Chapter 3121

Su Chen rubbed his forehead and was speechless.

He just wanted to test the Supreme Rakshasa. The Supreme Rakshasa had protected him before and cared about him very much, but there was no innocent love, and pie would not fall for no reason in the world.

Su Chen and the Supreme Rakshasa had never met, and he did not believe that the Supreme Rakshasa would protect him for no reason.

There was a conspiracy.

The Supreme Rakshasa might also have some intentions towards him.

Su Chen wanted to use the Supreme Nine Nether to test the Supreme Rakshasa.

But he did not expect that the Supreme Nine Nether would actually see through it and warned that he would not protect him. Su Chen did not dare to test the Supreme Rakshasa again.

Without the protection of the Supreme Nine Nether,

He was worried that he would be crushed to death if he angered the Supreme Rakshasa.

"Little bastard, are you teasing me?"

The delicate face of the Supreme Rakshasa was flushed with anger.

Isn't it better to fight and kill?

Sit down and have some tea and chat?

What does the little bastard want to do?

Su Chen was angry at her at first, but now he is submissive. The Supreme Rakshasa can't figure out what Su Chen's purpose is.

Su Yan pulled Su Chen and blinked her big eyes.

What's going on?

What does her father want to do?

Isn't the Supreme Rakshasa 22 close to Su Chen? Now it seems that her father is testing the Supreme Rakshasa.

Su Yan can't figure it out.

Emilia and Isabella are confused.

What's going on?

Su Chen just now was so arrogant and angry at the Supreme Rakshasa. They were all worried that Su Chen would be crushed to death by the Supreme Rakshasa.

However,

Su Chen quickly gave in to the Supreme Rakshasa. It was too fast. The speed of Su Chen's change of face made them unexpected.

Isabella sent a message to Emilia, [Emilia, what's wrong with Territory Master Su Chen? He just gave in to the Supreme Rakshasa and then quickly gave in. What is Territory Master Su Chen's purpose?]

Emilia stroked her hair and guessed,

[I don't know. I think Su Chen was testing the Supreme Rakshasa before, but Su Chen quickly gave in again. I can't figure out whether Su Chen was testing the Supreme Rakshasa.]

[Test? Emilia, why would Territory Master Su Chen test the Supreme Rakshasa?]

[Isabella, I'm just guessing.]

[Let's see what happens.]

[Good!]

The female giants all looked at Su Chen nervously, they were worried that the Supreme Rakshasa would kill Su Chen in anger.

Su Chen abandoned them,

But they were Su Chen's female slaves, and they would be Su Chen's female slaves for all their lives. If the Supreme Rakshasa attacked Su Chen, they would buy time for Su Chen to escape.

"Interesting."

The Supreme Charm crossed his arms and smiled,

Su Chen's rapid transformation,

She had some guesses,

The Supreme Rakshasa and Su Chen should not have much to do with each other, it is possible that the Supreme Rakshasa and Su Chen met for the first time.

In this case,

The Supreme Charm was going to beat Su Chen,

Kill SuChen,

Raksha Supreme should not protect Su Chen,

She only needs to convince Jiuyou Supreme to stop protecting Su Chen, and Charm Supreme can do whatever he wants with this damn little ant.

Su Chen glanced at Raksha Supreme and shook his head, "No, I'm not dead yet, I dare not tease you."

Damn it,

Miscalculated,

Damn Jiuyou Supreme,

Su Chen didn't have Jiuyou Supreme as a backer, he didn't dare to continue to test Raksha Supreme.

"Hmph!"

Raksha Supreme snorted coldly and was too lazy to pay attention to Su Chen,

Su Chen's change before and after,

She had some guesses,

Jiuyou Supreme?

Su Chen's attitude changed quickly, it should be Jiuyou Supreme who said something to Su Chen.

Rakshasa Supreme waved to Su Yan and said, "Su Yan, come to the master, don't stay with your shameless father."

"Master?"

Su Chen looked at Rakshasa Supreme doubtfully, and then looked at Su Yan beside him. Su Yan became Rakshasa Supreme's apprentice?

How is it possible?

Su Yan has not been in Hongmeng World for long, how could the little girl become Rakshasa Supreme's apprentice?

Su Yan hurriedly said to Su Chen, "Dad, Rakshasa Supreme wants to take me as a disciple, and I haven't agreed to become a disciple yet."

Su Chen frowned and said, "Rakshasa Supreme, my daughter will not become your apprentice. There are billions of creatures in the Rakshasa Realm. If you want to take a disciple, I think countless creatures will want to become your apprentice."

Rakshasa Supreme glared at Su Chen and said coldly, "Little bastard, you still dare to disobey me?"

"I'm not disobeying you. My daughter is practicing. She has poor talent and is a scumbag of the Saint Realm. My daughter is not worthy of being your disciple. "

"Stop talking nonsense. Your daughter must worship me as her master."

"I disagree... Damn, let me think about it. Let me think about it." Su Chen was about to say no to Luosha Supreme, when he saw Luosha Supreme slowly raise his white hand,

Threatening,

Naked threat,

Su Chen thought quickly with a dark face,

What to do?

Escape?

Can he escape from Hongmeng Supreme?

Damn it,

Jiuyou Supreme is too deceptive,

If Su Chen asks Jiuyou Supreme for help, Jiuyou Supreme will probably take the opportunity to blackmail him for Hongmeng Spiritual Liquid.

Su Yan said in a tangled voice, "Dad, I can..."

"Don't say it."

Su Chen hurriedly pulled Su Yan to interrupt the little girl's words. He knew what Su Yan wanted to say.

But,

What is the purpose of the Supreme Rakshasa?

Su Chen doesn't know yet.

He is worried that the Supreme Rakshasa has a conspiracy. If Su Yan becomes the apprentice of the Supreme Rakshasa, Su Chen will be very passive in the future.

The Supreme Charm suddenly said, "Supreme Rakshasa, the Supreme Sea just sent me a message that the Supreme Taihao and the Supreme Titan want to discuss with us. Shall we go over?"

"Go over. I am also interested in the treasures of Tianduan Mountain." The Supreme Rakshasa nodded in agreement.

TianSupreme Qing has been hiding in Tianduan Mountain for almost an epoch. The treasure in Tianduan Mountain cannot be the Hongmeng Spiritual Liquid.

If it is the Hongmeng Spiritual Liquid,

Supreme Qing would have left with 797 Hongmeng Spiritual Liquid long ago. He cannot have stayed in Tianduan Mountain without leaving.

"Okay, let's go."

Swoosh!

Supreme Charm glanced at Su Chen and disappeared instantly.

Hongmeng Spiritual Liquid is extremely important.

For Su Chen,

Supreme Charm will have plenty of time to settle accounts with the little ants in the future.

Supreme Luosha stared at Su Chen with a bad look and warned, "Su Chen, don't try to escape. If you dare to escape, I will let you taste the cruel punishment of Luosha Lieyu."

Su Chen curled his lips and said nothing.

Escape?

Will he escape?

The Great World of Hongmeng is boundless,

There are countless strong men,

Su Chen is just a small scum in the Domain Lord Realm. If he dares to leave the Luosha Realm, he may die without a burial place.

"Su Yan, the master will be back soon, you stay with your shameless father first."

The Luosha Supreme smiled and said to Su Yan and disappeared on the spot,

For Su Yan,

In just over ten days,

The Luosha Supreme likes the sweet and lively little girl very much. Su Yan must become her disciple. Even if the Jiuyou Supreme wants to compete with her for Su Yan, the Luosha Supreme will not give up Su Yan.

Su Yan showed a helpless expression and asked, "Dad, what should we do? Should we escape?"

"No need."

Su Chen touched Su Yan's hair and communicated with the system, "System, where is the Jiuyou Supreme?"

[Ding, host, do you want to die again? 】 .

Chapter 3122

Su Chen was even more speechless after hearing what the system said,

Seeking death?

He was seeing death just now,

It's just that,

Su Chen thought that he had the protection of the Supreme Nine Nether, and he wanted to test the purpose of the Supreme Rakshasa to protect him.

"System, I was wrong before, tell me the location of the Supreme Nine Nether."

[Ding, a hundred meters southeast of the Supreme Nine Nether, host, eight Supreme Hongmeng appeared one after another, you must not see death.]

"I understand!".

Su Chen looked to the southeast,

The Supreme Nine Nether was so close to him,

Su Chen couldn't even detect the breath of the Supreme Nine Nether,

What about the Supreme Rakshasa and the Supreme Charm?

They might not be able to find the Supreme Nine Nether, who is indeed one of the three most powerful Supremes in the Hongmeng world.

"Hmm?"

Su Chen suddenly sensed that Nannan was about to come out of the space-time barrier. Why did Nannan want to come out of the space-time barrier in his body?

Is it for Su Yan?

In Su Chen's space-time barrier,

He did not block Nannan and Nie Xiaoqian from looking outside. Nannan should have seen Su Yan coming out.

Swoosh!

"Yan'er!"

Nannan was released by Su Chen and hurriedly grabbed Su Yan. She liked Su Yan and his four sisters very much.

In the Chaos World,

Nannan was worried about the ruthless empress because of 080.

She rarely met Su Yan and his four sisters.

The ruthless empress was not in the Hongmeng World. Nannan could meet Su Yan without any scruples.

"Aunt!"

Su Yan was very happy to see Nannan.

Although Nannan and the ruthless empress are two different people,

they look exactly the same, and they are also one body. Su Yan also misses Nannan very much.

Su Chen ignored Su Yan and Nannan's conversation. He sat on the shoulder of the female zombie and checked the position of Jiuyou Supreme.

Jiuyou Supreme should have guessed that he had discovered her existence.

Su Chen had to wait for Jiuyou Supreme to come out automatically.

The female zombie asked in confusion, "Master, Luosha Supreme went to the Dark Domain. Aren't we leaving the Ice and Snow Domain?"

"Wait a minute."

Su Chen touched the smooth face of the female zombie and shook his head.

Leave?

Where else can he go after leaving the Ice and Snow Domain?

The Far North Domain?

The Far North is also under the jurisdiction of the Supreme Rakshasa. Even if Su Chen goes to the Far North, he cannot escape the control of the Supreme Rakshasa.

He wants to wait for the Supreme Nine Nether to come out.

He wants to negotiate with the Supreme Nine Nether.

Isabella walked to Su Chen and reminded him, "Domain Master Su Chen, you must not offend the Supreme Rakshasa in the future, otherwise you will be crushed to death by the Supreme Rakshasa."

Su Chen glanced at Isabella and said, "Isabella, you don't have to worry about my affairs. The Dark Domain is going to be destroyed. You should leave the Ice and Snow Domain as soon as possible and find a place to stay."

"The Supreme Rakshasa agreed to let me join the Raksha Realm. I will be a Rakshasa in the future. The Supreme's subordinate. "

"Hmm? Not bad, it's great that you are the subordinate of the Supreme Rakshasa, at least you will have the protection of the Supreme Rakshasa in the future."

Isabella smiled and said, "Lord Su Chen, I have to thank you again. The Supreme Rakshasa accepted me as a subordinate because of you. You must not disobey the Supreme Rakshasa again."

Su Chen touched his chin and felt strange.

The Supreme Rakshasa did it for his face?

Does he have such a big face?

What is the purpose of the Supreme Rakshasa doing this?

The Supreme Rakshasa protected him before? Now he wants to accept Su Yan as his disciple? And accept Isabella as a subordinate for his face? Su Chen couldn't guess the strange behavior of the Supreme Rakshasa.

Next to him,

After talking with Su Yan, Nannan asked in confusion, "Yan'er, are you going to accept the female giant army? "

Su Yan pulled Nannan and smiled, "Aunt, the female giants are very powerful, they are loyal to my father, it may be a misunderstanding before, I want to give the female giants a chance."

Nannan looked at the female giants and nodded. She understood that the female giants were loyal to Su Chen.

A female giant made a mistake.

It was wrong for Su Chen to abandon all the female giants.

It's just that

Su Chen can't make any mistakes for the sake of his relatives, subordinates, and billions of lives in the Chaos World. Nannan also understands why Su Chen has to abandon all the female giants.

"Aunt, please help me. "

Su Yan shook Nannan's arm and acted coquettishly,

The female giants were stubborn,

She wanted to recruit the female giants before, but the female giants wanted Su Chen's consent before they would be her subordinates. Su Yan, as Su Chen's daughter, could not convince the female giants.

Su Yan was very helpless,

The female giants obeyed her orders,

But obeying orders is orders,

The female giants would not obey her.

"Okay, auntie will help you once."

Nannan thought about it and decided to give the female giants a chance,

She could not refuse Su Yan's request either. Su Yan was her junior and a little girl she liked very much.

Nannan ordered Qiao Silin next to her, "Qiao Silin, the female giants will be under Su Yan's command in the future."

"Yes, Miss. "

Jocelyn hurriedly saluted Nannan,

For more than a hundred years,

Jocelyn knew Nannan's position in Su Chen. All the other legions in the space-time barrier in Su Chen's body had to obey Nannan's orders, and the female giant legion was no exception.

Jocelyn saluted Su Yan and said, "Female giant legion, deputy legion leader Jocelyn pays respects to Her Royal Highness the Princess."

"Female giant legion pays respects to Her Royal Highness the Princess." More than 3,000 female giants also saluted Su Yan.

The female giants all smiled,

Turning around the corner,

Nannan asked the female giant legion to submit to Su Yan, and they would have a chance to be accepted by Su Chen again in the future.

"No need to salute."

"Thank you, Your Royal Highness."

Su Yan also smiled,

There are more than 3,000 female giants in the Emperor Realm,

There are also hundreds of female giants in the Dao Realm,

All the armies of the Melo Heavenly Court added together, no, all the strong men in the Chaos World added together, are no match for the female giants army, the female giants army can sweep the entire Chaos World.

Jie Xiya lowered her head with a dead look on her face,

She is the leader of the female giants army,

What about now?

Nan Nan did not mention her,

She was also abandoned by Nan Nan,

Jie Xiya wanted to commit suicide,

The female giants army was accepted by Su Yan, and there will be a chance that Su Chen will accept them again in the future. Jie Xiya does not have to worry about the female giants anymore. She has no face to face Su Chen again,

Suicide,

This is her best result,

She can also be regarded as atonement for the mistakes she made.

"Jessica, don't do stupid things."

Isabella quickly sealed Jessica's cultivation. She didn't expect Jessica to self-destruct her soul.

Too stupid.

The female giants were accepted by Su Chen's daughter. Although Jessica was not accepted,

What about the future?

The female giants will not ignore Jessica.

Isabella guessed that Qiao Silin would help Jessica, and Jessica would have a chance to be forgiven by Su Chen in the future.

Jessia said with a pale face, "Lord Isabella, I have no face to live. Death is my atonement."

Nannan frowned and said, "Jessica, I will let my brother imprison you in the space-time barrier. Without my brother's permission, you will never be able to come out for the rest of your life. Do you agree?".

Chapter 3123

Nannan didn't want to care about Jieshiya's life or death.

But,

She thought that Jieshiya was Su Chen's woman.

If Jieshiya was captured and humiliated by other strong men, Jieshiya would cuckold her brother.

Nannan decided to imprison Jieshiya for life.

This can prevent Jieshiya from being captured and humiliated by other strong men, and also prevent Isabella from using Jieshiya.

Jessia nodded in agreement and said, "I agree, Miss, I agree to be imprisoned in the master's space-time barrier."

The space-time barrier in Su Chen's body,

Jessia is very familiar with it,

After all, she has lived in the space-time barrier for hundreds of years,

In the space-time barrier,

Hongmeng spiritual energy is very rich,

There is also Hongmeng spiritual rain constantly gushing out of the Hongmeng spiritual spring,

There are several beautiful women in the space-time barrier, and there are millions of beautiful creatures of various races.

Even if Jieshiya is imprisoned by Su Chen for a lifetime, she will not have any complaints. If one day Su Chen can forgive her mistakes, Jieshiya will have a chance to serve Su Chen.

"Okay, I hope you reflect on your mistakes in the space-time barrier."

Nannan waved and sent Jeshia into Su Chen's space-time barrier. She had the right to send living beings into the space-time barrier in Su Chen's body, just like she could control all of Su Chen's spiritual treasures.

Qiuslin and the other female giants looked at each other,

22

They all smiled,

Although Jeshia was imprisoned in the space-time barrier, this result was the best result. The female giants envied Jeshia for being able to stay in Su Chen's body.

Isabella shook her head speechlessly,

She thought she could take Jeshia to the area of the Supreme Rakshasa, but now it seems that there is no hope. The female giants have made arrangements, and Isabella has no ability to take any female giant away.

At this moment,

Su Chen didn't care about Nannan and Su Yan's arrangement for the giantess, nor did he care about Nannan sending Jieshia into the space-time barrier.

Now,

Su Chen's forehead was sweating with nervousness,

Although he couldn't find the trace of Jiuyou Supreme, he felt that Jiuyou Supreme was staring at him.

[What the hell, what does Jiuyou Supreme mean? Why is he staring at me all the time?]

Su Chen kept thinking about what Jiuyou Supreme wanted to do,

Threat?

Or did he want to blackmail him?

If it was a threat,

Why didn't Jiuyou Supreme burst out with pressure?

If it was to blackmail him?

Why didn't Jiuyou Supreme talk to him?

Above the Great Snow Mountain,

Jiuyou Supreme stared at Su Chen with interest. She didn't expect that the little scumbag would find her location.

How could a scumbag Domain Lord find her?

The Supreme Nine Netherworld hid,

Neither the Supreme Rakshasa nor the Supreme Charm could find her, she couldn't figure out how Su Chen could find her.

The Supreme Nine Netherworld touched his smooth white chin and thought Asking, [Little scum is getting more and more interesting. How should I teach him a lesson for using me? How many more pots of Hongmeng Spiritual Liquid should I extort?]

Boom boom boom~

Suddenly,

The Dark Domain erupted with a terrifying aura,

The pressure from the seven Hongmeng Supremes,

The Dark Domain seemed to be the end of the world, with mountains collapsing, mountains shattered, rivers flowing backwards, trees in the forest uprooted, and countless creatures instantly annihilated.

"Dad!"

"Brother!"

"Master!"

Su Yan and Nannan, the female giant army quickly came to Su Chen's side, and the terrifying pressure from the Dark Domain was very terrifying.

In a few breaths,

The pressure from the Hongmeng Supremes might overwhelm them.

"Don't worry!"

Su Chen glanced at the direction of Jiuyou Supreme,

If Jiuyou Supreme did not stop the pressure of the seven Hongmeng Supremes, he could only take Su Yan and Nannan away quickly.

The female zombie protected Su Chen and asked, "Master, are we leaving the Ice and Snow Region?"

"No!"

Su Chen waved his hand to put the female giant army into the space-time barrier. He held Su Yan and Nannan ready to escape at any time.

Emilia shouted hurriedly,

"Su Chen, why don't you leave? The terrifying pressure of the seven Hongmeng Supremes will soon affect here."

Su Chen curled his lips and asked back, "Emilia, why don't you leave?"

"I...I..."

Emilia stared at Su Chen and couldn't speak,

Leave?

Can she leave?

Jiuyou Supreme ordered her to protect Su Chen,

Su Chen did not leave. If she left, Jiuyou Supreme would kill her without hesitation.

Damn bastard,

Emilia hated Su Chen more and more. If it were not for Su Chen, she would live freely in Jiuyou Dark Domain.

Su Chen asked again expressionlessly, "Emilia, I asked you to consider it before. Have you considered it?"

"I... I will obey your orders in the future." Emilia bowed her head helplessly to Su Chen,

She did not know the agreement between Su Chen and Jiuyou Supreme, and she did not dare to disobey Jiuyou Supreme's orders.

Jiuyou Supreme was either beside,

or in Youji Dark Domain,

Emilia could only obey the orders of the shameless pervert before Su Chen and Jiuyou Supreme turned against each other.

"You're smart."

Su Chen no longer paid attention to Emilia.

He only believed half of what the fallen angel said.

Su Chen didn't believe Emilia would obey him like the archangels.

As for Isabella next to him,

Su Chen ignored her.

He didn't know why Isabella didn't leave.

Rakshasa Supreme took Isabella in.

Why didn't stupid Isabella go to the Rakshasa Realm? Would she, a Domain Lord, stay here and wait to die?

Su Yan hugged Su Chen tightly and said "Dad, why don't we leave? I'm scared."

Nannan blushed as Su Chen hugged her waist and said, "Brother, the pressure from the Supreme Lord of Hongmeng is coming. Let's leave first to avoid the terrifying pressure from the Supreme Lord of Hongmeng."

Su Chen frowned and shook his head.

He had to wait for the Supreme Lord of Jiuyou to dispel the pressure from the Supreme Lord of Hongmeng. This was an opportunity to test the Supreme Lord of Jiuyou.

If the Supreme Lord of Jiuyou took action,

Su Chen's defense against the Supreme Lord of Jiuyou would be reduced by half.

If the Supreme Lord of Jiuyou did not dispel the pressure from the Supreme Lord of Hongmeng, Su Chen would double his defense against the Supreme Lord of Jiuyou in the future.

"Disperse!"

"Disperse!"

Suddenly,

Rakshasa Supreme and Charming Supreme took action at the same time, and the terrifying pressure was dispelled before it arrived in the Ice and Snow Region.

Su Chen rubbed his forehead and was speechless.

I thought so much in vain.

What a test.

But,

It is reasonable for the Supreme Luosha to dispel the pressure of the Supreme Hongmeng. After all, the Ice and Snow Region is the area under the jurisdiction of the Supreme Luosha. How can the Supreme Charm dispel the pressure of the Supreme Hongmeng?

Damn it,

Would the Supreme Charm have taken a fancy to me?

[Little scum, you think too much! Did you want to test me just now to see if I can dispel the pressure of the seven Supreme Hongmeng?]

Su Chen curled his lips when he heard the voice transmission of the Supreme Jiuyou.

His test ended in vain!

What does the voice transmission of the Supreme Jiuyou mean?

Let him admit that he tested the Supreme Jiuyou? Or let him use the Hongmeng Spirit Liquid to apologize?

The crazy Jiuyou Supreme,

Su Chen was too lazy to pay attention to Jiuyou Supreme.

Suddenly,

The voice of the Charming Supreme came over, "Little ant, I saved you this time, you have to repay me with treasures."

"Dream on!".

Chapter 3124

Su Chen rejected the Supreme Charm without hesitation.

Repay the Supreme Charm with treasures? .

Is the Supreme Charm also a psychopath?

Will he use the Supreme Charm to save him?

Although Su Chen could not resist the terrifying pressure from the Supreme Hongmeng, would he not run away?

Also,

The Supreme Rakshasa also dispelled the pressure from the Supreme Hongmeng. Why should the Supreme Charm ask him to repay with treasures?

Boom!

The Great Snow Mountain was instantly enveloped by the pressure from the Supreme Charm.

Although the pressure was not strong and terrifying, Su Chen and Emilia were all bent over by it.

"Little ant, do you want to die?"

Su Chen resisted the pressure for Su Yan and Nannan and said, "Supreme Charm, I advise you to be kind. You should know who is here. Do you dare to attack me?"

"Little ant, you pissed me off."

"What does it matter if I piss you off?"

Su Chen glanced at the direction of Supreme Nine Nether and felt a little uneasy.

He used Supreme Nine Nether to threaten Supreme Charm again this time.

Will Supreme Nine Nether be angry? Will he blackmail his Hongmeng Spiritual Liquid again?

Nannan hurriedly said to Su Chen, "Brother, don't do it, you will completely offend the Supreme Charm."

Su Yan wiped the cold sweat from his forehead and said, "Dad, we are probably finished, Hongmeng Supreme, you dare to threaten and scold the Supreme Charm, we will definitely be finished."

Su Yan had nothing to say about Su Chen's suicidal behavior,

Although her father had always been suicidal,

But this time he was facing the Supreme Hongmeng. Is the Supreme Hongmeng someone Su Chen can offend now?

Su Yan thought that Su Chen had offended the Supreme Rakshasa before,

and now he has offended the Supreme Charm.

These are two terrifying Supreme Hongmeng,

Su Yan thought that even if Murong Qingcheng came, she guessed that Murong Qingcheng would not be able to protect her father.

Su Chen patted Su Yan's head and said, "Don't worry, the Supreme Charm can't do anything to us, Dad will deal with the Supreme Charm."

"Really?"

"Really!"

"Dad, why don't I trust you."

Su Chen knocked on Su Yan's head and said, "Oh my god, Yan'er, when has Dad ever let you down? You don't trust Dad anymore after you grow up. Dad still likes you when you were naughty when you were a child~"

"

Su Yan leaned on Su Chen's arms and said coquettishly, "Dad, I was just talking just now. I always believe in Dad."

"Dad will trust you once again. If you don't trust Dad again next time, Dad will lock you up in the time and space small black room."

"Dad, you have become bad."

Su Yan speechlessly rolled her eyes at Su Chen,

Locked in the time and space small black room?

Is she still a child?

Su Yan is over a hundred years old.

Since she succeeded to the throne of the Emperor of Xuantian Realm, her mother and aunt have never locked her up in the time and space black room again.

Emilia and Isabella felt that SuChen is courting death.

Can Su Chen offend the Supreme Charm?

Su Chen has completely angered the Supreme Charm this time. As long as the Supreme Charm has a free hand after fighting for the treasure, Su Chen will probably be torn into pieces and killed by the Supreme Charm.

Nannan grabbed Su Chen's moving hands and blushed, "Brother, do we still have to stay here?"

Nannan is very helpless with Su Chen.

As long as Su Chen hugs her,

Su Chen will touch her waist.

Not once or twice.

At the beginning,

Nannan thought Su Chen treated her as one of those women of the Archangels.

But after many times,

Nannan found that Su Chen really liked to touch her small waist. How could a small waist that could be held in one hand attract Su Chen to touch it?

Su Chen replied with an embarrassed look, "Let's see the situation later. If the battle of Hongmeng Supreme continues to affect here, we will leave."

"Okay, brother."

"Damn little ant, I will not let you go."

Dark Domain,

Charming Supreme was going crazy with Su Chen. Her beautiful face was flushed with anger. She couldn't help but want to pinch the damn little ant to death.

Su Chen became more and more rampant.

A little scum in the domain master realm,

actually disobeyed her again and again,

and now dared to speak rudely and mock her.

Charming Supreme would not be in a good mood for a million years unless she killed the shameless and rampant little ant.

But,

Su Chen was protected by Jiuyou Supreme,

Charming Supreme had no way to deal with Su Chen.

Wait,

Charming Supreme wants to wait,

Just like Rakshasa Supreme,

Su Chen had offended Rakshasa Supreme before, Rakshasa Supreme will not protect Su Chen anymore,

If Su Chen offends Jiuyou Supreme again,

Charming Supreme can take Su Chen at will.

At this time,

Above Tianduan Mountain,

The six supremes threatened Tianqing Supreme,

The six supremes wanted to check Tianduan Mountain,

Tianqing Supreme disagreed,

Taihao Supreme and Titan Supreme first burst out with pressure and were ready to attack, Tianzhu Supreme, Haiyu Supreme, Charming Supreme, Rakshasa Supreme also burst out with pressure and were ready to attack.

All the Supremes understood,

There are treasures in Tianduan Mountain,

It may be a treasure more precious than the Hongmeng Spiritual Liquid,

Although Tianqing Supreme is powerful and terrifying,

but Taihao Supreme, Titan Supreme, and Luosha Supreme among the six supremes are all ranked in the top ten supremes.

The three supremes plus the Sea Supreme, the Lord Supreme, and the Charming Supreme, the six supremes attacked Tianqing Supreme together, they did not believe that they could not kill Tianqing Supreme.

Titan Supreme shouted arrogantly, "Tianqing Supreme, I persuade you again, let us check Tianduan Mountain, otherwise, we six supremes will kill you."

"If you want to die, this supreme can fulfill your wish."

Tianqing Supreme could not help but explode,

The Hongmeng crystals in Tianduan Mountain must not be exposed.

There is no Supreme Supreme among the six supremes, and he doesn't care about the threat of the six supremes.

Besides,

He is the Hongmeng Supreme of the last era,

He is also the top ten Hongmeng Supremes of the last era,

What about now?

Tianqing Supreme is almost approaching the Strongest Supreme with the Hongmeng crystals,

Six ordinary Hongmeng Supremes,

It is not difficult for Tianqing Supreme to kill them.

"Take action, let's work together to kill Tianqing Supreme." Taihao Supreme waved to the other Hongmeng Supremes, and he took the lead in attacking Tianqing Supreme with the Hongmeng Lingbao.

"Attack together."

"Kill!"

"Attack! If we don't kill Supreme Tianqing, we can't get the treasure in Tianduan Mountain."

"Kill! For the treasure in Tianduan Mountain, Supreme Tianqing must die."

Titan Supreme and Tianzhu Supreme quickly attacked Supreme Tianqing. Supreme Haiyu, Charm Supreme, and Luosha Supreme did not hesitate. They also attacked after other Hongmeng Supremes attacked.

Boom boom boom~

The dark domain began to break apart.

Pieces of continents broke apart and disappeared. The sky of the dark domain darkened, and the terrifying aura and pressure continued to spread outward.

The Great Snow Mountain in the Ice and Snow Region,

Su Chen and Emilia looked at the Dark Region one after another,

The battle of the seven great Hongmeng Supremes,

The Dark Region instantly shattered and began to die, and the terrifying battle aura would soon spread to the surrounding areas.

Su Chen looked at the Dark Region and shook his head, "Damn it, the strong fight and the weak suffer. The millions of lives in the Dark Region are considered sacrifices. We are ready to leave the Ice and Snow Region."

Chapter 3125

The battle in the Dark Realm,

Su Chen understood the horror of the Hongmeng Supreme. The Dark Realm was half the size of the Honghuang Immortal Realm.

That's it.

The fight between the seven Hongmeng Supremes,

The entire Dark Realm was broken into pieces.

It might affect the surrounding realms in a while.

Su Chen didn't dare to stay in the Ice and Snow Realm. He was worried that the battle would escalate and affect the Ice and Snow Realm.

Su Yan heard Su Chen's words and asked, "Dad, are we leaving the Ice and Snow Realm?"

"Leave, otherwise, we will be affected by the battle in a while."

"Dad, what about the creatures in the Ice and Snow Realm? Are we going to ignore them?" Su Yan looked around and frowned.

When she first arrived in the Hongmeng World,

The powerful creatures in the Ice and Snow Realm saluted her and called her princess. She didn't want the creatures in the Ice and Snow Realm to be affected by the battle and die.

"Ice and Snow Realm creatures?"

Su Chen was stunned for a moment.

Ice and Snow Realm is Emilia's domain.

Emilia is his woman.

If Su Chen ignores the creatures in the Ice and Snow Realm, Emilia will probably be very angry when she finds out. She may cut off all ties with him and no longer have any relationship with him.

What to do?

Leave?

Or not leave?

As for saving the creatures in the Ice and Snow Realm,

Su Chen has no ability.

He is just a scumbag domain master. He is not the Supreme of Hongmeng. He cannot save billions of ice elves.

Nannan saw Su Chen in a daze and said, "Yan'er, your father is only at the Domain Lord level and cannot save billions of lives. Don't make things difficult for your father."

Su Yan smiled sweetly and said, "Aunt, I think Dad can save the lives of the Ice and Snow Region."

"You, you are making things difficult for your father."

Nannan's cold face showed a helpless look.

Su Yan's words,

She actually believed that Su Chen could save the lives of the Ice and Snow Region.

Su Chen has always created miracles.

Her brother has never let her down. Nothing can stump Su Chen.

Emilia and Isabella were very surprised. Su Chen could save the lives of the Ice and Snow Region?

Is it possible?

The battle between the seven Hongmeng Supremes in the Dark Region will affect the Ice and Snow Region in less than a quarter of an hour.

Su Chen is only the domain master,

How can he resist the aftermath of the battle between the seven Hongmeng Supremes?

Emilia and Isabella looked at Su Chen,

They wanted to know whether Su Chen would leave? Or help the creatures in the Ice and Snow Domain to resist the aftermath of the battle between the Hongmeng Supremes?

Jiuyou Supreme touched his fair chin and thought, [Interesting, Xiao Zha Zha has the ability to resist the aftermath of the battle between the seven Hongmeng Supremes? What will Xiao Zha Zha choose? Help? Or leave?]

Jiuyou Supreme was going to help Su Chen once, she would not let the aftermath of the battle between the seven Hongmeng Supremes reach here,

But Su Yan's words,

Nannan's confidence in Su Chen,

Jiuyou Supreme decided to see what Su Chen would choose. She also wanted to know whether Su Chen could withstand the aftermath of the battle between the seven Hongmeng Supremes.

The female zombie asked with bright eyes, "Master, are you going to help the Ice and Snow Region?"

Su Chen rolled his eyes at the plump and attractive female zombie,

Help?

Can he help?

He is just a scumbag,

If Su Chen has the ability to help the creatures in the Ice and Snow Region, he might as well kill the seven Hongmeng Supremes.

What the hell,

What to do?

Su Chen didn't want to make Su Yan sad, nor did he want to disappoint Nannan. He couldn't let Emilia hate him even more.

Su Chen rubbed his forehead and communicated with the system, "System, help me once, I want to withstand the aftermath of the battle between the seven Hongmeng Supremes."

[Ding, it's not dark yet, host, don't daydream.]

"System, just this once, I just need to prevent the aftermath of the battle of the Hongmeng Supreme from affecting the Ice and Snow Domain."

[Ding, host, you are just a scumbag Domain Lord. The Domain Lord can't even withstand the pressure of a Hongmeng Supreme. You still dream of resisting the aftermath of the battle of the seven Hongmeng Supremes. Do you want to go to heaven?]

I?

Go to heaven?

He is much more awesome than heaven in the Hongmeng World.

The system girl is really not cute.

Su Chen touched his chin and thought about how to let the system girl help him.

The system girl will help him within the rules.

But the system girl is getting more and more cunning.

It's not good to see the rabbit, and the eagle will not be released.

There is no benefit.

The system girl will not take the initiative to help him unless he encounters a crisis. The system girl will help him.

Su Chen thought for a moment and said, "System, you also saw Yan'er wanted to save the creatures in the Ice and Snow Region, and my sister also thinks I can save the creatures in the Ice and Snow Region. You won't let Yan'er and Nannan down, right?"

[Ding, it's none of my business.]

"I'm fine, little girl, how can it not be your business? You will be my woman in the future, Yan'er will be your daughter, Nannan will be your sister-in-law, and we will be a family in the future. How can it have nothing to do with you?"

[Ding, host, you are too shameless, too bastard, too shameless...]

Su Chen's face turned black and he didn't refute.

If the system helps him,

he would be willing to be scolded a few more times by the system girl.

"Brother, what's wrong with you?"

Nannan was very confused when she found Su Chen's face turned black.

She didn't understand what was wrong with Su Chen.

Why would he show an ugly expression when he was fine.

Su Yan showed a strange expression and said, "Aunt, Dad has epilepsy again. I have seen it many times. Don't worry, aunt."

Nannan reminded with a smile,

"Epilepsy? Yan'er, you say this about your father. Do you want to be locked up in a small dark room in time and space by your father?"

"Aunt, I'm telling the truth. Dad gets angry, smiles, trembles, has a dark face, and laughs wildly. Dad is not like this. Did you have epilepsy?"

Su Yan said as she glanced at Su Chen secretly. She was worried that her father would be angry and lock her up in the small dark room of time and space.

However,

Su Chen's dark face now,

She had seen it many times,

She had also seen Su Chen laughing foolishly, getting angry, shouting excitedly, shaking his body, etc.,

Su Chen would always have these behaviors,

She knew that Su Chen was not having epilepsy,

It's just that,

Su Yan couldn't find other words to describe Su Chen, she could only Said Su Chen had epilepsy.

1.8

At this moment,

Su Chen was too lazy to care about Su Yan,

The little girl was used to cheating her father,

He couldn't hit or scold Su Yan, saying that he was a daughter slave.

Besides,

Su Yan was already a big girl, and a beautiful woman, Su Chen couldn't treat the little girl like a child.

"System, for Yan'er and Nannan, you have to help me once, after all, you are Yan'er's aunt and Nannan's sister-in-law. "

[Ding, shameless bastard, you are too shameless, your shamelessness makes the system speechless, just this once, the system will not help you, a shameless bastard, again.]

Just this once?

He doesn't believe it,

The system has said it many times, just this once,

But won't it help him in the future?

Arrogant system!

Su Chen curled his lips and smiled and asked, "System, how are you going to help me?".

Chapter 3126

"Aunt, look, my dad is smiling again. Isn't he having epilepsy?"

Su Yan was speechless when she saw Su Chen smiling again.

She was speechless to Su Chen.

How come,

Su Chen's face was dark and ugly for a while, and then he smiled again. She didn't know what to say to Su Chen.

Nannan looked at Su Chen very puzzled.

She didn't understand what was wrong with Su Chen either.

Epilepsy?

Would a domain master have epilepsy?

It's just that,

Why did her brother have a dark face and an ugly expression for a while, and then he smiled foolishly.

Isabella whispered, "Emilia, what's wrong with Territory Lord Su Chen? Why is he so dark and smiling?"

"Didn't Su Yan say that? Su Chen is having epilepsy." Emilia rolled her eyes at Isabella,

What's wrong with Su Chen?

How could she know,

The shameless bastard is too weird,

Too bastard,

Emilia guessed that Su Chen might have a conspiracy, and she now had to guard against Su Chen's 23 ill intentions.

Isabella shook her head speechlessly, "Epilepsy? Do you think I will believe it?"

"Isabella, you can think that Su Chen is having epilepsy."

"Isabella! Su Chen's weird behavior, he really seems to have epilepsy."

Isabella smiled and looked at Su Chen,

Epilepsy?

Don't talk about the Domain Master,

Even ordinary cultivators can't have epilepsy, Su Chen can't have epilepsy.

However,

Su Yan and Emilia said that Su Chen had epilepsy, which was not bad. Su Chen was too bastard, too shameless, too shameless, and didn't know what was good for him. Isabella could also use this to mock Su Chen.

The female zombie stared at Su Chen carefully,

She was worried that Su Chen would get into trouble,

She was also worried that Su Chen would be invaded by the strong.

At this time,

Su Chen clenched his hands tightly and couldn't help but want to teach Su Yan a lesson. Emilia and Isabella said that he had epilepsy. Would he, a Domain Master, have epilepsy?

Three little scumbags,

Su Chen doesn't want to pay attention to them now,

When there is time,

Su Chen will lock Su Yan in the small black room of time and space,

He will lock Emilia back in the Desire Tower. Su Chen is very covetous of the seductive figure of the fallen angel. He can continue to admire Emilia's seductive body in the future.

As for Isabella, the Lord of the Dark Domain?

Su Chen had no interest in her before,

It's different now,

If Isabella dares to mock him for having epilepsy, he will let Isabella know the consequences of offending her.

The Desire Tower Millennium Package,

Su Chen has already prepared it for Isabella.

[Ding, shameless bastard, the system will temporarily increase the power of the Chaos Bell. As long as you activate the Chaos Bell, it will cover the Ice and Snow Region. Within an hour, the seven Hongmeng Supremes will join forces to attack the Chaos Bell., the defense of the Chaos Bell will not be broken. 】

Oh my god,

The system is awesome,

Su Chen just needs to resist the aftermath of the battle between the seven Hongmeng Supremes,

Now,

After the system improves the power of the Chaos Bell, the seven Hongmeng Supremes cannot break the defense of the Chaos Bell even if they join forces.

The system girl is too awesome.

But,

One hour?

Isn't the time too short?

It may take several months for the battle between saints to decide the winner,

What about the Hongmeng Supreme?

Su Chen guessed that the battle between the seven Hongmeng Supremes would not be decided in a few years or even hundreds of years.

"System, is one hour too short? The battle between the Hongmeng Supremes cannot be decided in a few years at the shortest."

[Ding, stupid bastard.]

"Damn, how am I stupid?"

[Ding, stupid host, have you forgotten Jiuyou Supreme? If Jiuyou Supreme takes action, will other Hongmeng Supremes dare to resist?]

Su Chen was confused,

Jiuyou Supreme?

What the hell,

Jiuyou Supreme has been hiding nearby, not showing up or talking, Su Chen forgot about the old woman for a while.

But,

Jiuyou Supreme has been hiding and not showing up,

Will she go to the Dark Domain to check the treasures in Tianduan Mountain?

Also,

Su Chen used the Chaos Bell to block the aftermath of the battle between the seven Hongmeng Supremes. Will Jiuyou Supreme be interested in his Chaos Bell? Will the old woman snatch his Chaos Bell?

The more Su Chen thought about it, the more confused he became.

If Jiuyou Supreme took action now,

He would not have to hesitate.

"System, improve the power of the Chaos Bell." Su Chen patted his forehead and decided to use the Chaos Bell.

The more he thought about it, the more confused he became.

He could not hesitate.

Since he had decided to save the creatures in the Ice and Snow Region,

He could not think so much.

As for what would happen in the future, Su Chen could only act according to circumstances and find a way to solve it.

[Ding, the power of the Chaos Bell is improved. The defense of the Chaos Bell is impeccable within an hour. Stupid host, the system takes ten pots of the Hongmeng Spiritual Liquid in the system space.]

Su Chen shouted with a dark face, "What? Ten pots of Hongmeng Spiritual Liquid? Girl, you are robbing!"

[Ding, the system is robbing, do you have any objection?]

"I...I...I have no objection."

Can Su Chen have any objection?

Even if he has an objection,

Will the system return the collected Hongmeng Spiritual Liquid to him?

Besides,

The system girl has raised the defense of the Chaos Bell to an impeccable level. He guessed that the system girl would also pay a huge price.

The system and he are one,

Prosperity is common,

Su Chen will not be fussy with the system girl.

Su Yan pointed at Su Chen and said, "Aunt, look, Dad is slapping his forehead and looking black. Dad is not really having epilepsy, is he? I Do you want to check it out?"

Nannan frowned and looked at 910 Su Chen,

It was too weird,

Why did her brother look like a fool now?

Su Chen's face turned black, then he smiled, then he patted his forehead, then his face turned black again,

Nannan didn't know what happened to Su Chen, she was worried that a strong man would invade Su Chen's soul.

"Chaos Bell, go! "

Su Chen took out the Chaos Bell and activated it with his magic power. The Chaos Bell burst out with light and disappeared instantly.

In an instant,

The Chaos Bell appeared in the starry sky of the Ice and Snow Region.

Boom!

A golden light burst out from the Chaos Bell. In three breaths, the entire Ice and Snow Region was covered by a golden protective shield.

For a moment,

The shaking Ice and Snow Region stopped shaking.

The terrifying aura of the seven Hongmeng Supremes was blocked by the protective shield, and the aftermath of the battle of the seven Hongmeng Supremes was also blocked by the protective shield.

Su Yan saw the golden protective shield and exclaimed, "Wow, Dad, you actually protected the entire Ice and Snow Region, and the golden protective shield also blocked the aftermath of the battle of the seven Hongmeng Supremes. "

Nannan smiled on her beautiful face,

Her brother really did it,

It's just strange,

The Chaos Bell is just a low-grade Hongmeng spiritual treasure, how can it block the aftermath of the battle between the seven Hongmeng Supremes?

Nannan looked at Su Chen with her beautiful eyes,

Brother has a secret,

Nannan sent a message to Su Chen, [Brother, how did you do it? The Chaos Bell is a low-grade Hongmeng spiritual treasure, how can it block the aftermath of the battle between the seven Hongmeng Supremes?] .

Chapter 3127

Su Chen smiled and touched Nannan's hair.

How did he do it?

Can he tell Nannan?

Can he expose the system?

Su Chen will not explain this to anyone, and will not tell anyone how to protect the Ice and Snow Region.

[Nannan, don't ask about this. Brother doesn't want to deceive you, but I can't tell you the reason.]

[Brother, I understand. I won't ask about this again.]

Nannan blinked her beautiful eyes.

There is something going on.

No,

There is a secret.

Her brother is hiding a big secret.

Su Chen didn't want to deceive her, so he didn't let her ask. Nannan didn't plan to continue asking Su Chen.

Su Chen is her brother.

Nannan just needs to know that her brother has always loved her.

She won't ask about the secrets that her brother can't tell.

Emilia and Isabella were very shocked. They looked at the protective shield covering the ice and snow area and felt incredible.

Spiritual treasure?

Su Chen's spiritual treasure actually protected the ice and snow area and blocked the aftermath of the battle between the seven Hongmeng Supremes.

How is it possible?

Even if the Hongmeng World is a top-grade Hongmeng spiritual treasure, it is impossible to block the aftermath of the battle between the seven Hongmeng Supremes.

There is something weird!

There is a secret!

Su Chen is hiding a big secret.

Emilia and Isabella looked at Su Chen one after another, and their beautiful eyes showed eager expressions.

Emilia couldn't help asking, "Su Chen, how did you manage to protect the entire Ice and Snow Region?"

Isabella instantly appeared in front of Su Chen. She stood face to face with Su Chen and asked, "Lord Su Chen, can you tell me how you protected the Ice and Snow Region?"

Su Chen stared at Isabella's beautiful face and said, "Don't ask. I just don't know."

Emilia: "You... You are so shameless!"

Isabella: "Lord Su Chen, your answer is too asshole."

Su Yan rolled his eyes,

Her father was still the same shameless as always,

Ask and you just don't know?

Her father might as well say he didn't want to answer.

Nannan smiled slightly,

She had nothing to say about her brother's shameless answer,

Su Chen waved to Emilia and said, "Emilia, come and give me a massage. You should know the consequences of refusing."

"I..."

Emilia regretted saying that Su Chen was shameless. Su Chen must have deliberately humiliated her, the master of the realm.

Su Chen asked her to give a massage,

Is she Su Chen's maid?

Is she Su Chen's slave girl?

But,

If Emilia didn't listen to Su Chen's orders,

Su Chen might humiliate her twice as much. The shameless bastard might ruin her innocence.

Emilia walked towards Su Chen with a reluctant look,

Su Chen had Jiuyou Supreme as a backer, so she had to give the shameless bastard a massage.Massage.

After Emilia gave Su Chen a massage,

Su Chen enjoyed the massage and said, "Not bad, Emilia, I didn't expect that as a fallen angel, your massage skills are pretty good. Please massage me exclusively in the future."

Emilia's face turned red because of Su Chen's anger. She couldn't help but want to strangle Su Chen to death with her fair hands.

Massage Su Chen exclusively?

Is it possible?

She didn't want to massage Su Chen even once,

If Jiuyou Supreme turned against Su Chen one day, Emilia would brutally kill Su Chen.

Su Chen took a sip of wine and threatened,

"Emilia, if you dare to reveal your murderous intentions to me again, the secrets on your chest, your buttocks, and your lower abdomen will be known to all the creatures in the Nine Netherworld."

"You are shameless!"

Emilia was completely enraged. She pinched Su Chen's neck with one hand and wanted to strangle the shameless bastard to death.

There were Isabella, Su Yan, Nannan, and the female zombie around. If Su Chen told her the sensitive parts of her body,

What would these women think?

They must have guessed that Su Chen had seen her naked,

Boom!

The female zombie burst out with a powerful aura and threatened, "Emilia, let go of the master, or you will die!"

"Emilia, don't be impulsive, let go of my brother." Nannan hurriedly grabbed Emilia and persuaded her,

She had a good relationship with Emilia,

When Emilia was imprisoned in the Desire Tower,

Nannan often went to the Desire Tower to meet Emilia, and Emilia also taught her how to practice. She didn't want Emilia and her brother to become enemies.

Nannan was also very helpless with Su Chen,

Emilia was imprisoned in the Desire Tower before, and Su Chen saw Emilia thoroughly,

Now

Is it okay for her brother to say this?

Isn't Su Chen worried about Emilia's anger? Isn't Su Chen worried that Emilia and he will die together?

.. ...Please give me flowers.. ..

Su Yan rolled her eyes at Su Chen and didn't care.

She knew that Emilia couldn't do anything to her father. Emilia was completely controlled by her father. If Emilia didn't give in to her father, Emilia would be in a very tragic situation in the future.

Su Yan touched his smooth little chin and thought,

[Dad knows Emilia's secret. Has Emilia been locked up in the Desire Tower? Interesting. Emilia should have been seen naked by her father.]

Isabella shook her head speechlessly. She knew that Emilia didn't dare to kill Su Chen.

But,

How could Su Chen know the secret of Emilia's body?

Has Emilia been seen naked by Su Chen before? Or has Emilia been humiliated by Su Chen?

Snap!

.... 0 ...

Su Chen spanked Emilia's butt and shouted, "Emilia, hurry up and give it to me. Let go, or you should know the consequences. "

"You...you..."

Emilia's chest was about to burst with anger,

Su Chen dared to hit her butt in front of everyone, did the shameless bastard really want to be pinched to death by her?

Su Chen stared at Emilia and said, "Emilia, I'll count to three. If you don't let go, you should know what you will regret without me doing anything. "

Emilia's chest was heaving with anger.

Although she was holding Su Chen's neck with one hand, she really dared to kill the shameless bastard.

If she was alone,

Emilia would kill herself by exploding her soul.

But there were still her people in the Nine Netherworld, and tens of millions of her loyal subordinates.

She couldn't let millions of people get hurt just for the sake of revenge.

Emilia let go with a complicated expression.

She was helpless against the shamelessness. She wanted to kill Su Chen but couldn't and was very angry.

"Take it! "

Su Chen suddenly took out the Desire Magic Tower and enveloped Emilia.

He wanted to take revenge on Emilia.

Su Chen was careless and was pinched by Emilia's neck. Emilia almost pinched him to death just now.

He will make Emilia regret it.

The Desire Magic Tower will last for 100,000 years.

Su Chen will make Emilia feel like she is in heaven and death for 100,000 years.

Emilia was enveloped by the Desire Magic Tower, her face changed drastically and she shouted, "Su Chen, stop it, I apologize to you, I apologize to you, put away the disgusting Desire Magic Tower." Knife.

Chapter 3128

Emilia panicked,

She didn't expect Su Chen to suddenly use the Desire Tower,

She was caught off guard by the Desire Tower,

If the female zombie and Nannan interfered with her, Emilia would be taken away by the disgusting Desire Tower.

"Apologize? Emilia, I've prepared a 100,000-year package for you. I hope you have a good time in the Desire Tower." Su Chen pouted and mocked Emilia,

Let Emilia go?

Is it possible?

The arrogant fallen angel is too stubborn,

The Supreme Nine Nether asked Emilia to obey his orders, but Emilia disobeyed him again and again, and just now she pinched his neck. Su Chen will not let Emilia go easily this time.

Su Chen ordered the female zombie, "Female zombie, use the soul law to interfere with Emilia."

"Yes, Master."

Golden light appeared in the female zombie's eyes to interfere with Emilia.

Emilia hurriedly shouted, "Su Chen, I am willing to apologize, let me go this time."

Soul law attack,

If Emilia was not covered by the Desire Tower,

She didn't care about the soul law attack,

Emilia now had to resist the Desire Tower, and she had no ability to resist the soul law attack of the female zombie.

"Nannan, save me quickly, I don't want to be locked up in the disgusting Desire Tower by your brother."

"Brother~"

Nannan blushed and wanted Su Chen to let Emilia go,

The Desire Tower was too disgusting,

Emilia had a good relationship with her, and Nannan didn't want Emilia to be locked up in the Desire Tower.

Su Chen hugged Nannan and smiled, "Nannan, Emilia has been imprisoned in the Desire Tower. It's okay to imprison her again."

"Dad, you are too shameless and a bastard." Su Yan rolled his eyes at Su Chen and was speechless.

It's confirmed.

Emilia has been imprisoned in the Desire Tower before.

Today,

Emilia will be imprisoned in the Desire Tower again. Su Yan thinks Emilia is very miserable.

Su Chen stared at Su Yan with a dark face and said, "Little girl, don't meddle in adults' affairs."

"Hmph!"

Su Yan snorted arrogantly and stopped talking.

She also wanted some treasures from her father. Su Yan couldn't make Su Chen angry.

Isabella saw Emilia was about to be taken away by the Desire Tower,

She did not dare to save Emilia,

Su Chen had killed four domain masters in the Dark Domain, and if Isabella had tried, she would have been suppressed by Su Chen.

"Ah~Su Chen, I hate you so much..." Emilia screamed in grief and anger as she was taken away by the Desire Tower,

"Done!"

Su Chen caught the Desire Tower and smiled,

There is a benefit,

Emilia's plump and sexy body, he can enjoy the beautiful scenery every day in the future.

Su Chen put away the Desire Tower and looked at the Dark Domain,

A quarter of an hour passed,

The Chaos Clock only If the Supreme Nine Netherworld does not take action within an hour, Su Chen will not be able to save the creatures in the Ice and Snow Region, and he will flee the Ice and Snow Region.

Nannan and Su Yan stared at Su Chen in silence,

Emilia was locked up in the Desire Tower, and Su Chen would definitely look at Emilia's naked body.

However,

Su Chen is Nannan's brother,

and Su Yan's father,

Nannan and Su Yan could not persuade Su Chen to let Emilia go.

At this time,

The Supreme Nine Netherworld, who was hidden in the air, checked the Chaos Bell many times and calculated how Su Chen could protect the Ice and Snow Region many times,

but found nothing,

The Supreme Nine Netherworld could not calculate Su Chen,

She could not even calculate the Chaos Bell of the lower-grade Hongmeng spiritual treasure.

Weird,

Too weird,

How did Su Chen do it?

How could a trashy low-grade spiritual treasure Chaos Bell withstand the aftermath of the battle between the seven Hongmeng Supremes?

Jiuyou Supreme couldn't help but send a voice message, [Little scum, how did you do it? What's the secret of your Chaos Bell?]

Su Chen smiled when he heard Jiuyou Supreme's voice transmission,

It's almost two quarters of an hour,

Jiuyou Supreme finally couldn't help but ask, he wanted to persuade Jiuyou Supreme to protect the Ice and Snow Region.

Swoosh!

Su Chen sat on the shoulder of the female zombie, he stroked the female zombie's delicate face and sent a voice message, [Jiuyou Supreme, I can tell you a condition.]

[What is your condition.]

[Jiuyou Supreme, my condition is very simple, I won't embarrass you, you can rest assured.]

[Hmph, little scum, you are such a shameless bastard, I don't believe a word you say.]

Jiuyou Supreme is too cautious,

Su Chen threatened Jiuyou Supreme once, Jiuyou Supreme was wary of him, the old woman is also a petty woman.

[Jiuyou Supreme, if you promise to protect the Ice and Snow Region, I can let you check the Chaos Bell...]

[Protect the Ice and Snow Region? Little scum, I want to steal your Chaos Bell, do you think you can keep it?]

[Jiuyou Supreme, you are talking big again, think about my Hongmeng Spiritual Liquid, can you get it?]

[Damn little scum, are you mocking me?] The proud mountain of the Nine Nether Supreme was undulating with anger,

Mockery,

Naked mockery,

The little scum was too arrogant,

Too lawless.

Su Chen first offended the Charming Supreme, and then offended the Rakshasa Supreme without knowing the consequences.

What about now?

Does the little scum still want to offend her?

The Nine Nether Supreme had an angry expression on her beautiful face, and she stretched out a finger to kill the arrogant little scum.

But,

Su Chen had precious Hongmeng Spiritual Liquid, and the amount of Hongmeng Spiritual Liquid made her jealous.

She couldn't find out Su Chen's Hongmeng Spiritual Liquid,

She couldn't check Su Chen's memory,

A little scum,

A dignifiedAs one of the three most powerful supreme beings in Hongmeng, Jiuyou Supreme has no way to deal with Xiao Zha Zha.

And Su Chen's secret this time,

Jiuyou Supreme reluctantly retracted his finger and shook his head,

I can't kill Xiao Zha Zha now,

Before finding out Su Chen's weirdness, Jiuyou Supreme can only let Xiao Zha Zha run rampant for a while.

At this moment,

Su Chen didn't care about Jiuyou Supreme's threat,

The old woman threatened him more than once or twice,

As long as Jiuyou Supreme needs Hongmeng Spiritual Liquid, Su Chen is not worried that Jiuyou Supreme will kill him.

[Jiuyou Supreme, do you agree?]

Jiuyou Supreme stared at Su Chen with cold eyes, [Xiao Zha Zha, you make me very unhappy, I forgive you this time, if you dare to mock me again, wash your neck and wait for death.]

[Dear Supreme Lord, do you agree to my conditions?]

Nine Nether Supreme Lord felt cold all over when he heard Su Chen's disgusting words,

Dear?

Does Su Chen want to freeze her to death?

How could a little scum say disgusting words?

Nine Nether Supreme Lord rubbed his forehead and was very speechless,

She didn't let Su Chen mock her,

The little scum actually said disgusting words to her,

What to do?

Su Chen did not violate her warning and threat, so Nine Nether Supreme Lord had no reason to punish Su Chen.

Chapter 3129

Su Chen was confused again.

Why didn't the Supreme Nine Nether answer?

Agree? .

Or disagree?

The Supreme Nine Nether should at least give him an answer!

Damn it,

The old woman won't leave, will she?

Su Chen was very speechless as he touched the delicate face of the female zombie. He shouldn't have said mushy words to the Supreme Nine Nether. Did the Supreme Nine Nether leave because he was afraid that he would continue to say mushy words?

The female zombie rubbed Su Chen's hand with her delicate face and asked, "Master, how long can the Chaos Bell withstand the aftermath of the battle?"

"How long? It depends on the situation."

Su Chen looked at the Chaos Bell in the air and shook his head.

One hour,

Half an hour has passed now,

If the Supreme Nine Nether doesn't take action, after half an hour, Su Chen can only take Su Yan and the other girls away from the Ice and Snow Region.

Huh?

The Archangel was promoted successfully?

Su Chen smiled as he sensed the situation in the space-time barrier.

The Archangel was promoted successfully, and he even advanced to the Domain Lord Realm against all odds. He now has another powerful helper.

Nannan stretched out a white hand and said, "Brother, give me the Desire Tower."

"Nannan, are you going to let Emilia out?"

"I won't let Emilia out."

800

"If you don't let Emilia out, what do you want the Desire Tower for?"

"Brother, I want to go to the Desire Tower to see Emilia. After all, she taught me how to practice."

Nannan didn't tell Su Chen the truth.

Although she wouldn't let Emilia out, she wanted to lift the ban on Emilia from wearing clothes.

Su Chen summoned the Desire Magic Tower and gave it to Nannan.

He did not believe Nannan's words.

It was just that Nannan was his sister.

Su Chen would not refuse anything from Nannan. Even if Nannan let Emilia out, he would not blame her.

Nannan blushed after taking the Desire Magic Tower and checking it.

In the Desire Magic Tower,

Emilia was being tortured by the Desire Magic Qi.

She heard Emilia's unbearable screams, and Nannan hurriedly disconnected it to check the Desire Magic Tower.

Su Yan grabbed Nannan and smiled, "Aunt, let me play with the Desire Magic Tower."

"Yan'er, the Desire Magic Tower is too disgusting, you can't play with the Desire Magic Tower."

Nannan hurriedly put away the Desire Magic Tower.

Did she dare to let Su Yan play with the Desire Magic Tower?

Emilia's unbearable scene at the moment, she would not let the young Su Yan see it.

Su Yan curled his lips and understood.

Emilia should be tortured in the Desire Tower, and she is probably being tortured naked by the Desire Demon.

Dark Domain,

The battle between the six Hongmeng Supremes and the Supreme Tianqing,

The six supremes are getting more and more frightened,

The strength of the Supreme Tianqing makes them feel helpless, and the six Hongmeng Supremes can't beat the Supreme Tianqing even a step.

The Supreme Tianzhu took out the HongmengMeng Lingbao shouted, "Everyone, use all your strength and powerful Hongmeng spiritual treasures, otherwise we can't defeat Tianqing Supreme."

Taihao Supreme and his men took out their powerful spiritual treasures. They knew that they couldn't kill Tianqing Supreme without trying their best, and they might be killed by Tianqing Supreme.

"Hmm?"

Raksha Supreme checked the Ice and Snow Domain while fighting.

She was worried that the Ice and Snow Domain would be affected by the battle and shattered. She was also worried that Su Chen and Su Yan, father and daughter, would get into trouble.

However,

Raksha Supreme was very surprised after checking the Ice and Snow Domain.

The entire Ice and Snow Domain was covered by a golden protective shield, and the aftermath of the battle of the seven Hongmeng Supremes was blocked.

Chaos Bell?

Raksha Supreme was even more shocked when she saw the Chaos Bell. She knew that the Chaos Bell was Su Chen's spiritual treasure.

The Chaos Bell was only a low-grade Hongmeng spiritual treasure.

How could it cover the Ice and Snow Domain?

How could it withstand the aftermath of the battle between the seven Hongmeng Supremes?

Raksha Supreme was very confused.

She thought it was Jiuyou Supreme who made a move.

What about now?

A scumbag made a move.

The scumbag still protected her Ice and Snow Domain. Raksha Supreme was even more curious about the weird Su Chen.

Su Chen had Hongmeng Spiritual Liquid.

He could kill the Domain Master when he was in the Dao Realm.

He even killed four or five Domain Masters in a row.

After Su Chen burned his blood essence, not only did his cultivation level not fall, but he also weirdly advanced to the Domain Master Realm.

Also,

Nine Nether Supreme wanted to snatch Su Chen from her even if he didn't want the Hongmeng Spiritual Liquid,

All these surprised Luosha Supreme,

Su Chen now did something that shocked her again, Luosha Supreme was even more curious about Su Chen.

[Xiao Zha Zha had offended her before, so she could blackmail Xiao Zha Zha for a few pots of Hongmeng Spiritual Liquid. Oh, and Su Yan, the little girl must worship her as her master. Su Chen

was snatched away by Nine Nether Supreme, so she couldn't let Su Yan be snatched away by Nine Nether Supreme as well. 】

Boom boom boom~

Tian Qing Supreme calmly faced the attacks of the six supremes,

Although he had not yet been promoted to the strongest Hongmeng Supreme, the six supremes were not strong enough to fight against him.

Tian Qing Supreme found that the six Hongmeng Supremes were going to use their full strength,

He showed a disdainful look.

Half an hour has passed,

Tian Qing Supreme did not detect the breath of the Strongest Supreme, so he did not have to be restrained and afraid to kill the six supremes with all his strength.

"You are ready to be killed by me, and your Hongmeng origin will also be killed by me... um? Light... Light..." Tian Qing Supreme said, and suddenly felt the breath of the Light Supreme,

He was frightened,

Light Supreme is the strongest supreme of the Hongmeng world,

Last era,

Tian Qing Supreme was killed by the Light Supreme,

If he had not escaped with a trace of his soul, Tian Qing Supreme would have fallen in the hands of the Light Supreme in the last era.

Now,

He sensed the breath of the Light Supreme,

Tian Qing Supreme understood that Light Supreme Ming discovered him.

What to do?

Escape?

Can he escape?

Since Supreme Guangming discovered him, Supreme Tianqing has nowhere to escape in the Hongmeng World.

By the way,

There are Hongmeng crystals in Tianduan Mountain,

If Supreme Tianqing uses Hongmeng crystals as a bargaining chip, Supreme Guangming should have a 50% chance of sparing his life.

At this moment,

The six supremes quickly retreated and looked at each other,

They all sensed the aura of the unfamiliar Supreme Hongmeng, and it was a powerful and terrifying Supreme Hongmeng.

"Another Hongmeng Supreme is coming. I'm afraid he was attracted by our fighting aura."

"The Hongmeng Supreme who came is not simple. His aura is very terrifying. I guess he is one of the top three Hongmeng Supremes."

"Let's not act rashly. The Hongmeng Supreme will arrive in a few breaths. Let's see if the Hongmeng Supreme is a friend or an enemy."

"Okay."

"I agree."

"It's getting more and more interesting. We have six Hongmeng Supremes here, plus Tianqing Supreme, and the upcoming Hongmeng Supreme. There are eight Hongmeng Supremes gathered in the small Dark Domain."

Raksha Supreme and Charm Supreme stood together. They were speechless when they heard the conversation of the other Supremes.

Eight Hongmeng Supremes?

No,

It should be nine Hongmeng Supremes.

There is also the Nine Nether Supreme hidden in the Ice and Snow Domain.

The Charming Supreme looked at the golden protective shield of the Ice and Snow Region, and she sent a message to the Raksha Supreme, [Raksha Supreme, would you like the Nine Nether Supreme to protect your Ice and Snow Region?]

Chapter 3130

Rakshasa Supreme rolled his eyes at Charm Supreme,

Nine Nether Supreme is protecting the Ice and Snow Region?

Is it possible?

Nine Nether Supreme is a proud and arrogant woman.

She is also moody.

Even if Rakshasa Supreme asked Nine Nether Supreme to protect the Ice and Snow Region, Nine Nether Supreme would probably refuse her without hesitation, and might even be too lazy to pay attention to her.

[Charm Supreme, do you think Nine Nether Supreme is protecting the Ice and Snow Region?]

[Hmm?]

Charm Supreme was confused,

What did Rakshasa Supreme mean? Could it be that it was not Nine Nether Supreme who was protecting the Ice and Snow Region?

Is it possible?

In the Ice and Snow Region, apart from Nine Nether Supreme,

no creature could withstand the aftermath of the battle between the seven supremes.

Su Chen?

The Charming Supreme suddenly thought of Su Chen,

Su Chen was too weird,

Rakshasa Supreme and Jiuyou Supreme both looked at Su Chen differently. Could it be that Su Chen was protecting the Ice and Snow Domain?

"I'm really crazy. How could a little scumbag do that?" Charming patted her forehead to wake up,

Su Chen was only at the Domain Lord Realm,

The little scumbag couldn't even withstand her aura and pressure, so how could Su Chen withstand the aftermath of the battle of the seven supremes.

Ice and Snow Domain,

Su Chen, Nannan, Su Yan, the female zombie, and Isabella were all stunned. Why did the battle of the seven Hongmeng Supremes stop?

The battle lasted only half an hour,

The winner has not yet been decided.

The Supremes have been fighting for hundreds of years and still can't decide the winner. Why did the seven Hongmeng Supremes stop fighting after half an hour?

Su Yan: "Dad, why didn't the seven Hongmeng Supremes fight? Did they decide the winner? Or is there another reason?"

Nannan: "Brother, could it be that Tianqing Supreme compromised with the six Supremes?"

Isabella: "Impossible, after the Supremes started fighting, Tianqing Supreme compromised. For the treasures in Tianduan Mountain, the six Hongmeng Supremes would not agree."

Nannan: "Isabella, the six Supremes may be evenly matched with Tianqing Supreme, and no one can do anything to the other. Tianqing Supreme compromised, and the six Supremes agreed to stop fighting."

Su Yan: "Aunt said That's right, but there is another possibility, that is, another Hongmeng Supreme is coming, so they stopped fighting. "

Female zombie: "Master, what do you think is the reason?"

Su Chen waved his hand at the female zombie with a dark face,

He just heard the voice of Jiuyou Supreme, the Supreme of Light is about to come to the Dark Domain,

Damn it,

Trouble,

The Supreme of Light is coming,

The old woman Jiuyou Supreme also took the opportunity to blackmail him. If Su Chen doesn't give Jiuyou Supreme ten pots of Hongmeng Spirit Liquid, Jiuyou Supreme will expose that he has hidden the Supreme of Light's Light Armor.

Damn old woman,

This is taking advantage of the fire,

Su Chen gritted his teeth and wanted to circle and cross Jiuyou Supreme, he wished he could pinch him to death. An old woman with a sense of shame.

[Little scum, there are less than ten breaths before the Supreme of Light will arrive. You have ten breaths to consider.]

The Supreme of Jiuyou transformed into a throne and sat on it. She smiled charmingly and looked at Su Chen in the Great Snow Mountain.

She didn't expect the Supreme of Light to come.

The Supreme of Light is in the eastern part of the Hongmeng World.

The stinky woman is incalculably far away from the Dark Realm. She doesn't understand why the Supreme of Light can come from billions of miles away?

Su Chen showed a helpless look and transmitted his voice, [Supreme of Jiuyou, I don't have ten pots of Hongmeng Spirit Liquid now. I can promise to give you one more pot of Hongmeng Spirit Liquid every thousand years.]

[I don't believe it.]

[What I said is true. You have to believe me.]

[Little scum, do you think I can believe you?]

[I am an honest young man. I will not deceive others, let alone you who are sexy and noble.]

[Pooh!]

The Supreme Nine Netherworld glanced at Su Chen, who was boasting and selling himself.

The little scum is too shameless.

Honest young man?

Why didn't Su Chen die shamelessly? The Supreme Nine Netherworld really wanted to slap the shameless Su Chen to death.

However,

Su Chen said that she was sexy and noble.

She loved to hear this sentence.

Since the Supreme Nine Netherworld was praised for her beauty when she just started practicing,

Several epochs have passed.

No one has praised her for her sexiness and nobility. All living beings are just afraid that she is the Supreme, afraid of her cruelty, afraid of her viciousness, afraid of her killing, and afraid of her terrifying strength.

Su Chen curled his lips when he heard the sound of the Supreme Nine Netherworld.

Women!

Whether Jiuyou Supreme is the terrifying Hongmeng Supreme or the age that is unimaginable.

Her feminine nature is still there.

Some of the characteristics that a woman should have,

Jiuyou Supreme also showed some.

"Collect!"

Su Chen waved his hand to collect the Chaos Bell,

The seven Hongmeng Supremes of the Dark Domain no longer fought, and he did not need the Chaos Bell to continue to protect the Ice and Snow Domain,

·····Please give me flowers·····

Besides, the Supreme of Light is coming soon,

Su Chen is also ready to run away.

Su Yan looked at the Chaos Bell and hurriedly shouted, "Dad, let me play with the Chaos Bell."

"Here you go!"

Su Chen had no choice but to give the Chaos Bell to Su Yan.

What was the little girl curious about?

Su Chen guessed that Su Yan wanted to check the changes in the Chaos Bell. Su Yan probably didn't believe that the Chaos Bell could protect the Ice and Snow Region. The little girl might want to check if there was anything strange about the Chaos Bell.

Su Yan took the Chaos Bell and checked it for a while.

She used her magic power to activate the Chaos Bell, and the Chaos Bell spun around her like a meteor.

"There is no change! How can the Chaos Bell protect the Ice and Snow Region and resist the aftermath of the battle between the seven supreme beings?" Su Yan frowned after checking the Chaos Bell.

..... 0

The Chaos Bell is a low-grade spiritual treasure of Hongmeng.

She can completely control the Chaos Bell.

The Chaos Bell gave her feedback without any strangeness. Su Yan didn't understand how the Chaos Bell protected the Ice and Snow Domain just now.

"How about trying the power of the Chaos Bell?"

Su Yan looked at the seven Hongmeng Supremes in the Dark Domain. She wanted to try whether the Chaos Bell could hurt the Hongmeng Supreme.

As for the anger of the Hongmeng Supreme,

Does she care?

Su Yan has the protection of the Rakshasa Supreme, and the Jiuyou Supreme will also protect her. It shouldn't be a big problem for her to die once.

Su Yan looked at the Taihao Supreme in the Dark Domain. She slapped the Chaos Bell for her own death.

[Dang!]

The Chaos Bell made a crisp sound, and a golden light flashed from the Chaos Bell and disappeared.

Boom boom boom~

The ice and snow area suddenly shook,

The sky suddenly turned dark,

It seemed as if a great terror had descended on the ice and snow area.

Isabella was instantly suppressed by the terrifying aura and lay on the ground. After the terrifying pressure disappeared in an instant, Isabella stood up in a panic. She looked at Su Yan with fear.

Su Chen hurriedly shouted, "My friend, Yan'er, what are you going to do?"

Nannan grabbed Su Yan and asked worriedly, "Yan'er, why did you ring the Chaos Bell? Who are you going to attack?"

The female zombie said next to her, "Princess, it was too scary and too terrifying just now. Princess, don't use the master's Chaos Bell again. You almost killed Isabella just now."

"I... I was just playing around. I didn't attack anyone. Dad, aunt, you have to believe me." Bu.
