Chapter 2861

Su Chen was very confused when he heard the reminder from the system.

He was in the eighth level of the Holy Realm. Can he still participate in the Luck War mission?

Even if his cultivation realm is sealed, it is useless for Su Chen to participate in the Luck War mission. The best reward in the reward package is the origin of heaven. With his cultivation realm, it is very easy to get the origin of heaven.

【Ding, host, the system has not canceled your luck quota, and the luck and destiny will not remove you.】

"System, do you think I still need to participate in the Luck War mission?"

【Ding, the host can decide on his own. If the host does not want to participate in the Luck War mission, the system can remove your quota. 】

Damn it, such a proud system, can Su Chen give up his luck quota?

The world of Alice and Venina, Su Chen has not yet been able to incorporate their world into the Xuantian realm.

Luck and destiny?

What is the realm of luck and heaven?

The twelfth level of the holy realm?

Su Chen rubbed his forehead and decided to participate in the Luck War mission. To seal the realm of cultivation, just seal the realm of cultivation. Bai Yuekui and daughter Selina had not seen each other for a long time.

"System, I decided to participate in the Luck War mission"

【Ding, host, the Luck War mission will begin in three days.】

"clear!"

Su Chen curled his lips and rested while hugging Nuwa and Bingxue. The beast realm was a hidden danger, but all the girls were in seclusion to break through. He would not send a combat legion to attack the beast realm.

Nuwa leaned in Su Chen's arms and asked road,

"You little bastard, where are the four sisters Su Yan? Did they escape from Xuantian Realm again?"

Su Chen smiled and replied, "No, Yan'er and the others are climbing the ladder to heaven.""

Empress Nuwa shook her head speechlessly.

Climbing the ladder?

The four sisters of Su Yan have been climbing the ladder intermittently for three years. Since the ladder was controlled by Su Chen, the four sisters of Su Yan have used the ladder as a cheat to improve their strength.

In the past three years,

Su Yan She has climbed to more than 2,800 floors, Su Yue has climbed to more than 2,300 floors, and Elena has climbed to more than 1,600 floors. Su Yao's strength is too low, she has just climbed to the 1,000th floor.

Ice and Snow Demon He asked, "Husband, after a thousand years, can you elevate your realm to the twelfth level of the holy realm?"

"Not sure!"

Su Chen frowned and shook his head and replied,

The Twelfth Level of the Holy Realm?"

It will be difficult for him to ascend to the Twelfth Level of the Holy Realm within a thousand years.

The Holy Realm reaches the heaven one after another.

Although Su Chen has systematic help, it will be difficult for him to ascend to the Twelfth Level of the Holy Realm within a thousand years. Even when he reached the twelfth level of the Holy Realm, he felt uncertain.

Empress Nuwa said to Su Chen,

"Just do your best. Doesn't the Avenue of Chaos say that the world of Chaos will be safe for tens of millions of years? You don't have to worry."

The Ice and Snow Demon God reminded,

"That's right, husband, if you can't reach the twelfth level of the Holy Realm within a thousand years, you will have ten thousand years or millions of years, which is more than enough time. You don't have to worry about raising your cultivation level."

"I understand, you don't have to worry."

Su Chen hugged Nuwa and the Ice Demon God tightly.

A thousand years?

He promised Murong Qingcheng to go to Hongmeng World in a thousand years.

Murong Qingcheng?

Su Chen will not break his promise to Murong Qingcheng. He will advance to the twelfth level of the Holy Realm within a thousand years..Hongmeng

World!

A big world where powerful people gathered.

Su Chen wanted to visit Hongmeng World.

He also wanted to know if there were any plot characters in Hongmeng World?

Three days later,

Su Chen disappeared silently in Pantaoyuan.

World in the snow!

Su Chen appeared under a big mountain. He checked his cultivation realm and was speechless.

Grandmaster realm!

The system actually sealed his cultivation realm to the Grandmaster realm.

"System, what kind of world is this?"

【Ding, host, this is a world in the snow! 】

Let me go to the snow world?

How many years?

Jiang Ni?

Xu said Xiong?.....

Su Chen sat on the stone and rubbed his forehead. (To read Baoshuang novels, go to Feilu Novel Network!)

In the Shenyu Continent,

Su Chen and Jiang Ni were husband and wife. His daughter Su Yan also gave Beiliang to After being destroyed, Xu Nian was also executed under capital punishment.

In the snowy world,

Su Chen didn't know how to deal with Jiang Ni and his daughters, so he robbed Jiang Ni and his daughters? Killed Xu Nian?

【The lucky ones are all here, and the luck mission begins!】

【This mission is a separate mission for the team. It is a continuous mission. The team mission is completed and the Earth Team's Luck War mission begins.】

【Team solo mission: The strength of team members is suppressed at the level of the Grand Master. They are not allowed to summon the army, are not allowed to use technological weapons and items, and are not allowed to use spiritual treasure items from the world of immortality or immortality.】

【Mission One: Kill Cao Changqing!】

【Mission 2: Kill the Sword God Li Chungang! 】

0 Request for flowers

【Mission 3: Destroy Emperor Wu's City!】

【Lucky people, the luck mission begins, I wish you good luck! 】

Damn it!

This mission turned out to be a separate mission for the team, and there was also a follow-up destiny mission.

However, did this mission require them to be villains?

Kill Cao Changqing?

Kill Li Chungang?

Destroy Emperor Wu's city?

Su Chen shook his head speechlessly. If he killed Cao Changqing, he might be hated by Jiang Ni. If he killed Li Chungang,

Xu Nian would regard him as an enemy and destroy Emperor Wu's city.

Will Wang Xianzhi let him go? Will Wang Xianzhi watch him destroy Emperor Wu's City?

Damn it, this destiny mission is to kill the protagonist and supporting characters?

Huh?

How many people are there in Bai Yuekui?

Aren't all the team members here? Why didn't Bai Yuokui and Wenina show up?

"Good Luck, where are the rest of the team?"

【Lucky One, the other members of your team have been separated, and you need to rendezvous with other members on your own. 】

Whoosh!

Su Chen disappeared after hearing Qi Yun Tiandao's explanation.

Bai Yuekui and Wenina were not weak, and he was not worried about the safety of Bai Yuekui and others.

An hour later, at the foot of Longhu Mountain!

Su Chen touched his chin and looked at Longhu Mountain.

Xu Nian and Jiang Ni were at Longhu Mountain, and the plot had not yet progressed to Emperor Wu City.

Su Chen frowned and whispered,

"Cao Changqing should protect Jiang Ni near Longhu Mountain and kill Cao Changqing first?"

Cao Changqing is in the Celestial Phenomenon Realm.

The Celestial Phenomenon Realm should correspond to the half-step Heavenly Human Realm. It would be easy for Su Chen to kill Cao Changqing.

Wang Xianzhi and Li Chungang are the land gods of the Celestial Phenomenon Realm.

They should be the Heavenly Human Realm in the comprehensive martial arts world. It is even possible. It will be the golden elixir realm

"Who are you? Why did it appear at the foot of Longhu Mountain?"

At this time, more than ten people came down from Longhu Mountain. A one-armed old man looked at Su Chen and asked cautiously.

Su Chen looked at the one-armed old man and asked,

"Li Chungang?"

The one-armed old man replied with a serious face,

"Yes, it is me. Who are you? Why did it appear in Longhu Mountain?"

Su Chen asked disdainfully,

"Li Chungang, why should I tell you? Is Longhu Mountain your Li Chungang's territory?"

Chapter 2862

Su Chen looked at Li Chungang with disdain.

In the Shenyun Continent,

Li Chungang and Lao Huang had taken action against him.

Su Chen was still holding his daughter Su Yue. Lao Huang was beheaded by Fu Jiang Hongjia, and Li Chungang was crippled by Xiao Li.

In the snowy world, the second task of destiny is to kill Li Chungang.

Su Chen does not care whether Li Chungang in this world is good or bad, he will kill Li Chungang.

"Brother, Senior Li means no harm, I hope you won't be offended."

At this time,

Xu Nian came over and hugged Su Chen.

Regarding Su Chen,

Xu Nian found that Li Chungang was very wary.

Su Chen was just a Zhixuan realm (grand master), while Li Chungang was a celestial realm. Xu Nian couldn't understand Li Chungang. Why was he wary of Su Chen?

Su Chen ignored Xu Nian.

He and Xu Nian were destined to be enemies of life and death. There was no need for Su Chen to say anything to Xu Nian about their enemies.

Su Chen looked at Jiang Ni next to him and smiled.

Jiang Ni in the Snow World and Jiang Ni in the Shenyu Continent have different looks. Su Chen doesn't have to worry about Jiang Ni.

However,

Jiang Ni is still Jiang Ni, and

Jiang Ni in the Snow World is also very Pure and pretty, but Xiao Long Bao is still Xiao Long Bao. Jiang Ni in this world is also a flat-chested woman without grooves.

Su Chen walked towards Jiang Ni and asked,

"Is your name Jiang Ni?"

Jiang Ni asked doubtfully,

"I am Jiang Ni, do you know me?"

"How could I not know the princess of Xichu? It's just that you don't know me."

"you.....Who are you?"

Jiang Ni looked at Su Chen in surprise,

Princess Xichu?

How could Su Chen know her identity?

People like Xu Nian and Li Chungang surrounded Su Chen. They didn't expect that Su Chen would know Jiang Ni's identity.

Jiang Ni is Princess Xi Chu was exposed in Jiangnan, but Jiang Ni and Xu Nian must not be rumored to be together

"Are you going to take action against me?"

Su Chen looked at the people surrounding him and shook his head.

Among these people, only Li Chungang was a threat to him. The others were scum. It would be easy for Su Chen to kill them.

However,

Su Chen would not kill them at this time. , he will wait until Xu Nian goes to Emperor Wu City, and Su Chen will kill all the people who deserve to be killed.

Li Chungang asked seriously,

"Boy, who are you?"

Li Chungang couldn't see through Su Chen. Although

Su Chen was a warrior in the Zhixuan realm (grand master), Li Chungang felt that Su Chen was very dangerous, and even felt that Su Chen might kill him easily. Su Chen took a sip. Jiu replied, "Li Chungang, it doesn't matter who I am. Your sword opened the gate of heaven. I want to learn from you soon. I hope you can be more powerful then." Li Chungang snorted coldly,

"Hum, you want to learn how to open the Heavenly Gate with my sword? Boy, aren't you afraid of being killed by my sword?"

"Kill me? Your strength is not enough, Li Chungang, you are now in the celestial realm. I hope you can return to the terrestrial fairy realm as soon as possible."

"Boy, you are talking arrogantly!"

"maybe!"

Su Chen ignored Li Chungang.

He took out a low-level spiritual fruit and handed it to Jiang Ni and said, "Jiang Ni, you and I are destined. Eating this fruit will prevent you from getting sick and can also change your physique."

"who are you?"

Jiang Ni did not accept the spiritual fruit that Su Chen handed her.

Although the spiritual fruit exuded a pleasant fragrance, she would not accept gifts from strangers.

Su Chen said she was destined to be with her? (To read Baoshuang novels, go to Feilu Novel Network!)

How could she and Su Chen be predestined?

Jiang Ni has never met Su Chen.

Su Chen is so young that he cannot be an old man. Jiang Ni can't understand. How could Su Chen be destined to be with her?

Su Chen stuffed the spiritual fruit into Jiang Ni's hand and said,

"My name is Su Chen, Jiang Ni. I will do something that will make you unhappy. I hope you won't be angry."

"Suchen? you...."

When Jiang Ni was about to ask what Su Chen was going to do, she suddenly found that Su Chen disappeared silently, as if Su Chen had never appeared.

People around looked around. They didn't expect that a person would suddenly disappear.

Xu Nian asked in surprise,

"Senior Li, what kind of technique is this? Why did Su Chen suddenly disappear?"

Li Chungang reminded with a serious face,

"I don't know, Mr. Xu, that Su Chen is very dangerous"

"Senior Li, Su Chen is only in the Finger Profound Realm. Are you sure that Su Chen is very dangerous?"

"Boy Xu, I am very sure!"

Xu Nian and others looked at Li Chungang in surprise.

Su Chen is very dangerous?

Li Chungang is in the celestial realm. He felt that Su Chen was very dangerous. They might be easily killed by Su Chen.

Jiang Ni was struggling with the spirit fruit. asked,

"Senior Li, what should I do with this fruit?"

Li Chungang checked the spiritual fruit and said,"Girl Jiang, there is nothing wrong with the fruit. This may be a century-old red fruit. If you eat it, it will be of great benefit to your body."

Xu Nian and the others also nodded.

They smelled the fragrance of the spirit fruit and felt that their fatigue was swept away. The spirit fruit in Jiang Ni's hand could not be poisonous.

"Let's continue to Huishan Xuanyuan Family"

"good!"

Jiangnan Yangzhou!

Wenina was walking aimlessly on the street. She frowned and thought about three destiny tasks.

Wenina frowned and whispered, 153

"Snow world? Kill Cao Changqing? Kill Li Chungang? Destroy Emperor Wu's city? How to find these people? I don't know where that bastard Su Chen is."

This luck mission is a team mission alone.

Alice's team did not arrive, and their team members were also separated.

Wenina can only find out information about the world first, and then find a way to find Su Chen and Bai Yuekui.

"Miss, are you a foreigner?" A woman in a red dress stopped Venina and asked,

"Alien? I am not a foreigner, I am from the Central Plains of China."

Wenina showed an angry expression on her face.

She is considered a foreigner in Devouring the World, but she can represent the Chinese people in the fate mission. She is a Chinese. Besides, she is Su Chen's woman. Marry a chicken and follow the chicken, and marry a dog. Suigou, no matter what Venina said, she is from the Central Plains of China.

The woman in red apologized, "I'm sorry, my name is Xu Zhihu, I don't know what the lady's name is?"

"My surname is Su, you can call me Venina."

Wenina looked at Xu Zhihu in surprise,

Xu Zhihu?

One of Su Chen's women seems to be named Xu Zhihu. Could it be that Xu Zhihu and Su Chen's woman have the same name?

"Winina, I just heard that you wanted to kill Li Chungang. Why did you want to kill Li Chungang?"

Chapter 2863

At the pavilion by the lake,

Xu Zhihu invited Wenina to rest in the pavilion, while the little girl next to her hurriedly served tea.

Xu Zhihu asked,

"Wenina, I just heard that you wanted to kill Li Chungang. Why did you want to kill Li Chungang?"

Xu Zhihu was very curious about Wenina's identity.

On the street, she overheard Wenina whispering that

Wenina wanted to kill Cao Changqing, Li Chungang, and destroy Emperor Wu City.

Wenina What is her identity?

Li Chungang has been protecting her brother Xu Nian. Xu Zhihu wanted to find out if Wenina was her brother's enemy.

Wenina took a sip of tea and replied,

"Xu Zhihu, you are just an ordinary woman, and you are also seriously ill. The vendetta in the world has nothing to do with you, so you'd better not be curious."

Xu Zhihu said with a smile,

"I'm just curious"

"curious? Curiosity may cost you your life"

"Haha~, Wenina, I am a dying person, how long do you think I can survive?"

"Also, you should or may not be a few years old, Xu Zhihu, what is your identity? You should know Li Chungang."

Xu Zhihu nodded and admitted, 480

"I know Li Chungang!"

"Oh~, Xu Zhihu, you made me curious."

Weinina did not expect that Xu Zhihu would admit that he knew Li Chungang.

The second task was to kill Li Chungang.

Li Chungang should be a strong man in this world. Xu Zhihu should be dressed like a rich lady. Weinina could not guess that Xu Zhihu The relationship between Zhihu and Li Chungang.

Xu Zhihu said with a serious face,"Weinina, let me get straight to the point. Li Chungang is a strong man who protects my brother Xu Nian. I want to know why you want to kill Li Chungang.""

"Um? Xu Zhihu, if you tell me this, aren't you worried that I will kill you?"

Weinina was very surprised.

Li Chungang was actually protecting Xu Zhihu's younger brother?

Who was Xu Zhihu's younger brother? Why did Li Chungang protect Xu Zhihu's younger brother?

Xu Zhihu said indifferently,"I'm just a checkmate. Even if you don't kill me, I won't live long"

"Xu Zhihu, you are right. Tell me who Li Chungang is? Where can I find Li Chungang?"

"Don't you know Li Chungang?"

"Should I know Li Chungang?"

"Wenina, you don't know Li Chungang, why did you kill Li Chungang? Are you doing it to become famous in the world?"

Xu Zhihu was confused.

Wenina didn't know who Li Chungang was. Why did she want to kill Li Chungang?

Wenina replied speechlessly,

"That's right."

Xu Zhihu thought for a while and said,

"Wenina, I can tell you about Li Chungang, but you have to promise me one thing"

"Can!"

Xu Zhihu said while drinking tea,

"Li Chungang is a famous sword god in the world, and a super master in the celestial realm. In the entire world, only Wang Xianzhi from Emperor Wu City can do this....."

At this time,

Huishan,

Daxueping,

Xuanyuan Jingcheng and the ancestor Xuanyuan Dapan were fighting.

Next to him,

Xu Nian, Jiang Ni and Li Chungang were watching.

Xu Nian asked, "Senior Li, can Xuanyuan Jingcheng kill Xuanyuan Dapan?"

Li Chungang shook his head and replied,

"No, if Xuanyuan Jingcheng gives a few more years, he can kill Xuanyuan Dapan."

Xu Nian continued to ask,

"Can seniors kill Xuanyuan Dapan?"

Li Chungang said arrogantly, "I can kill Xuanyuan Dapan with one hand. Jiang

Ni asked curiously, "Senior Li, can you kill Su Chen from before?"

Li Chungang coughed awkwardly and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"Cough~, girl, Su Chen is very weird. I have never fought with him. I don't know if I can kill Su Chen."

Jiang Ni looked at Li Chungang with a dimple on her face. She didn't expect that Li Chungang would also be embarrassed.

(aceb) But, who is Su Chen?

What is his relationship with himself? origin?

What is the connection between Su Chen and her?

Jiang Ni thought of what Su Chen had said before, and she couldn't figure it out all the way.

Jiang Ni couldn't figure out whether Su Chen's appearance was for her or if there was some ulterior purpose.

Whoosh!

A woman quickly appeared next to Daxueping.

She had short silver hair, a tall figure, and a heroic appearance. Her fair skin, calm eyes, and well-fitting dress fully exposed her curved figure.

She is Bai Yuekui!

Bai Yuekui appeared by the river when she was participating in the Luck Mission.

She originally wanted to inquire about Cao Changqing, Li Chungang, and the information about Emperor Wu City, but it was just the fighting atmosphere on Huishan Mountain. When Bai Yuekui found out, she wanted to check who was fighting.

Xu Nian and Jiang Ni all looked at Bai Yuekui, a master of the Zhixuan realm and a very sexy and alluring beauty.

Xu Nian shouted in surprise,

"Let me go, a stunningly beautiful beauty, at such a young age, she is actually a master of the Xuan Realm."

"Boy, this woman is not simple, don't try to influence her."

Li Chungang squinted and looked at Bai Yuekui, another person who threatened him.

When did two young Zhixuanjing appear in the world, a mysterious Su Chen and a silver-haired woman. These two people made him feel... very dangerous

"I know!"

Xu Nian smiled and nodded.

He could see that the cold Bai Yuekui was probably not easy to get along with, but there was a peerless beauty next to him. If Xu Nian didn't recognize her, I would be sorry for his reputation as a playboy.

"Beauty, my name is Xu Nian, I don't know....." boom!

Xu Nian walked up to Bai Yuokui with a smile and just spoke, but he was quickly kicked away by Bai Yuokui.

Bai Yuekui looked at Xu Nian who was kicked away by her with cold eyes. She was a dandy and a womanizer.

She didn't expect that when she just arrived here, a womanizer would have plans for her.

"Crown Prince~!"

"Xu Nian!"

"young master...."

"Protect the prince quickly."

Qingniao and Jiang Ni hurriedly went to check on Xu Nian who was kicked away. They didn't expect Bai Yuekui to attack Xu Nian without saying a word.

"I'm fine!"

Xu Nian wiped the blood from the corner of his mouth and looked at Bai Yuekui.

It was too fast.

Bai Yuekui attacked him too fast. He didn't even have time to stop him.

Xu Nian walked towards Bai Yuekui and said with a serious face,

"Beauty, you've gone too far"

"Get out or die!"

Bai Yuekui looked at Xu Nian coldly.

If Xu Nian dared to show her dirty eyes again, she would not mind killing Xu Nian.

Li Chungang came over and patted Xu Nian on the shoulder.

He said to Bai Yuokui coldly,

"Little girl, you are arrogant"

Chapter 2864

Bai Yuekui looked at Li Chungang and raised his eyebrows, a celestial being?

No, it is stronger than the Heavenly Realm.

Could it be that Li Chungang is a strong person in the Golden Core Realm?

If Bai Yuekui's realm is not suppressed by luck and heaven, she won't care about a mere golden elixir realm.

However,

Bai Yuekui's realm is suppressed to a grand master.

If she fights with Li Chungang, without using the Divine Sword Controlling Thunder True Art, Bai Yuekui may Not Li Chungang's opponent

"Take this pervert and leave, otherwise don't blame me for killing him."

Li Chungang looked back at Xu Nian.

He was very speechless towards Xu Nian.

Xu Nian was not a womanizer, but when he met a beautiful woman, he wanted to get to know and flirt with her.

This time he met a powerful beauty.

Xu Nian was really a woman. You are a blind bastard.

Jiang Ni looked at Xu Nian angrily.

If Xu Nian had not come to harass Bai Yuekui, he would not have been kicked away by Bai Yuekui, and they would not have been at war with Bai Yuekui.

"Let's leave!"

Xu Nian glanced at Bai Yuokui and was about to leave.

He came to the Xuanyuan family and had something to do.

Although Bai Yuokui kicked him and scolded him rudely, now is not the time to have a conflict with Bai Yuokui. If there is a chance in the future, Xu Nian will get back to where he was today.

Whoosh!

Su Chen appeared next to Bai Yuekui in an instant. He hugged Bai Yuekui's sexy waist and said with a smile,

"Beauty, we meet again. Although it is raining lightly today, it does not hinder our affection. Beauty, let us fall in love all night tonight."

Bai Yuekui was very happy to see Su Chen appear. A smile appeared on her cold face.

It has been almost a year.

Since the last destiny war mission, Bai Yuokui has not seen this shameless bastard for almost a year.

People like Xu Nian and Li Chungang They were all very surprised to see Su Chen appear and hug the silver-haired beauty.

Jiang Ni asked doubtfully,"Xu Nian, why didn't the silver-haired woman take action against Su Chen?"

"Not sure."

Xu Nian's face looked ugly at the moment.

He just said a word to Bai Yuekui and was kicked away.

Where is Su Chen?

Su Chen hugged Bai Yuekui's sexy waist. Bai Yuekui didn't even make a move on Su Chen. Could it be that Su Chen and Bai Yuekui knew each other?

Li Chungang He looked at Su Chen warily.

He didn't notice Su Chen's arrival. He felt more and more uneasy about Su Chen.

Qingniao and Ning Emei all looked at Bai Yuekui.

Su Chen hugged Bai Yuekui's waist. They People speculated whether Bai Yuokui would kill Su Chen.

Xuanyuan Qingfeng did not look at Su Chen and Bai Yuokui. She nervously watched the battle between her father and Xuanyuan Dapan.

If her father was killed by Xuanyuan Dapan, she would be killed by Xuanyuan Dapan. Dapan catches the humiliation.

Xuanyuan Qingfeng doesn't want her father to be killed, nor does she want to be caught and humiliated by Xuanyuan Dapan, but no one will help her.

Xu Nian may, but Xu Nian's arrival has impure motives for the Xuanyuan family.

Xuanyuan Qingfeng guesses that Xu Nian Nian came for the Xuanyuan family, and Xu Nian might want to control the Xuanyuan family.

At this moment,

Bai Yuekui leaned into Su Chen's arms and smiled,

"Su Chen, we meet again. Su

Chen hugged Bai Yuekui and asked, "Beauty, have you met Wenina, Mu Ningxue, and Qilin?"

"No, I showed up at the riverside when I arrived. If I hadn't sensed the smell of a fight happening here, I wouldn't have met you."

"We did not appear together on this mission. I hope nothing happens to Venina and the other three."

Bai Yuekui grabbed Su Chen's erratic hand and said angrily,

"Su Chen and Wenina are both very strong. Although our strength is suppressed at the Grand Master level, we all have means to save our lives. Nothing will happen to Wenina and the other three."

"That's right."

Su Chen nodded.

Bai Yuekui and Wenina are about to become immortals. They also have ways to save their lives. Su Chen doesn't have to worry about the safety of the other three.

Su Chen looked at Xu Nian and the others and asked Bai Yuekui, "What happened just now? Are those people going to take action against you?"

Bai Yuekui replied coolly, (To read Baoshuang novels, go to Feilu Novel Network!)

"A lecher has thoughts about me, Su Chen, that one-armed old man is very powerful."

Su Chen looked at Xu Nian when he heard Bai Yuekui's words, lecher?

Could it be that Xu Nian teased Bai Yuekui?

Xu Nian is not a lecher. He has always pretended to be a playboy and lustful to confuse his enemies.

However,

Xu Nian dared to tease him. Su Chen would not let this go.

He would not kill Xu Nian today, nor would he kill Li Chungang in Mission 2.

But Su Chen planned to teach Xu Nian a lesson, a lesson that Xu Nian would never forget. , they will become enemies of life and death anyway in the future, Su Chen just completely offended Xu Nian..

Does this matter?

"Madam, that old man is Li Chungang, and he is also the target of our mission two."

Madam?

This shameless bastard, when did she become the wife of this bastard?

Bai Yuekui knew that he could not escape Su Chen's murderous hands.

Almost all the women in the two teams were captured by Su Chen. Maybe she and Mu Ningxue were the only ones who were not captured. Su Chen took it, but after they met this time, she would be eaten by Su Chen.

Bai Yuekui rolled his eyes at Su Chen and asked,"Li Chungang?" He is Li Chungang. Su Chen, why didn't you kill Li Chungang?"

Su Chen shook his head and explained,

"It's not the right time yet, I plan to wait until I reach Emperor Wu City and kill them all at once."

"It's up to you, just don't wait too long. This luck mission is a separate mission for our team. After the mission, our team will carry out the luck war mission with Team Alice. Don't keep Team Alice waiting."

"I understand, madam, I will teach Xu Nian an unforgettable lesson. If he dares to take advantage of my woman, I will make him pay the price."

Bai Yuekui rolled his eyes at Su Chen speechlessly. She was too lazy to deal with this shameless bastard.

However, Bai Yuekui was very happy that Su Chen could stand up for her. Su Chen hugged Bai Yuekui and shouted to Xu Nian,

"Xu Nian, you teased my wife and don't want to be killed by me. You either hand over Jiang Ni or Blue Bird."

"Don't even think about it!"

Xu Nian stared at Su Chen with a dark face.

Damn it, he didn't expect that Su Chen and Bai Yuekui were husband and wife.

What now?

Su Chen actually threatened him to hand over Jiang Ni or Qingniao.

Is this possible?

Jiang Ni is the love of his life. , how could he give Jiang Ni to Su Chen?

Qingniao is his maid, and will also be his concubine in the future. It is impossible for Xu Nian to hand Qingniao to Su Chen.

"If you don't pay, you will die!".

Chapter 2865

Su Chen coldly threatened Xu Nian.

Although he would not kill Xu Nian and Li Chungang today, if Xu Nian did not hand over a girl, Su Chen would kill several of Xu Nian's men.

"You've gone too far!"

Li Chungang stood in front of Xu Nian indifferently.

Su Chen's threat to Xu Nian made him very angry. Li Chungang is a famous swordsman in the world, and even Wang Xianzhi of Emperor Wu City wanted to give him face.

Su Chen ignored him The existence of threatening Xu Nian was a slap in his face.

Jiang Ni and Qingniao looked at Su Chen in surprise. They did not expect that Su Chen would ask one of them.

What do you want them to do?

Be a maid?

Or be a woman?

What else ? Why didn't Bai Yuekui stop him when Su Chen was in his arms?

Boom!

"Damn it, that's disgusting!"

Su Chen appeared next to Li Chungang in an instant with Bai Yuekui in his arms. He quickly kicked away the arrogant Li Chungang. You old bastard,

Su Chen felt disgusted when he saw Li Chungang picking his nose in public. He couldn't stand the disgusting Li Chungang. Take action.

On the snowy plain, bang bang bang....

Li Chungang was kicked upside down by Su Chen and flew out onto the snowy plain. Big trees were broken by the flying Li Chungang.

"Senior Li~"

"Li Jianshen!"

"senior!"

"Senior Sword God!"

When people like Xu Nian and Jiang Ni saw Li Chungang being kicked away, they screamed in worry. It was too fast. It was just an instant.

They didn't expect that Su Chen would kick Li Chungang away from the Celestial Realm. Li Chungang didn't even have the slightest bit of trouble. Resistance ability.

Refers to the Xuan Realm?

Does Su Chen refer to the Xuan Realm?

Is there anyone in the world who can defeat the Celestial Realm in the Xuan Realm?

"Su Chen, you deserve to die!"

Li Chungang's mouth was bleeding and he quickly flew into the air and yelled angrily.

He didn't expect Su Chen to kick him away in public. He didn't even have time to resist and stop him.

Boom!

Li Chungang used his inner power to control the rain with one hand, and the rain in the air quickly gathered into a stream of rain. A small ice sword.

Bai Yuekui saw dozens of small ice swords appearing in the air, and she worriedly reminded Su Chen,

"Su Chen, be careful..! "

"nothing!"

Su Chen looked at the little ice sword made of rainwater in surprise.

Damn, the world in the snow should be a world with immortals.

Li Chunang used his inner power to turn the rainwater into a small ice sword. How does Su Chen feel that he is different from Wanyu of the Yin Yang family? Similar to Feihualiu

"Quickly retreat, retreat far away."

When Xu Nian saw that Li Chungang was about to fight Su Chen, he pulled Jiang Ni and shouted to the people around him.

Qingniao, Ning Emei, and Wei Shuyang were the guards. They hurriedly protected Xu Nian and quickly retreated to the other side of Daxueping.

"kill!"

Swish swish swish"....

Li Chungang pointed his finger at Su Chen, and countless small flying swords in the air quickly shot at Su Chen and Bai Yuekui.

"The sky and the earth are eclipsed!"

Boom!

Su Chen let go of Bai Yuekui and quickly tied the knot. The Heaven and Earth Eclipse is the top Taoist technique.

In the Xuantian realm,

Xiaomeng upgraded the Heaven and Earth Eclipse to an immortal-level technique. The Heaven and Earth Eclipse displayed will have a hint of the law of time..Boom!

The Daxueping area was shrouded in black and white for several miles. There were more than ten people from Xu Nian and Jiang Ni's side, dozens of people from the Xuanyuan family, and Xuanyuan Pan and Xuanyuan Jingcheng who were fighting. The Daxueping area was surrounded by black and white. Everyone inside was frozen.

Everyone looked at Su Chen in horror.

In black and white, not only could they not move at all, but their vitality was also rapidly draining. (To read Baoshuang novels, go to Feilu Novel Network!)

In the air, the small ice swords that shot at Su Chen were still in the air.

Li Chungang was also pinned in the air.

There was panic in his eyes.

Li Chungang didn't expect to be pinned in the air by Su Chen.

There was no one within a few miles around. In the black and white colors, Li Chungang felt that his vitality was rapidly draining away.

Is this an immortal method?

Is Su Chen an immortal?

"Soul Xilongyou!"

Chirp!

A transformed black bird chirped and quickly attacked Li Chungang.

Su Chen tied his knot and launched Soul Xilongyou towards Li Chungang. His internal strength was not enough to activate the eclipse of heaven and earth for a long time. Su Chen used Ji Ruxi and the improved Soul Xilongyou.

Bang!

Li Chungang, who was frozen in the air, was instantly shot away by the black bird, and Su Chen also lifted the color of the sky and the earth.

After the black and white scene on the snowy plain disappeared, their faces were pale and they were gasping for air. The small ice swords made of rain also turned into rain and fell down.

"Su Chen, Heaven and Earth Eclipse and Soul Xilongyou are very good. I haven't succeeded in practicing them for more than a year."

Bai Yuekui's beautiful eyes looked at Su Chen a little depressed, the sky and the earth were pale!

The soul is like a dragon wandering!

There are also other techniques from the Yin Yang family and the Tao family. Su Chen has taught her and Mu Ningxue a few people, but for more than a year, they Several people have only scratched the surface of their cultivation, and they still can't use it to kill enemies.

Su Chen touched Bai Yuekui's hair and said,

" ` Madam, the Heaven and Earth Eclipse and Soul Xi Longyou, these techniques have been improved and upgraded. The techniques you practice are immortal-level techniques. Don't be impatient in practicing. It won't take long before you will succeed in practicing."

"I see!"

Su Chen looked at Xu Nian who was kicking him in the distance and shouted,

"Xu Nian, in ten breaths, if you don't hand over one of the two women, I will kill all of you."

Xu Nian looked at Su Chen with a pale face.

It was too scary.

His life was out of control in black and white, and the loss of vitality made him overwhelmed. Xu Nian never wanted to experience the previous feeling in his life. What should I do? Li Chungang Not Su Chen's opponent, no, Li Chungang has no ability to resist in front of Su Chen. Hand over Jiang Ni or Qingniao? Xu Nian will not hand over either of the two women, but even the sword god Li Chungang is not Su Chen's opponent (Well), will these people be killed in ten breaths?

"Xu Nian, hand me over."

Jiang Ni felt weak and was supported by the blue bird.

She decided to go to Su Chen.

Jiang Ni knew that Xu Nian still had a lot of things to do. She didn't want Xu Nian to die here, and Jiang Ni felt that Su Chen would not Whatever he did to her, she wouldn't be in danger if she went to Su Chen's side.

Xu Nian hurriedly grabbed Jiang Ni and shouted, "No, I won't hand you over, Jiang Ni, and don't go to Su Chen's side either." Jiang

Ni shook his head and reminded,

"Xu Nian, Su Chen's strength is too strong. I don't know whether Senior Li is alive or dead. None of us can defeat Su Chen. If I don't go over, people like you and Ning Emei will be killed."

Suddenly,

Wei Shuyang saw the blue bird quickly going to Su Chen's side.

He hurriedly shouted to Xu Nian,

"Master, look, the blue bird went to Su Chen's place. The blue bird should have gone to Su Chen's place to save us."

Chapter 2866

When Xu Nian was trying to dissuade Jiang Ni, he did not expect that Qingniao would take the initiative to go to Su Chen. Xu Nian understood why Qingniao did this.

Li Chungang was defeated by Su Chen and he didn't know whether he was alive or dead!

Jiang Ni is very important in his heart.

Su Chen is very powerful.

If Qingniao doesn't take the initiative to go to Su Chen, the powerful Su Chen will kill them all.

Jiang Ni shouted anxiously,

"Xu Nian, stop the blue bird quickly."

Xu Nian said with an ugly face,

"Jiang Ni, I can't stop it. The blue bird has already come to Su Chen. No one here is Su Chen's opponent. I can't let the blue bird come back.~"

Jiang Ni looked at Qingniao who came to Su Chen and held his hands tightly.

Qingniao took the initiative to go over.

Jiang Ni understood that Qingniao was doing it for her and to save Xu Nian and the others.

"I hope Su Chen will not embarrass Qingniao."

Jiang Ni bit her lip and was very worried.

She was worried that Su Chen would insult Qingniao and treat Qingniao not as a human being.

Men like Wei Shuyang and Ning Emei were very angry, but anger was anger.

They were helpless in the face of the powerful Su Chen.

Su Chen easily defeated the Sword God Li Chungang, and they were useless against Su Chen.

Xuanyuan Dapan looked at Su Chen very warily, and easily defeated the Sword God Li Chungang with a Zhixuan Realm.

He guessed that Su Chen was hiding At this level of cultivation, Su Chen might even be an old monster

"This person must not be messed with."

Xuanyuan Jingcheng and Xuanyuan Qingfeng stood together.

After talking for a while, they all looked at Su Chen.

Su Chen's strength gave them hope.

If Su Chen could help their father and daughter, Xuanyuan Dapan would be easily killed by Su Chen. Kill.

Xuanyuan Qingfeng asked, "Father, will that strong man help us?"

"Not sure, I'll give it a try later."

Xuanyuan Jingcheng shook his head and replied. In the previous battle,

Xuanyuan Jingcheng wanted to overdraw his vitality and die with Xuanyuan Dapan, but the battle between Su Chen and Li Chungang interrupted his thoughts.

Xuanyuan Jingcheng wanted to ask Su Chen to kill him. Xuanyuan Great Pan, even if you pay some price.

At this moment,

Su Chen nodded when he saw the coming Blue Bird.

In the Shenyu Continent,

Blue Bird was his personal maid, and

Blue Bird and Ning Zhong were the maids who had followed him the longest.

Su Chen said to Qingniao,

"Qingniao, you will be my maid from now on. If I find out that you are still obsessed with Xu Nian, I will kill Xu Nian and everyone around him."

"The blue bird has seen its master."

Qingniao saluted Su Chen expressionlessly.

She understood what Su Chen meant.

From now on, she is Su Chen's maid.

If Qingniao helps Xu Nian again, Su Chen will kill Xu Nian and Jiang in anger. Mud those people

"Suchen, where do you think Venina and the others will be?"

Bai Yuekui didn't care that Su Chenqiang left Qingniao behind.

This bastardThere are many women, and Su Chen is suppressing Xu Nian and others for her, and Bai Yuekui will not care about Su Chen snatching a beautiful woman.

Su Chen hugged Bai Yuekui's soft waist and said,"They should be in Jiangnan or Emperor Wu City. Madam, you don't have to worry. We will meet up with Wenina and the others within a few days."

Bai Yuekui thought for a while and nodded."That's right, we should appear around the mission target"

"Let's leave!"

Su Chen hugged Bai Yuekui and prepared to leave here.

If Bai Yuekui hadn't appeared on the snowy plain, he wouldn't have cared about the bloody things here.

"OK, let's leave!"

Bai Yuekui rolled his eyes at Su Chen.

She was a little puzzled that Su Chen didn't kill Li Chungang in mission two, but she would not object to Su Chen's decision.

Since Su Chen participated in this team's mission, (read the Baoshuang novel, Just go to Feilu Novel Network!)

Bai Yuokui and Wenina will be very relaxed, and they will not worry about not being able to complete the task.

Whoosh,

Su Chen hugged Bai Yuokui and Qingniao and disappeared instantly.

Everyone on the snowy plain saw Su Chen disappear. Seeing them gone, these people all breathed a sigh of relief.

When Xuanyuan Jingcheng saw Su Chen leaving, he regretted not going there in time to ask for help.

Whoosh!

Li Chungang arrived quickly, covered in tatters.

His clothes were in tatters, his white hair was disheveled, and the clothes on his chest were covered in tatters. There were blood stains.

Although Li Chungang's injury was not serious, his spirit suffered a huge blow.

Xu Nian asked hurriedly, "Senior Li, your injury is not serious, right?"

0 Asking for flowers,

Li Chungang shook his head and replied,

It's okay, Xu Nian, that Su Chen is very powerful, you must not provoke him in the future."

Wei Shuyang asked in confusion, "Senior, Su Chen is only in the Zhixuan realm, why is he so powerful?"

Li Chungang said with a serious face,

"No, Su Chen cannot be referring to the realm of Xuan Realm. He hid the realm of cultivation and the techniques used by Su Chen. I guess that Su Chen may be a person who cultivates immortality.

Xu Nian asked in surprise, "A cultivator of immortality?" is it possible? Li

Chungang touched his beard and reminded, "Xu Nian, if you think about Lu Zu five hundred years ago, it's not surprising that there are immortal cultivators in the world.""

Li Chungang was very confused about Su Chen.

In the previous fight, although Li Chungang didn't use his full strength, he guessed that Su Chen didn't use his full strength either, and Su Chen could kill him easily. He couldn't understand why Su Chen didn't kill him..

People like Xu Nian and Wei Shuyang were very shocked. They had all heard the legend of Lu Zu five hundred years ago, but was Su Chen really a cultivator of immortality? In the evening! On a boat by the river, Su Chen Bai Yuekui and Qingniao were sitting in the cabin drinking tea. Bai Yuekui took a sip of tea and asked, "Su Chen, who is that person at the foot of Longhu Mountain?"

"

"Cao Changqing!"

"Cao Changqing? Su Chen, won't Cao Changqing also kill him?"

Bai Yuekui didn't expect Cao Changqing from mission 1 to be here. No wonder Su Chen would check on Cao Changqing for more than an hour.

Su Chen nodded and replied, "Kill! Cao Changqing is just a little person, I will kill him tonight."

Bai Yuekui stroked his hair and said,

"Su Chen, let me go. Cao Changqing is not as powerful as Li Chungang. I can kill him."

"good!"

Jade Bird looked nervously at Su Chen and Bai Yuekui. She didn't expect that Su Chen and Bai Yuekui wanted to kill Cao Changqing.

Who are Su Chen and Bai Yuokui?

Why did they want to kill Cao Changqing?

Qingniao thought about it and asked Su Chen, "Master, Why do you want to kill Cao Changqing? Did Cao Changqing offend you?"

"Qingniao, Cao Changqing didn't offend us, but he had a reason to die. People can't help themselves in the world. You should understand the meaning of this sentence."

Chapter 2867

Su Chen took a sip of tea and shook his head.

Kill Cao Changqing?

This is a task given by luck and heaven. Whether

Cao Changqing is a good person or a bad person, he is just an ant to Su Chen.

The big world of chaos is boundless, and thousands of smaller worlds may be destroyed at any moment.

Without strong strength, you cannot control your own destiny.

Although Su Chen is the controller of a powerful realm, he is still a strong man in the eighth level of the holy realm.

But facing the strong men in the Hongmeng world, he is also an ant.

Su Chen may one day be like Cao Changqing, and may be killed by other strong men at will.

"Without strength, there is no destiny, alas! Fate is really fucked. When can we completely break the shackles of fate?"

Su Chen rubbed his forehead helplessly as he thought about it.

He became the master of the Tianxuan Continent, but the powerful Shenyu Continent appeared.

Well, the Shenyu Continent was conquered by him again, but an even more powerful Chaos Continent appeared. In the world,

Su Chen went through countless hardships and became a strong man in the Chaos World. But then a more terrifying Hongmeng World appeared. The top powerhouses in the Chaos World were in the Hongmeng World. , turned out to be a scumbag.

Su Chen thought that after entering the Hongmeng world, he would start from the bottom to practice and become stronger, so as to control his destiny and protect his woman and children.

"Su Chen, what's wrong with you?"

Bai Yuekui held Su Chen's hand and was worried.

Su Chen's breath was very unstable just now, as if he wanted to vent his resentment.

Su Chen held Bai Yuekui in his arms and said, "It's okay, I just thought of some unpleasant things."

Bai Yuekui leaned into Su Chen's arms and whispered,

"Su Chen, you don't have to think so much. You have a wife and children, other women, and us. I know you may have something on your mind. We can't help you with the things you worry about, but we will support you forever. Support you."

"I understand, Bai Yuekui, thank you."

Bai Yuekui smiled and nodded, but she was still worried about Su Chen.

Su Chen was the emperor of a powerful realm and one of the strongest people in the chaotic world.

Su Chen's worries,

Su Chen's troubles, she and Wei Nina and the others couldn't help at all.

Su Chen had always helped them.

Although there were rules in the destiny of destiny,

Su Chen could not directly improve their strength too much, but Su Chen would leave them with them every time during the destiny war mission. They could only enjoy Su Chen's gifts, but could not help Su Chen.

Qingniao looked at Su Chen and Bai Yuekui in confusion.

She was very confused.

Su Chen said that Cao Changqing was killed because Cao Changqing was weak. , because Cao Changqing cannot control his own destiny.

But the powerful and terrifying Su Chen seems to be unable to control his destiny.

Is there still a threat to Su Chen in the world?

What does Bai Yuekui mean?

Su Chen has a wife and Children? Are there other women? Isn't Bai Yuekui Su Chen's wife?

Bai Yuekui touched Su Chen's face and said

"Su Chen, I'm going to kill Cao Changqing. You wait for me in the boat. I'll be back soon."

Bai Yuekui decided to kill her as soon as possible to accompany Su Chen. She decided to hand herself over to Su Chen tonight. In a few years,

Bai Yuekui and Su Chen had only a handful of time together, but like Alice and the other girls,

Bai Yuekui will be with her from now on. She will be Su Chen's woman, and it is impossible for her to fall in love with other men. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen reminded,

"Okay, you have to be careful. Although Cao Changqing is nothing to worry about, don't be careless and get hurt. Bai

Yuekui rolled his eyes at Su Chen and said, "Don't worry, I fight almost every day. I will never underestimate my opponent every time I fight.""

"Um!"

Su Chen smiled and nodded.

He had forgotten that Bai Yuekui's world is also a doomsday world, and Bai Yuekui's world is more dangerous than Alice's world.

However,

Bai Yuekui is already a cultivator in the Tribulation Realm, and the monsters in the Linglong World cannot threaten him. Bai Yuekui

"Master, who are you?" After Bai Yuekui left, Qingniao poured tea for Su Chen and asked in confusion.

Su Chen touched his chin and replied,

"a man."

Qingniao lowered his head with a dark face when he heard Su Chen's answer, man?

Doesn't she know that Su Chen is a man?

Is this the question she asked?

Su Chen took a sip of tea and asked, "Qingniao, you know your Life experience?"

Qingniao lowered his head and said, "I'm just a maid."

"maid? Qingniao, you are the dead soldier trained by Xu Xiao for Xu Nian, dead soldier B, am I right?"

"How do you know?"

"Blue Bird, I know many things. Do you want to know how your father died?"

"you know?"

Qingniao looked at Su Chen in surprise.

Su Chen knew her identity as a dead soldier. Does Su Chen also know how her father Wang Xiu died?

Su Chen thought about the plot and said,

"Qingniao, your father Wang Xiu was the Spear Immortal of the North. Your father was killed by his disciple Chen Zhibao."

"In fact, not only was your father killed by Chen Zhibao"

"Chen Zhibao also killed Xu Weixiong's father and dragged Xu Weixiong's mother and siblings to death on horseback."

"Xu Weixiong is not Xu Xiao's biological daughter. She was adopted by Xu Xiao since she was a child, and she was also trained by Xu Xiao to become Xu Nian's dead soldier."

Qingniao's face turned cold.

Did Chen Zhibao kill her father?

She had made speculations before. After all, the marksmanship used by Chen Zhibao was very similar to hers.

And Xu Weixiong,

Qingniao didn't expect (did Zhao) that Xu Weixiong was more powerful than her? Tragically,

Xu Weixiong's father was killed by Chen Zhibao, and his mother and siblings were dragged to death by Chen Zhibao on horseback. Xu Weixiong, like her, became Xu Xiao's weapon and became a dead soldier trained by Xu Xiao for Xu Nian.

Su Chen saw He stood up while thinking about the blue bird.

He walked out of the cabin and looked into the distance.

The smell of fighting broke out under Longhu Mountain. Su Chen guessed that Bai Yuekui was killing Cao Changqing.

Su Chen whispered with a cold face,

"I hope the Celestial Master of Longhu Mountain and Zhao Kai will not meddle in their own business, otherwise I will go on a killing spree and wipe out their losses."

Qingniao came out expressionlessly and asked,

"Master, you asked me and Jiang Ni before. You wanted us intentionally. You know that Jiang Ni is the princess of Chu and you also know my identity. Do you want to kill Xu Nian?"

"Bluebird, I don't want to kill Xu Nian. Xu Nian is just an ant in my eyes. The one I want to kill is Li Chungang."

Chapter 2868

Su Chen did not hide it from Qingniao, and there was no need for him to hide it.

Soon, after they arrived at Emperor Wu's City, everyone who should be killed would be killed. Su Chen would also kill anyone who stopped him from killing people.

To kill Li Chungang,

Su Chen guessed that Xu Nian would hate him and might take action against him. Xu Nian would die if he dared to take action.

Qingniao asked doubtfully,

"Kill Li Chungang? Master, why didn't you kill Li Chungang on Daxueping before?"

Su Chen shook his head and replied,

"Li Chungang should not have died in Daxueping or Huishan. I have already arranged a place for him and found him a friend to go to hell with."

Qingniao couldn't understand what Su Chen said.

Cao Changqing?

Li Chungang?

And a friend who went to hell with Li Chungang?

She felt that the people Su Chen wanted to kill were all peerless masters, some of the most powerful people in the world today.

Su Why did Chen kill these people?

Why did he kill these masters of the world?

The night by the river was very charming.

Su Chen and Qingniao stood by the boat and looked at the night by the river.

A breeze blew gently, and Su Chen's clothes and The blue bird's hair was blown up.

At this time, dozens of miles away from Wudang Mountain,

Mu Ningxue took Qilin Fast 743 to escape. They appeared at the foot of Wudang Mountain at the beginning of the luck mission.

However, after Qilin and Mu Ningxue met,

They went to the Wudang Sect to ask about Li Chungang and Cao Changqing, but the masters of the Wudang Sect surrounded and killed them.

If they hadn't all had life-saving means,

Qilin and Mu Ningxue would have been killed by a strong man from the Wudang Sect.

Mu Ningxue supported them Qilin asked, "Qilin, can you still persist?"

Qilin coughed up blood and said,

"Ahem, Mu Ningxue, I can still hold on for a while, but if that strong man from the Wudang Sect comes after me, you have to escape as soon as possible. We are no match for that strong man. You have to find Wenina and Bai Yuekui as soon as possible."

"Qilin, I will not escape alone. If I die, we will die together." Mu Ningxue looked around with a cold face. She and Qilin took advantage of the night to escape to an unknown place. There was a strong man in the Wudang sect.

Mu Ningxue guessed that the strong man might be at the Golden Core Realm, or beyond the Golden Core Realm. The existence of

Mu Ningxue and Qilin. If Mu Ningxue and Qilin's cultivation realm were not suppressed by the destiny of heaven, any one of them could easily kill that strong man.

However, their strength was suppressed at the grand master realm, facing the might of the Wudang Sect. However, neither Mu Ningxue nor Qilin are opponents.

Qilin leaned under the big tree and reminded,

"Ahem, Mu Ningxue, we don't have the healing medicine Su Chen gave us anymore. The spiritual fruit was also used up in the last mission. My injury is very serious. I don't want to drag you down."

"Needless to say, Qilin, Su Chen may also be involved in this luck mission. You have to hold on. We only need to find Su Chen. Your injury is easy for Su Chen to deal with."

"Okay, Mu Ningxue, there is a river ahead. Let's find a boat and stay away from the Wudang Clan first."

"Okay, Qilin, you rest here while I go around to look for ships."

"Mu Ningxue, be careful!"

"I'll be careful!"

On the riverside at the foot of Huishan Mountain, Bai Yuekui returned to the boat half an hour later. When she beheaded Cao Changqing, three heavenly masters from Longhu Mountain appeared beside her. There were also some spectators at the foot of the mountain, but those people ignored her. As for other people's business, Bai Yuekui didn't pay attention to those people.

"Suchen! Su

Chen hugged Bai Yuekui and asked, "Bai Yuekui, those people from Longhu Mountain didn't take action, right?"

"Didn't you feel it?"

Bai Yuekui rolled her eyes at Su Chen.

Su Chen appeared outside the cabin. She understood that Su Chen was worried about her safety. If the experts from Longhu Mountain took action, Su Chen, who had been checking her, would appear in an instant.

"Haha~"

Su Chen laughed when he heard Bai Yuekui's words.

The two women in the team,

Bai Yuekui,

(accc) Mu Ningxue, (to read exciting novels, go to Feilu Novel Network!)

Selena, the three of them are cold and expressionless women, and they are all peerless beauties who don't eat the fireworks of the world.

But after meeting him,

Bai Yuekui's three girls changed a lot.

Su Chen didn't know what their expressions were when facing other people, but when the three girls were with him, Bai Yuekui's three girls would show expressions of shame, anger, shyness, and blushing..

They are like fairies pulled down from the sky by Su Chen. The three beautiful fairies also have human emotions and desires.

"Let's rest!"

Su Chen carried Bai Yuekui into the cabin.

The night was very sultry today, and the scenery along the river was also very charming. There would be a romantic romance in the cabin for a while.

Qingniao looked back at the cabin, with a blush on her face. On the board of the ship, she guessed what would happen in the cabin. She would not enter the cabin to disturb Su Chen and Bai Yuekui's romance.

"Xu Nian, I should forget about him."Qingniao looked at the night in the sky and whispered.

Although her father was not killed by Xu Nian's father, he was still related to Xu Nian's father.

Death soldier?

Xu Xiao is really cunning and cunning, and he will use all means to deal with the enemy.

Qingniao and Xu It is said that Xiong is Xu Xiao's enemy, but Xu Xiao even uses the enemy's orphans.

Good guy?

Bad guy?

Qingniao always thought that Xu Xiao was a good guy, an upright and selfless King of Northern Liang.

She heard Su Chen's story Later, in her heart, Xu Xiao was a scheming and unscrupulous man.

Blue Bird!

Xu Weixiong!

And Jiang Ni!

The three women all had a grudge against Xu Xiao, but they were used by Xu Xiao, so they still let them Being used willingly, Xu Xiao is really terrible.

Qingniao will never be Xu Nian's death warrior again.

She will kill Chen Zhibao if she has the chance in the future.

At the foot of Longhu Mountain,

Xu Nian and Jiang Ni buried Cao Changqing's body.

Bai Yuekui When Cao Changqing was beheaded, they were all there,

Li Chungang was also beside him, and the three heavenly masters from Longhu Mountain were also there, but no one dared to stop Bai Yuekui from beheading Cao Changqing.

In front of Cao Changqing's tomb,

Jiang Ni asked sadly, "Xu Why did Su Chen's wife want to kill Uncle Cao?"

Xu Nian explained helplessly,

"Jiang Ni, I don't know, Su Chen does whatever he wants, and his wife may also be a person who does whatever she wants.

Jiang Ni clenched his fists tightly and shouted angrily, "Do whatever you want?" Can you kill people as you please? Can a strong man kill people at will if he is in a bad mood?"

Chapter 2869

Jiang Ni was very angry about Cao Changqing's death.

She couldn't understand why Bai Yuekui wanted to kill Cao Changqing. Did Bai Yuekui kill Cao Changqing because he was in a bad mood? Or did Su Chen ask Bai Yuekui to kill Elder Cao?

Jiang Ni suddenly thought of what Su Chen had said to her before.

Su Chen would do something to make her unhappy. Could it be that Su Chen had planned to kill Cao Changqing before?

"Jiang Ni, take a rest, we will go to Emperor Wu City tomorrow."

Xu Nian said to Jiang Ni and left the carriage.

Su Chen's appearance made him change his previous plan.

Xu Nian didn't want to go to his second sister Xu Weixiong. He wanted to rush to Emperor Wu City as soon as possible.

As for Jiang Ni,

Cao Changqing died. Later,

Xu Nian would not let Jiang Ni go to Xishu alone. Without the protection of Cao Changqing, Jiang Ni was worried that Jiang Ni would encounter something unexpected when he went to Xishu.

There was also the "120" of the Xuanyuan family, who also fell short this time.

Xu Nian He did not get the help of the Xuanyuan family

, and the battle between Xuanyuan Dayan and Xuanyuan Jingcheng did not continue.

The Xuanyuan family was also divided.

Xu Nian could not get Xuanyuan unless he let Li Chungang kill Xuanyuan Dayan. The family's help.

However,

Li Chungang was injured by Su Chen, and

Xu Nian was worried that when Li Chungang attacked Xuanyuan Dapan, Su Chen would appear again to cause trouble.

Xu Nian rubbed his forehead and thought,

"All plans have been disrupted, Su Chen? Who is he? What is the purpose of his appearance? Could it be that Su Chen could really do whatever he wanted?"

The next morning, on the boat by the river,

Su Chen walked out of the cabin with a smile on his face.

Bai Yuekui's tenderness was like water, Bai Yuekui's enthusiasm was like fire, Bai Yuekui's sexy tenderness, Bai Yuekui's initiative and wildness, Su Chen yesterday The night was very enjoyable.

Su Chen saw the blue bird on the deck and asked doubtfully, "Blue Bird, you didn't go into the cabin to rest yesterday night?"

Qingniao rolled his eyes at Su Chen and replied,

"Master, can I enter the cabin?"

"Why can't you enter the cabin? You don't have to enter the front cabin, but what about the rear cabin? Won't you go into the back cabin to rest?"

"I'm afraid of contaminating my ears"

"Tsk, it's like you can't hear it on the deck."

"you.....I....."

Qingniao's face was flushed and she didn't know what to say. She heard Bai Yuekui's screams in the middle of the night yesterday, and

Su Chen and Bai Yuekui's romantic relationship yesterday night. She felt weak all over listening to it yesterday night.

All night long,

Qingniao didn't rest.

She kept thinking about Bai Yuekui's cry and what Su Chen and Bai Yuekui were doing in the cabin.

Su Chen patted Qingniao on the shoulder and said, "I don't want you or me anymore. Get ready. Let's go to Emperor Wu City."

"Yes, master."

Qingniao hurriedly left Su Chen's side. She was worried that Su Chen would do anything to her.

At about noon, a large ship appeared in the river.

Su Chen stood on the deck and saw the large ship in front of him sailing. He asked Qingniao to order the boatman to sail. He followed.

On the big boat in front were Xu Nian and Jiang Ni. Su Chen decided to follow Xu Nian to Emperor Wu City.

"It's a little strange why Xu Nian left so quickly. Has the Xuanyuan family's matter been resolved? Huh? Li Chungang returns to the land of fairyland? The inertia of the plot is really powerful."

After Su Chen checked the situation on the big ship, he touched his chin and started thinking. He didn't care at all about what would happen to the Xuanyuan family. No one in the Xuanyuan family was a good person. Even Xuanyuan Jingcheng, a good person, The cuckold man was too cowardly, too forbearing, and too unmanly. There were also Xuanyuan Qingfeng and her daughter. One was a green tea bitch mother and the other was an idiot daughter. Su Chen was very disgusted with them. As for the disgusting Li Chungang, (To read Baoshuang novels, go to Feilu Novel Network!) Su Chen didn't care at all. Li Chungang just returned to the fairy land on land, and the disgusting old man was still a scumbag in front of him.

"Suchen!"

Bai Yuekui walked out of the cabin with a blushing face. She was still feeling a little uncomfortable.

But the ship started to move, and

Bai Yuekui wanted to know where Su Chen was going.

Su Chen walked over and hugged Bai Yuekui and said,

"Madam, why don't you take a rest? You were very tired yesterday night."

"Shameless, don't mention what happened yesterday again0.."

Bai Yuekui stared at Su Chen with shame and anger.

Yesterday, in order to stop Su Chen from worrying about her,

Bai Yuekui did those embarrassing things for Su Chen. She felt blushing and irritated just thinking about it now.

"Don't mention it, I won't mention it anymore, madam, you were very sexy and attractive yesterday night. Let's continue from now on."

"roll!"

Bai Yue Kui punched Su Chen in embarrassment. She hurried back to the cabin with a red face.

It was so shameless.

It was a mistake for Bai Yue Kui to come and talk to Su Chen.

"Haha~"

Su Chen laughed when he saw Bai Yuekui leaving in shame.

Bai Yuekui was very old, but she was too conservative. The enthusiasm last night was so intense that

Bai Yuekui also wanted to stop him from being upset. If it was Alice With Winina and the other girls, Alice and the girls would readily accept their teasing, and even laugh at him openly. Three

days later, Su Chen's boat followed Xu Nian's boat, and then In less than two days, they will arrive at Emperor Wu's City in the East China Sea. For three days, Su Chen and Bai Yuekui have been making love to each other in the cabin. Bai Yuekui has become more and more dependent on Su Chen. She rests in Su Chen's arms from time to time.. On the deck, Bai Yuekui leaned in Su Chen's arms and said,

"Husband, the children on Xu Nian's boat are not ordinary. The children feel a little dangerous."

Su Chen kissed Bai Yuekui and said, "Madam, that is not a child, he is an old monster, and a powerful old monster."

"Master, are you telling the truth?"

Qingniao was very surprised when he poured tea for Su Chen and Bai Yuekui.

The child is an old monster?

Is this possible? How could a ten-year-old child be an old monster?

"Qingniao, the child is the Celestial Master of Longhu Mountain, and he is also a very senior Celestial Master."

Qingniao asked doubtfully,

"Master, how could the Celestial Master from Longhu Mountain sneak into Xu Nian's ship? Is Longhushan going to take action against Xu Nian? Su

Chen touched his chin and replied, "Yes, Longhu Mountain will take action against Xu Nian. Some people in Liyang Kingdom do not want Xu Nian to succeed the Northern Liang King.""

Chapter 2870

Qingniao nodded after hearing Su Chen's explanation. There were countless people who wanted to kill Xu Nian along the way. The emperor of Liyang Kingdom and some ministers would not let Xu Nian succeed the Northern Liang King.

"Master, is that child really very powerful?"

Su Chen touched his chin and replied,

"Well, the child's name is Zhao Xuansu. He is an ancestor of Longhu Mountain. In today's world, there is less than one person who can defeat him. If Zhao Xuansu hadn't returned to his youth, he would have been even more powerful. Bai

Yuekui frowned and asked, "Husband, Zhao Xuansu doesn't just want to kill Xu Nian, right?"

Su Chen asked curiously,

"Why do you ask? Bai

Yuekui replied thoughtfully,

"I have some guesses that if Longhu Mountain wants to kill Xu Nian, they cannot let an ancestor take action. An ancestor who has rejuvenated his youth is also impossible for him to kill Xu Nian. I guess Zhao Xuansu must have another purpose."

Su Chen hugged Bai Yuekui and kissed her hard for a while, then he explained with a smile,

"Yes, Zhao Xuansu has another purpose, madam, this world can break through and lead to a fairyland."

"Xu Nian's trip to Emperor Wu City"

"Li Chungang and Wang Xianzhi will have a big battle. If their battle opens the gate of heaven, Zhao Xuansu will use this opportunity to ascend to the immortal world. This is Zhao Xuansu's real purpose."

Bai Yuekui nodded when he heard Su Chen's explanation.

Immortal world?

She didn't care.

Su Chen was the emperor of a powerful realm, and Su Chen also left aura on her and Wenina.

They just met each other. Even the gods and so-called immortals in the fairy world dare not take action against them.

"Husband, please pay attention."

Bai Yuekui wiped his mouth and stared at Su Chen in shame.

He was a pervert.

Su Chen didn't even look to see if there was anyone next to him when he kissed her.

However,

Bai Yuekui felt very good about Su Chen's intimacy. No wonder Selena and Wei Nina stayed in Su Chen's arms at every turn.

Blue Bird asked doubtfully, "Master, are there really immortal world and immortals in this world~?"

"Qingniao, Lu Zu more than five hundred years ago, could ascend to the immortal world without ascending. There should be an immortal world in this world."

Su Chen is not sure whether there is a fairy world.

His cultivation realm is suppressed by the Grand Master. Su Chen has no way to check whether there is a fairy world in this world.

Qingniao asked curiously,

"Lu Zu more than five hundred years ago? Master, why doesn't Lu Zu ascend to the immortal world?"

"For a woman!"

"woman?"

"Yes, she is still the woman you know."

The blue bird shouted in shock,

"What? Do I still know that woman? How can this be? How could that woman still be alive after more than five hundred years?"

Bai Yuekui also looked at Su Chen in confusion.

She was also curious about that woman. Is that woman still alive after more than five hundred years? What kind of woman would make a man who ascended to the immortal world give up his ascension? Su Chen drank Tea was thinking about Xu Zhihu. In the Shenyun Continent, Su Chen and Xu Zhihu met on the way to Qingyun Gate. In order for Xu Zhihu to save Xu Weixiong, she did not even care about her reputation and pretended to be his wife, and in order to kill Xu Zhihu He sacrificed his innocence, and Su Chen and Xu Zhihu also stumbled together. As for the young Taoist priest Lu Zu of the Wudang sect, Su Chen had never seen it. Her daughter Su Yan's men destroyed the Wudang sect and Lu Zu. , Bai Yuekui asked Su Chen,

"Husband, is that woman still alive? Or has he been reincarnated?"

Su Chen explained with a smile, (To read Baoshuang novels, go to Feilu Novel Network!)

"Reincarnated, Qingniao, I said you knew that woman, and you did. That woman is now Xu Zhihu, a young Taoist priest in the Wudang sect. He is the reincarnation of Lu Zu."

"What? It turned out to be Xu Zhihu?"

Qingniao was very surprised at this moment.

It was unbelievable.

Xu Zhihu turned out to be the reincarnation of Lu Zu who liked women.

Qingniao thought of the little Taoist priest of Wudang Sect. She understood that what Su Chen said was the truth and did not deceive her.

Qingniao knew that Xu Zhihu and Xiao Because of the Taoist relationship,

Xu Zhihu went to the Wudang sect before marrying to Jiangnan, but later returned from the Wudang sect sadly and got married.

Two days later,

Xu Nian's boat and Su Chen's boat arrived at Emperor Wu City, and Xu Nian brought He led his men off the boat and headed towards Emperor Wu's city.

After looking at it, Jiang Ni asked Xu Nian,

"Xu Nian, Su Chen followed us all the way to Emperor Wu City. What is he going to do?"

Xu Nian comforted Jiang Ni, "I don't know, Jiang Ni, don't worry, Senior Li has returned to the land of fairyland, and Su Chen cannot be Senior Li's opponent."

Jiang Ni smoothed her hair and said,

"I just feel strange, why did Su Chen come to Emperor Wu City with us? Could it be that he was coming to Emperor Wu City in the first place?"

"Forget it, leave Su Chen alone, Jiang Ni, let's go to Emperor Wu City first."

"good!"

At this time, in Emperor Wu's City,

Wenina and Xu Zhihu had arrived in Emperor Wu's City three days ago.

Over the past three days,

Wenina had inquired about the situation in Emperor Wu's City.

Wang Xianzhi's strength was at least that of a cultivator above the Heavenly Realm. Because of her state, her strength was suppressed and she was no longer a match for Wang Xianzhi. Wenina could only wait for others to arrive before destroying Emperor Wu City.

In the tea shop,

Xu Zhihu drank tea and asked, "Wenina, your friends Will it come? Venina replied with a smile,

"Yes, they will definitely come to Emperor Wu City"

"Venina, you and your friends don't really want to destroy Emperor Wu City, right? Wang Xianzhi is very powerful. You and your friends cannot be Wang Xianzhi's opponents."

"Xu Zhihu, you don't have to worry about this. You said that your brother will also come to Emperor Wu City. Will Li Chungang come with your brother?"

"Yes, Li Chungang protected my brother along the way. As long as my brother comes to Emperor Wu City, Li Chungang will also come to Emperor Emperor City with him."

"Aren't you worried that I will kill Li Chungang?"

Wenina took a sip of tea and was curious.

She came to Emperor Wu's City to destroy Emperor Wu's City and kill Li Chungang who was protecting Xu Nian.

Xu Zhihu clearly knew what she was going to do, so why did she still Come with him.

Xu Zhihu said confidently,"Weinina, you can't kill Li Chungang. Li Chungang is a swordsman and his strength is also very powerful. You can't be Li Chungang's opponent."

Wenina said with a smile,"I don't think so, Xu Zhihu, Emperor Wu City will be destroyed and Li Chungang will be killed."

Mission one was completed a few days ago.

Wenina doesn't know who killed Cao Changqing, but after Cao Changqing was killed,

Bai Yuekui and Mu Ningxue will come to Emperor Wu City. If Su Chen also participated in the luck mission, they The team will gather in Emperor Wu City, and the remaining two tasks will be easier to complete.

"Huh? My younger brothers Xu Nian and Li Chungang have arrived at Emperor Wu City. Wenina, do you want me to meet my younger brother? Do you want to inform Li Chungang that you want to kill him?".
