Chapter 3171

At this time,

Two men and one woman came quickly,

They surrounded Uncle Jiu and the other two, and one of the men pointed a long sword at Uncle Jiu and the other two with a cruel smile.

Three members of the Western team,

Two men were tall and strong, and they both held long swords in their hands. The woman was not tall, but had a beautiful face, and she pointed a longbow at Uncle Jiu.

Uncle Jiu asked sternly, "Members of the Western team, do you really want to fight to the death?"

The blond man said with disdain, "Fight to the death? Don't forget that this destiny mission is a hostile mission, and the destiny heaven allows the Western team and the Eastern team to kill each other."

Another man said, "Before you die, I allow you to report your names."

"Eastern team: Uncle Jiu!"

"Eastern team: Aning!"

"Eastern team: Xu Xuan!"

Jiu Feng and the other two reported their names respectively,

The three of them knew that they could not escape this time, so it was nothing to report their names before they died.

The three members of the Western team were stronger than them,

Especially the two men,

They were not only proficient in swordsmanship, but also very strong, and one of them was incredibly strong.

"Western team: Centurion Dias."

"Western team: Hercules."

"Western team: Mockingbird Katniss."

The three members of the Western team also said their names one after another.

They didn't care about the three fish in the fishing net. They agreed that they were lucky people. Although they were hostile forces, they had to respect their opponents who were about to be killed.

On the big tree next to them,

Su Chen was very surprised to hear the names of the six people below.

Except Uncle Jiu, the other two members of the Eastern team were Aning and Xu Xuan.

Aning was Aning in the tomb-robbing world.

But she couldn't be in the same world as Brother Qilin.

Su Chen thought of Aning, the woman that Brother Qilin found for him. He had never had time to go to Qilin's world to see her. Su Chen didn't expect to meet Aning in another world.

Xu Xuan?

Damn it,

Xu Xuan turned out to be a scum in the White Snake world,

Su Chen couldn't help but want to crush Xu Xuan to death. Xiao Bai was his woman, and he didn't want a loser to serve Xiao Bai in another world.

As for the three members of the Western team,

Centurion?

Hercules?

Su Chen had no impression of them,

Mockingjay Katniss?

A short-legged woman,

She should be the heroine in the Hunger Games,

Su Chen didn't like Katniss at all, and he decided to kill all three members of the Western team.

Swoosh!

Su Chen jumped down from the tree,

The three members of the Western team wanted to kill Uncle Jiu and his three men, and he was worried that Uncle Jiu and Aning would be tragically killed.

"Who is it?"

The three members of the Western team saw Su Chen jumping down from the tree. They were all wary of Su Chen.

This is the Central Plains Kingdom.

The three were worried that someone from the Central Plains would rescue the three members of the Eastern team.

"Damn, Su Chen? Why are you here?"

Uncle Jiu was very surprised to see Su Chen.

Su Chen appeared in their destiny mission world last time. Why did he appear in their destiny mission world again this time?

However,

Uncle Jiu thought of Su Chen's identity.

He didn't find it strange.

Su Chen was the Emperor of the Chaos World and the strongest person in the Chaos World.

The daughter was the Emperor,

The sister was the Empress,

The destiny and heaven dare not get It is very easy for Uncle Jiu to guess what world Su Chen wants to go to. (To read the exciting novels, go to Feilu Novel Network!)

Aning and Xu Xuan looked at Su Chen in surprise,

A Central Plains person is hiding here,

Uncle Jiu actually knows Su Chen?

The three of them appeared in this world together, how could Uncle Jiu know people in this world?

Su Chen smiled and said, "Old Taoist priest, if I were not in this world, you would probably die today."[]

Jiu Feng shouted angrily with a dark face, "Su Chen, this is all your fault. You said last time that you would improve my cultivation level, but I didn't improve my cultivation level until I left."

"Haha~, I forgot last time, I will definitely improve your cultivation level this time."

"I hope you don't forget it again for a woman. "

Swoosh!

Suddenly,

An arrow shot towards Su Chen,

A Ning saw that Katniss was going to shoot Su Chen, and she hurriedly reminded him, "Be careful~"

Su Chen didn't care,

He didn't even look back,

Uncle Jiu shook his head,

He knew that ordinary bows and arrows were useless to Su Chen, and he was not worried that Su Chen would be shot.

Bang!

A shadow assassin appeared instantly and knocked the arrow away.

Hercules shouted, "Dias, attack together, we will cooperate with Katniss to kill them."

"Kill!"

Su Chen waved his hand and ordered, "Kill them."

"Yes, Master. "

Swoosh, swoosh, swoosh~

One after another, the shadow assassins suddenly appeared,

Swish, swish, swish~

In an instant,

The shadow assassins slit the throats of Katniss and the other two, and the three scum had no ability to resist the shadow assassins.

Uncle Jiu stroked his beard and said in surprise, "Go, Su Chen, your men are really terrifying. The three people chasing us are all good at fighting, but they were killed by your men in an instant."

Su Chen said disdainfully, "Some scum, it's easy for Cai'er and Ran Bing to kill them."

"By the way, Su Chen, these are my new teammates Aning and Xu..."

Click!

Uncle Jiu was about to introduce Aning and Xu Xuan when he was stunned. He didn't think Su Chen killed Xu Xuan with one hand.

"Su Chen, why did you kill our teammate again?"

Bang!

Su Chen threw away Xu Xuan's body and said, "I can't stand him."

"You....."

Uncle Jiu shook his head helplessly,

He guessed that Xu Xuan might have a problem, or Su Chen might not want other men in their team,

Uncle Jiu guessed more than once, (Li Zhaohao)

If he was a handsome young man, Su Chen might have killed him last time.

Uncle Jiu saw Aning retreating in fear and said, "Aning, don't be afraid, Su Chen will not kill women, you will understand later."

"Not killing women?"

Aning didn't believe Uncle Jiu's words,

Su Chen just ordered the shadow assassin to kill Katniss,

Is this not killing women?

Aning didn't know why Su Chen wanted to kill Xu Xuansheng.

She had to be on guard against the moody Su Chen. Aning didn't want to die unclearly like Xu Xuansheng.

After Su Chen threw a pot of wine to Uncle Jiu, he said to Aning, "Little beauty, don't be afraid of me. I know you very well. Have you been to the underwater tomb?"

Aning looked surprised and asked, "Underwater tomb? How do you know about the underwater tomb in my world?"

"I know a lot of things, the snake-browed bronze fish, the underwater tomb, the Qinling bronze tree, the Yunding Palace in Changbai Mountain, etc.".

Chapter 3173

Jingwei touched Su Yan's hair with no expression on her face.

Queen?

Princess?

She didn't know why the Black Armor Army called her the Queen.

However,

Jingwei guessed that Su Chen had informed the Black Armor Army in advance.

She was not interested in the position of Queen.

She was very happy that Su Yan became a princess.

As long as Su Chen treated Su Yan as his own daughter, Jingwei didn't care about anything else.

"Yan'er, you are still young, don't order the army to do things that will make your father angry."

Su Yan grabbed Jing'er's hand and said hurriedly, "Mother, Uncle Wei Zhuang ordered me to destroy the General's Mansion. I didn't do it rashly. Mother, didn't you tell me that you are the queen?"

Jing'er replied helplessly, "I am."

"Wow, mother turned out to be the queen, no wonder father's men call me princess. "Nine Five Three"

"

"Yan'er, how do you deal with these surrendered people?"

Su Yan raised his little hand and said seriously, "Kill him. The Koreans said that General Ji Wuye is a bad guy who does all kinds of evil. I will kill Ji Wuye for the people."

Bang bang bang!

Ji Wuye suddenly attacked the black-armored soldiers next to him.

Su Yan wanted to kill him.

How could he be so foolish as to claim his cultivation again?

Also,

How could Luowang Jingwei, who was holding the Jingwei sword, be the queen? Didn't Qin Wang Yingzheng appoint a queen yet?

Let's talk about another Luowang assassin.

Qin Wang Yingzheng might also appoint Jingwei as the queen.

Ji Wuye couldn't think about these things now. He had to escape the encirclement of the black-armored soldiers as soon as possible.

"All the birds, attack."

"Kill~"

The hundred birds assassins attacked one after another after hearing Ji Wuye's order, but some assassins did not attack.

There were 10,000 black-armored soldiers around.

There were also thousands of black-clothed guards.

There were only a few dozen of the hundred birds now. The black-armored soldiers could kill everyone with a single volley.

Su Yan ordered angrily, "Shoot the person who attacked me."

"Yes, Princess." After the captain saluted Su Yan, he waved his hand and ordered, "Archers, get ready, shoot!"

Swish, swish, swish~

Thousands of archers fired at once,

Forty or fifty birds were shot into a hornet's nest,

Ji Wuye blocked the arrows with his sword, but the continuous volleys of thousands of archers also hit Ji Wuye with several arrows.

Jingwei looked at Ji Wuye and suddenly thought of what Su Chen said. She said to Su Yan, "Yan'er, Ji Wuye must be captured alive. Atlanna seems to need Ji Wuye to complete the mission."

Su Yan asked puzzledly, "Mother, father obviously has bad intentions towards Atlanna, why does mother still want to help Atlanna?"

"Yan'er, you are still young and don't understand."

Jingwei blushed as she spoke.

These days,

Su Chen went to see her almost every night.

Jingwei blushed and was embarrassed every time she served Su Chen, but Su Chen's physique is too strong, Jing Niu, who is at the Grandmaster level, cannot deal with Su Chen, and she can't bear Su Chen's harm.

If it weren't for the help of Madam Mingzhu and Lady Hu, Jing Niu would probably be killed by Su Chen.

She doesn't mind Su Chen looking for other women,

She wants Su Chen to take Yan Fei and Zi Nu as soon as possible, so that she can feel more relaxed.

"Okay, I'll have my men capture Ji Wuye alive." Su Yan curled his lips and waved around, shouting, "Youlan, order the shadow assassins to capture that ugly bastard alive."

"Yes, Princess!"

A shadow assassin suddenly appeared and saluted,

Swoosh, swoosh, swoosh~

A team of shadow assassins suddenly came out to assassinate Ji Wuye, (To read the exciting novel, go to Faloo Novel Network!)

Ji Wuye was originally resisting the arrows,

He didn't expect that an assassin would suddenly assassinate him, and Ji Wuye was instantly cut by the shadow assassin.

Bai Feng whispered to Mo Ya, "Mo Ya, if we don't help the general, won't we escape?"

Mo Ya shook his head and replied, "Escape? We can't escape. Not to mention the tens of thousands of elite troops, look at the black-clothed women who just appeared. They are all elusive assassins. Ji Wuye is going to be finished. There is no need for us to work for Ji Wuye anymore."

"I know, Mo Ya, the black armor army doesn't seem to be the army of the Great Qin Empire. Their flag is a golden bird."[]

"Yes, the flag of the Great Qin Empire is a Qin character, not a golden bird, and Luo Wang Jing Niu can't be the queen. The black armor army is not the army of the Great Qin Empire."

"There are at least 60,000 black armor troops that entered Xinzheng City, and the seven countries Except for the Great Qin Empire, the other six countries are not black-armored. Which country's army is the black-armored army from?"

"Bai Feng, don't think too much. As long as we are not executed, we will know which country's army it is sooner or later....."

"That's true."

At this moment,

Su Chen brought Uncle Jiu and the other two into Xinzheng City. The black-armored soldiers along the way saluted Su Chen.

Uncle Jiu stroked his beard and asked, "Su Chen, there is a war in Xinzheng City. Your black-armored army is going to occupy Xinzheng City?"

"Yes, the King of Han offended me, and I want to occupy the capital of Han."

"You are so boring."

Uncle Jiu was very speechless to Su Chen.

Did the King of Han offend Su Chen?

Su Chen must have done something in Han State, so the King of Han offended Su Chen.

In the last mission world,

Uncle Jiu had seen Su Chen's army of hundreds of thousands of black armors,

Su Chen's black armor army was very powerful,

Very scary,

Uncle Jiu felt that the black armor army was the strongest army in ancient times, and the army of any dynasty could not compare with the black armor army.

Aning was silent for a long time and asked, "Su Chen, who are you? How come you have an army?"

Uncle Jiu smiled and said to Aning, "Aning, Su Chen is also a person of luck. He is our last" "What? Su Chen is also a person of luck? Is he our previous person of luck?" Aning was very confused. Is there a previous person of luck? If Su Chen is the previous person of luck, how could he appear in their mission world? Is Su Chen here to complete the mission of the destiny of heaven? "Uncle Jiu, if Su Chen is the previous person of luck, how could he appear in our destiny mission world?" Aning, Su Chen and his team have become immortals. He came to our mission world for women. Sheng Caier and Ran Bing in our team are Su Chen's women. "

Aning opened her sexy mouth and couldn't close it.

Did Su Chen and his team become immortals?

The remaining two teammates of the team, Sheng Cai'er and Ran Bing, are they still Su Chen's women?

Aning felt like she was dreaming.

It was incredible for her to become a person of luck, and it was even more unbelievable for her to hear Uncle Jiu's words now.

"Aning, don't be shocked. What I said is just Su Chen's basic information. If you knew Su Chen's true identity, you would probably be even more shocked and confused."

Chapter 3174

Uncle Jiu shook his head when he saw Aning's shock.

Su Chen's identity,

He only said a little bit,

If Uncle Jiu told Aning that Su Chen was the emperor, the emperor of man, the emperor of heaven, and the strongest person in the Chaos World, Aning would probably be even more confused.

Aning hurriedly asked Uncle Jiu, "Uncle Jiu, what other identities does Su Chen have?"

"Aning, we will arrive at Su Chen's residence in a while, and I will tell you all of Su Chen's identities."

"Okay."

Aning nodded in agreement,

She guessed that Su Chen's identity might not be simple, and the identity of an immortal might be just a trivial identity of Su Chen.

Uncle Jiu said that Su Chen's identity was very noble, so noble that she could not imagine it. Su Chen also knew about the Queen Mother of the West in her world. Aning could not guess what Su Chen's identity would be.

Su Chen ignored Uncle Jiu and Aning.

He wondered if Qin Wang Ying Zheng would come to Xinzheng City after he occupied it.

Damn it,

I made a mistake.

If Qin Wang Ying Zheng does not come to Xinzheng City again, Su Chen may have to send a shadow assassin to capture Qin Wang Ying Zheng.

I hope Qin Wang Ying Zheng is a fool.

Qin Wang Ying Zheng will come to Xinzheng City to commit suicide.

After a while,

Su Chen took Uncle Jiu and Aning back to Zilanxuan.

Yan Fei saw Su Chen coming back and asked coldly, "Su Chen, why did you let Yan'er lead 10,000 troops? Can Yan'er lead 10,000 troops at such a young age?"

Su Chen looked at Yan Fei unexpectedly and said, "Yan Fei, don't worry, Yan'er is very smart, she will not order the army to do anything wrong."

What's wrong with the beautiful woman?

It's only been three days,

Why did Yan Fei care about Su Yan?

Did Su Yan manage Yan Fei?

Or did Yan Fei manage Su Yan?

"Hmph, Yan'er is only six years old. You have a big heart to lead an army of 10,000 at the age of six."

Yan Fei was speechless to Su Chen,

Although Su Yan was smart,

But she was only six years old,

Su Chen let a six-year-old girl lead an army of 10,000. His army might not mutiny,

But can Su Yan lead an army?

What is a little girl going to do at such a young age to lead an army?

Yan Fei likes Su Yan very much.

Su Yan has been very sweet-mouthed for three days and is very dependent on her. Every time the little girl sees her, she calls her sister sweetly.

This reminds Yan Fei of when Yue Shen called her sister when she was a child.

But as she and Yue Shen grow up, the relationship between Yan Fei and Yue Shen is getting worse and worse. She and her cousin Yue Shen are now like a dead end. Whenever they meet, they will quarrel with each other.

Su Chen smiled and said, "Yan Fei, don't worry about the little girl. Go and ask someone to prepare some food. The two people around me are almost starving to death."

"Hmph!"

Yan Fei rolled her eyes at Su Chen and turned away. She was too lazy to talk nonsense with the colorless embryo.

Nan Nan walked to Su Chen and asked, "Brother, are they Sheng Caier's teammates?"

"Yes."

Uncle Jiu hurriedly saluted Nannan and said, "Empress, we meet again."

Brother?

Nannan called Su Chen brother,

Uncle Jiu guessed that Nannan was the ruthless empress that he couldn't see clearly last time.

Empress,

This time he saw the true face of the ruthless empress,

Uncle Jiu only looked at the ruthless empress for a moment, and he was sweating and didn't dare to look at the empress again,

The empress gave him a very scary feeling just now,

Uncle Jiu didn't dare to be disrespectful in front of the ruthless empress.

Nannan asked doubtfully, "Have we met before?"

Su Chen touched Nannan's hair and explained, "Nannan, Uncle Jiu has seen your true form."

"So that's how it is."

Nannan understood,

Uncle Jiu thought she was a ruthless empress, (To read the exciting novels, go to Faloo Novel Network!)

Su Chen waved to the beautiful girl next to him and said, "Hong Yu, take them to wash up."

"Yes!

"Uncle Jiu, Aning, you and Hong Yu go wash up first, and then go to the second floor for dinner."

"Okay. "

Uncle Jiu nodded to Su Chen, []

He took Aning and Hong Yu away together,

But,

Uncle Jiu didn't expect that the ruthless empress he met this time would be an incarnation, no wonder he could see the ruthless empress's face this time.

Su Chen held Nannan and walked to the second floor and asked, "Nannan, has there been any news from the archangels and the female zombies?"

"Brother, it's only been three days, they can't send any news, our cultivation is sealed, I think it will take the archangels ten days or half a month to send news."

"That's right, they may need a few days to travel, and it will take a few more days to kill the various schools of thought, and it will take at least ten days for the butterfly-winged bird to send news."

"Brother, what are you worried about?"

"King Ying Zheng of Qin, after Wei Zhuang conquered Xinzheng City, I was worried that King Ying Zheng of Qin would not dare to come to Xinzheng City again. "

Nannan said with a cold face, "Brother, I will go and get Qin Wang Ying Zheng."

Su Chen touched Nannan's hair and smiled, "No need, there is plenty of time anyway, brother doesn't want you to leave me."

"Okay, I don't want to leave brother either."

Nannan leaned on Su Chen's arms and nodded,

She also wanted to stay with Su Chen like this. Nannan sometimes thought how good it would be if she didn't have to live in the Hongmeng World in the future.

Only in this way,

The ruthless empress would not compete with her for her brother,

It's just unrealistic,

Nannan understood that her brother had a great responsibility,

For the sake of the Chaos World,

her brother had to advance to the Hongmeng Supreme as soon as possible to protect the Chaos World from being destroyed.

On the second floor,

Mrs. Hu hurried over and blushed and said, "Su...Su Chen, I have something to tell you. "

Su Chen looked at Mrs. Hu with the little rabbit and was verySpeechless,

Mrs. Hu is the same as Mrs. Hu in Tianxuan Continent,

Do you say she is timid?

She is not timid actually,

It's just,

Why does Mrs. Hu look like a little rabbit every time she sees him? Is he a tiger that eats people without spitting out bones?

Uh!

Su Chen seems to be a tiger that eats people without spitting out bones,

In Tianxuan Continent,

Su Chen eats Mrs. Hu completely,

Mrs. Hu is as gentle as water,

Mrs. Hu is as proud as a mountain,

Su Chen enjoys it very much,

Mrs. Hu's service makes him very happy physically and mentally, and he also likes Mrs. Hu blushing and shyly serving him every time.

"Nannan, go to the room and wait for me. I'll be there in a while."

"Okay, brother."

Nannan glanced at Mrs. Hu as she left.

She was somewhat familiar with Mrs. Hu.

But not this Mrs. Hu.

Nannan was also very speechless about Su Chen. She also blamed her brother for his chaotic private life.

Su Chen hugged the plump Mrs. Hu and asked, "Mrs. Hu, are you here for Nanyue?"

Mrs. Hu was hugged by Su Chen like a frightened little rabbit. Her face flushed and she struggled hurriedly, "Su Chen, don't do this. This is the corridor. Let me go."

Chapter 3175

Su Chen hugged Mrs. Hu without letting go,

It was comfortable to hug the soft body of a beautiful woman. He hugged Mrs. Hu just to enjoy the shy service of a plump and beautiful woman.

"Mrs. Hu, you should understand the relationship between me and me. Isn't it natural for me to hug you?"

Mrs. Hu blushed and said nervously, "Not here, Su Chen, I will let you hug when there is no one, but this is the corridor, please don't embarrass me in the corridor, okay?"

"Okay."

Su Chen thought about it and let go of Mrs. Hu,

He decided to go to Mrs. Hu in the evening. He hoped that no one would disturb his and Mrs. Hu's romance tonight.

Mrs. Hu asked anxiously, "Su Chen, Nongyu is my long-lost daughter. Can you forgive her once? I promise that Nongyu will not make mistakes again."

Su Chen touched Mrs. Hu's face and smiled, "Okay, since you asked, I will not pursue Nongyu's faults. Mrs. Hu, wait for me tonight, I will stay in your room overnight."

"I...I...I know." Mrs. Hu hurriedly picked up her dress and ran away.

All she could think about was Su Chen's promise to find her in the evening. Would she have to serve her destined husband in the evening?

Mrs. Hu thought that she was married and not a virgin, and she had an older daughter.

She was worried that Su Chen would dislike her body.

She was also worried that Su Chen would abandon her.

"Interesting beauty."

Su Chen shook his head and walked towards the living room on the second floor. He was increasingly looking forward to Mrs. Hu's tenderness in the evening.

In the room,

Su Chen came in and sat next to Nannan. He looked at Atlanna who was staring at him and didn't bother to pay attention.

Atlanna glared at Su Chen and asked, "Su Chen, why did you imprison Aragon?"

Su Chen curled his lips and shouted, "It's none of my business. I didn't ask Wei Zhuang to imprison Aragon. If you want to know why Aragon was imprisoned, you can ask Wei Zhuang."

"You..."

Su Chen reminded while drinking tea, "You shit, Atlanna, Wei Zhuang is cleaning up the noble officials in Xinzheng City, and Ji Wuye is also in the process of cleaning up. If you don't quickly ask Wei Zhuang to help you kill Ji Wuye, your Another mission will also be ruined."

Atlana shouted angrily, "Asshole, why didn't you say it earlier? Also, can I leave Zilanxuan?"

"Leave."

"Huh? Su Chen, you are not right, did you kill my teammates?"

When Atlana was about to leave,

She suddenly thought of Su Chen going to meet her teammates,

Su Chen only brought back two members of the Eastern team, and none of her teammates were brought back. Atlana suspected that Su Chen killed her teammates.

Su Chen rested his head on Nannan's thigh and replied, "Kill them. Three scumbags want to kill me. What am I keeping them for?"

"You bastard."

Atlana angrily scolded Su Chen and hurried away,

There were five members of the Western team in total, people,

Su Chen actually killed three people,

Aragorn is still imprisoned by Wei Zhuang,

The destiny mission now depends on her alone,

If Atlanna cannot complete the destiny mission, she will not get the destiny treasure chest rewarded by destiny.

Atlanna must find Wei Zhuang as soon as possible,

She wants Wei Zhuang to help her complete a destiny mission.

"Silly woman!"

Su Chen shook his head when he saw Atlanna leave.

Atlanna did not ask him to inform Wei Zhuang. Wei Zhuang could not help the alien race complete the mission of destiny.

Nannan massaged Su Chen's head and asked, "Brother, will Wei Zhuang help Atlanna?"

"No, Wei Zhuang is a dead tsundere. He will not help the alien race complete the mission of destiny."

"So, it is useless for Atlanna to ask Wei Zhuang for help?"

"Well, I was going to remind Atlanna to find Yan'er, but Atlanna ran too fast. I hope she will be smart enough to ask Yan'er for help."

At this time,

Outside the general's mansion,

Ji Wuye was tied up by the secret guards in a miserable state.

Except for those who surrendered, all the soldiers and birds in the general's mansion were killed.

Ji Wuye fell to the ground and yelled, "Princess, let me go. I can help you control the whole of Korea."

Su Yan said disdainfully, "Ugly freak, I can control the whole of Korea without your help." (To read the exciting novels, go to Faloo Novel Network!)

Jing Niu did not disturb Su Yan on the side.

Su Yan did not order the army at random this time, and she would not care about Su Yan's happy interrogation of the prisoners.

Swoosh!

A shadow assassin suddenly appeared and saluted, "Madam, there are hundreds of Daqin Luowang assassins in Xinzheng City. Do you need to kill them?"

0Seek flowers0 []

Jing Niu ordered coldly, "Kill all the Luowang assassins, and don't spare any."

"Yes, Madam. "

Jingwei looked at Su Yan when the shadow assassin disappeared.

If she wasn't worried that Su Yan would mess up, Jingwei would kill Luowang assassin herself.

Atlanna ran over and shouted, "Jingwei, help me, I want to kill Ji Wuye myself, you ask Yan'er to hand Ji Wuye over to me to be executed."

Jingwei said expressionlessly, "You go find Yan'er."

"Thank you. "

Atlanna hurriedly walked towards Su Yan,

She didn't expect Ji Wuye to be captured by Su Yan, and Su Yan actually controlled 10,000 troops,

.....0

Su Chen was too careless,

He let a little girl control 10,000 troops, Su Chen was not worried about the mutiny of the army?

However,

It was good news for her that the little girl captured Ji Wuye,

Su Yan was easier to convince than Wei Zhuang,

Atlanna was worried that she could not convince the cold Wei Zhuang, and now she didn't have to face the icy-faced Wei Zhuang.

The surrounding secret guards and troops saw Atlanna walking byCome,

When they wanted to stop Atlanna,

Jingwei waved to the secret guards and the army, and the secret guards and the army did not stop Atlanna from walking towards Su Yan.

Atlana walked to Su Yan and smiled, "Yan'er, can I kill Ji Wuye?"

Su Yan touched her chin and smiled slyly, "Sister, what can I do for you?"

"Yan'er, I don't have any treasures. You can ask your father for anything you need."

"No, my father is my father, and I am my sister."

"Tell me, what do you want?"

Su Yan's eyes turned and smiled, "Well, sister, as long as you promise me one thing, I can hand the ugly monster over to you for disposal."

"What is it?"

Atlana was very wary of Su Yan.

Although Su Yan was young,

the little girl was very smart and eccentric. All the women in Zi Lan Xuan had been teased by Su Yan.

She was no exception.

Atlana was worried that the conditions Su Yan proposed would make her embarrassed. .

Chapter 3176

Su Yan smiled cunningly and reminded, "Atlana, my conditions are just trivial conditions. If you don't agree, I will have my men execute Ji Wuye immediately."

Jing Niu stared at Su Yan from the side.

She didn't know what Su Yan wanted to do, but she felt that Su Yan had some trap to plot against Atlana.

In the past few days,

Su Yan became more and more lively,

more and more eccentric,

and more and more lawless.

Although Jing Niu liked to see Su Yan lively and cheerful, she didn't want Su Yan to be lawless.

Atlana asked cautiously, "Yan'er, you are not going to tease me, are you?"

"Sister, I am still a child, how could I tease you, sister is too cautious."

"I don't trust you!"

Su Yan curled his lips and raised his hand and said, "Since sister doesn't believe me, I can only order the killing of the ugly Ji Wuye."

"Wait~, Yan'er, I agree, I agree to your conditions." Atlana had to agree,

The Western team has been ruined,

01 The four tasks of the Way of Fate,

If Atlana can't complete any of them, she may not have a glimmer of hope to get the reward of the Fate Treasure Box,

In order to be strong,

and in order not to fall in the world of Fate Trial in the future,

Atlana can't let go of the opportunity in front of her, even if she is teased by Su Yan again, she must complete a Fate task.

Su Yan said in surprise, "Sister, don't lie to me, a child. If you don't keep your word, I will let the shadow assassin catch you. You should know the consequences."

"I won't lie to you."

"Haha~ Sister, I will put forward my conditions tonight. You go and kill the ugly monster to complete your task."

Su Yan laughed happily.

Tonight,

She will make the women of Zi Lan Xuan angry. It would be best if those women beat her father together.

At that time,

She can not only hide aside and watch the show, but Su Yan can also teach his father a lesson for her mother.

Atlana rolled her eyes at Su Yan and walked towards Ji Wuye. She guessed that Su Yan would make her do something unacceptable tonight.

But she couldn't lie to Su Yan.

If Atlanna lied to Su Yan,

The little girl would definitely let the shadow assassin catch her, and she would probably be tied up and teased by Su Yan.

Bang Bang

Atlanna took out the trident and smashed Ji Wuye's head directly. She was too lazy to talk nonsense with Ji Wuye. She also had to think about how to deal with Su Yan's conditions tonight.

At this time,

On an official road in South Korea,

One or two carriages were driving alone on the official road, and the young man driving the carriage was alert to the surroundings from time to time.

In the carriage,

A young man with extraordinary bearing asked, "Gai Nie, how long will it take to reach Xinzheng City?"

"Sir, we will reach Xinzheng City before noon tomorrow."

"Tomorrow at noon Before noon?"

"Yes, sir, I think we should not go to Xinzheng City, please give it some thought."

"Haha~, don't worry, we will go to Xinzheng City with our identities concealed, I will leave after meeting only one person."

The young man in the carriage is Qin Wang Ying Zheng,

He has not yet been crowned and ruled,

He is just a mascot in the Qin Empire,

Qin Wang Ying Zheng sneaked out of the Qin Empire this time, he wanted to meet Han Fei, the ninth prince of Han,

A talented person who wrote Six Stupidities,

Qin Wang Ying Zheng wanted to try to persuade Han Fei to work for him.

Outside the carriage,

Gai Nie shook his head helplessly,

He felt The trip of King Ying Zheng of Qin was very unwise. (To read the exciting novels, go to Faloo Novel Network!)

The court of the Great Qin Empire was controlled by Lü Buwei, and the power of Marquis Changxin was getting stronger and stronger. King Ying Zheng of Qin did not quickly win over the officials and generals in the court. He actually took the risk to go to Han to meet Han Fei.

Gai Nie was worried that King Ying Zheng of Qin would be assassinated.

If Lü Buwei and Lao Ai found out that Ying Zheng had left the Great Qin, they would not miss the opportunity to assassinate Ying Zheng.

"Hmm? My dear son, let's leave the official road quickly. There are many troops coming quickly."

Gai Nie noticed that tens of thousands of troops were approaching quickly. He took King Ying Zheng of Qin and abandoned the carriage and fled into the nearby forest. []

In the forest,

King Ying Zheng of Qin hid behind a big tree and asked in confusion, "Gai Nie, why is Han Fei's army heading towards Nanyang County? "

"Sir, could it be that Han wants to send more troops to Nanyang County?"

“Impossible, Han has 150,000 to 160,000 troops in Nanyang County, and it is impossible for them to send more troops to Nanyang County, otherwise the Qin army in Hangu Pass will warn Han.”

“Here they come.”

After a while,

More than 10,000 Korean troops escorted several carriages and passed quickly, and the army still looked panicked and embarrassed.

Gai Nie asked puzzledly, “Defeated army? Sir, why did more than 10,000 Korean troops flee in a hurry?”

King Ying Zheng of Qin said with a serious face, “Gai Nie, something happened in Xinzheng City of Han. Did you see the carriage in the middle? There are six carriages, and the carriage should be the King of Han. The King of Han actually fled from the capital. Something big must have happened in Han.”

“The King of Han fled from Xinzheng City? Sir, could it be that the great general of Han, Ji Wuyue, rebelled? ”

“It’s possible, Gai Nie, let’s continue to Xinzheng City, I want to know what happened in Han State.”

“Please think twice, there is a rebellion in Han State, it will be very dangerous for us to go to Xinzheng City.”

“Don’t worry, the King of Han has escaped, Ji Wuyue may be anxious to catch the King of Han, the closer we go to Xinzheng City, the safer it will be.”

“This....”

“Let’s continue to set off for Xinzheng City”

“Yes, my dear.”

Xinzheng City,

In the evening, 930

The battle in Xinzheng City was quelled,

The Korean army was either killed or surrendered,

The rebels hiding in Xinzheng City were also searched out by the Black Armor Army, and Xinzheng City is now completely controlled by Wei Zhuang.

Zilanxuan!

In the room on the second floor,

Zinv and Yanfei walked into the room and did not find Su Chen, Miss Hu, Madam Mingzhu, Nannan, and Atlanna were all there.

Yan Fei asked doubtfully, "Where is Su Chen?"

Hu Meiren poured tea for the two women and replied, "Su Chen should be talking to two Eastern luck masters."

Zinv glanced at Atlanna and asked Hu Meiren, "Eastern luck masters? The old Taoist priest and a woman that Su Chen brought back today?"

Hu Meiren smiled and said, "Yes, Su Chen killed three Western luck masters today and brought back two Eastern luck masters."

Yan Fei reminded Atlanna while drinking tea, "The little bastard also killed three Western luck masters? Atlanna, your teammate is only the imprisoned Aragorn. If Su Chen kills Aragorn again, you will become a lonely person."

Atlanna said speechlessly, "What can I do? I am also a prisoner now, and my life and death are also in the hands of the shameless bastard."

Bang!

At this time,

Su Yan quickly pushed the door open and ran in, shouting, "Oh no, I just saw my father carrying Mrs. Hu into the room, mother, aunts, let's go and beat my father up.".

Chapter 3177

Su Yan was very angry.

His father took Lady Hu and Lady Mingzhu in.

There were two backup women, Zi Nu and Yan Fei, in Zi Lan Xuan, and Sheng Cai Er who left to do a mission.

There were five or six women.

Was his father worthy of her mother?

Su Yan was going to set a trap for his father in the evening.

She wanted Atlanna to pretend to seduce his father, and then Su Yan would notify Lady Hu and Yan Fei to catch the adulterer.

What about now?

Her father actually carried Lady Hu into the room.

Su Yan's face turned red with anger when she saw it, and she couldn't help but want to kick the door open to catch the adulterer.

Su Yan wanted to tell her mother and Yan Fei that she wanted these women to catch the adulterer together, and it would be best if they beat her father up.

Jingwei shouted coldly, "Yan'er, sit down. Are you still a girl when you are crazy?"

Zinv, Lady Hu, and Lady Mingzhu shook their heads.

They all saw it.

Su Yan was fighting for Jingwei.

But was it useful?

Su Chen obviously had bad intentions towards them.

They also had feelings for Su Chen. How could they care about Su Chen and Lady Hu's mess?

Yan Fei rolled her eyes at Su Yan.

She had nothing to do with Su Chen, and she would not care about Su Chen fooling around with other women.

Su Yan wanted her to catch the adultery, but she had found the wrong person.

However,

If Zi Nu and the others asked her to beat up Su Chen, Yan Fei would be very happy to beat up the shameless bastard.

Nannan grabbed Su Yan and shook her head, "Yan'er, you are still young, don't worry about your father's affairs."

Su Yan raised his little fist and said angrily, "Aunt, my father is so hateful. He doesn't even let married women go. Aunt, let's go and beat my father together."

"Yan'er, if you dare to talk nonsense again, mother will lock you up."

Jingwei couldn't stand Su Yan's instigation,

What do you mean by not letting married women go?

Su Yan is only six years old,

Is this what a six-year-old girl should say?

Also,

Hu Meiren, Madam Mingzhu, Madam Hu, they all have relationships with Su Chen, Zi Nu and Yan Fei also understand, Nannan doesn't care, what is Su Yan involved in it?

Jingwei wished that Su Chen had more women. She didn't want to be hurt by Su Chen every day.

Su Yan stopped Su Chen from looking for other women now.

Isn't this a trap for her mother?

Su Yan said coquettishly, "Mother~"

Jingwei threatened coldly, "Shut up, sit down and eat honestly, or I will let the shadow assassin lock you up."

Su Yan pouted and was very unhappy.

Didn't she do everything for Jingwei?

Why is her mother so stupid and not open-minded?

Su Yan didn't want her father to forget or abandon her mother after he had many women in the future.

Atlanna drankShe was very happy drinking tea,

She didn't need to seduce Su Chen tonight, and she didn't violate Su Yan's conditions,

Atlana felt that she should thank Mrs. Hu,

Otherwise, she might be taken advantage of by the shameless pervert tonight.

Nannan touched Su Yan's hair and said, "Yan'er, stay here honestly, auntie will teach you some immortal cultivation techniques later." (To read the exciting novel, go to Flylu Novel Network!)

Su Yan was surprised to hear Nannan's words and asked, "Immortal cultivation techniques? Auntie, are you an immortal cultivator?"

Zinv and Yanfei looked at Nannan,

Nannan has immortal cultivation techniques?

Are Nannan and Su Chen immortal cultivators? Zinu and others wanted to know Nannan's answer.

Nannan shook her head and replied, "No."[]

Su Yan asked in confusion, "No? Aunt, how can you have immortal cultivation techniques if you are not an immortal cultivator?"

"Aunt is an immortal."

Nannan did not hide it from Su Yan and the women here.

They would know the secret between Su Chen and her sooner or later, and Nannan just told them in advance.

Su Yan exclaimed in surprise, "What? Aunt, you are an immortal?"

"Yes."

"Aunt, is there really an immortal world in the sky?"

Nannan smiled and said,

"Yan'er, your world is just a small world. The small world is just an insignificant speck of dust in the chaotic world. The immortal world is much larger than you think."

"Aunt's sealed cultivation came to your world. If I didn't have a sealed cultivation, after I came to your world, your world would not be able to withstand my breath and would be damaged and destroyed."

Su Yan and Yan Fei and other girls were very surprised.

They knew that Su Chen was not from this world before, and there were many treasures of immortal cultivators, space rings, spiritual fruits, spiritual tools, and Su Yan's spiritual treasure star destiny.

Now hearing Nannan's admission,

They all understood that Nannan and Su Chen were immortals. ..

Su Yan asked with bright eyes, "Aunt, are you and my father powerful in the fairy world?"

"Powerful? Yan'er, your father is the emperor of the fairy world, ruling dozens of huge realms, tens of thousands of worlds like yours, and your father is also the strongest in the Chaos World. In the Chaos World, even the Chaos Demon God is afraid of your father. Do you think your father is powerful?"

Su Yan's face turned red and shouted,

"Wow~ My father is actually the emperor of the fairy world? Or the strongest man in the Chaos World? The strongest man in the world? He rules over tens of thousands of small worlds like ours. My father is too powerful, too awesome. "

Zinv and Yanfei, Lady Hu, Lady Mingzhu, Atlanna, Jingwei, they were all stunned.

What realm did Nannan talk about?

What chaotic world?

What chaotic demon god?

They didn't understand.

But Su Chen was actually the emperor of the fairy world, the strongest man in the chaotic world, and even ruled over tens of thousands of small worlds.

They were all shocked.

Fairy?

Emperor of Heaven?

The strongest person?

They were all incredulous about Su Chen's identity, and they did not expect Su Chen to have such a noble identity.

Su Yan touched his chin and asked in confusion, "Aunt, why do the Black Armor Army, Shadow Assassins, and Dark Guards, who are not immortals, call me princess?"

Nan 1.3 Nan thought about Su Chen's experience and said, "Your father became an immortal step by step from an ordinary person. He was just a nobleman at first, and then the emperor, the ruler of a small world, a cultivator, an immortal, the Human Emperor, the Emperor of Heaven, and the strongest person in the Chaos World."

"The Black Armor Army, Dark Guards, and Shadow Assassins were all called back by your father from the Tianxuan Continent. The Tianxuan Continent was the first continent ruled by your father and the continent where your father was born. The Xuantian Empire established by your father is in the Tianxuan Continent."

Su Yan and Yan Fei were very surprised.

Su Chen actually grew up step by step from an ordinary noble. They were very curious about Su Chen's growth experience. How could an ordinary person become the strongest person in the Chaos World?

Su Yan looked at the girls next to him strangely and asked, "Aunt, my father is not a very old monster, right?".

Chapter 3178

Jingwei and Zi Nu looked at Nan Nan,

How old is Su Chen?

They felt that Su Chen was probably very old,

It would take a long time for Su Chen to become an immortal step by step, not to mention that Su Chen was the Emperor of Heaven and the strongest person in the immortal world,

They guessed that Su Chen was probably tens of thousands of years old,

or even hundreds of thousands of years old.

Nan Nan replied speechlessly, "Your father is less than two hundred years old."

"Oh my God, my father is almost two hundred years old, I'm only six years old, and my mother is only... cough cough~." Su Yan said and found that her mother was staring at her, so she hurriedly pretended to cough and lay in Nan Nan's arms.

Almost finished,

If Su Yan told her mother's age,

If she said that her father was an old cow eating young grass, Su Yan guessed that Jingwei would teach her a lesson.

Zinu frowned and asked, "Nannan, what is our relationship with Su Chen?"

Nannan shook her head and replied, "What relationship? I can't tell you now."

"Why?"

Zinu couldn't figure it out,

Jingwei and Hu Meiren couldn't figure it out either,

Su Chen 03 was the Emperor of Heaven,

They were just ordinary women,

Even if they were beautiful, were they as beautiful as fairies?

Are they related to Su Chen?

Does Su Chen know their secrets and physical reactions? Did Su Chen know it after using his immortal power to check?

Zinu and the others all wanted to know,

Why didn't Nannan tell them now?

Nannan thought for a while and said,

"I can tell you one thing, you and my brother are destined to be husband and wife, especially Jingwei and Yanfei, you are the most important women in my brother's life."

"Jingwei is my brother's first woman."

"Yanfei is the queen of Xuantian Empire, the queen of Xuantian Realm, and the most honorable fairy queen in Chaos World."

Yanfei looked at Nannan in a daze,

She is Su Chen's woman?

She is also the queen of Xuantian Empire?

The queen of Xuantian Realm?

The fairy queen of Chaos World?

How is it possible?

Yanfei couldn't figure out how she could be Su Chen's woman, how she could be Su Chen's most important woman.

Others looked at Yan Fei and Jing Niu. They didn't feel that Nan Nan was lying.

Nan Nan's character wouldn't lie either.

Yan Fei and Jing Niu might really be the most important women to Su Chen.

Su Yan couldn't figure it out and asked, "That's not right, aunt. The Black Armor Army also called my mother the queen. Why did aunt say that Sister Yan Fei was the queen?"

Nan Nan glanced at Jing Niu and explained,

"Yan'er, the position of queen was originally your mother, but your mother was cold and didn't like to talk. Your aunt talked to your mother before she let Yan Fei be the legal wife. Your mother can be said to be an invisible queen.

"Xuantian Empire, Xuantian Realm, Chaos World, all people and immortals will treat your mother like the queen when they see her."

Su Yan understood,

Her mother's character was indeed not suitable for being a queen,

But the invisible queen was not bad either,

Her mother was at least as high as Yan Fei's, and Su Yan guessed that her mother also liked being the invisible queen.

Yan Fei and Jing Niu looked at each other,

They were all thinking about their own things,

They were also thinking about how they were Su Chen's women, so how could they be in this small world?

Yan Fei thought for a while and asked, "Nan Nan, we are Su Chen's women, we should be powerful immortals, why are we in this small world? Why don't we know Su Chen yet? "

Yan Fei was very confused.

If she was the queen of the fairy world, (to read the exciting novels, go to Feilu Novel Network!)

How could she be in this small world?

Why is she still an ordinary human?

Yan Fei wondered if she was reincarnated? Or did she die in an accident and reincarnate?

Nan Nan shook her head and replied, "I can't tell you the reason?"

"Why?"[]

"You can ask my brother later. I can only tell you that my brother has not abandoned you, nor has he let you down. "

Nannan regretted saying that they were immortals.

If Su Yan and these women continued to ask, Nannan might tell them their specific situation.

If Yan Fei and the other girls knew that they were just the same people in different worlds,

Would they accept it?

Would they think they were clones? Would they think they were clones like in the mirror?

Yan Fei and Jing Wei were all thinking deeply.

Nannan didn't answer.

They couldn't guess what was going on.

Atlanna was confused all the time.

| =|

She didn't know about the Eastern Fairyland,

But the Emperor of Heaven and the strongest man still heard it,

Atlanna was very shocked by Su Chen's identity, and she was also shocked by the identities of Yan Fei and Jing Niu.

No wonder Su Chen appeared in this world,

Atlanna guessed that Su Chen came for Yan Fei and Jing Niu, Yan Fei and Jing Niu should be the reincarnation of the dead.

Su Chen came to wake them up,

Su Chen should take them away from this world and return to the fairyland.

Zi Nu asked with a serious face, "Nan Nan, what is my identity?"

Nan Nan answered without hiding, "You are one of the six imperial concubines, and Madam Mingzhu is also one of the six imperial concubines. "

Zinu was somewhat happy to hear Nannan's words. As long as she was not an insignificant woman, it would be fine.

At first,

Zinu heard that Su Chen was the emperor,

She thought that the emperor must have many women,

447Zinu was worried that she was just a beautiful woman played by Su Chen, and she would be like other concubines in the harem of other countries, a woman with no status all her life, imprisoned in the palace and not allowed to leave the palace.

Mrs. Mingzhu touchedHe glanced at Lady Hu with his chin,

She was very happy,

One of the six imperial concubines?

Yes,

Although Lady Mingzhu was not the queen, her status was not low. She was at least higher than Lady Hu.

Lady Hu was a little indignant,

She was not as good as Lady Mingzhu,

Lady Hu was not as good as Lady Mingzhu in the Korean palace, and she did not expect that she would still be not as good as Lady Mingzhu in the future,

Lady Hu wanted to settle accounts with Su Chen,

She decided not to let Su Chen touch her for ten days... No, Lady Hu decided not to let Su Chen touch her for three days.

Su Yan pulled Nannan and asked, "Aunt, what is your identity in the fairy world?"

Nannan narrowed her eyes and answered, "Aunt is the eldest princess of Xuantian Realm, or the ruthless empress of Savage Realm."

Su Yan frowned and asked in confusion, "Empress? Ruthless empress? Aunt, why do you call yourself the ruthless empress?"

"Because Aunt has killed too many creatures, more than the people in your world, those creatures who are afraid of me think I am cruel and ruthless, so they call me the ruthless empress."

Chapter 3179

Nannan saw Yan Fei and the other girls were shocked and shook her head.

She was actually talking about the creatures killed by her original body, but they were also creatures killed by her.

Although Nannan had an independent body,

independent thinking,

independent soul

but she was the soul clone of the Ruthless Empress after all, and what the Ruthless Empress did before was also what she had done.

Nannan opened her eyes wide and shouted excitedly, "Oh my god, aunt, you have killed more creatures than people in our world, it's so scary, no wonder you are called the Ruthless Empress."

Yan Fei and Jing Wei looked at Nannan in disbelief,

They all understood,

why they felt terrified when facing Nannan,

it turned out that Nannan had killed more people than anyone they had ever seen, even more than they could imagine.

Ding Ding Ding~

Zi Nu knocked on the table and said, "Okay, it's too late, let's have a rest after dinner, and we'll talk about it tomorrow if there's anything."

"Okay."

Yan Fei and the other girls were thinking about their meals. They had no appetite, and they were digesting what Nan Nan said.

After a while,

The girls left one after another,

Su Yan saw Jing Niu waiting for her and hurriedly said, "Mother, I'm sleeping with my aunt tonight, you go back."

Jing Niu glanced at Su Yan and turned away from her. She still had to think about what Nan Nan said tonight.

It's better that Su Yan doesn't disturb her,

Jing Niu can think about the shocking news she heard today.

The next day,

Su Chen had just come out of Mrs. Hu's room. He saw Nong Yu outside the door and touched his nose and left in a hurry.

Damn it,

It was a bit embarrassing,

Did Nong Yu stay outside all night? Didn't the stupid woman listen to it all night and go to the corner?

"Shameless bastard."

Nong Yu saw Su Chen leaving and hurried into the room.

She didn't expect Su Chen to harm her mother.

If her mother hadn't told her about Su Chen yesterday, she would have rushed in and killed Su Chen last night.

Husband and wife in the previous life?

Are her mother and Su Chen really husband and wife in the previous life?

Nong Yu thought that although her mother was weak,

but her mother was not a shameless woman. If Su Chen had nothing to do with her mother, her mother would die with her, and her mother would not be humiliated by Su Chen.

In the yard,

Yan Fei was sitting under a tree drinking tea. When she saw Su Chen coming downstairs, she called out, "Su Chen..."

Su Chen came over and asked, "Beautiful lady, why are you in the mood to drink tea in the yard today?"

Yan Fei asked with a serious face, "Su Chen, I am your queen and queen of heaven. Why do you think I am in the mood to drink tea in the yard?"

"Hmm? What did Nan Nan tell you?"

Su Chen sat down and was very surprised.

Yan Fei knew that it was his queen and queen of heaven? People in this world could not know.

The archangel and the female zombie went to do his trial mission, and the shadow assassin and the secret guards would not have said it without orders. Su Chen guessed that it was Nan Nan who revealed it.

Yan Fei nodded and replied, "Yes, Su Chen, if I am your queen, shouldn't I be an immortal? How could I be in this world? I don't know you yet?"

"This matter is a bit complicated, Yan Fei, I will tell you after I finish some things in the next few days."

"Okay, I can wait for a few days, Su Chen, I want to know if we have a child?"

"Yes!"

Yan Fei asked nervously, "Is it a boy? Or a girl?"

Su Chen thought of Su Yanyue and smiled, "It's a daughter. Our daughter is Su Yue, and the title is Princess Gao Yue. She is a cute and beautiful girl, but also a naughty one with a dark belly. She looks 80% like you."

"Daughter? Su Yue? Princess Gao Yue?"

Yan Fei was very happy to hear this,

She couldn't help wanting to see the daughter she had never seen. (To read the exciting novels, go to Faloo Novel Network!)

Su Chen saw Yan Fei's happy expression and said, "Yan Fei, I will pass Yue Er's image and growth experience to you, you can see our daughter's growth experience."

"Okay, pass it to me quickly."

Su Chen communicated with the system and said, "System, pass Yue Er's growth experience to Yan Fei."

[Ding, this will not happen again.]

Su Chen curled his lips and put his hand on Yan Fei's forehead, []

This will not happen again?

The system girl said it five or six times, if not ten times, but as long as he made a simple request, the system girl would help him,

However,

If Su Chen asked for something a little difficult,

The system girl would take advantage of the situation and ask for either the origin of the Heavenly Dao or the Hongmeng Spiritual Liquid.

After a while,

Yan Fei closed her eyes and checked the extra memories in her mind. She smiled as she checked the extra memory images.

Yue'er?

Yan Fei liked her daughter since she was born.

She was so cute.

When Yue'er was a baby, she was chubby, with a pink face, big black and bright eyes, and a small nose. She was very cute. Yan Fei thought her daughter would grow up to be a beautiful little girl.

Su Yan hurried over and shouted, "'~ Dad, my aunt said you have a Luoxue Sword, and the Luoxue Sword is also a symbol of your identity. Can you give it to me?"

Su Chen shouted with a dark face, "Oh my god, little girl, do you want to go to heaven?"

"Dad, can't I?"

"Can you remove the "?"

Su Yan pouted and said, "Dad, I am your daughter, why don't you give me the Luoxue Sword?"

Su Chen rubbed his forehead and said helplessly, "Little girl, the Luoxue Sword is now a Hongmeng spiritual treasure. As long as I take it out, the world will be damaged and destroyed. Besides, you are not even an immortal. Although the Luoxue Sword will not hurt you, do you want the Luoxue Sword to destroy the world?"

"Is that so, Dad, I don't want the Luoxue Sword anymore, you have to compensate me."

"Tell me, what do you want?" "Su Yan raised his fist excitedly and said, "Army, I want a million black armored troops, I want to destroy all seven countries, I want to become an empress like my aunt, I want to be the empress of this world."

"(Yes) "Okay, Dad will give you a combat corps, and military supplies will also be equipped for you."

"How many troops are there in a combat corps?"

"A combat corps has 700,000 to 800,000 regular troops, and hundreds of thousands of alien servant troops. A combat corps is very powerful. No army in this world can match the black armored corps."

"Haha~, Dad, when will you hand over the combat corps to me?"

"Three days later."

"Okay, I'll tell my aunt. "

Su Yan waved her hand and ran away quickly.

She had never planned to get the Luoxue Sword, and her aunt also said that powerful spiritual treasures could not appear in the small world.

Su Yan's goal was to get 100,000 troops.

She just said that a hundred years of troops was a bargain. Su Yan did not expect Su Chen to agree to give her 1 million troops.

Su Yan was very happy.

She also understood that her father really loved her and doted on her..

Chapter 3180

Su Chen shook his head as he watched the little girl happily leave.

Su Yan is indeed Su Yan.

Although they are not from the same world, their quirky personalities are exactly the same. If Su Yan's mother had not been killed in the future, she would not have become a cold woman.

Su Chen leaned back in his chair and smiled, "Yes, my daughter has grown up, but with Su Yan, I can enjoy the fun of being a father again."

A shadow assassin appeared and saluted, "Master, Atlanna let Aragorn go."

"Notify Wei Zhuang and let him kill Aragorn."

"Yes, Master."

Su Chen didn't care about the little man Aragorn.

If Aragorn didn't run away,

He wouldn't kill Aragorn either.

But Aragorn ran away.

Aragorn will be an enemy of Sheng Caier and others in the future. Su Chen can't let him live~ any longer.

An hour later,

Yan Fei opened her eyes and looked at Su Chen,

There was a gentle look in her eyes,

She saw many things in the memory images that Su Chen sent to her,

In the memory images,

She was Su Chen's legal wife,

She was also Su Chen's queen,

In the Tianxuan Continent,

Yan Fei's words were decisive, and she could be said to be the real controller of the Tianxuan Continent,

Yan Fei had to digest the memory images of the Tianxuan Continent,

In the future, the Shenyun Continent, the Honghuang Immortal Realm, and even the Xuantian Realm, Yan Fei could only check slowly later.

And Yue'er,

Her daughter has been eccentric since she was young. She looks quiet and cute, but she is actually a scheming little girl.

The little girl is the same as her sister Su Yan.

Su Yan is openly causing trouble and seeking death, while Yue'er is secretly causing trouble and seeking death. The two little girls are indeed sisters.

Yan Fei also understands why Su Chen likes Su Yan,

Why does he pamper Su Yan.

It's just strange,

What is her relationship with Yan Fei of Tianxuan Continent? Is she the mirror image of Yan Fei of Tianxuan Continent?

Yan Fei kicked Su Chen and asked, "Su Chen, what is the relationship between me and Yan Fei of Tianxuan Continent?"

Su Chen sat up and explained,

"Yan Fei, you and Yan Fei of Tianxuan Continent are the same person, and you are also the same person but different fate."

"There are many small worlds with the same origin in the Chaos World, and there are many similar characters. You in this world are somewhat similar to you in other worlds, and somewhat different.

"Just like me."

"I am the emperor in Tianxuan Continent, and I may be a beggar in other worlds. You don't have to think too much. You just need to know that you are a living person, and you are Yan Fei of Dongjun of Yinyang Family."

Yan Fei understood after hearing Su Chen's words,

She is the same person as Yan Fei of Tianxuan Continent, but their fate is different,

She is a real existence, not a clone, nor a mirror image. She is Yan Fei of Dongjun of Yinyang Family, Yan Fei. As long as she knew these, she didn't need to worry about Yan Fei of Tianxuan Continent.

Yan Fei blushed and asked shyly, "Su Chen, if we have a child, do you think our child will be exactly like Yue Er?"

Su Chen smiled and replied, "Our child will be exactly like Yue Er."

"That's good."

"Yan Fei, you don't know that Yue Er will be 80% like you when she grows up. Yue Er is still a little scheming. In the last world, Yue Er pretended not to know me and wanted to tease me."

"I have seen some memory images of Yue Er when she grew up."

Yan Fei smiled and nodded,

She had probably seen Yue Er in the Honghuang Immortal Realm before,

Especially when the three sisters of Yue Er went to the Savage Realm, the three little girls actually ran away when they saw Su Chen, and also ambushed and imprisoned Su Chen in the Lingbao. Yan Fei almost laughed when she saw these.

Swoosh!

A shadow assassin appeared instantly and saluted, "Master, Qin Wang Ying Zheng and Gai Nie have arrived in Xinzheng City."

"Qin Wang Ying Zheng has finally arrived." (To read the exciting novel, go to Faloo Novel Network!)

Su Chen stood up and was going to kill Qin Wang Ying Zheng,

He had to kill Qin Wang Ying Zheng again,

Su Chen was also very speechless about the trial world. This was his second time to come to the Qin Shi small world.

If Tianxuan Continent is included,

Su Chen would have to kill Qin Wang Ying Zheng twice. []

Yan Fei saw Su Chen showing murderous intent and asked in confusion, "Are you going to kill Qin Wang Ying Zheng?"

"Yes, I came to this small world for trials. I have three trial tasks. One, kill Han Fei, two, kill Qin Wang Ying Zheng, and three, destroy five philosophers."

Yan Fei rolled her eyes at Su Chen and said, "These tasks are easy for you. Your trial tasks are too simple."

0 Ask for flowers

"This is only the first round of trial tasks. I want to get an important treasure. I don't know how many rounds of trial tasks I have to try."

"You are the strongest in the fairy world. Even if the trial task is in the fairy world, you can easily complete it."

"Maybe."

Su Chen did not tell Yan Fei about the system sealing his cultivation.

Yan Fei had already fallen in love with Yue Er after seeing his memory images, and Su Chen did not want Yan Fei to worry about his safety.

At this moment,

At the gate of Xinzheng City,

Atlanna and Aragon were besieged by the black-armored army,

In the carriage next to them,

King Qin Ying Zheng and Gai Nie were very surprised to see the two besieged people. They have been shocked and surprised since they entered Xinzheng City.

The changes in Xinzheng City did not expect them,

King Han escaped,

General Ji Wuye was killed,

Xinzheng City was occupied by 50,000 to 60,000 black-armored troops.

King Qin Ying Zheng frowned and asked, "Gai Zhang, what country do you think the black-armored army is from?"

Gai Nie shook his head and replied, "My lord, only the army of the Qin Dynasty is black-armored among the seven countries, and the armies of the other six countries are not black-armored. I can't guess which country occupied Xinzheng City. The army of a country."

"That's true. The army of the Qin Dynasty is the only one in the world with black armor. The army of Xinzheng City is obviously not the Qin Dynasty's army. Who has an army of 50,000 or 60,000?"

King Qin Ying Zheng couldn't figure it out.

The army that occupied Xinzheng City was not the army of the Seven Kingdoms, nor could it be the rebels of South Korea.

Private army?

Is it possible?

No one can have huge financial resources to train an elite army. If there is, the spies of the Seven Kingdoms will not fail to discover it.

At this time,

Wei Zhuang came with a team of cavalry and said coldly, "Atlanna, you let Aragon go privately, you are causing Aragon to be killed."

Atlanna saw Wei Zhuang coming and said in a panic, "Wei Zhuang, let Aragon go, I will explain it to Su Chen."

"Do you think it's possible?"

"I.... "

“Atlanna, Su Chen has ordered that Aragorn must be killed without mercy. You should go to Zilanxuan and wait for Su Chen’s punishment. Aragorn is doomed.”.
