Chapter 3041

Su Chen owes the incarnation of the ruthless empress very much.

The incarnation of the ruthless empress has always been silently devoted to her and has been hiding in his body to protect him.

Where is Su Chen?

When he needed the incarnation of the ruthless empress, he remembered that he still had a sister.

When he didn't need the incarnation of the ruthless empress, Su Chen completely forgot about the incarnation of the ruthless empress.

The incarnation of the ruthless empress leaned on Su Chen's arms and said, "Brother, my strength is very low in the Hongmeng world. There are so many powerful people in the Hongmeng world. I'm worried that it will drag down my brother."

Su Chen held the avatar of the ruthless empress in his arms and smiled. Said, "Don't worry, Nannan, you have always protected your brother in the past. From today on, my brother will protect you."

"real?"

"Of course it's true. How could my brother lie to you?"

"Thank you brother."

The ruthless empress leaned into Su Chen's arms and smiled.

She also wanted to be by Su Chen's side all the time.

In the chaotic world, she was just the incarnation of the ruthless empress. She was worried that Su Chen would be in trouble and kept hiding in Su Chen's body space.

In Hongmeng In the big world, the ruthless empress is not hereIn this world, she doesn't have to worry about Su Chen being in trouble.

Su Chen hugged the small waist of Nannan [Here the cruel empress is called Nannan] and looked at the snowy scene.

Snowflakes were falling in the air. The snowy mountains were completely white. In addition to the falling snow, the crystal clear ice, and the trees. Glittering ice hung on it.

Nannan leaned in Su Chen's arms and looked at the snowy scene with a smile. She reached out to catch the falling snowflakes. It felt very good.

Nannan felt the happiest at this moment.

She was no longer the incarnation of the ruthless empress. She was no longer a ruthless empress. As a substitute, in the Hongmeng world, she is Nannan, and she is Su Chen's sister Su Nannan.

Ten years later,

Su Chen has been practicing in the Snow Mountain. Bing Xue Ji and Xue Ji are still practicing in Bing Xin and have not come out. Nan Nan has been by Su Chen's side after successfully advancing to the Imperial Realm.

In the past ten years,

Su Chen's laws have still not advanced.

He understood that the promotion from the Law of Chaos to the Law of Hongmeng did not happen overnight, and

Su Chen was not in a hurry.

He had lived a very leisurely life in the past ten years, with his daughter accompanying him,

Nie Xiaoqian and Xiao Li serving her, and a female giant allowing him to enjoy the hot and tender love. Su Chen has been surrounded by beauties for ten years, and he is not alone in the vast snowy mountains.

Outside the Ice and Snow Palace,

Su Chen walked out and stretched himself.

Jessia was too crazy and enthusiastic.

Su Chen couldn't bear the passion and tenderness of the giantess, but he enjoyed Jessia's passionate service.

Nannan saw Su Chen coming out and hurriedly came over and called out, "Brother, you are not practicing today?"

Su Chen pulled Nannan and smiled and said, "You are not practicing anymore, Nannan, you didn't go to catch the Snow Crystal Rabbit with Angel Ailan?"

Nannan A smile appeared on the cold and beautiful face and said, "No, brother, the Snow Crystal Rabbit is the sixth level of the Holy Realm, and it will also merge with the snow. It is very difficult for us to catch the Snow Crystal Rabbit."

Su Chen hugged her daughter Xiao Manyao said, "That's right, girl, my brother will take you to catch snow crystal rabbits later. The meat of snow crystal rabbits is very delicious. My brother will make rabbit meat for you today.""

"OK!"

Swish swish swish"....

"Kings!"

Angel Ailan and a team of angels appeared one after another to salute.

Su Chen looked at Angel Ailan and asked, "Ailan, you didn't catch the Snow Crystal Rabbit?"

"No!"

Angel Ailan and the angels next to him lowered their heads.

They still found nothing today. The Snow Crystal Rabbit is so fast that it can merge with the snow. Angel Ailan and the angels have not caught a single snow crystal in three years. Rabbit.

Su Chen said to Angel Ailan and the other girls, "Ailan, you don't have to be discouraged. The snow crystal rabbit is very difficult to catch. You are around the tenth level of the Holy Realm. It's understandable that you can't catch the snow crystal rabbit." Angel

Xiyu blinked her big eyes and asked, "Your Majesty, can you teach us how to catch Snow Jade Rabbit?"

Su Chen thought for a while and said,

"Yes, Xiyu Ailan, and you, you can set up a time barrier in the areas where the snow crystal rabbits often appear. As long as the snow crystal rabbits enter the time barrier, they will not be able to escape even if they want to."

Angel Xiyu massaged Su Chen and said, "Your Majesty, we have used this method, but the snow crystal rabbit can merge with the snow. We cannot find the snow crystal rabbit in the time barrier."

"Have you ever used flame bombing?"

"Your Majesty, we tried it, but it didn't work. We bombed most of the area, and the Snow Crystal Rabbit didn't appear."

"That's it!"

Su Chen didn't expect that the Snow Crystal Rabbit was not afraid of the flame bombing.

The Snow Crystal Rabbit's intelligence should not be low.

Su Chen thought about activating the Law of Light.

He wanted to condense a law of light network.

Regardless of the Snow Crystal Rabbit's speed or It will merge with the snow, and the Law of Light Network will catch them in a flash. No matter how fast the Snow Crystal Rabbit is, will they be as fast as light?

Su Chen handed the Law of Light Network to the angel Ailan and said, "Ai Lan, take the law light net and catch the Snow Rabbit."

"Thank you, Your Majesty."

Angel Ailan was very happy to take over the Law Light Network.

For more than three years, the Snow Crystal Rabbit tortured them angels. Today, if they catch the Snow Crystal Rabbit, they will teach them a lesson.

Nannan leaned in Su Chen's arms and asked, "Brother, do we still want to live in the Snowy Mountains?"

Su Chen hugged her daughter and leaned against the ice wall and replied, "Bing Ji and Xue Ji are still practicing. We will leave the ice and snow area after they leave seclusion. Nannan took out the Magic Tower of Desire and said to Suchen, "Brother, I gave you the Magic Tower of Desire. I haven't been able to convince Emilia in the past few years. She still has the attitude of wanting to kill her brother.""

Nanny was also very speechless.

She didn't know what to say about the disgusting Demon Tower of Desire.

In the Demon Tower of Desire,

Emilia was imprisoned naked.

She couldn't put on any clothes.

Nannan had also kept Emilia in her eyes for several years. Lia saw everything. Her persuasion to Emilia was of no use at all. Emilia was so ashamed and angry that she would not give up until she killed her brother.

Su Chen took the Magic Tower of Desire and shook his head and said,

"The fallen angel is really difficult to deal with. Emilia is very smart. She didn't attack the Demonic Tower of Desire. Emilia was not tortured by the demonic energy of desire. She might be unable to succumb.

Nannan blushed and said to Su Chen, "Brother, the Demon Tower of Desire is very disgusting."

"Nanny, the Demonic Tower of Desire is my spiritual treasure. It has no effect on you. Not only can you control my other spiritual treasures, but the Demonic Tower of Desire will also be controlled by you. Don't care whether the Demon of Desire is disgusting or not."

Chapter 3042

Su Chen hugged Nannan awkwardly.

He was worried that Nannan would despise him because of the Demonic Tower of Desire.

The Demonic Tower of Desire is very disgusting to women, but the Demonic Tower of Desire is also a murderous force in his hands.

Su Chen used the Demonic Tower of Desire to conquer many powerful people. Women,

Yin Ji, Leng Shuang, Dark Moon, Bing Ji and other saints, if Su Chen did not have the Magic Tower of Desire, he would not be able to conquer those sexy and attractive female saints, nor would he be able to get those beautiful and sexy women.

Moreover, the Demonic Tower of Desire, like the Falling Snow Sword and the Chaos Bell, are his real spiritual treasures. The

Demonic Tower of Desire also has spirituality.

As long as it is his woman, his relatives, the Demonic Tower of Desire will be controlled by them, unless it is Su. Chen objected, otherwise the Demon Tower of Desire would not have launched an attack on his woman and relatives.

"Brother, I know."

Nanny smiled and nodded to Su Chen.

She has been persuading Emilia for several years.

Nannan can easily control the Demonic Tower of Desire. Even if she enters the Demonic Tower of Desire, her clothes will not disappear.

Su Chen leaned against the ice wall helplessly. said,

"Emilia is in some trouble. My brother doesn't dare to kill Emilia. She is the leader of the Nine Netherworld. If Emilia is killed, the Supreme Lord of the Nine Nethers will definitely know. By then, we may be killed by the Nine Netherworld. Supreme crush to death.

Nannan thought for a while and said to Suchen, "Brother, you might as well hand Emilia over to the Rakshasa Supreme.""

Su Chen explained while holding her daughter and smelling the fragrance of her hair,

"Leave it to the Rakshasa Supreme?"

"Nanny, if the Rakshasa Supreme knew that I captured Jiuyou Supreme's men, the Rakshasa Supreme would probably kill me first."

"Murong Qingcheng said the word Jiuyou on the ladder to heaven. Jiuyou may be Jiuyou Supreme, or one of the three most powerful supreme beings in the Hongmeng world. Rakshasa Supreme is not the opponent of Jiuyou Supreme."

Su Chen had a bad premonition in his heart.

In the Dark Realm, the system reminded that Hongmeng Supreme was nearby.

Su Chen guessed that it might be Jiuyou Supreme, especially since Emilia appeared to kill him. Su Chen 90% felt that It's Jiuyou Supreme, but

Su Chen captured Emilia, why didn't Jiuyou Supreme show up?

Nannan worriedly said to Su Chen, "Brother, what should we do? The Rakshasa Supreme is no match for the Jiuyou Supreme. Should we go look for Murong Qingcheng~? Su

Chen frowned and shook his head, "No, Murong Qingcheng is no match for Jiuyou Supreme. We can't implicate Murong Qingcheng. I'll think about it again and hope to come up with a way to get the best of both worlds.""

Nanny leaned in Su Chen's arms and closed her eyes.

She can't help Su Chen now.

There are so many powerful people in the Hongmeng world. Her cultivation level in the imperial realm is simply not enough.

Practice,

Nannan must cultivate and become strong as soon as possible.

Her brother gave her a With a pot of Hongmeng spiritual liquid, Nannan can be promoted to the Territory Lord Realm within a few years.

Su Chen touched Nannan's hair and thought,

Rakshasa Supreme?

Jiuyou Supreme?

And his wife Murong Qingcheng,

Su Chen came to Hongmeng World In less than fifty years, he was paid attention to by Hongmeng Supreme.

Su Chen didn't know what Jiuyou Supreme's attitude was.

Rakshasa Supreme would not dare to offend Jiuyou Supreme, and Su Chen couldn't expect Rakshasa Supreme to protect him.

Murong Qingcheng?

Su Chen thought of the stunning Murong Qingcheng and shook his head.

He couldn't find Murong Qingcheng, and he couldn't find Murong Qingcheng.

The Hongmeng world was countless times larger than the Chaos world. If Su Chen didn't know the specific location of Murong Qingcheng, he would It was as hard to find Murong Qingcheng as finding a needle in a haystack.

Damn it,

Su Chen suddenly remembered that there was Jiuyou Supreme's gauze in the system space.

If Jiuyou Supreme knew that her gauze was in his hands, Su Chen wouldn't be able to save nine even if he had ten lives. The Nether Supreme was crushed to death.

It was sealed.

The gauze clothes of the Nine Nether Supreme must not be exposed, nor could the bellybands and belongings of other Supreme Beings be exposed.

Whoosh!

Xiao Li suddenly appeared and shouted happily, "Husband, I have advanced to the imperial realm. Su

Chen looked at the beautiful Xiao Li and asked in surprise, "Xiao Li, have you advanced to the imperial realm so quickly?"

Xiao Li sat on Su Chen's lap and said with a smile,

"Husband, not only am I promoted to the Imperial Realm, A Yin, Nie Xiaoqian, and Lin Qing'er have all been promoted to the Imperial Realm. They are stabilizing their cultivation realm. I came out to tell you the good news."

Nanny glanced at Xiao Li and closed her eyes.

She knew Xiao Li and Lin Qing'er. They were her brother's subordinates and women.

Nannan had not communicated with them.

She mainly didn't know how to call Xiao Li. The relationship with Lin Qing'er, his subordinates?

Women?

The relationship is too messy, and Nannan can only be out of sight and out of mind.

Su Chen kissed Xiao Li and said,

"Yes, your strength has advanced well. In another thousand years, you will all advance to the Tao realm."

Xiao Li touched Su Chen's face and said, "Husband, thanks to the Hongmeng Spiritual Liquid you gave us, without the Hongmeng Spiritual Liquid, we might not be able to advance to the Imperial Realm for tens of thousands of years."

Su Chen stroked the little waist and asked, "Xiao Li, have you used up the Hongmeng spiritual liquid?"

Xiao Li and Nannan nestled in Su Chen's arms and replied,

"No, we have only used less than one-tenth. Husband, Hongmeng Spiritual Liquid is very precious to practitioners. You give us each a pot of Hongmeng Spiritual Liquid. I think after using a pot of Hongmeng Spiritual Liquid, we may all advance to the next level. Territory Lord Realm"

"I still have a lot of Hongmeng spiritual liquid. Don't be afraid of wasting it. You must improve your cultivation level as soon as possible."

"Husband, I understand."

In the Nine Netherworld,

Jiuyou Supreme couldn't sit still. Su Chen actually had more than one pot of Hongmeng Spiritual Liquid. Jiuyou Supreme had been paying attention to Su Chen these years. Su Chen gave his sister a pot of Hongmeng Spiritual Liquid, and gave each of his women a pot of Hongmeng spiritual liquid. Su Chen also said that there was a lot of Hongmeng spiritual liquid, a (Zhao Zhao) little scumbag, how could Su Chen have the Hongmeng spiritual liquid that even the Supremes would fight for? You Zhizun said with an expression of regret on his beautiful face, "What a waste, little scumbag. Several bottles of Hongmeng spiritual liquid were wasted by several scumbag women. Are you going to snatch the Hongmeng spiritual liquid from Su Chen's hand?" Murong Qingcheng? Xiao Zhazha still knows Murong Qingcheng? It's so weird. Less than fifty years after Xiao Zhazha came to the Hongmeng world, Rakshasa Supreme! Murong Supreme! Xiao Zhazha actually has a relationship with two supreme beings, or two. The top ten supremes among the supreme beings, especially Murong Qingcheng. Murong Qingcheng ranks in the top three among the supreme beings, and is also the supreme being most likely to advance to the supreme realm.

"Huh? A realm lord? Haha~, little scumbag, you are going to be in trouble soon. As a male realm lord, your Demonic Tower of Desire seems useless against male spirits. Let's see how you deal with the realm lord this time."

Chapter 3043

Jiuyou Supreme discovered that a Realm Master appeared in the ice and snow area, and was heading towards the Snow Mountain where Su Chen was. Jiuyou Supreme saw that the Realm Master was here for Xiao Yu.

Jiuyou Supreme touched his fair chin and said suddenly,

"No, the little scumbag has the jade talisman of the twelfth level of the realm lord in his hand. The scum that comes to the realm lord is only the scum of the sixth heaven. The little scumbag will probably use the jade talisman to kill the coming world lord."

At this moment,

Su Chen was holding his daughter and talking to Xiao Li on the Snowy Mountain. He didn't notice that a Realm Lord had appeared in the ice and snow region.

Xiao Li blushed and said, "Husband, I want to go back to time and space to stabilize the realm of cultivation.

Xiao Li was very speechless towards Su Chen.

For a while,

Su Chen couldn't help but harass her. This bastard even put his hand into her skirt.

If her daughter wasn't there,

Xiao Li wouldn't care if Su Chen touched her body. , but Nannan was right next to her.

Xiao Li didn't want Nannan to notice the amorous look on her face, and she didn't want Nannan to hear her seductive cry.

Su Chen kissed Xiao Li and said, "Okay, Xiao Li, tell Lin Qing'er and Nie Xiaoqian that after you stabilize your cultivation level, you girls will come out to accompany me."

"Good husband."

Xiao Li blushed and smiled and nodded to Su Chen. She turned into a stream of light and disappeared into Su Chen's arms.

Nannan nestled in Su Chen's arms and didn't care about Su Chen harassing Xiao Li.

She had seen such a scene many times, and

Nannan didn't care about Su Chen. Beside her, she was making out with Xiao Li.

Su Chen held her daughter and asked Emilia in the Demon Tower of Desire, "Emilia, you have been in the Demon Tower of Desire for hundreds of years. Sliding around, don't you want to go out?"

"Shameless heresy."

When Emilia heard Su Chen's voice, she hurriedly hugged her chest and squatted down.

Damn it, how could it be Su Chen?

Where is Su Nannan?

Did Su Nannan return the Demonic Tower of Desire to Su Chen?

Hundreds For years,

Su Nannan has been persuading her to stop hating Su Chen, and Emilia has never promised Su Nan.

Today,

Su Chen regains control of the disgusting Demonic Tower of Desire, and her sexy body will be looked at by the little scumbag again. Naked.

Su Chen looked at Amelia's naked body and asked, "Amelia, I ask you one last time, can you put down your hatred for me? Can you hand over a ray of your soul? Emilia shouted angrily, "Dream, even if I die, I will not let you go, let alone let you control my life and death.""

"Good luck to you in the next three years, Emilia."

Su Chen activated the demonic energy of desire in the Demonic Tower of Desire.

Emilia was too arrogant.

If Su Chen didn't use the demonic energy of desire to torment Emilia, I'm afraid Emilia would never give in for thousands of years. I hope Emily Ya likes the pleasure that the demonic energy of desire brings to her

"Um? This is? Damn you pervert, shameless heretic, I'm going to kill you."

Emilia suddenly discovered that pink mist appeared in the Demonic Tower of Desire. She smelled the pink mist and her passion was quickly aroused.

Emilia understood that

Su Chen was going to torture her with desire.

For countless years,

Emilia She has never had desire, and she is not interested in the love of lower creatures.

Today,

Emilia felt the desire of lower creatures, and she felt the pleasure that lust brought to her.

Emilia's face quickly turned red,

She trembled all over and hugged her chest tightly to resist the demonic energy of desire, but the erosion of desire made her unable to resist. In the

Demonic Tower of Desire,

Emilia had no cultivation realm, no magic power, and could not summon the spiritual treasure.

Emily Ya was just an ordinary creature at this moment, and she couldn't stand the erosion of the demonic energy of desire.

Nannan raised her head and looked at Su Chen and asked, "Brother, did you use the demonic energy of desire on Emilia?"

Let me go,

Nannan has been paying attention to him?

Damn it,

Su Chen is lucky that he didn't play tricks on Emilia, and he didn't molest her sexy body to Emilia.

Su Chen touched Nannan's hair and said, "Nanny, Emilia is too arrogant. If I don't use the demonic energy of desire on Emilia, Emilia may not succumb for hundreds of thousands of years. Nannan worriedly reminded Su Chen, "Brother, Amelia is the subordinate of Jiuyou Supreme. Aren't you worried that controlling Amelia will be discovered by Jiuyou Supreme?"

"Jiuyou Supreme should have known for a long time that in the Dark Realm, Jiuyou Supreme has been hiding and paying attention to me. Emilia came to kill me for no reason. I guess it was the order of Jiuyou Supreme."

"Brother, why doesn't Jiuyou Supreme take action directly?"

"I don't know, maybe Jiuyou Supreme doesn't bother to kill this little scumbag like me."

"Jiuyou Supreme is one of the three most powerful supreme beings in the Hongmeng world. She may be disdainful to take action against her brother. Brother, do you think Jiuyou Supreme will send other realm masters to kill us? Su

Chen hugged his daughter's soft waist tightly and replied, "It's possible. Emilia is a strong person in the Realm Lord Realm. It's impossible for Jiuyou Supreme to ignore the life and death of her men."

Su Chen looked around worriedly.

He was worried that the Nine Nether Supreme was still paying attention to him, and that the Nine Nether Supreme might send the Realm Lord to kill him.

"System, are there Hongmeng Supreme around me?"

【Ding, no!】

"System, are you telling the truth?"

【Ding, host, there is no Hongmeng Supreme in the Ice and Snow Realm, but in the Nine Netherworld, the Nine Nether Supreme has been paying attention to you. 】

I guess,

Jiuyou Supreme is indeed paying attention to him, oh damn it, it's really fucked,

Su Chen thought of the angels Nannan and Angel Ailan, the two giants Jexia and Qiao Silin, and the girls Xiaoli and Nie Xiaoqian. They were all discovered by Jiuyou Supreme.

Especially when Su Chen was having an affair with the giantess and Xiao Li, Jiuyou Supreme must have seen it clearly.

Su Chen's face quickly darkened.

In the past, the system and Murong Qingcheng were spying on him, and now Jiuyou was spying on him. The Supreme is peeping, why do the more powerful women like peeping more? []

Let me go, the Hongmeng spiritual liquid may have been exposed.

Will the Nine Nether Supreme come to snatch the Hongmeng spiritual liquid?

【Ding, host, let me remind you that a realm lord appears in the ice and snow area. He should be looking for the host. In another quarter of an hour, that realm lord will arrive in the Snow Mountain area. 】

Su Chen hurriedly asked,"System, are the coming Realm Lords subordinates of the Ninth Supreme?"

【Ding, no, the coming Realm Lord is the Realm Lord under Supreme Yasuo in the sea area. 】

Su Chen frowned and whispered,"Sea area? World Lord Realm Gan under Supreme Yasuo?".

Chapter 3044

Su Chen touched his chin and thought, sea area?

Yasuo Supreme?

Could it be that it was the sea that invaded the ice and snow territory?

Is the Heavenly Demon Territory Lord a subordinate who has come to the Realm Lord Realm?

But, why didn't the arriving Realm Lord go to Ice and Snow City?

What is the Lord of the Sea Realm doing in the Snow Mountain? Could it be that the Demon Territory Lord came to kill him?

Su Chen thought for a while and said to Nannan, "Nanny, please inform Angel Ailan and they will come back immediately. A strong man is coming to Daxue Mountain.""

"Um? Brother, are you an enemy?"

Nanny immediately sat up from Su Chen's arms.

Is there a strong person?

The Ice and Snow Realm is the realm of the Rakshasa Supreme. How come a strong person comes for no reason?

A strong person?

The person who can be called strong by Su Chen must be the Realm Lord or the Supreme. , is the powerful person coming this time the Realm Lord?

Or the Hongmeng Supreme?

Su Chen nodded and replied, "It may be the enemy. You call the angels back first.""

"Good brother?"

Nanny said and disappeared into Su Chen

's arms. The angels are still very weak. If Su Chen breaks out into a battle with a powerful enemy, the angels may be affected and killed. Nannan understands that Su Chen is worried about the safety of the angels.

Su Chen He stood up and patted the snow on his body,

Realm Lord?

He wasn't too worried.

If the coming Realm Lord was below the tenth level of the Realm Lord Realm,

Su Chen could kill him.

If it was above the tenth level of the Realm Lord Realm, Su Chen could kill him. Chen can escape quickly without using the Jade Talisman of Chaos Avenue.

"I go!"

Su Chen suddenly thought that Bing Ji and Xue Ji were in seclusion. If he fought with the Realm Master on the Snow Mountain, the two women would be affected.

"Lure away the sea realm lord? Su

Chen thought and shook his head.

When the sea realm lord arrives, he may find the two women retreating in the snowy mountains. If the realm lord comes to kill them, it may be difficult to lure them away.

What should we do?

Swish swish swish.....

Nannan appeared quickly with Angel Ailan and the other girls.

"elder brother!"

"Kings!"

Su Chen waved his hand and said,"Nanny, Angel Ailan, you lead the angels into the time and space barrier."

"Brother, you have to be careful."

Nannan's cold face showed a worried expression.

She knew that staying would drag down Su Chen.

Facing a powerful enemy,

Nannan couldn't help Su Chen at all. She felt very sad.

Su Chen touched Nannan's hair and said with a smile,"I'll be careful. Angel

Ailan said worriedly,"King, you must be careful. We have caught more than ten ice crystal rabbits. We will prepare delicious rabbit meat for the king in the time and space barrier.""

"good!"

Su Chen hugged Angel Ailan, kissed her hard, and said,"You all have entered the time and space barrier."

Nanny rolled her eyes at Su Chen and disappeared.

The other angels smiled and disappeared one after another.

Angel Ailan blushed and kissed Su Chen and disappeared.

Su Chen smiled and whispered,"The angels are getting more and more beautiful and sexy, white and smooth. The long legs feel more and more comfortable."

A quarter of an hour later, a terrifying aura came from the distance, and a man in black instantly appeared on the Snow Mountain.

Su Chen looked at the arriving World Lord Realm, the old man in black clothes and white beard, the eleventh level of the World Lord Realm,

Damn,

It was a bit difficult.

The old man in black said coldly, "Boy, are you the domain lord of the ice and snow domain?"

The old man in black didn't care after checking Su Chen.

Su Chen was in the realm of the fifth heaven of the Territory Lord. The old man in black could crush Su Chen to death with one hand.

Su Chen nodded. replied, "No."

The old man in black asked coldly, "Boy, was the Lord of the Demon Territory killed by you?"

Su Chen shook his head and replied, "No, I am just a small domain master. The demon domain master was killed by the Shura domain master."

"Lord of Shura Realm?"

The old man in black frowned when he heard Su Chen's words.

Was the Lord of the Heavenly Demon Territory killed by the Lord of the Shura Realm?

The old man in black did not doubt Su Chen's words.

Su Chen was at the fifth level of Territory Lord Realm, and the Lord of the Heavenly Demon Territory was more powerful than Su Chen. Much more powerful, Su Chen was unable to kill the Demon Territory Lord.

Su Chen touched his chin and asked, "Who are you?"

The old man in black snorted coldly and said, "Hmph, I am Simons Realm Master, one of the eight supreme realm lords in the sea area. Boy, it's your bad luck. The demon is my subordinate. If the Shura Realm Master dares to kill the realm lord under me, I I want to kill you to take revenge on the Lord of Shura Realm."

Su Chen asked with a frown.

"Realm Lord Simmons, I am not the Lord of the Ice and Snow Territory, nor am I a creature of the Ice and Snow Territory. Why do you want to kill me?"

"Um? Which Hongmeng Supreme subordinate are you?"[]

Simmons touched his beard and felt strange.

He suddenly thought that the Ice and Snow Territory Lord was a woman, and

Su Chen was not a creature from the Ice and Snow Territory.

How could a strange Territory Lord appear in the Ice and Snow Territory? Isn't Su Chen a domain lord under the Rakshasa Supreme?

Su Chen curled his lips and said nonsense, "I am the Territory Lord under Jiuyou Supreme."

Simmons shouted at Su Chen and asked, "Nine Nether Supreme? Boy, are you deceiving me? The Territory Lord under Jiuyou Supreme Why did you appear in the Ice and Snow Realm? You don't have the aura of the Nine Netherworld in you. How could you be the subordinate of the Nine Nether Supreme?"

"Lord Simons, I came to the Ice and Snow Territory from the Dark Territory. The Demon Territory Lord is attacking the Dark Territory. I am the Demon Territory Lord who invites me to kill the Dark Territory Lord. I think you should understand after checking."213

Su Chen decided to fool Simons.

If he could fool Simons, there would be no need for Su Chen to fight with Simmons.

Simmons frowned and thought.

He didn't know if what Su Chen said was true.

If what Su Chen said is true, if Simmons kills Su Chen, he will offend the Nine Nether Dark Territory. The Nine Nether Dark Territory is much more powerful and terrifying than the Sea Territory Supreme. Simmons is also worried that the Nine Nether Dark Territory will retaliate against him.

At this time,

Jiu Nether Dark Territory will retaliate against him. In the Netherworld,

Jiuyou Supreme touched her white chin and smiled. She did not expect that Su Chen would dare to use her name to fool Simmons.

"Little scumbag, yes, since you admit that you are my subordinate, then you will be my subordinate from now on. If you don't show your respect to this supreme leader with ten pots of Hongmeng spiritual liquid, this supreme leader will make you regret it."

Jiuyou Supreme suddenly thought of Su Chen's sister Nannan.

Nannan's cultivation talent is very good.

If cultivated, there will be one more strong person in Jiuyou Underworld.

Jiuyou Supreme revealed a cunning expression and whispered, "Little Zhazha, your sister is not bad. , this Supreme Being will train your sister, but you must honor this Supreme Being with a pot of Hongmeng Spiritual Liquid every ten thousand years."

【Ding, host, are you seeking death again? The system reminds you that Jiuyou Supreme is monitoring you. How can the host still dare to use Jiuyou Supreme?】

"I'll do it!".

Chapter 3045

Su Chen was stunned when he heard the reminder from the system. In order to fool Simmons, he even forgot about Jiuyou Supreme.

Damn, he is dead this time.

Jiuyou Supreme must have heard his words.

Su Chen used Jiuyou Supreme's reputation to threaten him. Simmons, will Jiuyou Supreme let him go?

Su Chen thought of the imprisoned angel Emilia. He had just offended Jiuyou Supreme again. Su Chen had offended Jiuyou Supreme one after another. Jiuyou Supreme would probably not let him go.

Su Chen was worried and asked the system, "System girl, has Jiuyou Supreme arrived?"

【Ding, no! 】

Su Chen breathed a sigh of relief.

It's good that Jiuyou Supreme didn't come. I hope Jiuyou Supreme doesn't mind his nonsense.

Simmons frowned and asked Su Chen, "Boy, I don't believe you. If you are the domain lord of the Nine Netherworld, why did you come to the Ice and Snow Domain?"

Before Simmons figured out Xiao Yu's identity, he also He didn't dare to kill Su Chen.

What if, if

Su Chen was really the domain lord of the Nine Netherworld, he wouldn't be able to survive if Simmons killed Su Chen.

I'm afraid if the Nine Nether Supreme threatens the Sea Territory Supreme, the Sea Territory Supreme will kill him. kill him. 407

Su Chen looked cold and threatened, "Get out, you idiot, I have no time to talk to you now. If you don't want to die, get out now."

Su Chen had no time to argue with Simmons at the moment.

The Nine Nether Supreme was a terrifying threat. Xiao Yu was worried The Nine Nether Supreme will come to the Ice Territory at any time.

Simmons stared at Su Chen with a dark face, "Boy, do you want to die?"

"Idiot!"

Su Chen wants to kill Simmons.

Simmons is at the eleventh level of the World Lord Realm.

Even if Su Chen can't kill Simmons in the World Lord Realm, he can still kill Simons with the Jade Talisman of Chaos Avenue.

Boom!

"Boy, I'm going to crush you to death."

Simmons burst out with an angry breath of terror.

Su Chen is too arrogant, get out?

Idiot?

A scumbag in the Territory Lord Realm.

Simmons wants to catch Su Chen and check his memory.

If Su Chen is not the Territory Lord of the Nine Netherworld, Simmons will kill Su Chen into pieces.

Xiaoyu took out the Luoxue Sword and said coldly, "Zhazha, if you want to die, I will make it happen for you."

"Scumbag? Damn it, I'm going to destroy you physically and mentally.....No....Possible, how is this possible? Jiu(cdch) Youzhizhi, please let the villain go, I was wrong, I was wrong."

When Simmons was about to take action against Su Chen, a terrifying aura suddenly enveloped him. Simmons was suppressed by the terrifying aura and fell to the ground.

Jiuyou Supreme?

Simons did not expect that Jiuyou Supreme would take action against him. Jiuyou Supreme I'm afraid they have to kill him. What is Su Chen's identity in the Nine Netherworld? Why does the Nine Nether Supreme protect Su Chen?

Su Chen is so frightened that he almost teleports away.

The Nine Nether Supreme?

The Nine Nether Supreme is here?

But why does the Nine Nether Supreme come? Will Simmons be suppressed? Shouldn't Jiuyou Supreme suppress him?

Su Chen asked with trembling communication system, "System, Jiuyou....Jiuyou....Is Jiuyou Supreme here?"

【Ding, no, Jiuyou Supreme has not come to the Ice and Snow Territory. Host, are you scared? 】

Xiao Yu wiped the sweat from her forehead and said,

"Of course I am afraid, Hongmeng Supreme. If I face Hongmeng Supreme, I will die without a burial place. How could I not be afraid? No, the system, Jiuyou Supreme has not arrived. Who is suppressing Simmons?"

【Ding, host, are you still seeking death?】

"System girl, are you still mocking me? Don't forget that we live and die together. If I am killed by Jiuyou Supreme, you will also fall with me."

【Ding, host, it is the system's misfortune to encounter you. 】

Su Chen curled his lips and asked, "Unfortunately, little girl, Jiuyou Supreme really didn't come?"

【Ding, no! 】

Su Chen asked in confusion, "Girl, which Hongmeng Supreme was the one who suppressed Simmons?"

【Ding, it's Jiuyou Supreme!】

"Come on, little girl, are you bluffing me? How could the Nine Nether Supreme suppress Simmons if he didn't arrive?"

【Ding, idiot host】

"Damn it, little girl, how dare you scold me?"

【Ding, the host of the idiot. 】

Su Chen has a shameful face and wants to kill the system girl, but the system girl is getting more and more outrageous. She used to blackmail him, but now she started to yell and scold him.

Damn it,

Su Chen is late. One day he will ask the system girl to give him a child

"Girl, tell me clearly, why did Jiuyou Supreme suppress Simmons without arriving?"

【Ding, stupid host! Think about the saints in the Great Desolate Immortal World. The saints want to kill a scumbag in the Great Desolate Immortal World. Saints can be killed in chaos. The Nine Nether Supreme wants to kill a scumbag world master. Do you think the Nine Nether Supreme comes to kill him? 】

Su Chen looked at Simmons with a dark face.

He understood.

The Nine Nether Supreme could kill Simmons in the Nine Netherworld. The Nine Nether Supreme did not need to come to the Ice and Snow Realm in person.

Damn, it was too scary.

The Nine Netherworld and the Nine Netherworld were different. The distance between the ice and snow realms is probably wider than the Great Chaos World.

Su Chen finally understood the horror of Hongmeng Supreme. He would not dare to offend Hongmeng Supreme even if he was beaten to death.

However,

Su Chen still couldn't figure it out, why did Jiuyou Supreme kill Simmons? Did Simmons also offend Jiuyou Supreme?

Su Chen thought that Jiuyou Supreme had killed Simmons, would Jiuyou Supreme kill him as well? escape?

Su Chen shook his head helplessly.

He had nowhere to escape.

I am afraid that before Su Chen escaped from the Ice and Snow Territory,

Jiuyou Supreme would kill him.

Even if Su Chen escaped from the Ice and Snow Territory, Jiuyou Supreme would probably kill him with just one thought. find him. boom!

"No~"

Simmons's body was suddenly suppressed and exploded, and his spirit was turned into dust.

At this moment,

Su Chen looked into the sky and waited for the Nine Nether Supreme to deal with him. It felt really uncomfortable to wait for death.

In the Nine Netherworld, the Nine Nether Supreme saw Su Chen's pale face and said, "Little scumbag, ten bottles of Hongmeng spiritual liquid, and let your sister Su Nannan join the Nine Netherworld. I can forgive you for using me."

Interesting, little scumbag is actually scared?

Has little scumbag ever heard of her name?

Supreme Jiuyou touched his fair chin and felt something was wrong.

A scumbag Territory Lord.

Little scumbag was promoted to the realm of Territory Lord a few years ago. , it is impossible for Su Chen to have heard of her name,

Murong Supreme?

Rakshasa Supreme?

Did they tell Xiao Zhazha their names?

In the Ice and Snow Territory,

Su Chen trembled when he heard Jiuyou Supreme's voice transmission,

Shi Hu Hongmeng spirit liquid?

Let Nannan join the Nine Netherworld?

Su Chen looked pale and felt weak. He couldn't let Nannan leave him and join the Nine Netherworld.

Chapter 3046

On the snowy mountain,

Su Chen walked around helplessly.

What should I do?

It's okay for Jiuyou Supreme to want the Hongmeng Spiritual Liquid. Su Chen also guessed that Jiuyou Supreme discovered that he had Hongmeng Spiritual Liquid.

However, why did Jiuyou Supreme want his daughter to join the Nine Netherworld?

Su Chen communicated with the system and asked, "System, do you have any way to deal with Jiuyou Supreme?"

【Ding, no, host, you can use your advantages to deal with Jiuyou Supreme】

"Advantage? System girl, what advantages do I have?"

【Ding, shameless, shameless】

"I gather."

Su Chen's face was so dark that he wanted to strangle the system girl, shameless?

Shameless?

Why is he so shameless?

Does Su Chen dare to be shameless and shameless to Jiuyou Supreme?

If he fools Jiuyou Supreme a little, Jiuyou Supreme will probably "420" will kill him

【Little scumbag, do you want to disobey this Supreme Being? 】

Su Chen heard the message from Jiuyou Supreme and said, "Jiuyou Supreme, I....."

【Little scumbag, you have to call me the Supreme Lord. 】

Damn it,

Your Majesty?

Su Chen arrives at JiuyouVery speechless, is there any difference between Jiuyou Supreme and Supreme Lord?

"Lord Supreme, my sister is just an ordinary creature and a little scumbag. My sister is not worthy to be the subordinate of Lord Supreme. Lord Supreme should find another talented subordinate."

【Little scum, this Supreme Being is informing you, not asking for your opinion. If you dare to disobey this Supreme Being, I will destroy you to ashes.】

"Your Majesty, I can pay you twenty pots of Hongmeng Spiritual Liquid. I hope that Your Majesty will let my sister go."

【no. 】

Su Chen said with a serious face,

"Thirty pots of Hongmeng spirit, Your Majesty, I will not separate from my sister. If you don't agree, my sister and I will explode ourselves, and you won't get a pot of Hongmeng spirit liquid."

In the Jiuyou underworld,

Jiuyou Supreme touched her fair chin and stood up. She stretched out her seductive body and found it funny.

Thirty bottles of Hongmeng spiritual liquid?

Little Zhazha is really rich.

As a Hongmeng Supreme, she is not as rich as Su Chen. Some Hongmeng Supremes may not even have a pot of Hongmeng Spiritual Liquid.

However,

Xiaozhaozha refused to let Su Nannan join the Nine Netherworld. The

Nine Nether Supremes felt that if Su Chen was forced to continue, Su Chen might be forced to self-destruct by her.

What should I do? What to do?

If Jiuyou Supreme takes action against Su Chen, it would be impossible for Su Chen to self-destruct.

But Su Chen is too weird.

There are also Su Chen's sister and subordinates.

Jiuyou Supreme has checked many times and found no existence, so she can't Find out those subordinates of Su Nannan and Su Chen.

Jiuyou Supreme thought for a while and said,

"Little scumbag, this Supreme Being wants to accept your sister as a disciple. You must know that this Supreme Being is one of the three most powerful Supreme Beings in Hongmeng World. No one in the entire Hongmeng Great World can defeat this Supreme Being."

Su Chen curled his lips and did not answer.

Jiuyou Supreme was right, but it doesn't matter whether Jiuyou Supreme is strong or not. Su Chen can't abandon his sister just because Jiuyou Supreme is powerful.

How to dispel Jiuyou Supreme's thoughts? ?

Thirty bottles of Hongmeng spiritual liquid?

Damn it,

Su Chen felt very distressed just thinking about it.

He got more than a hundred bottles of Hongmeng spiritual liquid in the Hengduan Mountains.

The girl in the system blackmailed fifty-four bottles.

Su Chen gave Nannan and Nie Xiaoqian a few more. Each woman had a pot, and each of his beauties also shared a pot.

Su Chen had fifty-three pots of Hongmeng spiritual liquid, and now only forty-one pots were left.

This time, he wanted to give thirty pots to Jiuyou Supreme, and he had only thirty pots left. After playing eleven pots,

Su Chen felt very angry just thinking about it.

【Ding, host, a Hongmeng Supreme is coming. He will arrive at the Snow Mountain in ten breaths.】

Su Chen was surprised and asked hurriedly, "Let me guess, system, which Hongmeng Supreme is coming?"

【The Supreme of the Sea! 】

Damn it!

Did Su Chen stir up a hornet's nest?

He first destroyed the Heavenly Demon Territory Lord of the Sea Territory.

The Simons Territory Lord of the Sea Territory just came to seek revenge. The Nine Nether Supreme suppressed and killed the Simons Territory Lord.

Now, the Sea

Territory Supreme has arrived in person. Is the Hongmeng Supreme Lord so idle?

Su Chen was just a scumbag Territory Lord. He couldn't understand why the Nine Nether Supreme and the Sea Territory Supreme were looking for him.

Su Chen hurriedly said to Jiuyou Supreme, "Supreme Lord, can I think about it for a while?"

【Little scumbag, you don't have time to think about it. You either agree or refuse.】

"If I refuse, can the Supreme Lord let me go?"

【What do you think? 】

Su Chen curled his lips and was too lazy to say anything.

He was going to run away. []

No,

Su Chen wanted to go back to the Great World of Chaos. He couldn't stay in the Great World of Hongmeng anymore. He wanted to go back to the Great World of Chaos to avoid the limelight.....

【Ding, host, Rakshasa Supreme intercepted Sea Territory Supreme. 】

Let me go, another Hongmeng Supreme,

Rakshasa Supreme?

Su Chen rubbed his aching head.

The Rakshasa Supreme also came to the Ice and Snow Territory. Did the Rakshasa Supreme come to the Ice and Snow Territory only after discovering the Sea Territory Supreme?

Su Chen frowned and asked, "System, if I teleport back to the Chaos World, will the three Hongmeng Supremes discover the existence of the Chaos World?"

【Ding, no, the teleportation talisman comes from the system, and the host is teleported back to the chaotic world, and Hongmeng Supreme cannot discover the existence of the chaotic world. 】

Su Chen breathed a sigh of relief.

The system was indeed a system, and it was so awesome.

At this moment,

Jiuyou Supreme held a Jiuyou flower and felt funny.

Sea Territory Supreme and Rakshasa Supreme also appeared in the Ice and Snow Territory. They may have come for Su Chen.

Sea Territory Supreme was for the death of his subordinate Realm Master,

Rakshasa. Where is the Supreme?

Didn't the Rakshasa Supreme give up on the little scumbag?

Jiuyou Supreme smelled Jiuyou Flower and whispered, "Would you like to go there in person?"

"My lord, the succubus wishes to see you."

At this time, outside the palace,

2.8 Succubus respectfully reported to Jiuyou Supreme in the palace.

Jiuyou Supreme waved his hand and brought Succubus to him and asked, "Succubus, what can I do for you?"

The succubus hurriedly replied, "Sir, I want to go to Hongmeng World to find a human being, and I also ask for permission from the Supreme Lord."

"Succubus, you don't need to go to Hongmeng World. I know the person you are looking for. I will ask Su Chen to come to the Nine Netherworld to meet you."

"Sir, did you find out where Su Chen is?"

The succubus was very shocked.

How could the Supreme Nine Nether know the existence of Su Chen?

The succubus knew that the Supreme Nine Nether was very powerful and terrifying. She didn't expect that the Supreme Nine Nether would know the Su Chen she missed.

"Succubus, Su Chen is in the Rakshasa Realm at the moment. He has been promoted to the Territory Lord Realm in just a few decades. If you don't practice hard, the gap between you and Su Chen's cultivation realm will become wider and wider."

Chapter 3047

Jiuyou Supreme was very speechless towards Succubus.

Succubus' cultivation talent was pretty good, but compared with Su Chen, it was incomparable.

Succubus had practiced for hundreds of thousands of years before he could reach the Domain Lord realm.

What about Su Chen?

Xiao Zhazha has been promoted to the Territory Lord Realm in just a few decades, and has not yet received any help from the powerful or training resources.

Jiuyou Supreme is very curious about Su Chen.

In the great world of Hongmeng, there is no living being who has been promoted to the Territory Lord Realm in just a few decades. Able to advance to several major realms, Su Chen's appearance broke the record for the fastest advancement in Hongmeng World.

Su Chen also has the Hongmeng Spiritual Liquid that makes even Hongmeng Supreme jealous.

All this shows that Su Chen has a secret, and the little scumbag has a huge secret.

"What? How can it be? It has only been a few decades since Su Chen came to Hongmeng World. How could he be promoted to the Territory Lord Realm so quickly?"

The succubus is very confused.

How could Su Chen be promoted to the domain lord realm?

The succubus has been practicing for hundreds of thousands of years before he was promoted to the domain lord realm. Even if Su Chen takes pills every day, it is impossible to advance so fast.

Jiuyou Supreme versus Mei Mo said, "Succubus, Su Chen has really advanced to the domain lord realm."

The succubus slapped her forehead and shouted, "Oh my god, does that bastard want to go to heaven? How could he advance so quickly?"

The succubus felt that she was going to die.

She originally wanted to catch Su Chen for revenge.

She wanted to let Su Chen have a taste of being a slave.

But Su Chen advanced to the realm of the domain lord.

Although the succubus was also in the realm of the domain lord, she was not sure about how to fight. He can beat that bastard.

When Su Chen was in the Immortal Realm, he could fool several immortals around. It is impossible for Succubus to play with that shameless bastard.

Jiuyou Supreme narrowed his eyes and said, "Succubus, continue to retreat, I will give you With a pot of Hongmeng spiritual liquid, you will strive to advance to the Realm Lord Realm within the next year."

The succubus hurriedly shook her head and refused, "Hongmeng spiritual liquid? My lord, the Grandmist Spiritual Liquid is very precious. You also need it for your cultivation. I still don't want to waste your Grandmist Spiritual Liquid."

"Succubus, don't worry, I have a lot of Primordial Spiritual Liquid, and sharing a pot of it with you is nothing."

The corners of the Jiuyou Supreme's mouth turned up,

Hongmeng Spiritual Liquid?

She can get thirty pots of Hongmeng Spiritual Liquid in one go.

Little Zhazha is really rich.

Jiuyou Supreme only has more than one pot of Hongmeng Spiritual Liquid. She guessed that Su Chen might be more than thirty Pot of Hongmeng Spiritual Liquid.

If there is a chance in the future,

Jiuyou Supreme wants to rob Su Chen's Hongmeng Spiritual Liquid. The succubus looked at Jiuyou Supreme and asked expectantly, "Thank you, sir. Can I see Su Chen before retreating?"

"Succubus, I know what you are thinking. Your current cultivation level cannot beat Su Chen. Thousands of years will pass quickly. As long as you advance to the Realm Lord realm, I will not stop you from finding Su Chen."

"I understand, my lord."

"Go to retreat"

"Yes, my lord!"

The succubus had no choice but to leave Jiuyou Supreme's palace.

A thousand years?

She has to wait a thousand years before she can see that bastard.

The succubus did not dare to disobey Jiuyou Supreme.

She was worried that if she accidentally angered Jiuyou Supreme, he would crush him to death. That bastard Su Chen.

In the ice and snow field, on the snowy mountain,

Su Chen sat down and drank a small drink.

He was not worried about the threat of Jiuyou Supreme.

It was really not possible.

Su Chen would use the teleportation talisman to instantly return to the chaotic world. Jiuyou Supreme thought I can't even find him

"Huh? Rakshasa Supreme and Sea Territory Supreme didn't fight?"

Su Chen felt something was wrong.

The Rakshasa Supreme intercepted the Sea Territory Supreme. Why didn't the two Hongmeng Supremes fight?

There was no shaking in the Ice and Snow Territory, and no terrifying aura broke out.

Why didn't the Rakshasa Supreme and the Sea Territory Supreme fight?

【Little Zhazha, do you agree or disagree? 】

Su Chen curled his lips when he heard Jiuyou Supreme's voice transmission, agreed?

He agreed.

If Jiuyou Supreme only wanted the Hongmeng spiritual liquid, Su Chen would give it to Jiuyou Supreme without hesitation.

But it is impossible to want his sister.

Su Chen will not let his daughter be taken away by Jiuyou Supreme.

Jiuyou Supreme is the Hongmeng Supreme of Jiuyou underworld.

Su Chen is worried that Jiuyou Supreme is an evil supreme. He is also worried that Jiuyou Supreme will Do something bad to your daughter. brainwashing?

Seize the body?

Demonized?

Even turning Nannan into a puppet may happen.

"Jiuyouzhi....Ahem, Your Majesty, I disagree. My sister will not join the Nine Netherworld. I can give you the Hongmeng spiritual liquid, but my sister will not go to the Nine Netherworld."

【Little scumbag, do you want to be wiped out by me? 】

Su Chen rubbed his chin and said nonsense,

"Lord Supreme, I know a few Hongmeng Supremes, and I also know the Light Supreme. You are very powerful and terrifying, but the Light Supreme is also one of the three most powerful Supremes, plus a few Hongmeng Supremes. You don't want to be surrounded by many Supremes, right?"

Su Chen wanted to scare Jiuyou Supreme. []

If he could scare Jiuyou Supreme, he wouldn't have to flee back to the world of chaos.

If he couldn't scare Jiuyou Supreme, Su Chen could only flee back to the world of chaos in despair.

As for the Supreme Light?

When Su Chen heard Murong Qingcheng say the word "Guangming" while climbing the ladder to heaven, he guessed that "Guang Guang" should mean the Supreme Supreme Light. Su Chen also had the Supreme Armor of Light in the system space.

【Little scumbag, do you really want to die, Supreme Light? Do you think this Supreme Being will believe it? 】

Su Chen smiled and said, "Don't believe it? Lord Supreme, I have the Light Armor of the Light Supreme. Do you want to see it?" The Light Armor is a hot potato.

Su Chen plans to give the Light Armor to Jiuyou Supreme.

As for whether Jiuyou Supreme would betray him, he didn't care at all.

Su Chen was just a scumbag in the Territory Lord Realm. The Supreme Lord of Light would not think that he had the ability to obtain the Light Armor.

【Little scumbag, give me the armor of the Supreme Light.】

"good!"

Su Chen wrapped the light armor with the law of space and held it in his hand. (Noha)

He can't be tainted with the breath of the light armor.

As long as Jiuyou Supreme takes away the light armor,

Su Chen will not admit that he has owned the light. War Armor, it's impossible for the Supreme Lord of Light to check his memory. The system girl won't let anyone check his memory.

Whoosh!

The Light War Armor in Su Chen's hand disappeared instantly.

Damn, it's so scary.

Hongmeng Supreme's It was so powerful that his heart nearly jumped out of his chest.

The light armor disappeared instantly, without any space fluctuations or breath.

The Nine Nether Supreme was so powerful that it made people very scared.

What's more, the Nine Nether Supreme was still in the Nine Nether Underworld, so she could absorb it silently. Wearing the light armor, if Jiuyou Supreme wants to kill him,

Su Chen will never know who killed him until his death.

【Ding, host, you started seeking death again. When the system encounters you, a host who keeps seeking death, the system is speechless to you.】

Chapter 3048

Su Chen was stunned when he heard what the system said.

What did the system girl mean? seek death?

Why did he commit suicide?

Su Chen has a system~ Xiaoniu's teleportation talisman.

If Jiuyou Supreme insists on taking away his daughter, Su Chen can use the teleportation talisman to return to the chaotic world.

Is he seeking death by doing this?

"Girl, why did I commit suicide? Can you explain it clearly to me?"

【Host, you are an idiot, the light armor of the Supreme Light, how can you be exposed? Hongmeng Supreme can go back in time. Do you think the Supreme of Light will find out that you have owned the Light Armor? Aren't you seeking death? 】

I'm going to go back in time?

Can the Light Supreme see that the Light Armor is in his hand?

Damn it,

Su Chen is really seeking death.

Jiuyou Supreme has not been dealt with yet, and he is going to offend the Light Supreme again.

Can Su Chen still stay in Hongmeng World?

He had offended two Hongmeng Supremes in just a few decades. Would Su Chen still dare to return to the Hongmeng World after escaping?

At this moment, in Jiuyou Underworld,

Jiuyou Supreme looked at the light war in his hand. I am very surprised.

The armor of light is really the armor of the Supreme Light. Does Xiao Zhazha really know the Supreme Light?

The Nine Nether Supreme and the Bright Supreme are mortal enemies.

They are equally powerful and no one can do anything to the other. There has been no major conflict in tens of millions of years.

"Huh? Interestingly, the aura of the Light Armor is blocked by the laws of space. Is Xiaozha afraid that the Light Armor will reveal its aura?"

Jiuyou Supreme found out that the Light Armor was blocking its aura.

She found it funny.

If Su Chen knew the Light Armor, why would he block the Light Armor's aura?

Also, the Light Armor is the personal armor of the Light Supreme, little bitch. How could it be possible to give the Light Armor to a little scumbag?

As the noble and self-loving Light Supreme, it is even more impossible for her to have close contact with any male creature.

The Nine Nether Supreme smiled and said, "Little scumbag, I discovered the big secret, you If you don't give me fifty pots of Hongmeng spiritual fluid, I will inform the Supreme Being of Light that you have defiled the Light Armor."

In the Ice and Snow Territory,

Su Chen's face turned dark when he heard the words of the Supreme Lord Jiuyou.

Blackmail, naked blackmail, fifty bottles of Hongmeng spiritual liquid?

What a heck, even if Su Chen had fifty bottles of Hongmeng spiritual liquid, it would be impossible for him. To Jiuyou Supreme, and also, he defiled the Armor of Light?

Well,

Su Chen just got the Armor of Light, a dead object armor.

How could Su Chen defile it?

Is the Armor of Light an archangel?

Su Chen After thinking for a while, he said, "Supreme Lord, I don't have fifty pots of Hongmeng spiritual liquid.""

【I don't believe it】

"I don't believe it either"

【Little scumbag, don't make me angry】

"Your Majesty, I got a gauze garment. The aura of the gauze garment seems to be the same as yours. Your Majesty, have you ever lost a sexy and transparent black gauze garment?"

Su Chen also risked his life.

Jiuyou Supreme not only blackmailed him for fifty pots of Hongmeng Spiritual Liquid, but also wanted his sister Su Nannan.

It was impossible for Su Chen and Jiuyou Supreme to coexist peacefully.

They were going to break up with Jiuyou Supreme anyway. Jiuyou Supreme's It doesn't matter if the gauze is exposed or not.

Boom!

Suddenly, a breath of terror enveloped Su Chen, and in an instant,

Su Chen disappeared on the Snowy Mountain. In the Nine Nether Underworld, in the gorgeous palace of the Nine Nether Supreme,

Su Chen appeared in the palace and hurriedly held his hand. Holding the teleportation jade talisman, damn, it was too scary.

Su Chen was caught by Jiuyou Supreme without any reaction. He didn't even have time to destroy the teleportation jade talisman.

I looked closer, and

Su Chen saw the woman in black on the high seat. Nosebleeds are coming out.

The woman in black on the high seat is wearing a revealing black gauze dress, and a large area of fair skin is exposed. The delicate face of the devil, the delicate red lips, the sexy and alluring concave and convex curves, are proud and seductive. The mountains,

Especially the deep white ravine on the chest, Su Chen couldn't take his eyes away when he looked at it, boom!

"Little scumbag, do you want to lose your soul?"

Jiuyou Supreme burst out with pressure to suppress Su Chen, a perverted little scumbag.

Jiuyou Supreme did not expect that Su Chen would dare to look at her body. Su Chen still looked at her body with lustful lust.

Also, How could Little Zhazha know about the gauze she lost millions of years ago ? Is her gauze in Xiao Zhazha's hands? Damn it, Jiuyou Supreme thought that her gauze might be defiled by Su Chen, and she was ashamed and angry He couldn't help but want to crush Su Chen to death. Su Chen was suppressed by Jiuyou Supreme and fell to the ground with a black face and shouted, "Supreme Lord, put away your terrifying aura, do you want to burst my oppressive body?"

"

"Hum, little scumbag, hand over my gauze"[]

Jiuyou Supreme frowned and lowered his aura.

It was strange that

Jiuyou Supreme did not find her gauze on Su Chen.

Xiao Zhazha was very strange.

The gauze had her aura.

Jiuyou Supreme revealed her aura.

Her Shayi will come automatically as long as it senses the breath. Jiuyou Supreme checked many times but did not find the existence of Shayi. How did Xiao Zhazha hide her Shayi?

And Su Chen's sister and subordinates, where did Su Chen hide them?

Jiuyou Supreme clearly saw them entering Su Chen's body, why couldn't she find their existence?

Su Chen stood up and said with a serious face, "Sir Supreme, I can return your gauze, but you are not allowed to take my sister."

Supreme Jiuyou asked coldly, "Little scumbag, do you dare to negotiate terms with me?"

Su Chen curled his lips and said indifferently, "Don't scare me, I'm not scared. Jiuyou Supreme, if I don't hand over your gauze, you will never find your gauze."

Jiuyou Supreme is cunning. He showed a smile and said, "I can give up your sister and hand over my gauze.""

"real?"

"real!"

Su Chen coughed with bright eyes,

"Cough~, Jiuyou Supreme, I don't have thirty pots of Hongmeng spiritual liquid, I only have three pots of Hongmeng spiritual liquid. Will I repay the remaining Hongmeng spiritual liquid in the future? May I?"

Jiuyou Supreme heard Su Chen's shameless words, and her chest was about to burst with anger.

Jiuyou Supreme asked for fifty pots of Hongmeng spiritual fluid, and

Su Chen said thirty pots.

Now?

Xiao Zhazha actually wants to give it to her. Three pots of Hongmeng spiritual liquid,

"Little scum, you can't miss even one of the fifty pots of Hongmeng spiritual liquid. If you don't take it out, I will imprison you in the palace. You will be imprisoned in the palace for the rest of your life."

Chapter 3049

Su Chen didn't pay attention to Jiuyou Supreme's words. Did Jiuyou Supreme want to imprison him in the palace? is it possible?

As long as Su Chen uses the system to transfer the jade talisman, he will instantly return to the chaotic world

"Jiuyou Supreme, return the light armor to me."

Su Chen suddenly thought of the Bright Armor.

He was worried that the Nine Nether Supreme would give the Bright Armor to the Bright Supreme.

Su Chen didn't want to provoke another terrifying Hongmeng Supreme. He wanted to get the Bright Armor back quickly.

The Nine Nether Supreme snorted coldly. , "Huh, you're dreaming"

"Don't want your gauze?"

"Little scumbag, I can't stand your arrogance anymore. If you want to die, I will destroy you even if I don't want the Hongmeng spiritual liquid."

Su Chen curled his lips and said disdainfully, "Really? I don't believe, Jiuyou Supreme, you can destroy me now, and I won't resist."

Jiuyou Supreme doesn't want Hongmeng Spiritual Liquid?

Is it possible?

Hongmeng Spiritual Liquid is even jealous of Hongmeng Supreme.

Su Chen has dozens of bottles of Hongmeng Spiritual Liquid in his hand. He doesn't believe that Jiuyou Supreme doesn't covet it.

"you....."

Jiuyouzhi 23rd was so angry that her chest was about to explode.

She had never been so angry in all these years.

Even that little bitch of the Supreme Lord of Light had never made her so angry.

A scumbag cannot be a scumbag. Little bastard,

Su Chen actually made her angry again and again.

Jiuyou Supreme could not kill the daring little scumbag, so she felt angry and helpless towards Su Chen.

Su Chen stretched out his hand and said with a smile, "Give me the light armor?"

Jiuyou Supreme's chest was rising and falling with anger. She could not find out where the Hongmeng spiritual liquid was hidden by Su Chen, nor could she check

Su Chen's memory.

Zha Zha is too weird.

As the Hongmeng Supreme, Jiuyou Supreme can't find any information about Xiao Zhazha.

Jiuyou Supreme can't see the big world where Su Chen is. She wants to threaten someone who Su Chen has no threat to.

Damn it,

Su Chen is sure to kill her.

The Hongmeng Spiritual Liquid is crucial to the cultivation of the Hongmeng Supreme.

If the Nine Nether Supreme does not have a large amount of the Hongmeng Spiritual Liquid, she will not kill the arrogant and hateful little scumbag.

"Jiuyou Supreme, will you give it to me?"

Su Chen felt his mouth go dry as he looked at Jiuyou Supreme's seductive body.

It was so tempting.

Jiuyou Supreme's alluring body made him want to go crazy.

Especially Jiuyou Supreme was wearing a revealing black gauze dress, looming. The seductive curves are even more alluring.

Jiuyou Supreme held his fist and said coldly, "Little scumbag, you give me the gauze first, and then I will give you the light armor.""

"dream!"

"you wanna die!"

Boom!

Jiuyou Supreme suppressed Su Chen in an instant.

Although she would not kill the hateful Su Chen, she would make Su Chen's life worse than death.

Boom!

Su Chen was suppressed and lay down to gather mana to prepare for self-destruction.

It was impossible for him to self-destruct.

Su Chen was just trying to scare Jiuyou Supreme.

Jiuyou Supreme did not get his Hongmeng spiritual liquid, and the seductive beauty would not let him blow himself up and fall.

"Jiuyou Supreme, put away your pressure, otherwise I will self-destruct"

"Damn it, it's hard for you to blow yourself up in front of me"

"Yeah? Jiuyou Supreme, you may prevent me from self-destructing, but if you piss me off, I will perish. Don't even think about getting a drop of Hongmeng spiritual liquid."

"Damn little scumbag, I'll give you the light armor."

Jiuyou Supreme had no choice but to put away her pressure and compromised.

She took out the light armor and threw it to Su Chen.

Su Chen kept threatening her with Hongmeng spiritual liquid.

She still couldn't find where the Hongmeng spiritual liquid was hidden. Jiuyou The Supreme had to compromise with Su Chen for Hongmeng Spiritual Liquid

"good!"

Su Chen put away the light war and smiled,

"Damn it,

It feels so good to threaten Hongmeng Supreme. Su Chen thought that if Jiuyou Supreme was forced to take off his black veil, Jiuyou I wonder if the Netherworld Supreme Lord will take off his black gauze for the Hongmeng spiritual liquid?

Su Chen did not dare to seek death.

He was worried that he would offend the Nine Nether Supreme Being. The Nine Nether Supreme Lord might kill him without the Hongmeng spiritual liquid.

The Nine Nether Supreme Lord was cold and cold. Staring at Su Chen, he shouted, "Little Zhazha, give me back my gauze.""

"Ahem, Jiuyou Supreme, actually I didn't get your gauze, I was talking nonsense before"

"Little scumbag, how dare you fool me? Return my gauze quickly!"

Su Chen said nonsense without blinking,

"Really, I didn't get your gauze, Jiuyou Supreme, think about it, if I got your gauze, would I dare not let you go? Shayi is of no use to me at all, I won't lie to you."

Su Chen doesn't want to return Jiuyou Supreme's gauze.

He has already grasped Jiuyou Supreme.

As long as he has the Hongmeng spiritual fluid,

Jiuyou Supreme will not kill him. With the sexy transparent gauze, Su Chen can do nothing in the future. Taking it out to appreciate,

Jiuyou Supreme frowned and thought, []

She didn't know if what Su Chen said was true.

Jiuyou Supreme couldn't check Xiao Yu's memory, and he didn't know the approximate time when he could go back in time.

However, her The gauze clothes were of no use to Su Chen, unless this bastard used her gauze clothes to do some dirty things.

Jiuyou Supreme said coldly to Su Chen,"Little scumbag, you just deceived me. Hongmeng Spiritual Liquid wants to Give me sixty pots."

Su Chen sat on the seat next to him and said,"Sixty pots? Yes, Jiuyou Supreme, you can ask for a thousand pots of Hongmeng spiritual liquid, but I can only give you one pot of Hongmeng spiritual liquid every thousand years."

"Um?"

Jiuyou Supreme was very surprised.

How much Hongmeng spiritual liquid does the little scumbag have?

A thousand pots? 837

Are you talking nonsense?

How can the little scumbag have a thousand pots of the Hongmeng spiritual liquid?

Su Chen touched his chin and thought for a while and said,

"Jiuyou Supreme, a thousand years is just a nap for you. There is no need for me to deceive you. In the first thousand years, I can give you ten pots of Hongmeng spiritual liquid, and then give you one pot of Hongmeng spiritual liquid every thousand years."

Jiuyou Supreme asked in confusion, "Little Zhazha, why don't you give me sixty pots of Hongmeng spiritual liquid at one time?"

Su Chen curled his lips and mocked, "Am I a fool? If I give you sixty bottles of Hongmeng spiritual liquid at one time, you will probably kill me after you get the Hongmeng spiritual liquid."

"Humph, you cunning little scumbag, I agree. Give me ten pots of Hongmeng spiritual liquid first."

Jiuyou Supreme thought for a while and agreed.

A thousand years is very short for her.

Jiuyou Supreme can get a pot of Hongmeng spiritual liquid in a thousand years, which is much more cost-effective than her getting sixty bottles of Hongmeng at one time.

"for you!"

Su Chen took out ten pots of Hongmeng Spiritual Liquid from the system space.

He took out one pot at a time and placed it on the table.

Su Chen wanted Jiuyou Supreme to check where the Hongmeng Spiritual Liquid was hidden. The system space was produced by the system. Jiuyou Supreme It was impossible to detect the existence of the system space.

Su Chen crossed his arms and asked, "Jiuyou Supreme, have you found where the Hongmeng spiritual liquid is hidden in my body?"

"Damn little scumbag"

Chapter 3050

Jiuyou Supreme was very angry.

Su Chen was obviously mocking her.

She had no way to deal with Su Chen.

Just now, when Su Chen took out the Hongmeng spiritual liquid pot by pot,

Jiuyou Supreme looked at Su Chen with his soul, but She still didn't find out how Xiao Zhazha took out the Hongmeng spiritual liquid.

Jiuyou Supreme waved his hand and put away the Hongmeng spiritual liquid and said coldly, "Little scumbag, let go of my subordinate Amelia."

Su Chen shook his head and refused,

"Don't let go."

Jiuyou Supreme bit his silver teeth and threatened,

"Little scumbag, although I won't kill you, if you dare to disobey me again, I will beat you up."

Su Chen hurriedly poured the wine to Jiuyou Supreme and said, "Jiuyou Supreme, you see I am just a scumbag Territory Lord, and Amelia is a powerful Realm Lord Realm. You might as well let Amelia protect me for thousands of years."

"you dream"

"A pot of Hongmeng spirit liquid"

"I agree, now give me Hongmeng Spiritual Liquid"

"I go!"

Su Chen looked at the Nine Nether Supreme in confusion.

Is this the Nine Nether Supreme?

Damn it, is the Nine Nether Supreme shameless for the Hongmeng spiritual liquid?

A pot of Hongmeng is exchanged for a thousand years of protection by a powerful person in the Realm Lord Realm.

Is he making a profit?

Or is it ? Compensate?

However,

Amelia has a very good figure, with alluring curves, fair and proud mountains, a stunning face, a sexy waist that is full of 657, and seductive flaming red lips, Su Chen It's great to enjoy without anything else

"Little scumbag, give me the Hongmeng spiritual fluid quickly."

Jiuyou Supreme stared at Su Chen, damn bastard.

If Jiuyou Supreme Tao wipes out Su Chen's Hongmeng spiritual liquid, she will ruthlessly torture Su Chen to death in the most cruel way.

Su Chen stretched out his hand and said, "You Give me a token and I will give you Hongmeng Spiritual Liquid."

Jiuyou Supreme took out a token and threw it to Su Chen and said,

"for you"

"good."

Su Chen looked at the Jiuyou Token and put it away. He took out a pot of Hongmeng Spiritual Liquid and put it on the table.

This time it was very cost-effective.

With the Jiuyou Supreme Token, Su Chen could travel in the Hongmeng World. When he encounters a powerful enemy,

Su Chen only needs to take out Jiuyou Supreme's token. He believes that no one below the Hongmeng Supreme will dare to offend him, and some Hongmeng Supreme may not dare to offend him.

"Dear Supreme Lord, you can send me back to the ice and snow realm."

"Disgusting little scumbag, get out of here."

Jiuyou Supreme heard Su Chen's disgusting words, and she had goosebumps (cdfa) all over her body, dear?

You are a little scumbag looking for death.

Jiuyou Supreme kicked Su Chen away in an instant. She saw that Su Chen couldn't bear it. She wanted to squeeze him to death.

Jiuyou Supreme was angry and happy today.

Angry because she had no way to deal with Su Chen, and she was eaten to death by the little scumbag. She was happy that

Jiuyou Supreme would not have to use it in the future. She doesn't have to worry about the Hongmeng Spiritual Liquid, and she doesn't have to risk going to the Hongmeng Storm to look for the Hongmeng Spiritual Liquid.

"I'll do it!"

Su Chen appeared dizzy on the Snowy Mountain. He clutched his stomach and vomited blood and fell to the ground.

Damn, it's so abominable.

The Nine Nether Supreme Lord was obviously retaliating against him.

Su Chen wiped the blood from his mouth and looked at the big In the Snow Mountain,

Bing Ji and Xue Ji are still cultivating in Bing Xin, and there are no powerful enemies around the Snow Mountain.

Su Chen touched his chin and guessed,

"The Sea Territory Supreme and the Rakshasa Supreme did not fight, they should have gone back to their respective homes."

More than a hundred years later,

Su Chen stayed in the Daxue Mountain to practice.

Bing Ji and Xue Ji never left seclusion. There was no way he could leave Bing Ji and Xue Ji behind. Leave.

Su Chen's five laws of chaos, the law of space, successfully advanced to the law of Hongmeng.

The law of time and the law of space and time are about to be introduced. The law of fire and the law of light have not yet been figured out.

Su Chen leaned on the soft couch and whispered, "Time is really worthless. , it was just a retreat, and more than a hundred years passed in a flash."

Well,

Su Chen suddenly thought of the archangel and the female zombie. They should be with Emilia, the lord of the ice and snow domain.

However, why is there no aura of the archangel and the female zombie in the ice and snow domain?

The archangel and the female zombie did not die. Did they go back to the Far North to find him?

After Bing Ji and Xue Ji left seclusion, they went to the Far North.

Su Chen had not seen Mia and the Archangels for more than a hundred years, and he also had feelings for the sexy and attractive women. miss so much[]

Jing Salamander said with an angry expression on his cold face,

"I'm going to beat Su Yan hard when she comes back. She is the Emperor of Xuantian Realm. She said it would be fun for a few years. More than a hundred years have passed and she still hasn't come back with her three younger sisters. The little girl is already over a hundred years old. Why are you still acting like a child?"

Concubine Yan smiled and said, "Forget it, the children have grown up, we don't need to worry about them anymore.""

Empress Nuwa stood up and stretched her perfect figure and said,

"The four Yan'er sisters have good cultivation talents, and Yan'er should be promoted to Hunyuan Daluo Golden Immortal."

Jing Salamander asked hurriedly,

"Sister Nuwa, you are now at the 11th level of the Holy Realm. Can you advance to the 12th level of the Holy Realm in a thousand years?"

Nuwa Empress smiled and replied, "I have the source of heaven left by my husband. I should be able to advance within a thousand years. The Ice and Snow Demon God can advance to the twelfth level of the holy realm in less than a thousand years."

Concubine Yan said while drinking tea,

"Sister Bingxue is still in retreat. She probably wants to go to Hongmeng World to find a husband as soon as possible."

Jing Salamander said with eyes full of longing,

"Yes, it has been almost two hundred years since my husband left. We don't know when we can see each other again."

Empress Nuwa, Concubine Yan, Jing Salamander, and the other girls practicing in seclusion, all of them miss Su Chen very much.

Hongmeng World is very scary and dangerous.

Has Su Chen encountered any threats in Hongmeng World? Su Chen is in Hongmeng World. How is the world going like this?

They don't even know.

Boom!

Suddenly, the Avenue of Chaos descended on Merlot Heaven.

The immortals and saints in Merlot Heaven didn't pay attention. Over the past two hundred years, the Avenue of Chaos descended several times.

All the immortals and The Holy Land is used to the arrival of the Avenue of Chaos
