Chapter 3011

A month later, at the Ice Lake camp,

Su Chen held Mia and enjoyed the sunshine.

He was not needed in the war in the wasteland.

After Mia dispatched three thousand emperor-level cultivators, Shangguan Xuefei and Liu Mengyao led the army. Sweeping across the wasteland, encountering resistance from the Tianxing Domain cultivator army, as long as the Zhoutian Star Formation is activated, the Tianxing Domain cultivator army will either surrender or be bombarded. After the Tianxing Domain Lord An Lize was killed, there was no strong person in the Tianxing Domain. Being able to withstand the bombardment of the Zhoutian Star Array,

Su Chen stroked Mia's soft body and asked, "Mia, the war in the wasteland will end in about a year, do you want to continue to attack other domain lords who are devouring the realm lord? "

Mia leaned lazily in Su Chen's arms and said, "When the time comes, if the Shura Realm Lord orders the attack to continue, I will also have to attack."

"490""Mia, how many Realm Lord realms does Rakshasa Supreme have?"

"Sixteen.

Su Chen asked in surprise, "Sixteen?" There are so few realm masters under the Rakshasa Supreme?"

Mia rolled her eyes at Su Chen and said,

"Sixteen world lord realms are still few? Do you know how big the Rakshasa region is? The Far North Territory is only one ten thousandth of the size of the Rakshasa Territory. In the Hongmeng World, the Rakshasa Supreme is among the top ten supreme beings."

"Top ten? Mia, in the Hongmeng world, who are the top ten Hongmeng Supremes?"

"I don't know, I'm just a small domain lord. I just know the three Hongmeng Supremes around the Rakshasa area."

"Tell me!"

Mia grabbed Su Chen's groping hand and said, "The Lord of Tianxing Territory belongs to Supreme Taihao. Supreme Taihao and Supreme Rakshasa are mortal enemies and will start a war every 100,000 years."

"There are two supreme beings around the Rakshasa area."

"Kdisna Supreme in the Giant Region, and Yasuo Supreme in the sea area. Kdisna Supreme and Yasuo Supreme are mortal enemies, and Yasuo Supreme and Rakshasa Supreme have also launched several wars."

Su Chen shook his head after hearing Mia's words.

There is no news about Murong Qingcheng.

Hongmeng World is too big.

A Rakshasa region is countless times larger than Chaos World.

Su Chen wants to find Murong Qingcheng in Hongmeng World. It was very difficult. Unless he knew a Hongmeng Supreme, he would never be able to find Murong Qingcheng for thousands of years.

Taihao Supreme?

Kdisna Supreme?

Yasuo Supreme?

Rakshasa Supreme was surrounded by three Hongmeng Supremes, two of which were Hongmeng Supremes. They have a hostile relationship with the Rakshasa Supreme.

The Rakshasa Supreme is so powerful that the two Hongmeng Supremes did not unite to destroy the Rakshasa Supreme.

Mia touched Su Chen's face and asked,"Su Chen, where did you come from? area?"

"I don't want to trick you, Mia, don't ask now, you will find out later. Mia agreed without much thought,"Okay, I won't ask you, but you can't leave me.""

Mia felt that Su Chen's origin was not simple.

The great array of stars in the sky, the living Hongmeng Lingbao,

Su Chen's noble superior temperament, and the fact that Su Chen, a scumbag in the Emperor realm, could still yin to the main realm of the Death Realm, all showed that Su Chen's origin is not simple, but

Mia doesn't care about this.

She only needs Su Chen to stay with her and she is Su Chen's woman.

As for the secret of Su Chen's identity and background, Su Chen will tell her when the time comes.

Su Chen Touching Mia's soft part, he said,"I'm leaving you, you are my woman, how could I leave you."

Mia snorted coldly with a shy face,"Humph, you said you wanted to leave a month ago."

Su Chen said helplessly to Mia, "A month ago I didn't know that the Rakshasa territory was too vast. If I left the Far North, I might not be able to leave the Rakshasa Supreme territory for ten thousand years."

Mia reminded Su Chen with a serious face,

"Su Chen, if you don't have the realm of realm master realm, don't wander around in the Hongmeng world."

"There is no peace in each Hongmeng Supreme Territory. Killings, looting treasures, and wanton massacres of living beings occur from time to time. Strong men in the Territory Lord Realm do not dare to wander around the Hongmeng World at will."

Su Chen kissed Mia and replied,

"I see!"

Su Chen decided to stay in the extreme north, in the area where the Rakshasa Supreme is.

He will not seek death by running around in the Hongmeng world.

Su Chen has not cultivated to the Realm Lord realm, so he will not look for Murong in the Hongmeng world. Allure.

Three years later, the war in the wasteland ended completely, and the Tianxing Territory was completely occupied by Mia's cultivator army. Mia now rules the area of two domain lords.....(To read Baoshuang novels, go to Feilu Novel Network!)

In the far north, in Mia's starry sky palace,

Su Chen has been here for more than a year.

For more than a year,

Su Chen learned everything about the Rakshasa Supreme. He He also learned about the sixteen realm masters under the Supreme Rakshasa.

Su Chen sat on the Territory Lord's throne and whispered, "It's hard to see the Supreme Rakshasa. It's not the Realm Lord realm. It's impossible to see the Rakshasa Supreme. It's also impossible for the Rakshasa Supreme to summon the ants to the Imperial realm."

An Imperial realm maid hurriedly He came into the main hall and reported, "Sir, the messenger from Lord Shura has arrived."

"The messenger of Lord Shura? let him in"

"Yes, my lord!"

After a while, a gloomy Taoist realm man in black came into the hall. He was very surprised to see Su Chen on the throne.

An emperor?

How could a scum of the emperor sit on the throne of the domain lord?

A strong man of the gloomy Taoist realm. He shouted in a cold voice, "Boy, who are you? How dare you sit on the throne of Mia Territory Lord?"

Su Chen curled his lips and said mockingly, "It's none of your business. If you have anything to say, you can tell me and I will tell Mia."

Boom!

The strong man in the gloomy realm burst out with powerful momentum and shouted,

"presumptuous!"

Whoosh!"

Su Chen instantly pinched the neck of the sinister Taoist realm and said coldly, "Little scumbag, what did you just say?" "Su Chen can destroy a Dao realm scum in an instant. Damn, Dao realm 2.3 dares to set things off for him and speak rudely to him. Do strong men in the gloomy Dao realm think he is the Territory Lord realm? It's not like Su Chen doesn't have it either. Kill the Territory Lord

"you....you....I am the messenger of Lord Shura, and I am the clan of Lord Shura. Luo Tian, you can't kill me."

Luo Tian's body trembled in panic,

Emperor Realm?

His Ghost Emperor Realm?

Luo Tian guessed that Su Chen had hidden his cultivation realm. He was pinched by Su Chen's neck when he was in the Dao Realm. Luo Tian didn't have the ability to resist at all. Su Chen must be a strong person in the Territory Lord Realm.

Bang!

Su Chen kicked Luo Tian away and threatened, "Little scumbag, show me some respect from now on. The territory of the Rakshasa Supreme is not peaceful. If you are killed on the way, Shura The Realm Lord won't know either"

Chapter 3012

Luo Tian was kicked by Su Chen and hit a pillar in the hall. He stood up quickly and nodded and said,

"Sir, I understand, I understand!"

Luo Tian was scared, and he was also very frightened, threatening, naked threats.

If Luo Tian dared to be disrespectful to Su Chen and dared to threaten Su Chen, Su Chen would definitely kill him on his way to return to life.

In the hall, people on both sides The corners of the mouths of the twelve Imperial Realm maids twitched.

They did not expect that Su Chen would be so arrogant. Su Chen even dared to beat and threaten the messengers of the Shura Realm Lord.

However, the twelve maids were also very surprised by Su Chen.

Luo Tian was a In the Tao realm,

Su Chen unexpectedly pinched Luo Tian in the Tao realm instantly. Luo Tian was still unable to break free and resisted Su Chen. The twelve maids guessed that Su Chen was a strong man.

Su Chen might be as strong as Territory Master Mia. The twelve maids guessed that Su Chen was a strong man. The maid also understood that if Su Chen was a strong person in the Territory Lord Realm, it would not be unusual for Territory Lord Mia to become Su Chen's woman.

Su Chen sat down again and asked,"Luo Tian, why did Lord Shura send you here?" ?"

Luo Tian hurriedly replied respectfully,"Sir, the Lord of the Shura Realm ordered the Lord of the Mia Territory to launch a war against the Demon Territory."

"Demon Realm? Luo

Tian explained to Su Chen,

"Sir, Mia Territory Master defeated and occupied the Tianxing Territory, but the Heavenly Demon Territory Territory Master defeated the Ice and Snow Territory Lord. The Ice and Snow Territory was in danger, and the Shura Territory Lord ordered Mia Territory Lord to attack the Heavenly Demon Territory."

Su Chen frowned and thought, was the Lord of the Ice and Snow Territory defeated and killed by the Lord of the Demon Territory? Or was the Lord of the Ice and Snow Territory seriously injured and recovering from his injuries?

The Ice and Snow Territory,

Su Chen knew about the Ice and Snow Territory, an inconspicuous Territory Lord area, where all living things are ice and snow creatures and ice and snow monsters. No other creature can stand the extreme cold of the ice and snow realm. The cultivating army from the far north will not be able to adapt to the ice and snow realm.

The cultivator army may not have launched a war yet, and some troops will be frozen to death by the extreme cold. ,

Will Lord Shura not understand?

Or is Lord Asura an idiot?

Su Chen thought for a while and threatened coldly, "Luo Tian, why did Lord Asura let Mia help the Ice and Snow Territory? If you dare not answer honestly, I will cripple you and check your memory."

"I....."

Luo Tian was so miserable that he didn't know what to do. If he told the truth, he would be killed by the Lord of the Shura Realm. If he didn't tell the truth, Su Chen would check his memory and kill him. Luo Tian was in a very difficult situation now. He regretted taking away the task of being the messenger.

"Don't want to say it?"

"I said, I said, sir, can you cover up the secret of heaven? If I tell you the truth, Lord Shura will kill me"

"Okay, Chaos Clock!"

Dang!

Su Chen summoned the Chaos Bell to obscure the secrets in this area.

Can the Chaos Bell obscure the perception of the Shura Realm Lord?

Su Chen didn't know, but he didn't care at all.

As long as Luo Tian revealed the Shura Realm Lord's conspiracy, Su Chen would not care about Luo Tian's life or death.

Luo Tian saw that the Chaos Clock had obscured Tianji, and he said to Su Chen,

"Sir, Lord Shura is very afraid of Lord Mia. Lord Mia will advance to the realm of Lord in less than 100,000 years."

"Lord Shura is worried that Lord Mia will be stronger than him in the future, and he is also worried that Lord Mia will be favored by the Rakshasa Supreme. After all, both Rakshasa Supreme and Mia Lord are women."

"Lord Shura is afraid that Lord Mia will replace him. The Lord wants Lord Mia to go to the Ice and Snow Domain to die."

Su Chen thought with a cold face.

The Lord of the Shura Realm really has a conspiracy.

Is he afraid of Mia?

Afraid of being replaced?

The Rakshasa Supreme is also a woman?

Damn it,

Su Chen thought of the bellyband and gauze clothes obtained by climbing the ladder to heaven. Among those items are There are no items belonging to the Rakshasa Supreme?

The twelve maids in the hall are very pale.

Is Lord Shura afraid of Lord Mia?

And he is plotting to let Lord Mia die? (To read Baoshuang novels, go to Feilu Novel Network!)

The twelve maids looked at Su Chen uneasily.

They were the personal maids of Lord Mia.

Mia was mainly killed by the conspiracy of Lord Shura.

As Mia's maids, they could not survive. The twelve maids They will be caught by Shura Realm Lord's men, and they will be treated as female slaves and brutally tortured and humiliated to death.

Su Chen thought for a while and said, "Luo Tian, when you go back and return, tell Mia Territory Master that he will obey the Shura Realm Lord's orders." , remember, shut up and don't say anything you shouldn't say."

"Yes, my lord!"

Luo Tian saluted Su Chen and disappeared quickly.

He didn't want to stay with Su Chen for a moment.

As for what happened just now,

Luo Tian didn't dare to tell the Lord of Shura. If he dared to tell him, the Lord of Shura wouldn't let him live. Go down.

A maid saluted Su Chen and said, "Sir, do you want to inform Territory Master Mia?"

Su Chen waved his hand and said, "No need to inform, Mia is in retreat, I will handle this matter."

"Yes, my lord!"

Su Chen rubbed his forehead and thought about what to do, inform Mia?

What a fart notification,

Su Chen gave Mia half a pot of Hongmeng Spiritual Spring, and

Mia couldn't wait to retreat to break through to the Realm Lord Realm. Su Chen couldn't disturb her at this time. Mia,

Su Chen patted his forehead and said speechlessly,

"~Trouble!"

The twelve maids looked at Su Chen speechlessly, trouble?

Is this trouble?

The leader of the Shura Realm conspired to frame Mia Territory Lord. This is a matter of life and death for Mia Territory Lord and them.

"Lan Lin, you take six maids and me to the ice and snow area. The other maids stay and wait for my orders."

"Yes, my lord!"

Su Chen decided to go to the Ice and Snow Territory to see the situation. The main reason for the Ice and Snow Territory is that it has not fallen.

Su Chen will help the Lord of the Ice and Snow Territory to kill the Lord of the Demon Territory.

The main reason for the Ice and Snow Territory is that it has fallen.

Su Chen will not help the Ice and Snow Territory.

The Shura Realm Lord dares to come. The Far North threatens Mia, and Su Chen will use the jade talisman of Chaos Avenue to kill the Shura Realm Lord.

Whoosh!

The little rabbit suddenly appeared on Su Chen's shoulder, and it took out an amethyst stone and handed it to Su Chen.

Su Chen took it Amethyst looked at it and said,"Little rabbit, why did you give me a piece of rubbish stone?"

""Squeak, squeak, squeak," the little rabbit yelled and gestured to Su Chen, and

Su Chen shouted with a dark face,

"Damn, you just have a useless rabbit. At the imperial level, you still can't speak. Little rabbit, you can't speak? Or are you deliberately not pretending not to be able to speak?"

The little rabbit rolled her eyes at Su Chen and lay down. She was gesturing to Su Chen that she wanted Hongmeng Lingquan. Does this pervert dare to speak?

In the past few years,

Su Chen, Mia, Shangguan Xuefei, and Liu Mengyao, the three girls, There is also the Lingbao Archangel who is in love almost every day.

Su Chen will not even let the Lingbao Archangel go.

If the little rabbit opens her mouth to speak, if she says that she can transform, she is worried that Su Chen will forcibly humiliate her too.

"Come on, little rabbit, you still dare to look at me? You eat from me, live from me, sleep from me, and I help you improve your cultivation. Do you despise me as your master?".

Chapter 3013

Su Chen caught the little rabbit and began to stroke it.

The little rabbit became more and more lawless.

He could eat his flat peach, ginseng fruit, yellow pear and other top-quality innate spiritual fruits. The little rabbit could eat them with peace of mind.

The little rabbit in the imperial realm could not speak.

Still unable to transform,

Su Chen felt that Little Rabbit was just a useless rabbit.

Apart from bullying some low-strength practitioners, Little Rabbit seemed to be useless except for being cute.

"squeak squeak....."

The little rabbit stared at Su Chen and struggled.

She didn't expect that Su Chen was touching her body again. She was a shameless bastard.

She was still the original rabbit. This bastard didn't even let the rabbit go.

Su Chen knocked the little rabbit on the head and asked, "What the hell is this purple crystal?"

"squeak squeak....."

"I'll do it!"

Su Chen stared at the little rabbit with a dark face.

Damn it, he can't understand the rabbit language.

The little rabbit has an imperial cultivation level.

Can't the little rabbit talk to his soul? Or is the little rabbit too stupid to even talk to his soul? Yes?

A maid explained to Su Chen, "Sir, the purple crystal is the crystallization of Hongmeng spiritual energy, and it contains huge Hongmeng spiritual energy."

Su Chen looked at the purple crystal in surprise. It is the crystallization of Hongmeng spiritual energy?

It also contains huge Hongmeng spiritual energy?

Isn't the purple crystal the same as the spiritual stone in the chaotic world?

The purple crystal contains huge Hongmeng spiritual energy, and the spiritual stone contains huge Hongmeng spiritual energy. Su Chen asked Little Rabbit, "Little Rabbit, do you know where the amethyst mine is?"

"squeak!"

The little rabbit barked and nodded to Su Chen.

Su Chen hurriedly ordered to Lan Lin,

"Lan Lin, you don't need to go to the Ice and Snow Territory with me. You and other maids take the little rabbit to find the amethyst mine. If there is danger, you can recruit the Taoist realm experts from the Far North Territory to help."

"Yes, my lord!"

"squeak squeak....."

Little Rabbit hurriedly gestured to Su Chen and shouted, she didn't expect that Su Chen would leave if he didn't reward her, where is Hongmeng Lingquan?

She gave Su Chen purple crystal just for the Hongmeng Lingquan. Is this bastard pretending to be confused on purpose?

"You scream, if you have more amethyst ore, I will reward you."

Su Chen shook his head speechlessly.

He understood what the little rabbit meant.

When Su Chen gave Mia half a pot of Hongmeng Lingquan, the little rabbit's eyes turned red when he saw the Hongmeng Lingquan.

Well, the rabbit's eyes seemed to be red. ,

Little Rabbit almost drooled anyway.

If Mia wasn't stronger than Little Rabbit, Little Rabbit might have taken away the Hongmeng Spiritual Spring. Little Rabbit glanced at Su Chen and lay down listlessly.

She didn't believe Su Chen at all. If so, Little Rabbit guessed that Su Chen was deceiving her, but there was no way. Little Rabbit couldn't beat Su Chen, and she couldn't afford to offend Su Chen. If she pissed off Su Chen, Little Rabbit liked to eat peaches, ginseng fruits, etc. Su Chen would never give her the spiritual fruit again. Three years later, Su Chen and the archangel appeared in the ice and snow area through constant teleportation. The area controlled by the Rakshasa Supreme was too large. If Su Chen and the archangel hadn't been constantly teleporting, , they may not be able to come to the Ice and Snow Territory in ten years. Su Chen touched the Archangel's face and said,"Archangel, we should use the teleportation array in the future. We didn't find anything interesting along the way. The archangel smiled and said,"Master, don't you want to know about the area controlled by the Rakshasa Supreme?"

"

"Ahem, I want to take a romantic trip with you."

Su Chen was embarrassed and hurriedly talked nonsense.

Do you know the area controlled by the Rakshasa Supreme? (To read Baoshuang novels, go to Feilu Novel Network!)

Damn it,

Su Chen will never want to know about the continuous space teleportation in the past three years. , he was also very tired.

The archangel blushed and said,"I like traveling with my master.""

"Okay, let's travel together again if we have the chance."

Su Chen said as he explored the Ice and Snow Territory.

The Ice and Snow Territory is very cold.

Practitioners below the fifth level of the Saint Realm in other realms may freeze to death in less than a year if they are not protected by powerful spiritual treasures. The Ice and Snow Territory

seems to be A natural area formed by the laws of ice. Ice creatures are uniquely blessed to practice in the ice and snow domain. Ice creatures can also advance very quickly in their cultivation.

"Archangel, let's go to the Ice and Snow City. I hope the Lord of the Ice and Snow Territory is still alive."

"Yes, master!"

At this time, in the Ice and Snow City of the Ice and Snow Domain,

Emilia, the Lord of the Ice and Snow Domain, was recovering from her injuries in the palace. Her injuries were very serious. If she did not recover from her injuries quickly, Emilia's cultivation level would fall.

Emilia Ya opened her eyes and whispered helplessly, "Oh! Still not working, what kind of spiritual treasure does the Lord of the Demon Realm use? Why can't I get rid of the demonic energy in my body?"

It's been almost ten years.

If Emilia hasn't recovered from her injuries, the Demon Territory Lord will attack her again if she recovers early.

A Taoist ice elf came in with an ice spirit crystal and saluted, "Lord, how are your injuries? Like?

Emilia waved her hand and asked, "Claire, what's the situation in the Ice and Snow Territory now?" Claire replied worriedly,

"Territory Lord, your starry sky palace was destroyed by the Heavenly Demon Territory. The Heavenly Demon Territory has not yet launched a large-scale attack on the Ice and Snow Territory. However, the Heavenly Demon Territory has an army of tens of billions of cultivators gathering. I am afraid that a war will begin within a year or two."

"Before I retreated to recover from my injuries, I asked the Shura Realm Lord for help. Claire, are there any other realm masters who will rescue the Ice and Snow Realm?"

"Territory Lord, the Far North Territory sent a message to rescue the Ice and Snow Territory, but in the past three years, the teleportation array has been silent. I am worried that the Territory Lord of the Far North Territory will not rescue the Ice and Snow Territory."

"The Far North? Mia?"

Emilia's eyes lit up when she heard Claire's words.

She and Mia have met several times.

In the Asura world,

Mia is the most powerful existence besides the Lord of the Asura world. Since the Lord of Mia said yes, Come to rescue her, Emilia believes that Mia will definitely come to rescue the Ice and Snow Region.

Outside the palace, a female voice announced, "Reporting to the Taoist Master, someone appears from the sky in the Ice and Snow City."

Kleia ordered with an expressionless face, "Kill."

"Taoist master, Ice and Snow City dispatched three emperor realms, but all of them were easily caught by the creatures in the air."

Claire asked in surprise, "What?" Ellie, you said that the people who arrived could easily capture three emperor realms?

"Yes, Taoist! Emilia frowned and ordered, "Claire, go out and check. The creature that comes should be from the Tao realm. If it is a creature from the Demon Realm, kill him.""

Chapter 3014

In the sky above the ice and snow domain,

Su Chen was speechless sitting on the shoulders of the archangel.

Do the creatures in the ice and snow domain regard him as a creature from the demon domain? Why was he besieged as soon as he arrived in the Ice and Snow Territory?

After the Archangel suppressed the three Ice and Snow Emperor Realm Asuras, she asked Su Chen,

"Master, what should I do?"

Su Chen touched his chin and said, "Let's take a look at the situation. The main reason is that the Ice and Snow Region is not dead. She will definitely be in the Ice and Snow Region, and she will definitely show up to see us."

"Yes, master!"

In the air, the three Ice and Snow Emperor Realm cultivators were very surprised.

In an instant, the three of them were suppressed in an instant. They didn't even have a chance to resist and escape.

Master?

The archangel who suppressed them was called Master Su Chen?

They looked towards Su Chen was even more surprised.

The archangel was at a level above the tenth level of the Tao realm.

Where was Su Chen?

A scumbag from the holy realm?

How could Su Chen be the master of the Tao realm archangel? Could it be that Su Chen had hidden his cultivation realm?

Whoosh!

Claire instantly appeared above the Ice and Snow City. She looked at Su Chen and the Archangel with a frown.

Claire discovered that the Archangel was a strong Taoist and a practitioner of the tenth level of the Taoist realm.

No, the Archangel was a The living Hongmeng Lingbao is still a Lingbao life form that is more powerful than her.

Claire asked Su Chen with a cold face, "Who are you?"

Su Chen replied to Claire,

"I come from the Far North and come to rescue you from the Ice and Snow Region. Little Elf, who are you?"

Claire mocked disdainfully, "The Far North?" You, a scumbag from the holy realm, come to save the Ice and Snow Region? Are you a fool?"

Whoosh!

Su Chen appeared instantly and pinched Claire's white neck and said, "Elf, am I a fool? I want to kill you just for a moment. Is the Tao realm amazing?"

"you....you....."

Claire looked at Su Chen in confusion, for a moment?

She was in the Dao realm and was pinched by Su Chen in an instant.

Claire's magic power was blocked by Su Chen in an instant. She was unable to resist Su Chen even if she wanted to.

Holy land?

This bastard has hidden his cultivation realm.

However, even if Su Chen is in the Dao realm,

Claire cannot be caught instantly.

Is Su Chen in the Territory Lord realm?

Isn't the Territory Lord of the Far North Territory a woman named Mia? Could it be that there are two Territory Lord Realms in the Far North Territory?

"Elf, now you believe that I am from the Far North."

Su Chen let go of Claire and pouted.

Damn, the ice elf's skin is really smooth and delicate. Su Chen pinched Claire's neck and wanted to touch her fair body.

"My name is Claire, and I am the Lord of Ice and Snow City. Where is Mia Territory Lord? Why didn't she come?"

"A scumbag Demon Territory Lord, I can kill him without Mia taking action"

"snort!"

Claire took a few steps back and snorted.

She found that Su Chen had been staring at her body, especially her chest.

A lustful creature, if Claire couldn't beat Su Chen, she would definitely cut Su Chen into pieces.

Su Chen touched his nose in embarrassment and asked, "Has your ice and snow domain lord fallen?"

Kleiya glared at Su Chen and said, "Our Territory Lord will not fall."

"It's okay if you don't die, Claire, take me to see your Territory Lord. I have something to ask the Ice and Snow Territory Lord."

"Let my men go!"

"Archangel, let go of three little scumbags"

"Yes, master!"

A month later, in the palace of Ice and Snow City, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen was served like an uncle by the ice elf maid.

The Lord of Ice and Snow Territory and the archangel were still in retreat.

One month later, Come on, the Archangel's laws of time and space can clear away the demonic energy. The Lord of the Ice and Snow Territory took the Archangel and kept him in seclusion.

In the palace,

Su Chen took a sip of wine and asked, "Claire, the creatures in the Heavenly Demon Territory are not afraid of those in the Ice and Snow Territory." Is it cold?"

Kleiya rolled her eyes at Su Chen and replied,

"The creatures in the Heavenly Demon Realm are accustomed to cruel environments. Some places in the Heavenly Demon Realm are even worse than the Ice and Snow Realm. Some creatures in the Heavenly Demon Realm have adapted to the ice climate for tens of millions of years."

Su Chen stood up and ordered,

"Claire, order the Ice and Snow Territory to prepare for war. The Heavenly Demon Territory should invade the Ice and Snow Territory within a year. You mobilize all cultivator armies to assemble in the Ice Plains. The Ice Plains will become the main battlefield."

"Why should I obey your orders?"

"Claire, do you want to get your little ass spanked again? After Emilia Territory Lord retreats, I will be the acting Territory Lord of Ice and Snow Territory. If you don't obey my orders, I will punish you."

"Shameless!"

Claire glared at Su Chen angrily and disappeared instantly.

She had nothing to do with the shameless Su Chen.

Claire couldn't beat Su Chen, nor could she scold Su Chen. If she pissed off Su Chen, he would be taken advantage of by this bastard.

"The little elf who needs to be cleaned up."

Su Chen leaned on the throne and thought.

The Demon Realm will launch a war within a year.

With the help of the Archangel, Emilia should be fully recovered in three months.

Su Chen and the Archangel helped Emilia.

They will kill the scumbag Lord of the Heavenly Demon Territory, and Emilia will lead the Ice and Snow Territory army to destroy the Heavenly Demon Territory army.

Su Chen used the space law to look around 310 and whispered, "Damn it, how come I feel like I have been being bullied by others for the past few years? Staring? Are you too nervous?"

In the starry sky palace of the Supreme Rakshasa, the Supreme Rakshasa looked at the space image in front of her. She touched her white chin and was very surprised.

"Little Zhazha actually feels like he's being watched? It's interesting, the men of the Rakshasa sisters are different. A big world has advanced to the Hongmeng world, and the little scumbag still has the Hongmeng spiritual spring in his hand?"

Since the Supreme Rakshasa found Su Chen in the area under her control, she has been checking on Su Chen for four or five years.

The Supreme Rakshasa used the Hongmeng high-grade spiritual treasure to peek into the sky to check on Su Chen. She didn't expect that Su Chen sensed being attacked early in the morning. Check it out.

Less than ten years after Su Chen arrived in Hongmeng World, Xiao Zhazha's realm has been promoted to the fifth level of the Emperor Realm. The Emperor Realm and Tao Realm cultivators are vulnerable to Su Chen, and Xiao Zhazha has even killed two of them. Domain Lord Realm.

Also, how could Su Chen have the Hongmeng Spiritual Spring?

The Hongmeng Spiritual Spring is a treasure that even the Hongmeng Supreme must fight for. How could a little scum have the Hongmeng Spiritual Spring?

Three years ago, the Rakshasa Supreme saw Su Chen gave Mia the Hongmeng Spiritual Spring, and she almost teleported over to snatch it.

"Little scumbag, if you honor this Supreme Ten Pots of Hongmeng Spiritual Spring, you will never see the Rakshasa sisters."

Chapter 3015

The Supreme Rakshasa guessed that Su Chen should still have the Hongmeng Spiritual Spring.

Su Chen could give Mia half a bottle of the Hongmeng Spiritual Spring.

The little Zhazha should have a lot of the Hongmeng Spiritual Spring in his hands.

The Rakshasa Supreme couldn't figure it out.

The little Zhazha had just arrived. The Hongmeng world has not been around for a long time. How could Su Chen have the Hongmeng spiritual spring that makes even Hongmeng Supreme jealous?

"Someone come!"

"Red, see Supreme!"

"Hong, you go and destroy the Shura Realm Lord. From now on, the Shura Realm Lord's area will be controlled by Mia, the Extreme North Territory Lord."

"Yes, Supreme!"

The Rakshasa Supreme touched his chin and smiled. She thought about Su Chen's expression after knowing that the Shura Realm Lord was executed. Would the little Zhazha guess that she was spying?

The Rakshasa Supreme stood up and stretched. Perfect body, whispered,

"We can't let the Rakshasa sisters know about Su Chen's existence. It's better for the Rakshasa sisters to continue to retreat."

"The only two clans he owns cannot easily take advantage of Su Chen and Hongmeng Lingquan. If Su Chen uses ten pots of Hongmeng Lingquan as a betrothal gift, he might agree to let them be together."

In the Ice and Snow Territory, half a year later, more than 60 billion Ice and Snow Territory cultivators gathered in the Ice and Snow Plains. 707 cultivators in the Eight Great Dao Realm and thousands of Emperor Realm cultivators appeared outside the temporary Ice and Snow Palace in the Ice and Snow Plains. In the

Ice and Snow Palace,

Su Chen asked with a serious face, "Claire, you said Emilia hasn't come out of seclusion yet?"

"Yes, my lord! Claire nodded to Su Chen expressionlessly.

She found that Su Chen was on the verge of getting angry, but she had no choice.

The Lord of Amelia had not yet come out of seclusion, and she did not dare to break the barrier to disturb Emily. Lord of Elegant Territory

"Damn it, Emilia should have been released three months ago. What does the crazy woman want to do? Regardless of whether the Ice and Snow Realm is invaded by the Demonic Realm? Or is this a crazy idiot woman who wants me to die?"

Su Chen was so angry that he wanted to go to Ice and Snow City immediately. Emilia must have escaped from seclusion.

He couldn't understand why Emilia didn't come? Aren't crazy women worried about the army of cultivators in the ice and snow region being defeated? She wasn't worried about ice and snow. Will the domain be occupied by the Demonic Domain?

And the Archangel?

Why can't Su Chen contact the Archangel? Has Emilia imprisoned the Archangel?

Claire hurriedly said to Su Chen, "Sir, the Lord of the Emilia Territory is not It will ignore the ice (cefe) snow domain, and will not let the ice and snow domain be occupied by the demon domain. I guess Emilia should be promoted."

"Shit, doesn't Emilia know that the war is about to begin? Advance? Will she be able to advance safely at this time? Do you think I'm stupid?"

"Sir, as long as you are here, the Lord of Emilia will be able to advance with peace of mind."

"I am a fucking emperor, will Emilia feel relieved? She would be a fool to worry."

Kleiya rolled her eyes at Su Chen speechlessly,

Emperor Realm?

Who believes that Su Chen will be tortured to death for her words?

Can an Emperor Realm catch her easily? Will an Emperor Realm leave the Dao Realm without the slightest resistance?

Su Chen rubbed his forehead and ordered,

"Damn, forget it, Claire, inform the powerful people to deploy the army according to the previous order."

"Yes, my lord!"

Kleiya saluted Su Chen and disappeared into the palace instantly.

Emilia Territory Lord was not in the ice and snow plain. She must obey Su Chen's orders completely.

Su Chen was thinking about how to fight the war.

There is no need for the cultivator's army to fight the war. He doesn't care, but what about the Heavenly Demon Territory Lord?

A Territory Lord realm?

That idiot woman Emilia has not arrived, and the Archangel can't contact him. It will be very difficult for Su Chen to kill the Heavenly Demon Territory Lord. How can he kill the Heavenly Demon Territory Lord in evil spirits? What?

In the Ice and Snow City,

Emilia and the Archangel work together to destroy the magic power. The Archangel's law of time and space envelopes the Holy Lotus in the Ice and Snow Domain.

The Ice and Snow Holy Lotus?

A strange treasure in the Ice and Snow Domain.

As long as it absorbs the energy produced by the Ice and Snow Holy Lotus. Spirit liquid,

Domain Lord Realm can advance to three to five small promotions, Dao Realm will improve Dao Domain Main Realm,

Ice and Snow Holy Lotus bursts out with white light,

Emilia and Archangel are advancing one after another, especially Archangel, in a short time In just half a month, the archangel can be promoted to the eleventh level of the Tao realm, and within a month the archangel can be promoted to the domain lord realm. (To read Baoshuang novels, go to Feilu Novel Network!)

Emilia With sweat on his forehead, he said,"Archangel, hold on, after the Ice and Snow Holy Lotus is completely opened, we don't need to use mana to keep the Ice and Snow Holy Lotus open."

"Okay, my law of time and space can still last for another month."

"One month is enough."

Three months later, on the ice and snow plain, tens of billions of troops from the Heavenly Demon Realm appeared on one side of the ice and snow plain. Hundreds of billions of cultivators from the two regions faced off on the ice and snow plain.

Boom!

The tenth-level Taoist realm powerhouse from the Heavenly Demon Realm appeared in front of the army. From above, he showed an arrogant expression and shouted, "Emilia, Lord of the Ice and Snow Territory, our Heavenly Demon Territory Lord wants you to surrender. As long as you surrender, the creatures in the Ice and Snow Territory will not be massacred."

Whoosh!

Su Chen appeared in an instant and pinched the neck of the Demon Dao Realm, and asked disdainfully,

"Little scumbag, what did you say?"

The Taoist from the Heavenly Demon Realm exclaimed in surprise, "You.....How can it be? How could you, an emperor-level person, catch me silently?"

"wrong answer! Destroy!"

Crack!

Su Chen directly crushed the powerful man in the Heavenly Demon Realm to death, and he burned his body with the law of fire.

"Ahhhh~"

The soul of the Heavenly Demon Realm Dao Realm screamed miserably.

His body was instantly burned to ashes, and his soul was also continuously burned by black flames.

Within ten breaths, the Heavenly Demon Realm Dao Realm will completely fall. In the ice and snow plain.

Claire looked at Su Chen and twitched the corner of her mouth.

Imperial realm?

What an imperial realm.

The Dao realm of the Heavenly Demon Realm is really miserable. When meeting Su Chen, the Dao realm of the Heavenly Demon Realm is the most useless realm to die in..

The other Dao realms and Emperor realms in the Ice and Snow Region looked at Su Chen in horror.

They understood how powerful Su Chen was.

Half a year ago, if Claire hadn't warned them in advance, some of them might have provoked Su Chen to death.

"Milo, do you believe that the commander-in-chief is an emperor?"

"I don't believe it. Can the Emperor Realm kill the tenth-level Dao Realm expert in an instant? You are at the tenth level of the Dao Realm. Can you instantly kill the Dao Realm of the Demon Realm who is also at the tenth level of the Dao Realm?"

"No, our commander is a little sinister."

"More than insidious, it is too insidious. I guess the commander is the domain lord. It must be the domain lord from other domains who came to rescue our ice and snow domain."

"It's possible. No wonder our Territory Lord didn't come. With the commander here, we don't have to be afraid even if the Demon Territory Lord comes."

Chapter 3016

Su Chen heard the conversation between the Ice and Snow Emperor Realm and Tao Realm experts. His face turned black and he wanted to kill those bastards.

Insidious?

He is so cunning,

Su Chen is an emperor, why is he so cunning? boom!

A terrifying aura suddenly burst out from the upper part of the Demon Realm, and an old man in black robes instantly appeared in the air.

The old man in black robe asked expressionlessly,

"Boy, you are so arrogant"

"The master of this domain was crushed to death by you. You are not a creature from the ice and snow domain. You hid your cultivation realm in the holy realm. The master of this domain can only see that you are in the emperor realm. Who are you?"

Su Chen narrowed his eyes and looked at the old man and asked,

"Demon Territory Lord?"

"That's right, boy, are you the Domain Lord sent by Lord Shura to rescue the Ice and Snow Domain?"

"good!"

"Huh, boy, you are too young to be the domain lord. Who are you?"

"Does it matter who I am?"

"It doesn't matter, kid, Emilia is no match for this Territory Lord. Even if you are in Territory Lord realm, you are only a Territory Lord who has just been promoted. It would be easy for me to kill you."

"Old man, you are talking nonsense."

The Lord of the Demon Territory snorted coldly and said, "Hmph, boy, in a battle in the starry sky, I will crush you to death with my own hands."

"as you wish."

Su Chen nodded to the Lord of the Demon Territory. He turned around and ordered Claire, "Kleia, you commanded the army of the Ice and Snow Territory and destroyed the army of the Heaven Demon Territory."

"Yes, my lord!"

Kleia looked at Su Chen worriedly.

She didn't know if Su Chen was the opponent of the Demon Territory Lord.

But three months ago,

Su Chen had an angry expression when she learned that the Territory Lord Emilia had not come out of seclusion. Emily Ya guessed that Su Chen was not the opponent of the Heavenly Demon Territory Lord.

However,

Su Chen was going to fight the Heavenly Demon Territory Lord in the starry sky.

Claire couldn't figure out why. Could it be that Su Chen had a trump card that could destroy the Heavenly Demon Territory Lord?

Claire's face was serious. He ordered, "All Dao realms are preparing individually. After the war begins, they must use all their strength to kill the army of creatures in the Heavenly Demon Territory. Master Su Chen will destroy the Lord of the Heavenly Demon Territory."

"Yes, my lord!"

In the starry sky of the Star Territory, the Heavenly Demon Territory Lord and Su Chen appeared one after another in the starry sky.

Su Chen felt very helpless.

He looked at the Heavenly Demon Territory Lord and didn't know what to do.

The Heavenly Demon Territory Lord was dead?

How could he die?

Boom.!

The Heavenly Demon Territory Lord burst out with a terrifying aura and threatened, "Boy, how do you want to die?"

Su Chen waved his hands hurriedly and said,

"Ahem, Lord of the Heavenly Demon Territory, don't be anxious. I want to take refuge with the Lord of the Heavenly Demon Territory. Can you take me in?"

The Heavenly Demon Territory Lord frowned and asked, "Huh? Boy, do you want to join me?"

Su Chen nodded and replied,

"Yes, sir, I have offended Luo Tian, the clan leader of the Shura Realm. The Shura Realm can no longer tolerate me. I was sent to the Ice and Snow Realm just to die. Your Excellency, you can send someone to check. Everything I said is true."

"Humph, I don't believe it."

The Demon Territory Lord touched his chin and thought.

He felt that what Su Chen said should be true.

Even the Emilia Territory Lord was no match for him. The Shura Realm sent a newly promoted Territory Lord to rescue the Ice and Snow Territory. The Shura Realm Lord It was obvious that Su Chen was sent to die.

The Lord of the Demon Territory would ask someone to check if it was true.

He would not immediately believe Su Chen's words, nor would he easily believe the words of a Territory Lord.

"Sir, Emilia was injured and was caught by me in a sneak attack. I can hand Emilia over to you."

"oh? You caught Emilia?"

Su Chen rubbed his chin and said nonsensically, "Yes, sir, when Emilia was in retreat to purge your demonic energy, I attacked Emilia in a sneak attack and caught her, and the ice and snow domain was also under my control."

The Heavenly Demon Territory Lord suddenly realized, "I asked you why you didn't notice Emilia's arrival. It turned out that you caught Emilia in a sneak attack. Boy, give Emilia to me."

The Heavenly Demon Territory Lord has eight points of faith in Su Chen.

As long as Su Chen hands over Emilia Territory Lord to him, the Heavenly Demon Territory Lord will completely trust Su Chen.

He will take Su Chen in and become his subordinate.

After all, Su Chen is a In the Domain Lord Realm, if the Heavenly Demon Territory Lord has a Territory Lord Realm subordinate in the future, his Heavenly Demon Territory will be even more powerful.

"Yes, my lord!"

Su Chen hurriedly sent a message to Bing Ji in the Demonic Tower of Desire, [Bingji, get ready, we will kill the Heavenly Demon Territory Lord in a moment.] (To read Baoshuang novels, go to Feilu Novel Network!) In the

Demonic Tower of Desire,

Bingji Ji reminded worriedly,

"Husband, the Heavenly Demon Territory Lord is in the Territory Lord Realm, and I am only in the tenth level of the Saint Realm. I am not sure I can deceive the Heavenly Demon Territory Lord....."

Bing Ji was speechless.

A quarter of an hour ago,

Su Chen asked her to pretend to be the Lord of Emilia.

This bastard only gave her the appearance of Emilia. How could she pretend to be the Lord of Emilia's Yin Death Demon Territory?

Xue Ji touched her fair chin and said, "Xue Ji, how about I pretend to be?"

Bing Ji mocked disdainfully,

"you? Your level of cultivation is lower than mine. Can you help my husband, the Lord of the Yin Death Demon Territory?"

"Yes, you should go ahead. Since your husband asked you to pretend to be him, I guess he has a way to kill the Lord of the Demonic Territory in evil ways."

"Alas, I hope my husband can find a way. Xue Ji, you must also be prepared. If something unexpected happens, we must protect your husband and escape."

"I see!"

Xue Ji understands what Bing Ji means.

If Su Chen is immortal and the Heavenly Demon Territory Lord is dead, she and Bing Ji will fight to the death to protect Su Chen from escaping.

Even if they fall, they will not let Su Chen be killed by the Heavenly Demon Territory Lord.

Whoosh!

Su Chen released Bing Ji from the Demonic Tower of Desire after Bing Ji transformed into Emilia.

The Demon Territory Lord laughed when he saw Bing Ji,

"Hahaha~, Emilia, you are finally going to fall into my hands. From today on, I will make you into a puppet, and you will become my puppet thug in the future."

The Heavenly Demon Territory Lord didn't notice Emilia's changes in the ice and snow.

He was checking the Heavenly Demon's 5.8 Qi in Bingji's body, but the Heavenly Demon Territory Lord didn't check Bingji more.

Su Chen pointed at Bingji floating in the air and asked, "Sir, does Emilia need me to wake her up?"

The Lord of the Demon Realm waved his hand and said,

"No, it doesn't matter whether Emilia wakes up or not. Anyway, I want to make Emilia into a puppet."

Su Chen's eyes flashed.

It's best not to wake up Bing Ji.

Everything is ready.

Su Chen and Bing Ji only have one chance.

If they attack the Yin Immortal Demon Territory Lord, Su Chen and Bing Ji can only escape quickly.

Su Chen He led Bing Ji towards the Lord of the Demon Territory and said,

"Sir, there is one more thing"

"Not only did Shura Realm Lord send me to ask for help from Ice and Snow, the Extreme North Territory Lord Mia was also sent here. Mia Territory Lord will come to Ice and Snow Territory in another month. We must find a way to kill Mia Territory Lord."

Chapter 3017

Su Chen held Bing Ji and moved his fingers.

It's fast.

In more than ten meters,

Su Chen and Bing Ji will attack the Lord of the Demon Territory.

"Mia, Lord of the Far North Territory?"

The Heavenly Demon Territory Lord frowned.

He didn't expect that the Shura Territory Lord would send the Extreme North Territory Lord Mia.

Mia is a powerful Territory Lord.

If the Heavenly Demon Territory Lord fights with Mia, he will not burn the origin of Mia. The opponent of the Territory Lord is in trouble, huh?

The Heavenly Demon Territory Lord looked at Su Chen and had an idea.

If Su Chen unexpectedly attacked Mia Territory Lord, as long as Mia Territory Lord was seriously injured, the Heavenly Demon Territory Lord would have the ability to kill Mia Territory Lord. Lord, he doesn't have to burn his origin to fight with Mia.

"Boy, when is Mia coming?"

Su Chen replied while walking towards the Demon Territory Lord, "Sir, Mia Territory Lord will arrive within a month."

"Within a month? Boy, I want you to sneak attack Mia Territory Lord, just like you sneak attack Emilia Territory Lord. As long as you successfully injure Mia Territory Lord, I will reward you with a Hongmeng high-grade spiritual treasure."

"Hongmeng high-grade Lingbao? Sir, are you telling the truth?"

"Of course, this domain master never deceives people."

The Heavenly Demon Territory Lord glanced at Su Chen disdainfully,

Hongmeng High-grade Spiritual Treasure?

He doesn't even have a Hongmeng High-grade Spiritual Treasure. How could he reward Su Chen with a Hongmeng High-grade Spiritual Treasure?

The Heavenly Demon Territory Lord only needs to kill Mia, who is under the command of Rakshasa Supreme. With Emilia, Supreme Taihao will definitely reward him, and maybe he will be rewarded with a Hongmeng high-grade spiritual treasure.

Su Chen pretended to be excited and said, "Thank you, sir, I will definitely attack and seriously injure Mia Territory Master."

The Lord of the Demon Territory touched his beard and nodded, "Very good, boy, give Emilia to me."

"Yes, my lord!"

Su Chen sent Bing Ji to the Heavenly Demon Territory Lord in the air. When Bingji was three meters away from the Heavenly Demon Territory Lord,

"Space freezes, time pauses, time and space stand still! Bing Ji takes action."

Su Chen quickly activated the law to immobilize the Heavenly Demon Territory Lord. He only had three breaths.

He could only immobilize the Heavenly Demon Territory Lord for three breaths. He hoped that Bing Ji could kill the Heavenly Demon Territory Lord.

"Ice and snow lotuses bloom, ice, snow!"

Bing Ji instantly launched the ice and snow lotus to attack the Heavenly Demon Territory Lord. After three breaths,

Su Chen could only give her three breaths.

If Bing Ji could not kill the Heavenly Demon Territory Lord, she and Su Chen would flee quickly. Boom boom boom.....

"Ah~ Damn it, little scumbag, you dare to deceive the Lord of this domain, I will tear you apart, I will destroy you physically and mentally."

The Heavenly Demon Territory Lord was immobilized by Su Chen.

Bing Ji used Hongmeng Lingbao to attack him. The

Heavenly Demon Territory Lord understood, bullshit Emilia.

Su Chen didn't catch Emilia at all. The woman who attacked him was just a saint. Terrible scum, boom boom boom.....

Bing Ji fully controlled the ice and snow lotus to attack the Lord of the Demon Territory.

Her mana was consumed rapidly.

Bing Ji did not want Su Chen to fail in his plan. She also did not want Su Chen to have an accident. By killing the Demon Territory,

Bing Ji simply ran out of mana and cultivated his abilities. If she goes back, she will do everything she can to help Su Chen defeat the Demon Realm.

Su Chen watched Bing Ji's attack with sweat on his forehead, and cracks appeared in the body of the Demon Territory Lord.

In three breaths,

Bing Ji may not be able to kill the Heavenly Demon Territory Lord.

The Heavenly Demon Territory Lord is three realms higher than Bing Ji, and Bing Ji cannot exert the maximum power of the Hongmeng Lingbao Ice and Snow Lotus. what to do? escape?

Or use the jade talisman of Chaos Avenue?

Su Chen thought quickly, time was very short, and he had to make a decision as soon as possible

"Master, I can control the Heavenly Demon Territory Lord for a quarter of an hour."

Suddenly, the female zombie in Su Chen's body said to Su Chen

"Let me go, female zombie, can you control the Demon Territory Lord?"

Su Chen didn't expect that the female zombie would transmit messages to him. (To read Baoshuang novels, go to Feilu Novel Network!) The female zombie can talk?

The female zombie has been in the time barrier in Su Chen's body for millions of years. Su Chen Chendu had forgotten about the female zombie.

The female zombie sent a message to Su Chen, "Master, I can control the Demon Domain Lord for a quarter of an hour."

Whoosh!

" Su Chen quickly released the female zombie and ordered, "Female zombie, quickly control the Demon Territory Lord.""

"Yes, master!"

The female zombie looked at the Demon Territory Lord with golden light in her eyes. Suddenly, the Demon Territory Lord's eyes were dull and he was stunned.

"I gathered together, controlled by the soul, the female zombie's mental power was upgraded to the soul law."

Su Chen was very surprised when he saw the female zombie instantly controlling the Demon Territory Lord. The female zombie's spiritual power has actually advanced to the Soul Law.

Damn it, the female zombie is going to defy the heavens.

"Chaos Bell, suppress!"

Boom boom boom.....

Su Chen didn't have time to think too much about the female zombie. He wanted to work with Bing Ji to kill the Demon Territory Lord.

"Ice and Snow Lotus, suppress!"

Bing Ji unexpectedly glanced at the female zombie.

She was another huge woman.

The female zombie was not as tall as the archangel or Gaia, but she was also two heads taller than Su Chen. A lustful bastard,

Bing Ji didn't expect that Su Chen found another tall woman.

Boom boom boom.....

Under the constant attacks of Su Chen and Bing Ji, the body of the Demon Territory Lord began to break.

The female zombie was able to control the Demon Territory Lord for a quarter of an hour. Su Chen and Bing Ji had time to kill the Demon Territory Lord.

Bing Ji unexpectedly looked at the female zombie and said to Su Chen, "~Husband, your big woman is pretty good. She can actually control the Demon Territory Lord for more than ten breaths."

Su Chen smiled and said to Bing Ji, "Bing Ji Ji, the female zombie knows the law of the soul, she can control the Demon Lord for a quarter of an hour"

"Soul law? Big women have so much potential."

Bing Ji was very surprised, the law of the soul?

The female zombie actually knows the law of the soul?

The ten laws of chaos, the law of fate and the law of the soul (of money) are the weirdest. Although the strength of the female zombie is scummy, if the female zombie grows up, Su Chen will have a powerful and terrifying helper

"My women all have great potential."

Su Chen was attacking the Demon Territory Lord while looking at the female zombies.

Damn, the female zombies are becoming more and more attractive, especially the two big lumps in front of her.

Among Su Chen's women, except Archangel and Gaia, the female zombies are more and more attractive. Zombies have the largest and plump breasts.

Female zombies have been promoted to the second level of the Holy Realm for millions of years. Should we accept female zombies?

Female zombies?

How does it feel to have sex with female zombies?

Su Chen saw the clothes of female zombies Her skirt was soaked and she asked, "Female zombie, can you still hold on?"

"Master, I can still hold on for ten breaths"

"Ten breaths? That's enough, female zombie, hold on, Bing Ji and I will kill the Lord of the Demon Territory within ten breaths"

"Yes, master!".

Chapter 3018

Ice and Snow Domain,

Ice and Snow Plains, a war breaks out between the army of cultivators in the Ice and Snow Domain and the army of cultivators in the Demonic Domain. Tens of billions of creatures are fighting in the vast ice and snow plains. Thousands of creatures are being killed every moment.

"Kill, defend the Ice and Snow Realm, and destroy the Heavenly Demon Realm ~ cultivators"

"Prepare the ice and snow battle formation to kill the army of cultivators from the Demon Realm"

"The third ice and snow cultivator legion attacked on the left wing and launched an ice and snow storm."

"For the sake of the Ice and Snow Territory, destroy the army of cultivators from the Heavenly Demon Territory"

"The strong men of the imperial realm went out to kill the strong men of the imperial realm in the Demon Realm."

Claire looked at the ice and snow starry sky with a worried expression. The ice and snow starry sky was constantly vibrating.

The Heavenly Demon Territory Lord is the leader in the Territory Lord Realm. Even the Ice and Snow Territory Lord Emilia is no match for the Heavenly Demon Territory Lord. Claire is not I know if Su Chen can destroy the Demon Territory Lord.

An ice elf came quickly and saluted, "Sir, the Taoist practitioners from the Heavenly Demon Realm are dispatched."

Claire ordered with a cold face, "Barbara, order all the Taoist practitioners from the Ice and Snow Realm to be dispatched. Lord Su Chen has not Before coming back, be sure to stop the Dao realm cultivators from the Demon Realm"

"Yes, my lord!"

Kleia clenched her fists tightly.

The war in the ice and snow plain is nothing.

As long as Su Chen kills the Lord of the Heavenly Demon Territory in the ice and snow starry sky, the Heavenly Demon Territory army in the ice and snow plain will flee without a fight.

"What happened to the Lord of Emilia? The war has begun, why hasn't the Territory Lord arrived? Even Lord Su Chen's life treasure has not arrived."

Claire couldn't understand.

Su Chen was here to help the Ice and Snow Territory defeat the Demon Territory.

Emilia Territory Lord's injuries should have recovered.

The war in the Ice and Snow Plains had already begun. Why hasn't Emilia Territory Lord arrived yet? Could it be that love Does the Lord of Miliya believe that Su Chen can kill the Lord of the Demon Territory?

In the starry sky,

Su Chen and Bing Ji are still attacking the Lord of the Heavenly Demon Territory.

Su Chen's Chaos Bell and Falling Snow Sword, the two Hongmeng spiritual treasures, are constantly attacking. The Heavenly Demon Territory Lord, the Heavenly Demon Territory Lord's body has been broken.

In a few breaths,

Su Chen and Bing Ji can kill the Heavenly Demon Territory Lord.

"Mrs. Bingji, are you making soy sauce? Why are your attacks getting weaker and weaker? Bing

Ji rolled her eyes at Su Chen and threatened, "Husband, do you want to die?" I am only in the tenth level of the Holy Realm, and my magic power is about to be exhausted."

Su Chen said with a smile,

"Madam, you are no match for me. You cannot defeat me in terms of cultivation level or in bed."

Bing Ji shouted in shame,

"Shameless pervert, husband, you are finished. I will join forces with Xue Ji, Nie Xiaoqian, A Yin and other girls, as well as all your female ghosts and angel legions, the Western Goddess Legion, etc., we will deal with you together, you are ready to become a human do it"

"I'll do it!"

Su Chen glared at Bing Ji with a dark face.

Bing Ji wanted to join forces with Xue Ji and Nie Xiaoqian, as well as all the female ghosts and angel legions, and the Western Goddess Legion. Can Su Chen handle tens of thousands of women by himself

? Dan, does Bing Ji want to tire him to death?

"Haha~"

Bingji laughed when she saw Su Chen's dark face, threatening?

If Su Chen dared to threaten her,

Bingji would dare to threaten Su Chen.

There are more than a million female fairies in the time and space in Su Chen's body. When Bing Ji and Xue Ji found out, they were very angry, especially towards Su Yan.

They couldn't help but want to beat Su Yan's little girl.

Su Yan was worthy of being Su Chen's daughter.

The little girl gave Su Chen a million dollars in one go. The female fairies, Bing Ji and Xue Ji all guessed that Su Yan had a bad relationship with her mother, otherwise how could Su Yan find millions of female fairies for Su Chen.

Boom boom boom.....

Su Chen attacked the Heavenly Demon Territory Lord and was too lazy to talk to Bing Ji.

After destroying the Heavenly Demon Territory Lord,

Su Chen would let Bing Ji know the consequences of threatening him. He would make Bing Ji unable to get out of bed for a month. boom!

"Space prison!"

Five breaths later, the body of the Heavenly Demon Territory Lord was exploded. Su Chen quickly used the law of space to imprison the Heavenly Demon Territory Lord's soul.

Bing Ji instantly appeared next to Su Chen and asked, "Husband, seize the Heavenly Demon Territory Lord's Yuan Shen." ?"

"Caught."

Su Chen hugged Bing Ji and kissed her fiercely. (To read Baoshuang novels, go to Feilu Novel Network!)

This time the killing of the Demon Territory Lord went so smoothly. In just a quarter of an hour, he, Bing Ji, and the female Zombies actually destroyed a Domain Lord Realm. Su Chen found it incredible when he thought about it now.

Bing Ji leaned into Su Chen's arms and smiled and said,

"Haha~, Husband, I didn't expect that we destroyed a Territory Lord Realm in a short time. Your big woman is good. When facing the Territory Lord Realm in the future, as long as the big man controls the Territory Lord Realm with the soul law, we can quickly destroy it. Killing Domain Lord Realm"

"No, Mrs. Bing Ji, although the female zombie's soul law is powerful, her cultivation level is too low. Without me, she could not control the territory lord realm before."

"That's right, you haven't settled in the Territory Lord Realm, and a big woman can't control the Territory Lord Realm. Female zombie? Husband, what is a female zombie?"

Su Chen stroked Bing Ji's sexy body and said, "This is a long story, I'll tell you later."

"Okay, husband, I will go back to time and space to recover my mana, and you can go see the war in the ice and snow."

Bingji was constantly being touched by Su Chen.

She saw the desire in Su Chen's eyes.

Bingji was scared.

She was worried that Su Chen would torture her severely. She was also worried that Su Chen would retaliate against her for the threat she just made.

Whoosh!

Bing Ji disappeared without waiting for Su Chen to answer.

"Afraid of crime and absconded? Mrs. Bing Ji, I don't have time to torment you now, but you can't escape."

Su Chen saw Bing Ji returning to the time and space in his body. He touched his nose and was speechless.

Bing Ji was too cunning, but it doesn't matter.

After the war in the ice and snow plains, Su Chen will enjoy Bing Ji's heat. Tenderness.

Whoosh!

Su Chen appeared next to the female zombie.

He looked at the female zombie with her eyes closed and recovering her mana. The female zombie's soaked dress revealed her uneven figure, and the two proud mountains on her chest were very attractive.

The female zombie opened her eyes and sent a message from her soul,

"Owner! Su

Chen asked doubtfully, "Female zombie, you still can't speak?"

"Master, I can talk, but I'm not used to it"

"Forget it, if you're not used to it, just use Yuanshen to transmit your voice."

Su Chen instantly sat on the female zombie's shoulders. He held the female zombie's head and kissed her delicate red lips. A tall female zombie!

Among Su Chen's women,

Archangel and Gaia are both very tall. Now there is another female zombie.

The female zombie rubbed her face against Su Chen's hand and said, "Master, I want to serve the master like an archangel.""

Chapter 3019

On the ice and snow plain,

Claire found that the starry sky had stopped shaking.

She checked the starry sky and found that Su Chen and the Demon Lord were gone. Claire kept checking worriedly.

"what happened? Why did the vibration in the starry sky stop in such a short time? Where is Su Chen? Where is the Demon Territory Lord? Why are they missing?"

Kleia feels uneasy.

The battle in the Territory Lord Realm cannot be decided for a year.

Su Chen and the Demon Realm are mainly about the same strength. Their battles cannot be judged for several years.

This time, why not At one hour, the battle in the starry sky of the ice and snow domain stopped. Why were Su Chen and the Lord of the Demon Domain not in the starry sky?

Whoosh!

Suddenly, two figures appeared in the sky above the ice and snow plain.

"Claire meets the Territory Lord"

"See Domain Lord!"

Claire and the creatures from the ice and snow realm who did not join the war saluted a beautiful woman in the sky.

Whoosh!

Emilia appeared next to Claire in an instant and asked, " Claire, where is Su Chen?"

Claire replied respectfully,

"Sir, Sir Su Chen and the Lord of the Heavenly Demon Territory were fighting in the starry sky. Less than an hour after the battle, Lord Su Chen and the Lord of the Heavenly Demon Territory disappeared one after another. I didn't check what happened."

"Um? The battle lasted less than an hour? Su Chen and the Demon Territory Lord disappeared one after another? How is this going?"

Emilia looked at the starry sky in surprise.

Su Chen and the Heavenly Demon Territory Lord fought for less than an hour. How did they disappear into the starry sky? The strong men in the Territory Lord Realm could not tell the winner after fighting for several years. Su Chen and the Heavenly Demon Territory Lord fought for less than an hour. What happened to the Demon Territory Lord?

For a while,

Emilia didn't see Su Chen and the Heavenly Demon Territory Lord.

Everything was calm in the starry sky.

Except for the breath left by Su Chen and the Heavenly Demon Territory Lord, there was no living thing in the starry sky.

Whoosh!

The archangel appeared next to Emilia and said, "Emilia, I want to find the master.

Emilia asked in confusion, "Archangel, where is your master?"

"The master is in the starry sky!"

"What? Su Chen is in the starry sky? Why didn't I check it? Archangel, are you sure Su Chen is in the starry sky?"

"Emilia, the master has arranged a space prison in the starry sky. The master is in the space prison in the starry sky. If you don't know the laws of space, you can't see the master's existence."

Emilia was even more confused when she heard what the archangel said. Su Chen is in the space prison in the starry sky. Where is the Lord of the Demon Territory?

Did Su Chen imprison the Lord of the Heaven Demon Territory in the space prison? That bastard has the ability to imprison the Heaven Demon Territory. Lord?

Claire opened her eyes wide.

Space law?

Space prison?

Su Chen imprisoned the Lord of the Demon Territory in a space prison?

It was too terrifying.

Less than an hour later,

Claire did not expect that Su Chen would catch him. After defeating the Heavenly Demon Territory Lord, Su Chen's power is too strong.

Holy realm?

Imperial realm?

Damn the holy realm and imperial realm.

Su Chen is a shameless pervert who pretends to be a pig and eats the tiger.

Emilia asked the archangel, "Archangel, can you enter Su Chen's space prison? The archangel smiled and replied, "Yes, I have the aura of the master on my body, and the space prison will not prevent me from entering.""

"Archangel, let's go together. I want to know if Su Chen has caught the Lord of the Demon Territory."

"good!"

The Archangel and Emilia disappeared instantly.

When Claire saw the Archangel and Emilia disappear, she shook her head speechlessly.

Claire couldn't understand what happened if Su Chen caught the Demon Territory Lord, what else is Emilia going to do?

There is still a war going on on the ice and snow plains, can't Emilia destroy the Dao Realm of the Demon Realm before looking for Su Chen?

Chaos World,

Xuantian Realm, Merlot Heavenly Court!

Su Yan was crowned as the Heavenly Emperor of the Xuantian Realm. (To read Baoshuang novels, go to Feilu Novel Network!)

For decades,

Su Yan had not been out of the Melo Heavenly Court. She was taught by Jing Salamander and Concubine Yan. She manages the Xuantian Realm.

In the Xuantian Hall,

Su Yan has a headache when she sees the documents in front of her. Documents from various realms and worlds arrive every day. She has to deal with these trivial matters every day.

"Ah~, I'm going to die, I'm going to be bored to death."

Su Yan leaned on the throne and shouted,

Emperor of Heaven?

She doesn't want to be the Emperor of Heaven in Xuantian Realm.

Su Yan thought of Su Yue, Elena, and Su Yao were very envious. Her three younger sisters could play everywhere. What about her?

Su Yan had to deal with affairs in the Xuantian Realm every day, and it was impossible for Su Yan to leave the Merlot Heavenly Court.

Jing Salamander came over and shouted,

"Yan'er!"

Su Yan hurriedly grabbed Jing Salamander and said pitifully, "Mom, I'm going to go find my sisters to play together. It's up to you and Aunt Yan Fei to handle matters in the Xuantian Realm."

Jing Shao touched Su Yan's hair and said, "Yan'er, your father gave you the Xuantian Realm. You are now the Heavenly Emperor of the Xuantian Realm. Don't even think about playing with it."

Decades have passed.

Jing Salamander is almost a hundred years old, and

Su Yan is not young anymore.

If the time spent practicing in the time barrier is included, they are both tens of thousands of years old. Jing Salamander did not expect that Su Yan still wanted to go everywhere. Play.

Time flies so fast.

Jing Salamander thought about the decades since Su Chen left. Did Su Chen encounter any danger in Hongmeng World?

Su Yan said unhappily, "Mom, when daddy was the Emperor of Xuantian Realm, he It's not like I haven't taken care of Xuantian Realm. Dad is also running around, why can't I?"

Jing Salamander explained helplessly,

"Yan'er, your father went to 063 to do things. The Xuantian Realm developed into a top realm in a short period of time. These are all your father did. Your father did not just go around to play."

Su Yan silently glanced at Jing Salamander. Xuantian Realm was established and developed into a top realm by her father.

However,

Su Yan couldn't figure out why Su Yan felt that her father was either picking up girls or on the way to pick up girls. How did her father Su Chen develop the Xuantian Realm into a top-level realm?

Elena came quickly and shouted, "Eldest sister, eldest sister, Bai Yuehui and Selina are the aunts, they are going to participate in the destiny mission"

"Elena has met her aunt."

Elena saw Jing Salamander in the hall and hurriedly saluted.

It's over.

Why is Jing Salamander in the hall?

Elena thought of what she just said to Su Yan. She was worried that Jing Salamander would tell her mother and might stop the four sisters. Secretly going to participate in the Luck Mission.

Jing Salamander waved his hand and asked, "Elena, do you sisters want to participate in the Luck Mission with Bai Yuegui and the others?"

"Auntie, we.....us....."

Elena was so embarrassed that she didn't know how to answer. She secretly made a help gesture to Su Yan.

"Mother, we sisters want to go to the World of Luck, just once. I haven't left Merlot Heaven for more than 30 years. Mother, please let us sisters go there just once."

Chapter 3020

Su Yan started acting coquettishly while holding Jing Salamander in his arms.

It had been more than thirty years since

Su Yan had been in Merlot Heavenly Court.

Bai Yuegui and the girls were going to participate in the Luck Mission. Su Yan must go to other small worlds to play.

"Okay, Yan'er, go with your three sisters."

Jing Salamander nodded helplessly in agreement.

She understood that if Su Yan was not allowed to go to the Luck Mission Small World, the little girl would not be able to settle down.

It has been more than thirty years.

Su Yan has been able to manage Xuantian Realm for more than thirty years.

Little girl Very good.

Jing Salamander wants Su Yan to go play and relax.

Besides,

Selena and Bai Yuegui's mission world is not dangerous. Su Yan and the sisters can still communicate with Xuantian. Jing Salamander also feels relieved to let Su Yan Four sisters went to have fun in the small world of luck

"thank you mother"

"Thank you, aunt."

Jing Salamander and Elena waved to Jing Salamander and left quickly. They were worried that Concubine Yan and Kesha's aunts would not agree.

Jing Salamander saw Su Yan and Elena leaving quickly, shook his head and sighed,

"Alas, the little girls are already in their forties or fifties, and they still look like they have not grown up."

Jing Salad thought that Su Chen missed her very much.

Apart from being in seclusion in the time barrier,

Jing Salad and Su Chen had been separated for the longest time. She might not be able to see Su Chen for hundreds of years.

Jing Salad thought that in The scene of meeting Su Chen outside Gusu City, with a smile on her cold face

【Husband, I hope we can meet again soon.] In the Melo

Heavenly Court, in Bai Yuekei's palace,

Su Yan and the four girls Su Yue, Elena, and Su Yao came to Bai Yuekei's palace one after another.

Bai Yuegui saw Su Yan's four sisters arriving and asked in confusion, "Little girls, why are you all here?"

Elena smiled and said, "Auntie, we sisters are going to the Luck Mission World with you."

Su Yue Sly smiled and said,

"Auntie, we sisters have nothing to do in the Merlot Heavenly Court. We must help our aunt complete her destiny mission."

Su Yao clenched her fist and said, "Yes, aunt, we will help you defeat the enemy team."

Su Yan touched her fair chin and smiled.

She was not worried that Bai Yuexi would not agree with their sisters going.

Xuantian Heavenly Way is stronger than Qiyun Heavenly Way. Besides, Chaos Avenue also ordered Qiyun Heavenly Way. They sisters should go to Qiyun Small World. , Qi Luck and Heaven dare not allow it.

Bai Yuexing shook her head speechlessly (cedb).

She finally understood that the four sisters Su Yan were going to disrupt their destiny mission.

Bai Yuexing and Alice's two teams Members, since they were brought to Xuantian Realm by Xuantian Tiandao, their destiny mission has been disrupted by Su Yue, Elena, and Su Yao.

Bai Yue is ashamed that these girls can control Su Yue, Elena, and Su Yao.

What about this time?

Little girl Su Yan is going too.

Bai Yuegui and the other girls are unable to control the lawless Su Yan. She feels that the destiny mission will be completely ruined by Su Yan.

Bai Yuegui asked Su Yan, "Yan Son, don't you want to manage Xuantian Realm? Does your mother agree? Su

Yan nodded hurriedly and replied, "Auntie, my mother agreed. Don't worry, I didn't forcefully deceive my auntie.""

Bai Yueyue never thought that Jing Salad would agree to Su Yan's visit to the small world.

For more than thirty years,

Su Yan has been strictly supervised by Jing Sala and Concubine Yan. How could Jing Sala agree this time?

Bai Yueying thought about it. I want to say, "Yan'er, you are in the holy realm. There is nothing fun in the small world. You can take your sisters to find other realms in the chaos."

Su Yan took out the flat peach and handed it to Bai Yuexing and said, "Auntie, Xing Tian and Bai Ze will look for other realms in the chaos, and I will seal the realm of cultivation and go to the small world to play."

"Forget it, you sisters, go prepare, we will participate in the luck mission tomorrow"

"Yes, aunt!"

Hongmeng World,

Ice and Snow Territory, more than a month later,

Su Chen quickly came out of the space prison. He looked back and saw that the space prison disappeared in the starry sky.

Damn, this time the trouble is big.

Su Chen didn't expect and When the female zombie was in love, the Archangel would take Emilia into the space prison. Su Chen even had sex with Emilia by force. (To read Baoshuang novels, go to Feilu Novel Network!)

In the space prison,

Su Chen is the absolute master, and Emilia has no ability to resist him.

Whoosh!

The archangel, Emilia, and the three female zombies came out of the space prison one after another.

"Damn it, that bastard Su Chen escaped."

Emilia found that there was no breath of Su Chen in the starry sky. She clenched her fists with anger on her face.

Damn you bastard,

Emilia didn't expect to be insulted by Su Chen. Su Chen also insulted her for more than a month.

Space If it weren't for the presence of the Archangel and the female zombie in the prison, Emilia's realm master's cultivation would not be able to withstand Su Chen's torture.

The Archangel said to Emilia, "Emilia, I won't do it this time." We blame the master, we are disturbing the master.

Emilia shouted in shame, "Archangel, your master has insulted me." The female zombie asked Emilia in confusion, "Emilia, weren't you very excited to be with your master earlier?" You keep yelling, why are you angry at the master now?"

"I....you...."

Emilia's face was flushed and she didn't know what to say. Why did the female zombie say anything?

Emilia had been very excited and comfortable for a month, but it didn't mean that she wasn't resentful of Su Chen.

Also, that bastard asked her to serve him with flaming red lips, and she felt very disgusted just thinking about it.

The archangel smiled and reminded Emilia,

"Emilia, our master is very powerful, you have realized it, and our master also destroyed the Lord of the Heavenly Demon Territory. You should go and destroy the Dao realm practitioners in the Heavenly Demon Territory at this moment."

Emilia clenched her fists and snorted coldly,

"Humph, I won't let go of Su Chen, Archangel, and female zombies. You and I will go back to the Ice and Snow Plains. After I destroy the Dao realm practitioners in the Heavenly Demon Realm, you must join me in the Ice and Snow City. Archangel

:"Okay, Master also allows us to be with you first.""

Female zombie:"Well, the master also told me to stay with you first, and I will wait for the master's arrival by your side."

"Archangel, female zombie, let's go to the ice and snow plains"

"good!"

Half a month later,

Su Chen entered another domain, a dense and dark forest.

Su Chen stood on a towering tree. He looked at the dark forest and was very surprised.

"Is this still the realm governed by the Rakshasa Supreme? How come there are a few Tao realm auras in the dark forest?".
