Chapter 3141

Six days later,

Ice and Snow Region Ice City,

Su Chen was holding Emilia and Mia in the sun. He returned to Ice City six days ago and relaxed.

In Ice City,

Su Chen was accompanied by Emilia and Mia, and served by Archangels and female zombies. Even Nie Xiaoqian and other girls appeared from time to time to serve him. Su Chen had a very comfortable and happy life these days.

Emilia grabbed Su Chen's hand and blushed, "Husband, it's been six days, and Rakshasa Supreme and Charm Supreme have not left. What are they doing in Ice City?"

"I don't know. They came with bad intentions." Su Chen kissed Emilia and shook his head.

What are the two old women doing in Ice City?

Su Chen knew it clearly.

They were after the treasure in Tianduan Mountain.

If Su Chen hadn't used Jiuyou Supreme to shut them up, the two old women would probably beat him up and ask what the treasure was.

Mia asked with a worried look, "Husband, be careful with your words, don't anger the Supreme Rakshasa."

"Don't worry, the Supreme Rakshasa won't vent her anger on us. She is teaching Yan'er the skills and has no time to care about us."

"Where is the Supreme Charm? I noticed that the Supreme Charm looked at the husband unkindly. Husband, you won't offend the Supreme Charm, right?"

"No, how could I offend the Supreme Charm." Su Chen felt a little guilty and took a sip of wine in a hurry.

What the hell,

He really offended the Supreme Charm,

Su Chen had peeped at the Supreme Charm's seductive body on the Snow Mountain,

He also angrily mocked the Supreme Charm,

If it weren't for the Supreme Rakshasa and the Supreme Jiuyou protecting him, the Supreme Charm would probably have pinched him to death in anger.

Emilia rolled her eyes at Su Chen and said, "Mia, I guess my husband has offended the Supreme Charm."

Mia smiled and said, "I think so too. The Supreme Charm didn't teach my husband a lesson because of the Supreme Rakshasa."

"Beautiful ladies, let's go to see the stars together." Su Chen hugged the two ladies and decided to teach them a lesson.

Emilia and Mia were both very attractive.

Especially after being nourished by him these few days,

Emilia and Mia became even more beautiful and charming. Su Chen couldn't help but want to enjoy the passion and tenderness of the two ladies again.

"I still have to deal with the affairs of the Ice and Snow Region". ."

"My husband, I have to go back to the Far North Region."

Mia and Emilia disappeared into Su Chen's arms in an instant,

They have been accompanying Su Chen in his madness these days, and Su Chen has been causing trouble for them from time to time,

Emilia and Mia also let Su Chen do whatever he wants,

Just yesterday,

When they were dragged by Su Chen to watch the stars,

The Charming Supreme suddenly appeared and saw everything, and the two women did not dare to let Su Chen do whatever he wanted in the palace.

"The two cabbages ran away." Su Chen shook his head speechlessly while lying on the rocking chair,

Six days have passed,

The Bright Supreme should kill the Sky Supreme and return to the Dark Region. Will the Nine Nether Supreme and the Bright Supreme Fight?

Su Yan suddenly appeared and shouted, "Dad."

"What's the matter?"

"Dad, give me three pots of Hongmeng Spiritual Liquid."

Su Chen touched Su Yan's hair and smiled, "Little girl, you are only in the Saint Realm, it's too wasteful for you to use Hongmeng Spiritual Liquid. When you advance to the Dao Realm, Dad will give you Hongmeng Spiritual Liquid."

Su Yan hugged Su Chen's arm and said coquettishly, "Dad, I want Hongmeng Spiritual Liquid for Luosha Supreme. Luosha Supreme is my master now. I want to give Luosha Supreme a gift for apprenticeship."

"Apprenticeship gift? Shouldn't the master give the disciple a gift when he becomes a disciple?"

"The master gave me a gift. Look, the master gave me a hairpin of Hongmeng's top-grade spiritual treasure."

Su Chen took a look and was a little surprised.

Hongmeng's top-grade spiritual treasure?

He didn't even have a Hongmeng's top-grade spiritual treasure. Luosha Supreme was pretty good to Su Yan.

However,

Raksha Supreme is Hongmeng Supreme,

She probably has a lot of Hongmeng spiritual treasures in her hands, and a Hongmeng top-grade spiritual treasure is nothing to Raksha Supreme.

Su Chen thought about it and took out three pots of Hongmeng spiritual liquid and said, "Here, Yan'er, you have to remind Raksha Supreme that I don't have Hongmeng spiritual liquid anymore, don't let her ask me for Hongmeng spiritual liquid again."

Hongmeng spiritual liquid?

The system upgrades the Chaos Bell and requires ten pots of Hongmeng spiritual liquid. This time he gave Su Yan three more pots,

Su Chen's remaining Hongmeng spiritual liquid is about to run out.

But fortunately, he still has Hongmeng crystals,

A small piece of Hongmeng crystal is comparable to a hundred pots of Hongmeng crystals,

Su Chen has a Hongmeng crystal the size of a football. He is now rich and wealthy.

"I know."

Su Yan took the Hongmeng Spiritual Liquid and disappeared quickly.

She didn't believe Su Chen's words.

Six days ago,

There were suddenly countless spiritual essences in the space-time barrier.

She and her aunt, Nie Xiaoqian and other girls, as well as the beauty army and millions of fairies began to absorb the spiritual essences.

In just one day,

Everyone underwent a qualitative change.

Some fairies began to break through after absorbing them.

Rakshasa Supreme also told her that her father had obtained the treasures of Tianduan Mountain. Su Yan guessed that Su Chen still had a lot of Hongmeng Spiritual Liquid in his hands, and his father might have treasures more precious than Hongmeng Spiritual Liquid.

Swoosh!

Charming Supreme suddenly appeared and said, "'~Little ant, give me three pots of Hongmeng Spiritual Liquid, and I can agree to one condition of yours."

Hongmeng Spiritual Liquid?

The little ant actually has Hongmeng Spiritual Liquid?

He also took out three pots of Hongmeng Spiritual Liquid and gave them to Su Yan.

Hongmeng Spiritual Liquid cannot be obtained from Tianduan Mountain. Where did the little ant get the Hongmeng Spiritual Liquid?

Su Chen curled his lips and replied, "No!"

The Charming Supreme glared at Su Chen with his beautiful eyes and shouted angrily, "How dare you bluff me? I just saw you give your daughter three pots of Hongmeng Spiritual Liquid. How dare you deceive me."

"You are wrong. What I gave my daughter just now was wine, not Hongmeng Spiritual Liquid. I don't even know what Hongmeng Spiritual Liquid is. "

"Little ant, do you think I'm an idiot?" (Good Zhao Hao)

"Don't dare."

The Supreme Charm said coldly, his chest rising and falling,

"Don't dare? I think you dare to do anything."

"Little ant, if you give me three pots of Hongmeng Spiritual Liquid, I can forgive you for peeping at my body before. "

Su Chen looked at the Charming Supreme with interest. Can the Charming Supreme's words be believed?

If Su Chen believed the Charming Supreme,

he would be deceived by the old woman.

However,

The Charming Supreme is worthy of being the Charming Supreme,

The sexy and attractive figure is comparable to that of the Nine Nether Supreme, especially the charming charm that the Charming Supreme inadvertently revealed. If it were an ordinary man, he would show a lewd expression on the spot.

Su Chen smiled and said, "Charming Supreme, if you dance for me, I will give you a pot of Hongmeng Spirit Liquid. If you dance for me twice, I can give you two pots of Hongmeng Spirit Liquid."

"Little ant, do you want to die?".

Chapter 3142

Charming Supreme was furious,

Dance?

The little ant actually asked her to dance?

Is the little ant crazy?

Or did she hear it wrong?

A scumbag ant actually asked Supreme Hong to dance? How could the little ant be so bold not to fly to the sky?

"Charming Supreme, I'm just joking, I just want to liven up the atmosphere, don't take it seriously."

Damn it,.

He's asking for death again,

Charming Supreme was so angry that his chest was heaving, and Su Chen was worried that Charming Supreme couldn't help but pinch him to death.

However,

Charming Supreme's small waist is very attractive,

If her small waist twists, Su Chen might immediately turn into a wolf.

The Charming Supreme said angrily with a cold face, "Are you kidding? Liven up the atmosphere? Little ant, do you think I will believe it?"

"I believe it, you will definitely believe it."

"I don't believe it, little ant, you will definitely die today, even if I am killed by the Nine Nether Supreme, I will crush you to death first."

"Oh my god, Charming Supreme, calm down, you have to calm down, there is no need for us to perish together."

The Charming Supreme's eyes burst into a gleam of light and imprisoned Su Chen, She stretched out her fair hands to grab Su Chen's neck and said coldly, "I'm not calm, you're ready to die."

"Wait~, I was wrong, I can compensate you, I can compensate you." Su Chen was imprisoned and begged for mercy,

It's over,

The Charming Supreme is really angry,

Being impulsive is really harmful,

Being lustful is even more harmful,

Su Chen feels that if he doesn't deal with the Charming Supreme this time, the Charming Supreme may really crush him to death.

What to do?

How to calm the anger of the Charming Supreme?

"Compensation? Do you think I need compensation after insulting me? Killing you is the best compensation for me." The Charming Supreme suddenly showed a cunning look in his eyes,

Compensation?

This is possible,

She was also angered by Su Chen and lost her mind before,

Su Chen cannot be killed,

It took several epochs for the Supreme Charm to be promoted to the Supreme Hongmeng,

She has experienced countless hardships, countless sorrows, and countless pains in countless years. She cannot die with a scumbag, and a small scumbag is not worthy of her dying with him,

This time,

The Supreme Charm can let the small scumbag go,

The Supreme Jiuyou will abandon the small scumbag one day, and she will torture the small scumbag to death in the future.

"I.....you kill me." Su Chen said with a helpless expression and closed his eyes,

There is no other way,

The Supreme Charm was so angry that he didn't even need compensation, and Su Chen could only wait to be crushed to death by the Supreme Charm.

Damn it,

It's a bit aggrieved to fall,

Su Chen was so dizzy that he asked the Charming Supreme to dance. He will fall in the Hongmeng world today.

Seeking death?

He is really seeking death this time and is going to fall.

At this moment,

The Supreme Charm was confused,

Su Chen closed his eyes and prepared to die?

Didn't the little ant just say that he would compensate her? Why does the little ant look like he is ready to die now?

[I messed up. I shouldn't have looked like I wanted to kill the little ant before. What should I do? Should I regret it to the little ant?]

Swoosh!

The Supreme Rakshasa suddenly appeared beside,

She looked at the Supreme Charm and Su Chen very confused,

Before,

The Supreme Charm looked like he was going to kill Su Chen, and the Supreme Rakshasa found out and prepared to save Su Chen,

But,

Why did the Supreme Charm suddenly hesitate? He was still thinking about something with a tangled look.

"What's wrong with you? Supreme Charm, did Su Chen provoke you to ridicule again?"

Supreme Charm showed an angry expression and said, "The little ant is looking for death, he actually asked me to dance for him."

"What? Dance?"

Supreme Rakshasa was confused,

Su Chen actually asked Supreme Charm to dance?

Does the little scum want to go to heaven?

A scum asked Supreme Hongmeng to dance?

Does the little scum want to be awesome and really want to go to heaven? Supreme Rakshasa thought Su Chen wanted to die early and be reborn early.

Su Chen opened his eyes and said hurriedly, "Raksha Supreme, I was just joking with Charm Supreme, just a little joke, please save me, I don't want to be crushed to death by Charm Supreme."

Raksha Supreme crossed his arms and smiled, "Save you? Little scum, what's the benefit of me saving you?"

Charm Supreme stared at Su Chen coldly,

She felt deceived by Su Chen,

The little ant might not want to die just now, the little ant might have guessed that he didn't dare to kill her.

Swoosh!

Su Yan also appeared beside him instantly.

She looked at Su Chen and Charming Supreme and asked, "Dad, are you asking for death again?"

Su Chen shouted with a dark face, "Little girl, what are you talking about? I am just sparring with Charming Supreme."

"Sparring? Are you stupid? Charming Supreme is Hongmeng Supreme, and dad is just a scumbag. Charming Supreme can blow you into nothingness in one breath. Dad, are you sure you are sparring with Charming Supreme?"

Rakshasa Supreme grabbed Su Yan and laughed, "Haha~, Yan'er, your father is not only stupid, but also an out-and-out lecher. He actually asked Charming Supreme to dance."

"Oh my god, dad, you are so awesome, no, you are asking for death." Su Yan looked at Su Chen with shock,

Let Charming Supreme dance?

What is dad going to do?

Did Daddy fall for the beauty of the Supreme Charm? Did Daddy want to take down the Supreme Charm?

Su Chen's face turned black and he didn't want to pay attention to Su Yan,

Seeking death?

Su Yan was more suicidal than him,

The little girl was suicidal to kill a Supreme Hongmeng,

Su Chen just teased and teased the Supreme Hongmeng a little, he didn't dare to attack the Supreme Hongmeng.

The Supreme Charm rubbed his forehead speechlessly,

It was messy,

After the arrival of Rakshasa Supreme and Su Yan,

She could no longer threaten Su Chen to compensate her, and Rakshasa Supreme would probably not let her threaten Su Chen again.

Su Chen saw Charm Supreme rubbing his forehead and yelling, "Charm Supreme, please untie my restraints, my body is itchy, I want to scratch it."

"Do you think it's possible?"

Charm Supreme glared at Su Chen angrily,

Tickling?

Shameless bastard still wants to scratch?

Will the body of a Domain Lord be itchy?

The little ant is too shameless,

Too shameless.

Su Chen thought for a while and said, "One pot of Hongmeng Spiritual Liquid, Charming Supreme, our grievances are wiped out."

Charming Supreme was so angry that he couldn't help but scold, "Shameless bastard, we agreed to three pots of Hongmeng Spiritual Liquid just now, and now you actually said one pot of Hongmeng Spiritual Liquid? Do you really want to be crushed to death by me?"

Su Chen curled his lips and didn't say anything else,

Three pots?

He had less than ten pots of Hongmeng Spiritual Liquid left, how could he give Charming Supreme three pots of Hongmeng Spiritual Liquid.

Su Yan rolled his eyes and smiled and said, "Dad, I think you should give Charming Supreme three pots of Hongmeng Spiritual Liquid, otherwise, I'm worried that Charming Supreme will imprison you for 10,000 years."

"Little girl, are you cheating your father?".

Chapter 3143

Su Chen stared at Su Yan with a dark face.

Give Charm Supreme three pots of Hongmeng Spiritual Liquid?

The little girl doesn't know how expensive firewood and rice are.

Hongmeng Spiritual Liquid is like the origin of heaven in the Hongmeng World.

Su Chen has less than ten pots of Hongmeng Spiritual Liquid left. How can he bear to give away Hongmeng Spiritual Liquid?

Su Yan said with an unhappy face, "Dad, how could I betray you? Is it okay for you to say that?"

"I don't want to bother with you."

Su Chen found that Charm Supreme was staring at him all the time. He understood that Charm Supreme was waiting for Hongmeng Spiritual Liquid.

This is a dead end.

Su Chen had teased Charm Supreme before and asked Charm Supreme to dance. If he didn't appease Charm Supreme, Charm Supreme might not let it go.

Rakshasa Supreme pulled Su Yan to sit aside,

She was going to sit aside and watch the show,

She also wanted to know how much Hongmeng Spiritual Liquid Su Chen had. Su Yan had asked for three pots of Hongmeng Spiritual Liquid for her before, and Rakshasa Supreme guessed that Su Chen still had a lot of Hongmeng Spiritual Liquid in his hand.

Charming Supreme kept staring at Su Chen,

How dare Su Chen not give her three pots of Hongmeng Spiritual Liquid,

Although she would not crush the shameless pervert to death, Charming Supreme would also beat Su Chen for a hundred years without recovering from his injuries.

Su Yan raised her long white legs and transmitted the message,

[Dad, Charming Supreme 297 is good, she has been guiding me in my cultivation these days, you need to invest to take down Charming Supreme, but it's just three pots of Hongmeng Spiritual Liquid, Dad, don't be so stingy.]

Su Chen's face was dark and transmitted the message, [Little girl, when will I take down Charming Supreme? Don't talk nonsense.]

[Tsk, Dad, how could I not know who you are? The Charming Supreme is sexy and alluring, exuding a charming and alluring aura. I don't believe that Dad would not be tempted by the Charming Supreme.]

Su Chen looked at the Charming Supreme from time to time while drinking,

Damn,

Su Yan seemed to be right,

He did have some ideas about the Charming Supreme,

But Hongmeng Supreme is Hongmeng Supreme,

The Charming Supreme is different from Murong Qingcheng, can Su Chen take down the Charming Supreme?

After a while,

Su Chen took out three pots of Hongmeng Spiritual Liquid and handed them to the Charming Supreme, saying,

"Charming Supreme, these are three pots of Hongmeng Spiritual Liquid, and our grievances are written off."

The Charming Supreme took the Hongmeng Spiritual Liquid and said coldly, "Write off? You are dreaming, I will not let your anger and ridicule towards me and your teasing towards me just like that."

Write off?

The Charming Supreme could not let it go just like that,

She would find an opportunity to beat up the shameless pervert.

However,

How could Su Chen have so much Hongmeng Spiritual Liquid?

The little ant had previously given the Rakshasa Supreme three pots, and now he gave her three more pots of Hongmeng Spiritual Liquid,

How much Hongmeng Spiritual Liquid did Su Chen have?

It took the Charming Supreme several epochs to find more than ten pots of Hongmeng Spiritual Liquid, and she did not expect that a scumbag was richer than her.

Su Chen yelled in confusion, "Oh my god, if you don't want to write it off, why did you accept my Hongmeng Spiritual Liquid?"

"This is compensation for me."

"You..."

Su Chen rubbed his forehead helplessly,

Damn it,

The Charming Supreme is also a cunning woman,

Compensation?

Doesn't compensation count as letting the Charming Supreme forgive him?

Su Chen guessed that the Charming Supreme still wanted the Hongmeng Spiritual Liquid, and the old woman was unwilling to give up for the Hongmeng Spiritual Liquid.

The Rakshasa Supreme stared at Su Chen with his beautiful eyes and said,

"Little scum, you have too much Hongmeng Spiritual Liquid, how about giving me a few more bottles of Hongmeng Spiritual Liquid?"

"Dream on!"

Su Chen glanced at the Rakshasa Supreme and disappeared in an instant,

I can't stay here anymore,

Are all the Hongmeng Supremes Pixiu?

Su Chen was worried that within a few days, his Hongmeng Spiritual Liquid would be consumed by the two old women.

Su Yan smiled and said, "Master, I will ask my father for Hongmeng Spiritual Liquid in the future. Master, don't blackmail my father."

"Yan'er is still obedient."

Raksha Supreme smiled and touched Su Yan's hair.

It was very good that she accepted Su Yan as her disciple.

Su Yan's cultivation talent made her happy, and she was also happy that Su Yan did not treat her as an outsider.

Charming Supreme rolled his eyes at Luosha Supreme. Luosha Supreme had Su Chen's daughter Su Yan to help her.

What about her?

It would be difficult for Charming Supreme to get Hongmeng Spiritual Liquid in the future, and she did not have Su Chen's relatives around to help her.

Huh?

Dannan?

Su Chen's sister seemed to have no master.

The eyes of the Charming Supreme brightened.

If she accepted Nannan as her disciple, should Su Chen also give her a gift of apprenticeship on behalf of Nannan?

Half a month later,

The Dark Domain did not shake again.

The Nine Nether Supreme did not come to Ice and Snow City.

Su Chen could not figure it out.

The Light Supreme should have returned to the Dark Domain long ago, and she would have discovered that the treasures in Tianduan Mountain had been stolen.

Why didn't the Light Supreme and the Nine Nether Supreme fight?

They seemed to have disappeared in the Dark Domain.

Su Chen frowned and thought,

"It's a bit difficult. The Ruthless Empress and Su Yue are coming to the Hongmeng World. The Supreme Rakshasa and the Supreme Charm have not left, and I dare not let them come."

Wait a little longer,

The Supreme Rakshasa and the Supreme Charm cannot stay here forever,

As long as they leave,

Su Chen will let the system bring the Ruthless Empress and the others here, and the two Supremes will not find out where the Ruthless Empress and the others came from.

Swoosh!

The Supreme Charm suddenly appeared next to Su Chen. She looked at Lazy Sheep and Su Chen frowned.

"Little ant, the Supreme Nine Nether and the Supreme Light left the Dark Domain. Do you know why they left?"

"How should I know."

"You can't not know."

"I know shit, You, the Supreme Lord of Hongmeng, don't know, how could a little scum like me know?"

"Little scum, you have a close relationship with the Supreme Lord of Jiuyou. The Supreme Lord of Jiuyou will definitely inform you when he leaves. You can't not know."

Su Chen curled his lips and said sarcastically, "I have a close relationship with you, can you tell me the color of your underwear?"

"You are looking for death. "

The Charming Supreme was so ashamed and angry that he instantly grabbed Su Chen's neck with one hand.

The little ant was too shameless,

and he was not afraid of her at all.

The Charming Supreme was the top supreme of the Hongmeng World, and the little ant was just an insignificant scum.

But Su Chen never regarded her as the Hongmeng Supreme,

and he mocked and teased her at every turn.

The Charming Supreme was so angry that he really wanted to pinch Su Chen to death.

Su Chen was hit by the chest of the Charming Supreme and hurriedly reminded, "Oh my god, Charming Supreme, you hit me."

"Shameless pervert, die for me. "The Supreme Charm was so ashamed and angry that he pinched Su Chen and wanted to throw him out.

It was too shameless.

She didn't expect to be so close to Su Chen.

Her body was also close to Su Chen's body. Su Chen shamelessly said that he was hit by her chest. The Supreme Charm was very angry and furious at Su Chen's shamelessness.

"Fuck you, Supreme Charm, calm down. If you throw me out, I will die."

Chapter 3144

Su Chen hurriedly hugged the slender waist of the Supreme Charm. He didn't dare to let the Supreme Charm throw him out.

If the Supreme Charm threw him out in anger,

Su Chen would be seriously injured even if he didn't die.

"Little ant, let me go quickly. Do you really want to be crushed to death by me?" The Supreme Charm's face turned red with anger.

She was hugged?

She was hugged by a man? .

She was actually hugged by a little scum.

If the Supreme Charm was not still rational in her anger, she would instantly crush the shameless Su Chen to death with one hand.

Su Chen said in a panic, "I'll let go, I'll let go, don't be angry, don't throw me out."

"Let me go quickly."

The Charming Supreme found that the Rakshasa Supreme was looking here,

Damn it,

This time it's embarrassing,

She didn't expect that the Rakshasa Supreme would see Su Chen holding her, and the Charming Supreme's resentment towards Su Chen reached its peak.

Boom!

"I'll get in!"

Su Chen just let go of the Charming Supreme,

The Charming Supreme angrily threw him out, and Su Chen broke through the palace and disappeared without a trace.

"Shameless pervert!"

The Nine Nether Supreme touched her small waist in shame and anger,

When Su Chen just let go of her,

The shameless pervert actually pinched her small waist, and she had no way to deal with the shameless bastard.

Alas!

Is it a bad fate?

Su Chen seemed to be her nemesis, and the Supreme Charm had no way to deal with Su Chen.

Just now,

The Supreme Rakshasa sent a message to her to teach Su Chen not to use too much force, and she didn't use much force to throw Su Chen just now.

On the mountain thousands of miles away from the Ice and Snow City,

Su Chen came out of the shattered mountain in a mess, he covered his chest and wiped the blood from the corner of his mouth.

"This time I escaped from death, the Supreme Charm didn't want to throw myself to death."

Swoosh!

The archangels and the female zombies appeared beside Su Chen. Seeing Su Chen's miserable appearance, they said,

"Master, are you okay?"

"Master, are your injuries serious?"

Su Chen waved his hand speechlessly and said, "I'm fine. The Supreme Charm just taught me a lesson."

I can't go back to Ice and Snow City.

The Supreme Charm might beat him up again.

The old woman might ask him to pay with the Hongmeng Spiritual Liquid. Su Chen can't go to Ice and Snow City to fall into the trap.

"Archangel, bring Nannan here, and inform Emilia that I'm going to travel."

"Yes, Master."

The archangel disappeared beside Su Chen in an instant.

Su Chen didn't go back to Ice and Snow City.

She guessed that Su Chen was afraid of the Supreme Charm. Su Chen might be afraid of being blackmailed by the Supreme Charm.

The female zombie asked doubtfully, "Master, where are we going?"

Su Chen sat on the female zombie's shoulder and replied, "It doesn't matter where we go, we must first stay away from Snow and ice domain. "

Where to go?

Su Chen is only at the domain master level now,

Where can he go?

If Su Chen dares to leave the Rakshasa realm of the Rakshasa Supreme, he will probably be hunted down by the other Hongmeng Supreme's men.

Huh?

Taihao Supreme was accidentally killed by Su Yan,

Taihao Supreme's realm must be very chaotic, why not go to Taihao Realm to fish in troubled waters?

Three months later,

Su Chen used the law of space to teleport continuously, and he was at least tens of millions of miles away from the Snow and Ice Domain.

The laws of heaven and earth in the Hongmeng World are too powerful,

If Su Chen was in the Chaos World, He can teleport billions or even tens of billions of miles away.

Beside a clear lake,

Su Chen stopped here to rest and recover his mana,

The realm of Supreme Taihao is still hundreds of millions of miles away,

It will take him at least a year to reach it,

If Su Chen had not been promoted to the realm of domain master, he would not have been able to reach the realm of Taihao in a hundred years.

Swish, swish, swish!

The archangel, the female zombie, and Nannan came out of the space-time barrier one after another. They came out only after they sensed that Su Chen was no longer in a hurry. They also wanted to talk to Su Chen.

Nannan sat beside Su Chen and asked, "Brother, how long will it take to reach the realm of Taihao?"

Su Chen held Nannan in his arms and answered,

"It should take seven or eight months. "

"The Taihao Realm is east of the Luosha Realm. I checked along the way. If I keep teleporting, it will take about six months. Including the rest time, it will take me seven or eight months to reach the Taihao Realm."

Archangel: "Master, is the Taihao Realm too dangerous?"

Female zombie: "Master, although Taihao Supreme has fallen, there are at least six or seven Realm Lords in the Taihao Realm, and dozens of Domain Lords. We may be in danger."

Su Chen took a sip of wine and smiled,

"Don't worry, I will kill any Realm Lord who is not a Realm Lord above the tenth level."

"Don't forget."

"There is also Emilia in the Desire Tower. She is a Realm Lord of the eleventh level." "

Nannan, Archangel, and the female zombie all rolled their eyes at Su Chen.

Emilia?

Emilia was imprisoned in the Desire Tower by Su Chen.

If Su Chen released Emilia, Emilia would probably teach Su Chen a lesson angrily first.

[Ding, host, do you want to advance to the realm master realm as soon as possible?]

Su Chen was surprised to hear the words of the system girl and asked, "Oh my god, system, you don't have any trial tasks again, do you?"

[Ding, there is no trial task, or you can say there is a trial task.]

"Girl, don't be confused, explain it to me clearly."

[Ding, host, the system found an eternal tower in the Hongmeng world, an eternal tower without a master. If the host gets the eternal tower, you will definitely become the Hongmeng Supreme in the future.]

"Eternal Tower? What is the eternal tower?"

Su Chen was very confused.

The Eternal Tower of the Hongmeng World?

Or the Eternal Tower without a master?

Is the Eternal Tower the same as the ladder? Can you get treasures or improve your cultivation level by climbing or trying?

[Ding, host, 093 Eternal Tower is a product of the Hongmeng World. You don't need to know about Eternal Tower now.]

"Girl, how can I get Eternal Tower?"

[Ding, host, the system needs to be promoted again to capture Eternal Tower from the void. The host also needs to complete three trial tasks to let Eternal Tower recognize the master.]

"System, how can you be promoted again?"

Su Chen had a bad feeling.

The system girl might want to blackmail his Hongmeng crystal.

[Ding, Hongmeng crystal, the system needs half of the host's Hongmeng crystal, which is the three corners of the hexagonal Hongmeng crystal.]

Su Chen shouted with a dark face, "I'm going to do it, little girl, you really have bad intentions. I've only got the Hongmeng Crystal for a few months, and you want half of it. You're really a Pixiu."

[Ding, host, you can say no if you don't want it, don't attack the system personally.]

"I..."

Su Chen lay on the grass with his daughter in his arms weakly.

The system said so temptingly,

How could he not want it?

The six-sided Hongmeng Crystal,

Tian Qing Supreme wasted one corner, and there are still five corners. The system girl needs three corners of Hongmeng Crystal,

In this way,

Su Chen only has two corners of Hongmeng Crystal left,

Damn it,

Jiuyou Supreme hasn't asked for it yet,

Su Chen risked his life to get the Hongmeng Crystal, and he may not be able to keep even one corner of the Hongmeng Crystal in the end.

Chapter 3145

Su Chen felt more and more helpless as he thought about it.

Hongmeng Crystal might not be saved.

Even if he didn't want the Tower of Eternity, he couldn't stop the system from upgrading. The system girl helped him grow a lot.

If there was no system,

Su Chen might be killed in Tianxuan Continent.

"Girl, I agree. You can take the Hongmeng Crystal yourself."

[Ding, host, the Hongmeng Crystal system takes away three corners. The Tower of Eternity will be captured after the system upgrade. Your trial can start early. Do you need to start the first trial task now?].

Can the trial start early?

The system girl is quite awesome.

The Tower of Eternity has not been captured by the system girl yet.

The system girl can actually let him start the trial early. The upgraded system is probably even more powerful.

Su Chen thought for a while and asked, "System, how do you convert the world of the trial world to the world of Hongmeng?"

[Ding, it's still a quarter of an hour. No matter how long the host's trial lasts, only a quarter of an hour will pass when he returns to the Hongmeng world.]

"Not bad."

[Ding, host, are you going to start the first trial mission?]

"Wait, system, can I take Nannan, the archangel, and the female zombie with me to the trial?"

[Ding, yes, but according to the strength of the trial world, your cultivation realm will be sealed accordingly.]

Su Chen had long guessed that the cultivation realm would be sealed. He and Nannan and the other two girls were incredibly powerful.

If they went to the ordinary small world for the trial,

they would break the small world when they came.

Su Chen suddenly thought of the huge size of the Archangel and the female zombie,

He hurriedly asked, "System, can the Archangel and the female zombie change their size in the trial world?"

[Ding, host, don't you like women with huge and plump bodies?]

"Fuck, girl, are you mocking me?"

Damn it,

Does he like women with huge and plump bodies?

Uh!

He seems to like them a little,

Especially like the Archangel's huge and plump mountains,

Su Chen never gets tired of playing with the Archangel's proud mountains, and he also can't let go of the Archangel's white and attractive body.

[Ding, the system is telling the truth.]

Su Chen asked with a dark face, "I'm too lazy to pay attention to you, can I change their body shape? ゃ ゃ ?"

[Ding, in the trial world, the system can change their body shape.]

"By the way, if the trial mission is a war, can I summon the army?"

[Ding, it depends on the situation.]

Su Chen curled his lips and said to Nannan and the other two girls,

"Nannan, Archangel, Female Zombie, get ready, I want to take you to play in the small world."

Nannan: "We want to play in the small world? Brother, which small world are we going to?"

Archangel: "Master, are we going to the small world of the Chaos World?"

Female Zombie: "Master, the female zombie will be inThe small world protects the master." Su Chen touched his chin and said nonsense, "I don't know what world it is. I got a trial talisman before, which can be used for three trials. That is to say, we have to go to three worlds to complete the trial mission."

"Brother, I will accompany you to the trial."

"Master, I will help you complete the trial mission."

"Master, I can help you kill the enemy." Su Chen nodded to the three girls, and said to the communication system, "Girl, start the first trial. "

[Ding, the first trial of the Eternal Tower begins, and the trial participants are being teleported now.]

Four white lights instantly enveloped Su Chen, Nannan and the other two.

In an instant,

Su Chen, Nannan and the other two disappeared by the small lake.

Daqin World,

Outside Xinzheng City, South Korea,

Su Chen, Nannan, the archangel and the female zombie who had changed into the size of ordinary people, the four of them instantly appeared under a big tree.

Nannan frowned and said, "Brother, my cultivation has been sealed, and my current strength can be ignored."

The archangel moved his body and said, "Master, my strength has also been sealed, and now I am only a little stronger than ordinary people."

The female zombie clenched her fist and said, "Me too, my strength seems to be a little stronger than the evolved zombies." "

Su Chen waved his hand and explained, "Don't worry, this is a small world. If our strength is not sealed, our arrival will break this small world."

[Ding, host, the world you are in is the Great Qin Qin Shi world, you have three trial tasks.]

[One: Kill Han Fei (Note: You can only kill Han Fei after Qin Wang Ying Zheng arrives in Xinzheng City.)]

[Two: Kill Qin Wang Ying Zheng.]

[Three: Destroy all schools of thought (at least destroy five schools, and kill 80% of the disciples of each school to complete the task.)]

[Host, your strength is sealed at the peak of the Grandmaster Realm, and you can summon a thousand subordinates and 50,000 troops (Note: The strength of the subordinates cannot exceed that of the host, and ordinary troops can only be ordinary troops.)]

Oh my god,

Xinzheng City?

Han Fei?

Ying Zheng?

Hundred Schools of Thought?

This is actually the Qin Dynasty world? Kill Han Fei and Ying Zheng? Does the trial mission require him to be a villain?

Su Chen touched his chin and thought,

During this period,

Yan Dan is still a hostage in Qin State. He should also use Yan Fei to escape back to Yan State. Yan Dan and Yan Fei are not together yet. Su Chen must kill the hypocrite Yan Dan in advance this time.

Huh?

Space-time gene?

The system girl actually left him the space-time gene of an angel,

Not bad,

It seems that the system girl has fallen in love with herself, and the girl doesn't want to die in the small world.

"` ~ Nannan, this world is a bit special, it can also be said to be the Tianxuan ContinentA projection world in the East Region, this world has Yan Fei and Jing Wei, as well as Zi Nu and Ming Zhu Furen. "

Nan Nan took Su Chen's hand and said, "Projection of the East Region of Tianxuan Continent? Yan Fei and Zi Nu exist in this world, brother, they are just projections, you don't have to care about them."

(Qian Le Zhao)

Su Chen rubbed his forehead and said, "I understand, although they are projections, they are also my women, we can help them if we can."

Nan Nan rolled her eyes at Su Chen and said, "Brother, if you want to help them, help them, I have no objection. "

Nannan guessed that Su Chen would not ignore those women,

Especially Yan Fei and Jing Niu,

They are very important to Su Chen,

Although the women in this world are projected women, their names and identities are the same after all, and they may also have the same appearance. Su Chen cannot ignore those women.

Even if she encounters them,

Nannan will help them.

Su Chen waved his hand to summon three hundred shadow assassins and said,

"Archangel, female zombies, you take three hundred shadow assassins to the handover between Wei and Chu. Where will Jing Niu and Su Yan appear? You find them and bring them to Xinzheng City in South Korea."

"Yes, Master.".

Chapter 3146

Three days later,

In the mountains where Korea and Qin meet, Su Chen and Nannan sat by the stream drinking tea and talking.

Nannan leaned on Su Chen and asked, "Brother, will Yan Fei in this world pass by here?"

"Yes, Yan Fei will pass by here today." Su Chen took a sip of tea and nodded.

Three days ago,

Su Chen asked the system and knew that Yan Fei would pass by here.

Yan Fei!

Meeting Yan Fei again in the small world.

Su Chen almost broke his mind when he met Yan Fei last time.

Yan Fei is too important to him.

No matter what world Yan Fei is in, Su Chen can't face Yan Fei throwing herself into the arms of other people.

Nannan poured tea for Su Chen and asked, "Brother, how are you going to arrange for Yan Fei in the future?"

"This world will belong to the prehistoric fairyland during the Conferred God period. I will arrange for Yan Fei and Zi Nu and the others."

"That's fine."

At this time,

More than 30 people came quickly from a distance. They found that Su Chen and Nannan were very alert by the stream.

This is a deep forest,

There are no people,

Two handsome men and beautiful women appeared in the deep forest, and they all showed vigilant eyes to Su Chen and Nannan.

A man with a mustache said to the beautiful woman beside him, "Fei Yan, there may be something wrong with the two people by the stream, we have to be careful."

"Well, it's not normal for them to be here."

Fei Yan nodded expressionlessly,

She found Su Chen and Nan Nan very dangerous, and she also found that Su Chen and Nan Nan had extraordinary temperaments and were probably not ordinary people,

The noble temperament born with them,

The powerful aura of the superior,

The power of ignoring the world.

Yan Fei had never seen such a noble person, let alone someone who made people feel awe.

Qin Wuyang of the Mohist School asked unkindly, "Who are you? Why are you here?"

Daotuo laughed nonchalantly, "Old Qin, they should be rich kids who eloped."

Jing Ke frowned and reminded Daotuo,

"Daotuo, don't talk nonsense, they are not ordinary people, we don't have to provoke them."

Master Ban stroked his beard and nodded, "Jing Ke is right, we still have to protect Prince Yan back to the country, don't make trouble."

"I understand."

At this moment,

Su Chen held Nannan and looked at the farmers and the little mustache Yan Dan,

As for Yan Fei,

Su Chen glanced and didn't dare to look,

He just looked at it and his heart was beating violently. Su Chen and Yan Fei of Xuantian Realm hadn't met for almost two hundred years. When he saw Yan Fei of this world, he thought of his wife Yan Fei.

Su Chen said to the people in front of him, "Yan Dan, the Crown Prince of Yan State, everyone in the Mohist School, you can't leave today."

Yan Dan walked forward expressionlessly and asked, "Who are you? How do you know who I am?"

Everyone in the Mohist School drew their weapons.

They understood that Su Chen had come with bad intentions. He might have come here specifically to kill Yan Dan.

Fei Yan stared at Su Chen with her hands on her belly. She found that Su Chen had a strong desire to kill Yan Dan.

How could a noble have a strong desire to kill Yan Dan?

Luo Wang?

Are the man and woman Luo Wang's killers? Were they ordered to kill Yan Dan?

Su Chen curled his lips and said disdainfully, "Is it difficult to get to know you? Prince of Yan, I can also call you the disciple of the Six-Fingered Black Knight."

"What? Yan Dan is the disciple of the master? How is that possible? Why didn't the master tell us?"

"Disciple? No wonder the master asked us to help Yan Dan escape back to Yan."

"Why didn't the master tell us?"

"Not sure, maybe it's because Yan Dan is the prince of Yan that the master didn't tell us."

"What should we do now?"

"Kill, we must not let anyone know that Yan Dan is the disciple of the master."

After the Mohist leaders talked,

They quickly surrounded Su Chen and Nannan,

Yan Dan is the disciple of the Mohist master,

This matter is of great importance,

They can't let anyone know, they have to kill Su Chen and Nannan to keep the secret.

At this moment,

Fei Yan stared at Yan Dan coldly,

She was deceived,

Fei Yan was the concubine of Dongjun Yan of Yinyang School,

She was ordered by Donghuang Taiyi to approach Yan Dan, and her mission was to obtain the Yan State copper box of Canglong Qixiu.

However,

Yan Fei was attracted by Yan Dan's knowledge and demeanor,

She also developed feelings for Yan Dan.

It turned out that all this was a deception,

If Yan Dan was a disciple of Six-Fingered Black Knight, he would definitely know that she was the concubine of Dongjun Yan of Yinyang School, and Yan Dan used her to escape from Qin State and deceived her feelings.

Yan Dan showed an angry expression and shouted, "Who are you? How do you know that I am the disciple of the Six-Fingered Black Knight?"

Su Chen hugged Nan Nan and said coldly, "Hypocrite, you don't need to know who I am. You just need to know that this is your grave. You will die today and I will torture you to death."

Su Chen was quite satisfied with Yan Fei's performance.

He deliberately exposed Yan Dan as the disciple of the Six-Fingered Black Knight. Su Chen just wanted to see Yan Fei's reaction.

He showed Yan Fei a cold look.

Yan Fei should understand that she was deceived by Yan Dan. The beautiful girl is not a hopeless idiot.

What the hell,

Why does Su Chen feel like he is scolding his wife.

"Kill them!"

Yan Dan waved his hand and ordered the people around him,

Kill him?

Just two masters?

There are four leaders in the Mohist School.

Among them, there are three masters, one great master, and more than 30 Mohist disciples.

Yan Dan is also a master.

They are enough to kill Su Chen and Nannan.

Yan Fei looked at Su Chen and Nannan with her beautiful eyes. She did not intend to help them.

If Yan Dan and the Mo family killed Su Chen and Nannan, Yan Fei would kill Yan Dan to avenge them. She would also repay Su Chen for exposing Yan Dan as a Mo family disciple.

At this time,

The Mo family disciples rushed towards Su Chen and Nannan quickly.

However,

Su Chen and Nannan sat on the ground and did not get up. They seemed not to see the Mo family coming to kill them.

Yan Fei opened her eyes wide and couldn't help but want to take action.

Are Su Chen and Nannan fools? Didn't they see dozens of Mo family disciples killing them?

Nannan waved her hand with a cold expression and ordered, "Kill them."

Swoosh, swoosh, swoosh~

Swish, swish, swish~

Women in black suddenly appeared one after another, and they used short blades to instantly cut the throats of Mohist disciples.

In an instant,

All Mohist disciples were killed,

Mohist leaders Qin Wuyang and Dao Tuo were killed,

If Jing Ke had not found something wrong and quickly retreated, he would have been killed by the shadow assassin.

At this moment,

There was silence all around,

Yan Dan and Master Ban next to him,

And Jing Ke who retreated,

Even Yan Fei,

Everyone was very surprised,

The shadow assassin appeared in an instant,

The shadow assassin disappeared without a trace in an instant,

They did not find any breath, nor did they find where the shadow assassin was hiding.

Su Chen waved his hand and stopped the shadow assassin from attacking.

He looked at Yan Dan and taunted him.

"Little mustache, if you commit suicide, you can avoid being tortured to death by me. If you don't commit suicide, you will die miserably.".

Chapter 3147

Yan Dan looked at Su Chen very nervously.

Su Chen's men made him tremble in his heart.

A natural assassin,

An assassin who came and went without a trace,

More than thirty disciples of Mozi were killed in an instant, and even two leaders of the Mo family were killed without resistance.

Yan Dan knew that he could not escape.

He thought quickly about how to survive this crisis.

"Sir, I have offended you just now. Please forgive me. I will apologize to you later."

Su Chen let go of Nannan and stood up and said coldly,

"I have offended you? Forgive me? Yan Dan, do you think begging for mercy is useful? I said, you are dead today, no one can save you, and I will torture you to death."

"Sir, do we have a grudge?"

"Yes!"

"I don't remember offending you. Is it true? Did I remember the wrong person?"

"Haha~ Remembered wrong? Do you think I would remember wrong?"

Yan Dan hurriedly asked Yan Fei for help,

"Fei Yan, save me, I didn't mean to deceive you before, my master Six Fingers Black Knight won't let me reveal my identity to anyone, I like you, you will be the Crown Princess of Yan in the future."

"Humph! Yan Dan, do you think I'm a three-year-old child?" Yan Fei snorted disdainfully at Yan Dan,

Save Yan Dan?

She wanted to tear Yan Dan into pieces with her own hands, how could Yan Fei save the hypocrite Yan Dan.

Crown Princess?

Does she care?

Su Chen waved his hand and ordered, "Yan Dan stays, kill the rest of the Mo family,"

Swoosh, swoosh, swoosh~

A team of shadow assassins appeared instantly to kill Jing Ke and Master Ban,

Before Master Ban could use the mechanical beast, he was instantly cut in the throat by the shadow assassin.

Jing Ke was prepared for the assassination of the shadow assassin, but he was still almost cut in the throat,

Six shadow assassins continued to attack Jing Ke,

Jing Ke had more and more cuts on his body, and he would be killed by the shadow assassin in less than ten breaths.

Su Chen smiled at Yan Fei, "Yan Fei, do you want to kill Yan Dan yourself?"

"Do you know me? Don't you hate Yan Dan to the bone? Don't you kill him yourself?"

Yan Fei didn't expect Su Chen to know her,

Who is Su Chen?

There is no such person among the Hundred Schools of Thought, and she has never heard of such a noble in any country.

Su Chen stroked his chin and smiled, "I can say that I know you, and I have known you for many years. If Yan Dan is killed by you personally, or even if you kill Yan Dan cruelly, I will be very happy."

Yan Fei rolled her eyes at Su Chen,

She felt that Su Chen was teasing her,

What do you mean that she would be happy to kill Yan Dan? Does Yan Fei need Su Chen to be happy to kill Yan Dan?

Know her for many years?

Yan Fei had no impression of Su Chen at all, how could Su Chen know her for many years?

Bang!

Yan Dan suddenly tried to escape quickly with Qing Gong, and Nan Nan dodged and kicked Yan Dan. Dan kicked back again.

Yan Fei looked at Nan Nan and her eyelids twitched.

It was too fast.

She didn't even see how Nan Nan kicked Yan Dan back.

Nan Nan was only at the Grandmaster level.

Yan Fei felt that if Nan Nan wanted to kill her, a Grandmaster, Nan Nan would probably kill her with one hand.

Nan Nan looked at Su Chen and said speechlessly, "Brother, kill this disgusting man quickly."

"Okay."

Su Chen nodded to Nan Nan.

He knew that Nan Nan didn't want to face the Yan Fei of this world, and he couldn't make his dear sister unhappy.

"Sword Fifteen!"

Crack!

Ah~

"Sword Sixteen!"

Crack!

Yan Dan's arms were cut off by Su Chen in an instant and he screamed, "Ah~ No, don't kill me, I am the crown prince of Yan State, I am the heir apparent of Yan State, if you kill me you will be surrounded and killed by the Yan State army."

"Sword Seventeen!"

Crack!

"Sword Eighteen!"

Crack!

Su Chen quickly cut off Yan Dan's limbs. "Yan Dan, I said I would torture you to death, and I will do what I said."

Yan Dan fell to the ground miserably, vomiting blood and shouting, "Why... why?"

"Hypocrites don't deserve to live in this world, and scumbags should be torn into pieces."

"I... I didn't, I'm not... not a scumbag!"

"It doesn't matter."

Su Chen swung his sword and began to cut Yan Dan's flesh and blood. He said he would torture Yan Dan to death.

If Yan Dan has the courage, he can commit suicide.

He can suffer less cruel punishment.

If Yan Dan doesn't have the courage to commit suicide,

He can only die painfully by cutting his flesh with his own sword.

Yan Dan screamed miserably, "Ahhh~, I...will not let you go...even if I become a ghost."

Yan Fei frowned and looked at Su Chen,

Su Chen really wanted to torture Yan Dan to death,

How did Yan Dan offend Su Chen? Why did Su Chen hate Yan Dan so much?

Yan Fei asked Nan Nan next to her, "What is the grudge between your brother and Yan Dan?"

Nan Nan glanced at Yan Fei and did not answer,

For this Yan Fei,

She didn't know how to face this Yan Fei,

Although Nan Nan was the incarnation of the ruthless empress, Yan Fei of Xuantian Realm was also her sister-in-law, and she was very good to her,

Nan Nan didn't want to have anything to do with another Yan Fei, and her personality was not good at communicating with others.

Yan Fei shook her head speechlessly,

Nan Nan's personality was really cold,

She was just curious about the hatred between Su Chen and Yan Dan, but Nan Nan actually glanced away and ignored her.

After a while,

"I will not let you go...even if I become a ghost!"

Su Chen cut Yan Dan's flesh and blood dozens of times, and Yan Dan could not bear the pain and committed suicide by breaking his heart.

Su Chen put away his sword and shook his head, saying, 977 "It's useless to commit suicide after enduring more than forty swords."

Nannan walked up to Su Chen and asked, "Brother, are we leaving?"

"Let's leave."

Su Chen took Nannan's hand and glanced at Yan Fei.

Yan Fei's crisis was resolved by him.

Donghuang Taiyi would not imprison Yan Fei, and there was no need for him to stay and have too much contact with Yan Fei.

See you again if we are destined to meet.

Swoosh!

A shadow assassin suddenly appeared and saluted, "Meet the master, Miss."

Su Chen asked the shadow assassin, "Have you found out the news about the Blood Clothes Castle?"

"Master, there is no female marquis in the Blood Clothes Castle, and the female marquis's ice coffin has not been found in the secret room of the tunnel."

"No?"

Su Chen frowned and couldn't figure it out.

It stands to reason that the female marquis should be in the ice coffin.

How could the female marquis not be in the ice coffin in the secret passage? Is the female marquis in this world really dead?

"Su Bing, gather all the shadow assassins, we are going to Xinzheng City in South Korea."

"Yes, Master."

Su Chen held Nannan and glanced at Yan Fei, and he and Nannan disappeared in Yan Fei's sight.

Yan Fei saw Su Chen holding Nannan and disappeared in an instant,

Whispered in confusion,

"Left? Transformed? Or teleported? Xinzheng City in South Korea? Are they going to Xinzheng City in South Korea? Who are these brothers and sisters? Are they going to Xinzheng?"

Chapter 3148

Yan Fei thought about it and decided to go to Xinzheng City.

She was very interested in Su Chen and Nan Nan, and she wanted to find out what Su Chen and Nan Nan were like.

Also,

Su Chen looked at her with complicated eyes several times, and Yan Fei felt that Su Chen had inexplicable feelings for her.

"Know her? Or is that person a pervert?"

Yan Fei thought about it and couldn't figure it out.

But,

If Su Chen was a pervert,

Why didn't he catch her and humiliate her when he was so powerful? Could it be that Su Chen really knew her?

Forget it,

Don't think about it,

When we get to Xinzheng City,

Yan Fei will figure out what she can't figure out.

In the afternoon,

Xinzheng City, South Korea,

Su Chen pulled Nan Nan and stood in a daze outside Zi Lan Xuan,

Zi Lan Xuan?

Zi Nu?

When he arrived in Xinzheng City, he couldn't help but come to see Zi Nu, and he also wanted to make arrangements for Zi Nu in the future.

A woman in Zi Lan Xuan asked in confusion, "Guests, do you want to enter Zi Lan Xuan?"

"Prepare a private room for us."

"Okay, guests."

Su Chen pulled Nan Nan into Zi Lan Xuan, and they entered a gorgeous private room on the second floor under the guidance of the woman.

"What kind of wine and dishes do you need?"

"You go out."

"This... okay."

After the woman left, Su Chen,

He waved his hand and filled the table with dishes, fine wine, and spiritual tea. These were all items from the world of cultivating immortals.

Items above the immortal world were sealed by the system.

He couldn't take them out even if he wanted to eat.

Nannan asked while running over tea, "Brother, what is your trial mission?"

Su Chen leaned on the couch and replied, "There are three trial missions this time. One, kill Han Fei. Two, kill Ying Zheng. Three, destroy five sects of various schools of thought, and you must also..."

"Brother, your three trial missions are very simple. We just need to wait for Ying Zheng to arrive in Xinzheng City. In less than a day, we will complete the three trial missions."

"Well, this trial mission is very simple, but I guess the next two trial missions will be more difficult than one~".

"That's right. If the trial missions are all so simple, this is not a trial mission."

"Let's not talk about it. Let's just treat it as a trip to this small world. I will also accompany my sister."

"Okay, brother."

At this moment,

On the third floor of Zilanxuan,

Zinv was very surprised to hear the maid's report,

Two men and women dressed in extraordinary clothes?

Outstanding and noble temperament?

The two men and women may be nobles from other countries. How could they come to the Zi Lan Xuan, a place of entertainment?

"Ayu, are they in the private room of Ting Yu Xuan on the second floor?"

"Yes, sister, but they asked me to come out without ordering wine and food."

"No wine and food? Interesting, I'll go and take a look." Zi Lan XuanThe girl stood up and stretched her perfect body.

She was going to meet two strange guests.

She also wanted to find out the identities of the two men and women.

Tingyuxuan private room,

Su Chen and Nannan were drinking tea and talking.

Nannan asked while drinking tea, "Brother, we didn't order any food or drinks. Do you think Zi Nu will come to check on us?"

Su Chen smiled and said,

"She will definitely come. Zi Nu's Zi Lan Xuan is a place to collect intelligence. Our arrival will interest Zi Nu. If we don't order any food or drinks, Zi Nu will be more interested in us."

"Brother, you are not deliberately trying to lure Zi Nu here, are you?"

"Yes, Zi Lan Xuan will be the center of storms in the future. Han Fei and Ying Zheng will all appear in Zi Lan Xuan."

"So that's it."

Nannan understood.

The reason why Su Chen came to Zi Lan Xuan should be for Trial Tasks 1 and 2.

Ding Ding Ding~

"Excuse me, sir. I am Zi Nu, the owner of Zi Lan Xuan. You didn't order any wine..."

Zi Nu knocked on the door and came in, confused.

Didn't you order any wine or food?

Why is the table full of wine and food? And the delicious food she has never seen before.

What's going on?

Did they bring these wine and food with them? Zi Nu didn't even notice the food box next to them.

Su Chen smiled as he drank his tea, "Zi Nu, I know you are the boss of Zi Lan Xuan. We are going to stay at Zi Lan Xuan for a few days."

Zi Nu squinted and shook her head,

"I'm sorry, guests. Zi Lan Xuan doesn't accommodate guests. You can stay at the inn one street away."

"I'm not discussing with you. I'm informing you."

"You..."

"This is the accommodation fee."

Su Chen waved his hand to interrupt Zi Nu. He took out an elf broken diamond bracelet and handed it to Zi Nu.

Zi Nu took the elf broken bracelet and was confused again.

The elf broken diamond bracelet is very exquisite, with stars, dazzling, and each broken diamond shines like a star.

The elf diamond bracelet is the most beautiful bracelet Zi Nu has ever seen.

The value of the bracelet is inestimable.

It is priceless.

Zi Nu guessed that even the He Shi Bi from a hundred years ago was not as priceless as the elf diamond bracelet.

"` ~Boss Zi Nu, is my accommodation fee enough?"

"What if I say it's not enough?"

Su Chen stretched out his hand and smiled, "Give me back my bracelet, my sister and I will find an inn to stay."

"Dream on!"

Zi Nu hurriedly put away the elf diamond bracelet,

Give it back to Su Chen?

Is it possible?

The elf diamond bracelet is not only beautiful,

but also extremely precious.

Every woman will be fascinated by it. Zi Nu is a woman and is also fascinated by the elf diamond.

The elf diamond is in her hands.

How can she return it to Su Chen?

Su Chen wantsLive in her Zilan Pavilion?

One bracelet can stay in Zilan Pavilion for one night. Zi Nu wants to make a killing for the nobles.

Nan Nan rolled her eyes at Su Chen.

She didn't expect Su Chen to play tricks on Zi Nu.

The elf diamond bracelet is extremely precious in the ordinary world.

But in the fairy world,

The elf diamond bracelet is just garbage and debris. No one (Wang Nuo Zhao) will pick it up if it is thrown on the ground.

Su Chen looked at Zi Nu's slender waist and said, "Zi Nu, the elf diamond bracelet is my token of love for you. You will be my fiancée in the future. It should be natural for me to live in Zi Lan Xuan, right?"

Zi Nu crossed her slender waist with one hand and said coldly, "Shameless man, you are dreaming. You can only live in Zi Lan Xuan for one day. Get out of Zi Lan Xuan tomorrow."

"You are so ruthless."

"You are so shameless!"

Su Chen pouted and said sarcastically, "I am shameless? Zi Nu, the elf diamond bracelet is extremely precious and worth a fortune, but you let me stay for one day. Who of us is shameless?"

Zi Nu glanced at Su Chen and said disdainfully, "Zi Lanxuan is mine, and your elf diamond bracelet is only worth one day."

"I'm invincible, Zi Nu, you are invincible."

"I am invincible? What do you mean?"

"I mean you are shameless."

"Asshole, do you want to die?" Ying.

Chapter 3149

Zi Nu was so angry that her chest was about to explode.

Is she shameless?

How did she become shameless? .

Does the shameless bastard want to die?

Since Zi Nu opened Zi Lan Xuan,

She has never been bullied like this.

Those who came to Zi Lan Xuan to make trouble, those who had improper thoughts about her, the weeds on their graves are three feet high. Zi Nu doesn't mind killing Su Chen and throwing him in the mass grave.

Su Chen smiled as he drank tea, "Zi Nu, arrange the room. We'll go rest soon. By the way, my name is Su Chen."

"Hmph!"

When Zi Nu turned around to leave with a cold snort, she turned around and walked to the table and sat down.

The dishes on the table smelled very good.

She smelled the aroma of the dishes and felt that her cultivation level was loosening. Zi Nu guessed that the dishes on the table were extraordinary. She wanted to try whether eating the delicious dishes would break through her cultivation level.

Su Chen saw Zi Nu sitting down and eating, and asked jokingly, "Zi Nu, I don't think I invited you to eat our dishes? You came uninvited like this, and you're eating our dishes, okay?"

Zi Nu ate the dishes with bright eyes and said, "Whose Zi Lan Xuan is?"

"Can I say it's mine?"

"No."

"Then why are you asking?"

Zi Nu poured a glass of wine and drank it, saying, "Zi Lan Xuan is mine, and all the items in Zi Lan Xuan are also mine. Since these dishes are in Zi Lan Xuan, why can't I eat them?"

Boom!

A strong aura suddenly burst out from Zi Nu's body, and she hurriedly closed her eyes and began to break through the realm of cultivation.

"Brother, Zi Nu is going to break through to the Grandmaster level."

"Dishes and wine are spiritual objects. Zi Nu is just an ordinary person. It would be strange if she didn't break through after drinking wine and eating dishes."

"Brother, the highest existence in this small world is the Golden Core Realm. Do you want to help Zi Nu break through to the Golden Core Realm?"

"No, it's not bad for Zi Nu to break through to the Grandmaster level. If she breaks through too fast, her state of mind will be in trouble. I plan to improve the bones of Zi Nu and Yan Fei first."

Nan Nan stroked her hair and asked doubtfully, "That's right, brother, will Yan Fei come to Xingzheng City?"

"She will come. If she doesn't come, we will see her again in the future."

Su Chen smiled when he thought of the noble and beautiful Yan Fei.

He guessed that Yan Fei would definitely come back.

The mystery of Su Chen and Nan Nan, and why she wanted to kill Yan Dan, Yan Fei's arrogant personality must want to figure it out.

At this time,

In the barren mountains at the border of Chu and Wei,

Jing Niu took a little girl of six or seven years old and fled quickly, and more than a hundred Luowang assassins were chasing them from behind.

The little girl looked back and said, "Mother, those assassins have been chasing us. Can we escape this time?"

"Yan'er, mother will take you away."

Jing Niu pulled the little girl and fled quickly,

She was injured,

She also had her daughter Yan by her side,

Luowang assassins dispatched two hundredMany people were chasing her, including five assassins with the character "Sha" and more than twenty assassins with the character "Di". There were also many assassins with the character "Jue".

If Jing Niu had not been injured and Yan was not around, it would have been easy for her to kill these Luowang assassins.

Now,

Jing Niu could only take Yan to escape from Luowang's pursuit.

After a while,

In a jungle,

Jingwei and Yan were caught up and surrounded by Luowang assassins,

A masked assassin pointed his sword at Jingwei and said coldly, "Jingwei, you can't escape. If you betray Luowang, you will die."

Jingwei protected Yan behind her. She looked at the Luowang assassins around her coldly with Jingwei sword,

More than a hundred Luowang assassins,

She killed some Luowang assassins along the way, and there were more than a hundred Luowang assassins chasing her,

Trouble,

Jingwei was injured and was no match for many assassins. She looked at Yan with tenderness and guilt in her eyes,

Yan had been fleeing with her since he was born, and he had not lived a stable life for several years.

This time,

Both she and Yan might die,

Jingwei couldn't bear to see Yan being killed by Luowang assassins.

Yan let go of Jingwei's hand and said, "Mother, run away. I don't have the strength to run away anymore."

"Yan, mother won't abandon you and run away." Jingwei held Yan's hand again and said coldly,

She won't abandon Yan and run away,

If Yan was killed,

What's the point of Jingwei living.

The assassin with the character "Sha" waved his hand and ordered, "Everyone, come together. If we don't kill Jingwei, we will all die. Attack together."

"Kill!"

More than a hundred Luowang assassins rushed towards Jingwei with long swords.

In order to kill Jingwei,

Hundreds of Luowang assassins have been killed in the past few years, and even the assassins with the characters "Sha" and "Di" have lost 20 to 30 people.

Luowang is cruel and ruthless.

If the mission is not completed,

All of them will be executed.

Jingwei protected Yan and took the Jingwei sword to fight. "Yan, hide behind your mother and don't run around."

"Okay, mother."

Yan stood behind Jingwei and was very worried.

There were too many Luowang assassins.

Her mother's injuries had not recovered yet, and Yan was worried that her mother would be killed by Luowang assassins.

Swoosh, swoosh, swoosh~

Swish, sizzle, sizzle, sizzle~

Suddenly,

Women in black appeared one after another,

Before the Luowang assassin could react, dozens of women in black cut the Luowang assassin's throat.

In less than three breaths,

More than a hundred Luowang assassins had their throats cut and died, and even the assassin with the word "Sha" could not escape the assassination of the women in black.

"Shadow Assassin Team 6, see the madam and the lady."

"Shadow Assassin Team 7, see the madam and the lady."

"Shadow Assassin Team 8, see the madam and the lady..."

Thirty-six shadow assassins knelt down and saluted Jingwei and Yanxing,

This Jingwei and Su Yan in this world,

The Shadow Assassin knew that they were not the real Jingwei and Su Yan, but they were exactly the same as Jingwei and Su Yan in Tianxuan Continent.

Whether it was a projection,

or a mirror image,

Su Chen would not ignore them,

The Shadow Assassin would also respect Jingwei and Su Yan in this world.

At this moment,

Jingwei and Yan were confused again,

They thought they would be killed by Luowang Assassin just now, but thirty-six women in black appeared and killed Luowang Assassin instantly, and the women in black also knelt down to salute them.

Shadow Assassin?

Madam?

Miss?

Could it be that the Shadow Assassin recognized the wrong person?

Yan looked at the shadow assassins and asked in confusion, "Did you recognize the wrong person?"

A shadow assassin saluted and said,

"Miss, we didn't recognize the wrong person."

"The master sent more than 20 shadow assassin teams to find the young lady and the lady. Our three teams were the first to find the young lady and the lady. The other teams will come soon."

"More than 20 shadow assassin teams?"

Yan and Jingwei were even more surprised.

A shadow assassin team has 12 people.

More than 20 shadow assassin teams, doesn't this mean there are nearly 300 shadow assassins?

Yan looked at Jingwei with a strange look and asked, "Mother, did you know a man before? The shadow assassins came to save us specifically. Could it be that the man mother knows wants to save us?".

Chapter 3150

Yan guessed that her mother had hidden something from her.

Who was the master of Shadow Assassin?

Why did he call her mother the mistress?

Call her Miss? .

Yan guessed that the master of Shadow Assassin might be her father. Jingwei never told her who her father was or what his name was.

This time they were in danger.

The Shadow Assassin appeared and saved them. Yan felt that she was about to meet her father whom she had never met.

However,

Yan did not dare to ask her mother directly.

She could only ask her mother in a veiled way.

Also,

If the master of Shadow Assassin was her father,

Why didn't he come to look for them all these years? Why didn't her mother say a word about her father?

"Yan, don't ask nonsense. Mother doesn't know any man." Jingwei patted Yan's little head.

She was very upset.

Mistress?

Why did the shadow assassin call her like that?

Who is the master of the shadow assassin?

Swoosh, swoosh~

A team of shadow assassins appeared in an instant and saluted, "Shadow Assassin Team 17 greets the mistress, Miss."

Yan's eyes turned and waved her hand, saying, "No need to be polite."

"Thank you, Miss."

Yan touched his chin and thought,

Just like that, another team of shadow assassins arrived,

Team 17?

Other teams should be arriving soon.

The Shadow Assassin's hiding and assassination skills are very powerful.

Yan used to think that the Luowang Assassin was very powerful, but today she finally understood what a real assassin is.

The Luowang Assassin was vulnerable to the Shadow Assassin, and the Shadow Assassin killed the Luowang Assassin in a few breaths.

Yan thought that with the protection of the Shadow Assassin in the future,

Wouldn't she be able to go out and play as she pleases?

Jingwei glanced at Yan,

She ignored Yan's random words to the Shadow Assassin, and Jingwei thought about what to do in a while,

Escape?

The Shadow Assassin is much more terrifying than Luowang,

She can't run away with Yan.

Besides,

The Shadow Assassin has no hostility towards her and is very respectful, so Jingwei can't be ungrateful and run away with Yan.

An hour later,

Three hundred shadow assassins arrived one after another, and the archangel and the female zombie also rushed over quickly.

"The archangel greets Madam Jingwei and the young lady."

"The female zombie greets Madam Jingwei and the young lady."

The archangel and the female zombie came and saluted Jingwei and Yan.

As for Jingwei and Yan,

The archangel and the female zombie knew them very well. Although Jingwei and Yan were not the real Jingwei and Su Yan,

However,

They looked exactly like the real Jingwei and Su Yan,

Su Chen came to this world,

and sent them to find Jingwei and Yan,

They guessed that Jingwei would become Su Chen's Madam, Yan will also become Su Chen's daughter in the future.

"Archangel, where is your master? Why didn't he come?"

Yan was very surprised to see the beautiful Archangel and the female zombie.

Her mother was very beautiful, and she didn't expect that the Archangel and the female zombie were more beautiful than her mother.

The Archangel saluted and replied, "Miss, the master is waiting for you and Madam in Xinzheng City, South Korea."

"Xinzheng City, South Korea?"

Yan didn't expect that the master of the Shadow Assassin didn't come.

Xinzheng City, South Korea?

Are they going to Xinzheng City, South Korea?

The female zombie pointed to the carriage and said, "Madam, Miss, we have prepared a carriage. Please get on the carriage. We need to go to Xinzheng City to meet up with the master as soon as possible."

Yan pulled Jingwei and said, "Mother, your injury has not recovered yet. Let's get on the carriage first."

"Okay!"

Jingwei pulled Yan to the carriage.

She couldn't leave.

The existence of the shadow assassin made it impossible for her to escape.

The appearance of the archangel and the female zombie.

She felt a very dangerous feeling. Jingwei was no match for any of them.

The archangel and the female zombie wanted to kill her.

Any one of them could kill her instantly.

Five days later,

Xinzheng City Zilanxuan,

Su Chen was lying in a rocking chair in the yard basking in the sun,

He didn't care about the situation in Xinzheng City,

He didn't want to care,

These were trivial matters in the mortal world, and Su Chen was not interested in the fights between mortals.

Swoosh!

Wei Zhuang came down from the upstairs,

He looked at Su Chen and said coldly, "Su Chen, where is your sister?"

Su Chen opened his eyes and shook his head, "King Bi, you are no match for my sister, don't even think about sparring with my sister."

"I know I am no match for your sister, I want to know the gap between us."

Wei Zhuang was very upset when he thought of Nannan,

Three days ago,

Wei Zhuang found Su Chen teaching Zi Nu swordsmanship,

0Please give me flowers0 0

He wanted to compete with Su Chen,

Su Chen ignored him,

Wei Zhuang waved his sword to force Su Chen to compete with him,

However,

Nan Nan next to him casually pointed at him,

One finger,

Wei Zhuang was sweating profusely and dared not move,

He would die,

Nan Nan's finger made him feel death,

If Wei Zhuang dared to continue to wave his sword at Su Chen, Nan Nan's finger could easily kill him.

Su Chen curled his lips and laughed, "No need, even if you practice for a hundred years, a thousand years, ten thousand years, even if you become an immortal, my sister can kill you with one finger."

"I don't believe it."

"Believe it or not, by the way, you are not even your sister Zi Nu right nowHand, King of Force, if you want to defeat my sister, defeat your sister Zi Nu first. "

..... ..

In the past five days,

Su Chen and Zi Nu have also become familiar with each other,

No,

It should be that Su Chen has become familiar with Zi Nu because of her pestering,

Since Zi Nu was promoted to Grandmaster, she has been eating and drinking with him, and even asked him for several martial arts secrets. Su Chen is no match for Zi Nu's unreasonable pestering.

Wei Zhuang's mouth twitched when he heard Su Chen's words,

Sister?

Wei Zhuang couldn't figure it out,

He and Zi Nu are siblings and no one knows, how could Su Chen know that Zi Nu is his sister?

Also,

Zi Nu ate Su Chen's dishes and wine five days ago, and was promoted to Grandmaster in less than an hour.

Grandmaster Intermediate Stage 1 He was promoted to the late stage of Grandmaster,

The cultivation level was still very stable,

Wei Zhuang couldn't help going to Su Chen's room to eat several times, but his dignity didn't allow him to go.

Wei Zhuang could still defeat Zi Nu four days ago,

But after Zi Nu practiced Su Chen's martial arts, she defeated him in just a few moves.

Practice?

Wei Zhuang thought of Zi Nu giving him martial arts secrets,

He didn't want to practice at first,

But,

He couldn't even beat Zi Nu now, how could he protect his sister Zi Nu in the future?

At this time,

Zi Nu twisted her waist and walked over and said, "Xiao Zhuang, Han Fei is here, you go to see Han Fei."

"Okay. "

Wei Zhuang nodded to Zi Nu,

He ignored Su Chen and turned away.

Su Chen sat up and smiled, "Boss Zi Nu, are you here to fulfill your promise?"

"Dream on, Su Chen, don't be so delusional, I will never kiss you in my life." Ling.
