly, "I hope Xuantian Realm will not kill the creatures in Qiankun Realm, nor will it enslave the creatures in Qiankun Realm. (acaj)"

Qian Tian looked at Su Yan in the distance with his whole body trembling.

He had offended Su Yan's four sisters before. If Su Yan wanted to take revenge on him, Qian Tian thought that he might die in an ugly way.

Seven days later, under the starry sky in the prehistoric fairyland, the battle between Su Chen and Yangmei, and the battle between Luo Hu and Shi Chen are still going on in the prehistoric starry sky.

In the past seven days,

Yangmei was beaten to pieces by Su Chen and the archangel, and it won't take long for Su Chen and the archangel to destroy Yangmei.

"Raise your eyebrows, you are a little miserable now." Su Chen sat on the archangel's shoulder and mocked Yangmei.

Yangmei looked at the dilapidated body and shouted angrily,

"Bastard, Su Chen, you can't kill me. If I want to escape, you can't stop me."

"Tch, that's a big statement."

"Su Chen, I have reached great perfection in practicing the laws of space. Do you think you can stop me?"

"Dacheng? Raise your eyebrows, although your space law has been cultivated to 100%, but my space law has been cultivated to great perfection. Do you think you can escape from the space blockade I arranged?"

"Impossible. In the short five hundred years since you appeared in the prehistoric immortal world, it is impossible for you to cultivate the laws of space to perfection."

Su Chen laughed while eating Huangzhongli,

"Haha~, raise your eyebrows, don't ask, I am a genius in cultivation, and I forgot to tell you, I also found a small fragment of your body, and I also practiced it and transformed it into a beautiful woman."

Yangmei stared at Su Chen coldly.

He was extremely regretful and blamed him for everything.

If Su Chen had been killed in the realm of heaven, Yangmei would not be in crisis today.

Damn it, the entire area was destroyed. Su Chen's space law is blocked.

It's not difficult for Yangmei to break the space blockade, but will Su Chen give him time to break the space blockade?

Hey!

Su Chen suddenly appears in the sky and turns into a black bird.

He wants to kill Yangmei with one blow.

The villain After dying of talking too much, Su Chen regained his mana by eating Huang Zhongli in ten breaths. He wanted to kill Yangmei as soon as possible. As long as he killed Yangmei who knew the laws of space, the remaining time would not be enough for the Demon God Hour and the Beast King Shen Ni. consider

"Space barrier! Space moves! Space cutting!"

Yangmei saw Su Chen suddenly transforming into a black bird.

The powerful terrifying aura made him feel very dangerous. Yangmei hurriedly activated the space law to attack Su Chen. If he couldn't kill Su Chen, what was waiting for him was to be completely annihilated by Su Chen.

Chirped!

Boom!

Su Chen's black bird incarnation instantly passed through Yangmei's body.

With a loud noise,

Yangmei's body was shattered into pieces, and pieces of flesh and blood fell from the air.

"Space blockade! Time enchantment!"

The archangel quickly activated the laws of space and time. She would not let the raised soul escape.

"No, Su Chen, spare my life, don't destroy my soul, I can let you control my soul"

Chapter 2859

In the prehistoric starry sky, the raised soul was blocked by the archangel's space and trapped by the time barrier. He could not escape at this moment.

It was too fast.

Su Chen, who turned into a black bird, shattered his chaotic demon body in an instant. He raised his eyebrows and didn't even have a chance to resist.

He raised his eyebrows and did not want to die.

For tens of millions of years, he experienced life and death crises one after another after his recovery, but he managed to escape the danger every time.

The Beast Emperor Shen Ni,

Dao Ancestor Hongjun, raised his eyebrows and was not plotted to be killed by them. He was a little scumbag creature who only lived for more than five hundred years. He never thought that he would be plotted by an acquired creature to perish. too fast!

Su Chen grew up too fast.

He raised his eyebrows and looked at Su Chen in human form again.

He wanted to continue living.

What would be his fate?

It depends on whether Su Chen would let him go and whether he would control his soul and let him survive..

While Luo Hu and Shi Chen were fighting, they looked at the trapped Yangmei.

They didn't expect that Su Chen would kill Yangmei 02 so quickly, and the remaining Yangmei would be wiped out at any time.

"Old cunt!"

Luo Hu was very angry and helpless.

Su Chen was going to kill Yangmei in such a short time. He felt that Su Chen was much stronger than him.

However, in less than ten days,

Yangmei from the eighth level of the Holy Realm was about to be killed by Su Chen.

What about him?

Luo Hu is also in the eighth level of the holy realm.

If, if he turns against Su Chen, Luo Hu guesses that he may also be quickly killed by Su Chen.

"damn it!"

Shi Chen is scared.

Yang Mei is at the same level as him, even stronger than him.

The space demon Yang Mei is about to fall. Shi Chen will face the siege of Su Chen and Luo Hu. He has to escape. If he doesn't escape,

Shi Chen will be killed. Su Chen and Luo Hu completely killed him. At this moment, Su Chen looked at the Yuan Shen who raised his eyebrows and said disdainfully, "Raise your eyebrows and destroy me!" Space prison, space cutting!

"

"No....."

The raised-browed Yuan Shen was unwilling to be annihilated in the space prison, and the Space Demon God raised his eyebrows.

He was the top ten Chaos Demon God in Chaos. He was the top Chaos Demon God who fell after the Great Demon God Pangu.

Whoosh!

Su Chen instantly appeared on the archangel's shoulder, "Finally I killed Yangmei."

Yangmei completely fell, and

Su Chen breathed a sigh of relief.

The archangel looked around and said, "Master, the Chaos Demonic Body of the Space Demon God is completely shattered, and we cannot collect the source of Yangmei's space."

Su Chen shook his head and said,

"It doesn't matter, if you can't collect it, you can't collect it. Yangmei has been completely wiped out. We no longer have to worry about Yangmei's plans, and we don't have to look for the hidden space demon everywhere."

Su Chen didn't pay attention to the origin of Yangmei.

Yangmei can be said to be the most difficult to kill the Chaos Demon.

If Yangmei, who knows the laws of space, hides, it will be very difficult for Su Chen to find Yangmei.

"Time, you can't escape!"

Suddenly,

Luo Hu's shout came from the starry sky.

Su Chen looked over and shook his head.

The Time Demon Shi Chen is trying to escape.

Is this possible?

In the chaos, the Ice Demon God is hiding next to him, possessing two half-step Chaos Spiritual Treasures. Ice and Snow Demon God, if the Ice and Snow Demon God surprises Shi Chen, Shi Chen will be killed instantly.

"Rahu, come on!"

Luo Hui was very confused when he heard Su Chen's words,

"Come on?"

Come on, what is it?

Damn bastard," (to read Baoshuang novels, go to Feilu Novel Network!)

Luo Hu saw that Su Chen and the Archangel had no intention of taking action, and he was angry
His face turned dark

"Old yin, come here and help, we can't let Shi Chen escape."

Su Chen hugged the archangel's fair skin and said, "Luohu, you are the Demon God of Chaos, why do you need my help?"

"Su Chen, we are allies, you should understand the consequences of Shi Chen's escape"

"Haha~, Luo Hu, call me big brother, and I will help you kill Shi Chen."

"Bastard, Su Chen, you are looking for death!"

Luo Hu stared at Su Chen with a cold face, brother?

Su Chen is even a fraction of his age, and this bastard actually wants to be his eldest brother. Damn it

,

Luo Hu couldn't help but want to squeeze Su Chen to death at this moment

"The Chaos Clock is suppressed, and the Ice and Snow Lotus blooms!"

Boom boom.....

At the edge of chaos, the Ice and Snow Demon saw Shi Chen and ran away. She destroyed the Chaos Bell and the Ice and Snow Lotus to attack Shi Shi.

The Demon God of Space raised his eyebrows and was completely wiped out.

The Demon God of Ice and Snow no longer needs to hide in the edge of chaos. She wiped out the Demon God of Time, Hour, and the remaining Demon God of Killing, Luo Hu, is no longer a concern.

"Ice Demon God? How can it be? Why did you recover, ah~!"

Shi Chen didn't expect that the Chaos Demon God would sneak up on him. The one who attacked him was the top ten Ice and Snow Demon Gods in Chaos.

How could the Ice and Snow Demon God revive?

He also launched a sneak attack on him.

In an instant,

Shi Chen's Chaos Demon God was shattered, and his Yuan Shen appears and wants to escape quickly

"Chaos Bell, imprisoned!"

Boom!

The spirit of time was imprisoned by the Chaos Bell and shouted hurriedly,

"Demon God of Ice and Snow, don't destroy my spirit. I am not your enemy. The starry sky in the ancient immortal world, the Demon God of Killing Luohu and the Heavenly Emperor Su Chen in the Xuantian Realm, they are your enemies."

The Ice Demon God asked with a cold face, "Shichen, who said that the Emperor of Xuantian Realm is my enemy?"

Shichen shouted and reminded,

"The Ice Demon God, Pangu was beheaded and completely fell, the Space Demon God Yangmei was also beheaded and completely fell. If you kill me, Luo Hu and Su Chen will jointly kill you."

At this moment,

Luo Hu appeared on the edge of chaos with a dark face and looked at the Ice and Snow Demon God, the Ice and Snow Demon God of the eighth level angel of the Holy Realm. He also had two half-step Chaos Spiritual Treasures in his hand, and the Chaos Bell among them was Su Chen's Spiritual Treasure.

Damn it, old Yin Damn,

Luo Hu believed what Su Chen said before. That pervert Su Chen really took care of the Ice and Snow Demon God.

Trouble, big trouble.

Luo Hu turned around and looked helplessly at Su Chen,

Su Chen!

The realm of the eighth level of the holy realm!

This is The realm he saw, Su ChenThere is no hidden cultivation realm, and Luo Hu cannot see it.

Ice and Snow Demon!

The realm of the eighth heaven of the holy realm.

Empress Nuwa!

The realm of the eighth heaven of the holy realm.

Luo Hu might not be able to deal with any of the three strong men from the eighth level of the Holy Realm.

He does not have a powerful spiritual treasure.

If Luo Hu faces any one of Su Chen, Ice and Snow Demon God, and Nuwa Empress, he might be killed. Fall.

Damn that old bastard,

Luo Hu was on guard against Su Chen and the Ice and Snow Demon. He would not let Su Chen and the Ice and Snow Demon kill him by surprise.

Whoosh!

Su Chen and Archangel appeared next to the Ice and Snow Demon. He hugged the sexy and alluring Ice and Snow Demon and said to Shi Chen,

"Shichen, I forgot to tell you that the Ice and Snow Demon God is my wife. Do you think my wife will take action against me?".

Chapter 2860

When Shichen heard Su Chen's words, his soul kept beating,

Madam?

Is the Ice and Snow Demon God Su Chen's wife?

How can this be?

The Chaos Demon God always lives alone and is cruel and cruel. Why would the Chaos Demon God find a Taoist companion?

However, when Shi Chen saw Su Chen hugging the Ice and Snow Demon, the Ice and Snow Demon also smiled and leaned into Su Chen's arms.

It's true,

I'm desperate!

"Madam, destroy the time demon!" Su Chen lowered his head in despair when he saw Shi Chen. He kissed the Ice and Snow Demon God and said,

"Okay, Chaos Bell, strangle!"

The Ice and Snow Demon God rolled his eyes at Su Chen, looking shameless.

Next to him was the Killing Demon God Luohu, and the Nuwa Empress and others from the ancient fairy world were also looking at this place.

However, the Ice and Snow Demon God liked the feeling of Su Chen kissing her, and she didn't care about being kissed. Others saw Su Chen's intimate behavior towards her.

The Chaos Clock spun rapidly. The spirit of Shi did not resist, and he had no way to resist. In three breaths, the spirit of Shi was completely annihilated by the Chaos Clock.

Whoosh!

Look Luo Hu At that time, the Demon God completely fell and he appeared in Suand the Ice and Snow Demon God shouted next to him,

"Su Chen, the origin of the ancient way of heaven, you want to give me 30%"

"dream!"

Su Chen curled his lips and refused, giving Luo Hu the origin of Heavenly Dao?

Is this possible?

From the beginning,

Su Chen had no intention of giving Luo Hu the origin of Heavenly Dao.

Luo Hu yelled angrily, "Damn you bastard, we are allies, Su Morning, do you want to break the contract?"

Su Chen touched his chin and reminded,

"Luo Hu, were you the one who beheaded the prehistoric Heavenly Dao? Did you kill Pangu? Were you the one who killed the Raising Eyebrow Demon God? Were you the one who killed the Time Demon?"

"I....you...."

Luo Hu looked at Su Chen confused, what do you mean?

Could it be that without killing these enemies, he couldn't obtain the origin of the ancient way of heaven?

Damn you bastard,

Luo Hu was blackmailed by Su Chen for some of the origin of heaven, what about now?

This bastard didn't even want to give him a piece of the origin of Heavenly Dao. Luo Hu angrily burst out a powerful aura and wanted to kill Su Chen.

Su Chen shook his head and reminded,

"Luo Hu, from the beginning to the end, you and your men have been playing tricks on each other, so why should I give you the source of heaven?"

"Su Chen, are you going to take action against me?"

"No, we are allies, how could I take action against you. Luo

Hufen shouted angrily,

"ally? Damn it, are we still allies? We are allies, why don't you understand my origin of heaven? Pangu, Yangmei, Shichen, they have all been killed, do you want to kill me too?"

Su Chen curled his lips and said, "Luo Hu, let me tell you a piece of news, the origin of heaven does not belong to you!"

Su Chen planned to tell Luo Hu the information about Hongmeng World. Although Luo Hu is the Chaos Demon God and an arrogant bastard, Luo Hu is pretty good at keeping his promises.

Over the past few years, the exchanges between him and Luo Hu have been very enjoyable.

Luo Hu is a A friend worth making, ahem!

Su Chen was going to use Luo Hu as a punching bag. When he was depressed, he could take it out on Luo Hu.

Luo Hu asked doubtfully,

"what news?"

Su Chen sent a message to Luo Hu with a serious face,

"Hongmeng World," (to read Baoshuang novels, go to Feilu Novel Network!)

He is going to go there in a thousand years.

If Luo Hu knows about the existence of Hongmeng World, Su Chen believes that Luo Hu will Looking forward to entering the Hongmeng world where powerful people gather.

The Ice and Snow Demon leaned in Su Chen's arms and closed her eyes.

She guessed what news Su Chen wanted to tell Luo Hu, and she would not interfere with it.

"it is finally over"

"Yes, in a few years, Pangu was wiped out, Yangmei was wiped out, Shi Shi was wiped out, and our only enemy was the Beast King Shenni."

"Luo Hu should not dare to take action against Su Chen. I guess Luo Hu will still form an alliance with Su Chen."

"Well, the Beast King Shen Ni is no match for us. Su Chen, Sister Nuwa, the Ice and Snow Demon God, and Luo Hu, they are all in the eighth level of the Holy Realm. As long as the Beast King Shen Ni appears, it will be the moment of his fall."

"Yes, Yin Ji, Dark Moon, Queen Mother, West Queen Mother, the Great Desolate Immortal Realm will belong to the Xuantian Realm. You guys will integrate the Great Desolate Immortal Realm later."

"We understand, Sister Nuwa!"

"Po Meng, you and I will go to the Six Paths of Reincarnation, and I will summon the Xuantian Realm to move the Six Paths of Reincarnation to the Xuantian Realm."

"good!"

In the prehistoric fairyland,

Nuwa and the Queen Mother talked for a while, and then they disappeared one after another.

Pangu, raised his eyebrows, and Shi Chen were beheaded and destroyed one after another. The crisis in the prehistoric fairyland was temporarily lifted. They wanted to save the prehistoric fairyland as soon as possible. It was brought under the jurisdiction of Xuantian Realm.

Half a day later,

Luo Hu disappeared into the starry sky with a complex expression.

The information Su Chen said was so shocking that

Luo Hu did not feel that Su Chen was deceiving him. He had also heard Pangu say the words of Hongmeng Great World before.

Hongmeng World, a world that is more vast and boundless than the Chaos World, a world countless times more powerful than the Chaos World. Luo Hu longs for the Hongmeng World where strong men gather. The Twelve Heavens of the Holy Realm, Luo Hu only needs After cultivating to the twelfth level of the Holy Realm, he can enter the broader Hongmeng world. Three years later, Xuantian Realm Mero Heavenly Court, Xuantian Realm controls six subordinate realms and controls more than 5,000 large and medium-sized realms. , Xiaoqian World, the Heavenly Dao of the Xuantian Realm has also advanced to the twelfth level of the Holy Realm. In the Pantaoyuan, Su Chen hugged Nuwa and the Ice and Snow Demon God and couldn't understand. Three years have passed. The passage has been connected for a long time, but why did the ferocious beast realm not invade the prehistoric fairyland? Su Chen was very puzzled by this.

"` Nuwa, Bingxue, why don't you think the Beast King Shenni invaded the prehistoric fairyland?"

Nuwa Empress grabbed Su Chen's erratic hand and said with her face flushed,

"I don't know, maybe the Beast Emperor Shen Ni hasn't prepared enough yet, or maybe the Beast Emperor Shen Ni has discovered the power of Xuantian Heavenly Dao, and Shen Ni may not be able to defeat Xuantian Heavenly Dao, so he doesn't dare to invade the prehistoric fairyland."

The Ice and Snow Demon God leaned lazily in Su Chen's arms and said,

"Nuwa was right. The Heavenly Dao of the Xuantian Realm controlled the Great Desolate Immortal Realm. Shen Ni should be aware of the power of the Xuantian Heavenly Dao, and he did not dare to invade the Great Desolate Immortal World."

Su Chen frowned and nodded.

The guesses of Nuwa and the Ice and Snow Demon God may be true.

There has been no action in the ferocious beast realm, and

Su Chen has no intention of attacking the ferocious beast realm.

Yin Ji and more than ten saints of Gaia The realm is in seclusion and breakthrough. The longer the invasion of the ferocious beast realm is delayed, the more beneficial it will be to the Xuantian realm. Su Chen will not be stupid enough to invade the ferocious beast realm.

【Ding, host, prepare to participate in the Luck War mission in three days. Chi】

Su Chen asked in surprise,

"System, I am now in the eighth level of the Holy Realm. Can I still participate in the Luck War mission?".
