Chapter 3091

"Got it, I'll give them a ride."Ran Bing curled his lips when he heard Su Chen's words.

Wang Xianzhi, Li Chungang, and Zhao Xuansu are all very powerful, and they are also the top beings in the world.

But now, they are imprisoned by Su Chen's daughter and have no ability to resist.

Ran Bing feels like killing them It was impossible to win without force, but the task could not be completed without killing them. Ran Bing took out his short blade and walked over to kill Li Chungang and the others.

Deng Tai'a looked at Wang Xianzhi and the others and shook his head.

Wang Xianzhi, Li Chunang, and Zhao Xuansu, they They represent the most powerful people in the world, but facing the immortal, the three of them have no ability to resist.

What about him?

Deng Tai'a thought that if he did not agree to Su Chen, he would probably be killed without any ability to resist.

Jiang Ni and Qingniao and the other girls didn't pay much attention to Li Chungang and the others. They all looked at Hong Xixiang, who was Lu Zu five hundred years ago.

Hong Xixiang and Xu Zhihu were in love and had feelings for each other.

They wanted to know What would Su Chen do with Hong Xixiang? They also wanted to know if Xu Zhihu would intercede for Hong Xiang 04.

Jiang Ni whispered to Xu Weixiong and asked, "Xu Weixiong, will your sister intercede for Hong Xixiang?" ?"

Xu Weixiong looked at Hong Xixiang with an angry expression and said,

"how could I know"

"The flood elephant is not a good thing either"

"Before my eldest sister married into the Lu family in Jiangnan, my eldest sister went to the Wudang sect to find Hong Xixiang. If Hong Xixiang had said that he liked my eldest sister, it would have been impossible for my eldest sister to marry into the Lu family in Jiangnan."

"Not only did Hong Xixiang not promise my eldest sister, he also said that he would not come down until he became the best in the world. Isn't this a rejection of my eldest sister in person? Hong Xixiang is also a ruthless and unjust person."

Jiang Ni patted her little head and said,

"That's right. Hong Xixiang didn't ascend to the immortal world for Xu Zhihu five hundred years ago, and then abandoned Xu Zhihu five hundred years later. It's a bit complicated. I don't know what Hong Xixiang was thinking."

Yu Youwei reminded Jiang Ni, "Princess Jiang Ni, it's useless for you to think about this. Hong Xixiang probably didn't awaken his past life memory, so he didn't agree to be with Xu Zhihu. Jiang

Ni glanced at Yu Youwei and laughed, "Yu Youwei, you are just a novice.""

"Why am I a noob?"

Yu Youwei was very confused.

Why is she a novice?

What did Jiang Ni mean?

Qingniao explained with a cold expression,

"Yu Youwei, don't you understand?"

"Hong Xixiang just didn't wake up the memory of his previous life, and he still has feelings for Xu Zhihu in this life"

"But he still didn't make a promise to Xu Zhihu. In this life, Hong Xixiang was a ruthless and unrighteous person. It was possible that five hundred years ago, Hong Xixiang didn't just give up his ascension for Xu Zhihu."

Yu Youwei suddenly realized and said, "So that's it. Hong Xixiang is really a heartless and unjust person."

Xu Zhihu glared at Xu Weixiong and the girls with a dark face.

She was still nearby.

Xu Weixiong and Jiang Ni started talking about her private affairs. Xu Zhihu was so embarrassed that he really wanted to seal Xu Weixiong and the girls away. Mouth.

However,

Xu Zhihu heard the conversation between Jiang Ni and the girls, and her feelings for Hong Xixiang were completely ended. No matter how much Xu Zhihu liked Hong Xixiang before, she was now Su Chen's wife, and she would not think about any man again

"No! Don't kill the ancestor, the ancestor still wants to ascend to immortality....ah!" Zhao Xuansu screamed and his throat was cut by Ran Bing.

"Destroy!"

Su Yue was very surprised when she saw Zhao Xuansu's soul.

A scumbag warrior from the small world could actually cultivate a soul. Zhao Xuansu can also be considered a talent. Su Yue said a word softly, and Zhao Xuansu's soul instantly dissipated in front of everyone.

Li Chungang saw Ran Bing is coming to kill him.

He closed his eyes with a gloomy face and waited to be killed.

Li Chungang had the dignity of a strong man and would not ask for mercy. He just felt that death was aggrieved.

Li Chungang suddenly opened his eyes and asked, "Su Chen, are you an immortal? I want to understand better.

Su Chen nodded and replied, "Yes, I am an immortal."

Li Chungang laughed and said, "Haha~, immortal?" Even if I die in the hands of an immortal, I won't regret it, so let's do it."

Stab! Stab!

Ran Bing quickly slit Li Chungang's throat, and she quickly slit Wang Xianzhi's throat without hesitation.

Ran Bing rolled her eyes at Su Chen and said, "I have killed three strong men and I have no sense of superiority. Su

Chen smiled and said, "Ran Bing, next time I will help you kill a demon, you will feel superior again.""

"Forget it, it's not just my strength that kills strong men. I have a fart superiority complex."

"Then you should hurry up and practice."

Su Chen said and looked at Hong Xixiang and asked, "Hong Xixiang, no, I should call you Lu Zu. You should have recovered the memory and cultivation of your previous life. Do you regret not ascending five hundred years ago?"

Hong Xixiang shouted with an angry expression,

"Do you regret it?"

"I regretted it very much after I regained my memory"[]

"In this life, I have understood the true meaning of cultivating immortals. Immortals have no desires or desires. They cannot violate the laws of heaven and cannot have emotions. Only in this way can they continue to grow and become stronger."

"I regret giving up my ascension for a woman in my previous life"

"In this life, I originally wanted to cut off the black hair with Xu Zhihu, but I didn't expect to meet you, the immortal descended to earth. My strength can easily break through the heavenly gate and ascend to the immortal world."

"woman? It's all because of women!"

"I didn't ascend because of women in my previous life, and I will fall because of women in this life. How could I not regret it?"

Deng Tai'a and Jiang Ni were very shocked. What

Hong Xixiang said was so shocking. 283 Human beings have no emotions, no desires and no desires. Are such human beings still human beings?

Beasts all have family affection, and also They know how to love and protect their cubs.

If humans don't have emotions and desires, such humans will be worse than beasts. What's the use of such humans even if they are strong?

Uncle Jiu was angry and reprimanded,

"What nonsense!"

"How can a Taoist abandon the seven emotions and six desires? How to abandon human emotions? How can you have no desires and no desires?"

"Human beings have no family ties and no human emotions. Even if a person like you becomes an immortal, you will fall into the devil's path. No, without the seven emotions and six desires, you are not even worthy of falling into the devil's path."

Deng Tai'a looked at Hong Xixiang in disgust and said,

"Lu Zu, you used to make me admire you very much, and I also respect you very much. I admire you for giving up your ascension for a woman, which shows that you are a kind and righteous human being."

"But today, you make me very disgusted. You are not worthy of being a human being. You are not even as good as a beast at this moment."

"Immortals have no desires or desires? No emotions or desires? No human emotions? What you said is complete nonsense."

"Look at Su Chen, isn't Su Chen an immortal?"

"The little bastard is not only a shameless bastard, but also very shameless, and even a lecher. Does Su Chen have no desires or desires? Doesn't he have any emotions? Does he have no human emotions?"

Chapter 3092

Jiang Ni and Xu Weixiong looked at Su Chen one after another. What

Uncle Jiu said was very reasonable.

Su Chen was an immortal, the Emperor of Heaven in the immortal world, and the strongest person in the immortal world. Su Chen was not an immortal who had no desires or desires. It's not that immortals don't have all kinds of emotions, shameless bastards are still lechers, and they all feel that immortals are not without desires and emotions.

Su Chen's face turned dark.

Is Uncle Jiu using him as a negative example?

He is the Emperor of Heaven in the top realm of the Great Chaos World, but he was called like a gangster by Uncle Jiu.

Isn't Uncle Jiu worried about his revenge?

Does Uncle Jiu want to be reincarnated as a beast in the future?

Su Yue looked at Su Chen and said with a smile, "Dad, you are being treated as a negative teaching material!"

Su Chen glanced at Su Yue with evil intention and asked, "Little girl, you seem to be very happy?"

Su Yue hurriedly tensed her face. He said with a serious face,

"No, no, Dad, I am angry that the old Taoist priest said this to you. I will make the old Taoist priest reincarnate as a beast in the next life, and he will be reincarnated as a beast in the next life."

Uncle Jiu's face turned pale.

He was talking so enthusiastically that he forgot that Su Chen and Su Yue are immortals.

He treated what Su Chen said just now like gangsters. If Su Chen and Su Yue were angry, Uncle Jiu guessed that he would be very tragic in the future. , he might really be reincarnated as a beast in 747 lifetimes.

Jiang Ni, Xu Zhihu and the other girls smiled.

Seeing Uncle Jiu's panic, the girls felt that Su Yue was scaring Uncle Jiu. Su Chen would not let Su Yue Turn Uncle Jiu into reincarnation as a beast.

Hong Xixiang was confused for a while and shouted,

"Suchen? Immortal? Are you wrong?"

"Impossible, all immortals have no desires, no emotions, no human emotions"

"According to legend, the Heavenly Rules stipulate that immortals cannot have Taoist companions. Su Chen must be an immortal who fell into the devil's path. The Heavenly Court in the immortal world will not let Su Chen go. Su Chen will definitely be caught and executed by the immortals in Heaven."

Su Yue touched her fair chin and said funnyly,"Heavenly Rule of Heaven? Old man, my eldest sister is the Emperor of Heaven. Why don't I know that the laws of heaven stipulate that immortals cannot have Taoist companions?"

Hong Xixiang shouted in disbelief,

"Big sister? Emperor of Heaven? You are talking nonsense, the Heavenly Emperor is the Jade Emperor, how could he be a woman?"

Su Yue said with a look of disdain,

"Humph, would I lie to you, a human scumbag?"

"My eldest sister is the Emperor of Merlot Heaven in Xuantian Realm, the top realm in the Great Chaos World."

"My eldest sister controls more than a dozen vast realms, thousands of small worlds, and has dozens of powerful saints under her command. Countless quasi-sages and Daluo Golden Immortals, hundreds of billions of heavenly soldiers and generals, have destroyed countless Fairyland and the realm of the powerful Chaos Demon God"

"In the entire chaotic world, no immortal dares to disobey my eldest sister, not even the heavens dare to disobey my eldest sister."

"My aunt is also an empress. She is known as the ruthless empress. She also controls a wild realm."

"The Jade Emperor? A scumbag who was the prehistoric emperor, the Jade Emperor was not as good as Hongjun's boy Haotian, and a scumbag immortal, he is not even qualified to see my eldest sister."

Hong Xixiang heard Su Yue's words and shouted frantically, "How is that possible? How is that possible? You are talking nonsense. You must be talking nonsense."

Xu Zhihu and Ran Bing were very puzzled.

Isn't Su Chen the Emperor of Heaven?

Why did Su Yue say that Su Chen's eldest daughter was the Emperor of Heaven? Did Su Chen abdicate? Or was he overthrown by his daughter?

Ran Bing opened his eyes wide. He asked Su Chen, "Su Chen, are you abdicating? Or was it overthrown by your eldest daughter? Jiang

Ni raised his small fist and snorted coldly, "Hmph, I guess Su Chen was overthrown. Su Chen was a pervert. His woman must not like Su Chen, so she rebelled and overthrew Su Chen from the throne of Heavenly Emperor.""

Xu Weixiong glanced at Su Chen and guessed,

"What Jiang Ni said makes sense

"Su Chen is a lustful person, and he doesn't have any strength yet. His wife and daughter may not understand Su Chen's lustfulness, and may join forces to overthrow Su Chen's rule."

Yu Youwei touched her fair chin and said,

"What Princess Jiang Ni (afbh) and Xu Weixiong said is very reasonable. Su Chen said that he had no cultivation level due to experience. I guess he was demoted to our world and reincarnated into a new life.

Ran Bing asked Su Chen doubtfully, "Su Chen, are you really overthrown by your daughter?"

Sheng Cai'er said with a cold face,

"Impossible, it is impossible for Su Chen to be overthrown as Emperor of Heaven. I don't believe that Su Chen will be overthrown by his daughter."

Xu Zhihu looked at Su Chen in confusion.

Was Su Chen overthrown from the throne by his daughter?

Is it possible?

However, Su Chen had no strength when he appeared in their world. Xu Zhihu didn't know whether Su Chen was overthrown from the throne.

Uncle and Deng Tai'a looked at each other.

They couldn't understand.

Su Yue clearly said that Su Chen was the Emperor of Heaven in the Xuantian Realm before. Why did she say that Su Chen's eldest daughter was the Emperor of Heaven now? Could it be that Su Chen was seduced by her because he was lustful? The daughter overthrew the throne?

Su Yue secretly glanced at Su Chen and lowered his head.

The eldest sister overthrew her father's throne?

Is it possible?

No matter how bold and lawless her eldest sister was, Su Yue guessed that her eldest sister would not dare to rebel.[]

"Ran Bing, kill Hong Xixiang." Su Chen had a dark face and didn't want to talk to people like Jiang Ni.

Su Yan overthrew him as the Heavenly Emperor?

Does the little girl want to overthrow his Heavenly Emperor?

In the Xuantian Realm,

Su Yan, Su Yue, Elena, Su Yao, and others There is a ruthless empress, and they are special beings in the Xuantian Realm.

Except for her women, no immortal in the Xuantian Realm dares to disobey them. Even her women dote on them one by one. And care.

Ran Bing looked at Su Chen and shouted speechlessly, "Why is it me again? Su Chen, can't you change someone else?"

"I come."

Xu Weixiong drew out her long sword and walked toward Hong Xixiang with a cold face. She wanted to kill the ruthless beast with her own hands.

Xu Zhihu drank tea without looking at Hong Xixiang. Everything in the past and present life will end today.

Hong Xixiang?

Xu Zhihu just regarded him as a passer-by in life, a passer-by who gave her some memories.

"Yue'er, the souls of these people have also been destroyed. They are not qualified to be reincarnated.....Nanny?"

Whoosh!

A woman in white appeared silently next to Su Chen.

The woman was looming and could not see her body and appearance clearly, but her figure was sexy and attractive, and her white dress swayed in the wind, making people unable to bear to look at it.

Su Chen was suddenly confused as he spoke, why is the Ruthless Empress here too?

Didn't Su Yue say that luck and heaven could only send her here alone?

Su Yue saw the Ruthless Empress and shouted in surprise, "Auntie, How did you come to this world?".

Chapter 3093

Su Yue was very confused when she saw the ruthless empress arriving.

Didn't the destiny of heaven say that only one person could be teleported?

Why did my aunt arrive?

Is Qi Yun Tian Dao deceiving their sisters?

Su Yue's teeth were itching.

In order to come to the small world to meet her father this time, Su Yue suppressed Elena and Su Yao. After she went back, she would probably be denounced by her two sisters, and her mother, Concubine Yan, would also teach her a lesson.

Xu Zhihu and Ran Bing looked at the ruthless empress,

Su Chen's sister?

Su Yue's aunt?

They couldn't see the face of the ruthless empress, but her body curves made them ashamed.

The ruthless empress said softly, "Yue'er, you are not good. How can you suppress your sisters?"

Su Yue grabbed the ruthless empress and said coquettishly, "Auntie, I just want to see my father. The luck of heaven says that only one person can be teleported." Come "May 67", if I don't suppress my sisters, I can't come to see my father"

"You, you will be imprisoned by your mother when you go back."

Su Yue said with a pitiful look, "Aunt, you have to save me. I don't want to be imprisoned in a small black room of time and space."

"Let's see then."

The ruthless empress touched Su Yue's hair. She looked at Su Chen and said with a smile,

"elder brother."

Su Chen curled his lips and said silently, "Nanny, I thought you had forgotten your brother."

The ruthless empress walked to Su Chen and said, "Brother, haven't I had time to talk to you? Su

Yue showed a sly smile and said, "That's right, dad, you won't even be jealous of your daughter, right?"

"Yue'er, dad originally wanted to give you a gift, but if you dare to laugh at dad, your gift is gone."

Su Yue hurriedly grabbed Su Chen and shouted, "No, Dad, I didn't laugh at Dad, give me a gift quickly."

"Let's talk later. Nanny, please take me out of here. I have something to tell you."

"ok brother"

"And me, and me, dad, you won't abandon your well-behaved daughter, right?"

"come together"

"Haha~, dad is better."

The Ruthless Empress pulled Su Chen and disappeared instantly, and Su Yue also disappeared into the tea shop. The tea shop became quiet for a while, and everyone looked at each other speechless.

They wanted to hear what Su Chen and the Ruthless Empress said, but they just I didn't expect that Su Chen and the ruthless empress would go to other places to talk.

"Su Chen's sister's face can't be seen clearly, but her figure is so perfect and her noble and cold aura makes me dare not look at her directly."

"Jiang Ni, Su Chen's sister is an immortal and the empress of a realm. She doesn't show any momentum at the moment, otherwise we will all be suppressed and turned into nothingness."

"Xu Weixiong, you are wrong. As long as Su Chen's sister shows a little bit of momentum, your world will be shattered and destroyed."

"It's so scary. How could Su Chen's sister come to our world? Su Chen was probably not overthrown as the Emperor of Heaven by his eldest daughter, but why did Su Chen have no cultivation realm?"

"I don't know, Su Chen may have a seal cultivation level, what kind of experience will he have in our world?"

"What do you think Su Chen and his sister were talking about? Didn't Su Yue say that Qi Yun Tian Dao can only teleport one person? How could Su Chen's sister come to our world?"

"Sheng Cai'er, do you know?"

"I have no idea."

Jiang Ni and Ran Bing chatted with the girls for a while. They couldn't guess what Su Chen and the ruthless empress were talking about, and they didn't understand why the ruthless empress had come to their world.

Xu Zhihu rubbed his sore forehead,

Su Chen's origin is too scary.

Su Chen's daughter and sister are here.

Who is she?

Aunt?

Sister-in-law?

Neither Su Yue nor the ruthless empress would call her, not because she is a mortal, nor because she is Su Chen. Xu Zhihu cannot bear the title of Su Yue and the ruthless empress.

Luck?

The luck Su Yue is talking about is probably human luck.

If Su Yue calls her aunt, she will accept Su Yue's name.

Xu Zhihu is not an immortal and cannot accept the huge luck. She may be torn apart by the huge luck in an instant. Jiang Ni pointed at the wall of Emperor Wu City and shouted, "Look, Xu Fengnian is on the wall, Emperor City of Emperor Wu Of the twelve sword slaves, three were left dead."

Xu Weixiong said with a cold face,

"Xu Fengnian has the help of Wudang Sect masters, and the sword slaves in Emperor Wu City are no match for Wudang Sect masters. Ran

Bing touched the short blade and mocked, "Xu Fengnian is also a fool. He didn't even know that Li Chungang was killed. He still went to get the sword box without knowing whether he was alive or dead.""

Yu Youwei glanced at Deng Tai'a and said, "Li Chungang, Wang Xianzhi, Zhao Xuansu, and Hong Xixiang are all dead. Almost all the strong men in our world died at once."....."

Jiang Ni blinked his eyes and said, "Su Chen is a disaster star, are you right?"

Ran Bing showed a malicious expression and said, "Jiang Ni, do you still want to be taken by Su Chen to see the stars?"

"Ahem, I didn't say anything just now."

Jiang Ni glanced at Ran Bing.

What a hateful woman.

Ran Bing was also taken to see the stars by Su Chen. She didn't expect that Ren Ran Bing would be so hateful that she wanted to tell the truth.

Yu. Youwei, Sheng Caier, and Xu Zhihu also blushed.

Looking at the stars?

They were all taken to see the stars by Su Chen. Su Chen shamelessly took off half of their clothes.

Except for Xu Zhihu, who was Su Chen had troubled her, and they all did embarrassing things to Su Chen.

Xu Weixiong was very confused, why look at the stars?

More than once, she heard Jiang Niji's girl talk about looking at the stars, and she also saw Jiang Niji's face full of tears. His face was red, how could the girls be blushing when they looked at the stars?

Xu Weixiong looked at Jiang Ni and the girls and couldn't understand.

Sheng Cai'er stood up and said coldly, "Ran Bing, Qingniao, let's kill Xu Fengnian, you deal with those who are powerful Low-level people, I will kill Wudang Celestial Realm"

"good"

"Can"[]

Ran Bing and Qingniao nodded in agreement while holding weapons.

They were referring to the Xuan Realm.

They would kill or contain the remaining disciples of the Wudang 2.2 Sect and Xu Fengnian's men.

Yu Youwei handed the white cat to Xu Zhihu and said, "I will help you too."

Xu Weixiong drew out his long sword and said, "Let's go together, I will only kill Wudang disciples"

"Thanks, we'll go now."

Sheng Cai'er said and disappeared. Ran Bing and the four girls of Qingniao quickly rushed towards the city wall.

Jiang Ni lay helplessly on the table.

She was an empty shell of Zhixuan Realm. Jiang Ni was unable to help Ran Bing and the girls. Help.

Xu Zhihu hugged the white cat and shook his head.

Xu Fengnian was dead.

Although she didn't want Xu Fengnian to be killed, she knew she couldn't persuade Su Chen to let Xu Fengnian go, and Xu Zhihu couldn't persuade Ran Bing and Sheng Cai'er.

Jiu Zhihu The uncle asked in confusion, "Mrs. Deng, do you think I still need to kill Xu Fengnian?".

Chapter 3094

Deng Tai'a glanced at Uncle Jiu while drinking tea.

Uncle Jiu was a scumbag.

What was he going to do?

To die?

Or let those women protect him?

Uncle Jiu doesn't have any clues in his heart?

"well!"

Deng Tai'a looked at the wall of Emperor Wu City and sighed.

Xu Fengnian is dead.

It will be impossible for him to be reincarnated as a human being in the future.

Su Chen asked his daughter to destroy the souls of the four Li Chungang people, and Xu Fengnian's soul cannot escape.

Uncle Nine He asked in confusion,"I said, Lao Deng, why are you sighing? Do I need to help Ran Bing and her girls?"

"Lao Jiu, a disciple of the Wudang Sect or a subordinate of Xu Fengnian, which one can you kill?"

"I....."

"Have some tea, you are just a scumbag, you won't be able to help at all, and you will also bring trouble to Xu Weixiong and the ladies."

"Su Chen is really unreasonable. He only helped Ran Bing and the girls improve their cultivation level, but he didn't even improve my cultivation level. No, I also want Su Chen to upgrade me to the Zhixuan realm."

Uncle Jiu was very depressed while drinking tea.

Ran Bing and Jiang Ni had no cultivation before.

What about now?

Each of them is stronger than the other.

Su Chen only helps beautiful beauties improve their cultivation. He is an old Taoist priest, but He also needs strong strength.

Future destiny missions will become more and more terrifying, and

Uncle Jiu doesn't want to die in the destiny mission one day. At this time, on a mountain outside Emperor Wu City,

Su Chen and the ruthless Empress were sitting on the transformer They were chatting on the chairs that came out, and Su Yue listened with interest.

The ruthless empress showed a surprised expression and asked, "Brother, you said you are now in the Territory Lord realm?"

Su Chen took a sip of tea and shook his head and said, "Yes, brother, although I am in the Territory Lord realm, I am still a scumbag in the Hongmeng world. There are countless strong people who are stronger than me."

Su Yue shouted excitedly,

"Dad, you are already very powerful"

"Above the Saint Realm are the Emperor Realm, Dao Realm, Territory Lord Realm, Realm Master Realm, and Hongmeng Supreme. In less than a hundred years, Dad has advanced to three major realms and thirty-six minor realms. Dad is going to be awesome."

Su Yue was very happy.

In just a hundred years, her father had become a powerful man in the Hongmeng world. Although he was not strong enough to dominate the Hongmeng world, it had only been a hundred years.

What if another hundred years passed?

Su Yue guessed that she Father will advance to the realm of Hongmeng Supreme.

The ruthless empress knocked on Su Yue's little head and said, "Yue'er, please speak more civilly. Why are you becoming more and more like your sister Su Yan? You are a princess of the realm, not a human being." bad woman"

"Auntie, I am excited from moment to moment."

The ruthless empress rolled her eyes at Su Yue, and she continued to ask Su Chen, "Brother, you didn't see Sister-in-law Murong in Hongmeng World?"

Su Chen replied helplessly,

"No, Hongmeng World is thousands of times larger than Chaos World"

"My strength is scum, and I don't dare to look for Murong Qingcheng in the Hongmeng world. And even if I search, I may not be able to find Murong Qingcheng for tens of thousands of years. The ruthless empress thought and guessed, "Sister-in-law Murong should know that her brother has gone to Hongmeng World. I guess she will go to find him.""

Su Chen leaned on the chair and looked at it seriously,

"I've thought about it too"

"Murong Qingcheng must know that I went to Hongmeng World,

"She didn't come to me immediately"

"I guess she was worried that her opponent knew about my existence, and Murong Qingcheng didn't want to bring me a fatal disaster."

When Su Chen arrived in the Hongmeng World, he felt that Murong Qingcheng was paying attention to him. Su Chen looked at the Hongmeng World and didn't pay much attention to it.

Now thinking about it,

Murong Qingcheng may have been paying attention to him silently for a hundred years.

Damn it. ,

Su Chen suddenly thought of the romance he had with several women over the past hundred years. Was Murong Qingcheng spying on him again?

"Brother, why did you appear in the world of chaos this time? Have you appeared in the small world without cultivation?"

The ruthless empress nodded when she heard Su Chen's words.

However, she thought of Su Chen coming back to the big world of chaos.

She couldn't understand why Su Chen came back again? The realm of cultivation has not yet appeared in the small world.

Su Chen said nonsense without blinking,

"I got a trial talisman before"

"Bing Ji and Xue Ji broke through in seclusion in the snowy mountains. I used the trial talisman out of boredom after guarding them for more than ten years. I didn't expect that there would be a trial in the small world in the big chaotic world. Su

Yue poured tea for Su Chen and said with a smile,"Dad, have you managed to find a powerful woman in Hongmeng World?" Su

Chen glared at Su Yue with a dark face and threatened,"Xiao Yue'er, you are as skinny as your sister. Do you want me to put you in a dark room?""

"Huh, bad daddy"

"No matter how bad I am, I am still your father"

"Dad, didn't you say you would give me a gift? Take it out quickly and let me see"

"Do you think it's possible? I don't have any cultivation now, how can dad get it for you?"

"Ah~"

"Haha~"

Su Chen laughed when he saw Su Yue's pouty look.

Su Yue was almost a hundred years old, and the little girl had grown into a tall and graceful beauty, but Yue'er was still like a child around him,

Su Yue Chen was very happy.

He also liked his daughters acting coquettishly around him.

"System, unlock the items in my system space and give them to my sister and my daughter."

【Ding, just this once, host, don't take out items in the small world, otherwise the small world will not be able to bear the brokenness.】

"Thank you, little girl. I will love you very much in the future."

【Ding, gangster. 】

Let me join in, a gangster?

He is a rogue, and the system girl and he have a life-or-death relationship.

Su Chen's every love affair has been seen by the system, and the system girl will also be his woman in the future. (Brother Zhao)

Su Chen took out the space ring and handed it to the ruthless empress and said,

"Sister, the space ring contains some Hongmeng spiritual liquid, Hongmeng spiritual fruit, many innate treasures and chaos spiritual treasures, and several low-grade Hongmeng spiritual treasures."

"You and your sisters-in-law have discussed the separation. Don't take these things out in the small world, otherwise the small world will not be able to bear the broken eyes."

"Okay, brother."

The ruthless empress smiled and took the ring and nodded. She knows what Hongmeng Spirit Liquid is.

Hongmeng Spirit Fruit should be the best spirit fruit in the Hongmeng World, just like the best innate spirit fruit in the Chaos World.

The innate treasure and chaos Spiritual treasures?

These are rubbish spiritual treasures in the Hongmeng world, but they are top-level spiritual treasures in the chaotic world.

Hongmeng low-grade Hongling treasures, the ruthless empress guessed that in the Hongmeng world, Hongmeng spiritual treasures are also rare spiritual treasures

"Dad, my gift, where is my gift?".

Chapter 3095

Su Yue saw that Su Chen could take out the space ring, and she guessed that Su Chen could also take out her gift, a bad father.

Su Yue was already over a hundred years old, and with the age in the time barrier,

Su Yue's age was Even though she was hundreds of thousands of years old, Su Chen still treated her like a child.

Su Chen took out another space ring and said, "This space ring is for you, Yue'er. There are four sets of wide-sleeved fairy skirts in the space ring, which are also Chaos Spirit Treasures. Each of you four sisters will have one set.""

"Haha, thank you dad."

Su Yue hurriedly took the space ring and smiled.

Four sets of wide-sleeved flowing fairy dresses are still Chaos Spiritual Treasures.

Yes, very good.

The four sisters don't even have a Chaos Spiritual Treasure.

This time, each of them has a Chaos Spiritual Treasure. Elena and Su Yao would be very happy when they found out.

Su Chen shook his head when he saw Su Yue's happy look.

He asked the ruthless empress, "Sister, how did you come to this small world?"

"I let the Avenue of Chaos send me to this small world."

The ruthless empress showed a smile on her cold face, and

Concubine Yan informedIt is said that Su Chen appeared in the small world, and the destiny of heaven can only transport one person to the small world. Su Yue also suppressed the two sisters who were transported here. The ruthless empress has not seen Su Chen for a hundred years.

She also misses her brother very much. The Human Empress tried to communicate with the Avenue of Chaos, but she didn't expect that the Avenue of Chaos really responded to her and teleported her to the small world where Su Chen was.

Su Chen frowned and asked in confusion,

"Avenue of Chaos? Sister, why did Chaos Avenue send Yan'er to Hongmeng World? What's her purpose?"

"For the Hongmeng spiritual liquid, Chaos Avenue needs three pots of Hongmeng spiritual liquid. She asked Yan'er to get three bottles of Hongmeng spiritual liquid for her brother."

"Let me go, how does Chaos Avenue know that I have Hongmeng Spiritual Liquid?"

"Brother, the jade talisman given to you by Chaos Avenue, your every move will be under the surveillance of Chaos Avenue."

The ruthless empress rolled her eyes at Su Chen in silence. She was even more speechless when she thought about Su Chen on the Avenue of Chaos.

In just over a hundred years, her brother had prospered in the Hongmeng world.

Su Chen also managed to defeat the Rakshasa Supreme. , in the territory of the Rakshasa Supreme, Su Chen can say that no living being dares to offend her brother.

There is also the Jiuyou Supreme, one of the three most powerful supreme beings in the Hongmeng world.

Her brother not only shamelessly threatened the Jiuyou Supreme , Jiuyou Supreme has nothing to do with her brother.

Moreover, what happened to Su Chen and the women in the Hongmeng World, the Chaos World actually said it, peeping?

The ruthless empress thought of what Concubine Yan and the girls said,

Su Chen Chen has been peeped by many women before, including Jellyfish Yinji, Guanyin Bodhisattva, Wudang Virgin Mother Nuwa, Murong Qingcheng and other women, and now the Avenue of Chaos.

His brother probably doesn't have any secrets.

Everything about Su Chen has been powerful women know

"Damn it, Avenue of Chaos is spying on me? Chaos Avenue knows everything I do in Hongmeng World. Damn it, isn't Chaos Avenue afraid of needle eyes?"

Su Chen's face was dark and he wanted to kill Chaos Avenue, but he was spied on again.

He seemed to have been spied on by powerful women.

In Tianxuan Continent,

Jellyfish Yinji and Shi Guanyin had spied on him.

In Shenyu Continent,

Guanyin Bodhisattva and Wu Wu When the Holy Mother and the other girls peeped at him, in the ancient fairyland,

Nuwa and the Queen Mother peeped at him, in the Xuantian realm,

Murong Qingcheng in the ladder to heaven kept peeping at him, in the Hongmeng world, the Rakshasa Supreme probably also peeped at him,

Jiuyou The Supreme has been peeping on him for a while, and the sexy and charming Jiuyou Supreme may still be peeping on him, and now another Avenue of Chaos has spied on him.

In addition, from the beginning to Su Chen was peeping on girls in his system every day.

Su Yue said with a smile,

"Dad, you should be content. Fortunately, the people spying on you are all women, and they are all powerful women in various worlds. If you were a man, you would definitely be angry and want to kill someone."

"Yue'er, please stop meddling in adults' affairs."

"Huh, I'm over a hundred years old, I'm no longer a child"

"You will always be a child in dad's eyes"

"Dad, I love hearing what you say. The ruthless empress stroking her hair asked, "Brother, do you want the Hongmeng spiritual liquid to be given to the Avenue of Chaos?""

Su Chen rubbed his forehead and said helplessly, "Three pots of Hongmeng spiritual liquid? The Avenue of Chaos is really a lion's mouth."

The ruthless empress said with a smile,

"Brother, Chaos Avenue said that my brother got a lot of Hongmeng spiritual liquid, more than all the Hongmeng Supreme. It doesn't matter if you give Chaos Avenue three pots of Hongmeng spiritual liquid."

Su Chen twitched his corner.

He got a lot of Hongmeng spiritual fluid, one hundred and seven pots at a time.

However, the black-hearted system girl asked for fifty-four pots, and he gave Nine Nether Supreme ten pots. ,

Su Chen also gave ten pots to Nie Xiaoqian and the girls, and this time he gave ten pots to the ruthless empress.

Su Chen had more than twenty pots left, and he would give Jiuyou Supreme a pot of Hongmeng spiritual liquid every thousand years, and more. If you want to leave a few pots for Murong Qingcheng, there won't be much Hongmeng spiritual liquid left in Su Chen's hands.

"Forget it, brother will give you three more bottles of Hongmeng Spiritual Liquid. The Avenue of Chaos is not bad. You can go back and give it to the Avenue of Chaos."

The ruthless empress nodded in agreement,

"The Avenue of Chaos is good. In the entire chaotic world, Xuantian Realm can be said to be in a dominant position."

"It doesn't take half a million years,"

"All realms in the chaotic world"

"We in the Xuantian Realm will all conquer. Thanks to the Chaos Avenue giving us the spatial coordinates of all the realms, we in the Xuantian Realm can quickly conquer each realm."

Su Chen drank tea and nodded.

The Great Avenue of Chaos is good.

The Great Chaos World will be the world of the Xuantian Realm in the future.

Su Chen was thinking about changing the name of the Great Chaos World? The Great World of Xuantian seems to be very good.

Su Yue gave The ruthless empress poured tea and smiled and said, "Auntie, dad said he would take some people to Hongmeng World, and he also promised to take us sisters there. Auntie, please go to Hongmeng World together."

The ruthless empress asked in surprise and hastily, "Brother, do you want to take people to Hongmeng World?"

Su Chen rolled his eyes at Su Yue and replied,

"Well, I have this idea. There will be no danger in the territory of the Supreme Rakshasa. I want to take some people to the territory of the Supreme Rakshasa. The Hongmeng spiritual energy in the Hongmeng world will do twice the result with half the effort."

Chapter 3096

"Brother, can you take me to Hongmeng World?"

The ruthless empress wants to go to the Hongmeng world.

She is at the fifth level of the holy realm. Her cultivation level is neither high nor low.

She is not as good as the Queen Mother and Yin Ji, let alone Nuwa and the Ice Demon God..

However,

Hongmeng World is a big world where strong people gather, and the ruthless empress wants to visit Hongmeng World.

Su Chen said with a helpless expression,

"Sister, don't go to the Hongmeng World yet. I plan to let the Ice and Snow Demon God and Nuwa go to the Hongmeng World first. When I advance to the Hongmeng Supreme Realm, I will take you to the Hongmeng World. The ruthless empress rolled her eyes at Su Chen and said, "Brother, isn't the territory of the Rakshasa Supreme safe?" When I go to Hongmeng World, I will only practice in the territory of the Rakshasa Supreme. I will not be in danger."

Su Yue took Su Chen's arm and shook it and said, "That's right, dad, just let aunt go with us."

Su Chen shook his head speechlessly,

Rakshasa Supreme?

He has never met Rakshasa Supreme.

The system said that Rakshasa Supreme 09 has been following him for a period of time.

Rakshasa Supreme not only killed the Shura Realm Lord for him, but also followed and protected him for a period of time. , but what purpose does the Rakshasa Supreme have for him?

Su Chen still doesn't know.

He brought a few people to Hongmeng World. Su Chen can ask Mia and Emilia to protect them.

If he brings more people,

Su Chen was worried that something would happen, and he did not have the ability to protect many people at the same time.

Su Chen thought for a while and said,

"Sister, please discuss this matter with your sisters-in-law. I am going to take five people to Hongmeng World."

"Ok brother!"

The ruthless empress had a cunning look in her eyes.

Five people?

Discuss?

She decided to get a place to go to Hongmeng World. She also believed that Concubine Yan and the other women would not object.

Su Yue hurriedly asked Su Chen, "Old Dad, are our sisters not among the five?"

Su Chen smiled and nodded and replied,

"No, but you sisters must convince your respective mothers that your mothers agree to let you go to Hongmeng World. Dad will take you to Hongmeng World."

"Ah~ we sisters still have to convince our respective mothers? Dad, won't you agree?"

"I can not"

"Dad, you are already in the Territory Lord realm, why are you still afraid of your wife?"

Su touched Su Yue's hair and said, "Little girl, I am Hongmeng Supreme. I am also afraid of your mother and aunts."

"I....."

Su Yue shook her head speechlessly.

It was difficult.

Su Chen agreed to take the sisters to Hongmeng World, but the sisters still had to pass the test of their respective mothers.

Su Yue thought of her mother, Concubine Yan, and she showed a helpless expression.

Su Yue guessed that her mother, Concubine Yan, would not agree.

She has not yet advanced to the Holy Realm.

In the Great World of Hongmeng,

Su Yue's cultivation level is a scumbag and cannot be a scumbag. She guessed that her mother, Concubine Yan, would not agree to her going to Hongmeng World.

Su Yue hurriedly begged to the ruthless empress, "Aunt, you have to help us. My eldest sister has gone to Hongmeng World, and my sisters and I also want to go to Hongmeng World." The ruthless empress shook her head and said, "Yue'er, aunt I can't help you, the Hongmeng world is too dangerous, and I can't convince your mother."

Su Yue lay on the table dejectedly, the ruthless empress couldn't help their sisters, Su Yue had no choice at all

"Yue'er, daddy, why don't you take your sisters next time?"

"No, Dad, you agreed to take us sisters to Hongmeng World before. You can't keep your word."

"Forget it, tell your mother, dad will let you sisters stay in the small world of time and space on my body. I think your mother will agree with you sisters going to the big world of Hongmeng."

"Yeah!"

Su Yue nodded hurriedly and said with a smile, are the sisters staying in Su Chen's small world of time and space?

Is it possible?

The sisters want to travel around the Hongmeng world, and they also want to see the difference between the Hongmeng world and the chaotic world. They just I will not stay in Su Chen's small world of time and space forever.

Su Chen stood up and stretched his waist and said, "Sister, you take Yue'er back to Xuantian Realm. After three months, I will notify Chaos Avenue to send some people to Hongmeng University. world"

"Good brother."

"Dad, don't forget Elena, Su Yao and I."

Whoosh!

The ruthless empress pulled Su Yue and disappeared instantly beside Su Chen. Su Chen was stunned when he saw the ruthless empress and Su Yue disappear.

Did her sister and his daughter forget something?

What about him?

The ruthless empress and Su Yue disappeared. Why didn't Su Yue send him back to Emperor Wu City?

Su Chen is an ordinary person now.

The hill is at least ten miles away from Emperor Emperor City. It would take him more than an hour to return to Emperor Emperor City by himself.

Su Chen patted his forehead and said speechlessly, "Oh, Su Yue happily forgot about him, but the ruthless empress couldn't wait to leave. Is the Hongmeng world so attractive?"

At this time, in Emperor Wu's city,

Qingniao and Ran Bing killed more than a dozen disciples of the Wudang sect. The Wudang sect's Celestial Realm was instantly assassinated by Sheng Cai'er.

The three Wei Shuyang and Ning Emei beside

Xu Fengnian were killed by Ran Bing. ,

Shu Sha was killed by the blue bird, []

Wei Shuyang and Xu Fengnian jumped off the city wall and fled towards the tea shop.

There was Xu Zhihu in the tea shop.

Wei Shuyang wanted Xu Zhihu to save Xu Fengnian.

Xu Zhihu was a couple with Ran Bing. With the arrival of his daughter, Wei Shuyang expected Xu Zhihu to rescue Xu Fengnian

"Miss, please save the young master."In the 530 tea shop,

Xu Zhihu heard Wei Shuyang's plea for help in the distance. She shook her head with a helpless expression, save Xu Fengnian?

How could she save it?

Sheng Cai'er and Ran Bing had reasons to kill Xu Fengnian, and Su Chen didn't. Will let Xu Fengnian go.

Xu Zhihu has looked away.

She has been reborn.

Xu Zhihu has nothing to do with the Xu family. As long as Xu Longxiang does not die, she will not be involved in the life and death of others.

"Sister, save me."

Xu Fengnian ran to the tea shop and shouted.

He was scared.

All the Wudang masters were killed. Ning Emei and Shu Sha were also killed. Li Chungang and Hong Xixiang were not in Wudi City.

Xu Fengnian didn't want to be killed.

He could only beg. Xu Zhihu helped him escape.

Deng Tai grabbed Uncle Jiu who was about to take action. Uncle Jiu was a scumbag. He was worried that Uncle Jiu would be killed by Xu Fengnian if he took action.

Jiang Ni drank tea without looking at Xu Fengnian,

Xu Fengnian?

The son of an enemy, forget it. Now that

Yunyan has passed,

Jiang Ni doesn't intend to say anything more to Xu Fengnian.

"ah!"

Outside the tea shop,

Sheng Cai'er instantly cut Wei Shuyang's neck. She walked into the tea house with a cold face and wanted to kill Xu Fengnian.

"Xu Fengnian, I can't save you. You did something wrong this time. You shouldn't use me to attract the Hong Xixiang."

Chapter 3097

Xu Zhihu shook his head and rejected Xu Fengnian directly.

Xu Fengnian was the same as Xu Xiao.

They were both people who would do whatever it took to achieve their goals. In his eyes, their relatives could be used at will.

Flooding elephant?

Why did Xu Fengnian tell Hong Xixiang about her?

In order for the Wu-Tang Clan to kill Su Chen?

To get the Wu-Tang Clan to help him?

Didn't Xu Fengnian think about her when he did this?

Xu Fengnian didn't want to think about whether she would die?

Xu Zhihu was extremely disappointed with Xu Fengnian.

She had sacrificed too much for the Xu family and Xu Fengnian.

Whether Xu Fengnian lived or died had nothing to do with her, and the Xu family of Beiliang had nothing to do with her anymore.

Xu Fengnian walked towards Xu Zhihu step by step and shouted with a sullen face, "Sister, I am your biological brother, biological brother, and I am the future of Beiliang, why don't you save me?"

"You are no longer, my only brother is Xu Longxiang"

"Are you doing it for Jiangnan Wang Suchen? Are you going to let your brother be killed for an outsider?"

Xu Zhihu said with a cold face,"An outsider? Su Chen is my husband, and I am the Princess of Jiangnan. Is Su Chen my outsider?"

Sheng Cai'er came over without taking action.

Xu Feng couldn't run away in 483.

She decided to give Xu Zhihu some time.

After Xu Zhihu and Xu Fengnian talked for a while, Sheng Cai'er would take action to kill Xu Fengnian.

Deng Tai'a and Jiu Shu , Jiang Ni and the other three sat silently, and they had no intention of talking to Xu Fengnian.

"Sister, are you really not going to save me?"

When Xu Fengnian saw Sheng Cai'er walking to the side, his expression became even more gloomy.

All his men and more than a dozen disciples of the Wudang Sect were dead.

Li Chungang and Wang Xianzhi were still fighting in the East China Sea, and Hong Xixiang had not come to Emperor Wu's city..

No one in Emperor Wu City will save him.

If Xu Zhihu doesn't save him,

Xu Fengnian will not be able to escape from Emperor Wu City alive.

He doesn't want to die yet.

He still has many things to do.

Xu Zhihu?

Xu Fengnian decided to hold Xu hostage Zhihu,

Xu Zhihu is the wife of Su Chen, the king of Jiangnan, and Sheng Cai'er and these people are Su Chen's friends. As long as Xu Fengnian takes Xu Zhihu out of Emperor Wu City, Li Chungang and Hong Xixiang will save him.

Whoosh!

Xu Fengnian rushes to Xu Fengnian quickly Beside Xu Zhihu, he held a broken knife on Xu Zhihu's neck.

"Sister, I have no choice but to hurt you. I will let you go as soon as I leave Emperor Wu City.

Jiang Ni stood up in a hurry and shouted,"Xu Fengnian, what are you doing?" Let Xu Zhihu go!"

Deng Tai'a glared at Xu Fengnian angrily and shouted,"Xu Fengnian, do you know what you are doing? Xu Zhihu is your sister, and you actually held your sister hostage."

Deng Tai'a was completely disappointed with Xu Fengnian.

He felt guilty for not being able to save Xu Fengnian before. Now, Deng Tai'a was so angry that he wanted to beat Xu Fengnian to death.

Uncle Jiu and Sheng Caier were very surprised.

Xu Fengnian actually held his sister Xu Zhihu hostage. ?Is Xu Fengnian completely crazy?

"well!"

Xu Zhihu showed a disappointed expression on his face, brother?

Is this her brother?

Even if Xu Fengnian was forced to have no other choice, could he hold his sister hostage without even recognizing her relatives?

Xu Fengnian shouted to Sheng Cai'er and others, "Stand back. You should know the relationship between my sister and Su Chen. All of you should step back, otherwise I will take action against my sister."

"Xuanjia! Peach blossom!"

"ah!"

Suddenly, two small flying swords from the sword box on the table flew out quickly, and the two small square swords instantly hit Xu Fengnian's arms. Xu Fengnian dropped the sword in his hand and screamed.

Xu Zhihu waved the two swords The little flying sword flew back into the sword box again.

She was not a person without cultivation.

After Xu Zhihu ate the heaven and earth spirit fruit, she had the strength of the Vajra realm.

The little flying sword and secret book given to her by Deng Tai'a,

Xu Zhihu She had just read the cheat book in boredom, but she didn't expect to successfully control the flying sword to hit Xu Fengnian.

Stab!

Shengcai (baaf) ducked and quickly cut Xu Fengnian's neck, Xu Fengnian fell to the ground with his eyes wide open and his neck covered.

Deng Tai'a, Jiu Shu, and Jiang Ni looked at Xu Zhihu one after another.

They did not expect that Xu Zhihu would control the little flying sword. Deng Tai'a gave Xu Zhihu the little flying sword. Feijian and secrets, but in just over an hour, Xu Zhihu actually learned to control Xiao Fei in a short time.

Jiang Ni asked Xu Zhihu in surprise, "Sister Xu, you actually learned to control Xiao Fei?"

Deng Tai'a stroked his beard and smiled and said, "In more than an hour, Xu Zhihu can understand how to control the Little Flying Sword. It is worth the money for me to give the Little Flying Sword to you."

Uncle Jiu and Sheng Cai'er had smiles on their faces.

Mission 3 was completed.

In more than a day, it will take a month to kidnap Xu Zhihu and Xu Weixiong. Their missions 1 and 2 will also be completed.

"I also didn't expect to be able to control the flying sword."

Xu Zhihu shook his head and closed the sword box. She felt a little sad when she saw the killed Xu Fengnian.

Forget it, it doesn't matter if Xu Fengnian is dead, at least he will not be implicated in Xu Longxiang's murder.

Deng Tai'a said to Xu Zhihu,[]

"Xu Zhihu, your cultivation talent is very good. If you have any questions about your cultivation in the future, you can ask me. In a few years, you will be a strong person in the Celestial Realm."

"Thank you, Senior Deng.

Jiang Ni looked at the city wall and shouted in surprise, "Huh?" Why are Ran Bing and Xu Weixiong killing Zhao Kai? Xu

Zhihu looked over and explained, "Wei Xiong has always disliked Zhao Kai. My sister probably wants to kill Zhao Kai." Jiang

Ni saw Sheng Caier sitting down and asked in confusion, "Sheng Caier, aren't you going to help them?"

"No need, Ran Bing, Yu Youwei, Qingniao, and Xu Weixiong all refer to the Mysterious Realm. They can kill Zhao Kai and Yuan Tingshan."

"That's right, Ran Bing's four girls all refer to the Mysterious Realm. They can kill Zhao Kai, Yuan Tingshan, uh, and a puppet."

An hour later,

Su Chen came to the gate of Emperor Wu City out of breath. He wiped the sweat from his forehead and was speechless. He had no strength.

It took him more than an hour to arrive at Emperor Emperor City. Su Chen was still tired, covered in sweat, and his clothes were all wet. Going to get wet

"Su Chen, why are you sweating profusely and coming back alone? Where are your sister and daughter?"

"Husband, sit down and drink tea."

"Su Chen, you won't be abandoned by your sister and daughter, right?"

"It must be because his sister and daughter didn't come back. I guess Su Chen offended his sister and daughter."

"He deserves it."

Jiang Ni and the girls were very surprised to see Su Chen come back.

Su Chen came back dripping with sweat and his clothes were soaked. Why didn't the Ruthless Empress and Su Yue come back with Su Chen? Did the

Ruthless Empress and Su Yue leave?

Just , why didn't they send Su Chen back?

Did Su Chen offend his sister and daughter?

"Don't ask, I'll drink tea and take a rest first"

Chapter 3098

Su Chen drank tea and rested on a chair.

When he entered the Emperor Wu City,

Su Chen saw Ning Emei and the disciples of the Wudang Sect being killed.

There was also the body of Xu Fengnian outside the tea shop. Su Chen knew that Ran Bing and Sheng Cai'er had completed task.

Sheng Cai'er sent a message to Su Chen, [Su Chen, we have completed task three. 】

Su Chen took Sheng Cai'er's hand beside him and said,

"I saw Xu Fengnian's body, Cai'er, the day after tomorrow will arrive in a month. You, Ran Bing, and Uncle Jiu may have to leave. You must remember what I said to you some time ago."

"I will remember."

Sheng Cai'er nodded to Su Chen with a cold face.

Six days ago,

Su Chen told her a lot about what was going to happen in her world, especially the battle at the Exorcism Pass. Sheng Cai'er always remembered that she would talk to her parents. After getting back together, she would not let anything happen to her father."503".

Su Chen said to Bai Yuekui again, "Ran Bing, you must also remember my words. As long as you find Bai Yuekui, you will understand everything. Ran

Bing rolled her eyes at Su Chen and said, "I remember everything you said, and I will also go there to find Bai Yuekui.""

"By the way, where are Uncle Jiu and Tai'a Deng? Why aren't they here?

Xu Zhihu smiled and said, "Husband, Uncle Jiu and Senior Deng went to the boat. Senior Deng wants to go back to Jiangnan with us. He wants to personally teach my sister and me martial arts.""

"That's not bad."

Su Chen didn't expect that Deng Tai'a would go to Jiangnan and teach Xu Zhihu martial arts.

This is very good.

Su Chen forgot to ask Su Yue to merge the small world in the snow into the Xuantian realm. He still has two months in this world. ,

Two months later,

Su Chen will contact Concubine Yan to merge the small world into the Xuantian realm.

However, within two months,

Su Chen will order the Black Armored Army to dispatch.

Beiliang will be destroyed first, and Liyang Kingdom will also be destroyed. The surrounding states will be destroyed.

Xu Zhihu stood up and said, "Husband, Wei Xiong and I are going to bury my brother outside Emperor Wu's city."

"Go ahead. There is a small lake in the southeast of Emperor Wu City. You can bury Xu Fengnian by the small lake."

"good!"

Xu Zhihu smiled and nodded at Su Chen. She and Xu Weixiong left the tea shop with the secret guards.

Su Chen waved to Yu Youwei next to him, "Yu Youwei, come here and give me a massage. Don't do it. Play with the cat"

"Yes, His Majesty the Emperor of Heaven."

Yu Youwei rolled her eyes at Su Chen.

She handed the cat to Jiang Ni to give Su Chen a massage.

For Su Chen,

Yu Youwei had already accepted her fate.

On the boat, she was led by Su Chen to look at the stars several times.

Yu Youwei was not only stripped naked by Su Chen, but she also served Su Chen with her flaming red lips. Yu Youwei was also Su Chen's concubine.

However,

Yu Youwei was very satisfied with Su Chen, and

Su Chen did not do it because of her nobility. She looked down upon her because of her status, and did not regard her as a forbidden toy.

She could joke and joke with Su Chen, and she could beat him when she was angered by Su Chen.

It was great luck for Yu Youwei to meet Su Chen.

No,

Su Chen is an immortal, and Yu Youwei becomes Su Chen's concubine. She will live forever in the future, and she will also become an immortal. Yu Youwei's encounter with Su Chen is a blessing she has cultivated for eight lifetimes.

Su Chen leaned on Yu Youwei's mountain and said,

"Jiang Ni, Qingniao, Yu Youwei, I will leave in two months, and you will be taken to Xuantian Realm by my wife. You can practice well in Xuantian Realm, and I will visit you when I return to Xuantian Realm."

Jiang Ni asked in confusion, "Su Chen, let's go to Xuantian Realm, won't you go back to Xuantian Realm?"

"I want to go to Hongmeng World"

"What is Hongmeng World?"

Jiang Ni, Qingniao, Yu Youwei, Ran Bing and Sheng Cai'er were all very confused. Where is Hongmeng World? They didn't understand either.

Su Chen held Sheng Cai'er in his arms. Rishu said,

"Let me explain to you, your world is just an insignificant world"

"In the Small Thousand World, there are the Middle Thousand World, the Great Thousand World, the Immortal World, the Low-level Realm, the Intermediate Realm, the High-level Realm, and the Top-level Realm. These are all in the Great Chaos World."

"Outside the Chaos World, there is the even more terrifying Hongmeng World. The Hongmeng World is a world where immortals and powerful people gather. It is very scary, no, it is very scary."

"I am the strongest person in the world of chaos."

"But when I arrived in Hongmeng World, I was just a scumbag and an ant. Do you understand?"

Jiang Ni and Ran Bing were very shocked when they heard Su Chen's words, small world? Middle world! Great world? Low-level realm of fairy world, intermediate realm? High-level realm? Top-level realm? Great world of chaos? And there are The very terrifying Hongmeng world?

Their world is just an insignificant small world?

Su Chen is the strongest in the chaotic world, but in the Hongmeng world he is just a scum, an ant... all this,

Jiang Ni and Ran Bing It was very scary for the girls to think about it, and they also had some understanding of Su Chen's terrifying strength.

Ran Bing showed a worried expression and said, "Su Chen, Hongmeng World is too dangerous, you should not go to Hongmeng World."

Yu Youwei massaged Su Chen and persuaded her, "Yes, Su Chen, you are a scumbag and an ant when you go to Hongmeng World, so you better not go."

Jiang Ni and Ran Bing also nodded.

The Hongmeng World is too dangerous.

Su Chen is a scumbag and an ant if he goes to the Hongmeng World. They are worried that something will happen to Su Chen in the Hongmeng World.

Sheng Cai'er blushed and lowered her head.

Su Chen was not touching her. Her long legs were just stroking her small waist. Sheng Cai'er had nothing to do with Su Chen. She could only lie in Su Chen's arms to prevent the other girls from finding out.

Su Chen was stroking Sheng Cai'er's small waist. He said helplessly,[]

"I can't go if I don't go"

"If I don't continue to become stronger, the Chaos World will one day be discovered by the Supreme of Hongmeng World."

"At that time, the Chaos World will be plundered by Hongmeng Supreme. My women, sisters, daughters, relatives, hundreds of billions of subordinates and armies, tens of trillions of creatures will be killed, and the Hongmeng World will also be plundered. Shattered destruction."

Jiang Ni and Ran Bing saw Su Chen's helplessness. They all understood that strong people also have helplessness.

Su Chen was doing it for the chaotic world, for all his relatives, for hundreds of billions of subordinates and troops, and for trillions of people. As a living creature,

Su Chen must go to the Hongmeng World to become stronger. He also has to protect the Chaos World from being destroyed by the strong men of the Hongmeng World.

Ran Bing looked at Xiao Su Chen and said with heartache,

"Suchen, you are great."

I thought you were the strongest person in the world of chaos, and that you would live a very cool and comfortable life. I didn't expect that you also have worries, and strong people also have helplessness."

Chapter 3099

Su Chen hugged Sheng Caier and smiled, great?

The worries of the strong?

Does he have it?

Su Chen was just helpless.

He was forced to go to the Hongmeng World. He wanted to go to the Hongmeng World to become stronger for the sake of his women, daughters, relatives, and subordinates so that they would not be killed by the Hongmeng Supreme..

Xu Zhihu poured tea for Su Chen and said, "Husband, something happened in Emperor Wu City, let's go back to Jiangnan."

Su Chen stroked Sheng Cai'er's waist and said, "Wait for three or four days, Cai'er and Ran Bing will We are going back to their world in the next few days, and we will spend three or four days playing around Emperor Wu City."

Xu Zhihu, Jiang Ni, Yu Youwei, and the Blue Bird girls all looked at Sheng Cai'er and Ran Bing. They knew Sheng Caier and Ran Bing are not from their world.

However, they couldn't understand why Sheng Cai'er and Ran Bing left after three or four days.

Jiang Ni asked in confusion, "Cai'er, why did you and Ran Bing leave so early? Aren't you leaving with Su Chen?"

Ran Bing explained with a smile, "Jiang Ni, after we completed the mission of Qi Luck and Heavenly Dao, If we want to leave your world, Qiyun Tiandao will not let us stay in your world."

Yu Youwei patted Ran Bing's shoulder and reminded, "Ran Bing, isn't Qiyun Tiandao afraid of Su Chen? You can Su Chen threaten Qiyun Tiandao Let you stay for two more months"

"No, the Heavenly Way of Qiyun is very good. We don't want Su Chen to threaten the Heavenly Way of Qiyun. Besides, Su Chen will find our world, and we will meet again in the Xuantian Realm in the future."

"That's right, we will meet again in the Xuantian realm in the future."

Su Chen hugged Sheng Cai'er and stood up and said, "Beauties, I know there is a small lake outside Emperor Wu City. It has a nice scenery. Let's go to the small lake for three or four days."

"OK, let's go to the lakeside."

Hongmeng Great World, the land of ice and snow!

Su Yan was surrounded as soon as he appeared in the ice and snow palace. Hundreds of ice elves in the holy realm surrounded Su Yan, who was very puzzled. They couldn't understand how Su Yan broke into the scum of the first level of the holy realm.

In the domain lord's palace.

Su Yan looked around and whispered in shock,

"Let me go, there are hundreds of Saint Realm powerhouses, and they are all Saint Realm 10th Heaven or above. There is an even more terrifying aura in the palace. How did the Chaos Avenue teleport me here~."

Su Yan looked around and was very speechless.

She didn't expect to be surrounded as soon as she arrived in Hongmeng World. The surrounding holy realms were more powerful than those in the Xuantian Realm. How could the Avenue of Chaos teleport her here?

A twelve-level holy realm. Chongtian's Holy Realm asked coldly, "Little creature, how did you break into the domain lord's palace?"

Su Yan blinked his eyes and said,

"I don't know either. Dear sisters, I was teleported here accidentally. Can you let me go?"

The Palace of the Territory Lord?

Su Yan was very speechless.

Did the Avenue of Chaos ask her to seek death?

The Territory Lord is several realms higher than the Saint Realm. The Territory Lord can kill her with just one breath.

"Kras, sealed her cultivation realm"

"Yes, Captain."

Whoosh!

When Su Yan heard that her cultivation realm was to be sealed, she hurriedly activated the law of space to escape.

Boom!

"I go!"

Su Yan appeared on the spot again in an instant.

She looked at the blue barrier around her and felt helpless.

It's over.

There is a barrier around the Domain Lord's Palace. Su Yan's cultivation level in the first level of the Saint Realm cannot escape at all.

Krasi's face was cold and threatening. , "Little creature, don't think about escaping. You are just a little scumbag. You cannot escape from the domain lord's palace. I will capture you immediately or I will destroy you.""

Su Yan shouted hurriedly,

"You can't arrest me. My father's name is Su Chen. If you dare to arrest me, my father will not let you go."

Klass asked in surprise, "Su Chen? Are you the daughter of Territory Lord Su Chen?"

The surrounding ice elves in the Holy Realm all showed shocked expressions,

Su Chen?

All the creatures in the Ice and Snow Territory know who Su Chen is.

Su Chen saved the Ice and Snow Territory a hundred years ago.

It is said that their domain master Emilia and Su Chen have a secret relationship. Qian, is it possible that the Lord of Emilia Territory is Su Chen's Taoist companion, and

Su Yan is Su Chen's daughter?

If true,

Su Yan is the princess of the Ice and Snow Territory

"I am Su Chen's daughter. You don't believe that you can check my bloodline and destiny."

Su Yan touched his fair chin and smiled.

Territory Lord?

Her father is the Territory Lord?

Chaos Avenue did not lie to her.

Su Yan did not expect that in just over a hundred years, she would Her father actually advanced to the Territory Lord Realm. The ice elves here seem to know her father. No wonder the Chaos Avenue teleported her here.

Whoosh!

Claire appeared next to Su Yan in an instant.

She didn't care about the little Zhazha intruding into her at first. Palace, but Su Yan's words shocked her.

Su Chen's daughter?

Su Yan didn't lie.

Claire checked that Su Yan had Su Chen's aura, and his bloodline and destiny were closely connected with Su Chen.

Su Yan was indeed Su Yan. Chen's daughter.

Claire hurriedly bowed to Su Yan and said, "Master of the Ice and Snow City in the Ice and Snow Region, Claire meets Her Royal Highness the Princess."

Claire must bow to Su Yan.

Whether it's because of Su Chen's powerful and terrifying cultivation, or because of the special relationship between Emilia Territory Lord and Su Chen, Su Yan will be the true princess of the Ice and Snow Territory in the future.

"See Her Royal Highness the Princess"[]

The surrounding ice elves knelt down to salute Su Yan.

Their Taoist master Claire also saluted Su Yan.

Su Yan was really the daughter of Domain Master Su Chen. All ice elves must kneel down to salute Su Yan.

"All free of charge."

Su Yan smiled and waved,"

Princess?

Princess of the Ice and Snow Region?

Interesting.

Su Yan guessed that the Lord of the Ice and Snow Region was a beautiful woman. Her father must have taken care of the Lord of the Ice and Snow Region.

"Thank you, Princess"

"Claire, where is my father?"

(Wang Li Zhao) Claire respectfully replied, "Princess, Lord Su Chen is on the Snowy Snow Mountain of Elliot in the ice and snow field."

"Elliot Snow Mountain? Why would my father go?....."

"who? Everyone protects Her Royal Highness the Princess."

Kleia suddenly saw a woman in white appearing silently. The woman in white gave her a very scary and dangerous feeling. She hurriedly protected Su Yan and guarded against the sudden appearance of the woman in white.

Whoosh whoosh~

The ice elves instantly attacked Su Yan Protected in the middle, the holy and imperial ice elves in the palace also moved out one after another. In a few breaths, thousands of ice elves protected Su Yan tightly.

Su Yan looked at this in confusion, more than three thousand holy ice elves. Elves, hundreds of emperor-level ice elves, each of these ice elves are very powerful. Su Yan has a new understanding of the horror of the Hongmeng world. The woman in white looked at Su Yan and smiled and said, "Su Yan? Su Chen's daughter? Yes, very good, you are indeed Su Chen's daughter"

Chapter 3100

The woman in white is the Rakshasa Supreme.

She has stayed in the ice and snow area and has not left.

The Rakshasa Supreme discovered that Su Chen was not taken away by the Jiuyou Supreme.

She had to wait for a while to see the situation.

If the Jiuyou Supreme did not take Su Chen away, She was going to find the little bastard to get some Hongmeng spirit fluid, as well as the archangel and the female zombie.

The Rakshasa Supreme was also very interested in them.

One was a living Hongmeng low-grade spirit treasure, and the other was a creature that knew the laws of the soul,

Rakshasa. The Supreme feels that by cultivating the archangel and the female zombie, her Rakshasa realm will have two more powerful realm masters.

What now? The Rakshasa Supreme did not expect that Su Chen's daughter would appear. Although

Su Yan was in the holy realm, Su Yan had very strong luck and inherited Su Chen's Space Law and Black Bird bloodline. Su Yan didn't need ten It takes ten thousand years to reach the domain master realm. The Rakshasa Supreme will not miss Su Yan. Su Chen is targeted by the Jiuyou Supreme, and she will not let Su Yan be targeted by the Jiuyou Supreme. Su Yan stared at the Supreme Rakshasa and asked in confusion, "Senior, who are you? Do you know my father?" The Supreme Rakshasa revealed his face and smiled and said, "I, the Supreme Rakshasa,

"

"In the land of ice and snow, Claire meets the Supreme Lord"

"See Lord Supreme."

Kleia and her ice elves hurriedly knelt down and saluted,

Rakshasa Supreme?

The woman in white is really Rakshasa Supreme.

Both Claire and the ice elves have seen the statue of Rakshasa Supreme.

No one in Hongmeng World dares to pretend to be Rakshasa. The Supreme Rakshasa, the Supreme Rakshasa is the ruler of the Ice and Snow Realm. The life and death of all creatures in the Ice and Snow Realm depend on the thought of the Supreme Rakshasa.

In the realm of Rakshasa, no creature dares to disobey the Supreme Rakshasa.

However, how can the Supreme Rakshasa Will they come to a remote ice and snowy area?

Why does Rakshasa Supreme still know Su Chen?

Claire is very worried about Su Yan.

She is afraid that Su Chen will offend Rakshasa Supreme and Rakshasa Supreme will kill Su Chen and Su Yan's father and daughter.

"Su Yan met the Rakshasa Supreme."

Su Yan smiled and bowed to the Rakshasa Supreme.

Rakshasa Supreme?

Su Yan heard from Chaos Avenue about Rakshasa Supreme.

Rakshasa Supreme had secretly helped her father. Her father also relied on Rakshasa Supreme in the Rakshasa Realm. Calling the wind and rain, Su Yan did not expect that the Rakshasa Supreme would come to the ice and snow region.

The Rakshasa Supreme waved his hand to Claire, and she asked Su Yan, "Little girl, do you know me?"

"know a little"

"Little girl, are you willing to go to the Rakshasa world to practice with me? Su

Yan shook his head hurriedly and said, "Sir, I still want to find my father, so I won't go to the Rakshasa world to practice.""

The Rakshasa Supreme said with narrowed eyes,

"Little girl, your father is not in the Ice and Snow Realm now, and you won't be able to see your father for a while. You and I will go to the Rakshasa Realm to practice first, and I will let you see your father in the future.

Su Yan was surprised and asked hurriedly, "My father is not in the Ice and Snow Region?" Your Majesty, where has my father gone?"

"You will know later."

The Supreme Rakshasa didn't know where Su Chen had gone.

When she checked the Snow Mountain earlier, there were only two female spirits in retreat on the Snow Mountain.

Su Chen disappeared without a trace. She couldn't even figure out where Su Chen had gone.

Rakshasa Supreme guessed that Jiuyou Supreme took Su Chen away. After all, Jiuyou Supreme took Su Chen away once a hundred years ago. Su Chen's aura may have been hidden by Jiuyou Supreme. Su

Yan touched her fair chin and thought, her father Not in the Ice and Snow Realm?

Su Yan didn't know if what the Rakshasa Supreme said was true, but she felt that the Rakshasa Supreme was not lying.

Her father was very good at dealing with women.

The Rakshasa Supreme might be her aunt in the future and go to the Rakshasa Realm. Cultivation?

Su Yan doesn't want to go to the Rakshasa

World to practice. She hasn't had a good time in the Hongmeng World yet. Su Yan doesn't want to practice in seclusion as soon as she arrives in the Hongmeng World.

Besides,

Su Yan came to her father with a mission.

Chaos Avenue wanted her father's Hongmeng Spiritual Liquid. Su Yan wanted to find her father as soon as possible to complete the mission.

Su Yan thought for a while and said to the Rakshasa Supreme, "Sir Supreme, I will go to the Rakshasa realm to practice again. The ice and snow realm is very beautiful. I want to play in the ice and snow realm for a while."

"Little girl, you must go to the Rakshasa realm with me now."

Rakshasa Supreme did not dare to let Su Yan stay in the ice and snow realm.

If Jiuyou Supreme found Su Yan, she was worried that Jiuyou Supreme would take Su Yan away from her.

"Um? Going right now?"

"Yes, go now."

Asking for flowers

"But me....."

Rakshasa Supreme interrupted Su Yan and said, "Little girl, as long as your father shows up, I will let you see your father as soon as possible." Su Yan looked at Rakshasa Supreme speechlessly.

Why did she feel that Rakshasa Supreme was afraid of her being raped? Just like snatching her away, who in the Rakshasa realm can snatch her away from the Rakshasa Supreme? []

And her father,

Rakshasa Supreme is one of the top powerful people in Hongmeng World. How could Rakshasa Supreme not know where her father went?

Claire didn't dare to speak while listening to the conversation between Su Yan and Rakshasa Supreme.

Rakshasa Supreme was not a scumbag like her that she could face. She was an ant in the eyes of Rakshasa Supreme.

However,

Claire couldn't understand.

Why did Rakshasa Supreme take away Su Yan? What is the relationship between Rakshasa Supreme and Su Chen?

The Rakshasa Supreme said to Claire, "Kleia, if Su Chen comes back to the Ice and Snow Region, tell him that the little girl was taken away by me."

Claire hurriedly saluted and said, "Yes, Supreme Master"

"Extremely big....."

When Su Yan wanted to say something to the Supreme Rakshasa, the Supreme Rakshasa waved his hand and took Su Yan away from the Ice and Snow City.

It's been a quarter of an hour, and the Rakshasa Supreme doesn't want to delay any longer.

She won't make the mistake of not taking Su Chen away immediately, and she won't let Su Yan be taken away by the Jiuyou Supreme again.

Claire rubbed her forehead helplessly. She didn't expect Rakshasa Supreme to lead Su Yan in a hurry.

Inform the Domain Lord of Emilia?

Claire thought about it and decided to inform Emilia Territory Lord.

Emilia Territory Lord and Su Chen were Taoist lovers, and

Su Yan was considered the daughter of Emilia Territory Lord. Claire wanted to go to the Northwest Territory as soon as possible to inform Amy. Lord of Liya Territory.

In the small world in the snow, four days later, Su Chen, Xu Zhihu, Xu Weixiong, Jiang Ni, Yu Youwei, Qingniao, and the Peach Blossom Sword God Deng Tai'a were on the big boat on the seaside of Emperor Wu City.

They had just seen them off. Ran Bing, Sheng Cai'er, and the old Taoist Jiu Shu.

Xu Zhihu leaned into Su Chen's arms and said, "Husband, let's go back to Jiangnan today."

Su Chen hugged Xu Zhihu's plump waist and said, "Okay, Ran Bing and the others have returned to their respective worlds. Let's go back to Jiangnan today."
