Chapter 29

Huang Rong was speechless when she looked at Guo Jing next to her. Huang Rong didn't expect that she was following this little girl, and that stupid Guo Jing was actually following her. This made Huang Rong want to beat him up when she looked at Guo Jing.

Huang Rong looked at Guo Jing and said harshly, "Don't worry about that idiot, what's your name, little girl?"

"Su Yan."

Huang Rong smiled and praised Su Yan,

"Su Yan, you have a good name. You are a pretty good little girl, but your father is not a good person."

Su Yan asked a little unhappy,

"Why is my father no longer a good person? Haven't you seen how happy the people in Gusu City are living? My father didn't collect any taxes in Gusu City. Huang

Rong said angrily when she thought about Su Chen asking her to be his wife,

"Your father did a good job in Gusu City, but your father is just a pervert. Forget it, let's not talk about this anymore. Su Yan, are you going to attend the Beggar Clan Conference the day after tomorrow?"

Su Yan said a little depressed,

"I can't go, my father and mother won't let me leave Gusu City."

Su Yan also really wants to go to the Beggar Clan's convention. It will definitely be very lively there, and you might even be able to see some fights. However, her father stipulates that she can only play in Gusu City. If she secretly If he goes out, the troops around him will definitely tell his father.

Huang Rong continued to say confusingly,

"That's such a pity. I heard that many martial arts masters will be there, and even great masters will appear. I originally wanted to take you with me, but since you can't go, I have to go by myself."

Su Yan said with shining eyes after hearing this,

"Huang Rong, why don't you take me there? I actually really want to go to the Beggar Clan Conference."

"Um? Didn't your bastard father not let you go out to Gusu City?"

"Miss, you can't go out. There are everyone at the Beggar Clan Convention. You can't take risks."

"Yes, miss, you can't go, otherwise A'Zhu and I will definitely be punished by Mr. Wu Xiang."

A'Zhu and A Bi hurriedly said to Su Yan, if Su Yan runs out of Gusu City again this time, I'm afraid that bastard Wu Xiangjun will punish them again. A'Zhu and A Bi think of Wu Xiang's punishment. Blushing slightly.

Su Yan waved his hands to A'Zhu and A Bi and said to Huang Rong,

"I will find a way to get out the day after tomorrow. My father is quite stupid. I have a way to deceive him. Huang

Rong said happily,

"Okay, it's a deal, I'll be waiting for you at the gate of Gusu City the day after tomorrow morning."

The day after tomorrow, when the little princess from Wu Xiangjun's house was there, Huang Rong thought that no one would dare to stop them when they got to Xingzi Forest, and she didn't have to squeeze in with those Wulin people.

"Okay, I will definitely show up when the time comes."

Su Yan and Huang Rong agreed and left with A'Zhu and A Bi. Now she has to find a way to go out of the city to visit the Beggar Clan Conference the day after tomorrow.

In a blink of an eye, it's time for the Beggar Clan Conference. At this time in Gusu City All the martial arts people rushed to Xingzi Lin.

This time they all heard that the reason why the Northern Beggar Clan held the Beggar Clan Conference in the area of the Southern Beggar Clan was because there were some problems within the Northern Beggar Clan. These martial arts people They all wanted to know what happened to the Beggar Clan. Su Yan came to Su Chen's study early in the morning in Wuxiangjun Mansion

, just to get Su Chen to agree to go to Xingzilin to see the Beggar Clan meeting, but Su Yan came When he arrived at the study, he didn't see Su Chen, which made Su Yan a little strange.

Su Yan didn't find his father in Su Chen's room, nor in the study. Su Yan was a little surprised where her father had gone so early in the morning.

"Ziyun, where is my father?" Su Yan asked his father's maid.

Zi Yun bowed to Su Yan and said, "Miss, you left the house early in the morning, and we don't know where you went."

Su Yan was a little angry and slapped the table.

"Damn it, how can I go out this time? I made an agreement with that Huang Rong, am I going to break the agreement?"

Su Yan looked a little sad while sitting on Su Chen's chair. Without Su Chen's order, the army at the gate of Gusu City would not be able to let her out of the city. Now Su Yan is a little annoyed. If she had known better, she would have told her father in advance. Now.

Su Yan was depressed and asked A'Zhu and A Bi next to him,

"A'Zhu, A Bi, what do you think I should do now?"

A'Zhu smiled and said to Su Yan, "What else can we do? Of course we should stay in the house. Anyway, there must be danger at the Beggar Clan Conference, so we'd better not go."

Su Yan shook his head and said hurriedly,

"No, I made an agreement with Huang Rong, and I don't want to break the agreement, eh? Haha, I have an idea. A'Zhu, inform Captain Liu Teng to prepare to leave the city. I have an idea to leave the city."

""Yes, princess."

Outside Gusu City

, Su Chen was riding a horse towards the apricot forest. This time, he originally wanted to wait for Li Qiu Shui to come and go to the apricot forest together, but he didn't expect that Li Qiu Shui had something to ask him to go. Xingzilin was waiting for her.

This made Su Chen a little speechless, but he originally wanted to go to the Beggar Clan Conference, so this time he went with Li Qiushui's wishes.

"Damn it, who attacked me?"

Su Chen was looking at the surrounding scenery when someone suddenly kicked him off his horse, which made Su Chen a little angry.

A beautiful and coquettish woman sat on Su Chen's horse and said,

"Haha, Master, I didn't mean it, I hope you don't mind."

Su Chen was a little surprised when he looked at this beautiful woman. He didn't expect this woman to be so beautiful. However, Su Chen said angrily when he thought of being kicked off his horse by her,

"Why don't I mind? If I kick you off your horse and apologize to you, will you also not mind? Also, this horse is mine, can you get off now? The beautiful woman said pitifully to Su Chen, "Sir, look at me, I don't even have shoes on. Can you bear to see me walking on the ground as a barefooted woman?"

Su Chen stared at this beautiful woman's smooth feet for a while and then said,

"I can't bear it, you'd better come down. You and I don't have a copper-penny relationship. I still have to go to the apricot forest. Come down as soon as possible."

Su Chen is now thinking about who is this beautiful woman? It seems that no one walks around the world with bare feet. By the way, Huan Huan in The Legend of Double Dragons of the Tang Dynasty is barefoot.

But this is the Song Dynasty, this If this beautiful woman is Hanhan, why did she come to Song Dynasty? Is she here to attend the meeting of the Northern Beggar Clan?
