### Chapter 2891

When Bai Yuokui and Alice heard Wenina's question, they all looked at Su Chen.

Emperor Xuanyuan had help from disciples of the three religions, Chan Jiao, Jie Jiao, and Chi You.  
In the prehistoric fairy world

, Chiyu had help from the witch clan.

The immortals, will there be immortals to help them? Will any immortal dare to help them?

Su Chen said with a smile,

"How will you know if you don't try? I have a way to convince some immortals to help us."

Selena said worriedly,

"Su Chen, be careful when you go to those immortals. This world is not a prehistoric ~ fairyland under your control."

Natasha nodded seriously and said,

"Well, Su Chen, although the trial world is the same as your control of the prehistoric fairyland, it is not the same world, and the immortals in the trial fairyland cannot obey your orders."

Laura reminded Su Chen,

"Selena and Natasha were right, Su Chen, your cultivation level is limited, and your cultivation level in the Tribulation Realm is just scum in the ancient immortal world. Don't cause trouble when you go to find immortal helpers."

Alice also reminded hurriedly, "That's right, Su Chen, don't cause trouble in the trial world, and don't provoke those powerful immortals."

"I won't cause trouble, I understand what you said."

Su Chen shook his head speechlessly.

This destiny mission was in the ancient immortal world, and his cultivation realm was still limited to the tribulation realm of cultivating immortals. In the battle of chasing deer,

Su Chen guessed that it would not be easy to complete the five major tasks.

Lao Tzu and the three great saints, Yuan Yuan and Tongtian, will not let Su Chen destroy the Emperor's enlightenment, nor will they let him destroy the saint's disciples to obtain the merits of heaven. Su Chen may continue to fight against the saint.

Damn it,

Su Chen thought If he wants to scheme against those saints again, his head will be big.

Su Chen is already a super strong man in the eighth level of the saint realm. It will be easy for him to crush these saints to death. Even that old bastard Hongjun can easily crush him to death. ,

Luck and Heaven's Way mission?

He doesn't need to participate, but for the sake of the origin of Heaven's Way, and in order to get some treasures so that Nuwa and the girls can advance quickly.

Su Chen will gain something by participating in the Fortune's Heaven's Way mission, at least the system girl can get the origin of Heaven's Way , it may also speed up the system girl's upgrade.

In the Black Bird Tribe,

Su Chen, Alice and Wenina explained to a few people, and then disappeared into the Black Bird Tribe,

Queen Mother of the West?

Su Chen planned to go to the West Kunlun Mountains to get the Queen Mother of the West first , and then asked Queen Mother Xi to take him to Chaos to find Nuwa

"We seize the time to annex the surrounding small tribes. Su Chen looks for immortal helpers. We want to develop and expand the Xuanniao tribe."

"Yes, we can't help Su Chen with other things, but we can't let Su Chen worry about the development of the Black Bird Tribe."

"Then take action. Within ten years, we must develop the Xuanniao tribe and at least be able to fight against Emperor Xuanyuan and Chi You."

"Okay, Alice, the four of you are ready to lead an army to annex the surrounding small tribes."

"Don't worry, in just one month, we will lead 200,000 troops to start the campaign"

"Everyone performs their duties, we don't have much time, the war between Emperor Xuanyuan and Chi You will break out soon, we have to speed up."

After Su Chen left, Maximus and Bai Yuokui talked for a while and went about their respective tasks.

In a few years, the war between Emperor Xuanyuan and Chi You will break out.

They will be strong when the battle of Zhulu breaks out. Up, the Xuanniao tribe could at least withstand the attack of Emperor Xuanyuan's tribe or Chiyoun's Jiuli tribe.

Half a month later,

Su Chen was hundreds of thousands of miles away from the Xuanniao tribe.

The prehistoric fairy world was vast, and

Su Chen only had With the cultivation level of Tribulation Realm, although he knows the laws of space, he does not have enough mana to quickly teleport to West Kunlun. It may take several months for Su Chen to reach West Kunlun.

Whoosh,

Su Chen appeared on a fairy mountain and whispered, (To read exciting novels, go to Feilu Novel Network!)

"Well, if you don't have the strength, it's really difficult to move forward in the Great Desolate Immortal World. The Great Desolate Immortal World is vast and boundless. It may take you more than a month to reach West Kunlun."

"Human race? Why did you leave the human tribe? Um? You are still a young monk of the human race"

"I go!"

Su Chen was startled when he suddenly heard a woman's voice.

He didn't expect a woman to appear silently. Su Chen didn't notice it at all. He was careless.

Su Chen has been carried away since he advanced to the eighth level of the holy realm.

He is now The realm of cultivation is sealed in the Tribulation Realm, and he is not a super strong person in the eighth level of the Holy Realm.

0 Asking for flowers

Su Chen did not check his surroundings.

He was not as cautious as before. He must not make such low-level mistakes again in the future.

"Jiufeng?"

Su Chen didn't expect Jiufeng to appear here. Could it be that Jiufeng was going to help Chi You?

No,

Jiufeng didn't appear during the Battle of Zhulu.

After Chi You was defeated by Emperor Xuanyuan,

Jiufeng took the remaining Wu clan with him. She was plotted against, and she was deceived by Emperor Zhuanxu and almost killed.

"Human race, do you know me?"

Jiu Feng looked at Su Chen in surprise.

How could a scumbag human race know her?

Su Chen looked at Jiu Feng's hot figure and said,

"Jiufeng, I know you, and we have a close relationship. I know everything about you. Jiufeng stared at Su Chen and asked,"

Is the relationship close?" Human race, who are you?"

Su Chen said with a smile,

"Jiufeng, you don't need to check me. You can't check anything about me. However, we are destined Taoist couples. You don't need to be angry. Don't you realize that you are familiar with me?"

"Um?"

Jiu Feng glared at Su Chen angrily,

Taoist companion?

Destined Taoist companion?

A scumbag human race, how could she be a Taoist companion with a scumbag human race?

However,

Jiufeng did not check Su Chen's memory,

Su Chen's memory is sealed. If Jiufeng tries to check it, even her quasi-sage status will be destroyed.

"who are you?"

Su Chen touched his chin and replied, "Human Su Chen, your future husband."

Boom!

Jiu Feng smashed the mountain next to her with one palm. She wanted to slap Su Chen to death with a face full of anger.

However,

Jiu Feng's soul beat violently when she was angry and wanted to slap Su Chen to death, and kept warning her not to Killed Su Chen.

Jiu Feng was very shocked.

She was the only one in the Wu Clan who had a soul.

Her soul had never been so active.

Was it doomed?

Could it be that she was destined to be with this scumbag human race ? Taoist companion?

【familiar? Why don't I feel familiar with this scum of the human race? But why does Yuanshen keep warning him? What does the human Su Chen have to do with him? earth】 .

Chapter 2892

Su Chen saw Jiu Feng shattering a mountain.

He curled his lips and sat down.

Jiu Feng was really a bad-tempered witch, but Su Chen was not worried that Jiu Feng would kill him.

Su Chen had encountered this kind of experience many times in the prehistoric period of the Conferred Gods Period. As long as they were his women, even if they were not in the prehistoric fairyland of the same period, their souls would be connected to Su Chen's destiny.

It is destined that Nuwa, the Queen Mother,

Jiufeng and the Queen Mother of the West are waiting for his women. They are connected with Su Chen's fate. In the ancient fairy world at different times, the souls of Nuwa and the Queen Mother will also be involved with him.

"Jiufeng, are you going to the Jiuli tribe? Jiufeng asked Su Chen with a cold face,

"You haven't told me who you are and what your relationship is with me. Human Su Chen, why does the soul warn me when I want to kill you and prevent me from killing you?"

Su Chen got up and hugged Jiufeng's small waist and said,

"I am your destined Taoist companion, Jiufeng. Your soul warning will not be false, and I know your body well. There is a cinnabar mark under your left breast.

"When you were practicing the Wu Clan's Nine Revolutions Xuan Gong, Xuan Ming secretly used a drop of blood to help you break through in the sixth revolution. None of the other ancestral witches knew about this. Moreover, you always liked to wear black underwear, and only one was white. Lingsi underwear."

Jiu Feng looked at Su Chen in shock. She even forgot to break free from Su Chen's arms.

What Su Chen said were all her privacy, except that the Xuan Ming Ancestral Witch used essence and blood to help break through the Nine Revolutions Xuan Gong. No one knows about other things.

How could Su Chen know this?

Is Su Chen really a destined Taoist companion?

"Human race, let me go quickly, or I will kill you."

Jiu Feng reacted and found that Su Chen was holding her and stroking her waist constantly.

She reached out and wanted to slap Su Chen to death, but she couldn't do it despite Yuanshen's warning.

Jiu Feng even thought Zhen Fei was a bastard, and her soul kept vibrating to remind her not to do this.

Jiu Feng was going crazy for a moment.

She couldn't understand why her soul cared so much about Su Chen. Even if Su Chen was her future Taoist companion, her soul Even gods cannot defend this human bastard like this.

Su Chen hugged Jiufeng and smiled and said, "Jiufeng, you won't kill me~!"

"Damn it, Su Chen, if you dare to move your dog's paws again, I will definitely kill him.....woo woo woo woo!"

Jiu Feng was so angry that she wanted to threaten Su Chen, but she was kissed by Su Chen before she could finish her words.

Jiu Feng's eyes widened in disbelief.

She, a quasi-sage, was actually kissed by a scumbag, and she There was no resistance yet.

Jiu Feng was confused for a moment.

The familiar feeling, the feeling of being kissed by Su Chen was very familiar. Jiu Feng seemed to have experienced it countless times.

After a while,

Jiu Feng hugged Su Chen's waist tightly. She was completely lost in the joy of Su Chen's kiss.

In the ancient heaven,

Su Yan was doing very well in the heaven.

At this time, the heaven was not very good.

There were no powerful heavenly soldiers and generals, and the heaven was also empty. There are not many immortals.

However, the Yaochi Fairyland is different.

Su Yan gave a black-armored immortal combat legion that she carried with her to the Queen Mother of the Yaochi Fairyland.

The black-armored immortal legion whose cultivation level is the lowest among Xuanxian is now the strongest in heaven. A large army.

One hundred thousand black-armored immortals, three Daluo Golden Immortals, and hundreds of Taiyi Golden Immortals.

The Queen Mother was very confused when she got the black-armored immortals.

She was very confused about Su Yan's identity, but the little girl was very Ghost spirit, besides knowing Su Yan's name, the Queen Mother also only knew the name of Su Yan's father.

Su Chen?

A name that made her soul beat.

In the Yaochi Fairy Palace, the Queen Mother sat on the futon and whispered,

"What is Su Yan's identity? Why is this little girl carrying a terrifying army of immortals with her?"  
(To read exciting novels, go to Feilu Novel Network!)

"And Su Chen? Who is he? Why does my soul jump when I hear this name? Aunt? Could it be that Su Chen and himself were Taoist companions? Just is this possible?"

The Queen Mother frowned in thought and shook her head. For more than ten days, she has not been able to find out Su Yan's identity.

Aunt?

The little girl keeps calling her Aunt.

The Queen Mother is almost getting used to Su Yan's name for her.

"Hongyi, where did Su Yan go?"

"Madam, your highness the princess went to the Taiyin Star.

The Queen Mother stood up in surprise and asked, "What?" Girl Yan went to Taiyin Star? Why didn't you stop Yan Yatou?"

Hongyi hurriedly saluted and replied,

"Madam, Her Royal Highness the Princess is the Great Luo Jinxian. We are weak and cannot stop Her Royal Highness."

"Forget it, I'll catch Yantou myself."

The Queen Mother shook her head speechlessly.

A sixteen-year-old Daluo Jinxian, the Queen Mother was even more curious about Su Yan's identity.

Who are Su Yan's parents?

Why did the little girl become a Daluo Jinxian at such a young age?

At this time,

On the Taiyin Star,

Su Yan and Chang'e looked at each other with big eyes and small eyes.

Chang'e asked Su Yan with a serious face, "Su Yan, how do you know that Chang Xi has not died?"

Su Yan ate the flat peach and replied with a smile,

"Aunt, you are not only my aunt, Chang Xi is also my aunt. Of course I know that Aunt Chang Xi did not die. I brought the Three Lights Divine Water this time. Aunt Chang Xi will recover from her injuries with the Three Lights Divine Water."

Su Yan was very excited.

Ever since she knew that the Great Immortal Realm was a place where the Lich War ended,

Su Yan's mind became active.

Her father Su Chen could dominate the Great Immortal Realm, why couldn't she?

Su Yan planned to put her father to death. All the women are attracted to her. She wants to be the empress of the ancient world. Su Yan also wants to completely unify the ancient world like her father.

"Su Yan, do you have the Three Light Divine Water?"

Chang'e looked at Su Yan in surprise.

Su Yan not only knew about Chang Xi's existence, but also knew that Chang Xi was seriously injured. He even had the best healing medicine San (Wang Qianhao) Light Divine Water. Chang'e was even more concerned about Su Yan's identity. Curious.

Su Chen?

Su Yan's father?

Chang'e was very unfamiliar with this name, but her soul was very active and even very happy when she heard Su Chen's name.

Why is this?

Is the soul wrong?

Or is it ? Does Su Chen really have a close relationship with her?

In the Moon Palace,

Chang Xi was hiding in the depths of the Moon Palace with his eyebrows raised.

Since Su Yan of Daluo Jinxian appeared, her spiritual treasure moon essence wheel was about to fly out. Chang Xi understood that the moon essence wheel She wanted to find Su Yan, but Yue Jinglun was her companion. How could Yue Jinglun be so happy that she wanted to fly to find Su Yan?

Chang Xi touched his fair chin and whispered,

"Su Yan? Suchen? Who are their father and daughter?"

"Su Yan knows him well, and even his own Ling Bao Yue Jing Chan is looking for Su Yan. What's going on? Why did the soul jump when I heard Su Chen's name?"

Chapter 2893

Chang Xi continued to listen to the conversation between Su Yan and Chang'e. She was in great need of the Three Light Divine Water , but where did Su Yan come from? Who is Su Chen? Chang Xi needs to find out first. Su Yan smiled and took out a jade bottle and said,

"Auntie, I have a lot of Sanguang Divine Water. There are a hundred drops of Sanguang Divine Water in this jade bottle. If it is not enough for Aunt Chang Xi, I will give you a few more bottles of Shuiguang Divine Water."

Chang'e looked at the three-light divine water in the jade bottle, nodded hurriedly and said,

"That's enough, Su Yan, you really can't tell me your identity? And your father, Su Chen, who is he?"

Su Yan shook his head and replied,

"Aunt, I can't tell you my identity now. As for my father, my father is a man who seeks death everywhere. My mother and other aunts call my father a bastard. Chang'e touched Su Yan's hair and said, "Okay, Su Yan, I can stop asking you, but you have to tell me everything about you and your father within ten years.""

"OK, aunt!"

Su Yan nodded and agreed.

Ten years?

It's enough.

Within ten years, she will definitely win over Aunt Nuwa 027 and the others.

By then, she will be the one to rule the Great Heaven.

As for the Emperor Haotian?

Su Yanhui Tell him to get lost.

If Emperor Haotian doesn't know what he's doing, Su Yan will ask Aunt Nuwa to kill Haotian.

"Okay, Su Yan, in ten years you must....Hey, the Queen Mother has also come to Taiyin Star. Little girl, is the Queen Mother here to see you?"

"Well, I secretly ran away from Yaochi Immortal Palace. The Queen Mother and Auntie may be worried that I will be in danger."

"Queen Mother and Aunt? Little girl, you wouldn't say that the Queen Mother is also your father's woman, right?"

"Auntie, you will understand later. I will pick up the Queen Mother and bring her into the Moon Palace."

"All right."

In the ancient land, half a month later,

Su Chen came out of the space barrier with Jiu Feng in his arms. Jiu Feng lay in Su Chen's arms with a red face.

For half a month,

Jiu Feng and Su Chen were in love with each other. Yue, she was also harmed by Su Chen for half a month.

After Jiufeng listened to Su Chen's explanation, she understood why Yuanshen was close to Su Chen.

It was all because of the ladder.

However,

Jiufeng suspected that Su Chen did not treat her To be honest, it's not important anymore.

Jiufeng is now Su Chen's Taoist companion. She believes that Su Chen will give her a satisfactory explanation in the future.

Su Chen kissed Jiufeng and asked,"Jiufeng, are you going?" Jiuli tribe?"

Jiu Feng rolled her eyes at Su Chen and replied,

"Yes, Hou Tu Zu Wu asked me to persuade Chi You. Chi You was going to fight Emperor Xuanyuan for the Human Emperor. Hou Tu Zu Wu asked me to warn Chi You not to massacre the human race in the war."

"Did Hou Tu support Chi You in his bid for the Human Emperor?"

"Well, the great witch Chiyu was reincarnated into the Jiuli tribe of the human race just to fight for the human emperor and for the future of the remaining witch clan. All of this was the plan of the Hou Tuzu witch."

Jiu Feng didn't hide it from Su Chen.

She believed that Su Chen would not harm the Wu clan. Besides, with her here, if this bastard dared to harm the Wu clan, Jiu Feng would take this shameless pervert back to the six realms of reincarnation.

Su Chen listened Hearing Jiufeng's words, he shook his head.

Sure enough, Hou Tu was arranging all this.

Hou Tu really spared no effort for the Wu clan, but it was of no use.

Hou Tu's plan was not worth mentioning in the eyes of saints. Maybe those saints I wish I could weaken the Wu clan again. (To read Baoshuang novels, go to Feilu Novel Network!)

"Jiufeng, Chi You is no match for Emperor Xuanyuan, you must be mentally prepared"

"You Tuzu witches are wrong. After the Lich War, the witches and demons have no place in the ancient land, and the saints will not let the witches and demons reappear in the ancient land."

Su Chen understood that Hou Tu was unwilling to let the Wu clan disappear in the ancient land, but this was not a strategy that Hou Tu could make.

(acdj) If the Witch Clan dares to reappear in the ancient land, all the saints will not allow it. In addition to being massacred, the Witch Clan can only hide in the Six Paths of Reincarnation.

Jiu Feng Luoji replied, "Su Chen, I understand, Hou Tuzu Wu understands, but if the people of the Wu clan don't try, they will not willingly retreat to the six realms of reincarnation."

"That's right, Jiufeng, I'm going to West Kunlun. Are you going with me? Or go to Jiuli tribe?"

"West Kunlun? Are you looking for the Queen Mother of the West?"

"Well, Jiufeng, I plan to compete with Emperor Xuanyuan for the Human Emperor. I need the support of innate power."

"What? Do you also want to fight for the Human Emperor?"

Jiu Feng looked at Su Chen in surprise.

She didn't expect that Su Chen would also compete for the Human Emperor.

Is this possible?

Su Chen was just an immortal cultivator who had transcended the tribulation realm.

Emperor Xuanyuan's tribe was supported by three great saints. Chi You's Jiuli tribe With the support of the Wu Clan, even if Su Chen had roped in some innate powers, would those innate powers dare to take action against the saint's disciples? Would they dare to take action against the Wu Clan?

Jiufeng felt that Su Chen was seeking death.

Su Chen looked serious. said,

"That's right, Jiufeng, don't tell anyone about this, not even Hou Tu. My power is still very weak. I am no match for Emperor Xuanyuan's tribe or Chi You's tribe now."

Jiu Feng hurriedly persuaded Su Chen,"Su Chen, you can't succeed. The success rate of the Wu clan is less than half. How could you possibly compete for Emperor Xuanyuan?"

"How will you know if you don't try?"

"Su Chen, you are seeking death"

"I can't die"

"I'm too lazy to talk to you."

Jiu Feng was speechless for Su Chen.

Forget it, she decided to help Su Chen in the future.

Su Chen was her Taoist companion no matter what.

If this bastard could succeed, it would also be a good thing for the Wu clan. Su Chen If Chen fails, Jiufeng will face life and death together with Su Chen.

As for Chi You's Jiuli tribe,

Jiufeng will not help.

Besides, there are Xing Tian and several great witches going to help Chi You. It doesn't matter whether she goes or not. If the great witch fails, Jiu Feng will be in vain even if he goes to help Chi You.

Su Chen and Jiu Feng talk for a while,

Jiu Feng quickly disappears beside Su Chen with a red face.

Su Chen keeps touching her, Jiu Feng is worried If she doesn't leave, this shameless bastard will eat her again.

"Let me guess, why is Jiufeng running so fast?"

Su Chen was speechless when he saw Jiufeng disappearing quickly.

He also wanted Jiufeng to send him to West Kunlun, but before Su Chen could say anything, Jiufeng disappeared quickly, and Su Chen could only continue on his hard journey.

In the ancient immortal volcano, a huge golden phoenix flew out of the volcano.

She looked towards the ancient east and said in shock,

"Black bird? How come there is still the aura of the black bird in the ancient world? Didn't Xuanniao completely fall? Blackbird revived?"

Chapter 2894

Since the huge phoenix flew out of the immortal volcano , the entire phoenix of the immortal volcano has flown into the sky.

A golden phoenix flew in front of the huge phoenix, and she asked hurriedly,

"Fengzu, have you not fallen?"

The giant phoenix shook his head and replied,

"Feng Xi, I have fallen. This is the incarnation of my soul. I will fall completely soon."

"Feng Zu, you will not perish. We, the Phoenix Clan, will do everything we can to save you."

"No need, Feng Xi, without the origin of heaven, this incarnation of mine will not exist for long."

"Fengzu~!"

Choo Choo Choo.....

Feng Xi and all the phoenixes screamed sadly

"Feng Xi, you and I go back to the deepest part of the Immortal Volcano. I have something to tell you."

"Yes, Feng Zu."

Throughout the prehistoric period, some great powers looked towards the Immortal Volcano. These great powers did not expect that Fengzu did not fall.

"The Phoenix Ancestor of the Phoenix Clan didn't die? Where is the ancestral dragon of the Dragon Clan? And what about the Qilin ancestor of the Qilin tribe? Didn't they also die?"

"Impossible, Fengzu is just an incarnation of the soul, and will fall within a thousand years. It is impossible for Fengzu to live anymore 02"

"That's right. Fengzu's soul incarnation is only at the level of Daluo Jinxian. The soul incarnation can't live long."

"So that's it, it seems that the ancestors of the three clans have all fallen."

"Nonsense, if the ancestors of the three clans had not died, would the Witch Clan and the Demon Clan be fighting for hegemony in the wild?"

"It's a pity that if Fengzu, the once most powerful female fairy in the prehistoric fairy world, had not died, she might be even more powerful than Nuwa."

The innate powers from all over the world talked to each other, and they all took back their souls to check.

No matter how you say it, Fengzu is the top powerhouse in the world of the ancient world. The innate powers will give Fengzu due respect no matter what.

Shouyang Laozi of the Mountain,

Yuanshi Tianzun of Kunlun Mountain,

Tongtian of Jin'ao Island,

Zhunti and Jieyin of the Western Lingshan Mountain, these saints just checked the immortal volcano, they did not take another look.

Fengzu was something they could not see in the distance during the period of the three tribes. However, as of now

, in the eyes of their saints, Fengzu is just a bigger ant, an ant that is about to fall. There is no need for the five saints to pay attention to Fengzu.

At this time,

Su Chen covered his chest and was very confused. How could the bird think about it?

He would not let the black bird come out of his body.

If the black bird reappeared in the ancient world, the saints in the ancient world would pay attention to him. Su Chen had to develop slowly, and he would not let those saints do it now. Just pay attention to him, even kill him at all costs

"Stay safe, Xuanniao, this is another ancient fairyland, don't come out and cause trouble for me."

Huh!

Su Chen breathed a sigh of relief after comforting Xuanniao, but why did Xuanniao come out for no reason? Did something happen in the ancient immortal world?

A month later,

Su Chen came to West Kunlun.

He looked at the Xianjia Xi Kunlun in the Blessed Land nodded, with abundant spiritual energy. There were many fairy mountains and fairy beasts flying around. The clouds and mist shrouded the fairy mountains so that ordinary mortals could not see their true appearance.

Su Chen also came to West Kunlun for the first time.

Since he met the Queen Mother of the West, West Kunlun can also be regarded as his home.

However,

Su Chen has only been to West Kunlun twice.

Once he was blown away by the Queen Mother, and once he was captured by the Queen Mother.

Su Chen has never been to West Kunlun properly.

""I'm here."

Su Chen was about to break into the boundary of West Kunlun, when a big white hand suddenly grabbed him into West Kunlun.

"Human Race, why did you come to West Kunlun?"

In a palace with rich aura in West Kunlun, a graceful and luxurious woman sat cross-legged on a futon. She looked at the captured Su Chen and checked, (To read Baoshuang novels, go to Feilu Novel Network!) Why did a scumbag human race come to West Kunlun? And he was planning to break into her realm?

Su Chen looked at the charming and alluring Queen Mother Xi and smiled.

Damn it,

Queen Mother Xi was really cold and arrogant when she didn't know him. , nothing like the gentleness and virtuousness of later generations.

Su Chen took out a jade box and said,"Queen Mother of the West, you will understand who I am if you look at the items in the jade box.""

"Um?"

The Queen Mother of the West reached out and took out the jade box.

She wanted to see what was in the jade box. Why did the human race say that she would know who Xiao Zhazha was later.

Boom!

The Queen Mother of the West stood up in surprise when she saw the contents of the jade box. She A terrifying aura erupted and enveloped Su Chen.

Dudou?

It was her only two innate spiritual treasure dundu. How could the human race have her personal belongings?

Huh?

How is it possible?

Queen Mother Xi suddenly found that both of her dundu were there.

But the bellyband of the jade box was also her personal belongings, and it was impossible for Queen Mother Xi to misperceive the aura on the bellyband.

Su Chen was suppressed by Queen Mother Xi's terrifying aura and fell to the futon.

He shouted with a pale face,

"Queen Mother of the West, put away your breath, do you want to kill your Taoist companion?"

Queen Mother Xi glared at Su Chen and asked angrily, "Little scumbag?" What did you say? Taoist companion? Do you want to be destroyed physically and mentally?"

Su Chen said hurriedly,

"Queen Mother of the West, my name is Su Chen. You have two golden silkworm bellybands, one white and one black, both of which are innate spiritual treasures. Also, you have six other golden silkworm bellybands, all of which are ordinary acquired spiritual treasures."

The Queen Mother of the West stared at Su Chen in shock. She didn't expect that Su Chen would know this. How could a scumbag human race know everything about her bellyband? Su Chen? The Queen Mother of the West found out that she heard this from Su Chen. After the name, her soul became happy. How could this be possible? Why did her soul react to the name of a scumbag human race? Queen Mother Xi took back her breath and asked coldly,

"who are you?"

Su Chen moved his body and stood up and said,

"Queen Mother of the West, if you want to know who I am, just take out the Kunlun Realm and you will know."

Damn it, you were suppressed by your own woman.

Queen Mother Xi, you will be in bad luck in the future.

Su Chen plans to let Queen Mother Xi lie in bed for several months.

"Kunlun realm?"

The Queen Mother of the West thought for a while and took out the best innate spiritual treasure Kunlun Realm. Can Kunlun Realm reveal Su Chen's identity? Why didn't she know that Kunlun Realm still had such ability?

"Kunlun realm, come here!" Su Chen saw the Kunlun in Queen Mother Xi's hand, and he smiled and waved.

Queen Mother Xi saw Su Chen summoning the Kunlun realm.

Is the little scumbag a fool?

The Kunlun realm is the best innate spiritual treasure, and it was completely refined by her. , a scumbag wants to summon her Kunlun realm, the Queen Mother of the West feels that Su Chen is an idiot

"Hum, little scumbag, Kunlun Realm is my spiritual treasure, do you want to take Kunlun Realm away from me?".

Chapter 2895

Su Chen was confused at this moment.

Why didn't Kunlun Realm react to him?

This shouldn't be the case.

During the Conferred Gods Period, he could summon and use the spiritual treasures of Nuwa, the Queen Mother and the Queen Mother. Why didn't Kunlun Realm obey his call this time?

"Queen Mother of the West, don't be anxious, I want to think about it."

Su Chen frowned and couldn't understand.

The spirit treasures in the system space could not be taken out. The Queen Mother of the West's Kunlun Realm did not obey the call. How could Su Chen deal with the Queen Mother of the West. The Queen Mother of the West waved her hand and wanted to kill the ungrateful human race, but she kept turning into gods. Shocked and constantly warned by Yuan Shen, Queen Mother Xi could not take action and killed Su Chen.

"Holy shit, I get it."

After a while,

Su Chen looked at the Kunlun Realm and understood that in later generations, the Kunlun Realm had been used by his eldest daughter Su Yan. No wonder the Kunlun Realm did not respond to him.

Although Su Chen also refined Kunlun, he did not interact with the Kunlun Realm. To establish contact with the Kunlun Realm, the Kunlun Realm will definitely not tolerate him.

"Kunlun Realm, your master Su Yan is my daughter, come here quickly."

Whoosh!

Kunlun Realm disappeared from the hands of Queen Mother Xi in an instant, and appeared in Su Chen's hands in an instant

"How can this be?"

The Queen Mother of the West looked at the Kunlun Realm in Su Chen's hand in surprise. She is the master of the Kunlun Realm. She has also completely refined the Kunlun Realm. How could the Kunlun Realm abandon her?

Su Chen shook the Kunlun Realm in his hand and said ,

"Queen Mother of the West, you understand, we are Taoist couples, and we have lived together for more than twenty years. Queen Mother Xi glared at Su Chen angrily, waved her hand and shouted,

"Kunlun realm, come back."

Whoosh!

The Kunlun Realm returned to the hands of Queen Mother Xi in an instant.

Queen Mother Xi was very angry when she looked at the Kunlun Realm in her hand.

How could the Kunlun Realm be abnormal today? How could the little scumbag control her spiritual treasure?

Su Chen curled his lips and said, "Queen Mother of the West, we are destined Taoist couples. The thread of fate is tightly entangled with us. Otherwise, how could your Kunlun Realm obey my orders?."

Queen Mother Xi threatened coldly,

"Little Zhazha, you can just talk nonsense. We have lived together for more than twenty years? Do you think I will believe it? I'll check your memory in a moment"

"Check my memory? up to you"

"Hum, after I checked your memory for a while, little scumbag, if you talk nonsense, I will make you never reincarnate."

"You are so poisonous"

"Shut up!"

At this time,

Taiyin Star, the Queen Mother, Chang'e, and Chang Xi were sitting together.

They looked at Su Yan playing with the Moon Rabbit outside the Moon Palace. The three women all looked helpless.

Chang Xi also recovered from his injuries at this moment, and she smoothed his hair and asked,

"What do you think we should do? Su Yan has been going to the ancient land, and we can't always keep an eye on the little girl."

The Queen Mother shook her head and said,

"We can't let the little girl go to the primitive land. The human race's war will break out. The primitive land will be very dangerous by then. I'm worried that the little girl will be in danger. Chang'e asked, frowning.

"Sister, Queen Mother, I still don't understand, what is the relationship between Su Yan's father, Su Chen, and us?"

"Why is it that when we hear the name Su Chen, the spirits of the three of us are shaken with joy, and why does Su Yan call us aunt? Are we and Su Chen destined to be Taoist companions?"(To read Baoshuang novels, go to Feilu Novel Network!)

Chang Xi and the Queen Mother shook their heads.

They couldn't understand.

Su Yan had refused to tell the reason. They couldn't check Su Yan's memory.

Su Chen Who are they?

What is their relationship with Su Chen?

Chang Xi and the Queen Mother couldn't guess.

However,

Su Yan kept calling them three aunts.

Chang Xi and the Queen Mother guessed that

Su Chen should have a great relationship with them, and even have some. Maybe he is a destined Taoist companion.

The Queen Mother said seriously,

"Su Yan has a good background. The legion the little girl gave me is very powerful, and it is stronger than the demon soldiers and witch soldiers in the Lich Period. The little girl became a Da Luo Jinxian at the age of sixteen, which was impossible to appear in the prehistoric times. Chang

Xi nodded and said,

"Su Yan's origin is too weird. We can't check Su Yan's memory, and we can't figure out where Su Yan came from. Chang'e sighed and said,"Well, let's try our best to keep an eye on the little girl and never let her go to the wilderness. I hope the little girl will tell us everything in the future.'"

"Okay, let's keep an eye on the little girl first"

"Well, the little girl is too clever, we can't let down our guard."

Outside the Moon Palace,

Su Yan held the Moon Rabbit and played around for a while.

She sat on the laurel tree and thought about who to go to next. Aunt Houtu could not leave the six realms of reincarnation during this period, so Su Yan just went to find Aunt Houtu. It's useless.

Aunt Jiufeng is very violent.

Su Yan is worried that she will be beaten.

Aunt Wudang?

They are not quasi-sages yet.

It will be useless for Su Yan to go to them. If she can meet them, she has a way to deal with them..

Aunt Nuwa?

Aunt Nuwa's dojo is in the chaos. Su Yan has no way to find Aunt Nuwa,

Aunt Qinyuan and Aunt Shangyang from the demon clan.

They are all in the ancient northern plains. The distance is too far and it is too bitter and cold. , Su Yan didn't want to spend several months searching for Qin Yuan and Shang Yang, so he decided to let his subordinates go to Bei Yuan to inform them of their coming to Heaven.

Aunt Xi Queen Mother?

After Su Yan touched her fair chin and thought about it, she decided to go to West Kunlun to look for them. Auntie the Queen Mother of the West.

Su Yan's eyes lit up as he thought about it.

" ` By the way, there is also the Feng Clan. I have the blood of the black bird, so the Feng Clan and all the bird clan will also obey my orders. There are also Zhen Yuanzi, Ming He, and (Qian's) Zhulong. The three of them also want to join their own heaven."

The East China Sea is the closest, why don't we go to the East China Sea first?

Su Yan jumped down from the laurel tree, and she decided to go to the nearest forces first, Zhulong of the East China Sea Dragon Clan, and Yuanzi of Wuguanzhuang Town, and then go to West Kunlun Looking for the Queen Mother of the West.

The Jade Rabbit in Su Yan's arms asked, "Princess Su Yan, do you want to go down to the next world?" Su

Yan said hurriedly, "Little rabbit, don't talk nonsense. How could I go down to the lower world?"

Jade Rabbit reminded anxiously,

"But I heard that you are going to the Feng Clan, and also to the Dragon Clan, Wuguanzhuang, and West Kunlun. Your Highness, you must not go down to the lower realms, or Chang'e will punish me."

After Su Yan looked at the Moon Palace, she grabbed the Jade Rabbit and smiled slyly and said,

"Little Rabbit, you are so timid, how could I go down to the lower world? Don't worry, I won't secretly go down to the underworld without the consent of my aunts."

Chapter 2896

Su Yan thought the Jade Rabbit was a bit cute and very interesting.

During the Journey to the West, one of Su Yan's maids was the Jade Rabbit. At that time

, the Jade Rabbit descended to earth privately. When Su Yan was crossing the sea with Tang Sanzang and others, she was robbed on an island and met The Jade Rabbit arrived, and the Jade Rabbit became her maid because of her identity.

Su Yan smiled as she thought about this.

She planned to leave the Taiyin Star secretly and leave Heaven secretly, but how could she escape to the wild land silently?

Su Yan needs to think of a plan carefully.

The Queen Mother and the three aunts Chang Xi and Chang'e will definitely not let her go down to the wild land.

【How to do it? Do you want to waste a jade talisman and let the aunt in the holy realm take you out of heaven? Is this too extravagant? 】

The ancient land,

""Four Seven Three" Human Race.

In more than three months,

Alice and the girls have conquered the human tribes with a radius of thousands of miles.

They control the human tribe with a population of tens of millions and an army of nearly one million.

However, this is only the vast ocean of the ancient human race. Yili, there are tens of billions of humans in the ancient fairyland, scattered across the vast land of the East China Sea. In the

Xuanniao Tribe,

Venina and Laura sat together and talked.

Selena:"What about the Xiling Tribe? Are you going to fight it down? Or should we send envoys to negotiate first?"

Alice reminded:

"The Xiling tribe is a large tribe, with a population of more than three million and an army of two to three million. If we start a war with the Xiling tribe, other large tribes of the human race may discover us, and Emperor Xuanyuan and Chi You may also discover us. tribe."

Laura:

"First send envoys to the Xiling tribe to negotiate. Mark's army should not launch a war against the Xiling tribe first."

Wenina:"Well, I agree. The Xiling tribe should know how powerful our Xuanniao tribe is. They don't want to be destroyed. The Xiling tribe should agree to merge with our Xuanniao tribe. Bai

Yuekui said doubtfully,"The spy came to report that the leader of the Xiling tribe is a woman, her name seems to be Luo Nu. Why do I feel that this name is familiar?"

Mu Ningxue frowned and said,"Snail girl?" Snail ancestor? Isn't the snail girl the legendary snail ancestor? Could it be that the leader of the Xiling tribe will be the future wife of Emperor Xuanyuan?

Natasha asked,"Snail Ancestor?" Emperor Xuanyuan's future wife? Mu Ningxue, did you remember correctly?"

Alice and Wenina looked at Mu Ningxue one after another.

They were all very surprised.

If the snail girl is the snail ancestor, they should be careful about the Xiling tribe. The Xiling tribe may have contact with Emperor Xuanyuan's Xiong tribe.

Mu Ningxue thought for a while and replied,"I'm not sure, I have read the myths and legends of the human race. The Luo zu is the wife of Emperor Xuanyuan, and the Luo zu is also the ancestor who invented silkworm rearing."

Alice said hurriedly,

"Selina, inform Qilin and ask him to send secret agents to check whether Luo Nu has invented silkworm breeding."

"good!"

When Selina was about to ask her subordinates to notify Qilin,

Winina stopped Selena and said,

"Wait, Selina, also informed Maximus that we have deployed heavy troops at the border with the Xiling tribe. If Luo Nu wants to marry Emperor Xuanyuan, we will immediately send out troops to destroy the Xiling tribe."

"I see!"

After Selena went out,

Natasha rubbed her forehead and said helplessly,

"Alas, we cannot use our knowledge to help the human race in advance, otherwise, our Black Bird tribe will be even stronger."

Ai Li reminded hurriedly,

"Natasha, you must not do unnecessary things. Su Chen reminded us that we cannot break the development trajectory of the ancient human race. There is the way of heaven in the ancient world of immortality. If we do anything that does not prove the human emperor, the way of heaven will rain down thunder. Tribulation kills us."(To read Baoshuang novels, go to Feilu Novel Network!)

Wenina and Natasha nodded. They understood that the development of the ancient fairy world followed a pattern. The emergence of the Three Sovereigns and Five Emperors allowed the human race to develop from barbarism to farming. era.

What the Three Sovereigns and Five Emperors wanted to do, they could not and did not dare to do it first, unless Su Chen's cultivation realm was not restricted.

Laura stood up and said with a serious face,

"We still follow Su Chen's instructions. Alice and Maximus continue to conquer the surrounding tribes. Venina and the girls speed up the integration of the conquered tribes. Natasha and Mu Ningxue continue to send spies to check other large tribes. Case."

Alice said with a smile, "Okay, let's continue doing our respective jobs. When that bastard Suchen comes back, we must surprise that bastard.".."

Wenina and Bai Yuekui also laughed.

In just over three months, they have grown the Xuanniao Tribe several times. If another year or two pass, the Xuanniao Tribe will definitely compete with Emperor Xuanyuan. There are bears as powerful as tribes.

At this time, there was a huge tribe leaning on the lake.

In the huge stone house in the center of the tribe, a beautiful woman wearing a white dress sat at the head.

Her black hair hung on her shoulders, and the tight dress accentuated her perfect figure. They are all highlighted, with a beautiful face, a curvy figure, and the delicate red lips are even more attractive.

The beautiful woman listened to her men's report with a cold face.

After a while, an old man stood up and saluted and said,

"Chief Luo Nu, the Xuannio Tribe has dispatched more than 300,000 troops. I guess the Xuannio Tribe is going to attack our Xiling Tribe."

Luo Nu asked in a cold voice with a cold face.

"Elder Nagisa, why have I never heard of the Black Bird Tribe?"

"Among the human tribes around Tianxi Lake, except for our Xiling tribe, the other large tribes are very far away. When did the Xuanniao tribe develop and grow?"

Nagisa hurriedly bent down and replied,

"The Xuannio Tribe did not have a clan leader before. In the last three months of 1.7, the Xuannio Tribe has annexed many surrounding small tribes and has not stopped fighting for more than three months. The Xuannio Tribe is now much more powerful than our Xiling Tribe. Luo

Nu frowned as she thought.

The Xuannio Tribe had conquered countless small tribes in more than three months of campaigns. Luo Nu guessed that the Xuannio Tribe would not let go of the Xiling Tribe. In the human territory of Tianxi Lake, the Xuannio Tribe might want to Conquer them all.

Luo Nu thought for a while and ordered,

"Elder Zhu, send an envoy to the Xuannio Tribe. I want to meet with the leader of the Xuannio Tribe."

"Yes, patriarch."

When Luo Nu saw Elder Nagisa leaving, she stood up and stretched her perfect figure.

"Black Bird Tribe? I hope the leader of the Black Bird Tribe is not a cruel person, otherwise, I will not be able to help but kill him"

Chapter 2897

Luo Nu is a cultivator in the realm of transcending tribulations.

She practices the golden elixir path passed down by saints and is one step away from overcoming tribulations and becoming an immortal.

Luo Nu is in the human tribe, and her strength is also among the top of the human tribe. The third human emperor of the human tribe is

Xuanyuan of the Xiong tribe. He was appointed by the Shennong Human Emperor as the next generation human emperor, but Chi You of the Jiuli tribe I don't agree.

The Jiuli tribe is recruiting troops to start a war. Chi You is going to destroy Xuanyuan, who has a Xiong tribe.

By then, other tribes of the human race will be involved, and her Xiling tribe is no exception.

Luo Nu wants to coexist peacefully with the Black Bird Tribe, and she also wants to unite with the Black Bird Tribe to face the all-out war that will soon break out among the human race.

Ten days later,

Su Chen was served by the fairy from West Kunlun like an uncle.

For more than ten days,

Su Chen and Queen Mother Xi only met three or four times.

Queen Mother Xi disappeared instantly every time she saw him. Su Chen also understood why Queen Mother Xi Will avoid him.

Su Chen leaned under a tree and whispered, "It's been more than half a month. I've done everything I need to do, and it's time to leave West Kunlun. 02"

Whoosh!

Queen Mother Xi instantly appeared next to Su Chen and asked,

"You want to leave?"

Su Chen took a sip of wine and replied,

"Yes, you also know what I want to do. I also need to find some quasi-saint helpers. After the human race's war for the Human Emperor began, I didn't have time to find other quasi-saints."

The Queen Mother of the West stared at Su Chen with a frown.

In more than ten days, she understood everything she should know.

Su Chen wanted to fight for the throne of the Human Emperor. This bastard would participate in the war of the human race in a few years.

However, the Human Emperor has been The saints made a decision, and the saints also sent disciples to accept the next generation of Emperors as disciples. How could Su Chen win in the War of Emperors? The

Queen Mother of the West wanted to imprison Su Chen in West Kunlun. She didn't want this bastard to win in the War of Emperors.

Su Chen is her future Taoist companion.

Queen Mother Xi is convinced that

Su Chen knows her body very well, and even some sensitive places on her body are very clear to this bastard. Queen

Mother Xi is becoming more and more familiar with Su Chen.

Especially when Su Chen held and caressed her, Queen Mother Xi felt very happy both physically and mentally.

"Su Chen, there are hundreds of thousands of female immortals in the West Kunlun Wonderland, but this is a war of the human race. Heaven and the saints will not allow many immortals to participate in the human war."

Su Chen stepped forward and hugged Queen Mother Xi and said,

"I understand, Queen Mother Xi, there is no need to send out your female immortals. I want you to help me stop some saint disciples when the time comes. Queen Mother Xi leaned on Su Chen's arms and replied, "Yes, if you need it, I will help you.""

Su Chen touched Queen Mother Xi's delicate face and said with a smile,

"Madam Queen Mother of the West, have we done what Taoists should do?"

"You are so shameless!"

"My shameless fart, we are Taoist couples, it is only natural that we should be together"

"Rude bastard, I thought.....Woohoo!"

Before Queen Mother Xi finished speaking, she was kissed by Su Chen.

After a while,

Queen Mother Xi hugged Su Chen's waist tightly.

She liked this feeling, and she also liked the smell of Su Chen.

It seemed that Queen Mother Xi had experienced countless times with Su Chen. Morning kisses, countless romances with Su Chen, (to read Baoshuang novels, go to Feilu Novel Network!)

Fall in love!

Taoist couple?

She and this bastard are Taoist lovers, and the Queen Mother of the West will also give everything she has to Su Morning.

Whoosh!

After Su Chen disappeared with the Queen Mother of the West in his arms, hundreds of beautiful fairies appeared around him. These fairies all looked at each other with blushing faces.

"Do you think Su Chen will be the male protagonist of West Kunlun in the future?"

"Xiyao, do you need to say this? Su Chen and the empress have already kissed each other. Su Chen will definitely be the master of West Kunlun in the future."

"That's right, but....Su Chen is just a scumbag who has crossed the Tribulation Realm, and the empress is the top quasi-sage in the ancient immortal world. How come Su Chen is with the empress?"

"I don't know, but the human Su Chen is so sexy. We have been hugged by Su Chen for more than ten days. If it weren't for the Queen Mother of the West, we could destroy Su Chen with our powerful aura."

"Haha, Lingyao, you seem to have been hugged and kissed by Su Chen"

"Mu Yu, do you want to die?"

The fairies around them started talking about Su Chen and Queen Mother of the West, but they went off topic while talking.

For Su Chen, the fairies in the West Kunlun Palace were very helpless.

The bastard couldn't be beaten, and the fairies couldn't curse.

Su Chen shamelessly touched them, and the fairies in the palace could only avoid Su Chen as much as possible.

Three days later, in the palace,

Su Chen rested with the lazy and charming Queen Mother of the West in her arms. The Queen Mother of the West was even more beautiful at the moment. Su Chen couldn't put it down because of her fair and smooth skin.

Queen Mother Xi grabbed Su Chen's moving hand and asked,

"Husband, are you planning to find those quasi-sages? In the prehistoric immortal world, other quasi-sages may not dare to offend the saint. Su

Chen kissed the Queen Mother of the West and replied, "I plan to find Zhen Yuanzi, Zhulong, and Minghe. They are all related to me. I will convince the three of them to help me.""

Su Chen didn't dare to say that he was going to look for the Nuwa Empress and the Queen Mother.

He was worried that if he did, the Queen Mother of the West would angrily suppress him and possibly imprison him in West Kunlun. The

Queen Mother of the West asked in surprise, "Zhen Yuanzi? Candle dragon? Styx? Husband, you didn't cheat on me?"

"No, madam, how could I lie to you?"

"Unexpectedly, my husband also met Zhen Yuanzi and the others. The three of them were all veteran quasi-sages. If my husband had the help of Zhen Yuanzi and the others, it would be possible for my husband to defeat the Human Emperor chosen by the saints."

The Queen Mother of the West saw that Su Chen was no longer uneasy.

Although Su Chen's cultivation level was scum, with her protection and the help of the three powerful Zhen Yuanzi, the Queen Mother of the West felt that Su Chen might be involved in the human war. Winner.

Su Chen hugged Queen Mother Xi's plump waist and said,

"Madam, I don't care at all about the Emperor Tianding who is supported by the saint. What I worry about is the saint, the disciples of the saint sect. If there are no saints and disciples of the saint to help the Emperor Tianding, my tribe and I can kill Tianding. Human Emperor. Queen Mother Xi reminded her with a serious face, "Husband, you'd better be careful. I'm worried that if the Heavenly Emperor fails in the war, the saint may take action himself.""

"Saints will definitely take action. Madam, I have also considered ways to deal with saints. Saints want to interfere in the human race's war. I have a way to prevent those saints from taking action."

Su Chen didn't care about saints.

He dealt with saints not once or twice.

During the Conferred God period, he could trick those saints around.

During the Three Sovereigns and Five Emperors period, it was very easy for Su Chen to want the saints not to participate in the war between the human emperors.

However,

The saint's disciples still need to be dealt with.

Su Chen's cultivation realm is suppressed at the Tribulation Realm. It is impossible for him to deal with the saint

's disciples. Su Chen can only deal with his women first.

There are several quasi-saint women. Help, those scumbag saint disciples are nothing to worry about.

Queen Mother Xi asked in surprise, "Husband, do you have a way to deal with the saint?"

"It's not about dealing with it, madam, I have a way to prevent the saint from participating in the human emperor's war."

"Are you sure?"

"have!"

Su Chen kissed Queen Mother Xi and smiled.

He thought that during the period of the Conferred Gods,

Hongjun called the five saints the five idiots. During the period of the Three Sovereigns and Five Emperors, Su Chen would continue to call the five idiots.

Queen Mother Xi leaned in Su Chen's arms and smiled.

She I believe what Su Chen said, this is the affirmation from the soul, the soul of the Queen Mother of the WestMight cheat on her.

Three days later,

Su Chen stayed with the Queen Mother of the West for another three days. He asked the Queen Mother of the West to send him to Xiliang.

The daughter country of Xiliang?

During the Three Sovereigns and Five Emperors period, the Daughter Kingdom had not yet appeared. Su Chen was looking for the reincarnation of Xihe's soul in the Xiliang area.

Xi He is a quasi-sage.

If Su Chen allows Xi He to recover his memory and cultivation level, he will have a powerful helper by his side. Xi He can also help him deal with the demon clan in the ancient ice field.

Ten days later,

Su Chen discovered a woman in a small tribe, a woman who looked very beautiful.

Su Chen didn't know if she was the resurrected soul of Xi He, but the beautiful woman was different from other women in the tribe.

The woman not only looked like Qian Qing and was very beautiful, but also had a unique temperament.

Su Chen guessed that the woman was probably the resurrected soul of Xi He.

The beautiful woman noticed that Su Chen suddenly appeared, and she asked warily,

"Who are you?"

Su Chen asked with a smile, "What's your name?"

The beautiful woman took a few steps back and warned, "My name is Yuerui!" I am a witch from the Xiyue Tribe. You are not a human from the Xiyue Tribe. You should leave as soon as possible, otherwise the people in the tribe will kill you."

Witch?

Su Chen smiled after hearing Yue Rui's words.

Human witches cannot marry.

Xihe's soul has been revived countless times, but she has not recovered her memory and cultivation realm. Every time Xihe's soul is revived, she is perfect. Xihe's body should be Xihe's soul protecting Xihe.

Su Chen crossed his arms and said to Yuerui,

"Yuerui, I am your husband. I have traveled thousands of miles to find you."

"You are talking nonsense, witches cannot marry, I have never met you, you are not my husband."

Yue Rui's heart beat very fast when she heard Su Chen's words.

Su Chen looked handsome and had a noble temperament, and Su Chen was also a powerful immortal cultivator.

Yue Rui had very good senses about Su Chen, but she was a witch and would never be able to do anything in her life. Will marry,

"who? Come on, someone breaks into our tribe, and the witch is going to be captured by a stranger."

Suddenly, the tribal warriors patrolling around discovered Su Chen, and these warriors quickly surrounded Su Chen.

Dang Dang Dang Dang....., the warning bell in the tribe was rung, and thousands of tribal warriors ran over with weapons in hand.

Whoosh! (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen hugged Yue Rui and disappeared into the tribe instantly. He didn't want to kill the scum in the tribe.

Yue Rui might be Xi He.

Taking Yue Rui away by Su Chen will completely revive her spirit, and will also restore Xi He's memory and cultivation level.

An old man with a painted face yelled angrily, "Witch Yue Rui has been captured. Please inform the clan leader quickly. The person who came is an immortal cultivator. We must send out immortal cultivators as soon as possible to rescue the Yue Rui Witch."

"Yes, elder."

At this moment, by a small lake thousands of miles away from the Xiyue tribe, Su Chen appeared here with Yue Rui.

Yue Rui struggled in Su Chen's arms and shouted, "Let me go, I want to go back to the tribe."

Su Chen touched Yue Rui's little face and said,

"Little beauty, you can't go back to your tribe. We are more than three thousand miles away from the Xiyue tribe. There are many monsters and ghosts along the way. Can you, an ordinary woman, go back?"

"You are a human cultivator and I am just a little witch. Why do you want to arrest me?"

Yue Rui slapped Su Chen's hand away in shame and asked.

Su Chen is an immortal cultivator, but Su Chen is a human cultivator. Why would Su Chen arrest an ordinary witch like her?

0 Asking for flowers

"Yuerui, you are actually not a human race. Your origin is extraordinary. Your memory and cultivation realm have not yet recovered."

"Nonsense, I am obviously a human race, my memory has not been lost, and I have no cultivation level.

Su Chen sat down with Yue Rui in his arms and asked, "Yue Rui, do you have parents?" Do you have any brothers or sisters?"

"I....."

Yuerui was confused for a moment.

She had no parents, and she had no brothers or sisters.

From the moment she could remember, Yuerui knew that she was raised by her tribe. Could it be that she was really not a human?

Time passed little by little.

Su Chen looked at the small lake while holding the thoughtful Yue Rui.

He did not disturb the confused Yue Rui.

"How to completely revive Xihe? Use flat peach? The origin of heaven? Or use life spirit liquid?" Su Chen thought of Xi He's recovery after eating half a peach during the Journey to the West. However, 80% of the Yue Rui was the resurrection of Xi He's spirit, but the remaining 20% was not Xi He. If the Yue Rui was not Xi He, eating the Yue Rui would Pantao would explode and die, Su Chen's cultivation level would be suppressed, and he would not have the strength to help Yue Rui resolve the huge energy. An hour later, Yue Rui asked Su Chen with a serious face, "Who are you? What is your relationship with me?" Su Chen kissed Yue Rui and replied,

"My name is Su Chen, and you are my Taoist companion. The human title is Madam."

Yue Rui wiped her mouth in shame and continued to ask, "Who am I? What race is it?"

Su Chen smiled and said,

"Your name is Xihe, and you are the goddess of the Taiyin star."

"During the Lich War, you blew yourself up and fell, but your soul was rescued by your spiritual treasure."

"Yue Rui, if you have no outside help or the help of immortals, you will continue to be reincarnated until your memory and cultivation realm are completely revived."

Yue Rui asked in surprise,

"Xihe? The goddess of the lunar star? Isn't the Taiyin Goddess Xihe the wife of the demon emperor Jun? Am I the queen of the demon clan's heaven? Are you the Demon Emperor Jun?"

"That's bullshit. Xihe was forced to become Demon Emperor Jun's Taoist companion, but Xihe and Emperor Jun were only in name only. You are not the Demon Emperor's woman, and I am not Demon Emperor Jungan."

Yue Rui struggled in Su Chen's arms and shouted, "Let me go, I want to go back to the tribe."

Su Chen touched Yue Rui's little face and said,

"Little beauty, you can't go back to your tribe. We are more than three thousand miles away from the Xiyue tribe. There are many monsters and ghosts along the way. Can you, an ordinary woman, go back?"

"You are a human cultivator and I am just a little witch. Why do you want to arrest me?"

Yue Rui slapped Su Chen's hand away in shame and asked.

Su Chen is an immortal cultivator, but Su Chen is a human cultivator. Why would Su Chen arrest an ordinary witch like her?

0 Asking for flowers

"Yuerui, you are actually not a human race. Your origin is extraordinary. Your memory and cultivation realm have not yet recovered."

"Nonsense, I am obviously a human race, my memory has not been lost, and I have no cultivation level.

Su Chen sat down with Yue Rui in his arms and asked, "Yue Rui, do you have parents?" Do you have any brothers or sisters?"

"I....."

Yuerui was confused for a moment.

She had no parents, and she had no brothers or sisters.

From the moment she could remember, Yuerui knew that she was raised by her tribe. Could it be that she was really not a human?

Time passed little by little.

Su Chen looked at the small lake while holding the thoughtful Yue Rui.

He did not disturb the confused Yue Rui.

"How to completely revive Xihe? Use flat peach? The origin of heaven? Or use life spirit liquid?" Su Chen thought of Xi He's recovery after eating half a peach during the Journey to the West. However, 80% of the Yue Rui was the resurrection of Xi He's spirit, but the remaining 20% was not Xi He. If the Yue Rui was not Xi He, eating the Yue Rui would Pantao would explode and die, Su Chen's cultivation level would be suppressed, and he would not have the strength to help Yue Rui resolve the huge energy. An hour later, Yue Rui asked Su Chen with a serious face, "Who are you? What is your relationship with me?" Su Chen kissed Yue Rui and replied,

"My name is Su Chen, and you are my Taoist companion. The human title is Madam."

Yue Rui wiped her mouth in shame and continued to ask, "Who am I? What race is it?"

Su Chen smiled and said,

"Your name is Xihe, and you are the goddess of the Taiyin star."

"During the Lich War, you blew yourself up and fell, but your soul was rescued by your spiritual treasure."

"Yue Rui, if you have no outside help or the help of immortals, you will continue to be reincarnated until your memory and cultivation realm are completely revived."

Yue Rui asked in surprise,

"Xihe? The goddess of the lunar star? Isn't the Taiyin Goddess Xihe the wife of the demon emperor Jun? Am I the queen of the demon clan's heaven? Are you the Demon Emperor Jun?"

"That's bullshit. Xihe was forced to become Demon Emperor Jun's Taoist companion, but Xihe and Emperor Jun were only in name only. You are not the Demon Emperor's woman, and I am not Demon Emperor Jungan."

Chapter 2899

Su Chen hugged Yue Rui and kissed her hard.

The relationship between Xi He and Di Jun.

Xi He told him during the Journey to the West that Xi He and Di Jun were just Taoist couples in name only. When Su Chen and Xi He were together, , and he also knew that Xihe was still in perfect condition.

Yuerui asked in confusion after being kissed by Su Chen,

"Su Chen, is everything you said true? You are not the demon Emperor Jun. In my previous life, I and Emperor Jun were just Taoists in name only? Are you and I the true Taoist couple?"

Su Chen stroked Yue Rui's small waist and replied,"Of course, I don't have to deceive you. You will understand everything after you fully recover."

"Su Chen, how can I fully recover? How strong will I be after my recovery?"

"Yue Rui, as long as I eat a top-quality fairy fruit or give you some precious treasures, you will begin to recover."

""277""Su Chen, give me the fairy fruit. I want to restore my memory. I want to know if you have deceived me."

Su Chen shook his head and explained,

"No, not yet. Your resurrection will be discovered by the great powers and saints of the ancient immortal world. I am going to arrange a space formation. When you revive in the space formation, the great powers and saints of the ancient immortal world will not be able to find it."

Yue Ruimei stared at Su Chen.

She didn't know if what Su Chen said was true.

However,

Yuerui had learned about the major events discovered by the prehistoric lich.

If she were Taiyin Xingxihe,

Yuerui's recovery would definitely make her The Immortal discovered that the Immortal might kill her, the former Queen of the Demon Clan.

In the Black Bird Tribe,

Natasha and Venina stood outside the city waiting for the coming Snail Girl.

Two months ago, the Snail Girl was coming to negotiate with them. , after Alice and Winina discussed it, Natasha and Winina were responsible for negotiating with the snail girl.

Natasha looked at Black Bird City and said,

"Venina, Black Bird City will be completed in more than a month. Our Black Bird City is much taller and more beautiful than the cities of other tribes. Venina nodded and replied,

"Well, Black Bird City will be the largest city in the human race in the future. Natasha, it's been almost half a year, and Su Chen doesn't know when she will come back. Natasha smiled thinking of Su Chen and said,"Haha~, Venina, don't worry, our husband should come back in about a year." Venina said with a smile,

"You're right, Natasha, our luck mission this time was very good. Although this luck mission was very dangerous, we spent the most time with Su Chen."

"Yes, we will stay with Su Chen for more than ten or twenty years, and we girls will also be bullied by that bastard for more than ten or twenty years."

"Wenina, Su Chen is too powerful. Every time we are tortured, we are so weak. Even if we become immortals in the future, that bastard will still torture us to death."

"Become an immortal? Natasha, our husband is a saint, a top-notch saint, but even if we become immortals, we are still scum."

Natasha and Venina were talking.

They saw thousands of people arriving in the distance.

The snail girl from the Xiling tribe arrived. Natasha and Venina led hundreds of troops to meet them.

Not far away, a team of thousands escorted a carriage towards Xuanniao City.

The old man riding a horse next to the carriage said,

"Chief, the Black Bird Tribe actually built a big city. The big city was much larger and more beautiful than the city with the Bear Tribe."

In the carriage,

Luo Nu looked at Xuanniao City in front of the window.

She was very shocked.

Along the way,

Luo Nu was very surprised when she saw everything about the Xuanniao tribe.

A strong army and sufficient food. (Read Baoshuang novels, Just go to Feilu Novel Network!) and the people of the Black Bird Tribe laughed happily. How could the Black Bird Tribe develop so powerfully in just a few months

? Luo Nu couldn't figure it out.

At this time,

Natasha When Winina and I saw the carriage arriving, after Luo Nu got down from the carriage, they walked up to Luo Nu and said,

"Natasha (Venina), the elder of the Xuanniao tribe, met the chief of the Xiling tribe"

"Luo Nu of the Xiling tribe met two elders."

The snail girl was very confused when she saw Natasha and Winina.

They were two female elders, and they were dressed very unusually.

Natasha was wearing a tight-fitting combat uniform, and her perfect concave and convex figure was outlined.

Winnie Na is wearing revealing clothes, a super short skirt, bright red flaming red lips, proudly erect mountains, and a pair of long fair legs. Winina is as mature and sexy as she is.. Never has a snail girl Having seen women dressed like this, they felt incredible when they looked at Natasha and Wenina.

The troops and immortal cultivators of the Xiling tribe, their eyes went straight when they looked at Natasha and Wenina. They were sexy, charming, mature and alluring. Man, plump and tempting!

No one has ever seen such a plump and attractive woman.

Her clothes are very revealing, and her uneven figure is also fully exposed, especially her attractive white long legs. Some warriors of the Xiling tribe want to Drooling.

In the main hall of Black Bird City,

Natasha and Venina invited Luo Nu to sit down, and they began to talk some polite words.

Luo Nu drank tea and asked, "Venina, Natasha, where is the leader of your Black Bird Tribe?"

After Luo Nu sat down, she felt even more uneasy.

Luo Nu didn't expect that Venina and Natasha were both in the Tribulation Realm. There were two powerful Tribulation Realm cultivators in the same tribe. The Black Bird Tribe The power was beyond her imagination.

Natasha looked at the beautiful snail girl and smiled,

"Luo Nu, our husband is not in the tribe, so we can take full responsibility for negotiating with you.

Luo Nu asked in surprise, "Husband?" Are you all the women of the leader of the Black Bird Tribe?"

"good!"

"Your husband should be very strong, otherwise you wouldn't be able to like the leader of the Black Bird."

Wenina smiled and went straight to the point and said,

"Luo Nu, we understand your purpose of coming. In 2.9, we hope that your Xiling tribe and Xuanniao tribe will merge. You should understand that the war for the Human Emperor is about to begin."

Luo Nu asked with a serious face and nodded.

"I understand, but if the Xiling Tribe and the Xuannio Tribe merge, can you treat the Xiling Tribe equally? How will you arrange for me, the leader of the Xiling tribe?"

Luo Nu is not opposed to the merger of the Xiling Tribe and the Shengxuanniao Tribe.

She is worried that once the Xiling Tribe merges with the Xuanniao Tribe, the Xuanniao Tribe will disperse millions of people from the Xiling Tribe and may also use the Xiling Tribe's troops as cannon fodder."

Natasha said with a smile,

"Luo Girl, you can be one of the mistresses of the Xuannio Tribe, and our husbands will marry you, so you don't have to worry about the Xuannio Tribe massacring the Xiling Tribe."

Chapter 2900

Natasha and her daughters had previously discussed that

Luo Nu would be the future Luo Nu and the future wife of Emperor Xuanyuan, who invented silkworm breeding.

They decided to intercept the wife of Emperor Xuanyuan. In this way, Su Chen and Luo Nu would marry. It will be easier for the Xuanniao Tribe and the Xiling Tribe to merge.

When Luo Nu heard what Natasha said, she hurriedly objected, "No way, I won't marry your husband."

Venina said with a serious face,

"Snail girl, you should understand"

"Our Black Bird Tribe wants to conquer all the surrounding tribes, and your Xiling Tribe is no exception. Although the Xiling Tribe is powerful, do you think there is a chance of winning against our Black Bird Tribe?"

Luo Nu stood up and said coldly,

"Venina, even if there is a war, I will not marry your husband.

Natasha asked doubtfully, "Luo Nu, are you going to marry Xuanyuan from the Bear Tribe?"

"Nonsense, I have nothing to do with Xuanyuan"

"So how could you disagree?"

"Why should I agree? Venina, Natasha, if you were me, would you marry a man you have never met?"

"We get it."

Venina and Natasha smiled silently. It turns out that Luo Nu has never seen Su Chen before. She doesn't know whether Su Chen is old or young, handsome or ugly.

It's right to think about it.

If they were Luo Female,

Venina and Natasha would not agree either.

Natasha said with a serious face,

"Luo Nu, we will not force you, but the Xuanniao Tribe and the Xiling Tribe must merge."

"If you don't want us to start a war, the Xiling tribe will surrender to the Xuanniao tribe. As for whether you want to marry our husband, you can decide all this after you meet our husband. Luo

Nu asked with a cold face, "Natasha, are you so sure that the Black Bird Tribe can conquer the Xiling Tribe?" Venina said with a smile,

"Definitely, Luo Nu, you should see the army of the Black Bird Tribe along the way. I can tell you that the armies you see are all second-line armies. We also have an army of 100,000 immortal cultivators."

The snail girl shouted in surprise,

"An army of one hundred thousand immortal cultivators? How can it be? How is it possible for the immortal cultivators in the human race to form an army, and there are as many as 100,000 immortal cultivators? Venina, are you lying to me?"

Luo Nu didn't believe what Wenina said. (adfe) In the ancient human race, there were countless human races who cultivated immortality, but it was impossible for human race cultivators to form an army. Immortal cultivators were very arrogant and looked down on ordinary humans, let alone ordinary humans. I will pay attention to the wars between human tribes.

Although there are immortal cultivators in each big clan, the number cannot be large.

Luo Nu does not believe that the Xuanniao tribe has an army of one hundred thousand immortal cultivators.

"Snail girl, you will believe it."

Wenina and Natasha are going to take Luo Nu to see the Black Armored Legion. If Luo Nu sees the Immortal Cultivator's Black Armored Legion, they believe that Luo Nu will agree to the merger of the Xiling Tribe and the Black Bird Tribe.

Three days later, a space In the barrier,

Su Chen was resting inside with Yue Rui in his arms, setting up a space barrier.

His mana was exhausted. If he hadn't eaten a few spiritual fruits, the space barrier would have almost not been set up.

Su Chen's cultivation realm Being suppressed so low, it was very difficult for him to even set up a space barrier.

Yue Rui wiped Su Chen's sweat and asked, "Su Chen, are you okay?"

Su Chen kissed Yue Rui and said,

"It's okay, I'm just a little weak as my mana is exhausted, and I'll be fine in a while. Yue

Rui wiped her mouth and said angrily, "Su Chen, you're already like this, why are you still so perverted?"

"You are my wife. If I don't kiss you more now, if you regain your memory and cultivation level later, you might beat me if I want to kiss you."

"Haha~, Su Chen, if I were your wife, I would just restore my memory and cultivation level. How could I beat you?"

"I hope you won't hit me."

Su Chen hugged Yue Rui's soft waist and pouted. (To read Baoshuang novels, go to Feilu Novel Network!)

Wouldn't you beat him?

If Xi He recovers completely, his kisses and touches to Xi He will be a surprise to Xi He. He might kill him angrily.

Su Chen was also very uneasy.

He was worried that Xihe would attack him when he recovered.

Xihe had the reminder of her soul, so she could not kill him, but Xihe might not be able to bear it. Just teach him a lesson.

An hour later, after Su Chen recovered his mana by eating the spiritual fruit, he took out a nine-thousand-year-old flat peach and handed it to Yue Rui and said,

"Yuerui, if you eat the flat peach, your memory and cultivation will be restored. You must remember that you must not beat me after you recover."

"Haha~, Su Chen, it depends on my mood"

"Yuerui, if you say that, I will run away now....I gather."

Su Chen hasn't finished speaking to Yue Rui.

Yue Rui ate the flat peach quickly.

Su Chen looked at Yue Rui speechlessly. He guessed that Yue Rui wanted to beat him very much. As long as Yue Rui recovers her memory and cultivation level, Su Chen felt that he would be suppressed by Xi He.

Boom!

A quarter of an hour later, a powerful aura suddenly erupted from Yue Rui's body, and the space barrier was shaken and creaked.

Su Chen hurriedly retreated to the edge of the barrier to check on Xi He , soon,

Xi He will revive.

Xi He in the quasi-sage realm,

Su Chen will have another powerful helper, and this powerful helper is his woman.

Boom!

Another half of Su Chen has passed, and Xi He's After the white light disappeared, the graceful, noble and elegant Xi He appeared in front of Su Chen.

Xi He burst out with some momentum to suppress Su Chen and said coldly,

"Su Chen, how do you want to die?"

Xi He fully recovered.

After she merged with Yue Rui's memory, Xi He understood why he did not die and why he revived.

Su Chen?

Husband?

A shameless pervert.

Xi He never expected to be insulted by such a scumbag. Kiss? Touch? She had been humiliated by this shameless pervert for several days.

Xi He wanted to slap Su Chen to death, but the memory of her fused Yue Rui and the shock of her soul reminded Xi He, who suppressed it first in confusion. Su Chen, she couldn't understand.

Yuerui's memory was very dependent on Su Chen. Xihe understood what was going on, but the constant vibration of the soul reminded her of Su Chen's importance to her. Xihe couldn't think of it. Got it.

Su Chen was suppressed on the ground and shouted speechlessly, "Xihe, quickly put down your momentum, do you want to suppress me to death?"

Xi He said coldly, "Su Chen, you dare to deceive Yue Rui and touch and kiss my unconscious body. Do you think I will let you go?"

"Xihe, you are my wife. Think about what I said to Yuerui. I know everything about you and your body. Do you think I can lie?".
