

Zongwu 30

Chapter 30

Su Chen now wants to try to see if this beautiful beauty from the world is Huan from The Legend of Two Dragons of the Tang Dynasty. After all, this world is a Zongwu world, and it is possible for some people from the world to appear in other countries.

"Young Master, I want to go to Apricot Grove too, how about we go together." This beautiful woman raised an eyebrow at Su Chen and said with a smile,

"Let me go, do you want me to ride a horse with you? Isn't this not good?"

This beautiful woman smiled at Su Chen and said,

"Don't you want to ride the same horse with me?"

Huanwan just wants to play tricks on this bastard who talks ugly. She is so beautiful and this bastard doesn't react to her at all. Could it be that her charm skills are ineffective against this bastard? But this bastard doesn't know martial arts.

"I want it, I want it very much."

Su Chen said and immediately turned over and sat on the horse. After getting on the horse, Su Chen hugged this beautiful woman tightly. Su Chen smelled something while hugging this beautiful woman. There was a scent, which made Su Chen a little intoxicated.

"you....."

When Huan Huan saw that this bastard dared to hug her waist and looked intoxicated, she decided to kill this bastard with a frosty look on her face.

Su Chen felt the murderous intention of this beautiful woman and said hurriedly,

"Haha, I'm afraid I'll fall. I'm sorry, girl."

Huanwan, blushing now, shouted to Su Chen,

"Come down here or I'll kill you"

"Didn't you ask me to come up?" Su Chen said to this beautiful woman innocently.

When Huanwan saw that this bastard didn't let go of her and came down, she was ready to take action.

"Go down now and don't let me say it a second time."

Su Chen was a little embarrassed and said to this beautiful woman,

"Hey, this is already the second time."

After hearing Su Chen's words, Huan Huan strangled Su Chen's neck with shame and anger and cursed,

"Bastard, can you go down?"

Huanwan didn't expect that she was threatening this bastard now. This bastard was still going against her on these small details. Although it was his own slip of the tongue, he didn't need to say it.

Su Chen became angry when he saw this beautiful woman. He hurriedly said, "No, no, I'm going down now."

Just when Su Chen was about to go down, a woman in white suddenly flew from the air. This woman in white landed in front of them. She pointed her sword at the beautiful woman in front of Su Chen with a cold face and said.

"Huanhua, do you still want to run away now?"

Huanwen is very helpless now. This master concubine Xuan has been chasing her from the Sui Dynasty to the Song Dynasty. Now she can't get rid of this follower.

"Little nun, you chased me from the Sui Dynasty to the Song Dynasty, aren't you tired? I'm tired now, please let me rest before chasing me."

Damn it, this is indeed the witch Hanhan and The master concubine Zi joked, how lucky is she? This time she met two beauties when she came out, and they were top beauties.

Now Su Chen wants to leave here. Although these two women are beautiful, they are too dangerous. Su Chen doesn't want to lose his life here for the sake of beauty.

Shi Feixuan felt a little strange when she saw Huan Huan. She didn't expect that her old enemy would let a man hug her. This was also the first time Shi Feixuan had seen Huan Huan so close to a man.

Su Chen saw Shi Feixuan staring at him and said hurriedly,

"Hey, I'm just passing by, you continue, you continue, I'll leave now."

As Su Chen said, he let go of Hanhan and got off the horse to leave quickly. He didn't want to be targeted by these two women now, so it was better to leave these two scary women quickly.

"Stop, do you want to end up giving up?"

I guess, all I want is to hug you. Why did I give up in the beginning? Su Chen looked at Huanhan on the horse a little stupidly. Now

Su Chen also figured it out, this Huanhan must want to kill him. The one who pulled her into the water was to take revenge on him for hugging her body just now.

Su Chen looked at the strange and strange Huanwan and said hurriedly,

"Girl, don't talk nonsense about me. I have a wife. If you say that, my wife will kill me."

Huanwan pretended to be pitiful and said to Su Chen,

"Just lie to me. Just now you said you didn't have a wife. Now I've given everything to you. You can't abandon me."

"Damn it, we have nothing to do with each other. This girl, I don't know this Huan Huan. You have to believe me. I really just met her just now. Shi Feixuan, you have to believe me."

Su Chen admired Huan Huan's acting skills. If she were in modern times, she would probably be an outstanding actress.

Shi Feixuan pointed at Su Chen with a sword and asked,

"Who are you? How do you know I am Shi Feixuan?"

Shi Feixuan didn't expect that this man actually knew her. This is the Song Dynasty. I'm afraid there's no one who can know her. Shi Feixuan now feels that this Su Chen may not be simple.

Huanyuan is watching with interest now Su Chen, this bastard took advantage of me just now, but when Shi Fei Xuan announced his name, this bastard immediately wanted to leave him.

It seems that this bastard must also know him, and now this bastard actually knows Shi Fei Xuan, this made Huanhan a little curious about Su Chen.

Su Chen immediately pointed at Huanhan and said,

"Um, what that Huanhua told me just now, well, it was this Huanhua who told me."

Su Chen wanted to slap himself right now. He didn't expect that he would call out Shi Feixuan's name in a hurry. Now he might not be able to leave.

Huan Huan looked at Su Chen and smiled slyly and said ,

"Haha, when did I tell you that she is Shi Feixuan? When Shi Feixuan arrived, you were about to leave when you heard the little nun calling her name. Then you must know me. Now tell us who you are? Why do you know me and the little nun?"

"Who are you here?"

Shi Feixuan now also wants to know who this man is, why he knows about her and Huan Huan, and he seems to know her and Huan Huan very well.

Su Chen looked at Shi Feixuan and Huan Huan and said hurriedly ,

"I'm just a young man from a rich family. Don't get me wrong. I don't know you. You see I don't know martial arts. How could I know you?"

Shi Feixuan saw that this young master really didn't know martial arts, and he didn't look like a Jianghu person because he looked weak. So Shi Feixuan asked this weak young master

"May I have your name?"

Su Chen looked at the beautiful and pure Shi Fei Xuan and said immediately,

"My name is Su Chen, Su Chen from Su, Su Chen from Chen."
