Chapter 3051

Concubine Yan, Jing Salamander, and Empress Nuwa were very shocked.

There was news about Su Chen on Chaos Avenue.

What did Chaos Avenue want from them? Do they have the ability to help Chaos Avenue?

After Concubine Yan and the three girls looked at each other,

Concubine Yan asked Dao Chaos, "Da Dao, do you have any news about our husband?"

【Yes, Su Chen is doing quite well in Hongmeng World】

【He advanced to the cultivation realm of Domain Lord Realm. Not only did Su Chen cover the sky in the realm of Rakshasa Supreme, Su Chen also knew Jiuyou Supreme, one of the three supremes of Hongmeng World. 】

Concubine Yan, Jing Salamander, and Nuwa Empress are very confused.

Su Chen is promoted to the Territory Lord Realm?

They heard from Dao Dao of Chaos about the cultivation realm of Hongmeng World.

The Holy Realm is the lowest cultivation realm in Hongmeng Great World.

Above the Holy Realm, there are Emperor Realm, Dao Realm, Territory Lord Realm, and Realm Lord Realm "five-four-seven". Finally, there is Hongmeng Supreme. Each realm has twelve small realms.

In just two hundred years, even if Su Chen took pills every day, he would not be able to advance to three major realms and thirty-six small realms in two hundred years.

How could Su Chen be promoted to the Territory Lord Realm so quickly?

Empress Nuwa frowned and asked, "Dao Dao, how do you know this news? Have you gone to Hongmeng World?"

【Su Chen has my jade talisman in his hand. I can know some things about Su Chen through the jade talisman. 】

The three concubines of Yan shook their heads speechlessly, they were another peeping tom.

Su Chen said before that Murong Qingcheng had been peeping at her.

Murong Qingcheng was not only the Holy Soul of the Ladder, but also the Hongmeng Supreme. Su Chen could not hide Murong Qingcheng's peeping. ,

What now?

Avenue of Chaos was peeping at Su Chen again.

Fortunately, Avenue of Chaos was a woman's voice.

If Avenue of Chaos had been a man's voice,

Su Chen would have destroyed Avenue of Chaos and robbed the origin of Avenue of Chaos when he became stronger.

Concubine Yan asked puzzledly,

"Dao Dao, you said that our husband covers the sky in the realm of the Rakshasa Supreme with one hand. My husband is only in the Domain Lord realm. How can he cover the sky in the realm of the Rakshasa Supreme with one hand?"

【Su Chen had a woman who was the Realm Master under the Supreme Rakshasa. The Supreme Rakshasa met Su Chen secretly and defended Su Chen several times. For Su Chen, the Supreme Rakshasa even executed a Realm Master. 】

When Chaos Avenue found out about Su Chen through the jade talisman, the world of Chaos almost shook.

Su Chen was even better than she imagined.

In less than two hundred years,

Su Chen not only advanced to the domain lord realm, but Su Chen also Rakshasa Supreme and Jiuyou Supreme were related.

In order to save Su Chen, Rakshasa Supreme used Hongmeng spiritual liquid to let Jiuyou Supreme let Su Chen go.

Rakshasa Supreme also ordered all living beings in the Rakshasa realm to see each other. When Su Chen saw her, all creatures and powerful people must obey Su Chen's orders, as well as Jiuyou Supreme.

Su Chen actually threatened Jiuyou Supreme and even ate him to death.

Jiuyou Supreme was against Su Chen was so angry that he could do nothing.

Chaos Avenue guessed that Su Chen would take down the Nine Nether Supreme. After all, Su Chen was the nemesis of all female creatures.

At this moment,

Concubine Yan, Jing Salad, and Empress Nuwa all understood that

Su Chen had mastered the strong women, and Su Chen was able to dominate the realm of Rakshasa Supreme.

The three Concubines Yan had nothing to say about Su Chen's ability to pick up girls. They speculated that the Rakshasa Supreme might also be captured by Su Chen.

Jiuyou Supreme?

Jiuyou Supreme may also be a beautiful and sexy woman, otherwise Su Chen would not have a relationship with the most powerful Jiuyou Supreme.

Empress Nuwa asked Chaos Da Dao, "Da Dao, what do you need us to help you with?"

【Nuwa, I need Hongmeng spiritual liquid. Your husband has a lot of Hongmeng spiritual liquid in his hand. I need three pots of Hongmeng spiritual liquid. 】

Jing Salamander asked in confusion, "Hongmeng Spiritual Liquid? Dao Dao, what is Hongmeng Spiritual Liquid?"

【Hongmeng Spiritual Liquid is like the origin of Heavenly Dao in the Chaos World. In the Hongmeng World, Hongmeng Supremes will be jealous of Hongmeng Spiritual Liquid, and some Hongmeng Supremes do not have Hongmeng Spiritual Liquid. 】

Concubine Yan and the three girls were even more shocked.

They didn't expect that Hongmeng Spiritual Liquid was so precious.

Hongmeng Supreme would be jealous when he saw Hongmeng Spiritual Liquid? Some Hongmeng Supremes don't have Hongmeng Spiritual Liquid yet?

How did Su Chen obtain Hongmeng Spiritual Liquid?

Do their husbands want to defy heaven?

Well!

Su Chen has even killed many of the Heavenly Dao.

That bastard is the most heaven-defying of heaven-defying gods. Now Su Chen wants to defy the heavens of Hongmeng World.

Concubine Yan asked Dao Dao of Chaos, "Dao Dao, did our husband get much Hongmeng spiritual fluid?"

【A lot, a lot. If all the Hongmeng Supreme's Hongmeng spiritual fluid is added up, they are not as much as your husband's.....】

Concubine Yan, Jing salamander, and Nuwa Empress had nothing to say.

Su Chen surprised them again and again, and the treasures Su Chen obtained also shocked them again and again.

They did not expect that Su Chen went to Hongmeng World, and Su Chen also Give them constant shock.

Empress Nuwa: "Our husband is unpredictable."

Concubine Yan: "Haha, sister Nuwa, do you think there will be any danger if we go to Hongmeng World?"

Empress Nuwa: "There will be no danger, Su Chen is here The realm of the Rakshasa Supreme covers the sky with one hand, and he also knows the most powerful Jiuyou Supreme. If we appear in the Rakshasa realm, there will not be any danger."

Concubine Yan and Jingshao nodded.

If they go to Hongmeng University, The world still appears in the Rakshasa Realm.

Because they are Su Chen's wife, no living beings in the Rakshasa Realm dare to take action against them.

Empress Nuwa asked doubtfully,[]

"Da Dao, we can't go to the Hongmeng World, how can we help you ask our husband for the Hongmeng Spiritual Liquid?"

【The avenue will separate a teleportation jade talisman. The jade talisman can send a person to the Hongmeng World, or it can also transport the person back to the Chaos World. 】

Concubine Yan said with a cold face,"Daodao, give us three days, we have to discuss who will go to Hongmeng World"

【Yes, Avenue 2.9 will come again in three days, thank you very much. 】

After Chaos Avenue retired to seclusion,

Concubine Yan, Jing Salamander, and Empress Nuwa were all worried.

They could only go to Hongmeng World alone?

By whom?

Su Chen has many women, and it is difficult for the three of them to decide which one will go to Hongmeng World.

Jing Salamander:"What should we do?"

Concubine Yan:"Gather all the women of your husband, let's discuss it together."

Empress Nuwa:"This is the only way, ring the summoning bell, let's all discuss it together."
Concubine

Yan He said happily, "It's a good thing that Su Yan's four sisters are not here, otherwise they would definitely act like a coquettish girl and go to Hongmeng World."

Jing salamander nodded and said, "Yes, if Yan'er is willing to....."

"Xuantian Realm, Merlot Heavenly Court, cheers! My Majesty~The Emperor Su Yan is back!".

Chapter 3052

Suddenly, wild shouts came from the Merlot Heavenly Court.

The faces of Concubine Yan, Jing Sala, and Nuwa were all darkened.

Su Yan was back.

They did not expect that Su Yan would come back at this time. Su Yan was still so arrogant. Calling for return

"Welcome the return of the Emperor of Heaven!"

"Welcome the return of the Emperor of Heaven!"

"Welcome the return of the Emperor of Heaven!"

In the Merlot Heavenly Court, all the strong men, immortal armies, and fairies saluted Su Yan in the air.

Heavenly Emperor Su Yan!

The most noble Heavenly Emperor in the Xuantian Realm is also a woman who is doted on by all the saints in the Xuantian Realm. He loved Su Yan very much. Even the demons outside the territory respected the Emperor Su Yan. The demons even obeyed the orders of the Emperor Su Yan.

"All free of charge."

Su Yan smiled and waved in the air.

It has been hundreds of years. It has been hundreds of years since Su Yan left Xuantian Realm.

She is also over a hundred years old.

Time flies so fast.

Su Yan misses Mero Heavenly Court very much. She feels even more Missing his father Su Chen.

Whoosh!

Su Yue, Elena, and Su Yao appeared next to Su Yan one after another. They looked at Su Yan and wanted to say something but did not dare to say it.

Earlier, they were playing in a small world. Yan said that they wanted to return to the Xuantian Realm, and the three of them also agreed to return to the Xuantian Realm. 997

The Su Yue sisters had been away from the Xuantian Realm for hundreds of years. They also missed their relatives in the Melo Heavenly Court.

However,

Su Yan did not wait for them to say goodbye to their friends. Let's leave first.

Although the three girls are angry with their eldest sister Su Yan, they don't dare to offend the eldest sister Su Yan who loves to play nonsense.

"Meet the three princesses!"

"Meet the three princesses!"

"Meet the three princesses!"

When the sentient beings in the Melo Heavenly Court saw the three daughters of Su Yue, all the immortals and powerful men saluted and said,

"All free of charge."

Su Yue smiled and waved, and she said to Su Yan, "Sister, do you think we will be punished when we come back? Su

Yan looked at the Merlot Heavenly Court and replied, "No, we are already a hundred years old and are no longer children. Our mother and aunts will not always be in charge of us." Elena said worriedly,

"Not necessarily, eldest sister, our mother and aunts may be very angry if we leave Xuantian Realm for hundreds of years."

Su Yao pulled Su Yan and said worriedly, "Yes, we have been away for too long this time, and the aunts will not let us go."

Su Yan smiled and calmed her sister and said, "Don't worry, as long as I'm here, our aunts won't punish us."

"Su Yan, bring your sisters to the main hall."

Suddenly, the cold voice of Jing Salamander spread throughout the Merlot Heavenly Court.

Su Yan patted his forehead and said speechlessly, "Unlucky, my mother didn't go into seclusion."

"Sister, stop talking, let's go to the Heavenly Emperor's Hall as quickly as possible. I guess my mother is not in retreat either."

"Okay, let's go to the Emperor's Hall."

At this moment,

Jing Sala heard the conversation between Su Yan's four sisters, and she couldn't help but want to beat Su Yan hard.

Su Yan had left with his three sisters for hundreds of years, and she even boasted that she would not be punished.

Su Yan thought Go to heaven?

Concubine Yan reminded with a serious face, "We will let the four sisters of Su Yan go to retreat soon. We must not let the sisters know about the Chaos Avenue people going to Hongmeng World."

Empress Nuwa nodded in agreement and said,

"Yes, if the four Su Yan sisters knew that they could go to Hongmeng World, they would definitely clamor to go to Hongmeng World."

Jing Salamander said with a cold face,

"Seclusion, we must let their sisters go into seclusion. If that doesn't work, we will lock them up first. We must not let them know about going to Hongmeng World."

"Mother, aunt!"

""Auntie,"

Su Yan's four sisters appeared in the hall and saluted and shouted.

Concubine Yan said to Su Yan's four sisters, "Yan'er, you have been playing around with your sisters for hundreds of years, and you have had enough. You are about to be promoted." When you go to the Holy Land, you sisters will go into retreat together to achieve breakthroughs."

Su Yan asked Concubine Yan (cfba) doubtfully, "Auntie, are we sisters going into seclusion now?"

Jing Salamander stroked Su Yan's hair and said, "Yes, you four sisters will go to retreat immediately. Su

Yue: "Mom, we just came back and haven't gone to see my aunt yet. Can we wait for a while before retreating?" Elena

: "Yes, aunt, after we meet my aunt and other aunts, can we go into seclusion again?"

Su Yao: "Auntie, we want to see our aunt. We haven't seen our aunt in a hundred years. My sisters and I should retreat after seeing our aunt." "

Su Yan touched her chin and felt something was wrong.

She found that her mother and aunts were not normal. They seemed to be impatient to send their sisters into seclusion.

Something happened?

That's not right.

In the chaotic world,

Xuantian Realm is the most powerful and terrifying existence. There is no Any realm dares to invade the Xuantian realm.

Dad?

Is there any news about dad?

If there is information about dad, why should Concubine Yan, Empress Nuwa, and her mother hide their sisters? []

Su Yan Sly smiled and asked, "Mother, Aunt Yan Fei, Aunt Nuwa, do you have news about dad? Don't deceive us sisters, I guess you have news about dad."

Su Yue hurriedly pulled Concubine Yan and asked, "What? Any news about dad? Mother, is the eldest sister right? Su

Yao shouted, jumped up and asked, "Wow, there is news about my father. Aunts, why didn't you tell us sisters?"

Elena frowned and looked at Concubine Yan, Jing Sala, and Empress Nuwa. She also felt something was wrong.

If Concubine Yan's three aunts had news about their father, why didn't they tell their sisters?

Unless, unless their father wanted to take care of them. People went to Hongmeng World, but the aunts didn't tell them, and sent their sisters to retreat.

Elena thought about it and asked with a smile,

"Aunts, is our father capable of taking people to Hongmeng World? You ask us sisters to retreat, do you not want us sisters to go to Hongmeng World?"

"Mother, is that so? Is what the mistress said true?"

Su Yue stared at Concubine Yan and noticed something was wrong.

Coupled with Su Yan and Elena's speculation, Su Yue felt that Concubine Yan didn't want them to know something.

Hongmeng World?

Her father Su Chen has the ability to take people to Hongmeng World. ?

If it is true,

Su Yue must go to Hongmeng World to see Su Chen.

She has not seen her father for hundreds of years. Su Yue misses her father Su Chen very much.

Su Yao hurriedly said to the three daughters of Concubine Yan, "Aunts, It's wrong to lie. Are what the sisters are telling the truth? Is my father really capable of taking people to Hongmeng World?".

Chapter 3053

Concubine Yan, Jing salamander, and Nuwa were speechless. The four sisters

Su Yan were too smart and cunning.

They didn't expect that it only took a while for the four sisters Su Yan to guess the general idea.

Empress Nuwa rubbed her forehead and said, "Yan'er, and you little girls, your father is not capable of taking people to Hongmeng World, so you don't need to make random guesses."

Su Yan: "Auntie, I don't believe it."

Su Yan. Yue: "I don't believe it either."

Elena: "Haha~, Auntie, I don't believe it either."

Su Yao: "Auntie, like my sisters, I don't believe it either."

Concubine Yan drank tea and shook her head. , "What your Aunt Nuwa said is true. Your father is unable to take people to Hongmeng World. We did not deceive you sisters."

Su Yue said with a sly smile,

"Mother, since you say this, we sisters believe it for the time being, but we will not be in retreat recently."

Concubine Yan stared at Su Yue and was very speechless.

The four sisters of Su Yue don't retreat?

If they don't retreat, the Avenue of Chaos will come to Merlot Heaven in three days, and the four sisters of Su Yue will still know everything.

Su Yan, Elena, and Su Yao are all exposed Smiling, none of them believed what the three daughters of Concubine Yan said.

As long as they did not retreat, the sisters would find clues and find out whether their father was taking people to the Hongmeng World.

Boom!

The Jing Salamander suddenly burst out with pressure and suppressed the four sisters of Su Yan. , she can't let four lawless little girls suppress their sisters, and then imprison them in solitary confinement.

After three days,

Jing Salamander can release them again

"Mother, what are you going to do?"

"Auntie, do you want to suppress our sisters?"

"Auntie, don't suppress us, we sisters want to see our father"

"Auntie, it's wrong for you to suppress us. We have the right to see our father."

The four sisters of Su Yan were suppressed to the point where they could not move.

Jing salamander is at the fifth level of the holy realm.

They are all scum.

Jing salamander used the pressure of the holy realm to suppress their sisters. They were unable to resist at all.

Jing salamander said with a serious face, "I will suppress you for three days, and you sisters will be released after three days."

Concubine Yan and Empress Nuwa didn't say much.

It was the best decision for Jing Sala to do this.

They imprisoned the three sisters of Su Yan for three days.

Three days later, after Chaos Avenue sent someone to Hongmeng World, the four sisters of Su Yan were released. To no avail.

Frightened Salamander shouted, "You Ruo"

"lady!"

You Ruo suddenly appeared and saluted,

Jing Salamander commanded with a cold face, "You Ruo, imprison the four sisters Su Yan for three days, you shadow assassins will be responsible for their custody."

"Yes, ma'am!"

Su Yan rolled his eyes and shook his head at the three Su Yue girls. She had a way to escape from the custody of the shadow assassins.

Su Yue, Elena, and Su Yao noticed that Su Yan shook his head.

They understood what Su Yan had planned.

The four sisters They have been together for hundreds of years and cooperated very well with each other.

Su Yan is still very smart.

Su Yue and the three girls guessed that Su Yan had some conspiracy and calculations, and there might be a way to help them escape from the shadow assassin's prison. After a while, the shadow assassin took them with him. After the four sisters Su Yan left, the three concubines Yan felt something was wrong. Why didn't the four sisters Su Yan beg for mercy? Nor did they yell?

Empress Nuwa frowned and asked, "Is there any conspiracy by Yan'er? I saw her shaking her head at Su Yue and the other three girls. Concubine Yan said with a smile,

"There must be a conspiracy. They didn't beg for mercy or yell. I guessed that Yan'er had a way to escape from the shadow assassin's custody."

Jing Salamander said worriedly, "It's possible that the Shadow Assassin may not be able to imprison Yan'er."

"what to do? I'm afraid no one in the Merlot Heavenly Court can imprison the sisters."

"If that doesn't work, we will imprison the sisters in Lingbao."

"This is a way to imprison them in the Lingbao. We can take them with us at any time without worrying about them escaping."

"Don't forget, Su Yan's four sisters all have holy jade talismans in their hands. Even if they use the jade talisman, they cannot be imprisoned."

"It's really troublesome that we have four little girls with nothing to do."

Concubine Yan, Jing Salamander, and Empress Nuwa talked for a while. They felt that they could not imprison the four sisters Su Yan.

Concubine Yan stretched her perfect figure and said,"Let's gather the others first. Let's discuss who will go to Hongmeng World."

"good!"

"Can!"

Hongmeng World,

Ice and Snow Territory,

Snowy Mountain.

Su Chen moved Claire from the Ice and Snow Territory. He wanted to ask Emilia if the Territory Lord was in the Northern Snow Territory. He also wanted to know whether the Archangel and the female zombie had returned. Have you left the Far North Territory?

Claire was moved over and saw Su Chen surprised and asked,"Sir, you haven't left the Ice and Snow Territory?"

Su Chen looked at the beautiful and sexy ice elf and said,"No, Claire, is Emilia Territory Lord in the Ice and Snow Territory?"[]

"Sir, after the Territory Lord destroyed the powerful Taoists in the Heavenly Demon Territory, the Territory Lord went to the Far North Territory to look for you."

"Where are the archangel and my maid?"

Claire replied with a strange expression,"The Territory Lord took them to the Far North Territory with him."

Su Chen touched his chin and was very speechless.

Emilia's innocence was ruined by him.

Su Chen guessed that Emilia went to the Far North to settle accounts with him.

"Claire, all the invading armies from the Demon Realm were destroyed?"

Kleiya respectfully replied to Su Chen,

"Sir, the Lord of the Heavenly Demon Territory was beheaded by Your Excellency. The Lord of the Territory also destroyed the Tao realm experts of the Heavenly Demon Territory. The Ice and Snow Territory destroyed the army of the Heavenly Demon Territory more than a hundred years ago. If the Lord of the Territory had not been in the Ice and Snow Territory, the Ice and Snow Territory would have You can conquer the Demon Realm."

Su Chen took a sip of wine and said, "Claire, go back and don't tell Emilia about my news."

"Yes, my lord."

Kleiya glanced at Su Chen and disappeared instantly without telling Emilia Territory Lord?

Is it possible?

More than a hundred years ago, after Emilia Territory Lord returned from the Star Territory,

Claire discovered that Emilia Not being a virgin, she also discovered that Emilia was angrily looking for Suchen. Claire guessed that Emilia and Suchen had a relationship.

In fact,

Claire hoped that Suchen and Emilia Territory Lord would be together. Together, in this way, there will be two Territory Lords in the Ice and Snow Territory.

Su Chen is still the most powerful existence in the Territory Lord Realm, and the Ice and Snow Territory will be the most powerful territory in the Rakshasa Realm in the future.

"Lord Su Chen, don't blame me for betraying you"

"For the sake of the Ice and Snow Territory, for the ice elves in the Ice and Snow Territory, and for the future happiness of Territory Lord Emilia, I must tell Territory Lord Emilia Ten your news."

Chapter 3054

On the Snow Mountain,

Su Chen wandered around the Snow Mountain boredly.

Xue Ji and Bing Ji were still in seclusion to break through.

Nannan and Nie Xiaoqian were practicing in the barrier. Su Chen didn't want to practice and could only wander around the Snow Mountain.

【Ding, host, are you free?】

"Not idle, I still have a lot of things to do."

Su Chenxing had a bad feeling in his heart.

The system girl had a conspiracy.

Under normal circumstances, the system girl would not pay attention to him.

Su Chen sometimes couldn't call out the system girl.

At this moment, the system girl suddenly asked him if he was free.

Su Chen guessed The system girl has a conspiracy, or maybe the system girl wants to blackmail him again

【Ding, host, the system is kind enough to help you, so forget it if you don't have time. 】

Su Chen curled his lips and said,"Forget it."

【Ding, host, you have become cunning.】

"Girl, you've become more cunning."

【Ding, host, there is a great thing, do you want to know? 27】

"Do not want to know!"

Su Chen touched his chin and felt funny.

It was interesting.

The system girl didn't give in to the rabbit.

What's a good thing?

Su Chen guessed that after the system girl said the good thing, the system girl would blackmail him for the Hongmeng spiritual liquid.

【Ding, host, if you succeed in a trial, you will get a generous gift package. Do you want to do the trial, host?】

"Trial?"

Su Chen is very confused.

He has arrived in Hongmeng World.

His cultivation realm is the powerful Territory Lord realm.

Does he still need to go through trials?

Su Chen is afraid that coming to the small world will shatter the small world. The systematic trial Refining is impossible in Hongmeng World

【Ding, host, trial is an ability after system upgrade, but trial is very dangerous, your strength will be completely sealed, and your spiritual treasures and items cannot be used. 】

Su Chen opened his eyes wide and shouted,

"Let me guess, all my strength has been sealed, and the spirit treasures and items cannot be used yet. Girl, do you want me to die because of my long life? Do you want to die with me?"

【Ding, host, there is a chance of survival in the trial. You are shameless and shameless, and you have the means to deal with women. You will not die.】

"Let me go, girl, our friendship is over"

【Ding, host, do we have friendship?】

"Don't we?"

【Ding, shameless host, do you agree to the trial? 】

Su Chen touched his chin and thought, trial?

Generous gift pack rewards?

How generous will the gift package be?

Su Chen hesitated.

He didn't know whether he should go for the trial.

Su Chen thought for a while and asked, "System, if I agree to the trial, can you help me?"

【Ding, host, the system can give you some help. 】

Su Chen smiled at the system and asked,

"Lose a little? How much does a little help help? Keep some of my strength? Or allow me to use some spiritual treasures or items in the system space?"

【Ding, you are thinking too much. The system will not let you have a strength trial, nor will it let you use Lingbao. The system will let you use the money in the space and some junk items.】

"that's it?"

【Ding, that's it. After the host trial is successful, if the reward package contains Hongmeng spiritual liquid, the system will ask for half of it. This is the reward for the system's little help to you.】

"Let me tell you, girl, you are so damn dark."

Su Chen wanted to squeeze the system girl to death.

For a little help, the system girl wanted to reward half of the Hongmeng spiritual fluid in the gift bag? Are money and some garbage useful?

Ugh!

Su Chen suddenly thought that if it were a trial in the ordinary world, money would and garbage items may be really useful.

What should I do?

Participate in the trial?

Or not participate in the trial?

Su Chen couldn't make up his mind for a moment

"System girl, I agree with the trial, but how long will it take? If it takes too long, I won't participate in the trial"

【Ding, after the trial starts, no matter how long the host stays in the trial world, it will only be a quarter of an hour before he comes back.】

"Not bad, girl, what is my trial task?"

【Ding, the system doesn't know. The trial tasks are random. After starting the trial, the host will know.】

"Let the trial begin."

Su Chen didn't ask any more.

The system chick couldn't possibly harm him.

As for the trial mission,

Su Chen would only know after entering the trial world. He hoped it wasn't a death trial mission.

Whoosh!

A beam of light suddenly enveloped him. After Su Chen, Su Chen disappeared in the snowy mountains in an instant.

In the snowy world, []

Su Chen appeared in a gorgeous mansion.

His strength was sealed like an ordinary person.

Except for his strong body, he had no strength at all. This made Su Chen felt very uncomfortable

"Um? Snow world? King of Jiangnan? Still control an army of 200,000?"

Su Chen was very surprised after checking the identity of the trial world.

The trial world turned out to be a world in the snow, and his identity was the King of Jiangnan.

Damn it, the trial mission wouldn't let him kill Xu Fengnian, right?

There are many masters around Xu Fengnian,

Su Chen doesn't have any strength at all.

Should he use his army to kill the strong men like Li Chungang?

【Ding, host, there are three trial tasks. Task 1: kidnap Xu Zhihu (limited to three days). Task 2: Abduct Jiang Ni (limited to ten days). Mission 183: Survive for three months following the plot. 】

Su Chen's face turned dark, kidnapped Xu Zhihu?

Abduct ginger mud?

If he kidnapped two girls, wouldn't Xu Fengnian kill him immediately?

Damn it, for a death mission,

Su Chen only needs to kidnap Xu Zhihu and Jiang Ni. Let alone three months, he might not survive for three days.

Su Chen rubbed his forehead and felt helpless.

Three days?

Ten days?

He doesn't know the situation of Xu Zhihu and Jiang Ni now. Can he kidnap them within a few days?

"Someone come!"

A man in black came into the room and saluted, "Your Majesty!"

Su Chen ordered the secret guard commander,

"Xiaowu, send secret guards to inquire about Xu Fengnian's information. Find out where Xu Fengnian is within today."

"Yes, Your Majesty."

Su Chen nodded when he saw Xiao Wu leaving.

The system girl is not bad.

The secret guards and the army are all secret guards and black-armored troops of Tianxuan Continent. Su Chen can also worry about the secret guards and the army rebelling against him.

Su Chen Thinking about what happened in the plot,

Xu

Zhihu seemed to be framed by Liu Liting for having an affair. When Xu Fengnian arrived in Jiangnan, he rode a horse and dragged Liu Liting to death.

"The Lu family in Jiangnan is not simple either. Lu Laoer is also a master of martial arts. How can he kidnap Xu Zhihu? Directly send troops to destroy the Lu family in Jiangnan?".

Chapter 3055

In the afternoon,

Su Chen heard Xiao Wu's return and thought, Xu Fengnian will arrive in Yangzhou City, Jiangnan tomorrow.

In this way,

Xu Fengnian has not gone to Longhu Mountain yet.

Time is running out!

Jiang Ni was probably going to be taken away by Cao Changqing. Su Chen must not let Cao Changqing take Jiang Ni away.

Su Chen thought about it and ordered, "Xiao Wu, order 10,000 black armored troops to surround the Lu family.""

"Yes, Your Majesty."

Su Chen decided to kidnap Xu Zhihu.

If the Lu family dared to stop him,

Su Chen would massacre the Lu family.

Half an hour later, 10,000 black armored troops quickly surrounded the Lu family in Yangzhou , and the people on the street took cover. They were far away, and they didn't know how the Jiangnan King's army could surround the Lu family. The Lu family's housekeeper ran into the study room in a panic and reported, "Second Master, it's not good, the Jiangnan Yangzhou army has surrounded the mansion." Lu Baijie heard what the housekeeper said. Surprised, he asked, "What? King Jiangnan's army surrounded the mansion? Why?" Butler Geng replied in panic, "Second Master, I don't know either. I went to ask the Jiangnan Army before, but the army wouldn't let me come forward and threatened to shoot me if I didn't obey orders.

"

"how so? What does King Jiangnan want to do? The Lu family is a prominent family in the south of the Yangtze River, and the Lu family has not offended the king of Jiangnan. How could the king of Jiangnan besiege the Lu family for no reason?"

Lu Baijie frowned and couldn't understand.

The army of the king of Jiangnan suddenly besieged the Lu family. It was very unusual.

The king of Jiangnan had With an army of 200,000, they are still elite black-armored troops.

The Lu family has been respectful to King Jiangnan over the years and has not offended King Jiangnan. Lu Baijie can't understand why King Jiangnan suddenly ordered the army to besiege the Lu family.

Boom, dong dong dong.....

Suddenly, the door of Lu's house was blasted open, and groups of black-armored troops quickly rushed into Lu's house.

Su Hu, the general of the Black Armored Army, ordered loudly, "Drive all the Lu family members into the courtyard, and those who resist will be killed without mercy."

"Yes, General!"

Thousands of black-armored troops who rushed into the Lu family began to take action. The Lu family, including the Lu family, guards, servants, and maids, all were escorted to the courtyard of the Lu family. Lu Baijie and the housekeeper were escorted to the courtyard without resistance. After a while, more than 300 Lu family members were escorted to the yard. The black-armored troops were pointing their crossbows at everyone. In the yard, a maid with a pale face asked the beautiful woman next to her, "Miss, How is this going?"

"Er Qiao, I don't know either."

The beautiful woman is Xu Zhihu.

She is not only the princess of Beiliang, but also the eldest sister of Xu Fengnian.

The army of King Jiangnan besieged the Lu family.

The army also drove everyone in the Lu family into the yard. The surrounding troops were fierce and wanted to shoot. Killing everyone, Xu Zhihu didn't know why the Lu family offended King Jiangnan.

A quarter of an hour later,

Su Chen entered the Lu family under the protection of hundreds of secret guards. He looked at the hundreds of Lu family members in the yard with disdain.

In the plot,

Lu There is no good person in the family.

A noble family?

A famous family?

Just some moths.

When Lu Baijie saw Su Chen coming, he saluted and said, "Lu Baijie has met the King of Jiangnan." Su

Chen said with an expressionless expression, "Lu Baijie, when you see this king, will you just bend down and salute?"

Lu Baijie said with a serious face, "King Jiangnan, the Lu family is a noble family, and my father is still a minister of the court. The Lu family only kneels to His Majesty the Emperor."

Su Chen frowned and ordered, "Xiao Wu, seal Lu Baijie's cultivation."

"Yes, Your Majesty. Lu

Baijie hurriedly shouted to Su Chen, "King Jiangnan, the Lu family is safe and secure. You sent troops to besiege the Lu family and escorted the Lu family to the courtyard. What do you want?"

Su Chen saw Lu Baijie was about to resist and said coldly,

"Lu Baijie, do you need to take care of this king's affairs? If you dare to resist, the entire Lu family will be executed."

Lu Baijie didn't dare to resist when he heard Su Chen's words.

He didn't know what Su Chen wanted, but the Lu family was a famous family in Jiangnan, and Lu Baijie didn't believe that Su Chen dared to kill him. People from the Lu family

"Xu Zhihu came out."

Su Chen saw that Lu Baijie's cultivation was sealed by Xiao Wu. He looked at the Lu family members in the yard,

Xu Zhihu.

Su Chen wanted to see the portraits of Xu Zhihu and Xu Zhihu from the Shenyun Continent. The same thing is different.

Xu Zhihu walked out with the support of the maid and asked, "I am Xu Zhihu, King of Jiangnan, what do you want to see me for?"

"Xu Zhihu, you are not bad, you have a plump and attractive figure, and a delicate and beautiful appearance. You are worthy of being the legendary pretty widow."

Su Chen looked at Xu Zhihu and nodded.

Xu Zhihu is different from the Xu Zhihu from Shenyun Continent, but this Xu Zhihu is also extremely beautiful.

If Xu Zhihu didn't look so sick, she should be Will be more beautiful and sexy

"King Jiangnan, you have gone too far."

Xu Zhihu stared at Su Chen angrily.

Legend has it that King Jiangnan was a womanizer and an idler.

If Su Chen hadn't inherited his father's hereditary title, this bastard would have been a dandy who indulged in food, drink, prostitution and gambling.

Su Chen walked up to Xu Zhihu and smiled and said, "Xu Zhihu, you are as beautiful as a flower, sexy and beautiful. I have taken a liking to you. You are a widow in the Lu family, and I plan to take you as my concubine."

Xu Zhihu hurriedly backed away and shouted, "Shameless man, don't even think about it. I won't be insulted by you until I die."

Su Chen crossed his arms and threatened, "Really? I heard that Xu Fengnian will come to Yangzhou City in Jiangnan tomorrow. Xu Zhihu, if you dare to disagree, I will order the army to surround and kill your brother Xu Fengnian."

"you....."

Xu Zhihu pointed at Su Chen and was speechless.

He was so shameless and such a bastard.

The majestic King of Jiangnan,

Xu Zhihu never expected that Su Chen would shamelessly threaten her.

Su Chen waved his hand and ordered,

"Su Hu ordered the army to massacre the Lu family, leaving no one alive except Xu Zhihu and Lu Baijie. Lu

Baijie shouted hurriedly, "King Jiangnan, the Lu family is a prominent family in Jiangnan. Do you want to rebel by killing the Lu family?"

Su Chen said disdainfully,

"rebel? I am the King of Jiangnan. The whole of Jiangnan is under my control. Do you think I will care if I massacre the little Lu family?"

Su Hu hurriedly waved his hand and ordered, "Ready the crossbow, fire it!"

Swish swish swish"....

The surrounding black armored troops began to shoot and kill hundreds of people in the Lu family with ruthless crossbow arrows.

Lu Baijie angrily yelled at Su Chen, "King Jiangnan, you have to die well, Emperor Liyang will not let you go."

Lu Baijie's martial arts was sealed, and they could not resist.

Lu Baijie could only watch the Lu family being shot and killed.

"Su Hu killed Lu Baijie by breaking his car into pieces." After Su Chen gave the order to Su Hu, he shouted to Xu Zhihu, "Xu Zhihu, take your maid and me away, otherwise you should understand the consequences."

Chapter 3056

Xu Zhihu looked at the Lu family members who were shot with a pale face. Hundreds of Lu family members were wailing and being shot one after another. Men, women, the elderly, children, and the black-armored troops all were not spared.

Why?

Why did Su Chen massacre the Lu family? because of her? is it possible?

Su Chen is the king of Jiangnan, and he can't have any beautiful women if he wants.

Xu Zhihu is just a widow, and a widow with a bad reputation. She doesn't believe that Su Chen massacred the Lu family in order to kidnap her.

The maid Er Qiao supported Xu Zhihu and said hurriedly, "Miss, let's go quickly.""

"let's go."

When Xu Zhihu saw Su Chen turning around and leaving, she had no choice but to follow Su Chen.

For her brother Xu Fengnian,

Xu Zhihu didn't even dare to commit suicide to protect her innocence. If she dared to commit suicide, Su Chen would probably order the army to surround her and kill her. Xu Fengnian was killed.

Lu Baijie was pinned to the ground by the black-armored army and cursed, "King Jiangnan, you have to die a good death. Even if I act like a ghost, I will not let you go, and Emperor Liyang will not let you go either."

Su Hu waved his hand and ordered the army, "Stop his mouth 29 and prepare the horse and carriage to break up Lu Baijie."

"Yes, General."

Outside the Lu family's mansion, the people watching around heard the Lu family's screams and shouts.

The people knew that the Lu family was finished.

Why did King Jiangnan massacre the Lu family?

The people around him didn't know, but Su Chen was from Yangzhou, Jiangnan. The Tu Emperor, the entire Jiangnan Yangzhou is under the control of Su Chen. Millions of people, officials, and nobles in Jiangnan are all under the control of Su Chen. No one dares to disobey Su Chen, the king of Jiangnan.

In the palace of Jiangnan Prince,

【Ding, the host kidnapped Xu Zhihu. Xu Zhihu has not been rescued within three months. The task will be completed in a moment. 】

Su Chen had just entered the mansion with Xu Zhihu. He heard the system prompts and did not pay attention.

Su Chen knew that task 1 would not be completed so easily.

Three months?

His third task was to survive in the snow for three months. Su Chen guessed that task two would be the same as task one.

Su Chen kidnapped Xu Zhihu, and

Xu Fengnian will arrive in Yangzhou City, Jiangnan tomorrow. The little sinister will definitely not give up.

In the hall,

Xu Zhihu saw Su Chen sitting with her brows furrowed and thinking. She was sitting on one side supported by Er Qiao.

Xiao Wu came into the hall and saluted, "Your Majesty, Liu Liting and his wife were captured and taken to the mansion."

Su Chen waved his hand and ordered,

"execute them"

"Yes, Your Majesty!"

Su Chen threatened the sick beauty and said, "Xu Zhihu, you are going to bed tonight.""

Xu Zhihu looked calm when he arrived at the mansion and sat leisurely next to him.

The sick beauty did not show any fear or panic expression. Su Chen planned to scare the sick beauty.

Xu Zhihu looked up at Su Chen and replied, "Can!"

Su Chen asked in surprise, "You agreed?"

"Can I say no?"

"Of course not"

"Can't you still ask me?"

Xu Zhihu glanced at Su Chen uneasily,

Sleeping?

Will she lose her innocence tonight?

Xu Zhihu married into the Lu family a few years ago. His husband was a sick man and died not long after..

Xu Zhihu was still innocent.

She originally thought she would die of illness in her innocence.

Xu Zhihu didn't expect Jiangnan Wang Su Chen to fall in love with her and couldn't wait to kidnap her to humiliate her.

Su Chen took a sip of tea and said with a smile,

"Xu Zhihu, you are just a widow in the Lu family. I don't have a wife yet. You will become my wife in the future, and you will also be the princess of Jiangnan King. You have reached the sky in one step. Xu

Zhihu stared at Su Chen and asked, "I am a widow, are you not afraid that I am an unknown woman?"

Su Chen leaned on the chair and shook his head and said,

"Xu Zhihu, I see that you are still in perfect condition, and I also know everything about your marriage into the Lu family."

"I can also guess what your father Xu Xiao's plan is. You married the Lu family's sick young man just to pave the way for Xu Fengnian. Everything you did was in vain."

"Emperor Liyang quickly eliminated the Xu family of Beiliang, and various states were extremely afraid of Beiliang. Beiliang was surrounded by enemies. Even if your brother is the hereditary king of Beiliang, do you think your brother can defend Beiliang?"

Xu Zhihu was shocked when he heard Su Chen's words and asked, "King Jiangnan, what do you mean?"

Su Chen curled his lips and said, "You are so smart, didn't you guess it?"

"Do you want to launch a war against Beiliang?"

Xu Zhihu became worried.

Su Chen controlled 200,000 black-armored troops.

Her father Xu Xiao said that King Jiangnan's army was very powerful. The Northern Liang Cavalry was not afraid of any army from Liyang State, but the Northern Liang Cavalry Faced with an evenly matched black-armored army, if the King of Jiangnan launches a war against Beiliang, the states around Beiliang will inflict trouble on Beiliang.

Xu Zhihu guessed that Su Chen abducted her only after receiving orders from Emperor Liyang. If Xu Fengnian threatened Su Chen, Or rescue her, Su Chen also has reason to launch a war against Beiliang

"You can guess for yourself. Your freedom will not be restricted in the mansion. You can also leave the mansion, but you have to understand the consequences."

Su Chen said to Xu Zhihu and left the hall.

He still had to arrange some things.

It's not a big deal for Xiao Yin to force Xu Fengnian, but the sword god Li Chungang is a big trouble. There is also Cao Changqing.

Su Chen wants to kidnap Jiang Ni, so he also We must find a way to kill Cao Changqing[]

Er Qiao asked Xu Zhihu worriedly, "Miss, what should we do?"

Xu Zhihu shook his head and said,

"Er Qiao, we can't leave. Let's stay in the Jiangnan Prince's mansion first."

"Yes, miss! 117"

Xu Zhihu rubbed his forehead helplessly.

Su Chen didn't answer her.

She didn't know whether Su Chen would launch a war against Beiliang. Will Su Chen let her sleep with her tonight ? Three days later, Su Chen Chen looked at the information in the study and was speechless. Xu Fengnian actually stopped thirty miles away from Yangzhou City. The secret guard found out that Xu Fengnian was practicing martial arts. Su Chen guessed that Xu Fengnian had learned what happened to the Lu family. Xu Fengnian should I was thinking about how to deal with him when entering Yangzhou City. Su Chen leaned on the chair and whispered,

"There are still seven days before mission two will fail. Xu Fengnian, come quickly. If my mission two fails, I will order an army of 200,000 to surround and kill you."

Bang!

Xu Zhihu opened the door and came in and shouted, "Su Chen, what do you mean? Why should I care about everything in your mansion?"

Su Chen said with a smile while drinking tea,

"Xu Zhihu, are you my wife or the Princess of Jiangnan? Aren't you the one to handle all the affairs in the palace? Xu

Zhihu shouted angrily,

"Shameless bastard, I won't care about what's going on in your mansion. Please tell the secret guards and maids not to disturb me again."

"Xu Zhihu, it's been three days. You have managed the palace for three days. You have managed it well. If you manage the palace for another three months, I can let you go."

Chapter 3057

Su Chen had no choice but to let Xu Zhihu take care of the palace. He was not interested in everything in the palace.

This was just a mission world.

Su Chen would leave in three months.

He was too lazy to care about Jiangnan Yangzhou and everything in the palace. However,

Su Chen could not ignore these troubles. There should be no chaos in Jiangnan Yangzhou for at least three months.

Xu Zhihu is a smart woman.

If Su Chen doesn't want to take care of it, he can only let Xu Zhihu take care of it.

"Su Chen, are you telling the truth? Are you really going to let me go after three months?"

Xu Zhihu looked at Su Chen in surprise.

She didn't know if what Su Chen said was true.

Three days ago,

Xu Zhihu thought that Su Chen would insult her in the evening, but Su Chen ignored her in the past three days.

If it weren't for When he saw Su Chen still in the palace while eating, Xu Zhihu thought that Su Chen had left the palace.

Su Chen smiled and nodded and replied, "Yes, provided you will leave."

Xu Zhihu glared at Su Chen with shame and anger.

She understood what Su Chen meant, three months?

Xu Zhihu was kidnapped by Su Chen and brought to the palace for three months.

What would people outside think?

Everyone would guess She was insulted by Su Chen.

If Xu Zhihu took care of the palace again, she would be misunderstood as Su Chen's wife and the mistress of the palace?

Can Xu Zhihu still leave?

If her father knew about it, he might not let her If

Jiangnan and Beiliang were to get married,

Emperor Liyang would not dare to take action against Beiliang. Xu Zhihu guessed that Xu Xiao would let her marry Su Chen.

Su Chen stood up, stretched and said,"Xu Zhihu, continue to take care of things. Come to the palace, you will stay in the palace for the rest of your life"

"I see."

Xu Zhihu glared at Su Chen and left the study.

Her guess just now might come true.

For Beiliang and

Xu Fengnian,

Xu Zhihu decided to stay in Su Chen's palace. She would spend her last life paving the way for Xu Fengnian..

Su Chen looked at Xu Zhihu who was leaving and shook his head and whispered,

"Stupid woman."

Xu Xiao will be the hereditary king of Northern Liang for Xu Fengnian in the emperor.

If Emperor Liyang knows that Xu Zhihu has been kidnapped by him,

Xu Zhihu may become his princess. It is rumored that Northern Liang and Jiangnan are getting married again. Liyang Will the emperor still agree that Xu Fengnian will be hereditary King of Northern Liang?" Xu Fengnian and his men repaired the woods thirty miles outside Yangcheng for three days.

After Xu Fengnian knew what happened in Yangcheng, Xu Fengnian did not figure out how to rescue him. Xu Zhihu.

By the stream,

Li Chungang walked up to Xu Fengnian and asked, "Boy, are you going to stay here?"

Xu Fengnian sat on the grass and frowned, saying,

"Senior Li, I don't understand why King Jiangnan kidnapped my eldest sister."

"For beauty? It is impossible for the King of Jiangnan to lack beauties"

"And if King Jiangnan likes my eldest sister, why hasn't he kidnapped my eldest sister in the past few years? Why did he kidnap my eldest sister just before I arrived in Yangcheng?"

Li Chungang touched his beard and asked, "Boy, are you saying that King Jiangnan has a conspiracy?"

"King Jiangnan is a fool who eats, drinks, whores, and gambles. He cannot have any conspiracy. I guess someone paid attention to King Jiangnan, and someone wanted Beiliang and Jiangnan to conflict."

Xu Fengnian doesn't think Jiangnan King has any conspiracy.

Jiangnan King Suchen is a famous playboy.

If Su Chen hadn't inherited his father's title, he would have been a playboy waiting to die.

Who asked Su Chen to kidnap Xu Zhihu ?

Prime Minister Liyang?

Han Diao Temple?

Or someone else?

Xu Fengnian can ask Li Chungang to rescue Xu Zhihu, but what about the future?

Although Su Chen is a dandy, he is the king of Jiangnan after all, and he still controls twenty Thousands of black-armored troops

Xu Fengnian was worried that rescuing Xu Zhihu would anger Su Chen. If Su Chen did not hesitate to use the army to surround and kill them, the sword god Li Chungang would not be able to face them. A hundred thousand black-armored troops surrounded and killed them.

Li Chungang shook his head and said, "Boy, I don't understand what you're talking about. What are you going to do?" Are you still going to Yangcheng?"

"Go, we will go to Yangcheng tomorrow."

Xu Fengnian stood up and looked in the direction of Yangcheng.

It has been three days.

Xu Zhihu was kidnapped by Su Chen for three days. His eldest sister may have been insulted by Su Chen.

Xu Fengnian wanted to see Su Chen, and he also wanted to see Xu Zhi. Has Hu been tortured by Su Chen?

If Xu Zhihu was tortured by Su Chen, Xu Fengnian would take away his eldest sister Xu Zhihu no matter what.

The next morning,

Su Chen found Xu Fengnian on the way to Yangcheng.

He didn't have to worry about not being able to complete task two.

There were still six days left.

Su Chen had a way to kidnap Jiang Ni into the palace, and he also had a way to deal with Cao Changqing.

Su Chen asked Xiao Wu beside him, "Xiao Wu, there is Zhao Kai's Any news?"[]

"Your Majesty, the secret guards have not discovered Zhao Kai yet."

"Zhao Kai should arrive at Yangcheng quickly and order the secret guards to search Zhao Kai with all his strength."

"Yes, Your Majesty."

Su Chen ordered Xiao Wu to walk towards the small pond in the palace.

He wanted to continue fishing.

In the study,

Xu Zhihu came in and looked at the letters on the table.

She was not worried about being discovered by Su Chen, and the secret guards did not stop her from entering Su Chen privately. In the study room, Xu Zhihu wanted to know what Su Chen was doing these days. She also wanted to know whether Su Chen would deal with Xu Fengnian. The maid Er Qiao said worriedly, "Madam, you read the young master's letter in private. If the young master finds out, he will Not happy."

Er Qiao is very satisfied with her life in the palace.

Xu Zhihu is now the mistress of the palace. Everything in the palace is managed by Xu Zhihu. There are gorgeous clothes, exquisite jewelry, and various delicacies. She and Xu Zhihu didn't even enjoy it in the Lu family. Er Qiao hoped that Xu Zhihu and Su Chen could finally be together.

"Don't worry, that asshole doesn't care if I read his mail."

Xu Zhihu read the letter and ignored Er Qiao.

In the past four days,

Xu Zhihu (Hao Nuo Hao) tested the secret guards, maids, and servants. The secret guards, maids, and servants did not dare to violate her orders at all. The guards, maids, and servants were also very respectful to her.

If someone didn't know, they might misunderstand that she was the mistress of Jiangnan Palace.

It was almost noon,

Xu Zhihu didn't find any information in the study.

She looked at the table The letters on the table were documents from various counties in the south of the Yangtze River. Su Chen didn't even open the documents from the counties in the south of the Yangtze River to check them.

You idiot who has nothing to do, isn't Su Chen worried about chaos in Jiangnan? That bastard isn't worried. Will some counties deceive the superiors and conceal the truth?

Xu Zhihu was very speechless towards Su Chen.

She couldn't understand how Su Chen managed Jiangnan Yangzhou.

At this time, a secret guard hurriedly came into the study and asked Xu Zhihu. He saluted and said, "Princess, Xu Fengnian, the prince of Northern Liang, is asking to see the princess outside the palace."

Xu Zhihu became nervous when he heard the secret guard's report.

Why did Xu Fengnian come to Jiangnan Palace? Why did the secret guard come to notify her?

Where is Su Chen?

Su Chen is not in the mansion?

Xu Zhihu thought for a moment and ordered,"Please let Xu Feng~Nian enter the mansion.""

"Yes, princess!"

Er Qiao asked doubtfully after the secret guard left,"Madam, why did Master Xu come to Yangcheng again? And you dare to come to Jiangnan-Prince's Mansion?"

"have no idea!"

Xu Zhihu also couldn't understand.

Logically speaking,

Xu Zhihu was kidnapped by Su Chen and brought to Jiangnan Palace.

Xu Fengnian should have gotten the news.

Why did he dare to come to Jiangnan Palace? Isn't Xu Fengnian worried about being killed by Su Chen's army?

"Madam, what should I do?"

"Er Qiao, you and I are going to meet my brother"

"Yes, ma'am!"

Outside the Jiangnan Palace,

Xu Fengnian took Jiang Ni and Li Chungang. Hundreds of black-armored troops outside the palace were wary of Xu Fengnian and the others.

Li Chungang looked at the surrounding black-armored troops and said, "Jiangnan's black-armored troops are indeed extraordinary. Jiangnan The king is not simple either."

Ning Emei said with a worried expression,

"The Heijia Army was stronger than the Beiliang Army. The Heijia Army outside the city gate and the palace had all been on the battlefield and experienced the baptism of war. If Beiliang and Jiangnan Heijia Army met on the battlefield, Beiliang Army would probably be defeated.

Jiang Ni asked with a surprised expression, "Is the Black Armored Army really that powerful?"

"have!"

Xu Fengnian nodded with a serious face.

He had underestimated the Jiangnan Black Armor Army before.

Since Xu Fengnian came to Yangcheng to check the Black Armor Army, the more he looked at the Jiangnan King's army, the more wary he became. They were elite, very elite, with the same number of troops. , the Beiliang Army was no match for the Heijia Army. Xu Fengnian did not expect that the dandy King Jiangnan would have a powerful army. The deputy commander of the secret guard came over and said, "Prince Xu, the princess invites you to enter the palace."

"Thank you!"

Princess?

Xu Zhihu became the princess of Jiangnan King?

Xu Fengnian's face turned ugly for three days.

Xu Fengnian guessed that Jiangnan King Su Chen would insult his eldest sister, but he did not expect that Su Chen would make Xu Zhihu the princess.

Su Chen What do you want to do?

If Emperor Liyang knew that Xu Zhihu had become Su Chen's princess, would what Xu Xiao wanted to do in Emperor Liyang succeed? Would Emperor Liyang still agree to his hereditary succession as King of Northern Liang?

Dong-dong-dong.....

When Li Chungang, Ning Emei, Wei Shuyang and others were about to enter the palace with Xu Fengnian, the surrounding black armored troops stomped forward and forced Li Chungang and others to retreat.

The deputy commander of the secret guard said expressionlessly,

"Prince Xu, you and your maid can enter the palace, but your guards must stay outside the palace.
Li

Chungang reminded Xu Fengnian, "Boy, don't enter the palace. I'm worried that King Jiangnan will be detrimental to you.""

Wei Shuyang also hurriedly persuaded, "Master, Senior Li is right. If we don't protect the young master, and if the King of Jiangnan does harm to the young master, we will not be able to save the young master in time outside the palace."

Qingniao, Jiang Ni, Shu Yan, Yu Youwei, and Ning Emei all looked at Xu Fengnian.

They were worried that something would happen if Xu Fengnian entered the Jiangnan Palace alone, especially the surrounding black armored troops and secret guards who were obviously looking at Xu Fengnian. The intention of taking action.

Xu Fengnian couldn't make a decision for a moment.

If Li Chungang didn't protect him from entering Jiangnan Palace, Xu Fengnian would not dare to enter the palace.

If Su Chen took action against him,

Li Chungang could still save him and leave in time.

What should I do?

Enter?

Or not?

Xu Fengnian frowned and thought quickly,

"See Princess!"

"See Princess!"

Outside the palace, the secret guards and the black-armored army saw Xu Zhihu's arrival. Everyone knelt down and saluted Xu Zhihu.

Xu Zhihu waved and said,

"All free of charge."

"Thank you, Princess."

Xu Zhihu smiled and shouted to Xu Fengnian,"Fengnian"

"Sister."

Xu Fengnian hurriedly walked towards Xu Zhihu.

He did not expect that Xu Zhihu would leave the palace, and that the secret guards and black-armored troops would kneel down and salute Xu Zhihu. Was Xu Zhihu not banned by Su Chen?

At this time, the small lake in the palace On the other side,

Su Chen was fishing leisurely by the small lake.

When Xu Fengnian arrived,

Su Chen deliberately asked Xu Zhihu to see Xu Fengnian. He wanted to see if Xu Fengnian dared to rescue Xu Zhihu.

Xiao Wu quickly walked to Su Chen's side. He saluted and said,"Your Majesty, fifty thousand black-armored cavalry have gathered outside Yangcheng."

"Order the black-armored cavalry to wait for orders."

0request flowers 0

"Yes, Master"[]

Su Chen threw down the fishing rod and stretched his waist.

Everything was ready.

No matter whether Xu Fengnian saved Xu Zhihu or not, Su Chen had to force the little beauty Jiang Ni to stay.

【Ding, host, remind you, there are lucky people in this world, and the lucky heaven has chosen a new group of lucky people. Five lucky people from the Huaxia team appeared in this world today.】

Su Chen shouted with a dark face when he heard the system's reminder, "Let me know, system, did you know that a lucky person would appear in this world?"

A lucky person?

A new batch of lucky ones?

Su Chen guessed that after Bai Yuekui and others went to the Xuantian Realm, they were all removed from the Qiyun Tiandao.

Damn it,

Su Chen thought the system's trial missions were simple before.

With the appearance of Luck Man, his trial missions may change. Luck Mr. Youjiang may destroy his trial missions.

【Ding, I don't know】

"I believe you, you must know"

【Ding, the system doesn't know.】

Su Chen rubbed his forehead and felt helpless.

He was worried that the Luck Man's mission overlapped with his trial mission. If the Luck Man's Luck Mission was Xu Zhihu and Jiang Ni,

Su Chen might have to face off against the Luck Man. , a fight may occur.

Su Chen frowned and thought,

"Who are the lucky people? Will it be a martial arts character? Or an anime character?"

In the living room of the palace,

Xu Zhihu and Xu Fengnian were sitting together and talking. Li Chungang and Wei Shuyang were also brought over by Xu Zhihu.

Xu Fengnian asked Xu Zhihu doubtfully, "Sister, where is the King of Jiangnan? Xu

Zhihu shook his head and replied.,

"That bastard is not in the palace"

"Sister, weren't you kidnapped by the King of Jiangnan? Why do the guards and troops in the mansion obey your orders?"

Xu Zhihu took a sip of tea and said,

"Fengnian, I know what you want to ask. I was indeed kidnapped by Su Chen, and the Lu family was also slaughtered by Su Chen's order. I don't know the specific reason why."

"Sister, you are not imprisoned....."

Bang bang bang~

"There are assassins who surround and kill the assassins who break in."

Suddenly, the sound of fighting came from the palace, and the secret guards in the palace shouted and rushed to the place of fighting...

Chapter 3059

Xu Zhihu and Xu Fengnian did not expect anyone to break into the palace.

The palace was heavily guarded, with secret guards and black-armored troops guarding the palace. They could not figure out who would dare to break into the palace.

Li Chungang said with a cold and serious face, "Boy, four assassins broke into the palace. Three assassins are not weak. One assassin is very strong and very special."

Xu Fengnian asked in confusion, "Senior Li, what are the strengths of the four assassins?" ?"

Li Chungang stroked his beard and said, "One is not very strong, one is at Vajra Realm, one is at Zhixuan Realm, and I can't tell the realm of the last one, but she should be at Celestial Phenomenon Realm."

Xu Fengnian said with gloating, "Celestial Phenomenon Realm? A strong man from the Celestial Realm appears, and the King of Jiangnan will be in trouble."

Xu Zhihu frowned and was a little worried.

She didn't know why she was worried about Su Chen.

A strong man from the Celestial Realm came to assassinate Su Chen. The secret guards and black-armored troops in the palace I wonder if I can protect Su Chen.

Xu Zhihu stood up and said, "Er Qiao, let's go outside and take a look."

Er Qiao hurriedly persuaded Xu Zhihu, "02 Madam, there are assassins outside. Madam, please don't go out."

"Don't worry, there are many secret guards and black-armored troops in the palace, nothing will happen to me"

"Yes, ma'am!"

"Sister, let me go and have a look with you."

Xu Fengnian stood up and was about to go take a look. Except for one scumbag, the other three assassins who arrived were all good, especially a strong man in the celestial realm. Xu Fengnian wanted to see who they were. If there was a chance, he would want to make friends with them

"All right."

Xu Zhihu looked at Li Chungang next to Xu Fengnian. If the secret guards and the black-armored army could not stop the four assassins, Xu Zhihu could ask Li Chungang to save Su Chen once.

Xu Zhihu and Xu Fengnian led everyone out of the hall. They were going to the courtyard of the palace to see who wants to assassinate Su Chen.

At this moment, in the courtyard of the palace, four men and women are surrounded by secret guards and black-armored troops. There are hundreds of corpses of secret guards and black-armored troops on the ground.

A man in black is standing on one side. While fighting, he shouted, "Damn it, the guards and black-armored troops in Jiangnan Palace are too strong, if we continue we will be surrounded and killed.

Another man shouted hurriedly, "Yan Dan, we can't stay. More and more black armored troops are coming. My internal energy is consumed too fast. In another quarter of an hour, my internal energy will be exhausted."

A purple-haired beauty next to her was protecting a white-haired beauty. The purple-haired beauty quickly killed the secret guards and black-armored soldiers who rushed over with a handgun, leaving corpses on the ground next to her. The four of them were lucky.

The man in black is Yan Dan, the man in white is Linghu Chong, the purple-haired beauty is Sheng Cai'er, and the white-haired beauty is Ran Bing.

They broke into Su Chen's mansion to capture Xu Zhihu. One of the tasks in the destiny mission is to capture Xu Zhihu, Xu Zhihu had to stay with them for a month to complete the mission.

Ran Bing kicked the Black Armored Army who was coming towards them and shouted, "Cai'er, more and more Black Armored Army are coming, Leave me alone and run away."

Sheng Cai'er said coldly, "No, I can handle it."

Dong dong dong.....

The black-armored army appeared more and more in the yard, and giant siege crossbows were set up.

The secret guards and the black-armored army could not kill the four assassins in the narrow yard, so they could only use terrifying siege crossbows. Shoot four assassins.

Yan Dan saw the siege crossbows around him and shouted in fright, "No, it's a siege crossbow. We have to retreat quickly."

Linghu Chong shouted angrily to Yan Dan, "Retreat? There are guards and black-armored troops all around. They still have military crossbows around to shoot us, Yan Dan, we shouldn't listen to you to capture Xu Zhihu."

Sheng Cai'er felt worried when she sensed the siege crossbows.

She could escape quickly, but the remaining three Teammates cannot escape, and they may be shot by siege crossbows.

The deputy commander of the secret guards saw Xu Zhihu's arrival and hurriedly persuaded him, "Princess, the road ahead is dangerous, please don't go there." More than two hundred secret guards quickly took Xu Zhi away Hu protected them, they would not let Xu Zhihu be assassinated by an assassin

"Don't worry, the assassins are surrounded and they can't hurt me."

Xu Zhihu felt even more complicated when she saw the secret guard protecting her.

She saw that the secret guard would sacrifice his life to protect her even if he died.

Xu Zhihu was kidnapped by Su Chen, and she was not Mrs. Su Chen.

The secret guard and Hei Jia The army could risk their lives to protect her. Xu Zhihu's cold heart for more than ten years seemed to be thawed.

People like Xu Fengnian and Jiang Ni looked at Xu Zhihu and felt something was wrong.

The secret guards and the black armored army protected Xu Zhihu too much. Well, they saw that the secret guard would protect Xu Zhihu from harm even if he died.

Li Chungang frowned and said to Xu Fengnian,

"Secret guards are like dead soldiers. They will protect your sister Xu Zhihu even if they die. I don't understand. Wasn't your sister Xu Zhihu kidnapped by Su Chen? How could Su Chen's men obey Xu Zhihu's orders? He also protected Xu Zhihu as if he were dead."

Xu Fengnian shook his head and said in confusion, "I don't understand either, but the secret guards are very good and very loyal."

Jiang Ni and Qingniao looked at Xu Zhihu, who was closely protected by the secret guards. They felt that Xu Zhihu was not kidnapped by Su Chen. Xu Zhihu was like the princess of Jiangnan Palace. Yu

Youwei: "Jiang Ni, is Xu Zhihu really the woman kidnapped by the King of Jiangnan? Jiang

Ni: "I don't know, but Xu 913 Zhihu doesn't look like a kidnapped woman. Qingniao, could Ning Emei's previous information be wrong?"

Blue Bird: "That's right. The eldest lady was kidnapped by King Jiangnan. The Lu family was also massacred by King Jiangnan. As for the current identity of the eldest lady, I can't figure it out. The eldest lady may be the princess of King Jiangnan. Shu

Sha:"The eldest lady must be the concubine of King Jiangnan. You haven't seen that the eldest lady can order the secret guards and the black-armored army before. The secret guards and the black-armored army are more concerned about the safety of the eldest lady.""

Xu Zhihu heard the conversation between Jiang Ni and the girls, and her face turned red.

Princess?

She is not Su Chen's princess at all.

In the past three days, everyone in the palace has called her princess.

Xu Zhihu didn't correct her several times. Yes, she was too lazy to correct her.

Xu Zhihu guessed that it was Su Chen's conspiracy. Su Chen might have deliberately asked the people in the palace to call her princess.

However,

Xu Zhihu did not expect that whether it was the maids and servants in the palace, or the secret The guards and the black-armored army, no one dared to disobey her orders. Whatever Xu Zhihu ordered would be carried out.

The maid Er Qiao whispered to Xu Zhihu,"Madam, the young master is very kind to the madam, and the young master is very handsome." Handsome and handsome, I think my wife will be a good wife for the young master."

Chapter 3060

Xu Zhihu rolled his eyes at the maid Er Qiao.

She understood what Er Qiao meant. The lives

Xu Zhihu and Er Qiao lived in the Jiangnan Palace were completely different from the Lu family.

In the Jiangnan Palace, they had all the luxury goods they needed. Many precious items are available for them to enjoy.

Xu Zhihu was the hostess of the Jiangnan Palace. She had beautiful clothes, fine food, silks and satins. Xu Zhihu had been enjoying them for three days, but there was nothing she could do if she didn't enjoy them.

Xu Zhihu came to the Jiangnan Palace without bringing any clothes. Jiangnan Palace made them. If she doesn't eat the delicious food, does she want to starve to death?

At this time, after more than a dozen siege crossbows were prepared, the deputy general of the Black Armored Army called Yan Dan and the four of them, "Assassins, listen, arrest them immediately, or I will shoot you."

Yan Dan, Linghu Chong, Sheng Cai'er, The faces of Ran Bing and the four others changed.

They looked at the thousands of black-armored troops around them.

Not only were there more than a dozen terrifying siege crossbows, but also the threat of crossbows from secret guards and black-armored troops.

Many horse hoofs were heard outside the Jiangnan Palace. They guessed that the palace was also surrounded by black-armored troops, and it might be impossible for them to escape.

Linghu Chong looked around and shouted angrily, "We can't escape. Damn it, we 307 shouldn't have broken into the palace to kidnap Xu Zhihu."

Yan Dan asked with a pale face, "What should we do? How are we going to escape?"

"Bing shook his head helplessly and said, "We can't escape. It's a destiny mission. I didn't expect that if we participated in a destiny mission for the first time, we would die in this world."

Sheng Cai'er sensed the surroundings.

She didn't expect that the Jiangnan Palace was so tightly guarded. Cai'er can escape, but the other three cannot escape.

Luck mission?

On the first destiny mission of a five-member team,

Sheng Caier did not expect that three of the five members of the team would be killed before completing the mission.

Fortunately, the old man did not come to Jiangnan Yangzhou, otherwise, she might be the only one left in the five-person team.

Li Chungang stroked his beard and shook his head and said, "The assassins cannot escape. The Jiangnan Palace is too tightly guarded. There are also many cavalry outside the palace. The four assassins cannot escape."

Xu Fengnian said with a serious face,

"The King of Jiangnan was really afraid of death. There were thousands of secret guards and thousands of troops in the palace. Tens of thousands of cavalry quickly arrived outside the palace. Even the strong men in the Celestial Realm could not escape."

Xu Fengnian is very lucky.

If the four assassins hadn't struck first this time (adfd), if Xu Fengnian and his men had rescued Xu Zhihu, he and his men would have died in Jiangnan Palace, and Li Chungang would not have been able to save them from Jiangnan Palace.

"See the king!"

"See the king!"

At this time,

Su Chen came over with some secret guards. The surrounding secret guards and black-armored troops saluted Su Chen.

Wei Shuyang looked at the arriving Su Chen and said, "Jiangnan King Su Chen is here."

Xu Fengnian and Li Chungang looked at Su Chen one after another. They all wanted to know who Jiangnan King Suchen was.

Li Chungang twitched his nose and mocked, "Jiangnan King turned out to be a pretty boy."

Xu Fengnian looked at Su Chen and said disdainfully, "King Jiangnan is indeed a pretty boy, and he is still a loser with no martial arts skills."

Jiang Ni and the Qingniao girls looked at Su Chen. Their first impression of Su Chen was pretty good.

Su Chen had a pretty face, but Su Chen was also very handsome. Su Chen had a noble character about him. An indescribable temperament.

Xu Zhihu looked at Su Chen and lowered his head.

Su Chen was back.

Although the four assassins were surrounded by the army, she was still worried that Su Chen would be unexpectedly assassinated by the assassins.

At this moment,

Su Chen first looked at Xu Fengnian. Several people, he ignored the little yin.

Su Chen originally wanted to test whether Xu Fengnian would save Xu Zhihu. He did not expect that an assassin would break into the palace.

The plan was disrupted.

Su Chen had to come out to see what assassin dared. Break into the palace

"Um?"

Su Chen understood when he saw the four surrounded assassins. He guessed who the four assassins were. Among the four, there was a white-haired beauty. She was not wearing ancient clothes. The luck team was just the luck of the five. Team, how come only four of them showed up? What about the remaining one?

Why did they break into the palace? For Xu Zhihu? Or for Xu Fengnian and Jiang Ni?

Su Chen He walked to the side and shouted, "Assassins, tell me your names. Linghu

Chong hurriedly lied to Su Chen, "King Jiangnan, we have no intention of breaking into your palace, can you let us go?"

Su Chen curled his lips and ordered, "If you answer wrong, kill him.""

What the heck!

A lucky man?

Or a self-righteous fool.

Su Chen was very disdainful of Linghu Chong telling lies and unintentionally breaking into the palace?

Is he a fool?

Or does Linghu Chong treat him as an idiot?

"Yes, Your Majesty!"

After the deputy general of the black-armored army saluted Su Chen, he waved his hand and ordered, "Prepare the siege crossbow, prepare the military crossbow, target the man in white and shoot the arrow!"[]

Swish, swish, siege crossbows and military crossbows rained down on Linghu Chong.

Linghu Chong was so frightened that he was about to escape when he was instantly shot into a hornet's nest and fell to the ground.

【Linghu Chong, the lucky man, was killed. 】

Yan Dan was frightened and hurriedly stood behind Sheng Cai'er.

One of Sheng Cai'er's strong men could become invisible. Yan Dan hoped that Sheng Cai'er could take him to escape.

Ran Bing said to Sheng Cai'er beside him, "Cai'er, run away quickly and leave us alone." Yan Dan said hurriedly, "Sheng Cai'er, take us away quickly. We will all be killed if we stay." Sheng Cai'er said in a hurry.

Er held the handcuff without speaking.

She felt that Su Chen was different.

Su Chen's mental power was very powerful and terrifying. Compared with Su Chen, her mental power was like a glass of water facing the sea.

But why is Su Chen an ordinary person?

How could an ordinary person have terrifying mental power?

Su Chen folded his arms and shouted again, "Tell me your names, or you will all be executed."

Yan Dan quickly replied, "My name is Yan Dan, and the one who was killed is Linghu Chong."

Ran Bing also replied to Su Chen, " My name is Ran Bing, and the person beside me is Sheng Cai'er."

Su Chen was very surprised when he heard what Yan Dan and Ran Bing said,

Yan Dan?

Linghu Chong?

Ran Bing?

Sheng Caier?

Damn it,

Yan Dan and Linghu Chong should be from other small worlds. No wonder Su Chen dislikes them, but who is Ran Bing?

What kind of world is she?

Sheng Caier?

Purple hair?

With a veil?

Eyes seem to be blind?

Still holding a handcuff?

Let me go,

Sheng Cai'er is not the reincarnation saint in the throne of the divine seal, is she?

Su Chen rubbed his chin and thought,

Linghu Chong was killed,

Yan Dan also wanted to be killed,

Su Chen also wanted to execute Yan Dan early, what should Ran Bing and Sheng Cai'er do?

Sheng Cai'er is very scary and an assassin. Su Chen will not kill two beautiful beauties, but he is worried that Sheng Cai'er and Ran Bing will ruin his trial mission..
