Chapter 31

Shi Feixuan was a little speechless when she looked at this somewhat slutty young man. She was a little scared just now, but now he even made a joke as if nothing was wrong. This made Shi Feixuan a little speechless.

"Su Chen, why do I seem to have heard this name before?" Huanhan shook her head and looked at Su Chen and said.

Su Chen looked at Huanhan and said hurriedly, "This is a popular name, and there are many people with the same name."

Su Chen was afraid that Huanyuan would know that Lord Wu Xiang of Gusu City was him. If Huanyuan knew that he was the Lord of Gusu City, he might be caught by Huanyuan and leave the Song Dynasty. Although Su Chen could teleport away from here, But Su Chen didn't want to reveal that he could teleport unless he had to.

Huan looked at Su Chen and blinked her eyes and said,

"Yeah? Why do I feel like there's something you don't want me to know? Su Chen, do you think I feel right?"

Su Chen immediately shook his head and said,

"No, we don't know each other. Even if I hide something from you, it's still necessary."

Shi Feixuan looked at Su Chen and said,

"Su Chen, you can leave now"

"Okay, okay, I'll leave now."

After hearing Shi Feixuan's words, Su Chen immediately came to his horse and prepared to ride away. However, before he could get on, Huan Huan suddenly got on the horse again. This made Su Chen speechless when he looked at Huan Huan. Huan looked at Su Chen and said to Shi Feixuan,

"Shi Feixuan, don't you also want to go to the Beggar Clan's conference? This Su Chen is also going, Shi Feixuan, let's put aside our grudges for now. You can't defeat me and I can't defeat you. We will compete again after we return to Sui Dynasty."

""Okay."

Shi Feixuan thought about it and felt that Huan Huan was right. They have been competing for several years, and their strengths are not much different. No one can beat the other now. The Beggar Clan's conference is about to begin. She I also wanted to meet the martial arts masters of the Song Dynasty.

Su Chen saw that the two of them had just discussed it in a few words, so he hurriedly said to Shi Feixuan and Huan Huan,

"Hey, I won't go to the Northern Beggars' Conference with you. We are not from the same group."

Su Chen doesn't want to go to the Beggar Clan Conference with these two beautiful women. Beautiful women are a nuisance, and Shi Feixuan and Huan Huan are both super scourges.

Su Chen wants to keep a low profile and attend the Beggar Clan Conference. In the gang conference, with these two super troublemakers, I'm afraid he won't be able to keep a low profile no matter how low-key he is.

"If you don't want to die, leave quickly."

Hanhan took out a throwing knife from her body and gestured with it before threatening Su Chen.

Su Chen looked at the throwing knife in Hanhan's hand and said in surprise,

"Damn it, Huan Huan, you are really as good as the little witch from the Yin Kui sect, and you are still the gentle master concubine Xuan."

Huanwan laughed when she saw Su Chen looking at Shi Fei Xuan,

"Haha, Su Chen, you don't like this little nun, do you?"

Su Chen rolled his eyes at Huan Huan.

"You said she is a nun, how could I like her? I am admiring her, do you understand?"

Huanhan doesn't believe this bastard Su Chen. Now Huanhan feels that Su Chen is definitely not an ordinary person. She has to carefully check the identity of this Su Chen.

"Who will believe what you say, Shi Feixuan, you have to be careful, this pretty boy likes you, don't be deceived by his sweet words."

Shi Feixuan said with a red face now,

"You don't need to take care of my affairs"

"Yep, if a dog bites Lu Dongbin, it doesn't recognize a good heart."

Su Chen had no choice but to follow behind them. Now his horse has been occupied by Huan Huan. The master Feixuan didn't know where he got a horse from, so he could only follow on foot. Behind them.

At this time, at the gate of Gusu City,

Huang Rong had been waiting for Su Yan here all morning. Now Huang Rong couldn't wait any longer. People from all walks of life in Gusu City came out of Gusu City one after another.

It's just that the little princess Su Yan hasn't come out yet, which makes Huang Rong suspect that Su Yan may not be able to come. Maybe Su Yan was caught by her bastard father and prevented her from attending the Beggar Clan Conference.

"If Su Yan doesn't come again in another quarter of an hour, I'll go by myself and settle the score with that little girl later."

Guo Jing said to Huang Rong anxiously beside him,

"Huang Rong, let's leave quickly. If we don't leave, we may not be able to make it to the Beggar Clan Conference."

Guo Jing now knows that Huang Rong is waiting for Wu Xiangjun's daughter to go with him. Guo Jing is afraid that Wu Xiangjun will come with his daughter. If Wu Xiangjun comes, I am afraid Huang Rong will meet Wu Xiangjun again. Guo Jing is also afraid of Huang Rong. What happened with Wu Xiangjun again?

Huang Rong was already a little irritable now, and this Guo Jing was still chattering in her ears, which made Huang Rong even more annoyed.

Huang Rong resisted the urge to beat Guo Jing and felt helpless to Guo Jing said,

"Are you annoyed? We have nothing to do with each other. We just came to Gusu City together. Please don't pester me, okay?"

Guo Jing said to Huang Rong seriously,

"Huang Rong, I'm just worried about you. After all, there may be danger after going to the Apricot Grove. My master said that something unexpected might happen at this Beggar Clan Conference. I can protect you if we are together."

Huang Rong looked at Guo Jing and thought of Su Yan saying that Guo Jing was a fool. Now Guo Jing is really a fool. Why can't he understand what she said? If Guo Jing hadn't thought about herself, Huang Rong would have wanted to beat him up right now. He paused.

At this time, a cavalry team suddenly appeared at the city gate. These troops in black armor escorted a luxurious carriage and slowly came out of Gusu City.

A general immediately led some soldiers to These cavalymen stopped and said,

"Liu Teng, Captain Liu Qianfu, where are you going? The princess cannot leave Gusu City without your Majesty's order. Please don't make things difficult for me. Liu

Teng smiled at Zhang Xishan and said,

"Captain Zhang Xishan, I am just a guard. If the princess wants to leave the city, what can I do? You can ask the princess now."

Zhang Xishan waved to Liu Teng and came to the side of the luxury carriage to salute and said,

"Zhang Xishan, commander of the Xuanwu Legion, comes to see the princess."

Su Yan said nervously in the carriage,

"Captain Zhang Qianfu, I want to leave the city, please get your soldiers out of the way quickly."

Zhang Xishan is also very helpless now. He knows that the princess is very difficult to deal with. Why did he encounter the princess who was about to leave the city this time when he was on duty?

Zhang Xishan said to the princess on the carriage,"

"Your Majesty, Your Majesty has an order. Without Your Majesty's order, the Princess cannot leave Gusu City. I hope the Princess will forgive me."

"A'Zhu, let Captain Zhang take a look at this jade pendant"

"Yes, Princess"
