

## Zongwu 3151

### Chapter 3151

Zi Nu glared at Su Chen in shame and anger,

Kiss this bastard?

Is it possible?

Zi Nu was also very helpless,

She didn't expect Su Chen to have a top martial arts secret book,

Zi Nu only practiced the Four Seasons Sword Technique to the entry level, and she could easily defeat the Grandmaster Wei Zhuang.

She lost the bet with Su Chen,

Although Zi Nu had been playing tricks and not admitting it these days, he was more and more interested in Su Chen's mystery.

After a meal and wine,

Zi Nu instantly advanced to the Grandmaster,

The martial arts she practiced were so powerful that Zi Nu was shocked. She felt that what she practiced was not martial arts, but rather immortal swordsmanship and skills.

"Women, women."

Su Chen was lying on the rocking chair with his head in his arms.

He did not intend to force Zi Nu to kiss him.

Zi Nu was a woman with her own ideas, a woman who knew when to advance and when to retreat, and a smart and wise woman.

Su Chen wanted Zi Nu to gradually like him and fall in love with him.

This process might take a while.

But it was very interesting.

The bickering between Su Chen and Zi Nu these days reminded him of the quarrel he had with Zi Nu in Tianxuan Continent.

Bang!

Zi Nu kicked Su 313 Chen and asked, "Su Chen, you do nothing all day long and bask in the sun. Aren't you afraid of getting tanned? Don't you have anything to do?"

"No, I have food and drink in Zi Lan Xuan, and there are beautiful women serving me. I want to live like this forever."

"You... Su Chen, get out of my Zi Lan Xuan tomorrow, and I won't let Cai Die and Hong Yu serve you anymore."

Su Chen sat up and said speechlessly, "Zi Nu, I paid for the accommodation, you have no right to drive me out of Zi Lan Xuan."

"You can only stay for five days with your accommodation fee. Get out of Zi Lan Xuan tomorrow. I am upset to see you."

"Not leaving."

"Not leaving? You want to die..."

"Master, Yan Fei has arrived in Xinzheng City."

When Zi Nu was still angrily saying something, a woman in black suddenly appeared and saluted Su Chen.

Su Chen touched his chin and smiled, "Yan Fei is finally here? Inform Yan Fei, come to Zi Lan Xuan if you want to find me."

"Yes, Master."

Zi Nu saw the woman in black suddenly disappear again, she looked at Su Chen and felt incredible,

Zi Nu is now a grandmaster,

She didn't even sense the breath of the woman in black, and how could there be hidden subordinates around Su Chen? How many subordinates are there around this bastard who are secretly protecting him?

"Su Chen, how many men are hiding around you?"

Su Chen stared at Zi Nu's seductive waist and asked, "Want to know?"

"I want to know."

"Zi Nu, kiss me, and I'll show you the men hiding around me."

"Shameless bastard."

Zi Nu was so angry that she wanted to strangle the shameless bastard to death.

Su Chen spent all day exceptIn order to take advantage of him, can't the shameless pervert be more serious?

It's just that,

Zi Nu is very curious about the hidden subordinates around Su Chen,

The black-clad woman who comes and goes without a trace, if she has such powerful subordinates around her, her Zi Lan Xuan will be safer, and she won't have to do everything herself in the future.

Zi Nu thought about it and blushed and lowered her head to kiss Su Chen's forehead,

She was risking it,

Isn't it just a kiss,

Her kiss on Su Chen's forehead is also a kiss,

If Su Chen dares to mess up and not let his subordinates show up, Zi Nu will stab the shameless bastard to death with a chain sword.

"Su Chen, I have kissed you, quickly ask your men to show up."

"Oh my god, Zi Nu, is your kiss on my forehead a kiss?"

Su Chen was speechless.

He did not expect Zi Nu to kiss him suddenly.

If Su Chen knew that Zi Nu would kiss him,

How could he let Zi Nu kiss his forehead? He would definitely hug Zi Nu and kiss her tender red lips fiercely.

"Asshole, did you say you can't kiss the forehead? Show your men now."

"Zi Nu, you're really speechless."

Zi Nu put her hand on her waist and blushed, "Stop talking nonsense, show your men now."

Su Chen waved and shouted, "Su Bing, show your men to Zi Nu."

"Yes, Master."

Women in black suddenly appeared around Su Chen,

In just a moment,

Ten teams,

One hundred and twenty shadow assassins appeared around Su Chen,

Zi Nu opened her sexy mouth in shock,

More than a hundred shadow assassins were hiding around Su Chen, and she didn't even notice any of them.

The shadow assassins all bowed to Su Chen and said, "Meet the master."

"Sister?"

Nong Yu quickly ran to Zi Nu's side.

She had been checking on Su Chen and Zi Nu in the corridor.

More than a hundred shadow assassins suddenly appeared. She was worried that the shadow assassins would harm Zi Nu.

Zinv waved her hand to Nanyue and said, "Nanyue, don't worry, these are the subordinates of the shameless bastard."

After Su Chen waved his hand to make the shadow assassin disappear,

He sat down again and said, "Boss Zinu, you have seen the people, you can leave, I still need to bask in the sun."

Zinv hurriedly said to Su Chen, "Su Chen, your subordinates will belong to me in the future, I can let you live in Zilanxuan forever."

"Dream on."

"Asshole, I will prepare the best food and drink for you in the future."

Su Chen pouted and mocked,

"Zinv, what you said makes me speechless. In the past five days, have I eaten the food of Zilanxuan? Have I drunk the wine of Zilanxuan? Apart from living in Zilanxuan, you don't seem to care about me at all."

"You...I..."

Zinv was stunned and couldn't say anything,

In the past five days,

Su Chen and Nan Nan had not eaten Zi Lan Xuan's food,

drank Zi Lan Xuan's drinks,

Zinv did not prepare these for Su Chen, and she had no reason to need Su Chen's men now.

Su Chen deliberately tested Zi Nu and said, "Zinv, you don't need me anymore. I will stay in Zi Lan Xuan for a few more days at most and then leave. You won't go to great lengths to drive me away."

"What? You want to leave?"

"If I don't leave, I'm afraid you won't be able to sleep well every day. You hope I'll leave soon and be vigilant about what I do to you every day. Isn't it what you want me to leave on my own?"

Zinv was a little at a loss for a moment,

Although she kept nagging for him to leave, Su Chen left Zilanxuan, but she didn't want him to leave.

In the past five days,

Su Chen not only helped her advance to the Grandmaster level,

but also taught her several top martial arts.

No,

It should be the legendary cultivation method.

Zi Nu also felt that after drinking Su Chen's wine every day, her body seemed to have undergone a qualitative change.

Zi Nu's understanding was particularly fast when she practiced.

She guessed that Su Chen's wine had changed her physique.

Zi Nu asked with a complicated expression, "Su Chen, where are you going in a few days? Will you come back?".

Chapter 3152

Su Chen's mouth curled up when he heard Zi Nu's words. He felt that he had succeeded in conquering Zi Nu by one third.

This was already very good.

In just five days, he could initially conquer the experienced Zi Nu. Su Chen's skills in picking up girls were getting stronger and stronger.

In a few days,

Su Chen would be able to get Zi Nu's body and mind~.

What the hell,

Is this pursuing his wife again?

Zi Nu saw that Su Chen did not respond and shouted angrily, "Su Chen, did you hear me?"

Nong Yu looked at Zi Nu in a daze.

She felt that Zi Nu had changed.

Zi Nu had been displeased with Su Chen for several days and had tried every means to drive Su Chen away for five days.

What happened today?

Su Chen said he would leave in a few days.

Shouldn't Zi Nu be happy?

How did Nong Yu find that Zi Nu was reluctant to let Su Chen leave? Did Zi Nu fall in love with the shameless Su Chen?

Nong Yu felt like she had discovered something huge.

If Zi Nu really fell in love with Su Chen, she was worried that she would be hurt by Su Chen in the future.

For five days,

Su Chen had been touching Hong Yu and Cai Die.

Su Chen was just a lecher.

She was worried that Su Chen would get tired of Zi Nu and abandon her. Nong Yu was so anxious that she didn't know how to persuade Zi Nu.

Su Chen smiled and said to Zi Nu, "Don't worry, I will be back in two or three days. With a beauty like you in Zi Lan Xuan, how can I bear to leave?"

Zi Nu breathed a sigh of relief and scolded, "Shameless bastard."

"Tsk, haven't you heard that thick-skinned people are full of food?"

"Shameless, Su Chen, your men must give me some, this is the compensation for you cheating me just now."

Su Chen agreed without hesitation, "Okay, I will give you three teams of shadow assassins."

"That's about right."

Zi Nu rolled her eyes at Su Chen,

She twisted her sexy waist and took Nong Yu away,

She needed to calm down and think carefully,

Su Chen's words about leaving just now made her feel very upset, Zi Nu needed to think about her relationship with Su Chen, she was not an impulsive woman, nor a woman who was easily moved.

If she and Su Chen had no future,

Zi Nu would immediately cut off her relationship with Su Chen.

At this moment,

In a room on the second floor of Zi Lan Xuan,

Wei Zhuang and Han Fei were talking,

Han Fei spoke freely and boasted to Wei Zhuang, even describing the beauty of Korea's future,

Wei Zhuang frowned as he listened,

He thought of Su Chen's evaluation of Han Fei, and he also thought of what Su Chen said about Korea's corruption and inaction.

Han Fei's boasting sounded very good,

but it was so difficult to do it.

"Han Fei, I only ask you one question. If your answer satisfies me, I can cooperate with you."

Han Fei said with a graceful smile, "Brother Wei Zhuang, please ask."

"If I help you, how will you deal with General Ji Wuye?"

Wei Zhuang thought that Su Chen had also asked him this question.

At that time, he said that he would find an opportunity to kill Su Ji Wuye.

But Su Chen said that Han Fei's answer would surprise him. Wei Zhuang wanted to know what Han Fei would answer.

Will Han Fei's answer be the eight words that Su Chen guessed: The law of heaven and earth, must be enforced without delay!

Han Fei stood up and said proudly, "The law of heaven and earth, must be enforced without delay!"

Wei Zhuang was very surprised to hear Han Fei's words.

Su Chen actually guessed what Han Fei was going to say? He was more disappointed with Han Fei at this moment.

The law of heaven and earth, must be enforced without delay?

If it is in a stable country, it would be very good to enforce the law of heaven and earth, to make the evil known through the law, to prevent crimes through the criminal law, and to punish treacherous officials.

But Han is controlled by Ji Wuye.

Are laws and criminal laws useful to Ji Wuye?

Qin King Ying Zheng of the Qin Empire will soon be crowned and rule the country.

Within a year or two,

the Qin Empire will go east to launch a war to destroy the country, and Han will be the first to be destroyed by the Qin Empire.

Han Fei still wants to rule the country by law.

Does he have time?

Han Fei may be able to overthrow Ji Wuye in a few years, but by then, Han will probably be destroyed by the Qin Empire.

Everything is just a mirage.

Everything is just empty talk.

Although Han Fei is talented,

he still lives in his ideal.

"Han Fei, please leave. Your ideal is very good, but it cannot be realized. I will not cooperate with you."

"Brother Wei Zhuang, are you kidding?"

Han Fei was very confused.

Wei Zhuang refused?

How is it possible?

Han Fei made his words, principles, and future ideals clear. Wei Zhuang had no reason to refuse.

Now Wei Zhuang refused.

Han Fei didn't know why Wei Zhuang refused him.

0 .....Please give me flowers· .....

Wei Zhuang replied grimly, "I'm not kidding."

Han Fei stood up and bowed to Wei Zhuang, clasping his fists.

"Brother Wei Zhuang, why don't you cooperate with me? I have the help of Prime Minister Zhang, and you and Zi Nu's help."

"Officials, experts, money, I have no shortage of. We can change Korea together, we can make Korea strong again. Brother Wei Zhuang, please help Han Fei."

Wei Zhuang's mouth twitched when he heard Han Fei's words.

Su Chen hit the nail on the head again.

Not only did Han Fei have nothing,

he was also a pauper.

Han Fei wanted to use him as a bodyguard for protection and Zi Nu's Zi Lan Xuan as his money bag.

As for Prime Minister Zhang,

Why did Prime Minister Zhang help Han Fei?

. . .....

Without benefit,

Will Prime Minister Zhang help Han Fei who has nothing?

If Ji Wuye is killed,

Will Prime Minister Zhang become the next Ji Wuye?

Su Chen told him that the Zhang family has been the prime minister of Han for three generations, and the Zhang family probably has more land than the King of Han.

Forget it,

A poor guy,

may be used as a pawn by Prime Minister Zhang,

For the safety of his sister Zi Nu and the lives of the women in Zi Lan Xuan, Wei Zhuang will not cooperate with Han Fei.

"Han Fei, let's stop here."

Wei Zhuang stood up and left the room,

He wanted to talk to Su Chen again,

Wei Zhuang found that Su Chen knew more, and Su Chen's judgment and inference were also very accurate.

"How could this happen?"

Han Fei frowned and couldn't figure it out.

The previous few times,

He clearly saw that Wei Zhuang wanted to cooperate with him. Han Fei had only not seen Wei Zhuang for a few days.

Will Wei Zhuang change his mind?

Did someone mislead Han Fei?

At this time,

In the courtyard of Zi Lan Xuan,

Yan Fei was brought to Su Chen by the shadow assassin with a cold face. She was invited by the shadow assassin as soon as she arrived in Xinzheng City. How did Su Chen know that she was coming to Xinzheng City?

Yan Fei sat opposite Su Chen and said coldly, "Do you know I'm coming to Xinzheng City?"

Su Chen stared at the beautiful and sexy Yan Fei and said

"Of course, I not only knew that you would come to Xinzheng City, but also knew that you came to find me. My handsomeness and charm are still very great, and I actually let the stunning Dong Jun chase me to Xinzheng City."

"Shameless!" Several.

Chapter 3153

Yan Fei glared at Su Chen in shame and anger,

Did she come here for Su Chen's handsomeness and charm?

Damn bastard,

If Yan Fei was not unsure of defeating Su Chen, she would have taught the shameless bastard a lesson.

Su Chen poured tea for Yan Fei and smiled, "I'm just joking, Lord Dongjun won't be so picky with me, right?"

"What if I am so picky?"

"I can tell you a secret so that you won't be so picky."

"What secret?"

"This?"

Yan Fei stared at Su Chen and asked coldly, "What benefit do you need?"

Su Chen stroked his chin and looked at Yan Fei and said, "Lord Dongjun, I have admired you for a long time. If you give me a chance to pursue you, I will tell you the secret that is crucial to the Yin-Yang family."

"You..."

Yan Fei stood up and stared at "Six Nine Zero" Su Chen,

Pursue her?

Is it possible?

Yan Fei was almost deceived by Yan Dan five days ago,

She will never trust any man again,

Besides, Su Chen lives in Zi Lan Xuan where there are many beauties. She guessed that Su Chen was a pervert, and Yan Fei would not let Su Chen have any improper thoughts about her.

Su Chen drank the tea and said temptingly, "Phantom Sound Box!"

Yan Fei shouted in surprise, "What? You know the news about the Yin Yang Family's Phantom Sound Box?"

"Not only do I know that the Phantom Sound Box will be delivered to me within three days, Lord Dongjun, do you want the Phantom Sound Box?"

Yan Fei glared at Su Chen angrily and cursed, "Shameless bastard, don't even think about having any improper thoughts about me."

"That's a pity, it seems that the Phantom Sound Box can only be used as a toy for my sister in the future."

"Hmph, Su Chen, aren't you worried that I will notify the head of the Donghuang Sect to take away the Phantom Sound Box?"

"Please, you can notify now. Donghuang Taiyi, I also want to meet the mysterious Donghuang Taiyi of the Yin-Yang family. "

Su Chen didn't care about Yan Fei's threat at all,

He was looking forward to Donghuang Taiyi's arrival,

Oh no,

He was looking forward to Ji Ru Xihe's arrival,

Ji Ru Xihe in this world, Su Chen guessed that she was also a beautiful and stunning beauty,

Yan Fei snorted disdainfully and asked, "Hmph, Donghuang Sect Master is very powerful, aren't you afraid of death?"

"Do you think I should be afraid?"

"Are you really not afraid of death?"

"I can't die."

Su Chen said and suddenly looked up into the sky,

Space fluctuations?

How can there be space fluctuations in this world? Could it be that people from other worlds have descended into this world?

"You can't die?"

Yan Fei was confused when she heard Su Chen's words.

Su Chen's strength was not as strong as hers.

However, Su Chen gave her a very dangerous feeling. Yan Fei guessed that Su Chen might have hidden his cultivation level.

However,

Donghuang Taiyi of the Yin-Yang family was the best master in the world.

It was still the strongest in the Heavenly Realm.

What does Su Chen rely on to think he can't die?

Swoosh!

Nannan suddenly appeared in front of Su Chen. She held Su Chen's hand and said, "Brother, there was a space fluctuation before. I guess someone from another world has come to this world."

"I sensed it, Nannan, send a shadow assassin to check if there are any special people in Xinzheng City."

"Okay, brother."

Nannan nodded to Su Chen,

She nodded to Yan Fei and left.

It is very abnormal for space fluctuations to appear in the small world. Nannan wants to take the shadow assassin to check it out in person.

Yan Fei was very confused,

What did Nannan mean by Su Chen,

Space fluctuations?

People from other worlds? (To read the exciting novels, go to Feilu Novel Network!)

People from other worlds have come to her world?

Is it possible?

Could it be that an immortal appeared in the mortal world?

Yan Fei pondered and asked Su Chen, "Su Chen, what do you mean by talking to your sister? What spatial fluctuations? What people from other worlds? Did an immortal descend to the mortal world?"

Su Chen glanced at Yan Fei and said, "You think too much. It's not an immortal. It's useless for you to know now."[]

Yan Fei asked puzzledly, "Not an immortal? Su Chen, what other worlds are you talking about?"

Su Chen rubbed his forehead and explained helplessly,

"Yan Fei, let me explain it to you a little bit.

"Our world is just an insignificant small world in the heavens and myriad worlds. There are thousands of small worlds like this."

"Some people with good fortune are chosen by the Way of Fortune. They can be sent to various small worlds by the Way of Fortune..... "

Yan Fei listened to Su Chen's explanation as if she was listening to a heavenly book,

The heavens and the worlds?

Thousands of small worlds?

People with good fortune?

The Way of Good Fortune?

Can the Way of Good Fortune send people with good fortune to other worlds? Does Su Chen mean that people from other worlds are sent to their world?

Yan Fei couldn't figure it out and asked, "Su Chen, how do you know this?"

"Guess 0....."

"You....."

"Yan Fei, if I say we are destined to be husband and wife, do you believe it?"

"Shameless pervert, if you want to die, I can help you. "Yan Fei was so angry that she couldn't stand Su Chen's teasing.

Destined couple?

She didn't believe it.

Yan Fei felt that Su Chen really had improper thoughts about her.

She had to guard against Su Chen's unexpected attack on her. She didn't want to be caught and humiliated by Su Chen.

"Forget it if you don't believe it."

Su Chen leaned back in the chair and closed his eyes to rest.

He didn't tell Yan Fei's physical characteristics, nor did he tell Yan Fei's sensitive areas.

This world,

Su Chen decided to slowly cultivate feelings with his woman.

Complete the mission and go backOnly a quarter of an hour had passed, and he wanted to have a good rest and relax in this world.

Yan Fei saw Su Chen close his eyes and sleep,

She clenched her fists and was very angry,

Damn bastard,

Yan Fei still had many questions to ask Su Chen, and the shameless bastard didn't even care about her sleep.

"You are from the Yin-Yang family? Why are you in Zi Lan Xuan?" Wei Zhuang arrived and saw Yan Fei and was very surprised,

There was a golden crow pattern on Yan Fei's dress,

Wei Zhuang seemed to have heard that the Yin-Yang family used the golden crow pattern, and he guessed that Yan Fei was a disciple of the Yin-Yang family.

"If you don't want to die, get out."

Yan Fei glanced at Wei Zhuang and threatened,

A great master,

If Wei Zhuang didn't know what was good for him and left immediately, Yan Fei would kill the cold and pretentious white-haired man.

"You..."

Su Chen opened his eyes and reminded Wei Zhuang, "Brother-in-law, don't provoke the scary woman opposite me. You are not her opponent now. If she wants to kill you, you can't escape."

Wei Zhuang pointed the shark sword at Su Chen and said coldly, "Su Chen, if you dare to talk nonsense again, I will kill you first."

"Tsk, brother-in-law, don't be hostile to me, otherwise, my sister will scare you to sweat all over."

"Asshole."

## Chapter 3154

Wei Zhuang couldn't help but want to kill Su Chen,

Su Chen was such a jerk,

Wei Zhuang was clearly no match for Nan Nan, no, he didn't even have the courage to face Nan Nan,

Nan Nan was too scary,

Wei Zhuang faced Nan Nan as if he was facing a god, making him sweat all over and not dare to move.

Wei Zhuang pointed at Yan Fei and asked coldly, "Su Chen, who is she? Is she a disciple of Yin Yang Family?"

Su Chen nodded and replied, "Yes, she is a disciple of Yin Yang Family, and she is Dongjun Yan Fei of Yin Yang Family. Brother-in-law, you are no match for Dongjun Yan Fei now, don't make things difficult for yourself."

"Dongjun of Yin Yang Family? It turned out to be Dongjun Yan Fei, the extraordinary woman of Yin Yang Family. I am indeed no match for Dongjun Yan Fei."

Wei Zhuang was very surprised,

No wonder Yan Fei looked so scary,

It turned out to be Dongjun Yan Fei, the extraordinary woman of Yin Yang Family, and the first person in Yin Yang Family after Donghuang Taiyi,

Yan Fei is a half-step heavenly realm,

He is the grandmaster,

Wei Zhuang will be beaten up if he faces Yan Fei now, but ten years later, Wei Zhuang may not necessarily lose to Yan Fei.

Yan Fei ignored Wei Zhuang,

She stared at Su Chen with her beautiful eyes and continued to ask,

"Su Chen, tell me what space fluctuations are? Are there people from other worlds coming to our world?"

Wei Zhuang was very surprised when Yan Fei asked Su Chen,

What space fluctuations?

What other world?

What people from other worlds came to their world?

Why would Yan Fei ask Su Chen these strange questions? Are there people from other worlds coming to their world?

Su Chen drank tea and shook his head, "I don't know."

Yan Fei clenched her hands tightly and said coldly, "I don't know? How could you not know? Don't you want to tell me?"

"Yan Fei, you are a wonderful woman of Yin Yang Family, how come you become stupid?"

"Asshole, you are stupid."

Yan Fei became more and more angry at Su Chen,

Damn asshole,

Will Su Chen die if he doesn't mock her later?

Yan Fei wanted to crush the shameless asshole to death with one hand at this moment.

Su Chen smiled and said hurriedly, "I'm not sure if people from other worlds have arrived. Didn't I ask my sister to check just now?"

Wei Zhuang asked with a puzzled expression, "Su Chen, are there really other worlds outside our world?"

"Yes!"

"Are there really other worlds? Could it be the fairyland?"

"There are fairylands, worlds like yours, and some technological civilization worlds." (ajbf)"Su Chen, how do you know this?"

Su Chen leaned back in his chair and waved his hand, saying, "You will understand later, but now is not the time."

Wei Zhuang and Yan Fei were all very confused.

Su Chen didn't explain it to them clearly, so they couldn't guess what Su Chen wanted to say for a while.

Swoosh!

A shadow assassin suddenly appeared and saluted, "Master, we found a foreign man at the north gate of Xinzheng City. His clothes were not like those of the Western Regions. "

Su Chen frowned and asked, "Where is the young lady? Didn't she go to check?"

"The young lady went outside the city, and the third team followed to protect her."

"A foreign man? He is wearing clothes different from those of the Western Regions. Could he be a lucky person?"

Su Chen guessed what the foreign man would be,

A lucky person,

Ninety percent of foreign men are lucky people. Could it be that the Lucky Heavenly Dao sends lucky people to the Qin world?

"Wei Zhuang, you go to the north gate to capture the foreign man alive. Be careful of the special methods of the foreign man, such as hidden weapons."

Wei Zhuang said coldly, "I will capture the foreign man alive. I also want to know if he is from another world."

"You'd better be careful. Foreign men may not know martial arts. They all have special methods. If you are careless, you will be killed. "

"I understand."

Wei Zhuang took the Shark Tooth Sword and turned away.

He understood what Su Chen said.

Wei Zhuang would not underestimate foreign men, no matter whether they had martial arts or not.

Su Chen ordered the Shadow Assassin, "You Xi, your team should follow my previous orders and bring those people to Zi Lan Xuan."

"Yes, Master."

You Xi saluted Su Chen and disappeared instantly.

She understood what Su Chen wanted their team to do. Their team would capture those women to Zi Lan Xuan as soon as possible.

Su Chen shook his head when he saw You Xi disappear.

The arrival of the Lucky Man broke his plan. (To read the exciting novels, go to Feilu Novel Network!)

He could not be idle any longer.

Su Chen wanted to take Madam Mingzhu, Lady Hu, Madam Hu, Snow Girl and other women with him. He was worried that the luck man would do something to them, and he couldn't let the women be in danger.

Damn it,

Su Chen still wanted to slowly communicate with the women,

Now there is no need, []

I hope that Madam Mingzhu and the women will not cause trouble after being captured, especially the restless Yan Baobao, Yan Baobao is too troublesome, Su Chen is very troubled by Yan Lingji.

Yan Fei asked puzzledly, "Su Chen, what did you ask your men to do before?"

Su Chen rubbed his forehead and said helplessly,

"We need to capture some people to Zi Lan Xuan, and the plan has changed. I can't continue to be leisurely. I can't be calm for a while. It seems that I will be busy all my life."

"Plan? What plan do you have?"

"Marry you."

"Shameless bastard. "

Yan Fei's chest was heaving with anger,

Marry him?

Why doesn't the shameless bastard just die,

How could Yan Fei marry a shameless bastard? She will never like any man again in her life.

"Haha~"

Su Chen laughed when he saw Yan Fei's angry look,

Yan Fei is still the same Yan Fei,

She looks angry and furious. She is so beautiful and charming.

Wait a minute.

After he handles the matter of the luck-giver,

Su Chen will get the beautiful Yan Fei and pursue his wife again. He thinks it is also a very interesting thing.

At this moment,

Outside Xinzheng City,

Nannan stopped a foreign woman in a black robe. The foreign woman took out a short knife and was wary of Nannan who suddenly appeared.

Nannan asked with a cold face, "Are you a luck-giver?"

"Who are you? Are you a member of the Eastern Team?"

The foreign woman looked at Nannan warily.

A luck-giver?

How did Nannan know that she was a luck-giver? Is Nannan a member of the Eastern Team?

The foreign woman in a black robe is called Atlanna, and she is also the future queen of Atlantis.

Atlana was chosen by the Way of Fortune after she was caught in the whirlpool. After she learned the explanation of the Way of Fortune, Atlana understood that she could get rewards by completing the Way of Fortune mission.

This is her second mission of fortune.

The five members of the Western team and the members of the Eastern team will come to this world together to complete the mission of fortune.

The two teams are in a competitive relationship.

They can also fight each other.

The team that completes the mission of fortune first can get rewards.

"You are indeed a person of fortune. A person of fortune, surrender. I will not hurt you. If you resist, I will knock you out and take you away."

Chapter 3155

Nannan didn't expect Atlanna to be a lucky person.

A lucky person actually appeared in this world.

Nannan knew that her brother used to be a lucky person. Natasha, Bai Yuekui, and Vinina were also lucky people.

Nannan guessed that Atlanna might be a new lucky person. The Way of Fortune had reselected a new lucky person.

Atlanna held the dagger and shouted vigilantly, "Don't even think about catching me."

"Don't resist, or you will suffer."

Atlanna showed an angry expression and said, "Don't resist? There is no one in Atlantis who surrenders without fighting."

Nannan waved her hand and ordered, "Catch her."

Atlanna looked at Nannan in surprise.

Catch her?

There were only her and Nannan here.

Who was Nannan ordering?

The luck-giver cannot bring his men to this world this time. Nannan is not a psychotic "260" woman, right?

Swoosh!

Two shadow assassins appeared instantly.

Before Atlanna could react, the shadow assassins pressed Atlanna's acupuncture points and caught her.

"You can't be a luck-giver. Who are you?"

Atlanna didn't expect Nannan to have a man.

Or the black-clad woman who suddenly appeared.

Who could Nannan be?

The luck-giver cannot bring his men and troops to this world. Nannan cannot be the luck-giver of the Eastern Team.

"You will understand later."

After Nannan glanced at Atlanna, she waved her hand and ordered, "Take her to see my brother."

"Yes, Miss."

After the two shadow assassins saluted Nannan, they took Atlanna away quickly.

Nannan's face was cold as she whispered, "A person of luck has indeed appeared. How many people of luck will come to Xinzheng City? Will the tasks of the people of luck correspond to my brother's trial tasks?"

Swoosh!

A shadow assassin suddenly appeared and saluted, "Miss, there is a foreign man in Xinzheng City. He has been captured by Wei Zhuang and taken back to Zilanxuan."

"One person? Including the foreign woman, there are only two people. A luck team has five people. It is impossible to have only two people."

"Miss, do you want to check the surrounding counties?"

"No, let's go back to Zilanxuan."

"Yes, Miss."

At this time,

More than ten miles outside Xinzheng City,

A carriage was coming towards Xinzheng City.

In the carriage,

Jingwei and Yan were sitting in the carriage.

Jingwei was still wearing a sexy fishnet outfit. She was thinking coldly about who the owner of the shadow assassin was.

Yan was now wearing a beautiful white dress. She was shaking her feet with a happy expression on her face.

Yan ate a delicious fruit and recovered from her illness. Her mother also ate a delicious fruit and recovered from her serious injuries over the past few months.

Yan smiled and asked Jingwei, "Mother, is my last name Su? Will I be called Su Yan in the future?"

Jingwei touched Yan's hair and said, "Yan'er, do you want to have the surname Su?"

"Of course, other children have surnames, and I want to have one too."

"If you like, then take the surname Su. You will be called Su Yan in the future. "

Jingwei thought about it and agreed that Yan's surname should be Su. Even if she objected, it would be useless.

The Shadow Assassin called her Madam,

called Yan Miss,

Jingwei guessed that the Shadow Assassin's master had seen her and might have been attracted by her beauty.

Jingwei thought of hiding with Yan everywhere,

avoiding Luowang's pursuit everywhere,

She was worried that she would be killed by Luowang one day. Jingwei was not afraid of death, she was just worried that Yan would be killed.

If the Shadow Assassin's master could protect her and Yan, Jingwei would not mind being the Shadow Assassin's master's woman.

"Okay, I'm already called Su Yan. "

Su Yan shouted happily,

She will have a surname in the future,

She is no longer a child without a surname, (to read the novel, go to Faloo Novel Network!)

Moreover,

Su Yan thought that Jingwei agreed to her surname Su,

She guessed that the owner of the Shadow Assassin must be her father, otherwise her mother would not agree to her surname Su.

The Archangel reported outside the carriage, "Madam, there is still half an hour to Xinzheng City, Madam, do you need to rest for a while?"

Su Yan hurriedly shouted, "I want to rest, Archangel, I want to go out for some fresh air." []

"Yes, Miss. "

After a while,

After the carriage stopped,

Jingwei pulled Su Yan out of the carriage,

Su Yan and her friends had been sitting in the carriage for more than two hours, and she was bored and wanted to get out for some fresh air.

Su Yan asked while picking flowers on the roadside, "Archangel, what's your master's name?"

"Miss, the master's name is Su Chen."

"Su Chen? Am I Su Chen's daughter?"

The archangel smiled and replied, "Yes, Miss is the eldest daughter of the master, and Miss has three beautiful sisters. Miss will like them very much when she sees them in the future.0

"

"What? I have three sisters? "

Su Yan was very confused.

She was only six years old.

Her mother had only her as a daughter.

So,

Her father must have had other women, and Su Yan also had three half-sisters.

The female zombie quickly appeared beside Su Yan and said, "Someone is coming, and there are quite a few of them."

The archangel appeared beside Jingwei, and the female zombie protected Su Yan. She could only protect the cold Jingwei.

Jingwei looked at the archangel and the female zombie speechlessly.

When they found someone coming, they protected her and Su Yan.

Jingwei was not a weak woman.

Her strength was also top-notch in the world. Jingwei did not expect the archangel to protect her, which made her heart ripple. She had never been protected by anyone before.

Su Chen?

Everything was because of Su Chen.

Jingwei was a little afraid to see Su Chen at this moment.

Su Chen had a woman,

and three daughters.

Jingwei was worried that Su Yan would be bullied in Su Chen's home. She was also worried that Su Chen's woman would despise her for not being innocent.

After a while,

Hundreds of people with weapons came from the Jianghu. They were very surprised to see three beautiful women.

A sturdy man stepped forward and asked, "Who are you?" The 4.3 female zombie said coldly, "It's none of your business. If you don't want to die, get out."

"You are looking for death. You dare to offend us farmers. Aren't you afraid that we will kill you?"

"Farmers?"

The archangel looked at the farmers with bright eyes. She and the female zombie knew about Su Chen's trial mission.

One of the tasks was to destroy five schools of thought.

Since hundreds of farmers have come to the door, they will not miss the opportunity to kill farmers to complete the trial mission for their master.

Tian Meng of the farmer came from behind and stared at Jingwei.

He was fascinated by Jingwei's perfect figure.

Tian Meng looked at the sexy and attractive Jingwei and wanted to get her. He would not let go of the sexy beauty in front of him.

Swoosh,

At this time,

Sheng Caier jumped over from a distant tree, her eyes brightened as she looked at Jingwei in the fishnet,

"Are you Jingwei?".

Chapter 3156

Sheng Caier didn't expect to meet Jingwei so soon.

She didn't know Jingwei.

But an hour ago,

Sheng Caier killed more than ten Luowang assassins.

She interrogated the Luowang assassins to find out about Jingwei. She also got a portrait of Jingwei.

Jingwei's fishnet outfit was very obvious and very sexy.

Sheng Caier recognized Jingwei at a glance when she observed these people.

This time, the luck mission,

The third mission is to protect Jingwei for a month. Jingwei cannot be killed by the Western team within a month.

The Archangel saw Sheng Caier coming over and said coldly, "Stand back, or I will kill you without mercy."

Sheng Caier hurriedly explained, "I have no ill intentions. Some people want to kill Jing Wei. I am here to protect Jing Wei."

"Madam doesn't need your protection."

"I really have no ill intentions. You must believe me."

"Sister, who asked you to protect my mother?"

Su Yan was very confused.

Why did someone who wanted to protect her mother appear again? Could he be her mother's suitor again?

Is it possible?

Jing Wei took 11 and fled for more than six years.

In more than six years, no one saved them. Why do people who save them appear one after another?

Sheng Caier shook her head with a cold expression, "I can't say that. I will only protect your mother for one month, and I will leave after one month."

"One month?"

Su Yan rolled her eyes at Sheng Caier,

She thought that Sheng Caier would always protect them like Archangel and Shadow Assassin,

Now it seems that she is being sentimental, but why should Sheng Caier protect them for one month?

Tian Meng thought for a while and waved his hand to order, "Disciples of Lieshan Hall surround them, and these women must be captured alive."

"Yes, Hall Master."

More than one hundred disciples of Lieshan Hall formed a formation, and they quickly surrounded Archangel and the five women of Jingwei.

The twenty-four formations of Di Ze were activated,

The peasant disciples believed that the five women of Archangel would be captured alive.

Sheng Cai'er took the emerald stick and prepared to attack.

Although her strength was limited by the destiny of heaven, it was easy for Sheng Cai'er to kill these scum.

Jing Wei's face was cold and he didn't intend to take action.

Although there were many disciples of the Farmers' Family,

It was a pity.

The archangel and the female zombie were very powerful and terrifying. Any of them could kill all the disciples of the Farmers' Family.

At this moment,

Su Yan waved his hand with a serious face and shouted, "Shadow Assassins, kill them."

Swish, swish, swish~

Swish, swish, swish~

Shadow Assassins appeared one by one in an instant, and they quickly harvested the lives of the disciples of the Farmers' Family with short blades.

After three breaths,

More than a hundred peasant disciples were slaughtered, and Tian Meng saw them from behind and fled quickly with fear.

Too fast,

Too terrifying,

The Shadow Assassin is more powerful than LuowangHorrible, the shadow assassin is the real killing weapon, the real assassin.

"Can you escape?"

The Archangel flashed to chase Tian Meng,

She will not let Tian Meng go,

For the trial mission of the master Su Chen, the Archangel will kill all the disciples of the Farmer's family.

"What a powerful assassin, what a great hiding skill, he didn't even notice that there were 24 black-clothed assassins hiding around him."

Sheng Cai'er was very confused,

She didn't notice the appearance of the shadow assassin at all,

Jingwei was protected by two terrifying women, and there was also the shadow assassin who came and went without a trace.

Does Sheng Cai'er still need to protect Jingwei for a month?

If the five members of the Western team dared to assassinate Jingwei, the shadow assassin would probably kill them all.

Jingwei rolled her eyes at Su Yan. (To read the exciting novels, go to Faloo Novel Network!)

She didn't expect Su Yan to command the shadow assassins, and the shadow assassins obeyed Su Yan's orders to kill the farmer's disciples.

Su Yan has become more and more lively in the past few days.

He is no longer silent as before.

Jingwei also hopes to see a lively and cheerful Su Yan. She hopes that Su Yan will always grow up happily.

Su Yan blinked his big eyes and asked, "Sister, we are going to Xinzheng City, do you want to go?"[]

Sheng Caier nodded and replied, "I will protect your mother for a month, and I will follow you to Xinzheng City."

"Protect my mother? Sister, are you as strong as the archangel? Are you as strong as the female zombie? Are you as strong as the many shadow assassins? Does my mother still need your protection?"

Sheng Caier frowned and said, "Whether you need it or not, I will follow you for a month."

Su Yan touched his little chin and smiled,

"Forget it, sister is beautiful and her hair color is very beautiful. I agree that sister will follow us to Xinzheng City. "

“Thank you.”

“Sister, we will go to Xinzheng City after the Archangel comes back.”

“Okay!”

At this time,

Xinzheng City,

Zi Lan Xuan,

The blond alien man captured by Wei Zhuang was standing with his acupuncture points pressed. Yan Fei and Wei Zhuang were both checking the alien man.

Wei Zhuang asked coldly, “You are not from our world, right?”

“How do you know I am not from your world?”

The blond alien man was very surprised.

He is a man of luck.

He came to this world to do a mission.

How did Wei Zhuang know that he was not from this world?

Swish,

Ah~

Wei Zhuang quickly slashed the alien man's arm with a sword, and the alien man's arm was almost cut off and he screamed

Wei Zhuang threatened coldly, "You are not answering the question. This is a warning. Next time I will cut off one of your arms.

Su Chen sat on the chair and didn't care about the alien man's life or death. He had checked 970 alien men before and didn't recognize him.

A passerby,

Su Chen was not interested in talking to him.

The alien man hurriedly replied, "I said, I said, I am not from your world, I am a lucky person, I came here just to complete the task, I don't want to be your enemy, please let me go."

Wei Zhuang glanced at Su Chen and continued to ask, "What is your name? How many people have come to our world?"

"My name is Aragorn, and there are five people in our team who came to your world."

Aragorn had to answer Wei Zhuang,

He couldn't die in the mission world,

The Lord of the Rings still needs him to escort it to the Doomsday Volcano for destruction, and Middle-earth also needs him and his friends to save it. Aragorn hopes that the cold, terrifying and cruel Wei Zhuang can let him go.

Su Chen whispered in surprise, "Aragorn? The Lord of the Rings? The Lord of the Rings? Is Aragorn the Aragorn of the Lord of the Rings world?"

Swoosh!

Two shadow assassins arrived with Atlanna's Qinggong.

One shadow assassin saluted Su Chen and said, "Master, the lady asked us to escort the lucky man to you."

Su Chen saw the blonde woman with her head exposed in a black robe and asked in surprise, "Nicole? No, I should call you Atlanna. You are still the Queen of Atlantis, right?"

"How do you know me? You are not a member of the Eastern Team. Who are you?".

Chapter 3157

Atlanna looked at Su Chen in surprise.

She just heard the shadow assassin call Su Chen master. Su Chen should be the brother of the cold and beautiful woman.

Nannan knew that she was a person of luck.

Su Chen not only knew that she was a person of luck, but also knew her name, and even knew that she was the future queen of Atlantis.

How is this possible?

Su Chen and his sister could not be people of luck. How could they know her specific identity?

Su Chen looked at Atlanna with interest and smiled, "Who am I? Atlanna, you will know later. Your teammates are next to you, don't you want to see?"

Atlanna,

A tall and beautiful blonde, Nicole Kidman plays Atlanna, who is very sexy and attractive.

When Su Chen watched the plot of Aquaman, he watched Atlanna's sexy scenes several times.

It's a pity that Atlanna married a loser,

and gave birth to a minotaur son.

Atlanna was still a virgin at this time. She should not have met the loser who picked up corpses.

Su Chen was thinking about whether to kiss Atlanna. After all, Atlanna was his dream lover before he traveled through time.

Atlanna was surprised to see Aragorn and asked, "Aragorn? You were also captured? What about the others? Have they been captured?"

"I don't know. I was captured not long ago." Aragorn shook his head at Atlanna, 343

Atlanna is the oldest person in their team,

Now Atlanna has also been captured by these people. Aragorn is very afraid of the Orientals,

The Orientals are too powerful,

Too scary,

Westerners are no match for the Orientals in martial arts.

Yan Fei stared at Su Chen and said coldly, "Su Chen, won't you explain it to me?"

Su Chen shook his head speechlessly and said, "Yan Fei, can you please clarify what you asked me? I thought you found out that I was having an affair, and you forced me to tell you who the woman was who was having the affair with."

"Shameless bastard, if you dare to talk nonsense to me again, I will definitely kill you."

"Do you have the ability to kill me?"

"You..."

Su Chen looked at Yan Fei and smiled, "Don't you, dear Yan Fei, you can't kill me even if you are a strong man in the heavenly realm. You can go to sleep. You can cut me into pieces in your sleep."

"Su Chen, I will kill you."

Yan Fei was so angry that she couldn't bear it anymore and slammed Su Chen with her palm. She couldn't bear the shameless bastard.

What dear?

What go to sleep?

Shameless bastard, will you be suffocated if you don't mock her later?"

Bang!

Su Chen had just dodged away from the chair when the chair he was sitting on was smashed into pieces by Yan Fei.

"Asshole, if you are a man, don't run away."

"Yan Fei, I hope you can keep chasing me."

"Damn it, I will definitely tear you into pieces."

"I'll wait."

Su Chen kept teasing Yan Fei and hiding in the yard. Yan Fei angrily chased Su Chen with quick Qing Gong.

Wei Zhuang shook his head speechlessly.

There were two captives from other worlds to be interrogated. Su Chen and Yan Fei actually had the mind to play around.

Atlanna and Aragorn were very surprised.

Su Chen and Yan Fei were doing Qing Gong quickly in the yard. Sometimes they couldn't see the two of them at all.

Atlanna and Aragorn couldn't escape in vain. They were afraid that they would be caught back as soon as they escaped.

Swoosh!

Zi Nu came over and shouted, "Su Chen, what are you doing? Can you be quiet in my Zi Lan Xuan for a while?"

Su Chen dodged and hugged Zi Nu's waist, smiling, "Dear Zi Nu, didn't you see that I was being chased by a woman? I didn't destroy your Zi Lan Xuan."

"Shameless bastard, let me go." Zi Nu struggled in Su Chen's arms. Although she had a little affection for Su Chen, it was not to the point where Su Chen hugged her.

Yan Fei appeared beside and stared at Su Chen with a frown,

What is the relationship between Su Chen and Zi Nu? Why did the shameless bastard hug Zi Nu?

Why did Yan Fei feel uncomfortable in her heart? (To read the exciting novels, go to Feilu Novel Network!)

Su Chen was just teasing her,

The shameless bastard hugged another sexy woman in a blink of an eye, and Yan Fei hated Su Chen even more.

Wei Zhuang pointed his sword at Su Chen and shouted coldly, "Su Chen, let go of Zi(bcef) Nu, don't force me to attack you?"

Atlanna and Aragorn were confused,

Internal strife? []

Are they going to kill each other?

Su Chen curled his lips while holding Zi Nu,

Will Wei Zhuang's threat work on him?

If Wei Zhuang dared to swing his sword at him, the shadow assassin would instantly defeat and control Wei Zhuang.

Zi Nu blushed and threatened, "Asshole, let me go. If you touch my waist again, I will stab you to death with my sword."

"If you don't let me go, you will be my wife in the future. It is natural for me to hug you."

"You are so shameless."

"I am shameless, so I can get a beautiful woman by being shameless. I want to be shameless every day."

"You....."

Zi Nu was helpless with Su Chen.

Su Chen was too shameless.

She couldn't beat Su Chen. It was useless to scold this asshole. Zi Nu was too lazy to waste words to deal with the shameless asshole.

But,

Zi Nu felt very good when Su Chen hugged her. She understood why women liked to be hugged by their beloved men.

"Su Chen, you really want to be chopped by me....."

Swoosh!

Nannan appeared beside Su Chen in an instant. Wei Zhuang immediately shut up and put away his sword when he saw Nannan.

He couldn't afford to offend Nannan.

No,

Wei Zhuang didn't even dare to face Nannan.

Nannan could be said to be obsessed with her brother. Anyone who dares to attack Su Chen, Nannan will probably pinch him in an instant.

Su Chen let go of Zi Nu and walked to Nannan. He touched Nannan's hair and asked, "Wei Zhuang, what did you want to say just now? I didn't hear it clearly. My sister is here too. Can you say it again?"

"Asshole!"

Wei Zhuang glared at Su Chen angrily.

What a damn asshole. Nannan is back. Does he dare to threaten Su Chen again? Wei Zhuang didn't want to experience the feeling of life and death being out of control again.

"Nannan, come here. Don't pay attention to your shameless brother. Let's sit down and have tea." Zi Nu waved to Nannan and said. She looked at Yan Fei and said, "Come and have tea with this lady."

"Okay."

Yan Fei frowned and walked towards the tea table.

Did Zi Nu treat her as a guest? Or did Zi Nu, as the hostess, declare that Su Chen was her man?

Nannan ignored Zi Nu,

She took Su Chen's hand and stood beside him.

Su Chen waved to Atlanna and said, "Atlanna, you should go over and have some tea. You should answer Zi Nu and Yan Fei's questions, otherwise they will strip off your clothes and beat you."

"You are such a bastard."

Atlanna glared at Su Chen angrily,

She walked towards Zi Nu and Yan Fei,

Strip off her clothes?

How could Yan Fei and Zi Nu strip off her clothes? Atlanna guessed that Su Chen might want to strip off her clothes,

A shameless and lecherous person. .

Chapter 3158

Su Chen glanced at Atlan and curled his lips,

Tsundere girl,

No,

Tsundere sea girl,

Su Chen said to Wei Zhuang, "Wei Zhuang, continue to interrogate Aragorn and find out where his other teammates are."

Aragorn said hurriedly,

"No need to ask, I don't know where the other teammates are. We came to your world and were separated. No one knows where anyone is. If you don't believe it, you can ask Atlanna."

Atlanna sat down and said, "Aragorn is right. We came to your world and were separated. We don't know where the other teammates are."

Su Chen pulled Nannan to sit down and asked, "Tell me what your mission is." | = | Atlana said elegantly with white thighs, "If we don't say?" = | "Wei Zhuang, kill Aragon first." = | "Wait, how can you kill people at will? If you do n't say, Aragon's head will fall." = | "Don't think about nonsense, and don't want to deceive me. If you dare to deceive me, I will be thrown into the army by picked up your dress, and your other teammates will be cracked by the car. | = | Too abominable, | = | Is it a picked her? | = | Do you want to throw her into the army."

If Atlanna's artifact trident had not been brought with restrictions, she would have used it to stab the shameless human to death.

Aragorn stared at Su Chen with a pale face,

If Atlanna lied,

Why did Su Chen kill him?

Don't men have human rights? Or did Su Chen fall for the sexy and beautiful Atlanna?

Zi Nu asked puzzledly, "Su Chen, who are they? What do you want to ask them?"

"Wei Zhuang, explain it to your sister."

Wei Zhuang glanced at Su Chen and walked towards Zi Nu,

If people from other worlds come to their world, he will tell Zi Nu without Su Chen saying anything.

Yan Fei sneered at Su Chen, "Su Chen, your shamelessness makes me vomit."

"Yan Fei, if you don't like it, I can leave."

"Why?"

"Because Zi Lan Xuan is my territory."

"Tsk, you asked me to come, so I came. If you asked me to leave, would I leave?"

"You don't have to leave, but you have to sleep with me tonight."

"You're looking for death."

Yan Fei stood up angrily and waved her hand to kill the shameless pervert.

Sleeping with me?

Is the shameless bastard the emperor?

Yan Fei really can't stand Su Chen's repeated teasing.Drama.

Boom!

Nannan's eyes flashed with a light and she glanced at Yanfei, who was pale and slumped in the chair.

It was too scary.

Just now it seemed as if a god was watching her, and Yanfei felt cold all over as if she had fallen into the abyss.

Who is Su Chen's sister?

How could she be so scary?

God?

Or a demon?

Su Chen hugged Nannan's waist and smiled, "Yan Fei, my sister is by my side, you'd better not be hostile to me, think about the expression Wei Zhuang had when he saw my sister just now."

Yan Fei covered her chest and asked in horror, "Who is your sister? She is not from this world, right?"

"Want to know?"

"I want to know!"

"Kiss me and I'll tell you." (To read the exciting novels, go to Faloo Novel Network!)

"Shameless bastard."

Yan Fei clenched her fists and stared at Su Chen,

Kiss Su Chen?

Is it possible?

She wanted to tear Su Chen into pieces, []

But,

Nannan was by Su Chen's side,

Yan Fei would not dare to attack Su Chen no matter how angry she was,

She also understood why Wei Zhuang was angry and wanted to attack Su Chen before, but he immediately stopped after Nannan appeared.

Su Chen smiled at Yan Fei,

He didn't dare to anger his future wife Yan Fei again, and he was also worried that Yan Fei would faint from anger,

Su Chen asked Atlanna, "Atlanna, now tell me what your mission is."

Atlanna glanced at Su Chen and said, "We have four destiny missions."

"One: Kill the Korean general Ji Wuye."

"Two: Kill the Korean Blood-robed Marquis Bai Yifei."

"Three: Kill the Luowang traitor Jing Wei."

"Four: Kill the Yin-Yang family's supreme elder Chu Nangong.

"Our destiny mission this time will be against the Eastern team. In destiny mission three, the two teams can kill each other. We have to kill Jing Wei, and the Eastern team has to protect Jing Wei. "

Su Chen touched his chin in surprise,

Four destiny missions?

Did the Eastern team also come to this world?

Two teams are allowed to kill each other? Did the destiny heaven change the rules? Or do they want to eliminate some destiny people?

Sheng Caier and Ran Bing, as well as Uncle Jiu, also came to the Qin world,

Who will be the two new teammates in their team?

If it is a man,

Or a lustful man,

| =|

Su Chen decided to kill their teammates again.

Yan Fei, Wei Zhuang, and Zi Nu were very surprised.

The five-member team of Atlanna actually wanted to kill the general Ji Wuye, the blood-clothed Marquis Bai Yifei, the Luowang traitor Jing Niu, and the Yin Yang family's supreme elder Chu Nangong.

Can they accomplish it?

Ji Wuye and Bai Yifei are not only powerful, but also have the Hundred Birds Killer and the army under their command. The Luowang traitor Jing Niu is also a top-level killer. Atlanna and the others may not be able to kill him.

Su Chen took a sip of tea and shook his head,

". Atlanna, I forgot to tell you."

"The cold and beautiful woman next to me is Dongjun of Yinyang Family. The supreme elder of Yinyang Family is even more powerful than Dongjun. If you meet Chu Nan Guild, you will be crushed to death by him."

Atlanna looked at Yan Fei and shouted in surprise, "What? She is Dongjun of Yinyang Family? Su Chen, you actually framed me?"

Su Chen couldn't help but swear, "Frame you, Yan Fei will not kill you, a scum."

"You are really a bastard."

Su Chen stared at Atlanna's chest and threatened,

"Big breasted woman, Yan Fei may not kill you, a scum, but I didn't say I won't kill you. If you dare to speak rudely to me again, I will strip you naked 's dress and then execute you. "

Atlanna was so angry that her chest rose and fell and she cursed, "Shameless bastard, I will die with you."

"Scum!"

At this time,

Yan Fei asked puzzledly, "Su Chen, Lord Chu Nan is just a sage, how can you say he is stronger than me?"

Su Chen waved his hand and a scroll appeared and handed it to Yan Fei, saying,

"Yan Fei, you are wrong."

"Lord Chu Nan is at least in the realm of heaven and man, otherwise do you think Donghuang Taiyi would let him become the great elder of Yin Yang Family?"

"Also, Lord Chu Nan and Yin Yang Family are not of the same mind, Donghuang Taiyi also knows that Lord Chu Nan has ulterior motives. The scroll records some things about Lord Chu Nan, as well as the secret of how he used Yin Yang Family to decipher the Yellow Stone Heavenly Book."

Chapter 3159

Yan Fei took the scroll and read it.

She didn't know if what Su Chen said was true, but she felt that Su Chen had no reason to lie to her.

Atlanna glared at Su Chen angrily.

Scum?

Is she a scum?

If it was in the sea,

Atlanna would beat Su Chen so hard that he couldn't tell east from west,

Shameless human,

Atlanna would not let Su Chen go. She would make Su Chen pay back a hundredfold for what she suffered today.

Swoosh, swoosh~

A team of shadow assassins appeared in the yard with three women.

A shadow assassin saluted and said, "Master, Madam Mingzhu, Lady Hu, Madam Hu is here, the deputy commander is looking for Yan Lingji, and another team is going to Yan State to capture Xue Nu."

Su Chen waved to the shadow assassins, and the shadow assassins saluted Su Chen and disappeared.

Madam Mingzhu stared at Su Chen and couldn't understand why Su Chen sent shadow assassins to capture her?

"Who are you? I am the wife of King Han. If you capture me, aren't you afraid that King Han will send troops to surround and kill you?"

Su Chen looked at Madam Mingzhu and smiled, "Madam Han? Are you kidding me? Chao Nuyao, you are still a virgin, a perfect woman, how can you be the wife of King Han?"

"You... who are you?"

Madam Mingzhu was very surprised,

Chao Nuyao?

How did Su Chen know that she was a tide demon?

Only three people knew her identity, and those three people could not reveal her identity.

How did Su Chen know?

And he could tell at a glance that she was a virgin?

Hu Meiren held Madam Hu and did not speak. The sisters looked at Madam Mingzhu in surprise.

Is Madam Mingzhu the legendary tide demon of the night?

Or a virgin?

The sisters stared at Madam Mingzhu in disbelief.

Wei Zhuang and Zi Nu also looked at Madam Mingzhu.

Madam Mingzhu turned out to be the tide demon of the night. No wonder they had not found out who the tide demon was.

But,

Why did Su Chen capture Madam Mingzhu? He also captured another wife of King Han, Hu Meiren.

What the hell is Madam Hu?

They couldn't figure out Su Chen's strange behavior.

Su Chen took a sip of tea and shook his head, saying, "Madam Mingzhu, you should learn from Lady Hu. Although she is also a virgin, she was captured to see the situation clearly and will not speak nonsense."

"Speaking of which, the King of Han is also very pitiful. He didn't get any of the two sexy and attractive wives. Your methods are very clever. The King of Han was fooled by you."

Madam Mingzhu and Lady Hu looked at each other. They (beeb) didn't expect that the other party was playing tricks on the King of Han.

They were still virgins.

The two women have been competing for favor in the King of Han's palace.

It seems that their competition for favor is meaningless.

Lady Hu couldn't help asking, "What are you going to do by capturing us?"

Su Chen stood up and walked to Lady Hu and said, "I am still short of three concubines. You three will be my concubines in the future."

"You are dreaming. We will not be your concubines." Lady Hu took Madam Hu and hurriedly stepped back.

Concubine?

Is it possible?

Although she is not the real wife of the King of Han,

but she can use her identity as the wife of the King of Han to protect her and her sister Madam Hu in Korea.

Madam Hu cannot be a woman of the Jianghu people.

She is still a concubine without status.

Madam Hu almost fainted.

She didn't expect Su Chen to want her.

She is a married woman with children. How could Su Chen snatch her, a fallen flower? Liu?

Su Chen smiled and transmitted, [You will, Lady Hu, there is a red mole on your belly button, the three inches below your chest will itch if you touch it, the middle toe of your left foot will cramp at any time, and your fart... . ]

Lady Hu opened her eyes wide and stared at Su Chen in disbelief,

How did Su Chen know all her secrets,

If Su Chen had peeped at her, how could he know her physical reactions and physiology?

What the hell, (to read the exciting novels, go to Faloo Novel Network!)

Isn't Su Chen a human?

Impossible,

There are no ghosts in the world,

Hu Meiren couldn't figure it out,

Her sister didn't know her body reactions and physiology, how could Su Chen know her so clearly.  
[]

Su Chen sent messages to Madam Mingzhu and Madam Hu respectively,

The lucky ones appeared in this world,

Su Chen didn't have time to slowly cultivate feelings with them, he could only deal with them quickly in this way.

At this moment,

Madam Mingzhu and Madam Hu Mei also showed surprised expressions,

Su Chen knew all their physical characteristics, physical reactions, and physiological reactions. Their private privacy could not be known by others.

Even if Su Chen peeked and saw their physical characteristics, what about their physical reactions and physiological reactions?

It was impossible to discover these by peeping.

Su Chen was not their man.

How could Su Chen know their special physiological privacy? Madam Mingzhu and Madam Hu were stunned for a moment.

Zi Nu stared at Su Chen coldly and asked, "Su Chen, you want to take concubines? And you want to take three at a time?"

Su Chen coughed awkwardly and said, "Ahem, Zi Nu, I will explain it to you later, and you will understand after listening."

"Hmph, Su Chen, if you want to die, I will fulfill your wish. "Zi Nu couldn't help wanting to stab Su Chen to death with a sword.

She was held by Su Chen before and decided to commit herself to this bastard.

But within an hour,

Su Chen actually wanted to take a concubine?

He also wanted to take the two wives of King Han and a married woman. Zi Nu couldn't help wanting to destroy the shameless bastard.

Yan Fei and Atlanna looked at Su Chen with contempt.

SheThey were very disdainful of Su Chen for robbing women, attacking married women, and forcibly taking three concubines.

A shameless rapist,

Yan Fei and Atlanna didn't want to talk to Su Chen anymore, they were also worried that Su Chen would attack them.

"Zi Nu, you arrange for them to go to the room to rest, I will explain to you later."

After Su Chen said this to Zi Nu,

He looked at Atlan and Aragorn again,

Atlanna couldn't be killed,

What about Aragorn?

A small figure,

We should wait until Sheng Caier and the others arrive to decide whether to kill him or not,

Su Chen said to Wei Zhuang, "Wei Zhuang, I'll leave Aragon to you, you should lock him up first."

"Okay!"

Wei Zhuang nodded to Su Chen and took Aragon away,

He was very interested in other worlds,

Wei Zhuang wanted to ask what kind of world Aragon's world was, and he also wanted to know how powerful the strong people in other worlds were.

"Hmph, if you don't give me a good explanation, Su Chen, you will definitely be finished." Zi Nu threatened coldly and took Hu Meiren and the other two women to the small building next to her,

Now is not the time to interrogate Su Chen,

Zi Nu believed that Su Chen would give her a satisfactory explanation.

"Tsunidere woman."

Su Chentian curled his lips when he heard Zi Nu's threat. Zi Nu dared to threaten him coldly now.

In the evening,

Su Chen will make Zi Nu pay the price.

"Yan Fei, you and Atlanna will live on the second floor of the small building on the left. You can choose any room you want."

Chapter 3160

Yan Fei rolled her eyes at Su Chen,

Live in Zi Lan Xuan?

Does she dare?

Su Chen is a shameless pervert, a lecher. If she lives in Zi Lan Xuan, Yan Fei is worried that Su Chen will catch her and humiliate her at night, so she won't live in Zi Lan Xuan.

Atlana stood up and glared at Su Chen and said, "I won't live here. I've told you everything I should tell you. You want to let me go."

"Dream on."

Su Chen glanced at Atlana,

Leave?

Is it possible?

Atlana said that the luck-givers are in competition for this luck mission. Su Chen doesn't know if what Atlana said is true. He wants to find Sheng Cai'er and Ran Bing to ask before making a decision.

"You bastard."

Atlana clenched her hands in anger,

She had a bad feeling in her heart,

She was more worried that Su Chen would humiliate her in the evening,

Damn it,

Atlana couldn't escape,

Not to mention the elusive shadow assassin, even Su Chen's terrifying sister, Atlana was helpless.

Yan Fei looked at the scroll and asked in confusion, "Su Chen, is everything recorded in the scroll true?"

"Guess."

"You...what do you want to tell me?" Yan Fei was very helpless about Su Chen's shamelessness,

Guess?

What can she guess?

There are too many secrets recorded in the scroll.

If it is true,

Lord Chu Nan is guilty of a thousand crimes.

Yan Fei will leave immediately and return to Yin Yang Family.

She will give the scroll to Dong Huang Tai Yi, who will be furious and kill Lord Chu Nan himself after reading it.

Su Chen poured tea for Yan Fei and Atlanna and said, "Yan Fei, do you want to know the Yin Yang Family's treasure, the Phantom Sound Box?"

Yan Fei asked in shock, "Do you know where the Phantom Sound Box is?"

"Yes, I also know the seven copper boxes that the Yin Yang Family is looking for."

"How...how do you know this?"

"Kiss me, and I can tell you anything you want to know. Including where the Korean copper box is."

"Asshole."

Yan Fei stared at Su Chen with her chest heaving,

Too shameless,

Su Chen was obviously threatening her,

But,

The Yin Yang Family's Phantom Sound Box is too important,

Since Yan Fei knew a little bit of information, she couldn't miss any clues about the Phantom Sound Box,

Do you want to kiss this asshole?

Atlana sneered, "Su Chen, I underestimated your shamelessness. You look handsome, but you are a shameless pervert."

Su Chen took a sip of tea and said casually,

"Atlana, I also know a little about your world. Since you have become a person of luck, your fate may have changed."

"But the will of your world will reverse the situation. What should appear will still appear. Fate may disappear from you, but fate will be transferred to another person."

Atlanna asked in confusion, "What do you mean?"

"Did you run away against the marriage? And you encountered a whirlpool?"

"How do you know this?"

"Did you meet a human when you fainted in the whirlpool?"

Atlanna frowned and replied, "No, I was chosen by the destiny from the whirlpool and went directly to participate in the first destiny mission."

Su Chen held Atlanna's shoulder and said,

"Your fate was changed by the whirlpool. If you didn't become a destiny person, you would faint and be saved by a human, and then you would fall in love with the cowardly human and give him a minotaur son, but a few years later, you would be discovered by the Atlansti people..... "

After Atlanna heard Su Chen's words,

Her face turned pale and black, and she even glared at Su Chen with an angry expression.

Marry a human?

Cowardly husband?

Tauren son? (To read exciting novels, go to Faloo Novel Network!)

For the safety of her husband and son, she returned to Atlantis to marry and gave birth to a son?

She was found unfaithful and was offered to the Trench Tribe?

The two sons killed each other when they grew up?

Damn bastard,

Atlanna was furious and wanted to cut Su Chen into pieces, []

Is she a fickle woman? Would she like a cowardly man? Atlanna is now the Queen of Atlansti. Who in the Ocean Kingdom dares to force her to marry?

Yan Fei looked at Atlanna with interest.

She didn't think Su Chen was lying.

Su Chen was very strange and knew everything. Yan Fei guessed that Su Chen might not be from this world.

Su Chen stretched and reminded, "Atlanna, don't think I'm talking nonsense. What I said will happen in the future, but it's not you, but someone else, maybe your sister, maybe your cousin."

Atlanna lowered her head and thought,

Will what Su Chen said be true? Atlanna thought of her cousin.

If it was true,

Will her cousin do everything Su Chen said?

"Hmm? "

Su Chen suddenly sensed the breath of the Archangel and the female zombie.

They arrived in Xinzheng City.

Jingwei and Yan were also brought here by them.

Huh?

The breath of Sheng Caier?

Why did Sheng Caier come with the Archangel and the others?

Nannan asked Su Chen, "Brother, what's wrong?"

"The Archangel and the female zombie are back."

Nannan asked in surprise, "Did they bring Jingwei and Yan'er back with them?"

"Yes."

Su Chen smiled at the thought of Su Yan.

His daughter Su Yan has become a big girl, while Yan in this world is still a little girl. Su Chen thought of Su Yan's naughty appearance when she was a child. He was helpless but liked her very much.,

Hundreds of years have passed,

When Su Yan grew up,

Su Chen could no longer hug Su Yan at will. He missed the feeling of Su Yan clinging to him when he was a child.

Yan Fei looked at Su Chen and Nan Nan in confusion.

She found that Su Chen and Nan Nan seemed to be happy and excited. Who would come to make them happy and excited?

Archangel?

Female zombie?

Jingwei?

Yan'er?

Who are these people to Su Chen and Nan Nan? Why are their names so strange?

"Jingwei?"

Atlanna's eyes lit up.

The third mission of the Western team is to kill Jingwei.

If the Jingwei Su Chen mentioned is the Luowang traitor Jingwei, can't she kill Jingwei to complete the third mission of luck?

Su Chen glanced at Atlanna and warned, "Atlanna, I advise you not to attack Jingwei, otherwise you will die."

Atlanna stared at Su Chen and asked, "Su Chen, do you want to save Jingwei?"

Su Chen sneered, "Save Jingwei? You think too much, you are just a scum, Jingwei can kill ten of you with one sword."

"You are talking nonsense, I don't believe you, how can Jingwei kill ten of me with one sword?".
