Chapter 2931

Venina asked worriedly,

"Husband, the Black Armor Legion was not exposed on the battlefield. Now in order to integrate the Dayan tribe, the Black Armor Legion is exposed. Will Xuanyuan and Chi You find out?"

Su Chen kissed Luo Nu in his arms and said with a smile,

"If you find it, discover it!"

"After this war, the Black Bird Tribe will definitely be paid attention to by the Chanjiao and the Wu Clan. The Black Armored Legion cannot hide it for long~"

"Moreover, Xuanyuan and Chi You are enemies of life and death. Their primary goal is to destroy each other. At this time, Xuanyuan and Chi You will not launch a war against our Xuanniao tribe.-"

Alice asked Suchen,

"Husband, where is our Black Bird Tribe? What to do next? Was it watching the war between Xuanyuan and Chi You? Or do you want to participate in the Human Emperor's war?"

Bai Yuekui, Laura and the other girls also looked at Su Chen. They also wanted to know Su Chen's future plans. The

Human-Emperor War will break out in a year.

Maybe the Human-Emperor War will break out in advance. They want to know Su Chen's future plans. What are the arrangements?

Su Chen replied with a serious face,

"We must participate in the Human-Emperor War, and we will participate once the Human-Emperor War begins. Don't forget our mission. We cannot sit on the mountain and watch the fight between tigers and tigers."

Su Chen also wanted to defeat both Xuanyuan and Chi You, and he would reap the benefits, but this is impossible, and fate and heaven will not allow them to do this. As long as the Human-Emperor War begins, Su Chen and the women will have to fight. Participate, otherwise the Luck and Heavenly Law will judge them to lose this Luck War.

Alice and Natasha nodded. They understood what Su Chen meant.

Once the Human-Emperor War begins, both of their teams will Participate immediately.

This is the rule stipulated by Qi Lun Tian Dao. They cannot violate the rules of Qi Lun Tian Dao.

Luo Nu leaned on Su Chen's arms and said,

"Husband, I sent envoys to contact other large human tribes. Some tribes that have good relations with me will join us, the Black Bird Tribe. Even if the Human-Emperor War begins, we don't have to worry about the Bear Tribe."

Su Chen touched Luo Nu's smooth little face and said, "Well done. As long as we win over half of the big tribes to join us, the Bear Tribe in Xuanyuan will be very tragic."

Bai Yuekui reminded Su Chen,

"Husband, don't forget about Chanjiao and the Wu clan. We don't have to worry about the Wu clan, but Chanjiao will definitely find ways to help Xuanyuan. I'm worried that Chanjiao will take action against us."

Alice and the girls nodded one after another.

The Witch Clan doesn't need to worry.

They know that the ancestor of the Witch Clan, Houtu, is Su Chen's woman, but the Chan Sect cannot be careless.

The Chan Sect is a saint sect.

If the Chan Sect produces a powerful immortal, they came to rob and kill them. They could not be the opponents of the immortals.

Su Chen touched his chin and nodded.

He understood that Chanjiao would definitely take action for Xuanyuan, and Renjiao and Jiejiao would also help Chanjiao. Everything was for God's merits.

It seems that the little girl Su Yan needs to be notified in advance.

The disciples of the three religions don't have to worry.

Su Chen is worried that the three churches will invite quasi-sages from the ancient world of immortality, such as Yama, Generals, Patriarch Puppet Mountain, etc. These quasi-sages. If they were promised conditions by the saint, they would definitely help the saint to rob and kill him.

Su Chen thought for a while and said,

"Wenina, you and Bai Yuekui will go to Heaven tomorrow. My daughter Su Yan is in Heaven. You tell her to pay attention to the quasi-sage powers in the ancient immortal world. If there are quasi-sage powers coming to the human race on the coast of the East China Sea, ask Su Yan to inform the Queen Mother. How many girls will kill them?"

"What? Su Yan is also in the ancient immortal world? How can this be?"

Wenina and the other girls were all confused.

They came to the ancient world of this period to complete their mission. It was luck and heaven that sent them here.

Where is Su Yan?

How could she appear in the ancient world of this period?

"I don't know. You can ask that girl when you get to heaven."

Su Chen shook his head and did not explain.

Su Yan came to the prehistoric immortal world through the ladder to heaven. He planned to let the little girl explain to the girls.

Bai Yuekui said to Su Chen speechlessly, "Husband, we are just immortal cultivators. Do you think we can go to heaven? We don't even know where heaven is."

Su Chen said with a smile,

"I will send you the jade talisman, and you can go to heaven in an instant."

Wenina and Bai Yuekui nodded.

If there is a teleportation jade talisman, it will be very easy for them to go to heaven to see Su Yan.

However,

Su Yan's arrival at this time How could she appear in heaven in the ancient fairy world? Did Su Yan take care of the Queen Mother? Does the Queen Mother know Su Yan's identity?

"Husband, do you have a daughter? How could she be in heaven? Who is your daughter's mother?"

Luo Nu was very confused.

Su Chen was just a cultivator in the Tribulation Realm. How could his daughter be in the heaven?

Does Su Chen have any other identity?

Who could be Su Yan's mother?

Su Chen kissed her hard. The sexy red lips of the snail girl said,

"Luo Nu, there are some things that I haven't told you yet. You will understand everything later. My daughter Su Yan's mother is Nuwa. Don't tell anyone about this."

Luo Nu looked at Su Chen in confusion.

The mother of Su Chen's daughter is Empress Nuwa?

How is this possible?

How could Empress Nuwa be Su Chen's wife?

Is Su Chen joking with her?

Wenina and Alice and the girls were also very confused.

They didn't know who Su Yan's biological mother was, but how could Su Yan's mother be Nuwa?

Su Yan was born in Tianxuan Continent, and

Su Chen was just a scumbag at the time. It is impossible for him to meet the Nuwa Empress in the Tianxuan Continent, and Su Yan's mother cannot be the Nuwa Empress.

At this moment, a Taiyi Golden Immortal came quickly towards the Xuanniao Tribe.

He was from the prehistoric immortal world. Master Ling Yuan, a casual cultivator.

Guang Chengzi promised that if he killed the clan leader of the Xuannio tribe, he would get a low-grade innate spiritual treasure.

Master Ling Yuan hurried away and whispered excitedly, "Kill a scumbag human race, Guang Chengzi! It's a spiritual treasure given to myself. Yes, I don't have an innate spiritual treasure in my hand."

Boom!

Suddenly, a terrifying momentum suppressed Master Ling Yuan from the air. Master Ling Yuan fell to the ground and looked around in fear.

Quasi-sage?

A prepared powerful man suppressed him.

Master Ling Yuan had never provoked the quasi-sage. Yes, how could a quasi-sage be able to suppress him?

Master Ling Yuan hurriedly shouted,

"Senior, I was invited to the human race by Chanjiao Guangchengzi. I have never violated senior, and I ask senior to let me go."

"Master Ling Yuan, you shouldn't have come to the human race, and you shouldn't have killed the leader of the Xuannio Tribe. Just annihilate him."

Chapter 2932

When Master Ling Yuan heard the cold woman's voice, his face turned pale.

The Queen Mother of West Kunlun?

Why did the Queen Mother of the West intercept him? Why still kill him? Is it for the leader of the Black Bird Tribe?

Master Ling Yuan hurriedly shouted,

"Queen Mother of the West, I am the clan leader of the Xuannio tribe invited by Chanjiao to kill you. You cannot kill me."

Boom!

A small mirror suddenly appeared.

The small mirror burst out with a ray of light and enveloped Ling Yuanzhen. Ling Yuanzhen's body quickly shattered.

"No, Queen Mother of the West, don't kill me. It was Guangchengzi who wanted me to kill the members of the Xuannio tribe.....ah!"

When Master Ling Yuan faced the Kunlun Mirror of the Queen Mother of the West, he had no ability to resist.

In just an instant,

Master Ling Yuan was annihilated by the best innate spiritual treasure, and even his soul could not escape.

Xi Kunlun,

Queen Mother of the West Master Ling Yuan shook her head.

Fortunately, she had been paying attention to Su Chen, otherwise the little bastard might have been in danger.

Queen Mother Xi took back the Kunlun Mirror, sighed and whispered,

"Alas, I don't know if Su Chen's involvement in the Human Emperor's War is a blessing or a curse, but Su Chen is her Taoist companion and the only person she cares about. Even if it is a disaster, she and Su Chen have to face it together."

On the shore of the East China Sea,

Jiufeng looked doubtfully at the place where the powerful aura came from.

Who was fighting just now?

Although it only lasted a few breaths, Jiufeng sensed that a quasi-sage had taken action.

Jiufeng checked She didn't find anything. She thought it might be that the quasi-sage passed by and killed an ungrateful person.

"Su Chen, the clan leader of the Xuanniao tribe, is in a bit of trouble." Jiu Feng saw clearly the war on the Qingfeng Plain. The Xuanniao Tribe was founded by Su Chen. Su Chen's tribe defeated the Dayan Tribe. In the future, the human race will have a three-legged situation. What about the Jiuli Tribe? ? Will the Wu clan continue to support the Jiuli tribe? Jiu Feng feels a headache. Su Chen is her Taoist companion, and the Jiuli tribe is the plan of Hou Tu Zu Wu. She doesn't know who to help. Jiu Feng doesn't have it in the first place In order to help Chi You and the Jiuli tribe, several great witches from the Wu clan have been dispatched. One more of her is not a lot more, and one less of her is not a lot.

"Damn it, if nothing happens to Su Chen, go to the Six Paths of Reincarnation and ask the Hou Tuzu Witch."

Jiu Feng thought about it and decided to persuade Hou Tu Zu Wu.

If Hou Tu Zu Wu insists on asking the Wu clan to help the Jiuli tribe, she will help Su Chen. Jiu Feng will not let anything happen to Su Chen, and she will not let her The Taoist companions were killed.

A month later, Xuanyuan and Guangchengzi of the Xiong tribe sat together with very ugly faces. In the past month, more than ten tribes have taken refuge in the Xuanniao tribe and went to kill the leader of the Xuanniao tribe. The immortals are also missing, no, they may have been killed. Xuanyuan said angrily,

"Master, the Black Bird Tribe is getting stronger and stronger. The tribes that were wavering before have gone back on their word. All those tribes have allied with the Black Bird Tribe. This is very detrimental to my Bear Tribe."

More than a dozen large tribes have formed an alliance with the Black Bird Tribe. More than

30 million people and tens of millions of troops have joined the Black Bird Tribe.

The Black Bird Tribe is now stronger than the Bear Tribe.

Xuanyuan thought that in a short time, if the Black Bird Tribe integrated all the tribes, the Black Bird Tribe would have an army of 20 to 30 million. Only the Bear Tribe would have an army of 30 million.

This is because of the Bear Tribe. All the people are soldiers, and all tribesmen aged from fifteen to forty-five years old join the army.

Guang Chengzi said with a serious face,

"Xuanyuan, the Xuannio tribe may not be simple. There is no news about the Taiyi Golden Immortal I sent to kill the leader of the Xuannio tribe. I guess there is an immortal in the Xuannio tribe, and he may be a powerful immortal. Xuanyuan asked in surprise,

"What? Master, you said there are powerful immortals in the Xuanniao tribe? Will there be a sage sect supporting the Black Bird Tribe? Guangchengzi shook his head and said, "I don't know, Xuanyuan. I want to go back to Chanjiao and ask your ancestor.""

Xuanyuan asked hurriedly,

"Master, if you leave, what will happen to the Black Bird Tribe? Should I continue to allow the Black Bird Tribe to grow stronger? Guangchengzi said, stroking his beard,

"Xuanyuan, the Xuanniao tribe is not your main enemy yet. Your enemy is Chi You and the Jiuli tribe."

"Xuanyuan, don't you have an adopted daughter? You can marry with the Xuannio Tribe. If the Xuannio Tribe helps you fight against the Jiuli Tribe, your chances of winning in the Human-Emperor War will be very high....."

Guangchengzi felt that it might be a good choice for the Youxiong Tribe to marry the Xuanniao Tribe.

If the Youxiong Tribe had the help of the Xuanniao Tribe, Xuanyuan would have a powerful boost in the Human-Emperor War.

In a war between ordinary people,

Xuanyuan's army and Xuanniao's army will defeat the Jiuli tribe, and Chanjiao will also defeat the Wu tribe.

Xuanyuan frowned when he heard Guang Chengzi's words, marriage?

His adopted daughter Nuba?

Xuanyuan does not want to marry the Xuannio tribe, and Nvba cannot marry the chief of the Xuannio tribe. Xuanyuan wants Nvba to marry Yinglong of the Dragon Clan, and he wants the support of the Dragon Clan.

"Master, I want to think about it."

Guangchengzi reminded Su Chen,

"Xuanyuan, you have to think clearly. There is no harm in marrying with the Xuanniao tribe. You have to remember the importance of the Human Emperor's war. You have to understand that if you cannot prove the Human Emperor, you will die and your tribe will be destroyed. extinguish"

"Master, I will think about it for three days and will give you an answer in three days."

"Okay, I won't go back to Kunlun Mountain now. I'll wait for you for three days before going back to Kunlun Mountain."

"Thank you, master!"

Seven days later, Su Chen stood on the high tower of the Black Bird Tribe and looked around.

The Black Bird Tribe is now getting stronger and stronger, and the number of troops is also increasing. If Mark and Alice integrate all the tribes, The Xuanniao tribe has at least 20 million troops.

Su Chen rubbed his chin and thought,

"Xuanyuan should be mad because Luo Nu's influence is really good. More than ten large tribes have taken refuge in the Xuanniao tribe, and the Bear tribe will lose at least 30% of its strength."

Whoosh!

Mu Ningxue quickly appeared next to her and asked, "Husband, why are you here."

Su Chen hugged Mu Ningxue's small waist and smiled,

"Ning Xue, I'm thinking about something here. Didn't you go out with Alice and the others?"

Mu Ningxue leaned into Su Chen's arms and replied, "Husband, Alice and Laura went to discuss things with several tribe leaders. I'm not interested in those, so I didn't go there."

"Did the snail girl go too?"

Chapter 2933

Su Chen smiled when he thought of Luo Nu.

The sexy and beautiful Luo Nu was very good at serving others. He was also very satisfied with Luo Nu, especially Luo Nu's shrewdness and ability.

Luo Nu, Venina, Laura, Natasha, Bai Yuekui, these girls have developed the Black Bird Tribe well.

Alice, Selina, and Mu Ningxue are pure warriors. They generally do not manage the Black Bird Tribe, but they will still participate in managing the tribe when necessary.

Mu Ningxue smiled and replied,

"Husband, Luo Nu must go there. Those tribal chiefs joined our Xuannio tribe for Luo Nu, and they also joined our Xuanniao tribe for Luo Nu. How could Luo Nu not attend?"

"That's right."

Su Chen hugged Mu Ningxue and kissed her.

Soon, the Human-Emperor War will begin.

This fate war will last the longest, but this is fine. Su Chen can have a few more years with Winina..

He also owes a lot to Venina and Alice.

After all, they spend very little time together, miss them so much that they can't even see each other.

"Su Chen, a messenger from Xiong 04luo is here."

At this time,

Qilin shouted to Su Chen with a dark face in the distance.

He was really speechless to Su Chen.

They were very busy.

Where is Su Chen?

This bastard is either on the way to pick up a beautiful girl or on his way to pick up a beautiful girl.
Qilin I really don't want to see this shameless pervert

"Is there a messenger from the bear tribe? Why would Xuanyuan send an envoy here? Shouldn't he send an immortal to assassinate him?"

Su Chen was very surprised when he heard Qilin's cry.

He didn't expect that Xuanyuan would send an envoy.

What did Xuanyuan want to do?

Declare war?

Or negotiate peace?

Mu Ningxue asked doubtfully,

"Husband, what does Xuanyuan want to do? Will they declare war on our Black Bird Tribe?"

Su Chen touched his chin and replied thoughtfully,

"Probably not. Xuanyuan's primary enemy is Chi You. He will not start a war against our Xuanniao tribe."

"Husband, do you want to see Xuanyuan's envoy?"

"No, an envoy is not worth seeing. Ning Xue, let Natasha go see Xuanyuan's envoy. Natasha is very smart. She will find out the purpose of Xuanyuan's envoy."

"Okay, I'll inform Natasha"

"Go for it!"

After Su Chen kissed Mu Ningxue, Mu Ningxue shyly left the tower quickly.

Su Chen lay on the tower and whispered,

"Xuanyuan must be anxious, and Chanjiao may also start to take action."

"It has been more than a month. Immortals should come to rob and kill him, but who intercepted and killed those immortals? Empress Nuwa? Western Queen? Or the Queen Mother and those women like Xihe?"

Whoosh!

Su Chen disappeared on the tower in an instant.

He was going to the Xiong Tribe to check.

Not all of the disciples of Chanjiao had gone to the Xuanyuan Tribe. Su Chen wanted to take the opportunity to check the situation of the Xiong Tribe.

At this moment, in the Xuanniao Hall , the messenger from the Bear Tribe started a conversation with Natasha, but the messenger from the Bear Tribe never looked at Natasha, she was so beautiful and sexy, and he had never seen a woman with an exposed figure.

Natasha was surprised when she heard the messenger's words and asked, "Yan Yong, does your Bear Tribe really want to marry our clan leader?"

Natasha noticed Yan Yong's gaze, but she didn't care.

It was because there were so many men looking at her like this, but is it useful?

Natasha belongs to Su Chen,

Her whole life belongs to Suchen,

Natasha will never belong to anyone, and even if she dies, she will never belong to anyone else.

The messenger nodded and replied,

"Yes, elders of the Black Bird Tribe, we have the Bear Tribe to marry your clan leader.

Natasha asked with a smile, "Marriage?" Xuanyuan seems to have no daughter, right? How does he want to marry our clan leader?"

The messenger hurriedly explained,

"Our clan leader has an adopted daughter named Nvba"

"Although Nvba is the adopted daughter of our clan leader, our clan leader has always regarded Nvba as his biological daughter. Nvba is a beautiful woman, and our clan leader asked Nvba to marry your clan leader."

Natasha smoothed her hair and thought, marriage?

Is there a conspiracy?

If the Xiong Tribe really wants to marry Su Chen, will Xuanyuan use the Black Bird Tribe? Will the Black Bird Tribe help? Will the Bear Tribe attack the Jiuli Tribe?

After Natasha thought for a while, she felt that it would be a good idea to marry the Bear Tribe. This would not only allow the Bear Tribe to give up their wariness against the Xuanniao Tribe, but also allow the Blackbird Tribe to return with peace of mind. More than a year of development

"Yan Yong, please go back and reply to your clan leader. Our Xuanniao tribe agrees to the marriage. However, our clan leader will not go to the Youxiong tribe to get married. You should understand why.

Yan Yong hurriedly replied, "I understand, I will go back immediately and tell our clan leader"

"Okay, when the female slave is sent to the Black Bird Tribe, the Black Bird Tribe will form an alliance with the Youxiong Tribe."

"Thank you!"

After Yan Yong nodded to Natasha, he quickly left the Black Bird Hall.

Yan Yong wanted to tell Xuanyuan the news as soon as possible.

After the marriage, the Black Bird Tribe will alliance with the Youxiong Tribe. This is huge news. , he didn't dare to delay for a moment. 310"Is this interesting, female slave? I don't know if she is pretty or not. If Hanba was an ordinary woman, she would be in trouble. Natasha smiled and touched her chin.

She guessed that the Bear Tribe wanted to win over the Black Bird Tribe, and maybe they wanted to use the Black Bird Tribe as cannon fodder.

The Human-Emperor War was about to begin.

Xuanyuan thought well, but

Xuanyuan They would lose a daughter and get nothing.

Their Xuanniao tribe would not help Xuanyuan, and it was even less likely that they would start a war with the Jiuli tribe.

At this time, Su Chen appeared silently in the

Xiong tribe. He looked around and looked around. She walked into a stone palace.

In the stone palace,

Nu Ba was sitting on the bed with an angry expression. She did not expect that Xuanyuan would ask her to marry her to the patriarch of the Xuannio tribe. Nu Ba did not want to be married, nor did she want to marry an old man.

Han Ba's face was ugly. whispered, "What should I do? Want to escape? But where can you go if you escape?"

Dang, Dang, Dang!"

The female slave said with a cold face when she heard the knock on the door.

"Come in!"

Su Chen came in with a smile and waved, "Hi! Nvba, I didn't expect that we would meet again."

The female demon exclaimed in surprise when she saw Su Chen,

"It's you? How did you come to have a tribe of bears? Don't you want to live anymore?"

Chapter 2934

The female slave was very surprised to see Su Chen's arrival.

Su Chen killed Ying Long and left.

The Bear Tribe and the Dragon Tribe didn't know about it yet, but this matter could not be hidden for long.

If Ying Long never appears, the Dragon Clan will definitely find out that Ying Long has been killed, and the powerful immortals of the Dragon Clan will think that it was Su Chen who killed Ying Long.

If Su Chen didn't escape from the East China Sea, how could this bastard dare to sneak into the Bear Tribe?

Su Chen walked into the stone house and smiled and said, "Nvba, I didn't expect you to still remember me."

Nvba hurriedly reminded Su Chen,

"How dare you sneak into a tribe with bears? There is a tribe of bears and powerful immortals. Don't you want to live?"

"Nvba, are you worried about me?"

Su Chen looked at the bumpy figure of the female demon, especially the long legs of the female demon.

Su Chen thought of the pure land of bliss where the female demon danced during the Conferred God period. His mind became active. The female demon asked in shame and anger,

"I'm worried about you. I've only met you once and I don't even know your name. Do you think I'm worried about you?"

Su Chen touched the female slave's hair and said, "My name is Su Chen, and I am your future husband."

Pa, the female bastard slapped Su Chen's hand away angrily.

She didn't expect that Su Chen would dare to touch her hair. Is she familiar with this bastard? Is she the wife of this bastard?

The female bastard looked cold and wanted to kick her. Fly this bastard

"Su Chen, do you want to die? If you dare to touch me again, I will scream and attract the powerful immortals from the Bear Tribe."

Su Chen curled his lips and said,

"Female slave, you are so heartless. I risked my life to see you, but you actually threatened me."

The female demon shouted with an angry face,

"Look at me? I have nothing to do with you, and I don't need you to come see me. Su Chen, leave the Bear Tribe immediately."

"Don't leave, I miss you, I want to stay by your side"

"Shameless guy, get out of here~"

"I'm tired from traveling. I need to rest for a few days."

Su Chen walked to the bed, lay down, and left?

How could he leave?

Su Chen had just arrived with the Bear Tribe.

He hadn't had time to check the situation of the Bear Tribe, nor had he found out where the enemy team was.

How could Su Chen leave?

"Su Chen, get up. Who asked you to lie on my bed? Get up quickly."

The female bastard's eyes went dark when she saw Su Chen lying on her bed.

It was so shameless and shameless.

Doesn't Su Chen know the difference between men and women? Doesn't this bastard know that this is her room?

Su Chen closed her eyes and answered He said,"If you don't want to get up, I want to rest for a while. If you want to rest with me, I will be very happy.""

"asshole!"

The female demon was so angry that she wanted to strangle Su Chen to death, but she knew that there was nothing she could do to Su Chen.

Su Chen could kill the immortal Ying Long, and she, a scumbag cultivator, was just an ant in Su Chen's eyes.

The female demon's eyes were complicated. Looking at Su Chen, she was sitting by the window thinking about being married.

She would not marry the leader of the Xuanniao tribe. She wanted to escape. The female slave wanted to escape from the coast of the East China Sea. The ancient world of immortality was vast and boundless. She did not believe that she would not be there without her. A place of refuge.

Heaven!

Pantaoyuan,

Wenina and Bai Yuekui looked at Su Yan and were very speechless.

They told Su Yan about Su Chen, but this The little girl refused to let them leave.

One day in the sky and one year under the ground,

Wenina and Bai Yuekui had been in the heaven for more than an hour. They wanted Su Yan to send them back to the Xuanniao tribe, but Su Yan actually wanted to negotiate terms with them..Wenina touched Su Yan's hair and said,

"Yan'er, there are some things that I can't tell you yet. We have things to do in the prehistoric immortal world at this time. You should stop asking. If I could tell you, would my aunt not tell you?"
Su

Yan asked curiously, "Auntie, can't you really tell me how you arrived?"

Su Yan was very curious about the appearance of his father and aunt. She came to the ancient fairyland of this period through the ladder to heaven. Where is her father?

Where are her aunts?

How did they arrive in the ancient fairyland of this period?

Bai Yuekui smiled and said to Su Yan said, "No, Yan'er, you have to believe the aunts, it's not that we won't tell you, this matter is very complicated, your father will tell you everything in the future."

Su Yan nodded helplessly and said,

"Forget it, I won't ask, aunt, I will let the Queen Mother and Aunt Xihe pay attention to the Xuanniao tribe."

Wenina took a sip of the fairy wine and said, "Well, Yan'er, you just need to let your quasi-saint aunts pay attention to some quasi-saints, and don't worry about the other little ones. Su

Yan asked with a sly smile, "Auntie, should I inform my mother? My mother is a saint. If my mother helps my father, what you want to do will be foolproof."

"`~No, Yan'er, your father didn't ask you to inform Nuwa, so you'd better not inform Nuwa."

Bai Yuekui hurriedly stopped Su Yan and informed the Nuwa Empress?

Isn't this making a fuss?

If the Nuwa Empress appears in the human race, will the Human-Emperor War still begin?

The saints will not allow Nuwa Empress to appear in the human race.

The Human-Emperor War will not only Is it for the Human Emperor or for the various saint sects to gain luck and merit? If Nuwa appears in the human race, other saints may intercept Nuwa.

In the palace of Yaochi Fairyland,

Queen Mother Aunt, Xihe, Chang Xi, Chang E, Shang Yang, and Qin Yuan were all checking the situation in Pantaoyuan.

Chang Xi asked doubtfully,"Su Chen is actually in the Xuanniao tribe of the human race. How can he be a cultivator of the Tribulation Realm?"

The Queen Mother frowned and said,"Chang Xi, didn't Wenina and Bai Yuekui say (get Zhao)? It seems that Su Chen and Wenina are going to do something, and their cultivation realm has been suppressed."

Chang'e reminded with a cold face,

"Something is wrong. You heard it just now. Su Yan and Su Chen did not come together, nor did they come to our ancient fairyland from the same place. Su Yan said they came from the ladder to heaven."

"Where is Su Chen? How did he and Winina come to the ancient fairyland? Su Chen's cultivation realm is the eighth level of the holy realm. Who is suppressing his realm?"

The Queen Mother and the Shang Yang girls all nodded. They were also very confused about how Su Chen and Wenina arrived.

There was also Su Chen, a saint in the eighth level of the holy realm.

Su Chen's cultivation level Who will be suppressed?

The ancient way of heaven?

Chang Xi suddenly looked at Xihe and asked,

"Sister, were you awakened by Su Chen? Do you know that Su Chen has been in the prehistoric fairyland for a long time?"

Chapter 2935

Chang Xi thought that Xi He's resurrection was not accidental.

Su Chen appeared in the ancient fairyland during this period. She guessed that Xi He was awakened by Su Chen.

Otherwise, Xi He has not recovered for millions of years, so why did he recover when Su Chen appeared?

"Xihe, is what Chang Xi said true?"

"Queen, have you met Su Chen a long time ago? Did Su Chen wake up after being awakened?"

"Sister Xihe, have you met Su Chen before? Why don't you tell us?"

"Queen, you should know how Su Chen came to the ancient world, right? Why did you keep hiding that Su Chen was in the prehistoric fairyland?"

The Queen Mother and the Shang Yang girls asked one after another.

They were a little dissatisfied with Xi He.

Since Xi He knew about Su Chen's stay in the ancient world, why didn't he tell them? Aren't they worthy of trust?

Xi He explained helplessly,

"Don't blame me. It was Su Chen who didn't let me tell me. After I was woken up by Su Chen, that bastard didn't let me tell anyone. I didn't even tell Su Yan."

The Queen Mother and her daughters nodded.

Su Chen didn't let Xi He tell him. They couldn't blame Xi He.

If they were Xi He, they would also obey Su Chen's instructions.

But why didn't that bastard let Xi He? Tell them? Is Su Chen trying to do something secret?

Chang Xi asked with a smile,

"Sister, how did Su Chen come to this prehistoric fairyland in the 757 era?"

Xi He Zou replied with a frown,

"Su Chen said that he arrived through the ladder, but Su Yan did not meet Su Chen. I guessed that Su Chen also lied to me."

The Queen Mother reminded the girls,

"Forget it, we don't need to care about how Su Chen arrived. Su Chen will tell us later that that bastard is only in the Tribulation Realm now, and we have to protect that bastard from danger."

Qinyuan asked confused,

"That's true, but I can't figure out who would have done it to suppress Su Chen's cultivation at the eighth level of the Holy Realm? Do you think it is the prehistoric way of heaven?"

Xi He touched his fair chin and said,

"It's a bit suspicious, but I think it can't be the way of heaven. Su Yan was not suppressed in the realm of cultivation. Only Su Chen and Wenina were suppressed in the realm of cultivation. This is not what heaven means (aei)."

The Queen Mother and Chang Xi also began to think about it.

They all felt it was very strange.

Since it is not the ancient law of heaven, who suppressed Su Chen's cultivation realm? And what powerful person could suppress the eighth level of the holy realm? Saint cultivation?

In the ancient fairy world, there is a tribe of bears. The female slave is really fed up with Su Chen.

For four days, this bastard has been occupying her bed and constantly teasing her. Sometimes the female slave is so angry that she wants to stab her with a sword. Damn this bastard.

On the bed,

Su Chen frowned and was very confused.

He had checked the Bear Tribe several times in the past four days, but there was something strange about the Bear Tribe.

The enemy team was not in the Bear Tribe.

Su Chen couldn't figure it out. Since the team joined Xuanyuan's camp, why didn't they appear next to Xuanyuan?

There are also disciples of Chanjiao.

Other disciples of Chanjiao did not appear in the Xiong Tribe, and Guangchengzi did not appear in the Xiong Tribe.

What is the situation?

Yes. There are some scumbag immortals in the Bear Tribe, but the most powerful of those immortals is the Golden Immortal. They are also cannon fodder when fighting with the Witch Clan.

Bang!

The female demon slapped the table hard and shouted,

"Su Chen, get out of here, how long are you going to stay in the Bear Tribe? Su

Chen curled his lips and said, "Nvba, aren't you going to marry the patriarch of the Xuannio tribe?"
I'll get you married in a few days."

Marriage?

Xuanyuan wanted to use Nu Ba to marry him, but Su Chen didn't expect that the human race in the prehistoric fairy world also pursued marriage?

Luo Nu married him,

This is because The Xuanniao tribe wanted to attack the Xiling tribe, and Luo Nu also fell in love with him so she got married.

Xuanyuan wanted to use a female slave to marry him.

Su Chen guessed Xuanyuan's intention.

Xuanyuan's biggest enemy was Chi You, who wanted to marry the Xuannio tribe.

Xuanyuan probably wanted to use the Xuannio Tribe to deal with the Jiuli Tribe.

Xuanyuan was smart when he thought about it.

Su Chen would not go as Xuanyuan wanted.

He would happily accept the female slave, but to deal with the Jiuli Tribe It's just wishful thinking.

The female slave said angrily, "Asshole, I won't marry the leader of the Black Bird Tribe. I want to escape. Su Chen, please help me escape from the Bear Tribe."

"Nvba, you are an immortal cultivator, won't you escape on your own?"

"I can't escape, Su Chen. As long as I step out of the bear tribe, there will be two immortals watching me. There are immortals watching me, how can I escape.

Su Chen asked doubtfully, "Isn't Xuanyuan your adoptive father?" You can say that you don't agree with the marriage, and Xuanyuan will probably agree."

The female master lay on the table and said feebly,

"No, I have said it many times, but my father did not agree. For the sake of the Human-Emperor War, my father planned to sacrifice my happiness. He was worried that I would escape, so he sent two immortals to monitor me all the time."

Su Chen shook his head speechlessly.

Xuanyuan is really not a thing. In order to defeat the Jiuli tribe, Xuanyuan actually wanted to sacrifice the female slave.

"Nvba, why don't you marry me? We'll make rice from scratch, so you don't have to get married, right?"

"You are so shameless."

The female slave glared at Su Chen angrily, but she felt that what Su Chen said was right.

If the female slave was with Su Chen, she would also lose her innocence. She should not be used by Xuanyuan for marriage, and Su Chen Not only was he powerful, but he was also very handsome.

The female bastard's mind became active, and she wanted to think about whether to be with this bastard.

Dangdangdangdang.....

After a knock on the door, an attendant called outside the door,"Miss, the patriarch wants you to go to the main hall immediately."

"I see!"

Nu Ba replied with an indifferent expression.

What should come will always come.

Nv Ba guessed what Xuanyuan asked her to do. She might be sent to the Xuanniao tribe for marriage.

Maybe tomorrow, maybe the day after tomorrow, damn, it's too long. It's tight, the female slave hasn't had time to make a decision yet

"Su Chen, you stay in my room, I will be back in a while," the female tycoon decided.

Even if she lost her virginity to this bastard, she would not marry an old man.

Su Chen touched his chin and smiled," My dear, I will wait for you in your room. Tonight, we can have sex together and watch the stars romantically."

"Shameless pervert!".

Chapter 2936

The female demon glared at Su Chen fiercely and left the room. She couldn't help but want to beat Su Chen.

What a jerk.

Romance?

Still looking at the stars?

Does she dare?

The female slave was worried that if she stayed with Su Chen for another quarter of an hour, that bastard would eat her. outside the room,

"Foster father, don't blame me. I have worked for you for so many years and I have repaid your kindness in raising me. I will live for myself in the future and I will not do anything for you anymore."

The female slave said, stroking her hair and her face became cold. She had completely given up on Xuanyuan.

Adopted daughter?

The female slave was blind before.

Xuanyuan adopted her to take advantage of her.

The female slave thought that Xuanyuan had let her and Ying Long of the Dragon Clan was together. Xuanyuan wanted to get the support of the Dragon Clan.

Now?

The Xuanniao Tribe has become stronger, and

Xuanyuan asked her to marry the leader of the Xuanniao Tribe.

The female slave is a valuable item. Who can be useful to Xuanyuan? , Xuanyuan will push her to whomever.

In the 04 room,

Su Chen smiled while drinking wine.

The female slave wanted to part ways with Xuanyuan, yes, Su ChenSave the effort to convince the female slayer to leave with him.

Su Chen touched his chin and whispered,

"No, it's him who the female slave wants to marry, and now he's taking the female slave away? Or should Xuanyuan send the female slave to the Xuanniao tribe?"

Su Chen thought about it, and he felt that it was better to let Xuanyuan send the female slave to the Xuanniao tribe. It is not the time to start a war with Xuanyuan. The

Human-Emperor War is a three-legged conflict.

The Jiuli Tribe, the Xiong Tribe, and the Xuanniao Tribe are the three major tribes. A war between tribes, a war between tens of millions or even hundreds of millions of people. Su Chen has to wait until the war between emperors begins before he can compete with Xuanyuan.

Jie Jiao Jin'ao Island!

Jin'ao Island, which used to be lively, is now lifeless.

Ever since the Empress Nuwa After killing Tongtian a year ago, the disciples in Jin'ao Island are cautious every day. All the disciples are worried that Tongtian will take it out on them.

In the palace of the Golden Spirit Mother, the Golden Spirit Mother, the Wudang Mother, the Turtle Spirit Mother, Yunxiao, Qiongxiao, Bixiao, they were sitting together drinking tea.

Our Lady of Wudang said sadly,

"Senior sister, what should we do? Are you staying on Jin'ao Island? Or go to heaven to see Su Yan? Yun

Xiaozou frowned and said, "Jin'ao Island is full of life and death. The disciples are cautious every day. They don't even dare to practice in seclusion. The teacher doesn't show up to reassure the disciples." Bixiao smoothed her hair and said, "Sister, why don't we go to Sanxian Island first? Jin'ao Island is too stuffy and the atmosphere is very weird. I don't even dare to speak loudly.""

Our Lady of Turtle Spirit stood up and clenched her fists and said,

"The disciples were worried about being punished by their teacher, who was beheaded by Nuwa Empress.....Ahem, we Jiejiao disciples are afraid that the teacher will be angry and that the teacher will take it out on us disciples.

Qiong Xiao shook his head and said helplessly, "What should I do?" The teacher was originally going to give a sermon, and disciples from all over the Jiejiao School came one after another. Under the current situation, it was impossible for the teacher to give a sermon to all the disciples."

Mother Jinling heard what the five junior sisters said, and she was also very helpless.

Biyou Palace was not summoned by Tongtian, and as a senior sister, she could not enter.

Senior brother Duobao provoked Su Yan, and teacher Tongtian was raped by Nuwa Empress. Beheading, Duobao has an unshirkable responsibility, and he even dares not go to Biyou Palace to see his teacher Tongtian

"Alas, junior sisters, don't say anything anymore. The teacher should have his own plans. We are just disciples. The teacher may be recovering from his injuries, and maybe the teacher will show up in a few days.

Bixiao asked the Golden Spirit Mother, "Senior sister, what are your plans?" Are we going to heaven? Or go to Sanxian Island?"

Mother Jin Ling thought for a while and replied, "Let's go to Sanxian Island. Su Yan and our teacher can't deal with it. If we go to Heaven, the teacher will be unhappy and may punish us."

Our Lady of Wudang rubbed her forehead and asked,

"Senior sister, are we really Su Yan's aunt? For more than a year, whenever I think of Su Yan, my soul will beat with joy."

Mother Turtle Spirit: "Sister, me too."

Qiong Xiao: "Me too."

Bixiao: "Well, every time I think of Su Yan, my soul is beating with joy, and my spirit treasure. I just called Su Yan's name accidentally, and the golden dragon scissors are surrounding me." , as if I was asked to take the golden scissors to find Su Yan."

Our Lady of Turtle Spirits! "We must be Su Yan's aunt, otherwise our souls wouldn't be able to beat. But who is Su Yan's father? How could that bastard be the husband of our six sisters?"

The Holy Mother of Jinling whispered in confusion,

"Su Yan? Our daughter? Who is her father? Could our Taoist companion be that bastard?"

For Su Yan, for more than a year, the six daughters of Jinling Holy Mother have been very distressed.

Aunt?

They are all Su Yan's aunts and daughters?

Su Yan's biological mother is Nuwa.

Who can be Nuwa? Their Taoist companion? Will their Taoist companion be that bastard?

Boom!

Suddenly, a powerful aura erupted from Jin'ao Island, and the six daughters of the Jinling Holy Mother hurriedly checked. The

Wudang Holy Mother said in surprise, "It's the teacher, the teacher is this Where are you going?"

Yunxiao said worriedly,

"I don't know, the teacher seemed to be dealing with someone, and his breath burst out."

The Holy Mother of the Golden Spirit said hurriedly with a pale face,

"Heaven? The teacher is going to heaven. If something goes wrong, the teacher won't arrest Su Yan, right?"

Mother Turtle Spirit said anxiously, "Quick, let's go to the heaven. Nothing will happen to Su Yan."

The Yunxiao girls all nodded.

They can't let anything happen to Su Yan. Even if they are executed by Tongtian, the six girls must protect Su Yan.

Swish swish.....

The Golden Spirit Mothers disappeared into the palace one after another. They wanted to stop Tongtian from killing Su Yan. Even if they gave Su Yan a breath of time to escape, Nuwa Empress might arrive and stop Tongtian.

At this time, the great powers in the prehistoric immortal world looked towards the heaven one after another.

The Tongtian Saint went to the heaven with great force. All the innate powers guessed that something was going to happen.

In West Kunlun, the Primordial Heavenly Lord frowned and looked at the Heavenly Court and whispered, "Tongtian, what are you going to do? Nuwa has half a step of Chaos Spiritual Treasure, are you going to be killed by Nuwa again?"

Guangchengzi asked doubtfully. , "Teacher, Uncle Tongtian wants to take action against Heavenly Court?"

Yuanshi Tianzun stroked his beard and thought, "It shouldn't be against Heavenly Court. Tongtian's purpose is unclear, but I guess Tongtian may want to arrest Nuwa's daughter."

Chapter 2937

Guangchengzi shook his head when he heard Yuanshi Tianzun's words. He guessed that Tongtian would be killed by Nuwa Empress again.

A year ago,

Tongtian was beheaded once by Nuwa Empress.

If Tongtian dared to attack Nuwa Empress's daughter, Nuwa Empress would definitely kill Tongtian again in anger.

Guangchengzi asked doubtfully, "Teacher, is Su Yan really the daughter of Empress Nuwa?"

Yuanshi Tianzun nodded and replied, "Yes, Su Yan is the daughter of Nuwa. Su Yan and Nuwa are connected by fate and have the same blood. , Su Yan is indeed Nuwa's daughter."

Yuanshi Tianzun has been paying attention to Nuwa's Taoist companion for more than a year, but for more than a year,

Nuwa's Taoist companion has not appeared.

Yuanshi Tianzun guessed that Nuwa's Taoist companion should be In the Wa Palace, the Empress Nuwa has half a step of Chaos Spiritual Treasure. Yuanshi Tianzun does not need it. He dare not explore the Wa Palace of the Empress Nuwa.

Guangchengzi said with envy,"With the blood of a saint, this is the first time in the prehistoric immortal world. No wonder Su Yan reached the peak level of Da Luo Jinxian when he was more than ten years old."

Su Yan became Da Luo Jinxian at the age of sixteen.

What next?

I am afraid that in less than a hundred years,

Su Yan will be promoted to a quasi-sage.

Guangchengzi is in the late stage of Daluo Jinxian. He is not as powerful as Su Yan yet.

If the Human Emperor Xuanyuan becomes the human emperor,

Guangchengzi will also be promoted to a quasi-sage if he gets merit.

However,

Regardless of their level of cultivation or top-quality innate spiritual treasures, Guang Chengzi and Su Yan are incomparable.

At this moment,

I, Zhunti, and Jieyin were all paying attention to Tianting. They couldn't figure out what Tongtian wanted to do.

Heaven is controlled by Su Yan, who is still the daughter of Empress Nuwa.

If Tongtian dares to take action against Empress Nuwa's daughter, Empress Nuwa will definitely kill Tongtian again.

In Heaven, the Queen Mother, Xihe, Chang Xi, Chang'e, Shang Yang, Qinyuan, Zhen Yuanzi, Ancestor Minghe, Zhulong, and the nine quasi-sages stood at the Nantian Gate of Heaven. They looked at Tongtian who was coming with serious faces..

In the Pantaoyuan,

Su Yan rubbed his chin and couldn't figure out what Tongtian wanted to do when Tongtian came to the heaven with great force.

Catch her?

Or kill her?

Su Yan couldn't guess, but

Su Yan guessed that Tongtian didn't dare to kill her.

She was the daughter of Empress Nuwa.

Unless Tongtian wanted to die or wanted to be sealed by Empress Nuwa, Tongtian didn't dare to take action against her.

Wenina pulled Su Yan and reminded her, "Yan'er, you are not allowed to leave Pantaoyuan, do you understand?"

Bai Yuekui also reminded hurriedly, "Yan'er, you have to listen to your aunts, otherwise they will not like you in the future."

Wenina and Bai Yuekui were very helpless.

They were little scumbags in the Tribulation Realm.

Su Yan was an immortal from the Great Luo Golden Immortal.

Their cultivation level was nothing to Su Yan. Wenina and Bai Yuekui couldn't stop them. When Su Yan went out, they could only threaten Su Yan to obey.

Su Yan blinked and said with a smile,

"Aunt Venina, Aunt Bai Yuekui, I will not leave the Peach Garden, I will listen to the Queen Mother and the others."

"Hope so."

Wenina pulled Su Yan tightly.

She was very aware of Su Yan's mischief and mischief. Wenina could not take Su Yan lightly at all.

At Nantianmen, the Queen Mother asked expressionlessly, "Saint Tongtian, why did you come to heaven?"

Tongtian said with an indifferent expression, "Queen Mother, I am here to find Zhen Yuanzi and Ancestor Minghe."

When Zhen Yuanzi and Ancestor Minghe heard Tongtian's words, they were very puzzled.

Zhen Yuanzi had no communication with Ancestor Minghe and Tongtian, let alone any contact with Tongtian. What are you doing with them?

Zhen Yuanzi asked Tongtian, "Sage Tongtian, what do you want with us two?"

After Tongtian looked at Zhen Yuanzi and Ancestor Minghe, he said,

"Zhen Yuanzi, I need the best innate spiritual treasures from you and Ancestor Minghe, your Earth Book, and the 12th-grade Fire Red Lotus of Karma from Ancestor Minghe. I want to get one of them, and I can promise you a cause and effect."

Zhen Yuanzi shook his head and refused,

"Sorry, Saint Tongtian, I will not give the enlightenment treasure of my Book of Earth to anyone. Ancestor Minghe stroked his beard and said,"

Sage Tongtian, my twelve-grade red lotus of karma was given to Princess Su Yan."

Tongtian didn't expect that both Zhen Yuanzi and Ancestor Minghe would reject him.

Zhen Yuanzi's earth book is a spiritual treasure for proving the Tao. Tongtian guessed that Zhen Yuanzi would not give it to him easily.

Ancestor Minghe's twelfth-grade karma is red. Lian gave it to Su Yan, but he couldn't get it.

In order to suppress Jiejiao's luck,

Tongtian must get a top-quality innate spiritual treasure that suppresses luck, the Book of Earth!

Tongtian can only find a way to get Zhen Yuanzi's Book of Earth

"Zhen Yuanzi, I must get your land letter. If you don't give it to me, I will snatch it away."

Xi He said with a cold face,

"`~Sage Tongtian, Zhen Yuanzi is a member of the Heavenly Court, do you want to be an enemy of the Heavenly Court?"

Tongtian mocked disdainfully, "Heaven?" Ha ha....., Heaven is Haotian's Heaven, Haotian didn't even show up, what reason do you, a former demon queen, have to say such a thing."

Shang Yang reminded with a cold face,

"Tongtian Saint, Haotian has left Heavenly Court. Heavenly Court is controlled by Su Yan. In the future Heavenly Court will also respect Su Yan. Immortal Zhen Yuanzi is the commander of the army under Su Yan. You have to think clearly before making a decision."

The Queen Mother, her two daughters, and the Styx Ancestor, they were watching Tongtian with vigilance.

Tongtian wanted the Earth Book or the Twelfth Grade Fire Red Lotus.

They understood why.

Jiejiao did not have the spiritual treasure to suppress luck. Tongtian wanted The Four Swords of Zhu Xian are not luck treasures, and the Four Swords of Zhu Xian suppress Jie Jiao's luck. Tongtian cannot use the Four Swords of Zhu Xian at will. Tongtian is interested in Zhen Yuanzi's Book of Earth, and Ancestor Minghe's Ten

Is it possible to have a second-grade (financed) Karma Fire Red Lotus ?

Tongtian is Nuwa's empress and her enemy. No matter what price Tongtian pays, they cannot agree to Tongtian.

Boom!

Tongtian burst out with a powerful momentum and said coldly, "I will definitely If you want to get the book from the ground, you can't stop me."

A hundred thousand miles away from the Nantian Gate, the faces of the Golden Spirit Virgin Mother and the other girls were very ugly. They did not expect that Tongtian would snatch the spirit treasure of the Great Immortal Yuanzi in the open.

Is this still their teacher?

Isn't Teacher Tongtian worried that he will be laughed at by the creatures of the ancient world? ?

Saint?

Among the seven great saints in the prehistoric immortal world, which saint would snatch the spiritual treasures openly?

Even the shameless Zhunti would not snatch the spiritual treasures openly and openly.

Our Lady of Wudang said with an ugly face, "Senior Sister, Junior Sisters, the teacher has changed. Since the teacher was killed by Nuwa, the teacher is no longer the teacher we are familiar with."

Chapter 2938

The Holy Mother of the Golden Spirit is very disappointed with her teacher Tongtian.

Tongtian wants to steal Zhen Yuanzi's spiritual treasure openly and honestly. Not only will Tongtian be embarrassed in the ancient immortal world, Jiejiao will also be looked down upon by all living beings in the ancient world. I am afraid that Jiejiao's disciples will not be able to do so in the ancient immortal world in the future. will be isolated.

Yunxiao smoothed her hair and said helplessly,

"The teacher has changed. Since the teacher was killed by Nuwa Empress a year ago, the teacher has always wanted revenge. Zhen Yuanzi's Lingbao can suppress luck. The teacher wants to use Zhen Yuanzi's Book of Earth to replace the Four Swords of Zhuxian. Cutting off luck."

The Holy Mother Turtle Spirit shook her head and said with a bitter smile,

"The teacher is too arrogant. The Four Swords of Zhu Xian must be broken by the four saints, but Nuwa alone broke the four swords of Zhu Xian and killed the teacher once. The teacher may not be able to withstand the blow."

The Holy Mother of the Golden Spirit nodded and said,

"Yes, the Four Swords of Zhu Xian cannot be defeated by the Four Saints or "four or five zero". The teacher's arrogance, the teacher's dignity, and the teacher's face were all destroyed at once by the blow from the Empress Nuwa."

The Holy Mother of Jinling and the six girls from Yunxiao talked for a while. They all looked at the Nantian Gate of Heaven and the confrontation between the nine quasi-sages of heaven and Tongtian. The nine quasi-sages are not Tongtian's opponents, but where is Nuwa?

Nv. Empress Nuwa may also be paying attention to the Heavenly Court.

If their teacher Tongtian dares to take action, Empress Nuwa will definitely kill Tongtian again.

In the prehistoric fairy world, all the saints, quasi-sages, Daluo Jinxian and other immortals understand what Tongtian wants to do.

Seize the soul. Treasure?

A majestic Saint of Heaven wants to snatch the Lingbao, and even openly threatens to rob the Lingbao.

Where is the saint's face?

Saint Tongtian is like a despicable villain, a shameless person at this moment.

"How could Saint Tongtian do this? Grab the spiritual treasure? Have you lost all the face of the saint?"

"Zhen Yuanzi's Book of the Earth can suppress luck. Tongtian Sage wanted to use the Book of Earth instead of the Four Swords of Zhuxian to suppress the luck of Jiejiao."

"Hey, this is an open robbery. Zhen Yuanzi refused to give it to Saint Tongtian, and Saint Tongtian actually threatened to rob him. Saint Tongtian completely embarrassed the saint."

"I used to think that Saint Zhunti was shameless, but now I understand that Saint Tongtian is even more shameless than Saint Zhunti."

"Alas, saint, there is a ceiling in the prehistoric immortal world. Even if we know the shamelessness of the saint, there is nothing we can do."

"Let's take a look, Empress Nuwa will arrive soon. If Saint Tongtian dares to take action, Empress Nuwa will definitely kill Saint Tongtian again.".....

The great masters of the ancient immortal world chatted with each other for a while, and they also paid attention to Nantianmen.

Regarding Tongtian, all the immortals speculated that Tongtian would be tragic in a while.

The heaven was controlled by Su Yan, the daughter of Nuwa Empress, and Zhen Yuanzi was Su Yan. If Tongtian dares to attack Zhen Yuanzi, Empress Nuwa will definitely kill Tongtian again.

At Nantianmen, the Queen Mother's nine quasi-sages resisted Tongtian's terrifying aura.

Tongtian's terrifying saint's aura was oppressive. Only the Queen Mother's nine quasi-sages united to resist the saint's power!

The nine Queen Mothers and Empresses knew that it was impossible to compete with them.

However, the Nine Queen Mothers and Empresses were not timid. Tongtian was a saint, and there were saints behind them. If Tongtian dared to take action, they believed that Nuwa Empress would take action to kill Tongtian.

Tongtian said with a cold face, "Queen Mother, I only want the book of the land, don't force me to kill you."

Tongtian was also very helpless in his heart.

As a saint, he didn't expect that Zhen Yuanzi would disagree, take action?

Tongtian looked at the Queen Mother and the nine Xihe people and did not dare to take action.

The nine Queen Mother and the Nine were all innately powerful.

If Tongtian killed the nine quasi-sages of the Queen Mother, he would get terrible karma.

However, the immortals in the ancient immortal world are paying attention to this place.

If Tongtian leaves in such a dejected manner, he will be disgraced in the ancient immortal world.

The Queen Mother said with a serious face,

"Saint Tongtian, we will not leave. Aren't you afraid of losing face by doing this? You are a saint of the way of heaven. You have taken things by force, threatened and robbed. You have lost the face of a saint of the way of heaven." boom!

"presumptuous!"

Tongtian burst out with a terrifying momentum that sent the nine Queen Mothers flying. Tongtian was furious.

Queen Mother's words made him understand that all living beings in the ancient immortal world would look down on him. Many immortals even talked to each other and scolded him for his face. Sweeping the floor? Shameless? The face of the saint of Tongtian has been wiped out. I am afraid that all living beings will look down on him0

....

In this case,

Tongtian's plan will be carried out to the end, and

Zhen Yuanzi's book of ground must be obtained.

In order to defeat and kill Nuwa, Tongtian didn't care about losing face or what the prehistoric immortals thought.

The Queen Mother and the other nine people looked at Tongtian with pale faces. The saint was too powerful and terrifying. Tongtian's saint's aura could knock them away. The quasi-sage and the saint were incomparable.

Whoosh!

Empress Nuwa suddenly appeared at Nantianmen, she said with a cold face,

"Tongtian, what you did has brought shame to the saint. Heaven is not the place you should come to. Go back to your Jin'ao Island, otherwise, I won't mind killing you again. Tongtian shouted with an ugly face, "Nuwa, today's matter is none of your business. You'd better leave.""

Empress Nuwa said coldly,

"None of my business? Tongtian, heaven is my daughter's heaven, Zhen Yuanzi is the great power of heaven, why is it none of my business? Tongtian reminded Nuwa with an expressionless face, "Nuwa, Heaven is Haotian's Heaven. This is the teacher's personal appointment. Your daughter occupies Heaven. Aren't you afraid of the teacher's blame?""

Empress Nuwa sneered disdainfully,

"Hey, Haotian? Did my daughter take action against Haotian? Did my daughter drive Haotian out of heaven? Zhen Yuanzi's nine quasi-sages, have they taken action against Haotian?"

Tongtian's face turned dark when he heard the words of Nuwa Empress 0.0.

Haotian fled from Heaven.

No powerful man could take action against Haotian.

Haotian escaped because he was worried about being killed by the nine quasi-sages of the Queen Mother.

A majestic Heavenly Emperor, A majestic quasi-sage, Haotian secretly left the heaven as cowardly as a mouse.

A boy is a boy.

Haotian was granted the status of Emperor of Heaven by the ancient Tao of Heaven, and was named the Emperor of Heaven by the Taoist ancestors. Haotian is still a useless

Adou who cannot be supported.

, as timid as a mouse,

Emperor Haotian is virtuous and unworthy of his position.

"Nuwa, I only want Zhen Yuanzi's land letter, and I can promise Zhen Yuanzi a cause and effect."

Nuwa Empress shook her head and said coldly, "Impossible, Tongtian, leave heaven immediately, don't force me to take action against you."

Chapter 2939

Empress Nuwa rejected Tongtian without thinking about it.

Zhen Yuanzi was the subordinate of her daughter Su Yan.

Tongtian wanted to steal Zhen Yuanzi's top-quality innate spiritual treasure. How could Empress Nuwa agree to Tongtian.

Tongtian shouted with an ugly face, "Nuwa, do you really want to fight me to death?"

Nuwa, the empress, said with a cold face,

"Till death? Tongtian, do you have this ability? I was able to kill you last time, and I can kill you this time too. If we fight again, I will take away your Four Swords of Killing Immortals."

Tongtian's face became even uglier when he heard what Nuwa said.

Damn it, is

Nuwa trying to steal his Four Swords of Immortals?

Tongtian felt uneasy.

A year ago,

Nuwa killed him, but Nuwa didn't steal it. Take the Four Swords of Zhu Xian, what about this time?

Tongtian is worried that if he fights with Nuwa Empress again, he will not only be killed by Nuwa Empress again, but his Four Swords of Zhu Xian may also be taken away.

Whoosh whoosh whoosh!

I and Zhun The four great saints appeared outside the Nantian Gate one after another.

The four great saints could not sit still.

The Nuwa Empress had half a step of Chaos Spiritual Treasure in her hand. 04

If the Nuwa Empress robbed the Four Swords of Killing Immortals from Tongtian, the Nuwa Empress would be even worse. The four great saints will not let Nuwa steal Tongtian's four swords of killing immortals.

I said:"Tongtian, that's it for now, you go back to your Jin'ao Island."

Yuanshi Tianzun:"Tongtian, what you did today is a shame. That's it for today."

Zhunti:

"Tongtian, all living beings in the prehistoric immortal world are paying attention to this place. Your robbery has disgraced our saints. That ends today. You leave the heaven and return to Jin'ao Island.

"Tongtian, you have gone too far today. That's it for today.""

Tongtian stared at the four of me with an ugly face, are you forcing me?

Are the four of me also persecuting him?

Tongtian looked at the five saints in front of him, and then he looked at the many immortals who were paying attention here.

He found that he didn't have any friends.

In the prehistoric fairy world,

Tongtian felt isolated.

None of the five great saints supported him, and none of the quasi-sage powers stood on his side.

Since becoming a saint,

Tongtian also understood that he was a little arrogant and arrogant. With the Four Swords of Killing Immortals in hand, He is not afraid of any saint.

But after a battle between him and Nuwa,

Tongtian understood that the four saints of Laozi might have united.

None of the quasi-sages in the prehistoric immortal world were his friends.

If the saint sect went to war, the four saints might be besieged and killed, and Jiejiao will also be besieged by the disciples of the four great saints.

"Do you think Saint Tongtian will leave?"

"It should be so. Empress Nuwa and the four great saints are warning Saint Tongtian. Saint Tongtian is no match for Empress Nuwa. There are also four great saints outside the Nantian Gate."

"Yes, Tongtian had to leave. He didn't dare to offend the other four saints."

"Saint Tongtian was completely disgraced"

"Saint Tongtian brought it upon himself. If Tongtian hadn't wanted to steal Zhen Yuanzi's spiritual treasure, Saint Tongtian would not have lost his face."

"That's right."

When the great powers of the prehistoric immortal world saw the appearance of the four great saints of Lao Tzu, and they also forced Tongtian to leave the heaven, the quasi-sage great powers began to talk with each other one after another.

"Empress Nuwa has arrived, this is the end of the day"

"Well, Empress Nuwa and the four great saints came, and Tongtian had to leave."

"Forget it, Saint Tongtian just needs to leave Heavenly Court. It would be best if Heavenly Court and Jiejiao don't start a war."

"You are right, Jie Jiao, Chan Jiao, Ren Jiao, and Western Jiao. They will definitely go to war in the future. It is better for us in Heaven to stay out of it."

"Don't talk anymore, let's see what Saint Tongtian will do."

Our Lady of Jinling and the girls in Yunxiao were talking, and they all looked at the six saints outside the Nantian Gate.

Should Tongtian leave?

Or would he fight with Nuwa?

Our Lady of Jinling and the others wanted to know what Tongtian would choose.

At this moment,

Tongtian His face kept changing, leaving?

Leaving in despair?

No, you can't just leave like this.

Tongtian looked at Laozi Yuanshen and started talking, in order to get a piece of suppressive energy.

In order not to lose face today, no matter how much Tongtian pays, he will get Zhen Yuanzi's top-quality innate spiritual treasure.

After a while,

Tongtian looked at Nuwa Empress with a cold face and said,

"Nuwa, today I will once again learn about your half-step Chaos Spiritual Treasure and fight in the prehistoric starry sky."

"This palace will help you, fight in the wild starry sky."

Nuwa Empress frowned and wondered, is Tongtian crazy?

Tongtian clearly knows that he is not her opponent, does Tongtian have any other tricks?

"A battle in the prehistoric starry sky."

Whoosh!

Tongtian glanced at me and disappeared instantly.

"Queen Mother, Xihe, you are optimistic about Yan'er." Empress Nuwa said to the Queen Mother and disappeared.

After Tongtian and Empress Nuwa left,

I said to Zhen Yuanzi expressionlessly,

"Zhen Yuanzi, Tongtian and I each promise you a cause and effect, and your earth book will be returned to Tongtian."

Zhen Yuanzi frowned and replied, "I am a saint, my book from the ground is a spiritual treasure of enlightenment, and I will not give it to anyone."

"Zhen Yuanzi, don't blame the old Taoist. The old Taoist owes Tongtian a cause and effect. I will snatch your earth book for Tongtian."

Chang Xi said with a cold face, "I am a saint, aren't you afraid of losing face by doing this?"

I said without changing my expression, 490

"I owe Tongtian a cause and effect. I am just here to repay the cause and effect. How can I be disgraced?"

The Queen Mother and Xihe and others became vigilant. They did not expect that Tongtian would ask me to take action. Cause and effect?

Is it possible?

How could I owe Tongtian's cause and effect?

The Queen Mother and Xihe and others guessed that Tongtian had to pay a big price before I was willing to help. Tongtian.

Yuanshi Tianzun, Zhunti, and the other three people also raised their eyebrows.

I stood up for Tongtian?

Abnormal.

They guessed that Tongtian and I had talked with each other before. Tongtian might have paid something to get my help. Whoosh! Su!

Yan suddenly appeared and said loudly,

"I am a saint, Zhen Yuanzi is my subordinate, and you can't get his book."

After Su Yan saw that Nuwa and Tongtian went to fight, I wanted to snatch Zhen Yuanzi's land book.

She couldn't sit still.

The Queen Mother and Xihe were no match for the saint.

Su Yan stopped Wenina and Bai Yuekui. Finally, she couldn't wait to appear outside the Nantian Gate.

I stroked my beard and looked at Su Yan and said, "Princess Su Yan, I must get Zhen Yuanzi's land letter. I can promise the princess a cause and effect."

"I am a saint, you must think carefully. If you dare to snatch Zhen Yuanzi's land book today, I will ask my mother to destroy your human religion."

Chapter 2940

Su Yan looked at Lao Tzu with a cold face. Su Yan knew the saints very well.

During the Journey to the West, the seven great saints fled to death. The saints were selfish, the saints were mercenary, and the saints were greedy for life and afraid of death. Su Yan looked down upon the saints from the prehistoric immortal world.

I asked with a cold face, "Princess Su Yan, are you threatening the old Taoist?"

I didn't expect that Su Yan would be so bold as to threaten him and let Nuwa destroy his cult?

Does Nuwa dare?

Although he is no match for Nuwa, who possesses half-step of the Chaos Spiritual Treasure, does Nuwa dare to destroy the human religion?

If Nuwa dares to destroy his human religion,

Taoist ancestor Hongjun will appear and seal Nuwa

"So what if I threaten you?"

Su Yan nodded indifferently.

A saint from the fourth level of the Holy Realm can kill me with just a jade talisman. The faces of the Queen Mother and the girls in Yunxiao turned dark.

They did not expect that Su Yan had arrived, and Dare to threaten Saint Laozi,

Empress Nuwa and Tongtian are fighting in the ancient starry sky. It is impossible to kill Tongtian in about a month.

If Su Yan offends Saint Laozi, these girls will not be able to protect Su Yan.

"what to do? The girl is going to anger the saint me."

"Nothing can happen to Yan'er. We will take action together in a while. As long as Yan'er is sent away, we will not hesitate to fall."

"OK, everyone is ready!"

"Well, we will take action together in a moment. Shang Yang, you are fast, and Yan'er will be taken away by you."

"No problem, unless I die, nothing will happen to Yan'er"

"Get ready, I'm afraid I'm going to take action."

The Queen Mother and the six Yunxiao Yuanshen talked. They were all using their skills to prepare for action. Su Yan is their daughter. They will not watch Su Yan be killed by me.

Boom!

I burst out with a terrifying momentum,

Su Yan's rampage This made him angry.

He didn't care if Su Yan was Nuwa's daughter, and he didn't care whether Nuwa would find him for revenge in the future.

There were three great saints around, as well as the immortals from the ancient world of immortality, paying attention to this place.

If I shrink back, Forget it, what face does he have in the ancient world of immortality?

Four silver wings instantly appeared around Su Yan, and the four silver wings protected Su Yan in the middle. With

Kesha's silver wings,

Su Yan allowed her father to advance to the top level of innate Lingbao, she wanted her father to upgrade Silver Wings to the Innate Supreme Treasure, but promotion to the Innate Supreme Treasure requires too much heavenly origin.

Her father would not allow her to advance, so

Su Yan could only use the Silver Wings of the best innate spiritual treasures first.

Nantianmen In addition,

Yuanshi Tianzun and Zhunti looked at me one after another. They felt that I had gone crazy. If I killed Su Yan,

Empress Nuwa would fight with me to death.

Not only would I be killed by Empress Nuwa, but also my people. The sect was destroyed by the angry Nuwa Empress.

The leader said:"Do you want to stop me? Yuanshi

Tianzun:"We can't stop it. I'm angry. We can't stop it."

Zhunti:"Damn it, if I want to kill Su Yan, Empress Nuwa will definitely fight to the death against me. Without me, how can we fight against Tongtian in the future?"

Yuanshi Tianzun:"Let's take a look at the situation and then talk about it.""

The guide said:"That's all."

In the prehistoric fairy world, all the immortals looked at me and Su Yan in disbelief.

I am going to take action against Su Yan.

If I kill Su Yan, Empress Nuwa will fight with me angrily and even kill me. swish swish.....

The Queen Mother and the six girls from Yunxiao appeared in front of Su Yan one after another. Zhen Yuanzi and the other three quickly protected Su Yan with their spiritual treasures on their heads.

"Su Yan, you will definitely die today."

I looked at the nine Queen Mother Queen Mother.

In his eyes, the nine quasi-sages were all scum. He didn't care about the Queen Mother Queen Mother nine people at all.

Su Yan took out a jade talisman and mocked disdainfully, "You're talking big words. The princess is here, I, do you dare to take action?"

Boom!

"die!"

I waved my hand angrily towards Su Yan and Nuwa Empress. A huge palm covering the sky erupted with a terrifying aura and was photographed from the air.

"Jade Talisman, go!"

Su Yan hurriedly threw out the jade talisman in his hand. This was his father's jade talisman. It was also the first time for Su Yan to use it. It was a jade talisman from the eighth level of the holy realm. Su Yan wanted to see how powerful her father was.

Boom!

Suddenly, the prehistoric fairy world shook.

Outside the Nantian Gate, the shadow of a man in white appeared in the air.

When I was about to slap my giant palm over, the man in white looked at me and the huge palm shattered.

"ah! my hand!"

My right hand was bloody and had many cracks. He was shocked when he looked at the white shadow in the sky.

I was also very afraid of

Su Yan's jade talisman.

He was worried that the man in white in the sky would suppress him.

Yuanshi Tianzun, Zhunti, then Yin, their faces turned pale one by one, saint?

How is it possible?

How could the shadow in white be a saint, or a saint with terrifying strength.

Who is the man in white?

There are only seven saints in the prehistoric immortal world, and none of them have seen the man in white. The man in white clothes cannot be a saint in the prehistoric immortal world.

The creatures in the prehistoric immortal world were suppressed by the terrifying aura and fell down. All the immortals looked at the man in white clothes in the sky in horror.

A saint is also an extremely terrifying saint.

When will there be more in the prehistoric immortal world? A saint, and a saint more terrifying than other saints.

Xi He saw the shadow in the sky and shouted in surprise, "Su Chen! Su Yan used Su Chen's jade talisman.

The Queen Mother asked hurriedly, "Xihe, is he Su Chen?" Su Yan's father? Our Taoist companion?"

Chang Xi and Shang Yang also looked at Xi He.

Since Su Chen's shadow appeared, their souls were beating more happily. The man in white may be their future Taoist companion and Su Yan's father.

Xihe said with a smile,

"Yes, he is Su Chen, our Taoist companion and Su Yan's father. I never thought that Su Chen would be so powerful, even stronger than all the saints. Chang

Xi said excitedly,

"Su Chen's cultivation realm is stronger than that of a saint. I guess Su Chen is either the sixth or seventh heaven of the holy realm. The Queen

Mother smoothed her hair and said with a smile, "That bastard might be from the eighth level of the Holy Realm.""

Shang Yang clenched his fists tightly and said, "Too powerful, our husband is too powerful."

Chang'e said with a blush on her cold face,

"Yes, our husband is so powerful that I can't believe that he suppressed me with just one look. Qin

Yuan looked at Su Yan and smiled and said, "I didn't expect Yan'er to have Su Chen's jade charm. The little girl is getting more and more unbehaved, and Yan'er didn't tell us.""

At this time,

Su Yan shouted to the man in white in the air

"Father, kill me. I just wanted to kill me."
