

## Zongwu 2941

### Chapter 2941

Su Yan couldn't wait to let her father kill me, and she also wanted to see how her father suppressed me.

In the air,

Su Chen's shadow said to Su Yan, "Yan'er, why are you here? You are getting more and more bad."

Su Yan stuck out his tongue and smiled,

"Father, I learned this from you. You will understand if you check out the Great Immortal World."

"Um?"

After Su Chen's shadow checked the ancient world, he shook his head speechlessly.

The real body was actually in the ancient world at this time. No wonder Su Yan would appear.

When I heard what Su Yan and Su Chen said, his face All gone, father?

The man in white turned out to be Su Yan's father, Nuwa's Taoist companion?

Whoosh!

I instantly disappeared on the same spot.

He wanted to escape. "Zero seventy" he wanted to go to the bastard to ask Hongjun for help. , otherwise he will definitely die and be suppressed by Su Yan's father

"Space moves!"

Su Chen's shadow waved his hand in disdain.

I want to escape?

Is it possible?

If you dare to kill his daughter, you will die.

I instantly appeared on the spot, and he looked at Su Chen full of despair.

I was caught by Su Chen in an instant, and

I Without any ability to resist, he knew that he would definitely die.

Su Chen pointed at me and said,"Deprive me!"

"No, no, don't deprive me of the Hongmeng Purple Qi. Don't deprive me of the Hongmeng Purple Qi."

I screamed in horror.

Su Chen actually wanted to deprive him of his Hongmeng Purple Qi.

If I was deprived of his Hongmeng Purple Qi by Su Chen, he would be dead, and the prehistoric heaven would not be able to resurrect him.

Yuanshi Tianzun and Zhunti, The faces of the three people who took the lead all turned pale.

They did not expect that Su Chen would deprive me of the Purple Energy. If I could be deprived of the Purple Energy, what about them?

Su Chen might be able to deprive them of the Purple Energy.

Su Yan was excited. shouted, "I'm going, I want to completely destroy me."

The nine Queen Mothers looked at Su Chen dumbfounded, depriving me of the Hongmeng Purple Qi?

Can Su Chen deprive me of the Hongmeng Purple Qi? Will the prehistoric heaven let Su Chen deprive me?

Ancestor Minghe said excitedly, "Did you see it, Su Princess Yan's father is too powerful, and we all made the right choice."

Zhen Yuanzi stroked his beard and said with a smile,

"Yes, our future Heavenly Emperor is really powerful. I guess the Heavenly Emperor should be at the seventh level of the Holy Realm. Zhulong said excitedly,

"We are lucky, as long as we follow Princess Su Yan, we will become Hunyuan Daluo Jinxian in the future."

Zhen Yuanzi and the other three believe in Princess Su Yan even more at this moment. They originally believed 99% in Su Yan. When Su Chen's jade talisman appeared, they believed in Su Yan 100%.

A big mountain in the prehistoric fairyland, the six sisters of Jinling Virgin Mary appeared here. They looked at Su Chen in the sky with different expressions. They were shy, surprised, happy, and shy. The six sisters of Jinling Virgin Mary understood who the man in white was in the sky. , they also understood the relationship between the man in white and them.

Our Lady of Turtle Spirit blushed and said,

"Senior sister, the man in white is Su Yan's father. My soul is beating with joy. Bixiao shouted excitedly, "Me too, since the man in white appeared, my soul has been very happy.""

Our Lady of Wudang smiled and said, "Yes, the bastard in the sky is our Taoist companion. This can't be wrong. Yun

Xiao blushed and said, "It's too powerful. What state is our Taoist companion in? I have no ability to resist in the hands of our husband."

Mother of the Golden Spirit covered her chest and said, "I don't know, but our husband should be at a cultivation level above the sixth level of the Holy Realm. Qiong

Xiao asked with a flushed face.

"Senior sisters, do you think our husband can deprive me of my Hongmeng Purple Qi?"

The Holy Mother Wudang thought for a while and said, "It should be possible. Although we don't know your husband, but if you dare to deprive me of the Hongmeng Purple Qi, I guess you will succeed."

Yun Xiao asked worriedly, "Senior sister, will the prehistoric heaven allow your husband to deprive me of the Hongmeng Purple Qi?"

Our Lady of Guilingbao also said worriedly,

"Yes, if the ancient law of heaven stops me, our husband may not be able to deprive me of my grand purple energy."

The Holy Mother of Jinling said with a serious face,

"Let's continue watching, don't forget, Dao Ancestor has not appeared yet. If Dao Ancestor and the Great Heavenly Dao stop my husband, my husband may not be able to deprive me of the Hongmeng Purple Qi. 0...."

Yunxiao and the Wudang Virgins nodded one after another.

They looked at Su Chen in the sky and became worried.

If the Great Desolate Tiandao and Tao Ancestor stopped Su Chen, they were worried that Su Chen would be suppressed by the Great Desolate Tiandao.

With the Bear Tribe,

Su Chen appeared in the air and looked towards Nantianmen. Su Chen sensed that his jade talisman was being used. Su Yan used his jade talisman because he was in danger. Whoosh! The Queen Mother of the West appeared next to Su Chen instantly,

"Husband, your jade talisman has been used. Su

Chen hugged Queen Mother Xi's waist and said, "Well, our daughter must be in danger. He used my jade talisman.""

Queen Mother Xi leaned in Su Chen's arms and said,

"Husband, you are in the eighth level of the holy realm. Is it too extravagant for Yan'er to use your jade talisman?"

Su Chen said helplessly,

"The little girl can do whatever she wants, and no one can control her. Yan'er has at least a dozen holy jade talismans in his hand. I guess Yan'er wants to shock the other six saints in the prehistoric immortal world. Queen Mother Xi said with a smile,

"Haha~ Yan'er has two parents who are eighth-level heavenly beings in the Holy Realm, and more than ten aunts in the Holy Realm. Yan'er's background is so powerful, there is nothing wrong with her doing this."

"Too!"

"Husband, can I be deprived of my Hongmeng Purple Qi 3.0?"

Su Chen kissed the Queen Mother of the West and nodded and replied,

"Yes, the prehistoric heaven will not stop him. Hongjun is either the sixth or seventh heaven of the holy realm. If he dares to appear, my jade talisman clone will kill Hongjun. Queen Mother Xi hugged Su Chen and said with an expression on her face, "That's good. After Yan'er was shocked by this, no saint or other immortals in the prehistoric immortal world would dare to offend Yan'er.""

Su Chen touched Queen Mother Xi's plump waist and said, "Madam, as long as my jade talisman clone is here, nothing will happen to Yan'er. Let's go take a rest. I haven't seen you for more than a year."

"Husband, you are a shameless pervert"

"We are husband and wife, how can I be a pervert? Madam, do you want me to teach you a lesson?"

"No, husband, I was wrong"

"It's late!".

Chapter 2942

Outside the Nantian Gate,

I was struggling hard, and the Hongmeng Purple Qi was about to be deprived.

I used all my magic power to keep the Hongmeng Purple Qi, but the Hongmeng Purple Qi was still being deprived.

I shouted to the sky, "Taozu, please save my disciples."

Boom!

Su Chen's shadow erupted with a terrifying aura, and I was instantly deprived of my Hongmeng Purple Qi.

"No!"

I saw the Hongmeng Purple Qi being stripped away, and he screamed in horror.

At this moment, my cultivation realm began to fall, and I fell to the fourth level of the Holy Realm....The pinnacle of the third heaven of the holy realm....The middle stage of the third heaven of the Holy Realm....The middle stage of the first level of the Holy Realm. boom!

When my cultivation level fell to the pinnacle of quasi-sage, there was a rain of blood in the ancient immortal world.

"If the sky rains blood, I will no longer be a saint."

"Yes, the Hongmeng Purple Qi was taken away by Princess Su Yan's father. I will be finished from now on."

"Princess Su Yan's father is so terrifying that he can even take away Hongmeng's purple energy"

"Who do you think Princess Su Yan's father is? He can't be a saint from outside the realm, otherwise the law of heaven would send down thunder to kill Princess Su Yan's father. But why is there such a powerful saint in the prehistoric fairy world?"

"I don't know. Only Empress Nuwa may know about the ancient world of immortality. 420 After all, Su Yan's parents are Empress Nuwa and the man in white."

"Keep reading, Princess Su Yan's father may kill me."

The immortals in the prehistoric immortal world seemed to be chatting for a while, and they all looked at the lost I.

If Dao Ancestor Hongjun had not arrived,

I would have completely fallen today.

Chang Xi saw the Hongmeng Purple Qi in Su Chen's hand, she smiled and said ,

"Su Chen really deprived me of my Hongmeng Purple Qi, and our husband is really powerful."

The Queen Mother and the Yunxiao girls all nodded.

In less than a quarter of an hour,

Su Chen actually deprived me of the Hongmeng Purple Qi. It was over for me to fall to the holy throne.

Su Yan whispered happily,

"Dad is still as awesome as ever. He can even take away the Hongmeng Purple Qi. Do you want to play with the Hongmeng Purple Qi?"

The Holy Mother of Jin Ling and the girls also breathed a sigh of relief.

They didn't expect that Su Chen had really deprived me of the Hongmeng Purple Qi. I fell to the holy throne and was useless.

However, the Holy Mother of Jin Ling and the girls of Yunxiao heard that I was asking Hongjun. Asking for help, they were worried that Hongjun would arrive and take action against Su Chen.

At this moment,

Zhunti said with an ugly face, "Damn it, I've really been deprived of my Hongmeng Purple Qi. Yuanshi

Tianzun said with a serious face,

"Su Yan's father is too powerful and terrifying. We should never provoke Su Yan in the future."

Jie Yin nodded in agreement, "That's right, Su Yan can't be provoked, otherwise we will end up like me."

Yuanshi Tianzun and Zhunti looked at Su Chen with fear.

Su Chen could easily deprive me of my Hongmeng Purple Qi, and Su Chen would also easily deprive them of their Hongmeng Purple Qi.

Princess Su Yan?

Heavenly Court will be in the prehistoric fairyland in the future. Lord, no living thing in the ancient immortal world dares to disobey Princess Su Yan.

Six reincarnations,

Hou Tu and Jiu Feng looked at the image in front of them. They did not expect that Su Chen really deprived me of the Hongmeng Purple Qi.

Jiu Feng asked with a smile. ,

"Hou Tuzu Wu, what level of cultivation is Su Chen? How could he easily deprive me of my Hongmeng Purple Qi?"

"Jiufeng, Su Chen should be at the level of cultivation above the sixth level of the saint. I can't find out Su Chen's level of cultivation."

Hou Tu watched Su Chen's soul beating with joy.

She understood what was going on.

When Jiufeng mentioned Su Chen's name earlier, Hou Tu's soul jumped with joy.

Taoist companion?

Su Chen should really be hers. Future Taoist companion.

Jiufeng asked cautiously, "Houtu Zuwu, are you familiar with Su Chen?" Houtu smoothed his hair and said,

"familiar? Jiufeng, I understand what you want to ask. In the Wu Clan, you and I are the only ones who have Yuanshen. Su Chen should come from the ancient immortal world in later generations. We are that bastard Taoist couple."

Jiu Feng clenched his fist and said, "Ancestral Witch, Nu Wa is also (aede) that bastard's Taoist companion. Su Chen and Nu Wa also have a daughter."

"It doesn't matter, Jiufeng, look at the Queen Mother and Xihe's daughters outside the Nantian Gate. They should also be related to Su Chen, otherwise they wouldn't protect Su Chen and Nuwa's daughter."

"impossible! Houtu Ancestral Witch, Queen Mother and Xihe's daughters are all quasi-sages. Did that bastard wipe out all the powerful female fairies in the ancient immortal world?"

"Haha, Queen Mother Xi didn't appear, Fengzu's broken soul didn't appear, and that bastard didn't catch all the powerful female fairies."

"There are only two powerful female fairies left among the ancestral witches. Is this any different from catching them all in one fell swoop?"

"That's right, Su Chen is really a shameless pervert"

"Zu Wu, if Su Chen were in front of me, I couldn't help but blast that shameless pervert."

Hou Tuzu Wu reminded him speechlessly, "Jiu Feng, you can't beat that bastard." Jiufeng showed a weird smile and said, "Zu Wu, I am Su Chen's Taoist companion. If I beat that bastard, does that bastard dare to resist?"

At this time,

Su Chen's shadow grabbed Hongmeng Ziqi and checked it.

Sure enough, Hongmeng Ziqi had been tampered with. The saint's life and death depended on the old man's thoughts.

"Come!"

Su Chen looked at the lost Lao Tzu and stretched out his hand and shouted,

Whoosh!

The innate treasure Tai Chi Diagram on my body, as well as the Black and Yellow Exquisite Tower of Heaven and Earth, appeared in Su Chen's hands.

Su Chen looked to one side and shouted, "Hongjun, since Why didn't you show up when you came? Don't you have the face to see people?"

Whoosh!

Hongjun appeared opposite Su Chen in an instant.

He looked at Su Chen and was very confused.

A strange saint, no!

A strange Hunyuan Daluo Jinxian, or a Hunyuan Daluo Jinxian from the eighth level of the holy realm.

Su Chen appeared in the ancient fairy world.

Why didn't the ancient heaven destroy or expel Su Chen?

Hongjun frowned and asked,

"who are you? You are not a creature from the ancient immortal world. Why can't I see your present and future?"

Su Chen looked around and declared,"My name is: Emperor Su Chen!"

Boom boom boom.....

Above the nine heavens, the Eye of Heaven appeared and stared at Su Chen.

All sentient beings saw the appearance of Heaven. All living beings looked at Su Chen.

Emperor Su Chen?

When did the Heavenly Emperor Su Chen appear in the prehistoric fairy world?

Hongjun and the four great saints Yuanshi Tianzun were all very confused.

Emperor Su Chen?

Since the birth of the ancient world, the Emperor Su Chen has never appeared in the ancient world. Is the Emperor Su Chen the emperor of the immortal world?

【deprivation! 】

Suddenly, the voice of the ancient law of heaven appeared in the ears of all living beings

"No! I am the Heavenly Emperor of Heaven, Heavenly Dao, please do not deprive me of my Heavenly Emperor status. I am the Heavenly Emperor canonized by the Taoist ancestors."

Chapter 2944

In the prehistoric fairy world, all races surrendered to Su Yan.

All races and casual cultivators saluted Su Yan to welcome the new emperor of heaven. Su Yan was still the female emperor of the prehistoric fairy world.

Outside the Nantian Gate,

Yuanshi Tianzun, Zhunti, and Yin were very helpless.

Although Su Chen's shadow shattered and dissipated, it is possible that Su Chen's true form has come to the ancient world of immortality, and there is also Empress Nuwa, who possesses a half-step chaotic spirit. Bao's Nuwa Empress and the three great saints are no match for her either.

Yuanshi Tianzun looked at Zhunti and Jieyin, then he held up his hand and said to Su Yan, "Chanjiao congratulates His Majesty the Emperor of Heaven!"

Zhunti and Jieyin did not expect that Yuanshi Tianzun would congratulate Su Yan. Did Yuanshi Tianzun want to surrender to Su Yan?

Zhunti and Jieyin looked at each other.

They understood the general trend.

Su Yan had a terrifying father, a powerful mother, and the strangeness of the ancient ways of heaven. If they dared to resist Su Yan, I would probably end up falling. over their heads.

Zhunti and Lao Jieyin congratulated Su Yan, "The Western Sect congratulates His Majesty the Emperor of Heaven!"

Hongjun looked so ugly that he couldn't help but burst out, but he didn't dare.

Heavenly Court had changed hands, and part of his plan was broken. ,

Emperor Su Chen? Hongjun couldn't figure out the origin of Su Chen, a terrifying Hunyuan Golden Immortal from the eighth level of the Holy Realm. There was no such creature as Su Chen in the prehistoric immortal world, but how come the prehistoric heavenly law didn't punish him with thunder or expel Su Chen? The Great Ancient Heavenly Law also deprived Haotian of his Heavenly

Emperor status and gave it to Su Chen. Su Chen gave up the Heavenly Emperorship to Su Yan. The Great Ancient Heavenly Law didn't object yet. It's weird, so weird. Su Yan stretched out his hands and said with a smile,

"Haha~ I am the new emperor of the Heavenly Court of the Ancient Immortal Realm. All living beings in the ancient world must obey my will. Those who do not obey my will will be killed without mercy! Anyone who provokes me will be killed without mercy. Anyone who violates my will will be killed without mercy."

"Respect the will of His Majesty the Emperor of Heaven!" All the living beings in the prehistoric era saluted one after another.

All the living beings understood that the prehistoric immortal world was unified by Su Yan, and any living being that violated Su Yan's will would be killed.

"Yan'er!"

Empress Nuwa couldn't help shouting.

She was worried that Su Yan would do lawless things again. Su Yan's previous words were very good. If Su Yan hadn't laughed, Su Yan would have been a real prehistoric emperor.

Su Yan He hurriedly shouted seriously,

"Mother!"

Empress Nuwa touched Su Yan's hair and said,

"Yan'er, from now on you will be the Emperor of Heaven in the Ancient Immortal Realm. From now on, you will not be able to do whatever you want. You must think about the Ancient Immortal Realm and all sentient beings."

"Yes, mother!"

Su Yan nodded speechlessly and did as he pleased?

Didn't her father do whatever he wanted? Did his father ever manage Xuantian Realm?

Her father ran around everywhere every day, and

Xuantian Realm was managed by her mother and aunts.

"Let's go back to heaven."

Empress Nuwa nodded to the Queen Mother and the other girls. She grabbed Su Yan and disappeared into the air.

The Queen Mother and the other girls also disappeared into the air. They had many questions to ask Nuwa, especially Su Chen. The Queen Mother wanted to know about Su. The specific situation in the morning.

Outside the Nantian Gate,

Hongjun and Yuanshi Tianzun disappeared in place, and the surrounding powerful people also left one after another.

Our Lady of Turtle Spirit asked Our Lady of Golden Spirit, "Senior Sister, shall we go to the Heavenly Court?"

Our Lady of Wudang said hurriedly,

"Empress Nuwa has gone to heaven. The Queen Mother and her daughters may ask about Su Chen. Senior sister, we must go there."

Yunxiao nodded and said,

"Yes, Empress Nuwa should know the specific situation of Su Chen. If we want to know about Su Chen, we must go to heaven. Bixiao pulled the Golden Spirit Mother and said, "Sister, let's go. I want to know the specific situation of my husband." Qiong

Xiao smiled and said, "Well, let's go. After all, Su Chen is our Taoist companion. We also need to get to know Su Chen."

Our Lady of Jin Ling looked at several junior sisters and was very speechless. They seemed to be afraid that she would not agree.

Su Chen? The common Taoist companion of their senior sisters, Our Lady of Jin Ling, also wanted to Find out more about Su Chen

"Okay, the six of us senior sisters will go to heaven to ask Empress Nuwa about that bastard Su Chen."

In the Black Bird Tribe,

Alice and Selina were very surprised.

Su Yan became the Emperor of Heaven in the ancient fairy world, and these aunts had a daughter of the Emperor.

Selina rubbed her forehead and said,

"It's so unbelievable that Yan'er has become the Emperor of Heaven in the prehistoric immortal world, and we have a daughter of the Emperor of Heaven."

Alice said with a smile,

"Haha~, Selena, this is because of Su Chen. Su Chen's jade talisman clone is really powerful. He destroyed two saints with one palm and one finger. The saint I was deprived of the Hongmeng Purple Qi and was completely killed."

Laura covered her chest excitedly and said, "Our husband is the Hunyuan Daluo Golden Immortal from the eighth level of the holy realm. All the saints in the prehistoric immortal world combined are no match for our husband."

Mu Ningxue blushed and nodded: "Yes, our husband is very powerful, no, very terrifying." Natasha smiled evilly and said, "Sisters, our husband is not only powerful and terrifying, but he is also very powerful in that aspect. How about we unite to deal with that bastard."

Alice said speechlessly, "Natasha, you are so dirty."

Natasha hurriedly explained with a smile,

"Haha~, I am also thinking about you. Think about it, every time we are tortured to death by Su Chen, if we don't unite, that bastard will keep bullying and tormenting us."

Selena and Laura looked at each other. They felt that Natasha was right.

None of them were Su Chen's opponent.

What if they worked together to deal with Su Chen? Can that bastard defeat the seven girls?

Oh no, there is another Luo Nu (who cheated Zhao).

Can Su Chen defeat the eight of them?

Luo Nu was confused as she listened to the conversation between Alice and the girls. She was very shocked at the moment.

Earlier, outside the Nantian Gate,

Su Chen The jade talisman clone appeared.

Luo Nu did not expect that Su Chen would be a saint.

Her husband turned out to be a saint in the ancient immortal world, and he was also an extremely powerful and terrifying saint Li.

And Su Yan, her daughter became the emperor of the ancient immortal world. ,

Luo Nu seemed to be dreaming, what happened today, if Luo Nu had not seen everything that happened with her own eyes, she would not have believed that Su Chen would be a saint.

Luo Nu whispered with her face flushed,

"It's incredible!"

"No wonder my husband said that Nuwa was his Taoist companion"

"My husband is a powerful saint, and Empress Nuwa is also a saint. As the daughter of two great saints, it is not surprising that Su Yan became the Great Luo Jinxian in her teens."

Chapter 2945

Jin'ao Island, after Tongtian was resurrected by the prehistoric heaven, he returned to Jin'ao Island and was very scared. He was suddenly killed before, and he had no ability to resist at all. He was so powerful! fear!

Tongtian felt that Su Chen was much more powerful and terrifying than Daozu Hongjun.

"Emperor Su Chen? Who is he? How could a terrifying saint appear in the prehistoric fairy world, as well as Tao Ancestor. Tao Ancestor actually watched me being deprived of Hongmeng Purple Qi, and saw Su Chen beheading me. Tao Ancestor probably did not dare to take action against Su Chen."

Tongtian suddenly discovered that he was no longer familiar with the ancient world of immortality.

Empress Nuwa had a Taoist companion, a daughter, and a half-step Chaos Spiritual Treasure!

Empress Nuwa's Taoist companion was also a terrifying saint. All of this made Tongtian feels strange and shocked

"The prehistoric Heavenly Way is also very strange. It deprived Haotian of the Heavenly Emperor status, and Su Chen gave up the Heavenly Emperorship to Su Yan. The Prehistoric Heavenly Way also acquiesced, which is abnormal, very abnormal."

Tongtian was scared.

He didn't dare to offend

Yan'er or Nuwa.

He was worried that Su Chen would take away his Hongmeng Purple Qi. Tongtian didn't want to end up like me. There is a

Xiong Tribe,

443 Su Chen He returned to the Queen Mother's room with a face full of joy. Su Chen enjoyed the warm tenderness of the Queen Mother of the West and the sexy red lips of the Queen Mother of the West. If he didn't have something to do, Su Chen didn't want to leave the plump and attractive Queen Mother of the West.. Bang! The female demon kicked the door open and came in and asked,"Su Chen, what is the relationship between the former Emperor Su Chen and you? Su Chen took a sip of wine and replied,"It doesn't matter, just the names are the same. I am an immortal cultivator who has transcended the tribulation realm. Do you think I will be the Emperor of Heaven, Su Chen?"

"

"That's right, Heavenly Emperor Su Chen is a terrifying saint. He destroyed two great saints with one palm and one finger, and also deprived Saint Laozi of his Hongmeng Purple Qi. You, a scumbag, cannot be Heavenly Emperor Su Chen."

The female demon felt that she was overthinking.

How could Su Chen be the Emperor of Heaven, Su Chen?

The Emperor of Heaven, Su Chen, was a powerful and terrifying saint, while Su Chen was a scumbag. There was a world of difference in their cultivation realms. Su Chen It can't be Su Chen, the Emperor of Heaven

"Scumbag? Female slave, if I am a scumbag, who are you? Ants?"

Su Chen stared at the female demon with a dark face, scumbag?

Is he a scumbag (aeab)?

Su Chen's cultivation realm was suppressed by luck and heaven. After all, he is still in the realm of transcending tribulation. What about the female demon?

A Yuan. The little scumbag in the infant realm, the female demon actually called him scumbag,

"Suchen, you are a bastard!"

"I guess, I'm a bastard, you're a bastard's woman"

"Shameless!"

"I'm shameless. The female slave shouted angrily,"Damn it, Su Chen, don't mess with me. I'm in a very bad mood right now.""

Su Chen curled his lips and mocked,"Oh, shouldn't you be happy about getting married?"

"Bastard, if you dare to talk nonsense to me again, I will....Woohoo!"

The female demon was threatening Su Chen.

She didn't expect that Su Chen would hug her and kiss her quickly. The female demon punched the bastard in shame and anger, but she suddenly found that her magic power had disappeared.

The female demon guessed that it was Su Chen's seal. After a while, the female demon felt Su Chen touching her body. She closed her eyes weakly. The sensitive parts of her body were touched by Su Chen.

The female demon's whole body became hot and she wanted to blend her body into Su Chen's. in the arms

"Nvba, your mouth is so sweet."

Su Chen hugged Nv Ba's sexy waist and smiled.

Nv Ba's body was extremely familiar to Su Chen. He also knew the sensitive places on Nv Ba's body clearly.

Nv Ba hurriedly shouted in shame," Shameless pervert! Let me go."

Su Chen stroked Nv Ba's delicate face and said,"Nv Ba, you are destined to be my woman."

The female priest straightened her clothes and said quietly,

"It's impossible. I will be sent to the Black Bird Tribe for marriage tomorrow. Su Chen, please leave soon. There are powerful immortal cultivators from the Bear Tribe and immortals who will monitor me."

The female slave doesn't want to get married, and she doesn't want to marry the leader of the Xuannio tribe, but she has no choice.

Xuanyuan threatens her, and the female slave doesn't dare to resist, run away, or commit suicide. Otherwise, the Tianyu tribe under her control will be massacred. Empty.

As for Su Chen, the female tycoon has no good or bad impression of Su Chen. She and Su Chen have only met twice.

Su Chen's shamelessness made her very helpless, but she did not resent Su Chen.

The female tycoon This kind of Su Chen feels very real, unlike Xuanyuan, who is a despicable villain.

Su Chen hugged Nv Ba's small waist and said, "Nu Ba, I have something to tell you. Don't be angry when you hear it."

"explain!"

The female boss rolled her eyes at Su Chen and told her something?

Why don't you make her angry?

This shameless pervert has thought too much.

The female boss and Su Chen are not friends, and there is not much relationship between them. Su Chen just deceived her. What does something about her have to do with her?

Su Chen smiled and said to Nv Ba, "Nu Ba, I am actually the patriarch of the Xuannio tribe, and I am the person you want to marry."

The female slave asked hurriedly in surprise, "What? Su Chen, are you telling the truth?"

Su Chen kissed the female slave and replied,

"It's true. My identity is known to all the humans in the Xuannio Tribe. My statue stands in the Royal City Square of the Bird Tribe. You will know it clearly as long as you go to the Xuannio Tribe."

"Damn you bastard, I'm going to kill you, you are the leader of the Black Bird Tribe, you bastard just told me."

The nvba angrily bit Su Chen's chest.

What a bastard.

If Su Chen had told her the truth earlier, the nvba wouldn't have had random thoughts or wanted to die.

Su Chen smiled and hugged the nvba.

Bite it, the female demon without magic power can't bite through his flesh.

"Phew, you're such an asshole."

Nvba glared at Su Chen angrily.

She bit Su Chen for a long time without even biting her. Nvba knew that any more bites would be in vain.

Su Chen hugged Nvba and sat down and said, "Nvba, I didn't mean to deceive you. , I also came to the Youxiong tribe to see you, and only then did I know that Xuanyuan would let you marry me."

The female demon asked with her eyebrows raised in confusion.

"Don't you know how to marry me? How can it be? The people of the Xuannio tribe agreed to the marriage, and Xuanyuan decided to let me marry. How could you not know that I wanted to marry you?"

After Su Chen kissed the female demon's sexy red lips hard, he explained to the female demon,

"Nvba, I have never been in the Xuannio Tribe. My woman is managing the affairs of the Xuannio Tribe. If it weren't for the Human Emperor Shennong's tribe attacking the Xuannio Tribe, I would not have returned to the Xuannio Tribe."

Chapter 2946

The female demon wiped the saliva from her mouth and glared at Su Chen in shame and anger.

She didn't believe what Su Chen said.

As the leader of the Black Bird Tribe, how could this bastard leave the Black Bird Tribe for such a long time.

As for the other women Su Chen mentioned, the female slayer didn't care.

Su Chen was the leader of a huge tribe. It would be strange if this bastard didn't have other women.

Just like Xuanyuan,

Xuanyuan was the leader of the Bear Tribe and he had countless women. Ten, and they also ask for beauties from other tribes every year.

The female demon glared at Su Chen and said,

"Bastard, I don't believe you, you must have known that I would marry you."

Su Chen hugged Nuba and explained, "Nvba, I really don't know. You will understand this as long as you go to the Black Bird Tribe. Do you think I will deceive you now?"

"Um?"

The female slave felt that what Su Chen said was right.

She would be sent to the Black Bird Tribe tomorrow. There was no need for Su Chen to deceive her now.

Su Chen said with a smile,

"Nvba, let's take a rest."

The female baobao reminded her hurriedly with a blushing face.

"Su Chen, you can't touch me. If tomorrow some immortal cultivators and immortals from the Bear Tribe discover that I am not perfect, the marriage may be cancelled, and I may be executed."

Su Chen touched the nvba's delicate little face and said,

"Female slave, your long legs and sexy red lips are very tempting. I won't eat you tonight, but you want me to enjoy your long legs and sexy red lips once."

"Shameless pervert!"

"Shameless ass, you will be my wife tomorrow, it is only natural that we be together"

"Ah, bastard, I won't do that"

"You can!"

"I won't do anything disgusting....Woohoo!"

Six Paths of Reincarnation,

Houtu and Jiufeng have been silent.

They don't know what to say.

Su Chen's power makes them unbelievable. They have no hope that the Jiuli tribe will fight for the Human Emperor.

Jiufeng said,

"Zu Wu, give up, Chi You of the Jiuli tribe, he will not be our husband's opponent.

Hou Tu nodded to Jiufeng.

She understood that Chi You would not be Su Chen's opponent.

However,

Chi You was stubborn and a little arrogant. Hou Tu ordered Chi You to give up the war for the Human Emperor. Chi You might have his own way. Do not obey her orders.

Hou Tu is now in a very difficult situation.

Let the Jiuli tribe and Su Chen form an alliance?

Not to mention whether Su Chen is willing or not, even the arrogant Chi You will not agree, and Hou Tu cannot tell Su Chen's secret to Chi You.

Houtu rubbed his forehead and asked,

"Jiufeng, you said that Su Chen's true body was suppressed in the Tribulation Realm in the prehistoric immortal world. The prehistoric heaven was very biased towards Su Chen before. That bastard's cultivation realm cannot be suppressed by the prehistoric heaven. Who will suppress Su Chen's cultivation realm? ?"

Jiu Feng clenched his fist and said angrily,

"Zu Wu, I don't know. When I met Su Chen, that bastard was in the Tribulation Realm. He didn't tell me that he was a saint, nor did he tell me that his cultivation realm was suppressed. Hou

Tu sighed and said,

"Oh, forget it, everything depends on God's will. We don't care about the Jiuli tribe. Jiufeng, go to the heaven. What should Nuwa know? Go and ask about Su Chen."

"Okay, Zuwu."

Jiu Feng stood up and wanted to go to Heaven as soon as possible.

Nuwa , the Queen Mother, and several other girls were all in Heaven.

The six girls who had been intercepted earlier also went to Heaven.

Jiu Feng wanted to know how many women Su Chen had in the prehistoric fairyland, and who the bastard was. How many powerful women have been harmed. In the immortal volcano, in a ball of light,

Fengzu is undergoing nirvana and reborn from the fire. Many phoenixes around are excitedly looking at the ball of light.

If Fengzu succeeds in nirvana, he will be reborn. The phoenix ancestors of their Phoenix clan Will he be reborn?

A little golden phoenix asked the blond beauty next to him,"Chief Tianfeng, will Fengzu succeed in nirvana and rebirth?" Tianfeng said with a smile,"Yes, Fengzu has the treasure given by Emperor Su Chen. Fengzu will definitely achieve nirvana and be reborn successfully.""

Heavenly Emperor Su Chen?

Tianfeng feels very familiar with Su Chen. This is the familiarity from the soul, and it comes from the connection between the bird royal family.

Tianfeng discovered that Heavenly Emperor Su Chen has the bloodline of the Black Bird, and the Heavenly Emperor Su Chen also has a close relationship with her. It is not fake that her soul is very happy.

【Emperor Su Chen? Is he his Taoist companion? Did Emperor Su Chen save Fengzu because he belonged to the bird royal family? Or is Fengzu also a Taoist couple with the Emperor Su Chen? 】

More than a year later, the Human-Human War is about to break out.

On the Yellow River Plain,

Xuanyuan has more than 50 million troops in the south, and tens of thousands of troops continue to arrive every day.

In the north of the Yellow River Plain, the more than 30 million troops of the Jiuli tribe were also preparing for war. The strong soldiers of the Jiuli tribe looked fiercely at the southern human army.

In the Xiong Tribe camp,

Xuanyuan was talking with many tribal chiefs and immortals from the Chan Cult. The Human-Emperor War would break out in at most three months, and they would discuss the attack areas of each tribe.

A tribal leader asked,

"Human Emperor, didn't you mean the alliance between the Black Bird Tribe and the Youxiong Tribe? Why didn't the Xuanniao tribe's army arrive?"

"Yes, Human Emperor, the Black Bird Tribe is very powerful, with more than 30 million troops, and they are also well-equipped black armored men."

"After more than a year of development, especially after annexing the former tribe of Human Emperor Shennong, the Xuanniao Tribe has become the most powerful human tribe on the coast of the East China Sea."

"Human Emperor, I heard that the Xuannio Tribe and the Youxiong Tribe are in alliance. Our Wuhai Tribe sent out troops to help the Human Emperor for the sake of Luo Nu and the leader of the Xuannio Tribe."

"Yes, if the Black Bird Tribe doesn't come, our Tianlang Tribe will withdraw from the Human Emperor's war."

"Our Tieling tribe will also withdraw"

"And if our Songhai tribe and the Xuannio tribe don't come, our Songhai tribe will also withdraw from the Human-Emperor War."

In the big tent, some chiefs of the human tribe questioned Xuanyuan one after another. They came to help Xuanyuan because Xuanyuan said that they were getting married to the Xuannio tribe.

Xuanyuan's daughter Nuba married the Xuannio tribe leader. The Xuannio tribe would help some people. When the Bear Tribe attacked the Jiuli Tribe, each tribe would send troops to help Xuanyuan.

However, it had been more than a month since the armies of each tribe arrived, and the Xuannio Tribe's army had not yet arrived. Some tribal leaders speculated that Xuanyuan had deceived them.

Xuanyuan stood with a serious face. He got up and said,

"Clan leaders, I am the Human Emperor of the human race. Do you think I will deceive you?"

"My daughter, Nuba, got married to the chief of the Xuannio tribe more than a year ago. This is true. It is also true that the Xuannio tribe will help the Youxiong tribe. The Xuannio tribe will arrive within half a month."

Chapter 2947

Xuanyuan was very angry.

He sent many envoys to urge the Xuannio tribe to arrive.

However, for more than a month, the Xuannio tribe responded to gather troops every time.

Xuanyuan did not know that the Xuannio tribe was really Whether to assemble an army or to deceive him, the human-emperor war on the Yellow River Plain would break out at any time, and Xuanyuan did not dare to offend the Xuannio tribe at this time.

A tribe leader said,

"Okay, Human Emperor, we will wait for another half month, hoping that the Black Bird Tribe will arrive within half a month."

Xuanyuan assured the clan leaders of each tribe, "Don't worry, the Xuanniao tribe will definitely arrive within half a month."

"We believe in the Emperor, please wait another half month"

"Can!"

"no problem"

"Let's just wait for half a month."

The tribe leaders in the big tent all agreed.

Half a month will pass quickly.

The Jiuli tribe's troops have not yet fully assembled. They are not worried that the Jiuli tribe will start a war within half a month.

After a while, each tribe After the clan leader left the tent, bang!

Xuanyuan threw the wine glass on the ground angrily.

"Damn it, is Genbu playing a trick on me? Why haven't the Xuanniao tribe's armies been dispatched yet? Guangchengzi frowned and said,

"Xuanyuan, I went to the Xuannio Tribe to check before. The Xuannio Tribe's army has been assembled a long time ago. As long as they go all out, they will arrive at the Yellow River Plain within five days."

Xuanyuan asked worriedly,

"Teacher, do you think the Black Bird Tribe will wait for the war between me and Chi You before the Black Bird Tribe launches a sneak attack on my Bear Tribe?"

Xuanyuan has to worry about the Xuannio Tribe.

Over the past year, the Xuannio Tribe has grown too powerful.

In the entire human race and on the entire coast of the East China Sea, no human tribe can be the opponent of the Xuannio Tribe. If the leader of the Xuannio Tribe also In the fight for the Human Emperor, Xuanyuan will have one more enemy, and it will be a very powerful enemy.

Guangchengzi shook his head and said,

"I don't know"

"Xuanyuan, the army of the Black Bird Tribe is the most powerful army of the human race, but the Black Bird Tribe also has weaknesses.

"The development time of the Xuanniao tribe was too short. They did not have powerful immortal cultivators or immortals."

"The Black Bird Tribe dares to launch a war against the Youxiong Tribe. We only need to send immortals to assassinate the Black Bird Tribe's leader. Once the Black Bird Tribe's leader dies, the Black Bird Tribe will fall apart."

Xuanyuan breathed a sigh of relief after hearing Guang Chengzi's words.

He felt that what Guang Chengzi said was right.

The development time of the Xuannio tribe was too short, and the human race in the tribe had no cohesion. If the leader of the Xuannio tribe was killed, the Xuannio tribe would definitely It was torn apart.

At this time, in the royal city of the Black Bird Tribe,

Su Chen was holding Alice and basking in the sun by the small lake.

For more than a year,

Su Chen had been accompanying Alice in the Black Bird Tribe., he wanted to make up for the little time Alice and the other girls saw each other.

Alice leaned into Su Chen's arms and blushed and said,"Su Chen, can you be more honest with your hands?"

Su Chen stroked Alice and smiled,

"Alice, you are becoming more and more sexy and attractive, your mountain is as big as Venina."

Over the past year, not only Alice has changed a lot, but Selena and Natasha have also changed a lot. The seven Alice girls are nourished by spiritual energy every day, and their skin is smoother and more delicate. The figure is plumper and more attractive, especially Alice's.

Alice's small bun has also turned into a big meat bun.

"You are so shameless!"

Alice rolled her eyes at Su Chen.

For more than a year,

Alice has liked this kind of life very much.

Apart from managing some things in the tribe, she and Bai Yuekui and the other girls can have Su Chen, and they can be romantic with their loved ones. , swimming and playing together, talking and laughing together.

Suchen kissed Alice and asked,"Alice, do you think Laura and the female slave will kill me after they get up?""

Alice reminded with a smile,

"Haha ~ You tortured them to death yesterday, Laura and the female leader will not let you go easily."

Su Chen said awkwardly, "You don't blame me. Who said the female boss kept provoking me? Laura was affected by the female boss, so it was Laura's turn. Stay with me tonight."

Alice adjusted her tights.

This bastard was getting more and more excessive. Su Chen unzipped her tights.

Suchen was too horny.

Alice didn't want to make out with Su Chen by the lake. Found out, "Su Chen, I'm going to the military camp to find Mark and Qilin. You can go find Luo Nu in a moment. She seems to be looking for you for something.""

"Okay, Alice, you ask Mark to prepare the army. We will march to the Yellow River Plain in a month."

"good!"

Alice hugged Su Chen and kissed her, and she instantly disappeared next to Su Chen.

"` ~ Time flies really fast. After the Human-Emperor War ends, I and Alice and the girls are about to separate."

Hey Dan, do you want to kill the Heavenly Way of Qiyun?

If you kill the Heavenly Way of Qiyun,

Su Chen can be with Alice and the girls more often.

It's so confusing!

The Heavenly Way of Qiyun is not the way of squeezing the lucky ones, it is the way of helping the lucky ones. As he continues to grow, Su Chen doesn't want to take action against the destiny of heaven.

Whoosh!

Mu Ningxue suddenly appeared with a smile and said,

"Husband, Xuanyuan sent an envoy to ask us when we will dispatch the army. It seems that Xuanyuan is anxious."

Su Chen hugged Mu Ningxue's small waist and said

"Don't worry about that idiot, the Human-Emperor War will start in ten and a half days. It will be a small fight at the beginning. After a month, when Xuanyuan and Chi You's armies are ready, the real war will break out."

Mu Ningxue leaned into Su Chen's arms and smiled and said, "Husband, Bai Yuekui and Natasha went to heaven." (Li Li Zhao) Su Chen asked doubtfully, "Did Yan'er ask them to go?"

Mu Ningxue nodded and replied,

"Well, Yan'er wanted to integrate the army in Heaven. Bai Yuekui and Natasha knew about the formation of the modern army. Yan'er asked them to help integrate the soldiers and generals in Heaven, and also integrate the Heavenly Official Patrol in Heaven."

Su Chen Wuyu Feng shook his head.

There are only 50 to 60 million powerful immortal armies in the ancient world. Su Yan doesn't know how to integrate them?

Su Yan has a private Black Bird Legion.

The little girl knows the Black Bird Legion very well. How can Su Yan Bai Yuekui and Natasha may be asked to help integrate the heavenly army.

Su Chen doubts Su Yan's purpose.

Su Yan may inquire about his affairs in the Black Bird Tribe, and the little girl will blackmail him with some secrets in the future.

Whoosh!

Winnie Na came quickly and shouted,

"Su Chen, Jiufeng is here. She is waiting for you in your palace with a beautiful woman in white."

Chapter 2948

Su Chen did not expect that Jiufeng would come again, and he would bring a woman in white with him, a woman in white?

Su Chen knew who she was without even thinking about it. Houtu could not be reincarnated in the six realms, and the woman in white should be Houtu's clone.

Su Chen touched his chin and began to think.

He understood why Hou Tu came to see him.

The war on the Yellow River Plain was about to break out. Hou Tu should have come for the Wu Clan and the Jiuli Tribe.

Mu Ningxue leaned into Su Chen's arms and asked, "Husband, aren't you going to see Jiufeng?"

Su Chen stroked Mu Ningxue's small waist and said,

"Just wait a moment."

Wenina hugged Su Chen's neck from behind and asked, "Husband, is Jiufeng coming here for the Wu clan and the Jiuli tribe?"

Su Chen felt Wenina's softness pressing on his back, and his heart became hot.

Wenina was becoming more and more sexy and attractive, and Mu Ningxue was becoming more and more pure and charming. Su Chen couldn't help but Wanting to execute all the beauties, one big and one small, on the spot.

Wenina kissed Suchen and asked, "Husband, what are you thinking about?"

"I'm thinking of eating you"

"Haha, I am your woman, you can eat me whenever you want."

Su Chen held Mu Ningxue's mountain and said,

"Wenina, you are becoming more and more attractive. I like your passion, sexy and sultry very much, and my little beauty, Mu Ningxue's smooth skin, I want to caress it all my life."

Winina said with a smile, "Husband, we have endless life, my hot tenderness, my sexy and sultry, you can enjoy it for ten thousand years, ten million years."

Mun Ningxue was lying in Su Chen's arms with her face flushed. She was softened by Su Chen's caressing, and Winina was still beside her.

Su Chen's hand reached into her dress and touched her. Mu Ningxue wanted to hide her body. Su Chen's arms.

Su Chen held Mu Ningxue and Wenina in his arms. They sat together by the small lake and looked at the scenery. The war was about to start, and more than a year of leisure time was about to pass.

The time was too short. , after the Human-Emperor War, they will be separated again, and they will only meet once a year and a half in the future.

After a while,

Wenina touched Su Chen's face and said, "Husband, go see Jiufeng, otherwise Jiufeng Feng will cause trouble everywhere in the tribe again.."

Mu Ningxue blushed and stood up from Su Chen's arms.

She straightened her clothes and said,

"Husband, go ahead. Jiufeng is bringing a woman with him. Jiufeng may want to see you for something."

"Okay, I'm going to meet Jiufeng."

Su Chen nodded to Wenina and Mu Ningxue, and he instantly disappeared beside the two women.

Wenina sat on the grass and said quietly, "After the war is over, we will be separated from Su Chen."

Mu Ningxue said with a smile,

"Yes, we spent the longest time together with Su Chen in this Qi Luck War. Su Chen told me that we wanted to kill Qi Luck Tiandao, but neither Bai Yuekui nor I agreed."

Wenina smoothed her hair and said,

"Su Chen also told me that luck and heaven can improve our strength, although it is not as fast as Su Chen can improve us."

"However, Qi Yun Tian Dao is for us, Qi Luck people, for us to grow step by step, and it does not exploit us. I also did not agree with Su Chen to kill Qi Yun Tian Dao." Wenina and Mu Ningxue are very grateful to the Heavenly Way of Luck. Without the Heavenly Way of Luck, they would not have met Su Chen, nor would they have a man worth having.

Although they met Su Chen There are few opportunities, but they all have endless lifespans.

One day, they will be with Su Chen every day, lying in Su Chen's arms and enjoying happiness every day.

In the Xuanniao Palace, the clones of Jiufeng and Houtu are waiting for Su Chen's blessing. When they arrived, they knew where Su Chen was and what Su Chen was doing. If Su Chen hadn't been holding a woman, they would have appeared directly in front of Su Chen.

Whoosh!

Su Chen appeared next to Hou Tu in an instant, and he Hugging the plump and attractive Houtu, he said, "Beauty, do you miss me?"

Hou Tu's clone was very shy when Su Chen hugged her. She blushed and said hurriedly, "Su Chen, I'm just a clone, please let me go.""

Su Chen kissed the Houtu clone and said,

"You and Houtu are one. Houtu is my wife and you are also my wife."

"You are so shameless."

Jiu Feng rolled her eyes at Su Chen speechlessly.

She had already guessed that Su Chen would not let go of Hou Tu's clone, a shameless pervert.

Jiu Feng was very helpless towards Su Chen's shamelessness.

Su Chen curled his lips and threatened,

"Jiufeng, it seems that I taught you a lesson last time. Do you still want to sleep for a few more days? Jiufeng said hurriedly with her face flushed, "No, husband, I don't dare anymore.""

"It's late, I won't let you go today"

"Hum, I will return to the six realms of reincarnation in a moment"

"`~Jiu Feng, even if you escape into chaos, I will catch you back. Jiufeng mocked Su Chen, "Tsk, you are now in the Tribulation Realm. Can you go to Chaos?" Can you beat me?"

"Jiufeng, are you feeling bloated?"

"Am I just bloated? Husband, if you dare to torment me shamelessly again, I will suppress you."

Su Chen kissed Hou Tu's sexy red lips, and he threatened Jiu Feng, "Jiu Feng, have you forgotten Nuwa? You said that if I asked Nuwa to seal your cultivation realm, would you still dare to expand?"

Jiu Feng was dumbfounded.

She didn't expect Su Chen to be so shameless.

Su Chen was no match for her.

This bastard would let Nu Wa take action. How could Jiu Feng be the opponent of a saint?

Hou Tu's clone waved his hand to Jiu Feng , she asked Su Chen,

"Su Chen, Ontology asked me to ask you, is it true that your Xuanniao tribe and Jiuli tribe cannot form an alliance?"

Su Chen stroked Hou Tu's soft waist and said,

"Hou Tu, you should (Zhao Zhao Zhao) understand your Wu Clan. The other great witches of the Wu Clan are pretty good, but Chi You, it was a big failure for you to choose Chi You to reincarnate the Jiuli tribe to fight for the Human Emperor."

"In later generations, Chi You lost the Human-Emperor War in a complete mess. The Wu Clan suffered heavy casualties, and only Xingtian and Jiufeng were left among the great witches. Since the Human-Emperor War, the Wu Clan completely disappeared in the prehistoric fairyland. The remaining Wu Clan were in the Six Wheels on one's last legs."

Hou Tu and Jiu Feng were shocked when they heard Su Chen's words. They had guessed that the Human-Emperor War would fail. However, after the Human-Emperor War, the Wu Clan would suffer heavy casualties. There would be no Wu Clan in the prehistoric fairy world, and the remaining Wu Clan would The clan is still lingering in the six realms of reincarnation. Will their witch clan be so miserable in the future? Jiufeng hurriedly grabbed Su Chen and begged,

"Husband, please save our Wu Clan. There are less than 10 million of our Wu Clan left. I don't want to see the remaining clan members suffer heavy casualties again. The Wu Clan should not disappear into the ancient world of immortality..

Chapter 2949

Su Chen stroked Jiufeng's hair and nodded. He will not let the Wu Clan suffer heavy casualties.

The Wu Clan will be his subordinates in the future.

No, well, in the prehistoric fairy world in this period,

That girl Su Yan is the Primeval Emperor, and the Wu Clan will be Su Yan's subordinates in the future.

Su Chen said speechlessly, "Don't worry, I won't let your Wu clan suffer heavy casualties."

Hou Tu's clone asked, "Su Chen, will our Wu clan develop in future generations?"

Su Chen hugged Hou Tu in his arms. Said in his arms,

"After developing, the Wu Clan has billions of people, and has also formed a combat legion. Among the several combat legions under my command, the combat legions of the Wu Clan and the Monster Tribe are the most powerful."

Houtu's clone and Jiufeng showed smiles on their faces.

The billions of Wu Clan, although not as compared to the hundreds of billions at the peak of the Wu Clan, are still very good.

After the Lich War, the Wu Clan only had tens of millions left. , more than one million years later, there were only a little more than 10 million Wu clan left. In later generations, Su Chen was able to develop the Wu clan to billions. They were very grateful to Su Chen and also to have a Taoist like Su Chen. The couple felt lucky.

Jiufeng smiled and said,"Husband, the witch clan will be left to you. Houtu Zuwu has notified several big 913 witches in Xingtian, and they will obey your orders in the future."

Houtu's clone leaned into Su Chen's arms and said,

"Su Chen, I informed Xingtian and the others before I came here. They will help Chi You, but as long as you order the Xingtian and the great witches, they will lead the witch clan to obey your orders."

Su Chen held Houtu's clone and thought about it. He didn't believe that the great witches in Xingtian would listen to the words of Jiufeng and Houtu's clone. Chiyu's Jiuli tribe was the hope for the rise of the witch clan. Until the last moment, there would be no hope. At that time, the great witch of the witch clan would not give up on Chi You or the Jiuli tribe. Forget it, let 's see when the time comes. Except for Xing Tian, the other great witches of the Wu Clan are all unruly and unruly. Although the other great witches are not as arrogant and arrogant as Chi You, the arrogance engraved in the bones of the Wu Clan will not push them into the abyss and become unruly. The great witch will not change his mind easily. Half a month later, the war broke out on the Yellow River Plain. Although it was still a small-scale war, millions of troops were fighting. This was a very huge war in a small world. Over the Yellow River Plain, Su Chen appeared in the space barrier with Hou Tu in his arms. (aedg) They looked at hundreds of troops fighting. Su Chen looked at the war and said,"The human army is not as good as the half-human and half-witch Jiuli tribe.." Hou Tu said with a smile,

"Husband, if the human race didn't have the help of the saint's disciples, the Jiuli tribe would defeat all the human tribes."

Su Chen shook his head and said,

"Che, Houtu, can my Xuanniao tribe and Jiuli tribe be defeated?"

Hou Tu gave Su Chen a white look.road,

"You are a pervert. In just a few years since the Xuannio Tribe was developed by you, the Xuannio Tribe has become more powerful than all human tribes. Even the Jiuli Tribe is no match for the Xuannio Tribe."

During the half month Hou Tu spent in the Xuannio tribe, she got to know the Xuannio tribe.

The Xuannio tribe has nearly five million troops and seven to eighty million tribesmen.

Moreover, the Xuannio tribe is very united and supports the Xuannio flag. It can be said that he worshiped Su Chen blindly. Su Chen might have caused some tribesmen to commit suicide, and those tribesmen would also commit suicide without hesitation.

Su Chen kissed Hou Tu and said,"Pervert? Houtu, do you want to end up like Jiufeng?"

"You are so shameless."

Hou Tu blushed and didn't want to talk to this bastard.

She thought about being tortured by Su Chen for half a month, and Hou Tu's face turned red. No wonder the main body has cut off contact with her. The main body may know that Su Chen will torment her.

"Huh? How come there are troops in the human tribe that want to leave?"

Suddenly,

Su Chen found that the human troops were gathering in the camp of the Xiong tribe, and some troops left the camp to withdraw from the Yellow River Plain.

What happened?

Xuanyuan had a quarrel with some human tribes?

Hou Tu looked at Xiong in confusion. tribe, she was also surprised that some human tribes withdrew.

After checking, Hou Tu hurriedly said,

"Husband, some human tribes feel that Xuanyuan deceived them because your army did not arrive, and the human tribes no longer help Xuanyuan against Chi You."

Su Chen laughed and said,

"Haha~, Xuanyuan brought it upon himself. Not only did he lose a daughter, but other human tribes also did not help Xuanyuan. I am thinking that Xuanyuan wants to kill me right now."

"Husband, you have to be careful of Xuanyuan Dog jumping over the wall to kill you."

"Don't worry, I've been on guard against Xuanyuan for a long time. There are Queen Mother of the West and Xihe in the Xuandiao tribe, as well as you and Jiufeng. As long as those who come to assassinate me are not saints, Queen Mother of the West and Xihe will kill them. Hou

Tu nodded speechlessly.

She had forgotten about Queen Mother Xi and Xi He, but why were the auras of Queen Mother Xi and Xi He so terrifying?

Although Hou Tu was a clone, she saw Queen Mother Xi and Xi He in the time barrier. She was very frightened. The breath of Queen Mother of the West and Xihe made her feel like she was about to become a saint.

"Husband, what's going on with Queen Mother Xi and Xihe? Why do I feel like they are going to become saints?"

"Soon, in another million years in the time enchantment, the Queen Mother of the West and Xihe will become the Hunyuan Da Luo Jinxian.

Hou Tu asked in surprise, "What?" Husband, is what you say true?"

Su Chen explained with a smile,

"It's true. I gave Queen Mother Xi and Xi He two copies of the origin of heaven. They are both in the late quasi-sage realm. As long as Queen Mother Xi and Xi He absorb the origin of heaven, they will become Hunyuan Daluo Golden Immortals."

"The origin of heaven? Husband, you are really rich"

"I also prepared the Origin of Heavenly Dao for you and Jiufeng. However, we have been together for half a month, and I forgot to give it to you."

"Humph, why didn't you say that you have been tossing us every day to forget about it?"

"ha~, who told you and Jiufeng to be beautiful, sexy and attractive? I want to be with you every day"

"You are such a pervert."

On the Yellow River Plain, in the Xiong tribe,

Xuanyuan wanted to kill people angrily.

The Human-Emperor War has begun, but some human tribes are leaving one after another.

Today, six large tribes have assembled their armies and are leaving.

More than 10 million troops are leaving. Leaving would be very detrimental to the war that was about to break out.

Xuanyuan said angrily, "Teacher, can't we really kill the tribe leader who is leaving?"

Guang Chengzi shook his head and reminded,

"Xuanyuan, all the human tribes are waiting and watching. If you kill the clan leader who left the tribe, the other human tribes will unite to launch a war against you. You don't have to make a small sacrifice for a big loss."

"Damn it, teacher, I sent a powerful immortal to kill the leader of the Black Bird Tribe. That bastard deceived me. I want him to die. I want him to be killed physically and mentally."

Chapter 2950

Xuanyuan hated Su Chen very much.

He married his daughter Nvba to Su Chen, but Su Chen actually deceived him. They agreed to an alliance and agreed to send out troops to destroy Chi You.

The Human-Emperor War had already broken out.

There is no sign of that bastard's army yet. Xuanyuan lost a beautiful daughter and gained nothing. He wants to kill Su Chen. Xuanyuan wants to destroy Su Chen physically and mentally.

"Xuanyuan, the real person of Huanglong in the Chan religion, I will ask him to bring some immortals to kill the Xuannio tribe leader. The Xuannio tribe is a threat. If he kills the Xuannio tribe leader, the Xuanniao tribe will not be a concern."

Guang Chengzi stroked his beard and nodded.

The Human-Emperor War has begun.

Although there has not yet been a large-scale war, the situation is very unfavorable to Xuanyuan.

Chi You only had about 40 million troops half a month ago.

Half a month later,

Chi You More than 60 million troops have been assembled.

What about Xuanyuan?

Xuanyuan originally gathered hundreds of millions of troops from various tribes of the human race, but because the Xuanniao tribe did not arrive, more than 30 million troops have left in half a month.

Today there is another Tens of thousands of troops have left,

04 If Xuanyuan cannot stabilize other human tribes, I am afraid that many human tribes will leave.

All the cause and effect is the Xuanniao tribe,

Guangchengzi decided to deal with the Xuanniao tribe first, so it is uncertain Will scare other human tribes

"Thank you teacher!"

Xuanyuan saluted and thanked Guangchengzi.

The master of the teaching, Huanglong, led the immortals to kill the patriarch of the Xuanniao tribe. Huanglong was a Taiyi Golden Immortal, and there were more than a dozen Xuanxian and Jinxian, the patriarch of the Xuanniao tribe. He is dead.

Over the Yellow River Plain,

Su Chen and Hou Tu heard the conversation between Xuanyuan and Guang Chengzi.

They didn't pay attention.

Su Chen touched his nose and was speechless.

Some scumbag immortals wanted to kill him.

Su Chen was Without letting the Queen Mother of the West and the other girls take action, he could kill the three Taoist Huanglong Zhenren.

The clone of Houtu leaned in Su Chen's arms and reminded,"Husband, there is nothing to worry about the disciples of Chanjiao, but the few quasi-sage masters invited by Chanjiao Yes, you have to be careful."

Su Chen stroked Hou Tu's small waist and said,

"I understand, the female slave told me about several quasi-sages, generals and generals, ancestors of zombies, ancestors of Mangshan, Taoist Qianyuan of Qianyuan Mountain, and I don't know about any other quasi-sages. Hou

Tu grabbed Su Chen's mischievous hand and asked,"Husband, will Yuanshi Tianzun take action himself?" There is also Taozu. Yan'er has become the Great Emperor of Heaven. Will Taozu have any conspiracy?"

Su Chen thought for a while and said,

"If Yuanshi sees that his disciples and the helpers he is looking for cannot deal with me, he may end up personally"

"As for Hongjun"

"He will definitely engage in conspiracy, but Hongjun did not dare to take action against Yan'er until he found out my specific situation."

Su Chen had made preparations a year ago.

The saints in the Prehistoric Immortal would either be expelled by the Prehistoric Heavenly Way, or they would be deprived of the Hongmeng Purple Qi and be killed. Su Chen would not let those selfish saints stay in the Prehistoric Immortal Realm.

Before leaving the prehistoric immortal world of this period, Hongjun, Yuanshi Tianzun, Tongtian, Zhunti, and Jieyin, these saints will all solve the problem. Su Chen will not leave any hidden dangers to his daughter and women.

Hou Tu asked curiously, "Husband, Who suppressed your cultivation level?"

"Good luck!

Hou Tu asked in shock, "Qi Yun Tian Dao?" Husband, what is luck and heaven?"

Su Chen touched Hou Tu's sexy red lips and said,

"Hou Tu, I will tell you about Qi Luck and Heaven in the future. You don't have to worry about me. My cultivation realm, Qi Luck and Heaven cannot suppress it. Qi Luck and Heaven poses no threat to me. That's why I agreed to be suppressed. I can also restore my cultivation realm at any time."

Houtu slapped Su Chen's hand away in shame.

She didn't understand the way of luck and heaven, but Su Chen could return to the realm of cultivation at any time, and Houtu didn't have to worry about Su Chen's safety.

"Let's go. In ten days at most, the Human-Emperor War will break out completely."

"Good husband."

Heavenly Court,

Pantaoyuan, after Su Yan asked Bai Yuekui and Natasha, she was very speechless.

Su Yan wanted to find out her father's secret, but her father was looking for women besides women, and she knew all those women. A woman.

Su Yan asked directly, "Auntie, does my father have any secrets?"

Bai Yuekui and Natasha understood what Su Yan said.

Su Yan had asked so many roundabout questions. It turned out that the little girl was trying to find out about Su Chen's secrets.

Natasha asked funnyly, "Yan'er, do you want to know? What's your father's secret?"

Su Yan said hurriedly,

"Auntie, I want to know if my father has any illegitimate children, and if my father has deceived me."

Natasha spread her hands and said with a smile,

"Yan'er, we don't know this. You also know that our time with your father is limited."

"If you want to know your father's secrets, you can ask Nie Xiaoqian and You Ruo. After all, they are your father's personal maids and have always been with your father."

Su Yan said feebly,

"Auntie, Nie Xiaoqian and Youruo, as well as A Yin and Xiao Li, there is no way they would tell me that those women were devoted to my father and would not say anything to me without my father's order."

Su Yan was very helpless towards her father's 273 maids.

She asked Nie Xiaoqian and the girls more than once about her father's secrets, but none of those women told her.

Nie Xiaoqian and the girls did tell her some secrets, but those secrets were also It's not important, and Su Yan can't use those secrets to threaten her father."

Bai Yuekui touched Su Yan's hair and said,

"Yan'er, we can't help you. We don't know as much about your father as you do. Natasha drank the fairy wine and asked, "Yan'er, what are your plans for the future?" Do you want to stay in the prehistoric fairyland of this period? Or will you leave with your father?"

Su Yan touched her fair chin and said,

"I won't leave yet. The prehistoric fairy world in this period will become a separate world. From now on, it will be a private world for me and my father. I will arrange everything before I leave."

"Yan'er, this is good."

Natasha and Bai Yuekui nodded.

During this period, the prehistoric fairyland became an independent world.

Su Chen and Su Yan could enter at any time. They could also come and meet their friends if they had the opportunity in the future.

Whoosh!

Our Lady of Wudang instantly appeared in Pantaoyuan. Said hurriedly,

"Yan'er, our teacher sent a message asking us to go back to Jin'ao Island. Do we want to go back to Jin'ao Island?".
