

Zongwu 3161

Chapter 3161

Although Atlanna said this,

She was a little unconfident,

The ancient martial artists in Dragon Country were too powerful,

The Nannan, Wei Zhuang, Zi Nu, Yan Fei, the shameless bastard Su Chen, and even the elusive shadow assassin she met today were all stronger and more terrifying than her,

If they were in the sea,

Atlanna was not restricted by the fate of heaven, and she might be able to defeat Wei Zhuang and others,

But facing Nannan and Su Chen,

Atlanna was not confident that she could defeat them.

Su Chen glanced at Atlanna and said sarcastically, "Atlanna, you are just being stubborn."

Atlanna frowned and asked, "Su Chen, is Jingwei really very powerful?"

"Yes, Jingwei can be said to be the most powerful person in this world except for some old monsters."

"The most powerful person except for the old trash?" Atlanna had no hope for this luck mission.

Four luck missions,

Their Western team may not be able to complete any one.

Huh?

Su Chen?

Atlanna looked at Su Chen next to her with bright eyes. Su Chen and his sister were very powerful.

If Atlanna could get Su Chen's help,

Wouldn't their Western team be able to complete the luck mission?

But?

How to convince the shameless bastard to help her?

Su Chen is a lecher and a shameless bastard. Is he going to sacrifice his beauty to seduce Su Chen?

Su Chen saw Atlanna thinking, and he asked Yan Fei, "Yan Fei, aren't you going to rest?"

Yan Fei drank tea elegantly and said, "I won't stay in Zi Lan Xuan even if I want to rest."

"Then leave."

"Why?"

"I'll go. Didn't you say you won't stay in Zi Lan Xuan to rest? If you don't want to stay, why don't you leave?"

Yan Fei looked at Su Chen with her beautiful eyes and smiled, "Su Chen, why do I feel like you want me to leave? Are you afraid that I will meet the people who are coming?"

"No, how is it possible? You don't know any of the people who are coming. How can I be afraid that you will meet them?"

Damn it,

How did Yan Fei become smart?

Su Chen didn't want Yan Fei to see Jing Wei and Sheng Cai'er,

He hadn't dealt with Yan Fei yet,

If Yan Fei found out that he and Sheng Cai'er were hugging or kissing, Su Chen would have to tell Yan Fei's secrets,

But Su Chen didn't want to tell Yan Fei these,

Yan Fei was his legal wife after all,

his queen,

and his queen of heaven,

Although Yan Fei and Yan Fei of Tianxuan Continent were not the same person, they were essentially the same person,

Su Chen wanted to develop a relationship with Yan Fei slowly,

He also wanted to leave a beautiful memory of talking about love with Yan Fei.

Yan Fei said with an expression of disbelief, "I don't believe you, you are too shameless, too much of a bastard, Su Chen, I won't leave now. I will leave after I meet the people you mentioned."

"Whatever you want."

Su Chen had no way to deal with Yan Fei.

Let Yan Fei stay.

Su Chen decided to wait and see.

If Yan Fei disliked other women, Su Chen could only use dirty tricks to get Yan Fei.

After a while,

The archangel and the female zombie brought Jing Wei, Su Yan, and Sheng Cai'er to the courtyard of Zi Lan Xuan.

The archangel saluted Su Chen and said, "Master, the lady and the young lady are brought back."

"Su Chen? How did you get to this world? "

Sheng Cai'er was very surprised to find Su Chen.

She didn't expect to see Su Chen again in such a short time.

The shameless bastard said he wanted to find her world.

Why hasn't there been any movement for more than two months?

Sheng Cai'er originally wanted to teach Su Chen a lesson the next time she saw her, but she didn't expect to meet Su Chen again on this destiny mission. (To read the exciting novels, go to Faloo Novel Network!)

Jing Wei and Su Yan were both checking Su Chen. They didn't expect Su Chen to be so young and handsome.

But,

Why are there three women around Su Chen?

Also They are all beautiful women. Jingwei and Su Yan couldn't guess the relationship between Su Chen and the three women.

However, []

How did Sheng Caier know Su Chen?

The archangel and the female zombie were Su Chen's personal maids. They didn't know Sheng Caier. How did Sheng Caier know Su Chen?

Yan Fei looked at the archangel and the female zombie, then looked at Jingwei and Su Yan, and finally looked at the purple-haired Sheng Caier.

The archangel and the female zombie should be Su Chen's maids. Yan Fei saw it from the way they saluted Su Chen.

Holding the little girl's response It should be Jingwei and Su Yan,

Madam?

Miss?

Why did the archangel call Jingwei Madam?

Calling Su Yan Miss?

Is Jingwei Su Chen's woman? Su Yan is Su Chen's daughter? Su Chen abandoned Jingwei before?

After Su Chen knew that he had a daughter,

did he ask his men to find Jingwei and Su Yan?

Scumbag!

Hypocrite!

Yan Fei felt that Su Chen was a heartless scumbag and a hypocrite who abandoned his wife and daughter.

But what is Sheng Cai'er? People?

Her clothes are also very strange,

Is Sheng Cai'er not from this world?

If Sheng Cai'er is not from this world, how can Sheng Cai'er know Su Chen?

Yan Fei touched her fair chin and thought,

She felt that her previous guess was not wrong,

Su Chen might not be from this world. Yan Fei couldn't figure out how Su Chen came to this world?

Atlanna and Sheng Cai'er were because of the destiny of heaven. Su Chen might not be teleported to this world by the destiny of heaven.

"Members of the Eastern Team?"

Atlanna and Sheng Cai'er were because of the destiny of heaven. Su Chen might not be teleported to this world by the destiny of heaven.

"Members of the Eastern Team?"

AtlannaAtlana saw Sheng Caier and became alert.

Sheng Caier's clothes were different from those of people in this world. Atlana guessed that Sheng Caier was not from this world. Sheng Caier might be a member of the Eastern Team.

But,

How could Sheng Caier know Su Chen?

Su Chen was obviously not a person with luck, nor a member of the Eastern Team. How did they know each other?

Su Chen walked to Sheng Caier and hugged her and smiled, "Little beauty, we meet again."

"Su Chen, why are you in my mission world again?" Sheng Caier blushed and was embarrassed when Su Chen hugged her.

She did not resist being hugged by Su Chen.

More than two months have passed.

Sheng Caier also missed Su Chen very much. She also missed the warm and comfortable feeling of Su Chen hugging her.

Su Chen smiled and replied, "I know you are coming to this world, so I came here in advance to wait for you."

"You are just talking nonsense."

Su Chen held Sheng Cai'er and looked at Jing Niu and Su Yan,

Jing Niu was really sexy in a fishnet outfit. Su Chen hadn't seen Jing Niu wearing a sexy and seductive fishnet outfit for a long time.

At this moment,

Nan Nan walked to Su Yan and smiled coldly, "Yan'er, I am your aunt."

"Aunt? Are you my father's sister?"

Chapter 3162

Su Yan looked at the beautiful and cold Nannan in surprise.

Nannan was even more cold and beautiful than her mother. Her figure was as sexy as her mother's, and her temperament was even more noble.

But,

Aunt?

Is Nannan her aunt?

Su Yan saw the surprised expression on Nannan's face. She guessed that Nannan was surprised to see her.

However,

If Nannan was her real aunt,

Why didn't she greet her mother? Did they not know each other? Or did Nannan not like her mother?

"Yes, I am your real aunt, Nannan. I didn't expect you to be so cute when you were a child."

Nannan touched Su Yan's hair and smiled.

When she met Su Yan from Tianxuan Continent, Su Yan was already seven or eight years old. Su Yan is only about six now. The little girl looks as beautiful and cute as Su Yan from Tianxuan Continent. "Zero Five Three"

"Aunt, I'm cute."

"Little girl, aunt will give you a gift later."

"What gift?"

Jingwei didn't say anything beside him.

She felt Nannan's love for Su Yan, and she also felt the terrifying aura on Nannan. Jingwei guessed that Nannan was a strong person, and might be a strong person in the heavenly realm.

Su Chen?

Jingwei looked at Su Chen who was holding Sheng Cai'er and talking, and was very puzzled.

She and Su Chen had never met, let alone any communication. Why did Su Chen let the archangel and the female zombie bring their mother here?

Why did he call her Madam,

Call Yan'er Miss?

Su Chen's sister also claimed to be Yan'er's aunt. Nannan's expression of love when she saw Su Yan was not fake.

Jingwei couldn't figure out all these.

Su Chen sat down with Sheng Cai'er in his arms and asked, "Cai'er, what is your team's mission this time?"

Yan Fei was listening beside him with her ears erect,

A mission of luck?

She had heard Atlanna talk about the Western team's mission of luck before,

Atlanna had four missions of luck,

One: Kill Ji Wuye,

Two: Kill Bai Yifei,

Three: Kill Jing Niu,

Four: Kill Chu Nangong,

Su Chen was asking about Sheng Cai'er's mission of luck now, and Yan Fei wanted to hear what the mission of Sheng Cai'er's team was.

Sheng Caier glanced at Yan Fei next to her, she grabbed Su Chen's hand and said, "Our team has four destiny tasks."

"One: Kill the strategist Guiguzi!"

"Two: Kill Luowang Zhao Gao!"

"Three, protect Jing Niu for a month!"

"Four: Kill the farmer Liu Ji."

Su Chen was very surprised when he stroked Sheng Cai's waist.

Kill Guiguzi?

Guiguzi is a strong man in the realm of heaven and man.

Sheng Caier's strength may be limited by the destiny of heaven. Can their team kill Guiguzi?

Kill Zhao Gao?

The dead eunuch is also strong. He is protected by six sword slaves. It is not easy for Sheng Caier to kill Zhao Gao.,

Kill Liu Ji?

A scumbag,

Liu Ji has no protection from the dwarfs and other farm masters, and the little white girl Ran Bing can easily kill Liu Ji,

As for protecting Jingwei,

Su Chen has heard about it from Atlanna.

"Cai'er, Guiguzi is a strong man in the realm of heaven and man. Your strength is limited by the way of destiny. You are not Guiguzi's opponent." (To read the violent novel, go to Feilu Novel Network!)

"Zhao Gao's strength may be half a step into the realm of heaven and man. He is protected by six sword slaves. You may not be able to kill him. The remaining Liu Ji is easy to kill. I will let the archangel help you complete the destiny mission."

Saint Cai'er smiled sweetly, "Well, the archangel is very terrifying. If she helps me, we will complete the destiny mission soon."

Atlanna couldn't help asking, "Su Chen, can you help our team complete the destiny mission?"

Atlana understood what was going on nearby.

Sheng Caier was indeed a member of the Eastern Team, and Su Chen also promised to let his men help Sheng Caier. []

If this is the case,

The Eastern Team has the help of Su Chen's powerful men,

They will definitely complete the destiny mission,

Although the Western Team will not be punished by the Destiny Heavenly Dao if it fails to complete the mission, it will not be rewarded by the Destiny Heavenly Dao,

In this way,

The Eastern Team will become stronger and stronger in the future,

If the Western Team and the Eastern Team engage in a killing mission, their team may be completely wiped out by the Eastern Team.

Su Chen asked speechlessly, "Do you think it's possible?"

Sheng Caier looked at Atlanna and asked, "Su Chen, is she a member of the Western team?"

"Yes, I captured two members of the Western team. Do you want to kill them?"

Atlanna hurriedly stepped back after hearing Su Chen's words,

She glared at Su Chen angrily,

Damn bastard,

Su Chen just flirted with her,

The shameless bastard wanted to kill Sheng Caier in order to flirt with her. Atlanna was so angry that she wanted to cut Su Chen into pieces...

Sheng Caier After thinking for a while, Su Chen said, "As long as she doesn't interfere with my mission, there's no need to kill her. In the future, our two teams may cooperate in the destiny mission."

"That's right. The previous destiny master, the east and west teams have been cooperating to complete the destiny mission."

Su Chen nodded while drinking tea.

He was just talking just now. Atlanna is sexy, charming and beautiful. How could Su Chen kill her?

Besides, Sheng Cai'er is not a person who kills innocent people.

As long as Atlanna doesn't interfere with Sheng Cai'er's destiny mission, Sheng Cai'er will not kill Atlanna.

Sheng Caier stood up from Su Chen's arms and said, "Su Chen, I'll go talk to her. I want to know what the destiny mission of the Western team is."

"Sure, her name is Atlanna, a member of the Atlansti Sea Clan."

"Sea Clan?"

"Cai'er, the Sea Clan is a race that lives in the sea. You can ask Atlanna."

"Okay."

Yan Fei saw Sheng Cai'er leave and asked Su Chen, "Su Chen, you should not be from this world either?"

"Yes."

"You are different from Atlanna and Sheng Cai'er. They are lucky people who came to this world at 3.5. How did you come to this world?"

Su Chen smiled and teased, "This? You know my secret and want to be my woman, Yan Fei, do you still want to know?"

At this time,

Su Yan came over and heard Su Chen's words and asked with a serious face, "Su Chen, I My mother is right next to me. You don't go talk to my mother, but you flirt with other women here. Are you going to abandon her?"

Su Chen shouted with a dark face, "Oh my god, abandon her? Yan'er, when did daddy abandon your mother?"

"Hmph!"

Su Yan snorted coldly and said with his hands behind his back, "I didn't admit that you are my father. Weren't you flirting with this beautiful sister just now?"

"Little girl, Yan Fei is like your mother. They are both my women. I wasn't flirting with her just now."

"Scumbag."

Chapter 3163

Su Yan was speechless about Su Chen.

Yan Fei was staring at Su Chen, wishing she could kill him. She was obviously not Su Chen's woman.

Su Chen actually said that Yan Fei and her mother were both his women?

And he said it in front of her?

Su Yan felt that the father he had just met was a bit shameless and a complete scumbag.

Su Chen waved his hand and threatened, "Scumbag? Little girl, do you want your dad to beat you?"

Su Yan hurriedly turned around and shouted, "Aunt, your brother wants to beat me."

"I'll join in."

Su Chen was helpless with the quirky little girl.

It was just a short while.

How did Su Yan get familiar with Nannan?

The little girl actually complained to Nannan,

Su Yan is indeed a black-bellied little girl. She and Su Yan from Tianxuan Continent are both eccentric little girls.

Su Chen took out a space ring and shook it, saying, "Little girl, I'll give you a treasure. Do you want to help me do something?"

Su Yan stretched out her finger and smiled, "Space ring? I have it?"

"I can give you some sweet and delicious spiritual fruits."

"You mean this kind of fruit? The archangel gave it to me. There are thousands of spiritual fruits in my space ring." Su Yan took out a red spiritual fruit and ate it with a sly smile,

Interesting,

She felt that her father was a little silly,

The archangel and the female zombie gave her many spiritual fruits of heaven and earth, and some treasures that looked like fairyland,

Auntie Nannan just gave her a bracelet, a beautiful bracelet with twinkling stars,

Auntie said that she had been wearing the bracelet since she was a child, and the bracelet was also a spiritual weapon that could protect her from harm.

"You don't have this?" A silver disc suddenly appeared in Su Chen's hand,

Star,

He Xi's Su Yin Wu,

He Xi asked Queen Mother of the West to make her a new star, and it was a star of the best innate spiritual treasure,

He Xi threw the useless star to him,

Su Chen thought the star was good,

He originally wanted to use the star in the small world, but he had been to several small worlds and didn't use it. This time he planned to leave it to Su Yan, and Su Yan would not be in danger with the protection of the star in the future.

"What's wrong with a silver disc... eh!"

Su Yan said and suddenly saw the star spinning around Su Chen,

It was so fast that she couldn't see the star clearly,

Silver rays appeared around Su Chen, and the rays were as dense as a spider web and looked very dangerous.

Yan Fei opened her eyes and looked at Su Chen,

A disc that can spin quickly?

Yan Fei sensed the terrifying danger of Xing Ming. She guessed that Xing Ming's rapidly rotating light could kill her instantly.

Spiritual treasure?

Is Xing Ming a magical treasure of the immortals?

Su Yan's eyes lit up and he stretched out his hand and shouted, "Give it to me, I want this treasure."

"What should you call me?"

"OldDad, give me the treasure quickly. "

"This is Xingming. You can't use Xingming without practicing. I left some energy in Xingming. You drip a drop of blood on Xingming to let Xingming recognize you. You can kill enemies thousands of miles away in the future."

Su Chen handed Xingming to Su Yan and explained,

Su Yan didn't practice,

and didn't have angel genes,

He had injected enough immortal power into Xingming before,

Su Yan only needed to issue instructions to Xingming in the future, and Xingming would obey Su Yan's orders to do things.

Su Yan took Xingming and couldn't wait to drip blood and shouted, "Wow, can kill enemies thousands of miles away? Am I not more powerful than mother?"

"When the energy in Xingming is used up, you are still a scum."

"Dad, how long can I use the energy in Xingming?"

"Within five hundred years, you can't use up the energy in Xingming even if you use it every day. ”
(To read the exciting novels, go to Faloo Novel Network!)

“Bad daddy.”

Su Yan stuck out her tongue at Su Chen and ran to Jingwei. She wanted to show off to her mother.

Five hundred years?

Su Yan didn't know if what Su Chen said was true,

But she felt that what Su Chen said was true. The space ring, spiritual fruit, spiritual tea, spiritual treasure, and star destiny were all legendary treasures. Su Yan guessed that Su Chen might be an immortal.

Su Chen rubbed his forehead and said speechlessly, “Oh my god, why did the little girl run away? I haven't even asked for help yet.”

“Su Chen, are you a cultivator? Or an immortal? ”

Yan Fei was very upset at the moment,

Su Chen and Su Yan's conversation,

And the rapidly rotating star destiny,[]

There could be no such treasure in their world. Is Su Chen the legendary immortal cultivator? Or an immortal?

"It's getting dark, Yan Fei. Stay at Zi Lan Xuan tonight. I'll go to your room tonight and tell you."

Su Chen said to Yan Fei and walked towards the small building next to him. He wanted to think about taking down that beautiful woman tonight.

There are many beauties in Zi Lan Xuan now,

Zi Nu, Lady Hu, Lady Mingzhu, Little Rabbit Lady Hu, the sexy Jing Wei and the beautiful Yan Fei? The little beauty Sheng Cai'er, um, and the seductive and charming Atlanna.

"Asshole. "

Yan Fei was so angry that her chest was heaving.

Stay?

Or leave?

If Su Chen went to her room tonight, Yan Fei was worried that Su Chen would be so beastly and humiliate her.

However,

If she left,

Yan Fei was very unwilling.

The Yin-Yang family was a sect of cultivation.

Su Chen's behavior today meant that he was either a cultivator or an immortal. Yan Fei had many things to ask Su Chen. She wanted to know if there were any immortals in the world and whether she could become an immortal if she practiced hard in the future.

Yan Fei thought for a while and whispered, biting her lip, "Damn bastard, stay tonight. If the shameless bastard dares to have any evil intentions, I will use the Six Souls Fear Curse to perish together with the pervert."

At this moment,

Jing Wei looked at the stars spinning around Su Yan. She was so beautiful and clear. Leng's face also showed a surprised expression.

Earlier,

She saw the star destiny spinning rapidly around Su Chen, and now the star destiny is spinning around Su Yan,

Jingwei guessed that Su Chen gave the star destiny to Su Yan,

and taught Su Yan to control the star destiny.

Spiritual weapon?

Or spiritual treasure?

Jingwei thought of the bracelet that Nannan gave to Su Yan,

The bracelet that Nannan gave to Su Yan was not only beautiful, but also could protect Su Yan. She previously guessed that Nannan's origin was not simple, and the star destiny that Su Chen took out even subverted her cognition,

Jingwei found it difficult to guess Su Chen's origin,

She didn't understand what Su Chen asked the maid to bring her here for.

Jingwei was a fallen woman,

and had a child,

Su Chen was surrounded by many beautiful women, each of them was beautiful and sexy. Would Su Chen be attracted to her, a fallen woman?

Su Yan smiled and said, "Mother, look, my star destiny is spinning beautifully, isn't it? The traces of the star destiny's rapid rotation burst out silver threads, and the silver threads are as beautiful as light, aren't they?"

Jing Wei showed a complicated expression and asked, "Beautiful, Yan'er, is the star destiny a treasure given to you by Su Chen?"

"Yes, mother, is Su Chen my biological father? Is Nannan my biological aunt?".

Chapter 3164

Su Yan was playing with the stars and thought of Su Chen and felt funny, especially when Su Chen was frustrated before.

A treasure wanted her to help?

Is it possible?

Su Yan guessed what Su Chen wanted her to help with. She just ran to her mother on purpose.

For her mother?

Su Chen might want her to speak well of him in front of Jingwei, or he might use her to make her mother forgive her for being abandoned.

But,

Is Su Chen his father?

Is Nannan her aunt?

Su Yan likes her aunt Nannan a little, and she also likes Su Chen, who she doesn't know if she is her father. She wants to have a father and relatives, and she doesn't want to be a wild child without a father.

"Yan'er, mother will tell you tomorrow."

Jing'er was very confused while touching Su Yan's hair.

She saw that Su Yan wanted to have a father, and she also saw that Su Yan liked Nannan and Su Chen.

Tonight,

Jing'er decided to meet Su Chen.

If Su Chen didn't mind that she was a fallen woman,

Jing'er could be Su Chen's woman, and she hoped that Su Chen could treat Yan'er as his own daughter.

"Good mother."

Su Yan guessed that her mother would meet Su Chen tonight.

Her mother might ask about Su Chen's abandonment, and they might renew their relationship and become husband and wife.

Su Yan hoped that her mother and Su Chen would reconcile.

She also hoped that the family could be reunited.

After dark,

The women in the courtyard had dinner and went to rest.

Su Yan was taken to her room by Nannan to rest. Yan Fei and Atlanna went into a room together. Both women were worried that Su Chen would attack them at night. It would be safer for them to be together.

Sheng Caier went to Su Chen's room.

She still had something to talk to Su Chen about.

Especially the two new team members.

Although Sheng Caier had not met the two new team members yet, she did not want Su Chen to kill her new team members again.

In the middle of the night,

Jingwei stayed outside Su Chen's room for almost two hours. Sheng Cai'er, who entered Su Chen's room, did not come out.

Jingwei's face became colder and colder.

She held her hands and could not help wanting to rush into the room.

In the next room,

The archangel and the female zombie were checking on Jingwei.

They were Su Chen's guards.

They were also women.

Jingwei had been discovered by them since he arrived. The archangel and the female zombie were still observing Jingwei.

|= |

"Archangel, what's wrong with Madam Jingwei? Why doesn't she go into the master's room?"

"Are you stupid? Sheng Cai'er is in the master's room. How could Madam Jingwei go in now?"

"What's wrong with that? Aren't we always serving the master together? And Nie Xiaoqian and the other girls, don't they often serve the master with us?"

"Female zombie, Jingwei in this world doesn't know how powerful the master is. This is the first time she has seen the master today and she is not used to it."

"It seems to be true."

"Look, Sheng Cai'er is coming out."

The archangel and the female zombie were talking,

They all looked at Sheng Cai'er who came out, and they also checked whether Jing Wei would enter Su Chen's room.

At this moment,

Sheng Cai'er blushed and left quickly,

She was very helpless with the shameless Su Chen,

Sheng Cai'er didn't want to be taken down by Su Chen when she was being checked, but Su Chen actually made her serve the shameless bastard shamelessly, and Sheng Cai'er couldn't help but want to bite the shameless pervert to death.

Sheng Cai'er looked back and whispered, "Why did Jingwei look for Su Chen in the middle of the night? Is she related to Su Chen?"

In the room,

Su Chen touched his chin and smiled,

Although Sheng Cai'er's service made him feel a pain in his teeth, the little beauty's curvy figure was really good,

If Jingwei hadn't been outside,

He would have eaten the little beauty tonight. (To read the exciting novels, go to Feilu Novel Network!)

Squeak!

Jingwei pushed the door and entered the room,

She looked at Su Chen and didn't know what to say for a moment.

Su Chen waved his hand at Jingwei and called, "Jingwei, come here."

"Su Chen, I want to know why you let your men... Woo woo woo~" Jingwei was hugged and kissed by Su Chen before she could finish her words.

She wanted to struggle,

But she thought of Su Yan,

Jingwei held her hand and slowly relaxed. For Yan'er, she didn't care even if she was humiliated by Su Chen.

Su Chen stroked Jingwei's perfect body and said, "Jingwei, I know you want to ask why. I can tell you that you are my woman and Yan'er is also my daughter. I can't explain some things clearly now, but in a few days, you will understand what I said today."

"I don't want to know unimportant things, Su Chen. Just treat Yan'er as your own daughter in the future, and I will be your woman in the future."

"Yan'er is my own daughter. Today you should see that my sister and I like Yan'er."

Su Chen loves Jingwei very much.

If he hadn't come to this world,

Jingwei might marry the scum Tian Meng for Yan'er as in the plot, and would be ambushed by Tian Meng and die from martial arts.

"I saw it."[]

Jingwei nodded with bright eyes,

Su Chen and Nannan were very good to Yan'er, and she could see that Su Chen and Nannan were not pretending,

This is good,

Yan Zi'er will be more lively, cheerful and lovely in the future with her father and aunt's love and protection

".Jingwei, let's take a rest. Yan'er will be taken care of by her aunt. The little girl will be fine."

"Yeah!"

A night of violent storms,

A night of gentleness,

A night of passion and tenderness,

A night of romance, the powerful women in the small building could not fall asleep.

The next morning,

Mrs. Mingzhu stood at the window and looked at the street in confusion,

She had almost no rest last night, Su Chen was very kind to her. The cognition made her confused,

A couple in the previous life?

Is it possible?

But,

Atlana and Sheng Caier are not from this world, and Mrs. Mingzhu's heart wavered again.

Mrs. Mingzhu stroked her hair and sighed, "Alas! After a night, King Han should have discovered that she was missing. I hope he doesn't find her in Zi Lan Xuan. Su Chen? How should I face him?"

At this moment,

Zi Nu stared at Su Chen's room with a cold face. She didn't expect Su Chen to be with Jing Wei last night.

Zi Nu held the chain sword and yelled angrily,

"Damn pervert, you shouldn't have believed the words of the shameless bastard. Last night it was Jing Wei, and tonight? Is it Yan Fei? Madam Mingzhu? Sheng Cai'er? Or Atlanna and Hu Meiren sisters?"

Swoosh,

A shadow assassin suddenly appeared and saluted, "Madam, we caught an intruder last night, and the commander asked us to hand him over to you."

"Intruder? Where is the intruder imprisoned?" Zi Nu didn't expect someone to sneak into Zi Lan Xuan,

Who could it be?

Could it be someone from another world who wants to save Atlanna?

Zi Lan Xuan is now full of strong people,

The shadow assassin is even more elusive to guard Zi Lan Xuan, and those who sneak into Zi Lan Xuan are courting death.

"Madam, the intruder is being held in the woodshed."

"Take me there."

"Yes, madam."

Chapter 3165

In the room on the second floor,

Su Chen hugged Jingwei's sexy and smooth body and didn't want to get up.

Last night,

He enjoyed Jingwei's sexy and attractive body, and he also enjoyed Jingwei's cool and hot tenderness.

Jingwei might have to sleep until noon today.

Su Chen had troubled Jingwei for most of the night yesterday.

Jingwei was fortunately a martial artist with good cultivation and good physique, otherwise Jingwei might be fooled by him.

After a while,

Su Chen kissed Jingwei and got up.

There were Sheng Cai'er and Yan Fei in Zi Lan Xuan.

He had to arrange some things.

Especially Task 3 had to be completed as soon as possible.

Destroy five of the hundreds of schools of thought?

He planned to let the Archangel and the female zombie take the Shadow Assassin to complete the task. Su Chen would wait for the arrival of Qin King Ying Zheng in Zi Lan Xuan.

"Where is my mother?"

Outside the "140" room,

Su Yan saw Su Chen coming out and asked with wide eyes,

Last night,

She heard her mother's low cry,

If her aunt hadn't said that it was okay,

and her aunt hadn't allowed her to disturb her mother and Su Chen, Su Yan would have gone to check on her mother last night.

Su Chen held Su Yan and smiled, "Yan'er, your mother is still resting and will get up soon. Dad will take you to dinner."

"Really?"

"Really, how could I lie to you? If you don't believe me, you can ask your mother when she gets up."

"Okay, I'll believe you once."

Su Yan nodded her head in agreement,

She also didn't believe that Su Chen would beat her mother,

Her mother Jingwei would get up soon, and Su Yan could ask her mother what happened last night.

"Let's go and call your aunt to have dinner together."

"Hmph, aunt has prepared the dishes for you."

"Is that so? Let's go quickly."

In the large room on the second floor,

Archangel, female zombie, Yan Fei, Sheng Cai'er, Atlanna, Madam Mingzhu, Lady Hu, Madam Hu, these women were talking to each other, and Nan Nan stood alone at the window with a red face looking at the street.

Yan Fei asked unnaturally, "Did that bastard Su Chen harm Jing Wei last night?"

Last night,

Yan Fei didn't fall asleep in the second half of the night,

There was a cat-like cry in the second floor in the second half of the night, and she guessed that the women here heard it,

Yan Fei was really speechless about Su Chen,

Su Chen knew that they were in the next room, and the shameless bastard might have deliberately let them hear it.

Atlanna said with an angry expression, "Zi Nu is interrogating the intruders from last night downstairs. We women are just missing Jing Wei. Su Chen must have harmed Jing Wei."

Mrs. Mingzhu and Sheng Caier blushed. They were also very speechless about Su Chen.

It was intentional.

Su Chen must have let them hear it on purpose.

The Archangel said, "Jingwei is the master's woman, don't misunderstand."

Lady Hu asked angrily, "Woman? Does Su Chen think we are all his women?"

The Archangel reminded with a cold face,

"Yes, you should understand the relationship with the master. The master knows everything about you. If you are not the master's women, do you think the Shadow Assassin will bring you to Zilanxuan?"

Mrs. Mingzhu and Mrs. Hu, Mrs. Hu thought of Su Chen's words,

They don't believe it, it's impossible,

Su Chen knows everything about them very well, are they really husband and wife in their previous lives?

Did they grow exactly the same in their previous lives as in this life? (To read the violent novels, go to Feilu Novel Network!)

Are the physical characteristics and reactions the same?

"You are all here, let's eat." Su Chen pulled Su Yan to the scene and nodded when he saw the women.

These women were all extremely beautiful women in the Qin Dynasty.

If Su Chen had not become an immortal,

He would definitely think that Madam Mingzhu and her daughters were the sexiest and most beautiful women in the world. []

If Madam Mingzhu and her daughters became immortals,

They would also be as sexy and beautiful as the women in Tianxuan Continent.

Su Chen sat down and said,

"Archangel, today you and the female zombie will take the shadow assassin to destroy the Taoist family, the Ming family, the Miscellaneous family, the Mohist family, and the Farmer family. Just destroy four-fifths of the five schools of thought."

The archangel and the female zombie saluted and said, "Yes, Master."

"You should pay attention to the Farmer family. You don't need to worry about the ordinary disciples of the Farmer family. You only need to destroy the main figures and elite disciples of the Farmer family."

Su Chen suddenly remembered that the Farmer family was said to have 100,000 disciples. He knew through the system that the ordinary disciples of the Farmer family were useless. He only needed to destroy the elite disciples of the six halls of the Farmer family..0

The female zombie smiled and saluted, "Master, We killed Tian Meng on the way back. He seems to be the head of the Lieshan Hall of the Nong Family. "

Su Chen said in surprise, "Tian Meng was killed? Forget it, I still want to torture Tian Meng to death, so let him die."

Su Yan said disdainfully while eating, "Tsk, the Nong Family disciples are all scum, the shadow assassin killed them in less than three breaths."

Su Chen rolled his eyes at Su Yan,

Su Yan said this arrogantly,

He guessed that it was Su Yan's order that the shadow assassin killed Tian Meng and the disciples of Lieshan Hall,

The little girl is the same as Su Yan in Tianxuan Continent,

They are very cruel and murderous at a young age, and they are worthy of being the future killers.

Sheng Caier took a sip of tea and said, "Su Chen, I will go with Archangel and the female zombie. Mission one and mission four require killing Guiguzi and Liu Ji. I want Archangel and the others to help me catch them along the way."

Su Chen asked doubtfully, "Cai'er, don't you have to protect Jingwei for a month? If you leave, the mission will be interrupted."

"Are you stupid? Jingwei will always be in Zilanxuan. After I kill Guiguzi and Liu Ji, I can come back to continue the mission."

"That's true, Cai'er, you can go with Archangel and the others, and look for Little White Girl and the old Taoist priest by the way."

"Little White Girl? Ran Bingtian will bite you to death if he hears."

Su Chen smiled while drinking, "Do you think I will scare 4.9 of Little White Girl?"

"You are too shameless."

Sheng Cai'er blushed and didn't want to pay attention to Su Chen.

In the last luck mission,

Ran Bing was eaten to death by Su Chen.

Su Chen not only stripped Ran Bing's clothes several times,

Ran Bing also stupidly served the shameless bastard several times, and even did some shameful things.

Sheng Cai'er thought of peeping at Su Chen and Ran Bing watching the stars,

Her face became even redder.

Atlanna couldn't help asking, "Su Chen, can you help me complete the luck mission? "

Su Chen looked at Atlanna's curvy body and said, "Sure, Atlanna, as long as you dance sexy for me once, I will help you complete the other three destiny tasks."

"Shameless bastard, don't even think about it."

Chapter 3166

Atlana glared at Su Chen angrily,

Dance sexy dance?

Does she dare?

All the women here know that Su Chen is a pervert,

If Atlana dares to dance sexy dance for Su Chen, Su Chen will definitely eat her up.

Yan Fei glared at Su Chen and shouted, "Su Chen, will you die if you are not shameless?"

"Yan Fei, if you want to know the whereabouts of the Fantasy Sound Box, you must also dance sexy dance for me."

"Asshole."

Yan Fei grabbed the teacup and smashed it at Su Chen,

She couldn't stand Su Chen's teasing,

She would not be threatened by a shameless asshole,

Although the Fantasy Sound Box is extremely important to the Yin-Yang family, Yan Fei would not sell her body to get the Fantasy Sound Box.

Bang!

Su Chen bent down to avoid the teacup thrown at him by Yan Fei.

Yan Fei's temper was getting more and more irritable.

The noble and elegant Yan Fei was completely furious at his teasing. Su Chen did not dare to continue teasing his beautiful wife. He did not want Yan Fei to know everything and not let him go to bed.

Nan Nan turned around and said, "Brother, there are thousands of troops searching the streets. The army should be looking for Madam Mingzhu and Beauty Hu."

Madam Mingzhu and Beauty Hu looked at Su Chen. They were worried that their identities would be exposed and the army would surround and kill Su Chen.

Su Chen might be their man.

They did not want Su Chen to be surrounded and killed by the army.

Su Chen shook his head and said indifferently, "Don't worry about the Korean army. They are courting death if they dare to search Zi Lan Xuan."

Mrs. Mingzhu couldn't help but remind him, "Su Chen, there are more than 100,000 troops in Xingzheng City of Korea. You'd better not mess around."

Lady Hu frowned and said, "Yes, and Ji Wuye and his Night are very powerful. You don't have to be brave. We won't be discovered if we hide in Zi Lan Xuan."

Su Chen smiled and nodded.

Mrs. Zhu and Lady Hu are very considerate of him. They should understand their relationship with him.

But what's wrong with the little rabbit Mrs. Hu?

Do you keep your head down and want to be a turtle?

At this time,

Zi Nu walked into the room and said, "Su Chen, the Korean army is searching for Madam Mingzhu and Lady Hu from house to house, and the left Sima Liu Yi was also assassinated last night."

Madam Hu collapsed on the ground after hearing Zi Nu's words,

She didn't expect her husband Liu Yi to be killed,

Who killed Liu Yi?

Although Liu Yi was a eunuch,

but Liu Yi treated her well over the years, and Madam Hu didn't expect Liu Yi to be killed.

Su Chen glanced at Mrs. Hu and said, "Yesterday's intruder first killed Liu Yi, and then sneaked into Zilanxuan to kill Nongyu. He was a member of the Broken Haired Sanlang, and now he has mixed into Bai Niao and become a vulture."

Zi Nu asked in surprise, "The Broken Haired Sanlang? Vulture? How do you know this?"

"I know a lot of things, including the size of your chest. Do you want to know, beautiful Zi Nu?"

"Shameless!"

Zi Nu glared at Su Chen in shame and anger,

The shameless bastard was not serious again after a while,

Breast size?

Zi Nu didn't know if Su Chen really knew,

But the shameless bastard said these things in public, Su Chen didn't care about his face at all.

Su Chen waved his hand and said, "Let's eat, Zi Nu, I will tell you about the vulture coming to kill Nanyue."

"Hmph!"

Three days later,

In the Cangshan Mountains of Chu State,

Ran Bing looked at the map in her hand and was very speechless,

The farmhouse is in Shennong Hall in Cangshan. She has been looking for it in Cangshan for several days and couldn't find it.

Cangshan is very big,

It is sparsely populated,

Ran Bing wanted to find someone to ask but couldn't find anyone.

"Who?"

Bang!

Ran Bing suddenly felt the danger and dodged quickly. A cloaked man with a long sword quickly chopped at the position where Ran Bing was just now.

The cloaked man licked his lips and said, "Member of the Eastern Team, you will die in my hands today, but you are very sexy and beautiful. I will play with you before killing you."

Ran Bing frowned and asked, "Are you a member of the Western Team?"

The cloaked man took off the cloaked gentleman and introduced, "Yes, Western Team, Richard O'Connell is honored to meet you, the beautiful and sexy beauty of the Eastern Team."

Ran Bing drew out the long sword at his waist and said, "Eastern Team, Ran Bing, I will send you to see your God today."

O'Connell Laughing,

"Haha~ Send me to see God? I have seen many incredible things in Egypt, and also encountered powerful undead creatures. Many undead creatures did not kill me. How can you, a woman, kill me?" (To read the exciting novels, go to Faloo Novel Network!)

"Today will be your death."

"Ran Bing, I will humiliate you for a few days after I catch you. I will make you live a life worse than death."

"Sword Ten!"

Ran Bing showed an angry expression and killed O'Connell with light skills.

Damn aliens, []

Humiliate her?

And make her live a life worse than death?

Ran Bing will torture the cruel O'Connell to death. She will make O'Connell die a life worse than death.

"Ah~"

O'Connell screamed as Ran Bing quickly cut off one of his arms.

He looked at Ran Bing in fear.

It was too fast.

How could Ran Bing be so powerful?

He didn't even see Ran Bing's figure clearly before Ran Bing quickly cut off O'Connell's arm.

Escape.

Oriental's know witchcraft.

If he didn't escape, Ran Bing would kill him. O'Connell covered his broken arm and quickly fled to the woods nearby.

"Escape? Can you escape?"

Ran Bing showed a disdainful expression and quickly chased after him.

She would not let O'Connell go.

Apart from Su Chen, the shameless bastard, any man who wanted to humiliate her would die.

Crack!

"Ah~"

Crack!

517 "No, let me go. I can tell where my teammates are. Please spare my life."

Crack!

"Ah~ You deserve to die. I will not let you go even if I go to hell."

"Dregs, go to hell."

Crack!

Ran Bing cut off O'Connell's head expressionlessly.

Begging for mercy?

Is it possible?

How could Ran Bing let go of the scum who wanted to humiliate her? Besides, this luck mission was a competition between the teams.

Ran Bing did not kill O'Connell.

Will O'Connell contact others to kill her?

Ran Bing looked at the surrounding mountains and said helplessly, "Alas, we still have to continue looking for the Shennong Hall of the Farmers' House. I hope Cai'er and Uncle Jiu will come as soon as possible."

Zilanxuan,

Su Chen hugged Lady Hu's curvy body and drank a little wine,

In the past three days,

In addition to Jingwei, he also took down Lady Hu and Lady Mingzhu,

The boss lady Zi Nu is not easy to deal with,

Yan Fei gave him a cold expression and kept him away from strangers. Su Chen had no way to deal with Yan Fei,

And Atlanna,

The beautiful woman actually had a good relationship with Yan Fei. Su Chen's night raids were ruined by Yan Fei several times.

Lady Hu grabbed Su Chen's hand that was touching her long legs and said shyly, "Husband, Wei Zhuang said that Han Fei is here again, and he is here to investigate the case of Liu Yi's murder. Don't you want to go over and take a look?".

Chapter 3167

Su Chen was a little surprised when he touched Lady Hu's long legs.

Is Han Fei investigating the murder of Liu Yi? Did Han Fei become Si Kou with the help of Prime Minister Zhang?

Wei Zhuang and Zi Lan did not cooperate with Han Fei.

The ghost soldiers in Xinzheng City robbed the military pay for three days. Liu Yi was killed by Vulture last night. Vulture came to assassinate Nong Yu last night and was caught by the shadow assassin. How could Han Fei come to Zi Lan Xuan to investigate the case?

Did Han Fei know that Vulture was arrested?

How did he know?

Is there anyone of Han Fei in Zi Lan Xuan?

Su Chen thought for a moment and called out to the person beside him, "You-Lan!"

"Master!" A shadow assassin suddenly saluted and said,

"You Lan, order the shadow assassins to secretly check the women in Zi Lan Xuan to see if any of them had contact with outsiders last night."

"Yes, Master!"

Hu Meiren asked in confusion, "Su Chen, do you suspect that the women in Zi Lan Xuan have contact with outsiders?"

"Well, the shadow assassins caught Vulture last night, how did Han Fei know? And from whom did he know that Vulture was caught? I guess Han Fei has an insider in Zi Lan Xuan. . "

Lady Hu nodded and said,

"That's right. Those who know that the Shadow Assassin captured Vulture will definitely not tell Han Fei. If no one told Han Fei, Han Fei would not know that Vulture was captured and imprisoned in Zilanxuan. "

"Huh? Su Chen, Madam Mingzhu, my sister and I are all in Zilanxuan. Do you think Han Fei knows about it?"

Su Chen was mentioned by Lady Hu.

He felt that Madam Mingzhu, Lady Hu, and Madam Hu were all exposed. Han Fei might know that Madam Mingzhu's three daughters were in Zilanxuan.

Is Han Fei here to investigate the case today?

Or to check whether Madam Mingzhu's three daughters are in Zilanxuan?

"Lady Hu, I'm going to see Han Fei."

"Okay, I'll go take care of Madam Mingzhu. You did her a lot of harm last night. She hasn't gotten up yet."

Su Chen kissed Lady Hu and said, "Lady Hu, let's watch the stars tonight."

"You're so shameless. I'm leaving first."

Lady Hu blushed and hurriedly got up and left.

Su Chen was too shameless.

Watch the stars?

Are they watching the stars?

When Lady Hu thought of the shameful things Su Chen asked her to do, she couldn't help but want to bite the shameless bastard to death.

And her long legs.

Su Chen actually said that her long legs could be played with for ten years.

Are her legs really attractive?

"Lady Hu is so tempting. If I hadn't had something else to do, I wouldn't want to leave the nest of beauties."

Su Chen looked at Lady Hu who was leaving with some reluctance.

Lady Hu is so tempting.

Lady Hu's seductive voice can make people's bones soft. Every time Su Chen heard Lady Hu's voice, he wanted to ravage her.

At this moment,

In the reception room on the second floor,

Wei Zhuang and Zi Nu looked at Han Fei and Zhang Liang in surprise. Han FeiHow did he and Zhang Liang know that Wu Jiu was captured by them?

Zi Nu asked coldly, "Han Fei, how did you know that Wu Jiu was captured by us? How did you know that Wu Jiu was the murderer of Liu Yi?"

"Miss Zi Nu, I have my own information channel, you don't need to ask more." Han Fei replied with a serious face,

He was very angry at the moment,

If Han Fei hadn't tried his best to pretend that nothing happened, he would have angrily questioned Zi Nu and Wei Zhuang why they abducted the three women of Hu Meiren, and he would have the Korean army surrounded Zi Lan Xuan for a search.

Zi Nu showed a disdainful look and sneered, "Your information channel? Han Fei, I didn't expect you to have a spy who is proficient in investigation. You can even come and go freely in Zi Lan Xuan. You made me look at you with new eyes."

Zi Nu didn't believe that Han Fei had a spy, and she didn't believe that a spy could come and go freely in Zi Lan Xuan,

Inside ghost?

Is there any woman in Zi Lan Xuan related to Han Fei? Or did Han Fei bewitched the woman of Zilanxuan?

Zi Nu wanted to send the Shadow Assassin to investigate. She wanted to see who betrayed her in Zilanxuan.

Compared with the woman of Zilanxuan,

Zi Nu believed the Shadow Assassin more.

Zhang Liang clasped his fists and said to Zi Nu, "Miss Zi Nu, can you hand over the vulture to us? The ghost soldiers' robbery of the salary should also be related to the vulture. We must interrogate the vulture as soon as possible."

"Sure."

"Thank you, Miss Zi Nu."

Zhang Liang did not expect Zi Nu to agree so readily, and some of the arguments he prepared were no longer useful.

Wei Zhuang looked at Han Fei and Zhang Liang with a grim expression. He was now wondering who leaked the news about Vulture.

Vulture was arrested last night. (To read the exciting novels, go to Faloo Novel Network!)

Han Fei got the news this morning.

It's not normal.

Zi Lan Xuan is guarded by shadow assassins. No one can sneak into Zi Lan Xuan. Wei Zhuang guessed that there were Han Fei's people in Zi Lan Xuan. The most likely ones were the dancers and maids in Zi Lan Xuan.

"Thank you so much."[]

At this time,

Su Chen pushed the door and entered the room and said casually,

Want Vulture?

Is it possible?

Vulture knew the clues to Huo Yu Gong's treasure. Huo Yu Gong was also the father of Lady Hu and Mrs. Hu. Su Chen was not interested in Huo Yu Gong's treasure. He just didn't want to be found by Han Fei and Zhang Liang.

Zhang Liang looked at Su Chen who had arrived and asked in confusion, "Who is this brother?"

"Don't pretend, don't you know who I am?" Su Chen sat next to Zi Nu and looked at Zhang Liang with disdain.

"What do you mean, brother?"

Zhang Liang and Han Fei looked at each other as they spoke. They both knew who the man who had arrived was.

Su Chen,

A strange man who came to Zi Lan Xuan,

and had a close relationship with Zi Nu.

Su Chen touched Zi Nu's little hand and smiled, "What do you mean? Han Fei, aren't you the new Si Kou? Guess what I mean?"

Zi Nu gave Su Chen a look of shame and anger,

She was very lecherous. There was nothing she could do. She was too lazy to care about Su Chen touching her hand.

For three days,

Su Chen harassed her every day.

If Zi Nu hadn't been on guard against Su Chen's night attack on her, she would have been eaten by Su Chen two days ago.

Han Fei frowned and asked, "You don't want to hand over the vulture to us?"

"Yes."

"Why?"

"I'm not happy, so I won't hand it over."

Han Fei said righteously with a serious face, "Su Chen, I am the Korean Sikou, in charge of Korean laws and criminal laws, and have the right to arrest fugitives and hunt down thieves. You have no right to stop me. Anyone who stops the Sikou from investigating the case will be arrested and imprisoned."

Su Chen drank the tea poured by Zi Nu and said, "Han Fei, your Sikou is just a decoration, it can be said that he has no power at all. If you are the real Sikou, go check Ji Wuye and let me see."

Han Fei said with an ugly face, "Su Chen, whether I am a decoration Sikou is none of your business. If you don't hand over the vulture today, Xinzheng government will seal Zi..."

"Dad, the spy you asked the shadow assassin to find was found. I worked hard to interrogate Zero."

Chapter 3168

Su Yan pushed the door open and walked into the room,

She just heard that the shadow assassin had captured a woman,

Su Yan asked curiously,

When she learned that the captured woman was a spy who was betraying her, Su Yan threatened and interrogated her privately.

She didn't expect that the woman was really a betrayer,

Last night, the Qin Ji woman of Zi Lan Xuan informed Han Fei, the ninth son of the Kingdom of Korea, about the capture of Vulture, and the capture of Madam Mingzhu, Lady Hu, and Madam Hu.

Su Yan hurried over to take credit,

She wanted Su Chen to give her some more treasures, preferably beautiful and good-looking treasures.

Zi Nu hurriedly asked, "Yan'er, what's the name of the woman you are interrogating?"

"Aunt, she is Zi Lan Xuan's zither girl, named Nong Yu."

"Nong Yu? How could it be her?"

Zi Nu was very surprised,

How could it be Nong Yu?

"Six Zero Zero" Zi Nu and Nong Yu were like sisters, and their relationship was very good. Why would Nong Yu betray her? Didn't she treat Nong Yu well?

Wei Zhuang frowned and held the sword tightly,

He didn't expect it to be Nong Yu,

Nong Yu had never left Zi Lan Xuan. When did she have a relationship with Han Fei? She even betrayed Zi Nu and reported it to Han Fei,

Didn't Nong Yu know that after telling Han Fei about this, Zi Lan Xuan would be in an irretrievable situation?

Su Chen said with a serious face, "Yan'er, have someone bring Nong Yu here."

"Okay, Dad."

Han Fei and Zhang Liang didn't expect Nong Yu to be discovered.

It was too fast.

They hadn't been at Zi Lan Xuan for half an hour. How could Su Chen suspect that Nong Yu had given them a secret?

After a while,

Nong Yu was brought into the room by two shadow assassins.

Zi Nu showed an angry expression and asked, "Nong Yu, I treated you well, why did you betray me?"

Nong Yu's face turned pale and she quickly replied, "Sister, I didn't want to betray you, I just helped Han Fei solve the case."

Su Chen said disdainfully

"Solve the case? Nong Yu, are you an idiot? Or a fool? You should have told Han Fei more than just the vulture, right? You should have told Han Fei about Madam Mingzhu, Lady Hu, and Madam Hu, right?"

Nong Yu said in a panic, "I... I told Han Fei, but Han Fei promised not to do anything. Other women in Zilanxuan."

"Idiot, Han Fei is just a powerless young master. You believe his words. You have lived in vain for so many years. Since you said that all the women in Zilanxuan were destined to be killed, didn't you use your idiot brain to think about it?"

"I...I..."

Nongyu sat on the floor at a loss.

She didn't think so much before.

She thought Han Fei was the ninth young master of Han and had the help of the son of Prime Minister Zhang. Han Fei's guarantee made her very confident.

Nongyu didn't want to kill the women in Zilanxuan. She didn't think about it at all. Considering that Han Fei would have no rights at all.

"Han Fei, you already know everything you should know, you can leave now."

Su Chen couldn't kill Han Fei yet,

King Qin Ying Zheng hadn't arrived in Xinzheng City yet, and he thought that killing Han Fei in advance would destroy the trial mission,

However,

He was not worried that Han Fei would inform King Han,

If King Han dared to send troops to surround Zi Lan Xuan, Su Chen would dare to summon the Black Armor Army to destroy Han.

Han Fei stood up and said coldly, "Su Chen, hand over Lady Hu, Madam Mingzhu, and Madam Hu, otherwise you should know the consequences."

Wei Zhuang's mouth twitched when he heard Han Fei's words,

In the past three days,

Su Chen had already harmed Lady Hu and Madam Mingzhu,

Lady Hu and Madam Mingzhu were also in love with Su Chen, how could they leave Su Chen again.

Su Chen said indifferently, "You can do whatever you want. I also want to see what consequences I will have."

"Su Chen, because of you, Zi Lan Xuan will be massacred by the Korean army. You don't want to implicate all the women in Zi Lan Xuan, so you'd better hand over the three women."

"It's too late. Concubine Hu and the others have become my women. Do you think I will hand them over?"

"You deserve to die. You are unforgivable." (To read the violent novel, go to Faloo Novel Network!)

Su Chen showed a disdainful expression and sneered, "Han Fei, don't say it so nobly. Do you think you can save Zi Lan Xuan if I hand over Concubine Hu's three women?"

"I..."

Han Fei was so embarrassed that he couldn't speak. If he said that Concubine Hu's three women were found in Zi Lan Xuan, King Han would definitely massacre Zi Lan Xuan, and he would not be able to convince the angry King Han.

Zhang Liang reminded with a serious face, "Su Chen, now is not the time to talk about Zi Lan Xuan. You should immediately hand over the three women of Lady Hu."

"You Lan, kill Zhang Liang."[]

Swish!

You Lan appeared instantly and cut Zhang Liang's neck. Zhang Liang covered his neck with his eyes wide open and fell to the ground and died.....

"Brother Zhang~"

Han Fei hurriedly checked Zhang Liang who fell to the ground. He found that Zhang Liang died with his throat cut.

Han Fei stared at Su Chen and shouted angrily, "Su Chen, you dare to kill Zhang Liang, you deserve to die. Han will not let you go, and Zhang Xiangguo will not let you go."

"Han Fei, you can go now."

"Su Chen , you wait for death, the Korean army will soon surround Zilanxuan, and you will all be killed. ”

“All killed? Han Fei, do you think I, a small country like Korea, am afraid? I will wait for the Korean army to surround and kill me in Zilanxuan.”

“Hmph!”

Han Fei left with a cold voice while holding Zhang Liang's body.

He wanted to inform the King of Han and Prime Minister Zhang as soon as possible.

Han Fei also wanted to bring Su Chen to justice as soon as possible, and he wanted to execute Su Chen even more.

Su Chen communicated with the system, "System, deploy 50,000 black armored troops of the Tianxuan Empire five miles outside the east gate of Xinzheng City."

[Ding, the deployment of 50,000 black armored troops is complete.]

Su Chen took out aHe handed the token to Wei Zhuang and said,

"Wei Zhuang, there are 50,000 troops five miles outside the east gate of Xinzheng City. You take my token to receive it. The shadow assassin will open the east gate in an hour. You have to lead my army to occupy Xinzheng City. The Korean army will be spared if they surrender, and will be killed if they resist."

Wei Zhuang took the token and asked in surprise, "You still have an army? It's still 50,000 troops?"

Su Yan touched his chin and smiled, "Uncle Wei Zhuang, I heard from the shadow assassin that my father has millions of troops. This time, he only summoned 50,000, which is just a drizzle."

Army,

Su Yan also wanted to lead the army,

But she was too young,

She didn't know if her father would give her the army.

Wei Zhuang looked at Su Chen unexpectedly,

Millions of troops?

What would Xiao Yu be in his world? How could he have millions of troops?

And Su Yan,

The little girl is so sweet,

She calls him uncle every time they meet,

Wei Zhuang also likes the little girl more and more, and he smiles every time he hears the little girl call him uncle.

Su Chen saw Su Yan staring at him with bright eyes and said speechlessly, "Yan'er, don't look at me like that, you can go with your uncle Wei Zhuang, I will give you 10,000 troops for you to command."

"Wow! Dad, I like you so much, I want to lead the army."

Chapter 3169

Su Yan hugged Su Chen excitedly and shouted,

Ten thousand troops?

Did her father really give her ten thousand troops,

Su Yan liked Su Chen too much,

Su Chen was indeed her biological father, and she no longer suspected that Jing Wei and Su Chen had teamed up to deceive her.

Zi Nu hurriedly objected, "Su Chen, you are too reckless, Yan'er is still so young, how can you give her ten thousand troops."

Wei Zhuang looked at the excited Su Yan speechlessly,

He wanted to ask Su Chen not to give Su Yan troops, but Su Yan looked so excited and happy, and Wei Zhuang didn't want to make the little girl unhappy.

Also,

Su Yan said Su Chen had millions of troops?

Wei Zhuang was very surprised,

What would Su Chen's identity be in his world? How could he have millions of troops?

Han State only has about 300,000 troops,

Qin State has one million troops,

The other five countries may have about two million troops in total. Su Chen's army is probably more than the seven countries combined.

Wei Zhuang couldn't guess what Su Chen's identity was, but Su Chen was at least the king of a country.

Su Chen held Zi Nu and smiled, "Don't worry, Wei Zhuang will lead the army to destroy the Korean army. The little girl can play with the army. Yan'er is protected by the shadow assassin, and the little girl will be fine."

Su Yan hurriedly shouted, "Aunt, I won't do anything wrong. I can help my uncle destroy the Korean army."

"You... forget it." 853

Zi Nu didn't believe Su Yan's words at all.

The little girl has been too troublesome these days.

Su Yan hasn't been able to make trouble in Zi Lan Xuan these days.

Su Yan also wants to go to Xinzheng City to play.

If Jing Niu couldn't suppress Su Yan, the little girl would have sneaked out of Zi Lan Xuan yesterday.

And Su Chen,

Ten thousand troops are given as soon as they are given,

This is ten thousand troops, not ten thousand chickens,

Zi Nu knew that Su Chen liked Su Yan very much,

But Su Yan was only six years old,

What did Su Chen want to do?

Should Su Yan be trained to lead the army from a young age?

Zi Nu didn't know what to say to Su Chen, and she was too lazy to care about Su Chen and Su Yan, father and daughter.

Wei Zhuang asked coldly, "Do you want to kill the King of Han?"

"The King of Han and the noble officials of the Kingdom of Han can be killed, but Han Fei should not be killed first. If they escape, don't worry."

"Okay!"

Wei Zhuang nodded to Su Chen, and he pulled the excited Su Yan out of the room,

It won't be long,

The shadow assassin will control the east gate of Xinzheng City, and Wei Zhuang must quickly familiarize himself with the army to attack Xinzheng City.

Zi Nu sat down again and asked, "Do you have millions of troops?"

Su Chen touched Zi's little hand and shook his head, "You deal with Nong Yu's matter first, I will tell you later."

"Nong Yu, leave now." Zi Nu glared at Su Chen and pulled out her little hand and said,

Nong Yu sat on the ground with a pale face and said,

"Sister, I am not I want to betray you. I agreed to Han Fei for the sake of the sisters of Zi Lan Xuan. Su Chen kidnapped Mrs. Hu and Lady Hu. I was worried that he would implicate the sisters. I had no choice but to inform Han Fei. "

Zi Nu said coldly, "Nong Yu, I understand what you mean, but you didn't inform me of such a big thing."

"Your private decision will make me and the sisters of Zi Lan Xuan fall into an irretrievable situation. I will not punish you. You'd better leave Xinzheng City and leave Korea. "

Zinu was very disappointed with Nanyue.

She and Nanyue had been sisters for about ten years, and Zinu also regarded Nanyue as her own sister. She did not expect that Nanyue would betray her this time.

Nanyue might have been deceived by Han Fei.

But she has no brains?

Su Chen abducted Lady Hu and her three daughters to Zilanxuan. Since Zinu did not say anything and did not drive away Su Chen's people, did Nanyue not ask her why?

Su Chen drank tea and did not say much.

Nanyue in the Qin Dynasty was too stupid.

Too stupid!

She is not as smart as Nongyu in Tianxuan Continent.

Su Chen is too lazy to care about the stupid Nongyu. Whether Nongyu lives or dies in the future has nothing to do with him. (To read the exciting novel, go to Feilu Novel Network!)

However,

Mrs. Hu and Nongyu have not recognized each other yet.

Su Chen is thinking about whether to tell Mrs. Hu about the relationship between Nongyu and Nongyu.

Nongyu knelt in front of Zi Nu and begged, "Sister, don't chase me away. I was wrong. Please forgive me once. I will never do the wrong thing again."

Zi Nu said coldly with a blank expression, "Nongyu, I will give you one thousand taels of gold. Take care of yourself in the future."[]

Swoosh!

A shadow assassin suddenly appeared and saluted, "Master, three foreigners were found in a village outside Xinzheng City. They were fighting with three Central Plains people dressed strangely. "

Su Chen stood up and asked, "Where is it?"

"West, about ten miles to Wujia Village."

"Zinv, I'm going out for a while. If others ask me, tell them I'm going to catch Atlanna's teammates."

"Okay! "

Zi Nu rolled her eyes at Su Chen and nodded. She knew who the aliens were when she heard about them.

Atlanna was unlucky to meet Su Chen.

Her teammates would either be captured or killed by Xiao Yu. Atlanna would not be able to complete any of her missions.

Su Chen waved to Zi Nu and disappeared from the room.

Three aliens and three weird Central Plains people?

He guessed that the three aliens were Atlanna's teammates, and the three weird Central Plains people were Sheng Caier's teammates.

But why were there three weird Central Plains people?

Sheng Caier still had four teammates.

Did one of them die?

Little white girl Ran Bing should be fine. Su Chen raised Ran Bing's strength to the Grandmaster last time and taught Ran Bing several top martial arts. Ran Bing could not be killed.

Bang!

Mrs. Hu opened the door and quickly entering the room, she looked at Nong Yu who was kneeling in front of Zi Nu, and asked tremblingly, "Nong Yu, where did you get the Fire Rain Agate on you?"

Nong Yu turned back with tears in her eyes and said, "Mrs. Hu, I have been wearing my Fire Rain Agate since I was a child. Why are you asking this?"

"Since childhood? Nong Yu, I am your mother, you are my daughter, and you are my son who has been missing for more than ten years."

"Mother? How can you be my mother?"

Mrs. Hu took out her Fire Rain Agate and said, "Nong Yu, look, mother also has Fire Rain Agate, and your aunt Lady Hu also has Fire Rain Agate. Fire Rain Agate is Fire Rain Mountain..."

Zi Nu shook her head after listening to Mrs. Hu's words,

It's too coincidental,

Mrs. Hu and Nong Yu are actually mother and daughter. Can she still drive Nong Yu out of Zi Lan Xuan?

Zi Nu shook her head and walked out of the room.

Let Su Chen come back to deal with this matter.

She was going to inform Jing Wei.

Su Yan was going to lead 10,000 troops to attack Xinzheng City. Zi Nu was worried that Su Yan would do something lawless and cause trouble. She wanted Jing Wei to suppress Su Yan.

In the corridor on the second floor,

Atlanna saw Zi Nu and asked hurriedly, "Zi Nu, where is Su Chen? Is the shameless bastard in the room?".

Chapter 3170

Atlana was very angry with Su Chen.

For three days,

Su Chen had been harassing her.

Last night,

Su Chen even peeped at her bathing.

If Atlana hadn't noticed the shadow at that time, she wouldn't have known that Su Chen was hiding behind the screen and peeping.

Su Chen was caught by her.

Atlana didn't tell Su Chen about peeping at her bathing when she heard that Su Chen was willing to help her complete a task.

It was almost noon.

Su Chen hadn't come to her.

Atlana guessed that Su Chen was going to go back on his word. The shameless bastard didn't want to help her complete the task at all.

Atlanna will not let Su Chen go.

Su Chen dared to go back on his word and not help her complete a task.

She will tell Jingwei that Su Chen peeped at her bathing. She will also tell Yanfei and Zinu. Atlanna will let Jingwei and the other girls beat the shameless pervert to death.

Zinnu saw Atlanna's angry look and asked in confusion, "Su Chen just went out. Atlanna, what do you want to see Su Chen for?"

"Going out? Zinu, what did Su Chen do?"

"The shadow assassin found three aliens. They appeared in the village outside Xinzheng City. Su Chen went to check."

"Aliens? Zinu, will the three aliens be my teammates?"

Zinnu stroked her hair and smiled, "I don't know, but I guess they will be your teammates."

"The Damn bastard, Su Chen has already captured me and Aragorn, is he going to capture all my teammates?"

Atlanna gritted her teeth and was very angry.

She guessed that the three aliens should be her teammates, and Su Chen would definitely capture them when he went to find her teammates.

If her three teammates were arrogant and offended Su Chen, Su Chen might kill her three teammates.

At this moment,

Atlanna had no way out.

She was also a captive.

Even if she wanted to save her three teammates, she was powerless.

"Atlanna, Su Chen may not kill your teammates. You wait for Su Chen to come back in Zilanxuan. I have something to leave in advance." Zi Nu said to Atlanna and shook her head and left.

She felt a little sympathy for Atlanna,

But it was only a little sympathy,

After all, Atlanna was a foreign race, and foreign races were enemies to the Central Plains people. Even if Su Chen killed Atlanna's three teammates, Zi Nu would not blame Su Chen.

"What should we do? By the way, Yan Fei, you can go to the powerful Yan Fei. Yan Fei must be able to make Su Chen not kill her teammates."

Atlanna also left in a hurry,

She couldn't stop Su Chen from killing her teammates,

But Yan Fei could,

Atlanna had a good relationship with Yan Fei in the past few days,

If she could convince Yan Fei to help her, Yan Fei would definitely have a way to make Su Chen not kill her teammates.

King Han's Palace,

King Han was very angry after hearing what Han Fei said,

Zilanxuan?

Su Chen?

The little Zi Lan Xuan dared to kidnap his concubines, and kidnapped his two most beautiful and sexy concubines at the same time.

It's been three days.

When King Han thought of Lady Hu and Lady Mingzhu being humiliated by Su Chen, he wanted to tear Su Chen into pieces.

Han Fei said with a gloomy face,

"Father, we must send troops to besiege Zi Lan Xuan as soon as possible. Su Chen not only kidnapped Lady Hu and Lady Mingzhu, but also killed Prime Minister Zhang's grandson. We can't let them escape."

King Han ordered angrily, "Draft an edict. Su Chen in Zi Lan Xuan is extremely evil. Order General Ji Wuye to destroy Zi Lan Xuan. Everyone in Zi Lan Xuan will be killed without mercy."

"Yes, Your Majesty."

"Father, I'm worried that Su Chen will escape. I want to take him first. The imperial guards will first besiege Zilanxuan. "

"Okay, I will order the imperial guards to obey your orders, Han Fei, you must bring Lady Hu and Lady Mingzhu back safely."

"Yes, father." (To read the violent novels, go to Faloo Novel Network!)

Han Fei showed a cruel smile after saluting,

He wanted to catch Su Chen with his own hands,

He also wanted to execute Su Chen with his own hands,

Zhang Liang was his best friend and best confidant, Han Fei would not let Zhang Liang be killed in vain.

A lieutenant ran into the hall and shouted in panic, "It's bad, my king. The Qin army broke through the east gate of Xinzheng City, and tens of thousands of Qin soldiers rushed into Xinzheng City."

King Han asked in panic,

"What? The Qin army broke through the east gate of Xinzheng City?"

"How is it possible? How come there is no news of the Qin army attacking Han? What about Nanyang? Doesn't Nanyang County have more than 100,000 troops? Didn't Nanyang County get occupied by the Qin army without any sound?"

The lieutenant replied with a pale face,

"My king, I saw with my own eyes that it was the Qin army. The army that attacked Xinzheng City was wearing black armor. The Qin army may have occupied Nanyang County. My king, please leave Xinzheng City quickly. Xinzheng City can no longer be defended."[]

Han Fei looked at a loss,

How could this happen?

Why did the Qin army suddenly attack Han? Why didn't there be any news from Nanyang County?

This is simply impossible.

Nanyang County has 15 armies.

It is impossible for the Qin army to wipe out 150,000 troops overnight. Could it be that the Qin army bypassed Nanyang County and attacked Xinzheng City?

King Han trembled and hurriedly ordered, "Captain Cui, notify the general of the imperial army immediately and order the imperial army to protect me from leaving Xinzheng City."

"Yes, my king."

At this time,

In the woods outside Wu Village,

Uncle Jiu tragically fled with two burdens.

Three aliens chased them relentlessly.

If Uncle Jiu had not used Taoism to confuse the three aliens, the three of them would have been killed by the three aliens.

In the woods,

A cold woman holding a dagger leaned against a tree and panted. She wiped the sweat from her forehead and shouted, "Uncle Jiu, we can't escape. Don't worry about us. Run away quickly."

.....0 0

The man who was leaning against the tree and panting said, "Uncle Jiu, Aning is right, you can't save us, let's delay time here, you run away quickly."

"No, we have been running away together for more than three days, we can't leave you behind, Aning, Xu Xuan, as long as we find Sheng Cai'er and Ran Bing, any one of them can kill the three members of the Western team."

Uncle Jiu looked at the three members of the Western team who were about to catch up,

He was also very anxious,

Uncle Jiu was very resentful of Su Chen at this moment,

Last time,

Su Chen clearly said that he would improve his strength, but which bastard was fooling around with several women every day,

After their mission was completed,

Su Chen was only concerned with being intimate with Sheng Cai'er and Ran Bing, and Uncle Jiu was not improved by Su Chen until he left.

If Su Chen had improved his strength,

Would Uncle Jiu still have to run away with two burdens?

Aning asked doubtfully, "Uncle Jiu, are Sheng Cai'er and Ran Bing very powerful?"

Uncle Jiu said with a bitter face, "Powerful? They are hundreds or thousands of times more powerful than me, especially Sheng Cai'er. Her strength will be sealed every time she is on a luck mission. Just imagine how powerful she is."

Aning saw the three aliens chasing after him and said helplessly, "I didn't expect that in the first luck mission, I would be killed before I even saw my powerful teammates."

"Haha~, members of the Eastern team, you have no way to escape. I will chop off your heads one by one."
