### Chapter 3111

Su Chen will no longer accept the creatures of the Hongmeng Great World as his subordinates,

From Gehia's point of view,

The race is more important to them than he is,

The giants may not betray him,

But if the female giants do something for the race, Su Chen will also suffer unnecessary trouble, and may fall into a crisis, or it may bring disaster to the chaos world.

For the sake of the great world of chaos,

For the sake of his women and many of his men,

Su Chen will no longer accept any living beings in the Hongmeng Great World.

Isabella persuaded again, "Su Chen Domain Lord, you don't think about it anymore?"

"No need. "

Su Chen waved his hand and looked into the distance,

Emilia is about to come to him, and he wants Emilia to inform the Nine Shadows Supreme as soon as possible.

If the Harmony Supreme of the Dark Domain destroys the Dark Domain,

Su Chen was worried that the Hongmeng Supreme would destroy the Ice and Snow Domain,

Hongmeng Supreme is one line away from advancing to the strongest Hongmeng Supreme, and Rakshasa Supreme is probably not the opponent of Hongmeng Supreme.

Sou!

After four breaths,

Emilia instantly appeared beside Su Chen,

She waved her hand and shouted, "Amilia!"

"Hello. "

Emilia was very happy to see 19 women,

She was imprisoned by Su Chen in the Desire Magic Tower for a thousand years,

Nan Nan often enters the Magic Tower of Desire to talk to her, and Emilia has a very good feeling for Nan Nan.

Su Chen hurriedly said to Amilia,

"Amilia, you inform the Nine Shadows Supreme as soon as possible, the Harmony Supreme of the Dark Realm will destroy the Dark Domain. "

Emilia snorted coldly, "Hmph, why?"

"There are trillions of creatures in the Netherlands, don't you care about the lives of tens of billions of creatures?"

"Su Chen, I'm a fallen angel, do you think I will care about the life or death of living beings?"

"Holy!"

Su Chen was speechless,

He forgets that Emilia is a fallen angel.

Eggs,

The Nine Shadows Supreme didn't give him a contact information, and Su Chen had no way to inform the Nine Shadows Supreme if he wanted to.

"Nannan, let's go to the Big Snow Mountain first. "

"Okay brother. "

Su Chen didn't pay attention to Isabella and Emilia, he waved his hand and disappeared in place with the girl.

Isabella also hurriedly disappeared in place,

The Dark Realm is finished,

She and more than 3,000 giantesses are left with the creatures of the Dark Realm, and Isabella wants to take the giantess to find a place to live.

"Damn bastard!"

Emilia hurried after her angrily,

She felt that Su Chen was an idiot,

Su Chen has the jade pendant of the Nine Shadows Supreme in his hand,

The shameless bastard can only use his mana to urge the Jade Pendant of the Nine Shadows Supreme, and the Nine Shadows Supreme will know that Su Chen is looking for her, and Emilia will still need to inform the Nine Shadows Supreme?

Daxue Mountain,

Emilia and the female zombie looked at the archangel and checked the vibrations of the Dark Realm.

The giants are still kneeling on the ground,

They all expected that Su Chen would take them back.

Emilia asked suspiciously, "Female zombie, what's the matter with the archangel, why did you suddenly advance to the Ten Heavens of the Dao Realm?"

The female zombie shook her head and replied, "I don't know, but I guess it's the master who has improved the archangel's cultivation." "

"Su Chen?"

Emilia thought it was very likely,

Su Chen is too weird,

Su Chen's Emperor Realm can kill the Domain Master Realm, and there is more than one Domain Lord Realm that has been killed.

The shameless color embryo is also concerned by the Rakshasa Supreme,

The archangel is Su Chen's spiritual treasure,

Emilia guessed that Su Chen would raise the level of the archangel before the archangel would advance to the Ten Heavens of the Dao Lord Realm.

The female zombie asked suspiciously, "Madam, what happened to the shaking just now?"

Emilia shook her head and replied,

"I don't know, it's too far away, the place where the vibration is not in Bingjihime, and I don't know what happened. "

"Madam, could it be the shock caused by the master?"

"Impossible, the terrifying shock just now is impossible for even the powerhouses of the Realm Lord Realm to cause, Su Chen is only the Domain Lord Realm, he has no ability to trigger the terrifying shock. "

The female zombie didn't believe Amilia's words,

She heard the archangel talk about Su Chen,

Su Chen didn't have an immortal to lead out the Heavenly Dao in the Chaos World, and he was punished by the Heavenly Dao more than once, and the female zombie guessed that this terrifying shock also had something to do with Su Chen.

Sou!

Su Chen appeared on the snowy mountain in an instant.

Female zombie: "Master!"

Emilia: "Shameless pervert, are you still running away?"

"Master, please take us back. "

"Master, the giantesses do not betray the master, and ask the master to take us again. "

"Master, we are the female slaves of our masters, and we are the female slaves of our masters all our lives. "

"Please take us back on. "

"Please take us back on. "

.....o

The giants begged when they saw Su Chen coming back, they hoped that Su Chen would retake the giantess army, and the giants would not and could not betray Su Chen.

Whoosh!

Isabella and Emilia also appeared,

Su Chen hurriedly said to Amilia,

"Amilia, something is wrong, a Hongmeng Supreme is hidden in the Dark Domain, Hongmeng Supreme has been disturbed by some domain masters and awakened, you have to inform the Rakshasa Supreme as soon as possible. "

Emilia was surprised and asked, "Su Chen, what you said is true?"

"Yes, you should feel the previous shock, which was caused by the terrifying aura of the Hongmeng Supreme. "

"Damn, I'm going to inform Mia immediately, Mia has a way to inform the Rakshasa Supreme. "

"Amilia, you go now. "

"Good!"

Emilia nodded to Su Chen and disappeared instantly,

She can't care about settling accounts with Su Chen now,

A Harmony Supreme appears outside the Ice and Snow Domain, and Emilia is worried that the Harmony Supreme will destroy her Ice and Snow Domain, and she wants to notify the Rakshasa Supreme to come to the Ice and Snow Domain as soon as possible.

Su Chen 120 breathed a sigh of relief when Emilia flickered away,

The Rakshasa Supreme didn't need to be notified at all, and he guessed that the Rakshasa Supreme had discovered the awakened Hongmeng Supreme.

Su Chen took out the Desire Magic Tower and handed it to Nan Nan, "Nan Nan, you use the Desire Demon Tower to take away Bing Ji and Xue Ji. "[

"Okay brother. "

Nan Nan took the Desire Demon Tower and disappeared in front of Su Chen,

She can also control the Tower of Desire,

Darkland upheaval,

Bing Ji and Xue Ji can no longer continue their retreat in the Great Snow Mountain, and they will be put into the Desire Demon Tower in all the areas where they are retreating.

Sou!

Su Chen sat on the shoulders of the female zombie, the archangel was still advancing, he couldn't disturb the archangel to advance.

"Jocelyn, the Giantess Legion will follow your domain master in the future, and you are no longer my Giantess Legion. "

Jessia pleaded with Su Chen,

"Master, everything is my fault, and I am willing to die to beg my master to retake the giantess legion. "

Su Chen waved his hand and said, "No need, Isabella, you can take all the giants from the Dark Realm away. "

Isabella said with a serious face,

"Su Chen Domain Lord, do you really want to do this?"

"Are the giants at fault?"

"Is Jessia wrong?"

"Jesia is for the Dark Realm, for the sake of the giant race, although her previous words disobeyed you, but it is also excusable, can't you forgive the giantess once?".

Chapter 3112

Su Chen also felt that the other giantesses should not be implicated, and the mistakes made by Jexia should be borne by Jexia.

It's just that

Giants are not like creatures in the chaotic world,

Once the creatures of the Chaos World recognize their master, they will no longer think about the previous race, they will think about the master wholeheartedly, and when necessary, they will also slaughter their previous ~ race.

Never mind

Su Chen thought that he had abandoned the female giants, and he would not change his previous thoughts.

Ruthless or not,

cruelty or not,

For the sake of the Chaos World, for the sake of his women, children, and hundreds of billions of subordinates, Su Chen can't have any mercy, he must be ruthless to abandon the female giant.

Emilia looked at Su Chen,

and looked at the more than 3,000 giantesses kneeling on the ground,

She guessed what happened from Su Chen and Isabella's words, what the giants did to disgust Su Chen, Su Chen gave up more than 3,000 giantesses.

Sou!

Nan Nan appeared instantly and nodded to Su Chen.

"Let's go to the Northwest Regions. "

Su Chen put the girl and the promoted archangel into the space enchantment in his body.

As for the female zombies,

Su Chen hadn't been with a female zombie for a long time, and he was ready to enjoy the heat of the female zombie on the way.

Emilia saw that Su Chen was about to leave and hurriedly said, "Su Chen, you don't have to leave the Ice and Snow Domain, the Jade Pendant of the Nine Shades Supreme, as long as you inject mana, the Nine Shades Supreme will know that you are looking for her." "

The giantess Jocelyn hurriedly pleaded, "Master, please don't abandon us. "

More than three thousand giantesses were pale and overwhelmed,

Su Chen didn't take them back,

Su Chen wants to leave the Ice and Snow Domain and go to the Northwest Domain,

All the giantesses sat on the ground with dead faces, not knowing what to do with the future.

Su Chen looked at Emilia with a frown, he didn't expect that Yu Pei could contact the Nine Shadows Supreme.

Contact?

Does he dare to contact the Nine Shadows Supreme?

Su Chen guessed that he had contacted the Nine Shadows Supreme, and the Nine Shadows Supreme would definitely blackmail him again.

Sou!

Su Chen waved his hand and disappeared into the snowy mountain with the female zombie,

He wouldn't contact the Nine Shadows Supreme who blackmailed him, and he didn't want to stay to face the pleas of the giants.

Emilia exclaimed angrily, "Damn, the little bastard left without notifying the Nine Shadows Supreme. "

Isabella rubbed her aching forehead,

Su Chen didn't forgive the giants for leaving,

She could no longer convince Su Chen to forgive the giants, who were disheartened and full of sadness, and Isabella was worried that the giants would blow themselves up and commit suicide.

Sou!

suddenly

The Rakshasa Supreme appeared on the Great Snow Mountain with Su Yan.

Su Yan looked at the people next to him and asked, "Sister Rakshasa, where is my father, why isn't my father here?"

"Your father just left. "

The Rakshasa Supreme was very speechless,

She arrived a little late,

Su Chen had just left earlier,

It is very easy for the Rakshasa Supreme to catch Su Chen back, but a strange Hongmeng Supreme appeared in the dark domain, and the Hongmeng Supreme was even stronger than her, and the Rakshasa Supreme was not in the mood to care about Su Chen.

Emilia hurriedly saluted, "Nine Shades Supreme Subordinate Nether Lord, Emilia sees the Rakshasa Supreme. "

Isabella also hurriedly saluted, "Dark Domain Lord, Isabella sees the Rakshasa Supreme. "

"It's all exempt. "

The Rakshasa Supreme waved his hand casually,

She doesn't care about these scum,

The Rakshasa Supreme checked the movements of the Harmony Supreme in the Dark Domain, and she wondered if the Harmony Supreme would invade her realm.

Isabella asked Su Yan, "Are you the daughter of the Su Chen Domain Lord?"

Su Yan nodded and replied, "Yes, my father's name is Su Chen, my name is Su Yan, do you know my father?"

Jocelyn knelt down and saluted Su Yan, "Giantess Legion, Jocelyn see the young master." "

"See the young master. "

More than 3,000 giantesses knelt down and saluted Su Yan one after another,

The female giants had hope again, and if Su Yan spoke for them, they guessed that Su Chen would accept them again.

Jesia knelt on the ground and saluted, "Giantess sin, Jesia sees the young master. "

Su Yanzou frowned and looked at the female giants,

She figured it out,

If the Giantess Legion were her father's men,

Why are they all kneeling on the snowy mountain? Why didn't her father leave and take the female giants with him?

Isabella hurriedly said to Su Yan, "Su Yan, I know your father, can I ask you for something?"

0 for flowers0

"What's the matter?"

"That's right, giants because of me, your father is going to take all the giantesses.... "

Emilia looked at Su Yan curiously,

Su Yan and Su Chen's breath were the same,

The blood is also connected,

Su Yan is indeed Su Chen's daughter,

It's just that

How is Su Chen's daughter with the Rakshasa Supreme, and what is the relationship between Su Chen and the Rakshasa Supreme?

For a while,

Su Yan heard Isabella's explanation, and she understood why the giants were kneeling on the ground.

The giants were her father's slave girls,

Because of Jehia,

His father gave up the giants, so to speak, his father gave up the giants. []

Su Yan felt that her father had done nothing wrong,

Gehia was her father's slave girl,

She doesn't think about her master, she still thinks about the dark realm, and she thinks about her race, so don't want such a slave girl,

Again

If Jascia does something in private,

She may cause trouble for her father, and she may also bring disaster to the Chaos World.

It's just that

The other 3,000 or so giantesses were innocent, and they were implicated and abandoned by Gehia.

Su Yan touched his chin and thought,

The cultivation realm of the giants is very strong, and she can't beat a giantess in the face of it.

More than a thousand giantesses of the Emperor Realm,

There are also hundreds of giantesses above the Ten Heavens of the Emperor Realm,

The remaining giantesses are also about to advance to the Emperor Realm, and more than 3,000 giantesses can sweep through the entire Chaos World.

Her father would abandon the mighty giantess army,

It's a pity,

Su Yan thought that she didn't have any subordinates in the Hongmeng World,

She thought about whether to accept the giantess army,

The Rakshasa Supreme said with a serious face, "Su Yan, I sent you to my palace, the ice and snow region is not safe. "

Su Yan hurriedly asked, "Sister Rakshasa, is the Hongmeng Supreme of the Dark Domain going to invade the Ice and Snow Domain?"

"It's not clear, if the Harmony Supreme of the Dark Realm invades the Ice and Snow Domain, I won't be able to protect you. "

"Sister Rakshasa, I can help you, I can inform my aunt to help you destroy the Hongmeng Supreme Seven of the Dark Realm. "。

Chapter 3113

Su Yan didn't want to leave,

How cool she is free outside,

She didn't want to stay in the deserted palace,

Again

The Rakshasa Supreme is very good to her, and the clothes on her body are all Hongmeng lower grade spirit treasures,

Su Yan wants to help the Rakshasa Supreme defeat the Hongmeng Supreme of the Dark Domain,

Although she is a scumbag,

But she has Murong Allure's hairpin, or Murong Allure secretly gave her hairpin, her father doesn't know, as long as Su Yan injects mana, Murong Allure will know that he is looking for her.

The Rakshasa Supreme smiled and said, "Su Yan, your aunt is not the opponent of the Hongmeng Supreme, I will send you to my palace." "

"Sister Rakshasa, my aunt is the Hongmeng Supreme, and she can help you destroy the Hongmeng Supreme in the Dark Domain. "

"What? Your aunt is the Hongmeng Supreme? Su Yan, what you said is true?"

The Rakshasa Supreme was very surprised,

Su Chen's woman is Hongmeng Supreme?

Is it possible?

Since Su Chen appeared in the Hongmeng World,

Inglorious bastards have never been out of her realm,

The Hongmeng Supreme that Su Chen 21 knows should be the Nine Shadows Supreme, and the Nine Shadows Supreme cannot be Su Chen's woman.

Who will be the Hongmeng Supreme that Su Yan is talking about?

Su Yan nodded and replied,

"What I said is true, my aunt's name is Murong Allure, she is the Hongmeng Supreme of the Hongmeng World, Sister Rakshasa , you should have heard of my aunt's name, right?"

The Rakshasa Supreme said in surprise, "Murong Allure, the top three Hongmeng Supreme, how could I not know Murong Allure." "

"Sister Rakshasa, can you and my aunt destroy the Hongmeng Supreme of the Dark Realm?"

"Yes!"

The Rakshasa Supreme was very confused,

Su Chen's woman turned out to be Murong Allure,

How could the little bastard know Murong Allure?

One is the top powerhouse of the Hongmeng world,

One is an insignificant scum,

A scum actually has a Hongmeng Supreme Woman,

The joke is big,

The Rakshasa Supreme felt very unreal, but it was impossible for Su Yan to lie, and Su Yan didn't dare to talk nonsense.

Emilia and Isabella, as well as the giants, everyone looked at Su Yan and felt incredible,

Su Chen has a Hongmeng Supreme woman?

They were all taken aback by the news.

Emilia thought quickly,

She felt that Su Chen was very not simple,

Su Chen not only knew the Rakshasa Supreme, but also the Nine Shadows Supreme,

What now?

Su Chen and Murong Supreme are Taoist couples,

Emilia has to inform the Nine Shadows Supreme as soon as possible, and she wants to tell the Nine Shadows Supreme the news.

"Su Chen's domain master is unpredictable. "

Isabella shook her head with a complicated face,

She thought she knew something about Su Chen, but she found that she only knew a little about Su Chen.

Su Chen has a Hongmeng Supreme Woman,

Is this to scare her to death?

Isabella looked at the giants and felt sorry for them,

If it weren't for her,

It would be very good for the female giants to follow Su Chen, and they would at least be the existence of the domain master realm in the future.

Su Yan took out the hairpin and asked, "Sister Rakshasa, do I have to notify my aunt of my arrival now?"

"Su Yan, quickly inform Murong Tian..... Huh?"

The Rakshasa Supreme said and suddenly looked at the Dark Domain, and the Hongmeng Supreme of the Dark Domain was about to appear.

Rumble!

A roaring sound,

The ice and snow shook up.

"Town!"

The Rakshasa Supreme waved his hand to protect the Ice and Snow Domain from being destroyed by the vibration.

Dark Domain,

A terrifying giant with a length of tens of thousands of meters shouted, "I am the Heavenly Supreme. "

"Tianqing Supreme?"

When the Rakshasa Supreme heard the announcement of the terrifying giant, her face changed drastically and she stared at the Tianqing Supreme.

Tianqing Supreme?

The top ten Hongmeng Supremes in the last era of the Hongmeng Great World, Tianqing Supreme destroyed countless great worlds, destroyed more than ten Hongmeng realms, and also killed six or seven ordinary Hongmeng Supremes.

Later in the last era,

One of the three supreme Hongmeng supremes, the bright supreme,

The Bright Supreme couldn't get used to the arrogance of the Tianqing Supreme, and she personally killed the Tianqing Supreme.

Rakshasa Supreme didn't expect Tianqing Supreme to recover, Tianqing Supreme was not completely wiped out when Tianqing Supreme was killed?

Su Yan's little face was pale and approached the Rakshasa Supreme,

The terrifying atmosphere is too scary,

Su Yan felt that if she was closer to the Tianqing Supreme, she would probably be annihilated by the terrifying aura.

Sou!

The Nine Shadows Supreme instantly appeared next to the Rakshasa Supreme,

She looked at Su Yan, and her eyes lit up.

Su Chen's daughter Su Yan,

Tianqing Supreme Recovery also did a good thing,

If it weren't for the movement made by the Tianqing Supreme, the Nine Shadows Supreme would not have discovered Su Chen's daughter.

Emilia hurriedly knelt down and saluted, "Emilia see the Supreme Lord. "[

Isabella also hurriedly saluted, "Lord of the Dark Domain, Isabella sees the Nine Shadows Supreme. "

Isabella didn't expect the Nine Shadows Supreme to arrive,

First of all, the Rakshasa Supreme arrived,

Now the Nine Shadows Supreme has also arrived,

Isabella guessed that the two supremes were here for Su Chen, and she felt more and more mysterious about Su Chen.

The Rakshasa Supreme blocked Su Yan and asked, "Nine Shades Supreme, are you going to destroy the Tianqing Supreme?"

The Rakshasa Supreme was worried,

When the Nine Shadows Supreme arrived, she looked at Su Yan, she was worried that the Nine Shadows Supreme would snatch Su Yan away.

Su Yan was very surprised when he knew that the Nine Shadows Supreme had arrived,

The Nine Shadows Supreme in a black gauze dress is very sexy, her appearance is absolutely beautiful and Allure 217, her figure is proud and attractive, her whole body exudes a charming atmosphere, and her temperament is also very cold and elegant.

Su Yan touched her white chin and thought, [Aunt Nuwa, the number one beauty in the Chaos World, Aunt Nuwa does not have the sexy charm of the Nine Shades Supreme, what will be the relationship between the Nine Shades Supreme and her father?]

It's just that

How did the Rakshasa Supreme stand in front of her?

Could the Nine Shadows Supreme be detrimental to himself?

Is it possible?

Chaos Avenue said that the Nine Shadows Supreme had a close relationship with her father, and it was impossible for the Nine Shadows Supreme to be unfavorable to her.

The Nine Shadows Supreme squinted his eyes and said, "Rakshasa Supreme, Su Chen's daughter is going to be taken away. "

"Impossible, Nine Shadows Supreme, Su Yan is my disciple, I won't let you take my disciple. "

The Rakshasa Supreme's guess is indeed not wrong, the Nine Shadows Supreme is really here for Su Yan,

Damn it

The Nine Shadows Supreme snatched Su Chen a hundred years ago,

Now I want to snatch Su Yan,

The Rakshasa Supreme can no longer give in,

She couldn't let the Nine Shadows Supreme take Su Yan away.

The Nine Shadows Supreme smiled seductively and said, "Rakshasa Supreme, this palace helped you destroy the Tianqing Supreme, Su Yan belongs to me, what do you think?"

The Rakshasa Supreme said with a serious face, "Nine Shades Supreme, I gave Su Chen to you, I won't let Su Yan anymore, you are the Immortal Tianqing Supreme, and I also have to have a way to kill the Tianqing Supreme." "。

Chapter 3114

The Rakshasa Supreme will not give in,

The Nine Shades Supreme was going to leave Su Chen a hundred years ago, and she would not give Su Yan to the Nine Shades Supreme again.

And also

Su Yan is very much to her liking,

The Rakshasa Supreme also likes Su Yan very much,

She planned to accept Su Yan as a disciple, how could she possibly let the Nine Shadows Supreme take Su Yan away.

The Nine Shadows Supreme smiled and said, "Rakshasa Supreme, you are not my opponent, if I want to take Su Yan away, you can't stop me." "

The Rakshasa Supreme said angrily, "Nine Shades Supreme, don't you want a little face?"

The Nine Nethers Supreme snorted coldly, "Hmph, face? You should know who I am, the creatures of the Nine Netherworld are all dark creatures, do you think I care about face?"

The Rakshasa Supreme was silent,

It's hard to do,

The Nine Shadows Supreme has no shame and wants to snatch Su Yan away, she has no ability to stop the Nine Shadows Supreme, one of the three strongest supremes.

Su Yan touched his white chin and was very speechless,

The Nine Shadows Supreme wants to take her?

Why?

Su Yan thought that as soon as she arrived in the Hongmeng World, the Rakshasa Supreme couldn't wait to take her away,

Now the Nine Shadows Supreme is also going to take her away,

Is she that important?

Well?

Su Yan suddenly thought of her father,

She guessed that the Rakshasa Supreme and the Nine Shadows Supreme were not for her, and the two supremes should be for her father. 227

Su Yan admired her father very much,

One or two hundred years after her father came to the Hongmeng World, he got the two supremes of the Hongmeng World.

There is a Rakshasa Supreme behind Su Yan,

Nine Shades Supreme,

and Murong Allure,

The three Hongmeng Supremes are all her backers, and Su Yan feels that she can walk sideways in the Hongmeng world.

Emilia and Isabella were very confused,

The Nine Shadows Supreme wants to rob Su Yan with the Rakshasa Supreme?

Su Yan is just a holy realm,

They didn't understand how the two supremes could rob Su Yan, was Su Yan different, or was his cultivation talent very good?

Su Chen?

Could it be because of Su Chen?

Su Yan is Su Chen's daughter,

They guessed that the two supremes were because of Su Chen, and the two supremes wanted to rob Su Yan.

now

The Rakshasa Supreme thought for a while and said,

"Nine Shades Supreme, Su Chen is still in the Ice and Snow Domain, we have met Su Chen and then decide where Su Yan goes, is it okay?"

"Yes. "

The Nine Shadows Supreme did not hesitate to agree,

Su Chen?

The little bastard is bold in approaching the Dark Realm,

The Nine Shadows (CCCH) Supreme wanted to know what Su Chen was going to do,

If Su Chen encounters danger, or is threatened by the Tianqing Supreme, she can also take the opportunity to extort Su Chen's Hongmeng Spiritual Liquid.

Su Yan saw that the Nine Shadows Supreme and the Rakshasa Supreme reached a consensus,

She walked to the giants and planned to do something,

The giants are much stronger than her men,

Her father abandoned the giants,

Su Yan plans to test more than 3,000 giantesses, and if the giants are as loyal as her subordinates, Su Yan will officially take the giants into his legion.

At this point,

At the junction of the Ice and Dark Domains,

Su Chen and the female zombie appeared on a small island in the sea.

The female zombie said worriedly, "Master, let's not move forward, the Tianqing Supreme is too terrifying, and it will be very dangerous for us to move forward." "

Su Chen sat on the female zombie's shoulder and said, "We'll check here, and we won't move forward." "

The female zombie asked suspiciously, "Master, why are we here to check on the Tianqing Supreme?"

"Tianqing Supreme has a secret, think about it, why would a Supreme be hidden in a dead domain?

"Master, do you mean to say that there are items in the Dark Realm that the Heavenly Monarch Supreme cares about, or is it a treasure?"

Su Chen touched the zombie's delicate little face and explained,

"Yes, I find the Dark Realm unusual. "

"More than a hundred years ago, I found hundreds of pots of Hongmeng Spiritual Liquid in the Dark Domain, as well as two kinds of Hongmeng Spiritual Fruits. "

"The two domain lords before and after the Ogre Domain have invaded the Dark Domain, and the previous five domain masters and one powerful realm lord have all gone to the Heavenly Broken Mountain, and the Tianqing Supreme is still hidden in the Heavenly Broken Mountain. "

"There must be a secret in the Heavenly Broken Mountain in the Dark Domain, and it may be a treasure that is red in the eyes of the Hongmeng Supreme. "

Su Chen wanted to know what secrets the Heavenly Broken Mountain had, and he also wanted to know why the Heavenly Peak was hidden in the Heavenly Broken Mountain.

There must be a secret in the Heavenly Broken Mountain,

Su Chen guessed that it might be a huge secret, and he must find out what secrets there were in Tianduan Mountain.

The female zombie rubbed Su Chen's hand with her face,

She didn't care about any secrets or treasures in Tianduan Mountain, she just wanted to stay with Su Chen.

Su Chen stroked the female zombie and said, "System, what treasures are there in the Heavenly Broken Mountain, what kind of supreme is the Tianqing Supreme?"

[Ding, host, the system advises you not to die, the dark domain is concerned by the Five Hongmeng Supreme, you are just an insignificant scum, and the Supreme's terrifying aura of battle will annihilate you. ]

I'm making up,

Five HarmonyOS Supreme?

Su Chen looked at the Dark Domain in surprise, he didn't expect that there would be five Hongmeng Supremes paying attention to the Dark Domain.

Who are the 5 HarmonyOS Supremes?

The Rakshasa Supreme is counted as one,

The Nine Shades Supreme is counted as one,

Who will be the other three Hongmeng Supremes?

Did the Five Hongmeng Supremes pay attention to the Tianqing Supreme, or did they discover the anomalies in the Tiandu Mountain?

"System, among the five Hongmeng Supremes, there are Rakshasa Supreme and Nine Shades Supreme, right? Who are the other three Hongmeng Supreme?"

[Ding, host, you are too curious, you have to remember that you are just a scumbag, don't offend Hongmeng Supreme. ]

"I'm just going to know, little girl, I just want to know what Hongmeng Supreme is, I won't make a death to provoke Hongmeng Supreme. "

[Ding, do you think the system will believe it? Host, think about the Rakshasa Supreme, think about the Nine Shadows Supreme, haven't you provoked them? The system is worried that if you tell the names of other HarmonyOS Supremes, the host will offend the HarmonyOS Supreme by saying anything. ]

Su Chen rubbed his forehead and said,

"Chick, why are you talking so much nonsense today?"

"I didn't know the horror of Hongmeng Supreme before, so I would mention the name of Hongmeng Supreme without words, and now that I know, will I be stupid and don't say anything?"

[Ding, isn't the host a stupid idiot?]

"Chick, do you want to make trouble?"

[Ding, stupid idiot! Doing things is your forte, and the system is willing to bow down to you. 】

Su Chen exclaimed with a dark face, "Little girl, I really want to kill you." "

[Ding, the host of the color embryo.] 】

Eggs,

Lustful fart,[]

If the system chick appears, Su Chen will definitely make the system regret and mock him.

Su Chen said angrily to the female zombie, "Female zombie, let's go to the sea to rest for a while." "

"Yes, master!".

Chapter 3115

Dark Domain,

Tianduan Mountain,

Tianqing Supreme returned to the size of a human standing on the mountain, his face was ugly and he looked at the situation around him,

Four HarmonyOS Supreme?

There are four Hongmeng Supremes around looking at him,

Damn it

Tianqing Supreme has not yet been promoted to the Xeon Hongmeng Supreme, and he was disturbed by some scumbags to recover in advance.

Damn scum,

If the scum were not annihilated by his momentum, he would have wiped out those scum, and the Yuan ~ God tortured day and night.

Tianqing Supreme's face was ugly and thought,

[What should I do? I didn't advance to the Supreme Supreme and recovered in advance, there are four Hongmeng Supremes hidden around, whether the four Supremes are his opponents, I don't have to care about the four Hongmeng Supremes. ]

[It's just, what about the three supreme Hongmeng supremes?]

[If the Light Supreme discovers that he is revived, the arrogant and arrogant Light Supreme will definitely come to kill him again. ]

Tianqing Supreme looked at the center of the earth again at the Heavenly Broken Mountain,

The treasures in the heart of the Heaven and Broken Mountains cannot be taken away,

As long as the four Hongmeng Supremes around them arrived, they would all find the treasures in the hearts of the Heavenly Broken Mountain.

Tianqing Supreme changed his face and whispered,

"Hongmeng crystal, the treasure of the Hongmeng world, Hongmeng crystals are ten million times more precious than Hongmeng spiritual liquid, do you want to give up the incomparably precious Hongmeng crystals and leave?"

Rumble!

suddenly

An old man holding a scepter appeared in the Dark Domain, and the Tianqing Supreme on his Tianxuan Mountain said, "Tianqing Supreme, this Pope Charles, Hongmeng God Supreme. "

The Tianqing Supreme showed a disdainful expression and asked, "Heavenly Supreme, have you come to seek death?"

The Heavenly Lord Supreme touched the nonsense and said, "Tianqing Supreme, you are one line away from being promoted to the Supreme Supreme, but there are many Supremes around, can you deal with four or five Hongmeng Supremes alone?"

"Tell me what you came for. "

"Tianqing Supreme, there is the breath of Hongmeng Spiritual Liquid in Tianduan Mountain, our Hongmeng Supreme is determined to obtain Hongmeng Spiritual Liquid, you only need to give us half of Hongmeng Spiritual Liquid, this seat can persuade other Hongmeng Supreme not to make a move on you, do you agree?"

The Heavenly Emperor Supreme looked at the Heavenly Lord Supreme with great contempt,

Harmony Fluid?

If the treasure in the heart of the Heavenly Broken Mountain is the Hongmeng Spiritual Liquid, will he hide it in the Heavenly Broken Mountain to revive?

The Supreme God of idiots,

The Tianqing Supreme couldn't help but want to pinch the Heavenly Supreme to death.

It's just that

The words of the Supreme of God made it a little difficult for him,

The Tianqing Supreme was not worried about being besieged by the four ordinary supremes, he was worried that he would be discovered by the three supremes when he fought, especially that he would be discovered by the light supreme that he was still alive.

Boom!

suddenly

Two more terrifying figures appeared in the sky above the Dark Realm.

A woman full of charm and temptation spoke, "This seat is a charming supreme, and I have seen two Taoist friends. "

The blue-skinned burly man also spoke, "This sea supreme has seen two Dao friends. "

The Supreme of God hurriedly said,

"Enchanting Supreme, Sea Supreme, the old man just talked to the Tianqing Supreme, as long as the Tianqing Supreme divides half of our Hongmeng Spiritual Liquid, we don't have to jointly attack the Tianqing Supreme. "

The Enchanting Supreme and the Sea Supreme looked at each other,

They have heard the word of God,

The Supreme of God wants to unite with the two supremes of them, and together force the Tianqing Supreme to hand over half of the Hongmeng spiritual liquid.

That's good,

Tianqing Supreme gave them a very dangerous feeling,

If you fight,

They may not be able to defeat the Heavenly Supreme,

If the Tianqing Supreme could hand over half of the Hongmeng Spiritual Liquid, they wouldn't have to turn their faces and fight with the Tianqing Supreme.

The Charm Supreme stroked her hair and smiled,

"Tianqing Supreme, you are willing to hand over half of the Hongmeng Spiritual Liquid, we will not snatch your Hongmeng Spiritual Liquid"

The Sea Supreme nodded in agreement, "Yes, the Hongmeng Spiritual Liquid is very important to our Supreme, and we only need half of the Hongmeng Spiritual Liquid. "

Tianqing Supreme appeared in the air and said, "There is also a Hongmeng Supreme around, don't you discuss it with the rest of the Hongmeng Supreme?"

The Sea Supreme snorted coldly,

"Hmph, the Rakshasa Supreme is getting more and more timid, we all appeared in the Dark Domain, and the Rakshasa Supreme didn't dare to come. "

The Enchanting Supreme glanced at the Sea Supreme and said, "Sea Sea Supreme, you don't seem to be the opponent of the Rakshasa Supreme, aren't you?"

"Charm Supreme, what do you mean?"

"It's not interesting, I'm just reminding you that if you provoke the Rakshasa Supreme, unless you keep hiding in the sea area, you will be hunted down and killed by the Rakshasa Supreme. "

"Damn, Charm Supreme, don't anger me, or my sea will wage war against your Charm Flower Domain. "

The Charm Supreme patted his chest proudly and said disdainfully,

"Yo, I'm so scared!"

"Sea Supreme, you have been waging war for thousands of years, and fifty million years ago, your sea area was defeated by my Charm Flower Domain. "

"Thirty million years ago, you offended the Nine Shadows Supreme, and you seem to have paid some treasures before the Nine Shadows Supreme let you go.

"More than a hundred years ago, your domain lord invaded the Ice and Snow Domain of the Rakshasa Supreme, and it seemed that he was easily killed by the scum of the Rakshasa Supreme. "

"Sea Supreme, you have waged boundary wars everywhere, but have you ever won a war?"

The supreme of the sea stared at the enchanting supreme with a dark face,

Stinky bitch,

It's really a pot that doesn't open which pot,

The Sea Supreme has launched more than ten boundary wars over the past 10 million years,

Seven or eight realm lords have been dispatched to participate in the war,

But not a single war was won,

The Sea Supreme is very angry when he thinks about it,

His subordinate Domain Lords and Realm Lords were all waste, and for thousands of years he had been disgraced in front of the other Hongmeng Supremes.

now

God Supreme looked at the two idiots speechlessly,

They are facing the powerful Tianqing Supreme, and they still have to jointly force the Tianqing Supreme to hand over the Hongmeng Spiritual Liquid, and the mutual struggle between the Enchanting Supreme and the Sea Supreme, can they still unite?

The Supreme of God hurriedly said, [Enchanting Supreme, Sea Supreme, let go of your grievances first, don't forget the purpose of our arrival, Hongmeng Spiritual Liquid is very important. ]

"Humph!"

"Humph!"

The Enchanting Supreme and the Sea Supreme snorted coldly at each other,

They looked at the Heavenly Supreme,

The Tianqing Supreme agreed to hand over half of the Hongmeng Spiritual Liquid, and they would not snatch it from the Tianqing Supreme.

Tianqing Supreme found that the Sea Supreme and the Enchanting Supreme looked at him one after another,

He understood that God had intervened,

The Supreme of God should be a conspirator,

is also a villain who calculates behind his back,

The Heavenly Supreme wants to guard against the calculations of the Supreme Lord, and he will not let the conspirators calculate him again.

Last era,

It was only because of the calculation that he provoked the Light Supreme to be killed.

The Supreme of God touched his beard and asked, "Tianqing Supreme, have you thought about it, are you willing to hand over half of the Hongmeng Spiritual Liquid?"

Chapter 3117

Su Chen's face quickly darkened,

Being peeped at again,

Isn't the system girl afraid of getting stye?

What the hell,

Su Chen touched the plump body of the female zombie and didn't care. The system girl peeped more than once or twice,

Besides, the system is a female system,

She will be his woman in the future,

Let the system girl peepe.

[Ding, stupid host, do you think the system wants to peep at you? Do you know how many Hongmeng Supremes are in the Dark Domain and the Ice and Snow Domain now? ]

Su Chen touched the soft part of the female zombie and asked in confusion, "System, what do you mean?"

[Ding, host, the system means that you are being peeped at by three Hongmeng Supremes now. ]

I'll join in!

Su Chen hurriedly covered the female zombie's body. Three Hongmeng Supremes were peeping at him and the female zombie's love affair.

The female zombie was naked at the moment.

Su Chen couldn't let other men see the female zombie's body.

"Master, what's wrong?"

The female zombie was very confused when Su Chen covered her body.

She was serving Su Chen.

Su Chen was also very fond of her plump and proud figure. Why did Su Chen suddenly cover her body?

Are there any living creatures around?

The female zombie checked and found no living creatures peeping.

Su Chen touched the plump body of the female zombie and said, "Female zombie, put on your Lingbao dress quickly, there is a Hongmeng Supreme peeping at us."

"Yes, Master."

557

The female zombie waved her hand and put on the Lingbao dress in a hurry,

Is the Hongmeng Supreme peeping?

The female zombie did not expect that the Hongmeng Supreme would peep at her serving Su Chen,

Although she was very angry,

But facing the Hongmeng Supreme,

The female zombie is just a scum, and she has no ability to kill the peeping Hongmeng Supreme.

Su Chen frowned and asked, "System, are those three Hongmeng Supremes peeping?"

[Ding, host, you can rest assured, the ones peeping at you are all female Supremes, including the Rakshasa Supreme, the Jiuyou Supreme, and the Charming Supreme, and the Charming Supreme is still hiding above you. ]

Su Chen heaved a sigh of relief after hearing what the system said.

Three female supremes peeping,

He could still accept it.

If it was a male supreme peeping, he would kill the male supreme who peeped no matter how much it cost.

Su Chen stroked his chin and thought,

Raksha Supreme? Jiuyou Supreme? And Charming Supreme?

Raksha Supreme and Jiuyou Supreme are here, why didn't they kill Tianqing Supreme?

Raksha Supreme is no match for Tianqing Supreme,

What about Jiuyou Supreme?

Jiuyou Supreme is one of the three most powerful supremes in the Hongmeng World. Jiuyou Supreme can kill Tianqing Supreme with one hand. Su Chen couldn't understand why Jiuyou Supreme had time to peek at him and didn't kill Tianqing Supreme.

Charming Supreme?

If the Supreme Charm didn't go to the Dark Realm to grab treasures, how could she come out? Now I'm in the air? Are all the Hongmeng female supremes female hooligans?

"Interesting, a scumbag domain master realm actually found out that I was peeping."

Charming Supreme was very surprised,

She heard the conversation between Su Chen and the female zombie, how could a domain master realm find out her existence?

Peeping?

Will she peek at ants in heat?

Charming Supreme's beautiful face showed a cold look, she couldn't help but want to kill Su Chen and the female zombie,

But,

Charming Supreme wanted to know how Su Chen found out about her existence,

She was a little interested in the little ant.

Swoosh!

Su Chen came out of the small lake holding the female zombie,

Escape?

Or not escape?

He was very conflicted at the moment.

Hongmeng Supreme was very powerful and terrifying. Su Chen and the female zombie might not be able to escape even if they wanted to.

The female zombie looked around and said worriedly, "Master, let's leave here."

Su Chen sat on the female zombie's shoulder and shook his head.

Leave?

He wanted to leave.

But could he leave?

Charming Supreme was right above them.

Su Chen didn't know why Charming Supreme came.

He also didn't know why Charming Supreme wanted to spy on him. Su Chen didn't dare to leave or escape easily.

"System, how many Hongmeng Supremes have appeared now?"

[Ding, there are Tianqing Supreme, Haiyu Supreme, Tianzhu Supreme in the Dark Domain, Meihu Supreme above you, Luosha Supreme and Jiuyou Supreme in the Ice and Snow Domain, and in a quarter of an hour, Taihao Supreme and Titan Supreme will come to the Dark Domain. Host, you must not commit suicide at this time. ]

Oh my god,

Eight Hongmeng Supremes?

Too scary,

If the eight Hongmeng Supremes fight, the Dark Domain and the Ice and Snow Domain will probably be broken. I can't stay in the Ice and Snow Domain. Su Chen doesn't want to be affected by the battle of the Hongmeng Supremes and be killed.

[Ding, host, remind you that your daughter Su Yan is also in the Ice and Snow Domain, on the Great Snow Mountain, and Su Yan is with Luosha Supreme and Jiuyou Supreme. ]

Su Chen hurriedly checked the Snow Region,

Is Su Yan on the Snow Mountain?

Why is the little girl on the Snow Mountain?

Rakshasa Supreme?

How did Rakshasa Supreme bring Su Yan to the Snow Mountain in the Snow Region?

Huh?

Rakshasa Supreme is not hiding,

Where is Jiuyou Supreme?

Is Jiuyou Supreme not in the Snow Region?

Su Chen found that Rakshasa Supreme was with Su Yan, and the little girl was talking with the female giants.

However,

Su Chen did not find any trace of Jiuyou Supreme,

The system said that Jiuyou Supreme was in the Snow Region, could it be that Jiuyou Supreme was hiding in the Snow Region?

Su Chen thought for a while and sent a message to Emilia, [Emilia, take my daughter away from the Snow Region. ]

On the snowy mountain in the Ice and Snow Region,

Emilia and Isabella were talking, and she was speechless when she suddenly heard Su Chen's voice transmission.

Take Su Yan away?

Does she dare?

Rakshasa Supreme and Jiuyou Supreme are determined to get Su Yan. How dare she, a scumbag in the realm of the master, get involved?

Emilia sent a message to Jiuyou Supreme without thinking, [Supreme Lord, Su Chen just sent a message to let me take Su Yan away. ]

[Don't pay attention to the little bastard. ]

[Yes, Supreme Lord. ]

Emilia smiled when she heard Jiuyou Supreme's message.

She is Jiuyou Supreme's subordinate.

She doesn't care about selling out Su Chen at all.

If there is a chance,

She also wants to beat the shameless bastard to death.

Emilia was locked up in the Desire Tower by Su Chen. Not only did Su Chen see her naked body, but she was also tortured by the Desire Demon. Emilia will not let the despicable Su Chen go easily.

At this moment,

Su Chen found that Emilia did not take Su Yan away,

He understood,

The Supreme Nine Nethers might also be in the Great Snow Mountain, and his temptation to Emilia was to find out the existence of the Supreme Nine Nethers.

Su Chen shouted to the sky, "Supreme Charm, come out and talk."

"Ant, are you qualified to talk to this Supreme? Also, this Supreme has no interest in peeking at ants in heat."

Chapter 3118

Charming Supreme was speechless,

Chat?

Does a scumbag ant have the right to chat with her?

If Charming Supreme had not been interested in Su Chen, she would have killed the little ant long ago.

Su Chen smiled and said, "Charming Supreme, don't you want to know what treasures are in Tianduan Mountain?"

Swoosh!

Charming Supreme appeared beside Su Chen in an instant, staring at Su Chen with beautiful eyes, feeling incredible,

Su Chen knew that there were treasures in Tianduan Mountain?

Is it possible?

Charming Supreme did not check the situation in Tianduan Mountain, how could a scumbag in the Domain Lord Realm check the situation in Tianduan Mountain? .

"Little ant, what treasures are there in Tianduan Mountain?"

I'll help!

Su Chen's eyes widened when he saw the Charming Supreme.

Too charming.

Too tempting.

The Charming Supreme was wearing a white palace dress, with a curvy figure, a slender waist that could be held in one hand, a curvy figure, tender red lips, and a charming face.

The Charming Supreme exuded charm and charm, making people want to ravage her.

The second one,

Su Chen was the second woman who made people want to move.

The Nine Nether Supreme's stillness and movement made people unable to extricate themselves, fascinated, and eager to move.

Where is the Charming Supreme?

Fairy!

Fox spirit!

The Charming Supreme was just like the little fox he saw at the beginning, beautiful, seductive, enchanting and extremely charming, making people want to boil their desires and want to kiss her.

The charming Supreme had a cold look on her beautiful face, "Little ant, do you want to be annihilated?"

The little ant actually dared to have improper thoughts about her, and the charming Supreme couldn't help but want to crush the ignorant Su Chen to death.

"Master!"

The female zombie hurriedly protected Su Chen,

She was very helpless with Su Chen,

The charming Supreme was the ceiling of the Hongmeng world, Su Chen looked at the charming Supreme without blinking, and the female zombie was worried that the charming Supreme would kill Su Chen in anger.

"Don't worry."

Su Chen touched the delicate face of the female zombie, and looked at the Supreme Charm and said, "Supreme Charm, people have seven emotions and six desires. The Supreme is extremely

beautiful and beautiful. I couldn't help but look at her for a while longer. I hope the Supreme will not be offended."

"Hmph, little ant, stop talking nonsense, tell me, what treasures are there in Tianduan Mountain?"

The Supreme Charm frowned in surprise. She couldn't check Su Chen's memory.

A scumbag domain master,

How could she, a Hongmeng Supreme, not be able to check the memory?

The little ant has a secret,

The Supreme Charm is becoming more and more interested in Su Chen.

Su Chen took a sip of wine and smiled, "Don't worry, Supreme Taihao and Supreme Titan will be here soon. I have never seen so many Supremes appear together."

"Hmm?"

The Charming Supreme touched White chin pondered,

How did Su Chen know that two Hongmeng Supremes were coming? Little ant also knew that they were Taihao Supreme and Titan Supreme,

Weird,

Too weird,

"Little ant, what is your Dao name?"

"Su Chen!"

"Which Hongmeng Supreme are you a subordinate of?"

Su Chen touched his chin and shook his head, "How should I put it? I don't know which Hongmeng Supreme I am a subordinate of."

Raksha Supreme?

Jiuyou Supreme?

Su Chen used to be a subordinate of Raksha Supreme,

It's just that Jiuyou Supreme forced him to join Jiuyou Mingyu, so Su Chen can be regarded as a subordinate of Jiuyou Supreme.

However,

Su Chen couldn't afford to offend Luosha Supreme and Jiuyou Supreme,

If he said he was Luosha Supreme's subordinate,

Jiuyou Supreme might threaten him again,

If Su Chen said he was Jiuyou Supreme's subordinate, he was worried that Luosha Supreme would be angry and take his daughter Su Yan out.

Boom!

Charming Supreme burst out with coercion and said coldly, "Little ant, are you fooling me?"

"Damn it!"

Su Chen and the female zombie were suppressed and lay on the ground in an instant,

At this moment,

The Great Snow Mountain,

Jiuyou Supreme looked at Charming Supreme with a cold face,

Suppress Su Chen?

Su Chen is her man,

Does Charming Supreme want to die?

[Charming Supreme, if you don't want to die, put away your coercion and leave. ]

Rakshasa Supreme frowned and transmitted, [Charm Supreme, Su Chen is my subordinate, you'd better not attack my subordinate. ]

Charm Supreme was stunned and put away his pressure,

Nine Nether Supreme?

Rakshasa Supreme?

How is it possible?

Who is the little ant?

Why do Nine Nether Supreme and Rakshasa Supreme care about the little ant?

Also,

Nine Nether Supreme has been paying attention to Su Chen?

Or is Nine Nether Supreme also in the Dark Domain?

Charm Supreme thought about it and felt very strange,

A little ant,

Why would Nine Nether Supreme and Rakshasa Supreme pay attention to it?

No wonder Su Chen couldn't tell which Supreme Hongmeng was his subordinate.

Supreme Jiuyou and Supreme Luosha were both related to Su Chen.

Supreme Charm guessed that Su Chen didn't dare to offend the two supremes, so the little ant said that he didn't know whose subordinate he was. ....

"Master, are you okay?"

The female zombie hurriedly picked up Su Chen to check.

The terrifying pressure from Supreme Charm just now.

The female zombie was not only suppressed to vomit blood, but also had many cracks on her body. She was worried that Su Chen would be injured by the suppression.

"I'm fine."

Su Chen shook his head.

The female zombie held him in her arms.

He felt the soft and proud mountain of the female zombie.

If Supreme Charm wasn't there, Su Chen would not be able to help but enjoy the female zombie's passion again.

Su Chen calmed down his disordered breath, "Supreme Charm, I have backers behind me, two Supreme Hongmeng, you should have been warned just now, right?"

Supreme Charm stared at Su Chen with beautiful eyes and asked, "Little ant, you surprised me, what is your relationship with Supreme Jiuyou and Supreme Luosha?"

"Guess!"

Su Chen was no longer afraid of Supreme Charm,

His guess should be correct,

Supreme Jiuyou or Supreme Luosha warned Supreme Charm.

Su Chen was protected by Supreme Jiuyou and Supreme Luosha, so he was no longer polite to Supreme Charm.

"Little ant, don't think that 2.1 has the protection of Jiuyou Supreme and Luosha Supreme. I can't do anything to you. As long as I offer some benefits, Jiuyou Supreme and Luosha Supreme will give up their protection for you."

"I don't believe it."

"Damn it, little ant, you pissed me off."

"So what if I pissed you off?"

"You..."

Looking at Su Chen's rampant look, she was so angry that she couldn't help but want to strangle Su Chen to death.

The fox is taking advantage of the tiger's might!

Charming Supreme is not the opponent of Luosha Supreme, and she is not the opponent of Jiuyou Supreme, one of the three strongest supremes.

If Jiuyou Supreme wants to kill her,

Charming Supreme will be killed by Jiuyou Supreme within ten moves.

Su Chen stroked the female zombie and smiled, "Supreme Charmer, don't be angry, how about we cooperate?"

"Are you worthy?"

Chapter 3119

Charming Supreme glanced at Su Chen with disdain,

Cooperation? .

Is the little ant worthy?

If Su Chen had not been protected by Jiuyou Supreme and Luosha Supreme, she would have killed the little ant who was bullying others.

Su Chen stared at Charming Supreme and said with a dark face, "Charming Supreme, you will regret your decision."

Worthy?

Su Chen is not worthy of cooperating with Charming Supreme,

But Charming Supreme forgot Jiuyou Supreme and Luosha Supreme. If Su Chen persuaded Jiuyou Supreme and Luosha Supreme to cooperate,

No,

As long as Su Chen persuaded Jiuyou Supreme to cooperate,

The Jiuyou Supreme, one of the three most powerful supremes in Hongmeng Great World, and the Hongmeng Supreme in the Dark Domain are not the opponent of Jiuyou Supreme.

At that time,

No other supremes can get the treasures in Tianduan Mountain.

The Charming Supreme snorted coldly, "Hmph, this Supreme never regrets."

"I hope so."

Su Chen touched the delicate face of the female zombie and looked at the Dark Domain,

Two terrifying auras were approaching quickly, Taihao Supreme and Titan Supreme were about to arrive,

Taihao Supreme?

Raksha Supreme and Taihao Supreme were mortal enemies,

Taihao Supreme was about to arrive in the Dark Domain, would Raksha Supreme attack Taihao Supreme?

Boom!

After a few breaths,

Two terrifying auras descended on the Dark Domain at the same time,

Above Tianduan Mountain,

A white-haired old man and a giant more than ten meters tall appeared in the air at the same time.

Su Chen looked at the Titan Supreme and exclaimed in surprise, "Oh my god, the original form of the Titan Supreme is more than ten meters tall. If the Titan Supreme recovers his true form, how tall will he be? Thousands of meters? Or tens of thousands of meters?"

In the Chaos World,

Gaia is also a Titan giant,

But Gaia's original form is only more than three meters tall. The gap between Gaia and the Titan Supreme is too big.

Su Chen touched his chin and thought about it, his face darkened,

Gaia is in the Saint Realm,

If Gaia advances to the Domain Lord Realm, Realm Lord Realm, will Gaia's original form increase?

Su Chen thought that if Gaia is more than ten meters tall in the future,

How can he enjoy the moonlight with Gaia?

Does he have to transform into a giant and enjoy the moonlight with Gaia?

The female zombie rubbed her face against Su Chen and said, "Master, two more Hongmeng Supremes have arrived. Let's leave here " || ."

"Leave?"

Su Chen didn't want to leave.

The treasures in Tianduan Mountain,

He also wanted to get them.

With the appearance of the eight Hongmeng Supremes, Su Chen only needed to convince Jiuyou Supreme, and the other seven Supremes were all scum.

"Little ant, I advise you, if you don't want to die, get out of here quickly." Charming Supreme looked at Tianduan Mountain with a cold face.

With the arrival of Taihao Supreme and Titan Supreme, the Supremes will start to divide up Tianqing Supreme's Hongmeng Spirit Liquid.

However,

Jiuyou Supreme is a change.

If Jiuyou Supreme wants to take the Hongmeng Spirit Liquid alone, the other SupremesNo one dared to disobey the Supreme Nine Netherworld.

"Goodbye, sexy beauty, you have to be careful, I hope you won't die soon." Su Chen teased the Supreme Charm and picked up the female zombie and disappeared instantly.

He was going to the Snow Mountain to bargain with the Supreme Nine Netherworld.

The black-hearted Supreme Nine Netherworld was not easy to convince, Su Chen had to find a way to convince the beautiful and attractive Supreme Nine Netherworld.

Boom!

"Damn little ant."

The Supreme Charm burst out with terrifying momentum and pressure in anger, and the mountains and the ground collapsed instantly for thousands of miles around the small lake.

Su Chen teased her,

The Supreme Charm couldn't help but want to destroy Su Chen's body and soul,

However,

The Supreme Nine Netherworld and the Supreme Rakshasa protected Su Chen,

Although the Supreme Charm was very angry, she didn't dare to kill the little ant who was pretending to be powerful.

Swoosh!

The Charming Supreme disappeared instantly.

She was not going to Tianduan Mountain in the Dark Domain. Above Tianduan Mountain, there were Tianqing Supreme, Taihao Supreme, Titan Supreme, Tianzhu Supreme, and Haiyu Supreme. The Charming Supreme had nothing to do with them.

She and Haiyu Supreme were still enemies.

The Charming Supreme wanted to form an alliance with Luosha Supreme.

She also wanted to establish a relationship with Jiuyou Supreme.

As long as the Charming Supreme established a relationship with Jiuyou Supreme, it would not matter if she did not get the Hongmeng Spirit Liquid this time.

Above Tianduan Mountain,

When Tianqing Supreme, Haiyu Supreme, and Tianzhu Supreme saw the two supremes coming, they all had different ideas in their hearts.

Taihao Supreme and Titan Supreme were both the ten supremes.

There might be some changes in the division of the Hongmeng Spirit Liquid.

The Supreme Lord of Heaven said with a gleam in his eyes, "Supreme Lord Taihao, Supreme Lord Titan, Supreme Lord Tianqing agreed to share the Hongmeng Spiritual Liquid with us, what do you think?"

"Hongmeng Spiritual Liquid? Share? Supreme Lord of Heaven, are you worthy?"

Supreme Lord Titan looked at Supreme Lord of Heaven with an arrogant look,

Supreme Lord of Heaven is a sinister person,

Among the Supreme Lord of Hongmeng,

No Supreme Lord is willing to be a Taoist friend with Supreme Lord of Heaven, and no Supreme Lord of Hongmeng has formed an alliance with Supreme Lord of Heaven.

If Supreme Lord of Heaven had not been sinister and cautious,

The Supreme Lord of Hongmeng around would have destroyed Supreme Lord of Heaven long ago.

Supreme Lord Taihao frowned and said coldly, "Supreme Lord of Heaven, leave wisely, this Supreme Lord wants to destroy you when he sees you."

Supreme Lord of Heaven had a gloomy face and clenched his hands tightly,

Leave?

How could he leave?

For countless years,

The Supreme Lord of Heaven has been searching for the Hongmeng Spiritual Liquid in the Hongmeng World. He is the fourth level of the Supreme Lord of Hongmeng.

It has been almost an era.

Without the Hongmeng Spiritual Liquid,

The Supreme Lord of Heaven has only advanced two small realms. With the appearance of the Hongmeng Spiritual Liquid, how could he give up the fight?

The Supreme Lord of the Sea rolled his eyes at the Supreme Lord of Heaven and said, ". Supreme Lord Taihao, Supreme Lord Titan, and Supreme Lord Tianqing agreed to give us half of the Hongmeng Spiritual Liquid. What do you think? "

Supreme Lord Taihao Stroking his beard, he said,

"Supreme Tianqing, we need to check Tianduan Mountain. As for the Hongmeng Spiritual Liquid, we can discuss it later."

Supreme Titan checked Tianduan Mountain and said, "Yes, I feel there is a secret in Tianduan Mountain. If there is only Hongmeng Spiritual Liquid in Tianduan Mountain, we can discuss it again."

Supreme Tianqing's eyes were cold and emotionless.

Check Tianduan Mountain?

Is it possible?

There are rare treasures Hongmeng Crystals in Tianduan Mountain. Supreme Tianqing will not let anyone know the existence of Hongmeng Crystals.

"You two (Ma De Zhao), there are two Hongmeng Supremes around who have not arrived yet. Let's wait for them to arrive."

Supreme Tianqing thought about it and decided to delay time. It would be best to let these Hongmeng Supremes fight among themselves.

Hongmeng crystals cannot be taken away,

Hongmeng Supremes around the Dark Domain should have arrived. If the Light Supreme does not come, Tianqing Supreme will kill these greedy Hongmeng Supremes.

"Yes!"

"This Supreme agrees."

Taihao Supreme and Titan Supreme agreed. They also discovered the existence of Charming Supreme and Luosha Supreme.

Charming Supreme is only the third level of Hongmeng Supreme. They can ignore Charming Supreme.

However,

The strength of Luosha Supreme cannot be underestimated. There is no need. They don't want to offend Luosha Supreme again when facing Tianqing Supreme.

The Great Snow Mountain in the Ice and Snow Domain,

Su Chen just appeared with the female zombie. Su Yan happily threw himself into Su Chen's arms and shouted,

"Dad, I finally see you."

Chapter 3120

Su Yan was very happy hugging Su Chen,

It had been more than a hundred years,

She missed Su Chen very much,

Since Su Yan became Su Chen's daughter, she had not been separated from Su Chen for such a long time.

"Little girl, you have grown up, don't be like a child."

Su Chen was very embarrassed hugging Su Yan,

Su Yan was already a big girl, and a beautiful and beautiful lady, with a tall and curvy figure and a delicate and beautiful face. Su Chen could not hug Su Yan like when she was a child.

Su Yan said with a pitiful expression, "Dad, don't you like me anymore?"

Su Chen touched Su Yan's hair and said helplessly, "Yan'er, you are more than a hundred years old. You have grown up. Your father can't hug you like when you were a child."

"Dad, even if I am a thousand years old or ten thousand years old, I am still your daughter."

"Forget it, Yan'er, you will enter my time and space barrier in a while, and your aunt misses you very much."

"Aunt? Dad, I met your aunt in Melo Heaven a month ago. Did your aunt also come to Hongmeng World?"

"No, I'm talking about your aunt's incarnation."

"Oh, I understand."

Su Yan smiled and nodded to Su Chen,

She knew the incarnation of the ruthless empress.

The incarnation of the Ruthless Empress is also her aunt, but the incarnation has been cultivating in the space inside her father's body.

Su Yan has only seen the incarnation a few times.

The Ruthless Empress and the incarnation look exactly the same, with the same body curves, the same face, and the same clothes. Su Yan and her three sisters can't tell the difference between the original body and the incarnation.

Su Chen looked at the kneeling female giant army, and he didn't say much to the female giants.

The Dark Domain Lord Isabella and the Fallen Angel Emilia next to him.

Su Chen didn't pay any attention to her either.

Raksha Supreme?

Su Chen looked at the Raksha Supreme and was very surprised.

Raksha Supreme was dressed in white palace clothes,

Looking noble and cold!

Looking noble!

Looking very attractive!

Looking charming and seductive!

The uneven body of the Supreme Rakshasa is extremely tempting, and the curvy figure makes people unable to look away, the slender waist, the tender red lips, and the exquisite and beautiful face.

Female immortal,

Female monster,

Female saint,

Female Supreme,

Su Chen found that the more terrifying the woman, the more beautiful she is,

Several female Hongmeng Supremes he has seen,

Murong Qingcheng, Jiuyou Supreme, Charm Supreme, Raksha Supreme, they are all the existence of the ceiling of the Hongmeng world.

Murong Qingcheng is a beautiful and beautiful woman with fairy spirit,

Jiuyou Supreme is a seductive and charming beauty,

Charm Supreme is like a vixen,

What about the Supreme Rakshasa?

Cold and beautiful,

Cold and elegant,

So cold that it is inoffensive,

It was so cold that people couldn't help wanting to have a kiss.

One look at her made people fall into amazement, and it made people shudder. People wanted to stay away from her, but they also wanted to get close to her.

Rakshasa Supreme's beautiful eyes showed a cold light and said in a cold voice, "Su Chen, your eyes disgust me. Do you want to be pinched to death by me?"

Su Chen looked at her figure openly, and his eyes showed a disgusting look.

The ignorant little scum,

If Su Chen dared to have any idea about her,

Rakshasa Supreme would cut Su Chen into pieces, and his soul would be tortured in the hell forever.

At this moment,

Su Yan nervously held Su Chen's hand,

She was very speechless about Su Chen,

Rakshasa Supreme was the ceiling of the Hongmeng World. Su Yan didn't expect Su Chen to have the idea of Rakshasa Supreme. She was worried that Rakshasa Supreme would pinch her father to death.

Emilia and Isabella glanced at Su Chen,

Who is Su Chen,

They all know,

A lecher,

A shameless pervert,

Now,

Su Chen dared to have improper thoughts about Luosha Supreme,

They guessed that even if Luosha Supreme did not kill Su Chen, he would teach Su Chen a lesson.

Su Chen curled his lips and ignored Luosha Supreme,

A proud woman,

Luosha Supreme was not as beautiful and attractive as Jiuyou Supreme, nor as powerful as Jiuyou Supreme. Su Chen even dared to threaten Jiuyou Supreme, and he did not care about Luosha Supreme's threats at all.

Su Chen stared at Emilia's proud face and said, "Emilia, you just betrayed me, guess how I will punish you."

"Shameless bastard, I am a subordinate of Jiuyou Supreme, do you think I will obey your orders?"

Emilia hurriedly crossed her arms,

Su Chen stared at her chest without hiding it, Emilia was so ashamed and angry that she wanted to strangle the shameless bastard to death.

·· ··Please give me flowers···· ····

"Emilia, you should understand that Jiuyou Supreme gave you to me, you can only obey my orders in the future, if you don't obey my orders, the agreement between me and Jiuyou Supreme will be invalid."

"You..."

"Will you obey my orders?"

"I...."

Emilia panicked,

Obey Su Chen's orders?

Does she dare?

Su Chen is a shameless pervert.

If Emilia obeys Su Chen's orders, her innocence may be harmed by Su Chen.

But,

The order of Jiuyou Supreme.

If Emilia dares to disobey the order of Jiuyou Supreme, she may be crushed to death by Jiuyou Supreme in an instant.

Su Chen said coldly, "Emilia, you only have a quarter of an hour to think about it."

"Su Chen, how dare you ignore me?"

Rakshasa Supreme glared at Su Chen and couldn't help wanting to attack. She had just threatened Su Chen, but Su Chen dared to ignore her threat. Did the little scum really want to be destroyed by her?

Su Chen curled his lips and said, "Rakshasa Supreme, are we related? Am I your subordinate? If you don't like me, you can talk to Jiuyou Supreme."

Swoosh!

Charming Supreme appeared in an instant and was surprised.

Did Su Chen offend Rakshasa Supreme?

Didn't Rakshasa Supreme protect Su Chen?

It seems that he didn't now.

What's the reason?

Rakshasa Supreme couldn't protect Su Chen for no reason.

Why would Su Chen disobey Rakshasa Supreme without any scruples? Charming Supreme decided to find out.

"Su Chen, aren't you worried that I will crush you to death?"

Rakshasa Supreme was so angry that his chest was about to explode.

For so many years,

Except for the hostile Hongmeng Supreme,

No creature dared to disobey her, no creature dared to speak to her like this,

A scumbag of the Domain Lord Realm.

Rakshasa Supreme had protected Su Chen before,

The little bastard not only didn't appreciate it, but also dared to disobey her. Rakshasa Supreme's anger towards Su Chen reached its peak.

[Little scumbag, don't try to use me. Since you dare to test Rakshasa Supreme, I won't care whether you live or die. ]

Su Chen's face turned black when he heard the voice transmission of Jiuyou Supreme,

"Ahem, Rakshasa Supreme, fighting and killing is not good, why don't we sit down and drink tea and chat." Chuan.
