

Zongwu 3101

Chapter 3101

Su Chen looked at Emperor Wu City and shook his head.

Without Wang Xianzhi in Emperor City of Emperor Wu, it won't take long for Emperor City of Emperor

Wu to be trampled by other Jianghu people.

The villains, murderers, bandits, lewd thieves, etc. in Emperor City of Wu are not all of them. If you are killed, you will escape.

Three days ago,

Ran Bing, Sheng Cai'er, and Uncle Jiu completed their destiny mission.

After they stayed in this world for three days, the destiny of heaven was transmitted to them back to their respective worlds today.

Su Chen thought of the romance of watching the stars yesterday night. He held Xu Zhihu and smiled.

He did not capture Ran Bing and Sheng Cai'er yesterday night, but he took off their clothes and looked at both of them. Ran Bing and Sheng Cai'er Er also served him with flaming red lips and proud mountain.

Next time they meet again,

Su Chen will make Ran Bing and Sheng Cai'er his real women.

Jiang Ni stared at Su Chen and asked, "Su Chen, what are you laughing at? Are you trying to do something dirty again?"

Su Chen looked at Jiang Ni's delicate red lips and smiled,"Jiang Ni, it's dark tonight. Flirting, let's go see the stars together"

"Shameless!"

Jiang Ni blushed and hurriedly took a few steps back to look at the stars?

Does she dare to accompany Su Chen to look at the stars?

Jiang Ni thought of Su Chen's disaster the day before yesterday, and she showed her little tiger teeth and couldn't help but want to bite Su Chen to death.

Xu Zhihu and Qingniao The girls looked uncomfortable. They had watched the stars with Su Chen in the past few days.

In the past four days, they had been harmed by Su Chen.

The small lake not far outside Emperor Wu's city had become a place where they and Su Chen A place for private meetings

"I'll tell you to sail."

Qingniao blushed and left in a hurry.

Her body was still a little sore.

The night before yesterday,

Qingniao was dragged by Su Chen to look at the stars in the middle of the night. She stayed with Su Chen until this morning.

"shameless bastard!"

Xu Weixiong glared at Su Chen and turned to leave.

She had nothing to say to the lustful and shameless Su Chen. Su Chen had been causing trouble to the women on the boat these days. Xu Weixiong also understood what stargazing was. She was also attracted by Su Chen. Chen had sneaked around a few times. If Xu Weixiong hadn't been for her sister Xu Zhihu, she would have torn Su Chen into pieces. Immortal? Emperor of Heaven? Su Chen is not like an immortal or Emperor of Heaven at all. Xu Weixiong Xiong thinks that Su Chen is better than a sex demon and a sex demon

"Everyone, please go back to the cabin and rest. We will return to Jiangnan in about ten days."

Su Chen carried Xu Zhihu and walked to the cabin.

There was nothing to do at sea.

There were still two months left.

Su Chen planned to spend more time with Xu Zhihu, especially Xu Zhihu, who was getting more and more plump. Xu Zhihu can't put it down

"Young people!"

Deng Tai'a stroked his beard and walked to the other side. He was not interested in the ambiguous relationship between Su Chen and the girls.

Xu Zhihu, Jiang Ni and the girls followed Su Chen.

They were also destined to be lucky.

Su Chen was the emperor of the immortal world.

Xu Zhihu and Jiang Ni will not only become immortals, but they will also remain young and immortal.

Two months later, Su Chen was lying on a chair in the garden in the

Jiangnan Palace , basking in the sun. After two months of leisurely life, After two months of romance with Xu Zhihu and his girls, Su Chen lived a very carefree life.

【Ding, host, your trial mission is completed, and the trial reward package will be distributed after the host returns. 】

Su Chen sat up after hearing the system reminder.

It has been three months.

He has been in the trial world for three months. After completing the three trial tasks, he will return to Hongmeng World.

Su Yan went to Hongmeng World. World,

Su Chen is worried that Su Yan will be in danger, and there is also the Xuantian Realm.

Su Chen also wants to arrange for some people to go to Hongmeng World

"System, do you know where Su Yan is in Hongmeng World?"

【Ding, got it!】

"Where is Su Yan?"

【Ding, host, your daughter Su Yan is not in danger. She was taken to the Rakshasa Realm by the Rakshasa Supreme. 】

Let me go,

Su Yan was taken away to the Rakshasa Realm by the Rakshasa Supreme? Why did Rakshasa Supreme take away Su Yan?

Su Chen rubbed his forehead and wondered.

He had never met the Rakshasa Supreme.

How could the Rakshasa Supreme take Su Yan away? Did Jiuyou Supreme contact Rakshasa Supreme? is it possible?

Su Chen touched his chin and thought,

"The system said that Su Yan was not in danger, so the Rakshasa Supreme took Su Yan away because of him, Hongmeng Spiritual Liquid? Does the Rakshasa Supreme know that he has Hongmeng Spiritual Liquid?

Xu Zhihu came over and said with a smile, "Husband, what are you whispering?"

"Madam, are you not busy today?"

"Finished today."

Xu Zhihu was speechless sitting next to Su Chen.

In the past two months, the Jiangnan Black Armor Army first destroyed Beiliang and Lingzhou and other four states.

Xu Xiao from Beiliang committed suicide in the palace. Chen Zhibao and Li Yishan and some Beiliang generals and the important ministers were killed.

Ten days ago, the Black Armored Army launched a war against the Liyang Kingdom.

Liyang's 500,000-strong army was wiped out.

Gu Jiantang was besieged and killed by the Black Armored Army, and two-thirds of Liyang's elite troops were wiped out. , the Black Armor Army can destroy the Liyang Kingdom in less than half a year.

Xu Zhihu is now like a queen, and all the affairs in Jiangnan are managed by her.

Qingniao and Xu Weixiong command the army to fight everywhere,

Jiang Ni and Hongyi (sweet potato) Yu Youwei, they help Xu Zhihu manage the growing territory[]

Xu Zhihu understood that Su Chen was not interested in the affairs of the mortal world.

She originally did not want to manage Jiangnan affairs, but there were more and more refugees in various states of Liyang Kingdom. Xu Zhihu could not bear to see the civilians displaced, so she could only Managing Jiang 097's growing territory.

Su Chen held Xu Zhihu in his arms and said,"Madam, I'm leaving."

"It's been two months, it's time for you to leave."

Xu Zhihu leaned in Su Chen's arms with some reluctance, but she understood that Su Chen still had important things to do.

Su Chen was doing it for the Chaos World, for the Xuantian Realm, for his women and daughters, and for the Xuantian Realm. Yu's men, Xu Zhihu will not stop Su Chen from leaving.

Su Chen kissed Xu Zhihu and said,

"Madam, you and Jiang Ni must also prepare. I will notify Concubine Yan to send someone to take you to the Xuantian Realm."

"Husband, I want to destroy the Liyang Kingdom and then we girls can go to the Xuantian Realm."

Su Chen stroked Xu Zhihu's plump body and said, "Okay, I will summon 500,000 black-armored troops for you before I leave. You can destroy the states of Liyang Kingdom in a year or two.

Xu Zhihu grabbed Su Chen's erratic hand and asked, "Husband, when are you going to leave?"

"I'm leaving soon"

"Husband, won't you say goodbye to Jiang Ni and the girls?"

Su Chen kissed Xu Zhihu and said, "No, I hate saying goodbye. You and Jiang Ni have a long life, and we will be together forever."

Xu Zhihu was kissed by Su Chen and said shyly,

"Yes, we will live forever in the future, and we will be together forever"

Chapter 3102

At noon, in the room,

Xu Zhihuxianghan Linlin didn't want to move. Her exposed fair skin made people salivate at the sight.

Su Chen caused harm to her, and

Xu Zhihu's voice became hoarse as he screamed with physical and mental pleasure.

"Madam, I'm leaving."

Su Chen stroked Xu Zhihu's smooth back.

At this moment, Xu Zhihu's whole body was flushed, and his feminine charm was fully revealed. Su Chen couldn't help but want to harm the beautiful and alluring Xu Zhihu again.

Xu Zhihu She lay in Su Chen's arms and whispered, "Husband, I know, please leave with peace of mind, we will meet again soon.""

Su Chen wiped the sweat from Xu Zhihu's forehead and said, "I left you many low-level spiritual fruits and spiritual tea. Five hundred thousand black-armored troops will arrive tomorrow."

Xu Zhihu touched Su Chen's face and smiled, "You said, Jiang Ni and I will take care of this world. We will go to Xuantian Realm and we will meet again in the future."

"OK, I left."

Su Chen kissed Xu Zhihu hard and disappeared into the room.

"Husband, you must be safe."

Xu Zhihu covered her body with a blanket and touched her belly.

She had been tortured by Su Chen for more than two months, especially this time she was tortured so hard by Su Chen.

Xu Zhihu wanted to be pregnant with Su Chen's child.

She I want Su Chen to have a child that belongs to them. In the big world of Hongmeng, on the snowy mountains in the ice and snow,

Su Chen returned to the place where he left in an instant.

He looked around and smiled.

Bing Ji and Xue Ji were still in retreat in the snow mountains. , there are no powerful creatures around.

"It feels so good to have my strength back."

Su Chen took out a pot of wine and summoned Nannan.

He said that Nannan should stay with him outside all the time. Su Chen would not let his sister down.

After Nannan appeared in surprise, she asked Su Chen, "Brother, your trial finished?"

Su Chen stroked Nannan's hair and smiled, "It's done, sister, we will catch snow rabbits later."

"Good brother."

Nannan leaned into Su Chen's arms and smiled. She didn't expect that Su Chen would meet her when he came back.

Nannan thought of what Su Chen said before, that she would always be with Su Chen in the future, and she didn't need to keep the time barrier in Su Chen's body. Cultivating in

Hongmeng World,

Nannan is no longer the incarnation of the ruthless empress.

She does not need to embarrass Su Chen because of the existence of the ruthless empress. She is Su Chen's real sister.

Su Chen sat down with Nannan in his arms, "System, Where is my trial reward package?"

【Ding, host, first of all, congratulations on completing the trial mission. Will the host receive the reward package now?】

"receive!"

【Ding, congratulations to the host for getting a reward gift package. 】

Su Chen smelled her hair and said, "System girl, you have to work harder and let me get some top-quality treasures.""

【Ding, it depends on the host's luck.】

"You're so unlovable, girl, open the reward package"

【Ding, the reward package is open. Congratulations to the host for getting: three Law Promotion Talismans, six Promotion Pills (Dao Realm), twelve Promotion Pills (Emperor Realm), three Spiritual Treasure Promotion Talismans, and five Legion (Subordinate) Group Promotion Talismans. open】

"Holy shit."

Su Chen hugged Nannan and shouted excitedly. The reward package exploded.

Nannan looked at Su Chen with beautiful eyes and asked, "Brother, what's wrong?" Su Chen said excitedly to Nannan, "Brother is happy, Nannan, brother got a real treasure this time.

"

"What treasure?"

Nanny's cold face showed an expression of surprise, treasure?

She only knew that Su Chen went to the trial, and she didn't know what kind of trial it was. Nannan guessed what treasure Su Chen snatched during the trial.

"Wait a minute, my brother will check first." Su Chen held Nannan's bumpy body and looked at the system space.

Law promotion talisman!

Advancement (cdfj) pill!

Lingbao promotion talisman!

Legion group promotion talisman!

Su Chen After checking, he communicated with the system and said,"System, please introduce the rules and promotion symbols."

【Ding, the law promotion talisman: after the host uses the law promotion talisman, it can upgrade a law of chaos to the Hongmeng law.】

"I'm going to go big."

The Law Promotion Talisman can actually upgrade the Law of Chaos to the Law of Hongmeng.

Su Chen has practiced for more than a hundred years, but he has not upgraded the Law of Chaos.

This time he got the Law Promotion Talisman from the reward package, and he can upgrade the Law of Chaos to the Law of Hongmeng..Three

Laws Promotion Talisman?

Su Chen knows the five laws of chaos, the Law of Space, the Law of Time, the Law of Space and Time, the Law of Fire, and the Law of Light.

Which law of chaos will be promoted first?

Su rubbed his chin and thought, [You can advance to Space first. Laws, Laws of Time, Laws of Space and Time, the remaining Laws of Fire and Laws of Light, we can only find ways to advance in the future】

"System, let me introduce Jinjin Dan"

【Ding, host, Promotion Pill (Tao Realm): After taking the Promotion Pill, creatures below the Tao Realm will be promoted to the first level of the Dao Realm within one day without any side effects.】

【Promotion Pill (Emperor Realm): After taking Promotion Pill, creatures below the Emperor Realm will be promoted to the first level of the Emperor Realm within one day without any side effects. 】

Su Chen shook his head speechlessly.

He was at the fifth level of Domain Lord Realm, and the Advancement Pill was of no use to him.

However, the promotion pill is very useful for his women and daughters. His women are the most powerful in the holy realm, but his four daughters are still scum. Su Chen decided to give one of the six Dao Realm Advancement Pills to Nannan, and the remaining five to Concubine Yan, Jing Salamander, Empress Nuwa, Demon God of Ice and Snow, and his younger sister, the Ruthless Empress. Su Chen decided to give twelve imperial realm promotion pills to his four daughters, and left the remaining eight promotion pills to Concubine Yan and Jing Sala to decide.

"System, introduce the Lingbao promotion talisman"

【Ding, Lingbao Upgrading Talisman: A Lingbao Upgrading Talisman can increase the Lingbao by one level. 】

Su Chen stroked her little waist and thought, the spirit treasure improvement talisman can only be upgraded to one level.

Among Su Chen's spirit treasures, the Archangel is a low-grade Hongmeng spirit treasure, [] the Chaos Bell is also a low-grade Hongmeng spirit treasure, and the others The spiritual treasures are the innate treasures of chaos and the best spiritual treasures. It is not cost-effective for these spiritual treasures to use law-enhancing talismans.

By the way,

Bing Ji and Xue Ji's Ice and Snow Lotus are also Hongmeng low-grade spiritual treasures.

Su Chen thought about it and decided to upgrade Archangel, Chaos Clock, and Ice and Snow Lotus from Bing Ji and Xue Ji.

Nannan grabbed Su Chen's moving hand, blushed and said shyly, "Brother, please be more honest."

Chapter 3103

Nannan blushed as she leaned in Su Chen's arms. She didn't expect that Su Chen would touch her soft waist.

Nannan understood that Su Chen was touching her unconsciously.

However, she felt very good when Su Chen touched her small waist. Nannan also liked it. Su Chen touched her small waist.

Su Chen showed an embarrassed expression and said hurriedly, "I'm sorry, brother didn't touch your waist on purpose."

Nannan asked with a smile,

"I know, brother, why were you so excited just now? Is the treasure you got very valuable?"

Su Chen replied happily while holding her daughter in her arms,

"Girl, the treasure I got is very precious"

"Among them are six Dao Realm Promotion Pills and twelve Imperial Realm Promotion Pills. As long as these promotion pills are taken, one will be promoted to Dao Realm and Imperial Realm within one day without any side effects.

Nannan asked with a surprised expression, "Promotion Pill?" "Nine Thirty-seven" advanced to the Dao realm and the Imperial realm in one day? No side effects yet? Brother, are you telling the truth?"

Su Chen took out a jade bottle and handed it to Nannan and said, "It's true, Nannan, I will give you a Taoist promotion pill. After you take it, you will be promoted to the Taoist realm within one day."

"Thank you brother."

Nanny took the jade bottle and showed a happy expression.

She would not be polite to Su Chen.

Su Chen is her brother, her closest relative, and the only person she cares about.

Nannan can not care about anything in the world, but she It is impossible not to care about Su Chen.

She is the incarnation of the ruthless empress.

She is also an independent individual.

Nannan has her body and her independent thinking.

Nannan will not go against the ruthless empress. But for Su Chen, she They want to share their brother with the ruthless empress.

Su Chen hugged Nannan and continued to communicate with the system and asked,"System, what is the group promotion talisman for the legion (subordinates)?" Do I want my legion and my men to advance? What level will it be promoted to?"

【Ding, legion (subordinates) group promotion talisman: The host can designate a legion or a subordinate force to be promoted. After the host uses the legion (subordinates) group promotion talisman】

【The legion commander and deputy legion commander, as well as the commander and deputy commander of the forces under his command, will all be promoted to the first level of the Imperial Realm, and the legion and the forces under his command will be promoted to the tenth level of the Holy Realm. 】

Su Chen's eyes lit up when he heard the system's explanation.

The group promotion talisman of the legion (men) was very good. His legion and men were weak in the Hongmeng world, and Su Chen never released the men in his body.

There are five legion (subordinate) group promotion symbols. Su Chen has to think about which legion and subordinates will be promoted.

Shadow Assassin!

Angel Legion!

Yaochi fairy army!

The Western Goddess Legion!

The female giant army!

Female ghost!

There are also millions of prehistoric fairies.

Su Chen thought about the legion and his men in the time barrier of his body. He stroked his daughter's small waist and thought about it.

Nannan's face turned red again as she lay in Su Chen's arms.

She didn't expect that Su Chen would start touching her again.

Nannan didn't stop Su Chen from touching her. She guessed that Su Chen was thinking of her as Nie Xiaoqian's daughter.

Su Chen thought for a while and asked, "System, if I am promoted to Shadow Assassin, will the Shadow Assassins in the Chaos World also be promoted together?"

【Ding, no! 】

Su Chen curled his lips and was speechless.

He thought so wonderfully.

The Hongmeng World was much more advanced than the Chaos World, and the Promotion Talisman could not affect the Chaos World.

Su Chen smelled Nannan's hair and said, "System, five promotion talismans, respectively promotion to Shadow Assassin, Angel Legion, Female Ghosts, Yaochi Fairy Legion, Western Goddess Legion"

【Ding, host, legion (subordinate) group promotion talisman: promotion to Shadow Assassin, Angel Legion, Female Ghosts, Yaochi Fairy Legion, Western Goddess Legion, host is sure?】

"Sure!"

【Ding, start using the promotion talisman, host, you cannot summon your legions and subordinates for three days.】

"clear!"

Su Chen nodded when he heard what the system said.

Three days?

The time is very short and can pass in the blink of an eye.

Su Chen said awkwardly to Nannan, "Nanny, you first go to the time and space barrier in my body to take the promotion pill. My brother will bring it tomorrow. You catch a snowshoe rabbit"

"Good brother."

Nanny blushed and disappeared into Su Chen's arms,

"Damn it, why did I touch Nannan again, but Nannan has a really good figure."

Su Chen patted his forehead and was very speechless.

He actually put his hand into Nannan's skirt just now. Why didn't Nannan stop his touch?

"call! From now on, I can't think about things around Nannan, and I can't make Nannan angry either....."

Su Chen took out the Law Promotion Talisman and the Lingbao Promotion Talisman. He wanted to use these as soon as possible to increase his strength.

In the northwest region, in Mia's palace,

Mia, Emilia, Archangel, and female zombies were shocked to hear the news brought by Claire.

Mia asked with a cold face,"Archangel, is Su Yan Su Chen's daughter?"

"Su Yan is the master's daughter."

The archangel nodded to Mia and replied.

She didn't expect that Su Yan would come to Hongmeng World.

Su Yan was also taken away by the Rakshasa Supreme.

The archangel didn't know why the Rakshasa Supreme took Su Yan away. She wanted to do it as soon as possible. Go and notify Su Chen.

Emilia asked with a cold face,"Archangel, how many children does Su Chen have?"

Emilia was very angry.

Daughter? []

Su Chen actually has a daughter?

Or she came to Hongmeng World from the hierarchical world.

Emilia was harmed by Su Chen.

She still didn't understand everything about Su Chen.

Su Chen has a daughter. How many children will that bastard have? Emilia guessed that Su Chen may have many women. The archangel answered without hiding anything, "Emilia, our master has four daughters. Su Yan is the eldest. Female, the second child is called Su Yue, the third child is called Elena Su, and the fourth child is called Su Yao.

Emilia asked the archangel again, "How many women does Su Chen have?"

"I have no idea."

The archangel was speechless.

How many women did Su Chen have?

She really didn't know.

If Emilia asked how many wives Su Chen had, the archangel would still know.

But women, she really didn't know how many women Su Chen had.

Archangels and female zombies can also be regarded as Su Chen's women, as well as female ghosts, angels, shadow assassins, etc. They are not only Su Chen's men, but also Su Chen's women.

Mia glanced at Emilia said,

"Emilia, we are not talking about Su Chen's woman now. The Rakshasa Supreme has taken Su Yan away. I am going to the Rakshasa Realm to meet the Rakshasa Supreme. You take the archangel and the female zombie to the ice and snow area to find Su Chen."

Chapter 3104

Mia was very speechless towards Emilia.

How long had it been before, and

Emilia was still interested in Su Chen's woman?

Mia thought of the women Su Chen had in the Far North, and she guessed that Su Chen's woman might have something to do with it. few.

Emilia said with a cold face, "Mia, I will take the archangel and the female zombie to the ice and snow area to find Su Chen"

"Without further ado, I will leave for the Rakshasa Realm now. You should also go to the Ice and Snow Realm as soon as possible to find Su Chen."

"good!"

Emilia nodded to Mia.

She will find Su Chen as soon as possible.

After this incident is over,

Emilia will not let Su Chen go.

The ice elf is very loyal to love and will only have one path in her life. Su Chen has harmed her. Although she will not find a Taoist companion again, Emilia will not be Su Chen's woman. The female zombie said to the Archangel Yuanshen, [Archangel, I feel the master.]

The archangel nodded to the female zombie and said, [I also felt the master just now. The master may have gone to other small worlds before.]

【Archangel, Emilia may be harmful to her master, should we kill her?】

【No, Emilia is no match for the master. Besides, Emilia is also the master's woman. We can't kill Emilia, so we should let the master deal with Emilia.】

【Well, I miss my master very much. I have never been separated from him in more than a hundred years.】

【Me too, female zombie, we need to find the owner as soon as possible】

【good! 】

Mia explained to the archangel and the female zombie,

"Archangels, female zombies, you and Emilia go to the Ice and Snow Realm to find Su Chen. Remember not to let Su Chen yell at the Rakshasa Supreme in anger. I will bring back Su Chen's daughter."

"We understand."

Whoosh!

Mia waved her hand and disappeared into the palace.

It would take about a year at the fastest for her to go to the Rakshasa Realm. Mia didn't want to delay for a moment.

Su Yan is Su Chen's daughter, and she can also be considered her daughter.

Mi Ya will not let the Rakshasa Supreme kill Su Yan under any circumstances.

Emilia waved her hand and ordered,"Archangel, female zombie, Claire, let's return to the ice and snow area from the teleportation array."

"Yes, Domain Lord!"

"OK"

More than half a month later, Su Chen was lying on the soft body of the giantess Jessie on the snowy mountain in the ice and snow. He was very bored on the snowy mountain. Apart from playing with his daughter, Angel Ailan and the other girls, Su Chen was catching snow rabbits. Just fooling around with Lin Qing'er and Nie Xiaoqian. Jexia massaged Su Chen's head and asked,"Master, aren't you going to catch snow rabbits today?" Su Chen buried his head in Jessie's soft place and said,"I won't go today. Nannan and Angel Ailan can both catch the snow rabbit. It doesn't matter whether I go or not.

"

"Master, when will we leave the snow mountain? Although it is very peaceful here and the scenery is beautiful, there is no life around for thousands of miles, so it makes no sense for us to stay here."

"Soon, in about a month, we will leave the snowy mountains and the ice and snow areas."

Su Chen looked at Bing Ji and Xue Ji and shook his head.

After more than a hundred years,

Bing Ji and Xue Ji are finally going to break through.

Su Chen thought that only after Bing Ji and Xue Ji break through can they reach the imperial realm. They are not as good as You Ruo. The breakthroughs with Angel Ailan and the other two girls were so fast. Cultivation is really not as fast as taking promotion pills.

Su Chen sat up and stroked Jexia to communicate with the system, "System girl, have you informed Concubine Yan and Nuwa? It's been more than half a month, why haven't you answered me?"

【Ding, we have been notified. In ten days, the system will teleport those who are coming to Hongmeng World.】

"Ten days? not bad"

【Ding, host, three pots of Hongmeng spiritual liquid. After Nuwa and the others are transferred here, the system will take three pots of Hongmeng spiritual liquid.】

"knew."

Su Chen was speechless to the system girl.

He didn't have much Hongmeng spiritual fluid to begin with, and the system girl extorted three pots of it.

If Su Chen didn't use the remaining Hongmeng spiritual fluid as soon as possible, the system girl would blackmail them all away sooner or later..Jesiya

's face was stroked by Su Chen and she said, "Master, do you need Jexia's service?"

Su Chen kissed Jexia and said,

"Of course, Jessica, the master likes your proud look and delicate red lips very much." Su Chen has been enjoying the service of the giantess Jessica every day these days.

He is very satisfied with the mature and attractive Jessica. He likes Jessica's proud face and delicate red lips even more.

Jessia shows a shy expression. Said,"Jesiya will serve her master well."

"I....Um? Why is there a domain master coming quickly?"

Su Chen said and suddenly looked to the east of the snow mountain. He felt a Territory Lord coming towards this direction quickly.

Territory Lord?

Who could it be?

Ice and Snow Territory Lord Emilia, Su Chen was familiar with her aura, and the coming Territory The master is not Emilia.

Jexia hurriedly straightened her messy clothes and asked,"Master, is the domain master coming?"

"Well, in a quarter of an hour, a domain lord will arrive. Jexia, go and inform Nannan and Angel Ailan to come."

"Yes, master."

Jesia disappeared quickly beside Su Chen, and a domain lord arrived.

She and Angel Ailan and the other girls were no match, but with Su Chen here,

Jessia was not worried about anything happening. Su Chen could even defeat the domain lord. A strong person who can be crushed to death.

After a while,

Nannan, Lin Qing'er, Nie Xiaoqian, A Yin, Xiao Li, and the angel Ailan led a team of angels. They and the giantess Jexia appeared next to Su Chen.

Nannan He took Su Chen's arm and asked, "Brother, is there a strong man coming?"

Lin Qing'er and Angel Ailan looked at Su Chen one after another.

Jexia informed them that a strong man was coming, and they thought that the strong man coming to Daxue Mountain was because of bad intentions (Nuo Haohao).

Su Chen touched her daughter's breasts Xiufa replied, "Not a strong man, just a Domain Lord.

Nannan stroked her hair that was messed up by Su Chen and said, "Region Lord Realm?" Territory Lord Realm is also strong"

"Brother can crush the domain master to death with one hand"

"When I didn't say it."

Nanny rolled her eyes at Su Chen in silence.

She knew that Su Chen's strength was very terrifying and powerful. No one in the Realm Lord Realm could be Su Chen's opponent.

Lin Qing'er and Angel Ailan smiled one after another. They all knew about Su Chen's strength. Terrifying strength.

Su Chen looked into the air and said doubtfully, "Huh? Jexia, the one coming soon may be the Lord of the Dark Territory. How could the Lord of the Dark Territory come to the Ice and Snow Territory and come towards us?"

Jesia asked hurriedly in surprise, "Master, are you saying that the person coming is Isabella, the Lord of the Dark Territory?"

"It's not wrong, the person coming must be the Lord of the Dark Territory. I have noticed her aura in the Dark Territory."

Chapter 3105

Su Chen's perception was not wrong.

He had never seen Isabella, the Lord of the Dark Territory, but he had sensed Isabella's aura many times.

However,

Su Chen couldn't understand.

Isabella didn't dare to see him in the Dark Realm.

How could she come to the Ice and Snow Realm this time? How did Isabella still know that he was in the ice and snow area?

Jexia hurriedly said to Su Chen, "Master, Territory Lord Isabella is a good person. She came to see Master for something."

Nannan asked Su Chen doubtfully, "Brother, do you know Lord of Darkness Territory Isa?" Bella?"

Lin Qing'er and Angel Ailan looked at Su Chen one after another.

They had heard the female ghosts say about the Dark Territory.

They also knew that the female giants came from the Dark Territory. They also knew that Su Chen was in the Dark Territory. Three Domain Lord Realms were killed, but how could the Dark Domain Lord Isabella come over?

As a domain lord,

Su Chen could crush Isabella to death with one hand. Lin Qing'er and Angel Ailan couldn't guess Isabella's purpose.

Suchen took a sip of wine and shook his head and replied, "I don't know Isabella, I have never met Isabella, and I don't know why Isabella came to me."

"Brother, do we need to enter the time and space barrier?"

Su Chen thought for a while and said, "You enter the time and space barrier first, and Jexia stays behind."

"Good brother"

"Yes, master!"

"Yes, Your Majesty."

Nanny, Lin Qing'er, Angel Ailan and the other girls disappeared one after another.

Isabella is a strong person in the Territory Lord Realm.

They are all burdens if they stay by Su Chen's side.

Although Isabella would not dare to take action against Su Chen. , but you should be careful.

After more than ten breaths, a beautiful woman in black dress appeared not far from Su Chen. She breathed a sigh of relief when she saw Suchen and Jexia.

Jezia said to Isabella He saluted and said, "Lord Isabella, why did you come to the Ice and Snow Territory?"

Isabella waved her hands and said with a serious face, "Jesia, I have something to do with your master."

"Isabella, what do you want from me?"

Su Chen's eyes lit up as he looked at Isabella.

She was a sexy beauty with a bumpy Western figure and a mature beauty.

Isabella bowed to Su Chen and begged, "Your Excellency Su Chen, the Dark Territory I was invaded by a powerful realm again. I would like to ask you to help me fight back the powerful realm."

I leaned forward, and

Isabella bent down to reveal her proud fair skin. Su Chen was very jealous when he saw it.

Damn, is Isabella trying to seduce him?

Or did Isabella forget to wear a loose dress?

"Territory Lord Isabella, didn't Master kill the Ogre Territory Lord and the other two Territory Lords? How could the Dark Realm still be invaded?"

Jesia looked worried.

The giants were all in the Dark Territory.

Jessia was worried that the Dark Territory would be invaded by powerful realms, and her people would be killed and eaten as food.

Isabella said with a helpless expression,

"Jexia, the Dark Territory was invaded by the Ogre Territory. The Ogre Territory has a new Territory Lord. He not only contacted five Territory Lords, but also invited a powerful Realm Lord Realm."

"thirty years ago"

"The Ogre Realm began to invade the Dark Realm again. Three-tenths of the Dark Realm was occupied. Tens of billions of creatures were either massacred or captured as slaves."

Jesia heard Isabella's words, she hurriedly knelt down and begged Su Chen, "Master, please save the Dark Territory."

Su Chen glared at Jessia and scolded her coldly, "Shut up, Jessia, you are my slave girl. You have nothing to do with the Dark Territory. If you dare to speak in private again, I will execute you."

"host....host...."

Jessia's face was pale and she knelt on the ground very worried.

She didn't expect that Su Chen would reprimand her and threaten to execute her.

Jessia just wanted Su Chen to save her people. She didn't understand why Su Chen reprimanded and threatened her.

Su Chen waved his hand to release all the female giants and said in a cold voice, "Jesia, you are no longer my slave girl. I have released all the female giants. You take the female giants and Isabella and leave."

Su Chen said to Jie Xia was very dissatisfied.

Jesia was just his slave girl.

Before he and Isabella started talking or bargaining, Jexia begged him.

Also, why did Isabella know he was here?

Su Chen guessed that Jexia had Isabella's belongings on her, and that Isabella found him through Jexia. Why didn't Jexia tell him about Isabella? Sabella's belongings? It is useless to keep a slave girl who does not think about her master.

"Isabella, I won't help you, and I don't dare to help you. The Ogre Realm is a subordinate realm of the Nine Nether Supreme. You should understand the terror of the Nine Nether Supreme. Leave with the female giants. The ice and snow of the Rakshasa Supreme The realm does not welcome creatures from the Dark Realm."

Su Chen said and disappeared.

Forget it.

Although the female giants have become his female slaves, the hearts of the female giants are still in the dark realm and they are still in their giant group.

Su Chen can't bear to bear the pride of the female giants. The mountain, but

Su Chen leaving the female giants behind would be a hidden danger in the future. He might as well let the female giants leave as soon as possible.

At this moment, more than three thousand female giants saw Su Chen disappear.

All the female giants were very puzzled. They didn't understand. Understand what Su Chen just said means[]

When the giantess Qiaocelin saw Jexia kneeling on the ground, she hurriedly stepped forward and asked,

"Jessia, why did the master suddenly let us all out? And what did the owner mean by what he said earlier? Irene asked with a pale face,"Sister Jessia, why did the master let us leave?" Does the master not want us?"

More than 3,000 female giants around looked at Jessia.

They were being released by Su Chen while they were practicing. What Su Chen just said made all the female giants panic.

What happened?

Why did Su Chen let them out and still let them go? Leave?

Jexiya said with a pale face, "I'm sorry, because of me, the master gave up all the female giants. I'm sorry to everyone."

"What? The master has given up on us?"

"How can it be? Jessica, why did you anger the master?"

"No, how could the master give up on us?"

"I don't believe it. The master likes my mountain very much. I have served the master. How could the master give up on us?"

"Jessica, please explain to us clearly that the master cannot give up on us for no reason.".....

All the female giants were at a loss in panic.

Did Su Chen give up on them?

They are all Su Chen's female slaves, and they have never disobeyed Su Chen's orders.

The female giants want to know why Su Chen gave up on them? They also wanted to know what made Su Chen give up on them and die?.

Chapter 3106

Jesia looked guiltily at the more than 3,000 female giants around her.

Everything was because of her.

If she hadn't begged Su Chen,

Su Chen would not have given up on the female giant army.

Jessia thought about the days she spent with Su Chen, and thought that Su Chen liked her big mountain and mature sexy body.

However,

Jessia couldn't understand.

She just asked Su Chen to save the Dark Territory and the giants in the Dark Territory.

Su How could Chen get angry and abandon her? And abandon the army of more than 3,000 female giants?

Isabella said with a serious face,

"Jessia, you did something wrong. You are Su Chen's slave girl. Before Su Chen could talk to me, you begged Su Chen without authorization. No strong man would like a slave who doesn't consider his master."

Isabella did not expect that things would turn out like this.

Su Chen left in anger and the female giants were abandoned.

It was all because of her arrival.

Isabella also regretted coming to seek help from Su Chen. She was indirectly harmed. All the female giants.

However,

Isabella was very surprised when she checked the female giants just now.

All the female giants are at the imperial realm. Jexia and Qiao Silin are still at the tenth level of the imperial realm. In just a short time , After more than a hundred years,

Isabella couldn't understand how the female giants could advance so far.

How did Su Chen train the female giants to advance quickly?

"It's all my fault, it's all my fault."

Jesia collapsed on the ground after hearing Isabella's words.

She understood that

Su Chen considered her betrayal.

The slave girl could only think about her master and die for her master.

Jesia still thought about the Dark Territory, and she still thought about it. Thinking about the giant clan members, this is something that no master would allow to happen.

Su Chen's training for them is not worthy.

It is possible that Su Chen thinks that the female giants are using him. Su Chen may think that the female giants are using him to become The strong man then left.

Qiao Silin glared at Jessia and said,"Jesia, you did something wrong. We are the master's slaves and we will be the master's slaves all our lives. You are not worthy of being the master's slave. Please leave.""

Irene said with a serious face,"Jesia, you betrayed the master, we will not forgive you."

More than three thousand female giants glared at Jessia with unkind expressions.

They did not expect that things would be like this.

Jessia is Su Chen's slave girl.

She has left the Dark Territory and the Giant Clan, and will also be with the Dark Territory and the Giant Clan in the future. It doesn't matter.

Jessia angered Su Chen for the sake of the Dark Realm and the Giants.

All the female giants were also implicated by Jessia and were abandoned. None of the female giants would forgive Jessia.

Bang!

Qiaocelin knelt on the ground and said to all The giantess said, "I will beg the master to take back my life and accept me as a slave again. If any of you want to leave, you can leave with Jexia.""

Bang."

Eileen also knelt down and said with a serious face,

"Sister Qiaocelin, I will not leave. I am the master's slave girl. Even if I die, I will still be the master's slave girl."

Bang bang bang~

More than three thousand female giants knelt down one after another

"I will not leave, the master has made me strong. I am the slave girl of the master, and I will be the slave girl of the master even if I die."

"I will not leave either. I have advanced from the fifth level of the Holy Realm to the sixth level of the Imperial Realm. Everything I have is given by my master. I will not betray my master. Everything I have belongs to my master."

"Without a master, we would have been killed and eaten long ago. We are the slave girls of the master, living for the master and dying for the master."

"Live for the master, die for the master"

"Live for the master, die for the master"

"Live for the master, die for the master."

Jesia slumped on the ground with a pale face.

Her face was full of regret. She was wrong.

She was really wrong.

"well!"

Isabella looked at the female giants and sighed.

Su Chen had already left.

She did not detect any breath of Su Chen. The female giants were kneeling on their knees. There is no hope of begging Su Chen for forgiveness on the ground.

What should I do?

Isabella is very helpless at the moment.

Not only did she not get help from Su Chen, she also caused the female giants to be abandoned by Su Chen.

What should I do in the Dark Realm?

What should I do with the countless creatures in the Dark Realm ? ?

"Um?"

Isabella suddenly raised her head and looked into the distance. She sensed the arrival of a powerful domain lord?

Whoosh whoosh~

In more than ten breaths,

Emilia, along with the Archangel, the female zombie, and Claire appeared in the heavy snow. On the mountain.

Emilia stared at Isabella and asked, "Who are you? Why are you in my ice and snow realm?"

A Territory Lord?

Or a Territory Lord in the sixth level of Territory Lord Realm.

Emilia didn't feel Isabella's hostility, but a strange Territory Lord appeared in her realm. Emilia was hostile to Isabella. Isabella was also very vigilant.

Isabella replied, "I am Isabella, the Lord of the Dark Territory. I have no hostility. I came to the Ice and Snow Territory just to look for people."

"I am the Ice and Snow Territory Lord Emilia and Isabella, under the Supreme Rakshasa. The Ice and Snow Territory does not welcome the arrival of other Hongmeng Supreme Territory Lords. Please leave the Ice and Snow Territory."

"I will leave."

Isabella nodded helplessly.

Su Chen has left.

She can no longer get help from Su Chen.

There is no use for Isabella to stay. She must return to the Dark Realm as soon as possible. Even if she dies, she will die with the creatures in the Dark Realm. Die together.

The archangel asked the giantess kneeling on the ground, "Who are you 070? Why is there my master's aura?"

Qiao Silin hurriedly asked the archangel, "Master? Who is your master?"

"My master's name is Su Chen"

"Our master is also called Su Chen.

The archangel asked in surprise, "No wonder you have the aura of the master. Why are you kneeling?" Where is our master?"

Emilia and the girls looked at Qiao Silin one after another. They didn't expect that the female giants were all Su Chen's slave girls, but why were these female giants kneeling? Where was Su Chen? []

Why wasn't Su Chen on the Snow Mountain? ?

Qiaocelin lowered her head and replied, "The master has left, and we have been abandoned by the master. We kneel on the ground to beg the master for forgiveness.""

Boom!

The archangel burst out with a terrifying aura and asked coldly, "Tell me, why did the master abandon you?"

Boom!

The female zombie also burst out with a terrifying aura and shouted coldly, "Those who betray their master will die, Archangel, we will kill them."

The archangel hurriedly grabbed the female zombie and said, "Female zombie, wait, let's ask clearly before taking action."

Emilia and Claire looked at the giantesses with cold eyes. They did not expect that the giantesses were abandoned by Su Chen.

Why?

Did the giantesses betray Su Chen?

Or was Su Chen tired of playing with the giantesses ? , will the female giants be abandoned by Su Chen?.

Chapter 3107

At this time, in the misty forest between the Ice and Snow Realm and the Dark Realm, Su Chen stood on a towering tree and looked at the Dark Realm.

"It's strange, the Dark Territory is a dead realm. Why does the new Ogre Territory Lord want to conquer the Dark Territory? Is it just for food?"

Su Chen touched his chin and felt something was wrong.

The former Ogre Territory Lord invited two Territory Lords to conquer the Dark Territory. The new Ogre Territory Lord not only contacted four Territory Lords, but also invited a powerful World Lord.

Su Chen guessed that the Dark Territory There was a problem in the domain.

He got two kinds of Hongmeng Spirit Fruit in the Dark Domain, and also got the Hongmeng Spiritual Liquid that made Hongmeng Supreme jealous.

Su Chen took out the Demonic Tower of Desire and asked,"Emilia, you can contact Jiuyou Supreme?"

Damn it,

Amelia's figure is really arrogant and attractive, with smooth white skin, a slim waist, a curvy figure, proud mountains, and alluring perfect curves. Su Chen couldn't bear to let her go. Angel Emilia was released.

However, because of the weirdness in the Dark Territory,

Su Chen could only ask Emilia to contact 123 Jiuyou Supreme.

He was worried that if he killed the Ogre Territory Lord and other Territory Lords again, the Nine Nether Supreme might Blackmail him severely, and maybe even threaten him with Hongmeng spiritual liquid

"Damn heretic, I won't let you go."

In the Demonic Tower of Desire,

Emilia heard Su Chen's voice. She hurriedly squatted down to protect her naked body in shame and anger. She had been locked up in the Demonic Tower of Desire by Su Chen for more than a thousand years.

Years ago, she was still locked up naked in the Demonic Tower of Desire.

Emilia was still completely looked at by Su Chen, and the shameless pervert often checked her body.

Su Chen curled his lips and smiled,"Emilia, You have also seen Jiuyou Supreme's token. Jiuyou Supreme orders you to protect me. You can't do anything to me again."

"Shameless man, let me out."

Emilia's face turned dark and she held her hands tightly.

What is Jiuyou Supreme's token?

More than 600 years ago,

Su Chen showed her the jade pendant of Jiuyou Supreme. Emilia did not expect that Su Chen would have Jiuyou Supreme's jade pendant. Carry a jade pendant.

Protection?

Is she protecting Su Chen?

The shameless woman is so shameless and shameless that the Territory Lord Realm imprisoned her even in the Realm Lord Realm.

Emilia couldn't understand, how could Su Chen have nine The jade pendant of the Netherworld Supreme? Why did the Nine Nether Supreme ask her to kill Su Chen thousands of years ago?

Su Chen looked at Emilia's seductive body and said,"Emilia, you can put on your dress now, I will let you go." come out

"snort."

Emilia coldly snorted and waved to put on her dress.

Damn heretic.

Su Chen has the jade pendant of Jiuyou Supreme. Although Emilia won't kill Su Chen, she will beat Su Chen half to death. She won't Let Su Chen, who had seen her, feel better.

Whoosh!

Emilia appeared in front of Su Chen instantly.

Su Chen released Emilia and instantly appeared in the distance. He was worried that Emilia would take action against him.

Women's words I can't believe it, and I can't even believe what the beautiful woman said.

Boom!

Emilia's face was cold and she burst out with a terrifying aura to suppress Su Chen. She is a scumbag, a pervert, and a shameless bastard.

Emilia will make Su Chen's life worse than death. , she wanted to torture her shameless woman day and night.

Su Chen shouted warily, "Emilia, you want to suppress me?"

Emilia said coldly, "Shameless pervert, you have the token of Jiuyou Supreme. I will not kill you, but I will not let you go either. I will make your life worse than death."

"Emilia, if you attack me, aren't you worried about being punished by the Nine Nether Supreme?"

"Heretic, I will apologize to Jiuyou Supreme in the future."

Su Chen shook his head speechlessly.

He guessed that Emilia would not let him go. After all, Su Chen had seen Emilia for more than a hundred years.

What should he do?

The jade pendant of the Supreme Lord Jiuyou doesn't work either.

Capture Emilia again?

Su Chen is at the fifth level of the Domain Lord Realm. It is not difficult for him to defeat Emilia in the Realm Lord Realm.

"System, use the Lingbao Upgrade Talisman, Upgrade Archangel, Chaos Bell, and Desire Tower"

【Ding, host, Ascension Archangel, Chaos Bell, Desire Tower, are you sure?】

"Sure!"

【Ding, the spirit treasure promotion talisman starts to be used, the archangel is promoted to the middle grade Hongmeng spirit treasure, [Note: the archangel life spirit treasure, the realm of the archangel is promoted to the tenth level of the Tao realm.] The Chaos Bell was upgraded to a mid-grade Hongmeng Spiritual Treasure, and the Demonic Tower of Desire was upgraded to a mid-grade Hongmeng Spiritual Treasure. 】

Su Chen smiled when he heard the system's answer.

The archangel's strength has improved again, reaching the tenth level of the Tao realm.

Su Chen lets the archangel use the Hongmeng spiritual liquid again, and the archangel can quickly advance to the domain master realm.

Su Chen originally didn't want to use the Spiritual Treasure Enhancement Talisman to improve the Demonic Tower of Desire

, but the Demonic Tower of Desire was very useful to him.

The Demonic Tower of Desire is even more powerful than the Chaos Clock.

He tamed Su Chen's powerful women and powerful female subordinates through the Demonic Tower of Desire.

Emilia took out the golden sword and pointed it at Su Chen and said coldly, "Shameless pervert, you automatically sealed your cultivation realm. I can save you from the pain and torture."

"Do you think that's possible?"

"court death!"[] boom!

Emilia swung her sword towards Su Chen, and a terrifying golden light instantly attacked Su Chen. Su Chen curled his lips and disappeared.

"Huh, did you escape?"

Emilia waved her hand to set up a space blockade.

In Zhazha's domain master realm,

Emilia could suppress Su Chen without using all her strength.

Regarding Su Chen's Demonic Tower of Desire,

Emilia was fooled once a thousand years ago. She won't be tricked by Su Chen's Demonic Tower of Desire again.

"break!"

Su Chen quickly broke through Emilia's space blockade.

Su Chen's space law was upgraded to the Hongmeng space law. Emilia's space blockade was of no use to him.

"Emilia, I'm going to the Dark Territory. You'd better inform the Nine Nether Supreme, otherwise I will kill several of the Territory Lords and Realm Lords under the Nine Nether Supreme."

Su Chen is going to the Dark Territory.

He wants to check the Dark Territory thoroughly. He also hopes to find some treasures in the Dark Territory.

"How can it be? The shameless pervert is only in the Territory Lord realm. How can the Territory Lord realm break its own space blockade?"

Emilia was very uneasy in her heart.

She did not expect that Su Chen could easily break the space blockade.

Emilia is the tenth level of the Realm Lord Realm.

She is also a fallen angel of the space system.

The space blockade arranged by Amelia is It is difficult to break through the Realm Lord realm, how can a scumbag Territory Lord break it easily?

"The Dark Realm? Why did Su Chen go to the Dark Realm? Notify Jiuyou Supreme? Do you want to inform Jiuyou Supreme yourself?"

Chapter 3108

Emilia thought for a while and decided to go to the Dark Realm to look for Su Chen.

If Emilia didn't beat Su Chen half to death, she wouldn't notify Jiuyou Supreme first.

Whoosh!

Suchen reappeared at the same place after Emilia disappeared.

"The proud fallen angel."

Su Chen regretted letting Emilia out.

It was the jade pendant that was Jiuyou Supreme's token. Emilia didn't obey his orders when she saw the jade pendant.

Su Chen touched his chin and whispered, "Alas! Bing Ji and Xue Ji haven't left seclusion yet, and the female giants are still in the Snowy Mountains. What should we do? To the Underdark? Or should we wait until Bing Ji and Xue Ji come out of seclusion before going to the Dark Territory?"

After a while,

Su Chen decided to wait for Bing Ji and Xue Ji to leave seclusion before going to the Dark Territory. He was worried that Bing Ji and Xue Ji would be disturbed by others.

"Huh? Why are the archangel and the female zombie in the Snowy Mountains? Damn it, why is Emilia also in the Snowy Mountains? Damn!" "613", the elf Claire actually betrayed herself!"

Su Chen looked at the Snowy Mountains and was very surprised.

The Archangel and the Giantess appeared in the Snowy Mountains. Su Chen guessed that they relied on their breath to find them.

What is the situation of Emilia, the Lord of Ice and Snow Domain?

Claire told Emilia herself In the Snow Mountain? Did Emilia come to cause trouble for him?

Su Chen thought of pushing Emilia away. He guessed that Emilia went to the Snow Mountain to cause trouble for him.

What should he do?

He can't go to the Snow Mountain now..

Su Chen thought for a while and sent a message to the archangel, [Archangel, don't make any sound. Bing Ji and Xue Ji are in retreat in the Snow Mountain. You and the female zombies are protecting Bing Ji and Xue Ji in the Snow Mountain. Don't worry about the female giants..]

At this time, on the Snowy Mountains, the archangel and the female zombie heard Qiao Silin's story, and they looked at Jessica with murderous intent.

Jessia is Su Chen's slave girl, and a slave girl should consider her master wholeheartedly. The master's slave girl must die as the master's slave girl. A slave girl who doesn't think about her master should deserve to die.

Emilia frowned and looked at Jessica.

She now understood why the female giants were kneeling on the ground. Shia angered Su Chen, and all the female giants were abandoned by Su Chen.

Damn it,

Su Chen left.

Emilia couldn't find Su Chen even if she tried to find him. She was so angry that she wanted to destroy Jeshia physically and mentally..

The female zombie said murderously, "Archangel, Jessica is not worthy to be the master's slave. We will kill Jessica."

"Okay, let's kill Jie....."

As the archangel spoke, he suddenly heard Su Chen's voice transmission. The archangel would not disobey

Su Chen's voice transmission order. She wanted to protect Bing Ji and Xue Ji with the female zombie in the Snowy Mountains. The archangel waved to the female zombie and said, "Female zombie, we don't need to worry about the female giants. Bing Ji and Xue Ji are in retreat in the Snow Mountain. We have to protect Bing Ji and Xue Ji in the Snow Mountain." The female zombie asked in confusion, "Archangel, we want to protect the two of them. Mistress, where is Jessica? Don't

we kill her?" The archangel sent a message to the female giant, "The master just sent me a message, asking us to protect Bing Ji and Xue Ji and leave the female giants alone. We don't have to worry about Zecia and the other giantesses.] The female zombie nodded and said, [That's it, I understand. I will obey the master's orders.] Next to her, Jessica was kneeling on the ground with a regretful expression. Qiao Silin and other female giants were kneeling on the ground waiting for Su Chen. They all hoped that Su Chen would accept them again. Claire whispered to Emilia, "Lord, something is wrong. The female zombie was murderous before and wanted to kill Jexia, but now she has no murderous intention." Emilia said with an angry expression, "Huh, It must have been Su Chen who sent a message to the archangel and the female zombie. Damn you pervert. That bastard may have been paying attention to this place.

"

"Territory Lord Su Chen is paying attention to this? Territory Lord, didn't you notice Territory Lord Su Chen?"

"No, that bastard knows the laws of space and time. If he hides, not even the world lord can easily find him. Claire asked in confusion, "Lord, what should we do?" Do you still want to stay in the Snowy Mountains? Emilia held her hands tightly and decided, "Let's stay. Su Chen's two women are in retreat here. It's impossible for the archangel and the female zombie to leave. I'm going to stay and wait for that bastard to show up." Claire smiled and nodded.

She understood Emilia's plan, and she also agreed with Emilia to stay in the Snowy Mountains and wait for Su Chen.

Besides,

Su Chen's daughter was taken away by the Rakshasa Supreme. Claire Guessing that Emilia stayed behind to tell Suchen,

Isabella asked Qiaoceline, "Qiaoceline, have you decided to stay here?"

Joslyn said with a determined expression, "Lord Isabella, we giantesses are the master's slaves. We will not betray the master. We will always kneel here and wait for the master's return....."

Territory Lord Isabella sighed, "Alas, Your Excellency Su Chen has left, there is no use for you to stay here."

"The owner will definitely come back."

Qiao Silin looked at the female giants behind her.

She believed that Su Chen would come back.

Bing Ji and Xue Ji were still retreating in the snowy mountains. Su Chen would not abandon Bing Ji and Xue Ji and not come back.

The female giants still have a chance to survive in the Snowy Mountains.

If Qiao Silin and the female giants leave, they will not be able to get Su Chen's understanding in the future, and Su Chen will not accept everything in the future. Giantesses.

Isabella asked the other giantesses, "What about you? Do you want to stay? Or come back to the Dark Realm with me?"

Giantess Irene said with a serious face, "We have to stay. Even if the giantess kneels for a hundred, a thousand or ten thousand years, we will still wait for the master to return."

"We are the master's slave girls, and we will be the master's slave girls for the rest of our lives."

"She is the master's slave in life, and she is also the master's slave in death."

"We female giants will always kneel in the Snowy Mountains. If our master does not forgive us, we will kneel down and die in the Snowy Mountains."

"We giantesses will obtain our master's forgiveness".....

The female giants kneeling on the ground spoke one after another.

Since the female giants followed Su Chen in 2.4, in just over a hundred years, the female giants have obtained many precious cultivation resources, spiritual energy sources, Hongmeng spiritual

fruits, and huge luck. There is also precious Hongmeng spiritual liquid. Su Chen is not stingy in providing these precious cultivation resources to the female giants.

More than three thousand female giants have been promoted for more than a hundred years.

All female giants have been promoted to the emperor realm. Some talented female giants have been promoted to the Tao realm. The remaining female giants will also advance to the Tao realm in decades.

Isabella bent down to Emilia and said, "Lord of Emilia, these female giants were abandoned by Mr. Suchen because of me. In the ice and snow region, please take care of them."

Emilia nodded in agreement. Said, "Lord Isabella, the female giants are all good. I will stay in the Snow Mountain for a while. As long as I am here, nothing will happen to the female giants.""

Chapter 3109

Emilia's sense of the female giants is pretty good, with the exception of Jessica.

She has to wait for Su Chen in the Snowy Mountains. Emilia doesn't mind protecting the female giants.

"Thank you!"

Isabella nodded to Emilia.

She looked at the female giants and disappeared.

The Dark Territory is facing a crisis.

Isabella cannot stay in the Ice and Snow Territory for too long. She will die in the Dark Territory even if she dies. Inside.

Emilia told Claire, "Claire, go and inform Mia Boundary Master that Su Chen has left the Snowy Mountains, and inform Mia Boundary Master to look for Su Chen in the Northwest Territory.""

"Yes, Domain Lord."

Five days later,

Su Chen appeared in the Dark Territory.

It would have taken him four or five months to reach the Dark Territory.

After being promoted to the Territory Lord Realm,

Su Chen fully used the law of space and he could reach the Dark Territory in one day.

In the Hundred Thousand Mountains,

Su Chen summoned Nannan to check in Shiwanda Mountain.

Nannan took Su Chen's hand and asked doubtfully, "Brother, the Hongmeng spiritual energy in the dark realm is thin, can we find the treasure?"

Su Chen looked around for tens of thousands of miles and replied, "Nanny, there may be secrets in the Dark Realm. My Hongmeng Spirit Fruit and Hongmeng Spiritual Liquid were obtained in the Dark Realm. I guess there should be treasures in the Dark Realm."

After hearing Su Chen's words, Nannan also felt that there was a secret in the Dark Realm.

Hongmeng Spiritual Liquid is very precious in the Hongmeng World.

Even Hongmeng Supremes coveted the Hongmeng Spiritual Liquid.

Su Chen found hundreds of pots of Hongmeng Spiritual Liquid in the Dark Realm. Nannan guessed The Dark Realm may be unusual

"Huh?"

Su Chen suddenly discovered that hundreds of thousands of creatures gathered on a large mountain.

The Hundred Thousand Mountains were in the south of the Dark Realm.

This place had not yet been invaded by the Ogre Realm. How could hundreds of thousands of creatures gather together?

"Brother, what's wrong?"

"I found hundreds of thousands of creatures gathered on a big mountain. Nanny, let's hide our cultivation and go over to take a look."

"Good brother."

In Tianduan Mountain, hundreds of thousands of creatures gathered together to absorb the Hongmeng spiritual energy. Some creatures began to fight in order to absorb the rich Hongmeng spiritual energy.

"Clan leader, how come Tianduan Mountain suddenly has a very strong Hongmeng spiritual energy??"

"I don't know. Some powerful races have been checking for more than a month, but they didn't find anything strange."

"Look, the powerful Taoist from the Spirit Clan is standing on the main peak of Hongtian Broken Mountain."

"It was useless. Half a month ago, the Taoist giants from the giant ape tribe blasted through the main peak. The main peak was extremely strong. The Taoist giants blasted it for several days, but it was of no use at all."

"Tianduan Mountain has a secret, otherwise Hongmeng's spiritual energy would not suddenly be so strong, and we, the Territory Lords, don't know if it will come."

"Territory Lord Isabella may not come. The northern part of the Dark Territory has been invaded by the Ogre Territory. The Territory Lord protects the northern part of the Dark Territory."

Su Chen and Nannan appeared on Tianduan Mountain. They heard the conversations of the creatures around them and became even more confused.

The main peak of Tianduan Mountain cannot be blasted by Taoist warriors.

Is it possible?

It is a big mountain that can be easily attacked by the Emperor. Blast it to pieces, how come a Taoist realm expert can't even blast away a main peak?

Nannan said with a cold face, "Brother, Tianduan Mountain is unusual. It's impossible for a Taoist realm expert to blast away a main peak."

Su Chen nodded in agreement, "Yes, there is a secret in Tianduan Mountain, and the main peak may be where the secret is."

"Shall we check out the main peak?"

"Nannan, let's not check it out yet, some powerful people are coming to Tianduan Mountain soon."

Su Chen pulled Nannan and looked to the northwest. He sensed six powerful auras coming quickly, five Domain Lord realms and one World Lord realm.

Su Chen guessed that they were the new Ogre Territory Lord and the Ogre Territory Lord. The invited Territory Lord and Realm Lord.

Interestingly, the six Ogre Territory Lords should have come for Tianduan Mountain. What secrets will there be in Tianduan Mountain?

Nannan asked in surprise, "Strong?" Brother, are they the Ogre Territory Lord and those strong men he invited?"

"should be."

Boom, boom, boom~

At this moment, three Dao realms were bombarding the main peak of Tianduan Mountain, and the surrounding weak creatures kept retreating in fright.

A quarter of an hour later, six terrifying auras descended over Tianduan Mountain, and tens of thousands of creatures on Tianduan Mountain began to panic. Escape from Tianduan Mountain quickly.

Some Emperor and Dao realms stayed behind.

There are secrets in Tianduan Mountain, and they may be treasures for those who advance to the realm of cultivation. It's about earning resources, opportunities, and treasures. As long as there is a chance, no creature who wants to advance will miss it.

In the air, a man in black robe asked hoarsely, "Last, is this the place you mentioned?"

Ogre Territory Lord Rust replied respectfully, "Sir, this is where the previous Ogre Territory Lord discovered the strangeness of Tiandu Mountain, and we, the Ogre Territory, invaded the Dark Territory."

Last has just been promoted to the Territory Lord Realm for a hundred years. He will not be as arrogant as the previous Ogre Territory Lord. The last Ogre Territory Lord invited two Territory Lords to be killed.

This time he invaded the Dark Territory, the Ogre Territory Lord Four Territory Lords from the Nine Nether Realm were invited, as well as a Realm Lord Realm powerhouse.

Rust was worried that there would be hidden strong men in the Dark Territory. He did not want to be killed and fell after being the Territory Lord for a hundred years.

The man in black robe waved. He ordered with his hand, "Last, Victor, Sita, Aria, and Claude, you five Territory Lords will bombard the main peak of Tianduan Mountain together.""

"Yes, my lord."

After the five Rusts saluted the black-robed man, they all started bombarding the main peak of Tianduan Mountain.[]

Boom boom boom ~

The terrifying bombardment of the five domain masters, the entire Tiandu Mountain was shaking continuously, tens of thousands of miles around were shattered by the earthquake, the surrounding mountains collapsed, rivers and lakes poured in, and the towering trees in the forest were broken by the waist. , which was shaken by the shock wave.

【Ding, host, let me remind you once, there is Hongmeng Supreme in Tianduan Mountain. 】

Let me gather together,

Hongmeng Supreme?

How could there be Hongmeng Supreme in Tianduan Mountain?

Su Chen was very shocked.

The reminder from the system girl made him even more confused.

The Dark Realm is a dead realm.

How could there be Supreme Hongmeng hiding in Tianduan Mountain? What is Hongmeng Supreme doing hiding in Tianduan Mountain?

Avoid opponents?

Or is there a treasure in Tianduan Mountain?

Su Chen couldn't figure it out and asked, "System, how come Hongmeng Supreme is hiding in Tianduan Mountain?"

【Ding, host, the question you asked is redundant and the system will not answer it. The host does not want to die and run away quickly. The Hongmeng Supreme in Tianduan Mountain is just one step away from being promoted to the strongest Hongmeng Supreme. 】

Damn it, are you just one step away from being promoted to the strongest Hongmeng Supreme?

Hongmeng Supreme in Tianduan Mountain is more powerful than Rakshasa Supreme, but not as powerful as Jiuyou Supreme.

What is there in Tianduan Mountain?

Why didn't the system tell him about the extension?

Su Chen frowned and asked, "System, I want to know why Hongmeng Supreme is in Tianduan Mountain.""

【Ding, idiot host, you are only in the Territory Lord realm. Hongmeng Supreme can annihilate you with a casual blow. Don't think about the treasures in Tianduan Mountain. Escape from the Dark Territory as soon as possible.】

Chapter 3110

Su Chen has a dark face and wants to kill the system girl.

Doesn't he know the horror of Hongmeng Supreme?

Su Chen wanted to know why Hongmeng Supreme was in Tianduan Mountain. Why didn't the system girl tell him?

Doesn't the system girl know this? is it possible?

Also, the system girl said not to want treasures.

Are there any treasures in Tianduan Mountain?

What treasures will there be in Tianduan Mountain?

Su Chen thought that Hongmeng Supreme was in Tianduan Mountain, and he guessed that the treasures in Tianduan Mountain should be very precious.

Su Chen looked at the six ogre domain masters. He felt that he should listen to the system chick's reminder and leave.

He should leave Tianduan Mountain and the Dark Territory immediately.

Hongmeng Supreme was too powerful and terrifying. Su Chen didn't want to be raped by Hongmeng Supreme for no reason. Crushed to death

"Nanny, let's leave. Tianduan Mountain is in danger."183" we can't stay here any longer."

"Brother, what danger is there in Tianduan Mountain?"

Nanny looked at Su Chen and was very confused.

She understood how powerful Su Chen was.

The Territory Lord and the powerful Realm Lord were no match for Su Chen.

The Ogre Territory Lord and the other four Territory Lords, as well as the Man in Black Realm Lord, Nannan She believed that Su Chen would kill them. She couldn't understand why Su Chen suddenly said that he wanted to leave because of the danger.

"There is Hongmeng Supreme in Tianduan Mountain, we cannot stay."

Su Chen said as he hugged his daughter and disappeared.

The five ogre domain masters continued to bombard the main peak of Tianduan Mountain. He was worried that Hongmeng Supreme would be awakened and appear.

"Huh? Isabella? Why is this stupid woman here too?"

Su Chen found Isabella when he left quickly. He didn't expect Isabella to come back to the Dark Realm.

What to do?

Do you want to inform Isabella?

Whoosh!

Su Chen appeared next to Isabella in an instant, "Isabella Sabella, leave the Dark Realm with me quickly."

Isabella was surprised when she saw Su Chen suddenly appeared and asked, "Lord Su Chen, why are you in the Dark Territory?"

"Stupid woman, leave us now."

Su Chen held Nannan's waist with one hand and held Isabella with the other and disappeared quickly.

He didn't have time to explain to Isabella that

Hongmeng Supreme may appear at any time.

If they don't leave the Dark Realm as soon as possible, after Hongmeng Supreme appears, , they couldn't leave even if they wanted to.

Isabella was led away by Su Chen in a daze. She wanted to pull out the hand held by Su Chen, but

Isabella saw Su Chen's uneasy look.

Su Chen had previously said Talking about leaving the Dark Territory quickly, she guessed that Su Chen had encountered a powerful enemy, an enemy that even Su Chen could not deal with, and

Isabella was even more unable to deal with it. She wanted to wait until she left the Dark Territory before asking about the dangers Su Chen encountered.

One day later,

The Dark Territory suddenly felt like the end of the world, and the aura of terror enveloped the entire Dark Territory.

On Tiandu Mountain, there were five people living in the Ogre Domain, including the men in black in the Realm Lord Realm, and more than a dozen Dao Realm creatures around them. Everyone was suppressed. Lying on the ground, everyone was terrified and at a loss.

The man in black lay on the ground and shouted in fear,

"Damn it, Rust, damn you, there is Hongmeng Supreme in the Dark Realm, we are all dead."

Last said with a pale face, "I don't know, sir, I only know that the previous Ogre Territory Lord said that there are treasures in Tiandu Mountain. I didn't know that there would be Hongmeng Supreme."

Victor: "We are dead."

Sita: "We are doomed. If we disturb Hongmeng Supreme, we may be brutally killed."

Aliya: "Last, if we are lucky enough to survive, we will kill you."

Claude: "Damn it, I don't know if Jiuyou Supreme will come to save us."

Boom boom boom....

A terrifying aura erupted from Tiandu Mountain.

The Ogre Territory Lord, the other four domain masters, more than a dozen Dao realm creatures around them, and all the creatures within a radius of 100,000 miles, were shattered and died in the terrifying aura.

Many cracks appeared on the body of the world leader of the man in black, and the golden blood penetrated his clothes.

He could no longer hold on. If the terrifying aura continued, he would be broken and dead within five breaths.

"Ah~, this realm master is unwilling to give in..."

Three breaths later, the world leader of the man in black screamed in grief and anger and died, his body floating around like dust.

In the Ice and Snow Territory,

Su Chen, Nannan and Isabella looked towards the Dark Territory in horror. It was too scary, too scary.

The three of them felt the terrifying aura of Hongmeng Supreme at the edge of the Ice and Snow Territory.....

Isabella opened her sexy little mouth and asked, "Lord Su Chen, is this the aura of the Hongmeng Supreme?"

Su Chen replied with lingering fear, "Not bad."

Lucky, such a lucky, if not for the reminder from the system chick this time, Su Chen will be annihilated by the terrifying aura of Hongmeng Supreme.

Nannan asked in confusion, "Brother, isn't the Dark Realm a dead realm? How can there be Supreme Hongmeng?"

Su Chen shook his head and replied, "I don't know, but I guess there is a treasure coveted by Supreme Hongmeng in Tiandu Mountain."

Nannan thought about it. Then he said, []

"treasure? In this way, Hongmeng Supreme is secretly hiding in the Dark Realm, and other Hongmeng Supremes should not know about it."

"Brother, you said Jiuyou Supreme and Rakshasa Supreme, will they discover the hidden Hongmeng Supreme?"

Su Chen held Nannan in his arms and said, "You should find that Hongmeng Supreme has revealed a terrifying aura in the dark realm, and both Jiuyou Supreme and Rakshasa Supreme will be aware of it. Isabella bit her red lips and asked, "Lord Su Chen, is the Dark Territory finished?"

Su Chen whitened and Isabella said,

"It is definitely doomed. The terrifying aura of the Hongmeng Supreme will annihilate most of the creatures. If the Hongmeng Supreme fights in the Dark Realm, the creatures in the Dark Realm will die, and the Dark Realm will probably shatter and disappear."

"Brother, let's leave."

Nanny was very speechless towards Su Chen. It was 5.2, and Su Chen even touched her waist.

"Ahem~, let's go to the Snowy Mountains first to take away Bing Ji and Xue Ji, the Archangel and the female zombie, and Emilia is also in the Snowy Mountains. We want to leave the ice and snow area and go to the northwest.....Um? Emilia?"

Su Chen said awkwardly as he let go of his daughter's waist. He suddenly found that the fallen angel Emilia was coming quickly.

Su Chen did not expect that Emilia was also in the dark realm.

The sexy fallen angel was lucky. She was not caught. The terrifying aura of Hongmeng Supreme disappeared.

Isabella heard Su Chen's words and said hurriedly, "Lord Su Chen, I hope you can forgive the female giants. They are loyal to you and have never thought of betraying you."

Su Chen shook his head and refused, "No need. The female giants have nothing to do with me in the future. Isabella, the Dark Realm is over. You can take the female giants to other realms."
