Chapter 2982

In the starry sky of the ferocious beast realm, the battle between Nuwa and the Beast Emperor Shenni is still going on.

The four holy realms have been fighting for more than three months.

The powerful attacks have caused many huge cracks to appear in the starry sky of the ferocious beast realm. None of the meteorites were complete. Ninety percent of the meteorites were destroyed. The remaining meteorites were also fragmented and about to dissipate. Chaos evil energy continued to pour into the beast realm.

"Die to me, Luohu, Bingxue, Nuwa, you all must die to me, destroy the world and suppress it!"

Beast Emperor Shen Ni was completely angry.

It has been more than three months.

He has reached the ninth level of the Holy Realm and is still half a step ahead of the Chaos Spiritual Treasure to destroy the world. However, Shen Ni has not killed anyone for more than three months? He has not killed anyone. Nuwa and Luo Hu were injured.

Who is he?

He is the Beast Emperor God Ni.

He is also one of the top ten Chaos Demon Gods.

Boom boom boom..... puff!

Luo Hu was so shaken by Shen Ni's world-destroying grind that he vomited blood and flew thousands of miles away.

He did not have a powerful spiritual treasure, and his cultivation level was not as good as that of the Beast Emperor

Shen Ni. If not for the help of Empress Nuwa and the Ice and Snow Demon God, Luo Hu would have been killed long ago. He was injured by the Beast King Shenni

"Chaos Clock Suppression!"

"God-killing spear, Qiankun Ding, suppress!"

The Ice and Snow Demon God and Nuwa Empress saw Luo Hu being knocked away, and their destroying spirits resisted the angry attack of the Beast King Shen Ni.

"Die, die, die!"

Boom boom boom.....

The Beast King screamed in anger and attacked the Ice Demon God and Nuwa Empress.

The terrifying and devastating attack seemed to destroy the entire starry sky. The World-Destroying Great Mill continued to rotate in the air, and terrifying black beams of light attacked Nuwa and Empress like giant meteors. Ice Demon.

The starry sky in the ferocious beast realm keeps making creaking sounds, and the space barrier in the starry sky space is about to be broken.

"God is rebellious, die!"

Luo Hu rushed towards Luo Hu with his whole body broken.

Damn, he was the first one to be blown away in the battle between four powerful holy realms. Luo Hu felt very embarrassed. He was not as good as that old bastard Su Chen. He couldn't even connect with Su Chen's Both women are inferior. If Su Chen were here, that bastard would definitely laugh at him.

"Demon Tower, give it to me.....Damn it..! " boom!

Before Luo Hu could attack the Beast King Shen Ni, four terrifying spiritual treasures erupted with powerful auras, causing Luo Hu to continue to retreat.

Ice and Snow Saint Princess has a Chaos Spiritual Treasure, Beast Emperor Shenni has a half-step Chaos Spiritual Treasure, and Nuwa Empress has two innate treasures.

What about him?

Luohu, the majestic Chaos Demon God of the eighth level of the Holy Realm, actually only has one top-quality innate spiritual treasure.

Four terrifying spiritual treasures were fighting each other, and

Luo Hu's Heavenly Demon Tower couldn't participate at all. When the four terrifying spiritual treasures attacked each other, Luo Hu could only use the Heavenly Demon Tower to attack from a distance.

Whoosh!

Su Chen suddenly appeared in the starry sky of the Fierce Beast Realm.

For more than three months, he first went to the Tianxuan Continent. After Su Chen stayed in the Tianxuan Continent for more than a month, he went to the Shenyu Continent in the world of cultivating immortals.

In the Shenyu Continent,

Su Chen accompanied the four daughters, the high priest Bo Saixi, Yun Yun, Xiao Qing, and Xu Zhihu, for nearly two months.

During this period,

Xiao Yu also looked for the Peach Blossom Demon in Shura City, the Little Rakshasa sisters, and the four girls Sun Liuxuan in the

Shenyun Continent. Since leaving Shura City,

Su Chen had never encountered the Peach Blossom Demon again since they left Shura City.

Xiao Qing and Little Fox from Shura City were by his side.

The Peach Blossom Demon appeared once in Queen Medusa's tribe and then disappeared. Su Chen searched for the Peach Blossom Demon several times but could not find it.

Who did the Peach Blossom Demon go to meet?

Why has there been no news for more than ten years?

Su Chen is the Hunyuan Da Luo Jinxian of the eighth level of the Holy Realm, but he still hasn't found the Peach Blossom Demon, the Rakshasa sisters, Sun Liuxuan, and even his slave girl, the charming succubus. The succubus returned to the demon abyss and disappeared without a trace. Without a trace.

Su Chen guessed that the girls might have fallen, but in his fate, he discovered that the threads of fate of the Peach Blossom Demon and the girls were still connected to him, so it was impossible for the Peach Blossom Demon and the girls to fall.

Where did their girls go?

Other small worlds?

Or other realms?

Su Chen shook his head and didn't think about this.

As long as Peach Blossom Demon and Sun Liuxuan didn't die, he would find Peach Blossom Demon and his daughters sooner or later.

Su Chen appeared next to Luo Hu and taunted, "Luo Hu, why are you so upset? You are the majestic Demon Ancestor Luo Hu. You should be the main force against the Beast King Shen Ni.""

"Damn it, Su Chen, take action quickly. We haven't killed the Beast Emperor Shen Ni in three months. The world-destroying ordeal of the Beast Emperor Shen Ni is too difficult to break. You need to kill the Beast Emperor Shen Ni quickly."

Luo Hu was relieved to find that Su Chen had arrived.

With the arrival of Su Chen, an old bastard, the Beast King Shen Ni was doomed.

As for Su Chen's ridicule to him, does he mind?

If Su Chen didn't ridicule him when they met, Luo Hu would It would feel strange, and he might even be prepared for the old yin to take action against him.

Empress Nuwa and the Ice and Snow Queen also discovered Su Chen. They smiled when they saw Su Chen

's arrival. The arrival of Su Chen meant that the Beast Emperor would die. It's decided, although they can kill the Beast Emperor Shen Ni, it will take three to five years.

The Beast King Shen Ni's half-step Chaos Spirit Treasure defense is very terrifying.

Although the Chaos Bell is a Chaos Spirit Treasure, the Snow Queen cannot explode all the time. Attacking the world-destroying Great Mo with all her strength, she also had to reserve her magic power just in case.

The Ice and Snow Saint cried to the Nuwa Empress,

"`~Nuwa, Su Chen is here, we can attack the Beast Emperor Shenni with all our strength."

Nuwa Empress smiled and replied, "Okay, with Su Chen here, we don't have to worry about accidents."

Su Chen taunted and said, "Luo Hu, you are so good!"

"Damn it, if I am a loser, aren't your two women also a loser?"

"Rahu, you are a man, why do you want to compare with women? Luo

Hu cursed angrily,

"man? I can't even compare to your (good) woman right now"

"Your two scary women"

"One is the Hunyuan Daluo Jinxian at the eighth level of the holy realm, and he has two innate treasures in his hand. The other is the Chaos Demon God at the eighth level of the holy realm, and he also has the Chaos Spiritual Treasure in his hand. How can I compare with your two terrifying women?"

Luo Hu really wanted to smash this bastard to death with the Heavenly Demon Tower.

He was very depressed when he was counterattacked by the Beast King God.

Su Chen only had to mock him for a few words, but this bastard kept mocking him endlessly.

Is he good?

Is the Chaos Demon God of the eighth level of the Holy Realm a dish?

Compared with Luohu, Nuwa, the Ice and Snow Queen, and the Beast Emperor God, he just lacks a powerful spiritual treasure. If he had a powerful spiritual treasure, Luo Hu would still be defeated by the Beast Emperor God. Counterattack?

"Huh? Luo Hu, what you said makes sense, but you are still a weakling. Look, the same is the Chaos Demon God. Ice and Snow Saint has a Chaos Spiritual Treasure, and Shen Ni also has a half-step Chaos Spiritual Treasure. You are just a poor guy."

Chapter 2983

Su Chen curled his lips and continued to taunt Luo Hu.

He wanted to taunt Luo Hu a few more times before going into seclusion.

If Su Chen killed the Beast Emperor God, he would also start seclusion to break through.

After Su Chen came out of seclusion, he would go to Hongmeng World. , if he wanted to scold Luo Hu again in the future, or mock Luo Hu, he would have no chance.

Luo Hu cursed angrily, "Damn it, Su Chen, if you don't mock me, will I be suffocated to death?"

"Rahu, if I don't mock you, your heart will itch. You were born to be mocked by me."

"You bastard, my ancestor really wants to kill you. Su

Chen laughed and said, "Haha~ Luo Hu, have you ever beaten me?" Have you ever beaten my woman? If I don't take action, my woman can suppress you."

"Damn it, Su Chen, do you still want face? Are you a pretty boy who mentions your woman at every turn?"

Luo Hu's face was so dark that he wanted to slap Su Chen to death, woman?

Each of this bastard's women is stronger than the last. There are more than ten or twenty Hunyuan Daluo Golden Immortals.

Empress Nuwa and the Ice and Snow Queen, any one of them can suppress him..

Empress Nuwa and the Ice and Snow Queen were fighting against the Beast King Shen Ni while listening to Su Chen mocking Luo Hu.

They felt that Su Chen was too shameless.

Luo Hu had been unlucky for eight lifetimes when he met Su Chen.

At this moment, the Beast King Shen Ni Ni was very surprised.

Another Hunyuan Daluo Jinxian from the eighth level of the holy realm arrived, and he was also a strong man who was with Luo Hu.

Su Chen gave him a very dangerous feeling.

Su Chen was more powerful than Luo Hu, Nuwa, and Ice and Snow Saint Ji. All together, it gave him a terrifying and dangerous feeling. The Beast King Shen Ni even felt that he would be killed by Su Chen with one strike.

Su Chen patted Luo Hu on the shoulder and said, "Luo Hu, call me big brother, and I will kill the Beast King." Divine rebellion. Luo

Hu threatened with a black face, "Get out, Su Chen, if you dare to talk nonsense again, the ancestor will blow himself up and die with you.""

Su Chen said with a smile,

"Luo Hu, have you seen the Half-Step Chaos Spiritual Treasure of the Beast King Shenni? If you call me big brother, I will snatch the Half-Step Chaos Spiritual Treasure from the Beast Emperor Shenni to you."

"Brother!"

Luo Hu said without blinking,

"Brother?"

"It doesn't matter if he calls Su Chen 'Big Brother'. If he calls Su Chen 'Big

Brother' in exchange for a Half-Step Chaos Spirit Treasure, he will make a lot of money.

Luo Hu knows very well the frustration of not having a powerful Spirit Treasure. , just like now, the battle between the Beast King Shenni and Nuwa and Ice and Snow Saint. Although Luo Hu is powerful, he does not have a powerful spiritual treasure. He is just playing tricks as Su Chen said.

"I'll do it! Are you a fake Rahu?"

Su Chen didn't expect Luo Hu to blurt out and call him eldest brother.

Damn,

Luo Hu was so fierce just now. He was so angry that he wanted to blow himself up and die with him.

What now?

Su Chen just said that he would steal the spiritual treasure of the Beast Emperor and God Ni from Luo Hu. Luo Hu didn't know He shamelessly called him Big Brother.

Empress Nuwa and the Ice and Snow Queen looked surprised.

Luo Hu actually called him Big Brother Su Chen.

The unruly, arrogant, lawless, and arrogant Demon Ancestor Luo Hu, how could Luo Hu call him Big Brother Su Chen? ?

Did they hear wrongly?

Or was Luo Hu shameless for the spirit treasure?

Luo Hu shouted with a dark face, "Su Chen, quickly destroy the Beast King Shen Ni. I'm still waiting to have a half-step chaos spirit treasure.""

"Luohu, if you call me big brother, I seem to be at a loss. How about you call me a few more times?"

"Su Chen, you shameless bastard, do you really want to die?"

"Ahem, I'm kidding, Luo Hu, I'm going to destroy the Beast King Shen Ni now."

Su Chen saw that Luo Hu was really angry. He hurriedly left to go to Nuwa and the Snow Queen.

Boom!

Chirp!

Su Chen suddenly turned into a huge golden black bird. The black bird chirped and instantly transformed from a beast. The Emperor God passes through the body against his body

"No~"

Boom!

The Beast Emperor Shen Ni had no resistance at all. He screamed in horror and his body began to burn. In just a moment, the Beast Emperor Shen Ni was annihilated into dust.

Su Chen recovered and released an archangel and commanded, " Archangel, the soul that destroyed the Beast Emperor and Shen Ni"

"Yes, master."

The four silver wings of the Archangel surrounded the main soul of the Beast Emperor Shen Ni. The god was quickly strangled by the silver wings.

Luo Hu shouted in shock, "What the hell, the old yin is getting more and more terrifying. The beast king of the ninth level of the holy realm, the old yin, was killed in an instant."

The beautiful eyes of Nuwa and Ice Snow Queen showed their brilliance. Su Chen is getting stronger and stronger, and their husbands are really handsome. Their men surprised them time and time again.

Ice and Snow Queen said to Queen Nuwa, "The little bastard is getting stronger and stronger, Nuwa, let's unite in the future, otherwise we will deal with Su Chen alone, and we will all be tormented by Su Chen and pass out."

Empress Nuwa gave the Ice and Snow Queen a blank look. She needs to fight with the Ice and Snow Queen. Union?

In the Xuantian Realm, the Queen Mother, Yin Ji, and Gaia all joined forces with her to serve Su Chen, and the Queen Mother of the West, Chang Xi, and Xi He also joined forces with her to serve Su Chen.

But without any hesitation,

Su Chen still tormented them. passed out

"Ice and Snow Saint Princess, you can join forces with Ice Lady and Snow Lady, I already have someone to join forces."

The Ice and Snow Saint looked at the Nuwa Empress in bewilderment. The Lady Nuwa has already joined forces with some women? The

Ice and Snow Saint looked at Su Chen and was speechless.

She should be the last woman of Su Chen. I'm afraid Su Chen's other women They all united to deal with Su Chen.

Su Chen threw the world-destroying mill to Luo Hu and shouted, "Luo Hu, I give you the spiritual treasure of the Beast Emperor Shen Ni, and the remaining holy realm of the ferocious beast realm is given to you. I and I The ladies went to have a romantic affair"

"I....Damn it, this old cunt can't wait to have sex with women? How could a holy realm be so erotic? Su Chen didn't look like a monk at all."

Luo Hu was speechless after taking the World-Destroying Great Mill.

He originally wanted to ask about the situation in Hongmeng World, but before he could say anything,

Su Chen hugged Nuwa Empress and Ice and Snow Saint and disappeared in an instant. The old yin is such a shameless person. Lecherous bastard.

Ten years later, in the Xuantian Realm, in the Pantaoyuan,

Su Chen was resting on a soft couch with Concubine Yan and Jing Salamander in his arms.

After ten years of absurd life,

Su Chen and his women had been in Merlot He did not leave the heaven, and he spent ten years accompanying all his women. After ten years

Su Chen was also preparing to retreat and break through.

Concubine Yan grabbed Su Chen's hand that was touching her body and asked, "Husband, you are missing See four little girls and go into seclusion again?".

Chapter 2984

Jing Sala leaned on Su Chen's arms and said, "Husband, you'd better meet the four little girls. Yan'er is running around with three younger sisters. When Yan'er grows up, I can't even control Yan'er."

Su Chen was speechless. Seeing Concubine Yan and Jing Salamander,

Su Yan, Su Yue, Elena Su, Su Yao, the four little girls all grow up, each one grows into a big girl, each one grows into a beautiful woman,

Su How do you care about Chen?

It was too late for him to love his four daughters, so how could he care about the playfulness of Su Yan's four sisters.

Su Chen shook his head and said,

"Forget it, the four little girls have grown up, Elena is in her thirties, Yan'er and Yue are in their twenties, and Yao is in their teens. We don't need to worry about them anymore, and we don't need to worry about the children in the future. Concubine Yan rubbed her forehead and said,

"The little girls have grown up, but they still have a childlike innocence. The vast Xuantian realm is not enough for them to play around, and they think about making their way in the big bastard world all day long."

Concubine Yan is very concerned about the four sisters Su Yan.

04 The little girls are too wild, not like girls at all, and the little girls all have powerful spiritual treasures. She has not been able to catch them several times.

"Yes, the little girl has grown up!"

Xiao Yu smiled when she thought of Su Yan's four sisters.

Su Yan looked exactly the same as the second-generation Jing Salamander, but Su Yan's temperament was very noble. Su Yan's temperament became more and more similar to that of the ruthless empress.

Su Yue and Elena looked alike. She is getting more and more beautiful, and her figure is also very perfect.

There were times when

Su Chen was very embarrassed when Su Yue held her like a baby. His daughters grew up, and

Su Chen could no longer hold them in the future. This made Su Chen feel very uncomfortable

"By the way, have Aunt Li and the others left seclusion? Concubine Yan smiled and shook her head and replied, "No, Yu Yan said that Aunt Li and the others will not leave seclusion until they are promoted to quasi-sages."

Su Chen asked doubtfully, "Quasi Saint?" What state are they in now?"

Jing Salamander replied to Su Chen,

"Except for your aunt, who is Taiyi Jinxian, the other girls are all Daluo Jinxian."

"Li Qingluo is in the early stage of Da Luo Golden Immortal, Li Qiu Shui is in the late stage of Da Luo Jin Immortal, Li Canghai is in the middle stage of Da Luo Golden Immortal, Wu Xingyun is in the late stage of Da Luo Jin Immortal, and Suru is in the peak stage of Da Luo Golden Immortal."

Su Chen was very surprised.

In the past three to four million years in the time barrier,

Li Qiu Shui and the other girls have cultivated very powerfully.

Except for his aunt, the other girls are Daluo Jinxian. Li Qiu Shui and the girls have very strong perseverance in seclusion. ,

Su Chen had been in seclusion for hundreds of years and did not want to go into seclusion again.

Li Qiu Shui and the other girls were all crazy cultivators.

Concubine Yan stood up and straightened her messy clothes and said, "Husband, if you don't want to die, little girl, go and see your sister." Well, you have to be in seclusion for a long time this time."

"Okay, you guys rest, I'm going to see my sister."

Su Chen nodded to Concubine Yan and Jing Salamander, and he instantly disappeared into the peach garden.

Concubine Yan smoothed her hair and said,

"Jing Salamander, my husband is going to the Hongmeng World after seclusion. We don't know how long it will take to see him again. Jing

Salamander said with an expression of reluctance on his cold and beautiful face, "Yes, my husband has gone to Hongmeng World where there are many powerful people. I don't know if I will encounter danger." Concubine Yan reminded silently,

"Danger? My husband is protected by Murong Qingcheng, how could he be in danger? I am worried that my husband will start to commit suicide again, and I am also worried that my husband will provoke the women of Hongmeng World."

Jing Salamander said with a smile,

"woman? Concubine Yan, do you think a husband will avoid provoking women?"

"I guess that the strong women, the supreme women, and their husbands in Hongmeng World will definitely win them all."

"Concubine Yan, think about our Tianxuan Continent, the Shenni Continent, the Great Desolate Immortal Realm, and the Great Chaos World. The husbands of almost all of the strong women in these worlds have captured them."

Concubine Yan nodded speechlessly.

Su Chen is very good at women.

There are almost no women that Su Chen can't handle. Let's talk about Murong Qingcheng, a being who is more powerful than the Great Dao of Chaos World. Hasn't Su Chen defeated Murong Qingcheng.

In the wild realm, in the forbidden area of Nanling, the ruthless empress, Liu Shen, and the three daughters of the Western Queen were sitting together and drinking tea. The ruthless empress looked at Liu Shen and the west empress and was speechless. Her two friends Liu Shen and Liu Shen were sitting together. She became her sister-in-law years ago. The ruthless empress was really helpless towards her brother Su Chen.

Liu Shen noticed that the ruthless empress kept looking at her and the Queen Mother of the West.

She smiled and said,

"Ruthless man, no, I should call you sister, you don't have to look at us all the time, it's all your brother's fault."

The Queen Mother of the West smiled and said, "Haha, the ruthless sister must be very depressed. The ruthless empress shook her head helplessly and asked, "Liu Shen, Xihuang Shen, didn't you say you wouldn't like my brother?" How come you all became my brother's women?"

The Queen Mother of the West said with a shy and angry expression,

"Your brother is a pervert. I was taking a shower, and your brother suddenly appeared and said he would take a shower with me. Your brother is so powerful that I couldn't resist."

The ruthless empress had an expression of disbelief on her cold face.

She didn't believe what the Queen Mother said.

Although her brother Su Chen was lustful, he was not obscene.

If the Queen Mother didn't like her brother, how could his brother win? Queen Mother of the West.

Liu Shen's face turned red.

Su Chen suddenly appeared when she was practicing.

When Su Chen hugged her and kissed her, Liu Shen not only did not resist, she also hugged Su Chen and responded.

Liu Shen 487 She didn't know when she fell in love with that pervert. After thinking about it, she thought it was when she was climbing the ladder to heaven.

Su Chen teased the Queen Mother of the West and even saw the naked Queen Mother of the West.

At that time,

Su Chen didn't do anything when he caught up with her. He teased her and did not look at her naked white body. Liu Shen once suspected that

Su Chen was because of her reliance on the willow tree for a new life, but later he realized that it was because of her cruelty. The Human Empress was by her side at that time.

Whoosh!

Su Chen suddenly appeared next to the Queen Mother of the West.

He looked at the three daughters and smiled and said,

"You are all here!"

"elder brother!"

"Husband!"

"Husband, why are you here?"

The three daughters of the ruthless empress were very surprised to see Su Chen's sudden arrival. Didn't Su Chen want to accompany the girls before going into seclusion?

Su Chen hugged the plump body of the Queen Mother and said, "I'm about to go into seclusion, come and see my dear. younger sister."

The ruthless empress was still very happy when she heard Su Chen's words. Her brother was still thinking about her before going into seclusion, which shows that Su Chen still cares about her very much and cares about her feelings.

However, the ruthless empress saw Su Chen holding Xi Queen Mother, she said helplessly,

"Brother, you have only been in seclusion for hundreds of years, or at most a thousand years. These times have passed in the blink of an eye."

Chapter 2985

Su Chen hugged the plump waist of Queen Mother Xi and said, "Sister, brother, I won't see you for hundreds of years. I'm worried that you will forget brother." The ruthless empress rolled her eyes at Su Chen and said, "It's just Do you think I will forget you in a few hundred years?"

Su Chen said awkwardly, "Ahem, my brother will miss you if I can't see you in a few hundred years." The ruthless empress held Su Chen's hand and said,

"Brother, hundreds of years will pass in a blink of an eye, and you will see me when you leave seclusion."

The ruthless empress knew in her heart that after her brother Su Chen came out of seclusion, he would probably go to Hongmeng World involuntarily.

The ruthless empress guessed that Su Chen was afraid of not having time to say goodbye to her, and her brother wanted to come and see her before going into seclusion. , or maybe he came to say goodbye to her in advance.

The Hongmeng World is a terrifying world filled with powerful people.

The ruthless empress is worried that something will happen to Su Chen, but for the sake of all the creatures in the Chaos World, Su Chen must go to the Hongmeng World. , her brother is responsible for the life and death of the Chaos World.

Will the Chaos World be destroyed in the future or will it continue?Now, everything depends on her brother Su Chen.

Liu Shen poured a cup of tea for Su Chen and asked,"Husband, are you going to start seclusion?"

"Well, in 3930 days, I will start retreating."

Su Chen nodded to Liu Shen.

There are still three days.

Ten years have passed.

Su Chen has accompanied all his women.

He can no longer continue to have sex with women, for all his women, for his four Daughter, for the sake of all the creatures in the Xuantian Realm and for the Chaos World not to be destroyed, Su Chen must go to the Hongmeng World. The system reminded him that if Su Chen went to the Hongmeng World, the system would be upgraded successfully, and the Chaos Avenue He has been observing him, well, the thinking Chaos Avenue has been spying on him for ten years.

If the system had not said that Chaos Avenue is a female avenue, Su Chen would not be able to help but kill Chaos Avenue.

Ugh!

From now on, he is not from Chaos Avenue now. The opponent,

Chaos Avenue, is three realms higher than him. A large realm has twelve small realms, a total of thirty-six small realms. Su Chen felt his scalp numb just thinking about it. The ruthless empress asked worriedly, "Brother, can you advance to the twelfth level of the Holy Realm within a thousand years?"

Su Chen took a sip of tea and smiled and said, (aedb) "Okay, I will leave a whole source of the Heavenly Dao I gave you, and I also have other cultivation resources in my hand. In about five hundred years, I can Promoted to the Twelfth Heaven of the Holy Realm"

"About five hundred years?"

The Ruthless Empress and Liu Shen, the Queen Mother of the West were very surprised. They will be promoted to the twelfth level of the Holy Realm in about five hundred years. Is this possible?

Su Chen is now the eighth level of the Holy Realm, and there are four more realms.

The Holy Realm One by one, the Chaos Demon God wanted to advance to a higher realm. It would take them millions or even tens of millions of years. The three girls did not expect that Su Chen would advance to four realms in about five hundred years.

Su Chen stroked Queen Mother Xi smiled and said,

"Well, you don't have to be surprised. I am currently at the eighth level of the holy realm, but I can advance to the tenth level of the holy realm at any time. I just keep suppressing my cultivation realm."

The ruthless empress asked doubtfully, "Brother, the reason why you have never been promoted before is because of the ladder and because of Murong Qingcheng. Why do you still suppress your cultivation realm now?"

"I am not suppressing the realm of cultivation, I am trying to break through to the twelfth level of the holy realm in one fell swoop.

Liu Shen said speechlessly, "Breaking through to the twelfth level of the Holy Realm in one fell swoop?" Husband, you are really shocking. With a blush on his face

, Xihuang Shen grabbed Su Chen's hand and said, "Husband, why are you doing this?" Isn't it good to advance one realm at a time?"

"I advanced to a level of cultivation once and needed to stay in seclusion for decades to stabilize my state. I didn't want to go into seclusion so I didn't make a breakthrough."

The Ruthless Empress, Liu Shen, and the Queen Mother of the West shook their heads speechlessly. They didn't expect that Su Chen didn't break through and advance because he didn't want to retreat. Every time Su Chen did it, they couldn't imagine it.

Suddenly, a soft voice came. In Su Chen's mind,

【Su Chen, can you advance to the twelfth level of the Holy Realm in about five hundred years? 】

Su Chen looked into the air with a dark face,

Chaos Avenue, a peeping avenue,

Chaos Avenue asked him what he meant?

Is there anything wrong with him going to Hongmeng World in advance?

Su Chen asked, "Dao Dao, what do you mean by asking me?" The ruthless empress, Liu Shen, and the Queen Mother of the West were very shocked,

Dao Dao of Chaos?

The Avenue of Chaos has arrived?

Why don't they feel oppressed by their aura? Didn't you feel the terrifying aura around you?

But Su Chen couldn't be talking nonsense.

They guessed that Chaos Avenue was in contact with Su Chen.

【Su Chen, if you went to Hongmeng World five hundred years ago, Chaos Avenue would give you a gift, a gift that would allow you to survive three dangers in Hongmeng World.】

"real?"

【It's true. As long as someone above Hongmeng Supreme takes action, you will have three chances to save your life.】

"Thank you. In five hundred years, I will be promoted to the twelfth level of the Holy Realm, and I will also go to the Hongmeng World."

【Su Chen, you are different. The destruction and survival of the chaotic world all depend on you. See you in five hundred years. 】

Su Chen curled his lips and hugged the Queen Mother of the West and leaned on the soft couch.

The Avenue of Chaos really regarded him as the hope of the world of chaos.

The three life-saving opportunities should be the same as the three life-saving monkey hairs given by Guanyin Bodhisattva to Sun Wukong.

The Avenue of Chaos Su Chen guessed that if Dao didn't want him to appear in Hongmeng World, he would be killed by the strong men of Hongmeng World.

Su Chen stood up with Queen Mother Xi in her arms and said, "Sister, ladies, I'm going to retreat."

"Well, brother, don't be impatient, let everything take its course."

"Husband, you can rest assured that we will manage Xuantian Realm well."

"Husband, we are waiting for you to come out of seclusion."

The ruthless empress, Liu Shen, and the three daughters of the Western Emperor mother, they guessed what Chaos Dao talked to Su Chen. They may have urged Su Chen to retreat as soon as possible. Su Chen wanted to retreat as soon as possible to break through the realm of cultivation.

"I see!"

Su Chen hugged the Queen Mother of the West and kissed her hard, and then he hugged Liu Shen and kissed her hard.

Finally,

Su Chen awkwardly hugged the ruthless empress's delicate body, and he patted the ruthless empress's back. Back.

Su Chen instantly disappeared into the forbidden area of Nanling.

The ruthless empress blushed and whispered, "Brother, see you in five hundred years.""

Boom!

Xuantian Realm, Merlot Heavenly Court.

A terrifying aura enveloped the Emperor's Palace, and the golden protective shield prevented anyone from getting close. The indifferent voice of Heavenly Dao in the Xuantian Realm spread to all living beings,

【The Emperor of Heaven is in seclusion, and no one can approach the Palace of the Emperor of Heaven. Anyone who violates this rule will be destroyed physically and mentally! 】 .

Chapter 2986

In Xuantian Realm, all the creatures heard the voice of Xuantian Heavenly Dao, and the Heavenly Emperor retreated.

This made all the creatures confused.

It was just an ordinary retreat.

How could Xuantian Heavenly Dao make such a fuss? Will the Emperor of Heaven retreat into seclusion and be attacked by strong men?

In the Melo Heavenly Court,

Su Chen's women who were not in retreat appeared outside the Heavenly Emperor's Palace one after another.

Master Feixuan said:"My husband has begun to retreat. I don't know how long it will take."

Xiao Xun'er:"It should be less than a thousand years, my husband said five or six hundred years." He will be promoted to the twelfth level of the Holy Realm."

Xiaobai:"Well, five or six hundred years will pass quickly, but my husband will go to Hongmeng World when he leaves seclusion. He may not have time to say goodbye to us. We will not know how long it will take to meet your husband?"

Queen Medusa Cai Lin:"Don't worry, as long as my husband establishes a foothold in Hongmeng World"273", he will bring us to Hongmeng World."

Jellyfish Yinji:" Alas, I hope that your husband will not seek death in the world of Hongmeng Great Demon."

Yan Lingji:"Don't seek death? If my husband does not seek death, will he still be a husband?"

Little Fox Su Daji:"Yes, I guess that my husband will still seek death, and it is possible that he will continue to seek death. Will provoke many powerful women".....

Empress Nuwa and the Ice and Snow Queen were speechless for a long time as they looked at the Emperor's Palace.

Su Chen began to retreat, and they, the women in the holy realm, also started to retreat. In order to keep up with Su Chen's footsteps, and to help Su Chen in the future, their cultivation realm must be improved.

Empress Nuwa said to the girls in the Holy Land,

"Let's also start retreating. The Xuantian Realm is controlled by Concubine Yan, Jing Salamander, Cai Lin, Bibi Dong, and the holy realms of Xingtian, Bai Ze, and Zhen Yuanzi. We can retreat with confidence."

The Queen Mother:"Retreat, if we want to help your husband, we must become stronger. Queen Mother of the West:"

Well, we have always protected our husbands before, and we will continue to protect our husbands in the future."

Xihe:"Yes, if we want to protect our husband and help our husband, we must become stronger."

Gaia:"Let's retreat. We must continue to help your husband.""

Yin Ji:"The time barrier has been adjusted by my husband one hundred years. We can retreat in the time barrier with peace of mind."

Leng Shuang:"My husband knew that we were going to retreat, so he specially created a time barrier.".....

The girls chatted for a while, and then they disappeared outside the Heavenly Emperor's Palace.

If the girls wanted to continue to help Su Chen and protect Su Chen, they had to become strong in cultivation and advance to the twelfth level of the Holy Realm as soon as possible.

Only in this way, they Only then can they go to Hongmeng World to meet Su Chen, and the girls will also help their husbands in the future.

On the 2900th floor of the Ladder to Heaven,

Su Yan's four sisters also heard the voice of Xuantian Tiandao. The four sisters did not expect that their father had begun to retreat.

Su Yue:"Sister, my father is in seclusion, and none of us have seen him."

Elena:"Yes, my father will be in seclusion for five to six hundred years, and he will be in seclusion in the time barrier. We will be in seclusion for five to six hundred years." I can't see my father."

Su Yao:"Sister, why don't we go see our father? Xuantian Tiandao won't stop us."

Su Yan was also very speechless and regretful.

She didn't expect that her father had begun to retreat, and there was less than a day left. One hundred floors, the four sisters will climb to the three thousand floor.

Su Yan went to the ancient fairy world during the Three Sovereigns and Five Emperors period. Her three sisters had great complaints against her.

Su Yan wanted to take her three sisters to climb the three thousand floors. Thousand Layers, she could take her sisters to a new world, but she didn't expect to miss seeing her father.

"Sisters, please stop talking. Since our father is in seclusion, we should not disturb him. As long as our cultivation becomes stronger in the future, we can go to Hongmeng World to find our father. Elena patted her forehead and said,"Sister, we are Daluo Jinxian, the twelfth level of the holy realm. We have to practice until the year of the monkey, horse and moon before we can reach the twelfth level of the holy realm.""

Su Yue said with a smile,

"Third sister, don't worry, our father loves us the most. As long as he succeeds in Hongmeng World, I think he will definitely take us to Hongmeng World."

Su Yue believed that her father would come to pick up their sisters soon, just like the Shenyu Continent.

She was still a baby at the time, and her father took her to the Shenyu Continent. Su Yue guessed that her father would come to pick her up soon. They are sisters.

Su Yao nodded quickly and said,

"Well, I believe my father will miss us and he will take us to Hongmeng World as soon as possible0...."

Su Yan nodded to the three sisters and said, "You are right, dad likes us the most. As long as dad has a place in the Hongmeng world, dad will come to pick us up as soon as possible."

Su Yue blinked and said, "We Let's continue climbing the ladder. My father is in retreat, and my aunts will also be in retreat. I don't want to go back to the Merlot Heavenly Emperor's Court and be caught by my mother."

"Sisters, keep climbing!"

Su Yan waved her hand and continued to climb the ladder.

She is already a big girl, and her three younger sisters are also big girls.

But they still treat their father as always. , make trouble when they should, act coquettishly when they should, they will always be little girls next to their father, always carefree children.

A year later, the four sisters Su Yan climbed to the three thousand floor, three thousand floor The rewards are very good. The four sisters have all advanced to a small level.

Su Yan has advanced to the early stage of Quasi-Saint, Su Yue has advanced to the peak of Daluo Golden Immortal, Elena has advanced to the late stage of Daluo Golden Immortal, and Su Yao has advanced to the middle stage of Daluo Golden Immortal.

【Princess Su Yan, Princess Su Yue, Princess Elena Su, Princess Su Yao, you also have a reward. This is the reward left to you by His Majesty the Emperor of Heaven.】

"Ladder to heaven, what reward did our father leave for us?"

【A pair of earrings, a necklace, a pair of bracelets, and a ring. These are all innate treasures. They are innate 3.5 treasures made of Hongmeng spiritual crystals. Their power and defense are twice as strong as the innate treasures in the chaotic world. You four sisters. Four innate treasures that can be divided. 】

Four innate treasures emitting purple light appeared instantly in front of the four sisters Su Yan.

Su Yan exclaimed in surprise, "I'll go, dad also left us a powerful innate treasure."

Su Yue: "Sister, I want a bracelet, I like bracelets best."

Elena: "Sister, I want it Ring!"

Su Yao: "Sister, I want earrings!"

Su Yan said with a smile, "You all accept the innate treasure you like."

"Thank you, sis!"

【The third reward for the four princesses, the ladder can open four small world passages. Do the princesses want to choose a small world to enter? Or entering a small world alone? 】 .

Chapter 2987

The four Su Yan sisters looked at each other when they heard what Heaven Ladder said,

"Four small worlds?"

Are the four sisters going to a small world together? Or go to a small world separately?

Su Yue: "What should I do, eldest sister?"

Elena:"Eldest sister, why don't we go to a small world together."

Su Yao:"I want to go to the small world with eldest sister."

Su Yan smiled and nodded to the three sisters. Nodding, she wanted to take her three younger sisters to the small world.

The last time she went to the ancient fairy world alone, her three younger sisters had denounced her for more than a month.

Su Yan also felt that she owed her three younger sisters.

This time she wanted to take her three younger sisters to play in the small world.

Su Yan said to Tianti,"Tianti, we four sisters will go to a small world together."

【As you wish, my princesses, I wish you a happy time. 】

Whoosh!

A beam of light instantly enveloped the four sisters of Su Yan, and they instantly disappeared on the 3,000th floor of the ladder to heaven.

In the following time, the Melo Heavenly Court was put under martial law in turns by various legions.

After the seclusion girls came out of seclusion, they would come to the Heavenly Emperor Palace to check. Every day there would beThe woman stood outside the Emperor's Palace and looked at Su Chen.

Year after year passed, and five hundred years later, in the Merlot Heavenly Court,

Nuwa and the Ice and Snow Saints appeared outside the Emperor's Palace one after another.!"

Concubine Yan:"I don't know, everything has been calm in the Emperor's Palace. My husband has not broken through once, and we don't know if he has broken through."

Jing Salamander:"My husband said that he would break through four realms at once. It has been five hundred years, and I I guess my husband will start to make a breakthrough."

Gaia:"Well, it shouldn't be long before my husband starts to make a breakthrough."

Kesha:"Well, after my husband succeeds in making a breakthrough, I don't know if he will have time to say goodbye to us."

Queen Mother:" Let's wait and see. If my husband has time, he will definitely say goodbye to us."

Jiufeng:"Yes, if my husband has time, he will definitely say goodbye to us!"

Su Yan's four sisters and the ruthless empress also said quietly They were standing outside the Tiandi Palace, waiting for Su Chen to leave seclusion. They also wanted to see their father (brother) again.

Five extremely beautiful women, five beauties with bumpy figures, they are the closest people to Su Chen, and they are also the ones standing closest to the Emperor's Palace.

The protective shield of the Emperor's Palace is useless to them, but they don't want to disturb her by entering the Emperor's Palace. Su Chen went into retreat.

Su Yue pulled the ruthless empress and asked,"Auntie, can we still see our father?"

"Don't worry, your father will meet with you four sisters whenever he has time when he is out of isolation."

The Ruthless Empress was not sure if Su Chen had time to say goodbye. She also missed her brother Su Chen very much.

Since the Ruthless Empress found her brother,

Su Chen had been in seclusion for five hundred years.

She was the longest separated from Su Chen. Time,

Su Yan said with a cold face,

"Dad will definitely say goodbye to us, otherwise we will ignore him in the future. Su

Yao asked with an embarrassed face, "Sister, do we really ignore dad?"

Elena knocked Su Yao on the head and said, "Xiaosi, the eldest sister is just saying, how can we ignore daddy? As long as daddy has time, Will definitely come and say goodbye to us"

"I understand, Third Sister!"

Boom boom boom.....

Suddenly, a terrifying aura erupted from the Heavenly Emperor's Palace, and the entire Merlot Heavenly Court shook. No, the entire Xuantian Realm also shook.

Women such as Empress Nuwa and the Ice and Snow Saint, Su Yan and the five ruthless empresses, as well as the immortals of the Merlot Heavenly Court, and the creatures of the Xuantian Realm, all knew that Su Chen had begun to make a breakthrough.

In the Emperor's Palace,

Su Chen's aura became more and more terrifying.

In the early stage of the eighth level of the Holy Realm, Su Chen's aura became more and more terrifying.....The late stage of the eighth level of the Holy Realm.....The early stage of the Nine Heavens of the Holy Realm.....The middle stage of the Nine Heavens of the Holy Realm....Early stage of the tenth heaven of the Holy Realm.....

Thousands of women suddenly appeared around Su Chen, including

Bing Ji, Xue Ji, Nie Xiaoqian, Lin Qing'er, Lan Yincao, the incarnation of the ruthless empress, Archangel, Xiao Li, more than a hundred female ghosts, and more than a hundred Ning. Fairy Fu, the angels of the five thousand angel legion, and Youruo and Youxue lead a thousand shadow assassins.

All the women appeared and sat around Su Chen. They absorbed the Taoist charm radiating from Su Chen's body. The cultivation level of all the women improved rapidly, as if they were riding a rocket.

Especially the Angel Legion, they were promoted from Golden Immortal to Great Luo Golden Immortal in just a quarter of an hour, and more than ten angels were promoted to Quasi-Saint.

If given an hour, all the angels in the five thousand Angel Legion might be promoted to the Capital Saint realm.

Nie Xiaoqian, Lan Yincao, Lin Qing'er, Xiao Li and others have advanced to the holy realm. The female ghosts and nymphs have also greatly increased in strength. Their lowest cultivation realm is quasi-sage.

There are one million female immortals in Su Chen's body.

One million female immortals are in the time barrier in Su Chen's body. Dao Yun was also transported into the time barrier by Su Chen. There are one million female immortals.

Su Yan is in the Three Sovereigns and Five Emperors. During that time, the beautiful women from all races were specially collected for Su Chen in the Primordial Immortal.

The little girl brought one million female fairies back to the main world.

Su Chen also had to deal with one million female fairies. Anyway, the space barrier in his body was very huge. He can only let one million female fairies practice in the time barrier in his body. boom!

Half an hour later,

Su Chen's cultivation level advanced to the twelfth level of the Holy Realm, which was still the pinnacle of the Twelfth Level of the Holy Realm.

【Ding, host, the system upgrade is completed. As long as the host goes to Hongmeng World, the system will reward the host (Li De's) with a special gift package. Su Chen closed his eyes and asked while stabilizing his cultivation level, "System, after you upgrade successfully, will you still get a gift pack every month?"】

【Ding, the system has been upgraded to the Hongmeng gift package system. The host can get a gift package every thousand years.】

"`~System, you are online again. You will no longer be a disabled system."

【Ding, host, if there was no system, you would have died countless times. Also, I would like to remind you that when the host arrives in Hongmeng World, he must never commit suicide again. 】

Su Chen shouted with a dark face, "I'm going, little girl, am I seeking death every time?"

【Ding, host, please take care of yourself. The light of induction from Hongmeng World will arrive in a quarter of an hour. Host, you'd better say goodbye to your woman and daughter quickly, otherwise you won't have the chance to say goodbye to your relatives.】

"I guess, how could it come so soon?"

Chapter 2988

Su Chen didn't expect that the light of reception would come in a quarter of an hour. He stood up in a hurry to say goodbye to his sons and daughters.

This time,

Su Chen and them would not be able to see each other for at least thousands, or even tens of thousands of years. See

"elder brother!"

"Husband!"

"Owner!"

"God King!"

"Kings!"

The incarnation of the ruthless empress, Bing Ji, Nie Xiaoqian, Lan Yincao, female ghosts, nymphs, and the angel army. When they saw Su Chen stand up, everyone looked at Su Chen. Su Chen waved his hands hurriedly and said

,

"You guys go back to the Time Barrier first. I will go to Hongmeng World in a quarter of an hour. I want to say goodbye to Nuwa and the others first."

"Ok brother!"

"Yes, master!"

"Yes, God King!"

"Yes, Your Majesty!"

Everyone disappeared in front of Su Chen.

They were all Su Chen's shadows. They were going to follow Su Chen to the Hongmeng World.

Whoosh!

Su Chen disappeared in the Palace of Heavenly Emperor in an instant. He didn't want to delay even a breath. , he wanted to get together with Nuwa Empress and the other girls, as well as Su Yan's four sisters and Hen as soon as possible. The Empress bid farewell.

Outside the Emperor's Palace, as soon as Su Chen appeared outside the Emperor's Palace, the Nuwa Empress and the four sisters Su Yan surrounded him.

Su Chen waved his hands hurriedly and said,

"Don't tell me, I only have a quarter of an hour. In a quarter of an hour, the light of attraction from Hongmeng World will arrive."

"Nuwa, Bing Ji, Yan Fei, Jing Sala, as well as the Queen Mother and Xihe's ladies, the Xuantian Realm will be handed over to you from now on."

"Yan'er, you will be the Emperor of Xuantian Realm from now on. After I leave, your mother and aunts will help you hold the enthronement ceremony. You must take good care of your three sisters in the future."

"Nannan, brother is leaving. You have to take care of yourself in the future and tell your sisters-in-law if anything happens!"

Su Chen hugged Nuwa Empress and the other girls as he spoke. It was probably the last time he hugged the girls in tens of thousands of years.

Nuwa Empress: "Husband, we will protect Xuantian Realm.

Xihe: "Husband, don't worry. As long as we are here, nothing will happen to Xuantian Realm.""

Ice Snow Saint: "You little bastard, you went to Xuantian Realm, don't seek death!

Concubine Yan: "Husband, the world of Hongmeng is very scary. You must be careful." Yan

Lingji: "Husband, you have to pick us up as soon as possible, otherwise we will never pay attention to you again."

Little Fox:"That's right, husband, you have to pick us up within ten thousand years, no, you have to come to pick us up within a thousand years."

Bibi Dong:"Husband, you have to be more careful in Hongmeng World."

Kesha:"Husband, Hongmeng World is scary Incomparable, don't cause trouble until you become stronger."

After Empress Nuwa and the other girls were hugged by Su Chen, they all confessed to Su Chen.

Although they were reluctant to leave, they had no choice but to face Su Chen's imminent departure. For the sake of the Chaos World, Su Chen had to go to the Hongmeng World.

Su Yan hugged Su Chen and said reluctantly,"Dad, don't worry, I will take good care of the sisters."

Su Yue:"Father, you have to come back to pick us up as soon as possible."

Elena:"Father, we will obey Sister, you should be careful in the Hongmeng world."

Su Yao:"Father, I don't want you to leave!"

Su Chen hugged her youngest daughter Su Yao and smiled,"You have grown up, what do you want to do in the future, your mother and Auntie will not care about you, dad will take you to Hongmeng World as soon as possible."

Su Yan took Su Chen's hand and said,

"Dad, when you go to Hongmeng World, you must not seek death, and don't provoke women anymore. I have prepared a million beautiful beauties of all races for you. You can find those fairies to relieve your boredom in the future."

Su Chen stroked Su Yan's hair and said,"Yan'er, just wait to be taught a lesson by your mother and aunt, they all heard it from the side."

Su Yan turned around and her face turned pale with fright. She was dead, dead.

She had forgotten that her mother and Aunt Nuwa were there, as well as her mother Jing Salamander.

Su Yan saw Jing Salamander glaring at her coldly. , she felt like she was going to be doomed.

Su Yao:"Sister, you are going to be doomed.

Elena:"Sister, there is nothing we can do. You are really finished this time." Su

Yue:"Sister, you actually prepared a million beauties of all races for my father. You are going to be finished.""

The three Elena sisters were all very surprised. Su Yan prepared a million beauties of all races for their father.

What is the eldest sister going to do?

Will their father be exhausted to death?

Su Yan said speechlessly,

"Sisters, we are advancing and retreating together. You don't want to see your eldest sister being locked up in a small dark room, do you?"

Su Yue hurriedly shook her head and said

"Sister, I really can't help you this time. You also see the angry expressions of the aunts, and I'm afraid. Elena also waved her hands hurriedly and said,"I'm afraid too. I didn't even show up when my mother came out of seclusion. I couldn't even protect myself.""

Su Yao shrank her head and said,"Sister, I don't dare."

Su Chen ignored Su Yan. The little girl was very smart. He believed that Su Yan would take care of Jing Salamander and the Nuwa Empress.

Su Chen hugged the ruthless empress and said,

"Nannan, my brother spends the least time with you. I don't know when we will meet again this time. You have to take care of yourself in the future. Xi Huangmu and Liu Shen, you can chat with them if you have nothing to do."

The ruthless empress said with a sad expression, "Brother, you should be careful when you go to Hongmeng World."

"Brother will be careful!"

After Su Chen kissed the ruthless woman's forehead, he appeared in the air instantly.

The quarter of an hour was coming, and

Su Chen had to prepare for the arrival of the guiding light from the Hongmeng world.

Boom!

A beam of light enveloped Su silently. In the morning, the terrifying beam of light made the immortals in the Merlot Heavenly Court and the creatures in the Xuantian Realm feel fear, as if a great terror was coming.

Su Chen raised his head and looked at the terrifying beam of light. He waved his hand and called to the girls below. Said, "You wait for me to come back, I will take you to Hongmeng World"

"Farewell to the Emperor of Heaven and wish His Majesty the Emperor of Heaven a smooth return"

"Farewell to the Emperor of Heaven and wish His Majesty the Emperor of Heaven a smooth return"

"Congratulations to the Emperor of Heaven for your successful return."

In Merlot Heavenly Court and Xuantian Realm, all the immortals and creatures knelt down to salute Su Chen, boom!

"Hongmeng World, I, Su Chen, am here!"

The terrifying beam of light took Su Chen and disappeared silently in an instant, as if he had never appeared before.

"Husband, we will wait for your safe return"

"Dad, you must come back safely"

"Brother, I believe you will come back as soon as possible"

Chapter 2989

Hongmeng World is a world where all the powerful people from the big world gather.

Predation of the weak and the strong is common in Hongmeng World. Powerful people can do whatever they want, such as massacres, massacres, genocide, abduction of beautiful women, etc. These are commonplace in Hongmeng World.

Northwest boundary, eastern territory!

In the monster forest,

Su Chen instantly appeared at the edge of the monster forest. The Hongmeng aura made Su Chen feel comfortable all over.

He seemed to be bathing in merit, no, he was even more comfortable than bathing in merit. Su Chen felt that his cultivation realm was growing rapidly even without practicing. I am afraid that in a few days, he would break through to the twelfth level of the holy realm. Advance to a higher level

"Holy shit, a rabbit is actually a holy realm?"

Su Chen was just about to check his surroundings when he saw a snow-white little rabbit suddenly appeared. What returned him was a rabbit from the third level of the Holy Realm.

Su Chen looked at the rabbit rushing over in confusion.

Boom!

"I'll do it!"

Su Chen disappeared in an instant.

The rabbit would actually explode with an ice attack, or a terrifying ice law attack.

Damn it, a rabbit who has not transformed in the holy realm has mastered the law?

05 What the hell, the rabbit is probably better than Some of the holy realms in the great world of chaos are powerful.

Boom boom boom.....

The rabbit was chasing Su Chen in a blink of an eye.

As soon as Su Chen appeared, the rabbit would chase and attack him instantly, as if Su Chen was his prey.

"Time pauses!"

Su Chen waved his hand and started to fight back.

He found that there were many holy realm monsters around him, and even some of them had very terrifying auras. When Su Chen checked, he felt the fear coming from the soul.

Su Chen didn't dare to stay here any longer.

He wanted to Find out as soon as possible where this place is and how to divide the realms of cultivation in the Hongmeng world.

After Su Chen quickly sealed the rabbit, he mentioned the little rabbit and said, "Little rabbit, you and I have no grievances. Why do you want to pursue me?" Hold on to me? Did I kill you to eat meat? Or should I keep you as a pet?"

The little rabbit stared at Su Chen with its red eyes.

There was fear in its eyes, and its whole body was curled up together.

"Damn, you are pretending to be pitiful. You are a holy rabbit, not an ordinary rabbit. Weren't you still majestic before? Why do you look like a turtle now?"

Su Chen looked at the rabbit's frightened look, and he shook his head speechlessly.

The Hongmeng World is really strange.

The rabbits are all in the Holy Realm and have not yet transformed. Are the rules of heaven and earth in the Hongmeng World and the Chaos World different?

【Ding, host, congratulations on your arrival in the Hongmeng world where powerful people gather. Do you want to claim the thousand-year gift package?】

"System, do you still congratulate me? As soon as I arrived in Hongmeng World, I was chased by a rabbit, or by a rabbit from the Holy Realm. Hongmeng World is too dangerous."

【Ding, host, the starting point of a cultivator in the Hongmeng World is the Holy Realm, a rabbit from the third level of the Holy Realm. The rabbit in the Chaos World is equivalent to the rabbit demon in the Nascent Soul Realm. 】

Su Chen curled his lips and said, "System, tell me about the cultivation levels of Hongmeng World."

【Ding, the realms of Hongmeng Great World are divided into Holy Realm, Emperor Realm, Dao Realm, Territory Lord Realm, World Lord Realm, and Hongmeng Supreme. Each realm has twelve small realms. 】

After the Holy Realm, there are the Emperor Realm, Dao Realm, Territory Lord, Realm Lord, and finally Hongmeng Supreme.

Damn, there are five major realms and sixty smaller realms.

Su Chen was speechless just thinking about it.

"System, receive the Millennium Gift Pack"

【Ding, congratulations to the host for getting a thousand-year gift package. Do you want to open the thousand-year gift package?】

"Open the Millennium Gift Pack!"

【Ding, the Millennium Gift Pack has been opened. Congratulations to the host for getting: a pot of Hongmeng Spiritual Spring, a Hongmeng Spiritual Qi Well, five Spiritual Treasure Advancement Stones, and ten Apocalypse Pills. 】

Su Chen listened in confusion as he got the treasure, the Hongmeng Spiritual Spring.

He had obtained the Hongmeng Spiritual Spring when he climbed the ladder to heaven.

The Hongmeng Spiritual Spring was wanted by the Hongmeng Supreme. The Hongmeng Spiritual Spring is the most precious treasure in the Hongmeng world.

"System, what is the Hongmeng spiritual energy well? Is it the same as the innate spiritual energy well?"

【Ding, yes, the Hongmeng spiritual energy well can continuously produce Hongmeng spiritual energy. If the host places the Hongmeng spiritual energy well in the time barrier in your body, and your women and men rely on the rich Hongmeng spiritual energy, they will not practice, a hundred years later. All will be promoted to the Holy Realm. 】

I'll do it!

What a treasure.

Su Chen was very happy.

He had the Hongmeng spiritual energy well.

Nie Xiaoqian and the ruthless empress would quickly advance in their incarnations. They would be able to come out and help him in about a thousand years.

"System, does the Lingbao Realm Stone allow Lingbao to advance?"

【Ding, Lingbao Promotion Stone: A Lingbao can only be used once. After use, you can advance to one Lingbao level. 】

Su Chen burst out laughing when he heard the introduction of the system.

It was the first time that Hongmeng Great World opened a gift package.

He did not expect it to be so big.

Hongmeng Spiritual Spring, Hongmeng Spiritual Qi Well, and Spiritual Treasure Advancement Stone. Each treasure is more precious than the other.

Su Chen has five spiritual treasure advancement stones.

He can advance the Chaos Bell, Falling Snow Sword, Desire Tower, and Archangel to the level of Hongmeng Spiritual Treasure.

"System, what is the Apocalypse Pill?"

【Ding, Apocalypse Pill: A kind of beast elixir that can not only improve the spiritual intelligence of monster beasts, but also improve the level of cultivation of monster beasts. One Apocalypse Pill can improve the monster beast by one to three small realms. 】

Damn it, the last one turned out to be a useless treasure.

Su Chen had no monsters to conquer, and the Apocalypse Pill was a useless treasure to him.

Su Chen mentioned the rabbit and asked, "System, the rabbit is in the holy realm, why doesn't it transform?"

【Ding, this is because the rules of heaven and earth are different. In order for the monsters in the Hongmeng world to transform, they must cultivate to the Imperial Realm. Some special monsters cannot transform until they reach the tenth level of the Imperial Realm.】

"Little rabbit, are you a male? Or the mother's?"

Su Chen turned over the rabbit and checked it out.

If the rabbit is female,

Su Chen plans to accept the little rabbit. After all, the little rabbit is the first creature he encounters when he comes to Hongmeng World.

However, if the rabbit is male,

Su Chen plans to After stewing the rabbit and eating it, the rabbit meat from the Holy Realm, his mouth watered just thinking about it. squeak squeak squeak.....

The little rabbit discovered that Su Chen was checking its body. It screamed and struggled violently.

Su Chen flicked the little rabbit's head and asked, "Let me go, little rabbit, are you actually intelligent?"

Hohoho.....

Suddenly, a terrifying cry came from the monster forest, and some humans flew out of the monster forest, quickly disappeared and fled from the monster forest.

A woman in white saw Su Chen in confusion.

She flew over and shouted,

"Run away quickly, it's the Scarlet Cloud Tiger, a terrifying monster in the tenth level of the Emperor Realm. If you don't run away, you will be eaten by the Scarlet Cloud Tiger."

Chapter 2990

Su Chen watched the monster forest turn into nothingness piece by piece.

A giant mountain tiger roared and wreaked havoc in the monster forest. The terrifying atmosphere around it was so oppressive that it made people breathless.

A woman in white saw Su Chen in confusion.

She flew over and shouted,

"Run away quickly, it's the Scarlet Cloud Tiger, a terrifying monster in the tenth level of the Emperor Realm. If you don't run away, you will be eaten by the Scarlet Cloud Tiger."

"I'll do it!"

Su Chen was instantly trapped by a white ribbon.

The woman in white pulled Su Chen and flew away quickly.

Su Chen was very depressed.

Was he forcibly rescued by the woman in white?

"Damn it, the hidden level of cultivation is too low?"

The system hid his cultivation level to the fifth level of the Holy Realm. The woman in white was the little scumbag from the 10th level of the Holy Realm. He was actually rescued by a little scumbag woman.

Five days later, a city appeared in Su Chen looked at the huge city in front of him and felt incredible.

The city was too big, hundreds of miles in radius.

This was the largest city he had ever seen.

On the hill outside the city, the woman in white let go of Su Chen and asked, "Little monk, what is your name?" Why does it appear in Monster Forest 933?

Su Chen answered while holding the little rabbit,

"My name is Su Chen. I went to the Monster Forest to catch a pet. As you can see, it's this little rabbit."

The woman in white looked at the little rabbit and nodded and said, "Frost Snow Rabbit, you are lucky. The Frost Snow Rabbit is a top-grade monster."

"Miss, thank you for your help. I will leave if nothing happens. The woman in white shouted indifferently, "Stop, I saved your life, and you will be my servant from now on.""

The woman in white felt that Su Chen was different.

Whether it was Su Chen's temperament or the tone of speaking to her, the woman in white guessed that Su Chen was not an ordinary person.

Moreover, she was very famous in Tianwu City.

Su Chen didn't seem to recognize her.

The woman in white guessed Su Chen should not be a human from Tianwu City

"What? Be a servant?"

Su Chen looked at the woman in white in surprise. The woman in white actually asked him to be a servant?

Damn, how could his majestic Emperor be a servant?

Ugh!

Su Chen suddenly thought that he didn't understand the Hongmeng world. I'm afraid the origin of the woman in white was It's not simple.

A ribbon is a treasure from Hong (age). Su Chen guessed that the woman in white is a young lady from a big family. The woman in white's family may be a powerful family. Do you want to work as a servant for a few days to find out the information? Woolen cloth?

"how? Do you dare to disagree?"

The beautiful face of the woman in white showed a cold expression.

She is a scum of the fifth level of the holy realm.

If Su Chen dares to disagree, the woman in white will grab Su Chen and take him away.

"Agree, I agree."

Damn it, another hateful woman, hateful woman,

Su Chen will make the woman in white pay the price in the future,

"Huh, you and I are going into the city. Remember, flying is prohibited in the city. Teleportation is allowed. Don't let the inspection team find you flying in the city, otherwise you will be arrested to mine crystal mines."

"Understood!"

In the Hongmeng, in the Fengwu Palace, in the gorgeous and solemn palace,

Murong Qingcheng was practicing and suddenly opened his eyes.

"Suchen? The little bastard actually came to Hongmeng World?"

"Five hundred years have passed since we arrived in Hongmeng World. The little bastard has been practicing hard, huh? Northwest boundary? Damn it, why did the little bastard appear in the northwest?"

Murong Qingcheng's beautiful face showed an uneasy look.

She controls more than ten realms of Hongmeng World. Why didn't Su Chen appear in the realm she controlled?

The northwest realm of Hongmeng World is controlled by her mortal enemy. Su Chen still has the bellyband of her nemesis in his hand.

If her nemesis discovers Su Chen, the little bastard will probably die even if he wants to.

Murong Qingcheng does not dare to take the risk to find Su Chen. In the morning, she was worried that her rival would discover her relationship with Su Chen.

Murong Qingcheng touched her fair chin and whispered,

"How to do it? Why didn't the little bastard appear in the realm he controlled?"

After a while,

Murong Qingcheng planned to let nature take its course.

Su Chen was very shameless, a very bastard, and very lustful.

She believed that Su Chen would turn danger into good luck, and she also believed that Su Chen would come to look for her in the future.

Murong Qingcheng would pay attention to Su In the morning, if Su Chen encounters an irresolvable crisis, she will save Su Chen at all costs.

In Hongmeng, the palace of the Supreme Rakshasa, the little Rakshasa outside the palace suddenly became restless, and the little Rakshasa walked to the sea of clouds to look Xiang Yuanfang couldn't understand why she suddenly felt uneasy?

It seemed that an important person had appeared.

Important person?

Her sister Rakshasa was in the Rakshasa Supreme Palace. What other important people did the little Rakshasa have?

Su Chen?

Impossible.

She and Su Chen are not from the same world.

No, they are not from the same big world.

Su Chen may be in an insignificant small world, and the little Rakshasa is in the big world of Hongmeng where strong people gather. It's too much to say. After tens of millions of years, Su Chen may have died long ago.

A plump and voluptuous woman came over and asked, "Little sister, why are you here?"

The little Rakshasa smiled and replied, "Second sister, I feel restless while practicing. Come out and get some fresh air."

"Little sister, you are at the fifth level of Taoism, how could you be uneasy?"

"I have no idea!"

"Well, the Rakshasa Supreme is not in retreat. Let's go find the Supreme Lord and ask him to check it out."

"Second sister, there is no need to trouble Your Majesty. I will recover after a few days of rest."

"Well, you don't want to go down to the lower world recently, our Rakshasa Supreme and Qingtian Supreme are going to start a war"

"Will there be another war? Is this a domain lord war? Or a world lord war?"

"I don't know, the Rakshasa Supreme controls more than ten realms, and I don't know how large-scale a war will happen."

Little Rakshasa asked expectantly, "Second sister, do you think it is possible for Su Chen to appear in Hongmeng World?"

"Suchen?"

The Rakshasa Girl's eyes became confused,

Su Chen?

It's such a long time ago.

It's been tens of millions of years since we parted ways in Shura City. The Rakshasa Girl doesn't know if Su Chen is still alive , but Su Chen has always lived in her heart. In the city, the Rakshasa girl was very ashamed and angry when she thought about what Su Chen did to her. The bastard not only kissed her, but also touched her, and even said that she was a mature Rakshasa girl. At that time, the Rakshasa girl wanted to do something cruel to her. Beat that pervert to death

"Second sister, I feel that Su Chen has arrived in the Hongmeng world. My feeling is not wrong. Second sister, do you feel the same as me?".
