Chapter 32

Su Yan is also very nervous now. She doesn't know whether the jade pendant her father gave her will work or not. Now she can only treat it like a dead horse, hoping that this jade pendant can be useful.

Huang Rong knew that Su Yan was coming when she saw the carriage being escorted by the army. However, when she saw the army guarding the city gate blocking the carriage, she was worried about whether Su Yan could get out of Gusu City.

A'Zhu came out of the carriage and handed the jade pendant to Captain Zhang. Now A'Zhu is not sure whether the little princess's jade pendant will work here.

"Princess, my subordinates have offended many people just now. Now Princess can leave the city." Zhang Xishan saluted immediately when he saw this jade pendant and said, this jade pendant is a symbol of Wu Xiangjun's status. With this jade pendant, the princess can command all the troops and go wherever she wants.

Su Yan listened to Zhang Xishan breathed a sigh of relief.

"Captain Zhang, I won't blame you. After all, this is your duty. Liu Teng, let's go."

"Thank you, Princess."

Zhang Xishan saluted immediately after returning the jade pendant to A'Zhu.

""She's the princess."

When the carriage left Gusu City, A'Zhu took Huang Rong to the carriage. Now Su Yan didn't have anything to worry about. She looked at her jade pendant and smiled. Su Yan felt that her father was interested in her. She is still very good.

Su Yan did not expect that this jade pendant would have such a great effect. It seems that she can do whatever she wants with this jade pendant in the future.

Huang Rong was very surprised when she got on it. She did not expect this. Mali is so luxurious, and even sleeping in it is probably very comfortable. However, Huang Rong asked when she saw Su Yan, a little girl looking at a jade pendant, giggling,

"Little girl, why are you giggling at a jade pendant? How did you persuade your bastard father to let you leave Gusu City this time?"

"I didn't tell my father."

Su Yan smiled mysteriously after hearing Huang Rong's words.

Huang Rong looked at Su Yan in surprise and asked,

"What? You left secretly without saying anything? Then why did the troops guarding Gusu City let you out?"

Huang Rong didn't expect that this little girl would secretly leave Gusu City. If Su Yan's bastard father found out that he took his daughter away, I'm afraid he wouldn't be well off either.

Su Yan showed Huang Rong a look at the jade pendant. He said,

"I have this. My father gave it to me. I didn't expect that this jade pendant could help me get out of Gusu City."

"this.....This is a family jade pendant, a symbol of status. Why would your father give you this jade pendant?"

Huang Rong took the jade pendant and looked at Su Yan in shock. Huang Rong didn't expect that Su Yan's father would give her this jade pendant. This jade pendant is a status symbol for the family heir. Huang Rong didn't expect that bastard Su Chen to like him so much. Su Yan asked strangely, "Why can't you give it to me? If I am his daughter, who will give it to me?"

Huang Rong saw that Su Yan didn't know the meaning of this jade pendant, so she said to her seriously,

"This jade pendant is a symbol of the family. Logically speaking, it should be given to the eldest son of the family, that is, the family heir. You are a daughter, how could it be given to you? Will you inherit your father's title in the future?"

"What? Does this jade pendant still have such a function? My dad didn't tell me."

Su Yan is also very surprised now. She didn't expect that her father would give this jade pendant to her. Now Su Yan feels that this jade pendant is a bit hot and she doesn't want it now.

Su Yan thinks that she is not Su Chen's biological daughter after all. She was very satisfied that Su Chen could be so kind to her. She should leave this jade pendant to her younger siblings in the future. Su Yan decided to return the jade pendant to his father in the future.

Huang Rong smiled and touched Su Yan's head and said,

"How do I know this? You, a little girl, will not be easy in the future. Future female Wu Xiangjun, you must take more care of me in the future."

"We'll talk about this later. My dad is very young now.

"

"That's true, but you are still young, I can wait for you to grow up."

Guo Jing at the gate of Gusu City was a little confused. Huang Rong got on the carriage and left without even saying hello to him. Now the soldiers guarding the carriage did not allow him to get close to the carriage. Guo Jing had to follow these cavalry. Rushing towards the apricot forest.

Apricot Forest

Su Chen was now sweating under a big tree. He really suffered this time. He did not expect that the two women suddenly accelerated on the road.

Su Chen was originally Walking slowly, the witch Huanwan actually tied herself with a rope and was dragged away by the horse. Now Su Chen was still panting and panting. Now Su Chen wanted to teach that witch Huanwan a lesson. Su Chen was walking slowly. Chen Chen looked around and saw that there were a lot of people here. Although the place he chose was not near the front, it was still in a good location. He could see everyone in the middle of the apricot forest. At this time, under the big tree Next to them, a man and a woman were speechless when they saw Su Chen sitting under the tree covered in sweat. They didn't think that a young man who didn't know martial arts would come to join in the fun.

This man and woman were Xiao Li Fei who was playing around in the Song Dynasty. Dao Li Xunhuan and his cousin Lin Shiyin.

Lin Shiyin looked at Su Chen and asked curiously,

"Cousin, why is this young man here even if he doesn't know martial arts?"

Li Xunhuan looked at Su Chen who was still out of breath and said with a smile,

"Shiyin, this young master may be curious about things in Jianghu."

"Haha, if something happens soon, I'm afraid this young master will be scared to death. Lin Shiyin said with a smile on her beautiful face.

Li Xunhuan looked at Lin Shiyin who was gloating about his misfortune and said helplessly,

"You girl, with us here, nothing will happen to this young master. I will go over and talk to this young master. Lin

Shiyin waved her hand to Li Xunhuan and continued to look at the people from the world who arrived.

"Well, go ahead and let me see if there is anyone we are familiar with this time"

"Brother, why are you born a man? Su

Chen looked at the scholar and said nonsense,"I was chased by a tigress, that's why I sweat so much.""

Li Xunhuan, who was sitting next to Su Chen, was a little shocked when he heard Su Chen's words.

"Brother, you are really humorous. I wonder what your last name is? I am Mr. Lee"

"My surname is Su."

Su Chen felt a little helpless when he saw the scholar sitting next to him. After a while, Shi Feixuan and Huan Huan came, and he didn't know if the scholar would be fascinated by them.

If the scholar accidentally offended Huan Huan, Witch, I'm afraid this scholar will be in trouble.

Li Xunhuan saw that Su Chen looked at him in a strange way, but he didn't care.

"Brother Su, are you here to see the Beggar Clan Conference this time too? I see you don't know martial arts, why are you here?"

Su Chen looked at the scholar speechlessly and said,

"Don't you know how to do martial arts? You can come, why can't I come?"

"Haha, Brother Su, I'm just asking out of curiosity, Brother Su, don't mind."
