Chapter 301

The saints in Zixiao Palace became quiet for a while. Without Su Chen's help, the Great Immortal World could not be its opponent, whether it was the extraterrestrial demon world or the ferocious beast realm.

It is impossible for saints like them to escape from the prehistoric immortal world. The prehistoric heaven controls their souls.

The Great Desolate Immortal World was destroyed, and their six saints would also die completely.

Any gods in the Great Desolate Immortal World could escape from the Great Desolate Immortal World, and they saints could only coexist and die with the Prehistoric Immortal World.

Zhunti asked with a grimace,

"What should we do now? Yuan

Shi thought about it and said seriously,

"We must convince Su Chen that no matter what the price, Su Chen's Xuantian Realm will definitely help us."

Tongtian shook his head and said, "This is simply impossible, Luo Hu, Beast King Shen Ni, these are very powerful holy realms, Su Chen cannot seek death to help us."

Hongjun stood up with a gloomy face and said,

"Su Chen will not seek death to help us, but what about Su Chen's Xuantian realm? What if Su Chen's Xuantian realm also faces threats from the demonic realm and the beast realm outside the realm?"

"We can be polite first and then fight. We will give him all the treasures Su Chen wants. If Su Chen does not help the Great Desolate Immortal Realm, we can only threaten to expose Su Chen's Xuantian Realm. Although we will completely offend Su Chen, this is also us. The only way."

I asked expressionlessly,

"We have no spatial coordinates at all in Su Chen's Xuantian Realm. How can we threaten Su Chen? Hongjun smiled and said,

"Haha, don't worry, I left a spatial imprint on Su Chen's body. I can know where Su Chen goes."

Tongtian breathed a sigh of relief when he heard Hongjun's words.

If Hongjun had not left a spatial mark on Su Chen's body,

Tongtian was going to ask the Holy Mother Guiling.

She returned to the prehistoric fairyland from Xuantian Realm. Tongtian believed in Guiling. The Holy Mother knows the spatial coordinates of Xuantian Realm.

I nodded and agreed,

"Let's decide like this. All the spiritual treasures Su Chen wants are ready. Who will go to the small world to negotiate with Su Chen this time?"

"Let me go. After all, I had a friendly negotiation with Su Chen once."

Hongjun looked at the others and then stood up and said, he doesn't believe in the negotiation ability of these five people. I am incompetent, Yuanshi is proud, Tongtian is unruly, Zhunti and Jingyin are shameless, these saints are all Not suitable for negotiation.

After the five of them heard what Hongjun said, they all didn't want Hongjun to show up.

This old scheming man was full of tricks.

After Hongjun's appearance, the five of them didn't want Hongjun to be out of their sight again. , but this negotiation with Su Chen really requires this old scheming guy.

Hongjun's plans and calculations are the first in the prehistoric fairy world.

For Su Chen, the five of them are not sure to convince Su Chen. Hongjun It is also their last hope

"I agree!"

"agree!"

"Then our senior brothers also agreed."

"I agree!"

I and the five saints looked at each other and agreed.

This is the most critical moment in the ancient immortal world. Hongjun is also deeply involved. It is impossible for Hongjun to escape at this time. The five of them believe that Hongjun will have a way to convince Su Chen.Super

God World, in Tianren No. 7.

Su Chen was resting on a chair with his eyes closed. The four Houtu girls sat together in silence and did not speak. Queen Kesha was pulled by He Xi and left the control room.

Hou Tu looked up at Xuan Ming and said,

"Sister, you shouldn't say those words to Su Chen. Xingtian and Jiufeng have followed Su Chen with the Wu clan and even left the prehistoric fairyland. You shouldn't recall Xingtian and the Wu clan army."

Xuan Ming took Hou Tu's hand and nodded and said,

"I know, I was just angry because you were so nice to that bastard Su Chen." (To read exciting novels, go to Feilu Novel Network!)

"The remaining members of the Wu clan have been handed over to Su Chen, and they have even been refining the reincarnation disk, just to free the six paths of reincarnation from the ancient world of immortality, but this bastard actually wants to part ways with you because of this trivial matter. Hou

Tu explained with a wry smile,

"Sister, I did something wrong just now too"

"I still haven't kept my heart. I said when I arrived that I would not persuade Su Chen to help the ancient world."

"But I still couldn't hold back my persuasion, and I didn't even care about Su Chen's life or death, or the life or death of Su Chen's men. Su Chen's reaction was not wrong at all."

Xuan Ming lowered her head when she heard Hou Tu's words. She thought that when Xingtian and Jiufeng arrived, would the Wu Clan listen to their orders again? Will the Wu Clan return to the prehistoric fairyland?

"coming!"

Yin Ji looked at Su Chen and reminded that she had just discovered the scent of Xing Tian and Jiu Feng coming to this small world.

Su Chen opened her eyes and said, "Yin Ji, inform Xing Tian and Jiu Feng to arrive immediately."

"good!"

Su Chen stood up and stretched his body and said, "Yinji, take me away. Let Xingtian and Jiufeng talk to them here. Let's do another thing."

"good!"

After Yin Ji heard what Su Chen said, she waved her hand and disappeared into the Sky Blade Battleship with Su Chen. Yin Ji didn't know what Su Chen was going to do, but she didn't care what Su Chen was going to do. Su Chen was Her man is also the Emperor of Xuantian Realm. No matter what Su Chen wants to do, Yin Ji will help and support Su Chen. When

Hou Tu and Xuan Ming saw Yin Ji leaving with Su Chen, they were helpless to each other. They looked at it.

They didn't know what Su Chen was going to do, but Su Chen left without saying hello to any of them. Su Chen really didn't want to talk to them. 110 Whoosh!

At this time, a man and a woman appeared in the back area. In front of them, the angels in Tianren No. 7 were used to the sudden arrival of people. The angels did not pay attention to the two people who suddenly arrived. The angels had just heard Su Chen's words, and these two people were also Su Chen's subordinates.

Xing Tian When He Jiufeng saw Xuan Ming and Hou Tu in Tianren No. 7, they hurriedly saluted,

"Xingtian (Jiu Feng) has seen Xuanming Ancestral Witch and Houtu Ancestral Witch! Xuan

Ming looked at Xing Tian and asked in surprise,

"Xingtian, are you a saint?"

Houtu, Wangshu, and Our Lady of Guiling also looked at Xingtian with surprised faces. Xingtian's aura made them all feel frightened. This was exactly the same feeling that the saint gave them. Xingtian nodded and replied,

"Xuanming Ancestral Witch, I also just became a saint not long ago. This is all thanks to His Majesty the Emperor of Heaven, otherwise I would not have become a saint."

Jiufeng looked at Hou Tu and asked," Hou Tu Zuwu, what do you want to do when you see us this time? Xuan

Ming stood up and said seriously,

"Xingtian, Jiufeng, I want you to lead the witch soldiers of the Wu Clan back to the Great Desolate Immortal Realm. The Great Desolate Immortal Realm is facing a huge threat. We, the Wu Clan, cannot stand idly by."

"Sorry, Ancestral Witch Xuanming, we are now the fighting legion of the witches and gods in the Xuantian realm. Without the order of the Emperor of Heaven, we cannot return to the prehistoric fairyland privately."

Chapter 302

In the sacrificial square of Yongcheng Palace, Lao Ai's army has now wiped out all the troops of Qin King Ying Zheng. Lao Ai who was on the sacrificial square saw that his army had taken control of the sacrificial square.

The civil and military ministers here are also under his control. Now, if he kills Queen Qin and then removes Lu Buwei, he will be able to completely control Qin. From now on, he will be the new king of Qin.

Lao Ai was now a little happy and ordered loudly,

"Heng Yi, ordered all the troops to press forward, and those who dared to resist were executed."

"Yes, Lord Marquis."

At this time, the Six Sword Slaves also killed the two masters of the Iron Eagle Warriors and went towards King Qin Yingzheng. Zhan Ri was also cleaning up the Iron Eagle Warriors who stopped him.

Ehuang Nuying and the others took the big Siming and Shao Siming come over to Su Chen, but they have forgotten the Yunzhongjun of the Tube. Yunzhongjun is still leading some disciples of the Yin and Yang family to fight against the rebels of Lao Ai.

Lu Buwei is here The situation is also very critical now. He is not the main direction of attack here, but the troops brought by Lu Buwei and his retainers are somewhat unable to withstand the attack of Lao Aui's army.

Lu Buwei looked at the troops and retainers who kept dying. Knowing that if King Qin Yingzheng could not reverse the situation, they would all be massacred by Lao Ai.

Looking at King Qin Yingzheng in front of him, Li Si couldn't help but said, "Your Majesty, can your ally be dispatched?"

Li Si was also a little helpless towards King Qin Yingzheng.

Even now, King Qin Yingzheng still did not let the monarch who was watching the show participate.

Does King Qin Yingzheng have any other trump cards?

Yingzheng turned around and looked Li Si, Feng Jie, Wei Liao and others shook their heads. Ying Zheng cannot say that he has broken the alliance with Wu Xiangjun.

Otherwise, those who follow him may collapse in an instant. Ying Zheng has now put all his hopes in It's on the head of the Yin Yang Family, Donghuang Taiyi.

Bang! Bang! Bang!

Zhang Han is now back to Ying Zheng covered in blood. This time, all the Shadow Secret Guards he brought have been killed, and the Iron Eagle Rui Shi has also been killed. After being slaughtered by Zhi Ri and Liu Jian Nu,

Zhang Han wiped the blood from the corner of his mouth and said to King Qin Ying Zheng behind him, "Your Majesty, please leave with the other adults as soon as possible. We failed."

"leave? Zhang Han, can we still leave now?"

Ying Zheng saw that Zhi Ri and Liu Sword Slave had surrounded them with a net. He knew that he couldn't escape this time even if he wanted to.

Zhi Ri came to King Qin Ying Zheng with his Sword of Hiding the Sun. The person next to me said threateningly,

"King Qin, do you want to die with dignity now or do you want me to kill you?"

"Covering the sun, the snare is the snare of Great Qin. Do you really want to betray me?"

"The snare is only the killing weapon of Great Qin. Our snare only obeys the orders of the person who controls the snare. King Qin, let me give you a ride."

Boom, just when the sun and the moon were killing Ying Zheng, a man in black robe suddenly appeared in front of Ying Zheng. Zhang Han's heart trembled when he saw this man in black robe. The aura exuded by this man made Zhang Han couldn't help but Want to retreat

"The leader of the Yin-Yang family, Donghuang Taiyi, retreat."

Zhanri shouted immediately when he saw the black-robed man appearing, but Zhanri was still a little late. After Donghuang Taiyi appeared, he stretched out a hand and slapped him casually.

The terrifying Hunxiyoulong was beaten out by Donghuang Taiyi, and the hundreds of assassins around him were completely wiped out by the terrifying aura of the Hunxiyoulong before they had time to react.

Zhanri and Liujiannu escaped from the East Huang Taiyi's attack range was so shocking that they broke out in cold sweat. They did not expect that Donghuang Taiyi in the Heavenly Realm was so powerful, and almost killed all of them with a casual palm. On the viewing platform,

Dang'e Huang Nvyang brought When Da Siming and Shao Siming escaped from Su Chen, the rebels who were chasing them were directly shot and killed by Su Chen's Netherworld Cavalry Legion.

This made the rebels behind them not sure whether they should continue to pursue them or not. Those women,

Su Chen looked at Ehuang Nvying who was dripping with sweat and said teasingly,

"Ehuang Nvying, you are in a bit of a panic now!"

E Huang came to Su Chen with a blush and said awkwardly,

"Su Chen, thank you very much this time."

Su Chen directly took Ehuang's hand and asked her to sit next to him.

"You're welcome. With our relationship, there's no way I could just ignore him."

Nvying rolled her eyes at Su Chen and then sat here with Da Siming and Shao Siming. She looked at Su Chen's look like he wanted to take advantage of her sister and said with some disdain,

"Tsk, that sounds nice, but why don't you let your men go to the battlefield to save us?"

Su Chen said to Nuying without being angry,

"Nvying, you are still a little skinny. Haven't you seen that I only have an army of more than a thousand? Do you want my men to go down there and die?"

Da Siming and Shao Siming looked at Moon God and Black and White Siming with some doubts. They did not expect that the right guardian Moon God and the former Black and White Siming were also here.

Da Siming and Shao Siming also had some doubts about this person. Out of curiosity, they were brought here by Ehuang Nüying in a daze. Now they don't know who this person is who is familiar with Ehuang Nüying and them.

"You are just greedy for life and afraid of death"

"I guess, why am I greedy for a living?.....Huh? Your leader, Donghuang Taiyi, appears."

Su Chen was about to talk to Nu Ying when he suddenly discovered what happened to King Qin Ying Zheng. When the man in black robe appeared, Su Chen knew that he was Donghuang Taiyi. Donghuang Taiyi still looked shady.

Ehuang Nvying and the others were relieved when they saw the arrival of Donghuang Taiyi. With the strength of Donghuang Taiyi in the human realm, the army here should not dare to fight against Donghuang Taiyi. Da

Siming suddenly saw people still fighting in the sacrificial square. Yun Zhongjun, who was fighting with the rebels, exclaimed,

"Damn it, Yunzhongjun is still surrounded by those rebels. We forgot about Yunzhongjun when we escaped."

After Su Chen saw Donghuang Taiyi appear, he kept observing Da Siming, who was wearing a cheongsam style, and Young Siming, who was wearing stockings and a veil. When

Su Chen heard Da Siming's exclamation, he smiled and said,

"Haha, that was Yun Zhongjun's bad luck. I don't know if your Donghuang Taiyi Palm Church will save that shameless Yunzhongjun."

Ehuang smiled when he heard Su Chen's words and said, "Su Chen, don't you like Yun Zhongjun too?"

"I can't stand the men in the Yin Yang family."

Nvying stared at Su Chen suspiciously and asked,

"Su Chen, you're not going to take over all the beauties from our Yin Yang family, are you?"

The wife of this bastard Su Chen is Concubine Yan, the head of their Yin-Yang family, and the right guardian Moon God and the former Black and White Siming now have an unclear relationship with Su Chen. And her sister is also devoted to this bastard, the current chief minister Ming and Shao

Siming are also here. This bastard can now be said to have captured all the beauties of their Yin and Yang family.

Well, not counting himself, this bastard is always against him for some reason.

"Huh? It seems to be true. Except for Yun Zhongjun and the dead Xiangjun, the guardians and elders of the Yin and Yang family, the remaining beauties are all here with me. Should I abduct you all?"

"Are you dreaming that if you dare to do this, aren't you afraid that Master Donghuang will kill you?"

Chapter 303

Su Chen touched his chin and thought that all the beauties from the Yin Yang family were with him now. Su Chen thought about taking them all away?

The beauties of the Yin Yang family are indeed good, and the Moon Goddess looks so noble and aloof that people want to conquer her at the first sight.

The best twins, Ehuang Nvyng and Black and White Siming, were rare. Black and white Siming was already his, and it shouldn't be difficult for Ehuang Nvyng to abduct them.

Da Siming has a hot look, especially her blood-red hands, which shows that she is someone who is not easy to mess with, otherwise Da Siming would not be the soul-chasing messenger of the Yin Yang family.

Shao Siming is a girl with nothing. She has been sitting there like a good baby since she arrived, and Su Chen felt that Shao Siming should be easier to deceive than Da Siming.

After thinking about it, Su Chen still felt that it was best not to do this. Just like Nuying said, if he really abducted these beauties from the Yin and Yang family, I'm afraid Donghuang Taiyi would definitely come after him.

These beauties of the Yin-Yang family are the mainstay of the Yin-Yang family. If Su Chen abducts them, the Yin-Yang family will probably be ruined. It would be strange if Donghuang Taiyi doesn't fight for him.

At this time, the fighting in the sacrificial square also stopped, and now the sacrificial square was divided into four forces.

Lao Ai took his officials and the 60,000 to 70,000 rebels who had gathered here in the middle of the sacrificial square. Lu Buwei took some officials and his hundreds of soldiers and retainers to a corner of the sacrificial square.

King Qin Yingzheng was a little pitiful, with only a few people around him.

There are more than a thousand people here in Su Chen, and they are all powerful people. A thousand Nether Iron Cavalry are very powerful. There are also several masters in Wei Zhuang's quicksand, and hundreds of secret guards cannot be underestimated.

The beauties of the Yin Yang family around Su Chen are all masters of the master cultivation realm, not to mention the shadow assassins hiding around Su Chen.

Just when these four forces were observing each other, Yun Zhongjun, who was in the square with some disciples of the Yin Yang family, was about to cry.

Yunzhongjun and some disciples of the Yinyang family were surrounded by Lao Ai's army. Although the rebels had stopped attacking Yunzhongjun and the others, Yunzhongjun and the disciples of the Yinyang family could not escape the siege of the rebels.

Yun Zhongjun was a little worried about his safety when surrounded by the rebels, but when he saw that Ehuang and Nvyng had escaped safely from the rebels, he said angrily,

"Damn it, those stinky bitches escaped without even calling me, are they making me a scapegoat?"

Yun Zhongjun took his Amaterasu sword and looked at Ehuang Nvyng and the others, and then looked at Dong Huang Taiyi of the Yin Yang family. Now Yun Zhong Jun hopes that Dong Huang Taiyi of the Heavenly Realm can rescue him, otherwise He will definitely be killed by random arrows from these rebels.

At this time, Zhanri and Liujiannu also returned to Lao'ai. Zhanri came to Lao'ai and saluted and said,

"Lord Marquis, that man in black robe is Donghuang Taiyi of the Yin Yang family. He is a land immortal in the heaven and human realm. No one here is his opponent, and even the army here cannot keep him."

Lai Ai is very angry now. Seeing that Zhan Ri and Liu Jian Nu are about to kill King Qin Ying Zheng, but something unexpected happened. Lai Ai did not expect that the Yin and Yang family would come to help King Qin Ying Zheng.

Lai Ai looked at it The other three forces said angrily,

"A terrestrial immortal in the heavenly realm? How could Donghuang Taiyi of the Yin Yang family help King Qin Yingzheng? It seems that the Yin and Yang family has cooperated with Qin King Ying Zheng, and the monarch of the Han Kingdom. How did he save Gai Nie and the women of the Yin and Yang family?"

Zhan Ri looked at Su Chen and was afraid that Lao Ai would be hot-headed and want to deal with Su Chen. That Lord of the Han Kingdom had a dozen or so masters around him. If he fought with that Lord, the gains would outweigh the losses.

Zhan Ri didn't want to do that. Lao Ai now takes action against the monarch of Han Kingdom.

"Marquis, the lord of the Han Kingdom did not want to interfere in our fight with King Qin Yingzheng. It was Gai Nie's junior brother Wei Zhuang who came to save Gai Nie just now, and the lord of the Han Kingdom made it clear that he would not intervene between the Marquis and the King of Qin. In the grievances of King Qin Yingzheng"

"As for the women of the Yin Yang family, it may be that this monarch is a lustful person, but we don't need to worry about this monarch, he probably won't let those beauties of the Yin Yang family come out to do anything against us again."

Lao Ai also knows the seriousness of the matter now. King Qin Yingzheng is his primary target. Lao Ai will not have a conflict with some unrelated people at this time.

"Well, it seems that the monarch of the Han Kingdom is a man who knows the current affairs and is a good man. He will not easily help either party until we and Qin King Ying Zheng have a winner."

"We still have to kill the King of Qin Yingzheng first. Heng Yi ordered the army to start attacking the King of Qin Yingzheng. I don't believe that the land gods in the heavenly realm can be the opponent of the 60,000 to 70,000 troops."

"Yes, Lord Marquis."

Heng Yi immediately ordered the army to attack Qin King Ying Zheng, but when he saw Yun Zhongjun and the disciples of the Yin Yang family surrounded by the army,

Heng Yi hurriedly asked Lao Ai,

"What should Master Hou do with the Yin Yang disciples who are surrounded?"

"kill"

"Yes, Lord Marquis. Heng

Yi immediately returned to the army and began to order,"Archers, prepare to shoot those Yin Yang family disciples and release arrows.""

Swish, swish, swish.

When Yun Zhongjun heard that the rebels were going to shoot them, he wanted to escape from here immediately. Yun Zhongjun didn't care about the life and death of the Yin Yang family disciples. It was important for him to escape now.

When

Yun Zhongjun just used Qinggong When he was about to escape from the rebel siege, he was stopped by the Six Sword Slaves. Yun Zhongjun looked at the six Six Sword Slaves and knew that he was going to die.

He also knew the strength of the Six Sword Slaves, and Yun Zhongjun was the only one who knew them. How could a master of alchemy be the opponent of Six Sword Slave?

Yun Zhongjun immediately shouted to Donghuang Taiyi,

"Lord Donghuang, save me."

At this time,

Donghuang Taiyi appeared next to Yun Zhongjun in a flash. Before Yun Zhongjun had time to react, he slapped Yun Zhongjun in Su Chen's direction. Su Chen was originally watching. It was exciting, but he didn't expect that Donghuang Taiyi would save Yun Zhongjun to his side. Could it be that Donghuang Taiyi wanted to drag him into trouble?

Su Chen didn't want to get involved in this matter now. It was obvious that King Qin Yingzheng was going to lose here. , if I don't get some benefits, I won't help King Qin Yingzheng anymore.

"Wei Zhuang, capture this Yun Zhongjun and hand him over to Lao Ai"

""Yes."

Just when Yun Zhongjun was still confused, Wei Zhuang appeared directly next to Yun Zhongjun and captured him. After that, Wei Zhuang tapped Yun Zhongjun's acupuncture points and led Yun Zhongjun to Zhanri.

"Hiding the sun, I will leave this Yunzhongjun to you as a reward for letting Gai Nie go."

Zhan Ri caught Yun Zhongjun who was thrown over to save Leng Ao and said,

"I accept it. Guigu disciples are true to their word. I believe you will not participate in this battle between Chang Xinhou and King Qin Yingzheng."

Weizhuang looked at Zhiri coldly and turned around to leave. This Zhiri is not something he can deal with now, but he will definitely defeat this Zhiri in the future.

Nuying looked at Su Chen with some confusion and asked,

"Su Chen, why did you capture Yun Zhongjun and hand him over to Lao Ai?"

Da Siming and Shao Siming have stood up and looked at Su Chen warily. Da Siming and the others are now afraid that Su Chen will suddenly turn against him and will capture them and hand them over to the rebels of Lao Ai.

Yueshen and E The emperor didn't feel anything wrong about Su Chen doing this. They knew that this bastard had his reasons for doing everything.

This time it was obviously Donghuang Taiyi who wanted to get Su Chen involved in these things, but this time I'm afraid Donghuang Taiyi It was about to make a miscalculation.

When Su Chen saw Da Siming and Xiao Siming who were a little panicked, he rolled his eyes at Nu Ying and said,

"Can't I hate the men of the Yin Yang family?"

"You bastard, just say you like the beauties of the Yin Yang family."

Chapter 304

When Nvying saw Da Siming and Shao Siming standing up and looking warily at the bastard Su Chen, she grabbed Da Siming and Shao Siming and shook her head at them.

Nvying knew that this bastard didn't like the men of the Yin Yang family. Wasn't that Xiang Jun killed by this bastard?

Su Chen smiled and did not answer Nuying.

Su Chen just liked the beauties of the Yin Yang family, but now was not the time to talk about this. Anyway, the beauties of the Yin Yang family were all with him, and he would slowly get rid of these beauties in the future.

Yun Zhongjun was crying and looking at the sun holding him next to him. This time Yun Zhongjun knew that he was really going to die.

Yun Zhongjun didn't understand why Donghuang Taiyi didn't save him with King Qin Yingzheng when he saved him, but wanted to knock him down with Ehuang Nuying and others.

Fortunately, now, he was used as a bargaining chip to hide the sun. I am afraid that he will be executed soon.

At this time, as soon as Donghuang Tai appeared next to King Qin Yingzheng, he asked King Qin Yingzheng in a low voice,

"King Qin, what's going on with Mr. Wu Xiang?"

Donghuang Taiyi also feels that something is wrong now. Why didn't Lord Wu Xiang participate in the fight between Lao Ai and King Qin Yingzheng?

Now he even gave Lord Yun Zhong to Lao Ai, which made Donghuang Taiyi think a little. I don't understand.

Isn't Lord Wu Xiang an ally with King Ying Zheng of Qin? Why didn't Lord Wu Xiang's army show up?

Now his disciples of the Yin Yang family have suffered heavy losses. Except for the disciples of the Yin Yang family who were taken to Lord Wu Xiang by Ehuang Nuying and others, the rest All the disciples of the Yin Yang family died in the army of the Lao Ai rebels.

Now Emperor Taiyi of the East guessed that Lord Wu Xiang might have conflicts with King Ying Zheng of Qin, and even the alliance between them was broken.

King Ying Zheng of Qin was a little embarrassed. The black one said to Donghuang Taiyi,

"Donghuang's headmaster, Wu Xiangjun has terminated the alliance with me."

When Qin Wang Ying Zheng said these words, Donghuang Taiyi suddenly burst out with a powerful momentum.

Donghuang Taiyi did not expect that Qin Wang Yingzheng and Wu Xiangjun had broken up, and he foolishly sent disciples of the Yin and Yang family to come forward. Come and die.

If Donghuang Taiyi had known in advance that King Qin Yingzheng and Wu Xiangjun had broken up, he would never have been able to send disciples of the Yin Yang family to help King Qin Ying Zheng. There were hundreds of thousands of rebels here, and all the disciples of the Yin Yang family came. They also delivered food.

King Qin Yingzheng, Zhang Han, and Li Si were all shaken back by Donghuang Taiyi's sudden burst of momentum. They all knew that Donghuang Taiyi was angry.

Donghuang Taiyi's face under the mask was very ugly. The second time was that he failed to think about it. He should say hello to Lord Wu Xiang and then discuss cooperation with King Qin Yingzheng. Now the Yin and Yang family has paid a huge price.

"King Qin, do you know why I want to cooperate with you?"

"Is it for Mr. Wu Xiang?"

"Yes, you don't have the capital to cooperate with me now. I also saw that Mr. Wu Xiang has an alliance with you, so I want to jointly cooperate with you."

"Mr. Wu Xiang? Dongjun of the Yin Yang family is Wu Xiangjun's wife, and Qianluowang Jingyu is also Wu Xiangjun's wife. Headmaster Donghuang, who do you think Wu Xiangjun's wife is?"

"King Qin, you don't need to sow discord between Lord Wu Xiang and the Yin Yang family here. I have investigated everything about Lord Wu Xiang. It is true that Jing Salad is Lord Wu Xiang's wife, and Concubine Dong Jun of our Yin Yang family is Concubine Yan. There is nothing wrong with being Mrs. Wu Xiangjun, but one of them is the invisible Mrs. Jun and the other is the Mrs. Jun who manages the entire Lord Wu Xiang's house."

The face of King Qin Yingzheng is very ugly now. He also sees that Li Si and the others are a little uneasy now. King Qin Yingzheng has no backup plan now. Even Donghuang Taiyi in the Heavenly Realm may not help him anymore.

Ying Zheng smiled amusedly. He did not expect that he would lose everything just by making one wrong move.

Wu Xiangjun is really a key figure. King Qin Yingzheng did not expect that Wu Xiangjun could affect the realm of heaven and man. Donghuang Taiyi.

Maybe he really failed this time. Even if Wang Jian now controls the 200,000 rebels outside Yongcheng, I am afraid that the 100,000 rebels here will destroy him first.

Ying Zheng is a little bitter He smiled and said to Donghuang Taiyi,

"Haha, Headmaster Donghuang, then your Yin Yang family also wants to cancel the cooperation with the widow?"

"Yes, Lord Wu Xiang is an important ally of our Yin Yang family, and it is impossible for us to cooperate with Lord Wu Xiang's enemies."

At this time, Zhang Han, who was covered in blood, suddenly said to Donghuang Taiyi,

"Lord Donghuang, what if the king re-establishes an alliance with Lord Wu Xiang?"

"Then our cooperation will continue."

Zhang Han immediately knelt down in front of King Qin Yingzheng and begged,

"Your Majesty, please go and ask Lord Wu Xiang. For the sake of the Qin Dynasty, please continue your alliance with Lord Wu Xiang."

Zhang Han knows that Lord Wu Xiang is very powerful now. If Lord Wu Xiang helps him this time, King Qin Yingzheng may defeat Lao Ai.

Now as long as King Qin can bow to Lord Wu Xiang, Lord Wu Xiang may You can help King Qin again.

Zhang Han now hopes that King Qin can admit his mistake to Lord Wu Xiang and get help from Lord Wu Xiang

"Please your Majesty and Lord Wu Xiang to continue their alliance."

Li Si and Wei Tie also knelt down and begged Qin King Ying Zheng.

Li Si and the others also knew that this was their last chance to turn over the cards.

Although Li Si and the others did not know how capable Wu Xiangjun was, they saw that Li Tian The Eastern Emperor Taiyi in Human Realm was very optimistic about Lord Wu Xiang, which made Li Si and others persuade the King of Qin to resume the alliance with Lord Wu Xiang. King

Qin Yingzheng looked a little tangled now. He, a majestic king of Qin, wanted to ask a monarch Bowing his head to admit his mistake made King Qin Yingzheng feel a little embarrassed, but now he had no choice but to bow his head.

Lao Ai's army and the snare were about to come. If he didn't make a decision, I'm afraid they would all be massacred by these rebels.

King Qin Yingzheng looked at Wu Xiangjun with a complicated look and said to Donghuang Taiyi,

"I agreed, Headmaster Donghuang, take us to Mr. Wu Xiang's place."

""Okay."

Just after Lao Ai's army destroyed the remaining Yin Yang family disciples, and these rebels and snare killers were about to kill Qin King Ying Zheng, they found that Qin King Ying Zheng and several of his ministers were led directly by Donghuang Taiyi. Flying towards the viewing platform

"Military crossbows are ready."

When the Netherworld Iron Cavalry Legion saw Donghuang Taiyi flying in with some people, they all raised their Qi-breaking crossbows and prepared to attack Donghuang Taiyi and the others.

"Stop it,"

Su Chen said immediately when he saw that the Netherworld Cavalry Army was about to attack Donghuang Taiyi.

Donghuang Taiyi was a terrestrial immortal in the realm of heaven and man. Su Chen didn't want his army to piss off Donghuang Taiyi, otherwise he might have a problem. Trouble.

Su Chen's wife Shi Guanyin and Marquis Bai Ruobing are not here. Su Chen doesn't want to offend Donghuang Taiyi at this time.

"Yes, Your Majesty"

Chapter 305

Su Chen also didn't expect that Donghuang Taiyi would bring King Qin Yingzheng and others here. This made Su Chen look a little ugly. Was Donghuang Taiyi trying to drag him into trouble?

Su Chen wanted to watch a show this time. Su Chen would not easily forgive Ying Zheng for his betrayal. Although he was not a very tolerant person, Su Chen would be willing to deal with those who dared to scheme against him. Revengeful.

Su Chen wanted to see what Donghuang Taiyi and King Qin Yingzheng were doing when they came to him this time. Are they trying to drag him into trouble?

"See Donghuang Headmaster."

When Donghuang Taiyi arrived with Qin Wang Yingzheng and others, Yueshen, Ehuang Nvying, several elders of the Yinyang family and the disciples of the Yinyang family saluted him,

Donghuang Taiyi waved to Yueshen and the others. He looked at Su Chen and said,

"Mr. Wu Xiang, I didn't expect that we would meet here. I liked your previous gift very much."

Su Chen was a little confused when he looked at the petite Donghuang Taiyi. This man wearing a black robe and a mask on his face looked a bit...Sleep.

Donghuang Taiyi's height is only about 1.7 meters. Compared with Su Chen's height of 1.8 meters, Donghuang Taiyi is a bit short. Su Chen thinks that Donghuang Taiyi is not really a woman, right?

Su Chen looked at Dong Huangtai and smiled before saying to him,

"It's just that everyone gets what they need. Headmaster Donghuang doesn't have to be polite."

Donghuang Taiyi didn't beat around the bush, he said directly to Su Chen,

"Mr. Wu Xiang, I hope your alliance with King Qin can continue this time. Is it possible?"

At this time, King Qin Yingzheng also came to Su Chen and bent down to apologize to Su Chen,

"Mr. Wu Xiang, I have offended many people before. I apologize to Mr. Wu Xiang here."

"Hahaha....."

Su Chen thought this was a bit funny. Donghuang Taiyi and Qin Wang Yingzheng came here to want him to be the scapegoat. Now Donghuang Taiyi and Qin Wang Yingzheng's men and armies have been killed, and those who were destroyed have been destroyed. , thinking of themselves at this time, do they think they are a fool?

Moon God and Ehuang Nvyang looked at Su Chen worriedly. They were a little worried that Su Chen would offend Donghuang Taiyi. Although Donghuang Taiyi wanted to intimidate Su Chen this time, after all, King Qin Yingzheng had already apologized. Moon God, Ehuang Nvyang and others hope that Su Chen can agree to Donghuang Taiyi's proposal.

Donghuang Taiyi and Ying Zheng turned ugly when they heard Su Chen's laughter. They knew that Lord Wu Xiang might not agree to conclude an alliance again this time.

Wei Zhuang, Tianze and others in Liusha looked at King Qin Yingzheng and the others with some disdain. Lord Wu Xiang was tricked by King Yingzheng of Qin. If Lord Wu Xiang had not known about Ying Zheng's conspiracy in advance, I am afraid they and Netherworld The cavalry regiment will also suffer heavy casualties in this battle.

When Donghuang Tai saw that Su Chen might not help Ying Zheng anymore, he decided to help King Qin Ying Zheng. After all, King Qin Ying Zheng would be very important to some of his plans in the future. He did not want King Qin Ying Zheng to fail and die here.

Donghuang Taiyi's deep and hoarse voice interrupted Su Chen's laughter and said,

"Mr. Wu Xiang, I hope you will think it over carefully this time?"

Su Chen waved his hand and refused, "No need, I will not continue to cooperate with someone who betrays his allies."

"Wu Xiangjun, don't you really think about it?" Donghuang Taiyi's eyes flashed and he appeared directly in front of Su Chen and asked.

Whoa! Whoa! Whoa!

When the secret guards saw Donghuang Taiyi suddenly appearing in front of Su Chen, they all raised their Qi-breaking crossbows and pointed them at Donghuang Taiyi and the Netherworld Cavalry Legion also hurriedly gathered around. Wei Zhuang and the others immediately stood up, and took out their weapons one after another, ready to take action.

Su Chen waved to his army and subordinates, and He smiled coldly and said to Donghuang Taiyi,

"Haha, Master Donghuang, do you want to force me?"

"No, I'm just trying to persuade you."

Donghuang Taiyi looked at the movements of the surrounding troops, secret guards and some masters, and he continued to say to Su Chen without paying attention,

"Whether you agree or not is up to you, I just want you to think it over clearly."

Su Chen looked at his troops and men around him and sneered, "Persuade me? What if I don't agree?"

Donghuang Taiyi didn't expect that he had already put pressure on Wu Xiangjun, but he still didn't agree. Do you have to force Wu Xiangjun yourself?

Wu Xiangjun is also very important to their Yin and Yang family, and Wu Xiangjun is also very powerful. is powerful, but Ying Zheng is crucial to his plan. If Ying Zheng fails and is killed this time, then some of his plans may not be implemented, and the Yin Yang family's hundreds of years of efforts may not be realized.

Donghuang Taiyi feels that it is better to The centuries-old plan of the Yin Yang family is important. Although this will offend Lord Wu Xiang and even damage Lord Wu Xiang's army, Donghuang Taiyi can only compensate Lord Wu Xiang in the future.

Donghuang Taiyi raised his head and looked at Su Chen. He said in a low voice,

"Just pretend I didn't say it, but I can't guarantee your safety."

Su Chen stood up after hearing Donghuang Tai's words and asked coldly,"My safety? Donghuang Taiyi, are you threatening me?"

At this time,

Lao Ai saw that Ying Zheng was brought to the Han Kingdom Lord by Donghuang Taiyi and was about to give an order to attack. However, before he gave the order, he saw that the situation was already tense. After thinking about it, Lao Ai decided not to attack. Give the order again.

Lao Ai looked at Su Chen and asked Zhan Ri next to him,

"Hiding the sun, does that monarch have nothing to do with King Qin Yingzheng? Why are they starting a fight there?"

Zhi Ri also discovered that the subordinates of the Lord of Han State and Donghuang Taiyi were about to have a conflict. It seems that Donghuang Taiyi said something to the Lord of Han State, but the Lord of Han State did not agree.

Zhan Ri guessed that it must be Donghuang Taiyi may have threatened the monarch of Han Kingdom,

"Marquis, Gai Nie's junior brother said that they will not participate in our fight with King Qin Yingzheng. Now it seems that Donghuang Taiyi wants to force the monarch of Han State."

"Well, if that monarch of the Han Kingdom wasn't a fool, he wouldn't have been able to help Ying Zheng at this time. We have nearly a hundred thousand troops here. If he didn't want to die, he would definitely not agree to King Qin Ying Zheng's conditions."

"Covering the sun, we wait and see, hoping that they can start fighting. As soon as they start fighting, we will attack."

Lao Ai nodded after listening to Zhanri's words. He also saw all these. Although he didn't hear the conversation between Donghuang Taiyi and the monarch, it seemed that the Hanlord didn't agree to anything. Donghuang Taiyi threatened the lord of the Han Kingdom, which made the lord of the Han Kingdom's subordinates become at war with Donghuang Taiyi and the others.

"Yes, Lord Marquis."

At this time, Yueshen and Ehuang Nvyang were very worried when they saw Su Chen and Donghuang Taiyi at war with each other.

They couldn't understand why Su Chen didn't agree to Donghuang Taiyi. Donghuang Taiyi was in the realm of heaven and human beings. The land god, if Su Chen really disobeyed Donghuang Taiyi, I am afraid that Su Chen would not be able to leave here alive.

Donghuang Taiyi clasped his hands behind his back and said in a hoarse voice, "Wu Xiangjun, you can think so"

"Hey, Donghuang Taiyi, do you think you can do whatever you want with your strength in the Heavenly Realm?"

"Is not it?"

"Yeah? My husband cannot be threatened by anyone."

Chapter 306

Su Chen also insisted on fighting Donghuang Taiyi. He couldn't admit defeat now. His subordinates and troops were watching here.

It was impossible for Su Chen to bow to Donghuang Taiyi. Even if Donghuang Taiyi wanted to kill him, he probably wouldn't be able to do it. Although Su Chen couldn't defeat Donghuang Taiyi, he wanted to escape but Donghuang Taiyi couldn't keep him.

Su Chen is ready to teleport away from here at any time. As long as he can escape, Donghuang Taiyi will not be able to take action against his men and troops.

Su Chen was highly concentrated and said disdainfully to Donghuang Taiyi,

"Hey, Donghuang Taiyi, do you think you can do whatever you want with your strength in the Heavenly Realm?"

Donghuang Taiyi did not expect that Su Chen was not afraid of him. Although Donghuang Taiyi did not want to kill Su Chen, he also threatened Su Chen to let him continue to cooperate with Qin Wang Yingzheng.

Donghuang Taiyi is now a little unable to step down..

Donghuang Taiyi held his hands tightly behind his back and continued to threaten helplessly,

"Is not it?"

"Yeah? My husband cannot be threatened by anyone."

At this moment, a beautiful woman with a bumpy figure suddenly appeared next to Su Chen. After she appeared, she stared at Donghuang Taiyi and said threateningly. When

Su Chen saw the Marquise who suddenly appeared next to him, he hugged her happily. She stopped and said,

"Ruobing, why did you come? If you were a little later, you might not be able to see your husband."

Su Chen didn't expect that Marquis Bai Ruobing would appear at this time.

The arrival of Marquis Bai Ruobing made Su Chen less afraid of Donghuang Taiyi. His wife was also a land fairy in the heavenly realm. Although she didn't know that Bai Ruobing was He is not the opponent of Donghuang Taiyi, but the land gods who are also in the heaven and human realm are not so easy to defeat.

""See Madam."

When the Netherworld Cavalry Corps and the secret guards saw the Marquise Bai Ruobing appearing, they all saluted her.

Wei Zhuang and the others breathed a sigh of relief when they saw the Marquise Bai Ruobing appear. With the Marquise here, it is impossible for the East Emperor to be Taiyi. Now they are threatening Wu Xiangjun Su Chen.

People like Wei Zhuang and Liusha have seen Marquise Bai Ruobing, and they also know that Marquise Bai Ruobing is a terrestrial immortal in the heavenly realm.

It was the Marquise who helped them kill Black and White Xuanjian. Like those assassins from Ba Linglong, the Marquise was very powerful.

King Qin Ying Zhenghe saw that the woman he met on the road appeared again, and she looked like she was not afraid of Donghuang Taiyi at all.

King Qin Ying Zheng knew that This woman must be a land fairy as powerful as Donghuang Taiyi. Thinking of this, King Qin Yingzheng regretted plotting against Wu Xiangjun even more. The

Marquise smiled at Su Chen and said,"I met Yan on the road. Lingji and the others, otherwise I would have arrived long ago"

"What are you doing here, Baby Flame?"

Su Chen was a little strange. Yan Lingji and the others were not waiting for him in Zilan Pavilion, so why did they come to Da Qin?

Da Qin is a little uneasy now, and their beautiful women are not afraid of trouble.

Seeing Su Chen's confused look, Bai Ruobing turned to him and said, "Come to help you. Zinu knows that you may be in danger here, so she asked some experts from Zilanxuan to come and help you."

"Forget it, come on." Su Chen hugged Marquis Bai Ruobing and kissed her, saying that this time the Marquis arrived very timely. Su Chen also wanted to know what Donghuang Taiyi's expression would be when he saw that his wife was also a terrestrial immortal in the heavenly realm..Although

Su Chen is a bit of a softie now, wouldn't it be nice to eat his own wife's soft rice?

The Marquise blushed when she saw that this bastard Su Chen was touching her and kissing her at this time.

She glared at Su Chen and said Looking at Donghuang Taiyi, he said coldly,

"Donghuang Taiyi, I haven't seen you for decades and you still like to hide your head and show your tail."

The Queen of the East is very surprised now. He did not expect that the Marquis Bai Ruobing is not dead, and now she has become the wife of Wu Xiangjun.

This makes the Queen of the East a little admired by that bastard Wu Xiangjun. She was Bai Ruobing's suitor back then. But there were many people, but in the end Bai Ruobing never agreed to those who pursued her even though she was alone all her life, but now she is married to the shameless bastard Su Chen.

Donghuang Taiyi said to Bai Ruobing in a hoarse voice,

"Marquise, I didn't expect that you didn't die. It seems that you faked your own death and deceived your adopted son Bai Yifei. But I didn't expect that you would marry such a shameless person."

What the hell, what does this Donghuang Taiyi mean?

Su Chen now wants Marquis Bai Ruobing to teach Donghuang Taiyi a lesson. Why is he such a shameless person?

This is the first time Su Chen has seen him today. Seeing Donghuang Taiyi, Su Chen didn't expect that Donghuang Taiyi would say this to him, as if he was worthless.

Bai Ruobing looked at Donghuang Taiyi who was covering his face and speaking to her in a hoarse voice and said mockingly,

"Donghuang Taiyi, don't pretend to be in front of me. Are you becoming more and more timid as you live? Dazhou has been destroyed for decades now. Do you still not like to expose your identity?"

Donghuang Taiyi is a little nervous now. He is now afraid that Marquise Bai Ruobing will reveal his identity. Now the only people who know his identity are Marquise Bai Ruobing and Taoist Bei Mingzi. Donghuang Taiyi doesn't want Bai Ruobing to expose him here. Identity.

Dong Huangtai pointed to an attic in the palace next to him and said to Marquis Bai Ruobing

"This is not the place to talk, Marquise. Let's go talk somewhere."

""Okay."

Bai Ruobing looked at the people around him and agreed. After all, Donghuang Taiyi's identity is very special. Bai Ruobing doesn't want to expose Donghuang Taiyi's identity here. After all, she and Donghuang Taiyi had a good relationship decades ago. ,

Marquis Bai Ruobing nodded to Su Chen and disappeared with Donghuang Taiyi.

Su Chen was a little speechless, but he was very interested in Donghuang Taiyi's identity, but now Donghuang Taiyi and his wife Bai Ruobing left together, Su Chen also knew that she couldn't hear some secret things here.

Yue Shen was very shocked when she saw Bai Ruobing appear. That woman gave her a very dangerous feeling, just like Donghuang Taiyi gave her the same feeling.

This made Yue Shen God guessed that Su Chen's wife should be a land fairy in the realm of heaven and human beings, but what Moon God couldn't figure out was how could that woman who was the same generation as Donghuang Taitong be the wife of Su Chen, a bastard?

Then Moon God came Su Chen, who was next to him, asked doubtfully,

"Su Chen, is that woman really your wife?"

Ehuang Nvyng and other beauties from the Yin and Yang family are also very curious about that woman. Now that they hear the Moon God ask Su Chen, they all prick up their ears and want to know if that powerful woman is really Su Chen. Husband.

Now even the young girl Shao Siming is looking at Su Chen with shining eyes. Shao Siming also wants to know about that powerful woman.

"uh-huh"

"What the hell are you talking about, your wife is a master of the Heavenly Realm? And he is also the same generation as Headmaster Donghuang?"

"Yes what's the matter?"

Chapter 307

Su Chen saw that the beauties of the Yin and Yang family, such as Yueshen and Ehuang Nvyng, were interested in the identity of the Marquise Bai Ruobing. He did not want to hide it from them. After all, this was not a shameful matter. They would definitely know about the Marquise in the future. the true strength.

After receiving Su Chen's affirmative reply, the women of the Yin and Yang family, Moon Goddess and Ehuang Nvyng, looked at Su Chen in different ways. Moon Goddess looked at Su Chen in surprise, while Ehuang looked at Su Chen in confusion. Looking at Su Chen.

Nvying, a girl, actually looked at him with contempt, while Da Siming and Shao Siming looked at him with disbelief, while Black and White Siming looked at him with admiration.

Su Chen looked at these women from the Yin and Yang family and shook his head. Sure enough, life is full of different situations, and there are a thousand Hamlets among a thousand people.

Su Chen smiled when he saw King Qin Ying Zheng and Zhang Han looking a little restless next to him. This time it was up to him to see what kind of chips Donghuang Taiyi and King Qin Ying Zheng would use to ask him to help them.

It is impossible for Su Chen to form an alliance with King Ying Zheng of Qin again. If Ying Zheng can plot against him once, he will definitely plot against him again in the future, especially after he gets the power of Qin in the future, he will definitely take revenge for what happened today. Su Chen only You won't be so stupid as to join forces with King Qin Ying Zheng again.

"Youruo, please order Wang Meng's Netherworld Cavalry Legion to enter Yongcheng. If they encounter any obstruction, they will be killed without mercy."

"Yes, master."

Ehuang asked suspiciously after hearing Su Chen's order, "Su Chen, are you going to help King Qin Yingzheng?"

Ehuang is a little strange now. Just now Donghuang Taiyi threatened Su Chen and he didn't agree to help King Qin Yingzheng. How can he let the army enter Yongcheng now?

Is this bastard going to start helping King Qin Yingzheng?

But this doesn't make sense. Su Chen would not help King Qin Yingzheng for no reason. Does this bastard have any conspiracy?

Su Chen took Ehuang's little hand and said with a smile,

"I haven't decided yet. I asked the Netherworld Cavalry Legion to enter Yongcheng to protect us. After all, Lao Ai has a lot of troops here. If we don't have the army, if Lao Ai takes action against us, I'm afraid you will all be exhausted and destroyed. kill."

The Moon God said helplessly when he saw that this bastard was not worried about the current situation at all,

"It's not that something might happen, but something has already happened. Don't you, bastard, see that we are now surrounded by Lao Ai's army?"

"Hasn't Lao Ai not taken action yet?"

Of course Su Chen also discovered the rebels surrounding them. He now guessed that Lao Ai must have just seen the confrontation between him and Donghuangtai. This Lao Ai wanted to take advantage of others.

Yueshen was a little uncomfortable. He understood and asked, "What do you mean you bastard?"

Su Chen looked at the Moon God speechlessly, what happened to the Moon God today?

The Moon God is a magic stick, and now he asked himself, does the Moon God regard him as a magic stick? Su Chen doesn't know that. What is the law of stargazing?

Su Chen flicked the forehead of Moon God and said,

"Lao Ai didn't bring Ying Zheng over to attack us in Donghuang Taiyi just now. He must not want to start a war with me. After all, I am not from the same family as your Yin Yang family and King Qin Ying Zheng."

"Lao Ai must want me to start a war with your Yin Yang family now. At that time, Lao Ai will take action.

"And there is no need for Lao Ai to conflict with me at this juncture. If Lao Ai gains power in the future, he will definitely not be able to spare me. Even after killing King Qin Ying Zheng, he will also kill me."

When Yueshen saw this bastard flicking her forehead in front of so many people in the Yin Yang family, she slapped Su Chen's hand away in shame and continued to ask,

"Then why didn't Lao Ai send someone to ask you to hand over Ying Zheng and the others?"

"It should be soon. When Lao Ai sees that we are not fighting, he will definitely send someone to ask King Qin Ying Zheng and the others."

Ehuang leaned on Su Chen and asked doubtfully, "Su Chen, will you hand over King Qin Yingzheng?"

Su Chen took the opportunity to hug Ehuang's waist and said,

"Let's look at the situation. If Ying Zheng doesn't pay enough, I will hand over Ying Zheng and the others. If the conditions paid by Ying Zheng satisfy me, maybe I will save their lives."

Nüying felt a little embarrassed when she saw this bastard holding Ehuang. This bastard was really trying to trick her sister, but her sister didn't even open Su Chen's hand on her waist.

This made Nüying know that her sister Ehuang This bastard also deceived her heart.

Nuying walked up to Su Chen and said mockingly,

"You are shameless, aren't you taking advantage of others' danger?"

"Hey, what does it mean that Ying Zheng plots against me?"

"Plotting against you? Did King Qin plot against you?"

"Of course, if King Qin had not plotted against me, how could I have fallen out with King Qin Ying Zheng or even terminate our alliance?"

"So this is ah"

"Silly girl, don't be rough in doing things in the future. Learn more from your sister. Look at how gentle and quiet your sister is. Didn't you study very well before? Why have you revealed your true colors since Mr. Xiang was killed?"

"Tsk, what should I be afraid of if Mr. Xiang is dead? This is my original character."

Su Chen didn't bother to talk to Nuying after hearing what Nuying said. This Nuying is no longer threatened by Xiang Jun. She has completely liberated herself now. Nuying has completely turned into a crazy girl.

King Qin Yingzheng is now He looked at the bastard Su Chen talking with those women from the Yin and Yang family with a complicated expression. Although he didn't hear what Su Chen and the others were talking about, he was a dignified king of the Qin Kingdom and was ignored by this bastard.

This made Qin King Ying Zheng look confused. It's a bit ugly. If it weren't for the threat of Lao Ai, Ying Zheng would have left here long ago. Ying Zheng now also understands that he overestimated Donghuang Taiyi in the heavenly realm. Yingzheng originally thought that with the help of Donghuang Taiyi, Lao Ai and his rebels are nothing to worry about. Ying Zheng now knows that he was completely wrong.

Donghuang Taiyi may also be helpless against the tens of thousands of troops here, otherwise Donghuang Taiyi must have begun to massacre the rebels here..

Ying Zheng now hopes that Wang Jian's army can quickly deal with or surrender the rebels outside Yongcheng, otherwise he will continue to be embarrassed here.

At this time,

Lao Ai saw that the monarch has been with a woman since Donghuang Taiyi After leaving, he kept talking to those beauties, and he was very angry.

Lao Ai didn't want to wait any longer. Now that Donghuang Taiyi, the land god in the heavenly realm, was not around, Lao Ai decided to take the opportunity to kill Qin King Ying Zheng. , he didn't want anything to happen again.

Lao Ai now wanted to know if the Lord of Han State wanted to help King Qin Yingzheng? If the Lord of Han Kingdom really wanted to help King Qin Yingzheng, then he wouldn't mind helping them. After killing them all,

Lao Ai ordered Zhan Ri next to him with a somewhat grumpy temper,

"Damn it, Hiding the Sun, go ask that Lord of the Han Kingdom, is he going to do something right with me? If that bastard doesn't want to go against me, let him hand over King Qin Yingzheng to me"

"Yes, Lord Marquis"

Chapter 308

After listening to Lao Ai's order, Zhan Ri rushed towards Su Chen. Zhan Ri was also very confused now. The woman Zhan Ri who appeared just now felt that she was very powerful, even the same threat that Donghuang Taiyi gave him..

Zhanri guessed that the monarch's woman must also be a very powerful master. The situation was getting weirder and weirder now. Zhanri didn't know if the Lord of Han Country would be involved in this matter.

When Zhi Ri was about to arrive at the viewing platform, Wei Zhuang stopped in front of Zhi Ri and asked coldly,

"Hiding the sun, what are you doing here?"

Zhanri looked at Wei Zhuang with a bronze mask and asked,

"Wei Zhuang, Marquis Chang Xin asked your lord to hand over Qin Wang Ying Zheng, but you said you would not participate in the fight between Chang Xin Marquis and Qin Wang Ying Zheng. Do you still keep your words?"

Weizhuang pointed at the surrounding troops and said mockingly,

"This depends on your attitude towards Chang Xinhou. What does it mean now that Chang Xinhou's army is surrounding us? Does Chang Xinhou want to kill us as well?"

"We are only targeting King Qin Yingzheng, and we have no intention of taking action against your Majesty."

Zhan Ri didn't expect that the siege by these troops made these people think that Chang Xinhou was going to take action against them. Zhan Ri could only explain to Chang Xinhou Lao Ai.

"Then you can explain it to our Lord Wu Xiang."

Weizhuang looked at Zhan Ri and turned around to take Zhan Ri to Su Chen. Wei Zhuang can't decide on these matters. Now Wei Zhuang also wants to know what that bastard Su Chen is thinking.

Zhan Ri heard that Wei Zhuang That Wu I'm talking about Jun felt a little familiar, and he suddenly thought of Jun Wu Xiang, who was mentioned many times on the ranking list of martial arts beauties. Zhi Ri looked at the beauties around Jun Wu Xiang again, and now Zhi Ri also understood.

This monarch was not the monarch of Han State at all, but the Lord Wu Xiang of the Southern Continent, which surprised Zhi Ri.

This Lord Wu Xiang is a bit awesome. His confidante are all very powerful, and even the forces behind those beauties are also very powerful. Zhan Ri doesn't want Chang Xin Hou Lao Ai to offend this pretty boy who is just a freeloader.

Su Chen also discovered the arrival of Luo Wang Tianzi's first-class killer Zie Ri. Su Chen was also very curious about the identity of Zhe Ri. Even Jing Shao, the Tianzi killer, had never seen Zie Ri's true face. Who is it? Su Chen only had some guesses.

When Zhan Ri and Wei Zhuang came to Su Chen, Zhan Ri saw Wu Xiangjun, who looked like a playboy, holding a peerless beauty and talking to other beauties.

Zhan Ri looked at Su Chen with some contempt. He saluted and said,

"The net covers the sun and I saw Mr. Wu Xiang"

"Hiding the sun, do you know who I am?"

"I know."

Su Chen looked at Zie Ri who was hiding his identity and smiled and said,

"Then you should know about the previous snaresThe first-class Jingshao is my wife. Are you interested in doing something for me? After all, you and my wife used to belong to the same force. If you agree to work for me, I can accept all the killers in the net."

I wonder if Lord Wu Xiang has wandered off.

Now he is surrounded by Chang Xin Hou Lao Ai's army. Zhi Ri is also going to give an ultimatum this time, but this bastard actually wants to recruit him?

Zhi Ri I feel that this Wu Xiangjun is an out-and-out pretty boy. Maybe he has a way with women, and Jingyu may have been deceived by his sweet words. Does this Wu Xiangjun think that with the protection of those beauties, he can sit back and relax? Is this?

This is the State of Qin. Chang Xinhou is about to control the State of Qin. Zhan Ri is not a fool. He will agree to this bastard at this time.

"Lord Wu Xiang joked, I came here this time to ask Lord Wu Xiang to hand over King Qin Yingzheng to me and take him away."

Su Chen let go of Ehuang and walked to Zhanri with a smile and said,

"Hiding the sun, we will discuss the matter of King Qin Yingzheng later. Let's talk about whether you want to be loyal to me."

Su Chen now feels that if Zhan Sun is brought over, Zi Lan Xuan of Zi Nu will be safer in the future. The quicksand of Wei Zhuang plus the secret guards and shadow assassins around Zi Nu can already protect Zi Lan Xuan.

But Su After Chen Chen and Qin King Ying Zheng terminated their alliance, Su Chen was also worried that after he left the Eastern Continent, Ying Zheng would take action against Zilanxuan after gaining power in the Qin State. If the assassins of Zhi Ri and Luo Wang could be subdued this time, then what would happen next? Zilanxuan can sit back and relax.

At this time, Wei Zhuang, Yueshen and other beauties from the Yin and Yang family were a little speechless. This concealment of the sun was obviously asking Su Chen to hand over Qin Wang Yingzheng. This might be Chang Xinhou Lao Ai's handing over to Su Chen. The ultimatum.

But this bastard actually wants to instigate Luo Wang's Tian Zi killer Zhi Ri. Even King Qin Yingzheng Luo Wang has not subdued Luo Wang's assassins. Can this bastard Su Chen subdue this Tian Zi killer Zhi Ri?

Zhi Ri is now a bit His face was dark, why didn't this bastard Wu Xiangjun play his cards according to the routine? This time he came to threaten Wu Xiangjun to hand over the King of Qin Yingzheng, but this bastard actually tried to force himself to be loyal to him.

Zhanri felt that this time Wu Xiangjun Xiangjun will not hand over King Qin Yingzheng, and he doesn't want to listen to this bastard's nonsense here.

Su Chen smiled when he saw Zhanri looking like he was about to turn around and leave, and said,

"Hidden Sun, your identity is a mystery, but no one knows it. I happened to guess your identity. Do you want to know?"

Just when Zhan Ri was about to turn around and leave, Su Chen's words made Zhan Ri's body freeze up. The face under Zhan Ri's mask was a little frightened.

Zhan Ri didn't know if what Wu Xiangjun said was true. Zhan Ri He was also afraid that Lord Wu Xiang would really know his identity. If Lord Wu Xiang really knew his identity, he would be in trouble in the future.

Su Chen also made some guesses about Zhi Ri's identity based on some plots in the anime. First of all, Zhan Ri said that his status is very noble, so Zhan Ri's status and family in Qin must be very noble.

Especially what Zhang Han said to Zhan Ri in the anime: "Send hello to your mother for me."!], Su Chen guessed that the future mother of Zhiri must be a very noble woman, and Zhang Han also knew Zhiri's mother.

When Zhang Han fought against Zhiri in Dongjun, Da Qin had already unified the six eastern countries. In addition, the Hundred Battles Armor-Piercing Soldiers led by Wang Li were also in Dongjun at that time, and Wang Li supported Hu Hai as the king of Qin.

And Zhan Ri always wore the armor of an ordinary Qin soldier, Zhan Ri had Wang Li's cover, and more than ten years later, only women from the royal family of the Qin Dynasty could allow Zhang Han to say hello to his mother.

And only the eldest daughter Ying Zheng, the Qin King Ying Zheng, wanted to let Wang Jian lead his troops to attack Chu. Yuan Man married the old man Wang Jian, and Zhan Ri should be Wang Jian's son Wang Bi. Only Wang Bi was Zhan Ri, and Wang Li, the general who had fought hundreds of armor-piercing soldiers, could protect his father Wang Bi in Dongjun.

Su Chen It is speculated that Wang Ben is the most likely to hide the sun. When Hu Hai became the second emperor of Qin, Meng Tian and Meng Yi's family were all executed, and only Wang Jian's family disappeared mysteriously and never appeared again.

Su Chen felt that his guess It's very correct. Wang Ben couldn't be wrong about hiding the sun.

Now he was a little panicked and said to Su Chen,

"I don't know what you're talking about, I'm just a snare killer."

Su Chen now doesn't want to subdue this Zhanri. If he is really Wang Ben, then this rebellious boy will not be loyal to him in the future. Maybe he will betray him that day.

Su Chen now also suspects that Wang Jian is Didn't he also know that Wang Ben was a Luo Sheng person, so he asked Zhanri tentatively,

"Snare killer? Haha, the first-class killer in Luowang hides the sun. I wonder if your father knows your true identity? I guess I can ask the old guy later."

When Zhan Ri heard Su Chen's words, his heart suddenly trembled. This Lord Wu Xiang really knew who he was, which made Zhan Ri feel at a loss.

Zhanri looked at Su Chen and wanted to kill him directly, but he gave up the idea after thinking about it. If Lord Wu Xiang really knew who he was, I'm afraid some of his men would also know, so he would kill Wu Xiang now. I'm afraid you can't change anything.

Zhan Ri said to Su Chen with a headache, "Wu Xiangjun, how can you keep this secret?" Wei

Zhuang and Yueshen did not expect that Su Chen actually knew Zhan Ri's identity, which made them a little curious. , this Zhenri is a great master, and is also the first-class killer of King Qin Luowang. They also hope that Su Chen can tell them the true identity of Zhenri.

Su Chen touched his chin, smiled and said, "Is this it? It depends on your performance."

"A snare?"

"good"

"This is impossible. It is impossible for Luo Wang to betray the controller of Luo Wang. I can't do this."

Su Chen said threateningly when he saw Zhanri exclaiming,

"Hiding the sun, this is your business. If you don't want your identity to be exposed and your family to be scolded as traitors by the people of Qin in the future, or even if King Qin Yingzheng gains power and kills the nine clans of your family, you don't have to agree."

Su Chen is now somewhat certain that Wang Jian must not know Wang Ben's identity as a snare. As for whether Wang Jian will know in the future, this is not something he should worry about.

Su Chen will get the snare this time no matter what. Although the snare's There were many casualties among the top experts, but Luo Wen's ability to find out information was still there, and there were even Luo Wen's assassins lurking in the countries of the Eastern Continent.

Su Chen would not give up this opportunity to get Luo Wen.

The expression on the face under the mask of the sun It was very ugly. This time he admitted defeat. He carefully lurked in the net, but he was discovered by someone unexpectedly.

Zhi Ri knew that if his father knew what he had done, his father would immediately execute him. Zhi Ri Now Ri was helpless against this bastard's threat.

Zhan Ri held the Sword of Hidden Sun tightly and said angrily,

"Damn it, Mr. Wu Xiang, I can bring you Luo Wen's token, but there are still Six Swords slaves in Luo Wen now. If you can't subdue the Six Swords slaves, I'm afraid you can only get some Dizi - even if you get Luo Wen. Waiting for the following snare killer"

"Haha, Six Sword Slave, you will bring it to me, right?"

"you.....You are such a shameless bastard."

Su Chen was a little disdainful when he looked at Wang Ben who would do anything for power.

Su Chen knew that Wang Ben would conquer the Wei Kingdom in the future, so how Wang Ben conquered the Wei Kingdom was something dirty here.

If Black and White Xuanjian hadn't If he dies, he must seek revenge against Wei Yong, the Grand Sikong of Wei State. However, the plot was postponed for three years in this world of mixed martial arts, and Zhenri stopped Black and White Xuanjian at that time. Isn't it better than a top-notch snare killer? Is Wei Yong a good-for-nothing?

There must be some things done by Wang Ben to hide the sun. Even Wang Ben was prepared in advance when he led troops to destroy the Wei State. Otherwise, how could Wang Ben have conquered the country in less than a year with more than 100,000 troops? After destroying the Wei Kingdom,

Su Chen looked at this insidious and cunning Wang Ben and threatened,

"Hidden Sun, you must be clear about your identity. Your family has made countless contributions to the Qin Dynasty, but what have you done?"

"You actually betrayed the King of Qin. If you continue to be here and refuse to agree, you should know what will happen to you."

"I think Chang Xin Hou Lao Ai doesn't know your identity either. You said that if I told Chang Xin Hou Lao Ai, do you think he would destroy you and your family first?"

Zhanri looked at Su Chen helplessly. Zhanri knew that he had no choice this time.

"I understand. I will hand over the Luowang and Six Sword Slaves to you, Mr. Wu Xiang. I hope you can keep my identity secret."

Su Chen said with a smile when he saw Wang Ben agreeing,

"Of course, I am not from Qin after all, and my women and men here will not tell anyone."

"Then King Qin, won't you let me take it back this time?" Zhanri looked at Qin Wang Yingzheng on the side and asked Su Chen.

Zhanri now thought that Lord Wu Xiang would definitely not let him take Qin Wang Yingzheng away this time. He shouldn't have come at all this time.

This damn thing How did Mr. Wu Wuxiang know his identity?

Zhanri thought whether he would be controlled by this bastard in the future? He now regretted coming to see this Mr. Wu Xiang very much.

"When you go back, tell Lao Ai that I was threatened by Donghuang Taiyi of the Yin Yang family, and tell Lao Ai not to worry. I will hand over Qin King Ying Zheng to him in at most an hour."

"I see."

Just after Zhan Ri left,

Donghuang Taiyi and Bai Ruobing appeared next to Su Chen. They had just heard the conversation between Su Chen and Zhan Ri.

Donghuang Taiyi did not expect that Su Chen would have the idea of setting up a trap again, and this Zhan Ri What is Ri's identity? She also doesn't know.

At this time, Donghuang Taiyi also wanted to catch Zhan Ri and see his true face.

Wei Zhuang and Yueshen listened for a long time but they didn't know Zhan Ri's true identity.

Yue God and the beauties of the Yin and Yang family are all staring at this bastard Su Chen. Just now, Su Chen said that the women of the Yin and Yang family are his women, which makes the gods and the others want to kill this bastard.

Bai Ruobing came Su Chen smiled at him and said,

"Husband, please help King Qin Yingzheng this time. I will tell you about this later."

"Um? Well, this time I will help King Qin Yingzheng, but King Qin Yingzheng must agree to three conditions."

As soon as Donghuang Taiyi saw that Su Chen wanted to agree, he called King Qin Yingzheng over. Donghuang Taiyi did not expect that Su Chen would directly agree without asking Bai Ruobing the reason. This made Donghuang Taiyi look at Su Chen in surprise. After

Qin Wang Yingzheng came over, he sighed and said,

"Mr. Wu Xiang, you can put forward your three conditions. As long as they are not excessive, I will agree to it."

Su Chen looked at King Qin Ying Zheng and said expressionlessly,

"King Qin, the first condition is that the conditions you promised me before must be fulfilled. The second condition is that Xinzheng of the Han Kingdom will belong to me from now on. The third condition is that I will station troops in Jiuyuan County."

Qin Wang Yingzheng looked very ugly after hearing Su Chen's words. The first condition didn't matter. After all, it was something he had agreed to before after careful consideration before agreeing to Lord Wu Xiang.

But the second condition actually wanted a capital. Han Guo would not be the first country that Qin Guodong wanted to conquer, Lord Wu Xiang actually wanted the city of Xinzheng. How could this be possible?

The third condition was even more excessive. Jiuyuan County was the northern gate of their Qin Kingdom. If Lord Wu Xiang wanted to station the army in Jiuyuan County. I am afraid that Qin will be directly threatened by Lord Wu Xiang's army in the future.

Ying Zheng looked at Su Chen and said angrily,

"Mr. Wu Xiang, I can agree to the first condition, but I cannot agree to the second condition now. After all, Xinzheng is not Qin's territory. I will not agree to the third condition."

"I have these three conditions. If you don't agree, then I will not help you win the power of Qin."

Donghuang Taiyi said to Su Chen in a hoarse voice,

"Mr. Wu Xiang, your third condition is a bit excessive. For the second condition, I can ask King Qin to give you Xinzheng City after he conquers the Han Kingdom. You should change the third condition."

"Impossible. If I can't station troops on the border of Qin, I won't feel safe. After all, King Qin Yingzheng has betrayed the covenant. I'm very afraid that after King Qin Yingzheng gets the power of Qin, what if he breaks the covenant again? It is imperative that we station troops this time, and there is no room for negotiation."

Su Chen must be wary of Ying Zheng. This ambitious King of Qin Ying Zheng is not a simple person. Su Chen's army is currently attacking cities and plundering territory in the southern continent, and there will definitely be conflicts with Qin in the future.

Su Chen wanted to drive a nail in the Qin Kingdom this time, so that Qin King Ying Zheng would be more honest in the future. Even after Su Chen occupied all the countries in the Southern Continent, the Eastern Continent was also the place he wanted to conquer.

Seeing Su Chen's firm attitude, Donghuang Tai asked again,

"Mr. Wu Xiang, is there no room for negotiation?"

"No."

Su Chen glanced at Donghuang Taiyi and shook his head.

Donghuang Taiyi is now sparing no effort to help King Qin Yingzheng. He also knows why. Su Chen is also interested in knowing the secret of Canglong Qisu, but he only knows Donghuang for a while. Huang Taiyi must not be able to get those copper boxes together.

"King Qin, what do you think now?"

Donghuang Taiyi has nothing to do now. She has offended Lord Wu Xiang a little this time. The relationship between her and Lord Wu Xiang will definitely not be as close as before. In the future, Lord Wu Xiang will not cooperate with the Yin and Yang family anymore. ,

Donghuang Taiyi doesn't want to have a stalemate with Wu Xiangjun anymore.

Ying Zheng waved his hand and refused without hesitation, "It is impossible to garrison Jiuyuan. I agree to the remaining two conditions."

"Please excuse me, my place is not your safe haven now."

Su Chen waved his hands when he saw that Ying Zheng was still looking awesome and coaxing, and said, what other trump cards does Ying Zheng have at this time?

Doesn't Ying Zheng still know his current situation?

Ying Zheng thinks he has hundreds of tricks now. Is Wan Dajun here to protect him?

Su Chen looked at the somewhat arrogant Ying Zheng with disdain.

At this time, after receiving Su Chen's gesture, the secret guards immediately pointed their crossbows at Ying Zheng and Zhang Han. , forcing Ying Zheng and the others to leave the viewing platform now.

Zhang Han immediately protected Ying Zheng and looked at Su Chen nervously. Zhang Han knew that King Qin and Lord Wu Xiang had fallen out again.

This time, although Lord Wu Xiang proposed some conditions, It's too much, but King Qin is now in danger. Won't King Qin wait until this crisis is over before slowly talking to Lord Wu Xiang?

Boom! Boom! Boom! Boom!

Hundreds of secret guards stamped their feet. The steps forward threatened King Qin Yingzheng and the others to leave here. The sound of heavy footsteps made King Qin Yingzheng sweat on his forehead.

Outside the viewing platform, Lao Ai's rebels were surrounding the place. If a few of them went out of this viewing platform, , I am afraid that they will be shot into a hornet's nest by those rebels immediately.

Wei Zhuang, the Liusha people, Yueshen and the other beauties of the Yin and Yang family all looked at King Qin Ying Zheng. They all wanted to know whether King Qin Ying Zheng would leave here or choose to agree to Lord Wu Xiang The third condition?

Donghuang Taiyi felt helpless when he saw Su Chen sitting down to drink tea. This time Wu Xiangjun forced Ying Zheng like this, I am afraid that their relationship will not be good in the future, and maybe they will even break out into a war..

Donghuang Taiyi no longer wants to help King Qin Yingzheng. Wu Xiangjun's conditions have been put forward. Although the third condition is very harsh, it is what King Qin Yingzheng asked for. Who asked him to plot against Wu before? Xiangjun.

Ying Zheng clenched his fists and said with an ugly face,

"I agree. Mr. Wu Xiang, I agree to your third condition."

Su Chen smiled when he saw King Qin Yingzheng's unwillingness and said,

"Come here, bring some paper and ink. King Qin, you'd better write down the documents. Now I don't believe a word of what you say. There happens to be Master Donghuang here. Master Donghuang will trouble you this time. Be a witness."

Su Chen knew that he and King Qin Yingzheng had a hostile relationship from now on, but it doesn't matter. It would be Su Chen's blessing to be able to fight against the Qiang Emperor in the future. Su Chen didn't believe that he would not be able to defeat King Qin Yingzheng in the future. Let's see whether he unified the Southern Continent first or Qin King Ying Zheng unified the Eastern Continent first. After they each unified their respective continents, the battle between Su Chen and Ying Zheng began.

Qin King Ying Zheng didn't say much, and when the secret guard brought the paper After writing the ink, King Qin picked up the pen and started writing. While Ying Zheng was writing, he thought to himself: He will make Wu Xiangjun Su Chen work overtime to repay today's shame.

Su Chen looked at the document written by King Qin Ying Zheng and Donghuang After Taiyi signed, he ordered to the secret guard next to him,

"Send a signal to let Wang Meng's Netherworld Cavalry Legion begin to enter."

"Yes, Your Majesty" tweeted.....Touch

Woo! Woo! Woo! Woo! Woo!

The horn sound of the Netherworld Cavalry Legion came over. As soon as Ying Zheng and Donghuang Tai heard the horn sound of Su Chen's army, they looked at Su Chen at the same time. They seemed to have been deceived by Wu Xiangjun, the bastard.

Su Chen's army was obviously nearby, and they might not have to agree to these conditions of Lord Wu Xiang. Lord Wu Xiang, Su Chen, would also ask his army to attack Lao Ai's army.

When Su Chen saw Donghuang Taiyi and Qin Wang Yingzheng looking at him, he knew that Donghuang Taiyi and Qin Wang Yingzheng had misunderstood him.

If King Qin Yingzheng did not agree to his conditions, Su Chen would not care about these things. Even if Bai Ruobing wanted him to help King Qin, but King Qin did not agree to some conditions, he would not send out troops to help King Qin.

"Don't be surprised. I'm protecting myself. I can't guarantee whether that bastard Lao Ai will take action against me. I'm just taking precautions. After all, I need to have a longer memory after being deceived."

After hearing Su Chen's words, King Qin Ying Zheng knew that this bastard was insinuating about him. Ying Zheng did not expect that this bastard would be so vindictive. It seems that he will have a powerful enemy in the future.

Lao Ai also heard this at this time With the sound of the army's horn, he knew that an army was about to attack.

Lao Ai now also knew that he might have been deceived by that Lord Wu Xiang.

"Kill them for me, Heng Yi, order the army to attack and kill everyone on the viewing platform."

"Yes, Lord Marquis."

Hengyi immediately organized troops to attack the viewing platform. At this time, the thousand Nether Cavalry on the viewing platform also began to shoot and kill the rebels who were about to attack.

Swish, swish, tens of thousands of rebels began to continuously attack the viewing platform. , and the rebel archers also began to shoot non-stop at the Nether Iron Cavalry on the viewing platform.

Boom

At this time, the gate in the sacrificial square was breached, and 30,000 Nether Iron Cavalry entered the sacrificial square in an instant.

Lao Ai's The rebels also began to prevent these sudden intrusions into the cavalry regiment. Suddenly, the sacrificial square was filled with shouts of killing and the sounds of weapons being fired.

Su Chen's 30,000 Netherworld Cavalry Corps and Lao Ai's 60,000 to 70,000 troops were in the sacrificial square. They strangled them together.

Lao Ai breathed a sigh of relief when he saw that there were only 30,000 cavalry attacking. Lao Ai looked at the viewing platform and ordered angrily,

"Covering the sun, he led the snare assassins and 20,000 troops to kill Qin King Ying Zheng and Wu Xiangjun."

"Yes, Lord Marquis."

Zhi Ri's eyes flashed with some light, and he led the Six Sword Slaves and Luo Wang Assassin and quickly ran towards the viewing platform.

On the way to the viewing platform, Zhi Ri looked at the Luo Network Control Order in his hand and smiled. This The Luowang control order was just obtained by him from Lao Ai. With this command, Luo Wang would no longer serve Lao Ai. At this time, on the tallest building of the Yongcheng Palace, there was an old man and a white-haired beauty. The woman is standing here. They have just arrived here. The war in the sacrificial square makes them confused.

"Master, those black-armored cavalry don't seem to be Qin's army?"

"Well, those black-armored cavalry are indeed not Qin's cavalry. It seems that external forces have intervened in Qin's struggle for power."
