Chapter 3021

Su Chen rubbed his chin and thought. He couldn't go back to the Ice and Snow Region.

If he forcibly humiliated Emilia,

Emilia would want to kill him. He couldn't go back to the Far North Region. Emilia could not be found in the Ice and Snow Region. He, the beautiful elf will definitely go to the far north to look for him

"Let's go check it out in the forest first."

Whoosh!

Su Chen disappeared in the big tree in an instant.

He wanted to check which domain the dark forest belonged to, the territory of Hongmeng Supreme. In the

Nine Netherworld, the succubus stood respectfully outside a terrifying palace.

She had been standing outside for almost half a year. Time,

Hongmeng Supreme in the palace has not received her, the succubus feels that Hongmeng Supreme may not see her

【Suchen!】

【To find you bastard,】

【I'm afraid I will be reprimanded by the Supreme Lord this time, or even sent to purgatory for punishment. 】

Suddenly, a cold female voice came from the palace, "Succubus, the person you are looking for is named Su Chen?"

The succubus replied respectfully, "Sir, the person I am looking for is Su Chen. He has just arrived in Hongmeng. The world has only a few years."

In the palace, a beautiful woman in black gauze touched her chin, with a hint of coldness in her cold eyes.

The beautiful woman is called Jiuyou.

She is one of the few people at the top of the pyramid in Hongmeng World.

"Suchen? Creatures from the chaotic world? Interestingly, the succubus was inadvertently summoned to the Hongmeng world by himself using his essence and blood, and Su Chen actually entered the Hongmeng world from the lower world."

Jiuyou counted with his fingers where Su Chen was.

As long as Su Chen's name was not fake and he came from the Chaos World to the Hongmeng World, Jiuyou could figure out where Su Chen was in the Hongmeng World.

"Um? Covered? Or are two supreme beings going to cover up Su Chen's sea of destiny? Which two supreme beings will cover up Su Chen's existence? Su Chen, you have interested me."

Jiuyou stood up and stretched out her seductive body.

The thin black gauze revealed her sexy and alluring figure. Her fair and smooth skin was so tender that it seemed like you could squeeze out the water. She held her sexy waist and let people look at it. I couldn't help but want to touch it, and I couldn't help but take a bite when I looked at the proud plump mountain.

Jiuyou ordered the succubus outside the palace, "Succubus, send me an order to order all the masters of the Jiuyou underworld to search for Su Chen. You can transform into a portrait of Su Chen"

"Yes, Your Majesty."

The succubus showed a smile on her face, and the Nine Nether Supreme agreed to help her find Su Chen. Su Chen will be found soon.

Su Chen!

I hope you still remember your slave girl.

After the succubus finds you, your little succubus slave girl I will serve you well, and I hope you can withstand the service of the Territory Lord Realm.

In the dark forest,

Su Chen wandered in the forest for more than three months, and he did not even get out of the dark forest. It was too big, and the dark forest might be the same as the prehistoric fairyland. big

"Xiaoqian, are the female ghosts still looking for the Nether Fruit?"

Beside the small lake,

Su Chen was lying on the grass with Nie Xiaoqian and A Yin in his arms.

He stayed by the small lake for more than half a month.

There was a red Nether Fruit around the small lake.

The Nether Fruit is very useful for ghost cultivators. One The Nether Fruit can allow quasi-saint ghosts to advance to the Holy Realm within a hundred years.

The

Nether Fruit is very heaven-defying.

Nie Xiaoqian shyly replied, "Master, the area around the small lake is too vast. The sisters are still looking for the Nether Fruit around. You may need another one." Many months."

Su Chen stroked Nie Xiaoqian's big mountain and said, "More than a month? Forget it, it's okay anyway, Xiaoqian, tell your sisters not to worry, we have plenty of time to look for the Nether Fruit."

"Yes, master!"

Nie Xiaoqian got up in a hurry and disappeared next to Su Chen.

She had been tormented by Su Chen every day for three months. Nie Xiaoqian liked Su Chen but was helpless.

Su Chen was stronger than before.

She could deal with Su Chen for a few days before, but now she Even Su Chen couldn't handle it for a day.

Nie Xiaoqian, A Yin, Lin Qing'er, and Xiao Li took turns to accompany Su Chen. They rotated for half a month each time. Nie Xiaoqian didn't have to worry about being tormented by Su Chen.

A Yin leaned against Su Chen. Su Chen asked in his arms, "Master, your Angel Legion and Western Goddess Legion are full of beauties. Angels Ailan and Yulia are both very good. Why doesn't Master accept them?"

Su Chen kissed Ah Yin and said,

"It's not the right time yet, as long as angels Ailan and Yulia advance to the Holy Realm, I will accept them."

Su Chen smiled when he thought of the Angel Legion and the Western Goddess Legion.

In less than a hundred years, all the women in the two legions will be promoted to the Holy Realm. The Hongmeng Spiritual Qi Well will be The legion will occupy, thousands of years, ten thousand years later, the Angel Legion and the Western Goddess Legion, they will be the most powerful legion in Su Chen's hands.

Whoosh!

A female ghost suddenly appeared and saluted, "Master, we discovered that there are creatures fifty thousand miles away breath of activity"

"Um? Hanxiang, what kind of creature is it?"

Female ghost Hanxiang replied, "We didn't dare to check. The other party's aura was very strong, and our team was afraid of being discovered."

"Hanxiang, inform your other sisters not to stay away from Xiaohu. I will go and check it myself."

"Yes, master!"

"Ah Yin, you go find Nie Xiaoqian. You protect the female ghosts around the small lake. I'll go check it out."

"Yes, master!"

In the dark forest, under the Hengduan Mountains, more than a dozen giants four to five meters high fled for their lives quickly. Behind them, hundreds of ogres with two heads were chasing the giants.

A strong giant turned around and shouted, "Joslyn , speed up, the ogre is about to catch up with us."

Giantess Qiao Silin said with a pale face, "Komax, my mana is about to run out, you run away, I will self-destruct to buy you some time."

Qiao Silin is at the third level of the Holy Realm.

Her cultivation level is too low.

If Comes and the others take her to escape, not only will they not be able to escape the ogres, but the giant tribe will also be attacked by the ogres.

Qiao Silin didn't want to involve other companions, and she didn't want the giant tribe to be attacked by ogres.

"No, Jocelyn, don't give up. In another thirty thousand miles, we will return to the tribe. The ogres dare not chase us back to the tribe."

"Komes, there are imperial realms among the ogres. Go and inform the tribe to activate the defensive formation, otherwise the tribe's people will be killed and eaten by the imperial realm ogres."

"Jocelyn....."

"Leave me alone, do you want to watch your tribesmen being killed and eaten?"

"Take care, Jocelyn."

Comes waved his hand to Qiao Silin.

He took the remaining giants and fled at a faster speed.

The ogres sent out the emperor-level warriors.

Comes guessed that it was to sneak attack the giant tribe, and he wanted to quickly notify the tribe to open a defensive formation. Otherwise, hundreds of people in the tribe would be killed by the ogres.

Whoosh,

Su Chen appeared on a towering tree and shouted in surprise, "What the hell, female giant?" She is still a giantess one meter taller than Gaia. Damn, the giantess in the holy realm is really tempting."

Chapter 3022

Su Chen was very surprised when he saw the fleeing giantess.

The giantess was wearing a revealing dress like a savage, with most of her fair skin exposed. The proud mountains almost burst the dress, and her two straight long legs were white and smooth. , her stunning face is as beautiful as a Western goddess.

Su Chen touched his chin and whispered,

"Damn it, the giantess is getting more and more angry the more I look at her, she is just a giantess in the holy realm, why doesn't she change into a dress and dress up properly? Is it the custom of giants to wear scantily clad clothes?"

Boom boom boom.....

Suddenly, disgusting two-headed ogres appeared and attacked the female giant. The fleeing female giant was suddenly bombarded and vomited blood and fell to the ground.

"Ouch ooh~, food, delicious food"

"My, my food!"

"Tender food, I want to taste delicious food slowly"

"Get out of here, do you want to die? The giantess is Lord Clark's food"

"Sir, can you give me a bite?"

"Get out of here, let's break through the giant tribe, there's a lot of delicious food"

"Yes, my lord!"

Dozens of ogres were drooling around Jocelyn. They all wanted to eat the tender and delicious Jocelyn.

Jocelyn fell to the ground in despair.

Her mana was exhausted and she was seriously injured. Jocelyn It is impossible to self-destruct and die together with the ogre.

Boom!

At this time, a three-meter-tall strong two-headed ogre came to the side of Qiao Silin with more than 500 ogres.

An ogre saluted and said, "Lord Clark, we captured a giantess."

Clark looked at Jocelyn and nodded with satisfaction.

Jocelyn's skin is smooth and delicate, and it must taste very delicious.

Also, the giantess is also very beautiful, sexy and beautiful. Clark can play with Jocelyn and eat her at the same time. Jocelyn

"Well, that's right, Varus, order the tribesmen to rest for half an hour. After half an hour, we will go and slaughter the giant tribe."

"Yes, my lord. Clark said with a disgusting smile,

"Giantess, you are lucky to meet me, I will play with your seductive giant body."

Qiao Silin shouted angrily, "Ogre, don't be proud, our Territory Lord will definitely retake the Dark Territory, and you dirty underground creatures will be killed by the Territory Lord."

"Haha~, you domain lord? The Dark Territory Lord Isabella is being chased by our Territory Lord and is running around. In less than a year, you Territory Lord will be killed and eaten by our Territory Lord."

"Impossible, our Territory Lord Isabella is at the tenth level of Territory Lord Realm. You Territory Lords will not be Isabella's opponent."

"Huh, we Ogre Territory Lords are at the twelfth level of the Territory Lord Realm, and we will soon be promoted to the World Lord Realm. In the future, our Territory Lords will be the thirty-sixth World Lord of the Nine Nether Supreme."

Qiao SiLin turned pale and wanted to stand up, but she kept vomiting blood whenever she moved.

Qiao SiLin's injuries were so serious that she couldn't even move at this moment.

"Giantess, I want to enjoy your sexy and attractive body first, haha~"

Boom boom

Su Chen quickly appeared and kicked Clark away.

The disgusting ogre, or the lustful and disgusting lecherous ogre.

An ogre The demon saw Clark being kicked away suddenly, and he found Su Chen shouting hurriedly, "The enemy is attacking, kill the intruder quickly, all the ogres surround the intruder."

"Time pauses and space disappears!"

Boom!

Su Chen activated the law of time to instantly immobilize more than five hundred ogres. He also activated the law of space to destroy the scum of the ogres. More than five hundred ogres were instantly destroyed physically and mentally.

"Scumbag!"

Su Chen exterminated the ogre with a disdainful expression.

Ogres are all dregs of the Holy Realm.

Su Chen can crush him to death in the Imperial Realm with one hand. The dregs of the Holy Realm pose no threat to him.

Boom!

Clark quickly Came back and shouted, "Who are you? How dare you take action against the Ogre Domain."

Clark was very surprised.

More than five hundred Holy Realm ogres were killed instantly.

Although the low-level ogres were scum,

Su Chen was a scum from the fifth level of the Holy Realm. A person from the fifth level of the Holy Realm. Little Zhazha, how could Su Chen kill so many ogres from the tenth level of the Holy Realm in an instant?

Qiao Silin's eyes widened.

She didn't expect that someone would save her, and she was still a human being.

But,

How could the Holy Realm kill more than five hundred Holy Realm ogres in an instant?

Su Chen asked expressionlessly, "Ogre, did you just say that the ogres belong to the Nine Nether Supreme?" Where is Jiuyou Supreme?"

"Die!"

Boom!

Clark activated the spirit treasure to attack Su Chen.

Little Zhazha,

Clark is a strong man in the Emperor Realm. A scumbag in the Holy Realm still dares to question him. He will eat Su Chen alive.

Boom Bang!

Su Chen is quickly knocked away. Clark's garbage spirit treasure, he instantly strangled Clark's neck

"~Zhazha, how do you want to die?"

"you.....How can it be? You have hidden your cultivation realm, and you are a strong person in the Territory Lord Realm."

Clark was frightened.

Su Chen grabbed his neck in an instant.

He guessed that Su Chen was in the Territory Lord realm and Clark was in the ninth level of the Emperor realm.

Only strong men above the Territory Lord realm could catch him instantly. There was no trace of the Territory Lord realm in front of Clark. Resistance ability.

Su Chen asked coldly with an expressionless face, "Tell me, where is the Supreme Lord of the Nine Nethers?"

Clark hurriedly replied, "Sir, the Nine Nether Supreme is in the Nine Netherworld."

"Nine Netherworld? How to get to the Nine Netherworld?"

"Sir, there is a temporary teleportation array in the Dark Territory, just outside Territory Lord Isabella's starry sky palace."

Click!"

"Destroy!"

Su Chen crushed Clark's neck in an instant, and he activated the law of time and space to strangle Clark's body and spirit.

Damn, (Qian Zhao) is in trouble,

Jiuyou Supreme?

Su Chen heard Clark talking about Jiuyou Supreme before, and he thought He was trembling.

On the ladder,

Su Chen got the ribbon of Jiuyou Supreme. Jiuyou Supreme was one of the three most powerful Supreme Beings in the Hongmeng world. Even Murong Qingcheng was no match for Jiuyou Supreme.

If Jiuyou Supreme knew that the ribbon was there In his hand, Su Chen guessed that Jiuyou Supreme would destroy him physically and mentally.

Qiao Silin stood up with difficulty and saluted, "Sir, Qiao Silin thanks you for saving your life."

Qiao Silin didn't expect that Su Chen was in the Territory Lord realm.

No wonder he could instantly wipe out more than 500 ogres and crush Clark Hall in the Emperor realm to death with one hand.

To Su Chen,

Qiao Silin did not dare to be disrespectful at all.

She just In Zha's third level of the Holy Realm, Qiao Silin is not even worthy of carrying Su Chen's shoes.

Su Chen curled her lips and said,"Qiao Silin, you will be my slave girl from now on.""

Chapter 3023

Su Chen planned to take in another female slave.

In the Godfall Continent,

Su Chen's succubus slave was missing.

He could not find any trace of the succubus in the Godfall Continent.

Su Chen suspected that the succubus had either completely fallen or been transported. In other small worlds.

The giantess in front of me is very good. She has a beautiful appearance and a tall figure that is also very sexy and attractive. Her bumpy body makes people think about it, especially the revealing dress the giantess wears is very attractive.

Damn it, why did Su Chen start to like tall women? Gaia's original body shape was more than three meters tall, the archangel was more than ten meters tall, and the female zombie was almost three meters tall. They were all beautiful and sexy women.

What about the giantess?

More than four meters high!

Qiao Silin looked pale and said, "Sir, I can't be your slave, please let me go."

"853" Xiao Yu threatened with a cold face, "Objection is futile. Call your name Qiao Silin. You will be my slave girl from now on. If you don't agree, I will slaughter your giant tribe."

"Yes, master!"

Qiao Silin lowered her head angrily.

She could not resist Su Chen.

Su Chen was a powerful Territory Lord.

Territory Lord Isabella was probably no match for Su Chen. It was very easy for Su Chen to massacre the giant tribe. For the sake of the giants, Su Chen Among the hundreds of people in the tribe, Qiao Silin could only agree to be Su Chen's slave girl.

Su Chen took out three nine-thousand-year-old flat peaches and handed them to Qiao Silin and said, "Eat these and recover from your injuries quickly."

"Yes, master."

Qiao Silin was very surprised when she saw Pantao.

Innate Spirit Fruit,

Su Chen actually has Innate Spirit Fruit.

Although Pantao is not the Hongmeng Spirit Fruit, the Giant Tribe has never even seen the Innate Spirit Fruit.

In the Dark Territory, it is gloomy all year round, and cultivation Resources are scarce,

Hongmeng aura is not strong, and the cultivation level of the creatures in the Dark Territory is generally not high. Otherwise, the Ogre Territory will not easily occupy more than half of the Dark Territory.

Three days later,

Su Chen took the female giant back to the small lake. , the female ghosts around the small lake are still collecting Nether Fruit. It takes a month for the female ghosts to collect Nether Fruit around the small lake. Su Chen can only continue to wait by the small lake.

Qiao Silin looked around The female ghost asked in surprise, "Master, why is your slave girl so weak?"

Su Chen asked after taking a sip of wine.

"Qiao Silin, you don't have to worry about anything. Tell me, the Dark Territory belongs to the Hongmeng Supreme?"

"Master, the Dark Realm does not belong to any supreme being."

"Um? Is the Dark Realm not inferior to any Supreme Being? Jocelyn, what's going on?"

Qiao Silin replied thoughtfully,

"I don't know much. The Dark Territory has been gloomy for many years, and the Hongmeng spiritual energy is getting thinner and thinner. I heard from the tribe that the Territory Lords around the Dark Territory despise the Dark Territory, and there is no Territory Lord to occupy the Dark Territory."

Su Chen shook his head speechlessly.

It turns out that the Dark Territory is equivalent to the Death Territory.

If the Dark Territory does not have the Hongmeng aura, it will be useless for the surrounding domain lords to occupy the Dark Territory.

"Qiaocelyn, why did the Ogre Realm want to occupy the Dark Realm?"

Qiao Silin said with an angry expression on her face,

"Master, the Ogre Realm does not want to occupy the Dark Realm, they do it for food. Ogres can devour flesh and blood to practice. Tens of billions of creatures in the Dark Realm are captured and raised as food by the Ogre Realm.

Su Chen frowned and asked, "Has your Territory Lord escaped?"

Qiao SiLin replied in frustration,

"No, our Territory Lord Isabella will not escape. For thousands of years, our Territory Lord has been fighting the Ogre Territory Lord, but our Territory Lord cannot defeat the Ogre Territory Lord."

"Understood."

Su Chen was lying on the grass thinking about it.

The Ogre Demon Realm is an insignificant domain of the Jiuyou Supreme. If Su Chen destroyed the ogre demon realm that eats living things, he would be worried about provoking the Jiuyou Supreme.

The Jiuyou Supreme may not care about the little one. Ogre Domain, but what if?

If Jiuyou Supreme gets the urge to check who destroyed the Ogre Domain, Su Chen is worried that he will be targeted by Jiuyou Supreme.

Qiao Silin asked in a low voice, "Master, you can save the giant tribe ?"

"Qiaocelyn, how many people are there in the giant tribe?"

"More than 600 people, we are a small tribe of giants in the Hengduan Mountains"

"Qiao Silin, are there no strong men among the other giant tribes in the Hengduan Mountains? Why don't you giant tribes unite?"

Qiao Silin said to Su Chenshu,

"Master, there are hundreds of giant tribes large and small around the Hengduan Mountains. The most powerful giant among the giant tribes is the emperor. Even if we unite, we are no match for the ogre realm."

"All the giant tribes are constantly migrating. In the dark forest, the Hongmeng spiritual energy becomes thinner the further east you go. If the Ogre Domain continues to capture creatures and keep them in captivity, our tribe and other tribes will have to move eastward....."

Su Chen closed his eyes and thought.

The giant tribe was too weak.

The most powerful giants were the emperors.

If the ogres sent out a strong emperor, they might destroy all the giant tribes.

Save the giant tribe?

There is no point in saving the giant tribe.

If the giant tribe were beautiful mermaids or beautiful elves, Su Chen might still save them.

Su Chen closed his eyes and said,"Qiao Silin, I will stay by the small lake for more than a month. As long as the ogre comes within a hundred thousand miles of the small lake, I will destroy the ogre.""

"Master, can I go back to the tribe?"

Qiao Silin decided to inform the tribe members to come to Thorn Lake.

There is such a terrifying and powerful person as Su Chen in Thorn Lake. Her tribe will be very safe.

As for whether Su Chen will save her tribe,

Qiao Silin has a way to let Su Chen. Chen agrees, slave girl?

There are more than ten beautiful female giants in her tribe.

Qiao Silin believes that Su Chen will agree to save her tribe after seeing more than ten beautiful female giants. Su

Chen nodded in agreement,"Yes , you have to come back within ten days, otherwise you should understand the consequences"

"Thank you master!"

Qiao Silin smiled and saluted Su Chen, and she quickly disappeared by the Thorny Lake. In the Ice Territory,

Emilia was very angry.

A few months had passed.

Since she destroyed the invading army in the Demon Territory, her love Miliya didn't find any trace of Su Chen in the Ice Territory.

Damn the pervert.

Emilia didn't know where Su Chen was hiding. "Archangel, will your lustful master return to the Far North Territory?" ?"

"I have no idea!"

The archangel shook his head at Emilia, where is Su Chen?

The archangel can sense the location of Su Chen, but she will not tell Emilia.

Emilia's face was cold and she decided, "Archangel Angel, please inform the female zombie that we will go to the Far North through the teleportation array the day after tomorrow. I guess your master has escaped back to the Far North."

"Okay, Lord Emilia"

Chapter 3024

In the Dark Territory, eight days later,

Su Chen and Lin Qing'er were having a romantic relationship. He suddenly sensed hundreds of creatures coming towards the small lake.

"I beat."

Why did more than six hundred giants come here?

Huh?

Qiaocelin?

Damn it,

Qiaocelin actually brought all the giants from the giant tribe here.

What does the female giant want to do?

Qiaocelin wants to move the giant tribe to a small By the lake? Or should he protect the coming giants?

Xiao Yu was speechless while holding Lin Qing'er.

He underestimated Qiao Silin.

The female giant was not tall and brainless. Qiao Silin was going to kill her first and then tell her.

"Master, what's wrong?"

Lin Qing'er leaned on Su Chen and asked doubtfully.

She found that Su Chen's expression was a little angry.

Lin Qing'er guessed that something happened outside. She didn't care much. She was so tired now that she wanted to rest.

Su Chen said to Lin Qing'er Said, "The new slave girl I took in brought me trouble. Qing'er, you go back to time and space to rest first. I will deal with the trouble that comes later.""

"Good host! Lin

Qing'er smiled and nodded to Su Chen. It turned into a stream of light and disappeared from Su Chen's body.

Su Chen stood up and 007 put on his clothes and disappeared into the forest and grass.

Damn,

Romance was interrupted in the middle of the show.

Giantess?

Let the female giant sleep with you tonight.

At this moment, three thousand miles away from Thorn Lake,

Qiao Silin led her tribe to fly quickly at low altitude.

A two-meter-tall female giant asked Qiao Silin, "Sister Qiao Silin, is there really a strong person in the Territory Lord realm in Thorn Lake?" ? Will the strong men in the Territory Lord Realm protect our tribe?"

Qiao Silin smiled and replied, "Little Eileen, don't worry, the strong men in the Territory Lord Realm will protect us, and our giant tribe will not be captured by the ogres in the future. Eat it."

Irene shouted excitedly, "Great, the strong ones in the Territory Lord Realm protect us. We won't move often in the future, and we don't have to worry about being caught and eaten by disgusting ogres."

Other giants next to him People also smiled.

For thousands of years, the giant tribe has been fleeing and migrating.

If there is a strong person in the domain lord realm to protect the giant tribe, the giant tribe does not have to worry about being captured and eaten by the ogres.

At this time, the female ghosts around Thorny Lake also discovered many arriving giants. The female ghosts disappeared quickly (ceba) and gathered around Su Chen.

Su Chen said to the female ghosts who kept coming, "Don't worry, those giants are not enemies, you can continue to collect Nether Fruit.""

"Yes, master!"

The female ghosts saluted one after another and disappeared around Su Chen. After a while, huge giants appeared not far from Su Chen. The tallest giant was six or seven meters tall, and the shortest giant was two meters tall like the female zombie. How high. More than six hundred giants looked at Su Chen and did not dare to speak.

However, after the giants checked Su Chen's cultivation level, they found that

Su Chen was in the fifth level of the holy realm.

Qiao Silin told them that Su Chen had hidden his cultivation level. Realm, why would a dignified Domain Lord Realm expert hide his cultivation realm?

Qiao Silin walked to Su Chen and saluted, "Master! Su

Chen asked with a cold face, "Qiao Silin, won't you explain it to me?""

Qiao Silin hurriedly knelt down and said, "Master, I hope that the master can protect the giant tribe. There are more than ten beautiful female giants in the giant tribe, and they can all be master's female slaves."

I'll do it!

After Su Chen saw Qiao Silin kneeling down, she exposed a large area of fair skin. Su Chen looked up and felt dizzy.

Damn, there was too little fabric on Qiao Silin's body.

Su Chen stabilized herself. The mind said,

"Qiaocelyn, I won't stay at the small lake for long. Do you think I will protect the giant tribe?"

Qiao Silin blushed and covered her chest and said, "Master, you can leave with our giant tribe. The master should have a spiritual treasure that contains living creatures. We will not be a drag on the master if we enter the spiritual treasure."

Qiao Silin didn't expect that Su Chen would look at her body.

Her dress was very revealing.

She only had a few pieces of spiritual cloth covering her important parts.

Such clothing was Giantess customs, the female giants in the tribe all dress like this

"I will not take in a tribe of giants."

Su Chen looked at the many giants and shook his head.

Among the more than 600 giants, there were more than 400 male giants.

He wanted the male giants to have no use.

There were millions of beautiful fairies in Su Chen's time and space. He How could it be possible to accept a male giant? Su Chen would not accept any male creature. Qiao Silin said with a serious face, "Master, our clan leader has discovered a secret. As long as the master agrees to protect our giant tribe, I will ask the clan leader to tell you the secret." "Boom! Su Chen suddenly burst out with terrifying momentum and pressure. Qiao Silin and all the giants were instantly suppressed and fell to the ground. Su Chen said coldly,

"Qiao SiLin, you are just my slave girl. How dare you negotiate terms with me? Do you think I won't kill the giant tribe?"

"Master atones for his sins. I am here for the people in the tribe. Master can punish me at will. Please also ask Master not to implicate the giant tribe."

"Humph, Qiaoceline, forget it this time, next time, not only you will die, but all the giants in the giant tribe will die too."

Su Chen was trying to scare Qiao Silin this time.

Qiao Silin brought the giant tribe without his permission and dared to negotiate conditions with him.

If the female giant was not allowed to have a long memory,

Su Chen was worried that the female giant would continue to bring him tribes. Come to trouble.

He plans to test Qiao Silin in the future. If Qiao Silin still dares to make arbitrary decisions, he will kill the giantess Qiao Silin.

A slave girl,

Su Chen has more than a million fairies in her body, he will not Want a disobedient slave girl

"Thank you, master. Thank you, master."

Qiao Silin's heart trembled and she hurriedly thanked her.

It was so terrifying.

Qiao Silin felt that Su Chen could kill her with his momentum. Su Chen was worthy of being a strong man in the Territory Lord Realm.

After Su Chen put away the pressure of his momentum, All the giants stood up and looked at Su Chen in horror. It was too scary, too terrifying.

For the first time, the giants felt the feeling of life and death being controlled by others. The Domain Lord Realm was not something they could offend.

A plump female giant walked away. Come here, she bent down and saluted Su Chen and said,

"Dear Territory Lord, I am Jessie, the leader of the giant tribe. Qiao Silin did not intend to collide with you. I can tell you the secrets in the Hengduan Mountains.

Su Chen touched his chin and asked, "What secret?"

"Sir, there may be Hongmeng Spirit Fruit in the Hengduan Mountains, and there is more than one Hongmeng Spirit Fruit."

Chapter 3025

The leader of the giant tribe, Jessie, was very uneasy.

Su Chen gave her a very dangerous feeling. For the first time in tens of thousands of years, she encountered the feeling of being controlled by her life and death. Jessie was facing a powerful ogre emperor, and she also Without such a feeling of fear,

Su Chen might be able to annihilate her by bursting out with some momentum. Jessie understood that the powerful ones in the Territory Lord Realm were not something she could face in the Scum Saint Realm.

Jessie replied respectfully, "Sir, there may be Hongmeng Spirit Fruit in the Hengduan Mountains, and there is more than one kind of Hongmeng Spirit Fruit."

Su Chen asked in surprise,

"Um? Is there Hongmeng Spirit Fruit in the Hengduan Mountains? More than one? Jessie, you didn't deceive me?"

Jessie hurriedly explained,

"No, sir, our giant tribe moved to the Hengduan Mountains six hundred years ago. I have been looking for cultivation resources for hundreds of years."

"once,"

"When I was looking for cultivation resources in the Hengduan Mountains, I was inadvertently transported to a space in the Hengduan Mountains. I sensed that the Hongmeng spiritual energy was very strong from the space barrier. I guessed that there was a Hongmeng spirit fruit in the space barrier, and there might be more than one. Zhu Hongmeng Ling - fruit."

Su Chen touched his chin and thought.

He felt that Jexia was not lying, but the Dark Territory is very barren and the Hongmeng spiritual energy in the Hengduan Mountains is very thin. Is there really a Hongmeng spiritual fruit in the Hengduan Mountains?

"Jexia, since you were teleported to the Hengduan Mountains space, why didn't you take the Hongmeng Spirit Fruit?"

"Sir, there is a barrier in space. I am unable to break the barrier."

"Do you still remember the teleportation array that entered the Hengduan Mountains?"

"Remember, sir, I can take you into the Hengduan Mountains space."

Su Chen thought for a while and said,

"Jexia, if you didn't lie, I would protect your tribe regardless of whether there was a Hongmeng Spiritual Treasure in the Hengduan Mountains. If you lied to me, I would annihilate all the giants in your tribe."

Jesia hurriedly knelt down and thanked, "Thank you, sir, thank you, sir."

I guess!

Su Chen was speechless when he saw the two big lumps.

Damn, he couldn't help but want to look at Jexia's huge mountains. Especially the looming ones were very attractive.

"Jexia, you arrange for the giant tribe to rest around a small lake. After a month, you and I go to the Hengduan Mountains."

"Yes, my lord."

Su Chen disappeared instantly.

He wanted to calm down.

The giantess was too tempting.

Jexia was wearing very little fabric and her looming white skin was too tempting.

Damn, he has been an immortal for many years.

He is still a strong man in the imperial realm.

Su Chen didn't expect that he still couldn't restrain himself when he met a beautiful woman. I'm afraid he is a sex demon among immortals.

"Owner!"

A female ghost saluted when she saw Su Chen suddenly appeared.

Su Chen waved to the female ghost and shouted, "Aruo!"

"Owner!"

The female ghost A'ruo shyly hurried towards Su Chen. Su Chen hugged the female ghost A'ruo and disappeared on the spot. In the sky above, a blue barrier suddenly appeared and disappeared.

Within ten days, the blue barrier kept flashing suddenly, and the small There were female ghosts disappearing suddenly around the lake.

The other female ghosts didn't pay attention when they found out.

They understood where the female ghost disappeared. They didn't serve Su Chen once or twice. The female ghosts were shy and waited for Su Chen's call.

Boom!

Half! Months later, a terrifying aura suddenly erupted around the small lake, and all the female ghosts and giants quickly gathered by the small lake.

After checking, Jexia shouted,

"It's an ogre army. There are tens of thousands of ogres slaughtering other creatures. The ogres may find us by the small lake."

Qiao Silin hurriedly asked the female ghosts next to her, "Where has the master gone? do you know?"

The female ghosts ignored Qiao Silin, and all the female ghosts were sitting by the small lake to rest.

More than six hundred giants panicked, and tens of thousands of ogre troops?

How can they resist?

The giants can't even resist hundreds of ogres, and tens of thousands of ogres will massacre them in an instant.

Where is Territory Lord Su Chen?

All the giants hope that Territory Lord Su Chen can annihilate the ogre army.

Ai Lin looked pale and asked Qiaocelin, "Sister, will we be caught and eaten by ogres?"

Joslyn comforted Irene anxiously, "No, we have a master, and the master will wipe out the ogre army."

Qiao Silin looked at the female ghost next to her very puzzled.

For half a month, none of the female ghosts had talked to the giants. She and some female giants took the initiative to talk to the female ghosts. The female ghosts ignored them and looked down on them.

Giants?

The scumbag female ghost looks down on the giants in the holy realm?

Three days later,

70,000 to 80,000 ogres chased some creatures toward the small lake.

The giants were on guard with their spiritual treasures. They could not escape, and they could not escape. As the ogres chased them, all the giants hoped that Su Chen would stay in the small lake and not leave.

Jexia stood in front of the giants with a serious expression on her face, holding the spirit treasure. She was the eleventh level of the holy realm, and she swore to protect the giants of the tribe to the death. People, Jessica will not abandon the giants and run away.

Qiao SiLin pulled Irene and prayed, she prayed that Suchen would appear to save her people.

Qo SiLin looked at the female ghosts talking by the lake. The ghosts didn't seem to see the ogre coming, and Qiao Silin was very speechless.

"Destroy!"

Dang Dang Dang....

Suddenly, a small town appeared in the sky above the small lake.

With the clear ringing of bells, the bodies of the ogres that were being killed began to break and dissipate one by one.

"Sir save...."

"Run away quickly, there are strong men around the lake.....ah!"

"My body, how is my body broken?...."

"No....I am in the imperial realm, how could I be wiped out by the Hongmeng low-grade spiritual treasure? Damn it....."

Three breaths later, tens of thousands of ogres were wiped out and dissipated, as if the tens of thousands of ogres had never appeared.

Beside the small lake, all the giants were stunned.

A small bell rang just a few times, and all tens of thousands of ogres were wiped out. Tens of thousands of ogres from the holy realm, including ogres from the imperial realm, All the ogres were wiped out without even leaving their bodies.

Qiao Silin said excitedly, "Chief, it was the master's voice just now. The master wiped out all the ogres."

Jexia nodded with a smile and said,

"Well, I heard the voice of the Territory Lord. The Territory Lord has been around the small lake. Our worries are unnecessary. No wonder those ghost nuns are not worried about the arrival of the ogres."

Qiao Silin looked at the Chaos Clock above the small lake and said, "The master is too powerful. The low-grade Hongmeng Lingbao destroyed all the imperial-level ogres, and it still wiped out the ogres in an instant."

Chapter 3026

Beside the small lake, the female ghosts smiled one after another.

They all knew how powerful Su Chen was.

Not only was Su Chen very powerful and terrifying, but his ability to torment people was also very powerful.

None of the female ghosts were Su Chen's opponents.

Among the female ghosts, Su Chen was the most powerful. The powerful Nie Xiaoqian is no match for Su Chen. The female ghosts had not worried about the ogres before. The ogre army may be very powerful, but facing Su Chen, the ogre army is just cannon fodder.

"The master is still as strong as ever. We must practice quickly, otherwise we will not be able to help the master in the future."

"Yes, the Angel Legion and the Western Goddess Legion are both stronger than us. If we don't practice hard, we won't be able to help our master in the future."

"There are also shadow assassins. Shadow assassins practice in the time and space in their master's body. They have been practicing in seclusion for almost a million years. If the shadow assassins come out of seclusion, they will be even more terrifying."

"Well, we must not be compared with the Angel Legion, the Western Goddess Legion, and the Shadow Assassins. We female ghosts are the master's personal guards."

"We have the Hongmeng Spiritual Well and numerous cultivation resources. We are also looking for tens of thousands of Netherworld Fruits this time. As long as we practice in seclusion for more than 100,000 years, we will all advance to the Holy Realm. Some of the sisters may reach the Imperial Realm."

"Come on, we sisters are the master's personal guards."

Over the small lake, the Chaos Bell disappeared silently into the air, and the area around the small lake also became quiet.

The giants looked at each other and began to practice.

There were Domain Lord Realm strongmen around the small lake to protect them. All giants could Practice with peace of mind.

Irene said excitedly, "Sister, the master is so powerful, will the master accept me?"

Joslyn stroked Irene's hair and said, "Yes, Irene is very beautiful, and the master will definitely accept you."

"Great, if the master accepts me, I will definitely serve the master well."

Joslyn nodded to Irene, and she looked at the dozen or so beautiful giantesses beside her.

Jocelyn had talked to them all before, and they were all willing to be Su Chen's female slaves.

Jessie Ya heard the conversation between Irene and Qiao Silin, and she had no intention of stopping it.

The female giants had their own choices.

Besides, Qiao Silin and more than ten beautiful female giants, they became Su Chen's female slaves in order to protect the tribe.

Jessie If Ya hadn't been the tribe leader, she would have been Su Chen's slave girl.

In the following period, the ogre army arrived in four batches with millions of ogres, but the arriving ogre armies were all annihilated by the Chaos Clock, and the Emperor Realm Six or seven of the ogres were killed. Millions of creatures lived by the small lake.

There were strong men in Thorn Lake protecting the creatures in the Dark Realm. All the surrounding races fled here to seek shelter. The sky above Thorn Lake, in the space prison, Su Chen was speechless while holding two female ghosts. Millions of creatures came to the small lake. Su Chen did not expect that the female ghosts had already collected the Nether Fruit. If he left Thorn Lake these days, millions of creatures will be killed and eaten by the ogre army. The female ghost Aruo leaned naked in Su Chen's arms and asked, "Master, do we want to leave Thorny Lake?"

.? "

Su Chen caressed Aruo's body and sighed, "Oh! Can we still leave? If we leave Thorny Lake, millions of creatures here will be killed." The female ghost Hanxiang asked shyly, "Master, can we Do you want to leave with the creatures here?"

"No, I will not leave with millions of living beings."

Su Chen shook his head speechlessly.

Taking millions of creatures away?

He had never thought about the millions of creatures around Thorny Lake. There were all kinds of creatures. Some creatures were very ugly. Su Chen It is impossible to leave with all kinds of strange and ugly creatures.

Han Xiang lay on Su Chen's lap and smiled, "Master, Qiao Silin has found hundreds of beautiful female giants for the master. She has searched for beautiful female giants from almost every giant tribe.."

A Ruo blushed and grabbed Su Chen's moving hand and said,

"Also, Qiao Silin is still looking for beautiful female spirits in various ethnic tribes. Master, I guess Qiao Silin is trying to please her master."

"Never mind that silly giant."

Su Chen discovered Qiao Silin's behavior more than ten days ago.

Damn, there are more than 500 beautiful giantesses.

Qiao Silin really dares to find them.

Su Chen wants to find A few female giants are trying something new.

With more than 500 female giants, are they going to form an army of female giants?

"You guys go back to time and space to rest while I deal with millions of creatures."

"Yes, master!"

Whoosh!

Su Chen appeared next to Jessica in an instant. He looked at the female giants around him and twitched his mouth.

Each of the female giants had a perfect figure, cough cough cough!

Mainly because they were bigger.

Each of the female giants was bigger than the other. Big, and all of them reveal attractive fair skin. They are very dazzling and very pleasing to the eye.

"~I have met the Lord Territory Lord!"

"I have met the Lord Territory Lord!"

Jesia saluted hurriedly when she saw Su Chen appeared, and hundreds of female giants around her also saluted Su Chen.

Damn it,

Territory Lord?

Su Chen is only in the Emperor realm, when did he become the Territory Lord?

Stupid female giants.

Su Chen waved his hands to Jexia and the surrounding female giants,

"Jesia, please prepare yourself. We will go to the space in the Hengduan Mountains tomorrow."

Jesia hurriedly replied, "Yes, Lord Territory Lord."

Irene ran to Su Chen excitedly and saluted,

"Master, my name is Irene. Sister Qiaocelin is not here, so I will serve the master well."

"Erin, I didn't accept it....." boom!

Just as Su Chen was about to say that Irene was not his slave girl, the sky above Thorny Lake suddenly shook, and a powerful and terrifying aura enveloped the surrounding Thorny Lake.

"Um? Territory Lord Realm? Could it be that the Ogre Territory Lord has arrived?"

Su Chen frowned.

He had killed seven ogre emperors during this period. Did the ogre emperor personally take action to kill him?

Irene asked Su Chen with a pale face, "Master, cannibals? The Demon Realm Lord is here?"

Su Chen looked at the little giantess who was more than two meters tall.

It was pretty good.

Irene was even more beautiful than Qiao Silin. She had a beautiful face and a very plump and attractive figure, especially the purple hair. Irene was a female. A pure and beautiful female giant among the giants.

Su Chen looked at Irene's alluring figure and asked, "Yes, the Ogre Territory Lord is coming soon. Are you afraid of Irene?"

Irene raised her fist and said, "Don't be afraid, the master is also in the domain lord realm. The master can definitely kill the ogre domain lord."

Chapter 3027

Su Chen shook his head speechlessly.

He is a bullshit Territory Lord.

It is difficult to handle.

Su Chen can kill the Territory Lord, but he needs time. If the ogre Territory Lord comes with the ogre army, the people around Thorny Lake will Millions of creatures will be killed.

Su Chen said to the giantess Jessica, "Jessica, go and ask the creatures around Thorny Lake to retreat to the forest next to it."

"Yes, Lord Territory Lord."

Irene asked with her eyes wide open, "Master, are we staying here? Or retreat to the forest with the clan leader?"

"You and Jessie retreat into the forest."

Su Chen looked at the more than 500 female giants and was speechless.

Idiots, when the ogre domain lord arrives, will they stay as cannon fodder?

The battle between Su Chen and the ogre domain lord exploded with momentum, and the female giants may all be annihilated.

"Yes, master."

After Irene saluted Su Chen, she waved to the female giant next to her, and Irene quickly flew towards the forest with hundreds of female giants.

After Su Chen received all the female ghosts into the body space, he appeared in the Thorns Looking into the distance from the sky above the lake.

The battle is inevitable.

Su Chen will lead the Ogre Territory Lord to the Dark Territory Star Territory to fight 483.

As for the hundreds of Thorny creatures,

Su Chen cannot take care of them. He hopes that the Ogre Army will not Arrive together with the Ogre Territory Lord.

Half an hour later, the terrifying aura became more and more terrifying.

Millions of creatures hiding in the forest found it very difficult to breathe. Some creatures with low strength were so frightened that they collapsed on the ground.

"Damn it, it's over, how come there are three Territory Lord Realm auras, and the Ogre Territory Lord has found help? Or do other domain lords also want to snatch the flesh and blood of the creatures in the Dark Domain?"

Su Chen's face became serious.

He sensed the auras of three Domain Lord realms. It would take time for Su Chen to deal with one Domain Lord realm. He is no match for three Domain Lord realms. Run away? Do you want to run away? Su Chen He hesitated. If he escaped, the three domain lords would not be able to do anything to him, but the millions of creatures in Thorny Lake and the beautiful female giants would all be slaughtered. Damn, it was really confusing. If Su Chen hadn't seen the numbers... The alluring female giant, would he run away without hesitation and take the female giants with him? The female giants would blame him for not saving their tribesmen in the future, and the female giants would not be loyal to him. Su Chen didn't want to take him with him. Take away everyone's giants, especially not the male giants

"Is he really so lustful that he kills people?"

Boom, boom, boom!

Three terrifying figures appeared in the sky above Thorny Lake. They looked at Su Chen and were very surprised. The fifth level of the holy realm?

How could a scumbag creature of the fifth level of the holy realm have the ability to face three Territory Lord Realm?

The Demon Territory Lord asked the Ogre Territory Lord, "Kemos, didn't you say that there is a strange Territory Lord Realm in the Dark Territory? Why didn't I sense the existence of the domain master realm?"

The Skeleton Territory Lord asked with green flames in his eyes, "Kemos, are you deceiving us?"

The ogre domain master said with a serious face, "I didn't lie to you, Mo Tian, Willis, my men were killed here in seven emperor realms and millions of ogre armies. Do you think I would lie?"

The Demon Domain Lord nodded and said,

"It makes sense. The only one who can kill the seven emperors is the Domain Lord. Kemos, it's settled. The flesh and blood of the Domain Lord will belong to me, and the spirit will belong to the Skeleton Domain Lord Willis."

"OK, I agree."

A trace of murderous intent flashed in the ogre's eyes.

If he didn't want to devour all the creatures in the Dark Territory, the ogre territory lord would not compromise with them.

Su Chen was also unlucky.

The three of them were negotiating.

Su Chen's appearance dispelled the ogre. The human domain and the skeleton domain attack the dark domain, and the ogre domain can also monopolize all the creatures in the dark domain.

In the forest,

(cebj) Millions of creatures saw the three Territory Lord realms above Thorny Lake. All the creatures turned very pale. It was over. There is only one

Territory Lord realm that protects them.

Territory Lord Realm Facing three Territory Lord Realms, all living beings did not think that Su Chen could defeat three Territory Lord Realms.

Jexia said with a pale face, "The Territory Lord can't protect us. Three Territory Lords, the Ogre Territory Lord actually found helpers."

Irene asked in panic, "Chief, Master is not the opponent of the three Territory Lords, Master Why not run away and leave?"

"The Territory Lord wants to protect us. If the Territory Lord escapes, millions of creatures here will be slaughtered."

"But if the master doesn't leave, he will perish. Even if the master leaves, we won't blame him for not protecting us."

"Eileen, we don't know the Territory Lord. The Territory Lord may be able to defeat three Territory Lords."

"Really? patriarch"

"It should be true."

Jesia couldn't understand.

She didn't know if Su Chen could defeat the three Territory Lords. But just because Su Chen didn't abandon millions of living beings and escape, Jessie felt that Su

Chen was a Territory Lord worth following.

Chen is just like the Dark Territory Lord.

The Territory Lord is also a competent Territory Lord.

In the Hengduan Mountains,

Qiao Silin brought more than 300 female giants and was very panicked. Was

Su Chen facing three Territory Lord realms?

Ogre Territory Lord Why are there two Territory Lords?

Can Su Chen kill three Territory Lord Realm experts?

Qiao Silin is very worried.

Su Chen did not escape.

If he is surrounded and killed by three Territory Lord Realm experts, the Giant Tribe will be destroyed. Massacre, millions of lives will be massacred

"Qiao Silin, can our master defeat three domain lords?"

"Three Domain Lord Realm powerhouses. It is impossible for our master to defeat three Domain Lord Realm powerhouses."

"what to do? We have not yet become our master's female slaves. If our master is surrounded and killed by three domain lords, our respective tribes will also be massacred by the ogre army."

"I hope the master can defeat the three domain lords, otherwise our respective giant tribes will be massacred."

"The master did not abandon us and run away. Maybe the master can defeat the three domain lords."

"Qiaocelyn, the master did not abandon us and run away, the master has fallen, and we will be the master's female slaves in the future.".....

Qiao Silin listened to the conversation of the female giants around her. She looked at Su Chen above Thorny Lake with a very complicated expression.

Su Chen did not abandon them and escape.

Is Su Chen capable of defeating the three Domain Lords?

【Master, no matter whether you can defeat the three domain lords or not, the master has not abandoned us and escaped. All of our giant female slaves will be loyal to the master throughout our lives.】

Chapter 3028

Above the Thorny Lake,

Su Chen checked the treasures in the system space. He was looking for any treasures that could instantly kill three Domain Lord realms.

The jade talisman of Chaos Avenue?

It's too extravagant.

The jade talisman of the Chaos Avenue can kill the realm lord. Su Chen's use of the jade talisman of the avenue to kill the realm lord is not cost-effective for killing mosquitoes with artillery.

"Um? Hongmeng Supreme's items, do you want to use Hongmeng Supreme's items to kill the three Domain Lords?"

Su Chen touched his chin and thought.

The Hongmeng Supreme's items are double-edged swords.

Maybe

Su Chen will be crushed to death by the Hongmeng Supreme.

The Demon Territory Lord threatened loudly,

"Little Zhazha, where is the Territory Lord Realm here? Let him come out quickly, otherwise all living creatures here will die."

Su Chen curled his lips and cursed disdainfully, "Idiot, the Lord of this domain is right in front of you, are you blind?"

Boom!

The Demon Territory Lord exploded with momentum, "Nine Five Three" shouted, "Boy, do you dare to make fun of this Territory Lord?"

"Idiot!"

"you wanna die!"

"Let's go!"

Boom!

Su Chen appeared instantly and kicked the Demon Territory Lord away. The Demon Territory Lord flew thousands of miles and smashed countless mountains before he stabilized his body.

"Scumbag!"

Su Chen instantly returned to the ground and pouted.

Damn it, he could only kick the Demon Territory Lord by surprise.

After all, the Demon Territory Lord is a strong person in the Territory Lord Realm. Su Chen's strength cannot kill the Demon Territory Lord instantly..

The Ogre Territory Lord and the Skeleton Territory Lord were very surprised. They did not expect Su Chen to instantly kick the Demon Territory Lord away.

The fifth level of the Holy Realm?

Are you lying?

How could the Holy Realm kick him away instantly to the Territory Lord Realm!

Ogre Territory The Lord and the Skeleton Territory Lord guessed that Su Chen must have hidden his cultivation level, and he was such a scumbag.

Fortunately, the Demon Territory Lord was stupid, otherwise they would have been kicked away in disgrace.

The Ogre Territory Lord glared at Su Chen fiercely and said, "Your Excellency, you are a strong person in the Territory Lord Realm. Don't you feel ashamed of hiding your cultivation realm? Su

Chen said coldly with an expressionless face, "Ugly scum, don't talk to me, I'm afraid you'll be disgusted to death."

Boom!

The Ogre Territory Lord exploded in anger and threatened, "Your Excellency, are you tired of living? We have three Domain Lord Realm experts. Do you think they are our opponents?"

Su Chen mocked disdainfully,

"In the battle in the Star Territory, why don't you come here and have a verbal quarrel with me? In the Star Territory, I will crush you one by one to death."

Su Chen found that the Lord of the Demon Realm reacted from his confusion. He did not dare to stay above the Thorn Lake. The

Demon Realm mainly fought him in the Thorn Lake.

Millions of creatures around the Thorn Lake would be suppressed and killed by the momentum.

Ogre Territory Lord: "A battle in the Star Territory!"

Skeleton Territory Lord: "A battle in the Star Territory!"

Whoosh whoosh!

Su Chen, the Ogre Territory Lord and the Skeleton Territory Lord disappeared into the air one after another.

"Damn it, the Lord of this domain must destroy you physically and mentally."

The Demon Territory Lord reacted in confusion and roared. He didn't expect to be kicked thousands of miles away by Su Chen. He was careless.

The Demon Territory Lord didn't expect that Su Chen would be so fast. He couldn't guard against being kicked by Su Chen. Kicked away in an instant, it was really embarrassing.

The Demon Territory Lord was embarrassed in front of the Ogre Territory Lord and the Skeleton Territory Lord.

He wanted to kill Su Chen, he wanted to destroy Su Chen physically and mentally.

Whoosh, the Demon Territory Lord disappeared on the spot. , he was going to tear Su Chen alive in the Star Territory, and he was going to devour Su Chen's flesh and blood bit by bit.

In the forest, all the creatures were stunned.

Su Chen kicked the Demon Territory Lord away?

They didn't expect it. ,

A strong Domain Lord was kicked away by Su Chen. All living beings found that Domain Lord Su Chen was too powerful.

Irene excitedly shouted to Jexia, "Chief of the Patriarch , did you see, the master kicked the demon domain lord away, the master is too powerful"

"I saw that the Domain Lord is very powerful."

Jesia had a smile on her face.

Su Chen was so powerful that she didn't expect it. No wonder Su Chen didn't escape when faced with three Domain Lord realms. Jessia guessed that Su Chen could kill three Domain Lord realms and the female giants around him. They are also very excited. Their master is so powerful that people can't expect it.

Su Chen can kick a Domain Lord away in an instant.

In this way,

Su Chen can also kill a Domain Lord in an instant.

The female giants are happy to have a powerful master. , the stronger the master is, the more they will become stronger if they follow the master in the future, and their tribe will also be protected by the master.

In the Hengduan Mountains, more than 300 female giants were still stunned.

They felt incredible.

Su Chen was instantly kicked away A strong person in the Territory Lord Realm, the female giants thought they were dazzled just now.

"Qiao Silin, did you see that our master kicked away a strong man from the Domain Lord Realm?....."

"The master is so powerful that he can send a Domain Lord thousands of miles away with just one kick."

"Well, the master's strength is very terrifying. We are lucky to have a strong master."

"Yes, the master is so powerful that he can not only protect us, but also our respective giant tribes."

"The master will give us cultivation resources in the future, and we will also be trained and strong by the master"

"Sister Qiaocelin, why don't you speak? The master just kicked a Domain Lord realm away. Our master is very powerful.".....

Qiao Silin clenched her fists tightly and said, "I saw it. Our master is very powerful and terrifying. None of the three domain lord realms will be his opponent."

Qiao Silin was very excited.

She didn't expect Su Chen Will it be so powerful,

Domain Lord Realm?

How could Su Chen be in the Territory Lord realm?

Will the Territory Lord realm instantly kick another Territory Lord realm away?

Su Chen had always hidden his cultivation realm in the Holy Realm.

Qiao Silin didn't know Su Chen's true realm. She guessed that Su Chen might be a powerful person in the Realm Lord Realm.

Fortunately, if Su Chen is in the realm of realm lord,

Qiao Silin and the giant tribe will be protected by strong men in the realm of realm lord. The tribe of giants will no longer be displaced and move around, and they will no longer be captured by ogres and used as food. Eat.

In the Dark Territory Star Territory,

Su Chen faced the Ogre Territory Lord, the Skeleton Territory Lord, and the angry Demon Territory Lord.

The three great Territory Lords surrounded Su Chen in a triangle.

They all looked at Su Chen in confusion.

Holy Realm Fifth Heaven 2.2?

It's already this time, why hasn't Su Chen exposed himself to the Domain Lord realm?

The Ogre Territory Lord asked coldly, "Aren't you still revealing your true realm?"

"Yep, you'd better die depressed."

Su Chen was very speechless.

Damn, he showed his true cultivation state?

He is the cultivation state of the Emperor Realm.

Su Chen showed his true cultivation state. He was still a scumbag when facing three Territory Lord Realm. Whoosh

,

A woman in red veil appeared in the star field.

She saw Su Chen confronting three domain masters. The woman in red veil showed a seductive smile.

"Su Chen, it's really hard to find a creature in the chaotic world. However, when an Emperor Realm faces three Territory Lord Realms, is this little scumbag looking for death? Or is he capable of killing three domain lords?"

Chapter 3029

The woman in red is the Rakshasa Supreme.

After she ordered the execution of the Shura Realm Lord, the Rakshasa Supreme was bored and wanted to meet Su Chen. Su Chen had been doing well in Hongmeng World in just a few years. She wanted to check what Su Chen was. What's so special about it.

The Rakshasa Supreme touched his fair chin and whispered,

"The Rakshasa sisters are not bad men. They have cultivated to the third level of the Imperial Realm in just a few years. They have not yet used the Hongmeng Spiritual Liquid. The Hongmeng Spiritual Liquid, I hope Su Chen will respect me, otherwise I will peel off Su Chen's skin."

At this time, the battle in the Star Territory was about to break out.

The three people in the Ogre Territory couldn't help but want to surround Su Chen. They were too arrogant.

They had three Territory Lord realms, and

Su Chen, a Territory Lord realm, was so arrogant that he wanted to crush them to death. The three of them wanted to kill Su Chen brutally.

Su Chen took out the jade talisman of the Chaos Avenue. He wanted to kill the three ogre domain masters at once.

The jade talisman of the Chaos Avenue can be used three times, but Su Chen will not do it. The three domain lords used the jade talisman three times. It was very extravagant for him to use the jade talisman once. If he used the jade talisman three times against the three scumbag domain lords, Su Chen would feel distressed to death.

Damn, you have to waste one jade talisman, three Those bastards who don't regret dying,

Su Chen can't wait to tear them into pieces.

Ogre Territory Lord 31:"Take action, let's kill him together. Demon

Territory Lord:"Okay, let's kill this bastard, and his flesh and blood will be mine.""

Skeleton Territory Lord:"I want his soul, a Domain Lord realm soul, I can't help but devour it."

Boom, boom, boom!

The three ogre domain masters said that they quickly attacked Su Chen. They didn't want to wait for a moment to kill Su Chen quickly.

The three Hongmeng Lingbao burst out with a terrifying aura and rushed towards Su Chen.

Su Chen disappeared in an instant. In the air, he wanted to gather the three Ogre Territory Lords together.

Only in this way could Su Chen use the jade talisman to kill three Territory Lords at once.

"You little scumbags, is this all you have?"

Su Chen appeared five hundred miles away in an instant. He had to be extremely careful when facing three Territory Lords. If one of them was not good,

Su Chen might be injured or be surrounded and killed by the three Territory Lords.

"Little bastard, you are dead, kill!"

"Damn it, can you only run away?"

"He knows the laws of space. We attack together and cannot let him escape."

The three ogre domain masters quickly disappeared and chased Su Chen.

They would not let Su Chen escape. If they did not kill Su Chen, the three domain masters would not only be embarrassed, but they might be killed by Su Chen one by one in the future.

【Ding, host, let me remind you, there is a Hongmeng Supreme 30,000 miles to the left. Don't risk your life to offend the Hongmeng Supreme, otherwise the system will not be able to save you. 】

I'll do it!

Hongmeng Supreme?

Damn it, why did Hongmeng Supreme appear in the Dark Realm?

When Su Chen was about to use the Chaos Avenue Jade Talisman, he was stunned when he heard the reminder from the system girl.

What is Hongmeng Supreme doing in the Dark Realm?

Which realm is Hongmeng Supreme?

Su Chen quickly teleported to avoid the attacks of the three ogre domain masters. He didn't understand why Hongmeng Supreme appeared around, and he didn't dare to use the jade talisman of Chaos Avenue now.

"Chaos clock! Cough cough cough~."

Su Chen was suddenly hit by the Demon Territory Lord's spirit treasure.

He vomited blood and was knocked hundreds of miles away.

Su Chen wiped the blood from the corner of his mouth and quickly teleported to avoid it. The Ogre Territory Lord and the Skeleton Territory Lord's Spirit Treasure The attack also came quickly. If he was hit by the Hongmeng Lingbao again, he would be seriously injured.

The Demon Territory Lord shouted and attacked, "You can't escape, die!"

The Ogre Territory Lord reminded the Skeleton Territory Lord, "Skeleton Territory Lord, use the Skeleton Prison, we can't let him escape."

The Skeleton Territory Lord yelled angrily, "I'm a fool, I can't keep up with that bastard's speed. If you stop him for three breaths, I can use the Skeleton Prison to trap him."

"Scumbags, let me see if you can catch up with me."

Su Chen decided to lead the three Ogre Territory Lords to Hongmeng Supreme.

Hongmeng Supreme never left.

Su Chen couldn't kill the three Territory Lords without using the Chaos Avenue Jade Talisman. If he didn't escape, he might be killed by the three Territory Lords. The main realm is besieging and killing.

In this case,

Su Chen will take the risk to lead the three domain masters to Hongmeng Supreme.

I hope Hongmeng Supreme will not kill him too. At this moment , the Rakshasa Supreme looked at the battle and whispered doubtfully,

"Interesting, why didn't Su Chen fight back? There is also the jade talisman that Su Chen took out earlier, a jade talisman from the twelfth level of the Realm Lord Realm. How could Su Chen have a jade talisman from the Realm Lord Realm?"

The Supreme Rakshasa couldn't understand that

Su Chen had the ability to escape, and he also had the jade talisman of the twelfth level of the realm lord in his hand.

Not only did Su Chen not use the laws of space to escape, the jade talisman of the realm lord in his hand also didn't work. Use?

Huh?

The Rakshasa Supreme suddenly found that Su Chen was running towards her.

Something was wrong, very wrong.

The arrival of the Rakshasa Supreme had hidden all the aura, and even the ordinary Hongmeng Supreme could hardly detect it. How could Su Chen run towards her?

By chance?

Or did Su Chen discover her existence?

A scumbag emperor, could Su Chen discover her existence?

The Rakshasa Supreme touched his chin and felt something was wrong.

Su Chen had previously taken out the jade talisman and wanted to kill the three domain masters.

But why did he put away the jade talisman again?

Even if Su Chen was injured, he would not use the jade talisman to kill the three domain lords. Why did the Rakshasa Supreme feel that Su Chen discovered her existence?

"Interestingly, Su Chen is indeed different. Little Zhazha, you make this Supreme Being more and more curious about you."

Su Chen moved quickly at this moment.

He could not 737 escape from the attack range of the three Ogre Territory Lords. Su Chen wanted to lure the three Ogre Territory Lords to Hongmeng Supreme. He could not let the three Ogre Territory Lords give up. Chase him.

Whoosh!

A quarter of an hour later,

Su Chen followed the system prompts and appeared next to the Rakshasa Supreme. He looked around and found no Rakshasa Supreme, but the system said that the Rakshasa Supreme was nearby.

Su Chen believed that the Rakshasa Supreme was around.

"Boy, die!"

"Attack quickly, that bastard stops, we take the opportunity to kill him"

"Damn it, this bastard is so good at escaping. For more than 30,000 miles, we didn't even hit that bastard again within 30,000 miles."

The three Ogre Territory Lords cursed and attacked Su Chen one after another.

They were even more angry.

Three Territory Lords surrounded and killed one Territory Lord. They chased for more than 30,000 miles without catching up.

Boom boom boom.....

Su Chen teleported around to avoid attacks.

Although he could not see where the Rakshasa Supreme was hiding,

Su Chen believed that the attacks of the three idiots would hit the Rakshasa Supreme hidden nearby.

The Rakshasa Supreme smiled and said,

"Um? Su Chen stopped escaping, was the little bastard going to use him to take action? Little bastard, you are overthinking. Does the Supreme Being care about the attacks of three scumbags? I want to see how you use me"

Chapter 3030

The Rakshasa Supreme stretched out his perfect body and glanced at Su Chen.

The three Ogre Territory Lords attacked her from time to time, but the attacks of the three Territory Lords were like tickling her, and the Rakshasa Supreme was not harmed at all.

At this moment,

Su Chen felt very strange.

For a quarter of an hour,

Su Chen kept dodging attacks around him. The attacks of the three Ogre Territory Lords should be directed at Hongmeng Supreme. Why didn't Hongmeng Supreme take action to kill the three Ogre Territory Lords?

Su Chen communicated with the system and asked,"System, are you sure Hongmeng Supreme is around?"

【Ding, sure! 】

Su Chen asked with a frown,

"No, if Hongmeng Supreme was around, the three ogre domain masters would definitely attack Hongmeng Supreme. Why didn't Hongmeng Supreme take action to kill the three ogre domain masters?"

【Ding, the three Territory Lords are too scumbag. Their "6, 7, 3" attacks pose no threat to Hongmeng Supreme like a breeze. 】

Damn it,

Hongmeng Supreme is watching a show?

No,

Hongmeng Supreme cannot be so leisurely.

Su Chen felt something was wrong.

If Hongmeng Supreme was passing by the Dark Territory,

Hongmeng Supreme wanted to check the three domain lord realms to chase him, but the three domain lord realms attacked Hongmeng Supreme. How could Hongmeng Supreme do that? The magnanimity of killing three little scumbags without taking any action?

Boom boom!

Dang Dang Dang....

In the starry sky,

Su Chen was constantly attacked by the three ogre domain masters.

Although the Chaos Bell blocked most of the attacks for him, Su Chen was still shocked and kept vomiting blood.

"Boy, you can't escape"

"Speed up the attack. As long as we break the boy's Hongmeng Lingbao, that bastard will be at our mercy."

"Haha~, there is no way for this bastard to escape. We have trapped this bastard, we must not let him escape again."

The three ogre domain masters all smiled.

They surrounded Su Chen, and Su Chen was constantly vomiting blood from their attacks. The three of them were sure of killing Su Chen.

"You three scumbags, you are just dreaming about killing me."

Su Chen is very depressed at the moment.

Hongmeng Supreme has not taken action, and he cannot escape from the side of Hongmeng Supreme. The attacks of three Domain Lord realms have seriously injured him.

Dilemma,

Su Chen is facing a dilemma now, escape?

He can Escape, but Su Chen can't escape.

Use the Chaos Avenue Jade Talisman to kill three Domain Lord Realms? Su Chen is worried that something will happen if Hongmeng Supreme finds out.

"Time pauses! Space storm!"

Boom boom.....

"System, help, your handsome master is dying."

"System girl, I'm really going to die, please help me"

"Dear system girl, please help me one more time, otherwise I will really finish the game."

"Damn it, system girl, you don't want to save me? Our friendship is over."

Su Chen teleported with a dark face to avoid the attack.

He never received a response from the communication system. Su Chen understood that the system girl might not help him.

"Space barrier, chaos clock!"

Bang, bang, clang, clang!

Poof!"

"Cough cough cough~"

Su Chen was attacked and sent flying hundreds of miles, vomiting blood, and the luster of the Chaos Clock was getting darker and darker.

He couldn't go on like this anymore,

Su Chen's eyes were fierce and he was about to use a big move, damn, burn the essence and blood. A ten-breath terrorist attack will erupt, but burning blood and essence will cause his cultivation level to fall. Su Chen will fall from the imperial realm to the holy realm.

"Let it burn!"

Tweet, Tweet, Tweet ~

Su Chen burned his essence and blood and turned into a black bird, which was screaming.

The five laws of chaos on the black bird were fully activated.

The blue law of space, the green law of time, the red law of fire, the white law of light, and the sky-blue law of time and space, the five laws are intertwined around the black bird.

Boom boom boom boom.....

The starry sky in the Dark Territory shook, and the violent roar made all creatures in the Dark Territory very frightened.

"Huh? Five laws, five laws are about to advance to the Hongmeng Law. The little scumbag is really strange, huh? Burning essence and blood? Why does this bastard want to burn blood?"

The Rakshasa Supreme was very surprised.

It is not surprising that Su Chen has five laws, but how could Su Chen burn blood essence?

Burning blood essence will cause the realm of cultivation to regress, and it will not be possible to recover the burning blood essence for hundreds of thousands of years.

Luo Supreme Lord Cha touched her fair chin and couldn't understand.

Su Chen could clearly kill three domain lords with the jade talisman. She couldn't understand how Su Chen could burn his blood essence to kill three little scumbags.....

Also, how could

Su Chen, who was in the imperial realm, burn his essence and blood and turn into a black bird?

The bursting aura is comparable to that of the Realm Lord,

Black Bird?

Essence and blood?

Five laws?

Rakshasa Supreme looked at Su Chen and his eyes lit up.

A future Hongmeng Supreme.

If Su Chen grows up, he will become the leader of Hongmeng Supreme.

Su Chen's cultivation realm of Emperor Realm burns essence and blood, and he can temporarily possess it. The strength of the Realm Lord Realm, what about the Hongmeng Supreme Realm?

If Su Chen grows up to be a Hongmeng Supreme, no ordinary Hongmeng Supreme will be Su Chen's opponent.

Su Chen is not the opponent of the three most powerful Hongmeng Supremes, but what about the ten Hongmeng Supremes?

Su Chen might have the ability to fight them.

The seductive voice of the Rakshasa Supreme whispered,

"Little bastard, you will be the direct subordinate of my Rakshasa Supreme from now on. I will train you to become the new Hongmeng Supreme in billions of years, and belong to this Supreme Hongmeng Supreme."

In the Star Territory, a woman in a blue dress was surprised to see the riots in the Star Territory.

She is Isabella, the Lord of the Dark Territory.

She has been at war with the Ogre Territory Lord for thousands of years, but Isabella is always attacked. The Ogre Territory Lord was defeated, and her injuries never recovered.

"Huh? Three Territory Lords surrounded and killed a holy realm? No, the powerful aura is the Realm Lord Realm, how is that possible? How can the Saint Realm Burning Essence and Blood 0.0 have the strength of the Realm Lord Realm?"

Isabella was very surprised after checking.

The three ogre domain masters surrounded Su Chen.

The realm that Su Chen revealed was the Zhazha Holy Realm, but how could Burning Essence and Blood have the strength of the Realm Lord Realm? Burning Essence and Blood will continue Elevate the three great realms of Hongmeng?

"Go take a look first, hoping that person can kill the Ogre Domain Lord, as well as the Demon Domain Lord and Skeleton Domain Lord."

In the Thorny Lake in the Dark Territory,

Jessia and Qiao Silin, many female giants looked towards the Star Territory.

There were terrifying roars and vibrations in the Star Territory. All the female giants understood that an unprecedented war was taking place in the Star Territory.

Qiao Silin asked worriedly road,

"Patriarch, the roar and vibration in the starry sky are too terrifying. Can the master defeat the ogre Domain Lord and the other two Domain Lords?".
