Chapter 2901

Su Chen was very happy to see the graceful Xi He, but was very depressed when Xi He suppressed him on the ground.

He remembered that both Xi He and Queen Mother Xi suppressed him,

Su Chen taught Queen Mother Xi a lesson, and Xi He could not do anything else. , he would make Xihe regret suppressing him today.

Xihe put down his momentum and asked coldly,

"Su Chen, who are you? How did you know everything you and Yuerui said?"

Su Chen stood up and smiled, "Xihe, if you want to know, you can, I will tell you everything. However, if you dare to suppress me again, I will make you regret it very much in the future."

"Scumbag!"

"Holy shit."

Su Chen appeared next to Xi He in an instant. He hugged Xi He and kissed him, scumbag?

Damn, his women are more individual than the last, more beautiful, sexy and noble than the last.

Su Chen wants to teach Xi He a lesson. As for whether Xihe would teach him a lesson, he didn't care.

Xihe had her spirit to remind him, so Su Chen didn't think Xihe would kill him.

Xihe was stunned when Su Chen kissed her. Chen's sudden appearance was about to blow Su Chen away, but the constant vibrations from the soul reminded Xi He that Su Chen held her and kissed her with hesitation. It was a familiar feeling, and Xi He was about to push Su Chen away when Su Chen kissed her, but The familiar feeling made her lost.

Xi He seemed to have experienced being kissed and caressed by Su Chen countless times, and had romance together.

Gradually,

Xi He hugged Su Chen tightly and responded.

She couldn't bear to leave this feeling. She also wanted to know what the relationship between Su Chen and her was, the joy of the soul, the blending of the soul and Su Chen's soul, Xihe was completely lost. Half a month later,

Su

Chen rubbed his waist and opened the space structure world , it's so crazy.

Xi He's complete sinking made Su Chen almost defeated. If he hadn't often eaten the best immortal fruit and drank the three-light divine water and life spirit liquid, Su Chen would have really been defeated by Xi He this time. Xi

He's whole body Full of charm, she came to Su Chen's side.

She leaned into Su Chen's arms and asked,

"Husband, I have learned about the ladder to heaven you are talking about. I also want to know, apart from your destiny being connected with mine, who else are you related to in the ladder to heaven in the prehistoric fairyland?"

Su Chen hugged Xi He's plump and attractive waist and replied,"Xi He, I won't lie to you. Apart from you, there are several women in the prehistoric immortal world who are related to him."

Su Chen didn't dare to deceive Xi He.

Xi He is different from Queen Mother Xi. Su Chen can talk nonsense to Queen Mother Xi. In the future, Queen Mother Xi will find out and blame him.

If Su Chen dares to talk nonsense to Xi He, Xi He will know that he has other intentions. Women, Xi He might kill his other women, and even he would be imprisoned by Xi He by her side.

Xi He pinched Su Chen's waist and asked,

"Anyone? Su

Chen kissed Xi He and replied, "Nuwa, Queen Mother, Queen Mother of the West, Houtu, There are other women who don't have as good a relationship as you and I."

Su Chen deliberately mentioned a few powerful women. Even if Xihe knew about it, she would not be able to kill Nuwa and the other girls.

As for the Wudang Virgin and the Yunxiao girls,

Su Chen could only deal with Xihe in the future. say clearly

"Husband, are you telling the truth?"

Xi He looked at Su Chen in shock.

She was frightened by the news that Su Chen said.

When Xi He heard that Su Chen climbed the ladder to heaven and there were several women, she wanted to kill the other women.

Su Chen is hers,

Xi He He would not let other women occupy Su Chen, but

Su Chen said that none of the Nuwa Empress, the Queen Mother, the Queen Mother of the West, Hou Tu, and Xihe could be killed. The Nuwa Empress could even kill her with one finger.

Xihe Her head ached.

She didn't want Su Chen to have another woman, but the Nuwa Empress and the Queen Mother made Xihe feel very powerless. If the Nuwa Empress and the Queen Mother had the same idea as hers, would Su Chen still be hers?

Su Chen touched Xi He's face and said sincerely, "It's true, Xi He, don't worry, even if I have other women, you are the unique Moon Goddess in my heart."

Damn it, what you say this time must not let Chang Xi and Chang'e know that the goddess of the moon, there are goddesses of four months in the lunar star, Xihe, Chang Xi, Chang'e, and Wang Shu, they are not only the goddess of the moon, they are all his beautiful, noble and attractive women,

0Please give me flowers0

During the Three Sovereigns and Five Emperors period,

Wangshu had already fallen, and

Su Chen was unable to resurrect Wangshu during this period.

"Moon goddess?" (To read Baoshuang novels, go to Feilu Novel Network!)

Xihe smiled when she heard Su Chen's words.

She liked to hear Su Chen call her the goddess of the moon. She is the goddess of the lunar star. The lunar star is also called the moon star. She is unique. ?

Xihe is Su Chen's unique moon goddess.

Su Chen took out a jade bottle and said,

"Madam, I hope you will go to the Taiyin Star. Your sister Chang Xi did not die. Chang Xi was seriously injured in the Lich War and has not recovered yet. I have the Three Lights Divine Water here. You can take it to the Taiyin Star to restore Chang Xi. of injuries.

Xihe asked hurriedly, "Husband, my sister Chang Xi really did not die?"

"No!"

"Great, it's great that Chang Xi didn't die. Husband, I'm going to the Taiyin Star now."

Su Chen took out another space bag and said, "Wait a minute, madam, this space bag contains flat peaches, ginseng fruits, yellow plums and other top-quality innate spiritual fruits. You can take it with you to eat later."

"Thank you husband"

"You're welcome, madam, you have to twist your waist again in the future. I like the way you twist your waist very much."

"Shameless, I'm leaving. Keep my jade talisman. If you are in danger, you can use the jade talisman to attack the enemy."

Xi He kissed Su Chen, and she disappeared instantly beside Su Chen.

She was worried that if she didn't leave,

Su Chen would have sex with her again.

Xi He thought about the love affair with Su Chen in the past half month, especially when Su Chen asked her Twisting his small waist, Xihe blushed very much just thinking about it.

"I go!"

Su Chen was speechless when he saw Xi He disappear in an instant.

It happened again.

Jiufeng ran fast before, but this time Xi He left instantly.

Su Chen still wanted Xi He to give him a ride, but this time it was better. He just She could continue on her way hard.

At this time, in Chaos, in the Wa Palace,

Empress Nuwa was practicing.

She suddenly felt someone mentioning her name.

Empress Nuwa frowned and looked around. She wanted to know who dared to mention her. name

"Suchen? woman? Bold Terran Ten"

Chapter 2902

In the chaos, the Wa Palace suddenly shook.

The golden phoenixes in the Wa Palace and many palace maids looked towards the main hall. They couldn't understand why the Nuwa Empress suddenly became angry. Who provoked the Nuwa Empress?

In the palace, the cold and beautiful face of Empress Nuwa showed an angry expression.

After so many years, even if she had not become a saint, no one in the prehistoric fairyland would dare to have an idea of her. She was the one who created this scumbag human race.

From the human race,

Empress Nuwa did not expect that someone in the human race would insult her reputation, woman?

Damn the human race,

Empress Nuwa wants to destroy that Su Chen physically and mentally, and wants to make that scumbag never reincarnate.

"Um? How can it be?"

Suddenly,

Empress Nuwa's spirit began to vibrate, and she was also vibrating very happily.

"Suchen?"

Empress Nuwa looked at her soul in surprise.

Ever since she said Su Chen's name, how could her soul react so much?

Su Chen is a scumbag human being and a scumbag cultivator.

Female Why did Empress Wa mention Su Chen's name, and why did her spirit vibrate? Why was her spirit so happy?

Empress Nuwa thought in thought and whispered,

"What is the relationship between Su Chen and myself? Why did my soul react so violently?"

Whoosh!

Nuwa Empress waved her hand, and a woman who looked exactly like Nuwa Empress suddenly appeared in the palace.

Nuwa Empress ordered, "Shanshi, please go to the ancient world to check on the human race Su Chen."

Shan Zhi smiled softly and said,

"Okay, I also want to know why human Su Chen is so bold."

"Go ahead, don't destroy the human race Su Chen first"

"OK"

When Nuwa saw the good corpse disappear, she sat on the futon again and thought.

It was so weird.

She is a saint now.

It is impossible for someone to shake her soul violently. How could a scum of the human race shake her soul? ?

When her brother Fuxi died,

Nuwa's spirit only jumped slightly to remind her, but she just said Su Chen's name. Not only did Nuwa's spirit vibrate violently, but she was also very happy.

What is this? What's going on?

Su Chen?

Human Su Chen?

A human scum, what is the causal relationship between Su Chen and her?

In the wild land,

Su Chen quickly teleported towards the east.

The next person, he was going to the East China Sea.

He wanted to take down Zhulong of the East China Sea Dragon Clan.

Zhulong was not only a veteran quasi-sage, but there were also hundreds of millions of dragons in the East China Sea. As long as Su Chen took care of Zhulong, the dragon tribe's hundreds of millions of troops would also be used by him.

Whoosh!

Su Chen had just teleported to a big tree.

He found that there was a woman on the big tree. She was a powerful and terrifying hazy woman. She wore a white palace dress, a proud and perfect figure, and an attractive curved back. Her black hair was spread over her shoulders. She was a hazy and perfect woman.

Nuwa?

This hazy and perfect woman was Nuwa.

Su Chen could tell who the hazy woman was at a glance. He was familiar with Nuwa's body. He couldn't be more familiar with it. He had personally measured every inch of Nuwa's body.

No, this hazy woman was not Nuwa, she should be Nuwa's good corpse Feng Xi. (To read Baoshuang novels, go to Feilu Novel Network!)

"Feng Xi, I didn't expect you to come to the ancient world. It was Nuwa who asked you to come to me..? "

Su Chen suddenly remembered that He Xihe had mentioned the name of Empress Nuwa.

In the ancient world of immortality, as long as the name of a saint was mentioned, the saint would sense it. The saint would immediately check who mentioned their name.

After Su Chen guessed the name of Empress Nuwa, Empress Nuwa sensed it and sent a good corpse to check on him.

"Human Su Chen, you actually know my name? Who are you, and why can you guess who I am at a glance?"

The good corpse of Nuwa Empress was very surprised.

She hid her face and came to Honghuang to check on Su Chen.

Su Chen actually guessed who she was at a glance, and Su Chen even knew the pseudonym she used. Good Corpse Fengxi was very interested in Su Chen. Chen Chen became more and more interested.

Moreover, since she saw Su Chen,

Shanshi Fengxi's soul was also violently shaken, and she happily wanted her to get closer to Su Chen.

All this,

Fengxi had previously done with her daughter Empress Nuwa felt it. After all, she and Empress Nuwa were one. She could also feel Empress Nuwa's feelings. Empress Nuwa could also feel her feelings.

Su Chen appeared next to Shanshi and smiled and said,"Feng Xi, you are my wife, you should feel close to me, and your soul cannot be wrong."

Feng Xi's hazy face was revealed, and she said with a cold face,

"Impossible, you know my identity, how could I be your wife?"

Su Chen hugged Feng Xi and kissed her and said,

"Feng Xi, your body, Nuwa, is my Taoist companion. You, Evil Corpse, and Self Corpse, you three women are also my women. You should understand that everything I say is true."

"you....."

Good Corpse Feng Xi was stunned by Su Chen's kiss, and her soul was even more joyful.

Feng Xi was a quasi-saint peak, and she was overwhelmed by Su Chen's arms at this moment.

Feng Xi thought Struggling out of Su Chen's arms, she wanted to blow this shameless bastard away, but her spirit kept trying to get closer to Su Chen, and Feng Xi was unable to escape or break away from Su Chen's arms.

Su Chen touched Feng Xi's smooth little face and said,"Feng Xi, you are as beautiful, noble and beautiful as your original body Nuwa."

Bang!

Feng Xi slapped Su Chen's hand away and said angrily,

"Let me go, or I'll kill you immediately"

"You can't (Zhao) know!"

"I can!"

"Feng Xi, haven't you discovered it yet? Your hands seem to be holding my waist"

"you.....this....."

Feng Xi hurriedly let go of her hand in confusion, how could this happen?

Why would she want to hold Su Chen?

Why would you want to lean into Su Chen's arms?

Feng Xi understood that all this was because her soul wanted to get close to Su Chen, and her soul even wanted to blend with Su Chen's soul.

Su Chen hugged Feng Xi and kissed her again and said,

"Feng Xi, you and your body, Nuwa, are my destined Taoist companions. Our fates are closely connected. You are my woman, and Nuwa is also my Taoist companion. All of this is destined."

"Su Chen, why? Why don't the main body and our bodies know about your existence? I know it's impossible for the soul to deceive us, but how come our corpses and our main bodies didn't have your memory before?".

Chapter 2903

Feng Xi leaned in Su Chen's arms and was very confused. She no longer objected to Su Chen holding her. Feng Xi felt very familiar being held by Su Chen.

This scene seemed to have happened countless times, especially Su Chen's kiss to her. Feng Xi was even more familiar with her. She couldn't help but want to respond to Su Chen's kiss.

"Feng Xi, you should have heard of the existence of the ladder to heaven. The reason why our destinies are connected is all because of the ladder to heaven. I met Nuwa when I was climbing the ladder to heaven....."

Su Chen hugged Feng Xi and started talking, ladder to heaven?

Su Chen couldn't tell the truth to his women during the Zhulu period. He could only make nonsense and say that it was because of the ladder to heaven. The prehistoric fairyland during the Zhulu war period and the prehistoric fairyland during the Conferred God period would become independent worlds. Su Chen couldn't let three women from the ancient immortal world meet, and it was impossible for three women from the ancient immortal world to meet.

In the main world, the cultivation realms of Nuwa and her daughters are very powerful, and their luck is even more terrifying.

If the women from the three worlds meet, it doesn't matter whether they are Nuwa or Empress in the main world, but their luck will destroy other women in the Conferred God Period and the Zhulu Period.

Feng Xi heard Su Chen's explanation and understood, ladder to heaven?

Su Chen met Nuwa during the Heaven Ladder Trial. It is possible that Su Chen and Nu Wa became Taoist companions during the trial. She and other corpses may have been bullied by Su Chen.

Destined?

Connected by fate?

Empress Nuwa and the three corpses are really the thread of fate with Su Chen, and they and Su Chen may also be destined Taoist companions.

Feng Xi leaned in Su Chen's arms and asked,

"Husband, do you want to see me? Su

Chen shook his head and replied, "Feng Xi, I still have things to do in the ancient immortal world, so I won't go see your true form yet.""

Feng Xi rolled her eyes at Su Chen.

When she followed Su Chen earlier,

Feng Xi guessed that Su Chen had more than just Nuwa as a Taoist companion in the ladder to heaven.

However, she couldn't control these things.

Feng Xi was just the good corpse of Empress Nuwa. Empress Nuwa will settle the score with this bastard in the future

"Husband, let me protect you in the ancient immortal world. Your cultivation level is too low."

"good!"

At this time, in the Chaos Wa Palace,

Empress Nuwa looked at Su Chen and her good corpse with a blushing face. She also understood why the Yuan Shen was so excited about Su Chen.

Ladder to heaven? Has

Su Chen climbed the mysterious ladder to heaven?

But ,

Empress Nuwa had a bad guess in her heart.

She suspected that Su Chen was not a human race in the ancient immortal world, but a scumbag cultivator who could overcome tribulations. How could Su Chen meet her when he was climbing the ladder to heaven?

Unless Su Chen was undergoing a trial on the ladder to heaven. ,

Su Chen's realm of cultivation was sealed by the Heavenly Stairway.

Will the Ancient Immortal World where Nuwa Empress is located be the trial world separated from the Heavenly Ladder? When will the Ancient Immortal World where Su Chen is located be the Ancient Immortal World?

Nuwa Empress He rubbed his forehead and whispered,

"Trial world? Is the prehistoric fairy world where I am a real existence? The mysterious fairyland created by the mysterious ladder? So, is she a real person? Or is it the illusory incarnation of the ladder?"

After a while,

Empress Nuwa looked at Su Chen in the prehistoric fairy world complicatedly. She wanted to go to Su Chen to ask for clarification, but she was also worried that after asking for clarification, she would not be able to accept the result.

"Let it all happen, is it true? illusory? She is a real existence, she cannot be an imaginary incarnation created by the ladder to heaven."

Tianyin Star,

Xihe returned to Taiyin Star and found that Chang Xi had recovered from his injuries. Chang Xi, Chang'e, and the Queen Mother were all on Taiyin Star. (To read Baoshuang novels, go to Feilu Novel Network!)

Xihe and After the Queen Mother's three daughters talked, they all looked ugly.

Su Chen?

Xihe and the Queen Mother's four daughters were all related to Su Chen. They were all Su Chen's Taoist companions.

Xihe said angrily, "Damn it. Yes, Su Chen was such a bastard, so shameless. Chang Xi and Chang'e were also Taoist companions of that bastard, and Su Chen didn't even tell me."

Xi He wanted to beat Su Chen,

Nuwa, the Queen Mother, Hou Tu, and Xi Wang's mother to death at this moment. That bastard only told her that these powerful people were his women.

Where is Chang Xi? Where is

Chang'e?

Su Chen is Deliberately hiding it from her?

No,

Xi He suddenly thought that Su Chen asked her to come to Taiyin Star.

If Su Chen wanted to hide her relationship with Chang'e and Chang Xi, that bastard would not let her come to Taiyin Star.

What did the little bastard mean?

Su Chen Does Chen want her to find that bastard's other women?

Chang Xi asked doubtfully, "Sister, is Su Chen really in the prehistoric fairyland? Is he really a scumbag who has transcended the tribulation realm?"

The Queen Mother and Chang'e also looked at Xi He.

They didn't expect that Xi He would meet Su Chen. Moreover, it was because of Su Chen that Xi He would not recover from his death.

However, how could Su Chen be a scumbag in the Tribulation Realm? Su Yandu It's a Da Luo Jinxian, Su Yan's father Su Chen, how could he be a scumbag cultivator of immortality?

Xihe replied coldly, "Yes, Su Chen is in the ancient immortal world, and he is now a scumbag cultivator of immortality." Chang

Xi said with a serious face,

"Queen Mother, Sister, Chang'e, I feel something is very wrong. Su Yan is a Daluo Golden Immortal. How could Su Chen be a scumbag cultivator? I suspect that Su Chen is not a human race from the ancient immortal world, and Su Yan may not be either."

Xi He Zou stood up with a frown and reminded,

"Ladder to heaven? Su Chen told me that he met us during the Heavenly Ladder Trial, and also became Taoist companions with us during the Heavenly Ladder Trial."

"If Su Chen is not a human race in the ancient immortal world, I guess that our ancient immortal world may be a trial world, and Su Chen may enter our world to conduct the ladder trial."

The Queen Mother and her three daughters were shocked when they heard Xi He's words.

Is the prehistoric fairyland a trial world of the Heavenly Ladder?

So are the four of them real existences? Or are they the illusory incarnations of the Heavenly Ladder?

Chang Xi asked nervously, "Sister, what if The prehistoric fairyland is a world of trials, what about us? Are we real? Or is it the illusory incarnation of the ladder?"

Xi He explained to Chang Xi's three daughters,

"You don't have to worry, our Prehistoric Immortal World is a trial world, but our Prehistoric Immortal World is also a real existence. I guess Su Chen should come from different periods of the Prehistoric Immortal World, and we are all real existences."

The Queen Mother nodded in agreement and said,

"Xihe is right, we are all real existences, and Su Chen may have come from different periods in the ancient world. Chang'e reminded with a smile,

"Two sisters, the Queen Mother, let's go ask Yan Yatou. If Yan Yatou doesn't tell us, we will seal her cultivation and tickle her. Yan Yatou is very afraid of being tickled."

The Queen Mother agreed very much when she heard Chang'e's words.

She also felt that she could force Su Yan to question,

"Chang Xi, what's wrong, the girl Yan disappeared. Didn't the little girl secretly go to the ancient fairyland?".

Chapter 2904

The Queen Mother did not expect that there was no trace of Su Yan outside the Moon Palace, and even the Jade Rabbit playing with Su Yan had disappeared.

The Queen Mother became worried.

If Su Yan went to the ancient land, the lawless Su Yan might get into trouble.

For more than a month, the Queen Mother has been very fond of the sweet-tongued Su Yan.

Although she is not Su Yan's mother, the Queen Mother has taken care of everything as her daughter.

Chang Xi stood up and said worriedly,

"Bad, Yan Yatou must have gone to the wild land with Jade Rabbit. We must catch her back quickly."

Chang'e also spoke and said,

"We should capture the little girl. The little girl is too troublesome. I am worried that something will happen to her in the wild land."

Xihe shook his head speechlessly.

She came to the Moon Palace earlier and found Su Yan, a pretty and charming little girl, and a powerful young man like Daluo Jinxian.

Xihe did not expect that Su Yan would be Su Chen's daughter, nor did she. Thinking that Su Yan would escape from under the eyes of the four of them, Su Yan was probably a restless child.

Xihe thought about it and said to the other three women,

"Let's first check where Su Yan went. The little girl 420 is the Great Luo Jinxian. In the ancient land, as long as it is not a quasi-sage who can take action, no one will be the little girl's opponent."

The Queen Mother nodded in agreement, "Well, let's check where Yan Yatou went first. The little girl is not only Da Luo Jinxian, she should have a lot of treasures on her body. Chang'e took out a ribbon and cast a spell and said, "I'm here to check. Su Yan left with the Jade Rabbit. As long as I detect the Jade Rabbit's aura, we can find Yan Yatou.""

The Queen Mother and Chang Xi and Xihe all nodded.

Chang'e used the Jade Rabbit to find Su Yan.

This is a good way.

As long as Chang'e finds the location of the Jade Rabbit, they can also capture Su Yan.

At this time, the vast land ,

Su Yan appeared in the East China Sea holding the Jade Rabbit.

When Xi He came to the Taiyin Star, Su Yan secretly used the laws of space to come to the ancient land.

The Jade Rabbit worriedly reminded Su Yan in his arms,

"Your Highness, we should go back to Taiyin Star, or we can go back to Heaven. Otherwise, if the master and the Queen Mother find out that we have escaped, I will definitely be punished by Master Chang'e."

"Jade Rabbit, don't worry, I used the law of space to hide our aura. Aunt Queen Mother, Aunt Chang Xi, Aunt Chang'e, and Aunt Xi and Aunt Xi who later came to the Taiyin Star, they can't find us."

Su Yan touched the Jade Rabbit, looked around and shook his head.

Return to Taiyin Star?

Return to Heaven?

Is this possible?

Su Yan took advantage of Xi He's opportunity to return to Taiyin Star and escaped secretly.

She has not yet done what she wanted to do in the ancient land. Su Yan It is impossible to return to the Taiyin Star and return to heaven.

The Jade Rabbit is too timid.

During the Journey to the West, the Jade Rabbit dared to secretly descend to the lower world and become a demon. The Jade Rabbit at this moment is completely different from the Jade Rabbit during the Journey to the West.

The Jade Rabbit asked helplessly, "Your Highness, our Going somewhere."

Su Yan said with a smile,

"Jade Rabbit, this is the East China Sea. Let's go to the Dragon Palace of the East China Sea first. You must have never been to the Dragon Palace, right?"

"All right."

Jade Rabbit nodded when he heard Su Yan's words.

Even if she opposed Su Yan, he would not listen to her.

However,

Yutu heard that the Dragon Clan in the East China Sea has declined, and the Dragon Clan has no powerful powerful people. Yutu does not have to worry about Su Yan in the Dragon Palace. encounter danger

"Huh? A Taiyi Golden Immortal came."

Su Yan suddenly looked into the distance.

She sensed that a Taiyi Golden Immortal was coming quickly.

Su Yan touched her white chin and decided to see who it was. She was not familiar with it in the East China Sea. If there was an immortal who could show her the way, Su Yan will also find the East China Sea Dragon Palace as soon as possible.

The Jade Rabbit lies in Su Yan's arms and doesn't care.

Su Yan is a great Luo Jinxian. Behind her, there are several female quasi-sages like the Queen Mother. As long as she doesn't meet the old quasi-sages and saints, the Jade Rabbit doesn't worry about Su Yan. Yan Hui was in danger.

After a while, a young immortal quickly appeared next to Su Yan.

He saw Su Yan and asked in surprise, (To read Baoshuang novels, go to Feilu Novel Network!)

"who are you? Why does it appear near Jiejiao's Jin'ao Island?"

Daluo Jinxian?

A human race is actually in the realm of a Daluo Jinxian?

How is this possible?

Zhao Gongming was very puzzled by Su Yan.

Since the birth of the human race, except for the three human clans and the two human emperors, the human race has not been as big as the Daluo Jinxian at all. Yes, how could this human woman be a Da Luo Jinxian?

"Zhao Gongming, is Jin'ao Island nearby? Why didn't I check it?"

Su Yan didn't expect that it was Zhao Gongming who came. Zhao Gongming was really weak at this time.

However,

Su Yan did not dare to ridicule Zhao Gongming.

Zhao Gongming's three sisters were her aunts.

If Su Yan teased Zhao Gongming, Gentle The Yunxiao and the cold Qiong Xiao should not teach him a lesson, but the crazy woman Bixiao will not let her go easily. There are several aunts Su Yan dare not offend in Mero Heaven

, and the crazy woman Bixiao is one of them.

Zhao Gongming He asked in confusion,"Human race, you actually know who I am? Su

Yan smiled slyly and said,"Zhao Gongming, I know Yunxiao and Qiongxiao. Bixiao, can you take me to Jin'ao Island?"

"Um? Human race, how do you know my three sisters? You're not cheating on me, are you?"

Zhao Gongming did not believe what Su Yan said. Her three younger sisters have been practicing on Sanxian Island. How could they know a human race? And it was also a human race of Daluo Jinxian.

Su Yan said with a smile,

"No, I didn't deceive you. As long as you take me to meet the three Yunxiao people, you will know whether I have deceived you or not."

Jade Rabbit hurriedly said to Su Yan,"Your Highness, aren't we going to the East China Sea Dragon Palace? We still don't want to go to Jin'ao Island."

Jade Rabbit was very tired at the moment.

After a while,

Su Yan changed his attention.

Jin'ao Island?

The dojo of Tongtian Saint?

Yutu was worried that something would happen to Su Yan on Jin'ao Island. She didn't want Su Yan to go to Jin'ao Island.

Su Yan patted Jade Rabbit and said, "Jade Rabbit, don't worry, we will go to the East China Sea Dragon Palace later. Let's go to Jin'ao Island first. I have never been to Jie Jiao's Jin'ao Island."

Su Yan is very curious about Jin'ao Island.

She has never been to a saint's dojo in the main world. Su Yan wants to see what Jin'ao Island looks like this time. Is Jin'ao Island as beautiful as the Merlot Heavenly Court in Xuantian Realm?

"Princess?"

Zhao Gongming didn't expect that Su Yan would be a princess.

Are there princesses in the human race?

Why hasn't he heard that there is a princess from the human race, Daluo Jinxian?

Zhao Gongming thought for a while and decided to take Su Yan to Jin'ao Island. He wanted the teacher to Saint Tongtian, check Su Yan's origins

"Human Race, I can take you to Jin'ao Island. By the way, what is your Taoist name?"

Chapter 2905

In the ancient East China Sea,

Su Chen and Feng Xi also came to the East China Sea.

However, as soon as Feng Xi and Su Chen arrived at the edge of the East China Sea, they encountered a bloody plot.

Feng Xi reminded Su Chen, "Husband, the man in front of me is a dragon, and the woman is a human."

Su Chen nodded to Feng Xi. He looked at the man and woman not far away and was very surprised.

He knew that person. The woman was very familiar, and the dirty man next to her, no, should be a dirty dragon.

He also knew her.

Su Chen even asked his archangel to kill the dirty dragon.

The woman is Han Ba.

She is just a cultivator in the Fusion Realm now. Han Ba has not been cursed to become Han Ba. She should now be called Nu Ba.

The dirty man of the dragon clan is Yinglong, a scumbag in the fairyland.

Hanba and Yinglong were both scumbags during the Three Sovereigns and Five Emperors period.

Su Chen touched his chin and thought,

【It's interesting. Yinglong has been deeply in love with Hanba so early. No wonder he still missed Hanba during his journey to the west.】

"Madam, let's go to the theater"

"Bar!"

Feng Xi nodded gently to Su Chen.

She didn't pay attention to the two people in front of her. Even if Zhulong from the Dragon Clan was in front, Feng Xi wouldn't be worried. In the declining Dragon Clan, a Zhulong who lives in an ignoble way, although Feng Xi It's just Nuwa's good corpse, but if she wants to kill Zhulong, Zhulong can't escape either.

"Nvba, I really like you, just agree to be my Taoist companion."

"Impossible, Yinglong, you are a dragon and I am a human. I will not like people from other races. Please don't pester me again."

"Female slave, your adoptive father Xuanyuan agreed that I should be with you, why don't you agree to be my Taoist companion?"

"Yinglong, I wholeheartedly seek Taoism, and I don't know how to find a Taoist partner."

"Nvba, as long as you be my Taoist companion, I can use the resources of the Dragon Clan to help you become an immortal as soon as possible."

"No need, I will cultivate myself to become an immortal."

Su Chen and Feng Xi had just arrived when they heard the conversation between Han Ba and Ying Long.

Su Chen also understood that

Han Ba was not the biological daughter of the Human Emperor Xuanyuan.

Han Ba had not even told him about this.

Maybe it was Because after the Human Emperor Xuanyuan was killed by his order, Hanba felt that there was no need to tell the news.

Yinglong suddenly noticed that Su Chen and Feng Xi appeared, and he said with a serious face,

"Who are you? This is the territory of the Dragon Clan. Leave as soon as possible if nothing happens."

Su Chen said disdainfully,

"The territory of the Dragon Clan? Little Loach, this is the coast of the East China Sea. When did it become the territory of the Dragon Clan?"

Little loach?

Yinglong heard Su Chen insulting him unscrupulously, and seemed to look down on their dragon clan.

Yinglong shouted angrily,

"Human Race, you are so courageous. If our Dragon Clan had not allowed Human Race to survive on the coast of the East China Sea, do you think the Human Race could survive on the coast of the East China Sea?"

Su Chen curled his lips and mocked, "Dragon Clan allows it?" Little Loach, you must have forgotten the human race's Holy Mother Nuwa, right?"

"The human race survives on the coast of the East China Sea"

"It was the human race's Holy Mother Nuwa who told the world of immortality that even Zhulong would not dare to go against Nuwa's decree. You, a little loach of a fairy, simply don't know how to live or die."

Han Bao reminded Ying Long with a serious look on his face, "Ying Long, be careful what you say, our human race is arranged by the Holy Mother to live on the coast of the East China Sea, and it has nothing to do with your dragon race."

Han Ba saw that Su Chen was a human race and a human cultivator.

She was worried that Su Chen would offend Ying Long. Ying Long was narrow-minded.

Su Chen was just a cultivator in the Tribulation Realm. Han Ba was worried that Ying Long would get angry and kill him. Su Chen. (To read Baoshuang novels, go to Feilu Novel Network!)

Ying Long's face turned ugly.

Su Chen ridiculed him, belittled the dragon clan, and Han Ba was dismissive of him and was infatuated with him repeatedly. Rejection made Yinglong angry.

Su Chen was just an immortal cultivator in the Tribulation Realm, and the woman next to him had no cultivation realm at all. It would be easy for Yinglong and an immortal to kill them.

"Human race, do you want to die?"

Su Chen curled his lips and mocked, "Little Loach, you still can't kill me. Han

Bao hurriedly stood in front of Su Chen and shouted, "Yinglong, you can't kill this human race, and I won't allow you to kill this human race.""

Yinglong shouted angrily,

"Female slave, get out of my way. Even if I kill these two human beings, your father Xuanyuan won't say anything."

"you...."

0Flowers requested00Hanba stared at Yinglong with an ugly face, but Yinglong was right. Even if Yinglong killed Su Chen, her father Xuanyuan would not ask for an explanation from the Dragon Clan.

The war for the Human Emperor is about to begin.

Xuanyuan is wooing Yinglong to join the Youxiong tribe.

During this period,

Yinglong is killing more humans.

Hanba guesses that her father Xuanyuan will not punish Yinglong. After all, Yinglong is a celestial being. A powerful helper.

Su Chen hugged Feng Xi and said with a smile, "Little beauty, you are not bad."

Han Bao glared at Su Chen and shouted,

"Little beauty? Boy, are you as old as me? Don't tease me, otherwise even if Yinglong doesn't kill you, I will teach you a lesson."

Su Chen curled his lips and reminded,

"Little beauty, you are just a cultivator in the Fusion Realm, and I am a cultivator in the Tribulation Realm. Can you teach me a lesson?"

Feng Xi pinched Su Chen's waist fiercely.

She felt that Su Chen was not serious again.

Along the way,

Feng Xi was constantly taken advantage of by Su Chen. This bastard either hugged her or kissed and caressed her.

Now,

Su Chen actually flirted with a scumbag human woman.

Feng Xi felt that she had to take good care of this bastard in the future. She didn't want Su Chen to find other women casually.

"Human race, you are seeking death!"

Ying Long saw Su Chen flirting with the woman he liked. He waved his hand angrily and slapped Su Chen.

"Space moves!

Su Chen saw Ying Long taking action and hurriedly activated the law of space. He held Feng Xi and did not let her expose her cultivation level. It was very easy for Su Chen to destroy Ying Long

, a scumbag immortal. Boom, Ying Long's attack was moved hundreds of miles away by Su Chen.

"How can it be?"

Yinglong looked at Su Chen in surprise.

He didn't expect an immortal cultivator to move his attack.

Although Yinglong didn't use all his strength just now, how could the immortal cultivator resist the immortal's ordinary attack? How could the immortal cultivator move him? Attack?

Hanba looked at Su Chen in shock and whispered,

"So powerful, this bastard actually deflected Yinglong's attack? No, I have to recruit this bastard into the Youxiong tribe. He will be a huge help in fighting against the Jiuli tribe in the future."

Chapter 2906

Hanba didn't expect Su Chen to be so powerful.

An immortal cultivator deflected the immortal's attack, which made her feel very incredible. Moreover, Su Chen was holding a woman. Could this bastard be hiding his cultivation level?

"Die!"

Ying Long felt very shameless. He was a scumbag human race, but he could not kill the scumbag human race with one blow.

Yinglong had lost face in front of Hanba, and he had also lost the face of the dragon clan.

Yinglong wanted to kill him. This scumbag human race, he must kill Su Chen for embarrassing him.

"Space moves, space cuts."

Su Chen waved his hand to deflect Yinglong's attack, and at the same time used space cutting to burst out a space blade attack towards Yinglong. Boom, bang, bang, bang.....

Ying Long saw that the attack weapon had been moved away, and the space blades were attacking him instantly. He hurriedly took out the Houtian Lingbao and quickly resisted the space blades attacking him from all directions.

"Hum, time pauses!"

Swish swish swish".....

Yinglong suddenly found that his body could not move.

It was as if time had stopped around him. Space blades were about to cut through his body.

Yinglong shouted in panic, "No, I am a dragon, you can't kill me."....." boom!

"Space prison!"

Su Chen saw Ying Long being torn apart by the space blade attack. He hurriedly used the space prison to imprison Ying Long's soul. He must not leave any trouble when killing the enemy.

If Ying Long dares to attack him,

Su Chen will let him take shape. All gods were destroyed.

Feng Xi looked at Su Chen with beautiful eyes.

Su Chen was very surprised. Her husband knew the two major laws of chaos, the law of space and the law of time

, and he was one of the top ten laws of chaos.

Feng Xi smiled. Then he asked, "Husband, did you destroy Yinglong's soul as well?"

Su Chen kissed Feng Xi and replied, "A scumbag dragon clan, I never leave any trouble when I kill the enemy. Yinglong's soul was destroyed in the space prison.""

Feng Xi looked at Su Chen speechlessly, Zhazha

's dragon clan?

Yinglong is a heavenly immortal after all, and Su Chen is a cultivator who has transcended the tribulation realm.

Which one of them is Zhazha?

Hanbao hurriedly reminded Su Chen,

"You have caused a big trouble. Yinglong's father is an elder of the Dragon Clan, and he is also a powerful Taiyi Golden Immortal. You should leave the coast of the East China Sea quickly, otherwise Yinglong's father will definitely seek revenge on you."

Han Ba didn't expect that Su Chen was more powerful than she thought.

A fairy Ying Long,

Su Chen actually killed Ying Long leisurely. This bastard was a piece of shit in the Tribulation Realm.

Su Chen waved his hand,

Ying Long The Lingbao appeared in his hand.

He looked at Yinglong's Lingbao and was no longer interested. It was a garbage high-grade Lingbao.

Su Chen threw the Lingbao to Hanba and said, "Hanba, don't worry, Taiyi Jinxian is also a scumbag. If Yinglong's father dares to come, I will kill him too."

"Just brag."

Han Ba looked at Ying Long's spiritual treasure spear and put it away.

She didn't even have a spiritual treasure.

Since Su Chen gave her this acquired spiritual treasure, Han Ba had no reason not to accept it.

"Hanba, we left, and we will see you again when we have a chance."

Su Chen waved his hand to Han Ba, and Feng Xi took Su Chen and disappeared instantly.

He didn't tell Han Ba his name.

Han Ba was just a scummy immortal cultivator.

She hadn't cultivated the soul yet.

Su Chen was After telling Hanba his name, Hanba couldn't be familiar with him.

When Hanba saw Su Chen and Feng Xi disappear instantly, she said angrily, (To read Baoshuang novels, go to Feilu Novel Network!)

"Damn it, that bastard hadn't told him his name yet, and he wanted to invite him to the Bear Tribe. How could that bastard leave so quickly? Are you worried about the Dragon Clan's revenge?"

At this moment,

Su Chen and Feng Xi appeared in the Chaos Wa Palace in an instant.

They were obviously going to the East China Sea Dragon Palace, so why did they appear in the Nuwa Empress's dojo?

Su Chen asked in surprise, "I'll go, Feng Xi, Why did we appear in the Wa Palace?"

Feng Xi reminded with a gentle smile,

"Husband, it was the real body that moved us to the Wa Palace. You may be in misery soon."

Su Chen rubbed his forehead helplessly,

Nuwa?

He was originally going to see Empress Nuwa for the last time.

In the Xuantian Realm,

Concubine Yan and Nuwa are his most important women.

Concubine Yan manages the Xuantian Realm, and Its affiliated realms and many small worlds.

Empress Nuwa is responsible for external conquests.

All saints, quasi-sages, and Daluo Jinxian in the Xuantian realm are under the jurisdiction of Empress Nuwa.

"Madam, you have to protect me later, I don't want to be beaten by Nuwa"

"Haha~ Husband, there is nothing I can do. You should understand that I cannot refute the decision of the main body."

"Forget it, I'll find a way to get rid of your body."

Su Chen shook his head and pulled Feng Xi towards the palace.

"See empress!"

"See empress!"

"See empress!"

Along the way, the female fairies in Nuwa Palace saluted Feng Xi one after another.

However, when they saw Su Chen pulling Nuwa Empress, these female fairies were stunned one by one.

"Lingzhuzi met the empress."

Suddenly, a little boy ran over and saluted Feng Xi, saying,

"Spirit beads?"

Su Chen looked at the little boy and frowned.

The spirit bead will be reincarnated as Nezha in the future.

In the prehistoric fairy world of this period, the spirit bead may not be reincarnated as Nezha.

But Su Chen couldn't stand it very much. The naughty kid who caused trouble everywhere, he took in Nezha's mother during the Conferred God period. Su Chen said that he was still Nezha's stepfather, but the naughty kid couldn't afford it, and he tolerated Nezha when he saw (Denuo Zhao) I couldn't help but want to beat this naughty kid to death.

Su Chen said to Feng Xi,

"Feng Xi, cut off all the cause and effect between Lingzhuzi and Wa Palace, and sent Lingzhuzi to the ancient world of immortality to let him fend for himself."

"good!"

Feng Xi nodded to Su Chen and agreed.

She didn't ask why.

Su Chen would not let her do this for no reason. Feng Xi guessed that the spirit beads were not suitable to stay in the Wa Palace, and maybe the spirit beads would be brought to the Wa Palace in the future. Come and cause trouble.

When Lingzhuzi heard what Su Chen and Feng Xi said, he hurriedly knelt down and begged.

"Empress, don't drive me away, don't drive me away from Wa Palace."

Feng Xi said with a cold face,

"Lingzhuzi, haven't you always wanted to go to the wild world? You can play freely in the prehistoric fairyland in the future, but from now on, you are not from the Wa Palace, and you cannot call yourself a boy from the Wa Palace. You will be free from now on."

Chapter 2907

In the Wa Palace,

Empress Nuwa looked out with a cold face.

Su Chen wanted to drive the spirit beads to the ancient world of immortality. She did not stop her, and she could not stop him.

Lingzhuzi's future has been determined.

Since Fuxi became the Human Queen,

Lingzhuzi will be a disciple of the Chan Cult in the future.

Su Chen has banished Lingzhuzi to the prehistoric fairy world. She has abided by her agreement with Yuanshi Tianzun.

As for Su Chen, husband?

A scumbag human race turned out to be her husband.

When Empress Nuwa thought of what Su Chen did most to Shan Zhi, she was so ashamed and angry that she couldn't help but want to slap Su Chen to death.

The reason why Empress Nuwa captured Su Chen was that she On the one hand, she wanted to find out where Su Chen came from, but on the other hand, she was worried that Su Chen would eat her good corpse.

"Madam, here I come."

Su Chen swaggered into Nuwa's palace.

He didn't look at how Feng Xi dealt with the spirit beads. He was an insignificant scumbag. Su Chen didn't care whether the spirit beads would live or die in the future.

Empress Nuwa looked ashamed and angry. threatened,

"Su Chen, do you want to die?"

Su Chen sat next to Nuwa Empress and smiled, "Madam, do you want to kill me?"

"Don't I dare to kill you?"

"Madam, you are my woman, you will not kill me."

Empress Nuwa threatened angrily, "Su Chen, if you dare to provoke me again, even if I won't kill you, I can keep you imprisoned in the Wa Palace."

"I'll do it!"

Su Chen shut his mouth. Damn, if Nuwa imprisons him in Nuwa's palace, how can the fate war be fought? Winina and the other girls will be killed by the enemy team. Su Chen doesn't dare to kill him at this moment. Nuwa was angered.

Empress Nuwa asked Su Chen, "Su Chen, when did you come from the prehistoric period?"

Su Chen asked in surprise,

"Um? Madam, do you know that I am not from this period?"

Nuwa Empress snorted coldly, "Huh, since you and I are Taoist couples, you can't possibly be a scumbag of immortal cultivators climbing the ladder to heaven? Will you, a cultivator of immortality, encounter me when you climb the ladder to heaven?"

Su Chen didn't expect Nuwa to be so smart, so the explanation of the ladder to heaven doesn't seem to work.

However, if Su Chen dared to tell Nuwa about the future, would the prehistoric heaven destroy him?

How about Su Chen and Wenina ? As a person, their prehistoric fairy world is a reasonable existence, but if Su Chen reveals the story, the prehistoric heaven may regard him as an alien, and the heaven may really destroy him.

"Madam, I am indeed not from this period, but I can't say too much. You should understand why."

"I understand, I'll ask you questions, but I won't ask sensitive things."

Nuwa Empress nodded to Su Chen.

She understood what Su Chen meant.

If Su Chen came from the ancient world of the future, and he dared to reveal what happened in the future, the Great Society of Heaven would destroy Su Chen.

Su Chen held Nuwa in his arms. The queen's sexy waist said, "Okay, you ask and I answer.

Nuwa leaned into Su Chen's arms and asked, "Humph!" Husband, what level of cultivation are you at?"

"The eighth level of the holy realm!"

Nuwa Empress asked in surprise, "The eighth level of the Holy Realm? You are so powerful? And me? What state will I be in in the future? Su

Chen hugged Nuwa, kissed her and replied, "You are also in the eighth level of the Holy Realm. In the future, you will not only know the laws of creation, but also the laws of instantaneous time, and you will also practice them to great perfection.""

Empress Nuwa rolled her eyes at Su Chen in embarrassment.

This bastard is really shameless.

However, she understood that the joy of being kissed by Su Chen was her own experience this time, not a feeling passed down to her from the good corpse.

Empress Nuwa wiped her mouth and thought about Su Chen's words.

She would also be in the eighth level of the Saint Realm in the future. In this way, their husband and wife's cultivation realm was the same.

There was also the law of time.

Empress Nuwa knew the law of creation. She did not expect that she would be able to do so in the future. Master the law of time

"Husband, what is the state of other saints?"

Su Chen replied with a smile, (To read Baoshuang novels, go to Feilu Novel Network!)

"The other saints are all finished. The prehistoric immortal world is under our control. We also control six realms and control more than 5,000 large, medium and small worlds. We have nearly thirty saints alone and hundreds of quasi-sages. Bit. There are countless Daluo Golden Immortals and Taiyi Golden Immortals. (adbf)"

Empress Nuwa looked at Su Chen in shock.

Are the other saints finished?

Do they control the ancient immortal world? Six realms? More than five thousand other small thousand worlds?

There are nearly thirty saints?

Quasi-sages There are also many Daluo Golden Immortals and Taiyi Golden Immortals?

Is all this true?

How could Taoist Hongjun fall? How did I and the original five saints fall? It's so scary,

Nuwa Empress feels It was very untrue, but it was impossible for Su Chen to deceive her.

Empress Nuwa could not ask how other saints fell, it was enough for her to know this.

Empress Nuwa leaned against Su Chen's arms and squinted her eyes and asked,"Husband, do you have anything else? A woman?"

"Ahem, this.....this....."

"Huh, don't tell me no!"

"have!"

"who is it?"

"Houtu, Queen Mother, Queen Mother of the West, Xihe, Chang Xi and other daughters"

"How many girls are you waiting for? You pervert, you actually have so many women, and they are all innately powerful"

"My woman is lucky"

"You are so shameless!"

Jin'ao Island,

Su Yan came to Jin'ao Island for six days, but Jin'ao Island was filled with smoke and smoke.

Basically, the disciples of Jiejiao were demons. A rich land of immortal family was ruined by these demon disciples.

Su Yan sat on a table The tree said to the Jade Rabbit,

"Jade Rabbit, let's wait a few more days. Tongtian, the Jiejiao, will give a sermon. Then Yunxiao and the others will come to Jin'ao Island. We will leave Jin'ao Island after seeing Our Lady of Wudang and Yunxiao."

Jade Rabbit replied in Su Yan's arms,

"Well, Your Highness Princess, you have to be careful of Jie Jiao's disciples, I'm worried that they will plot against you."

Su Yan said disdainfully,

"Some scum, they want to die, I don't mind helping those little scum."

Su Yan is not worried that Jie Jiao

's disciples dare to take advantage of her. Among all Jie Jiao's disciples, only Duobao has just been promoted to quasi-sage. Duobao was still promoted to quasi-sage by his merits. Wudang Holy

Mother and the other girls, they don't have her yet. Strong, the other disciples are not even as good as her shadow assassins, they are just cannon fodder.

In the Biyou Palace on Jin'ao Island,

Saint Tongtian has been checking on Su Yan these days.

Ever since Zhao Gongming brought Su Yan to Jin'ao, On Aodao, Tongtian discovered that Su Yan was different.

A sixteen-year-old human girl,

Su Yan turned out to be a Da Luo Jinxian. Tongtian couldn't check Su Yan's memory.

Tongtian stroked his beard and thought,

"Weird, so weird. Where did Su Yan come from? Who could her parents be? Could it be that Su Yan was born as a Daluo Jinxian? saint? Will Su Yan's parents be saints?".

Chapter 2908

Tongtian feels that Su Yan is not an ordinary person.

Su Yan is a Daluo Jinxian at a young age. Su Yan's parents must have unusual origins.

But whose child is born as a Daluo Jinxian?

It is impossible to be a quasi-sage, a saint? is it possible?

The six great saints of the prehistoric immortal world,

Lao Tzu, the original one, and the two saints of the West, it is impossible for them to have a Taoist companion, let alone have descendants,

Nuwa?

It is even more impossible for her.

Nuwa has always lived in chaos.

How could she find a Taoist companion? Moreover, there is no living creature in the ancient fairy world that Nuwa can take a fancy to.

Tongtian stood up and thought,

"The women in black who protect Su Yan are not simple either. They are either Da Luo Jinxian or Taiyi Jinxian. If I were not a saint, those women in black would really not be able to find out."

"Um? Those idiots."

At this moment,

Su Yan was surrounded by seven Jie Jiao disciples. Each of these Jie Jiao disciples looked at Su Yan with evil intentions. The seven Jie Jiao disciples were the Seven Immortals who attended Tongtian. They were Wuyunxian, Lingguang Immortal, Golden Hoop Immortal, Long-eared Dingguang Immortal, Pilu Immortal, Tooth Fairy, Qiushou Fairy.

Jin Guangxian asked Su Yan,

"Human race, why did you appear on Jin'ao Island? Su

Yan looked at the seven scumbags and said, "Why can't I appear on Jin'ao Island?"

The long-eared Dingguang Immortal shouted obscenely, "Little girl, the little rabbit in your arms is a demon. You have to hand the rabbit demon over to us."

"Get lost, you disgusting thing."

Su Yan looked at the Long-eared Dingguang Fairy and was very disgusted.

A wretched rabbit wants the Jade Rabbit?

Su Yan guessed the Long-eared Dingguang Fairy's plan.

Although the Jade Rabbit has not yet transformed, the Jade Rabbit has been on the Taiyin Star for many years, and was also captured by Chang'e. Holding the Jade Rabbit in his arms all the time, the aura of Chang'e is stuck to the Jade

Rabbit, and the cultivation qualifications are very good. The long-eared Dingguang Immortal has ill intentions towards the Jade Rabbit.

The disgusting Rabbit may want to seize the Jade Rabbit's Yuanyin cultivation, and the Jade Rabbit may also be As a cauldron.

Long-eared Dingguangxian threatened coldly,"Human race, do you want to be destroyed both physically and spiritually?"

Disgusting?

A scum of the human race who has no realm of cultivation.

Long-eared Dingguangxian wants to kill Su Yan. He can kill the little scum of the human race in one breath.

However, a scum of the human race without any realm of cultivation, she It was impossible to come to Jin'ao Island. Chang'er Dingguangxian guessed that someone brought Su Yan to Jin'ao Island.

Jin Guangxian and others felt incredible that a human race dared to speak rudely to the immortal.

They were also very angry with Su Yan. After all, Chang'er Erding Guangxian is their senior brother.

Su Yan mocked disdainfully,

"Cut it, scumbag!" Su Yan can destroy the seven scummy Xuanxian with one finger. If the seven scumbags dare to be rude to her again, Su Yan will definitely destroy the seven scumbag disciples. Yutu said to Su worriedly Yan reminded,"Your Highness, this is Jin'ao Island. You must not cause trouble." Su Yan asked funnyly,

"Not causing trouble? Yutu, do you want me to hand you over to them?"

Jade Rabbit shook his head hurriedly and said,"No, Your Highness, please don't hand me over to them."

Long-eared Dingguangxian shouted angrily,

"Scumbag? Little girl, you have made us angry. We don't care who brought you to Jin'ao Island. You are dead today, as well as your parents and relatives. I will torture your parents and relatives. I will make them all die. Tragic physical and spiritual destruction."

Definitely dead?

Killing her parents and relatives? A tragic death?

Su Yan's face turned cold.

The disciples of Jie Sect are really arrogant and arrogant. The largest sect in the world? A rubbish saint sect.

Su Yan's eyes He shouted coldly,

"Youyu!"

Whoosh!

A woman in black suddenly appeared next to Su Yan and said politely, (To read Baoshuang novels, go to Feilu Novel Network!)

"your Highness!"

"Kill them!"

"Yes, Your Highness the Princess."

When Yu Yixian saw the shadow assassin appearing, he hurriedly shouted,

"No, it's Daluo Jinxian, please inform the teacher quickly."

The seven attendants were all very panicked.

A powerful Daluo Jinxian, and all of them combined were no match.

Boom! Just as the seven attendants were about to escape, they were all suppressed by You Yu's powerful momentum. The seven immortals were suppressed one after another. He lay on the ground.

The Jiejiao disciples on Jin'ao Island looked over one after another.

They did not expect that someone would burst out with a powerful momentum on Jin'ao Island, and it was also a strange Daluo Jinxian.

0 Request for flowers

Swish Swish Swish.....

Jiejiao arrived one by one and flew quickly.

They wanted to know who dared to act recklessly on Jin'ao Island.

When Youyu waved her short blade to kill the seven immortals accompanying her, she suddenly found herself locked in a terrifying aura.

You Yu hurriedly reminded Su Yan,

"Your Highness, please be careful. A saint is coming. All the shadow teams must protect Your Highness."

Swish swish swish.....

Eleven shadow assassins appeared around Su Yan one after another, and they were wary of the Jie Jiao disciples who kept coming.

Su Yan looked around and shouted loudly,

"Those who come near will be killed without mercy!"

Su Yan didn't expect that Tongtian would take action.

It's troublesome.

The seven scumbags can't be killed.

However, if Tongtian doesn't give her an explanation, Su Yan plans to take out her aunt's jade talisman and kill Tongtian once.

Many disciples of Jiejiao They were stunned.

They didn't expect that Su Yan would dare to act recklessly on Jin'ao Island, and even dare to threaten them, the saint disciples.

Ma Yuan angrily shouted to Su Yan, "Little girl, this is Jin'ao Island. You are tired of living." Yet?"

Whoosh!

Su Yan appeared next to Ma Yuan instantly.

She pinched Ma Yuan's neck with one hand and said coldly, "Tired of living? Little scumbag, can you tell me again?"

"Let Junior Brother Ma Yuan go, or he will die"

"Little girl, let Junior Brother Ma Yuan go!"

"You are so daring, little girl. First you attacked our Seven Immortals, and now you dare to kidnap Senior Brother Ma. You really want to die."

"Let's go together and kill the little human girl."

"Human race, let go of Junior Brother Ma Yuan or you will die."

Hundreds of Jie Jiao disciples around them shouted angrily at Su Yan.

They couldn't tell Su Yan's level of cultivation, but Su Yan was able to catch the immortal Ma Yuan in an instant. Jie Jiao's disciples felt that Su Yan's level of cultivation was At least they are Xuanxian.

However, the women in black next to Su Yan are all powerful immortals. They can only bluff and wait for the strong men who are waiting for Jiejiao to arrive, and wait for their teacher, Tongtian Saint, to arrive.

Su Yan looked disdainfully at the Jiejiao around him The disciple mocked, "A bunch of rubbish, a bunch of scum, a bunch of crooked melons and cracked jujubes, I feel disgusted when I see you."

Whoosh!"

"Human Race, you have gone too far!"

Chapter 2909

Duobao appeared next to him in an instant.

He stared at Su Yan with an ugly face.

Duobao knew that Su Yan was brought by Zhao Gongming to teach him. He also knew that Su Yan was a Da Luo Jinxian, but Su Yan's ridicule to the disciples of "Jie" was too much. Bao's face looks very ugly

"I've met Senior Brother!"

"I've met Senior Brother!"

"I've met Senior Brother!"

When the hundreds of Jie Jiao disciples around saw Duobao's arrival, they all bent down and saluted. When

Duobao arrived, the Jie Jiao disciples around him all breathed a sigh of relief.

Duobao is Jie Jiao's senior brother and a quasi-sage. The strong one, a little girl from the human race, they believed that Duobao would easily suppress Su Yan.

Su Yan curled his lips and shouted,

"Duobao, hand over those seven trashes, and I can let go of these rude scum around me."

Duobao?"

The biggest traitor of the "683" Jiejiao.

Su Yan did not expect that the great traitor Duobao would arrive.

However, she did not want to expose Duobao.

Jiejiao's arrogance made Su Yan very unhappy. Su Yan couldn't wait to see Duobao. Duobao will destroy Jiejiao in the future.

Duobao refused expressionlessly. He said, "Impossible, Su Yan, let my junior brother go quickly."

Kacha!

Su Yan crushed Ma Yuan to death with one hand.

He was a scumbag.

Since Duobao didn't hand over the seven Long-Ear Dingguang Immortals, she planned to kill the seven Long-Ear Dingguang Immortals herself.

"Su Yan! you wanna die."

Duobao didn't expect that Su Yan would dare to kill the Jie Jiao disciples, and even Ma Yuan's great soul would be crushed. Ma Yuan had no hope of reincarnation.

Boom!

Duobao burst out with momentum to suppress Su Yan. He didn't know that Su Yan No matter what Yan's background was, he didn't dare to kill Su Yan rashly. Su Yan asked with a serious face, "Duobao, do you dare to take action against me?"

"Su Yan, I'm going to suppress you. If you kill a Jie Jiao disciple, our teacher will punish you."

"Suppress me? You, a scumbag from the early stage of Quasi-Sainthood, can't do it."

"Shameless talk"

"Fu will be in red armor."

Su Yan waved his hand and shouted, swish, swish, swish!

Five puppet immortal armors appeared around him. Five quasi-sage-level Fujiang red armors quickly burst out with powerful momentum to protect Su Yan.

Fujianghong. A, in the past, he was just a scumbag, but with the help of the Heavenly Ladder,

Fu Jiang Red Armor was fused with the innate spiritual treasure and the Five Elements Spiritual Beads, and with the addition of several pieces of Chaos Gold Crystals, Fu Jiang Red General has the strength of a quasi-sage.

The five talisman red armor can kill even the most powerful quasi-sage when they work together.

Su Yan even used precious life spirit liquid to make the talisman red armor produce some spiritual intelligence.

"How can it be? Five puppets with quasi-sage cultivation? Su Yan, where are you from?"

Duobao saw Fu Jiang Hongjia appear.

After he checked the cultivation level of Fu Jiang Hongjia, Duobao hurriedly backed away with an ugly face. The five puppets were quasi-sages, and they also had the power of the five elements.

Duobao faced Even a talisman general in red armor is no match. After all, he has just been promoted to Quasi-Saint not long ago.

Who is Su Yan?

She is either protected by Da Luo Jinxian or Quasi-Saint puppet. Duobao feels that Su Yan's origin is extraordinary.

The interceptors around her The disciples were stunned, and all the Jie Jiao disciples kept retreating in fear.

Five puppet quasi-sages? (To read Baoshuang novels, go to Feilu Novel Network!)

Is this little girl from the human race going to defy heaven?

Only one of the Jie Jiao has one Quasi-sage, how could a little human girl have five puppets of quasi-sage?

The seven Long-eared Dingguangxian and Jinguangxian, all of them turned pale and quickly backed away in fear. It was so scary.

They thought Su Yan was just a scumbag. The human race, but they didn't expect to provoke an ancestor, or a terrifying little ancestor who would kill them.

Su Yan touched his chin and laughed and said, "What? Is the top disciple of Jie Jiao afraid? Aren't you going to suppress me?" Duobao said with an ugly face,

"Su Yan, this is Jin'ao Island of Jiejiao. Although you are protected by five puppet quasi-sages, don't forget that our teacher Tongtian is a saint.

Su Yan curled his lips and said indifferently, "Saint?" What's so great about saints? It's not like I've never seen saints before."

The Jade Rabbit looked at Su Yan with shining eyes.

She was going to crush the jade talisman and ask Fairy Chang'e for help, but she didn't expect that the guards around Su Yan were stronger than the last.

There were eleven Taiyi Golden Immortals and one Daluo Golden Immortal.

There are still five puppets of quasi-sages.

Is Su Yan trying to defy heaven?

Princess Su Yan said that she has seen saints. Is there a saint around Su Yan to protect her?

The Jade Rabbit asked Su Yan, "Your Highness, you have someone beside you." Protected by saints?"

Su Yan asked speechlessly,

"Do you think so?"

"Yes, there must be 0..."

Su Yan was too lazy to deal with the whimsical Jade Rabbit.

How could there be a saint protecting her?

This is the prehistoric fairyland of trials, not the prehistoric fairyland of the main world. Su Yan has not yet met Nuwa Empress, and there is no protection from the saint around her.

Duobao and the surrounding Jiejiao disciples were silent. They didn't even dare to move at this moment. If Su Yan didn't like them, they would be killed instantly by the five quasi-sage puppets.

Su Yan looked to one side and shouted,

"Saint Tongtian, if you don't come out, I will ask you to clean up the seven trashes next to you."

Whoosh!

Tongtian appeared instantly and said to Su Yan, "Little girl, do you still dare to kill my disciple? Aren't you worried that I will kill you?"

Duobao hurriedly saluted and said,

"I've met the teacher!"

"See the teacher!"

Hundreds of Jie Jiao disciples around also saluted.

When Tong Tian appeared, these Jie Jiao disciples breathed a sigh of relief. With their teacher, Tong Tian Saint, here, the little girl from the human race is going to die, and the five puppet quasi-sages will also be in the future. The puppet quasi-sage of Jiejiao.

Su Yan said with a serious face,

"You don't dare!"

"Haha~"

Tongtian laughed angrily.

He didn't expect that Su Yan would dare to speak to him like this.

It was impossible for other saints in the ancient immortal world to dare to provoke him like this.

"Little girl, although your origin is mysterious, if I want to kill you, no one in the prehistoric fairy world can save you. Su

Yan showed a noble temperament on his body and said, "Sage Tongtian, I still say the same thing, you don't dare to kill me, and you can't bear the consequences of attacking me."

"Um?"

Tongtian looked at Su Yan and felt incredible.

Su Yan had changed a lot now.

He found that Su Yan seemed unattainable at this moment. He had an innate noble temperament. Tongtian had only seen it in Nuwa, the prehistoric fairy world. No one here has a nobler temperament than Su Yan

"Su Yan, who are your parents?".

Chapter 2910

Su Yan held the Jade Rabbit and looked at Tongtian unexpectedly.

Who are his parents?

Tongtian sees her origin? is it possible?

Su Yan thought that it was impossible for Tongtian to know her origin. Maybe Tongtian thought that she was a Daluo Jinxian at a young age. Tongtian thought that her parents should be innately powerful.

Su Yan touched his chin, thought for a while and said,

"Saint Tongtian, you don't need to know who my parents are. You should understand what happened before. I can let six of your seven disciples go, but Long Er Dingguang Immortal must die.

Tongtian said expressionlessly, "Little girl, do you think it's possible?" Although my disciples have offended you, their sins will not lead to death. I can punish them severely."

"Hum, Saint Tongtian, I will only kill one person, this is my bottom line"

"I don't agree, but I can make it up to you."

Tongtian shook his head at Su Yan.

He would not let Su Yan kill his disciple.

Although the seven Chang'er Dingguang Immortals did something wrong, they are his disciples after all. If Tongtian let Su Yan kill him on Jin'ao Island Without his disciple, what kind of face would he have in the ancient world?

However,

Su Yan was too weird, so Tongtian decided to make it up to Su Yan first. He also wanted to investigate Su Yan's origins.

Su Yan curled his lips and said disdainfully, "compensate? What treasures does Jie Jiao have to compensate me? Except for your Four Swords of Zhuxian, the treasures in Jiejiao are all garbage."

"Little girl, you're not shy. You want my Four Swords of Immortal Killing. Do you think you can get it?"

"Saint Tongtian, if you don't let me kill Chang Er Dingguang Immortal, you will be my enemy from now on. You must think carefully."

Su Yan touched the Jade Rabbit and didn't want to stay in Jiejiao anymore.

Tongtian defended all the seven immortals who were accompanying him. Unless she used the jade talisman to deal with Tongtian, she would not be able to kill Tongtian, but the jade talisman was her life-saving means. Su Yan They didn't want to expose the existence of the jade talisman too early.

Many disciples of Jiejiao looked at Su Yan in confusion. They didn't expect that Su Yan would dare to be arrogant in the face of Saint Tongtian, and even dare to threaten their teacher, Saint Tongtian. The people around them The Jie Jiao disciples are all speculating about Su Yan's origins.

Who is Su Yan? How dare a human race disrespect their teacher, Saint Tongtian?

The Seven Immortals who attend are very uneasy, because of

Su Yan's strength, and their teacher Saint Tongtian's Attitude, they all felt that they had offended someone who should not be offended.

If Su Yan insisted on killing them, the seven of them would have to stay on Jin'ao Island in the future, otherwise Su Yan's five quasi-sage puppets would definitely kill them.

Tongtianlai He said indifferently, "Enemy? Little girl, you are not worthy of being my enemy~."

Su Yan snorted and threatened,

"Hum, Tongtian, so what if you are a saint? If a saint stops you, I can wipe out all the disciples of Jiejiao in a quarter of an hour. Don't think that just because you have the Four Swords of Zhuxian in your hand, you are invincible in the prehistoric immortal world."

Boom!

Tongtian burst out with some saintly momentum and threatened, "Little girl, do you want to be suppressed by me?"

Bang bang bang....

Fu Jiang's red armor was protecting Su Yan and was suppressed to the ground one after another. The quasi-sage was vulnerable to the saint. Facing the overwhelming saint's aura, Fu Jiang's red armor had no ability to resist.

"Ice and Snow Lotus!"

Su Yan hurriedly summoned Bing Ji's half-step Chaos Spiritual Treasure.

She borrowed Bing Ji's Ice and Snow Lotus before climbing the ladder. Tongtian dared to suppress her with his aura. Su Yan could only rely on the Ice and Snow Lotus to resist Tongtian's aura and suppression.

"Half-step Chaos Spiritual Treasure? How can this be?"

Tongtian was very shocked when he saw the ice and snow lotus above Su Yan's head.

Half-step Chaos Spiritual Treasure?

Only Hongjun has one in the prehistoric fairy world. How could Su Yan, a human race, have half-step Chaos Spiritual Treasure?

What is Su Yan's origin?

Chaos Demon God?

This is impossible.

Chaos Demon God cannot appear in the prehistoric immortal world, nor can it be a Da Luo Jinxian.

Swish swish swish.....

At this time, (to read Baoshuang novels, go to Feilu Novel Network!)

Our Lady of Jin Ling, Our Lady of Wudang, and Our Lady of Turtle Spirit came out of seclusion one after another and appeared next to Saint Tongtian, as well as the three Yunxiao sisters who had just arrived at Jin'ao Island. Quickly appeared next to Tongtian.

Their master burst out with the aura of a saint, and the six Jin Ling Holy Mothers thought that an uninvited guest was coming to Jin'ao Island.

However, they saw that Tongtian was about to suppress a little girl from the human race. The little girl from the human race was still a Daluo Jinxian, and there were five quasi-sages beside her. The puppets, the Golden Spirit Holy Mother and the six Yunxiao people were all very surprised.

Su Yan asked with a cold face, "Tongtian, do you dare to suppress me?"

Tongtian asked with a serious face, "Little girl, who are you? Why do you have the Half-Step Chaos Spiritual Treasure?"

The disciples of Jiejiao I'm so confused, a half-step Chaos Spiritual Treasure?

The ice lotus on Su Yan's head is a half-step Chaos Spiritual Treasure?

All the disciples of the Jie Jiao turned pale.

There was not even a single innate treasure in the Jie Jiao. How could a human race have a half-step Chaos Spiritual Treasure?

The Holy Mother of the Golden Spirit and Yun Xiao looked at Su Yan in confusion. They did not expect that Su Yan would have a half-step Chaos Spiritual Treasure.

Who is Su Yan?

Why did they conflict with their master?

"` Tongtian, today's matter will not be settled like this."

Su Yan looked at Tongtian indifferently.

She was planning to leave.

Tongtian exploded with momentum in Jin'ao Island. Saints and quasi-sages in the ancient world of immortality would pay attention to Jin'ao Island. Su Yan didn't want to be exposed to the eyes of other saints. She He didn't want to be discovered by Hongjun.

Tongtian shook his head and said, "Little girl, if you don't tell me your origins, you won't be able to leave Jin'ao Island. Su sneered disdainfully, "Hey, I want to leave. Even if you are a saint, you can't stop me.""

"Little girl, you are very arrogant. I want to see how you leave Jin'ao Island."

"Senior Brother Tongtian, you can't keep my daughter!"

Whoosh!

Empress Nuwa suddenly appeared on Jin'ao Island. She looked towards Tongtian with a cold face.

"daughter?"

Tongtian looked at Nuwa Empress in confusion, daughter?

Su Yan is Nuwa Empress' daughter?

How could Nuwa Empress have a daughter? Who is Nuwa's Taoist companion?

All the disciples of Jiejiao listened. When they heard about Empress Nuwa, all the disciples of Jiejiao were stunned.

Daughter?

Su Yan is Empress Nuwa's daughter?

Oh my God!

The disciples of Jiejiao all felt incredible. Empress Nuwa actually had a Taoist companion? What's more? You have a daughter?

No wonder Su Yan was a Daluo Jinxian in his teens, the daughter of a saint.

Su Yan will be unlucky in the future

"Mother!"

Su Yan saluted Empress Nuwa and shouted.

She didn't know how Empress Nuwa knew her existence, but Empress Nuwa was her aunt. Empress Nuwa said she was her daughter's servant, so

Su Yan could only call her Nuwa. Empress Nuwa's mother, anyway, there is no difference between calling her Aunt Nuwa and her mother.

Empress Nuwa smiled and said to Su Yan, "Yan'er, we'll talk about you secretly coming to the prehistoric immortal world later. How could you have a conflict with Saint Tongtian?".
