Chapter 3031

Qiao Silin became worried.

The terrifying vibrations in the starry sky were too frightening.

Su Chen faced three Domain Lord realm experts alone. Qiao Silin was afraid that Su Chen was no match for the three Domain Lord realms.

Jexia said with a serious face, "Don't worry, the Territory Lord kicked a Territory Lord away earlier. The Territory Lord will definitely destroy the three powerful Territory Lords, the ogre."

Irene said with her fists clenched,

"That's right, sister Qiao Silin, the master will definitely destroy the ogre and the other two Domain Lord realms."

Qiao Silin looked at the starry sky and nodded and said, "That's right, the master is very powerful, and the master will definitely destroy the three domain lord realms."

The starry sky of the Dark Territory, the Ogre Territory Lord, the Demon Territory Lord, and the Skeleton Territory Lord. The three of them looked at the black bird that Su Chen transformed into in fear.

Realm of the Realm?

The three of them felt the power of the Realm of the Realm in Su Chen. Breath, how is it possible?

The three ogre domain masters guessed that Su Chen was in the domain master realm. How could Su Chen burn the strength of the essence and blood bounded master realm?

"Run away quickly, that bastard has the power to burn essence and blood and has the power of the Boundary Master. We will die if we don't run away."

"Escape, disperse and escape, that kid only has the strength of the Realm Lord temporarily, we will join forces to kill that bastard later."

"Stop talking nonsense and run away."

Swish swish swish"

The three Ogre Territory Lords disappeared in an instant and fled. They had no chance of winning against the Realm Lord. If they had not escaped, Su Chen could have killed the three of them in an instant.

"Want to escape, is it possible?"

Chirp!

Su Chen let out a long cry and disappeared in an instant, chasing the three ogre domain lords.

He burned his essence and blood just to kill the three ogre domain lords. If Su Chen let the three ogre domain lords escape, he would have wasted it. A lot of burning essence and blood.

Boom!

"No~"

In less than two breaths, the Demon Territory Lord was killed by Su Chen.

Su Chen's black bird incarnation instantly exploded the Demon Territory Lord's body with its claws. The Demon Territory Lord's spirit was completely wiped out without escaping.

Cannibal The Demon Territory Lord and the Skeleton Territory Lord were so frightened that they sped up and fled.

In an instant, the Demon Territory Lord was killed by Su Chen in an instant. They would also be killed instantly when facing Su Chen.

Run away, run away quickly, chirp!

Boom!

"Ah'.~"

The Skeleton Territory Lord was caught up just after he had escaped thousands of miles away. Su Chen exploded him with his claws before the Skeleton Territory Lord could react.

"There is only one person left, and there is no time. He must quickly kill the ogre domain master."

Whoosh!

Su Chen's incarnation of the golden black bird disappeared instantly.

He still had a few breaths left.

If he didn't kill the ogre domain master within a few breaths, Su Chen's burning essence and blood would have been wasted.

"Holy shit!"

The Ogre Territory Lord heard the Skeleton Territory Lord shouting. He understood that the Skeleton Territory Lord was also killed by Su Chen. It was too fast.

In five or six breaths,

Su Chen actually killed two Territory Lords.

What about him?

Is it possible for him to escape?

The Ogre Territory Lord does not want to be killed by Su Chen, so he can only escape quickly.

As long as the Ogre Territory Lord escapes back to the abyss, the Lord of the Abyss will stop Su Chen, and Su Chen will no longer be able to kill him. Him.

Chirp!

"No, don't kill me, I surrender, I can surrender.....Ah~."

Boom!

Su Chen's black bird incarnation instantly exploded the body of the Ogre Territory Lord with its claws, destroying the Ogre Territory Lord's spirit. Su Chen didn't even pay attention to the Ogre Territory Lord's screams for mercy. He still had two or three breaths. Su Chen's burning essence and blood will be exhausted. If he dares to quarrel with the Ogre Territory Lord, he will no longer be able to kill the Ogre Territory Lord. Whoosh, Su Chen recovered and wiped the sweat from his forehead. It was done. The three ogre domain masters were finally destroyed. Damn, it feels really uncomfortable. Su Chen's cultivation realm is regressing. The cultivation realm of the third level of the emperor's realm. After a rapid fall, in just two breaths, Su Chen's cultivation realm fell to the eleventh level of the Holy Realm, and his cultivation realm was still falling. Su Chen whispered with a dark face, "Damn it, why haven't you stopped? What level of cultivation will you fall to?" Su Chen hated the hidden Hongmeng Supreme. If Hongmeng Supreme hadn't been around, Su Chen could have used the jade talisman of Chaos Avenue to kill the three ogres. Damn it, Su Chen's cultivation realm has been declining. His To what level will your cultivation level fall?

【Ding, host, you really want to die. In just a moment, your cultivation level has dropped to the eighth level of the holy realm. 】

Su Chen curled his lips and said, "Little girl, our friendship is over. Don't bother me anymore.""

【Ding, host, since you said this, the system has nothing to say, so your cultivation level will continue to decline. 】

Let me guess, can System Girl restore his cultivation level?

Su Chen hurriedly admitted his mistake and said, "Little girl, I was wrong. Is there any way you can restore my cultivation level?"

【Ding, host, isn't our friendship over? 】

Su Chen smiled shamelessly and said, "No, how is it possible? Girl, we live together through life and death, and our friendship will last forever."

【Ding, host, you are so shameless and shameless. The system is speechless towards you.】

"Little girl, quickly restore my cultivation realm, I'm about to fall to the fifth level of the holy realm."

【Ding, host, get ready. After the system upgrade, the excess energy will be transferred to you. If you encounter a host seeking death, the system will be unlucky for eight lifetimes.】

"I understand, I understand, little girl, send it quickly"

【Ding, the energy has started to be transmitted, host, I hope you can break through to the domain master realm in one fell swoop. 】

boom!

Su Chen's body suddenly erupted with light, and his cultivation level from the fifth level of the Holy Realm was promoted to the sixth level of the Holy Realm.

Boom boom boom.....

Holy Realm Sixth Heaven.....Holy Realm Seventh Heaven....Holy Realm Nine Heavens....The Eleventh Heaven of the Holy Realm.....Imperial Realm First Level....Emperor Realm Sixth Heaven....Dao Realm First Level.....(Okay)

Within a quarter of an hour,

Su Chen's cultivation realm rapidly advanced. He was originally at the third level of the Emperor Realm, but now he was promoted to the fourth level of the Dao Realm. His cultivation realm is still improving.

"How can it be? After falling from the realm of burning essence and blood, how could Xiao Zhazha quickly advance to the realm of cultivation? Now he has advanced to the Tao realm, and he is still advancing."

The Rakshasa Supreme looked at Su Chen and was very shocked.

She originally wanted to ask Su Chen to help him restore his cultivation realm, but Su Chen suddenly burst out with light and advanced quickly.

Within a quarter of an hour, he advanced to the Tao realm.

It was so weird.

Burning Essence It is normal for the blood cultivation realm to fall, but how could Su Chen advance so quickly?

And at such a fast rate? Su Chen's cultivation realm is still very stable.

It's too weird,

Su Chen is too weird, the Rakshasa Supreme doesn't want to see him at this moment Su Chen, she wants to secretly find out what secrets Su Chen has...

Chapter 3032

In the Dark Star Territory,

Territory Lord Isabella arrived to check on Su Chen and was very shocked.

Su Chen had quickly killed the Ogre Territory Lord, the Demon Territory Lord, and the Skeleton Territory Lord. Isabella discovered that Su Chen had burned his blood essence. Su Chen just killed the three ogre domain masters.

Isabella touched her fair chin and whispered, "It's weird. Doesn't burning essence and blood cause the level of cultivation to fall? That person's level of cultivation fell before, so why did he start to advance rapidly again?"

Isabella frowned and thought,

She didn't understand who Su Chen was.

What would Su Chen do when he came to the Dark Realm? Isabella didn't know if Suchen would also have evil intentions against Darkness.

Boom boom boom.....

At this moment,

Su Chen is still advancing with his eyes closed.

He feels very good, powerful, very powerful.

Su Chen has now advanced to the fifth level of the Tao realm. His cultivation realm is still advancing.

Well,

Su Chen feels that he can now If he can advance to the Domain Lord

Realm, Su Chen can crush the powerful ones in the Domain Lord Realm to death. boom!

Territory Lord Realm,

Su Chen successfully advanced to Territory Lord Realm Level 1Heaven,

Territory Lord 440 Realm Second Heaven....Territory Lord Realm Third Heaven....Territory Lord Realm Fourth Heaven.....The fifth level of the Territory Lord Realm, Su Chen advanced to the fifth level of the Territory Lord Realm and then stopped.

"Hahaha....."

Su Chen checked his cultivation level and laughed. He was in the fifth level of Domain Lord Realm.

Today, he was promoted to the fifth level of Domain Lord Realm. He was no longer a scumbag in the Hongmeng world.

Damn it,

Su Chen suddenly thought of the Hongmeng Supreme next to him, and he felt unhappy again.

Damn the Hongmeng Supreme.

If he knew who the hidden Hongmeng Supreme was, Su Chen would definitely not let him go when he became stronger in the future.

【Ding, host, you must not seek death again in the future. This is Hongmeng World, not the Chaos World. There are countless more powerful and terrifying people than you. You are just a scumbag ant that can no longer be scumbag. 】

Su Chen's face darkened, what a scumbag ant?

He is already in Territory Lord realm, why is he still a scumbag ant?

I think,

Su Chen thought that there is a realm lord in the realm lord realm.

Although he can kill some realm lords who are not very powerful, there is also the terrifying Hongmeng Supreme in the realm lord realm. Hongmeng Supreme can probably do it with just one look. destroy him

"System girl, why don't you upgrade me to the Realm Lord Realm?"

【Ding, dream on, host. The half-pot of Hongmeng spiritual fluid in the system space belongs to the system. Do you agree?】

"I....."

Su Chen's face became tangled, half a bottle of Hongmeng spiritual liquid?

Damn it, is this girl asking for benefits after the fact?

Su Chen only had half a pot of Hongmeng spiritual liquid left in his system space, and he had been reluctant to use it.

Forget it, the system helped him a lot.

Without the system,

Su Chen might have been killed in Tianxuan Continent.

"I agreed!"

【Ding, collect half a pot of Hongmeng spiritual fluid, host, remind you again, never seek death, especially the Hongmeng Supreme hidden next to you, host must not offend】

"I understand, dear girl, I will not seek death to offend Hongmeng Supreme."

Whoosh!

Su Chen looked around and disappeared instantly.

Hongmeng Supreme never showed up and made no moves.

Su Chen decided to leave as soon as possible. He was worried that he would offend Hongmeng Supreme unintentionally.

"Little Zhazha really knows what you are hiding around, interesting, little Zhazha, I would like to see how many secrets you have."

The Rakshasa Supreme revealed his body with a funny expression.

Su Chen's check just now was obviously to check her existence. The Rakshasa Supreme had previously guessed that Su Chen had discovered her, and now she was even more sure that Su Chen knew that she was hiding around.

Three days later,

Thorny Lake has become a place where creatures from the Dark Realm live. Countless creatures (dbac) have come to Thorny Lake to settle down.

In front of the wooden house by Thorny Lake,

Su Chen is lying on a rocking chair. While basking in the sun, he was very surprised when he heard the words of the giant clan leader Jexia,

Lord of the Dark Territory Isabella?

How could she pry into his affairs?

The Ogre Territory Lord, the Demon Territory Lord, and the Skeleton Territory Lord were all killed. , the ogre army in the Dark Territory are all fleeing.

If Territory Lord Isabella doesn't regain the Dark Territory as soon as possible, how can she secretly inquire about her information?

"Jexia, you said Territory Lord Isabella contacted you and asked about me?"

Jesia replied respectfully, "Sir, the Territory Lord just asked you what happened when you came to the Dark Territory. The Territory Lord did not want to be an enemy of you."

"I understand, Jessica, we will go to the space of the Hengduan Mountains tomorrow, and I will leave the Dark Territory afterwards."

"Sir, are you leaving?"

"Yes, Jessica, the ogre domain master and the other two domain masters were killed by me. The ogre army is fleeing. In less than a year or two, the Dark Territory will settle down. You giants can rest assured in Thorns from now on. Lake practice survival."

Jesia panicked in her heart.

The Dark Territory will settle down, but what about in the future?

If other Territory Lords launch a war against the Dark Territory, the Dark Territory may be invaded by the armies of other Territory Lords, and the Giants may also be attacked. Massacre.

Qiao Silin massaged Suchen and asked, "Master, where are we?"

"You and the other giantesses leave with me."

Su Chen said while leaning on Qiao Silin's huge mountain.

Qiao Silin and the thousands of beautiful female giants she was looking for, Su Chen decided to take them away together.

Female giant army?

It would be good to cultivate an army of female giants. Besides, These female giants are all in the holy realm.

In the great world of Hongmeng, the female giants are the lowest cultivators.

But in the great world of chaos, the holy realms are the existence of the ceiling. The female giants are better than other legions in his hands. powerful

"Thank you master!"

Qiao Silin had a smile on her face.

She was previously worried that Su Chen would not take them away and would not accept these weak female giants.

Three days ago, the terrifying aura on Su Chen's body when he came back was very scary.

Although they It was impossible to see Su Chen's true level of cultivation, but Su Chen was able to kill three Domain Lords. Qiao Silin guessed that Su Chen was a strong person in the Domain Lords.

The Domain Lords,

Qiao Silin found it unbelievable when she thought about it.

The female giants will follow Su Chen in the future, and they will be trained by Su Chen to become strong.

Hundreds of thousands of years later, the female giants will become the emperor and Tao realm, and they will become the strongest among the giants.

Jexia hurriedly told Su Chen knelt down and said,"Sir, I also want to leave with you. I will hand over the position of clan leader to other clansmen, and please accept me as a slave girl.""

Chapter 3033

Jessia doesn't want to stay in the giant tribe anymore.

If she doesn't leave with Su Chen,

Jessia will be the strongest cultivator in the future.

If she and Su Chen leave,

Su Chen might train her to become a Taoist, or Territory Lord Realm, even Realm Lord Realm~, this time is an opportunity.

The Giant Tribe is no longer in danger.

Jexia doesn't have to worry - the Giant Tribe will be massacred.

She decided to leave the Dark Territory with Su Chen. She also wanted to be with Qiao Silin also became Su Chen's slave girl.

Su Chen saw that Jessia asked, "Jesia, have you made up your mind?"

Jessia nodded seriously and replied, "I have thought it through. The giant tribe is not in danger in Thorny Lake. I will step down as the leader and master of the tribe. leave"

"Master, please agree with Chief Zexia."

Qiao Silin was very happy.

If Chief Jexia leaves with them, their thousands of female giants will not need to choose a leader in the future.

With Jexia here, they can let Jexia command all the female giants.

Su Chen He rubbed his chin and thought for a while before agreeing, "Okay, Jexia, please arrange the giant tribe as soon as possible. We will not return to Thorn Lake after we go to the Hengduan Mountains the day after tomorrow."

"Yes, master!"

Su Chen saw Jessica running away happily and shook his head speechlessly.

Damn, take Jessica!

Su Chen did it for Jessica's mature and attractive body. He thought of Jessica's mature and soft body. The heat is getting hot, the humanoid sofa,

Jessia is a real humanoid sofa, or a soft and plump humanoid sofa.

Suchen stood up and said, "Qiao Silin, the master needs your flaming red lips to serve.""

"Master, Qiaoceline will serve the master well."

Qiao Silin blushed and lowered her head, serving her with flaming red lips?

She had served Su Chen with her flaming red lips for three days. Qiao Silin even used a huge mountain to serve Su Chen.

Whoosh!

Su Chen sat on Qiao Si's desk. Lin activates the space law on her shoulder and disappears.

Nothing happens at the moment.

Su Chen wants to taste the tempting dessert. He also wants to enjoy the hot passion of the female giant.

"The little scumbag is really perverted. He has been fooling around with the giantesses for the past few days. Doesn't the little scumbag not practice?"

Above the Thorny Lake, the Rakshasa Supreme was very speechless.

She had been observing Su Chen for several days, but besides hanging out with the female giants, Su Chen was just basking in the sun by the Thorny Lake. The Rakshasa Supreme had never seen Su Chen practice..Sudden ,

"Rakshasa Supreme, you have crossed the line."

A cold woman's voice reached the ears of Rakshasa Supreme,

"Jiuyou Supreme? Jiuyou Supreme, this is not the Jiuyou underworld. I don't seem to have crossed the boundary, right?"

The face of the Rakshasa Supreme became serious, the Nine Nether Supreme?

The three most powerful ones in the Hongmeng world.

She didn't expect the Nine Nether Supreme to also appear in the Dark Territory.

Why did the Nine Nether Supreme come to the Dark Territory? Is it because of the little scumbag Su Chen? Coming?

The Nine Nether Supreme sent a message,"Rakshasa Supreme, leave the Dark Realm and don't let me kill you."

The Rakshasa Supreme said with a serious face,

"Jiuyou Supreme, my men are training in the Dark Realm. In three days, I will lead my men to leave the Dark Realm."

"No need, your men killed three domain lords in the Nine Netherworld, and he can't leave. The Supreme

Rakshasa frowned and asked, "Supreme Jiuyou, do you want to interfere in the fighting of the juniors?"

"This Supreme Lord will not interfere. In five days, the Nine Netherworld will dispatch a Realm Lord. If your men can escape the pursuit of the Realm Lord, the Nine Netherworld will no longer pursue him."

The Rakshasa Supreme hesitated,

World Lord Realm?

Jiuyou Supreme actually sent a World Lord Realm to hunt down Su Chen. Will Su Chen be the opponent of the powerful World Lord Realm?

And Jiuyou Supreme, why would she treat a Does the little scumbag care?

Jiuyou Supreme doesn't care about ordinary Hongmeng Supreme. Why would she pay special attention to Su Chen?

Rakshasa Supreme touched her fair chin and thought for a while.

There was no way she could take Su Chen away.

Jiuyou Supreme is powerful,

Rakshasa Supreme is not Jiuyou Supreme's opponent, but Su Chen has a jade talisman of the realm lord realm in his hand, if Su Chen can't defeat the realm lord under Jiuyou Supreme Realm, he can also kill the Realm Lord of the Nine Netherworlds

"Jiuyou Supreme, I agree, but I will stay and observe. Don't worry, I will not interfere in the battle of my men."

"Can!"

In the Jiuyou Underworld,

Jiuyou Supreme stood up in the palace and stretched her perfect figure. Her delicate red lips revealed a seductive smile.

Su Chen?

She didn't expect that Rakshasa Supreme would pay attention to Su Chen. If

Jiuyou Supreme hadn't discovered She would not find Su Chen so easily with the aura of the Rakshasa Supreme.

"After burning essence and blood in an imperial realm, his cultivation realm first fell, and then he continued to advance strangely, and even advanced to several major realms in a row. Su Chen was really different."

Jiuyou Supreme thought of checking Su Chen's strange changes, but she still couldn't figure out how Su Chen could advance quickly?

Xiao Zhazha didn't use treasures or hide his cultivation realm. How could he advance to several majors after burning blood and essence? Realm?

It's so weird that

Jiuyou Supreme couldn't help but want to check Su Chen's memory

"Someone come!"

"Your Majesty!"

"Order the Lord of the Fallen Angel Realm to go to the Dark Realm and kill a human. This is the breath of human beings."

"Yes, Your Majesty."

Jiuyou Supreme smiled after giving the order.

A fallen angel from the tenth level of the World Lord Realm, Jiuyou Supreme wanted to know if Su Chen could escape his life.

As for Rakshasa Supreme, she believed that Rakshasa Supreme did not dare to save him. Su Chen,

Su Chen?

If you can escape your life, this Supreme Being will take you to the Nine Netherworld for training, as well as the succubus. This Supreme Being will let you meet the succubus.

The Thorn Lake in the Dark Realm, the Rakshasa Supreme End She held her fair chin and thought, she felt that things were not that simple.

Jiuyou Supreme's warning made her guess that Su Chen was being targeted. Rakshasa Supreme guessed that Jiuyou Supreme was also for Su Chen.

"Little scumbag, what's so different about you? Why would Jiuyou Supreme focus on you?"

Three days later,

Su Chen took Qiao Silin and other thousands of female giants into the space inside his body, and he teleported towards the Hengduan Mountains with Jexia.

Su Chen sat on Jexia's shoulders and asked, "Jessie Ya, where is the space transmission channel?"

"Master, fifty thousand miles to the east, the space teleportation array of the Hengduan Mountains is on the black altar on the mountain."

Chapter 3034

Jessia rubbed Su Chen with her delicate face.

For three days, she and Qiao Silin served Su Chen every day, with flaming red lips!

Huge mountain!

Jessia has served Su Chen in these ways. She is Su Chen's slave girl, and her body and heart also belong to Su Chen.

"Fifty thousand miles? Not far, let's go there!"

Su Chen waved his hand and disappeared with Jexia.

For three days,

Su Chen felt uneasy, as if there was some conspiracy to deal with him, and the Hongmeng Supreme in the starry sky.

The Hongmeng Supreme did not appear for several days. Su Chen didn't know if the Hongmeng Supreme had left.

He asked the system girl, but the system girl was arrogant and ignored him.

Su Chen could only leave the Dark Territory as soon as possible.

He only needed to return to the Far North Territory, which was the territory of the Rakshasa Supreme. Su Chen didn't have to worry that Hongmeng Supreme would chase him to the extreme north.

There was a black altar in the Hengduan Mountains.

Su Chen and Jexia appeared next to it instantly. 01

Su Chen was very surprised when he looked at the huge black altar. It was broken and dilapidated. Debris, a mess.

What happened here?

It seems like a fierce battle happened here.

Jexia pointed to one side and said,

"Master, the stone platform in front is the teleportation array. Last time I stood on the stone platform and was teleported deep into the Hengduan Mountains."

"Jesia, let's go up to the stone platform"

"Yes, master!"

Jesia appeared on the stone platform with Su Chen.

Su Chen looked around cautiously.

He didn't know whether the teleportation was safe or not, but he had been restless for a few days. Su Chen had to be careful.

Boom!

Suddenly,

A ray of light burst out from the stone platform, and Su Chen and Jexia disappeared on the stone platform instantly.

Whoosh!

The Rakshasa Supreme appeared next to the stone platform instantly.

She was very surprised when she looked at the stone platform.

The broken teleportation array from the ancient era How come there is a teleportation array from the Eternal Era in the Dark Realm? The broken fragments around it should be the battlefield of the Eternal Era in the Hongmeng World. The

Rakshasa Supreme touched his fair chin and whispered, "Would you like to go in and have a look?"

After a while, the Supreme Rakshasa walked onto the stone platform.

The teleportation array from the ancient era.

The Supreme Rakshasa didn't know where Su Chen would be teleported to. She was worried that Su Chen would be transported to a dangerous area.

"Huh? Are there any boundary restrictions? Only realms below Hongmeng Supreme can be teleported."

Rakshasa Supreme was helpless.

The teleportation array could not teleport her to find Su Chen, and she could not find out where Su Chen would be teleported to.

"Little scumbag, I hope nothing will happen to you. This is the first time that this Supreme Being meets someone you are interested in. Don't let yourself fall so quickly."

In the Jiuyou underworld,

Jiuyou Supreme looked at Su Chen with a frown.

She did not expect that Su Chen would encounter the teleportation array from the ancient era.

The Rakshasa Supreme was not teleported away. She understood that the teleportation array has cultivation realm limitations.

"The fallen angel Emilia will go to the Dark Realm one day. The World Lord Realm should be able to use the teleportation array. It seems that Emilia will be notified to speed up to find the little scumbag."

Deep in the Hengduan Mountains,

Su Chen and Jexia appeared in a space barrier.

The space barrier was very large.

There was no Hongmeng aura in it, but there was an aura in the space, as if there was a powerful person in the space barrier. The aura left over from cultivation.

Jexia walked to one side and said, "Master, look at the light curtain on the right. It was at the edge of the light curtain that I sensed the Hongmeng Spirit Fruit inside."

"Jessia, come over and take a look"

"Yes, master!"

Su Chen sat on Jessie's shoulders and sensed the surroundings.

This space barrier is not simple.

Although Su Chen didn't know how many years the space barrier existed, he felt The enchantment in space will exist for a very long time, possibly billions or even tens of billions of years.

Even if it is billions of years, the space enchantment will not be broken.

The creature who arranged the space enchantment should be Hongmeng Supreme, or Hongmeng Supreme, who is proficient in the laws of space.

Jexia came to the light curtain and asked,"Master, do you feel it?"

Su Chen showed a smile and said,"Jesia, I can feel it. There is the breath of spiritual fruit in the light curtain, and there is Hongmeng spiritual energy in it.""

"Master, can the light barrier be broken?"

"Break the light curtain? No, Jessia, this is a small space barrier. We don't need to break the small space barrier."

"Not broken? Master, we can't enter without breaking the small barrier of space."

"Don't worry, I know the laws of space and the laws of time and space. A small barrier cannot stop me."

Su Chen hugged Jessia's head and kissed her flaming red lips.

This time, she was lucky.

Su Chen sensed that there were at least three kinds of Hongmeng spirit fruits in the small space barrier.

Hongmeng spirit fruits.

Su Chen hadn't arrived in the Hongmeng world yet. I have seen the Hongmeng Spirit Fruit. The Hongmeng Spirit Fruit is as scarce as the best innate spirit fruit in the chaotic world. It is impossible for the Territory Lord and the Realm Lord to have the Hongmeng Spirit Fruit.

Whoosh!

Su Chen kissed Jexia's flaming red lips, he Activate the law of space and take Jessia into the small space barrier.

"Let me go, the Hongmeng spiritual energy here is really strong."

Jesia said in surprise, "Master, the Hongmeng spiritual energy here is too strong. If we giants practice here, we can advance to the imperial realm in less than ten thousand years."

Su Chen patted Jessica's head and said, "Jesia, let's go inside and check. Damn, it's a bit strange that the 607 world is actually isolated from spiritual consciousness for inspection."

"Yes, master!"

After a while,

Jesia took Su Chen to see a spiritual fruit orchard. There were at least a thousand beads of Hongmeng spiritual fruits, and they were all the same Hongmeng spiritual fruits.

Whoosh!

Su Chen instantly appeared on a spiritual fruit tree. The legend of the spiritual fruit tree The information sent out made Su Chen excited.

"Hongmeng Purple Jade Apple, or Qianzhu's Hongmeng Purple Jade Apple."

The Purple Jade Apple blooms once every 100,000 years, bears fruit once every 100,000 years, and matures once every 100,000 years. The Purple Jade Apple can not only provide huge mana, but can also advance to the realm of cultivation. It is especially a panacea for the Holy Realm and the Imperial Realm. Taoist realms and domain masters are also of great help. Even realm lord realm masters will be of great help when practicing.

Jesia looked at the purple jade apple tree and said excitedly, "Master, there are thousands of Hongmeng purple jade apples here. This plant can produce hundreds of purple jade apples. It's incredible."

"Haha~, Jessica, we are prosperous."

Swish swish swish".....

Su Chen released thousands of giant slave girls including Qiao Silin, and he wanted to take all the thousands of Hongmeng purple jade apple trees with him

"Jessica, Qiao Silin, you and the giantesses will move all the Hongmeng purple jade apple trees out. We want to take away all the Hongmeng purple jade apple trees."

"Yes, master!".

Chapter 3035

In the small space, more than a thousand female giants began to move the Hongmeng Spirit Fruit Tree and thousands of Hongmeng Purple Jade Apple Trees.

The female giants carefully moved out the Hongmeng Purple Jade Apple Tree, while showing happy smiles.

Thousands of female giants stayed in Su Chen's body for a day, but one day is equivalent to a hundred years in the outside world. The space in Su Chen's body was rich in Hongmeng aura, and there was also an aura well that continuously spewed out Hongmeng aura. The female giant was facing Su Chen. The female slaves were very satisfied and happy, but they did not expect that in less than a day,

Su Chen would find thousands of Hongmeng spirit fruit trees.

The Hongmeng purple jade apples would be of great help to their cultivation.

If Su Chen distributed them to the female giants Hongmeng Purple Jade Apple, they will advance to the Emperor Realm in less than ten thousand years.

Su Chen watched the female giant move the Hongmeng Purple Jade Apple Tree.

He suddenly patted his forehead and said, "No, I sensed three types of Hongmeng Spirit Fruits outside the small space. There are only Hongmeng Purple Jade Apple Trees here, and the other two types of Hongmeng Spirit Fruits are here." Where are the fruit trees?"

Whoosh!

Su Chen stepped aside to check other places in the small space boundary. He wanted to look for other Hongmeng spirit fruit trees in the small space boundary.

When Qiao Silin saw Su Chen disappear, she asked Jessica beside her, "Jesia, does the master want you?"

Jessia smiled and replied, "Not yet, the master said he would let you go after leaving the dark realm." i serve"

"Jessica, the master also told me, but I feel that the master likes my flaming red lips very much."

"The master also likes my flaming red lips"

"Jessica, the master seems to like lying on you to rest. He also said that your body is like a human-shaped sofa."

Jesia blushed and glanced at Qiao Silin, human-shaped sofa?

Su Chen liked her two mountains, especially Su Chen lying in the middle of her mountains.

Jessia thought of Su Chen constantly touching her mountains, she Now his body feels a little soft. At this moment,

Su Chen's eyes are wide open.

A tea tree, no, a Hongmeng Linggen tea tree.

The Hongmeng tea tree is much more precious than the Enlightenment tea tree. Enlightenment, enlightenment, understanding of the law, understanding The essence of Kung Fu cultivation, the Hongmeng Tea Tree is the real spiritual root of Hongmeng Heaven and Earth.

Su Chen stroked the Hongmeng Tea Tree and said happily, "It's really developed. With the Hongmeng Tea Tree, not only will I practice with twice the result with half the effort, but my women and subordinates will also practice with twice the result with half the effort."

Su Chen couldn't wait to harvest the Hongmeng tea tree, and there was also a kind of Hongmeng spiritual root.

Su Chen was looking forward to the remaining kind of Hongmeng spiritual root in the small space barrier.

After a while,

"Huh?"

Su Chen checked the small space enchantment, but he did not find the remaining Hongmeng spiritual root.

It was strange that the small space enchantment was not big.

Although Su Chen could not use his spiritual sense to check, he also checked the entire small space. Barrier, how could one of the remaining Hongmeng spiritual roots not be found?

Su Chen frowned and thought, could it be that his perception was wrong?

There are only Hongmeng purple jade apple trees and Hongmeng tea trees in the small space? Or is he in the small space? Not found somewhere?

【Ding, host, the system can help you find another Hongmeng spiritual root.】

"Let me go, system girl, something is wrong with you."

Su Chen heard the system girl suddenly speak, and he felt something was wrong.

The system girl would not let go of the rabbit before she saw it. Su Chen was worried that he would be blackmailed by the system girl again.

Also, the small space enchantment did have a kind of Hongmeng spiritual root,

Su Chen's previous perception was not wrong at all.

【Ding, host, without the help of the system, you cannot find another kind of Hongmeng spiritual root. The space barrier is the arrangement of Hongmeng Supreme during the Hongmeng Eternal Period.】

【Especially for the small space barrier, the Hongmeng Supreme in the Eternal Ancient Period deployed multiple means. Even if the Hongmeng Supreme came during this period, they would not be able to discover another Hongmeng spiritual root. 】

Su Chen became entangled,

Hongmeng Henggu period?

He didn't know what period it was, but the small space barrier was arranged by Hongmeng Supreme. Su Chen couldn't use his spiritual consciousness in the small space barrier. It might be impossible for him to find another Hongmeng spiritual root.

Damn it, the system girl is definitely going to take the opportunity to blackmail him, agree?

Su Chen would be frustrated and continue to be blackmailed by the system girl. The system girl was addicted to blackmailing him.

"Girl, tell me, what do you want to blackmail me for?"

0request flowers

【Ding, Hongmeng Spiritual Liquid, whenever the host gets the Hongmeng Spiritual Liquid in the future, the system will get half of it.】

"I guess, little girl, you are so cruel."

Su Chen's face turned dark.

The system girl will get half of the Hongmeng spiritual liquid he gets in the future?

Damn, it's so treacherous.

The system girl is obviously taking advantage of it.

【Ding, host, do you agree? 】

Su Chen nodded helplessly and said, "I agree, little girl, you are becoming less and less cute."

【Ding, host, without a system, you will lose a big opportunity. 】

Big opportunity?

What does the system chick mean?

Are there precious treasures in the small space barrier?

"Come on, little girl, tell me where the other Hongmeng spiritual root is."

【Ding, host, the system will help you break the barrier arranged by Hongmeng Supreme. Don't forget to promise the system the Hongmeng spiritual liquid. The system will automatically charge half of the Hongmeng spiritual liquid that the host receives in the future.】

"knew!"

Boom!

Suddenly, there was a loud noise on Su Chen's right, and a blue barrier suddenly shattered.

"I go, this is.....Is this a pool of Hongmeng spiritual liquid?"

Su Chen instantly appeared in the broken blue barrier. He was very excited when he looked at the small pool of spiritual liquid in front of him. The

Hongmeng spiritual liquid, the small pool of Hongmeng spiritual liquid.

There should be hundreds of pots of Hongmeng spiritual liquid here. It is very developed.

Damn it , there are at least hundreds of bottles of Hongmeng spiritual liquid in the small pool.

If Murong Qingcheng knew that he had obtained so much Hongmeng spiritual liquid, the beauty would be shocked and speechless.

Su Chen hurriedly took out some jade bottles It is necessary to store all the Hongmeng Spiritual Liquid.

The Hongmeng Spiritual Liquid is too precious, and it is a treasure that even the Hongmeng Supreme will fight for. Su Chen must receive the Hongmeng Spiritual Liquid into the system space in time.

"This is?"

Su Chen suddenly found a Hongmeng spiritual root in the small pool.

It was only one meter high. There were only twelve leaves on the root.

What kind of Hongmeng spiritual root is this?

Su Chen looked at it for a while and asked," System girl, what kind of Hongmeng spirit root is this?".

Chapter 3036

【Ding, host, this is the Hongmeng Tianling Root. It can produce a pot of Hongmeng Spiritual Liquid every thousand years. The Hongmeng Tianling Root is still in its infancy and can produce a pot of Hongmeng Spiritual Liquid every 100,000 years. 】

Let me go,

Hongmeng Tianlinggen? what is that?

But, the Hongmeng Tianling Root can actually produce Hongmeng Spiritual Liquid?

Damn it, now that Su Chen has become rich, he has the Hongmeng Heavenly Spiritual Root. Will he still lack the Hongmeng Spiritual Liquid in the future?

Whether it is a thousand years or a hundred thousand years,

Su Chen has endless life, and he has plenty of time to wait for the Hongmeng Tianling Root to produce Hongmeng Spiritual Liquid

"Haha~, a great harvest, a great harvest this time."

Su Chen hurriedly collected the Hongmeng Tianling Root and laughed.

Hengduan Mountains did not come in vain this time. The female giants are good.

Not only are the female giants "950" sexy, attractive and beautiful, but they also bring him a huge amount of good energy. Luck.

Three kinds of Hongmeng spiritual roots, a pool of Hongmeng spiritual liquid, these treasures will make Hongmeng Supreme jealous when he sees them.

【Ding, the host Hongmeng Spiritual Liquid System requires fifty-four pots, and the Hongmeng Spiritual Liquid System will automatically charge half of the Hongmeng Spiritual Liquid produced in the future. 】

Damn it!

Su Chen's face turned dark.

The black-hearted system was so damn black.

Huh?

No,

Su Chen collected a total of 107 pots of Hongmeng spiritual liquid. Why did the system girl collect 54 pots?

"Girl, if you charge an extra pot of Hongmeng Spiritual Liquid, you should charge fifty-three and a half pots"

【Ding, host, this system is rounding, do you have any objections?】

"I go to you....."

Su Chen shook his fist angrily, rounding up?

The system girl is really cumming, ugh!

Is he an immortal now, or an immortal among immortals

? What about the system?

After the upgrade, System Girl is even scarier than a fairy.

Even Hongmeng Supreme cannot detect the existence of System Girl. System Girl is much more awesome than a fairy.

Su Chen saw that the collection of Hongmeng Spiritual Liquid was less than half. The system girl would secretly take away half of the Hongmeng Spiritual Liquid produced from the Hongmeng Tianling Root. Su Chen's beautiful heart was no longer happy.

Qiao Silin hurriedly came over and saluted, "Master, we moved out the Hongmeng Purple Jade apple tree."

Su Chen appeared on Qiao Silin's shoulder and kissed her, saying, "Qiao Silin, I will open a space channel. You can move the Hongmeng Purple Jade apple tree." Apple trees planted next to Hongmeng spiritual well"

"Yes, master!"

Qiao Silin blushed and nodded.

Su Chen's kiss to her made Qiao Silin feel very happy.

She also liked Su Chen touching her body.

Only in this way did Qiao Silin feel that Su Chen had no regard for the female giants. Discrimination, Su Chen did not care that the female giants were of an inferior race.

After a while,

Su Chen opened the space channel of the time barrier in his body. The female giants entered the space channel one after another with the Hongmeng Purple Jade Apple Tree.

Su Chen looked at the small space barrier. Jie whispered,

"There are no other treasures in the small space barrier. This place is not bad. Hongmeng's spiritual energy is rich and protected by the space barrier, which will allow Jexia's tribe to practice here in the future."

Jesia asked with bright eyes, "Master, do you want my people to survive and practice here?"

"Yes, the small space enchantment is rich in spiritual energy and protected by the space enchantment. I will open a space channel where your people can survive and practice."

"Thank you master!"

Jesia is very happy.

She is very satisfied with Su Chen's arrangement.

If the giants survive and practice in the small space barrier, the giants don't have to worry about safety issues. The Hongmeng aura in the world will also make the giants grow up quickly

"Let's leave!"

After Su Chen collected all the female giants and closed the space channel, he sat on Jezia's shoulders and wanted to leave.

Jexia only needed to arrange the giants, and Su Chen wanted to leave the dark realm that made him uneasy as soon as possible.

"Yes, master!"

In the Far North,

Emilia and the Archangel arrived at Mia's starry sky palace.

When Mia heard what Emilia and the Archangel said, she rubbed her forehead and shook her head speechlessly.

Su Chen actually caused harm to the Ice Territory. Lord Emilia, Emilia also came to the Far North to settle accounts with Su Chen.

Mia couldn't control this matter, and she couldn't control the perverted Su Chen.

Mia actually felt a little relaxed.

Su Chen's ability It's too powerful. She and the archangel together can't defeat Su Chen. Now that there is another Emilia in the Domain Lord realm, Mia will feel a lot more relaxed after thinking about it.

Mia slyly said to Emilia, "Emilia, Su Chen hasn't come back, you can wait in my palace for Su Chen to come back."

"Can!"

Emilia nodded with a cold face.

She will not leave when she comes to the Far North. There is no crisis in the Ice Territory. Emilia will stay and wait for that shameless pervert.

The archangel stared at Mia and asked, "Mia, have you advanced to the Realm Lord Realm?"

Mia smiled and said, "Come on, I am now half-step to the realm of world lord. If it weren't for the order from the Supreme Master, I would still be practicing in seclusion to achieve breakthroughs.

Emilia exclaimed in surprise, "What?" Mia, are you going to break through to the Realm Lord Realm?"

"Well, Emilia, I can't entertain you in the Far North. I want to continue to retreat and break through, and the Archangel will entertain you."

"Congratulations, Rakshasa Supreme will have another world lord realm in the future."

Mia squinted and said, "Emilia, the Lord of the Shura Realm was executed by the Rakshasa Supreme. I am now the Lord of the Shura Realm. The Rakshasa Supreme has appointed me as the new realm leader."

"What? Mia, the Lord of Shura Realm was executed by Rakshasa Supreme?"

"Well, I don't know the reason. The messenger of the Supreme Rakshasa came to announce the appointment and said that the Lord of the Shura Realm was executed. I was also confused and couldn't figure out why it was 3.4."

Emilia shook her head and said, "Forget it, I'm just a nobody, what you're talking about is too far away from me."

"Archangel, you arranged for Emilia to live in the palace, and I want to continue to retreat and achieve breakthroughs."

"Okay, Mia!"

In the Dark Territory,

Hengduan Mountains,

Su Chen sat on Jexia's shoulder with a very serious face. He looked into the sky and his eyes became cold.

Jexia noticed that Su Chen looked serious and asked in confusion, "Master, what happened?"

Su Chen stroked Jexia's delicate little face and said, "There is a Realm Lord Realm powerhouse coming quickly. In another quarter of an hour, the Realm Lord Realm powerhouse will appear in front of us."

Jesia exclaimed in surprise, "What? World Lord Realm? How could a powerful person from the Realm Lord Realm arrive in the Dark Territory?".

Chapter 3037

Jexia was very surprised,

Realm Lord Realm?

How could the World Lord Realm come to the Dark Territory?

Why are you still coming towards them so quickly?

Could it be that the powerful person in the Realm Lord Realm is doing it for Su Chen? Did he come to take action against Su Chen?

Su Chen touched his chin and whispered, "Interesting, the world lord who comes here is not kind. How can a world lord come for no reason, and come specifically to find himself?"

Su Chen suddenly looked around,

Hongmeng Supreme?

Could it be the Realm Lord summoned by Hongmeng Supreme? Does Hongmeng Supreme want the Realm Lord to kill him?

Jessia said worriedly, "Master, aren't we leaving?"

Su Chen touched Jessia's delicate little face and said, "Jesia, don't worry, a world lord realm, as long as he is not a world lord or above the tenth level, realm, I will crush him to death."

Jexia felt relieved after hearing Su Chen's words.

Su Chen was so powerful that all three domain lords were killed by Su Chen quickly. She guessed that Su Chen was also in the realm lord realm.

"Jessia, please return to the time and space in my body first"

"Yes, master."

Jesia smiled and nodded to Su Chen. She was taken into the time and space barrier by Su Chen.

"Come on, the first Realm Lord of Hongmeng World, I want to see how powerful you can be."

Su Chen flew into the air and waited for the arrival of the powerful Realm Lord Realm.

He advanced to the Realm Lord Realm.

The ordinary Realm Master was not his opponent.

Even if the Realm Master who arrived was very powerful,

Su Chen still had the jade talisman of the Chaos Avenue. He used Chaos The Dao Jade Talisman is worth the money to kill the Realm Lord.

In the starry sky, the Rakshasa Supreme crossed his legs and looked at Su Chen.

The Realm Lord sent by the Nine Nether Supreme had arrived.

Su Chen found that he did not escape.

The Rakshasa Supreme said Su Chen was a little surprised.

Su Chen clearly knew that a powerful enemy was coming. If he didn't run away, would he be able to kill the Realm Lord Realm?

"If Su Chen didn't escape, would Xiao Zhazha want to use the jade talisman to kill the Realm Master under Jiuyou Supreme?"

Rakshasa Supreme touched his fair chin and shook his head.

If Su Chen used the jade talisman to kill Jiuyou Supreme's men, Jiuyou Supreme would not let Su Chen go.

It would be difficult. If

Su Chen used the jade talisman to kill Jiuyou Supreme, it would be difficult. Even the subordinates of You Zhizun and

Rakshasa Supreme could not save the little scumbag.

Boom!

A terrifying aura appeared over the Hengduan Mountains, and a beautiful woman with a pair of black wings instantly appeared in the air.

"I go, angel? No, they are fallen angels. Are there angels in the Hongmeng world?"

Su Chen was very surprised when he looked at the beautiful woman with black wings.

The fallen angel with black wings was also a beautiful fallen angel.

Su Chen was very curious about the fallen angel.

The fallen angel was dressed in silver armor, had long golden hair, and was slender and perfect. With a curvy body, huge and convex mountains, and a peerless face,

Fallen Angel is the coldest, sexiest, and most alluring woman he has ever encountered in Hongmeng World.

Fallen Angel Amy Lia said coldly to Su Chen, "Heretic, are you Su Chen?"

Su Chen curled his lips and replied, "No!"

"no? How can it be? Your aura is obviously the heresy I'm looking for, you must be Su Chen."

Emilia checked Su Chen and found that she had found the wrong person.

Su Chen and the Su Chen she was looking for had the same aura and the same level of cultivation.

She couldn't have found the wrong person.

Besides, there would be no other domain masters in the Dark Territory. Appearing, Su Chen must be the Su Chen he wants to kill.

Su Chen rubbed his chin and said nonsense,

"Sir, I have just been promoted to the Territory Lord realm. If you want to find Su Chen, I don't know him. I just met a Territory Lord. He fought with me for a while and suddenly left."

"Um? Did you just fight against a domain lord?"

"Yes, I just fought with a domain lord, and he suddenly discovered something and left quickly. I don't know why. Emilia frowned and said, "In this way, you are stuck with Su Chen's aura, and Su Chen ran away when he noticed my arrival."

Su Chen asked doubtfully, "Sir, are you trying to catch the escaped Territory Lord?"

"Okay, what's your name?"

"My name is Xiao Yu"

"Xiaoyu, which supreme subordinate are you?"

"Your Excellency, I am a subordinate of the Supreme Rakshasa. I am the domain lord of the extreme northern region under the jurisdiction of the Supreme Rakshasa."

Su Chen felt that he had deceived Emilia. He had a way to catch Emilia by surprise in the World Lord Realm.

The Demonic Tower of Desire.

Su Chen's Demonic Tower of Desire was about to open in the Hongmeng world.

He was the first to capture it. A woman is still a powerful and terrifying Realm Lord. Su Chen felt very excited when he thought about it.

"Rakshasa Supreme?"

Emilia no longer doubted Su Chen's words.

When Su Chen said the name of the Rakshasa Supreme, the Rakshasa Supreme would respond.

If Su Chen was not a subordinate of the Rakshasa Supreme, the Rakshasa Supreme would appear and destroy Su Chen. Chen secretly took out the Demonic Tower of Desire and asked, " ` .Sir, what is your name? Which supreme subordinate?"

"You don't need to know!"

Emilia ignored Su Chen.

She used her consciousness to check the Dark Territory.

Su Chen had just escaped.

She wanted to kill Su Chen as soon as possible to complete the order of the Nine Nether Supreme.

In the Star Territory, the Rakshasa Supreme patted his forehead. Speechlessly,

"The little scumbag is too cunning. The fallen angel was fooled by Su Chen, eh? Xiao Zhazha secretly took out a Hongmeng Spiritual Treasure. Is Xiao Zhazha going to sneak attack on the fallen angel?"

The Rakshasa Supreme feels interesting.

A sneak attack?

Can Su Chen succeed in a sneak attack on Emilia?

Emilia is at the eleventh level of the Realm Lord Realm.

Su Chen cannot destroy Emilia with a sneak attack. Emily Yahui killed Su Chen to pieces.

In the Nine Netherworld,

Jiuyou Supreme was very helpless.

She didn't expect that Su Chen would deceive Emilia.

How could Amelia still be so innocent after billions of years? She didn't have (money) Zhao discovered that Su Chen was the Su Chen she wanted to kill? Wouldn't Amelia check Su Chen's memory?

Jiuyou Supreme said with cold eyes, "Su Chen, a cunning liar, no wonder the succubus will always Thinking about that bastard, Su Chen must have deceived the succubus' feelings."

Over the Hengduan Mountains,

Emilia checked the Dark Territory but did not find Su Chenpi.

She found a female Territory Lord in the Dark Territory, an injured female Territory Lord. Emilia guessed that she had been deceived by Su Chen.

What Xiao Yu, this bastard must be her mission target Su Chen.

Amelia glared at Su Chen and shouted, "If your name is not Xiao Yu, you are Su Chen, right?"

Su Chen replied with a smile, "The answer is correct, but there is no reward."

"Su Chen, if you are looking for death, I will completely destroy you both physically and mentally."

"Haha~, fallen angel, you will be my angel in the future, the Demonic Tower of Desire, suppress it!".

Chapter 3038

Su Chen suddenly enveloped Emilia with the Tower of Desire.

He wanted to imprison Emilia in the Tower of Desire.

The Tower of Desire is the nemesis of women.

Emilia is not only a beautiful and sexy female angel, but also a world leader. A strong person in the main realm, Su Chen is determined to win Emilia, a beautiful and sexy fallen angel.

If Su Chen can't conquer Emilia, he can also appreciate Emilia's sexy and attractive body. boom!

The Demonic Tower of Desire erupted with white light and enveloped Emilia. Emilia was furious and struggled to escape the suppression of the Demonic Tower of Desire. The

Demonic Tower of Desire was a Hongmeng spiritual treasure.

Emilia would not be able to escape from the Demonic Tower of Desire for a while after being sneak-attacked. bondage

"Damn it, Su Chen, you dare to trick me, I won't let you go!"

Su Chen curled his lips and mocked, "Beautiful angel, I hope you will say this again later!" "Eight-nine-three"

"Heretic, you are unforgivable!"

"Fallen angel, you are so sexy and beautiful!"

Boom boom boom.....

Emilia burst out in anger and struggled with a terrifying aura, and the Demonic Tower of Desire tried to suck Emilia into the tower with all its strength.

The area of the Hengduan Mountains shook.

Mountain peaks collapsed and mountains cracked.

The space above the Hengduan Mountains made a creaking sound, as if the space was about to be shattered.

"Let me go, the fall is a bit ridiculous!"

Su Chen found that the Demonic Tower of Desire seemed unable to contain Emilia.

Emilia took out a Hongmeng spear to resist the Demonic Tower of Desire. The Demonic Tower of Desire was shaking and was about to be blown away by Emilia.

Trouble,

Demonic Desire The tower is a low-grade spiritual treasure of Hongmeng, and

Emilia is at the eleventh level of the Realm Lord Realm. Su Chen is worried that the Demon Tower of Desire cannot suppress Emilia.

What should he do?

Kill Emilia?

Damn,

Su Chen was reluctant to kill the sexy and beautiful Emilia.

If a male realm master came this time, Su Chen would kill him without saying a word.

Beautiful women are a disaster, and beautiful and sexy fallen angels are a disaster. Trouble.

In the star field, the Rakshasa Supreme crossed his legs and whispered in a funny voice,

"It's interesting. Xiao Zhazha really attacked the Fallen Angel. However, it seems that Xiao Zhazha's Spiritual Treasure cannot suppress the Fallen Angel. Xiaozhazha, if the Fallen Angel blows away your Hongmeng Spirit Treasure, the completely angry Fallen Angel will destroy you. All gods are destroyed."

The Rakshasa Supreme is somewhat optimistic about the insidious and cunning Su Chen.

In the Hongmeng world, if the mind is not flexible, the mind is not suspicious, and the heart is not ruthless enough, these creatures will be killed by evil even if they are promoted to the Hongmeng Supreme, just like the fallen angel Emily Ah, if Emilia had arrived and killed Su Chen without saying a word, she would not have been almost killed by Su Chen.

Rakshasa Supreme touched his fair chin and thought, "Let's negotiate with Jiuyou Supreme later, little scum." After all, Zha is his subordinate, and he hopes to use some treasures to save little Zha's life."

At this moment,

Su Chen challenged Emilia, "Fallen Angel, your armor exposes your fair skin and your sexy waist. Are you trying to seduce me again?"

"Heretic, you are seeking death."

Emilia's chest is about to burst with anger.

After so many years, no creature in the Rakshasa Realm should insult and molest her like this.

A scum of the Territory Lord Realm, heretics not only shamelessly attacked her, but also dared to peek at her. In terms of her sexy and attractive figure, Emilia could not wait to crush Su Chen to ashes and kill her physically and mentally.

"Let me tell you, fallen angel, you are going to explode your clothes, no, you are going to explode your armor, fallen angel, you must not be angry anymore, otherwise you will be naked and seen by me after you explode your armor."

Su Chen looked at Amelia's chest rising and falling, and the huge mountain was about to come out, bursting with clothes.

Amelia was so angry that she wanted to burst with clothes.

Su Chen opened his eyes wide and shook his head in appreciation.

Amelia didn't It might be because the exquisite armor she wore was a Hongmeng Lingbao. Hongmeng Lingbao would not burst so easily.

Emilia shouted angrily, "Shameless heretic, I, Emilia, swear to tear you into pieces."."

Su Chen said to Emilia while delivering mana to the Demonic Desire Tower,

"Emilia? It turns out your name is Emilia. I also know a woman named Emilia. No, she is a female vampire. Your names are exactly the same, but you are a fallen angel and Emilia is a vampire."

"Heretic, you deserve to die. If you dare to insult my name again, I will make you suffer endless torture for the rest of your life."

Emilia struggled to blast away the Demonic Tower of Desire that enveloped her.

She was filled with resentment.

Vampire?

This bastard actually used vampire to insult her name. Emilia hated Su Chen to the extreme. In billions of years, she has never hated a creature so much,

Suchen!

A despicable and shameless bastard who sneaked up on her, a pervert who wantonly peeked at her body, and a damn heretic who insulted her name.

Emilia would not let it go. Su Chen is prone to death. She wants to hand Su Chen over to the devil for torture. She wants to make Su Chen feel worse than death every day from now on, and suffer so much torture every day that he would rather not live...

"Emilia, just love me for the rest of your life."

"Shameless heresy!"

"Dear Emilia, do you have a Taoist companion?"

"Heretic, you deserve death!"

Su Chen looked at Amelia's white mountain and smiled,

"It turns out you don't have a Taoist companion!"

"Emilia, what do you think of me? I am a person who is loved by everyone, and I am still in the Realm Lord realm. The most important thing is that I am not a thousand years old yet. When I turn a thousand years old, I will definitely advance to the Realm Lord realm. We are a match made in heaven."[]

Emilia glared at Su Chen angrily, but when she heard that Su Chen was not a thousand years old,

Emilia was very surprised.

Su Chen was not a thousand years old?

When she was a thousand years old, she was still a scumbag in the Holy Realm. Su Chen was promoted to the Territory Lord Realm before he was a thousand years old. How could this shameless person's cultivation talent of 4.2 be so good?

A thousand years old?

Emilia felt that Su Chen would advance to the Realm Lord Realm in a few hundred years.

No wonder Jiuyou Supreme asked her to kill Su Chen.

Su Chen was the subordinate of Rakshasa Supreme. Jiuyou Supreme wanted to kill the extremely talented Su Chen. Morning strangled in the cradle

"Emilia, it's not good if we fight and kill each other too much. Maybe we will become loving Taoist couples in the future. Why don't you surrender to me? I will treat you well in the future."

Su Chen wiped the sweat from his forehead and felt something bad. Emilia was about to break through the suppression of the Demonic Tower of Desire.

What should I do?

Kill Emilia?

Damn,

I'm so confused!

Is this the so-called for beauty? Is sex worth your life?

Boom!

"Heretic, after I break free from the shackles of Lingbao, I will make you regret saying these words."

Chapter 3039

Emilia no longer pays attention to the shameless Su Chen. She will try her best to break away from the suppression of the Demonic Tower of Desire.

Regarding the shameless Su Chen, after Emilia breaks away from the suppression of the Demonic Tower of Desire, she will make Su Chen regret saying anything. Insulting her, fellow Taoist?

Does she need a Taoist companion?

In the star field, the Rakshasa Supreme whispered with a dark face,

"The little scumbag is so shameless and shameless. No wonder he can get the love of the Rakshasa sisters. The little scumbag must have deceived the Rakshasa sisters with his sweet words. He will teach the little scumbag a lesson in the future and cannot let the little scumbag continue to be shameless and shameless.."

A thousand years?

Su Chen was promoted to the Territory Lord realm before he was a thousand years old.

No,

Su Chen has only been in the Hongmeng world for more than ten years.

The little scumbag is so weird. It's been more than ten years.

Su Chen has been from Saint to the realm for more than ten years. The realm was promoted to the Domain Lord Realm, four major realms. How could it be possible for little Zhazha to be promoted to the four major realms?

Hongmeng Spiritual Liquid?

Did Su Chen have a lot of Hongmeng Spiritual Liquid in his hand?

Rakshasa Supreme's eyes shone, she had discovered before Su Chen had a pot of Hongmeng Spiritual Liquid, and

Su Chen also gave half of it to Mia, the Lord of the Far North. The Rakshasa Supreme guessed that Su Chen not only had a pot of Hongmeng Spirit 23, but there should be several more pots of Hongmeng Spiritual Liquid in Xiao Zhazha's hand.

"Jiuyou Supreme, a pot of Hongmeng spiritual liquid, you should let Su Chen live, right?"

Rakshasa Supreme touched her fair chin and smiled. She decided to use Su Chen's Hongmeng Spiritual Liquid to ask Jiuyou Supreme to let Su Chen go.

In this way, she would kill two birds with one stone. She didn't have to pay for treasures to save Su Chen.

Su Chen used a pot of Hongmeng Spiritual Liquid. In exchange for Jiuyou Supreme not killing him,

Rakshasa Supreme will get more Hongmeng Spiritual Liquid in the future. She doesn't believe that Su Chen dares not to give her Hongmeng Spiritual Liquid.

Rakshasa Supreme said to Jiuyou Supreme who was looking at this place, "Jiuyou Supreme, let's talk?"

【What to talk about?】

"Jiuyou Supreme, if your men can't kill Su Chen, I hope you can let Su Chen go."

【This Supreme Being said that Amelia cannot kill Su Chen, and this Supreme Being will not take action against Su Chen again.】

"No, Jiuyou Supreme, what I want to say is that Su Chen used other methods to defeat Emilia, and you must also fulfill your promise."

【Um? Rakshasa Supreme, what do you mean?】

"Su Chen has the jade talisman of the twelfth level of the Realm of Realm in his hand. You should understand that Emilia cannot kill Su Chen."

【Humph, if Su Chen dares to kill Emilia with the jade talisman, I will kill him with one finger.】

"Nine Nether Supreme, a pot of Hongmeng spiritual liquid, let Su Chen go, I will not let Su Chen kill Emilia with the jade talisman"

【Um? 】

In the Jiuyou underworld,

Jiuyou Supreme was very surprised.

Rakshasa Supreme actually used Hongmeng spiritual liquid to save Su Chen?

Something is wrong.

Hongmeng Spiritual Liquid is a very precious treasure to Hongmeng Supreme.

A pot of Hongmeng Spiritual Liquid can be used by Hongmeng Supreme to practice and advance to a small promotion. Rakshasa Supreme will not give up precious Hongmeng Spiritual Liquid for no reason. Is Su Chen still there? What's different about it?

Su Chen was promoted to the Territory Lord Realm before he was even a thousand years old. His cultivation talent was very top-notch.

No, he was a very monster.

Su Chen came from another big world.

He was promoted to the Territory Lord Realm in a short time.

The little scumbag was indeed the same as It's so different.

What secrets might Su Chen have been discovered by the Rakshasa Supreme? So the Rakshasa Supreme wants to save Su Chen even at the cost of Hongmeng spiritual liquid?"

Jiuyou Supreme showed a seductive smile and said,"Rakshasa Supreme, I don't have to kill Su Chen, but Su Chen will join Jiuyou Underworld in the future."

【Impossible, Jiuyou Supreme, Su Chen is my subordinate, and I will not let Su Chen join the Jiuyou Underworld. 】

Jiuyou Supreme threatened with disdain,"Supreme Rakshasa, you can't stop me. If you don't want to be suppressed by me, you'd better not stop me. Su Chen, this Supreme, is determined.""

【Jiuyou Supreme, there is no room for negotiation?】

"No!"

In the Dark Domain Star Territory,

Rakshasa Supreme has a helpless expression on his beautiful face. Why is Jiuyou Supreme determined to win Su Chen?

Damn it, it's trouble this time.

Rakshasa Supreme is not Jiuyou Supreme's opponent. Jiuyou Supreme even has one hand. You can crush her to death.

The three most powerful and supreme beings in the Hongmeng world.

The top-ranked Hongmeng supremes are not one of the three most powerful and supreme beings together. Opponent.

What should I do?

Give up Su Chen?

The Rakshasa Supreme looked at Su Chen and shook his head.

She had no choice but to give up on Su Chen. The Rakshasa Supreme could not be crushed to death by the Jiuyou Supreme for Su Chen. Boom boom boom.....

At this moment, the Demonic Tower of Desire is crumbling under the attack of Emilia. It will not take long for Emilia to break free from the suppression of the Demonic Tower of Desire.

Su Chen controlled the Demonic Tower of Desire with sweat on his forehead and shouted, "Bing Ji, Xue Ji, come out and help me suppress Emilia.""

"Ice and Snow Lotus, suppress!"

"Falling Snow Sword, suppress!"

Boom boom boom.....

After Bing Ji and Xue Ji came out of the Demonic Tower of Desire, they used Hongmeng Lingbao to suppress Emilia.

Bing Ji held the Ice and Snow Lotus in her hand, and Xue Ji held Su Chen's Falling Snow Sword.

The two Hongmeng Spiritual Treasures erupted with a terrifying aura to suppress Emilia.

Although Bing Ji and Xue Ji were weak in strength, they only needed to help Su Chen a few times. During the rest time, Su Chen's Demonic Tower of Desire can suppress Emilia.

"damn no...."

Emilia did not expect that two women would suddenly appear. []

The two women were holding Hongmeng Lingbao each.

Emilia tried her best to break free from the suppression of the Demonic Tower of Desire. The two Hongmeng Lingbao interfered with her. She had not yet 807 Before he could resist, he was sucked into the Demon Tower of Desire.

In just three or four breaths,

Su Chen, Bing Ji, and Xue Ji worked together to suppress Emilia.

Xue Ji hugged Su Chen's arm and said,"Husband, congratulations. The Demon Tower of Desire has imprisoned a Realm Lord this time, and a sexy and seductive fallen angel."

Bing Ji coldly snorted with unkind eyes,

"Hum, you can admire the naked fallen angel from now on. Xue Ji, you and I will never talk to you again. I'm afraid this bastard is tired of playing with us."

After Su Chen hugged Xue Ji and kissed her hard, he glared at Bing Ji and said,

"Bing Ji, what you say is all bullshit. When did I get tired of playing with you? Wouldn't your heart hurt if you said this? Do you still want to be tortured to death by me? Bing

Ji's face turned red and she hurriedly showed weakness, "Husband, I'm joking!"

Bing Ji loves and hates Su Chen.

She likes to be tormented roughly by Su Chen, but she can't bear Su Chen's tossing.

Bing Ji and Xue Ji could handle Su Chen together before, but Su Chen advanced to In the Territory Lord Realm, they were vulnerable to Su Chen. Bing Ji enjoyed the feeling of life and death and comfort, but she had to be comatose for a while after being tortured.

Xue Ji leaned into Su Chen's arms and laughed, "Haha~, Bing Ji, you are going to die. My husband will not let you go easily. Your body will fall apart due to his torture."

Chapter 3040

Xue Ji did not expect that Bing Ji would provoke Su Chen again.

Every time Bing Ji provoked Su Chen, she would be tortured to death by Su Chen.

Bing Ji had not learned her lesson yet.

Xue Ji guessed that Bing Ji would be very unlucky this time. Ji may be in a coma for a few days due to Su Chen's torture.

Bing Ji glanced at Xue Ji and said,

"Xue Ji, do you think you can escape? Don't forget that we have the same feelings. Besides, we have been together all the time. If I can't bear my husband, can you escape?"

"you....."

Xue Ji stared at Bing Ji in shame and anger.

Damn it, she forgot that she and Bing Ji had the same feelings, and they would never be separated.

If Bing Ji couldn't bear Su Chen,

Su Chen would definitely torture her.

Xue Ji would regret it. They did not convince the Ice and Snow Demon God to come to Hongmeng World.

If the Ice and Snow Demon God came to Hongmeng World with Su Chen, she and Xue Ji would be much more relaxed, and they would not have to worry about not being able to cope with Su Chen.

Su Chen hugged Xue Ji's soft body and smiled.

Xue Ji and Bing Ji were both stunning beauties.

After so many years,

Su Chen also left Bing Ji and Xue Ji, as well as Nie Xiaoqian and Xiao Li. With these girls around, Su Chen is not alone in the Hongmeng world.

Su Chen hugged Xue Ji and Bing Ji and kissed them respectively, and said, "Xue Ji, Bing Ji, you go back to the Desire Demon 333 Tower first. There are still dangers here. I will find you after I leave the Dark Territory."

Xue Ji: "Husband. , you have to be careful."

Bing Ji: "Husband, this is Hongmeng World, you must not seek death like you did in the Chaos World."

"Don't worry, I won't seek death in Hongmeng World."

Su Chen shook his head speechlessly, seeking death?

He did not seek death in Hongmeng World, nor did he provoke powerful enemies for no reason.

Since Su Chen came to Hongmeng World, he has been passively encountering powerful enemies.

Xue Ji After kissing Su Chen and Bing Ji respectively, they disappeared from Su Chen and returned to the Demonic Tower of Desire.

Xue Ji and Bing Ji were still very weak in strength.

They could not help Su Chen outside and might even delay Su Chen. Legs,

Bing Ji and Xue Ji must become stronger as soon as possible. Only when they become stronger can they help Su Chen.

"I'll do it!"

Su Chen almost had a nosebleed when he checked Emilia in the Demonic Tower of Desire.

If he hadn't seen all kinds of peerless beauties, Su Chen might have had a nosebleed.

In the Demonic Tower of Desire,

Emilia was naked. (cdeg) Holding her chest and curling up, her fair and supple skin is very attractive. Her sexy and alluring curves make people unable to take their eyes away, especially the huge mountain that cannot be protected. Half-covering and half-covering is very tempting.

"Emilia! Emilia shouted and threatened while covering her chest in shame and anger,"Shameless pervert, I will destroy you physically and mentally when I get out.""

Emilia regretted not killing Su Chen at first.

She was trapped in the Demonic Tower of Desire and could not get out.

The damn Demonic Tower of Desire was still very dirty.

After Emilia was sucked into the Demonic Tower of Desire, her dress disappeared instantly.

No matter whether she puts on a dress or conjures up a dress on her body, it is useless.

No matter what Emilia puts on, she will disappear and she will be naked in the Demonic Tower of Desire.

Emilia hates Su Chen. When it reaches the extreme, as long as she escapes from trouble,

Emilia will execute Su Chen extremely cruelly.

Xiao Yu looked at Emilia and said,

"Emilia, you have a good figure, with convex front and back, fair and supple skin, and a huge and proud body. You are an extremely sexy and seductive fallen angel."

"Shameless!"

"Emilia, remind you not to attack the Demonic Tower of Desire, otherwise you will regret it"

"snort!"

Emilia snorted in shame and anger, attacking the Demonic Tower of Desire?

How can she attack the Demonic Tower of Desire without any magic power?

Also, the Demonic Tower of Desire is very disgusting,

Ai Amelia was worried that something disgusting would happen if she attacked the Demonic Tower of Desire.

Before she figured out the Demonic Tower of Desire, Emilia would not do anything unwise.

Whoosh! Su Chen withdrew his consciousness and disappeared instantly. It felt very bad to feel being watched all the time in the Hengduan Mountains. After Su Chen returned to Thorn Lake and asked Jexia to arrange the giants, he wanted to leave the Dark Territory immediately. Seeing Su Chen leave, the Rakshasa Supreme whispered, "The little bastard actually has living things in his spiritual treasure, and the creatures of these two scumbags actually have Hongmeng spiritual treasures. The little bastard is really rich." The Rakshasa Supreme did not dare to see Su Chen. The Nine Nether Supreme has been paying close attention to Su Chen. Su Chen captured Emilia alive in the Realm Lord Realm. What will the Nine Nether Supreme do? The little bastard did not use the jade talisman this time. It stands to reason that the Nine Nether Supreme will not kill Su Chen, but the Nine Nether Supreme wants to snatch Su Chen away to the Nine Netherworld, and the Rakshasa Supreme is unable to protect Su Chen from being snatched away.

"Alas, the Rakshasa realm has lost a future strong man." The Rakshasa Supreme sighed and disappeared into the star field. In the Jiuyou Underworld, a golden light flashed in the eyes of the Nine Nether Supreme and said, "Interesting, the little scumbag really caught Amelia, and he didn't even use the jade talisman. The extremely disgusting Hongmeng Lingbao, Emilia's naked body may be clearly seen by the little scumbag"[]

Jiuyou Supreme inspected the Demonic Tower of Desire.

It was an extremely disgusting spiritual treasure, a spiritual treasure specially designed to deal with female spirits.

Fortunately, Su Chen was not an evil creature. Otherwise, Jiuyou Supreme would not be able to resist stabbing Su to death. morning. what to do?

Capture Suchen and release Amelia?

Jiuyou Supreme touched his white chin and shook his head.

Emilia had been seen by Su Chen.

Su Chen did not dare to kill the Realm Lord of Jiuyou Underworld. Jiuyou Supreme decided to observe Su Chen for a while. She thought Let's see what other surprises Su Chen will bring her.

Three years later, in the ice and snow region,

Su Chen stayed on a large mountain for more than four months. On the ice and snow mountain tens of thousands of meters high,

Bing Ji and Xue Ji took Hongmeng spirit liquid to practice in the heart of the ice and snow mountain. Su Chen also stayed on the ice and snow mountain. He is practicing law on the mountain, and he wants to upgrade the five laws of chaos to the law of Hongmeng.

Whoosh!

The incarnation of the ruthless empress suddenly appeared and shouted, "Brother!"

Su Chen opened his eyes and asked in confusion, "Nanny, why did you come out?"

The incarnation of the ruthless empress smiled and said,

"Brother, I have reached the twelfth level of the Holy Realm. I want to stay with my brother before I retreat and break through to the Imperial Realm."

Su Chen took the ruthless woman's incarnation and sat down and asked, "Nanny, are you lonely in the time and space inside my body?"

The incarnation of the ruthless empress leaned on Su Chen's shoulder and said, "No, I just haven't been with my brother for a long time and I miss him."

Su Chen touched the hair of the ruthless empress and said, "Nanny, after you advance to the imperial realm, you don't have to stay in time and space. You can stay with your brother. My brother will show you the Hongmeng world."
