Chapter 311

The two people on the tallest building of the Yongcheng Palace are Bei Mingzi of the Taoist Tianzong and his disciple Xiaomeng. They came here at the invitation of Lu Buwei. The Taoist Tianzong owed Lu Buwei a favor, and Lu Buwei also asked him this time. The Taoists came to save his life.

It seems that Lu Buwei can no longer use the help of Bei Mingzi and Xiaomeng. Now Lu Buwei is hiding in a corner of the sacrificial square with some of his ministers and his disciples. They seem to have been forgotten by Lao Ai.

On the viewing platform, Donghuang Taiyi and Bai Ruobing suddenly looked towards the Yongcheng Palace. They both discovered that a powerful person had arrived.

Bai Ruobing hurriedly came to Su Chen and said,

"Husband, there is a strong man in the heaven and human realm coming over."

Su Chen stood up in surprise and asked,

"A strong man in the heavenly realm? Let me guess, who are the land gods in the Eastern Continent?"

Donghuang Taiyi also came to Su Chen and said to him,

"There are not many strong ones in the Heaven and Human Realm. The only ones who are strong in the Heaven and Human Realm are Taoist Bei Mingzi and Gui Guzi. The Confucian Xunzi is only a half-year in the Heaven and Human Realm. Then there are me and your wife Bai Ruobing."

After hearing this, Su Chen understood that those old guys should indeed be land gods in the heavenly realm. But why didn't Su Chen find any land gods in the heavenly realm in the Southern Continent?

Uh! Shi Guanyin is not from the southern continent.

The southern continent Are all the land gods in the Heavenly Realm hidden? Or are they practicing in a secret place without caring about worldly affairs?

Su Chen was confused and said to Donghuang Taiyi,

"Isn't that much? In the Southern Continent, I haven't seen a single terrestrial deity in the Celestial Realm. Are all the terrestrial deities in the Celestial Realm in the Southern Continent extinct?
Donghuang

Tai waved his hand and said with great certainty,

"Impossible. There are also several Celestial Realm in the Southern Continent. When I traveled in the Southern Continent, I saw several land gods in the Celestial Realm."

"who? Who is the powerful person in the Heavenly Realm in the Southern Continent?"

"Why should I tell you? Unless you help me find some more copper boxes"

"you dream"

"you.....Do you know where the other copper boxes are?"

Donghuang Taiyi was a little angry and wanted to beat this bastard. She didn't expect that this bastard Su Chen refused so simply. Does this bastard hold a grudge so much?

Su Chen looked funny at Donghuang Taiyi who was about to get angry. Now Su Chen was not afraid of Donghuang Taiyi. With Marquis Bai Ruobing here, Su Chen believed that Donghuang Taiyi would not attack him.

Su Chen smiled and said to Donghuang Taiyi,

"I know, but why should I tell you? Donghuang Taiyi, did you also get the copper box from Qin?"

"You are a shameless bastard"

"Donghuang Taiyi, we have nothing to do with each other, and we have no alliance. Don't curse others casually, or my wife will beat you up."

"Tsk, a pretty boy."

What the hell, what happened to Donghuang Taiyi? If Donghuang Taiyi hadn't been speaking in a hoarse man's voice, Su Chen would have thought she was a woman.

"Stop talking nonsense here, Donghuang Taiyi, you and my wife are going to force out the land god in the heavenly realm. I want to see whether it is Bei Mingzi who is here or the old bastard from Guigu."

Donghuang Taiyi and Bai Ruobing nodded to each other and disappeared at the same time. They also wanted to know who would be involved in this matter at this time.

"Um? Wei Zhuang, Zhan Ri and the others are here. You, Tianze and Hu Tiehua will capture Liu Jian Slave. I believe Zhi Ri will help you capture Liu Jian Slave."

Su Chen smiled when he saw Zhi Ri and Liu Sword Slave coming toward him quickly.

Su Chen believed that Zhi Ri must have brought what he wanted this time, and this time the trap would fall on him. Got it in hand

"Okay."

Wei Zhuang nodded to Su Chen and flew away with Tianze and Hu Tiehua. They had heard the conversation between Su Chen and Zhan Ri just now. This battle was much easier for them. What

Wei Zhuang was thinking about now was In the future, this bastard Su Chen will definitely hand over Luo Wang to his sister Zi Nu, and then he can also use Luo Wang's intelligence network to do other things.

Wei Zhuang thought about whether to incorporate Luo Wang into his quicksand. Anyway, his quicksand will be handed over to Zi Nu's children in the future.

Su Chen took a sip of tea and found that the beauties of the Yin Yang family were sitting together and talking to each other, which made Su Chen a little unbalanced.

His army was fighting desperately, while the beauties of the Yin Yang family and the disciples were watching here leisurely,

Su Chen said unhappily,

"Da Siming, don't just watch here. Take your disciples of the Yin and Yang family to help my army. You are the assistants of Qin King Ying Zheng. I don't want you to come to watch the show."

Da Siming looked at the beauties of the Yin and Yang family next to him and said with some displeasure,

"Why did you just call me? Why don't you call me Queen E? Why don't you call me, Shao Siming? moon.....Forehead!"

Su Chen looked at the big Siming with blood-red hands and said with a smile,

"Da Siming, Ehuang is my confidante, and Nvyang is Ehuang's sister. Can I let them fight alone? Shao Siming? Can this three-no girl answer what I say? As for Moon Goddess, this magic stick is just a fortune teller, and she will not kill those rebels."

Ehuang Nvyang and Yueshen glared at this bastard after hearing Su Chen's words.

Shao Siming looked at Su Chen innocently. She now couldn't figure out what a three-no girl was. Shao Siming also I feel that what this Wu Xiangjun said must not be good.

"you....."

"Da Siming, if you don't want to go, you can"

"Um?"

Su Chen came in front of Da Siming, who was wearing a red cheongsam, raised her chin and said with a smile,

"I still lack a concubine. I think your figure and appearance are just right. How about you take my concubine, so that you don't have to go forward to kill the enemy."

Da Siming is actually very beautiful, especially her ruthless expression, which makes Su Chenjue have a desire to conquer Da Siming, just like that superior girl of the Moon Goddess

""Shameless bastard"

Da Siming slapped Su Chen with an angry palm, but before she hit Su Chen, she found that he was gone, which made Da Siming a little nervous.

"Da Siming, you are a bit naughty. If you.....Come on, Master Siming, how dare you attack me?"

Su Chen suddenly appeared behind Da Siming, hugged Da Siming and said with a smile. However, before Su Chen could finish speaking, he found that Shao Siming also started to attack him. Su Chen hurriedly let go of Da Siming and teleported. Disappeared.

Su

Chen appeared next to Shao Siming and slapped Shao Siming on the butt. Well, it felt good. Although Su Chen couldn't see Shao Siming's face, but Shao Siming's ears were red, he still Found

"Shameless"

""Rogue."

After Su Chen spanked Young Siming, Nuying and Yueshen scolded Su Chen angrily. They didn't expect that Su Chen was so shameless and spanked a woman. This made them want to be with Dasheng. Beat this bastard

"you wanna die"

"Skeleton Blood Handprint.

Seeing that the young Siming who saved him was bullied by this bastard, Da Siming immediately attacked Su Chen.

"I looked up, it was a big blood-red skull."

Chapter 312

When Su Chen saw Da Siming attacking him with the skull and blood handprint, he screamed and hugged Shao Siming and disappeared instantly. Su Chen would not fight Da Siming head-on. Da Siming was a master after all, Su Chen If Chen doesn't use Divine Sword to Control Thunder, he really can't beat Da Siming.

Su Chen appeared in a palace with Young Siming in his arms. He looked at Da Siming who was still looking for him everywhere and smiled. This Da Siming thought he would appear next to her, but this time she was disappointed..

When Su Chen saw that Shao Siming was about to take action against him, he hugged Shao Siming tightly and threatened,

"Little beauty, you'd better not move. Da Siming is a master and I can't beat her, but you are only at the peak of your innate strength, so you are no match for me."

Shao Siming's ears are very red now. She is looking at Wu Xiangjun who is holding her with some anxiety. She doesn't know what this shameless Wu Xiangjun will do to her, but she really can't beat this bastard.

"Um, forget you can't speak."

Su Chen looked at Shao Siming and wanted to unveil her, but after thinking about it, Su Chen decided not to do it. After all, this Shao Siming was also a person he liked very much in his previous life, and he didn't want to give this Shao Siming any trouble. It left a bad impression.

Shao Siming stared at Su Chen with a pair of bright eyes. Just now, this shameless man wanted to reveal his veil, but why suddenly he didn't do it again. Shao Siming couldn't understand this Wu Chen. What on earth did Xiangjun want to do to him?

At this moment, a cold and white-haired beauty suddenly appeared next to him. When she saw Su Chen teasing a woman, she cursed coldly,

"rogue"

"Um? I guess, the one with white hair? Are you Taoist Xiaomeng?"

Su Chen's eyes lit up when he saw the beautiful woman next to him. This beauty's legs were really long. The Taoist robe showed off all of this beauty.

Su Chen suddenly realized that this beauty was not the Taoist master Xiaomeng.

""Is it rude ?"

Damn it, why are the beauties now more irritable than the other? Da Siming was like this just now, and Xiaomeng was like this too. It seems that today I am not suitable for teasing beauties.

Su Chen hugged Shao Siming and instantly Returning to the viewing platform, he let go of Shao Siming and looked at Xiao Meng who was chasing him. He felt a little helpless. Didn't he just say"white hair"? Why is this Xiao Meng chasing after him?

"Moon God, the Taoist people have appeared, stop her quickly, I'll join in, Da Siming, don't make trouble yet, the Taoist people are coming to cause trouble."

Su Chen hurriedly said to Yue Shen after letting go of Shao Siming.

However, Su Chen did not expect that Da Siming, a violent woman, would start attacking him again after seeing her appearance. This made Su Chen hide in a hurry.

Yue. Shen Shen originally didn't want to take care of this bastard Su Chen, but when she heard that Su Chen was talking about Taoism, Yue Shen looked at Xiaomeng who had arrived and said in surprise,

"Taoist? Um? It's Bei Mingzi's close disciple Xiao Meng."

"Yin Yang family?"

Xiaomeng was a little confused when she saw that there were so many Yin and Yang elders here. Just now, after her master, Donghuang Taiyi, and a beautiful woman left,

Xiaomeng discovered that the bastard Su Chen was teasing a little beauty. She was He didn't think about teaching this shameless person a lesson, but he didn't expect that he would come to the Yin Yang family.

After seeing the bastard Su Chen let Shao Siming go, Da Siming looked at Taoist Xiao Meng. This Xiao Meng was a big man. Da Siming did not expect that Taoist Xiaomeng would appear here.

When Su Chen saw Xiaomeng and the beauty from the Yinyang family looking at each other, he looked at Xiaomeng's long legs and coughed and asked,

"Hey, Xiaomeng, was your master Bei Mingzi here just now?"

""Shameless person"

Xiaomeng saw that this bastard Su Chen was staring at her legs, so she took her Qiuli sword and attacked Su Chen directly.

"Bailu Qishuang"

"The best goodness is like water." When

Ehuang Nvyang saw Xiao Meng attacking Su Chen, they immediately took action to block Xiaomeng's attack. Su Chen was one of their own, no matter what, and Xiaomeng was the mortal

enemy of their Yin Yang family. Ehuang Nvying would not let Xiao Meng. Meng went to bully Su Chen, who was in the Xiantian realm.

Boom

Xiaomeng fought off Ehuang Nuying and warned,

"Elders of the Water Department of the Yin Yang Family, and Ehuang Nv Ying, you are no match for me. It is best not to stop me from teaching this shameless person a lesson."

""Wanye Feihua Liu"

Black and white Siming also attacked Xiaomeng at this time. Su Chen and Da Siming were playing around just now, but the sisters did not take action, but this Xiaomeng was different. No matter how angry Da Siming was at that time, Without using all their skills to fight Su Chen , Xiao Meng and the others didn't know whether it would be detrimental to Wu Xiangjun. Hei Bai Si Ming had no choice but to stop Xiao Meng with Ehuang Nvying and the others first.

"Yin-Yang Mudra"

Da Siming also took action at this time to stop Xiaomeng from taking action against this bastard Su Chen. She knew that the Eastern Emperor's Taiyi attached great importance to this Wu Xiangjun.

Moreover, Yueshen and Ehuang Nuying also had a close relationship with this bastard like him. , at this time she also had to help this bastard Su Chen

""The soul is like a wandering dragon"

Yue Shen saw that Ehuang Nvying and the others could not stop Xiao Meng, so she took action. Nothing can happen to this bastard now. Whether it is for their Yin Yang family or herself, Yue Shen must Gotta protect this bastard

"The sky and the earth are pale."

Xiao Meng was also a little angry. She just wanted to continue being a shameless person. Why did the elders of the Yin and Yang family try to stop her one after another, and even the right guardian Moon God also wanted to stop her.

When Xiao Meng used After the sky and the earth faded, the viewing platform suddenly turned black and white, and Ehuang Nvyang and the others were a little horrified to find that they could not move. Even the moon god was struggling hard.

Su Chen used Xiaomeng's use of the sky and earth to fade. He hurriedly teleported out. He knew how powerful the sky and the earth were.

Su Chen looked at the beauties who were immobilized by the sky and the earth and exclaimed,

"Let me guess, this world is a bit awesome."

Bump! Bump! Bump!

In just a moment, the Moon God was shattered. After all, Xiao Meng's current strength is not strong, otherwise the Moon God would be defeated by Xiao Meng.

Then Ehuang Nvyang and others also followed After breaking the sky and the earth, they recovered. They are still a little frightened now. If Xiao Meng had attacked them just now after he had pinned them down, Ehuang Nvyang and the others would have been defeated by Xiao Meng. The

Moon God placed his hands in front of his lower abdomen with a solemn expression. He said to Xiaomeng,

"Xiaomeng, you are indeed a once-in-a-hundred-year genius in Tianzong."

Xiaomeng didn't show any expression of sadness or joy. She looked like a master from this world and asked Yue Shen and the others,

"Protector of the Yin and Yang family, elders of the Yin and Yang family, why do you want to stop me from teaching this shameless person a lesson?"

Yue Shen looked at Xiaomeng's indifferent and otherworldly look and warned,

"Xiaomeng, you can't teach this bastard a lesson, or you will regret it."

"regret? I never regret anything I do."

Chapter 313

Xiaomeng glanced at Su Chen who was hiding beside her coldly and arrogantly, and became a little angry. This bastard ran very fast just now. Xiaomeng was planning to give Su Chen a hard lesson after immobilizing him with the eclipse of heaven and earth, but this bastard was too alert..

As for the identity of this bastard, Xiao Meng didn't care at all. Even though the women of the Yin and Yang family were trying to protect this bastard, Xiao Meng just thought that this bastard should be a powerful figure in the Qin State.

At this time,

Ying Zheng and Zhang Han who were on the side were a little speechless. There was a war going on in the sacrificial square, but Lord Wu Xiang actually ignored the fighting of his army and flirted with beautiful women here.

Ying Zheng feels that this Lord Wu Xiang is not worthy of being his opponent in the future. Lord Wu Xiang may fall into the hands of a woman at some point in the future. Maybe before he and Lord Wu Xiang start a war, the whole bastard will no longer be jealous of his woman. killed.

Ying Zheng felt that he should send more beauties to Wu Xiangjun in the future, and it would be best if Wu Xiangjun could die on the bellies of the beauties.

At this time,

Wei Zhuang and the others were already facing off against Zhan Ri and Liujian Nu.

Wei Zhuang and the others stopped Zhan Ri and were about to take action. However, Zhan Ri dared to come over when he saw Wei Zhuang and the three of them. This made Zhan Ri Somewhat speechless.

Does that bastard Wu Xiangjun really believe that he will definitely help them take down the Six Sword Slaves?

Isn't Mr. Wu Xiang afraid that he will suddenly regret killing his men? But Zhenri really didn't dare to go back on his word, and Zhenri really couldn't afford the gamble.

Zhanri took out the Zhanri Sword and ordered the Six Swordsmen to say,

"Six Sword Slaves, you go kill the white-haired Wei Zhuang, and I'll kill the other two."

"Yes, Lord Hidden Sun."

Liu Sword Slave didn't see Zhi Ri's expression now. After receiving Zhi Ri's order, the six of them rushed towards Wei Zhuang to kill him.

Bang! Bang! Bang!

Just as Liu Jian Slave was carrying Zhi Ri, he was killing When heading towards Weizhuang, Zhan Ri suddenly shot and wounded Zhen Gang, turning his soul to death. Duan Shui was also pierced by Zhi Ri's sword. The Six Sword Slaves killed four people in an instant. The remaining

Luan Shen and While the sprites were still in shock, Wei Zhuang, Tianze, and Hu Tiehua also attacked instantly. Without the cooperation of Zhengang and the others, Luanshen and sprites were instantly restrained by Wei Zhuang, the others, and Zhanri. In just an instant

, Luo Wang's Tianzi first-class killer Liu Jiannu was all captured.

The leader of the Liujian slaves, Zhen Gang, said to Zhanri angrily,

"Hidden Sun, have you betrayed Luo Sheng?"

Zhen Gang didn't expect that the strongest person in Luo Wen would betray Luo Wen at this time, and even injure them unexpectedly. This made Zhen Gang a little confused as to why Zhe Ri would do this?

Zhe Ri was under one person in Luo Wan. , there are more than ten thousand people, and when the controller of Luo Wang does not have orders, Luo Wang is basically managed by Zhi Ri, and it is even said that Zhi Ri is leading Luo Wan.

This makes Zhen Gang wonder why Zhi Ri betrayed Luo Wan?

"Betrayal, I didn't. What should you know about this?"

Zhanri put away the Masking Sun Sword and took out the Luowang Supreme Token from his arms and showed it to Six Sword Slaves. Zhanri believed that with this Luowang Supreme Token, Liujian Slave would definitely be loyal to that bastard Wu Xiangjun. As long as

Liujian Slave The slave was loyal to Lord Wu Xiang, and Zhi Ri had completed his mission. Zhi Ri just hoped that the bastard would stick to his promise and not expose his identity. Zhen Zhen was surprised when he saw the Supreme

Order of Luo Wen and asked, "Luo Wen Supreme Order? Why is Luo Wang's Supreme Order in your hand?"

The other Six Sword Slaves were also very surprised when they saw the Supreme Order of Luo Net in Zhan Ri's hand. But they knew that the Supreme Order of Luo Net was in the hands of Chang Xin Hou Lao Ai.

Needless to say, the Supreme Order of Luo Net in Zhan Ri's hand was also the order of Zhan Ri. Stolen from Chang Xin Hou Lao Ai,

Zhi Ri threatened in a low voice, "The snare will be Lord Wu Xiang's snare from now on. If you Six Sword Slaves don't want to die so unclearly, you'd better be loyal to Wu Xiang in the future." Xiangjun."

Wei Zhuang and the others didn't have time to listen to the conversation between them now. Wei Zhuang waved to the back, and the quicksand people immediately came over, grabbed L Liujian Slave, and headed towards the viewing platform.

"Hiding the sun, now order the Luowang assassin to cooperate with Wu Xiangjun's army to fight. We will wait for your arrival at the viewing platform."

""I know."

Wei Zhuang and Zhan Ri left after talking. The battle here was so sudden and fast that no one found out what happened here.

The war in the sacrifice square is still going on, but now Su Chen's The Netherworld Cavalry Legion has gained the upper hand.

Lao Ai's army is getting more and more frightened now. Whether these Netherworld Cavalry Legion are soldiers or their horses, they rebels have no way to kill them. They are also in black armor, but these Netherworld Cavalry Legion The black armor defense of the cavalry legion and the rebels could not be broken at all. Now the rebels of Lao Ai are losing more and more.

Bump! Bump! Bump! Bump! Bump! Bump!

The people of Quicksand have defeated the Six Sword Slaves. After being thrown on the viewing platform,

Wei Zhuang and the others found that the atmosphere here was strange when they came to Su Chen. He saw that these women from the Yin and Yang family were all wary of a strange white-haired woman.

White hair? Why? Is there anyone with the same hair as him?

Wei Zhuang looked at the white-haired Xiao Meng and didn't say anything. In this bastard like Su Chen, Wei Zhuang didn't think it was strange no matter how many beauties appeared.

That bastard had no other abilities. How about it, but Wei Zhuang admires his ability to provoke beautiful women.

"Wu Xiangjun and the Six Swordsmen have been captured. Zhanri is now going to order Luo Wang to cooperate with the army to kill Lao Ai's rebels."

Su Chen looked at Xiao Meng and instantly appeared next to Six Sword Slave and said with a smile,

"Yes, Six Sword Slaves, are you submitting to me? Or don't you submit to me?"

Su Chen is very satisfied with Six Sword Slaves. Six Sword Slaves are the best subordinates. As long as they recognize their master, they will obey absolutely. This has been verified in Zhao Gao's hands.

"We only obey the Supreme Order of the Snare"

"Oh, it seems that the Supreme Order of Luowang will be handed over to me soon, Six Sword Slaves, you should know this, right?"

"With the Supreme Order of Luowang, we Six Sword Slaves will obey Wu Xiangjun's orders."

"Very good, I will abolish the Supreme Order of Luowen from now on. From now on, my Black Bird Order will be the Supreme Order of Luowen, and I will be your only master from now on."

The Six Sword Slaves also knew that after subduing Luo Wang's assassins, they would hand over the Luo Wang Supreme Order to Wu Xiangjun. They also knew that their master was about to be replaced. The

Six Sword Slaves looked at each other and said to Su Chen He knelt down and saluted and said,

"The Six Sword Slaves, Zhen Gang (Shui Duan, Chaos Shen, Demon, Soul Destroyer) has met his master"

"Get up, you go and recover from your injuries first"

"Yes, master."

Su Chen is a little happy now. The snare is now in hand. This is equivalent to breaking an arm of King Qin Yingzheng. It will not be so easy for King Qin Yingzheng to unify the six eastern countries in the future.

Xiao Meng is a little surprised now. She is the snare of Great Qin. You know, Xiao Meng didn't expect that this shameless person would conquer Luo Wang.

Luo Wang is the most mysterious secret organization in the Eastern Continent. Over the years, Luo Wang has infiltrated the six Eastern countries. Luo Wang's people are everywhere.

【The net is all-pervasive】 This is not just a casual comment. The net's penetration, assassination, and instigation of rebellion are very powerful.

Xiaomeng was now a little curious about the identity of this shameless person. The net that even the King of Qin of Qin did not control was actually controlled by this shameless person.

Xiaomeng asked the shameless person in front of him calmly,

"who are you?"

"Um? who I am? Xiaomeng, I am your destined person in the future."

Chapter 314

Xiaomeng heard that this shameless person dared to tease her, and Xiaomeng suddenly disappeared from the place. When Su Chen saw Xiaomeng suddenly disappearing, he immediately teleported to the moon god. He knew that Xiaomeng and Guang were together. Chen's cultivation is so superb that Xiao Meng will definitely attack him.

A Tai Chi figure suddenly appeared where Su Chen was just now. When Xiao Meng appeared from the Tai Chi figure, she found that the shameless man had escaped again. This made Xiao Meng's unchanged face a little angry.

"Damn it, can you just run away?"

Su Chen found it very funny when he saw Xiaomeng was a little angry. Xiaomeng's unchanging expression did not expect to be broken by him. It seems that Xiaomeng's Taoist heart is still a little unsteady.

But this is okay, if Xiaomeng Mengdao is determined, so doesn't he have no chance of getting this long-legged beauty?

"Haha, not only can I escape, but I can also run away. Xiaomeng, do you want to [chase] me?"

"Shameless."

Just when Su Chen continued to tease Xiao Meng, a secret guard quickly came to Su Chen and saluted,

""Your Majesty, more than 300,000 Qin troops have appeared outside Yongcheng."

Su Chen looked at the battle in the sacrificial square and thought about it and said

"Thirty Qin troops? It seems that Wang Jian has subdued the 200,000 troops deployed by Lao Ai outside Yong City. Where is Hu Ji's army now?"

"Your Majesty, it will take at least another hour for Madam Hu Ji's grassland army to arrive."

"Will it take more than an hour? A little slow."

Su Chen touched his chin and was speechless. Hu Ji and the others might have been informed a little late by Meng Tian. If Wang Jian's army entered Yongcheng first, I'm afraid that bastard Ying Zheng would cause trouble again, and he would have to guard against this renegade King of Qin. Ying Zheng.

The Moon Goddess heard that more than 300,000 Qin troops were arriving. She also guessed that this might be the arrival of Qin King Ying Zheng's army. However, based on the relationship between Qin King Ying Zheng and Su Chen, a bastard, they might have another conflict..

But this time King Qin Yingzheng has more than 300,000 troops. Isn't this shameless bastard Su Chen going to be in trouble this time? The

Moon God looked at Su Chen thinking and asked worriedly, "Su Chen, are you Worried about King Qin Yingzheng?"

Su Chen conveniently hugged the moon god's waist and said seriously,

"Well, now I have fallen out with King Qin Ying Zheng, and I just threatened him to agree to my three conditions. If King Qin Ying Zheng's army reaches Yongcheng first, that bastard Ying Zheng will definitely regret it again."

When Yue Shen saw that this bastard was taking advantage of her at this time, she regretted worrying about this bastard. She wanted to turn around and escape from Su Chen's arms, but this bastard actually hugged her with his arms. Yue Shen was a little angry. Pinch Su Chen's waist,

"You shameless person, how long have you been now, and you are still so dishonest, aren't you worried that King Qin Ying Zheng will kill you soon?"

Su Chen endured the pain in his waist and said to Moon God affectionately,

"Moon God, I'm just worried that King Qin Ying Zheng will kill me, so I want to hold you. I like you very much. If I am killed soon, won't you, a beautiful woman, no longer belong to me?"

"Go away, I never belonged to you."

Yue Shen's face is a little red now. She didn't expect this bastard Su Chen to say these things in front of so many people. This makes Yue Shen feel a little happy and speechless.

"Haha, Moon God, if I don't die this time, I will take off your gauze and let me see your eyes."

"Wait until you are alive."

Su Chen grinned when he heard what Moon God said.

Although Su Chen didn't understand why Moon God cared about him so much, wouldn't it be good to have a beautiful and noble beauty caring about him?

Su Chen thought that no matter what Luna would do in the future Conspiracy, he has a way to completely get this beautiful Moon God.

Su Chen watched the battle of the Netherworld Cavalry Legion and ordered the secret guard next to him,

"Come here, give me an order for Wang Meng to lead the Netherworld Cavalry Legion to retreat to the ceremony. Stop fighting Lao Ai's army."

"Yes, Your Majesty."

Woo! Woo! Woo!

At this time, after Wang Meng, the commander of the Netherworld Cavalry Legion, received Su Chen's order, the retreat horn of the Netherworld Cavalry Legion sounded. The Netherworld Cavalry Legion immediately heard the sound of the horn. The battle with the Lao Ai rebels stopped, and the Nether Iron Cavalry legion that broke away from the battle quickly retreated towards the designated position. In this short war, the Nether Iron Cavalry also lost more than 2,000 people, while the Lao Ai rebels lost almost the same amount. Thirty thousand people, this time can be said to be a complete victory for the Netherworld Cavalry. When the Netherworld Cavalry Legion withdrew to the viewing platform, the rebels in Lao Ai breathed a sigh of relief. They were killed by the Netherworld Cavalry Legion. If the Nether Iron Cavalry hadn't withdrawn from the battlefield now, I'm afraid some rebels would have fled.

"Why did these armies retreat?"

Lao Ai was a little confused when he saw the Nether Cavalry stop fighting. Just now he saw Lord Wu Xiang's army massacring his army, but why did Lord Wu Xiang's army retreat at this time when they clearly had the upper hand? This made Lao Ai confused.

A general shouted and ran to Lao Ai with a secret letter and said,

"Lord Marquis, it's not good. Our 200,000-strong army outside Yongcheng was subdued by General Wang Jian. General He Si was killed. Now General Wang Jian has arrived outside Yongcheng with an army of more than 300,000 people."

"Damn it, that idiot He Si was usurped by that common man Wang Jian, eh? What about covering up the sun? Where are the assassins in the net?"

Lao Ai scolded his useless general with an ugly face, but he suddenly found out that the people who set up the trap didn't come back, and Zhan Ri and Liu Jian Slave didn't come back either, which made Lao Ai feel a little restless.

"Lord Marquis, look, why are all the assassins from Luo Wang going to the viewing platform?"

"Traitors, the assassins of Luowang have all rebelled. Don't they all have my Supreme Order of Luowang?.....Damn it, where is my token?"

When Lao Ai was cursing the assassins of Luo Wang, he suddenly discovered that the Luo Wang Supreme Token he was carrying was missing. Lao Ai thought that only Zhan Ri could get close to him, and the Luo Wang assassin had obviously taken refuge with Qin King Ying Zheng. This Lao Ai was so angry that he almost vomited blood.

Lao Ai thought with a gloomy face: Luo Wang Zhiri had betrayed him, and Luo Wan's token was also stolen by Zhiri. That bastard must have gotten the news of the arrival of Wang Jian's army and defected in advance. He killed King Qin Yingzheng."

Step! tread! tread! tread!

Suddenly, the sound of troops running was heard outside Yongcheng Palace. The sound of hundreds of thousands of troops running was so loud that everyone in the sacrificial square heard it.

On the viewing platform,

Su Chen also heard that King Qin Yingzheng's army had arrived. Su Chen held the blushing Moon God in both hands and was about to see if King Qin Yingzheng next to him was very happy now, when he found Xiaomeng holding her Qiuli. Jian walked over to Su Chen.

Ehuang and Nvyang all looked at Xiaomeng warily, but with the Moon God next to Su Chen, they did not stop Xiaomeng.

"Let me know, Xiaomeng, what are you doing? I have no time for you now."

Chapter 315

Xiaomeng came to Su Chen and pointed her Qiuli sword at Su Chen. She now wanted to know who this shameless person was?

Why was it his army that was fighting Lao Ai's army in the Sacrifice Square?

Xiaomeng just heard the conversation between this shameless man and the Moon God of the Yin and Yang family, and she knew that he was not with Qin Wang Yingzheng. This time, the shameless man was not with Qin Wang Yingzheng. This time, the shameless man had not found foreign aid.

This made Xiaomeng very upset. I'm curious why this shameless person wants to go against Lao Ai?

Su Chen saw Xiao Meng coming to trouble him again, and now pointing a sword at him. Su Chen thought that Xiao Meng was also a vengeful person, right?

Xiaomeng asked coldly with an emotionless tone,

"who are you?"

"Xiaomeng, you are not me, why should I tell you?"

"Do you want to die?"

What the hell, why do these women always threaten people?

Are powerful women all virtuous?

Su Chen looked at Xiaomeng and ignored her. Now that the reinforcements from King Qin Yingzheng have arrived, he will help this time. The King of Qin Yingzheng should have come to an end. Now it depends on whether King Qin Yingzheng will fall out again after Wang Jian's army arrives.

Su Chen looked at Xiaomeng's unwilling look and pushed Yueshen in front of him. , it's better to let Yue Shen deal with this Xiaomeng. The current Xiaomeng is no match for Yue Shen.

Seeing this bastard asking her to block Xiao Meng, Yue Shen was speechless. Yue Shen glared at this bastard and decided to help. He, Su Chen's situation is not good now, and Yueshen doesn't want this bastard to bother Xiaomeng anymore.

At this time, Wei Zhuang brought Zhi Ri to Su Chen, and Zhi Ri looked at Su Chen, this shameless bastard. He threw the Supreme Order of the Net directly to him and said,

"Mr. Wu Xiang, this is Luo Wang's supreme token."

Su Chen looked at Luowen Supreme Order and said to Zhanri with a smile,

"Cover the sun, leave the sword to cover the sun, and leave. You should know who is coming soon, and your business ends here."

This shameless bastard, after helping him with so many things, in the end he also wanted to keep his Hiding Sun Sword. This made Zhi Ri look at Su Chen and want to stab him to death.

Zhi Ri looked at the Hidden Sun Sword in his hand. The Sun Sword was thrown to Su Chen. He knew that he could not keep the Hiding Sun Sword. The net would belong to this shameless bastard in the future, and the bastard Yue Wang Bajian would definitely collect it again.

Hiding the Sun thought that he would not be able to use his identity in the future. As long as this shameless bastard no longer threatens me in the future, just give the Sun-hiding Sword to this bastard.

Hiding the sun looked at Su Chen with his bronze mask and turned around and left, otherwise his father would lead the army later If you come here and see him, you will probably be suspicious of him. After all, his father is very familiar with his body and some characteristics.

Su Chen took the Luowang Supreme Token and the Sun-Concealing Sword and smiled. Luowang is now completely Now that I have it, it should be a good choice to give the net to Zi Nu in the future.

There is also the Sun-Zhiding Wang Ben. Su Chen will still deal with him in the future. I hope that Zhi-Ri will not be angry when he meets him in the future.

But at this time King Qin Yingzheng's face was a little ugly. Although he didn't know what Luo Wang's Zhan Ri and Wu Xiangjun were talking about, he saw that this time Luo Wan's Zhan Ri brought thousands of assassins to seek refuge with that bastard Wu Xiangjun.

Luo Wan's But the sharp weapon of the Qin Dynasty was now controlled by an outsider, which made King Qin Yingzheng very angry.

Boom

Dong Dong Dong Dong Dong Dong

The gate of the Yongcheng Palace was breached again. This time, although Lao Ai's army did not think of it. It was necessary to defend the gate of Yongcheng Palace, but Wang Jian's army came so fast that Lao Ai had not yet figured out how to deal with this crisis. A large number of troops once again poured into the sacrificial square of Yongcheng Palace. , just for a while, more than 100,000 troops entered the sacrificial square. This place has reached its limit. No more troops can enter the sacrificial square.

Wang Jian rode his horse to the sacrificial square and saw that there was no fighting here. Now, he was afraid that he would be late. If King Qin Yingzheng had been killed by Lao Ai, then Wang Jian would not regret his death. Wang Jian quickly looked at the two parties in the sacrificial square. When he saw Wang Jian breathed a sigh of relief when he arrived at the viewing platform where King Qin Ying Zheng was.

King Qin Ying Zheng showed a smile when he saw Wang Jian coming. This time he no longer had to suffer from the bastard Wu Xiangjun.

Ying Zheng Zheng Zheng had no sense of presence here before. He was the king of Qin. He had no sense of presence in his own country. This made King Qin Ying Zheng feel very aggrieved.

Li Si, who was next to King Qin Ying Zheng, saw that he had no presence at all. General Wang Jian led the army and whispered when he arrived,

"Your Majesty, should we go to General Wang Jian?"

""Go." King Qin Yingzheng is in a good mood now. Although he has only a few loyal ministers around him, from today on, he is the real King of Qin. Lao Ai and Lu Buwei will deal with them all this time.

Just before King Qin Yingzheng and When Zhang Han and the others were about to leave, Su Chen came over with Ehuang Nvying and the others.

Su Chen looked at the aloof face of King Qin Ying Zheng with a smile and said,

"King Qin, are you leaving?"

Qin Wang Yingzheng's face darkened when he saw this bastard Wu Xiangjun appear. This damn bastard wouldn't want to detain him here, would he?

Ying Zheng looked at the troops and guards surrounded by this bastard. If Wu Xiangjun, this bastard, really If he was not allowed to leave, I was afraid that he would be in trouble this time.

King Qin Ying Zheng asked Su Chen with a dark face,

"Mr. Wu Xiang, do you want to keep me alone?"

Su Chen's expression changed instantly when he saw Ying Zheng. He smiled and said to King Qin Ying Zheng,

"Haha, how could I keep you as the [King] of Great Qin? I just remind you, don't forget my three conditions."

"Hum, I remember."

When Ying Zheng saw that this bastard was still laughing at him, he snorted and led Zhang Han and the others quickly away from the viewing platform. Ying Zheng didn't want to see this bastard's face for a moment.

"Hahaha."

Su Chen laughed when he saw Qin King Ying Zheng leading Zhang Han and the others away. This time he could see the change of face of the Eternal Emperor, which made Su Chen feel good. Seeing Qin King Ying Zheng again after this incident should be their war. When the winner is decided, I hope Qin King Ying Zheng can live so that they can meet again.

"Su Chen, why are you laughing?"

Ehuang looked at Su Chen laughing and didn't understand. Su Chen was also angry with King Qin Ying Zheng. What's so funny about this?

"You don't understand."

Su Chen held Ehuang in his arms and looked at King Qin Yingzheng leaving and said with a smile.

King Qin Yingzheng was the emperor he admired most in his previous life, but they were destined to become enemies.

Su Chen even looked forward to meeting King Qin Yingzheng in the future. A battle between political forces.

One emperor through the ages?

Haha!

Maybe it may not appear again in this world of mixed martial arts in the future.

King Qin Yingzheng!

Our contest will begin soon, I hope you can be ready.

Chapter 316

In the sacrificial square of the Yongcheng Palace, there is now a tripartite situation. Su Chen's army of more than 30,000 Nether Cavalry troops are stationed at the viewing platform, and Wang Jian's army of more than 100,000 people are neatly arranged in military formation at the entrance of the Yongcheng Palace. , and Lao Ai's remaining army of less than 60,000 was on guard at the sacrificial platform.

Forehead! There is also the old man Lu Buwei. He still leads hundreds of people to a corner of the sacrificial square and has no sense of presence.

"King scissors, see King"

""See your Majesty."

When Ying Zheng led Zhang Han and others to Wang Jian's army, Wang Jian immediately dismounted and knelt down to salute King Qin Ying Zheng. The more than 100,000 troops behind Wang Jian also knelt down to salute.

King Qin Ying Zheng is now Feeling somewhat high-spirited, the depressed mood caused by being angry with that bastard Su Chen just now was gone.

Ying Zheng looked at Wang Jian and the more than 100,000 Qin troops and said loudly,"Let's all get back together, Wang Jian, this time you If you have done a good job in rescuing the driver, I will reward you in the future."

"The general's rescue came late, and Wang Jian did not dare to claim credit."Wang Jian immediately said to King Qin Ying Zheng in fear.

"You didn't come late. You came just right this time. You deserve the reward."

""Thank you, Your Majesty."

King Qin Ying Zheng came to a temporary high platform and looked in the direction of Lao Ai. Ying Zheng brutally killed Lao Ai this time. Just because of his one mistake, he was almost killed here. , and even he was angry with that bastard Wu Xiangjun.

Ying Zheng will not let go of the traitor Lao Ai this time. Ying Zheng will capture Lao Ai alive and then execute him with the most cruel torture.

"Wang Jian, ordered a large army to attack the rebels in Lao'ai. No rebels will be spared. They will all be executed. The few in Lao'ai will live."

"Yes, Your Majesty."

At this time, when Lao Ai saw Ying Zheng returning to Wang Jian's army, he knew that his rebellion and seizure of power had failed. His army here was not as large as that brought by Wang Jian, and even some of the troops were The soldiers were already planning to surrender.

Boom! Boom! Boom! Boom!

The war drums of Wang Jian's army sounded, and more than 100,000 Qin troops began to attack Lao Ai. When

Lao Ai saw Wang Jian's army moving, And she still came towards him. Lao Ai knew that King Qin Yingzheng wanted to deal with him first.

Lao Ai walked around the sacrificial platform and ordered anxiously,

"Hengyi, organize an army to resist Wang Jian's army. We cannot fail. Those who escape before the battle will be killed."

"Yes, Lord Marquis."

Heng Yi is also very worried now. Lao Ai's failure this time is a foregone conclusion, but he can't abandon Lao Ai and run away. Lao Ai has saved his life. He is not an ungrateful person.

"The Marquis has orders to kill the enemy with all his strength. Those who bravely kill the enemy will be heavily rewarded by the Marquis. Those who escape from the battle will be killed without mercy."

"kill"

"kill"

""Kill."

Just after Wang Jian's army and Lao Ai's army began to fight,

Su Chen hugged the blushing Ehuang and sat on the viewing platform drinking wine. Now there is no need for Su Chen to help King Qin Yingzheng anymore. Su Chen Chen Chen was just waiting for King Qin Ying Zheng to fall out with him after he destroyed Lao Ai.

Hu Ji's 200,000 grassland army might be arriving in an hour. Su Chen was not worried about Ying Zheng falling out with him at this time. If Ying Zheng fell out with him, Zheng Zheng fell out with him again, and this time Su Chen would directly kill the King of Qin Ying Zheng.

Su Chen would not give Donghuang Taiyi any more favors. At worst, he would help Donghuang Taiyi find those copper boxes in the future. Su Chen also felt deeply for Canglong Qisu. Interested, but those copper boxes can only be cracked by the Yin and Yang family, eh? It seems that the moon god can crack those copper boxes. Su Chen looked at the moon god and wondered if he wanted to kidnap her first?

Ehuang blushed and grabbed her Su Chen's mischievous hand on his waist, this bastard didn't look at where he was now. This bastard treated him like this in public. Emperor E felt that even if Su Chen became emperor in the future, he would probably be a lustful and foolish king.

"Shameless person."

Xiao Meng saw Su Chen being intimate with a woman in public, which made her even more disgusted with this shameless person.

Su Chen was speechless when she heard Xiao Meng scolding herself again. Is this Xiao Meng not compatible with me?

Su Chen just looked at Xiao Meng's long legs. Why does this girl want to cause trouble for him whenever he has free time?

Su Chen doesn't want to be familiar with this girl now. He will wait until he can deal with this arrogant person in the future. After Xiaomeng, Su Chen will let her know how powerful he is.

"Xiaomeng, are you and your master Bei Mingzi here to help Lu Buwei this time?"

"How did you know that my master was here?"

Xiao Meng was a little surprised. She didn't say that her master was here when she came here. Even Lu Buwei, a shameless person, could guess that they were coming to rescue her.

Su Chen looked at Xiao Meng speechlessly. Isn't this very obvious? What happened?

Donghuang Taiyi and Bai Ruobing had said that a terrestrial immortal from the Celestial Realm had come over. After Donghuang Taiyi and Bai Ruobing went to find the terrestrial immortal from the Celestial Realm, and Xiao Meng appeared here, it must be that Celestial Realm land immortal. The land god is Bei Mingzi.

Su Chen looked at Xiao Meng who was a little confused and said with a smile,

"I know the rules of stargazing. I can calculate everything about you. Xiaomeng, do you want me to calculate for you who your future husband will be?"

"Shameless, I am a cultivator, there is no way I can marry as a wife"

"Who says that those who practice Taoism cannot get married? Even gods can get married and have children, why can't you, a little monk, get married?"

"you.....I am determined and cannot marry."

"Hey, Xiaomeng, you are just making excuses. Aren't the Jade Emperor and the Queen Mother becoming Taoist couples? Are the Jade Emperor and the Queen Mother not as firm in their Taoism as you are?"

"I....."

Xiao Meng was speechless by what Su Chen said. She knew that this bastard was just talking nonsense, but she had no way to refute this shameless bastard. Although this bastard was talking nonsense, it was also the truth.

Luna and other beauties from the Yin and Yang family looked at Su Chen and Xiao Meng and were speechless. Why did these two people start discussing marriage and having children while they were talking? Moreover, Su Chen, a bastard, actually brought up some things about the gods. To attack Xiao Meng's Taoist heart.

If the old man Bei Mingzi knew about this, he would probably fight against this bastard Su Chen. Xiaomeng was the hope of their Taoist Heavenly Sect, and Bei Mingzi would not let this bastard Su Chen ruin Xiaomeng.

Hu Tiehua really admired this Wu Xiangjun now. He had never seen a beautiful girl around him since he met Wu Xiangjun.

The beauties around Wu Xiangjun are not only beautiful, but also powerful. Hu Tiehua is very envious of Wu Xiangjun's luck. Hu Tiehua looked at the cold face of Wei Zhuang next to her and said with a smile,

"Wei Zhuang, your brother-in-law is really awesome. If all the beautiful women in the world meet your brother-in-law, I'm afraid none of them can escape from your brother-in-law's grasp."

"Yes, I totally agree with this." Tianze nodded and said coldly.

Wei Zhuang's face became even colder when he heard what Hu Tiehua and Tian Ze said. But Wei Zhuang has nothing to do now. Why did Zi Nu fall in love with this shameless bastard?

Wei Zhuang thought of Su Although the bastard Chen is not that good now, the women around him are different. Each of them is either powerful or has a deep background. This bastard is really lucky.

Chapter 317

The battle in the sacrificial square became more and more intense. Wang Jian's army continued to attack the defenses deployed by Heng Yi. Heng Yi also knew that the defenses he deployed now could not stop Wang Jian's army.

Heng Yi saw some soldiers and wanted to fight. He had already escaped before the battle, but he couldn't care about the soldiers who escaped now. Now the Yongcheng Palace was surrounded by Wang Jian's army. These escaped soldiers would eventually be caught or killed by Wang Jian's army.

"I surrender, I won't fight"

"I surrendered too"

"Surrendered, we surrendered"

"General Wang Jian, we won't fight, we surrender."

Some soldiers began to throw away their weapons and knelt on the ground to surrender to Wang Jian's army. These surrendering soldiers knew that even if they continued to fight, they would probably die. If they surrender now, maybe the King of Qin could spare their lives.

Qin Army When a general saw the surrendering rebels, he said coldly, "Kill, leave no rebels behind."

Puff! Puff! Puff!

The rebels who surrendered were beheaded by the Qin army one by one.

At this time,

Hengyi found that the soldiers of the former army had thrown away their weapons and knelt down to surrender one after another. And the surrender The rebels were also beheaded mercilessly by the Qin army.

""Idiot"

Heng Yi cursed angrily.

They are all rebels, and Qin Fa's severity is obvious to all. The fate of these surrendered soldiers will definitely not be much better.

Heng Yi rode on his horse and faced his men. The army shouted,

"Brothers, you should know the cruelty of Qin's law. We are rebels now. Even if we surrender now, we will still die. We might as well fight hard, so maybe we still have a chance to survive and kill Wang Jian. Army, we can survive"

"Kill in order to live"

"kill"

"I want to live and kill"

"The general is right, the rebels will definitely be executed. We must kill Wang Jian's army so that we can survive. Kill"

""Kill"

Heng Yi's words also aroused the hopes of these rebels. Thinking of the cruelty of Qin Fa, the rebels took up weapons in order to survive. The rebels desperately continued to fight against Wang Jian's army.

"This Hengyi is still a talent, but he is with the wrong person."

Wang Yingjian saw that the momentum of the rebels was rising again. He looked at the rebel general Heng Yi. Wang Jian felt a little pity for Heng Yi.

A Qin general was going to die in the civil strife of Qin. This It was a loss for Qin, but rebels are rebels, and Wang Jian would not show mercy to Hengyi.

At this time, at the gate of Yongcheng Palace, tens of thousands of archers summoned by Wang Jian were already in place. Wang Jian looked at Looking at the defense deployed by Hengyi, he ordered,

"The archers prepare, target the rebels' center, and release!"

Swish, swish, swish.

At this time, the overwhelming bows and arrows were shooting at the position of the rebel center. Wang Jian was trying to prevent the rebel's center from supporting the front army, so that his army could break through the defense deployed by Hengyi.

In just an instant, Hengyi's Chinese army was shot and killed by an overwhelming barrage of bows and arrows. Although Hengyi's Chinese army resisted with shields, thousands of soldiers were still shot dead and countless others were injured. Su Chen watched from the viewing platform

He was somewhat interested in the troops fighting below. He originally thought that the rebels were definitely no match for Wang Jian's army, but now it seems that if Wang Jian's army wants to defeat these rebels, it may not be so easy. The rebel general asked Su Chen He was a little interested.

Ehuang twisted in Su Chen's arms and asked,

"Su Chen, are we just going to watch like this?"

Su Chen touched Ehuang's hair and said with a smile,

"Of course, this is an internal matter of Qin State, we can just watch the show here."

Su Chen knew that King Qin Ying Zheng was holding his breath. Ying Zheng's army at this time was more than 300,000, and it was impossible for King Qin to ask him to send out troops to help him.

Su Chen knew that King Qin Ying Zheng had a very high self-esteem. Qiang, he may take very cruel revenge for the injustice he suffered here this time. From the surrendered rebels, it can be seen that King Qin Yingzheng wants to execute all the rebels here.

Ehuang still doesn't understand. , she continued to ask doubtfully,

"But didn't you promise King Qin Yingzheng to help him? If you don't send out troops to help King Qin Yingzheng now, will he no longer agree to your three conditions?"

Su Chen hugged E Huang, kissed her and explained,

"Haha, Emperor E, even if I want to send troops to help King Qin Yingzheng, he will not agree. This is the pride of a king."

"If King Qin didn't have an army here, he would definitely ask me to help him. Now King Qin has more than 300,000 troops. Do you think he still needs my help?"

The Moon Goddess next to them didn't think so much at first. After listening to Su Chen's explanation this time, they also understood that this was a revenge move by King Qin Yingzheng. It was impossible for King Qin Yingzheng to let Su Chen's army participate.

Luna looked at the battlefield and asked worriedly,

"Su Chen, after King Qin destroys Lao Ai's army, will he take action against you?"

Su Chen drank a glass of wine and said to Moon God with a smile,

"Moon God, you asked me this question before. I don't know if King Qin Ying Zheng will take action against me, but if King Qin wants to take action against me, then it won't be so easy this time."

Yue Shen is a little worried for this bastard now. Since this bastard knows that King Qin Yingzheng may take action against him, why is he still here like a normal person, drinking wine and teasing beautiful women?

"Su Chen, you only have 30,000 troops here. If King Qin attacks you, you can't stop King Qin's army of more than 300,000. How about we leave here while King Qin's army and Lao Ai's army are fighting."

Su Chen's eyes lit up when he heard Luna. Su Chen found that Luna cared a little too much about him. Could it be that his charm was much stronger? Otherwise, how could he fall in love with this beautiful girl in just a few days? Su Chen thought and shook his head. The Moon God definitely didn't like him. Everything the Moon God did had a purpose. She may have had her own purpose in approaching him this time. The Moon God was better than Xiaomeng. Her Taoist heart must be firmer, she will not fall in love with herself in just a few days

"Who said I only have 30,000 troops?"

"Um? Do you still have troops in Yongcheng?"

The moon god suddenly thought of Madam Hu Ji. Just now Su Chen mentioned that Madam Hu Ji was coming here with the army. Could it be that Madam Hu Ji led many troops?

"have"

"Is it the army brought by Mrs. Hu Ji?"

"Not bad."

Su Chen couldn't figure out how Hu Ji became his wife. He had no relationship with Hu Ji. But his subordinates all started calling Hu Ji his wife, which Su Chen couldn't imagine. , Hu Ji is extremely charming, and it is good to have such a wife.

Su Chen thought that if he took Hu Ji directly, the servant army on the grassland could be safely handed over to Hu Ji in the future. Su Chen also believed that Hu Ji would know in the future With his own strength, Hu Ji would not dare to betray him.

"How many troops did your Madam Hu Ji bring this time?"

"Two hundred thousand"

"Two hundred thousand troops?"

"Two hundred thousand cavalry to be precise."

Chapter 318

Luna is a little confused now, two hundred thousand cavalry? Su Chen actually hid 200,000 cavalry in Qin State. What was he going to do?

Do you want to conquer Qin?

But this is wrong. If Su Chen wanted to conquer Qin, why would he save Qin King Ying Zheng?

Luna can't understand this bastard now.

Su Chen looked at Luna's dazed look and hugged Luna into his arms. Su Chen had an advantage now and he didn't want to take advantage of it. Anyway, Luna was dazed now and waited until she reacted.

Nuying and the others blushed when they saw this bastard Su Chen hugging him. This bastard didn't care about the time or place at all. There were hundreds of thousands of troops fighting here, but this bastard was hugging him and looking at the battlefield. This made Nuying and the others very speechless.

Suddenly, Lao Ai's rebels were defeated by Wang Jian's army on the battlefield, and the rebel army's formation was completely chaotic.

Heng Yi saw that his army could no longer resist, and he had no choice. Wang Jian's army began to attack the defenses he had deployed.

His troops killed tens of thousands of Wang Jian's troops, but Wang Jian's army numbered more than 300,000. Even if Hengyi's rebels killed more, Wang Jian's army could quickly replenish them.

Hengyi came to Lao Ai and said to him,

"Mr. Marquis, we can't stop you, why don't you run away?"

Lao Ai looked at the troops being pushed back with an ugly expression. He knew that the troops here could not withstand Wang Jian's army, but he did not expect that they would be unable to withstand it so soon.

"escape? Where can I escape? Now this place is heavily besieged by Wang Jian's army. How can I escape? Heng

Yi was a little anxious and said to Lao Ai, "Master Hou, I will lead the army to clear a way for you. You'd better run away.""

"Yes, Lord Marquis, let's escape first and then talk."

"Lord Marquis, keep the green hills and don't worry about running out of firewood. Let's escape."

"Yes, yes, Lord Marquis, let's run away, otherwise we will be killed in a moment."

The ministers next to Lao Ai all asked Lao Ai to take them to escape. This time they are sure to rebel with Lao Ai, but accidents happened one after another, and now Lao Ai has failed to rebel and seize power. They can't. I don't want to stay here and wait for death.

Lao Ai was a little upset when he saw the ministers chattering next to him. Lao Ai was not afraid that Ying Zheng would kill him. With Queen Mother Zhao Ji here, Lao Ai believed that Ying Zheng would not kill him.

"No, I don't have to run away. Ying Zheng doesn't dare to kill me, and the Queen Mother will definitely save me."

Heng Yi doesn't believe that Ying Zheng will listen to the Queen Mother this time. It means that King Qin Ying Zheng listened to the Queen Mother and did not kill Lao Ai. However, Qin law has regulations, and those who plan to rebel will be punished by the nine tribes.

Ministers of Qin State However, the King of Qin will not be allowed to pardon Lao Ai. Qin's laws are greater than the king's orders. If King Qin Yingzheng wants the stability of Qin, he cannot violate Qin's laws.

"Lord Marquis, we are rebelling. Qin's laws are cruel. Even the Queen Mother can't save you."

"No, the King of Qin will definitely listen to the Queen Mother. After all, there was no Queen Mother to protect Ying Zheng in Zhao State, and Ying Zheng would have been dead long ago."

"Sigh."

Heng Yi felt a little frustrated when he saw that he couldn't persuade Lao Ai to escape. Heng Yi also tried his best. Chang Xin Hou Lao Ai now insists on going his own way and doesn't want to leave. He has no choice.

"Heng Yi, sent someone to Yong Palace to invite the Queen Mother"

"Yes, Lord Marquis."

The King of Qin Yingzheng saw that Wang Jian's army had broken through the rebel defenses, and victory was already on the way. This made King Qin Yingzheng a little happy. Lao Ai, the fake eunuch who caused trouble in the harem and even rebelled, this time Yingzheng would let him know The cruelty of Qin's law.

Seeing that the rebels were already in chaos, Wang Jian hurriedly ordered loudly,

"Attack, and those who capture Lao Ai alive will be promoted to three levels in a row, with a reward of 10,000 gold."

"Kill, capture Lao Ai alive"

"Capture Lao Ai alive"

""Kill" the Qin army heard the words of General Wang Jian and rushed towards the rebels. They were attracted by the reward of the general. Besides, now that the rebels have been disintegrated, this is the time for the Qin army to make achievements..

Heng Yi rode his horse and ran among his army and shouted,

"Block it, block it for me. If you don't want King Qin to execute us, don't mess with me. Set up a military formation for me immediately. Don't run around in chaos."

After hearing Heng Yi's words, the rebels slowly reorganized their defense, but now there are only more than 30,000 soldiers left, and the defense they organized may not last long.

"The Queen Mother of Da Qin ordered all armies to stop fighting"

"The Queen Mother of Da Qin ordered all armies to stop fighting"

"The Queen Mother of Da Qin ordered all armies to stop fighting."

At this time, a group of eunuchs suddenly shouted loudly in the sacrificial square.

Hengyi's army and Wang Jian's army also stopped fighting at this time. Now the Queen Mother is the supervisor of the King of Qin, and the armies of both sides are... He also had to listen to the orders of the Queen Mother.

Wang Jian looked towards the back and looked at King Qin Ying Zheng. He now wanted to know whether King Qin wanted to give the order to continue the attack.

Ying Zheng also looked at the fake Queen Mother who was about to appear with a very ugly face. Although this The Queen Mother was fake, but it was impossible for King Qin Yingzheng to tell it at this time.

When the Queen Mother of the King of Qin appeared, King Qin Yingzheng was stunned.

This is the real Queen Mother, how is this possible?

Yingzheng was a little confused. , Why did the Queen Mother appear at this time? What was she going to do?

Zhao Ji had no choice this time. This time the incident made her unable to control it. She knew exactly what happened here.

Originally, she had already communicated with Yin and Yang. Concubine Jiadong Jun Yan left Yong Palace, but she found that Lao Ai's army numbered hundreds of thousands this time. She was also worried that something would happen to Ying Zheng here, and Zhao Ji would return to Yong Palace to control her substitute.

Zhao Ji also wanted to help Ying Zheng when he couldn't deal with Lao Ai. Now it seems that she doesn't need to help Ying Zheng at all. On the viewing platform,

Su Chen looked at Zhao Ji and didn't know whether it was true or not, but it was true. Didn't Zhao Ji leave the Yong Palace with Concubine Yan?

But this Zhao Ji doesn't look like a free-spirited woman.

"Let me guess, is this Zhao Ji, the mother of King Qin Yingzheng?"

Su Chen looked at Zhao Ji, a beautiful woman in her thirties, and he was very confused. How could this Zhao Ji be so young and beautiful?

Could it be that this Zhao Ji also knew martial arts?

But what if Zhao Ji knew martial arts and could maintain it? She has an ageless appearance, so why did she introduce a substitute to ruin her own reputation?

Su Chen now wanted to find Concubine Yan to ask her to explain clearly, but

Concubine Yan only sent someone to tell him that Zhao Ji had a substitute, and that she was with Lao Ai. The substitute was also together, and the rest did not tell him whether Zhao Ji knew martial arts.

The beauties of the Moon God, the Yin Yang family, and even Wei Zhuang and the others all looked at Su Chen. She looked at Su Chen as if she was afraid that Su Chen would take advantage of Zhao Ji.

"I guess, what do you mean?"

"shameless"

Chapter 319

Su Chen was a little confused when he saw the eyes of Yueshen, Ehuang Nvying and other beauties from the Yin and Yang family looking at him. What were they looking at? Consider yourself a pervert? Am I just a person who can't move when I see a beautiful woman?

And Xiao Meng, a girl with facial paralysis, he just looked at the Queen Mother Zhao Ji, why is he so shameless? Aren't hundreds of thousands of men here watching? Why only talk about yourself? Suchen felt that there was something wrong with these women.

Su Chen couldn't stand the looks of these women now. It was the first time that Su Chen encountered such looks of contempt for him, and it was seven or eight beauties who looked down upon him at the same time.

Su Chen threatened with an embarrassed look,

"You'd better not look at me like this, or I'll execute you one by one on the spot."

"Shameless"

"shameless"

""Pervert"

Xiaomeng, Da Siming and Nuying cursed at Su Chen at the same time after hearing Su Chen's words. They were now sure that Su Chen, the shameless gangster, must have had bad intentions when he saw Zhao Ji just now.

This bastard is just a pervert. You bastard, the Queen Mother Zhao Ji is very beautiful, and she is also the Queen Mother of a country. With such a noble status, a plump figure and a beautiful face, they will definitely not believe this bastard if he is not tempted.

Damn it, no matter how hungry I am, I will never want a woman like Lao Ai, a fake eunuch. These hateful women are just looking for trouble when they have enough to eat. Su Chen doesn't want to talk to these women now.

Su Chen glared at Xiaomeng Da Siming and Nuying looked at Zhao Ji again. Although they didn't know whether the Queen Mother Zhao Ji was real, was the Queen Mother Zhao Ji coming at this time to save Chang Xinhou Lao Ai?

Su Chen also I want to know whether Zhao Ji, who doesn't know the truth or lies, chooses to help her son now? Or chooses to help her lover Lao Ai?

Xiao Meng was a little angry when she saw this shameless person looking at the Queen Mother Zhao Ji. She didn't know why she looked like this I don't like this bastard.

It's just that when Xiao Meng saw this bastard looking at a pretty girl, she wanted to beat him up. Xiao Meng thought that she must have wanted revenge and was going crazy.

Xiao Meng thought that this shameless man wanted to strangle him to death when he looked at her legs. Although there are many people looking at his own legs, this is the first time Xiaomeng has encountered this bastard looking at his own legs openly and without blinking an eye.

Xiaomeng looked at the legs of the girls of the Yin Yang Family and also Nothing, are my legs a little different?

At this time, with the arrival of Queen Mother Zhao Ji, the troops of Qin King Ying Zheng and Lao Ai were looking at the current ruler of Great Qin. Queen Mother Zhao Ji had The King's Seal of the Qin Dynasty, all political orders must go through the Queen Mother's King's Seal before they can be implemented. Even the Prime Minister Lu Buwei is not as good as the Queen Mother Zhao Ji.

King Qin Yingzheng was a little confused when he saw his mother appearing. He was confused last night But she and the Queen Mother agreed to get rid of Lao Ai and Lu Buwei this time, so why did Zhao Ji show up now?

Zhao Ji looked at Lao Ai and his son Ying Zheng and then looked at the viewing platform. Zhao Ji knew that the viewing platform The Wu Xiangjun on the stage is the husband of Concubine Yan, the east lord of the Yin Yang family, and this time her son invited foreign aid.

Zhao Ji also knew why she and Concubine Yan left Yong Palace before. These things can be said to be the reason why his son Ying caused by the government

""Go to the viewing platform."

Zhao Ji thought for a while and went to see Concubine Yan's husband Wu Xiangjun. She didn't want to worry about the things here anymore. Chang Xin Hou Lao Ai had to die this time, but his son Ying Zheng Zhao Ji also I don't want to see you again.

Zhao Ji has done enough for Ying Zheng, and she also knows Ying Zheng's character and temper very well.

"Yes, the Queen Mother."

At this time, King Qin Yingzheng and Lao Ai were both confused. After the Queen Mother came out, she did not come to either of them, but went to the viewing platform. They all knew who was on the viewing platform, but? What about the Queen Mother? Do you know that Mr. Wu Xiang?

Seeing the Queen Mother go to the viewing platform, Lao Ai murmured to herself,

"How can it be? Why didn't the Queen Mother come to the sacrificial altar? I am here, and why is the Queen Mother today so different from before? Why is Zhao Ji so much more beautiful than before? Much more noble?"

Lao Ai was confused now. When he saw Zhao Ji this time, he felt that there was something different from the Zhao Ji he had been with before. No, it was a big difference. The current Zhao Ji made him feel a little strange.

Ying Zheng met the Queen Mother When Zhao Ji went to the viewing platform, she clenched her fists and whispered,

"Damn it, why did the Queen Mother go to that shameless man? Did that bastard meet the queen before? if? if? Impossible, the queen mother would not have anything to do with that shameless bastard."

King Qin Yingzheng turned pale when he saw that his mother Zhao Ji had gone to the viewing platform.

Ying Zheng was now thinking about the relationship between that shameless bastard Su Chen and his mother. He now prayed that Zhao Ji and that shameless bastard would not have anything to do with each other. Because of the relationship,

Zhang Han, the commander of the Shadow Secret Guard, looked at the Queen Mother Zhao Ji who was going to the viewing platform in surprise. Zhang Han secretly looked at Qin King Ying Zheng. He knew that Qin King Ying Zheng must be very angry now.

Wu Xiangjun is Zhang Han and the King of Qin both knew that the Queen Mother Zhao Ji was extremely beautiful. If there was any relationship between Wu Xiangjun and the Queen Mother Zhao Ji, Zhang Han would not dare to think about it anymore.

Zhang Hancan He wiped the sweat on his head and lowered his head. He knew that things here were probably going to be turbulent again. Su Chen was confused when he saw Zhao Ji coming towards him on the viewing platform. Zhao Ji didn't deal with it.

What is Lao Ai doing with Qin King Ying Zheng? Why is she here? Su Chen doesn't know Zhao Ji, Queen Mother of Qin Dynasty.

"Hiss, Moon God, why are you pinching me?" Su Chen was thinking about something when he felt a pain in his waist. When Su Chen came to his senses, he found that Yue Shen was pinching his waist with an ugly face.

Yue Shen did not let go of his hand on Su Chen's waist. Now Yue Shen was Somewhat angry, this bastard couldn't find any woman, but why would he find a woman who is careless and careless?

"What is your relationship with Queen Mother Zhao Ji?"

Ehuang Nvyang and the others also looked at Su Chen with unkind expressions. They now want to know what is the relationship between this bastard Su Chen and the Queen Mother Zhao Ji?

Why didn't the Queen Mother Zhao Ji go to Chang Xinhou Lao Ai's place when she showed up? No. Where is her son King Qin Yingzheng? But she came here to Su Chen. These women were all speculating about the relationship between this lecherous man and the Queen Mother. Da

Siming despised this shameless man now, and she did not expect that this bastard could actually Hungry and unscrupulous, she even had sex with Queen Mother Zhao Ji.

Xiao Meng immediately stayed away from Su Chen, as if being around Su Chen felt like an insult to her.

"I don't know the Queen Mother Zhao Ji at all. I have never even met the Queen Mother Zhao Ji. Don't get me wrong."

Su Chen is also a little angry now. These women don't believe in him. There are so many beauties around him. Would he be interested in Boss Xu?

Well! Zhao Ji shouldn't be considered Boss Xu. How can such a gorgeous woman be so beautiful? It's very attractive to look at

"Wei Zhuang, your brother-in-law is so awesome now that Wu Xiangjun even hooked up with the Queen Mother of the King of Qin, but this Queen Mother is really beautiful, no wonder she could sit on the Queen of Qin before."

Chapter 320

Hu Tiehua looked at Su Chen with an expression of admiration. This Lord Wu Xiang is really the nemesis of women. Now he has even seduced the Queen Mother of the Qin Dynasty. Lord Wu Xiang is going against the will of heaven. Will the Qin Congress directly do this in the future? Did it fall into Su Chen's hands?

Wei Zhuang looked at Hu Tiehua expressionlessly and said nothing. Based on his understanding of Su Chen, it was impossible for Su Chen to have a relationship with the King and Queen Mother of Qin.

It was impossible for Su Chen to lie to these people. If Su Chen had a relationship with the King and Queen Mother of Qin, it would be impossible for him to hide it. He had never concealed Su Chen's woman.

When Su Chen saw the Netherworld Cavalry Corps blocking Zhao Ji's arrival, he ordered the secret guards around him,

"Let the Queen Mother of Da Qin come over."

Su Chen also wanted to know how come this Zhao Ji came to him if she didn't go to help King Qin Ying Zheng or Lao Ai? And Su Chen also wanted to find out whether this Zhao Ji was real or fake.

"Yes, Your Majesty."

After a while, Zhao Ji was next to Su Chen who was led by the secret guards. Zhao Ji looked at the many beauties around Wu Xiangjun and smiled and said,

"I didn't expect that Mr. Wu Xiang is also a passionate person. The women around you are all peerless beauties. Isn't Mr. Wu Xiang afraid that your wife, Concubine Yan, will be jealous?"

Su Chen heard Zhao Ji mentioning Concubine Yan. He knew that Zhao Ji must be real, otherwise she would not know Concubine Yan.

Su Chen thought about it and decided to make sure. He looked at the noble and beautiful Zhao Ji. Ji asked,

"Are you the real Zhao Ji?"

"good"

"Didn't you and Concubine Yan leave the Yongcheng Palace?"

"Can't the Aijia come back again?"

"Okay, I'm just curious. Since you decided to leave, why do you have to come back and wait for the muddy water?"

Zhao Ji looked at King Qin Yingzheng with some sentimentality and said with a wry smile,

"Some things have not been resolved. The Ai family does not feel at ease even if they leave. Mr. Wu Xiang, thank you for helping Zheng'er this time."

"Are you worried about your son Ying Zheng?"

Su Chen saw Zhao Ji's sad look and guessed that after Zhao Ji left, she found that Lao Ai's army was somewhat larger than she thought, so she came back to help King Qin.

Zhao Ji sat down elegantly and said to Su Chen said,

"Yes, these are the actions of the Ai family after all, but my son Ying Zheng is a little too conceited and did not listen to the Ai family last night, otherwise he would not be in danger this time."

At this time, Luna and the others also misunderstood Su Chen. From hearing the conversation between Su Chen and Zhao Ji, they also knew that Su Chen and Zhao Ji had never met, which made Luna and the others somewhat embarrassed.

But Luna They were still staring at Su Chen. Although this bastard Su Chen had no relationship with Zhao Ji now, who knew if there would be any relationship after meeting this time?

Su Chen looked at Zhao Ji with something strange. Su Chen didn't expect this. Zhao Ji did everything, but she underestimated Lao Ai. It seems that Zhao Ji in this mixed martial arts world is not simple.

Moreover, Su Chen also discovered that Zhao Ji knows martial arts and is even stronger than him. Su If Chen hadn't practiced Hidden Qi Jue, he wouldn't have discovered it. Concubine Yan had said that Zhao Ji knew martial arts. This Zhao Ji should be the real Zhao Ji. She also blamed herself for not asking clearly about Concubine Yan's pregnancy last night. Some things about Ji.

Su Chen looked at the somewhat unusual Zhao Ji and asked, "Oh, did you know what was going to happen here yesterday? Even persuaded King Qin Yingzheng?"

"Haha, Yongcheng is the territory of the Ai family. The Ai family all know what happened here, but this time Lao Ai ambushed an army of 200,000 outside the city. This was something the Ai family did not expect."

"So what are your plans this time?"

"This requires Wu Xiangjun's help. The Ai family will call my sons Ying Zheng and Lao Ai over soon. The Ai family hopes that you can capture Lao Ai and hand them over to Ying Zheng."

"Haha, Queen Mother, don't you see that your son Ying Zheng has already controlled the situation here, and Ying Zheng is sure of victory. He can deal with Lao Ai without my help."

Su Chen laughed after hearing Zhao Ji's words. Does Qin King Ying Zheng still need his help now?

Ying Zheng now has more than 300,000 troops attacking Lao Ai. If Zhao Ji hadn't suddenly appeared, I might have been there by now. Lao Ai was taken down.

It is impossible for Zhao Ji not to understand the current situation.

Su Chen now felt that Zhao Ji wanted to involve herself in this war, but Su Chen couldn't understand why Zhao Ji wanted to Do this?

Did Zhao Ji want to help her son Ying Zheng also get rid of herself?

Zhao Ji saw that Wu Xiangjun's face changed, and he even smiled as if he was laughing at herself. Zhao Ji guessed that Wu Xiangjun must have thought it was her. To set a trap to frame him,

Zhao Ji felt that Lord Wu Xiang was a little too cautious. How could she not see that Ying Zheng was now in control of the situation? Ying Zheng would definitely be able to destroy Lao Ai at this time, but those rebels were innocent..The rebels in Lao'ai also obeyed orders. Zhao Ji didn't want her son to massacre these rebels. This was also the reason why she appeared this time, otherwise she would not be able to appear here again.

"Mr. Wu Xiang, you have misunderstood the Ai family. The Ai family does not want to involve you in this power struggle between Lao Ai and my son Ying Zheng. The Ai family just does not want the armies of Qin to continue killing each other. If this continues, Qin's national power will be weakened. decline"

"Now that Ying Zheng has taken control of the situation, Lao Ai's life and death are doomed. The Ai family just doesn't want the troops who follow Lao Ai to continue to work for Lao Ai. Only in your

case, the Ai family deceived Lao Ai on the pretext of reconciling Lao Ai and Ying Zheng, so that the matter could be solved without bloodshed."

Su Chen looked at Zhao Ji and shook his head and said,

"No need, the life and death of these rebels has been determined. From the massacre of the surrendered rebels by Wang Jian's army just now, you should know that none of Lao'ai's rebels will survive this time. Queen Mother, you should know your son."

Su Chen felt that the Queen Mother Zhao Ji was taking it for granted. Who is Ying Zheng? He is the king of a country. Now that Ying Zheng has an absolute advantage, how could he leave these rebellious troops behind? Even if they are The rebels were following orders, but rebels are rebels. With Ying Zheng's ruthless character, he would probably forgive these rebels.

After thinking about it, Zhao Ji felt that Su Chen was right, and Zhao Ji also felt that this time she It was a bit redundant to appear, but she had already appeared. Zhao Ji saw that Lao Ai's rebels still had at least less than 40,000 soldiers.

She wanted to try her best to save these rebels. After all, this was caused by her actions. Zhao Ji Ji didn't want these rebels to be massacred just like that.

"Mr. Wu Xiang, is it impossible for you to persuade Ying Zheng?"

"It's impossible, and I won't persuade Ying Zheng to let these rebels go. After all, this is an internal matter of your Qin State. Besides, you should know about my relationship with your son Ying Zheng. Can I leave Yongcheng safely this time? Not necessarily yet."
