

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 3

Su Chen watched the guards use crossbows to kill all the trap assassins. He quickly got up and walked to the side and vomited. Just now, Su Chen had been holding back from vomiting. Now that all the trap assassins were dead, he I couldn't help but want to vomit anymore.

This was Su Chen's first time seeing someone kill someone. Su Chen had never killed a chicken before. Now he felt a little nauseous when he thought about those assassins who were killed by military crossbows.

"Uncle, drink some tea and rinse your mouth."

Yan came to Su Chen with a bowl of tea and handed it to him.

Su Chen felt a little embarrassed after taking the tea that Yan gave him and said, "Um, thank you, little girl."

Yan looked at Su Chen's embarrassed look and smiled and said,

"You're welcome. It was you who helped me and my mother just now. I should also thank you, uncle."

Su Chen rinsed his mouth and took the little Frightened Salamander back to the tea shop. Wang Hu was standing guard with guards. He was a little frightened when he looked at the Frightened Salamander now.

Wang Hu felt that if he fought with this woman, I'm afraid He would be killed by this woman in just a few moves. Wang Hu is also on guard against this woman now.

"Thank you for being here just now."

Jing salamander saw Su Chen sitting down and saluted Su Chen and said.

Jing salamander didn't expect that this young man turned out to be a monarch. If Yan hadn't told herself that she wouldn't have thought of such a dignified monarch, how could she dare to bring such a small number of guards? Coming out, Jing Salamander saw that Su Chen had just vomited and knew that he was a dandy, otherwise he would have seen blood.

Su Chen looked at Jing Salamander and pretended not to know anything and asked,

"You're welcome, you should call me Su Chen or Mr. Su. Your name is Jing Salamander, right? Why do those snare assassins want to kill you?"

Now Su Chen also suspects that Jing Salamander has disguised himself. Jing Salamander is very beautiful. Now this somewhat ordinary woman must look like Jing Salamander after he disguised himself. They may also be avoiding the pursuit of Luowang assassins.

"My name is Jing Salamander. I don't want to mention the past things anymore. We are leaving. Thank you very much this time."

"Jing Salamander, I am also going to Gusu City. Do you want to go there together?"

"No need, we can go by ourselves"

"Well, okay, little girl, I hope we can meet again in the future"

"Uncle, goodbye."

Just when Jing Salamander was pulling Yan to leave, suddenly, the sound of horse hooves came over. When Jing Salamander heard the sound of horse hoofs, he knew that tens of thousands of troops were coming this time.

Jing Salamander did not leave the tea either. Shop, now she doesn't know why these cavalry appeared here, are they here to deal with her?

Just a moment later, tens of thousands of cavalry wearing black armor came to a stop near the tea shop.

Wang Hu looked at these The elite cavalry guarded Su Chen nervously. Su Chen looked at Wang Hu and waved his hand to him. When Wang Hu saw that Su Chen asked him to go down, he did not dare to disobey Su Chen's order. He looked like a general. When people came to Su Chen, they knelt down on one knee and said,

"Netherworld Cavalry Legion, Legion Commander Liu Hai led 10,000 Netherworld Cavalry to see Wu Xiangjun"

"See Mr. Wu Xiang."

The cavalry dismounted neatly and knelt down to Su Chen and said,

"Get up, everyone"

"Thank you, sir."

When the cavalrymen got up, Su Chen said to Liu Hai,

"Liu Hai, this is my guard commander Wang Hu. Wang Hu, please introduce our situation to Liu Hai."

""Yes, Your Majesty."

Wang Hu and Liu Hai saluted immediately. Then Wang Hu and Liu Hai exited the tea shop and started talking quietly.

Jingli was a little shocked when she saw these elite cavalry. She felt that these cavalry were even better than the most powerful cavalry in Qin Dynasty. The elite Golden Fire Cavalry is even more powerful.

Jing Salamander looked at Yan and thought that it would be better to stay with this Lord Wu Xiang first. Now it seems that Lord Wu Xiang is also very powerful in the Song Dynasty.

Jing Salamander thought that she could not always lead him Yan fled, and this Wu Xiangjun didn't look like someone who was always difficult to get in touch with.

Yan Ze looked at the Nether Cavalry with some curiosity. She was now very interested in these elite cavalry.

Jing Salamander returned to Su Chen The person next to me said coldly, "Mr. Wu Xiang, it seems like there are no experts around you to protect you, right?"

Su Chen looked at the Frightened Salamander and wondered why she asked this.

"Well, I don't have an expert to protect me. After all, I just came out of the Imperial City and haven't had time to recruit some strong people."

Jing Salamander said straightforwardly after hearing Su Chen's words,

"I can protect you, but you must protect our mother and daughter. I am a master level expert."

"Jing Salamander, do you, a master-level expert, still need my protection?" Su Chen smiled after hearing what he said.

However, Su Chen knew that in the original work, Jing Salamander also found Tian Meng, a farmer, to marry him. Jing Salamander also wanted to use the farmer's family to protect Tian Yan, but she trusted someone wrong. Jing Salaman's fate was very tragic. Why didn't Jing Salamander propose to marry him this time, but wanted to be his bodyguard?

Now Jing Salamander looked at Su Chen and was a little worried that he would not agree to her request.

"Of course it is necessary. What I offended was Da Qin's snare. Today, these are just some minions. The real assassins are very powerful and I cannot deal with them."

Su Chen looked at the Frightened Salamander and smiled and said,

"I agree, you can protect me from now on. I haven't taken Daqin's Luo Wang assassin to heart yet. I have a way to make Luo Wang give up hunting you mother and daughter."

I have seen Qin Shi, and Su Chen knows everything about it. As long as I send someone to tell King Qin Ying Zheng something, I believe Ying Zheng will let Luo Wang end his pursuit of Jing Salamander.

"Thank you Wu Xiangjun for taking me in."

Su Chen was speechless looking at the unsmiling Jing Salamander.

"Amazing Salamander, is it possible to restore your appearance now?"

After listening to Su Chen's words, Jing Salamander took off a human skin mask from his face. At this time, Jing Salamander's beautiful face appeared in front of Su Chen.

Su Chen was a little stunned when he looked at the beautiful Jing Salamander. He I didn't expect Jing Salad to be so beautiful. Now Jing Sala is even more beautiful than in the anime. If Jing Salad puts on her fishnet outfit now, Jing Sala will probably be even more beautiful.

Yan looked at Su Chen and kept staring at her mother. She laughed when she saw it. Yan also liked being with this Wu Xiangjun very much. Now that her mother will protect Su Chen in the future, she can also play with this uncle.

Jing Salad looked at this Wu Xiangjun and kept looking at him. She blushed a little. Now that she has promised to protect Wu Xiangjun, she will appear next to him every day in the future. Jing Salamander pretended not to care.
