Chapter 3131

Su Yan said seriously with his hands behind his back,

She didn't dare to tell the truth,

She didn't expect the Chaos Bell to be so terrifying. Fortunately, the terrifying aura of the Chaos Bell disappeared instantly,

Otherwise,

Isabella might be killed by her by mistake.

But it's strange,

She and her father, aunt, and the female zombie,.

None of them were affected by the terrifying aura. Could it be because the Chaos Bell was her father's spiritual treasure?

"Yan'er, you're going to die!"

Su Chen didn't believe Su Yan's words,

The little girl was too lawless this time,

She did whatever she thought of,

He guessed that Su Yan used the Chaos Bell to attack someone, and there was no target for Su Yan to attack in the Ice and Snow Domain,

Dark Domain?

Damn,

The little girl wouldn't attack the Hongmeng Supreme in the Dark Domain, right?

It's almost three breaths,

The attack of the Chaos Bell should have reached the Dark Domain, Su Chen hurriedly checked the situation in the Dark Domain.

Boom!

After a loud roar,

"No~"

The voice of Taihao Supreme came from the Dark Domain,

"Yan'er, you attacked Hongmeng Supreme?" Nannan stared at Su Yan with eyes wide open,

The voice of Hongmeng Supreme was unwilling,

There was also the loud roar of the Dark Domain, she guessed that Su Yan used the Chaos Bell to attack Hongmeng Supreme,

My God!

Nannan had never been frightened,

She was frightened by Su Yan this time,

Hongmeng Supreme was the ceiling of the Hongmeng World, Su Yan was so bold as to attack Hongmeng Supreme,

Does the little girl want to go to heaven?

Too much for her own good,

Su Yan is even more for her own good than Su Chen,

Su Yan is indeed worthy of being Su Chen's daughter, her ability to commit suicide is really better than hers.

The female zombie asked in shock, "Miss, did you really attack Hongmeng Supreme?"

Isabella looked at Su Yan trembling all over. She was very afraid of Su Yan. Su Yan almost killed her by mistake just now.

She didn't expect that Su Yan wanted to kill Hongmeng Supreme.

Too crazy,

A scumbag Saint Realm,

Not only did he almost kill her by mistake,

He also attacked Hongmeng Supreme and made him scream.

Isabella didn't know whether Hongmeng Supreme was killed or not, but from the sound of Hongmeng Supreme screaming, she guessed that even if Hongmeng Supreme didn't fall, he would probably be very miserable.

"Too suicidal, too lawless, little girl, you are finished, I will lock you up in the small black room of time and space for a hundred years."

Su Chen stared at Su Yan helplessly,

Attacking Hongmeng Supreme?

He didn't dare to attack Hongmeng Supreme,

Su Yan actually attacked Hongmeng Supreme lawlessly,

Didn't the little girl think about whether she could kill Hongmeng Supreme? Didn't she think about Hongmeng Supreme's revenge?

Su Yan explained with an innocent look,

"Dad, aunt, I really didn't attack Hongmeng SupremeLord, I just casually tapped the Chaos Bell, and I didn't expect that the Chaos Bell would attack the Supreme Hongmeng of the Dark Domain. "

Su Yan couldn't admit it,

Even if she was beaten to death, she couldn't admit it,

If she admitted that she attacked the Supreme Hongmeng,

Dad would definitely lock her up in the time and space black room for a hundred years, and Auntie probably wouldn't plead for her.

For the sake of freedom in the future,

In order not to be locked up in the time and space black room,

Su Yan decided that she couldn't admit it anyway, and she would put all the responsibility on the Chaos Bell.

However,

Su Yan had previously let the Chaos Bell attack the Supreme Taihao,

The Supreme Taihao just shouted unwillingly,

Did she kill the Supreme Taihao? Or didn't she kill the Supreme Taihao?

Su Chen: "I don't believe you, Yan'er, you are more than a hundred years old, why are you still naughty and suicidal? "

Nannan: "Aunt doesn't believe you either, Yan'er, you are too lawless this time, how dare you attack the Supreme Hongmeng?"

Female zombie: "Miss, you must never attack the Supreme Hongmeng in the future, it's too scary."

Isabella: "Su Yan, you almost killed me by mistake just now, you should return the Chaos Bell to your father as soon as possible, it's too dangerous, you should be a gentle and noble princess in the future."

Su Yan rolled his eyes while playing with the Chaos Bell in his hand,

Don't believe her?

Don't believe it, then don't believe it,

She will never admit it anyway,

And the Chaos Bell,

The Chaos Bell has become so powerful and terrifying, how could Su Yan return the Chaos Bell to her father?

In the sky of the Great Snow Mountain,

The Supreme Jiuyou opened his sexy mouth in shock,

One Strike,

Su Yan used the Chaos Bell to kill Taihao Supreme with one strike, and Taihao Supreme's Yuanshen did not escape,

Taihao Supreme is Hongmeng Supreme!

Su Yan is a small saint who can't be more scumbag, and the little girl actually killed a Hongmeng Supreme, and killed and annihilated Hongmeng Supreme completely.

Too crazy,

Too outrageous,

In the history of Hongmeng World,

|= |

No creature lower than the Hongmeng Supreme Realm has ever killed the Hongmeng Supreme Realm.

What about now?

A scumbag actually killed a Hongmeng Supreme Realm. This record has never been surpassed by any creature in the Hongmeng World.

Jiuyou Supreme patted Aoran's chest and thought,

[There is something wrong with the Chaos Bell of the little pervert. However, the Chaos Bell is obviously a Hongmeng lower-grade spiritual treasure. How could it burst out with a terrifying aura that frightened her? The color embryo is too weird, and his spiritual treasure is too weird.]

At this time,

Above the Tianduan Mountain in the Dark Domain,

Supreme Tianqing, Supreme Haiyu, Supreme Luosha, Supreme Meihuo, Supreme Tianzhu, Supreme Titan, and the six Hongmeng Supremes were all stunned. They were all still thinking about the horrible attack just now.

Supreme Taihao was suddenly killed in front of them,

Or even his soul was annihilated,

Who killed TaihaoHao Supreme?

None of the six Hongmeng Supremes noticed it. They didn't even know where the attack came from.

Meihuo Supreme asked with a pale face, "~~ Did you find out where the terrorist attack came from?"

Tianzhu Supreme wiped the sweat from his forehead and replied, "No, I didn't even notice any signs of the attack."

Tianqing Supreme and Luosha Supreme also shook their heads.

They were the same as Tianzhu Supreme.

They didn't find out where the attack came from, and they didn't notice any signs of the attack.

Luosha Supreme glanced at Bingxueyu (Zhao Qianhao) and asked, "Was it an attack from Zhiqiang Supreme just now?"

Luosha Supreme suspected that Jiuyou Supreme had made the move.

Among all the Hongmeng Supremes around, only Jiuyou Supreme could kill a Hongmeng Supreme without making any sound.

Tian Qing Supreme explained with a serious face,

"No, I have fought with Zhiqiang Supreme. Although Zhiqiang Supreme is extremely powerful, it is impossible for him to kill a Hongmeng Supreme with one blow. We have not noticed the attack at all."

Titan Supreme looked around and reminded, "The upcoming Hongmeng Supreme has not arrived yet, and it cannot be her. Is there another Hongmeng Supreme hiding around?"

Tian Qing Supreme, Tianzhu Supreme, Haiyu Supreme, the three Hongmeng Supremes and Titan Supreme looked around together. They were worried that there were other Hongmeng Supremes hiding around.

Raksha Supreme and Meihuo Supreme looked at each other. They knew that Jiuyou Supreme was in the Ice and Snow Region.

Whether the attack just now was done by Jiuyou Supreme,

They didn't know.

Chapter 3132

Ice and Snow Region,

On the Snow Mountain,

Su Chen and Nannan did not speak again. They were checking the many Hongmeng Supremes in the Dark Region.

Su Yan smiled while playing with the Chaos Bell,

It seemed that she had fooled around this time. She should not be punished and locked up in the Spacetime Cabin.

"Chaos Bell, Chaos Bell, how did you suddenly become so powerful and terrifying?"

Su Yan looked at the Chaos Bell that was spinning around her with great curiosity.

She controlled the Chaos Bell and did not notice any difference, but the pressure from the Chaos Bell almost killed Isabella by mistake.

Isabella was a Domain Lord.

Even Domain Lords could not withstand the pressure from the Chaos Bell.

Su Yan was very shocked.

However,

The Chaos Bell's attack made Tian Qing Supreme scream unwillingly. If Su Yan had not been worried about being punished by Su Chen and being locked up in the Spacetime Cabin, she would have shouted and cheered excitedly.

Nannan asked with bright eyes, "Brother, the Dark Domain has lost a Hongmeng Supreme. Did Yan'er just kill a Hongmeng Supreme?"

Su Chen frowned and replied, "I don't know. There are seven Hongmeng Supremes in the Dark Domain. I can only check the basic situation from a distance. I dare not use my soul to check it up close."

The female zombie asked puzzledly, "Master, Luosha Supreme and Meihu Supreme should know, why don't you ask them?"

"Female zombie, I can't ask them. If I ask them, they will guess that I was the one who attacked me just now."

The female zombie suddenly realized, "Master 823 is right. We can't ask Luosha Supreme and Meihu Supreme."

[Little scum, your daughter just killed Taihao Supreme, and even his soul was not spared. Taihao Supreme completely disappeared in the Hongmeng World and will never have a chance to revive.]

Su Chen was stunned when he heard the voice transmission from Jiuyou Supreme.

Taihao Supreme was killed by Su Yan?

Taihao Supreme's Yuanshen didn't escape?

Oh my God!

It's too crazy.

Su Yan just advanced to the Saint Realm a few years ago, and a scumbag Saint Realm killed a Hongmeng Supreme?

Really?

Or fake?

[Jiuyou Supreme, you didn't lie to me?]

[Little scumbag, who am I? Would I lie to you?]

Su Chen looked at Su Yan and didn't know what to say.

Tell the little girl?

Su Yan would probably shout with excitement, and the little girl would also show off to him arrogantly.

Su Chen decided not to tell Su Yan for now.

He would wait until the battle for the treasure of Tianduan Mountain before telling the little girl.

Just weird?

How could the Chaos Bell kill the Hongmeng Supreme with one strike? How strong is the system's improvement on the Chaos Bell?

Su Chen thought that the Chaos Bell could defend the entire Ice and Snow Region and block the aftermath of the battle between the seven Hongmeng Supremes.

In this way,

one attack from the Chaos Bell,

may be more terrifying than the combined strength of the seven Supremes.

At this time,

In the void,

Jiuyou Supreme lifted up his long white legs and smiled, saying, [Little scum, your Hongmeng lower-grade spiritual treasure Chaos Bell is good. I want to study it for a while. Do you agree?]

[I agree, but not now.]

[Okay.]

Jiuyou Supreme did not expect Su Chen to agree. Is Little scum afraid that she will expose Su Yan's killing of Tianqing Supreme?

The little scumbag's worry is unnecessary,

She will not expose Su Yan,

The little girl is bold and reckless,

Lawless,

She is also very suicidal,

Jiuyou Supreme is very optimistic about Su Yan's future. She seems to see the shadow of her past in Su Yan

Jiuyou Supreme decided to accept Su Yan as a disciple,

As for Su Chen,

She has Su Yan,

Isn't it equivalent to controlling Su Chen? Jiuyou Supreme doesn't believe that Su Chen doesn't care about his daughter.

"Huh? Why did the Supreme of Light stop?" Jiuyou Supreme suddenly found that the Supreme of Light stopped and was very confused,

What's going on?

The Supreme of Light found that she didn't dare to come over?

Is it possible?

The hypocritical and noble stinky woman is not afraid of her. Did the Supreme of Light find something?

On the Snow Mountain,

Su Chen curled his lips after communicating with Jiuyou Supreme. Jiuyou Supreme wanted to check the Chaos Bell.

The system's improvement of the Chaos Bell,

Jiuyou Supreme could not find out anything.

"Huh? Why are Emilia and Claire here? Don't they know it's very dangerous here?"

Su Chen sensed the breath of Emilia and Claire,

Very speechless,

Isn't Claire going to the Far North?

Isn't Emilia going to the Ice and Snow City?

The two women knew that there were many Hongmeng Supremes in the Dark Territory. Did they come to the Snow Mountain to seek death?

Su Chen instructed the female zombie, "Female zombie, go inform Emilia and Claire that there are many Hongmeng Supremes in the Dark Domain, it is too dangerous, tell them to go to Ice and Snow City to wait for us."

"Yes, Master." The female zombie sensed the breath of the two women and disappeared instantly.

"Master Su Chen, can I go to Ice and Snow City?"

Isabella didn't want to stay in the Great Snow Mountain, she was worried that Su Yan would accidentally kill her.

Especially when she saw Su Yan playing with the Chaos Bell again,

Isabella was very uneasy.

"Okay, you go to Ice and Snow City too."

"Thank you."

Isabella nodded to Su Chen, she couldn't wait to leave the Great Snow Mountain instantly.

"Nannan, what are you doing?"

Su Chen saw Nannan holding the Desire Tower and checking it. Emilia was tortured by the Desire Magic in the Desire Tower.

He didn't want Nannan to see Emilia bathing in fire.

His sister was a pure and cold beauty.

If Nannan saw the scene that polluted her eyes, Su Chen would feel sorry for her.

Nannan blushed and replied, "Brother, I have sealed the evil spirit of desire and lifted the restriction that prevented Emilia from wearing a dress. Brother, please do not torture Emilia anymore. "

"Okay, I'll listen to you."

Su Chen agreed without hesitation.

Emilia might not dare to disobey him in the future, and it's okay if he stops torturing Emilia.

"Thank you, brother."

Nannan smiled and raised the corners of her mouth slightly.

She wanted to tell Emilia this news, and she also wanted to remind Emilia not to offend her brother again.

Boom!

Suddenly,

A terrifying breath burst out from the dark area, and Su Chen and Nannan hurriedly looked towards the dark area.

"Oh my god, the Supreme of Light has arrived. "

Dark Domain,

A blonde beauty wearing golden armor appeared majestically above the Dark Domain.

The Supreme of Light was wearing a sexy and noble golden armor,

The golden armor protected the important parts of the body, a pair of white long legs were very attractive, sexy white and smooth belly, and deep cleavage on the chest, Su Chen looked a little dazed.

However,

Su Chen was not in the mood to think about it,

He was scared at the moment,

Su Chen had the Supreme of Light's armor, if the Supreme of Light knew that her armor was in the hands of a man.

Su Chen either ran for his life,

or paid the price to let the Supreme of Jiuyou protect him.

“Brother, another Supreme of Hongmeng has arrived, and it's a female Supreme of Hongmeng. Do you know her?”.

Chapter 3133

Nannan saw the Supreme of Light in the Dark Domain, but she didn't expect that the one who came was a female Supreme of Hongmeng.

Female Supreme of Hongmeng?

Nannan thought that Su Chen almost knew powerful female warriors,

Just like Supreme of Rakshasa,

Supreme of Charm,

And Supreme of Jiuyou,

As long as there were powerful female warriors,

Su Chen had more or less relationship with them, and Nannan wanted to know if Su Chen knew the female Supreme of Hongmeng who came.

Su Yan held Nannan and smiled, "Aunt, you are asking redundant questions. Dad must know the Supreme of Hongmeng who came. Even if Dad doesn't know her, Dad probably offended her unintentionally."

Su Yan knew Su Chen very well,

Her father liked beautiful women, especially older women, and even more powerful women.

Xuantian Continent, Shenyun Continent, Honghuang Fairyland, Xuantian Realm, and other realms and other worlds.

All the powerful and beautiful women in the world,

One hundred percent of them are related to her father, and ninety percent of them are her father's women.

Nannan smiled and touched Su Yan's hair,

She believed what Su Yan said,

Su Yan was right,

Su Chen, whether in the small world, the fairy world, or the realm, the 27 powerful and beautiful women in these worlds are almost all her brother's women, even if some are not, they will be in the future.

Just like her wild realm,

Liu Shen and Xi Huangmu are the top strong men in the wild realm. One of them has had a husband, and the other said that she doesn't need a Taoist partner. Nannan thought they wouldn't like her brother at first.

In the end,

They still became her brother's women.

Su Chen stared at Su Yan with a dark face and threatened, "Yan'er, do you really want me to lock you up in the time and space black room?"

"Dad, I didn't say anything just now. I'm going to play. You can talk to your aunt."

Su Yan was frightened and hurried to the side.

She was asking for death again.

Su Yan said bad things in front of her father.

Her father was unhappy and wanted to lock her up in the time and space black room. It might be useless for her to ask her aunt for help.

Su Chen saw Su Yan running quickly to the side. He ignored the little girl who was constantly asking for death.

However,

Su Yan was right.

He didn't know the newly arrived Supreme Light, but he also accidentally offended the Supreme Light.

Su Chen held Nannan and said, [Nannan, the one who came is the Supreme of Light. She is one of the three most powerful Supremes in the Hongmeng World. I don't know her, but I have offended her unintentionally.]

Nannan rolled her eyes at Su Chen,

Seeking death?

Her brother is really seeking death.

Su Chen is indeed Su Yan's father,

They are indeed father and daughter,

Su Chen has offended the Supreme of Light before he has even met her, and the Supreme of Light is one of the three most powerful Supremes.

Su Yan just attacked an ordinary Hongmeng Supreme,

Where is Su Chen?

He is stronger than SuYan is even crazier.

Su Chen actually offended one of the three most powerful supreme beings.

Nannan was a little tired.

She really didn't know how to say to her brother and the little girl. The father and daughter were more crazy and deadly than each other.

[Brother, how did you offend the Supreme of Light?]

[Nannan, do you still remember the ladder? I got the Light Armor of the Supreme of Light on the ladder. If the Supreme of Light found out that her armor was in the hands of a man, she would probably be angry and crush me to death.]

[Brother, you must not expose the Light Armor. You must deal with it as soon as possible. The Supreme of Light is one of the three most powerful supreme beings in the Hongmeng World. Murong Qingcheng and the Supreme of Luosha are not opponents of the Supreme of Light, and they have no ability to save you.]

[Don't worry, the Supreme of Light will not find out that I have the Light Armor. I have a good relationship with the Supreme of Nine Nether, who is also one of the three most powerful Supremes in the Hongmeng World. I have the protection of the Supreme of Nine Nether, and the Supreme of Light cannot kill me even if he finds out.]

Nannan shook her head speechlessly,

The Supreme of Nine Nether?

She knew the relationship between Su Chen and the Supreme of Nine Nether,

A good relationship?

Do they have a good relationship?

The Supreme of Nine Nether threatened Su Chen for the Hongmeng Spiritual Liquid,

Su Chen also used the Hongmeng Spiritual Liquid to counter-threaten the Supreme of Nine Nether, and took the gauze dress of the Supreme of Nine Nether for himself,

Their relationship was just a fragile interest relationship,

If the Supreme of Nine Nether did not need the Hongmeng Spiritual Liquid one day, Nannan guessed that the Supreme of Nine Nether would crush Su Chen to death with one hand.

However,

Nannan thought of Su Chen's method of dealing with women,

She guessed that Jiuyou Supreme would become Su Chen's woman in the future, and she might have another sister-in-law of Hongmeng Supreme, who was one of the three most powerful people in Hongmeng.

At this time,

Dark Domain,

After the arrival of the Supreme of Light and the other five Supremes of Hongmeng,

She stared at the Supreme of Tianqing with cold eyes,

Last epoch

The Supreme of Light killed the evil Supreme of Tianqing, but she didn't expect that a trace of the Supreme of Tianqing escaped by chance, and the Supreme of Tianqing cultivated to the Supreme of Hongmeng in less than an epoch.

But it doesn't matter,

The Supreme of Light didn't completely kill the Supreme of Tianqing last time, and she will kill the Supreme of Tianqing completely this time.

"God Supreme has met Lord Light Supreme."

"Titan Supreme has met Lord Light Supreme."

"Sea Supreme has met Lord Light Supreme."

"Charm Supreme has met Lord Light Supreme."

"Raksha Supreme has met Lord Light Supreme!"

Raksha Supreme and the other six bowed to Lord Light Supreme.

Lord Light Supreme is one of the three most powerful Supremes of Hongmeng.

Although they are also Hongmeng Supremes,

But the gap between them and the most powerful Supremes is huge.

It is easy for Lord Light Supreme to kill them. They will not even have a chance to escape.

Tian Qing Supreme was very nervous.

The arrival of Lord Light Supreme was cold and cold. Bing stared at him,

He guessed that the Supreme of Light had detected his aura before coming, and the Supreme of Light might come to kill him.

Hongmeng Crystal?

Tianqing Supreme didn't know whether the Supreme of Light would spare his life if he exchanged his life for the Hongmeng Crystal.

The Supreme of Light said in a lukewarm tone, "No need to be polite, you can leave now."

Raksha Supreme and the others looked at each other,

They wanted to know what treasures were in Tianduan Mountain. The Supreme of Light asked them to leave now. If they dared to disobey the Supreme of Light, the Supreme of Light would probably kill them.

The Supreme of Heaven bowed and saluted, "Supreme of Light, there may be treasures in Tianduan Mountain. We don't want the treasures. Can we go and check what the treasures are?"

The Supreme of Light ignored the Supreme of Heaven. She looked at Bingxueyu and her face turned cold,

The Supreme of Jiuyou?

Her previous perception was correct,

Supreme Nine Netherworld is indeed here,

Is the mortal enemy hiding in the Ice and Snow Region to watch the show? Supreme Light will not let Supreme Nine Netherworld watch the show.

"Supreme Nine Netherworld, are you hiding and afraid to see people? Or are you afraid to come to see me?".

Chapter 3134

Supreme Lord of Heaven and Supreme Sky, Supreme Sea, Supreme Titan, they were all frightened.

Supreme Nine Nether? .

Supreme Nine Nether was hiding around?

They didn't even detect any breath.

Hongmeng Supreme Supreme was too powerful and too terrifying. The gap between them and the Supreme was not even a little bit.

The Fall of Supreme Taihao

They also understood who killed Supreme Taihao.

Supreme Taihao probably offended Supreme Nine Nether, so he was completely annihilated by a single blow from Supreme Nine Nether.

Supreme Rakshasa and Supreme Charm were not surprised.

They knew that Supreme Nine Nether was in the Ice and Snow Region, and they also knew that Supreme Nine Nether didn't want to be exposed.

Now,

Supreme Light discovered that Supreme Nine Nether was hiding in the Ice and Snow Region. I don't know if the two strongest Supremes will fight.

The Supreme Lord of Light and the Supreme Lord of Nine Netherworld are at odds with each other. They are mortal enemies.

One is a saint,

The other is a witch,

One is good and the other is evil,

The Supreme Lord of Charm asked the Supreme Lord of Rakshasa, [Supreme Lord of Rakshasa, will the Supreme Lord of Light and the Supreme Lord of Nine Netherworld fight?]

The Supreme Lord of Rakshasa touched his fair chin and guessed, [I don't know, but there is an 80% chance that they will fight. After all, they are mortal enemies. They don't care about each other.]

[Should we leave?]

[Wait and see. The Supreme Lord of Nine Netherworld and I are familiar with each other. If the Supreme Lord of Nine Netherworld comes, I will let the Supreme Lord of Nine Netherworld agree that we go to check Tianduan Mountain.]

[That's good. By the way, Supreme Lord of Rakshasa, why do you want to protect that little scum Su Chen?]

[Supreme Charm, I remind you once, don't provoke Su Chen, otherwise Supreme Nine Nether will crush you to death.]

Supreme Rakshasa glanced at Charm,

She found that Supreme Charm still had resentment towards Su Chen, and Supreme Charm might still want to attack Su Chen.

How can this be possible,

Although Supreme Rakshasa was also very angry with Su Chen,

But Su Chen was still useful to her,

Su Chen's daughter Su Yan would become her disciple, and Supreme Rakshasa would not let Supreme Charm attack Su Chen.

[I understand.]

Supreme Charm shook her head helplessly,

The little bastard was protected by Supreme Nine Nether, and she could not retaliate against the shameless little bastard.

But,

Why would Supreme Nine Nether protect Su Chen?

What use is Su Chen to Supreme Nine Nether?

A scumbag domain master,

Charming Supreme couldn't guess what use Su Chen had for Jiuyou Supreme.

And there was Raksha Supreme,

She found that Raksha Supreme was too tolerant of Su Chen. Su Chen mocked and scolded Raksha Supreme, but Raksha Supreme didn't get angry and attack.

Although Su Chen was protected by Jiuyou Supreme,

Raksha Supreme couldn't kill Su Chen,

But why didn't he teach the little bastard a lesson? Charming Supreme couldn't understand Raksha Supreme's strange behavior.

Ice and Snow Domain,

Su Chen smiled and looked up at the sky,

The Supreme Lord of Light mocked the Supreme Lord of Nine Netherworld and also mocked the Supreme Lord of Nine Netherworld for not daring to go over to see the Supreme Lord of Light. He wanted to know whether the Supreme Lord of Nine Netherworld would be angry and attack the Supreme Lord of Light.

Nannan found that Su Chen was looking up at the sky and smiling.

She asked in confusion, "Brother, is the Supreme Lord of Nine Netherworld in the Ice and Snow Region? He's still beside us.' ? "

Su Chen nodded and replied, "Yes, Jiuyou Supreme is hiding above us."

Su Yan appeared beside Su Chen in an instant and asked hurriedly, "Oh my god, Dad, I just used the Chaos Bell to attack Hongmeng Supreme. Did Jiuyou Supreme find out?"

"What do you think?"

"How should I know?"

"Little girl, you are so smart, how could you not know?"

Su Yan looked at the sky and blinked his big eyes and smiled, "Dad, Jiuyou Supreme knows, I guess Jiuyou Supreme will not tell Hongmeng Supreme who was attacked by me."

"You are courting death."

Su Chen was too lazy to pay attention to the little girl,

Taihao Supreme was killed by Su Yan with the Chaos Bell,

What the hell is he going to tell,

Su Chen asked the sky, "Jiuyou Supreme, you don't want to go over?"

Swoosh!

The Supreme Nine Netherworld instantly appeared beside Su Chen, "Little scum, do you want to laugh at me?"

Su Chen stared at the sexy body of the Supreme Nine Netherworld and smiled, "How is it possible? The Supreme Nine Netherworld is sexy and noble. I have admired you for a long time. How can I laugh at you?"

Damn it,

Every time I see the Supreme Nine Netherworld,

Su Chen impulsively wants to ravage the Supreme Nine Netherworld,

The Supreme Nine Netherworld is too sexy, too tempting, too charming, and the looming seductive body makes people look at the blood boiling. Su Chen can't help but want to take off the black gauze of the Supreme Nine Netherworld.

The Supreme Nine Netherworld shouted coldly, "Shut up, little scum, if you dare to talk nonsense to me again, I will let you taste the nine..."

"You have said the taste of the Nine Netherworld Purgatory many times." Su Chen interrupted the Supreme Nine Netherworld and said,

Won't the old woman threaten people?

Why do you always mention the Nine Nether Purgatory?

Is the Nine Nether Purgatory very dangerous and terrifying? Or is the punishment in the Nine Nether Supreme very terrifying and cruel?

"Shameless little bastard!"

The Nine Nether Supreme gave Su Chen a cold look,

She was too lazy to pay attention to the shameless bastard,

However,

Su Chen actually dared to say that she was sexy and noble, and even had the audacity to say that he had admired her for a long time,

The Nine Nether Supreme and Su Chen had only known each other for a hundred years,

How long is this?

Would a little bastard admire her?

Is a scumbag worthy of admiring her?

Nannan and Su Yan were both looking at Jiuyou Supreme. They were speechless when they heard the conversation between Su Chen and Jiuyou Supreme.

Su Chen's sister and daughter were beside him.

Su Chen shamelessly flirted with Jiuyou Supreme and even said that he had admired Jiuyou Supreme for a long time.

Su Yan smiled and sent a message to Nannan, [Aunt, you see, my father is the one who is asking for death.]

Nannan hurriedly grabbed SuYan said in a voice transmission, [Little girl, you should behave yourself now and never offend the Supreme Nine Nether.]

[I know, I won't commit suicide like my father.]

[Have you committed suicide enough?]

[Aunt~]

[Okay, stop being a spoiled child, let's listen to the conversation between your father and the Supreme Nine Nether.]

[(Great) Okay.]

After talking in a voice transmission with Su Yan, Nannan looked at Su Chen,

They wanted to know if Su Chen could handle the Supreme Nine Nether, and they also wanted to know if the Supreme Nine Nether would become Su Chen's woman, and whether he would become their sister-in-law (aunt).

Su Chen took out a pot of wine and drank it and asked, "" 「 Jiuyou Supreme, aren't you going to see Guangming Supreme?"

Jiuyou Supreme showed a disdainful expression and said, "Humph, if the Ice Cube Girl asked me to go, would I go?"

"Ice Cube Girl?"

"You can also call Guangming Supreme a scheming female handsome."

"Damn, I dare not, I still want to live a few more years."

Su Chen hurriedly shook his head,

Call Guangming Supreme a scheming woman?

Does he dare?

The Guangming Supreme is in the Dark Realm,

His conversation with Jiuyou Supreme, Guangming Supreme will hear it clearly, Su Chen does not want to be killed by Guangming Supreme, he has many sexy and attractive women and does not want to die early.

"Coward.".

Chapter 3135

The Supreme Nine Netherworld rolled his eyes at Su Chen.

She was just talking.

If Su Chen dared to call the Supreme Light Ice Girl or Scheming Girl, the Supreme Light would definitely crush Su Chen to death.

She couldn't protect Su Chen.

After all, the Supreme Light was the same as her.

The Supreme Nine Netherworld and the Supreme Light were evenly matched.

When they started fighting,

She had to fight the Supreme Light with all her heart. The Supreme Nine Netherworld couldn't be distracted to protect a scumbag.

Su Chen didn't care that the Supreme Nine Netherworld mocked him as a coward.

Facing the powerful and terrifying Supreme Hongmeng,

Su Chen was just a little scumbag, a little ant. He wouldn't commit suicide by offending the Supreme Light.

"Supreme Lord Jiuyou, can we discuss something?"

Supreme Lord Jiuyou narrowed his eyes and asked, "Tell me!"

Su Chen pointed to the Dark Domain and said, "There should be treasures in Tianduan Mountain in the Dark Domain. I want to enter "053" to check it out. If there are treasures, I can share them with you after taking them out."

"Dream on, if there are treasures in Tianduan Mountain, can't I take them myself? Why should I share them with you?"

"Supreme Lord Jiuyou, you have to understand that when you had the opportunity to get the treasures in Tianduan Mountain before, those Hongmeng Supremes did not dare to stop you. The Supreme Lord of Light is now You and the Supreme of Light are still enemies. Do you think the Supreme of Light will let you get the treasures in Tianduan Mountain? "

"Hmm?"

The Supreme of Jiuyou felt that what Su Chen said was right.

She was wrong.

If the Supreme of Jiuyou had not been in the Ice and Snow Region to watch the fun, she would have gone to Tianduan Mountain to take away the treasures early in the morning. The seven Hongmeng Supremes did not want to die, so they did not dare to stop her.

The Supreme of Light has arrived now.

The Ice Girl has been against her all the time.

If the Supreme of Jiuyou went to take the treasures in Tianduan Mountain, the Supreme of Light would definitely stop her.

"Little scum, won't I cooperate with the Supreme Rakshasa? As long as I can contain the Supreme Light, the Supreme Rakshasa can go to Tianduan Mountain to take away the treasure. Why should I cooperate with a little scum like you?"

"Just pretend I didn't say anything!"

Su Chen glanced at the Supreme Nine Nether walking towards Su Yan and Nannan. He wanted to put the two women into the time and space barrier.

The treasure of Tianduan Mountain in the dark domain,

Su Chen will not give up.

The Supreme Light and the Supreme Nine Nether will drive away the other Hongmengs. Su Chen will wait for the Supreme Light and the Supreme Nine Nether to fight. He will sneak into Tianduan Mountain to find the treasure.

[Little scum gave up?]

The Supreme Nine Nether frowned when she saw Su Chen walking to the side. She didn't expect Su Chen didn't beg her again.

Did Su Chen give up?

Or is there another conspiracy?

Jiuyou Supreme thought that Su Chen was causing trouble everywhere and constantly courting death. She didn't believe that Su Chen would give up.

Su Chen never left here.

The battle of the seven Hongmeng Supremes.

Su Chen also stayed to resist the aftermath of the battle of Hongmeng Supreme. Xiao Zha Zha seemed to care a lot about the treasures in Tianduan Mountain.

[Xiao Zha Zha is too weirdStrange, he may have some conspiracy, and Xiao Zha Zha may also know what the treasure in Tianduan Mountain is. What should I do? Should I take Xiao Zha Zha to the Dark Domain?]

"Hmph!"

Jiuyou Supreme thought and snorted coldly and disappeared in an instant. She left a mark of the soul on Su Chen.

Xiao Zha Zha's every move will be monitored by her.

Jiuyou Supreme wants to see how Su Chen sneaked into Tianduan Mountain. She also wants to know what secrets Su Chen has.

At this moment,

Dark Domain,

Light Supreme has a cold face and can't figure it out.

Jiuyou Supreme appears and talks to Xiao Zha Zha. Xiao Zha Zha talks to Jiuyou Supreme in an equal tone. Xiao Zha Zha even looks at Jiuyou Supreme's body openly.

Who is Xiao Zha Zha?

What is the relationship between him and Jiuyou Supreme?

Is Jiuyou Supreme looking for a Taoist partner because of his love? But why would you want to find a little scumbag as a Taoist partner?

Something is wrong!

The Supreme of Light guessed that the Supreme of Nine Netherworld would not find a Taoist partner, let alone a scumbag.

There is something wrong with the little scumbag,

There may also be something weird.

The corner of the Supreme of Light's mouth curled up and thought,

[Interesting, since the Supreme of Nine Netherworld cares about the little scumbag, the little scumbag may be the weakness of the Supreme of Nine Netherworld, coquettish girl, your weakness has been discovered by me, and you will definitely lose in the future contest.]

Swoosh!

The Supreme of Nine Netherworld instantly appeared opposite the Supreme of Light, and she and the Supreme of Light stared at each other face to face.

"The Supreme of Heaven has met the Supreme of Nine Netherworld!"

"The Supreme of Titan has met the Supreme of Nine Netherworld!"

"The Supreme of Charm has met the Supreme of Nine Netherworld!"

.....

After the six Hongmeng Supremes paid their respects to Jiuyou Supreme, they looked at the two Supremes and dared not breathe.

The Light Supreme could destroy them all.

The Jiuyou Supreme has also arrived.

The two strongest Supremes appeared beside them at the same time. Some Hongmeng Supremes wanted to leave anxiously.. ..

Tianqing Supreme was desperate.

He was dead this time.

Tianqing Supreme wanted to use Hongmeng Crystal to let Light Supreme spare his life.

Jiuyou Supreme has arrived now.

If he dared to give Light Supreme Hongmeng Crystal, Jiuyou Supreme would be angry and kill him. If he did not give Light Supreme Hongmeng Crystal, Light Supreme would definitely kill him.

This was a dead end.

Tianqing Supreme would be killed if he offended any of the strongest Supremes.

The Supreme of Light stared at the Supreme of Nine Netherworld for a while, then turned back and said coldly, "Except for the Supreme of Tianqing, all other Supremes must leave, or they will die."

Swish, swish, swish~

The Supreme of Heaven and the Supreme of Charm, the Supreme of Titan, the Supreme of Sea, the Supreme of Rakshasa, the five great Hongmeng Supremes disappeared without hesitation. They would not stay and be killed by the Supreme of Light.

The Supreme of Nine Netherworld showed a disdainful look and sneered, "Ice Girl, you are quite impressive."

The Supreme of Light also sneered coldly, "Flirtatious girl, you still look like you don't love yourself. You dare to show up in revealing tulle. Your face is getting thicker and thicker."

"Hmph, I'm willing."

"Flirtatious!"

Jiuyou Supreme stretched out his perfect body,

said maliciously,

"I'm flirty? What about you? Do you still remember your first light armor? Ice girl, let me tell you a piece of news. Your first light armor was taken by a man, and he did dirty things to your light armor every day. Your innocence has been tarnished."

Boom!

The Supreme Light suddenly burst out with a terrifying aura and asked angrily, "Saucy girl, who has my Light Armor?"

The Supreme Light was very angry.

It has been more than five epochs.

After her first Light Armor was lost silently, she did not find any information for more than five epochs, and she could not sense the breath of Light Armor.

Although the first Light Armor was a rubbish spiritual treasure, it was of great significance to the Supreme Light. The Supreme Light would not let her Light Armor fall into the hands of anyone.

"Tell you? Do you think it's possible? Ice girl, don't forget that we are mortal enemies. You look noble and noble all day long. I wish your body would be defiled."

Chapter 3136

The Supreme Nine Netherworld stroked her hair and smiled.

The angrier the Supreme Light was, the happier she was. She wished the Supreme Light would be angered to death.

The Supreme of Light burst out with fighting spirit and threatened in a cold voice, "Supreme of Nine Netherworld, if you don't want me to slaughter your Nine Netherworld, I advise you to tell me who has my Light Armor."

The Supreme of Nine Netherworld also burst out with fighting spirit and threatened, "Supreme of Light, you can try. If you dare to slaughter my Nine Netherworld, I can also slaughter your Light Heaven."

"You really won't tell me?"

"No!".

"Flirtatious girl, you pissed me off."

"Ice girl, what if I pissed you off?"

Next to him,

The Supreme of Tianqing couldn't even straighten his waist due to the two great pressures,

It was too terrifying,

It was too scary,

The Supreme of Tianqing's cultivation was almost close to the Supreme Realm,

But when facing the real Supreme Realm, the Supreme of Tianqing couldn't even resist the terrifying fighting spirit pressure.

Cannot escape,

Really cannot escape,

If Supreme Tianqing dares to escape,

He will probably be caught up in a few breaths,

Supreme Tianqing may also be killed silently in an instant, just like Supreme Jiuyou killed Supreme Taihao.

He died silently,

He didn't know who killed him until he died.

Ice and Snow Region,

On the Snow Mountain,

Su Chen had just put Su Yan and Nannan into the space-time barrier,

Supreme Luosha and Supreme Meihuo appeared beside him in an instant, and Su Chen didn't have time to ask them,

The Dark Region erupted with fighting pressure,

Fortunately, this terrifying pressure was controlled in the Dark Region,

Otherwise,

Su Chen would be instantly torn apart and destroyed by the two fighting pressures.

"You were driven out of the Dark Domain?"

When the Supreme Charm heard Su Chen's mocking words, he shouted angrily, "Little ant, do you want to die?"

"Little scum, you are really courting death." The Supreme Rakshasa rolled his eyes at Su Chen speechlessly,

Su Chen is just a scum in the Domain Lord Realm,

Mocking the two Hongmeng Supremes?

Su Chen is really very courageous, is the little scum courting death because he wants to die early and be reborn early?

Su Chen curled his lips and smiled, "I'm just telling the truth, Charm Supreme, weren't you driven out of the Dark Domain?"

"Little ant, I can't stand you anymore."

"I'm coming, Charm Supreme, please speak clearly, what can't you stand me? What you said will make others think about it."

"Huh? Think about it?"

Charm Supreme was confused,

How could her words make others think about it? Charm Supreme couldn't stand Su Chen's ridicule, couldn't stand Su Chen's rampant, isn't it right that she couldn't stand it?

Rakshasa Supreme glanced at Su Chen,

Little scum is too shameless,

Too shameless,

Charm Supreme said that she couldn't stand SuChen's ridicule, the little scumbag actually shamelessly talked about the relationship between men and women,

But,

Rakshasa Supreme suddenly thought,

If Su Chen and Charming Supreme were Taoist partners,

Can a Domain Lord conquer Hongmeng Supreme?

In the process of adultery,

Will Charming Supreme be unable to tolerate Su Chen's harm? Will Charming Supreme be defeated by Su Chen in the process of adultery?

Su Chen was a little surprised to see Charming Supreme in a daze,

Damn it,

Charming Supreme was wearing revealing clothes, seductive and alluring, and was always seducing men, as if she was a fickle woman. Doesn't Charming Supreme understand the relationship between men and women?

Cough cough cough~

Su Chen pretended to cough and said to the Supreme Rakshasa, "Supreme Rakshasa, let's cooperate."

Supreme Rakshasa asked in confusion, "Cooperate on what?"

"The treasure in Tianduan Mountain, I guess it's not the Hongmeng Spiritual Liquid, it may be a treasure more precious than the Hongmeng Spiritual Liquid. Let's cooperate to steal the treasure in Tianduan Mountain."

"Little scum, you can die if you want. I don't want to die with you, nor do I want to be crushed to death by the two most powerful supremes."

Supreme Rakshasa had nothing to say about Su Chen's suicide.

There are two most powerful supremes in the Dark Domain.

Little scum dared to steal the treasure in Tianduan Mountain. Supreme Rakshasa would not die like Su Chen.

Su Chen curled his lips and laughed, "You are so cowardly, you are still the Supreme of Hongmeng."

The Supreme of Luosha looked at him coldly, "Little scum, don't provoke me, I won't be like you and seek death."

The Supreme of Charm opened his eyes wide with an incredible expression,

She was just confused for a while thinking about what Su Chen said, the Supreme of Charm didn't expect Su Chen to be so bold,

There are two Supreme Supremes in the Dark Domain,

Nine of the six Supremes of Hongmeng dare not disobey the Supreme Supreme,

The Supreme of Light threatened,

The Supremes of Hongmeng gave up their treasures and left quickly, Su Chen actually wanted to steal the treasures in Tianduan Mountain.

Too stupid,

Too ignorant of life and death,

The Supreme of Charm guessed that Su Chen would die without a burial place, and the Supreme of Jiuyou might not be able to save Su Chen.

Su Chen glanced at the Supreme Rakshasa drinking wine, he looked at the Dark Domain Tianduan Mountain thinking,

It's time to make a decision,

The Supreme Light and the Supreme Nine Nether are confronting each other,

The Supreme Tianqing dared not move beside,

Now is the opportunity to sneak into Tianduan Mountain,

If the two strongest supremes fight, Su Chen will not be able to get close to the terrifying fighting aura.

Swoosh,

The female zombie appeared instantly and saluted, "Master!"

Su Chen waved his hand to put the female zombie into the time and space barrier, he looked at the Supreme Rakshasa and the Supreme Charm disappeared instantly.

The Supreme Charm checked Su Chen and asked in surprise, "Supreme Rakshasa, did the little ant really go to Tianduan Mountain to steal treasures?"

"The little scum is too good at killing."

The Supreme Rakshasa was angry and shook his hands,

420

She just forgot about Su Yan,

Su Chen must have brought Su Yan with him,

Damn it,

If Su Chen was discovered and killed by the Supreme of Light, Su Yan would probably be affected and killed as well.

Charming Supreme stretched his concave body, smiled and asked, "Raksha Supreme, do you think Su Chen will be killed by Light Supreme before he reaches the Dark Realm?"

Raksha Supreme touched his fair chin and shook his head, "It shouldn't happen. Jiuyou Supreme found that Su Chen would protect him. Light Supreme can't kill Su Chen for a while. It's hard to say in the future."

"That's right. If Jiuyou Supreme protects Su Chen with all his strength, it will be very difficult for Light Supreme to kill Su Chen. However, Jiuyou Supreme is also facing the strongest Supreme. She can't protect Su Chen with all her strength."

"Let's see. If Jiuyou Supreme doesn't protect Su Chen with all his strength, Xiao Zha Zha will be dead."

At this time!

Su Chen appeared silently at the foot of Tianduan Mountain. He checked the surroundings and disappeared instantly.

"Hmm?"

Jiuyou Supreme suddenly sensed the reminder from his soul,

She was confused while looking at it,

Su Chen actually came to the Dark Domain secretly, and the little scumbag didn't know whether to live or die and sneaked into Tianduan Mountain.

[Damn little scumbag, too suicidal, too ignorant of life and death, alas, I should help the little scumbag, I can't let the Supreme of Light find out that the little scumbag sneaked into Tianduan Mountain.] .

Chapter 3137

Tianduan Mountain,

Su Chen sneaked into Tianduan Mountain to look for treasures,

He didn't dare to use his magic power for fear of exposing his breath, and he didn't dare to use his soul to check the surroundings. The law of space could cover his breath, and Su Chen had to be careful not to be discovered by the two old women.

A quarter of an hour later,

Su Chen was looking for a place with abundant Hongmeng spiritual energy, and he sensed that there was something strange in Tianduan Mountain.

"Tianduan Mountain can actually block the soul from viewing. No wonder Tianqing Supreme has not been discovered by other Hongmeng Supremes for an era. The treasures here must be extraordinary."

Su Chen became much bolder.

Tianduan Mountain can block the soul from viewing.

He didn't have to worry about being discovered by the two old women. Su Chen used his soul to check the surroundings at this moment.

"Huh? How come there are still living creatures in Tianduan Mountain?"

Xiao Yu was very confused when he found the breath of living creatures.

Isn't there only Tianqing Supreme in Tianduan Mountain? How come there are breaths of other living creatures here?

"Oh my god, what's going on?" Su Chen was shocked when he saw the creatures in Tianduan Mountain.

There was a space cage in Tianduan Mountain, and it was an independent small space cage.

There were thousands of creatures in the cage,

They were all female creatures,

The creatures were sealed in their cultivation. Not only were they naked, but they were also covered with scars and marks of whipping all over their bodies. They seemed to be whipped and tortured frequently.

Swoosh!

Su Chen instantly entered the small space cage. He looked at the women with lifeless eyes and shook his head.

These women may have been imprisoned for countless years.

They were tortured to the point of not having any spirituality.

Su Chen asked these poor women, "Are you all the creatures captured by Tian Qing Supreme?"

When the women in the cage heard Su Chen's voice, all the women huddled together in panic. They looked at Su Chen with fear in their eyes, as if Su Chen was a demon from hell.

A woman covered her chest and asked hoarsely, "Who are you, senior?"

Su Chen waved his hand and said, "You don't have to be afraid. Tian Qing Supreme was captured by other Hong Meng Supremes. He can't survive. You are all free. I will release your sealed cultivation."

"Senior, are you telling the truth?"

"I didn't lie to you. If Tian Qing Supreme hadn't been captured, do you think I would dare to appear here?"

"Senior, please save us. We were captured by Tian Qing Supreme and are coming soon. In an era, Tian Qing Supreme tortured us every once in a while, and some women were tortured to death by Tian Qing Supreme. "

"I will first remove your sealed cultivation. Don't make a big noise. There are two Hongmeng Supremes above Tianduan Mountain. Don't let other Hongmeng Supremes find you."

"Senior, we understand."

Su Chen began to remove the seals of the women one by one.

These women are too pitiful,

covered with scars,

new and old wounds overlapped Together,

They had no mana to recover from their physical injuries. Like ordinary people, they not only suffered physical pain, but also mental and spiritual torture.

"Thank you, senior!"

"Thank you, senior!"

"Thank you, senior!"

.....

The women who were unsealed thanked Su Chen one after another. They then quickly transformed into dresses and put them on to heal their wounds.

Half an hour later,

More than 1,200 women were unsealed by Su Chen.

These women did not cry loudly, nor did they use mana to leave. All the women sat on the ground, recovering their mana while practicing qigong to heal their wounds.

The woman who spoke earlier walked up to Su Chen and saluted, "Senior, there should be women around who were captured by Supreme Tianqing."

Su Chen asked in surprise, "What? There are space cages around? Are you telling the truth?"

The woman gnashed her silver teeth and said angrily,

"Senior, when I was tortured by Supreme Tianqing, he said that the women here are much more durable than the women in Space No. 3. Half of the women in Space No. 3 were tortured to death, and we still have more than a thousand women here."

"Space No. 3? Which space are you here? How many women are there in one space?"

"We are in Space No. 6, and there are two thousand female spirits in one space."

Su Chen opened his eyes wide in shock,

There are two thousand women in one space,

This is Space No. 6,

There are more than one thousand two hundred women left in Space No. 6, and almost half of the women are dead.

What the hell,

How many female spirits did Supreme Tian Qing capture, and why did he torture the captured female spirits?

Humiliation?

Or perverted torture?

Su Chen looked at the female spirits around him,

Most of them were in the Saint Realm,

Some were in the Emperor Realm,

None of these women were in the Dao Realm or the Domain Lord Realm, and their strength could be said to be scum.

"Wait for me in the space, I'll go find other space cages."

The woman knelt down hurriedly and said, "Senior, we're waiting for you here, and I hope you can take us away from here."

All the women around also knelt down,

They were worried that Su Chen would never come back. Although they were restored to their cultivation realm by Su Chen,

It was almost an epoch,

They didn't know what was going on outside, and they were also worried that they would be captured or killed by other creatures after they went out.

Su Chen nodded to the women and replied, "Don't worry, since I saved you, I will take you away."

"Thank you, senior."

At this time,

Above Tianduan Mountain,

Jiuyou Supreme used the soul mark left on Su Chen, and she also checked the women imprisoned by Tianqing Supreme,

She stared at Tianqing Supreme with cold eyes,

Tianqing Supreme deserved to die,

or die. It's not a pity,

Jiuyou Supreme wants to kill Tianqing Supreme cruelly.

Guangming Supreme discovered Jiuyou Supreme's killing intention towards Tianqing Supreme,

She hurriedly said, "Flirtatious girl, Tianqing Supreme is my prey, you are not allowed to snatch the prey from me."

"Ice Cube Girl, if you want me not to snatch the prey from you, you have to kill Tianqing Supreme in the most cruel way."

"Okay, Tianqing Supreme escaped from my hands last era. He committed many evil deeds, destroyed countless regions and worlds, and slaughtered billions of lives. I will kill him in the most cruel way."

"Okay, you kill Tianqing Supreme first, and we will talk about our grievances later."

"Give me a month, Fengsao girl, you are not allowed to enter Tianduan Mountain to check within a month, otherwise I will not coexist with you."

"Got it."

Swoosh!

Tian Qing Supreme fled quickly.

If he stayed, he would surely die.

Escape would also surely lead to death.

But there was still a glimmer of hope. In order to survive, Tian Qing Supreme could only try to escape.

"Escape? Where can you escape to?".

Chapter 3138

Jiuyou Supreme created a throne and sat on it leisurely.

Light Supreme went to kill Tianqing Supreme, and Ice Girl wanted to kill Tianqing Supreme cruelly.

One month?

Jiuyou Supreme thought of the light punishment of Light Supreme.

Tianqing Supreme would probably die miserably. The light punishment of Light Supreme was the heaviest punishment for those who committed serious sins.

Jiuyou Supreme raised his lips and whispered,

"What treasures will there be in Tianduan Mountain? Little scum, I have bought you a month. If you find the treasure, I will get 80% of it, otherwise I will beat you to death."

Ten days later,

In Tianduan Mountain,

Su Chen's face was very ugly,

Thirteen space cages?

These days,

He found thirteen space cages in Tianduan Mountain. The maximum number of female spirits imprisoned was more than a thousand, and the minimum number was only five or six hundred. All the female spirits were tortured and covered with bruises.

Tian Qing Supreme is a pervert,

He is a complete lunatic.

But it is strange,

Tian Qing Supreme stripped the female spirits one by one and sealed their cultivation. Why did he only whip and torture the imprisoned female spirits? Why didn't he humiliate and torture the female spirits?

Does Tian Qing Supreme not have that function?

Is he perverted and tortured the female spirits because he is a eunuch?

But,

Tian Qing Supreme is the terrifying Hongmeng Supreme of the Hongmeng World. He can't be a eunuch, right?

I can't figure it out,

Su Chen rubbed his forehead and whispered, "There are quite a few female spirits. How should we arrange them in the future? Should we arrange them in the Ice and Snow Region? Or in the Far North Region?"

In the No. 6 space cage,

More than 10,000 female spirits sat together to recover their mana and injuries. They looked at Su Chen from time to time.

Su Chen saved them,

What about the future,

They have been imprisoned for almost an era, and their tribesmen may have been wiped out. They are all very weak creatures, and they are also worried that Su Chen will no longer take care of them in the future.

A fox girl from the Emperor Realm saluted Su Chen and said, "Senior, have you found any other space cages~" ?"

Su Chen drank and shook his head, "No, I checked the surroundings, there are no other space cages."

The fox girl thought for a while and reminded, "Senior, when Tian Qing Supreme tortured me, he said something about Hongmeng Crystal. He stayed in Tianduan Mountain for almost an era and didn't leave. It seems that he did it for Hongmeng Crystal."

"Hongmeng Crystal?"

Su Chen was very surprised to hear the fox girl's words.

He knew Hongmeng Spiritual Liquid.

What is Hongmeng Crystal?

Is Hongmeng Crystal a treasure more precious than Hongmeng Spiritual Liquid?

[Little scum, Hongmeng Crystal is thousands of times more precious than Hongmeng Spiritual Liquid. A small piece of Hongmeng Crystal is comparable to a hundred pots of Hongmeng Spiritual Liquid. Little scum, after you find the Hongmeng Crystal, I will take 80% of it.]

Su Chen was suddenly stunned when he heard the voice transmission from Jiuyou Supreme,

What the hell,

The Supreme Nine Netherworld has been spying on him?

Damn old woman,

Su Chen sneaked into Tianduan Mountain. He used the laws of space and time to hide his breath. Tianduan Mountain also blocked the soul from observation. How did the Supreme Nine Netherworld find him?

[Little scum, don't be confused. I left a soul mark on you. Your every move is under my surveillance.]

Damn it!

Su Chen wanted to kill the Supreme Nine Netherworld with a black face,

Too insidious,

The Supreme Nine Netherworld actually left a soul mark on him. No wonder the old woman can check everything in Tianduan Mountain.

The fox girl noticed Su Chen's ugly face and asked in confusion, "Senior, what's wrong with you?"

"Huh! Nothing, I'm thinking about something." Su Chen waved his hand to the fox girl with a black face,

What's wrong?

Can he say that he was spied on by Jiuyou Supreme?

Can he say that he was blackmailed by Jiuyou Supreme just now?

You want 80% of Hongmeng Crystal?

The old woman is really asking for too much.

"No, if Tianqing Supreme had Hongmeng Crystal, why didn't he take it away after being discovered?"

Su Chen suddenly felt very strange,

Why didn't Tianqing Supreme take Hongmeng Crystal away after being exposed? Why did he stay in Tianduan Mountain?

Also,

If there was really Hongmeng Crystal in Tianduan Mountain, why didn't Tianqing Supreme put it away?

Can't Hongmeng Crystal be put away?

Or is it that Hongmeng Crystal is protected by a ban and cannot be put away?

"System, what is Hongmeng Crystal? Is there anything special about it?"

[Ding, Hongmeng Crystal is a crystal formed by Hongmeng Spiritual Liquid. It takes dozens of epochs of Hongmeng Spiritual Liquid to form Hongmeng Crystal. Hongmeng Crystal is very special and cannot be moved or collected.]

Oh my god,

Hongmeng Crystal formed by Hongmeng Spiritual Liquid? No wonder the old woman said that Hongmeng Crystal is a million times more precious than Hongmeng Spiritual Liquid.

What the hell!

Cannot be moved?

Cannot be collected?

This is troublesome.

Cannot be collected.

Hongmeng Crystal is a time bomb.

Not to mention the Supreme Nine Netherworld,

The Supreme Light will definitely come to Tianduan Mountain to check.

Even if Su Chen finds the Hongmeng Crystal, it will be useless if he can't take it away. The Hongmeng Crystal will eventually be divided equally between the two old women. He has risked his life in vain this time.

Su Chen sat beside him and said dejectedly,

"“I System, Jiuyou Supreme left a mark of his soul on me, why didn't you remind me? Why didn't you help me cover or remove Jiuyou Supreme's mark of his soul?"

[Ding, Jiuyou Supreme will not harm you.]

Su Chen asked in confusion, "How do you know? I was just blackmailed by Jiuyou Supreme."

[Ding, stupid host.]

[If Jiuyou Supreme hadn't helped you, could you have stayed in Tianduan Mountain for ten days? Jiuyou Supreme sent Guangming Supreme away for a month, no one can find you in Tianduan Mountain within a month.]

Su Chen was very surprised,

Jiuyou Supreme is actually helping him?

The old woman also sent Guangming Supreme away for a month?

Su Chen couldn't figure it out,

(Wang Nuo Zhao)

What is the purpose of Jiuyou Supreme doing this? To continue blackmailing him? Or is Jiuyou Supreme really helping him?

The fox girl discussed with dozens of women in the Emperor Realm for a while,

She knelt down in front of Su Chen and said,

"Senior, we are all women with weak cultivation, and we have been imprisoned by Supreme Tianqing for almost an epoch. We don't know the situation outside, please take us in."

"Please take us in." Dozens of women in the Emperor Realm knelt down and begged in unison to Su Chen,

"Please take us in."

Tens of thousands of female spirits around also knelt down to Su Chen,

Su Chen is the domain master,

They are all weak creatures,

Hongmeng World is a world of the jungle, very cruel, they cannot survive in Hongmeng World without the protection of the strong.

If Su Chen does not take them in and protect them,

What awaits them may be slaughter, enslavement, capture, ravage and destruction, or even being eaten as food.

Chapter 3139

Su Chen was speechless when he saw the female spirits.

Take them in?

In addition to several female legions in his space-time barrier, Su Yan also prepared millions of fairies for her.

After the female giant incident,.

Su Chen did not plan to take in the creatures of the Hongmeng World as his subordinates unless he had the ability to protect the Chaos World in the future.

Su Chen stood up and waved his hand, saying, "All of you get up. I will arrange you in my women's realm. You will be very safe in my women's realm."

"Thank you, senior."

"Thank you, senior."

"Thank you, senior!"

The fox girl and tens of thousands of female spirits thanked Su Chen one after another.

Su Chen could arrange their future survival.

They all put down their worries.

At least,

They will not be helpless in the future.

They have the protection of Su Chen's women, and they will not be slaughtered, destroyed, enslaved, humiliated, or eaten.

"We will collect you first, and then place you in the Far North Region."

"Senior, we understand."

"Collect!"

Su Chen waved his hand and collected tens of thousands of female souls into the space-time barrier.

He didn't have much time to waste.

The Supreme of Light will be back in twenty days, and Su Chen must find the Hongmeng Crystal in Tianduan Mountain as soon as possible.

Although the Hongmeng Crystal cannot be collected,

it cannot be moved,

but Su Chen has a cheating system, and he doesn't believe that the system girl can't handle the Hongmeng Crystal.

"Continue to look for the Hongmeng Crystal."

At this time,

Ice and Snow Region,

Charming Supreme and Luosha Supreme were checking Tianduan Mountain.

They could only check the surface of Tianduan Mountain.

The interior of Tianduan Mountain was isolated from the Yuanshen, and they could not check Su Chen's situation in Tianduan Mountain.

Rakshasa Supreme frowned and said, "Tianduan Mountain is very strange. Our Yuanshen cannot see the internal situation."

Charming Supreme put one hand on her waist and explained,

"Rakshasa Supreme."

"I couldn't see the inside of Tianduan Mountain in the Dark Domain before, and other Hongmeng Supremes couldn't see it either."

"Our Hongmeng Supreme thought that there was Hongmeng Spirit Liquid in Tianduan Mountain at first, but later guessed that it was not Hongmeng Spirit Liquid. There should be treasures more precious than Hongmeng Spirit Liquid in Tianduan Mountain."

Rakshasa Supreme nodded and said in confusion, "Little scumbag, come in. Ten days have passed since I entered Tianduan Mountain, and I don't know if Xiao Zha Zha has found the treasure. "

"Xiao Zha Zha is too suicidal. Supreme Light is chasing Supreme Tianqing, and Supreme Jiuyou has been hovering over Tianduan Mountain. Supreme Luosha, do you think Supreme Jiuyou will find Xiao Zha Zha sneaking into Tianduan Mountain?"

"Supreme Jiuyou should have found it. Did you find it? Supreme Jiuyou has been staring at Tianduan Mountain. Supreme Light is chasing Supreme Tianqing. It stands to reason that Supreme Jiuyou will enter Tianduan Mountain to look for treasures. Why do you think Supreme Jiuyou didn't go to look for treasures?"

Supreme Charm asked with eyes wide open, "Rakshasa Supreme, do you mean that Jiuyou Supreme has contacted Su Chen? Jiuyou Supreme is protecting Su Chen from being discovered by Guangming Supreme?"

"Yes, Xiao Zha Zha and Jiuyou Supreme have a special relationship. Jiuyou Supreme will not watch Xiao Zha Zha get into trouble."

"Special relationship?"

Charm Supreme was very confused.

What kind of special relationship?

Could it be?

Could it be that Jiuyou Supreme and Su Chen are Taoist companions?

No,

Impossible,

Jiuyou Supreme is the ceiling of the Hongmeng World. Jiuyou Supreme cannot find Xiao Zha Zha as a Taoist companion.

Charming Supreme thought she was crazy,

How could she have thought that Jiuyou Supreme and Su Chen would be a Taoist couple,

Even if it was her,

She would never find a small scumbag as a Taoist couple,

No,

She might find a Taoist couple in her lifetime,

She wanted to become the top existence in the Hongmeng World, and a Taoist couple would only affect her cultivation and her strong obsession.

Rakshasa Supreme sat on a huge block of ice with his white thighs raised, "Charming Supreme, aren't you leaving?"

"Leave? Why should I leave?"

"There are Nine Nether Supreme and Light Supreme in the Dark Domain. It's meaningless for you to stay. You should go back to your palace to practice."

"Rakshasa Supreme, why don't you leave?"

"Su Chen's daughter is my disciple. The little scum took his daughter away. I will take my disciple away in a while."

Charming Supreme showed a surprised expression and shouted, "What? Su Chen's daughter is your disciple? You actually accepted a scum Saint Realm, and he was just promoted to the Saint Realm."

Rakshasa Supreme curled his lips and sneered,

"Scum? Do you know how old Su Yan is? Su Yan is only over a hundred years old, and Su Chen has been promoted to the Domain Lord Realm before he is two hundred years old. Do you understand what kind of cultivation talent this is?"

... 0Please ask for flowers.....

The Supreme Charm shook his head in disbelief, "Impossible, how can he advance to the Domain Lord Realm before he is 200 years old?"

The Supreme Rakshasa glanced at the Supreme Charm and continued, "Supreme Charm, I will tell you another secret. When Su Chen came to the Hongmeng World, he was only in the Saint Realm."

"In just over a hundred years, Su Chen quickly advanced to the Domain Lord Realm. He killed four or five Domain Lords in the Dao Realm.

"Su Chen has a promising future."

"As long as he doesn't die unexpectedly in the future, Xiao Zha Zha will definitely become the new Hongmeng Supreme. "

Rakshasa Supreme said this with a very bad heart,

Su Chen was originally hers,

but was snatched away by Jiuyou Supreme,

.....

A genius with excellent cultivation talent, a future powerful subordinate, a future Hongmeng Supreme, Rakshasa Supreme could only watch him being snatched away by Jiuyou Supreme,

Fortunately, she still had Su Yan,

Su Yan's father was able to rapidly promoted, Luosha Supreme believed that Su Yan would be the same as her father.

"Too scary, promoted to the Domain Lord Realm for more than a hundred years? He killed four or five Domain Lords in the Dao Realm?"

Charming Supreme was completely stunned,

A promising future?

Su Chen is more than promising in the future,

Promoted to the Domain Lord Realm for more than a hundred years? He killed four or five Domain Lords in the Dao Realm?

Is Su Chen going against the will of heaven?

Charming Supreme understood,

She understood that Jiuyou Supreme would protect Su Chen, and she also understood why Jiuyou Supreme cared about Su Chen,

Su Chen's cultivation talent deserved Jiuyou Supreme to treat him like this.

Future Hongmeng Supreme?

Su Chen can be promoted to the Domain Lord Realm for more than a hundred years,

What about a thousand years?

What about ten thousand years?

What about a million years?

Su Chen will probably be the youngest Hongmeng Supreme in the future, and Jiuyou Supreme should become a Taoist partner with Su Chen.

At this time,

In Tianduan Mountain,

Su Chen also found the Hongmeng Crystal,

In a green barrier,

The hexagonal green crystal emitting green light is dazzling, and it is also very exquisite and beautiful.

"The hexagonal Hongmeng Crystal is missing a corner, and the missing corner should be wasted by Tianqing Supreme."

[Little scum, try to see if you can collect the Hongmeng Crystal.] Corpse.

Chapter 3140

Su Chen curled his lips when he heard the voice transmission from Jiuyou Supreme.

The old woman was spying on him all the time. I wonder if Jiuyou spied on his love affair with the female zombie.

Su Chen communicated with the system, "System girl, get up."

"Girl, your handsome man is in trouble and needs your help."

"Girl?"

"I'll help you, girl. If you don't say anything, I will... divorce you."

[Ding, Su Chen, your shamelessness leaves me speechless.]

"Girl, you are speechless. We will be husband and wife in the future. Your man is in trouble, but you don't even help him. Are you still a cute system?"

[Ding, shameless.]

Su Chen coughed awkwardly and said, "Ahem, stop talking nonsense, girl, can I take the Hongmeng crystal away?"

[Ding, host, the system will accommodate you for the last time. If you dare to say shameless words to the system again in the future, the system will make you a eunuch of the Hongmeng world.]

"You are so vicious."

[Ding, you are such a shameless bastard!]

"Girl, now is not the time for us to flirt, you should collect 30 Hongmeng crystals quickly."

[Ding, host, you drop a drop of blood essence on the Hongmeng crystal, and the system will help you collect the Hongmeng crystal into the system space.]

Su Chen asked in confusion, "Blood essence? Girl, why do you need blood essence to collect Hongmeng crystals?"

[Ding, you are a stupid host. The system can collect Hongmeng crystals, but what about in the future? After you take out the Hongmeng crystals in the future, do you have to let the system help you collect them into the system space?]

Su Chen understood,

His blood essence dripped on the Hongmeng crystal,

The system helped him to establish a connection with the Hongmeng crystal, and Su Chen could take out and collect the Hongmeng crystal at will in the future.

Su Chen then forced out a drop of blood essence and dripped it on the Hongmeng crystal,

A white light flashed by,

The Hongmeng crystal was collected by the system into the system space, and Su Chen smiled as he looked at the Hongmeng crystal in the system space.

Oh my god,

Su Chen thought that Jiuyou Supreme also saw him collecting the Hongmeng crystal,

The old woman would definitely blackmail the Hongmeng crystal.

[Ding, host.]

[The Hongmeng spiritual essence in the small barrier is more precious than the Hongmeng spiritual liquid, and it is a top-grade spiritual root that can improve the waste body.]

[You can collect the spiritual essence into your time and space barrier. Your beautiful army and millions of harems will undergo qualitative changes when they absorb the spiritual essence, and their cultivation speed will increase exponentially.]

Su Chen looked at the glittering spiritual essence in the small barrier. He thought it was a green light spot just now. It turned out that these were the spiritual essence of Hongmeng crystals. After absorption, it can also change the body constitution.

Not bad,

Very good

Spiritual essence is very precious,

Even more precious than Hongmeng spiritual liquid.

What the hell,

What did the system say just now?

A million harem?

More than one million fairies in the space-time barrier are hisHarem? Who can have more than one million fairies as a harem? Su Chen's face was dark and he wanted to cross and circle the system girl.

"Collect!"

Su Chen activated the space law to collect the spiritual essence in the small barrier.

There are a lot of spiritual essence in the small barrier.

Hongmeng crystals may exist for countless epochs. The spiritual essence produced by Hongmeng crystals is like a small lake of hundreds of miles.

This time it was a great harvest.

Su Chen not only got the Hongmeng crystals that Hongmeng Supreme dreamed of, but also got countless precious spiritual essences.

A quarter of an hour later,

After Su Chen collected all the spiritual essences,

He looked at the small barrier and prepared to leave.

It's almost twenty days.

Su Chen was worried that the Supreme of Light would come back. He had to leave Tianduan Mountain and the Dark Domain in time.

"Huh?"

Why is there still a green light flashing at the location of Hongmeng crystals? Is there any treasure underneath?

Su Chen teleported over and hurried to check.

After a while,

Su Chen dug out a small green ball in the pit, a green ball as big as a goose egg.

"What is this? It's not a treasure, nor is it the egg of a living creature. It doesn't have any spiritual charm."

Su Chen looked at the green ball in his hand and was very confused. The green ball seemed to be an ordinary gem.

No spiritual charm,

No life,

It's not a treasure either.

The green ball was ordinary and had no special features except that it emitted green light.

Su Chen weighed the small ball and shook his head, "Forget it, the small ball is just an ordinary gem, a dazzling gem, Yan'er should like this emerald."

[Little scum, the barrier that isolates the soul in Tianduan Mountain has disappeared, and the Supreme of Light will be back at any time. If you don't want to die, leave quickly, and don't forget to give me 80% of the Hongmeng Crystal. 】

I'll help!

Su Chen quickly teleported and disappeared in the small barrier,

The barrier that isolates the soul in Tianduan Mountain has disappeared? Is it because the Hongmeng Crystal was taken away?

This is the end,

The Supreme of Jiuyou saw him get the Hongmeng Crystal with his own eyes,

Where are the Supreme of Luosha and the Supreme of Charm?

The two old women are in the Ice and Snow Region and have not left,

The barrier that isolates the soul in Tianduan Mountain has just disappeared, Su Chen guessed that they have all checked him.

At this moment,

Above Tianduan Mountain,

Jiuyou Supreme crossed his legs and smiled,

She didn't expect Su Chen to really find the Hongmeng Crystal and take the Hongmeng Crystal that couldn't be taken.

"Interesting, Xiao Zha Zha is too weird, he can't take the Hongmeng Crystal, but a Zha Zha Domain Lord can take it away, how did Xiao Zha Zha do it? Xiao Zha Zha must have a secret."

Jiuyou Supreme touched his white chin and thought,

She was getting more and more satisfied with Su Chen,

Su Chen must have a secret,

But it doesn't matter,

967

Xiao Zha Zha will be hers in the future, uh no, her handNext, the Supreme Nine Netherworld will dig out all of Su Chen's secrets.

"Hmm? The little scum ran away. This is good, so that there won't be any accidents when the Supreme Light arrives later."

On the snowy mountain in the Ice and Snow Region,

The Supreme Charm and the Supreme Rakshasa looked at each other. They had just checked Su Chen in the Tianduan Mountain.

"The isolation of the soul in the Tianduan Mountain disappeared. The little scum should have taken the treasure inside."

"Yes, Supreme Rakshasa, the little ant ran away. Should we ask the little ant what treasure he got?"

"No, the little scum will tell me later." The Supreme Rakshasa narrowed his eyes and smiled,

She was not worried that Su Chen would not tell her,

Su Chen's daughter was her disciple, and Emilia in the Ice and Snow Region and Mia in the Far North Region were her subordinates.

And the Luosha sisters are her people,

How dare Su Chen not tell her,

The Supreme Luosha has a hundred ways to threaten the little scum.

The Supreme Charm shook his head helplessly,

She came here for nothing to fight and got nothing, and was also mocked by a scum,

The Supreme Charm was very depressed,

When she thought of Su Chen looking at her body and mocking her, the Supreme Charm couldn't help but want to pinch the little ant to death.

"Supreme Luosha, do you mind if I visit your Ice and Snow City?"

"Can I say I mind?".
