Chapter 2881

Deng Tai'a was very helpless.

Su Chen was so powerful that he did not dare to save Xu Nian.

Previously, he had discovered Su Chen's flaws several times.

As long as Deng Tai'a quickly made a sneak attack, he could not kill Su Chen or seriously injure Su. morning.

But he didn't dare.

If he couldn't kill Su Chen, the consequences would be unbearable for him.

"Deng Jian Shen, I can give you a face. You can take this trash away. If he is desperate for death, don't blame me for killing him."

Su Chen thought for a while and agreed.

Although Xu Nian was arrogant and constantly seeking death, Xu Nian had not offended him after all, and Su Chen would not kill Xu Nian.

However, if Xu Nian dared to go against him out of ignorance,

Su Chen I'll kill him too

"Thank you!"

Deng Tai'a didn't expect Su Chen to agree with"103", which made him relieved.

It would be best if he didn't fight.

Deng Tai'er saved Xu Nian's life this time, and he was able to repay Xu Nian's life. Mother's kindness.

As for the future,

Xu Nian's life and death has nothing to do with him.

Su Chen said to Qilin and others, "Qilin, Wenina, Mu Ningxue, Bai Yuekui, you kill the six sword slaves in Emperor Wu City, and we will also have to complete our mission"

"good!"

Qilin and Wenina nodded one after another, and they quickly rushed to the six sword slaves next to them.

Mission three is to destroy Emperor Wu's City.

They want to destroy Emperor Wu's City.

Wang Xianzhi and all the sword slaves who guard Emperor Wu's City will do it. Anyone who dares to attack them will die. They are killing these sword slaves now to successfully destroy Emperor Wu City.

Su Chenyou said to Zhao Kai and Yuan Ting,

"Zhao Kai, Yuan Tingshan, I don't want to get involved in your feud with Xu Nian. You can do whatever you want."

Zhao Kai and Yuan Ting looked at Su Chen with dark faces, not participating?

Does Su Chen want them to die?

Xu Nian has the Peach Blossom Sword God Deng Tai'a beside him.

If they dare to kill Xu Nian, the Peach Blossom Sword God Deng will Tai Ah Hui killed them without hesitation.

At this time,

Xu Zhihu and Xu Weixiong also came to the city wall, but Xu Zhihu's face was a little red.

Xu Zhihu had just listened to Xu Weixiong's explanation about looking at the stars. She never thought that looking at the stars would mean having an affair in the wild

"Eldest sister, second sister, come here quickly."

Xu Nian saw Xu Zhihu and Xu Weixiong arriving, and he was worried that Su Chen would kidnap Xu Zhihu and Xu Weixiong. Su Chen was a pervert, and he was still holding Jiang Ni.

Xu Nian was worried that Su Chen would also kidnap Xu Zhihu and Xu Weixiong. His two sisters will be kidnapped and humiliated.

Neither Xu Zhihu nor Xu Weixiong have passed. Xu Zhihu doesn't know what to say to Xu Nian. She is just a tool at home, a person who controls Beiliang for Xu Nian in the future. Tools. Xu Zhihu's disease was cured by Su Chen, and she was able to live a new life. She would live for herself in the future. Xu Zhihu had done everything for Beiliang, for his father Xu Xiao, and for Xu Nian. In the future Beiliang, her father Xu Xiao and her brother Xu Nian will have nothing to do with her.

"Sister, let's go to that bastard."

Xu Weixiong pulled Xu Zhihu towards Su Chen, and she let go.

Xu Weixiong's father, mother, and siblings all died in Xu Xiao's hands. Xu Xiao also trained her as a dead soldier to protect Xu. Year.

Xu Weixiong can let go of her hatred for Xu Xiao. (To read Baoshuang novels, go to Feilu Novel Network!)

But she will not be stupid enough to become Xu Nian's death soldier again, nor will she go to Beiliang Returning to Xu's house and being used by Xu Xiao

"How can it be? why is that?"

Xu Nian saw Xu Zhihu and Xu Weixiong walking towards Su Chen. He felt that his sisters were crazy.

He was here, and he even called his two sisters.

Why didn't Xu Zhihu and Xu Weixiong come over? ?Why didn't you go to Su Chen to talk to him?

"Alas, Xu Nian, you leave Wu Emperor City immediately. I can only save you this time. Your future life and death have nothing to do with me."

Deng Tai'a reminded Xu Nian, and he turned around and jumped off the city wall.

Deng Tai'a has already done what he should do.

If Xu Nian messes with Su Chen again, he will not save Xu Nian again.

Su Chen looked at the arriving sisters Xu Zhihu and asked,

"Xu Zhihu, Xu Weixiong, do you have a crush on me? Why don't you go to Xu Nian's place? Xu

Weixiong shouted angrily,"Shameless pervert, even if we fall in love with a pig, we won't fall in love with you.""

"I guess, Xu Weixiong, I didn't expect you to like pigs. It's true that people cannot be judged by their appearance, and sea water cannot be measured. 0.."

"Bastard, I'll fight you."

Xu Weixiong angrily drew out his long sword and stabbed Su Chen quickly.

This shameless pervert, does she like pigs?

She likes shit.

Xu Weixiong is going to be driven crazy by Su Chen.

Even if she can't kill this shameless bastard, Xu Weixiong Xu Weixiong will also die together with Su Chen.

Whoosh,

Su Chen clicked on Xu Weixiong's acupuncture point in an instant. Even a little scum, and a hundred Xu Weixiong are no match for him

"Xu Weixiong, I didn't expect your figure to be so good. Your soft body is very comfortable to touch."

Su Chen held Jiang Ni in one hand and held Xu Weixiong in his arms with the other.

Su Chen's hands stroked Xu Zhiweixiong's soft body. He felt that the plump Xu Weixiong was very good.

"Shameless!"

"Asshole, let me go."

When Jiang Ni and Xu Weixiong heard Su Chen's shameless words, they both shouted and cursed with angry faces.

"Su Chen, let go of my sister and Jiang Ni."

Xu Zhihu hurriedly said to Su Chen.

In front of the public,

Su Chen held Jiang Ni in one hand and Xu Weixiong in the other, and he kept stroking Jiang Ni and Xu Weixiong.

How handsome are

Jiang Ni and Xu Weixiong? Wei Xiong is a woman who has not yet left the court. Does Su Chen want to ruin the innocence of Jiang Ni and Xu Wei Xiong?

Su Chen hugged the two women and smiled and said,"Xu Zhihu 1.1, I still have a place in my arms, if you are envious If so, I can let you lie in my arms. Xu

Zhihu pointed at Su Chen with a red face and yelled,"Shameless, Su Chen, do you still want shame?""

"Ha ha....Xu Zhihu, do you think you can escape from my grasp in the future? Besides me, who dares to take your ideas? Just be good.....Huh? Will Wang Xianzhi and Li Chungang stop fighting?"

Su Chen looked towards the direction of the East China Sea and frowned.

It was too fast.

Less than half an hour after the battle started, why did Li Chungang and Wang Xianzhi stop?

Their ultimate move had not been launched yet. Su Chen couldn't understand why Li Chungang and Wang Xianzhi stopped. It will stop.

Su Chen untied Xu Weixiong's acupuncture points.

He let go of Jiang Ni and Xu Weixiong and said,

"Xu Weixiong, take your sister and Jiang Ni to Wenina's place. It won't be safe here for a while."

Chapter 2882

When Xu Weixiong, Jiang Ni, and Xu Zhihu heard Su Chen's words, they all looked towards the East China Sea.

Will Li Chungang and Wang Xianzhi stop fighting?

Did something unexpected happen?

Is Li Chungang going to attack Su Chen together with Wang Xianzhi?

Xu Weixiong asked with a serious face,

"Shameless pervert, are Li Chungang and Wang Xianzhi going to take action against you?"

Su Chen looked towards the direction of the East China Sea and replied, "It's not that Wang Xianzhi and Li Chungang want to take action against me."

"no?"

Xu Weixiong was very confused when he heard what Su Chen said. If

Wang Xianzhi and Li Chungang don't fight, won't they take action against Su Chen if they don't fight?

Su Chen offended Li Chungang before, and now he killed Wang Xianzhi's men. Li Chungang and Wang Xianzhi will meet Let Su Chen go?

Xu Zhihu and Jiang Ni also looked at Su Chen in confusion.

They couldn't understand.

How did Su Chen know that Li Chungang and Wang Xianzhi would not unite? Wouldn't they kill Su Chen together?

Su Chen touched his chin. explained,

"Another strong man 02 has arrived, and he is Xu Zhihu's admirer, Hong Xixiang of the Wudang Sect has arrived."

Xu Zhihu was a little nervous when she heard Su Chen's words, but she quickly regained her composure.

Ever since Hong Xixiang gave up on her and she got married, Xu Zhihu and Hong Xixiang had no relationship.

She didn't She would have a relationship with Hong Xixiang again.

Even if she and Lu Zu were lovers five hundred years ago, Xu Zhihu would not be able to renew his relationship with Hong Xixiang.

Xu Weixiong and Jiang Ni looked at Su Chen in surprise.

Another strong man has arrived?

Or is it the reincarnation of Lu Zu?

The three strong men want to jointly kill Su Chen. They don't know if Su Chen will be their opponent.

Xu Zhihu, Xu Weixiong, and Jiang Ni, they Looking at Su Chen with complicated eyes, worried about Su Chen?

They wouldn't, and they couldn't worry about a shameless pervert.

But they didn't want Su Chen to be killed by three strong men.

Su Chen saw Qilin and the others coming over,

He opened his mouth and commanded,

"Wenina, Qilin, Mu Ningxue, and Bai Yuekui, don't take action this time. Li Chungang, Wang Xianzhi, and Hong Xixiang are not weak. You will go and kill the more than ten masters from the Wudang Sect."

Wenina nodded and reminded,

"Okay, husband, please be careful for a while, after all, your cultivation level has also been suppressed."

Qilin:"Su Chen, we will kill the people of the Wudang Sect."

Mu Ningxue:"Su Chen, be careful!

Bai Yuekui:"Husband, flushing the elephant is not easy. Don't be careless while you fight.""

Su Chen smiled and nodded and said,

"Don't worry, I won't be killed easily. Three scumbags, it's easy for me to kill them. After I fight them, I will kill everyone who dares to attack you."

"OK, we understand."

Wenina and the four of them all nodded.

They understood what Su Chen meant. Emperor Wu City is Wang Xianzhi's territory after all. If some warriors from Emperor Wu City dare to attack them, they will not be merciful.

"Su Chen, in a battle over the East China Sea, I will kill you today."

"Su Chen, you kill my sword slave from Emperor Wu City and fight over the East China Sea."

"Outsiders, in a battle over the East China Sea, I want to avenge the disciples of the Wudang Sect." Everyone in Emperor Wu's city heard the cries of Li Chungang, Wang Xianzhi, and Hong Xixiang, and looked at Su Chen on the city wall. The three strong men were going to attack Su Chen together. Everyone in Emperor Wu felt Incredible.

Who is Su Chen?

Why did he let three strong men attack together?

Xu Nian laughed and shouted to Su Chen,

"Ha ha.....Su Chen, you are dead. The three powerful men are trying to kill you. You will not be able to escape today."

"idiot!"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen glanced at Xu Nian, and he said to Wenina and others, "I'm going over, you should be careful for a while."

Whoosh!

Su Chen said and disappeared on the city wall instantly. Su Chen didn't pay attention to Li Chungang, Wang Xianzhi, and Hong Xixiang. Today, Su Chen killed these three people and then destroyed Emperor Wu City. Their team was completed. All missions have been completed. The real destiny war mission will also start, and their team will also join the Alice team. Wenina threatened with a cold face, "Xu Nian, if you dare to taunt my husband again, I will kill him now I'll kill you." Xu Nian looked at Wenina and the others with a pale face. Each of these people looked at him with murderous intent. He was worried that if he said anything else, Wenina and the others would quickly kill him. Xu Zhi Hu and Xu Weixiong shook their heads. They felt that Xu Nian had changed. Xu Zhihu and Xu Zhihu were too lazy to talk to Xu Nian. They would not care whether Xu Nian was alive or dead in the future, and they had no ability to care. At this moment, Emperor

Wu Some warriors from the city rushed to the East China Sea. They wanted to see the battle of the four strongest warriors with their own eyes. The Peach Blossom Sword God also came to the East Sea. He couldn't understand why Li Chungang and Wang Xianzhi wanted to jointly kill Su Chen, and why? There is a young strong man from the Wudang Sect. When did a young strong man appear in the Wudang Sect? Zhao Kai and Yuan Tingshan originally left Wudi City, but the three strong men wanted to fight against Su Chen at the same time, so they quickly rushed to the East China Sea. Over the East China Sea, Li Chungang, Wang Xianzhi, and Hong Xixiong stood high in the sky. When the three of them saw Su Chen appear, their faces were all very serious. Su Chen appeared in the air and said,

"Li Chungang, Wang Xianzhi, and Hong Xixiang, no, I should call you Lu Zu. Since you three want to die, I will make it happen for you."

"Lu Zu?"

Li Chungang and Wang Xianzhi looked at Hong Xixiang in surprise,

Lu Zu?

Is the little Taoist priest of Wudang Sect Lu Zu?

Is Hong Xixiang the reincarnation of Lu Zu?

Hong Xixiang asked expressionlessly, "Who are you? ? Who are your friends? Su

Chen crossed his arms and asked, "Lu Zu, who do you think we are?"

Hong Xixiang frowned and said,

"You cannot be immortals, immortals are not as weak as you, but you are not from this world, and your breath does not belong to this world."

Li Chungang and Wang Xianzhi were confused.

Su Chen and Wenina are not from this world?

Is this possible?

However, since Lu Zu said this, they felt that Lu Zu could not talk nonsense. How could Su Chen and Wenina be... People should not be from their world.

Su Chen laughed and said,

"Haha~, Lu Zu, you are wrong and right. However, you cannot know who we are. I will make you die of depression. By the way, I am very satisfied with Xu Zhihu, her flaming red Lips, her plump figure, I can't put it down"

Chapter 2883

On the city wall,

Xu Weixiong, Jiang Ni, and Qingniao heard Su Chen's words, and they all looked at Xu Zhihu beside them, flaming red lips?

Plump figure?

Su Chen actually insulted Xu Zhihu.

No wonder Xu Zhihu didn't go to Xu Nian's side. No wonder Xu Zhihu would always be with Su Chen.

"shameless bastard!"

Xu Zhihu's face turned red with embarrassment.

Su Chen's nonsense made her embarrassed to see others. She liked her flaming red lips and couldn't put it down her plump figure.

Su Chen insulted her by talking in front of the public. Xu Zhihu couldn't help but want to strangle that bastard Su Chen to death.

Wenina and Bai Yuekui were speechless. They all knew that Su Chen and Xu Zhihu had nothing to do with each other, but was it okay for Su Chen to ruin a woman's innocence like this? ?

Xu Nian shouted angrily,

"Damn it, that bastard insulted my sister. I want to kill him. I must kill that shameless pervert."

Xu Nian understood at this moment.

He understood that Xu Zhihu and Xu Weixiong did not come to him. It turned out that Su Chen insulted his sister Xu Zhihu.

However, his eldest sister Xu Zhihu was insulted by Su Chen, and his second sister Xu Wei Where is Xiong?

Was his second sister Xu Weixiong also insulted by Su Chen?

Damn it,

Xu Nian clenched his two swords with an angry expression. He wanted to kill Su Chen. He wanted to kill the shameless person who insulted his sister. Sex demon.

In the East China Sea,

Hong Xixiang's face was expressionless, as if he didn't hear Su Chen's words.

Su Chen asked curiously

"Damn it, Hong Xixiang, I insulted the woman you like, and you don't have any anger at all?

Hong Xixiang replied expressionlessly,"You are bound to die. Why would I be angry at a dead man?"

Su Chen asked, touching his chin.

"Hong Xixiang, I don't understand. Xu Zhihu was the woman you liked in your previous life, and you gave up ascending to the immortal world for him. Why are you watching her get married in this life?"

"This is what fate should be, you can't force it"

"destiny? Little scumbag, you dare to talk about fate before you become an immortal? Fortunately, you did not enter the immortal world and did not become an immortal. Otherwise, there would be another ruthless and unjust person in the immortal world."

Hong Xixiang glared at Su Chen and shouted,

"What do you know? It was only in my second life that I realized the true meaning of being an immortal. Immortals have no desires or pursuits. They only seek immortality and strength. They cannot go against heaven or disobey the way of heaven."

"Tsk, what an idiot."

Su Chen was speechless about Hong Xixiang.

No wonder Hong Xixiang would practice in the Wudang sect. It turns out that Hong Xixiang wants to abandon the seven emotions and six desires. Does cultivating an immortal mean abandoning the seven emotions and six desires?

Even if Hong Xixiang becomes an immortal, he may do the same. Like Lao Tzu in the prehistoric immortal world, he became an immortal who would do anything to become powerful.

Li Chungang and Wang Xianzhi looked at Hong Xixiang in confusion. They were both shocked by what Hong Xixiang said.

Have no desires and no pursuits?

Hong Xixiang wants to abandon mankind. The seven emotions and six desires?

Is this right or wrong?

Li Chungang and Wang Xianzhi don't understand, but as human beings who have abandoned the seven emotions and six desires, will they still be human after Hong Xixiang?

Su Chen put his hands behind his back and said,

"You can take action now. All three of you will die today."

"kill!"

"Clear snakes with both sleeves!"

"Qingfeng Sword Technique!"

After Wang Xianzhi, Li Chungang, and Hong Xixiang heard Su Chen's words, they all launched powerful attacks against Su Chen.

"Thunder is coming!"

Boom boom boom.....

Su Chen raised a hand and shouted.

The sky over the East China Sea quickly turned gray, and black thunder roared in the air.

The entire East China Sea, the entire Emperor Wu City, and the entire world in the snow felt like the end of the world for a moment.

The black thunder that destroyed everything in the sky suppressed all humans and lay on the ground. Wang Xianzhi, Li Chungang, and Hong Xixiang were also suppressed. Fall into the sea.

During the Three-Nine Thunder Tribulation, the Heavenly Dao of Xuantian Realm actually sent the Three-Nine Thunder Tribulation into this world.

"Damn it, is Xuantian Tiandao going to destroy this world?"

Su Chen looked at the thunder calamity in the sky with a dark face.

He just wanted to show off and summon some thunder to destroy Wang Xianzhi and the others. (To read Baoshuang novels, go to Feilu Novel Network!)

This (accb) happened,

Xuan Is Tiantian Dao going to destroy the entire world?

No, is System Girl going to destroy the entire world?

"Disperse!"

Su Chen hurriedly dispersed the Three-Nine Thunder Tribulation in the air.

If the Three-Nine Thunder Tribulation were struck down, the entire world in the snow would be destroyed, and all humans in the world would be wiped out.

In Emperor Wu's City,

Wenina and Bai Yuekui were The man glared at Su Chen with a dark face. They had also been forced to lie on the ground by the terrifying thunder tribulation just now.

Wenina and others felt that Su Chen did it on purpose. Did that bastard pretend to be too pretentious?

Bai Yuekui:"Damn it, my husband must have done it on purpose."

Wenina:"The little bastard is getting more and more excessive, I must not let him go this time."

Mu Ningxue:"Su Chen probably didn't expect Thunder to be so powerful. Didn't he take back Thunder now?"

Qilin:"Well, Su Chen probably didn't expect Thunder to be so powerful. This world is a small world after all."

After Xu Zhihu, Xu Weixiong, and Qingniao stood up, they looked at Su Chen over the East China Sea and were shocked.

Thunder?

Terrifying thunder?

Thunder that destroys the world?

Who is Su Chen? How could he summon destruction ? The terrifying thunder that destroys the heaven and the earth?

After the people and warriors of Emperor Wu City stood up one after another, they looked at Su Chen in the sky with pale faces.

Immortal?

Is Su Chen an immortal?

How could he summon the thunder that destroyed the heaven and the earth?

At this moment , all the peach branches in the hand of Peach Blossom Sword God Deng Tai'a fell. He was frightened by the thunder summoned by Su Chen.

"Immortal? Is Su Chen an immortal?"

Deng Tai'a shook his head with a pale face.

He felt very powerless at the moment.

Deng Tai'a came to Emperor Wu City this time to stop the Tianmen from opening and to prevent the immortal from descending to earth, but an immortal has appeared in the world, and Deng Tai'a did not. He has no ability to stop him, and he has no ability to kill the immortal.

【Ding, host, Xuantian Tiandao did nothing wrong. There is a passage in this world that leads to a broken fairy world. 】

Su Chen suddenly heard the system's reminder.

He unexpectedly looked at the broken fairyland in the sky?

Xuantian Tiandao discovered the broken fairy world?

What kind of fairy world is this broken fairy world? Is it a vast world? Or are they the broken fragments of the ancient immortal world?

Boom boom boom.....

Suddenly, there was a roar in the air, and a vortex appeared in the air.

No, a space channel that was about to open was about to appear in the air.

Whoosh, after Hong Xixiang flew into the air from the sea, he saw the whirlpool in the air and shouted,

"Tianmen? The fairy gate is about to open, haha~, after more than five hundred years, I can enter the fairy world again"

Chapter 2884

Hong Xixiang was very happy at this moment.

With the appearance of Tianmen, he could enter the fairy world again.

Five hundred years ago,

Hong Xixiang missed entering the fairy world because of his beloved woman. This time, he would not miss entering the fairy world again.

As for Su Chen,

Hong Xixiang didn't care anymore.

Su Chen might be a powerful immortal in the immortal world, but with the immortal gate open, he believed that Su Chen didn't have the time to deal with him, and it was impossible to prevent him from entering the immortal world.

Whizzing!

Wang Xianzhi and Li Chungang also flew into the air from the sea.

They saw that the gate of heaven was about to be opened. Both of them had complicated expressions on their faces.

The gate of the fairy world was opened. They didn't know what impact it would have on the mortal world. Will the immortals act like this? Treat mortals with joy and anger.

After the immortal descended to earth,

Wang Xianzhi and Li Chungang were nothing in the future. They were like ants facing the immortal.

At this moment, all the people in "497" in Emperor Wu City looked at the whirlpool in the sky,

Tianmen?

Fairyland?

The gate of heaven is about to open.

Will the immortals from the immortal world appear in the mortal world? Everyone is waiting anxiously.

Su Chen touched his chin and thought,

"This is interesting. What kind of immortal will descend to earth soon? Will those immortals know me?"

Boom boom boom.....

A quarter of an hour later, a golden light shot down from the sky, and more than two immortals exuding a terrifying aura appeared in the sky.

"A small world of mortals without spiritual energy, we have come here again in vain"

"Alas, we have been to more than ten small worlds, and none of them has spiritual energy."

"It's difficult. Except for the big world, no other small world can have spiritual energy."

"Keep searching. If we can no longer find a world with spiritual energy, our cultivation realm will regress."

"Yes, we continue to look for a world with spiritual energy, otherwise our cultivation realm will regress thousands of years later."

In the air, more than twenty immortals checked the world, and they all started talking with ugly faces.

Everyone in Emperor Wu City looked at the more than ten immortals hazy in the sky. They did not hear the conversations of the immortals, but the immortals People exude an aura of terror, and everyone is very scared

"Yang Jian, Bull Demon King, do you still remember me?"

Su Chen was very surprised when he looked at the more than 20 people in the sky.

Yang Jian who taught,

Tongtian's mount Bull Demon King who intercepted the teaching, and some people from Buddhism.

Su Chen did not expect that these people would appear in the snowy world. Here, after the saints from the ancient world escaped, the disciples of the three religions also disappeared together.

At this moment, the appearance of Yang Jian and the Bull Demon King made Su Chen guess that the disciples of the three religions had hidden in the broken fragments of the ancient world.

"Emperor Su Chen?"

In the air, when people like Yang Jian saw Su Chen, they were all shocked and stunned. With Su Chen's appearance, they knew they were going to die.

"Explain the teaching, Yang Jian meets the Emperor of Heaven!"

"Jie Jiao, the Bull Demon King meets the Emperor of Heaven!"

"In Buddhism, Jin Chanzi leads the Eighteen Arhats to meet the Emperor of Heaven."

In the air, people like Yang Jian revealed their bodies one by one and saluted Su Chen.

The Emperor Su Chen appeared in this small world.

The disciples of their three religions hidden in the space fragments have been exposed. They want the Emperor Su Chen to open the net to the disciples of the three religions. On the one hand, they must be respectful to Su Chen.

Yang Jian felt very uncomfortable.

His sister Yang Chan, the Third Holy Mother, was Su Chen's woman. He was also Su Chen's elder brother-in-law.

However, Chanjiao was against Su Chen, and

Yang Jian was Chanjiao. After teaching three generations of disciples, he had no choice but to follow his master and explain the teachings.

Su Chen waved his hand and said,

"No courtesy, Yang Jian, your sister Yang Chan has been looking for you, you actually don't have to leave the ancient world. Yang

Jian replied helplessly, "I know, but I am a disciple of Chan Cult, and I cannot betray my master." (To read cool novels, go to Feilu Novel Network!)

Su Chen thought for a while and continued,

"Forget it, you disciples of the three religions, I will not make things difficult for you. The Great Desolate Immortal Realm is under my control again. If you want to return to the Great Desolate Immortal Realm, you can, but you must accept the jurisdiction of the Heavenly Court."

Jin Chanzi saluted Su Chen and said,

"Your Majesty the Emperor of Heaven, I would like to know if our respective cult leaders can also return to the prehistoric immortal world? Su

Chen replied expressionlessly, "No, Hongjun, I, Yuan Yuan, and Tongtian are bound to die. Even if I don't kill them, Luo Hu will kill them."

Jin Chanzi asked hurriedly, "Where are our two Buddhist Lords?" Su

Chen shook his head and said, "Zhunti and Jieyin were killed by Luo Hu a long time ago. How can they return to the ancient immortal world?"

"What? Our two Buddhas, Rahu, were killed?"

Jin Chanzi and the Eighteen Arhats were very surprised.

Zhunti and Jieyin fell from the deposed holy position to the quasi-sage realm, but they were also powerful at the pinnacle of quasi-sage, and they had escaped from the ancient fairyland. How could the Demon Ancestor Luohu kill two people? A leader?

Yang Jian and the Bull Demon King were very surprised.

Zhunti and Jieyin were killed by Demon Ancestor Luohu. This news made them very shocked.

At this time, Hong Xixiang, Wang Xianzhi, and Li Chungang in the East China Sea were horrified.

More than a dozen immortals saluted Su Chen and called him the Emperor of Heaven. Each of them looked pale and trembled all over.

It was over!

Su Chen turned out to be the Emperor of Heaven in the immortal world.

The three of them had wanted to kill Su Chen before.

The Emperor of Heaven Will Su Chen let them go?

No wonder Su Chen was able to summon the world-destroying thunder tribulation before, no wonder Su Chen dismissed the immortals. In

Emperor Wu City,

Wenina and Bai Yuekui smiled one after another.

They knew Su Chen's identity clearly. Chu, more than twenty immortals who had just descended from the immortal world saluted Su Chen. They guessed that these immortals also knew Su Chen.

Xu Zhihu, Xu Weixiong, and Qingniao all felt like they were fainting. The immortals who had just descended from the immortal world were about to faint. The immortal saluted Su Chen?

And called Su Chen the Emperor of Heaven?

The three of them felt as if they were in a dream. Su Chen was the Emperor of Heaven in the Immortal Realm ? How could the Emperor of Heaven in the Immortal Realm be a shameless bastard? How could he be a shameless pervert? Su Chen then A bit like an immortal? A bit like an emperor of the immortal world? Xu Nian's face was so pale that he almost collapsed on the ground. Su Chen was actually the emperor of the immortal world? How is this possible? However, many immortals in the immortal world saluted Su Chen one after another. It's not fake, damn 2.5. Xu Nian knew something big was going to happen. He shouldn't have said that Su Chen was killed by three powerful men, and he shouldn't have ridiculed Su Chen. At this time, the Eighteen Arhats and Jin Chan from Buddhism Zi Yuanshen communicated with each other, and their faces became indifferent. An Arhat threatened Su Chen,

"Emperor of Heaven, you must have come to this small world accidentally. Aren't you worried that we will kill you?"

Su Chen touched his chin and asked interestingly,

"oh? Do you feel that I don't have any cultivation now, and you want to kill me?"

Jin Chanzi saw the resolute attitude of the Eighteen Arhats, he named himself a Buddha and said with a serious face,

"Amitabha, we have this plan. Our Buddhist Lord has died, and Buddhism exists in name only. If we kill His Majesty the Emperor of Heaven, our death will be considered a worthy death."

Yang Jian shouted with an indifferent expression,

"Jin Chanzi, you are so presumptuous!".

Chapter 2885

Yang Jian took out the spiritual treasure to protect Su Chen. Su Chen was not only his sister's husband, but also the emperor of the ancient immortal world. He would not let Buddhism take action against Su Chen under any circumstances.

Jin Chanzi said with a serious face,

"Yang Jian, you and I are equally powerful, you can't stop us, and we were both forced to leave the Great Desolate Immortal Realm by Su Chen and Tiandao. Although the Emperor Su Chen agreed that we could return to the Great Desolate Immortal Realm, we will be controlled by Su Chen in the future."

"Our Buddhist sect, as well as your interpretation of the teachings, will all become cannon fodder. We have no choice. The Emperor Su Chen has no cultivation at all now. If we kill the Emperor Su Chen and then seal the broken fragments of the ancient world, it is impossible for the men of the Emperor Su Chen to discover us."

Yang Jian appeared next to Su Chen and shook his head and said,

"Jin Chanzi, no matter what you say, I will not agree with you killing the Emperor Su Chen."

Jin Chanzi saw that Yang Jian was not interested, so he looked at the Bull Demon King and asked,

"Bull Demon King, how do you choose? You are the only one left in Jiejiao. Don't you also want to protect the Heavenly Emperor Su Chen?"

The Bull Demon King thought about it and said fiercely,

"Kill, Master Tongtian cannot return to the ancient world of immortality, Luo Hu is also hunting for him, I cannot expose his spatial coordinates, Emperor Su Chen must kill him this time."

Su Chen showed disdain as he listened to the words of Jin Chanzi and Niu Demon King.

Their choice was wrong.

Jiejiao and Buddhism will not exist. Su Chen will eradicate them all without leaving a trace.

"500 system, notify Xuantian Tiandao and ask Tiandao to send the seven fairies and the Yaochi Fairy to this world."

【Ding, host, a copy of the origin of heaven】

"I guess, system, you really want to drain my source of heaven"

【Ding, the host can disagree】

"Damn it, I agree, little girl, after my luck mission is over, you must let me see your true body"

【Ding, dreaming】

"I go!"

Su Chen shook his head speechlessly.

The system is too stupid. How about upgrading?

The system has wasted so many sources of Heaven's Dao without upgrading. Su Chen doesn't know when the system will be successfully upgraded.

Boom boom boom.....

Jin Chanzi, Bull Demon King, and the Eighteen Arhats all showed terrifying momentum, and they wanted to attack Yang Jian and Su Chen.

Yang Jian is a Taiyi Golden Immortal, Jin Chanzi is also a Taiyi Golden Immortal, the Bull Demon King is a Golden Immortal, and the Eighteen Arhats are Xuan Immortals.

As long as Jin Chanzi entangles Yang Jian, the Bull Demon King and the Eighteen Arhats will easily kill the uncultivated Su Chen.

The waves in the East China Sea were rough for a while, and the entire East China Sea was shaken by the rolling water, and even set off huge waves.

Su Chen said with a cold face,

"Jin Chanzi, you are indeed Jin Chanzi. It seems that after traveling to the west, your cultivation and (acfa) memory have been restored."

"Emperor Su Chen, I am Jin Chanzi, and I am also Tang Sanzang. You will definitely die today."

"Yeah? Jin Chanzi, your decision today will cause all Buddhist immortals to be executed, and all human beings who believe in Buddhism will also be executed. The Great Desolate Immortal World, and even the small world to which it belongs, will no longer have Buddhism, and there will no longer be Buddhism. believer."

Jin Chanzi shouted with a pale face, "You..., Heavenly Emperor Su Chen, if you do this, you will kill billions, or even tens of billions of living beings. Aren't you afraid that Heaven will punish you?"

"Do you think I will be afraid?"

There was a look of disdain on Su Chen's face.

Tiandao punished him?

Xuantian Tiandao controls several realms, and the Great Desolate Immortal Realm is only one of them. Besides, Xuantian Tiandao is the clone of System Girl, and System Girl will also be him in the future. woman, will the system girl punish him?

At this time,

Wang Xianzhi, Li Chungang, and Hong Xixiang are staying away from the East China Sea. The immortals are about to start a war, and they don't want to harm Chi Yu.

Li Chungang:"The immortals want to kill Su Chen, this is what happened? Isn't Su Chen the emperor of heaven in the immortal world?"

Wang Xianzhi:"I don't know, it seems that Su Chen came to our world and lost the realm of cultivation. The Buddhist immortals wanted to kill Su Chen when Su Chen didn't have the realm of cultivation. However, Yang Jian wanted to protect the Emperor of Heaven, Su Chen."

Hong Xixiang:"Huh, I hope the Buddhist immortals can kill Su Chen, so that we won't be killed by Su Chen."

Li Chungang and Wang Xianzhi nodded one after another.

Hong Xixiang was right. Unless

Su Chen, the Emperor of Heaven, dies, the three of them will be killed by Su Chen in a while. Li Chungang and Wang Xianzhi also hope that Buddhism will kill Su Chen.

Emperor Wu's city ,

Wenina and others became worried.

The Buddhist immortals wanted to kill Su Chen.

Su Chen was now sealed in the realm of cultivation. They were worried that Su Chen would not be able to deal with the Buddhist people.

Xu Zhihu, Xu Weixiong, and Qingniao, They were confused again at this moment. (To read Baoshuang novels, go to Feilu Novel Network!)

What's going on?

Su Chen is the Emperor of Heaven in the Immortal Realm.

Why would Buddhists take action to kill Su Chen, the Emperor of Heaven? Buddhists don't worry about being killed in the Immortal Realm. Will the immortals crusade?

Xu Weixiong asked Xu Zhihu,

"Sister, are you worried about that bastard Su Chen?

Xu Zhihu replied hurriedly with a pale face, "No, why should I worry about that shameless pervert?"

"No? Why don't you hold my hand tightly? If you're worried about that bastard, just worry about it, I won't say anything."

Xu Weixiong was very speechless.

Xu Zhihu was not nervous about Su Chen?

Is this possible?

Just now when Fu Men was about to attack Su Chen,

Xu Zhihu held her hand tightly. She felt that her hand was grabbed by Xu Zhihu. It hurts.

Isn't this nervousness?

Xu Zhihu's face turned red and he hurriedly explained, "I am nervous, yes, I am just nervous."

Qingniao looked at Sister Xu Zhihu speechlessly.

She was being held by Xu Weixiong's hand, still holding her hand tightly.

When Xu Weixiong said that Xu Zhihu was holding her hand, Xu Weixiong did not notice that she was holding her hand. Hand?

Xu Nian did not expect that things would turn around again. The Buddhist immortal wanted to kill Su Chen. This was good news for him.

Xu Nian lowered his head and whispered,

"Kill them. I hope Buddhism can do something with it. It would be best to kill people like Suchen and Wenina."

Boom boom boom.....

Suddenly, there was another roaring sound in the sky over the East China Sea.

The Buddhist Golden Chanzi and the Bull Demon King, as well as everyone in Emperor Wu City, looked into the air. They all wanted to know what happened again, and also wanted to know if there would be another incident. The Rishi arrives.

Boom, suddenly a colorful light appeared.

After the colorful light dissipated, thousands of beautiful fairies appeared in the sky.

In the air, seven female fairies wearing various colored dresses stepped forward and saluted Su Chen, "The seven fairies from the Xuantian Realm, Meruo Heavenly Court, and Yaochi will lead the Yaochi fairies to meet His Majesty the Emperor of Heaven." The three thousand fairies also greeted Su Chen one after another. Morning ritual,

"See His Majesty the Emperor of Heaven."

Su Chen waved his hand and ordered,

"Without any courtesy, the Seven Fairies will take down the Bull Demon King, the Golden Chanzi and the Eighteen Arhats, and those who resist will be killed without mercy."

"Yes, His Majesty the Emperor of Heaven!"

Swish swish swish"

The seven fairies instantly appeared around Jin Chanzi and the others. They looked at Jin Chanzi and the others with murderous intentions.

If they dare to surround and kill His Majesty the Emperor of Heaven, they will kill these people to pieces.

Jin Chanzi, Bull Demon King, and the Eighteen Arhats looked so frightened that they did not resist.

Seven powerful quasi-sage men and three thousand Daluo Jinxian fairies, how could they resist?

Any fairy from the Yaochi Fairy, all of them together are no match.

Yang Jian looked at Jin Chanzi and the others and shook his head, these fools, is it so easy for Emperor Su Chen to be killed?

In the prehistoric fairy world, the five great saints and Hongjun were helplessSu Chen, some scumbag Buddhist disciples, they are seeking death by attacking Su Chen..

Chapter 2886

In Emperor Wu's city, everyone looked at the beautiful fairies appearing in the sky.

These people were dazzled by the sight.

Each of the three thousand fairies was not only beautiful, but also had a perfect figure that was very attractive.

Wenina: "Why are the subordinates of that bastard Su Chen all women? They are all beautiful fairies."

Bai Yuekui: "These are the fairies of Yaochi, the fairies cultivated by Su Chen himself."

Mu Ningxue:

"It's so sexy. That bastard also has an angel army. The angels are also very beautiful. I guess the Yaochi Fairy and the angel army are Su Chen's personal bodyguards. Qilin coughed and reminded:

"Ahem, there are also the shadow assassins around Su Chen. Those elusive assassins are also very beautiful."

Weinina, Bai Yuekui, and Mu Ningxue all looked at Qilin, what's going on with Qilin?

Isn't he not interested in women? Why did he mention Su Chen's shadow-assassin today?

Qilin was being stared at by the three women of Wenina. Wait, he said hurriedly,

"Don't look at me. There are many beauties around Su Chen, including the Angel Legion, the Yaochi Fairy Legion, the Shadow Assassin Legion, and the Western Goddess Legion. We all know these. You don't think Su Chen only wants these beauties, right?"

Wenina and her three girls shook their heads speechlessly.

They didn't know how many beauties Su Chen had, but they felt that Qilin had changed. They didn't know whether Qilin was led astray by Su Chen, or whether Qilin was led astray by Maximus..

Xu Zhihu, Xu Weixiong, and Qingniao were even more surprised when they heard the conversation between Wenina and the others.

However, they were also very curious in their hearts, the beauty army?

Are all Su Chen's men a beauty army? What is the angel army? What? What is the Western Goddess Legion?

At this moment,

Su Chen saw that people like Jin Chanzi did not resist being arrested, and he ordered with a cold face,

"Red clothes, execute people like Jin Chanzi, and inform the heaven of the ancient immortal world that all Buddhist disciples in the ancient immortal world will be wiped out, and all living beings who believe in Buddhism will be wiped out. Notify the Six Paths of Reincarnation, and Buddhist disciples and living beings who believe in Buddhism will not be able to live forever."

Hongyi immediately saluted and said,

"Yes, Emperor of Heaven!"

Boom!

Then,

Hong Yi slapped Jin Chanzi and the others with his palm. Orange Yi took out the spirit treasure and wiped out the souls of Jin Chanzi and others.

Su Chen saw Jin Chanzi, Bull Demon King, and the Eighteen Arhats being wiped out. , he looked at the fairy gate in the sky and ordered,

"Red clothes, take three thousand fairies with you, go to the fragmented space of the ancient world and kill all the Buddhist disciples."

"Yes, Emperor of Heaven!"

After Hongyi and other fairies saluted Su Chen, they quickly entered the fairy gate with three thousand fairies.

The broken fragments of the ancient fairy world?

It turns out that the disciples of the three religions hid in the broken fragments of the ancient world. No wonder the disciples of the three religions were never found. Hiding place.

Su Chen smiled at Yang said,

"Brother, do me a favor. Do you see the three mortals in the distance? Help me kill them. Yang

Jian asked with a dark face.

"Su Chen, why did you come to this small world? And how come your cultivation realm is sealed?"

"I have nothing to do and come to the small world to play"

"Have fun? You haven't destroyed the Demon Ancestor Rahu yet, so aren't you worried about Rahu invading the prehistoric fairy world? Su

Chen curled his lips and replied, "That idiot Luo Hu doesn't dare. Brother, your sister is now in the late stage of Quasi-Sainthood. Your strength is like a scum in front of Yang Chan."

Yang Jian asked with a dark face, "What about you?" Are you as powerful as my sister?"

"Haha~, uncle, I am now in the eighth level of the Holy Realm. I can kill you in one breath."

"snort!"

Yang Jian's face was so dark that he didn't want to talk to Su Chen, the eighth level of the Holy Realm?

How long has it been?

This bastard's strength has improved too fast, and it's too scary.

However, his sister Yang Chan's strength is also good, (it's so cool to see For novels, go to Feilu Novel Network!)

Su Chen was really good to her sister. Yang Chan was in the late quasi-sage cultivation realm, which also scared him.

Yang Jian thought that if he saw Yang Chan again, he guessed that Yang Chan would be I will beat him. After all, he didn't tell Yang Chan when he left the ancient world.

"Destroy!"

Yang Jian looked at Hong Xixiang and the other three and waved and patted them over. They were three scum.

It would be easy for him to destroy Hong Xixiang and the other three.

Boom!

Hong Xixiang, Wang Xianzhi, and Li Chungang saw Yang Jian's giant hand slapping over them, and their expressions changed. They wanted to escape, but their bodies seemed to be frozen. Until the giant palm slapped them, Hong Xixiang and the three people didn't even scream. They were stunned by Yang Jian's palm and were completely wiped out.

0 Asking for flowers

Su Chen looked at Emperor Wu City and shouted, "Everyone in Emperor City Wu, listen, Emperor City Wu will be destroyed in a quarter of an hour. If you don't leave Emperor City Wu, it will be destroyed together with Emperor City Wu."

When the warriors and people of Emperor Wu City heard Su Chen's words, everyone quickly left the City of Emperor Wu.

There were immortals who wanted to destroy Emperor City of Emperor Wu.

They didn't want to die but had to leave the City of Emperor Wu quickly.

Xu Nian took Ning Emei, and Wei Shuyang and others also fled quickly. ,

Wang Xianzhi and Li Chungang have been killed.

If Xu Nian doesn't leave Wu Emperor City quickly, he is worried that Su Chen will kill him too.

Wenina said to Qilin and the others, "Let's go to the beach. That bastard will not come to Emperor Wu again." city"

"good!"

Bai Yuekui and Qilin nodded. Bai Yuekui took Xu Weixiong, Wenina took Xu Zhihu, and Mu Ningxue took Qingniao. They quickly headed towards the seaside.

Li Chungang was killed, and mission two was completed. , the third task of destroying Emperor Wu City is left.

After Emperor Wu City is destroyed, they will join Alice's team and face the unknown destiny war mission together.

Su Chen said to Yang Jian next to him,

"Uncle, please help me destroy this city soon, and then you can go to the Great Desolate Immortal Realm. Chan'er is now in the Great Desolate Immortal Realm. You can ask Chan'er to take you to climb the ladder to heaven.

Yang Jian asked in surprise, "Ladder to heaven?" Can I climb the mysterious ladder to heaven?"

Su Chen replied with a smile,

"Yes, I control the ladder. You can climb it as many times as you want."

Yang Jian looked at Su Chen speechlessly.

He didn't bother to ask how Su Chen controlled the ladder to heaven.

This bastard was so weird.

Su Chen became the emperor of the ancient world without becoming an immortal. After leaving the ancient world, this bastard was useless. Nian has controlled another realm, and there are many saints in the holy realm under his command.

Yang Jian has no idea about Su Chen. In the ancient fairy world, or even in the chaotic world, no one may be able to guess how Su Chen did this.

Boom.!

Emperor Wu City was slapped to the ground by Yang Jian. Yang Jian disappeared into the air without saying hello to Su Chen.

【Trialists, three mission teams have been completed. You have three days to repair. Three days later, you will start the Luck War mission with another team. wide】 .

Chapter 2887

Su Chen didn't pay attention to the reminder of Qi Luck and Heavenly Dao. Zha Zha's Qi Luck War mission, he just didn't have any level of cultivation, and the ordinary world could not threaten him.

【Lucky Su Chen, you should not continue to participate in the Luck War mission. Your team's Luck mission was completed by cheating. 】

Su Chen curled his lips and asked,

"Qi Lun Tian Dao, why can't I participate in the Qi Lun War mission? How could I cheat again?"

【Emperor Su Chen, you should not contact Tiandao in Xuantian Realm and ask Tiandao to teleport your men to the mission world. This is unfair to other lucky people. 】

Su Chen asked coldly,

"Qi Yun Tian Dao, you have been observing this world, haven't you seen an immortal appear? Our cultivation realm is sealed in the realm of the Grand Master. Do you think the Grand Master can destroy the Immortal?"

【Luck missions are unpredictable, and accidents are inevitable】

"Are accidents inevitable? An accident is inevitable. Due to luck and destiny, it was also an accident for my men to appear in this world. Do you think this accident is also inevitable?"

【Emperor Su Chen, you are using strong words to make sense.】

"Maybe, luck and destiny, you can't deprive me of my quota to participate in the luck war, you should also understand"

【Emperor Su Chen, your existence violates the rules of destiny and heaven, and heaven wants to remove you from the participation quota. 】

Su Chen threatened disdainfully,

"Qi Yun Tian Dao, I advise you to be kind. You should understand that you cannot remove my name. If you anger me, I will destroy you and take away your origin of Heaven."

Su Chen no longer cares about the Heavenly Way of Qi Luck.

Xuantian Realm has been promoted to the top realm. Xuantian Heavenly Way is still the top Heavenly Way of the Twelve Heavens of the Holy Realm.

If the Heavenly Way of Qi Luck angers him,

Su Chen doesn't mind gathering. All the holy realms in the Xuantian realm are destroyed by Qiyun Tiandao

【Emperor Su Chen, you have won. However, I hope that the Emperor will not destroy the mission of luck. You should understand the existence of the heavenly way of luck, and you should also understand that the purpose of the heavenly way is to enhance and help those with luck.】

"I agreed."

Su Chen touched his chin and nodded in agreement.

The Heavenly Way of Qi Luck is good.

The Heavenly Way of Qi Luck is not a system or old man who exploits those who have luck, nor is it for raising Gu and then slaughtering them. On the

East China Sea,

Wenina and others saw Su Chen seemed to be talking to someone.

They were all very confused.

The immortals in the sky had all left. Who was Su Chen talking to? Are there immortals hiding around?

Whoosh!

Su Chen instantly appeared next to Venina. next to people,

"The mission is completed, we rest for three days to prepare to join Alice and the others."

Wenina stepped forward and hugged Suchen and asked, "Husband, who were you talking to just now?"

Su Chen hugged Wenina and kissed her and said,

"Good luck! Bai

Yuekui asked in surprise,

"What? Luck and destiny? Husband, what is Qi Yun Tian Dao talking to you about?"

Su Chen explained with a smile,

"Qiyun Tiandao wanted to remove me. I threatened to kill Qiyun Tiandao, but Qiyun Tiandao finally compromised."

Wenina and Bai Yuokui looked at Su Chen speechlessly. They did not expect that Su Chen would threaten Qiyun Tiandao.

However, when they thought of Su Chen's identity, Qiyun Tiandao might really be worried that Su Chen would kill it.

Xu Zhi Tiger and Xu said to Xiong, and Qingniao was confused when he heard,

Qi Luck and Heavenly Way?

What is this?

The three women felt as if they were listening to the heavenly book, but Su Chen dared to threaten Qiyun and Heavenly Way, and Qiyun and Heavenly Way should be very terrifying.

Three days?

Su Chen and the others are leaving in three days?

At this time,

Jiang Ni ran over panting and shouted,

"Huhuhu, Su Chen, you bastard, why didn't your people take me with them when they left Wudi City? I almost died in Wudi City."

Su Chen said to Jiang Ni,

"Jiang Ni, you are free, you can go wherever you want."

Jiang Ni shouted angrily,

"free? How am I free? Can I be free? My identity as the Princess of Xichu has been exposed. Cao Changqing was killed by your woman. Xu Nian can't protect me even if he leaves. Apart from following you and letting you protect me, where else can I go?"

Su Chen touched his chin and teased, "Eh? Little beauty, you are right, you will be my one hundred and eight concubines from now on."

"shameless!" (To read Baoshuang novels, go to Feilu Novel Network!)

Jiang Ni glared at Su Chen angrily,

One hundred and eight concubines?

Why doesn't this shameless pervert die?

God?

Emperor of Heaven?

This bastard is from Demon King of Hell

"Let's find a temporary place to live first."

Su Chen looked at the people around him and said, there are still three days left, and they can't live in the wild.

"` Okay!"

"Let's go to the boat. There are no towns around. Let's rest on the boat for three days."

"That's right, we'll just make do with it on the boat for three days."

"Okay, it's only three days anyway, I don't care."

Wenina and others agreed to go to the boat to rest for three days. They are all Jianghu people and can rest anywhere. Anyway, they only have three short days. Two days later, at night, on the big boat at sea,

Su Chen He came out of the cabin refreshed. He had just taken care of Xu Zhihu and Qingniao.

In the past two days, he had taken care of the three women Jiang Ni, Xu Zhihu, and Qingniao.

They were originally Su Chen's women, and they were also Following him to the boat, Su Chen couldn't let go of Xu Zhihu, Jiang Ni, and Qingniao.

Damn,

Xu Weixiong is really a tiger.

He couldn't defeat Xu Weixiong several times in a row.

Leng Meixiong is really good. A cold beauty,

Xu Weixiong is just like an emotionless stone girl.

Whoosh!

Hongyi suddenly appeared next to Su Chen and saluted,

"His Majesty the Emperor of Heaven, Northern Liang King Xu Xiao and Xu Nian were killed, and all the warriors above the Zhixuan Realm of Liyang Kingdom were beheaded."

Su Chen nodded and said,

"Yes, Hongyi, after the Buddhist sect in the prehistoric fragmented space is destroyed, you communicate with the Xuantian Heavenly Way and return to the Xuantian Realm. Let the small world fend for itself."

"Yes, the younger brother of His Majesty the Emperor of Heaven."

Su Chen waved his hand, and Hongyi disappeared beside Su Chen.

Su Chen took a sip of wine and said,

"Come out!"

Xu Weixiong walked out with a cold expression.

She had just heard what Su Chen and Hong Yi had just said. Xu Weixiong did not expect that Su Chen would let people kill Xu Xiao and his son, and even the people above the Zhixuan realm of Liyang Kingdom All the warriors were beheaded

"Xu Weixiong, you didn't rest in the middle of the night. Have you figured out that you want to devote yourself to me?"

Su Chen did not expect that this destiny war mission would be a battle for the deer, and the battle between the Human Emperor Xuanyuan and Chi You would also be a battle for the throne of the third Human Emperor.

The tribe controlled by Emperor Xuanyuan and the Jiuli tribe controlled by Chi You, the war between the human race and the descendants of human witches.

Five Luck War missions.

In the first mission, they have to join Emperor Xuanyuan or join Chi You's camp. Do they have to choose one camp?

Join Emperor Xuanyuan's camp?

Or join Chi You's Jiuli camp?

In the second mission, they have to kill ten people from the enemy team. The enemy team must be killed, and they must also kill the enemy team.

The third mission is to kill at least three important figures from the hostile forces? Su Chen and ten people want to kill three important subordinates of Xuanyuan or Chi You.

Well, this task is a bit difficult.

Emperor Xuanyuan's subordinates are basically disciples of the three religions. If they kill the disciples of the saint, people like Su Chen and Alice will be very angry. Bad luck.

Chi You's men are from the Wu Clan.

If they kill the 02 great shamans of the Wu Clan, the remnants of the Wu Clan will not let them go. There is also Empress Pingxin of the Six Paths of Reincarnation. She may also send out clones to chase them down..

The fourth task is to seize a spiritual treasure from the leader of the hostile force.

This task is very simple.

Su Chen alone can seize the spiritual treasure of the emperor or Chi You.

For the fifth mission, each team can summon 100,000 troops (the realm of cultivation in the fairyland), and also kill 50% of the enemy's troops. This is a war between armies.

Su Chen believes The strength of his army.

But, how many armies did the emperor and Chi You have respectively? million?

Or tens of millions?

Well, the fifth task seems simple, but there are too many uncertainties.

Laura patted Suchen on the shoulder and asked,

"Su Chen, what are you thinking about? Which camp do we want to join? Is it Emperor Xuanyuan? Or Chi You?"

"Which camp to join?"

Su Chen frowned.

In fact, he didn't want to join any camp.

Emperor Xuanyuan was just a pawn in the hands of the saint, and Chi You was a brainless idiot.

But the first task was to join a camp, and Su Chen had no choice.

Helping Emperor Xuanyuan?

Su Chen was unwilling to do so.

He had massacred Emperor Xuanyuan and massacred all emperors twice. He was a puppet human emperor, or he was a waste who only took three thousand imperial concubines to become an immortal and defeated Chi You. Su Chen was interested in Emperor Xuanyuan. I really can't stand it.

Helping Chi You?

Chi You is an idiot.

Su Chen just wants to help Chi You.

Chi You may also look down on him, and may even massacre them.

【Lucky ones, the enemy team joins Emperor Xuanyuan's camp in advance. Once the mission changes, mission 1 will add independent development forces to compete for the throne of the Emperor. If the mission is successfully completed, the reward will be doubled tenfold. 】

Su Chen and Alice were confused.

The enemy team chose Emperor Xuanyuan's camp?

How could it be so fast? (To read Baoshuang novels, go to Feilu Novel Network!)

It is impossible for the hostile team to know the outcome of the Zhulu Battle. How could the hostile team quickly come into contact with Emperor Xuanyuan and quickly join Emperor Xuanyuan's camp?

Bai Yuekui asked in surprise,

"How could the enemy team move so fast? Not long after we appeared in the Great Desolate Immortal Realm, a hostile team came into contact with Emperor Xuanyuan, and even joined Emperor Xuanyuan's camp. What's going on?"

Alice said with a serious face,

"It should be that the enemy team used special items. They knew that Emperor Xuanyuan would win the battle, so the enemy team used special items to join Emperor Xuanyuan's camp."

Venina:"Alice's guess is good. The enemy team may have used special items.

Maximus:"The enemy team used special items. He knows the outcome of the battle. It makes sense for them to join Emperor Xuanyuan's camp. What should we do now?"

Selena:"What else can we do?" Apart from joining Chi You's camp, the only remaining option is to develop independently. In the prehistoric immortal world, can we compete with Emperor Xuanyuan and Chi You for the Human Emperor?"

Mu Ningxue:"The rewards for independently developing forces to compete for the Human Emperor are good, but it is impossible for us to defeat Emperor Xuanyuan and Chi You. We can only join Chi You's camp.

Natasha:"Su Chen, how should we choose?" Why are you always thinking about things? Tell me what you think.

Laura:"Su Chen, what are your plans?"

Su Chen looked at everyone with serious faces and said,

"We choose to develop independently. Emperor Xuanyuan's camp is joined by a hostile team. Chi You is a brainless idiot. Even if we join Chi You's camp, we will still fail in the end.

"In this case, we will develop independently"

"The war between Emperor Xuanyuan and Chi You is also an opportunity for us to develop secretly. The battle will last for more than ten or decades, and we have the opportunity to develop our power."

Su Chen plans to develop his power independently.

Emperor Xuanyuan and Chi You are life-and-death enemies.

In the early stage, they will regard the enemy as their enemy and will use any means to destroy each other.

People like Su Chen and Alice can gradually control the human race. Small tribes can also develop slowly for more than ten years.

After they secretly develop and grow, they will be able to fight against Emperors Xuanyuan and Chi You, Su Chen and Alice 713.

However, the high-end combat power still needs to be won over.

Queen Mother of the West, Zhen Yuanzi, Zhulong, Styx, and several big demons from the demon clan, etc. Su Chen planned to draw them into his camp

"Okay, I agree"

"I agree"

"Whatever Su Chen says is whatever it is, and I agree with it, brother."

"I agree!"

"Husband, I believe you".....

Winina and Alice all nodded in agreement.

Su Chen was right.

Emperor Xuanyuan's camp was joined by a hostile team in advance. If they join Chi You's camp, they will fail in the end. Since they will fail in the end, they might as well control their own. Destiny, with Su Chen here, the nine Venina believe that the final war will be won.

Su Chen hugged Alice and Bai Yuekui and said,

"Okay, let's check out the surrounding human tribes first. We can choose some small tribes to control. We'd better not arouse Emperor Xuanyuan's ideas."

"Can!"

At this time, in the ancient heaven and the peach garden,

Su Yan suddenly appeared in the peach garden.

"I went, and the boundary-breaking talisman actually took me to another prehistoric fairyland. Is this the Peach Garden? The Queen Mother's Peach Garden? The queen mother and aunt of the trial world shouldn't know me?".

Chapter 2890

When Su Yan climbed the three thousandth floor of the ladder, she got a boundary-breaking talisman, a boundary-breaking talisman that could play in the trial world.

She originally wanted to bring her three younger sisters with her, but the boundary-breaking talisman could only be hers. Using it alone, Su Yan could only leave his three sisters behind and use the Boundary Breaking Talisman.

Su Yan touched his chin and whispered,

"Trouble is, if the Queen Mother and Auntie kill me, will I fight back? Or run away?"

Whoosh!

A graceful and luxurious woman suddenly appeared in the peach garden.

She secretly checked Su Yan.

A strong man at the peak of Daluo Jinxian? Or a woman of sixteen or seventeen years old? She couldn't understand how a Daluo Jinxian could do this. Appearing silently in her peach garden?

"It's really weird. A sixteen or seventeen-year-old human woman turned out to be a Daluo Jinxian. She was not reborn by seizing a body, nor was she reincarnated by an innate power. Who is this human woman?"

Whoosh!

The graceful and luxurious woman appeared in front of Su Yan instantly.

She asked expressionlessly,

"Human, why do you appear in my garden?"

"Aunt Queen Mother, I am Su Yan, don't you remember me?"

Su Yan saw the Queen Mother appear, and she was still questioning. Su Yan rolled his eyes and hurriedly grabbed the Queen Mother and acted coquettishly.

The Queen Mother was stunned when Su Yan grabbed her, aunt?

What the hell ? ?

The little girl knows her?

How is this possible?

"Little girl, what are you yelling about? How can I be your aunt? I don't even know you."

Su Yan took the Queen Mother's hand and said,

"Auntie, everything I said is true. My name is Su Yan. I don't dare to deceive my auntie."

The Queen Mother said speechlessly, "I don't believe it, I want to check your memory."

The little girl is really familiar.

The Queen Mother is here to catch the thief who broke into the peach garden.

Where is Su Yan?

She pulled her without fear.

The Queen Mother didn't know whether to catch Su Yan.

Su Yan smiled. Agreeing, "Okay, okay, aunt, please check it out."

Check her memory?

It is impossible for the Queen Mother to check his memory.

Not to mention her father's protection of her, even Xuantian Tiandao has also strengthened the protection of her memory.

There is also the ladder to heaven.

Su Yan appears in the trial world.

The ladder to heaven She will also seal her memory so that no one can check it.

After a while, the Queen Mother looked at Su Yan with a frown.

She couldn't check Su Yan's memory.

If she forcibly checked Su Yan's memory, the Queen Mother's soul would be backlashed and injured..

Weird little girl, the Queen Mother doesn't know what to do with Su Yan

"Little girl, you stay in Yaochi Immortal Palace first. I want to find out your origins."

"Okay, okay, aunt, here you go, these are yellow plums, ginseng fruits, golden apples, and nine-thousand-year-old flat peaches. My aunt's flat peaches are not yet mature, so aunt should eat these top-quality innate spiritual fruits of mine first."

Su Yan quickly took out a bunch of spiritual fruits and gave them to the Queen Mother.

She wanted to please the Queen Mother.

Su Yan didn't want to stay in the Yaochi Palace in Heaven.

She wanted to see the prehistoric fairyland of the trial world. The prehistoric fairyland of the trial world is now What period is it? Is there anything big happening in the ancient world at this moment? Su Yan is going to play in the ancient land.

The Queen Mother looked at Su Yan in shock. How could the little girl keep taking out the innate spiritual fruits?

These are all top-quality innate spiritual fruits. , and the flat peach?

The flat peach is her top spiritual root, (for Baoshuang novels, go to Feilu Novel Network!)

And the flat peach has not matured since it was planted.

How can Su Yan have a flat peach?

Or is it a nine-thousand-year-old flat peach?

"Su Yan, how come you have these top-quality spiritual fruits?"

Su Yan replied with a smile,

"Auntie, I picked these secretly. I picked a lot of spiritual fruits behind my father's back. Auntie, ask me for these spiritual fruits after you finish eating them. I still have a lot of spiritual fruits."

The Queen Mother was even more confused.

Did she pick it secretly?

Did Su Yan secretly pick it behind her father's back?

Did Su Yan's father have these top-grade innate spiritual roots?

Isn't the ginseng fruit the top-grade innate spiritual root of Zhen Yuanzi?

Half a year later, the prehistoric human race,

Su Chen's ten people controlled more than a dozen small human tribes, with a population of one million, and an army of nearly two hundred thousand, but they were still incomparable in the face of emperors Xuanyuan and Chi You. In the

Xuanniao tribe,

Su Chen controlled more than ten tribes. The name was given backwards. After the integration of more than a dozen small tribes, it was called the Xuanniao Tribe.

In a city under construction,

Su Chen took a sip of tea and said,

"` Alice, Selina, Maximus, Bai Yuekui, you are responsible for managing the army, Venina and Laura, you are responsible for integrating the tribes under our control, Natasha, you, along with Mu Ningxue and Qilin, are responsible for monitoring the emperor. The actions of Xuanyuan and Chi You"

"good."

Alice and Selina all nodded.

They have just started.

There are many human races in the ancient times, and the tribes are scattered too far.

The armies controlled by Emperor Xuanyuan and Chi You are at least millions. They now control The army is still too small, and it is far from the opponent of Emperor Xuanyuan and Chi You. In ten years, as long as there are ten years, the Xuanniao tribe will become as powerful as the emperor tribe and the Jiuli tribe.

Wenina relies on Su Chen asked in his arms, "Su Chen, what are you going to do? You assigned us tasks, what about you?"

"((Zhao Zhao) I'm going to find some powerful helpers. Our cultivation realms are all in the Tribulation Realm."

"In the ancient immortal world, we are all scum ants. Emperor Xuanyuan and Chi You all have powerful immortals to help us, and we also need the help of some powerful immortals. Alice nodded and said,

"Well, Su Chen is right. Even if we have a powerful army, if those immortals kill us, the Black Bird Tribe will be finished. We need some powerful immortals to help."

Wenina grabbed Su Chen's hand with a red face.

This bastard was so perverted.

Alice and Bai Yuekui were nearby, and this bastard touched her openly. Wenina wanted to bite this shameless pervert to death. embryo

"Su Chen, are you going to find those immortals? Emperor Xuanyuan has the help of saint disciples, and Chiyu has the help of the witch clan. I am worried that the immortals in the prehistoric immortal world will not dare to offend the saint and the witch clan."
